

Ditsy Wife 431

Chapter 431

431 Gong Mo's past (22)

"Which part did you fill in?" Sheng nanxuan looked at her wish form. why are they all schools in Nanjiang? Even if you don't want to go to Capital University, you can still choose a school in the capital! How many schools were there in Nanjiang? There are so many good schools in the capital, you can choose whichever you want!"

...

"I don't want to go too far," Gong mo replied with his head lowered. "My mom is alone. If I go too far," she said in a low voice.

Sheng nanxuan was stunned. He looked at his form and suddenly felt like crossing out one of his choices.

He paused for a moment and copied the second and third books according to her wishes.

"What are you doing?" Gong mo shouted. Can you be more serious?"

"I'm serious!" Sheng nanxuan looked at her. I still want to be your classmate.

Gong mo was stunned and lowered his head with a red face.

At night, she went to watch a movie with Shan Rong. It was already very late when they got home. Shan Rong took a shower and went to bed.

She was also getting ready to sleep. When she walked into the room and saw the bag on the bed, she remembered the class record Sheng nanxuan had given her in the morning. She took it out.

He recorded his classmates and placed them on the desk. Their graduation photo was also placed on the desk.

Gong mo picked up the photo and looked at him in it. His heart throbbed.

She did not know what he had written for her to take so long to return her Hanhan.

She had a little anticipation in her heart, hoping that there would be a surprise.

She opened the student record, and a few minutes later, she stood up abruptly, took off her pajamas, and threw them on the bed. She opened the closet and took out her clothes for going out. Then, she put them on, turned off the light, took her keys, and quietly left the house.

.....

At the school gate, Sheng nanxuan quietly leaned against the wall, his long shadow cast under the streetlight.

He glanced at his watch. It was already ten O'clock.

He knew that Gong mo probably wouldn't come, but he didn't want to move. He continued to lean against the wall.

Just do whatever you want~

He would sleep there, wait until he was woken up in the morning, and then continue to wait.

She might not have looked at the student records today. He would just have to wait until tomorrow. She's such a good person, so she'll definitely come. Even if Yueyue rejects her, she'll reject her face to face, right?

The sound of running came into his ears, accompanied by the sound of a girl's breathing.

Sheng nanxuan looked over and saw a girl with disheveled hair running towards them with great difficulty.

He stood up straight and looked at her.

She seemed to have run for a long time. Her steps were slow and she kept panting.

Sheng nanxuan recognized her. He rushed over and took her into his arms.

ah! Gong mo was shocked. He leaned against him and panted heavily.

After a long time, he let go of her, grabbed her shoulder, and shouted, "What are you doing here?"

s-sorry, Yingluo, "Gong mo said guiltily. I-I just saw the class record Yingluo.

Sheng nanxuan was stunned. He pulled her into his arms again, overjoyed.

So it wasn't that she didn't want to come, but that she came immediately after seeing it.

She must have him in her heart!

After a long time, Gong Mo's breathing had calmed down. He was still hugging her. She pushed him away awkwardly.

Sheng nanxuan suddenly roared. it's so late. Why are you out here instead of staying at home?!

Gong mo was stunned and looked at him with a wronged expression, "I'm Yingluo. Didn't I come to find you?"

but it's already 10:30 am. There's nothing on the street except for bad guys. Are you looking for death?"

Gong mo pouted and started crying.

Sheng nanxuan was shocked and immediately became anxious. "Don't cry-hey, don't cry, Yueyue, I won't say anything, okay? I'm just afraid that something will happen to you!"

"I'm here to find you, okay?" Gong mo rubbed his eyes and cried, "what right do you have to scold me?"

Chapter 432

432 The truth of being hypnotized (1)

"S-S-S-sorry, Yingluo." Sheng nanxuan whispered, " I'm afraid that you'll meet bad people again! You, why don't you think about it carefully? What if I'm not here and you're alone?"

...

"Aren't you here?" Gong mo sobbed as he looked at him.

Sheng nanxuan was stunned. then, Yingluo, don't cry.

He fumbled for a pack of tissues and handed one to her. "Wipe it."

Gong mo grabbed the tissue, lowered his head, and wiped his mouth twice. Then, he threw the tissue into Gu Yusheng's hand.

Sheng nanxuan caught her and looked at her wet eyelashes. His heart softened. "Yingying, you saw the message?"

Gong mo blushed and turned around, " I ... I was worried that you'd be here, so I came to see Yingluo."

"Don't you want to ride a bike with me and watch the sunset?"

it's so late now. Where can we go to ride a bike and watch the sunset?" Gong mo roared.

"Then let's go and see the fireflies!" An idea came to Sheng nanxuan.

"Where, where can i see the fireflies?" Gong mo was stunned.

"I know the place, do you dare to go?"

Gong mo was shocked when he heard that, " "It's so late now, Yingluo."

"You're scared?"

"Shouldn't I be afraid?"

"I should." He smiled and reached out to hold her finger carefully. I'll protect you. Do you believe me? "

Gong mo shivered and retracted his hand,"you'll protect me?" Please don't hurt me. "

Sheng nanxuan understood what she meant. She was afraid that he would turn into a Wolf and eat her up?

If she thought this way, she must be interested in him, right? Sheng nanxuan hugged her in excitement.

She shouted,"what are you doing?!" Let me go!"

"I won't hurt you." I swear, "he whispered in her ear.

Gong mo paused and didn't speak.

Sheng nanxuan slowly let go of her. but I've said it. You do it. This is our first date. Let's go on a date before the day ends."

"It's so late now, where are we going?"

"There's a place with a lot of fireflies."

Gong mo bit his lip and nodded.

He was overjoyed and grabbed her hand. He was so nervous that his palms were sweating."Let's go," he said.

Gong mo tried to move but failed. He had no choice but to follow him.

Their shadows were cast on the ground, and she saw them holding hands. Her heart beat wildly and she suddenly asked, "What if they don't get together in college?"

Sheng nanxuan turned around and held her hand as they walked backward. "I'll be good. I won't mess around with other girls."

"Who's talking to you about this!" Gong Mo's face was red.

"I'll visit you when I'm free." He said, " let's get married after we graduate-"

"Aiya!" why are you thinking so far ahead?" Gong mo shouted. Walk properly!"

"I'm serious about you, of course I'm thinking far ahead." He continued to step back and stared at her expression. do you think I'm just playing around? "

After a moment of silence, Gong mo said hesitantly, " "No, I haven't. It's just that those mayflies are really too far away."

“It’s fine.” He smiled and interlocked his fingers with hers. let’s date slowly. After two years, you won’t feel that it’s far away.

Gong mo lowered his head and pulled him aside, ” “I told you to walk properly.”

“Alright,” he said. He turned around and walked side by side with her.

“Where are we going?” Gong mo asked after a long walk.

“Oh, let’s take a taxi.”

“Where’s the car?”

“There’s a KTV over there. There should be a car at the entrance.”

When they walked out of the KTV, they saw many taxis waiting for customers.

Sheng nanxuan called a taxi and got in with Gong mo.

He gave her an address, and they arrived shortly after.

After getting out of the car, Gong mo felt that this place was like the wilderness.

Chapter 433

433 The truth of being hypnotized (2)

This wasn’t accurate.

...

Because the road was wide and the streetlights were bright, it looked better than the buildings in the old city.

However, the surroundings were cold and quiet, and there were no lit residential buildings. There was a long wall on the side of the road, which probably led to a factory.

This place was probably an Industrial Park, right?

Sheng nanxuan took her to a wall. He pulled the iron fence in the middle of the wall twice and pulled out a steel bar.

“What are you doing?!” Gong mo was shocked.

“It’s fine. This place is broken.”

He used the steel bar to pry open the two sides. Soon, he pried open the two sides as well, revealing a big hole in the middle.

Gong mo was stunned.

Which construction company did this? it’s such a lousy project!

Sheng nanxuan threw away the steel bar and drilled in from the middle. There was still some obstruction at the side, so he used his hand to pull it and directly pushed it to the side.

He extended his hand to Gong mo.

Gong mo was small in size, so he got in easily. She reached out and touched the steel bars, thinking that they would bend like aluminum wires, but they were as hard as iron!

He clearly looked very relaxed!

“Are you very strong?” she couldn’t help but ask.

“A little older than you.”

Gong mo was stunned for a moment and didn’t ask further. He had probably used some tricks just now, right? Otherwise, how could a living person bend a steel bar so easily?

Sheng nanxuan led her inside. She observed her surroundings with the help of the streetlight. She could not see clearly, but she could roughly make out the outline.

There seemed to be many greenhouses around.

Sheng nanxuan didn’t take her to the greenhouse. Instead, they went in the opposite direction, further and further away.

Gong mo saw that there were no buildings in front of him. There were grass leaves around his ankles. He seemed to be in the wilderness. He shouted in fear, “Sheng nanxuan!”

Call me nanxuan.

Gong mo was stunned for a moment before he slapped him and complained, “You’re still in the mood for this? Where is this place?”

the prosperous herb garden. It’s for growing herbs.

“Herbs?”

“Aren’t they making medicine? Some of the herbs are self-grown.”

“Then what are we doing here?”

“I’ll take you to see the fireflies.” He tugged at her. the back is deserted. No one usually goes there.

“No one’s going?” what if there’s a snake? “Gong mo was shocked.

“Don’t worry, the snakes are regularly removed here.” Sheng nanxuan stopped. what’s wrong? You’re afraid? Then I’ll carry you.”

“What if you get bitten?”

“Don’t worry, I won’t be bitten, because there’s no such thing!” He laughed. you must be tired from walking too, right? You’ve just run so far, I’ll carry you now.”

Gong mo blushed and lay on his back as he recalled that Gu Yu had carried him two years ago.

The feeling this time was different from the last time.

Last time, it was an unfamiliar classmate, but this time, it was Yingying’s boyfriend and girlfriend.

Gong mo laid on his back shyly. He walked forward slowly and neither of them spoke.

Gong mo didn’t dare to look around. He was a little scared of the darkness.

She looked up at the sky and exclaimed in surprise, “ “So many stars! Look, that’s the Milky Way!”

Sheng nanxuan looked up and asked with a smile, “ “Pretty, right?”

“Beautiful.” Gong mo lowered his head and suddenly saw a little light flying in front of him. He shouted again, “there really are fireflies!

“Why Would I Lie to You?” Sheng nanxuan stomped on the grass, and a few fireflies flew out.

As he went deeper and deeper, the insects in the grass were all awakened.

The wind blew past his ears, bringing with it the smell of grass. There were more and more fireflies, and they lingered around them.

Chapter 434

434 The truth of being hypnotized (3)

Gong mo stretched out his hand and a Firefly flew between his fingers. She exclaimed, “so beautiful Yingluo.”

...

Sheng nanxuan stopped. Gong mo raised his head and looked forward. He saw the night view of Nanjiang city.

Although Nanjiang was not as prosperous as a big city, it was still a modern city. Hence, the buildings in the distance were also flashing with neon lights, and it looked quite a scene.

It was just that the place they were in now was a little eerie and scary.

However, with him around, she was not afraid.

Sheng nanxuan put her down and sat on the ground beside her.

Gong mo lowered his head. He suddenly took off his t-shirt and threw it on the grass beside him. “Have a seat.”

Gong mo took a step back with * red face when he saw his naked upper body. “What are you doing? Wear it!”

“I’m afraid the bugs will bite you.”

“Put it on!” Gong mo was stunned.

Sheng nanxuan had no choice but to pick up the t-shirt and put it on. Then, he stretched out a leg and patted it. “Then you can sit on my lap.”

Was he trying to take advantage of her? Gong Mobai rolled his eyes at him, walked to his other side, and sat down.

Sheng nanxuan looked at her in surprise. She pouted and said, “I’m not afraid with you here!”

Sheng nanxuan smiled and moved closer to her.

Gong mo blushed and turned his head away.

Sheng nanxuan lowered his head and saw her soft ears, which reflected a little light in the night.

“Do you know why I’ve brought you here?” he asked gently.

“Why?” She turned around and looked at him with a pair of pure eyes.

He placed his hands behind his back and looked around. “Because I grew up here.”

“Ah?”

“I grew up underground, do you believe me?” He asked with a smile.

“What kind of joke are you talking about?” Gong mo was stunned and pushed him.

He smiled and reached out to stroke her head. then, I’ll tell you something that isn’t a joke-I’m an illegitimate child. Will you despise me? ”

Gong mo was stunned and looked at him in surprise.

I’m an illegitimate son of the Sheng family, “he said. I might not get any property in the future. The villa, the banquet, and the other things of the rich all belong to Sheng Dongyi.

On his birthday last year, he had invited a few classmates to his house, including her.

It was also Sheng Dongyi’s birthday that day. There was a grand banquet at the villa, but it was not his.

I see, “Gong mo muttered.

It was his birthday last year, and the Sheng family’s Villa was very lively. But he did not join in the fun, and instead celebrated on the roof of the villa with his classmates.

She went to the kitchen with him to get some snacks, and when she came out, she met his brother. Her brother’s expression had been very cold at the time, and she had thought that he didn’t like them, a group of poor and powerful high school students, to disturb him. Could it actually be a problem between the two brothers?

“If I don’t have anything in the future, will you despise me?” Sheng nanxuan looked at her.

“You don’t even have the heart to work hard and improve?” Gong mo asked.

“Of course I do.” He laughed. with you encouraging me, I’ll definitely work extra hard and be very motivated! If I can’t inherit the Sheng family’s fortune, I’ll earn it for you! I don’t want to be the second generation of a rich family, I want to be the first generation of a rich family! What do you say?”

Gong mo blushed and lowered his head. you said yes to Wanwan. That's good.

When Sheng nanxuan heard this, he turned over and used his hands to support her side, imprisoning her in front of his chest.

Gong mo was shocked. He leaned back and fell to the ground. She immediately used her elbow to support her body and did not lie down.

"What are you doing?" She asked nervously.

Sheng nanxuan slowly approached her, and the air around him seemed to be moving.

Gong Mo's breathing became faster and his eyelashes trembled. He closed his eyes slowly, waiting for a kiss.

Chapter 435

435 The truth of being hypnotized (4)

"What if I want to kiss you?" He suddenly asked.

...

Gong mo was stunned. He opened his eyes and glared at him."No!"

What kind of person was this?

If you want to kiss me, just kiss me! She couldn't possibly hit him when he was like this? Ask what? She also had her reservations, so of course she couldn't agree to it!

Sheng nanxuan raised his eyebrows and asked,'not allowed? But I've already kissed you, so what?"

"When?" Gong mo was surprised.

“Ah?” Sheng nanxuan was stunned.

“I pushed you and you didn’t move. What if it’s glass?”

I’m sorry, I’m sorry, Yingluo. Sheng nanxuan hurriedly wrapped his arms around her chest and rubbed her back. here? ” Does it hurt?”

“What are you doing?” Gong mo pushed him away angrily. You’re always taking advantage of me!”

I ... Sheng nanxuan was innocent. when did I take advantage of you? ”

“You still said you didn’t!”

“Oh, Yingluo, okay, there is.”

“Yingluo,” he actually shamelessly admitted it!

Gong mo raised his hand to hit him, but he grabbed her hand with a smile. “Don’t be angry, don’t be angry, Yingluo.”

How could Gong mo not be angry? The more he laughed, the angrier she got!

She reached out to pick up the stone on the ground. The stone that had hit her was probably the size of a palm. She reached out and pressed on it. Her fingers inserted into the two holes, just in time to pick it up.

She subconsciously felt that something was wrong, but the situation was urgent, so she didn’t think too much about it. She immediately grabbed Sheng nanxuan and hit him.

She suddenly remembered that she couldn't really hit someone! This was her boyfriend, and she would be heartbroken if he was broken!

She hurriedly held the stone in front of her chest to block him. "If you mess around again, I won't be polite!"

you ... Sheng nanxuan was about to say something when he suddenly saw the thing in her hand. He was stunned.

Gong mo also felt that this thing didn't feel right. He lowered his head and looked at it-

"Ah!"

She screamed in horror and threw the thing in her hand away. Her scream tore the sky apart.

Chapter 436

436 The truth of being hypnotized (5)

"Gong mo!" Sheng nanxuan immediately hugged her.

...

ah ah ah-" Gong mo screamed like a madman.

Sheng nanxuan watched as the thing rolled past his eyes. It was a complete human skull.

After being stunned for two seconds, he covered Gong Mo's mouth with his hand and said, "Don't be afraid!"

Wu, Wu, Wu. Gong mo stared at the skull and pushed it away with all his strength. He then turned and ran.

After running a few steps, she suddenly realized that there was no road around her.

The surroundings were empty. There were no lights, no people, and no houses. She didn't know where she had come from!

Only the grass was swaying, the fireflies were flying, and Sheng nanxuan was chasing after them from behind.

She broke into a run, no matter where she ran.

She remembered that when she came in, he had pried open the steel bars with his bare hands and said, " I grew up underground, Yingluo.

Who the hell was he!

What was it?

Gong mo almost lost his mind and fell to the ground.

"Gong mo!" Sheng nanxuan caught up to her and wanted to help her up.

"No... Let me go!"

She screamed and crawled forward, grabbing the grass and mud on the ground and throwing them at him.

"Gong mo, calm down." Sheng nanxuan pounced on her. don't be afraid! You didn't see anything just now, don't be afraid! Trust me!"

let go of me-" Gong mo screamed. He grabbed a stick from the ground and smashed it on the man's head.

With a bang, the two of them were stunned.

Gong mo looked at the object in his hand. It wasn't an ordinary stick. It was in the shape of a bone.

Her hand trembled, and the bone fell to the ground.

That was a human skull just now. What was this one? Leg bone?

She was scared out of her wits, not knowing what had happened to her as she laid on her back on the ground.

The Milky Way was still bright, and she burst into tears.

Mo Mo Xuanji. Sheng nanxuan cupped her face in his hands. His worried face appeared in her line of sight.

She looked at him and started to tremble.

"Don't be afraid." He hurriedly said, " I won't hurt you.

"Who are you?" She asked fearfully, " you're GUI Qianqian.

it's not Yingluo," Sheng nanxuan said in a choked voice. A tear fell on her face.

How did this happen? It was clearly a date, how could it be like this?

Gong Mo's eyes glazed over,'where's nanxuan Xuanji? Where did you put my nanxuan?"

I am, Yingluo. Sheng nanxuan's face was full of tears.

Her nanxuan Yingluo

In her heart, he was her Xuanji.

you're not Yingluo. Gong mo pushed him. you're not Yingluo. Nanxuan isn't like this. Yingluo, return nanxuan to me!

"Gong mo ..."

"Let me go!" Gong mo screamed.

Sheng nanxuan held her tightly in his arms. "Gong mo, Qian Qian."

Gong Mo's body trembled as if he had encountered great fear. "Mom, Qianqian, save me, Qianqian!"

Sheng nanxuan was shocked and looked at her. "Gong mo!"

mom! Gong Mo's body trembled and his breathing started to Quicken.

Gong mo, what happened to you?! Sheng nanxuan shouted.

Gong Mo's face turned pale, as if he couldn't hear his voice.

He knew that she was frightened.

She would go crazy!

She would go crazy if this continued!

Sheng nanxuan looked around and burst into tears.

Why did she treat him like this?

He had just been with her, so why did she treat him like this?

Momo, don't be afraid of Hanhan. he lowered his head and kissed her on the cheek. Then, he pressed the corner of her eyes and forced her to open her eyes to look at him. look at me, Hanhan.

Gong mo looked at him in fear.

Her mind was in a mess, and she couldn't think at all.

Chapter 437

437 The truth of being hypnotized (6)

Sheng nanxuan stared into her eyes and hinted, " "Look into my eyes, Yingying."

...

Gong mo slowly looked over and the fear in his eyes was gradually replaced by confusion.

you've never seen my Yingluo before, " Sheng nanxuan said, looking into her eyes.

After he finished speaking, tears fell from his eyes.

The only girl in his heart, he wanted to personally erase his memories from her mind.

"You've never, never met Sheng nanxuan."

I've never met Sheng nanxuan before," Gong mo mumbled.

"Nothing that has to do with me has ever happened to you, Yingluo."

Gong Mo's lips trembled. He couldn't repeat his hint.

in your life, there is no such thing as me or Sheng nanxuan.

Gong Mo's lips continued to tremble. Although he couldn't say anything, he had already engraved the order in his mind.

He closed his eyes in despair, and after a moment, he opened them to look at her. "Gong mo, I love you."

Gong mo blinked his eyes.

He leaned forward to kiss her on the lips and said in a low voice, "Go to sleep."

She closed her eyes and fell into his arms, falling into a deep sleep.

He gently kissed her forehead and stood up with her in his arms. He kicked the human bone into the grass and walked to the place where the skull was. He dug a hole in the ground with the tip of his shoe, stepped the skull in, and covered it with mud.

He looked around and smiled bitterly. "So you're all here? Why did you have to scare my girl today? Just keep waiting, Yingluo. One day, you will all rest in peace."

He carried Gong mo and left slowly.

The wind behind him whistled, probably the roars of the dead souls.

.....

Sheng nanxuan carried Gong mo on his back and arrived at his home.

He used hypnosis on the security guard and asked for Gong Mo's address. Then, he carried Gong mo back. When he reached the door, he took out the key from Gong mo and gently opened the door.

He put Gong mo on the bed and took off her shoes, which were stained with some mud.

He took her shoes to the bathroom and used a brush to brush away the dirt. He also cleaned his own shoes, then put her shoes in the shoe cabinet at the entrance and took her slippers back to the bed.

There was some dirt on the floor from the door to her room, and he wiped it off with tissue paper.

After he was done, he returned to her room and closed the bedroom door.

She was wearing a t-shirt and jeans, lying on the bed with a nightdress under her.

He took out the nightdress, and the front of the dress reflected a cute cartoon figure.

He reached out to take off her clothes and helped her change into her nightdress.

After changing, he looked at the clothes and pants she had taken off.

His white t-shirt was stained with some dirt and grass, but his pants were not so obvious.

What should he do?

If he just left it here, she would definitely be puzzled when she saw it tomorrow.

Sheng nanxuan thought for a moment and took her to the bathroom to help her wash up.

He wasn't afraid of waking dan Rong up since he knew how to hypnotize her. If Shan Rong saw it when she woke up, she would forget about it once she was hypnotized.

After washing his clothes, he went back to Gong Mo's room and saw his classmates' records and graduation photos on his desk.

He picked up the graduation photo and glanced at the things on her desk. He picked up a utility knife from the pen holder and made a small cut on his face in the photo. Then he opened the ink bottle, sucked the ink with the pen, and slowly dripped it there.

There was a layer of film on the surface of the photo. It was smooth, and water could not penetrate it if it was not scratched a little.

After destroying the photo, he opened his classmate list and turned to the last page.

Chapter 438

438 The truth of being hypnotized (7)

He had written it for her. He gritted his teeth and tore it off reluctantly. He slowly folded it and put it in his pocket.

...

He turned around and walked to Gong Mo's side. He held her face and called softly, "Gong mo Feifei, Gong mo Feifei!"

Gong mo moved and frowned.

Sheng nanxuan used his hand to relax her brows, and she slowly opened her eyes. Halfway through, he suddenly snapped his fingers by her ear.

With her eyes half-closed, she saw her surroundings in a daze. She realized that she was in her room, but she didn't know if she was dreaming or not.

Sheng nanxuan walked to the table and touched the ink bottle.

The ink was poured onto the opened student record, gurgling out. When he was almost done, he quickly helped himself up and took a paper towel to absorb the ink on the student's record. Then, he tore off the contaminated record and threw it into the trash can.

Pa!

Finally, he snapped his fingers and Gong Mo closed his eyes and fell into a deep sleep.

Looking at her quiet sleeping eyes, he slowly lowered his hand and showed a reluctant expression.

However, what could he do?

He closed his eyes, turned around, and gently turned off the light, ready to leave.

Just as her hand touched the doorknob, she heard movement from next door, followed by the sound of Shan Rong getting off the bed and opening the door.

Shan Rong went into the bathroom to relieve herself and felt that something was off. She couldn't tell what exactly happened.

It had to be said that a woman's sixth sense was very accurate.

When she returned, she couldn't help but knock on Qian Mo's door.

After knocking on the door twice, she gently pushed it open and turned on the light. Seeing that Gong mo was sleeping soundly, she turned off the light and went out.

Sheng nanxuan, who was hiding on the balcony, heaved a sigh of relief. He did not dare to leave through the main door for fear that Shan Rong would hear him.

He turned around and jumped out of the balcony.

This was the fifth floor, but he had landed safely.

He left this place silently and also left Gong Mo's life.

At that moment, he had never expected that they would meet again and continue their love.

.....

The next day, Gong mo got up and felt that his mind was not clear.

The clothes outside the window were shaking. She looked at it for a while and felt a slight headache.

Did she wear that dress yesterday?

She got up and wanted to wash up. When she passed by the desk, she saw the student record on the table and suddenly remembered that she had accidentally poured ink on it last night.

She lowered her head to look at the trash can, and sure enough, there were a few pieces of paper that "she" had torn from her classmate record.

She took a look and heaved a sigh of relief when she saw that it was a blank page.

She reached out to pick up the student record and suddenly saw the graduation photo under it, almost completely soaked in ink.

She hurriedly took him to the bathroom to wash up.

The photo was made of a different material, so it should be easy to wash.

However, after washing it, she found that there was still a stain in the middle. The ink had seeped through the back of the paper, and there was no way to remove the stains.

.....

Gong mo got into the car and realized that the car wasn't chasing after the helicopter. Instead, it was driving in the opposite direction.

aren't we going to save him?! she asked Fang Yang, who was beside her.

"Yes, I do." Fang Yang explained, "but a car can't catch up to a plane. I'm guessing they'll go to Nanjiang. I've already asked someone to bring boss 'private plane over from the capital's airport. We're going to the nearest airport to board the plane now. We might get there before them."

After all, the speed of a helicopter could not catch up with a Boeing plane.

They were now a few hundred miles away from the capital and it would take a few hours to return to the capital's airport. However, there was an airport nearby and it would only take half an hour to get there. This could save time.

After hearing his words, Gong mo was still a little worried, "What if ..."

don't worry, Madam. I'll get a team of people to chase after them in a car. We'll be prepared for both eventualities.

Chapter 439

439 I want to save him!

Gong mo nodded his head and looked out of the window tiredly. The past was still flashing in her mind.

...

Fang Yang looked at her and said hesitantly, "Madam, should I send you back now?"

what did you say? " Gong mo was taken aback.

"I mean, I'm sending you home."

"I'm not going back!" Gong mo blurted out, " are you not going to let me go to Nanjiang with you? "

"This bi an ..."

"I'm going to save him!" Gong mo said firmly.

To be honest, she did not trust Fang Yang and Lin Lei that much at the moment. Recalling everything in the past, she felt that only she and Sheng nanxuan could trust each other. She had to be on guard against anyone else.

When Sheng nanxuan was around, Fang Yang, Lin Lei, and the others were afraid of him and would listen to him. But now that Sheng nanxuan had been caught, who knew if they would betray him?

She had to go on her own to be at ease!

"Madam, it's better for you to go home." Lin Lei, who was sitting in the front passenger seat, turned around. What if something happens to him in Nanjiang? how are we going to explain it to the BOSS?"

if you don't keep me by your side and protect me well, how will you explain it to me if I get into an accident in the capital? ”

“Uh, hehe.” The two of them were dumbfounded.

This was a possibility, and it was indeed possible for a mishap to happen.

maybe the Sheng family's target is me and my child. They are trying to lure us away-” Gong mo was shocked. my child ...

Fang Yang's eyes lit up, 'that's right! The child! Madam, aren't you going home to take care of Hu?’

“What time is it now?” Gong mo panicked.

She hurriedly searched for her phone, only to find that it was missing.

“Are you looking for your phone?” Fang Yang opened the drawer in between the seats and took out two phones. yours seems to be soaked in water. It can't be turned on. This is BOSS's Pixiu.

Gong mo snatched Sheng nanxuan's phone away and saw that it was already four in the afternoon.

Hu hasn't had milk for hours! What to do? She should be going back!

But she wanted to save Sheng nanxuan herself!

Although she might not be able to help, she hoped that she could see him as soon as he was saved!

She thought for a moment, grabbed Fang Yang and asked anxiously, ” “There are still people in the capital, right? And your people?”

Fang Yang nodded blankly, "of course there's a Kasaya."

It was not only in the capital, but also in Nanjiang. He had just informed the people in Nanjiang to pay attention to any movements. However, there were not many people there and they would not be able to save Sheng nanxuan. But it would not be a problem to collect information.

"Bring my mother and the child over! Let them come with me to Nanjiang!"

how can this be?! Fang Yang and Lin Lei were shocked. No matter what happened to any of them, they couldn't afford to pay!

"I swear I won't cause any trouble!" Gong mo said, "we will stay in the hotel and wait for you to save Nan Xuan! Besides, Sheng Dongyi and the others shouldn't have any power. Otherwise, they wouldn't have thought of such a method. You just need to bring enough people!"

What she said made sense, and the two of them began to hesitate.

If he brought her along with Dan Rong and the child, he would indeed be afraid that something would happen.

But if they were left in the capital, something might happen! Now that Sheng nanxuan's identity had been made public, it was not impossible for someone to kidnap and blackmail him while they were not around.

"What are you hesitating for?" Gong mo shouted, "he's not here. Shouldn't you guys listen to me?!"

The two of them perked up and looked at her with sudden realization. That's right! The boss wasn't around, so wasn't the madam the boss? They should have listened to her, Yingluo.

Chapter 440

440 Meet up in Nanjiang

Fang Yang gritted his teeth and took out his phone to make a call. "Ceng Shuai, go and pick up the old lady and young master. We'll meet up in Nanjiang."

...

As for fan Yiwen, he stayed in the capital to prevent the news from being leaked and causing any turmoil.

Gong mo listened to his arrangements and took Sheng nanxuan's phone to call Shan Rong.

"Mom ..."

"Momo?" Shan Rong called out, "where did you guys go? If you don't come back, the child is going to cry himself hoarse!"

"I'm sorry, Zhenzhen," Gong mo said in a low voice. "I can't come back now. I'll ask Zeng Shuai to pick you up. Come to me with the child and remember to take care of the child's belongings."

Shan Rong was stunned, "what happened?" "Where have you been? Where's nanxuan?"

Gong mo didn't know how to explain. He paused for a few seconds before saying, "Don't ask. Just do as I say. I'm quite busy here."

Gong mo hung up the phone.

At that moment, the car had already entered the airport. She followed Fang Yang and Lin Lei out of the car and walked into the airport to ask around. Sheng nanxuan's plane had already left the capital's airport and was on the way. It would take him about ten minutes.

.....

Shan Rong hung up the phone, feeling very depressed.

These two people really had no sense of responsibility! She went out to play and didn't know how to go home. She didn't feed the children and even wanted to find them herself!

Shan Rong snorted and said to the nanny and nanny, "Help me pack Hu's things, I'm going to take him out,"

"Ah?" The confinement lady was stunned. how? " When will you be back?"

"I'm Yingying, how would I know?" Shan Rong's head hurt. She picked up her phone and called Gong mo. where are you guys? Are you going to spend the night outside?"

"Yes!" Gong mo said. It'll probably take a few days, Yingluo."

"Why so suddenly?"

"Uh, Yingluo will explain it to you when we meet." Gong mo didn't want her to worry.

Shan Rong had no choice but to bring everything along.

Since it would take a few days, it was not enough to take care of the child. She had to take care of her own!

Eh? The two of them didn't bring anything with them when they left. Should I help them pack?

The child had been hungry for a long time and began to cry again. No one could coax him.

Shan Rong could only carry the child over and ask the nanny to go to her room to pack some things. The nanny would take care of the child's things.

She only packed two sets of clothes and some toiletries and did not care about anything else. The children had packed up everything carefully.

Before he could finish, Zeng Shuai came.

Shan Rong asked, "what's going on?" Why are you in such a panic? are you going on a temporary vacation?"

"Almost." CEng Shuai chuckled. Why was Hu Zi crying? Come, let uncle give you a hug ~"

"He left in the morning and didn't feed her." Shan Rong handed the child to him. be careful. He's hungry, you can't coax him."

"I'll carry it next time then." Zeng Shuai quickly returned it to her.

"Are you done?" Shan Rong rolled her eyes at him and asked the nanny.

Auntie Yue quickly counted the items and said, "done!" If there's anything wrong, just call me!"

"Why don't you come along?" Zeng Shuai said, "let's go, let's go, Yingluo."

"I didn't pack my things." The confinement lady was dumbfounded.

"Then hurry up! I'll give you five minutes!" Zeng Shuai ordered.

"This bi an ..." Shan Rong's head was in a mess, but she didn't object after some thought. Anyway, Sheng nanxuan had plenty of money. It was not a big deal for him to travel and take care of his confinement wife. The child was still so young.

The confinement lady only took three minutes to come out with a small duffel bag.

Dan Rong told the nanny to look after the house and then hurried out with CEng Shuai to the airport.
