

Ditsy Wife 491

Chapter 491 Coaxing her

When Sheng nanxuan saw this, he picked up the baby and slapped him on the butt. "Little bastard! You actually dared to kick my wife?"

...

little Huzi looked at him pitifully, not understanding why his Papa, who had been pampering him just a moment ago, would suddenly hit him.

Gong mo was stunned.

He, he, he, he, he actually hit a child? The child was still so young!

"What are you doing?" Gong mo questioned.

he bullied you, Yingluo, " Sheng nanxuan said innocently.

"He bullied me, so you can bully him?"

"You're my wife! No one can bully you!"

"But he's your son!" Gong Mo's face darkened.

waah ... the child cried louder and louder.

"Coax her!"

Oh, Yingluo. Sheng nanxuan saw that she was angry and became well-behaved. He shook the baby. don't cry, Yingluo.

“I’m so angry!” Gong mo stood up and returned to his bedroom in a Huff.

Sheng nanxuan raised the child with both hands. Let’s Make a Deal. Stop crying, okay? ”

“Wuwuwuwu”

“Buy you candy?”

“Wuwuwuwu!”

“Buy you a toy?”

waah ... Waah ... Sheng Yiting was a man of principle. He was not tempted by the sugar-coated bullets at all and continued to cry.

If temptation didn’t work, he could only resort to coercion!

“Stop crying!” Sheng nanxuan growled.

waa-” Sheng Yiting was a smart boy. He immediately wailed and asked his mother for help.

Mom, mom, there’s a big Bad guy here! You didn’t coax me, but you scolded me!

“You’re still crying?” Sheng nanxuan frowned.

“Wuwuwuwu

Sheng nanxuan paused and lowered his voice.”You kicked my wife and you’re still in the right?”

”

Sheng nanxuan rolled his eyes and carried him to Gong mo.

Gong Mo’s heart ached when he saw the child crying so much that his eyes were watery. He immediately carried the child over.

In his mother’s arms, the baby’s cries quickly became softer.

Sheng nanxuan sighed, ‘I have to grow up quickly. When he grows up, I’ll be fierce to him and he’ll definitely stop crying, so you won’t have to work so hard.’

“You still dare to say that!” Gong mo glared at him. how can you do this? ” How old was he? You actually hit him! If you hit him at such a young age, will you take his life when he grows up?”

“Look at you, I didn’t even use any strength ...”

“You still dare to say that!”

Sheng nanxuan immediately shut up. After a while, he said in a low voice, ” “Didn’t I do it to avenge you?”

“You still dare to say that!” Gong mo glared at him.

He hurriedly carried the child and coaxed in a low voice, ” baby, let’s not cry~daddy will lift you up high~” with that, he lifted the child up.

The child was stunned for a moment, then laughed happily.

Gong mo gritted his teeth and glared at him. He knew that he didn't coax him on purpose!

She went to the cloakroom to change her clothes. Seeing that she was angry, Sheng nanxuan did not dare to go in and disturb her.

After packing up, the two of them went to the hospital to visit Gambino.

"When are we going to the laboratory Department?" Gong mo asked.

Sheng nanxuan sighed. the results are out anyway. We can do it any time.

"Aren't you in a hurry?"

"You're anxious when there's no result, but you're scared when there's a result."

Gong mo understood what he meant.

He was afraid that the result would not be as he wished, right?

If that was the case, it would be better to have some more hope.

.....

Gong mo and Sheng nanxuan pushed the baby in a pram and walked to the door of Gambino's ward. From afar, they saw Jason and Primo talking at the door.

Suddenly, the two of them turned around and looked at them with complicated expressions.

Sheng nanxuan raised his eyebrows. He guessed that something was wrong, but his expression was indifferent.

Chapter 492 Lost

Gong mo started to worry.

...

Could it be Gambino?

No, no! It won't!

When they reached the door, Sheng nanxuan said to her, "You go in first."

Gong mo nodded, pushed the child away and entered the ward. Only Shan Rong was inside, and she was trimming Gambino's nails.

When Shan Rong saw her, she smiled and said to Gambino, who was on the bed, "Momo is here, and Hu Zi is here too."

Gong mo took a look and knew that Gambino was fine. She turned to close the door and glanced at Sheng nanxuan. From the looks of it, it was something else.

Sheng nanxuan smiled at her. After the door was closed, he asked Jason and primogenitor in a low voice, "What's wrong?"

"The people we sent to follow shengzhongtian got lost." Jason said with a grave expression.

Sheng nanxuan's expression changed.

Primo looked at him gloomily, obviously distrusting him. "I heard that you've also sent someone?"

In primogenitor's opinion, it was most likely Sheng nanxuan who had tipped off Sheng Zhongtian because they were father and son!

Sheng nanxuan took out his phone and called Fang Yang to ask about the situation. "Did you get any news from the people who were following shengzhongtian?"

no news?" Fang Yang was stunned. I'll ask.

Sheng nanxuan grunted and hung up the phone. He said to Jason and primogenitor, "Wait,"

In less than a minute, Fang Yang called back and said seriously, "we saw him half an hour ago, but he's suddenly gone. They're looking for him.

"If you can't find it within 24 hours, don't waste your energy."

Sheng nanxuan hung up the phone and asked Jason, "How long has it been since your people lost track of him?"

"It's been almost two hours,"

"I'll be here for half an hour."

Primogenitor's face darkened, 'does this mean that their people aren't as good as him?

Sheng nanxuan glanced at him. don't feel inferior. After all, this is my territory. My people are naturally more familiar with this place than you.

Primogenitor turned his head away with hatred.

Sheng nanxuan said, "it seems that they have someone to pick them up." To be able to disappear without a trace under the pursuit of our two forces, the other party must be quite capable."

what? ” primogenitor furrowed his brows. who could it be? ”

Sheng nanxuan suddenly remembered the face he saw in Liu Xuelan’s video call. He had to check that person’s identity.

ah ... dan Rong’s cry suddenly came from the ward.

The three of them immediately rushed in.

Everything was normal inside. There didn’t seem to be any accidents.

“What’s the matter?” Sheng nanxuan asked Gong mo.

Gong mo was a little confused,”I don’t know either.”

ah! Shan Rong suddenly cried out, giving her a shock.

Dan Rong had already pressed the call for help on the wall. She pointed at the brainwave detector and said,”I just saw a wave in his brain.”

Everyone took a look and saw that it was still a scattered wave shape.

Soon, Yu Qingliu rushed over with his men, ” “What’s wrong?”

Shan Rong repeated, and Yu Qingliu immediately went to check the waveform recorded in the computer. He asked in confusion,”There really is a reaction, Yingluo. Logically speaking, it shouldn’t be, Yingluo.”

“What should or should not?” you misdiagnosed her, didn’t you? ” Shan Rong asked anxiously.

“Sister, don’t say that!” Yu Qingliu called out, “ wait for me to check.

“Who’s your sister!” Shan Rong called out.

mantra, mantra, bi an! Yu Qingliu hurriedly said.

Gong Mo’s face darkened.

Yu Qingliu checked for a long time, but the conclusion was that he was still in a vegetative state.

this has never happened in clinical medicine. I’m afraid it’s a new case. I’ll have a meeting with the other doctors to discuss it later. He recorded the situation and asked dan Rong, “ did you say something to him just now? ”

Chapter 493 Looks like she’s overjoyed

Shan Rong was stunned. Gong Mo’s expression also changed slightly.

...

The two of them had just been saying that they would pick a time to return to Nanjiang to bury Gong Xing’s remains after the police had detected his remains.

However, only the two of them and Sheng nanxuan knew that Gambino was Gong hang. They would definitely not tell anyone about what had just happened.

I was just talking about Yingluo, ” Shan Rong pursed her lips and said softly. when he wakes up, I’ll marry him.

Yu Qingliu took a look at Gambino's brainwaves, and there were no obvious fluctuations.

No matter how exciting it was, it would work the first time. It would not work again.

He smiled and said, "it looks like he's overjoyed." In the future, you should talk to him more about marriage. You can imagine your life after marriage and draw a blueprint for him. Maybe he will wake up soon."

"Really?" Shan Rong was delighted.

Primo and Jason were also very happy. "The BOSS will wake up?"

"His current situation is a bit special. It's not quite the same as the vegetative state he's been in in before, so the result may be completely different. In short, even a person in a vegetative state has a chance to wake up, so it's even more likely for him to wake up. Everyone, have confidence!" Yu Qingliu encouraged.

Hearing this, primogenitor's impression of Shan Rong improved.

Previously, he had been very dissatisfied with dan Rong staying by Gambino's side. So be it, she didn't even let the bodyguards stay in the room, he couldn't help but worry that she would harm Gambino. But now, as long as it could make BOSS better, it didn't matter if he let her have her way.

"Alright, call me if you need anything." Yu Qingliu left the ward.

Sheng nanxuan looked at him and said to Gong mo, "I'm going to talk to him about something."

Gong mo was taken aback. He guessed that it was related to Yu qinghuan and nodded.

.....

Sheng nanxuan walked to the door of the dean's office and happened to see Yu Qingliu coming out.

"You're looking for me?" Yu Qingliu asked, puzzled.

"Yes."

"Wait a moment!" Yu Qingliu walked around him and walked out. Wu Di is here! He's wailing like a ghost and howling like a Wolf on the phone, I don't know if his manhood is broken!"

Is there an elder like you in "wuwuwuwuwu"?

Sheng nanxuan shed tears of sympathy for Wu Di and silently followed Yu Qingliu to the emergency department.

At this moment, the emergency department was in chaos. Wu Di's cry could be heard from far away, "Don't touch it! Can you guys do it? Wait for my uncle!"

His little uncle squeezed into the crowd. Sheng nanxuan stood at the side and watched-

Wu Di was completely fine, while ding dang was sitting on the bed, hugging her feet.

Wu Di was extremely anxious, while ding dang looked impatient. "You're so annoying! I already said I'm fine!"

"You're bleeding!"

"How can you stop bleeding when your skin is scraped? Unless I'm made of plastic!"

"Third young master." One of the doctors said, "just let us examine miss ding! Miss ding's injury is not serious, so there is no need for the director. If it is delayed, it would not be good to waste time."

"I don't believe you!" Wu Di shouted.

Ding dang said to one of the male doctors who looked to be in his thirties and had decent looks, "You guys should kick this kind of person out! How can I look down on your medical skills? I'll trust you guys!"

Everyone's faces were bitter-this was the third young master of the Chairman's family, who would dare to kick him out?

"What's wrong?" Yu Qingliu finally spoke.

"Little uncle!" Wu Di cried tears of joy. quickly take a look at her! I just went to chase a thief and fell!"

"Chase the thief?"

Yu Qingliu was surprised. She looked at ding dang, a petite girl who didn't look like she would chase after a thief.

Chapter 494 Those women must be blind

So the one chasing the thief should be Wu Di, right?

...

you went after the thief,"he asked Wu Di. she fell. Is she the thief?"

"You're the thief!" Ding dang roared,"I'm-"

She raised her head and saw Yu Qingliu's appearance. Her eyes lit up and she immediately became gentle, "I'm a good public servant of the people ~ Yingluo, you're the director? The third uncle of the Yu family? I've heard of you, everyone says you're amazing, a medical genius!"

Furthermore, they were not married yet and did not have a girlfriend. Grandma Yu and Grandpa Yu were extremely anxious!

She had thought that he was unwanted because he was ugly, but she didn't expect him to be so handsome!

Those women must be blind!

Those women were unjustly implicated. Actually, Yu Qingliu was the one who ignored him. There were many people who wanted to marry him and seduce him!

"You're Yingluo." Yu Qingliu looked at her.

I'm ding dang ~"ding dang hurriedly introduced herself. I'm good friends with Xinran. I've been to your house before, but you weren't in the country for a few years, so I didn't see you.

"Oh ~~~"

Yu Qingliu's voice was drawn out, and she had an 'I see' expression on her face. In fact, she had never heard her family mention it before.

This was because his family would never mention a little girl in front of him. The blind dates they showed him were all successful, unmarried, older young women. Those women were independent and strong, and all of them were good. It was not that he had not thought of picking one from the middle. However, those who liked him had some small flaws that he couldn't stand. It was indeed good if he liked her, but if two of them were gay, the rest would not get married!

Right, a few days ago, he heard his sister-in-law and mother mumble that he didn't like older women and wanted to introduce him to younger ones. Could it be ...

This was the blind date they had chosen for him, and they had arranged for them to meet in such a way?

Wu Di saw that he was staring at ding dang, and was afraid that he and ding dang would fall for each other. He hurriedly came over and stood in the middle. "Little uncle, this, this is my friend."

Yu Qingliu heard his words and was shocked. Even Xiao dizi was dragged into the water! Did everyone really want to find someone to tie him up this time?

Pfft—

Wu Di's words were already hurting him. If he knew what he was thinking, he would definitely hang himself!

As ding dang did not accept any blind dates arranged by her parents, Wu Di had to settle for second best in order to have a chance to pursue her. "It's okay if we're not a couple. We can still be friends! To be honest, I don't really like you. Although I like your personality, I don't have that kind of feelings for you. I'm forced by my family to chase you every day. Otherwise, they would have arranged another partner for me! Why don't we be brothers and have a meal together when we're free? we can create the illusion that we're dating and prevent them from arranging more blind dates for us!"

The silly girl, ding dang, believed him and agreed. However, his wish to have a meal with her was in vain. Every time he said he wanted to create an illusion, she would say, " just say that you've already eaten. When your mother comes to ask me, I'll say the same thing!

He suddenly felt that she wasn't stupid. He was the one who was stupid!

See, it was not easy for them to have a chance to meet today, but after she was injured, his brain went haywire and brought her to Yu Qingliu!

Ding dang kicked him away and hissed in pain. She immediately pounced on Yu Qingliu and cried weakly, " can you please take a look at me? I'm in so much pain ~ I've been here for so long, but they don't care about me. It's so painful!

Chapter 495 The little girl seems to like you

Everyone was dumbfounded!

...

This lady, why are you suddenly crying? And you said we don't care about you! You were not like this just now!

Wu Di wanted to cry even more!

How could he have forgotten that ding dang was an uncle fanatic?

His little uncle was a standard uncle! He was handsome and a doctor. All the female patients who came to the hospital were from 18 to 80 years old, and they were all elated to see him! Sometimes, even male patients would fall for it!

Wuwuwu, he had simply shot himself in the foot!

"Let me see."

Yu Qingliu was speechless as she squatted in front of ding dang. Little girl, your acting is fake! You were shouting so loudly just now, and I heard everything. What's the point of acting now? I already know your true colors. I definitely won't like you!

"It's dislocated," Yu Qingliu said after checking. "It's not serious." You said you're a public servant, what do you do?"

"Police!" Ding dang answered proudly.

she goes to catch thieves every day, coming and going in the wind and rain. She's making me worried to death! Wu Di quickly came out to make his presence known.

"Why is a young girl a police officer?" Yu Qingliu grabbed ding dang's ankle.

Ding dang's face turned red, and she thought, 'oh, oh, my Prince Charming has taken advantage of me. 'She said gently," to serve the people ~"

Oh ... Yu Qingliu nodded. He grabbed her leg and twisted it.

argh ... ding dang screamed in pain. Both of his hands suddenly grabbed his shoulders, and he hugged him.

She raised her head with teary eyes and complained, " "Uncle, please wake up before you make a move!"

"I'm afraid you'll be nervous if I remind you."

Yu Qingliu pushed her away and snorted in her heart. As a police officer, he had already twisted his body back, but he actually went to the hospital and even asked the director to personally see him. It was too fake, too fake! Who wrote the script? A bad rating! He didn't even want to cooperate! However, seeing that the little girl was so young, he didn't want to embarrass her.

"Alright, since he's your friend, you can take care of him from now on." He said to Wu Di.

Wu Di agreed without hesitation.

"Uncle, why aren't you gentle?" ding dang was furious.

He had pushed her so hard that she was sprawled out and almost had a concussion!

Yu Qingliu choked, "little friend, can't you speak properly?" What kind of uncle should I call him? Am I that old?"

call me little uncle. Wu Di hurriedly came over.

Ding dang pinched him and pushed him away. She asked pitifully, "Then what should I call you? The director? Third master Yu? Clear stream ~"

Yu Qingliu felt goosebumps all over her body. She hurriedly turned around and left the room, saying to Wu Di, "Don't bother me next time for such a small injury. I can just find someone to treat it!"

I know I was wrong, Zhenzhen, " Wu Di said painfully.

Wasn't he too concerned about ding dang? he had completely forgotten that his little uncle was a handsome old man. He had even forgotten that ding dang was into this kind of thing.

Yu Qingliu called out to Sheng nanxuan, "what are you still standing there for? Didn't you have something to tell me?"

Sheng nanxuan followed her slowly. After walking for a long distance, he said, "The little girl seems to like you."

Although Yu Qingliu wasn't satisfied with the arrangements at home, she didn't want to ruin the little girl's reputation, so she subconsciously called out, "Which eye of yours saw that? Do you need to go to the Ophthalmology Department?"

"I'm serious. The little girl was originally Wu Di's blind date, but she doesn't like that type. She likes your type."

Yu Qingliu was stunned, what? Xiao dizi's blind date? He had misunderstood?

It was wrong! "What's my type?" he asked hurriedly.

Chapter 496 The relationship between grandfather and grandson

uncle ... Sheng nanxuan said. she's a Big Uncle fanatic.

...

Yu Qingliu was completely dumbfounded.

How could there be such a strange creature in this world?

He recalled the little girl's behavior and felt that her future days would not be peaceful.

Walking into the office, Yu Qingliu sat down on the chair tiredly. "Tell me, what's the matter?"

Sheng nanxuan leaned against his desk and lowered his head. I think I saw the mastermind behind the laboratory.

"What did you say?" Yu Qingliu was stunned.

"This kind of research requires a large amount of financial support, and we can't guess who's providing the funds. However, I saw a video of Liu Xuelan and a person. That person should have a high position in the laboratory, and it's very likely that he was the one who planned all the research! This person must be an ambitious doctor. You might know him."

"Who is it?" Yu Qingliu quickly asked.

"If I knew, would I have asked you?" Sheng nanxuan rolled his eyes. I only saw her appearance for a second. There's no other information. So I wanted to ask if you have any information on the medical world, where there are photos of all the doctors."

Yu Qingliu was speechless. I'm a doctor. I'm not a secret agent. Where can I find such information for you?"

"Not even a little bit?"

Yu Qingliu choked. He opened the keyboard and entered a website address on the computer. Then, he turned the display screen in front of him. "The world's top scientists and medical scientists have photos here. If it's not here, then I can't do anything."

When Sheng nanxuan saw it, he quickly scrolled through it with his mouse.

The page swiped quickly, and Yu Qingliu glanced at it curiously. He couldn't see the person in the photo or the words on the page at all, and couldn't help but ask, "You can see it clearly?"

"Nonsense!"

"Yingluo, you're good!" Yu Qingliu expressed her admiration.

Sheng nanxuan quickly finished browsing through all the photos and threw the mouse to the ground. "No, I didn't!"

"Are you sure?"

"Don't treat me like a normal person. I was experimented on before I was born."

"OK! OK!" Yu Qingliu hurriedly surrendered.

Experiments and whatnot sounded scary.

He asked, "what did that person look like?" Maybe I've seen it somewhere else. This kind of website doesn't necessarily record people."

“Caucasian, male, about 40 to 50 years old.”

Yu Qingliu nodded. After a while, she asked, “And then?”

“Just like this.”

“Just like this?” Yu Qingliu was unhappy. if you go to Europe or America, there will be men like this everywhere!

you’re right, Qianqian. Sheng nanxuan stood up straight and walked out. I’ll be leaving then.

“You ...”

Yu Qingliu saw that he had left just like that, and didn’t even say anything about treating her to a meal, so she was very depressed.

He reached out to adjust the monitor and asked in confusion, “you’re in your forties or fifties now. I’ve seen many doctors like you in my years abroad. How am I going to find you one?”

.....

A few days later, Sheng nanxuan decided to go to the DNA testing center to see the results of the comparison between him and the two elders of the Yu family.

He didn’t call Gong mo. He went to the company for a meeting in the morning and then drove off alone to the laboratory Department.

After entering the office, the director took out the test results locked in the safe and carefully handed them over with both hands. “Mr. Sheng, it’s all here.”

Sheng nanxuan flipped through it and did not speak for a long time.

“You, old Mr. Yu, and old Madam Yu are grandfather and grandson,” the Head of Department said, thinking that he didn’t understand.

“I know,” Sheng nanxuan put down the documents and took out his phone to take a picture of the three people’s data. this matter must be kept a secret from the beginning to the end, understand?”

Chapter 497 It means that he really loves you

Sheng nanxuan returned home and showed Gong mo the photo of the DNA test results.

...

Gong mo happened to have read up on this knowledge in the past few days and could understand the data. He asked hurriedly, “Then when do we tell them?”

Sheng nanxuan put away his phone and said, “forget it. I don’t know how to tell them. We’ll know when the results of the skeletal comparison are out.”

Gong mo understood that he was probably feeling a little nervous about returning home.

“Alright,” she said. Acknowledging relatives is such a big matter, you must also make sufficient preparations.”

that’s right. Sheng nanxuan smiled. That was what he thought too. before that, I can still bully Yu Qingliu. Otherwise, after we acknowledge him, he’ll be my uncle, and I won’t have the face to bully him.”

Gong mo was speechless, “you’re doing this on purpose, right?” In any case, when he finds out about your identity, he definitely won’t bear to lay a hand on you.”

that's right ~"Sheng nanxuan said proudly.

Gong mo rolled his eyes at him helplessly and said worriedly,""But the old man is so old. If he suddenly gets this news, I'm afraid he'll faint from excitement. It'll take a month or two for the testing center to get results. You should use this time to get to know the Yu family more and get to know them better. You can even hint to them first and they'll accept it naturally."

"I think so too."

When he went to get in touch with Yu Zhengming previously, he already had this plan in mind.

.....

On the weekend, Gong mo invited Gong Bai to his house for a meal.

When Gong Bai arrived, dan Rong was still in the hospital. Sheng nanxuan had gone to pick her up, so both of them were not at home.

The news about shengshi medical company was a hot topic. Gong Bai asked with concern, Is nanxuan alright? "

"What could happen to him?" Gong mo said, " what kind of night God is he? I heard he's very powerful. Who dares to provoke him? "

"That's great," Gong Bai couldn't help but smile.

After a moment of silence, he asked,"do you know about the DNA testing technology used to claim the bones?"

Gong mo was stunned and looked at him uneasily, " "I know. Why are you saying this?"

Naturally, the fewer people who knew about Gong hang, the better. Otherwise, what if some scientists captured Gambino for research?

Therefore, she didn't mention anything about Gong Bai.

"I've thought about it," Gong Bai said. The time of second uncle's disappearance is very coincidental. Do you want to make a record too? Second uncle's tomb is empty, so it's naturally best if we can find his remains."

Gong mo couldn't help but chuckle. Oh, that's what Xuanji and nanxuan said before. They've already taken me to do it.

Upon hearing that, Gong Bai laughed at himself in embarrassment."So I was worrying for nothing!"

"Where? He Yingluo is just more concerned about my matters, otherwise he wouldn't have thought of it." Gong mo said shyly.

"It's good that shangxin is here. The fact that he could think of this immediately shows that he really loves you." Gong Bai shook his head with a smile and said, "it seems that I'll have to worry less about your Affairs in the future. With him around, there's no need for me at all, and it'll seem like I'm a busybody."

Gong mo paused for a moment before continuing,"I know you're concerned about me and my mother." You're the only one in the gong family who treats us well. We're so happy that you can take care of us. We're just afraid that we'll cause you trouble."

"I should be happy if you can accept my occasional concern." Gong Bai paused and said in an inferior manner, "with Nan Xuan around, you don't need anyone else. If I come up again, I'll be suspected of hugging his thigh, Yingluo."

Chapter 498 Scumbag!

“What are you saying!” how can you think that way?” Gong mo asked sternly with a frown.

...

Gong Bai held the teacup in his hand and looked at the shaking water in the cup without saying anything.

Gong mo looked at him and suddenly remembered Yu Xinran, who he had met in the hospital yesterday.

Yu Xinran looked Haggard, and she didn't look as energetic as she usually did, but she was still talking to her about Gong Bai.

Gong mo knew that something must have gone wrong between them, but after hearing Gong Bai's words, he suddenly understood what was going on.

It seemed that Gong Bai had the same thought when he faced Yu Xinran.

“By the way, how are you and Xinran?” She asked.

Gong Bai's body stiffened, and he said with a straight face, “What do you mean by what happened between us? Hanhan and I are just ordinary friends! You'll cause a misunderstanding if you say that.”

misunderstanding?! Gong mo couldn't help but raise his voice in anger. is it a misunderstanding? The last time I saw you two together, you two were still making eyes at each other. Do you dare to say that you didn't flirt with her?”

“Her identity?” I'm not good enough for him, ” Gong Bai said in a low voice.

“Scumbag!” if you think you're not worthy of her, you shouldn't have provoked her in the first place! Gong mo scolded. You've been ambiguous with her for so long, and you're going to ignore her with just an apology? Did you make it clear to her?”

Gong Bai's hand that was holding the cup trembled slightly.

“I bumped into her at the hospital yesterday,” Gong mo said softly.

After she finished speaking, she stared at him, thinking that he would ask about Yu Xinran’s recent situation.

After waiting for a long time, Gong Bai put down the cup and looked around. speaking of the hospital, ran ran didn’t see second aunt. Did she go to see that foreigner again? ”

Gong mo was stunned and looked at him in disbelief.

Wasn’t his change of topic a little too abrupt?

“Does second Shen really plan to marry that foreigner in the future?” He asked.

so what if she’s married to a foreigner?! Gong mo shouted, “I’m not against it! Do you still object?”

“I think ran ran is fine. Second aunt should have found someone to take care of her.”

you ... Gong mo was furious. I can’t be bothered to talk to you anymore! A coward!”

The cowardly turtle really did shrink back, clearly trying to escape.

.....

After the meal, Gong Bai returned to his apartment. On the way back, he kept thinking about what Gong mo had said.

Gong mo was right, he was a scumbag.

Since he was so hesitant, he shouldn't have provoked Yu Xinran in the first place. Since he had provoked them, he had to take full responsibility.

Even if he wanted to break it, he should have done it cleanly. How would she know what he was thinking? it was completely irresponsible of him to disappear and not contact her.

However, he did not know what to do.

He was indeed feeling inferior.

No, he didn't think it was inferiority. It was because he knew his own limitations and could see the gap between them, so he didn't want to continue being entangled with her.

But he really liked her and couldn't bear to leave her.

So he disappeared right away, waiting for her to forget him. This way, he could treat it as a dream.

Gong Bai thought that he would find her and make it clear tomorrow.

He didn't know if it should end here or if it was time to start a new chapter.

Rationally, he should choose the former. But in terms of feelings, he was more inclined to the latter.

He needed to think about it. In the end, he should see reality clearly and live his life step by step. Or should I give it my all for love?

When he walked to the elevator, he found that the elevator's indicator light had gone off.

Why did it malfunction again?

It seemed that he should move to another place. The property management of this community was not good at all.

Gong Bai turned around and walked toward the stairs.

Step by step, he took a long time, which gave him time to think.

Chapter 499 I should date her

He thought that he should start a relationship with her.

...

They didn't have to get married, and he didn't want anything from her. Why couldn't they love each other seriously?

They had been together for so long. He could tell that she liked him, just like how she could tell that he liked her.

If he were to tell her now that it wasn't suitable, she would definitely be very sad. In the future, when they got to know each other for a long time and she got tired of him, she would leave him. Then, she would not feel sad anymore.

Before that, he could still treat her better and pamper her in his own way.

At the thought of this, Gong Bai felt terrible. He could see the result before the relationship even started.

However, if he could spend more time with her, so what if there were no results? He was willing to endure it.

When he finally reached his floor, he reached out to pull the door of the stairs. He heard the sound of high heels behind him.

As soon as she opened it, she saw Yu Xinran with her shoulders drooped.

He was stunned on the spot and looked at her in a daze.

Yu Xinran was shocked and took two steps back, stammering, "Um, Yueyue, it's me, Yueyue. I called you before, but you didn't pick up. I was afraid you were sick, so I came to see Yueyue."

As she spoke, her voice was so soft that it was almost inaudible.

She knew that he wasn't sick. He just didn't want to talk to her.

She did not know what she had done wrong. He was still so concerned about her when she was in Nanjiang.

She really wanted to find him and ask him about it, but now that she saw him, she suddenly regretted it.

She's ignoring you! Do you still not understand? Why did he have to bring humiliation upon himself?

However, she was still looking forward to it.

Thus, she stood there stiffly, waiting for him to give her an answer.

All of a sudden, Gong Bai let go of the doorknob and strode to her.

She jumped in shock and looked up at him.

He suddenly cupped her face and kissed her.

The sound of conversation and footsteps suddenly came from behind them, and the two were startled.

Realizing that someone was coming up from the stairs, Gong Bai pulled her up and ran to his room quickly.

After entering the room, he awkwardly let go of her hand and pointed to the sofa. "Have a seat, I'll get you some water."

Yu Xinran sat down with a red face. Gong Bai went to the kitchen nervously and came out with a glass of water. Then he sat opposite her.

Yu Xinran took a sip of water and peeked at him. She put down the cup and said, "What are you doing? We've already kissed, why are you running so far away now?"

"I didn't tease you. I just wanted to tell you about what happened a few days ago," Gong Bai replied awkwardly after a short pause.

Chapter 500 This is the Gong Bai I like

Yu Xinran clenched her hands, lowered her head, and whispered, "You say it, Yingluo."

...

Gong Bai glanced at her and moved to her side. "I'm sorry for the past few days, I was afraid that I'm not good enough for you, Yingluo."

"What about now?" Yu Xinran's voice was a little aggrieved and angry.

"I will work hard." He said seriously, "I won't give up easily before I put in 100% of my effort."

“That’s the gong Bai I like!” Yu Xinran smiled.

Hearing that, Gong Bai’s face immediately turned red from his ears to his neck.

Yu Xinran smiled even more happily.

Gong Bai saw that she looked like a flower under the dim light.

.....

Gong mo put down the phone and said to Sheng nanxuan, ” “Cousin said he’ll treat us to a meal.”

“Why are you treating us to a meal out of the blue?” Sheng nanxuan was puzzled.

“Isn’t it the beginning of the month now? It’s probably due to the salary.” Gong mo couldn’t guess what was going on either.

Sheng nanxuan thought for a while. They often ate with Gong Bai, and Gong Bai was probably embarrassed, so he treated them back.

At the appointed time, the two of them went to the hospital to pick up dan Rong.

At the entrance of the hospital, he ran into ding dang.

Ding dang was wearing a dress. This was the first time they had seen each other. It was probably because summer had come.

However, ding dang didn’t give them the feeling that she was someone who knew how to wear a dress.

Ding dang walked past them in a hurry, staggering in her high heels.

Gong mo was frightened and hurriedly called out to her, " Ding dang!

"Ah?" Ding dang's body shook. Gong mo? Such a coincidence? You ... You ... You ... You ..."

"I'm here to visit. Yingluo, are you okay?"

"I'm a little sick. I'm going to see a doctor." Ding dang's leg shook and she said awkwardly, " I twisted my leg two days ago. It still hurts a little, but I can usually stand steadily.

Gong Mo's eyes widened,"twisted, twisted my ankle?" Then don't wear high heels."

"My mom said that it's more elegant this way!" Ding dang greeted Sheng nanxuan and said, " I'm leaving first. I think my condition is quite serious. I won't disturb you any longer!

With that, she ran off in her high heels, almost falling to the ground several times.
