

## Ditsy Wife 501

### Chapter 501 Recruitment

Gong mo said, "she doesn't look like she's sick, Zhenzhen."

...

"She's taken a fancy to Yu Qingliu." Sheng nanxuan said.

"Isn't she with Wu Di?" Gong mo asked in surprise.

"We're not dating. She's an uncle fanatic, why would she be interested in Wu Di?"

Gong mo thought for a moment and felt uncomfortable, "then if she's with Dean Yu, won't we have to call her aunt in the future?!"

Sheng nanxuan looked constipated. He was a little reluctant to call such a young girl his aunt.

"Maybe she'll be with Wu Di?" He said.

Gong mo heaved a sigh of relief, "then you should call Wu Di cousin, right?" Or a younger cousin?"

These words gave people the feeling that they could not get rid of ding dang no matter what. Sheng nanxuan suddenly did not know what to say. "Let's go and find mom."

When she arrived at the meeting place with Gong Bai, she saw Gong Bai and Yu Xinran sitting in the middle of the restaurant as soon as she entered the door.

The three of them walked over with a smile. Gong Bai immediately stood up and said in embarrassment, "Second aunt, you're here."

“Yeah, they’re here.” Shan Rong looked at Yu Xinran and smiled, causing Yu Xinran to blush.

“I was wondering why you suddenly invited us for a meal. So it’s something good!” Gong mo joked.

“Don’t you bully me.” Gong Bai said in a low voice.

I can’t believe you’re actually feeling heartache ... Gong mo rolled his eyes. She walked to Yu Xinran’s side and sat down. After a pause, she asked Gong Bai, “You don’t mind if I sit with her, do you?”

Gong Bai had just carried Hu Zi out of the pram when he glanced at Sheng nanxuan, who had not taken a seat yet. “If he doesn’t mind, I naturally don’t mind.”

Gong mo looked at Sheng nanxuan, who was looking at her with dissatisfaction.

She stood up and ran to the other side to sit down.

Shan Rong and Yu Xinran laughed out loud.

Gong Bai carried the child and sat next to Yu Xinran. Yu Xinran lowered her head and played with the child happily.

“I’m relieved to see you two together,” said dan Rong. I’ve long seen that you’ve made some progress, but there’s been no movement at all. I’m really worried to death!”

Yu Xinran sat up straight in embarrassment.

Gong mo said, “this is called” the eunuch is anxious when the Emperor is not anxious “!”

Halfway through, Gong Bai went to the bathroom. When he washed his hands in the bathroom, he saw Sheng nanxuan outside.

how's your work?" Sheng nanxuan asked as he washed his hands. how's it going?"

Confused, Gong Bai said in a daze, "It's alright."

"Why don't you come to my company? I don't have enough people right now. That way, you'll have more opportunities in the future. Otherwise, how far can you go with her? Unless you're a Saint and don't care about what others think."

Gong Bai was silent.

In fact, he could do as he pleased, even though that would be a little thick-skinned. But he liked Yu Xinran and didn't want her to be in a difficult position. He could ignore the opinions of others, but what about her family? It was also his fault for making her family unhappy when they saw him!

Therefore, he had to work hard to reach a high enough level to match Yu Xinran so that everyone would happily accept him.

"I can't wait to have more room for development, but I'm afraid I can't do it," he said with a smile.

"Don't worry, I'll give you a position you're up to." Sheng nanxuan took out a tissue and wiped his hands.

"That's good!" Gong Bai agreed.

He believed that Sheng nanxuan had recruited him not only because he was Gong Mo's cousin. Otherwise, he would have done so long ago.

His family was not good to Gong mo, which reduced his impression in Sheng nanxuan's heart. That was why Sheng nanxuan was hostile to him at the beginning and did not talk to him about work. Now, she probably felt that he was treating Gong mo sincerely and understood his character, so she was willing to help him.

## Chapter 502 planning

Sheng nanxuan handed a document to Gong mo. "This is the schedule of old Madam Yu and Mrs. Yu. The old lady's surname was Wu, and she was Wu Di's great-aunt. She had been painting since she was a child, and her artistic cultivation was very high. She had been investing in art and had opened a few art galleries, antique stores, and an art auction house. Now that she was older, Mrs. Yu was in charge of the business. Mrs. Yu, Min Ling, is the daughter of the former Secretary of State, min Guozhong. This is also the reason why the Yu family has been able to stand tall. She has a political background."

...

Gong mo looked at the schedule and read,"antique appraisal conference, painting Exchange Conference,"

"It's all initiated by old Madam Yu. It's a private gathering among the circle of noble ladies in the capital city. It's held once every week, but the two exchange meetings are not on the same week. Matriarch Yu was getting on in years and didn't have any other entertainment, so she had been attending these two exchange meetings. Min Ling had been accompanying her, and Yu Xinran would occasionally go as well. However, Yu Xinran has been busy dating recently and definitely doesn't have time."

"If she attends every time, I can meet her here!"

"But it's hard to get in without a guide."

"Not even you?" Gong mo looked at him.

"It'll definitely work! But if you go like this, I'm afraid everyone will feel uncomfortable and not easily accept you. and I think that the people at the exchange meeting would want to see you. They probably talked about you in private many times. So as long as you have the opportunity to show up at the relevant occasions, one of them will definitely invite you, and then you can go in. This isn't a membership system, it's all about face."

Gong mo snorted.

Sheng nanxuan laughed. actually, you can ask Yu Xinran to take you there. But it's a little weird to make such a request to her.

"Yes, I am." what's your plan? " Gong mo agreed.

She guessed that he must have already thought of a way.

"There's a Chinese Painting Exhibition at the National Museum this weekend. Old Madam Yu majored in Chinese painting, so she'll definitely go. We'll go too. I'm thinking that we'll definitely be able to talk to him."

"A hundred percent?" Gong mo looked at him suspiciously.

"It's the weekend and the exhibition is open to the public. You can enter by buying the tickets. The Yu family definitely won't feel at ease for minling to accompany her alone. Therefore, there will at least be a young person, the young Yu Xinran, Yu xinzhuo, Yu Qingliu-we are all familiar with them."

"But I don't know much about traditional Chinese paintings," Gong mo said hesitantly.

"That's why we're going to visit! Observation is the process of learning!"

you're right~" Gong mo didn't feel any pressure because she had been studying related knowledge for the past few months.

Not only painting, but also jewelry, fashion, antiques, music, and so on.

Why would he learn this knowledge? It was meant for socializing!

The rich ladies of the upper-class society would talk about luxury goods and art when they met. Although they didn't talk about it every time, they would be laughed at sooner or later if she was his sweetheart.

Especially since she came from an ordinary family, those people must have deliberately started the conversation to see her make a fool of herself.

Of course, the possibility of this happening was very low now, because everyone knew that her husband was the night God and could not be offended. No one would be stupid enough to bully her.

She seemed to have heard he Yue mention some sort of exchange meeting. She said that after she finished those classes, her children would be older and she didn't need to bring them with her all the time, so she could attend it. Now that she thought about it, it should be this old Madam Yu!

#### Chapter 503 Encounter

The Chinese Painting Exhibition would last for two days and would be open all day.

...

If Sheng nanxuan and Gong mo went there at any time, they probably wouldn't meet old Madam Yu.

However, Sheng nanxuan would definitely have investigated matriarch Yu's travel time.

Not long after the two of them set off, Sheng nanxuan received a message from his subordinate."Elder Yu also went, Yu Qingliu accompanied him."

.....

They had arrived before the Yu family.

Sheng nanxuan showed Gong mo around first. The museum staff explained the paintings to him, but many of the visitors were professionals. They didn't follow the staff and admired the paintings themselves.

Gong mo, on the other hand, listened carefully. After listening to it, she would choose what she liked to admire, and Sheng nanxuan would explain it to her.

“How do you know everything?” she could not help but ask.

“My brain is different. It can absorb more things than you.”

“Are you calling me stupid again?” Gong mo was displeased.

“I didn’t say that. If you want to think that way, I can only go along with it. After all, I’ve always doted on you and listened to you.”

Gong mo laughed and was a little shy.

Seriously, this person was showing off their love for each other while mocking her. What kind of person was he?

“Eh? It’s you guys?” A familiar voice came from behind.

Gong Mo’s heart skipped a beat. He turned around and saw the two elders of the Yu family, Min Ling, and Yu Qingliu walking over.

The one who had just spoken was naturally Yu Qingliu.

Yu Qingliu laughed, “I didn’t expect to see you guys here ~”

He had been supporting Wu surong, but he immediately lowered his head and said to her, “Mom, this is Sheng nanxuan and his wife, Gong mo.”

“Oh.” Wu surong’s kind face faded a little when she heard that it was Sheng nanxuan.

Yu Zhengming had already met Sheng nanxuan a few times at the golf course. The first time they met, he wanted to hate him but didn’t. Later on, he admired him even more. Now that they met, he smiled and nodded.

“Elder Yu, matriarch Yu, nice to meet you.” Sheng nanxuan said with a smile. Gong mo also greeted him.

“My sister-in-law,” Yu Qingliu quickly introduced Min Ling.

“Hello, Mrs. Yu.” The two of them smiled and greeted each other again.

Wu surong pulled the shawl over her shoulders and looked at Sheng nanxuan in a daze.

For some reason, this person’s smile made people a little dazed. She should have hated the Sheng family to the core, but now she could not.

By the way, didn’t they say that he was an adopted child of shengzhongtian? That meant that he was not from the Sheng family, and that was why he did not have that annoying aura.

Wu surong felt better when she thought about it this way. Otherwise, if she developed a good impression of her enemy’s child, she would be ashamed of qinghuan.

Yu Qingliu and Sheng nanxuan had quarreled many times, and the more they met, the more they found it difficult to get along with each other. Of course, this wasn’t a real grudge. The two of them enjoyed it, and it was simply a love-hate relationship.

At that moment, Yu Qingliu saw that everyone knew each other and immediately fired at Sheng nanxuan. “I didn’t expect a hooligan like you to know art.”

“I didn’t expect you to look at more than just the blood and organ diagrams.”

Gong mo looked at the two elders and Min Ling nervously. Sure enough, the three of them were all shocked. When did Yu Qingliu and Sheng nanxuan become so close? Sheng nanxuan could be considered the son of his enemy. Yu Qingliu's behavior was like a traitor!

The two of them exchanged a few words, and in the end, it was still Yu Qingliu who lost. He was very depressed and turned to the side without saying anything.

Sheng nanxuan smiled and said to Wu surong, " we heard that old Madam is very knowledgeable about Chinese paintings. Gong mo and I don't know much about these. Can we follow old Madam and listen to her explanation? "

#### Chapter 504 Harmonious

Wu surong opened her mouth. She wanted to reject him, but when she saw his smile, she suddenly stopped.

...

He had a pair of peach-shaped eyes, and there was a slight smile at the bottom of his eyes. It moved people's hearts and made them want to hold him in their arms!

Her qinghuan only had this pair of eyes. Every time she acted coquettishly towards her, she really wanted to give her the best things in the world!

She couldn't help but smile, revealing a loving face. "If you don't mind an old woman like me, then follow me. Don't laugh at me if I'm not good at it!"

Gong mo smiled shyly and pointed to the painting in front of him to ask for her advice.

Wu surong had always liked girls her age because Yu qinghuan was around her age when she went missing.

Wu surong answered her question seriously. After a while, Gong mo was already by her side. He reached out to support her.

The two of them had a pleasant conversation. When they left, Gong mo was reluctant and embarrassed. I don't know anything about this. It's all thanks to old Madam's teaching that I've learned a lot.

Wu surong was stunned and suddenly said, "if you like it, I'll treat you to some paintings another day." I've organized an exchange meeting, and I'll invite everyone to drink tea, look at paintings, and chat when I'm free."

sure! If you don't mind, I'll definitely go! Gong mo said happily.

"Then leave me your phone number. I'll get minling to inform you."

Gong mo immediately exchanged phone numbers with Min Ling.

On the way back, she asked Sheng nanxuan, "I can see old Madam Yu more often now, but what about you? You're the main point, okay?"

in the future, I'll pick you up every time you go to an exchange meeting. Naturally, you'll be able to meet her. I'll take the opportunity to invite her for tea or a meal or something. That'll be enough.

Gong mo nodded. After all, they were grandfather and grandson, and there should be some kind of bond between them. This would definitely attract matriarch Yu's attention and arouse her curiosity.

"Oh, that's right." Sheng nanxuan suddenly said, "it's your birthday next month. Do you want me to hold a birthday party for you?"

"There's no need to?" Gong mo blurted out in shock.

“Why not? It just so happens that you’re going to old Madam Yu’s social gathering this month and will make friends with some people. When the time comes, I’ll invite them over and let you have a good time.”

“But the child is so young, she can’t let go at all. Gambino had not woken up yet, so her mother must be distracted. The truth of the Sheng family’s matter hasn’t been found out yet, and it’s inevitable that some people are worried that you’re involved in it. There must be some people who are unwilling to come to Xuanji to find out the truth. How can the atmosphere be so relaxed then? Why don’t we talk about it next time?”

Sheng nanxuan thought for a while and guessed that she would not be ready to integrate into the upper-class social circle so soon. He said, “Then I’ll do it for you alone.”

“Sure!” Gong mo smiled with a red face.

Hearing him say this, she couldn’t help but look forward to it. She wondered if he had prepared any surprises.

.....

At night, at the Yu family villa.

As it was the weekend, everyone had to go home for dinner as usual, unless there was something that they couldn’t get away from.

Today, Yu Qingping and Yu xinzhuo didn’t have any business to attend and had returned home early.

They were still cooking in the kitchen. They sat in the living room and listened to Yu Qingliu and the two elders talk about what happened during the day.

“This Sheng nanxuan kid is not bad.” Yu Zhengming nodded.

His “not bad” was already a rather high evaluation. After all, he was an old man who had made a name for himself and never praised others easily.

#### Chapter 505 Completely out of control and running off course

Wu surong nodded, “I didn’t expect him to be such a person. He’s far from what I imagined.” I can tell that he dotes on his wife a lot. A man like this is probably not bad.”

...

Yu Qingliu laughed, “you think he dotes on his wife just like that?” Tsk, he’s usually even more deranged.”

Yu Zhengming glanced at him. I haven’t asked you yet. When did you get so close to him? ”

Cough, cough. In fact, Grandpa Sheng had a good relationship with Sheng nanxuan, but he still had to reprimand his son! After all, their family had hated the Sheng family for everything!

“Didn’t gong mo have a difficult labor when he gave birth? I delivered the baby. After that, no matter what illness his family had, he would come to me. Gradually, we became familiar with each other.”

“You two don’t seem to be on good terms?” Min Ling asked in confusion.

“I probably threatened him when we were giving birth.”

Everyone was silent.

They knew about this. At that time, the Yu family was badly battered by Sheng nanxuan. In the end, Yu Qingliu seized the opportunity to finish them off once and for all. Naturally, Yu Qingliu came home to claim credit!

For Gong Mo's sake, night God agreed to his threat without hesitation. It seemed that he really loved his wife to the point of insanity.

Yu Qingping frowned, 'why is our family discussing Sheng? And you're having a good discussion?'

"Uh, hehe."

When everyone heard this, they all felt as if they had eaten a fly.

They didn't want to do this either! The Sheng family was the main culprit behind Yu qinghuan's disappearance, and they might even be the ones who caused her death!

They really wanted to hate the Sheng family to the bone, but when it came to Sheng nanxuan, they could not help but go to the side of Yingluo.

Yu Qingliu paused. After going through so much, he no longer wanted to be enemies with Sheng nanxuan. This person was so difficult to deal with, so why not just be friends?

"Wasn't Yingluo adopted?" he couldn't help but speak up for Sheng nanxuan.

"That's probably the reason!" Yu Zhengming immediately agreed.

Suddenly, everyone realized that they seemed to be standing on Sheng nanxuan's side. It was a bit of a headache.

At this moment, a servant came over and said that the food was ready.

Yu xinzhuo, who had been looking at the stock market, raised his head. "Why hasn't Xinran returned yet?"

"Uh, she's busy, so she can't come back." Yu Qingliu said.

Wu surong frowned. I haven't seen her recently. What is she busy with? "

"Xinzhuo, don't give her so much work." Yu Zhengming, whose heart ached for his granddaughter, said.

Yu xinzhuo's eyes widened. I-" what did this have to do with him?

she's the one who arranges her own work, "he said gloomily. when was it my turn to manage her?"

"What did she tell you?" Yu Qingping asked Yu Qingliu.

"He said he had something to do and couldn't come back for dinner. He told me to tell you guys."

He must have gone on a date! Yu Qingliu thought, otherwise, she wouldn't have asked him for help!

Min Ling said sourly,"you didn't call me, your mother, but told you Jue Jue."

"Cough ~" Yu Qingliu was bitter. Wasn't it because he was easy to talk to?

His niece was already used to using him. Because if she called back, she would definitely be interrogated about what she was doing.

"Don't pamper her so much!" Yu Qingping glared at him.

"I'll help you dote on your daughter, isn't that good?"

"I will pamper myself! If you want to pamper her, go and have one yourself!"

Yu Qingliu,"Yingluo."

Wu surong hurriedly said, "that's right!" Since you like children, you should get married quickly ..."

"Let's eat! It's time to eat!" Yu Qingliu quickly stood up and walked towards the dining room.

Chapter 506 It's settled then

Everyone couldn't help but frown. Yu Zhengming said in confusion, " this child, what must Yueyue do before she's willing to get married? "

...

The group of people filed into the dining room, and Yu Qingliu was already drinking the soup.

Wu surong sat down and said, Qingliu, Yingluo, if you have a boyfriend, bring him back for us to see. We won't object.

pfft-" Yu Qingliu turned his head and sprayed his brother all over.

Help me!

The old lady was already so worried about his marriage that she didn't care about her daughter-in-law's gender!

I have a feeling that if this goes on, I might not even care about the species anymore.

.....

Things developed as Sheng nanxuan had expected.

He would play golf with Yu Zhengming at the golf course every week, and he even brought Gong mo along once. Yu Zhengming's impression of the two of them was not bad, and they got along well.

Gong mo went to Wu surong's social gathering once a week and quickly got to know a large number of rich women and daughters.

Everyone was envious when they saw Sheng nanxuan pick them up personally. Even the night God doted on his wife so much. Their man was so arrogant just because he had a little money. He should be fed to the dogs!

As a result, everyone became more friendly and cautious with Gong mo. After all, she was the Apple of night God's eye, so naturally, she had to be served well. Otherwise, if she was unhappy, night God would make them unhappy and have a household register!

The second time Gong mo went to the social gathering, he met Yu Xinran.

you're also here for the exchange?" Yu Xinran asked in surprise. you didn't tell me?"

"I only started participating last week. Last week, I was admiring paintings, but today is my first time tasting an antique."

"So that's how it is. Will you come here in the future? If you're here, I'll come too! I didn't like to come here in the past ... Yu Xinran said softly. I can't talk to those people, and a bunch of them even wanted to introduce boyfriends to me. I always avoided them and only came to accompany grandma once in a while.

"That's good." Gong mo laughed. I was just worried about not having a partner. It's good to have you. Otherwise, it'll be a little awkward if I don't know anyone.

"Then it's settled!"

The antique appraisal meeting was held at an antique shop under old Madam Yu's name. Gong mo looked at the antiques around him and asked in a low voice, "Is this all true?"

“How can that be possible? There were both real and fake ones. Besides, there were many things that no one could predict accurately. Even after decades of research, one could still be wrong. This was how the antique industry worked. After spending hundreds of millions to buy something and collecting it for many years, it might end up being a fake! However, even if the things in the shop are real, they still look at the age. The young ones are naturally cheap.”

“You understand?”

Yu Xinran shook her head. I’m not interested in this. I’ve heard so much about it that I only know a little. Anyway, I won’t be fooled so easily.

“I’m at a level where I can be easily fooled.”

then let’s learn together. If there’s a chance, we can also go to the antique market to pick up some scraps ~”

The appraisal would be held on the upper floor of the antique shop, which had always been a place to entertain distinguished guests.

Old Madam Yu asked someone to bring over a few antiques, and those who understood took turns to express their opinions.

Old Madam Yu had invited a real antique appraiser. After everyone finished talking, he would do the summary.

For a piece of porcelain, one had to start with the craftsmanship. There were a lot of such craftsmanship in the era when it was generally popular. Then there was the pattern and inscription on the bottle, which involved the culture of that time and the knowledge of calligraphy.

In short, antique appraisal was a systematic project that required a lot of knowledge.

Gong mo had been listening quietly and had learned a lot.

After the evaluation meeting ended, everyone went downstairs and found that Sheng nanxuan had come again.

Chapter 507 Are you in love?

Everyone couldn't help but say a few words of envy to Gong mo before they left one after another.

...

In the end, only Gong mo, Sheng nanxuan, Yu Xinran, Wu surong, and Min Ling were left.

Yu Xinran proposed to treat Gong mo and the others to a meal.

Wu surong had a strange feeling about Sheng nanxuan. She didn't want to talk to him, but she wanted to get close to him. She couldn't help but agree. She had already agreed, so Min Ling naturally did not object.

The meal was a happy one. After the meal, Sheng nanxuan wanted to pay the bill and said gloomily, "I already said it's on us, how can I ask you to buy it?"

"We'll treat you next time," said Sheng nanxuan.

Yu Xinran readily agreed.

After Sheng nanxuan and Gong mo left, she said dejectedly, "Let's go."

"I haven't seen you often recently. How come you've changed so much all of a sudden?" Min Ling looked at her with a puzzled expression.

Yu Xinran was stunned, and her heart skipped a beat. She asked, "Oh, really? Where have I changed?"

"You love to smile, you look better than before!" Wu surong said with a smile.

"Isn't that good?" Yu Xinran said coyly.

Min Ling sized her up and said, "I remember that you changed your hairstyle last month, right?" Why did it change now? Didn't you use half a year to change your hairstyle? I remember that you changed once at the beginning of the year. If it was before, you would have had to use that hairstyle for a few months, but you've changed it twice now. And your lipstick, this soft color, you used to say that it was too girly and you didn't like it. "

"I like to change, okay?" Yu Xinran said guiltily.

"You clearly love beauty! I've never seen you wearing such girly clothes before. Min Ling was suddenly shocked. are you in love?!"

"No wonder I haven't been home recently!" Wu surong suddenly understood.

Not going home? Min Ling was shocked, "you--"

"Wasn't I like this before?" Yu Xinran said, " I have my own house. I'm busy with work. Why would I go back to the mansion every day? " So far away."

"Then are you in love?" Min Ling asked.

"Haven't you guys been looking forward to me talking?" Yu Xinran paused.

"Then who is he? Which family? Have I seen it before?"

"I'm not from anyone, I've never seen it before!"

“What do you mean?” Min Ling was stunned.

Aiya ... I've just started. Can't you let me talk it out on my own? ”

Okay, okay, okay, “Min Ling hurriedly agreed. However, she was still worried. That night, she told Yu xinzhuo to keep an eye on her.

Yu xinzhuo raised his eyebrows. He roughly knew who it was.

He saw Yu Xinran and Gong Bai talking happily during the one-month celebration in joy garden.

The next day, he waited at the entrance of Qing Yu media and successfully saw Gong Bai sending Yu Xinran over.

Yu Xinran waved goodbye to Gong Bai and walked into the gate. She was startled to see her brother hiding behind a pillar.

Yu xinzhuo turned around and walked towards the elevator.

Yu Xinran followed him and muttered in her heart.

The two of them didn't speak in the elevator. Yu Xinran got out of the elevator and Yu xinzhuo followed her.

After entering the office, Yu xinzhuo said, ” “I remember that Gong Bai's family is not well-off. Aren't you afraid of being cheated?”

“You speak as if those with good conditions won't lie to me.” Yu Xinran tidied up the information on the bookshelf.

“You ...”

“To be honest, with our family’s current situation, no one can compare to us no matter how well-off they are. In business marriages, we are the ones helping others, and others can’t help us. What if we’re in contact with an ambitious one who might scheme against us! However, Gong Bai was different. No matter how ambitious he was, he was only one person, after all, and he couldn’t achieve anything. Besides, they have the night God to ride on, what am I?”

Chapter 508 I hope you’ll always be this clear-headed

Sheng nanxuan, ” Gong Bai said with a frown. now that you’ve put it that way, it’s a problem. Gong Bai can’t plot against us, but what about Sheng nanxuan?”

...

Yu Xinran was stunned and looked at him.

He said,“I heard that Sheng nanxuan is going to set up a group.” He’s so ambitious. What if he intentionally sends Gong Bai to get close to you and deal with the Yu family?”

tsk ~”Yu Xinran said disdainfully. if he wants to deal with the Yu family, does he need to go through so much trouble?” He almost finished me last year!”

last year was last year. This year, he has promised little uncle that he will never go against the Yu family again.

yeah, he’s already agreed. What are you afraid of?”

“He probably promised not to use the stock market to deal with it,” Gong Bai choked.

Yu Xinran rolled her eyes. you’re using your own mean measure to measure the heart of a gentleman!

“I’m worried about you!”

Don’t worry, I know what I’m doing! Yu Xinran said seriously, “ I like him because I like that he’s an upright person and doesn’t have any thoughts of trying to curry favor with Dragons and phoenixes. If he changes one day, he won’t be the gong Bai I like anymore, and I won’t be with him anymore.”

“You make it sound so simple! But you women are the best at being silly for love. When the time comes, you know he’s bad, but you’ll still give everything to him!”

“I won’t!” Yu Xinran said firmly.

“Who can guarantee something that didn’t happen?”

“I can! It’s because I know that my parents have raised me for decades, and you and everyone else have doted on me for decades. A person who I’ve only known for a few months can’t compare to you! Why would I betray you for him? Even if he can die for me, I can only die with him, but I won’t drag my whole family down with me! It’s like this!”

Yu xinzhuo paused and helplessly said, “ “There’s no need to say whether he’s dead or not. You’re new to each other, it’s inauspicious to say that.”

ppft-“Yu Xinran laughed and said coquettishly,” What do you mean, brother has agreed to let us be together?”

Yu xinzhuo shook her off and said with a straight face,“I respect your wishes. I didn’t accept him!” As for Grandpa, grandma, father, and mother, you can go and tell them yourself. I won’t help you!”

I’m already very happy that brother can support me ~”

“I hope you’ll always be this clear-headed, Yingluo,” Yu xinzhuo sighed.

.....

In the ward, Shan Rong wrung the towel dry and wiped Gambino's body.

"I'll be late tomorrow. Do you know why? It was Momo's birthday tomorrow. Tell me, how many happy birthday wishes do you owe her? Still not waking up, do you want to owe more?"

Shan Rong nagged and looked up at his brainwave diagram. It was still the same. It looked like he had really become a vegetable.

Although Gong mo didn't celebrate his birthday, Gong Bai and Tang Xinxin would send him congratulatory text messages at midnight. She had no choice but to text them back and treat them to lunch the next day.

She didn't invite the rest of the people, because other than them, no one else knew that it was her birthday.

The next morning, when Gong mo got up, he saw a gift box with a card on it beside his pillow.

The card said, "Happy Birthday."

It was Sheng nanxuan's handwriting.

Gong mo smiled and turned to look at the bathroom and cloakroom. He listened carefully and didn't hear any movement. He probably wasn't inside.

He opened the package and saw a jewelry box inside. It seemed to be a piece of jewelry.

When he opened it, he saw a beautiful rose brooch!

That rose was actually blue. It was obviously a top-grade rose-type blue Rose.

Chapter 509 Are you making me breakfast?

Gong mo took a closer look and realized that the blue petal was a huge sapphire. The silver-white metal was embedded around the sapphire, cleverly outlining the shape of the petals.

...

Below the flower, there were a few metal leaves, and the leaves were inlaid with a few diamonds.

The brooch looked expensive, but the overall design was simple and straightforward. It didn't give people a feeling of being ostentatious, which was exactly the type that Gong mo liked.

Gong mo happily put the brooch back into the box and got up to wash up.

After that, they went to eat.

Shan Rong passed her an egg. come, come, come. You must eat an egg on your birthday.

"I think I eat it normally." Gong mo said in a low voice.

"Then you'll eat two today!" Shan Rong was stunned and said gloomily.

"No, no, no, one is enough." Gong mo said hurriedly.

She didn't like to eat eggs, so it was reasonable to eat one a day. It was too tiring to ask her to eat two!

As she drank water and ate the egg, she asked, "where's nanxuan?"

"You miss me?" Sheng nanxuan's voice suddenly came from the kitchen.

Gong mo was frightened by him. He swallowed the egg in his mouth and asked, "You're making me breakfast?"

As soon as he finished speaking, Sheng nanxuan brought out a bowl.

The bowl was steaming. Gong mo was sitting so he couldn't see what was in the bowl.

"It's your birthday, of course I have to show off." Sheng nanxuan looked at her with a smile and placed the bowl in front of her.

Gong mo took a look and saw that it was noodles.

Well, she didn't like noodles either. She liked instant noodles. As for noodles, the thinner they were, the worse it would be. Therefore, she liked instant noodles the most, followed by knife-cut noodles.

Sheng nanxuan's bowl was very thin.

It was obviously longevity noodles.

Sheng nanxuan knew that she did not like to eat noodles, so he made very little, probably less than 50 grams.

The noodles were rolled up and sank to the bottom of the bowl, surrounded by the clear and almost transparent soup. There were a few scallions sprinkled on the soup, and the fragrance of chicken soup wafted over. It looked fresh and clean.

Gong mo sniffed and his appetite was aroused.

He didn't like to eat noodles in the past, probably because those noodles didn't have enough color, fragrance, or taste.

“Happy Birthday.” Sheng nanxuan said.

“Thank you!” Gong mo couldn’t wait to eat his noodles. She felt that this bowl of noodles must be very delicious and immediately picked it up with her chopsticks.

“It can’t be broken!” Shan Rong said from the other side.

Wu ... Gong mo had just put it in his mouth. Hearing this, he paused for a moment and tried his best to suck it in.

Fortunately, there wasn’t much noodles, so she finished it quickly. She couldn’t help but sigh in relief and drank the soup in one gulp.

Sheng nanxuan was very satisfied. This was all his credit!

it’s so delicious ~”Gong mo said in satisfaction. is there more?”

“You still want more?” Sheng nanxuan was stunned.

“It’s too delicious!” I didn’t like to eat noodles in the past because I’ve never tasted anything as delicious as this! Gong mo said excitedly.

“Then I’ll make it for you every day?” Sheng nanxuan’s eyes narrowed. He thought that she had said that to make him happy. He was threatening her on purpose and wanted to see her change her face.

To his surprise, Gong mo nodded happily. “It has to be as delicious as today’s!”

“Alright!” Seeing that she really liked it, Sheng nanxuan immediately stood up. I’ll go and cook more for you!

“Don’t spoil her!” Shan Rong said, “ you haven’t eaten yet. I’ll make it for her another day.

“Mom is right.” Gong mo hurriedly stood up and pulled him to sit down. if you eat too much in one go, you might get sick of it and not like it in the future.

Sheng nanxuan sat down when he heard that. He saw the eggshell in front of her and asked, “You ate the egg?”

“Yes.”

“Then have another sandwich and drink the milk.”

Chapter 510 Thank you, hubby

Gong mo frowned and said pitifully, “I just had a bowl of noodles, and I don’t think I can eat the sandwich, Yingying.”

...

“Stop it! Then I’ll just have one mouthful of the noodles!” Sheng nanxuan was unmoved.

“To you, it’s a mouthful of-”

“I didn’t even have half a bite.”

Gong mo choked on his words.

Sheng nanxuan handed her the sandwich and said, ‘be good. You have to eat your breakfast well.”

Gong mo pouted and took the sandwich.

She would definitely drink milk for nutrition.

In the end, she finished the milk and was so full. She only ate half of her sandwich and really couldn't eat the other half.

"Give it to me," Sheng nanxuan said.

"Thank you, hubby." Gong mo pushed the plate of sandwiches over to her with a smile.

Shan Rong had already finished eating and left, leaving only the two of them in the dining room. Sheng nanxuan reached out and pinched her face. Gong mo smiled and turned his hand away.

"By the way, have you reserved a table for lunch?" She asked.

yes, I've sent the address to my cousin and Tang Xinxin.

Gong mo nodded and went back to his room to change his clothes after dinner.

She had specially worn a round-neck knitted sweater so that she could wear the brooch.

After changing, she came out of the cloakroom and saw Sheng nanxuan sitting by the bed.

She walked over and lowered her head to kiss him on the cheek.

Sheng nanxuan looked at her and asked, 'you've put on makeup? It's so beautiful.'

"I thought men can't tell the difference between bare makeup and bare face?" Gong mo covered his face.

“I can’t tell the difference between others, but I can tell the difference between you.”

Sheng nanxuan picked up the brooch.

“Thank you for your gift,” Gong mo said with a sweet smile.

“You like it?”

“En!” Gong mo nodded his head.

“That’s good.” He personally put it on for her, then looked at it for a while, nodding his head.

“Are you admiring your own judgment?” Gong mo chuckled.

that’s right! I picked you and the brooch!

Gong Mo’s face turned red.

“Okay, let’s go!” He held her hand and walked out.

.....

Sheng nanxuan had booked a private club. Besides eating, it was also a pastime. After dinner, there was no need to change places to play.

Gong mo was worried that Tang Xinxin wouldn’t be able to find the place, so he went to pick her up.

When they met, Tang Xinxin gave her a gift and said, “ the moment I met you, my daily torture began~”

Gong mo laughed, "hurry up and find someone to beat back!"

"How can I beat you?" Tang Xinxin chuckled. You've reached new heights every day! I'm going to call the police!"

"We didn't do anything today, did we?" Gong mo was stunned.

"I'll be dead by the time you guys do anything!" Tang Xinxin glared at him.

When they arrived at the club, Tang Xinxin exclaimed, " "This is the legendary place where the rich gather! From today onwards, I can be considered someone who has seen the world!"

"You haven't seen enough of the world, have you?" Gong mo said with a smile.

Tang Xinxin thought for a while. She had come back from abroad, worked in the entertainment industry, and knew a powerful figure like the night God. She had indeed seen a lot of things!

They sat in the private room for a while, but no one else came. Tang Xinxin asked in confusion, " "Don't tell me it's just me?"

"No, there's still my cousin."

Tang Xinxin's face turned stiff for a second, then she asked, " "Just us?"

"You guys are enough," Gong mo nodded.

She had wanted to say that Gong Bai and Yu Xinran were dating and that Yu Xinran would definitely come. However, Tang Xinxin had been hiding her feelings from her. If she mentioned it, it would mean that she had seen through her.

If that was the case, Tang Xinxin would definitely be embarrassed, so Gong mo had to give up on the idea.
