Chapter 581 Call me uncle

Yu Qingliu rubbed her waist, "did you go the wrong way?" They're not here."

...

"I know." Ding dang smiled. I came down to get some snacks. I heard some noise, so I came over to take a look.

"If you want to see, then go ahead!" Yu Qingliu was speechless. can you not scare me? "

Ding dang hurriedly asked, "are you injured?" Let me see!" As she spoke, she reached out her demonic palm towards him.

"What are you doing?" Yu Qingliu hurriedly jumped away.

I'm helping you to check on your injury ~"ding dang said matter-of-factly," it's said that a man's waist is the most important. It's not good to fall and injure it!

Did she know what "Yingluo" meant?

"But don't worry, I'll be responsible for you!" Ding dang said with a serious face.

"Who wants you to take responsibility!" Yu Qingliu called out.

"Young master Qingliu, the noodles are ready." A helper came over with noodles and tea. miss ding, what are you doing here? "

"I'm just passing by, say hi to Dr. Yu." Ding dang said with a smile.

Yu Qingliu took the bowl of noodles and sat down on another chair. The servant helped the chair up and picked up the grapes on the ground.

doctor Yu ... ding dang ran to Yu Qingliu's opposite side and leaned on the table. are you eating lunch or dinner now? "

It's none of your business!

it's not good for your health if you don't eat at regular intervals. You're a doctor, so you should lead by example!

"You're very free?" Yu Qingliu asked.

Ding dang's mouth twitched, and she looked hurt.

The servant on the floor got up and looked at Yu Qingliu in confusion, " Why was he so rude to girls? Could this be the reason why he had been single all this time?

Ding dang immediately asked her,"Auntie, does Dr. Yu dislike me?" Wuuwuwu!"

"T-t-t-t-t-t-t-t-t-t-there's no more!" The maid rarely saw a girl cry, so she was flustered. young master Qingliu has always been like this.

"Wuwuwuwu Yingluo must hate me! I don't want to live anymore!" Ding dang cried.

Yu Qingliu's head hurt. She was afraid that she would call matriarch Yu over. If that happened, the matriarch would definitely scold her.

He hurriedly said,"no, no, no!" I don't hate you! I just have a cheap mouth! I don't know how to make a girl happy! Just look at me, I'm already so old and still single, and you'll know, Yingluo."

“Really?” Ding dang immediately looked at him with tears in her eyes.

Yu Qingliu was convinced, “her tears came so easily. If she was acting, she would be the best Actress!”

it’s really Yingluo, ” he said weakly and continued to eat his noodles.

I’m glad you don’t hate me! ding dang laughed through her tears and ran over.

“Don’t call me Doctor Yu ...”

“Then Dean Yu? Oh right, I should call you Dean!”

“I didn’t mean it that way.” Yu Qingliu said, “ I mean, you don’t have to be so polite. You can call me-”

clear stream?! Ding dang’s eyes lit up, and she looked at him excitedly.

“Uncle,” Yu Qingliu paused.

“.....”

“Call me uncle.”

Ding dang was silent for a while, “but you’re very young.” You’re so young, it’s embarrassing to call you uncle.”

“This is the rule. I’m your elder. Why are you calling me big brother?”

Ding dang looked at him angrily, snorted, and turned her head away. Who wants to talk to you!

She saw the file on the table and reached out to take it.

“Don’t touch my things!” Yu Qingliu hurriedly shouted.

oh my. ding dang put it down awkwardly. I didn’t say I wanted to see it.

if you don’t look, then what are you touching?!

you ... ding dang stood up angrily and slammed the table. you deserve to be unable to find a wife!

To be so fierce to a woman, do you know how to be tender to a woman?

Chapter 582 Inquiring

Ding dang turned around and left. Yu Qingliu heaved a sigh of relief.

...

He didn’t have any experience with women, and this was a particularly mischievous little girl. She would pretend to cry when she said something wrong. If the elders were to come, it would be all his fault!

Therefore, to him, it was better to leave as soon as possible and not cause him any trouble here.

After eating the noodles, he went upstairs with the file.

At this time, Yu Zhengming and Yu Qingping were at work, and Wu surong and Min Ling were having a banquet. They could only wait until tonight to discuss this.

Yu Qingliu walked into her study room, turned on her computer, and started writing.

Halfway through, he heard someone knocking on the door. He saved the document and turned back.”Come in.”

It was Wu surong who came in. Yu Qingliu greeted her and asked with a smile, "The guests have left?"

"Let's go," Wu surong rolled her eyes at him. still laughing? Do you think I won't scold you just because you laughed? Do you know how worried everyone was?"

"I know! I know!" Yu Qingliu held her shoulders and went downstairs. when are dad and big brother coming back? "I have something important to tell you."

"Are you alright?" Wu surong asked worriedly.

She had naturally heard of the incident with the FARC, and she was afraid that he would offend the authorities and get a lawsuit.

"It's something related to second sister." Yu Qingliu said.

Wu surong's expression changed. She quickly asked, "What's wrong? You have news of her?"

"A little," Yu Qingliu nodded.

"Then I'll call them back now!" Wu surong hurried downstairs.

"Slow down," Yu Qingliu called out.

Coincidentally, Min Ling had just returned from sending the guests off. She smiled when she saw them. "Mom, ding dang said she'll come and see you another day."

Wu surong smiled and said, "come if you want!" It was a pity that Xinran was not here today and no one was playing with her. By the way, give the old man and Qingping a call and ask them to come back."

“Ah?” Min Ling was slightly surprised. She glanced at Yu Qingliu and knew that it was an important matter, so she turned around to do it.

Yu Qingliu supported Wu surong as they walked, asking, “Ding dang is Deputy Mayor ding’s daughter, right? I just saw her. I don’t remember our two families having any contact.”

“Her grandmother and I often keep in touch. We were close friends back then.”

wuwuwuwu. his mother and her grandmother, so there was a generation gap!

“But she doesn’t like these.” Wu surong said, “ when she was young, her grandmother brought her here to play. She couldn’t get along with Xinran, so she would climb trees and dig out ant nests like a boy. Her grandmother said that he was a tomboy! However, it was great now. She had grown up and was beautiful. She was a great beauty, lively and cute! I went on a blind date with Wu Di at the beginning of the year, and the Wu family loved her a lot!”

“Oh, Zhenzhen, what did that Wu Di say?”

“It seems that Wu Di likes it too. Otherwise, why would he come to our house? Today, it was your aunt and her grandmother who brought her here. Sigh, if you had gotten married earlier, you could have given birth to a daughter to play with her! Look, Wu Di is about to get married, and you’re still not worried!”

“Yueyue, take it slowly.”

Yu Qingliu didn’t know what to feel.

Sheng nanxuan said that ding dang liked him, but she had already gone on a blind date with Wu Di. Moreover, Wu Di liked her too. He thought that since he was Wu Di’s uncle, he couldn’t possibly steal his wife, right?

Yu Qingliu was a little depressed. Only now did he realize that if the person he married was ding dang, he didn’t seem to object to Yingluo.

Damn it! How could he not feel repulsed by a little girl?

Chapter 583 He is second sister's child

It must be because he was being urged to get married every day that he was also anxious. That was why he could accept any girl.

...

"I should get married too," he said to Wu surong.

"You know, but you're not taking action?" Wu surong glanced at him.

"Then, arrange a blind date for me."

"Really?" Wu surong asked in surprise, then glared at him. you've had so many photos in the past, and what's the result? You're playing with me again, right?"

"No, no, Zhenzhen!" Yu Qingliu hurriedly replied.

"Then what kind do you want?"

"How can I choose? At my age, I'd be thanking the heavens if I could find one."

Wu surong was stunned and snorted,"it's good that you know!" Who told you to keep delaying! But Zhenzhen, you are a Dragon among men. It is difficult to find a better man than you in the capital, so naturally you have to choose."

"It's fine as long as you have the feeling."

“You’re still looking for the right feeling!” Wu surong was furious. I knew it! You’re trying to coax me again! After you’re done with eight or ten, you say you don’t have any feelings for them and won’t consider them for several years! I don’t care about you, you go find it yourself! You must find me a daughter-in-law by the end of the year!”

“We only have a few months left this year!” Yu Qingliu called out.

“There are only a few months left this year. But what have you been doing for decades? I’ve already let you drag this out for so long, I’m already being very kind by not telling you to bring her home immediately!”

Yu Qingliu thought, I might as well hang myself!

Min Ling came back after the call and said with a smile, “Qingliu, did you make mom angry again?”

the old lady is unreasonable ~”Yu Qingliu said gloomily.

Wu surong glared at him in dissatisfaction and asked Min Ling, “When are they coming back?”

“Dad is playing chess with someone. He said that he would be back after this game. Qingping was in a meeting and came back after the meeting. I’ve also informed xinzhuo and Xinran, they’re busy too, so they should be here at about the same time.”

Wu surong nodded and asked the kitchen to prepare more dishes. Since everyone was back, they naturally had to gather.

An hour later, all the members of the Yu family arrived.

Wu surong couldn’t wait any longer. alright, we’re all back. Qingliu, tell us!

“What’s wrong?” Yu Zhengming asked doubtfully, “ could it be that he’s thought it through and wants to announce his marriage? ”

“There’s no hurry! I’ve already given him an ultimatum. He must bring me a daughter-in-law this year!” Wu surong said, “ he just said that he had news of qinghuan. That’s why I called you back in a hurry!

When Yu Zhengming heard this, he immediately looked at Yu Qingliu, “Any news?”

The others also looked at him.

He coughed and said to Yu Xinran, “go to my study and bring me the folder on the table.”

“Oh.” Yu Xinran got up and quickly went upstairs. After a while, she came back with a sealed document bag.

Yu Qingliu opened the file, took out the information inside, and handed it to the two elders.

Wu surong quickly put on her glasses and looked at her. She was a little confused. “This isn’t your dad and me’s Yingluo.”

“Look behind you.” Yu Qingliu said.

Wu surong frowned and flipped to the last page, “Sheng nanxuan?”

She was even more confused. She flipped to the last page and saw the DNA comparison results. It said that the two were grandfather and grandson.

“How could this be?” Wu surong was shocked.

Yu Zhengming snatched the document and was stunned after reading it.

Yu Qingping hurriedly took the documents and read them with the rest of the people.

Yu Xinran asked in surprise, "he, Yingluo, is related to Grandpa and Grandma as a grandfather and grandson. Then he's Yingluo."

"He said he's second sister's child." Yu Qingliu said.

Chapter 584 fate

"How could it be!" Wu surong called out.

...

"It's not impossible for second sister to go to Nanjiang back then." Yu Qingliu clenched her fists. shengzhongtian that bastard!

Everyone's body trembled, and they could guess what had happened to Yu qinghuan. She definitely wouldn't be with shengzhongtian of her own free will. Shengzhongtian must have forced her, Yingluo.

ah! Wu surong screamed in pain. qinghuan, my qinghuan!

Yu Zhengming took the DNA data and looked at it again. He asked Yu Qingliu, "You've confirmed this? It can't be forged, right?"

Yu Qingliu was silent for a moment. However, I think it should be true. He has no reason to lie to us."

Yu xinzhuo said, "this way, some things make sense." Last year, he almost destroyed us. When Gong mo gave birth to our child, little uncle asked him to let us go and he really agreed. Perhaps he already knew at that time, so he was willing to take advantage of the situation."

“It must be like this!” Yu Qingliu said, “ you guys don’t know this. He didn’t even give the president any face today! I think Huo Cheng’s in for it. He’s definitely going to take revenge.”

“What’s going on?” Everyone hurriedly asked, “ how did Huo Cheng get involved? ”

Yu Qingliu hurriedly explained what had happened today, then said, “ You guys, look. The more he was threatened, the angrier he became. Even if he couldn’t take revenge because of Gong Mo’s pregnancy, he would definitely not be kind to me after that!”

“Then why didn’t he say anything?” Yu Xinran nodded and asked.

“He’s also waiting for evidence.” Yu Qingliu took the DNA comparison results. if it wasn’t for the bones that were dug out and our parents going to the testing center to leave the DNA data, he wouldn’t have been able to verify it.

“But this information is very old.” Yu Qingping said, “he must have known long ago. Why didn’t he come to find us?” And how do you know?”

Yu Qingliu sighed. He didn’t know if he should tell her about his encounter with Yu qinghuan at the SSC.

That matter was so strange, so it was better to endure it for now.

He said,“there have been a lot of things going on before, he probably didn’t find the right time.” Today, Yingluo came because things had been dragged on long enough. If they were to drag on any longer, it would be harder to find a day. Secondly, it’s probably because Huo Cheng provoked him, and his next move might be to cooperate with us. Naturally, we’ll only be willing to trust him after he explains the situation clearly.”

“He has a lot of thoughts.” Yu Zhengming frowned in displeasure.

No one dared to say anything. They lowered their heads and continued to look at the DNA data.

Yu Zhengming held his walking stick with both hands, his murky eyes bursting with a ray of light.

He shook his head and sighed, "it's not easy for him." He's single-handedly fought his way to where he is now, and no one can match him."

Wu surong wiped her tears. I liked him the moment I saw him. It turns out that it was all predestined.

"Aiyoyo," Yu Zhengming said helplessly, "me too." The first time she met him, she knew that he was from the Sheng family. She wanted to hate him, but she could not bring herself to do so. It looks like he really is qinghuan's child!"

"His eyes are the same as qinghuan's." Wu surong said.

Yu Qingping said, "mom, I remember now!" I saw him once two years ago, and I felt strange when I saw his eyes. When I found out that his surname was Sheng, I thought that they were born enemies. It turns out that they were born relatives."

Wu surong chuckled and raised her head to ask, "We've all seen him, right?"

Everyone nodded.

Yu xinzhuo said, "not just our family." He's met most of granduncle's family."

Chapter 585 Follow me to Italy

"This is probably fate." Wu surong looked at Yu Qingliu. you're close to him. Tell him when we can meet!

...

"I'll give him a call immediately."

At that moment, they were having dinner in Happy Garden. Sheng nanxuan was also telling Shan Rong and Gambino about this.

Sheng nanxuan's intention in bringing this up was also to inform them. After that, Shan Rong and Gambino would also meet the Yu family.

Dan Rong was very happy for him. it's good that you've found them. You'll have your own family in the future. It'll be more lively to have more places to go during the new year and festivals.

that way, " Gambino nodded, " you won't be lonely after I bring your mother to Italy.

"Ha?" Italy? " Gong mo was shocked.

"Who wants to go to Italy with you?!" Shan Rong was also stunned and glared at him.

Gambino said helplessly, " living in this body, this person's matters are all mine. There are a lot of things waiting for me to deal with in Italy. Even if I can come over often, I have to stay there often.

"Yingluo, you can go by yourself then!" Shan Rong said.

Gambino looked at her pitifully. "How many years have I not seen you? Are you willing to?"

Shan Rong choked, blushing and unable to say anything.

Gong mo and Sheng nanxuan lowered their heads and chuckled.

Just then, Sheng nanxuan's phone rang. He looked and saw that it was Yu Qingliu. He said to everyone, " Yu Qingliu, he probably told the Yu family. I'll go and pick him up.

After he left, Gong mo asked Gambino, "You're really bringing mom over?"

"Your mother dreamed of traveling to Rome when she was young. It's good to stay there for a while. This time, I'll go and choose a successor. After I've handed over the matter, I'll bring your mother back to settle down."

Shan Rong mumbled softly, "did I agree?" Did I agree to it?"

"Then you'll wait for me here?" Gambino asked, " but I might have to go for a few years. Even if he did come over occasionally, he wouldn't be able to stay for long. I stayed for so long this time because of you, and there wasn't much going on there before. However, after I was injured, some people over there became restless again. I have to deal with them personally."

"Will it be dangerous for mom to go there?" Gong mo asked anxiously.

"Don't worry, I'm here."

"So what if there's danger?" Shan Rong asked. At worst, we'll just die together. It's better than being separated."

Gambino's eyes lit up, and he looked at her excitedly.

"But I can't bear to leave Momo and Hu Zi!" She blushed.

"I'm even more reluctant." Gambino looked at Gong mo. how many days have I seen her? "

However, Gong mo was already an adult. Although he knew that she was his daughter and was willing to give up his life in times of danger, he was still a little uncomfortable with their daily interactions. In comparison, of course, Shan Rong's weight in his heart was more important. He wanted to stay with Shan Rong at all times to make up for the time he had spent over twenty years.

Therefore, the best way was to bring Shan Rong to Italy to spend the rest of her life together and occasionally meet Gong mo as a father.

Gong mo had also thought of this. She had no problems getting along with Gambino before, but ever since she found out that he was her father, she had become very awkward. It wasn't that she didn't want to admit it, but she didn't have the feelings that she had developed over a long period of time.

Therefore, they would only see each other for a long time in the beginning. After a few years, when he came back to settle down, their relationship would be more or less cultivated, and they would get along more naturally.

However, Gong mo was worried about dan Rong's safety and worried that she wouldn't be used to it.

"Mother, there's a language barrier over there."

Chapter 586 Meeting

"Most of the people around me have learned Chinese, so I asked them to learn it." Gambino said, " your mother went over. There will be someone to chat with at home. It might be a little troublesome to go shopping, but I'll definitely accompany you, so it's not a problem. Anyway, when you guys feel like it's okay, just let her come with me. "

...

"What's wrong?" Sheng nanxuan returned after the call.

"Dad said he's taking mom to Italy," Gong mo said reluctantly.

"That's a good thing!" Sheng nanxuan said, " dad and mom can be together. Mom can also follow dad to see the outside world. With dad around, we don't have to worry about mom getting into an accident."

"Who wouldn't be worried?" how dangerous is it for dad? " Gong mo asked.

“It’s dangerous around me.” Sheng nanxuan laughed.

“You won’t let anything happen to me!”

“Dad won’t let anything happen to mom!”

Gong mo was stunned. He looked at Gambino and suddenly felt relieved. “You’re right. With dad around, what am I worried about?”

but dad has to find a legitimate reason to bring mom there. No one outside knows that you’re Gong Mo’s father. Sheng nanxuan said to Gambino.

“Don’t worry,” Gambino said with a smile. I didn’t give anything to your mother when we got married in the past. This time, I’m going to give her a grand wedding!”

Shan Rong blushed and said, “what are you talking about?” Who would want those messy things?”

“Didn’t you say before that we’ll take our wedding photos when I earn money?” Gambino looked at her.

“That was when I was young,” Shan Rong said in a low voice, stunned.

“I’m not old now.”

Shan Rong stopped talking.

Sheng nanxuan looked at Gong mo and said, “Speaking of which, we haven’t taken our wedding photos yet.” It was because you were pregnant last year. You can start preparing now.”

Gong mo glanced at him and said flirtatiously, “You’re here to disturb me again?”

Sheng nanxuan laughed in a low voice.

Gong mo blushed and immediately changed the topic, " "What did the Yu family say?"

they know. They asked me when we'll meet.

"What time?"

"Tomorrow morning."

"So fast?" Gong mo couldn't help but feel nervous.

"Why are you so nervous?" Sheng nanxuan laughed.

"Yueyue, I'm nervous for you, okay?"

.....

Early in the morning, the Yu family villa and happy Garden were busy.

The Yu family didn't sleep well the entire night. They were all waiting to see Sheng nanxuan today. Although they had met before, this time, their identities were different, so everyone was very nervous.

As for Happy Garden, they were going to take this opportunity to move back to the city.

Gong mo packed up the things he was going to bring back, carried the child, and left with Sheng nanxuan. She would leave the things to Shan Rong and the others to bring back. She and Sheng nanxuan would not be coming back today.

They would meet the Yu family in the morning and have dinner together. At night, they would call Shan Rong and Gambino together. The Yu family would also call the Wu family.

Sheng nanxuan brought Gong mo to the Yu family. He was a junior, so he naturally had to pay a visit.

The car stopped in front of the Yu family's Villa. The Yu family, who had been waiting in anticipation, heard the commotion and came out one after another.

Sheng nanxuan got out of the car first. He turned around and took the child from Gong Mo's arms.

The two elders of the Yu family stood at the entrance of the villa, thinking that they were coming over. However, they saw the two of them open the trunk and take out the baby stroller.

"I'll go help!" Yu Xinran said.

"Gong mo!" He ran towards the car.

Gong mo smiled and looked at the people in front of him. He said awkwardly, "I've made you wait."

"He's in his own home, what's there to wait for?" Yu Xinran helped to push the baby stroller. She glanced at Sheng nanxuan and suddenly didn't know how to greet him.

Was he a cousin or a younger cousin? She was classmates with Wu Di, so she was most likely younger than her ~ Wu Di was younger than her!

The three of them walked towards the villa. Wu surong, who was standing at the front of the villa, was already crying.

Chapter 587 -reunion

When Sheng nanxuan saw her and Yu Zhengming, he couldn't help but feel a little nervous.

...

He had been looking forward to finding his mother's family since he was young. To him, he did not want anything in the Sheng family, including blood and kinship.

Of course, the Sheng family had no feelings for him either. He kept the surname 'Sheng' because he acknowledged Sheng Zhongtian as his biological father. Although he didn't want to admit it at all, he couldn't change the fact.

He was full of expectations for the Yu family. He wanted to have a hard-won kinship, but he was worried that they would end up like the Sheng family. That was why he didn't dare to come and acknowledge them and had been stalling for time. Now that they finally met, he didn't even know how to face it.

"Quickly, let me see!" When he was still a few steps away, Wu surong suddenly walked over and pulled him in front of her.

Sheng nanxuan moved his lips and called out, "m-grandma."

"Good! Oh my God! Wu surong was so excited that she started to cry. She wiped her tears away and said, " I can't see qinghuan, but I've seen you enough!

"Let's talk inside." Min Ling whispered.

"Right! Right! Enter the house!" Wu surong hurriedly wiped her tears. it's hot outside. Come in!

When they entered the living room, Wu surong held Sheng nanxuan's hand and did not let go.

After sitting down, she wiped her tears and pointed to the people around her. "You know them all, right?"

"I know them all." Sheng nanxuan smiled and nodded.

Although they both knew each other, their identities were different now. Wu surong still introduced them to each other, " "This old man is your grandfather, that's your elder uncle, and that's your youngest uncle, Yingluo."

His uncle snorted and glared at Sheng nanxuan.

Sheng nanxuan's eyes were filled with innocence.

"What are you doing?" Wu surong glared at Yu Qingliu. you better behave yourself! Then, she continued to introduce Yu xinzhuo and Yu Xinran. Wu surong asked Sheng nanxuan, " "How old are you this year?"

"24?" Sheng nanxuan told her his date of birth and time.

Wu surong nodded in satisfaction and immediately remembered the time. Now that she had the eight characters, she could go and ask for a protective talisman for him when she was free.

"Then you're younger than xinzhuo and Xinran," she said.

pfft-" Yu Xinran laughed and called out playfully, " cousin.

"Cousin, cousin," Sheng nanxuan said helplessly.

Fortunately, there were a few members of the Wu family who were younger than him, so he did not have to be the younger brother all the time.

Gong mo accompanied him and greeted everyone. After the introduction, the sleeping child in his arms suddenly woke up. He turned his head and saw Yu Qingliu, then started to babble.

Aiya! Wu surong said happily, " you're awake!

“He’s greeting you.” Sheng nanxuan said.

Wu surong was even happier. She hurriedly called Gong mo, ” “Come sit beside me.”

Gong mo walked over with the child in his arms. He knew that she wanted to carry the child, so he gave the child to her and said to the child, ” “This is great-grandma,”

yiyyiya-” the child looked at Wu surong curiously and greeted her excitedly.

Yu Zhengming’s heart itched when he heard this, and he came over to take a look.

The child opened his hand to grab him. He was happy and held the child’s small hand.

Wu surong said,”he’s our family’s first great-grandson!” Look at all of you. Nanxuan is the youngest and his child is already learning how to speak. What about you? ”

Yu Xinran and Yu xinzhuo played dumb, while Yu Qingliu chose death.

Min Ling smiled and asked,”what do Nan Xuan and Gong mo like to eat?” I’ll get the kitchen to prepare it. ”

“I’m fine with anything.” Gong mo said, ” Nan Xuan likes to eat beef. You can cook it however you want.

Sheng nanxuan looked at her lovingly and said, ” “Momo likes light food and likes to eat fish, but he’s afraid of bones.”

Chapter 588 I’m your uncle

Gong mo was speechless.

...

“But it doesn’t matter, I’ll help her pick.” Sheng nanxuan continued.

Gong Mo’s face turned red. He didn’t expect that he would be showing off his love here.

hahaha! Yingluo! Wu surong laughed. he loves his wife! Qingliu, xinzhuo, you two should learn from him, in case you can’t find a wife!”

Yu xinzhuo said calmly, “little uncle isn’t married yet. How can I be ahead of him?” I’ll work on my career first. When little uncle gets married, I’ll immediately put the wedding on the agenda.”

Wu surong immediately looked at Yu Qingliu, “Clear stream ...”

Yu Qingliu knew that Yu xinzhuo was trying to harm him!

Yu xinzhuo was safe and sound now, and no one forced him to go on blind dates. Wasn’t it because of her? His family would definitely be worried about him, who was in his forties, first. Why would they care about him, who was in his twenties? He should be thanking her for being able to get some peace and quiet, okay? In the end, he had actually pushed himself out to take the bullet!

Hmph! Yu Qingliu was unhappy and said, “ nanxuan is younger than you. He has already given birth. Why didn’t you say anything? ”

Yu xinzhuo continued to be calm, “that’s why little uncle should hurry.” If they were fast enough, the child would be able to play with Hu Zi and go to school. Otherwise, when Hu Zi goes to junior high school and your child is still in primary school, he’ll have to call him uncle. Hu Zi will break down!”

“That’s right!” Wu surong quickly agreed.

if you give birth now, “Yu Qingliu said, “ you’ll call your classmate ‘uncle’ in the future. Wouldn’t that be even worse? ”

“If you’re so capable, then give birth to one for me right now!” Wu surong choked and said angrily.

“Zhenzhen is not capable.”

it doesn’t matter if you’re born early, “Sheng nanxuan said. at most, I won’t let Hu Zi and little cousin be in the same class.

Yu Qingliu,”Yingluo.”

Everyone laughed and clapped to show their support for Sheng nanxuan.

Yu Qingliu was depressed,’you’re too dishonest! Why do you keep sabotaging me? It’s fine if you didn’t know we were relatives, but I’m your uncle now!”

ahem. Sheng nanxuan coughed lightly. He did not dare to say that he knew that he was his uncle.

Yu Qingliu suddenly reacted,’no! You already knew, right? When did you find out?”

Oh, ” Sheng nanxuan answered honestly. I checked on you last year and accidentally found out that Yu qinghuan might be my mother. I started to suspect Qianqian.

“And you still keep bullying me!” Yu Qingliu was furious.

“I only suspected it at the time, I only found out later.”

“When did you find out?”

“Of course, we’ll only know when the DNA results are out.”

Yu Qingliu calculated carefully. When the DNA was out, it was when Gambino was hospitalized.

Dancing grass!

During that period of time, he had bullied her a lot and even fought with her!

hehehehehehehehe! Yu Qingliu clenched his fist and asked, "do you know what it means to respect the old and love the young?"

"It's good that uncle knows. Let's forget about the past!"

Yu Qingliu was dumbfounded. it doesn't count just because you hit me?!

"Alright, alright!" Wu surong said, "why are you arguing with a junior? Nanxuan definitely knows that you're family, which is why he's so close to you. He doesn't Dare to Care about you."

Sheng nanxuan nodded and said,"yes." I'm most familiar with my youngest uncle in the entire capital."

Yu Qingliu's temper disappeared.

What could he do? This was his second sister's son.

Sheng nanxuan did treat him as one of his own. He believed that no one else would receive such treatment. She was a little excited at the thought of this.

"This is good." Yu Zhengming said, "a family should be warm and affectionate.

Chapter 589 Having lunch together

During lunch, most of the dishes were light. There was beef, which was Sheng nanxuan's favorite, and fish, which was Gong Mo's favorite.

...

They all knew that the Yu family was taking special care of their preferences, and they felt warm and touched.

To Gong mo, she was happy for Sheng nanxuan that the Yu family welcomed him. If the Yu family didn't welcome her, she didn't mind leaving with the child! Hmph, Hmph, Hmph, anyone who dared to bully her husband was a bad person!

Sheng nanxuan was the same-those who treated his wife well were family!

He sat next to Wu surong. As soon as they were at the table, Wu surong gave him a big piece of beef."Have a taste! Will it be delicious?"

"Grandma picked it up. It'll definitely be delicious." Sheng nanxuan lowered his head and started eating.

Min Ling picked up a piece of fish for Gong mo and said, "Here, this one without thorns."

"Thank you, first aunt." Gong mo said hurriedly.

Sheng nanxuan finished his beef and looked up. He asked Wu surong, "What do you like to eat, grandma? I'll get it for you?"

it's okay, it's okay, "Wu surong said hurriedly. you can eat it. Don't worry about me!

"How can we do that? In the past, I wanted to be filial but didn't have a chance. Of course, I can't miss it now." Sheng nanxuan asked Yu xinzhuo, "cousin, tell me, what does grandma like to eat? Also, you don't have to say anything about how Grandpa, uncle, and aunty urged you and Xinran to do it. "

Xinran and I don't dare to trouble you. As your brother, I should take care of you. Yu xinzhuo laughed heartily and told them about the elders' preferences.

Sheng nanxuan and Gong mo picked up food for everyone in turn. Yu Qingliu was the youngest among the elders, so she was naturally the last.

He snorted. Fortunately, he hadn't forgotten about him. Otherwise, he would have to talk about life with his nephew!

Yu Zhengming frowned and asked, "what are you being so weird for?" Are you not happy that your sister's child is back?"

"I'm not unhappy!" but he used to bully me! Yu Qingliu said hurriedly.

"You're his uncle, why are you being so calculative with your nephew?"

he ... He ... Yu Qingliu felt like crying. he really bullied me in the past.

"Uncle, you were the one who bullied me first, right?" Sheng nanxuan asked.

"When did I bully you? I would like to, but I'm not as treacherous as you!"

"You don't have any? when Momo gave birth to Huzi, he was lying on the operating table due to dystocia. When he saw that he was about to die, you threatened me. Sob, sob, sob. Sheng nanxuan showed a wronged and resentful expression.

Everyone stared at Yu Qingliu in unison, as if to say: You're a bad person!

"Forget it, let me eat!" Yu Qingliu held the bowl.

Back then, everyone had clearly said that he had done well, but now they were actually blaming him!

This was too much! She wanted to get married as soon as possible and have a son to bully Hu and take revenge for herself!

He had no other choice. He couldn't bully his sister's child even if he wanted to. Besides, he couldn't win at all!

After the meal, Min Ling arranged for Sheng nanxuan and Gong mo to take a nap in the guest room.

The child had already fallen asleep. As the two elders couldn't bear to part with him, Gong mo let them take him to sleep.

The two elders were overjoyed and praised Gong mo for being sensible.

They had met Gong mo a few times before and they liked him very much. Although Gong Mo's family background was ordinary, they didn't look down on him. She had acknowledged Sheng nanxuan as her family, but she had never thought of arranging a marriage for Sheng nanxuan just because she was an elder.

Sheng nanxuan's behavior was very obvious after he entered the house. First, he said that he would help Gong mo pick out the fish bones. Then, he really helped Gong mo pick out the fish bones during dinner. All of this showed how much he loved Gong mo.

If they dared to bully Gong mo just because they were his elders, Sheng nanxuan would definitely not acknowledge them.

Chapter 590 It's good as long as you think it's good

The Yu family knew that they could not control Sheng nanxuan. Just treat him as a junior and dote on him, don't use the status of an elder.

...

They positioned themselves in a way that made Gong mo and Sheng nanxuan feel at home.

Sheng nanxuan thought that it was indeed different to have relatives.

In fact, Gong mo had rarely met such an elder. Since she was young, other than dan Rong, only her grandparents had truly doted on her. It was a pity that her grandparents had passed away when she was in primary school. The elders of the Shan family and the gong family all despised her. After so many years, this was the first time she had met someone who treated her so well.

“What do you think?” Sheng nanxuan asked.

“I think it’s pretty good.” “What about you?” Gong mo asked with a smile. They’re your family.”

“As long as you think it’s good,”

“What do you mean by whatever I think is good?” Gong mo couldn’t help but laugh.

“You women should be the ones to visit relatives. If you can’t get along, you don’t have to worry. In any case, they’ve already come here before.”

“No,” Gong mo was touched. I think they’re very good. Other than mom, I’ve never met anyone who’s so good to me. ”

“That’s good.” Sheng nanxuan heaved a sigh of relief. before I met them, our mother was the one who treated me the best. But it’s more comfortable to get along with mom.”

Gong mo thought, “you must be treating my mother as your own mother!”

She couldn’t help but feel happy and said, “you’ve just reunited with Grandpa and Grandma. This is good enough.” As time passes, I’ll naturally be more at ease.”

“Sleep for a while, so you don’t get sleepy,” he nodded.

Gong mo lay down next to him but didn’t fall asleep. He was half-awake and could hear the chirping of insects and birds. He was also thinking about how to get along with everyone in the future.

She lay there for about an hour. When she opened her eyes, all her previous thoughts were a blur. Although she hadn’t fallen asleep, she was in much better spirits, so she closed her eyes to rest.

“Did you sleep enough?” Sheng nanxuan asked.

“Oh, Yingluo is still fine.” Gong mo tidied his hair with his eyes closed.

Sheng nanxuan reached out to rub her temples. She felt very comfortable and leaned on his shoulder.

He couldn’t help but laugh.

“En!” Gong mo replied seriously.

Sheng nanxuan laughed in a low voice, his chest shaking. She leaned on his chest and felt the frequency.

He massaged her for a few minutes and asked in a low voice, ” “Is that enough?”

“Yes.”

Sheng nanxuan slowly pushed her away and let her sit up straight. Then, he got up and pulled open the curtains.

Gong mo opened his eyes and stretched lazily. He had finally been revived.

The two of them went downstairs and saw Yu Xinran and Yu Qingliu in the living room.

Yu Xinran stood up and walked quickly to Gong Mo's side, "Go! I'll take you to grandma and the others!"

"Alright," he said. Gong mo glanced at Sheng nanxuan and left with Yu Xinran.

"Let's go to the old man's study!" Yu Qingliu said to Sheng nanxuan.

Walking into the study room, Yu Zhengming, Yu Qingping, and Yu xinzhuo were all there.

"Grandpa, uncle," Sheng nanxuan called out.

"Quickly sit." Yu Qingping said, "I called you over to ask about your situation over the past few years and how you've resolved the matter with the FARC.

Sheng nanxuan sat down. I've already thought of a solution. I might need your help.

"What is it?"
