

Ditsy Wife 601

Chapter 601 You won't give up on us, right?

Hu Zi was carried away by Yu Zhengming to play, and the three of them went to look for him.

...

Wu surong explained why she was there, and Yu Zhengming said, "it's good for Hu to wear it. Let him raise it since he was young and give it to his wife in the future!

Sheng nanxuan smiled. Grandpa, you're thinking of Hu's wife now?"

"Isn't that so? I'm looking forward to it." Yu Zhengming happily patted Hu Zi's head.

Wu surong put the pendant on Hu Zi's neck. Hu Zi looked down curiously.

Wu surong picked up the pendant and stuffed it into his hand.

At that moment, Min Ling came over to look for them for dinner. When she saw the two elders giving them something, she smiled and said, "people like beeswax these days. I happen to have two bracelets at my place. I can give nanxuan and Gong mo one each. Just treat it as a Couple Bracelet.

It was his first aunt's first time giving him a gift, so it was not appropriate to delay it. Sheng nanxuan smiled and said, "then I won't stand on ceremony. Gong mo and I don't have couple accessories yet.

"The ring isn't?" Gong mo whispered.

"That doesn't count," he said, looking at her.

When he left, Sheng nanxuan took a photo album of Yu qinghuan.

After getting into the car, Gong mo touched the bracelet on his wrist and said, "I'm not embarrassed to come and take so many things."

"It's the first time everyone's giving something, so I can't reject it."

"But he's too rich, Yingluo."

Sheng nanxuan touched his chin and thought for a while. uncle hasn't given it to me yet. I have to ask him for it!

"Be careful, he might give you a scalpel!" Gong Mobai glared at him.

pfft ... Sheng nanxuan laughed. no one in his house cares about these things. He definitely doesn't know how to give them to me.

"There's someone in your room who's in charge, but I don't understand. When are you returning the favor?"

"Don't worry, there will be plenty of opportunities. I'll slowly get people to gather some good things and send them over on their birthday."

Gong mo nodded. Courtesy demands reciprocity. In the future, the relationship between the two families would be maintained just like this.

.....

Yu qinghuan was sleeping in her room, while Carter was pacing back and forth in the living room, looking anxious.

He hurried over when he heard someone knocking on the door. She looked through the peephole and saw a man in a suit and tie standing outside.

In the Midsummer weather, he dared to wear this out, most likely because of work needs. He looked like a salesman.

Carter opened the door and asked doubtfully, "you're ran ran."

"Dr. Carter, the higher-ups sent me here."

"Please come in." Carter hurriedly stepped back.

The man walked into the living room, and Yu qinghuan, who was in the bedroom, opened her eyes.

Carter didn't know how good her hearing was. Because during the experiments, she would never take the initiative to talk about her own situation. When she was able to control her perception, her brain waves could no longer reflect her ability, and the instruments naturally could not be accurate.

They had no idea how many secrets she had heard from them.

She didn't want to hear it, but she couldn't control her ears. Those sounds kept coming in by themselves.

that's good. Carter heaved a sigh of relief.

He was afraid that Huo Cheng would disband the laboratory under international pressure and even hand over the experimental staff.

At that time, they would become the rats that everyone wanted to kill, and they would have no place in this world.

Chapter 602 I have no money

After the man left, Carter walked to Yu qinghuan's door and knocked. Lily, we have to go.

...

He shouted a few times, but there was no response.

Carter was shocked. He pushed the door open and saw that there was no one in the room. The curtains were pulled open a foot wide, and the glaring sun shone in from the outside.

He walked over and saw that the window was open. He was dozens of meters above the ground, and there was a lot of traffic below.

Carter flung the curtains fiercely, thinking, "when she comes back, I have to leave immediately!" Otherwise, what would she do if she ran into someone who knew her?

.....

Yu qinghuan walked through the capital's most bustling pedestrian street. On both sides of the street were all kinds of luxury stores, with beautiful clothes, shoes, bags, and accessories displayed in the display windows.

She looked over slowly. When she passed by a shoe store, she saw a pair of red high heels in the display window.

She walked in, and the staff looked at her in a daze. She gave off a unique feeling, as if she had some kind of magic.

miss Wanwan. the shop assistant finally reacted. are you trying on shoes? "

Yu qinghuan turned around and pointed at the display window.

She didn't say a word, but the shop assistant felt that she had given an order that couldn't be disobeyed and immediately went to get it.

There were three pairs of shoes on display. The shop assistant did not know which pair she wanted, so she brought them all over.

“Miss, may I ask ...”

Without waiting for her to finish, Yu qinghuan took The Red Shoes and put them on while sitting on the foot.

“Miss, you look really good in this pair of shoes!” The shop assistant said with a smile.

“I also think so.” Yu qinghuan said seriously. She took off her shoes and returned them to her.

“Uh, Yingluo, you don’t want it?”

“I don’t have any money.” Yu qinghuan turned around and left.

The shop assistant was dumbfounded.

No money? This was too righteous!

If it were any other customer, they would definitely say in their hearts, “ You dare to try without money? You still dare to say it when you don’t have money?”

But if it was the one in front of them, they could not think this way at all. It was because she didn’t look like she had no money at all!

She probably just forgot to bring her wallet out.

Yu qinghuan walked out of the shoe store and continued to walk forward. At the corner, she saw an ice cream store.

She walked to the display window and looked at the person making ice cream.

There was a strawberry ice cream there. It was red mixed with white, and it looked very beautiful.

She reached out her hand and was about to touch the glass when she suddenly remembered the broken things in the hotel and immediately retracted her hand.

She turned around and wanted to leave, but was caught off guard and bumped into someone. She hurriedly stepped back and bumped into the glass window behind her.

Huala-

"F * ck!" The man who bumped into her was stunned.

The employees in the store were also shocked. They watched as the woman in the red dress fell into the store, and the glass wall a few meters high above her head smashed into her body.

Yu qinghuan rolled over and dodged the glass shards that were falling down like knives.

Pa!

The glass fell to the ground and shattered into pieces.

ah ... the girl who passed by jumped into her boyfriend's arms in shock.

The ice cream master in the shop was so frightened that he threw away the ice cream in his hand.

The person who had bumped into Yu qinghuan earlier asked in a daze, "Is your Qianqian alright?"

Yu qinghuan was sprawled on the ground, not moving at all. Her body was covered in glass fragments.

"Call the Xuanji police." The ice cream staff said.

The pedestrians on the road gathered around, pointing at Yu qinghuan and the glass shards on the ground.

"It can't be dead, right?"

"I don't think so? Not a single drop of blood."

"He might have fainted."

Suddenly, Yu qinghuan moved. Everyone was shocked and looked at her with bated breath.

Chapter 603 I've long lost the sense of pain

She slowly got up, and the glass on her body fell to the ground. However, there were also a few pieces stuck in her body, and some blood was seeping out from the places where they were stuck.

...

The man who had bumped into him walked over and asked carefully, "Are you alright? I didn't mean to tease you!"

Yu qinghuan ignored him and looked down at the glass on her body. Without even blinking, she reached out and pulled it off.

The man trembled in fear when he saw that she did not even move her eyebrows.

Wasn't this beautiful Yingluo too valiant? Didn't it hurt?

When Yu qinghuan pulled out the second piece, she suddenly felt that it was very troublesome. She only needed to shake her body slightly, and these fragments would fly out directly.

However, after looking at the people around her, she lowered her eyes and continued to pull.

If the fragments were sent flying, the people around would be shot through.

She slowly pulled out the glass shards. Someone beside her asked, "Isn't she in pain?"

Yu qinghuan frowned.

She also wanted to be in pain. However, she had long lost her sense of pain.

After pulling out the shards, she turned around and wanted to leave.

The man who had bumped into her suddenly pulled her back. "You can't go ..."

"Let go!" Yu qinghuan was unhappy and was about to shake him off when a voice came from outside the crowd-

"Move! Make way! The police!"

The crowd made way, and ding dang walked in from outside. She tidied up her hat, which had been knocked askew by everyone.

wow ... ding dang looked at the tragic situation in front of her. are you okay? " Did anyone get hurt?"

“No, I didn’t!” The shop owner pointed at Yu qinghuan and the man. My window was broken by someone. It was the two of them!

“We’ll talk about the Civil compensation later!” Ding dang frowned and asked the other two, “what happened? Be more honest! There’s a surveillance camera along the way, I’ll check it later!”

The man let go of Yu qinghuan and said awkwardly, “I’m a talent scout. Seeing that she’s so pretty, I wanted to ask her if she wanted to enter the entertainment industry. Who knew that just as I was about to talk to her, she would bang her head against the glass.”

Ding dang recorded his confession and looked at Yu qinghuan. She was slightly shocked. “Are you alright? She’s bleeding. Should I call the doctor? The director of Worriless Hospital is my friend, I can take you there immediately!”

Worriless hospital?

When these words entered Yu qinghuan’s mind, she seemed to have thought of something, and she suddenly looked at Ding dang.

Ding dang was startled. This big sister’s eyes are so scary! So what if she’s pretty!

“No need,” Yu qinghuan coldly spat out these two words, turned around, and quickly left the crowd.

“Al! Compensate me for my glass!” The owner of the ice cream shop shouted.

“Are you going to be a star or not?” The Scout asked loudly.

“The case isn’t over yet!” Ding dang shouted. She put away the pen and paper while chasing after him.

Yu qinghuan heard her footsteps and quickly ran.

Seeing this, ding dang's fighting spirit rose-you can still run, right? This lady isn't bad either! Hence, he increased his horsepower and rushed forward.

Yu qinghuan nimbly crossed the road. Ding dang didn't think too much and rushed after her, only to hear the sound of the brakes ...

She turned her head and looked-

Holy shit! She ran a red light!

A large truck happened to be driving in front of her, and she was shocked. The truck driver was even more shocked than her and slammed on the brakes.

Ding dang's whole body went cold, and her whole brain stopped working. It's too late to run now, Yingying.

Suddenly, a force of gravity pushed her to the side, and she fell heavily to the ground.

hiss ... she gasped in pain. She looked up and saw Yu qinghuan pressing down on her.

you!!!! ding dang was stunned.

Yu qinghuan's long hair fell on her face, and her cold eyes were looking at her. She was so beautiful.

Chapter 604 Doctor, I'm here

She asked in a daze,"pretty sister Yingluo, where did you get this?" Didn't he run away?"

...

Yu qinghuan suddenly reached out and lifted her arm.

She took a look and saw that the skin was scraped and a few drops of blood were oozing out.

Yu qinghuan reached out and wiped some blood on her fingertips. She sniffed it and said, "No."

"Not what?" Ding dang was shocked. Sister, you look like a vampire looking for blood to drink! It wasn't? Could it be that his blood type was wrong?

Yu qinghuan didn't reply. She let go of her and stood up, crossing the road and disappearing into the crowd.

Ding dang quickly got up and chased over, only to find that her feet were a little painful.

As they passed the pedestrian crossing, the truck driver stood in front of the truck and asked, "Officer, are you alright?"

While running and jumping, ding dang waved at him. "I'm fine! Hurry up and leave! Don't block the road!"

The driver was dumbfounded. He only wanted to know where the woman in red came from!

He looked at the front of his car. There was a dent in the top. It seemed like Yingying was pushed by the woman in red.

No, he wouldn't!

How could such a thing happen?

He must have hit a tree last night!

.....

Ding dang chased for a while, but Yu qinghuan was nowhere to be seen.

what the hell, Yingluo? ” she stopped. how can you run so fast, Yingluo? ”

She looked at her foot and saw that there was a big bump on it. She wailed, ” “No way? Again?”

When she fell, the captain said that it would take a hundred days for her to recover and transferred her to the Civil Affairs team. He was about to go back, but he was injured again! Could it be that he would never be able to return to the criminal Brigade?

Ding dang thought for a while and felt that it might be a good thing! I’m frustrated in my career, but I’m happy in love~I’ll go find Yu Qingliu now!

Hehehe, doctor Yingluo, I’m coming~

.....

“Achoo ...” Yu Qingliu sneezed in the office.

Sheng nanxuan’s eyebrows twitched. you’ve caught a cold? ”

“Maybe I used too much air conditioning and caught a cold.” Yu Qingliu rubbed her nose. what are you doing in the hospital? ”

Hu ‘Zi is getting a heads up downstairs. I’m here to ask you to have lunch with me.

oh, oh! I thought you were here to see an andrologist.

Sheng nanxuan rolled his eyes at him. It's fine if you don't have an aunt at your age, but you don't even have a female or male companion. It's not something that can be explained by celibate or gender incompatibility."

"What do I need a companion for? Do it yourself, and you'll have enough food and clothing!"

"By myself?" Sheng nanxuan gave him a strange look. a small kiss is good for your mood, but a big kiss is bad for your health. A strong kiss is like ashes! I definitely can't!"

hospital director ... the Secretary's voice was heard.

The two of them looked over and saw the door open with a bang.

The Secretary helped ding dang, who was jumping on one foot, into the room.

Oh! Sheng nanxuan looked at Yu Qingliu suggestively.

"Oh, your head!" Yu Qingliu cursed in a low voice.

"I'm injured, let me take a look!" Ding dang shouted as she jumped over and sat down on the chair.

Yu Qingliu looked at her coldly and said,"you're injured and you still came to my office?" Don't you know to treat patients in the outpatient department?"

"I don't believe them! You're the director, so your medical skills must be better!" Ding dang said as she lifted her leg and placed it on the table.

it's this swollen?! Yu Qingliu cried out.

“That’s right! It hurts! “Hurry up and let me see ...” Ding dang cried.

Yu Qingliu frowned and took off her shoes, causing ding dang to hiss in pain.

“Let’s get an X-ray first!” He said after looking at it for a while.

Chapter 605 I’m set on you!

“Is it broken?” Ding dang looked at him with teary eyes.

...

His heart skipped a beat and he had a strange feeling. He couldn’t help but soften his voice.”I don’t think so, but it’s better to take a look.”

“Oh, Yingluo, will you come with me?”

Yu Qingliu looked at her coldly.

She paused, put down her feet, and stood up with the help of the table. She said pitifully, ” “I’ll go by myself, Yingluo.”

Yu Qingliu thought for a moment and called for her Secretary.

When ding dang left, he suddenly remembered, ” “Shoes ...”

“I’ll leave it with you first! I can’t wear it now anyway!” Ding dang roared.

Yu Qingliu was speechless. weren't you crying just now? why are you suddenly so energetic? "

Sheng nanxuan burst out laughing.

"What are you laughing at?" Yu Qingliu rolled her eyes.

"I'm laughing at how the young ladies nowadays are willing to part with their money!"

"Young girls nowadays? You make it sound like you're very old!"

"Sigh ... Back then, I was the one who took the initiative with my Momo. If only she was like ding dang ..."

"Shut up!" Yu Qingliu was slightly embarrassed. if you have nothing else, then hurry up and leave!

"How are you fine? I still have something important to talk to you about!" Sheng nanxuan said, " I think I saw my mother that day, Yingluo.

"What?"

"I don't think I saw wrongly. Although I didn't see his face, from the speed at which he disappeared, he's not a normal person."

Oh? " Yu Qingliu closed the document in her hand. you met him in Beijing? "

"That's right. She left with Carter, so Carter is most likely here."

"He actually dared to come to the capital?"

“Huo Cheng is here! Don’t forget, Huo Cheng supported the laboratory. I’m afraid that Huo Cheng still wants to continue those experiments.”

Yu Qingliu said seriously, “if this dual S experiment is successful, even if a person dies, they can still continue to live with a new body and mind. It’s a waste for a ruler.”

Sheng nanxuan nodded. that’s why we must oppose it to the end. Otherwise, the world will be in chaos.

“Yes, I’m already preparing a document for the approval of the United Nations. There weren’t any international regulations before, but through this incident, we have to make everyone take it seriously and ban this kind of experiment on a global scale!”

“I should.”

After the two discussed for a while, ding dang came back, still unwed.

you’ve already gone down, “Yu Qingliu said gloomily. can’t you just find a random doctor to treat you?”

“I’m set on you! How can you be so casual?” Ding dang looked at him seriously.

Yu Qingliu heard the double meaning in her words and glanced at Sheng nanxuan.

Sheng nanxuan lowered his head and sipped his tea, pretending not to hear.

Yu Qingliu helplessly held her forehead and pointed to the treatment bed beside her. “On the bed!”

Hearing this, ding dang quickly covered her chest. there’s someone here, and you’re actually asking her to get on the bed?!

“Pfft, cough, cough!” Sheng nanxuan choked.

“If you don’t listen, get out!” Yu Qingliu was exasperated.

“I’ll go immediately!” Ding dang quickly stood up and hopped to the side of the bed on one leg.

Yu Qingliu took-deep breath, walked over, grabbed her leg, and twisted it hard-

“Ah ...” Ding dang screamed.

Sheng nanxuan looked at her sympathetically-Ken! Freeze! Very! It hurt!

The Secretary who was helping out at the side was so scared that she had goosebumps all over her body.

Yu Qingliu took the Yunnan Baiyao and applied it on ding dang. Then, she wrapped a few circles of gauze around her feet, wrapping them like steamed buns.

Ding dang reached out her hand with tears in her eyes, “there’s still the arm, hehe.”

Yu Qingliu paused, then sprayed some Yunnan Baiyao on her arm and put on a band-aid.

After he was done, he returned to his seat to take his medicine.

Ding dang slowly jumped to the desk with the help of the furniture and sat down next to the chair.

Yu Qingliu saw how well-behaved she was, glanced at her, and asked lightly, “How did you do it? Did he go after a thief again?”

“No, Yingluo, I’m chasing a beauty this time.” Ding dang said obediently.

...

“This is your hobby?”

Ding dang glared at him and suddenly raised her voice, “ don’t you know what my hobby is?!

Yu Qingliu awkwardly looked away and mumbled, “ “Yingluo, how would I know your hobbies?”

Ding dang looked at him angrily. Suddenly, she leaned on the table and made an alluring gesture, winking at him. “My hobby is you ~”

Yu Qingliu was stunned.

ahem, ahem, ahem,” Sheng nanxuan said hurriedly. uncle, I’ll come back later. Then, he quickly left the office.

Ding dang snickered and asked Yu Qingliu, “Eh? What’s wrong with him?”

“I miss his wife,” Yu Qingliu said with a dark face.

“Then why did he call you uncle? Then I’ll be his little aunt in the future?”

“Don’t you dare!” Yu Qingliu shouted, “ you’re a girl. Don’t talk nonsense!

“I’m not talking nonsense. I’m serious!” Ding dang said, feeling wronged.

Wu Di?” Yu Qingliu was stunned and asked awkwardly, “ what about Wu Di?”

“Ah?”

“Didn’t you go on a blind date with him?” Yu Qingliu asked angrily.

“I don’t see it ~”

Yu Qingliu glared at her, tore off the medicine list, and placed it in front of her. go get the medicine yourself! Eat according to the instructions!”

“I don’t understand!” Ding dang threw it to him.

Yu Qingliu picked it up. you can’t even understand this?!

“I really don’t understand.”

Yu Qingliu looked at it. Perhaps for patients, it was really difficult to recognize a doctor’s prescription.

He had already tried his best to write it neatly, alright?

He threw it back and said,“it’s okay. The people in the pharmacy can understand.” They’ll tell you how to eat it!”

Oh, Yingying. ding dang picked up the medicine list and was about to leave when Yu Qingliu suddenly handed her the shoes.

“Can I give it to you?” she asked.

Yu Qingliu was so angry that she fell into her arms.

She snorted and said, "why are you so fierce?" after that, she took her shoes and the medicine list and left.

When she reached the door, she turned around and said with a smile, "then I'll look for you tomorrow!"

If she wanted to change into a low-cut dress tomorrow, she would wear red! That beautiful sister looks so good in a red dress ~

After she left, Yu Qingliu felt that the air was a lot quieter, but her heart was a little chaotic.

Tsk ~ it must be because he hasn't been in love for a long time and hasn't touched a woman, so he's so upset after being teased by a little girl!

Hmph! I won't like her!

ah ... ding dang's miserable scream came from outside.

Yu Qingliu was shocked and immediately ran out.

"What's going on?" He asked his Secretary.

"I don't know," the Secretary shook his head.

"Wuwuwuwuwuwu," ding dang's cries could be heard.

Yu Qingliu quickly ran towards the source of the sound and found that it was under the stairs.

Ding dang was lying sprawled out at the bottom of the stairs. The medicine list and shoes had fallen somewhere else.

He rolled up his sleeves and rushed over in exasperation. don't you know how to take the elevator? ”

Ding dang looked at him and cried, ”the elevator hasn't come up yet, Yingying!”

“I think you're doing this on purpose! Can't you just wait a little longer?”

Ding dang pursed her lips and didn't speak.

Yu Qingliu picked up the shoes and medicine list and walked over to carry her.

Ding dang couldn't believe that there was such a good thing! She was stunned for a moment, then immediately wrapped her arms around his neck and leaned against his chest with a happy expression.

Yu Qingliu gritted her teeth. do you think I won't throw you down?!

Ding dang's body stiffened, and her arms loosened a little. She lifted her body a little, and mumbled, ” “I didn't ask you to hug me, Yingluo.”

Chapter 607 Do you want to have dinner together?

Yu Qingliu was stunned. She carried her downstairs and said resentfully, ” “I'm saving the dying and healing the injured! I'm afraid that you'll die in my hospital because of a small injury, which will affect the reputation of the hospital!”

...

“Oh, Yingluo.” Ding dang lowered her head and laughed happily.

Yu Qingliu glanced at her and snorted. it's useless to try to trick me!

Ding dang was stunned for a moment, then whispered, "who said so?" Aren't you hugging me now?"

Yu Qingliu froze, her arm trembling.

Ding dang was shocked. She quickly hugged his neck and shouted, "Don't throw me! I won't talk anymore!"

Yu Qingliu glared at her and carried her down the stairs.

Ding dang puffed up her cheeks and really didn't dare to make any more noise.

Yu Qingliu carried her out of the pharmacy and placed her on the long bench by the wall. He threw her shoe into her arms and then took the list to get the medicine.

Ding dang grabbed the shoe, sneaked a glance at him, and laughed happily. "Tough mouth but soft heart, I like this kind of person!"

She sat on the chair and enjoyed herself for a while. Yu Qingliu came back with a dark face and handed her a bag of medicine, "eat after dinner. Eat the ones with the marks first. Read the instructions for the ones in the box.

"Oh, Yingluo." Ding dang took it and looked at him pitifully.

"Alright, let's go back!" He frowned.

it seems to be time for lunch, Yingluo. ding dang peeked at him.

"Then why are you not going home?" he glared at her.

"You're not treating me to a meal?" ding dang was surprised.

“Why should I treat you to a meal?” Yu Qingliu gritted her teeth.

“Well, Yingluo, I thought you would invite me out of courtesy. After all, we know each other and I’m injured.”

“I have an appointment.” Yu Qingliu said coldly.

Ding dang was stunned, and asked with a big blow, “You have an appointment? With who? I thought you didn’t have a girlfriend?”

Yu Qingliu really wanted to say, “do I need to report to you if I have a girlfriend?”

However, seeing her so sad, he couldn’t bear to see her like this. He said angrily, “Who said that I have to ask my girlfriend out?”

Ding dang’s tears immediately turned into a smile, “I see ~ then I’ll go back first!” I’ll come see you tomorrow!”

don’t worry. Yu Qingliu furrowed her brows. you can go straight to the orthopedics department. No need to find me!

“Then I won’t take the medicine!” Ding dang pouted.

“You ...”

little uncle ... Gong Mo’s voice was heard.

The two of them turned around and saw her carrying Hu Zi as she walked over with Sheng nanxuan.

“Ding dang.” Gong mo greeted ding dang. are you alright? ” How did you get injured again?”

“Why are you guys here?” Yu Qingliu asked.

we couldn’t find you in the office, ” Sheng nanxuan said. we heard that you brought ding dang to get medicine, so we came over.

Qingliu said he had lunch with someone, “ding dang asked. is it you guys?”

Clear stream?

“That’s right.” Gong mo smiled. You haven’t had lunch, have you? Do you want to go together? Uncle, can I?”

“Yes, yes, Yingluo!” Ding dang hurriedly nodded.

Yu Qingliu glared at her, “I didn’t ask you!” Also, who are you to call me Qingliu? Call me uncle!”

Ding dang rolled her eyes at him and muttered, ” “It’ll happen sooner or later, Yingluo.”

ahem. Sheng nanxuan coughed lightly. so, do you want to have dinner together? ”

Ding dang looked at them pitifully, her eyes like those of a kitten.

Yu Qingliu’s heart trembled, and she couldn’t take it anymore. Her face darkened as she said, ” “I’m not the one paying, so you guys can do whatever you want!”

“Then let’s go together.” Sheng nanxuan helped Gong mo turn around. He lowered his head and said, ” give it to me. You’re tired of carrying it.

Chapter 608 I will teach him

Gong mo handed Hu Zi over to him. Hu Zi had just been injected and was now in a bad mood.

...

“What a good man!” Ding dang said from behind.

Yu Qingliu thought to herself, I’ll be a good man too!

“Where are you going?” he asked.

Ding dang looked at his foot, which was swollen like a steamed bun, and jumped forward with a thump. Then he said to him, “Let’s go like this!”

Yu Qingliu speechlessly took a deep breath, stretched out her hand, and turned her head to the side. “Alright, I’ll help you!”

Ding dang happily hugged his hand tightly, feeling extremely happy.

Yu Qingliu turned her head, “can you not be so infatuated?” How are we supposed to go like this?”

Hearing this, ding dang let go of him, feeling wronged. She only supported him a little and then slowly walked forward.

After taking a few steps, he saw that her head was drooped and she looked very hurt. He couldn’t help but reflect on himself. Were my words too harsh just now?

“Why aren’t you saying anything?” he coughed lightly.

“Boohoo, I’m afraid you’ll hate me.” Ding dang mumbled in a low voice.

Yu Qingliu paused and snorted.

Ding dang stole a glance at him and asked in a low voice, “You really don’t like me? I can change it, Yingying.”

“Do you really like me?” he asked.

Ding dang hurriedly nodded with an excited expression.

“Wu Di is younger and more handsome than me ...”

“I like people like you! I don’t want a young and handsome one!”

Yu Qingliu couldn’t help but blush, and asked awkwardly, “I heard you’re a fan of uncles?”

uh, this ... ding dang scratched his neck in embarrassment.

He glanced at her and said, “you’ve seen a lot of uncles, right?” Why me of all people?”

I find it strange too, Yingluo. she lowered her head, revealing her snow-white neck. I used to say that I liked uncle, but it was actually pure admiration. It’s just like the love of beauty, everyone has it. But you’re different, Yingluo.”

She did not continue.

Yu Qingliu didn’t get to wait for the second half, but was a little depressed. Who would speak halfway? Why don’t you tell me how I’m different!

When they left the hospital, Sheng nanxuan had already driven the car to the side of the road. Gong mo was standing there waiting for them. When she saw them, she ran over to help ding dang.

“Thank you,” ding dang said with a smile.

“You’re welcome,” Gong mo smiled and opened the door to the back seat for her. Then, he went to the front passenger seat and took the child from Sheng nanxuan.

Seeing this, Yu Qingliu could only sit next to ding dang. He had wanted to let Gong mo sit in the back while he sat in the front.

Hmph, these two devilish children! He must have done it on purpose!

Hu Zi lay on Gong Mo’s shoulder and lazily greeted them.

He glared at him, “you naughty child!”

“Oh!” Although Hu Zi didn’t understand, he knew it wasn’t something good from his granduncle’s expression. He turned his head to the side angrily.

Sheng nanxuan fastened his seat belt and patted his back to comfort him. “Your granduncle is actually talking bad about you. When you can speak, ignore him!”

Yu Qingliu opened her mouth, wanting to argue with him. However, there was a little beauty sitting next to him, so he paused for a moment and gave up on such thoughts.

Although it was the little beauty who was chasing him, he still had to maintain a good image!

“Hu ‘Zi isn’t as disrespectful to his elders as you are!” He snorted.

“Don’t worry, I’ll teach him!”

pfft-” Yu Qingliu was so angry that she vomited blood. why do I have a father like you? ” It’s Hu ‘Zi’s misfortune to have a father like you!”

I made him a rich second-generation heir from the moment he was born. What misfortune could he have? ”

Chapter 609 Are you concerned about me?

“Money isn’t everything!”

...

“Oh, then give me your money!”

“On what basis? my money is for ... he wanted to say ” it’s for my future wife, ” but thinking of ding dang sitting next to him, he was afraid that she would take advantage of the situation again, so he paused and snorted. I can’t do it without money.

“PU ...” Ding dang, who was at the side, burst out laughing.

“What are you laughing at?” Yu Qingliu immediately looked at her.

“No, I didn’t!” Ding dang immediately put on a serious face and said seriously, “I just think that you two are really close!

Yu Qingliu’s face was full of disdain. who has a good relationship with him?!

Sheng nanxuan just smiled and did not say anything.

“That’s not good~you have the final say!” Ding dang said like a Lackey.

Yu Qingliu,”shua shua shua shua.”

He should not have spoken to her!

He turned his head to look out the window.

Gong mo covered his mouth and laughed secretly. Hu Zi turned his head and looked curiously at his granduncle and the person who might be his future granduncle.

“When did you two become uncle and nephew?” ding dang asked, puzzled.

“I have an older sister,” Yu Qingliu said.

“Yingluo.”

She had also heard about Yu qinghuan, so she didn’t ask much. After all, that was her family’s business, and she had no right to ask.

While they were eating, ding dang was in high spirits. Today, the four of them were sitting at the same table. Perhaps, tomorrow, she could have a meal with Yu Qingliu alone ~

Yu Qingliu saw that she was happy and couldn’t help but want to attack her. “You can’t eat this, you’re injured.”

Ding dang was stunned and looked at him. In order to leave a good impression on her idol, she obediently changed the dish.

“You can’t eat this either.”

“You can’t do this either!”

“This one too-”

Ding dang slammed the table. I can’t do this. I can’t do that. Then what can I eat? ”

“Have some plain porridge.” Yu Qingliu said coldly and lowered her head to drink her tea.

Ding dang looked at him angrily.

uncle, ” Sheng nanxuan asked, ” aren’t you afraid of retribution in the future? ”

Yu Qingliu trembled, and the tea spilled on her hand.

Of course, he understood what Sheng nanxuan meant. If he really got together with ding dang in the future, he would pay back what he had done today! Even if he wasn’t a henpecked husband, he would definitely dote on this girl who was 20 years younger than him as much as he could!

Yu Qingliu wiped away her invisible cold sweat and said to ding dang, ” “I didn’t mean to target you. Who asked you to get injured?”

Ding dang was stunned for a moment, and then suddenly became very happy. She asked shyly, ” “Are you showing concern for me?”

Yu Qingliu was silent for two seconds. Then, she stiffly turned her head and asked Sheng nanxuan, ” “Can I throw her out!”

“Alright, it should be fine if you don’t eat spicy food,” Gong mo replied with a smile.

Actually, there wasn't anything to avoid when one was demoralized, but Yu Qingliu had just said so much that it couldn't be eaten, so she didn't want to ruin it.

Ding dang immediately heaved a sigh of relief.

After all, she had graduated from the police academy and joined the criminal Police force. Although she was petite, she had a big appetite! Otherwise, how would he pass the police training program? He was usually full of energy and needed a large amount of energy! She was just like that group of men. If she didn't see flesh for a day, she would lose all her strength!

She ate happily.

you eat so much! Yu Qingliu was shocked. I'm afraid no one can afford to feed you.

Ding dang was shocked and immediately put down her chopsticks. "I can eat less of that Yingluo."

Yu Qingliu held her forehead and knocked on her bowl. "Hurry up and eat!"

Oh Yingluo! her male God told her to eat, of course she couldn't disobey!

Gong mo felt that they looked more and more like a couple. He couldn't help but ask, "Ding dang, how did you get injured?"

Chapter 610 The same as yours

"I went to the police station earlier." While eating, ding dang said, "someone broke the glass of the ice cream shop. I thought it was a simple civil dispute, but it turned out to be like a fantasy film!

...

"Fantasy?" Gong mo looked at her in confusion.

She said, "it could also be a science fiction or horror film, it's too unscientific!" That pretty sister was the only injured person at the scene. I wanted to take her to the hospital, but she ran away! I haven't even figured out the case yet, so of course I'm going to pursue it! But she was so fast! I was also a sprinter in the police station, but I was like a turtle compared to her! In the blink of an eye, she was already on the other side of the road!"

Everyone nodded and listened to her seriously.

"What happened after that was strange! I thought it would be fine for me to follow her since she had just crossed the road, but the red light turned red and I was almost hit by a big truck! In that situation, based on my 20 years of life experience, there was no way I could have escaped!"

"Then why did you run away?" Yu Qingliu hurriedly asked, her tone involuntarily revealing a trace of nervousness.

Ding dang looked at him and said, "that beautiful sister is back!" She was already on the other side of the road and had already run far away. But she suddenly came back and pushed me away!"

Sheng nanxuan was stunned and looked at her seriously.

"Are you sure you're not mistaken?" Yu Qingliu was stunned.

"I'm not mistaken." Ding dang shook his head.

"What does she look like?" Gong mo asked as he recalled something.

"Beautiful!" Ding dang said without hesitation, "it's the kind of goddess that can be seen from afar but not played with! She was wearing a red dress, looking cold, noble, and ethereal. Her eyes were especially beautiful! When she pushed me to the ground, I looked up and saw her eyes. I almost fell in love at first sight."

"How beautiful are his eyes?" Sheng nanxuan looked at her.

Ding dang looked over and was suddenly stunned. She looked straight into his eyes and said in a daze, "Same as yours, Yingluo."

Yu Qingliu felt that something was wrong and immediately shouted, "Sheng nanxuan, what are you doing?"

Sheng nanxuan turned his head. it's nothing. I just wanted to confirm.

if you're sure, then you ... Yu Qingliu was frustrated, and hurriedly asked ding dang, "are you okay?"

I'm fine. ding dang shook her head. Yingluo, where were we?"

Gong mo looked at Sheng nanxuan speechlessly. He had just hypnotized ding dang.

Not only could hypnosis erase memories, but it could also extract information? Didn't that mean that she had no secrets to hide from him?

"Where did you see her?" Sheng nanxuan asked ding dang.

Ding dang told him the address and asked in confusion, "Why are you asking this?"

Sheng nanxuan was stunned. He turned to look at Yu Qingliu and asked with his eyes, "Should she erase this part of her memory?"

"You dare!" Yu Qingliu glared at him.

"What's wrong?" ding dang was puzzled.

"It's fine. He's sick." Yu Qingliu said, "hurry up and eat. I'll send you off after you're done."

“Alright!” Ding dang was flattered and started eating happily.

.....

When Yu qinghuan returned to the hotel, Carter was not there.

She took off the clothes that had been cut by the glass and put on the red dress she had bought earlier.

She didn't care about the wounds under her clothes. They didn't hurt anyway, and her body's healing ability was stronger than the average person's. Those wounds had stopped bleeding a long time ago, so there was no need to treat them.

She lay in bed for a while. Hearing Carter's return, she opened the door and went out.

Carter, who was carrying two lunch boxes, heaved a sigh of relief when he saw her. “Where did you go? How am I supposed to find you if you're running around?”
