

Ditsy Wife 611

Chapter 611 Just like a normal person

Yu qinghuan did not say anything.

...

“Alright, let’s eat first.” Carter put the lunchbox on the coffee table.

Yu qinghuan walked over and sat opposite him.

He opened the lunchbox and handed her a pair of chopsticks. Seeing the wound on her arm, he asked in surprise, “How did you get injured?”

“She broke someone’s glass window.” Yu qinghuan picked up the lunchbox and took the initiative to grab some food before he started eating.

She didn’t use things that he had touched. Therefore, after he also picked up some food, she never touched those dishes again and only ate white rice.

“We’ll leave tonight,” Carter said.

Yu qinghuan was startled. She raised her head and looked at him calmly.

I know you’re not used to this food, ” he said with a smile. when we get to a new place, you’ll have nutrient solutions to eat.

She hadn’t eaten for at least ten years in the laboratory. The energy that his body needed was all provided by the nutrient solution.

Yu qinghuan lowered her eyes and didn’t say anything, looking at the rice in the lunchbox.

Did he think that she liked nutrient solutions?

However, she had also lost her sense of taste. To her, the delicacies outside were no different from the nutrient fluids in the laboratory.

But at least a normal meal would look good!

“I want to buy a pair of shoes.” “Red,” she said.

where is it? “Carter asked. I’ll buy it for you.

“I don’t know. But I can find it.”

The phone rang and Carter got up to answer it.

It was from the President’s House, asking him to meet the President.

After he hung up, he said to Yu qinghuan, “I’m busy, so I can’t go with you. How much are those shoes?”

Yu qinghuan gave a number that was close to 10000.

Carter didn’t feel any heartache. He had never been short of money. After coming to the capital, the presidential palace had given him a large amount of cash and forbade him from using a bank card, because it would be easy for Sheng nanxuan to find out.

He returned to his room and took out a stack of money. He handed it to Yu qinghuan and ordered, “come back immediately after you’ve bought the shoes. Don’t run around and wait for me in the hotel.

Yu qinghuan nodded.

After dinner, she wanted to leave from the window, but Carter called out, "Do not jump! What if someone saw him? Take the elevator!"

Yu qinghuan stepped back and took the elevator.

Carter and her went their separate ways after leaving the hotel. take it slow, " Carter said. just like a normal person.

Yu qinghuan nodded and slowly walked forward.

After turning the corner, she looked at the bulging purse in her hand and reached out to hail a taxi.

Half an hour later, the car stopped outside the community where Sheng nanxuan lived.

.....

Yu Qingliu took a taxi to send ding dang home, while Sheng nanxuan drove Gong mo away.

He drove the car to the pedestrian street that ding dang had mentioned. Gong mo knew that he would do this, so he wasn't surprised at all.

On the way, he would look at the surrounding buildings from time to time, trying to guess where Yu qinghuan might be staying.

When the car was near the pedestrian street, he parked the car on the side of the road and took Gong mo to the ice cream shop.

Although the store was open, there were no customers because the glass was being installed in the display window.

The afternoon sun was very strong, and the workers were covered in sweat.

“Is the quality good?” the shop owner asked with his hands on his waist.

“Definitely!” The worker said.

“Don’t lie to me! The previous one was broken upon impact!”

“That must have been an accident! There has never been such a thing!”

Sheng nanxuan walked into the shop with Gong mo and bought him two boxes of ice cream. He asked the waiter, “What’s going on?”

“Someone broke the glass in the morning.” The waiter said.

“Is it the woman in red?” He asked.

The waiter looked at him in surprise.

she’s my friend’s sister,” he said. she hasn’t returned home yet, so I’m here to help you find out.

Chapter 612 Wait for her there

“Oh, Yingluo is in red. She ran away after calling the police.”

...

“Which way did he run to?”

“That way.” The waiter pointed outside.

“Where did she come from?”

The waiter pointed in the opposite direction.

“Thank you,” he said. Sheng nanxuan turned to Gong mo and said, “I’ll go over and take a look. Wait for me here.

“Ah?” Gong mo didn’t expect him to make such an arrangement. He wanted to go with him. I ...

“It’s sunny outside.” He pressed her down. be good ~”

He lowered his head and wanted to kiss her, but when he saw the waiter looking at him, he had no choice but to kiss the child on the face.

The child had already fallen asleep. Gong mo sat down with him in his arms.

Sheng nanxuan walked out of the ice cream shop and looked around as he walked along the pedestrian street. What would she see and think when she passed by here?

As he walked past the shoe store, he suddenly froze and turned back to look at the shoes in the display window.

It was red.

Her clothes were also red.

Sheng nanxuan walked in without thinking.

The shop assistant's eyes lit up and she immediately walked over."Hello, Sir. Do you want to buy shoes for someone?"

The shop assistant asked as he couldn't wear female shoes here.

Sheng nanxuan laughed. I heard that you can't give your lover shoes. You will run away.

"You can even send your relatives off!" The shop assistant smiled.

Sheng nanxuan turned to look at The Red Shoes in the window and said, "I want to ask you something. Was there a woman in a red dress who came here this morning? She's very pretty, her hair is very long, she's about this tall, and her eyes are big and round."

"There are!" Before he could finish, the shop assistant replied, " she was here! I think she broke the ice cream shop's glass there!"

"It's her!" Sheng nanxuan heaved a sigh of relief. she bought something? "

No. the shop assistant shook her head. she took a fancy to that pair of shoes, but she didn't bring any money.

Sheng nanxuan walked over and the shop assistant ran in front of him to bring the shoes over.

He took it and saw that it was made of soft leather. It should be very comfortable to wear.

The shop assistant saw him in a daze and asked tentatively, "Do you want to wrap it up?"

His phone suddenly rang. He returned the shoes to the shop assistant and turned to answer the phone.

It was Yu Qingliu. He had just sent ding dang off and knew that Sheng nanxuan would come to ask about Yu qinghuan. He called immediately."How's the situation?"

Sheng nanxuan looked at the shoes in the shop assistant's hand. "She wants to buy a pair of shoes."

Yu Qingliu was taken aback, and after a long time, she replied with an "Oh."

"I want to buy it, but I don't know how to give it to her." Sheng nanxuan sighed.

"Leave it there. What if she can't buy it when she goes back?"

"Yes." Sheng nanxuan hung up the phone and took out his wallet to take out his card.

The shop assistant was overjoyed and immediately helped him wrap it up.

"No need! Put it there! Put it back!" Sheng nanxuan pointed at the display window. "I'll buy this pair of shoes, but I'm not taking them with me. You can't sell it to anyone else, except for the one who tried on the shoes in the morning. If she comes back, sell it to her. If she doesn't come back, then leave the shoes there to wait for her."

"Yingluo." The shop assistant put the shoes back in confusion and thought, "Rich people were really strange!"

yes. Sheng nanxuan signed the bill and asked, "if she comes back, can you call me to tell me?"

"Uh, Yingluo shouldn't be. What's your relationship?"

No one would believe her if she said she was her mother, right? She was so young.

"If you can't, then forget it," Sheng nanxuan said.

“Uh, Yingluo, why don’t you give me your number?” The shop assistant was a little embarrassed. After all, she had spent a few thousand Yuan for nothing, so she felt bad being unreasonable.

Chapter 613 Not leaving any traces

Sheng nanxuan held his pen and hesitated for a moment before giving up.

...

Of course, he couldn’t just leave his phone number. Otherwise, it would be a big deal if he received advertisements every day in the future.

“No need. If she comes back, you don’t have to tell her this. Thank you.” Sheng nanxuan kept his wallet and left the shoe store.

As he returned to the ice cream shop, he called Fang Yang and asked him to send someone to monitor Yu qinghuan. It would be best if they could follow her to where she lived.

He looked around and realized that there were surveillance cameras along the way. But he couldn’t go through the relevant departments now, because Huo Cheng was monitoring his every move and would definitely inform the relevant departments to stop him from investigating.

Unless he hacked into the city’s surveillance system.

Oh, let’s do that. I’ll go home and check it out.

When he walked into the ice cream shop, he saw that Gong mo had finished half of a big ice cream. He couldn’t help but scold him, “What if you have diarrhea after eating so much?”

“You were the one who bought it for me,” Gong mo said innocently.

Sheng nanxuan was speechless. He sat down beside her and took the child over. "Aren't there two sets? What about the other one?"

"I asked them to help me keep it in ice. I'll take it with me when I leave."

"We're going home to eat?" He asked in a low voice, "aren't you afraid of getting fat?"

"I didn't eat it when I was pregnant, so I wanted to make up for it." Gong mo felt wronged.

Because I'm pregnant, I've missed so much good food, Yingluo.

Sheng nanxuan could not help but scratch her nose.

Gong mo laughed and leaned on the table with his arms crossed. He pushed the half of the food to him and said, "Do you want to deal with it?"

"You're sleepy?"

"A little awkward."

"Then we'll go home after I finish here?"

Gong mo nodded.

.....

In the study, Yu qinghuan quickly rummaged through the things and then quickly put them back to their original positions. There was no trace of them being touched.

After searching through most of the study, she found a passport in the drawer.

She flipped it open and saw Sheng nanxuan's photo. Her expression finally relaxed.

She looked at the name next to it-Sheng nanxuan. She felt as if her eyes were being stung.

She immediately covered the word 'Sheng' with her thumb and stared at the two words 'nanxuan'.

So he's called 'nanxuan', Yingluo.

"Sir, Madam, you're back?" The servant's voice was heard.

"Yes, I am. Help me put the ice cream in the refrigerator."

Yu qinghuan immediately placed the passport back in its original position and gently closed the drawer. She nimbly ran to the window, opened it, and jumped out.

Sheng nanxuan and Gong mo entered the nursery and placed Hu Zi in the pram.

"Alright, let's go to sleep." Sheng nanxuan said.

"I'll have to trouble you," Gong mo said to the nanny. The confinement lady was in charge of the rest.

"I should." The confinement lady smiled and said that it was her job.

Gong mo and Sheng nanxuan left the nursery. Sheng nanxuan said, "I'll go to the study."

"Aren't you going to rest?"

"There's something I need to deal with." He rubbed her shoulders. go to sleep. I'm not tired.

After sending her back to the bedroom, he turned around and went to the study. After entering, he went straight to the desk and turned on the computer.

Gradually, he felt that there was something strange in the air. He raised his head to look around, but he didn't find anything wrong.

He frowned, thinking that he was overthinking.

.....

In the baby's room, the nanny looked at the baby and turned to go to the bathroom.

As soon as she left, Yu qinghuan stuck her head out of the window.

Yu qinghuan leaned against the glass and looked at the baby in the crib. From her position, she could only see half of the baby's face. The other half was blocked by the bed.

She reached out and gently pushed the window, but it didn't open. She immediately retracted her hand, afraid that she would accidentally break the glass.

Chapter 614 It's only right that you can't catch up

She turned around and disappeared from the window. Soon, she reappeared on the balcony of the kitchen.

...

The servant was resting in the room, and the nanny was in the bathroom. She pushed open the door of the nursery room and walked in as if no one was there.

Like a gust of wind, she quietly walked to the baby's bed and lowered her head to gently stroke the baby's face.

A strand of hair fell from her shoulder and landed on the baby's face.

The baby turned his head uncomfortably and pursed his lips in satisfaction, as if he had had a beautiful dream.

Yu qinghuan chuckled and brushed her hair aside.

The baby suddenly kicked his legs and opened his eyes to look at her.

She slid her index finger across his forehead, and he grinned. "Haha!"

Yu qinghuan's eyes were gentle. Her fingers slid across his face and saw the jade pendant on his neck.

She picked up the jade pendant and seemed to have thought of something.

"If you're going out, wear this Jade. It'll keep you safe," her mother said.

"That's all superstition! What if such an expensive thing was lost outside? Keep it for me, I'll wear it when I come back!"

"You won't wear it even if you come back! I've bought you so many necklaces, but I've never seen you wear them!"

"I don't like to wear things around my neck. It's heavy!"

"Then leave it to your child in the future!"

Yueyue, I don't even have a boyfriend!

"There will be in the future."

Yu qinghuan clutched the jade pendant, and her mother's smile flashed across her mind. She was in a daze.

Yiyayaya! Hu Zi greeted her as he crossed his legs.

She came back to her senses and stuffed the jade pendant into his hand.

He was stunned. He loosened his legs and held the jade pendant.

Yu qinghuan touched his forehead. When she heard footsteps, she immediately got up and walked out of the room.

Just as she disappeared from the door, Auntie Yue walked over.

The confinement lady was stunned. I think I saw a red shadow just now.

She walked over to take a look, but there was nothing. She couldn't help but shake her head. I'm really getting old, my eyes are dazzled.

She walked into the nursery and couldn't help but smile when she saw that the child was awake. "Why did you wake up?"

The child held the jade pendant and waved it around.

The confinement lady sighed and thought, "rich people are really different, even the things they give their children are so good."

.....

When Yu qinghuan returned to the shoe store, the staff saw her and secretly heaved a sigh of relief. It's good that she's back. Otherwise, they would be in charge of looking after the shoes until she appeared, and it would be very stressful.

"Do you want the pair of shoes from this morning?" The shop assistant asked, her voice revealing a trace of nervousness, afraid that she had forgotten to bring money again. If that's the case, it'd be strange to give it away directly.

Yu qinghuan nodded and took out the money, " "There's no need to look."

"Alright!"

The shop assistant handed her the shoes and she changed into them on the spot. The shop assistant had no choice but to wrap her old shoes up. She took the bag and said politely, " "Thank you," he said.

She walked out of the door and threw her old shoes into the trash can by the roadside.

After a while, she realized that someone was following her. She turned around and felt that someone's breathing had stopped.

She didn't investigate who those people were and quickly ran away. Her red skirt fluttered, revealing a section of her white calves.

The people who were following her immediately caught up with her, and soon she was gone.

.....

sorry, BOSS, " Fang Yang said in a muffled voice. we saw her, but we lost her by accident.

"It's fine." Sheng nanxuan knew that this would happen. you've seen her abilities. It's only natural that you can't catch up to her.

"Yingluo, yes." Fang Yang was still depressed. He felt that he was not doing his job well. He had already screwed up several things in a row.

Sheng nanxuan hung up the phone and looked at the surveillance video on his computer.

Chapter 615 She was here?

According to ding dang's description, he looked for the surveillance camera on the pedestrian crossing and saw Yu qinghuan pouncing on her.

...

After that, he had been following Yu qinghuan's trail. However, she disappeared very quickly. Sometimes, she was so fast that even the surveillance cameras couldn't capture her. It was more troublesome to use the surveillance cameras to find out where she went.

Sheng nanxuan could only start his search from the spot where she had disappeared. Finally, he saw her get into the taxi.

He kept looking for the camera when the taxi appeared and finally saw her get out.

He looked at the road section and realized that it was actually below him!

Sheng nanxuan was shocked and looked into the room.

He recalled the strange feeling he had when he entered the room. Could it be that Qingqing had been here?

Sheng nanxuan got up and walked quickly to the window. He found that the window was closed, but not closed.

He pushed the window open and looked down.

It was a hot summer day, and there was no one in the garden. A wave of heat hit them in the face.

He looked at it for a while, then closed the window and turned to go to the bedroom.

Gong mo, who was lying on the bed, opened his eyes and asked in confusion, "What's wrong?"

"I'm fine. You can continue sleeping." Sheng nanxuan looked around, then went to the bathroom and cloakroom to check.

Gong mo sat up and looked at him in confusion, "What are you doing?"

Sheng nanxuan paused. He walked over, cupped her face, and kissed her. He smiled. I felt like I lost something. So it's because I forgot to kiss you.

Gong mo blushed and pushed him away. "Stop interrupting!"

He rubbed her head. Knowing that he couldn't fool her, he turned around and went to the baby's room.

The child had just woken up and played for a while, and now he was going to sleep again. Auntie Yue was reading a book at the side. When she saw Sheng nanxuan, she immediately stood up.

"I'm fine," Sheng nanxuan said softly. Then, he walked to the window and checked it.

The nanny looked at him in confusion. He said, "You have to close the windows properly in the future."

“Yingluo is.”

It was impossible for thieves to come to such a high place. However, whatever the employer said was right.

Sheng nanxuan walked out of the room and found Gong mo standing outside. “You’re not sleeping anymore?” he asked, puzzled.

“I can’t sleep. What are you doing?” Gong mo asked in a low voice.

Sheng nanxuan checked the other parts of her body and said, “I think mom has been here before.”

“Your mother or my mother?” Gong mo was stunned.

“It’s me,” he said.

“How could this be?” Gong Mo’s eyes widened.

“I have this feeling.”

then let her come. She won’t hurt us. Gong mo looked around and felt goosebumps rising on his back.

However, it was a little scary to appear and disappear out of thin air.

What if she came back again after they fell asleep and stood at the head of the bed to watch them?

“What is she doing here?” Gong mo shivered.

“I don’t know,” Sheng nanxuan did not expect that she was here to find his name.

When he was in the laboratory, he didn’t have his own name, only a code name. It was not until the laboratory exploded and the Sheng family adopted him that he was given a name.

Yu qinghuan had left the laboratory not long after he was born, so she didn’t know his name.

“She probably wants to see you.” Gong mo said.

Sheng nanxuan was silent for a while and then nodded.

The feeling of being remembered by someone was very good.

No matter what she was here for, at least it proved that he was in her heart, right?

Sheng nanxuan had thought that she would appear again and that they would meet again sooner or later. He even planned to go to the pedestrian street tomorrow. Maybe she would go there for a stroll.

The result:

Of course, she and Carter left the capital in the evening.

Chapter 616 Burial of ashes

Sheng nanxuan only found out about this a few days later and immediately told Yu Qingliu.

...

Yu Qingliu was puzzled, ‘why did she leave with Carter? Why didn’t you come to us?’”

maybe she has her own plans, Yingluo. Sheng nanxuan frowned. In fact, he was very worried about whether Yu qinghuan still had her own thoughts.

There should be!

She had killed Sheng Zhongtian and Liu Xuelan, let him go, and went to his house. These were all the manifestations of her thoughts. Or perhaps, it was her feelings?

But other than that, could she still think?

For example, if Carter ordered her to kill, would she execute the order directly or would she think about whether the person she killed should die?

Carter came to the capital and left. Did Huo Cheng ask him to do that? ” Yu Qingliu asked.

“I don’t think so. Huo Cheng couldn’t have called him to the capital. What if someone saw him? He must have come on his own, probably to threaten Huo Cheng or to ask Huo Cheng for help. They must have come to an agreement, so they left. I think he will continue to do those experiments.”

“How can that be?” Yu Qingliu gritted her teeth.

Huo Cheng is the president. No one in China has the right to order him not to do this, and no one can overstep his authority to investigate the SSC. We can only let them be free for a while.

.....

In September, the autumn air was cool and refreshing. The day of Gong hang’s burial was approaching.

When the Yu family and the Wu family heard about this, they also prepared to pay their respects.

However, this was different from an ordinary funeral. The family members would definitely be very sad at a normal funeral. But now, Gong mo and dan Rong were very calm. After all, Gong hang had not died just now. (What everyone doesn't know is that Gong hang's body is dead, but his "soul" is still alive.)

On the other hand, the Yu family and the Wu family had just become relatives with them, and many people were not familiar with each other. It would not be good to make it too Grand. In the end, the Yu family sent Yu Qingliu and Yu Xinran over, while the Wu family sent Wu Di over.

Everyone set off together in Sheng nanxuan's private plane.

On the morning of their departure, Gong mo, Sheng nanxuan, Shan Rong, and Gambino went to Pushan temple to collect the ashes.

Everyone's mood was still a little heavy, especially Gambino. Even if he did it a hundred times, he would still be conflicted.

When they arrived at Pushan temple, the abbot held a simple ceremony and handed the bone ash box to dan Rong.

There were sounds of chanting around them. Shan Rong bowed in thanks."Many thanks."

Amitabha! the abbot chanted the name of Buddha.

Shan Rong and the rest turned to leave.

Gambino looked at the box in her hands, feeling uneasy.

He was clearly still alive, yet he was dead. He didn't know if he was Dead or Alive, so he tried not to think about it.

At lunchtime, Gong Bai came over. He had just applied for leave from the company and would be returning to Nanjiang with them.

He was now working at Sheng nanxuan's company, so it was easy for him to take leave.

After lunch, they went to the airport. Yu Qingliu, Yu Xinran, and Wu Di had already arrived. Everyone greeted each other and boarded the plane.

After getting online, Wu Di looked around and said to Sheng nanxuan, "Tycoon, you really know how to play! When I thought you were poor, you were already playing with planes!"

Even the Yu family didn't have a private jet. Although they could afford it, it was troublesome to raise it. If he stopped at the airport when he wasn't flying, the parking fee alone would be a huge sum. It would be better to book a plane.

Yu Xinran was chatting with Gong Bai. Gong Bai asked in a low voice, "Do you want to drop by my house?"

"What should I do if uncle and aunty don't like me?" Yu Xinran asked anxiously.

"You're so pretty, anyone who sees you will like you."

Chapter 617 You're lucky

"You don't have the final say!" Yu Xinran blushed.

...

"Then who has the final say?" He asked in a low voice.

Yu Xinran said, "you haven't met my family yet, Yingluo."

Gong Bai glanced at Yu Qingliu beside him and said, "I've seen little uncle. You don't have to do this on purpose. After all, we haven't been together for long--"

Yu Xinran immediately looked at him. that's true, but I've already gone to Nanjiang. Furthermore, uncle and Auntie will definitely appear at the funeral. I can't pretend that I don't know them, right? "

"So you agree?" Gong Bai asked with a smile.

Yu Xinran rolled her eyes at him and said,"what can I do if I don't agree?" I'm not such an impolite person, Yingying."

"After we're done, I'll bring you around," Shan Rong said to Gambino.

Gambino nodded, understanding that she wanted to accompany him to reminisce about the past.

While they were chatting, their subordinates were also chatting on the other side.

"Why is BOSS going?" Jason asked.

he likes Ms. Dan, " primogenitor said. he has to show his love.

"But this is the burial of Madam Dan's husband!"

Primogenitor paused for a moment. then all the more reason he should go. You can leave in peace, I'll take your place!"

Jason,"wuwuwuwuwu."

that bi an! Fang Yang's voice came from behind them.

The two of them turned around.

"I heard it all," Fang Yang said, looking conflicted.

Primogenitor paused for a moment and said to Jason in Italian, "It seems that Ms. Dan will really become our mistress."

"Boss is too attentive." Jason also spoke Italian. I'm a little worried. At this rate, he won't give the entire family to Ms. Dan this afternoon, will he?"

"And then Madam dan will give it to her son-in-law?"

"Then we'll become Sheng nanxuan's men in the future!"

"I heard it!" Fang Yang replied.

I thought you didn't understand Italy?! Jason asked angrily in Chinese.

"But my BOSS's name has the same pronunciation!"

Jason looked at primogenitor speechlessly. no wonder he didn't say Sheng nanxuan's name directly. Instead, he referred to him as 'her son-in-law'.

Jason suddenly began to doubt his intelligence!

A hint of a smile flashed in primogenitor's eyes as he reached out and patted his shoulder.

"Why have you been patting me on the shoulder recently?" Jason was displeased.

Primogenitor's hand paused, and he withdrew it expressionlessly.

Fang Yang felt like he could not interrupt their conversation.

.....

When they arrived in Nanjiang, everyone went to the hotel first.

The hotel was not far from the gong family's house. After they settled down, Sheng nanxuan sent someone to the gong family to pack up.

Gong mo and Shan Rong wanted to go back home and their ashes would be buried at home.

"When are you going back?" Shan Rong asked Gong Bai.

"Now, let them know." Gong Bai looked at Yu Xinran and asked, "are you coming with me?"

Yu Qingliu and Wu Di immediately looked over.

Yu Xinran was shocked and didn't dare to look at them. He nodded at Gong Bai and said, "Alright," he said.

Gong Bai smiled happily.

"Wait a moment!" are you going to meet your parents? " Yu Qingliu called out.

Yu Xinran's face turned red. She lowered her head and said softly, "Since you're already here, you should at least go and say hello."

Yu Qingliu glared at Gong Bai."You're lucky!"

“I’ll take good care of Xinran,” Gong Bai touched his nose and said.

“Get lost! Who needs your guarantee? You’re not qualified enough!”

“Third uncle!” Yu Xinran shouted in dissatisfaction.

“You’re still feeling heartache, right?” Yu Qingliu was frustrated. The two of them were free to love each other, so he couldn’t say anything. He waved his hand and said, ” “Get lost, get lost, get lost, get lost!”

“Aiya!” Yu Xinran stomped her feet in dissatisfaction and said to Gong Bai, ” don’t bother about him. He’s going through menopause.

“Hey!” Yu Qingliu jumped up. what did you say? You ungrateful little girl! Have you forgotten that I used to clean up your sh * t and pee when you were young?”

Chapter 618 Could it be that you’re moved?

who ... Who asked you to do that?! when I was born, you were studying abroad, okay? ” Yu Xinran couldn’t bring herself to say it.

...

“It’s not like I’m overseas every day. I’ve hugged you before when I come home during the holidays.”

“You only hugged her, why did you make it sound so bad?”

“How is it unpleasant? Isn’t it a baby’s need to pee and poop?” Yu Qingliu looked at Hu Zi. Hu Zi, don’t you agree? ”

Hu Zi turned his head away and ignored him, feeling that he was talking bad about him again!

"I'm not talking to you anymore!" Yu Xinran pulled Gong Bai away angrily.

Yu Qingliu tutted and said gloomily, "When girls grow up, they side with outsiders. When I was young, I used to say 'little uncle is so handsome', but now I'm just having menopause, Yingluo!"

"Who asked you to be so annoying." Sheng nanxuan said.

Yu Qingliu glared at him, "even you are criticizing me?."

"Why can't I talk about you? I think you're just too free, hurry up and find a wife."

Yu Qingliu was stunned. She thought of the lively and cute ding dang and coughed awkwardly.

Eh? Wait a minute! How did he change his evaluation of her to lively and cute?

Yu Qingliu cursed in her heart, 'could it be that I'm moved by her?'

He didn't want that Yueyue. The age difference between the two of them was so big that it didn't seem very suitable. However, he didn't reject this change at all.

Yu Qingliu sighed in her heart. Suddenly, she felt that someone was looking at her. She looked over and met Wu Di's eyes.

Wu Di turned her head away uncomfortably, her fingers tapping back and forth on her knee.

Yu Qingliu immediately wilted. He would be beaten to death by the elders of the two families if he snatched a woman from his cousin and nephew, right? But ding dang liked him, and he didn't take the initiative to snatch her, so it should be fine, right?

Sigh, let's just take it one step at a time, Yingluo.

Wu Di thought, "could it be that little uncle is already together with ding dang?" She heard from Auntie ding that her little uncle had sent ding dang home.

Wu Di was depressed, "why does ding dang like uncle?" He had been eliminated due to his age and had no chance of making a comeback at all!

.....

Yu Xinran prepared gifts for Gong Bai's family. Gong Bai took a look at them and found that they were not rude or too Grand.

But that was only for Yu Xinran.

The difference between the gong family and the Yu family was too great. These things were ordinary in the eyes of the Yu family, but they were too precious in the eyes of the gong family.

Gong Bai was afraid that his parents' wealth was not good, and he was also afraid that Gong ze would see that Yu Xinran was from an extraordinary family. If that was the case, who knew what kind of trouble Gong Fei would cause?

Gong Bai hoped that his family could leave a good impression on Yu Xinran, even though this impression would not last long and they would reveal their true colors sooner or later. However, it was Yu Xinran's first time going there, so he hoped that she would be happy.

"Why didn't you tell me?" he asked.

"Isn't this what I should do?" Yu Xinran asked weakly.

Sometimes, she was afraid that her family's wealth would hurt Gong Bai's self-esteem, so she tried to buy gifts that were ordinary. But she didn't dare to be too ordinary, afraid that he would think she was looking down on him.

"I mean, I'm ready." Gong Bai smiled. If you had told me, it wouldn't have been so troublesome."

"Ah?" Yu Xinran was stunned. you prepared it? "

"Of course. How can I trouble you? Why don't we do it this way? you can take the one I prepared this time, and you can keep yours for the next time."

Yu Xinran's face turned red,"alright, Yingluo."

"We haven't even started this time and you're already thinking of next time?"

Chapter 619 Meeting the parents

"There'll definitely be a next time," Gong Bai said with a smile.

...

Yu Xinran looked at the gift he had prepared. Although it was exquisite, it was very ordinary. One look and one could tell that it wasn't expensive.

She estimated that this was a price that the gong family could accept. The things that he had prepared were indeed a little abrupt.

She didn't say anything and just followed Gong Bai's arrangement.

The two of them arrived at Gong Bai's house with their gifts.

Gong Bai opened the door with the key and said to Yu Xinran, "Come in,"

Yu Xinran smiled and walked in nervously.

Gong Bai's house was an ordinary house with three bedrooms and two living rooms, which was not spacious. Moreover, there was a lot of furniture, making it seem very crowded. Fortunately, it was neatly arranged and looked quite comfortable.

Gong Bai heard noises coming from inside the house and knew that his mother, Hu Yinghong, was there. He said to Yu Xinran, "Have a seat first, I'll go get my mom."

Yu Xinran nodded and sat down on the sofa, carefully looking around.

She pressed her hands on the sofa and accidentally touched something. She looked down and saw a dark-colored cloth between the sofa cushion.

She raised her head and looked in the direction where Gong Bai had left. When she saw no movement, she reached out her hand and pulled out the piece of cloth. It was a sock.

"Why did you suddenly come back? You didn't even say hello?" A middle-aged woman's voice was heard.

Yu Xinran immediately stuffed the socks back into her mouth and sat down obediently.

"I've brought a friend to show you." Gong Bai said.

"Your girlfriend?" Hu Yinghong immediately asked upon hearing this.

"Yup ~"

“Wait a moment!” Hu Yinghong called out.

Yu Xinran peeked in that direction. He clearly saw a leg wearing blue sandals and green pants appear and then suddenly disappear. What followed was the sound of rapid and messy footsteps leaving.

Gong Bai walked out and smiled at him gloomily.

“Wait a moment,” he said awkwardly.

Yu Xinran nodded.

Gong Bai poured her a glass of warm water. After waiting for a few minutes, Hu Yinghong finally arrived.

Yu Xinran hurriedly got up and realized that Hu Yinghong had changed her clothes-her shoes were still the same pair of sandals, but her clothes were a dark red dress.

“Mom,” she said. this is Xinran, ” Gong Bai introduced her hurriedly.

“Auntie.” Yu Xinran shouted shyly.

“Aiya, it’s so beautiful!” Hu Yinghong immediately pulled her over. quick, sit down! Quickly sit down! How old are you this year? Where do you work?”

Yu Xinran was stunned. She didn’t expect her to ask these questions as soon as she arrived. She answered graciously, ” 26. I’m an editor at a magazine agency.

Hu Yinghong was stunned for a moment. She thought to herself, he’s a little old. In an instant, her smile turned fake and she asked again, ” “How’s the salary?”

mom ... Gong Bai interrupted her, ” Xinran just arrived. Don’t scare her.

“Oh Yingluo, right!” Hu Yinghong hurriedly said. She smiled and sized up Yu Xinran, judging in her heart-

She was too beautiful, which was a problem. She would become arrogant easily, and Gong Bai might not be able to control her. She was a little thin and probably not easy to give birth to. However, judging from the way she dressed and her temperament, her family should be quite well-off! If she had a few houses and her salary was high, she could consider it. However, the premise was that they had to have a son after marriage!

“This is a gift from Xinran.” Gong Bai took out the gift he had prepared.

“Is that so?” Hu Yinghong laughed. it’s fine if you’re here. Why did you bring something along? ”

“I should.” Yu Xinran took the gifts and explained, ” this is for Auntie, this is for uncle, and this is for sister.

“Alright!” Hu Yinghong was still rather polite, and she didn’t open it on the spot. However, she was quite satisfied with the packaging.

Chapter 620 I’m your mother, what’s wrong with talking about her?

“What has flare been busy with recently?” Gong Bai asked.

...

she’s Wanwan! Hu Yinghong put the gift aside and said happily, ” she recently took on a role as the second female lead in a drama! She wanted to go to the capital to look for you during the holidays, but she didn’t go because she took on this drama.”

Gong Bai nodded and thought, ”fortunately, they didn’t come!” Otherwise, his relationship would be ruined by her before it even stabilized!

“I’ll give your dad a call and tell him to come back early!” Hu Yinghong glanced at Yu Xinran, then got up and went back to her room.

Gong Bai picked up the gift and said to Yu Xinran, “My parents are not very worldly, so they might be a little rude sometimes. Please bear with them.”

Yu Xinran looked at him gently. it’s alright. They’re your family!

Gong Bai held her hand gratefully and squeezed it gently.

Hu Yinghong returned from her phone call and said, “Flare won’t be back at night. Do you want Xinran to sleep with you or Fei Yan?”

uh, hehe,” Gong Bai said awkwardly.

Yu Xinran’s face turned red and she quickly lowered her head.

“Xinran is staying in a hotel tonight,” Gong Bai said.

Hu Ying’s blushed face changed,”how can we stay in a hotel?” It’s so expensive!”

“Xuxu’s second aunt and Momo are back.”

“Why are they back?” Hu Yinghong asked coldly.

Yu Xinran’s eyes turned, and she lowered her head to listen.

It seems that Gong mo and Gong Bai’s family don’t have a good relationship.

“Do you know what happened at shengshi medical company?” Gong Bai asked.

“Why are you bringing up such a horrifying thing?” Hu Yinghong frowned.

“Second uncle’s corpse is inside.”

“What?” Hu Yinghong was taken aback.

“Second aunt and Momo came back this time to place second uncle’s ashes. Xinran and Momo are friends too, so she came back with me to attend the funeral.”

Hu Yinghong’s expression changed. She looked at Yu Xinran and suddenly stood up.

“Mom?” Gong Bai looked at her in confusion.

She turned around and went back to her room.

“I’ll go and take a look,” Gong Bai said to Yu Xinran.

Yu Xinran nodded, her mind turning.

When Gong Bai walked into the room, Hu Yinghong trembled with anger. She scolded him in a low voice,
” “So she just came here on the way? You dare to take Gong Mo’s friend? I don’t want to! When the time comes, you two will side with the outsiders, and I’ll go beg for food!”

“What are you talking about?” Gong Bai frowned. it’s Xinran’s first time here. Can you be more reasonable? ”

“Why should I be reasonable with her? I’m your mother! If she’s going to marry me, she’ll have to listen to me!”

Gong Bai couldn't help but sneer. don't think so far ahead. She might not like me!

What was Yu Xinran's identity? Not to mention marrying him, even if she married a rich young master, no one would dare to order her around!

"I don't even like her!" Hu Yinghong said, " with her Fox-like appearance, who knows how she'll hook up with other people? "

"Mom!" Gong Bai shouted angrily, " she's my girlfriend. You can't talk about her like that.

Hu Yinghong was taken aback. She knew that this wasn't right. But she was his mother, how could she admit her mistake?

"I'm your mother. Tell me, what's wrong with her?" she sneered.

Gong Bai took a deep breath. He didn't want to argue with her. Could it be that just because she was his mother, she could hurt him without limit?

second aunt said that she'll treat us to dinner tonight. You should think about it yourself. Gong Bai turned around tiredly. I'll send Xinran to the hotel first.

you ... Hu Yinghong was furious.

Gong Bai returned to the living room and read the newspaper on the table with his head lowered. When she heard him come out, she looked up and smiled like a flower.
