

Ditsy Wife 621

Chapter 621 Will not give up

Gong Bai felt a sharp pain in his heart. He knew that she had heard everything Hu Yinghong had said.

...

He had clearly said that he would let her come here happily, but in the end,

“I’ll send you back to the hotel first.” He walked over and held her hand.

“Hello, Yueyue.” Yu Xinran said in a low voice.

Gong Bai pulled her to the door, and Hu Yinghong walked out. “Tell Gong mo and the rest that if they want to treat us to a meal, they can do it themselves! What’s the point of letting you pass on the message?”

The two of them turned back to look at her, and she glanced at Yu Xinran coldly.

“I’m fine.” I’ll go alone if you don’t,” Gong Bai said. it’ll be the same for the funeral.

Hu Yinghong took a deep breath. Naturally, they couldn’t be absent from the funeral. Otherwise, wouldn’t the public know that they had bullied the widow and her child?

Gong Bai pulled Yu Xinran out of the gate. He walked quickly and stopped on the road.

Yu Xinran stood beside him quietly.

He turned around to look at her and said guiltily, “I’m sorry, Yingluo.”

“Why are you saying this?” Yu Xinran smiled.

I'm sorry, Zhenzhen. Gong Bai hugged her and said sadly, " I wanted you to come here happily, but Zhenzhen ...

Yu Xinran slowly raised her hand and wrapped it around his waist. "I'm fine," she said.

Gong Bai hugged her tightly. When he was about to let go, a voice suddenly came from the side, " Gong Bai?"

Gong Bai was stunned. He immediately let go of Yu Xinran and turned around to see uncle Gong standing in the middle of the road.

Uncle Gong was carrying a briefcase. He had obviously just returned from outside.

Yu Xinran was a little embarrassed. She hid behind Gong Bai and lowered her head.

Uncle Gong glanced at her and asked Gong Bai, " Your mom said you brought your girlfriend back?"

"Yes, Zhenzhen, this is my heart." Gong Bai, who was no longer as passionate as before, introduced them indifferently.

"Where are you guys going?" uncle Gong nodded.

"I have something to do," Gong Bai said after a pause. Hu Yinghong would tell him what exactly had happened.

"Then I'll go back first. you guys ... aunt Gong paused. don't hug each other in the street.

He sighed and walked into the neighborhood, thinking, " Girls from big cities were so casual! Although she was beautiful, beautiful women were restless. What if she made Gong Bai a cuckold?

Yu Xinran pursed her lips, as if she had seen through his thoughts.

She began to doubt her own decision. Was it really impossible for them to be together just because they were not of the right family background?

She really loved Gong Bai, but if she got married in the future, it would be very painful for her to face such a family. No matter how much love there is, it will all be worn away.

Gong Bai took her hand and hailed a taxi to take her back to the hotel.

When she walked into the hotel room, the gifts that she had carefully selected were still on the coffee table.

She thought that if she brought up this present, Hu Yinghong wouldn't be so fierce, right?

She sat down slowly. Gong Bai suddenly knelt down on one knee in front of her and hugged her tightly.

"Gong Bai?" she was shocked.

"I'm sorry, ran ran," Gong Bai said in a muffled voice, "I didn't handle it well.

Yu Xinran paused, "I'm, I'm fine." Every family has its own problems."

"Yingluo?" he was stunned and said in a self-deprecating manner, "that's how my parents treat Yingluo. It's good for you to know earlier. I originally wanted you to go and return happily, but Yingluo, I was lying to myself."

Yu Xinran bit her lip and supported him. "I won't give up on you."

"I won't give up on you either," Gong Bai hugged her tightly after hearing that.

Chapter 622 Don't miss her when you see her

Yu Xinran leaned on him, and the two of them were quiet for a while. She asked, "Then, are uncle and Auntie Yingluo really not going to have dinner together tonight?"

...

"I don't know about Yingluo." He let go of her and said, "I'll give third uncle and aunt a call and let them know."

Yu Xinran opened her mouth and wanted to ask Gong mo if he didn't get along well with them in the past. However, Gong mo and Shan Rong were a widow and an orphan. They couldn't possibly be the ones bullying others, right? Besides, she had interacted with them before and knew that they were good people. It must be because of other people.

Yu Xinran suddenly felt depressed. When she saw that Gong mo and dan Rong were so close, she thought that the other members of the gong family would also get along well with them.

This was probably the setback in her love life. Nothing was always smooth sailing. There was no third party between her and Gong Bai, so it was only natural that she would cause more trouble in other places.

.....

After Gong Mo's house was tidied up, she immediately went back with Shan Rong, Sheng nanxuan, and Gambino with the ashes.

After they entered, Shan Rong said to Gambino, "I couldn't bear to sell this house in the past, and I always wanted you to come back. In the future, you can sell it. You are still here, so you don't need to think of people when you see it."

Gambino looked at her gently.

“Where should I put it?” she asked, raising the ashes in her hand.

“Yingluo, whatever.”

“Your ash, you choose a suitable place for yourself. Is it on the table or the cabinet?”

No. Gambino held his forehead. throw it on the balcony. It didn't matter if it was just a stinky skin.

Shan Rong rolled her eyes at him and placed the plate on the dining table.

Gambino looked at the decorations in the room. Everything was not how it was when he left. However, the general arrangement was similar, and a shadow of the past could be seen.

Shan Rong smiled and said, “we've exchanged most of the items.” In the beginning, he was reluctant to change anything, but gradually, he broke it and could only change it. Oh, the bookshelves were still there. Your study room has been changed into Momo's room. The bookshelf is there, and the books are also there. I've kept all of them for you. Only Gong Bai has borrowed them to read before. He's very careful, he returned it all and didn't break it. ”

oh, oh, oh. Gambino's heart was stifled. He opened the door and walked in.

There was a wooden model of a ship on the bookshelf. He reached out to take it and handed it to dan Rong.

Shan Rong laughed, “the Kasaya you made for me.”

“I said I'd take you on a big tanker.” Gambino said with nostalgia.

Shan Rong scoffed and put the model back. “You brought it! They tied me up!”

“That’s not me.” Gambino paused. She was talking about what Gambino’s real body had done some time ago.

“Alright, it wasn’t you.” Dan Rong picked up a book from the shelf. it’s new. I’ve placed a set in the Cenotaph.”

“I’ve seen it.” Gambino said, “ you’re so thoughtful.

“What does it have to do with me? It’s Momo and nanxuan who are thoughtful.”

Gambino then looked at Gong mo and Sheng nanxuan.

Gong mo could not help but chuckle. you can chat with mom. I’ll go outside with nanxuan.

The two of them carried the child out and closed the door.

“What door?” Shan Rong couldn’t help but ask. He opened the door.

Gong mo had turned on the TV outside and was sitting on the sofa with Sheng nanxuan.

Shan Rong and Gambino were chatting inside. They could tell the origin of almost every book.

Gong mo whispered to Sheng nanxuan,“you’re so sweet, Yingluo.”

Sheng nanxuan couldn’t help but flick her on the forehead.

She covered her head with her hand and said unhappily, “ It hurts, Yingluo.”

“I was wrong. I’ll let you blow on it. ” Sheng nanxuan said hurriedly.

Chapter 623 I miss you

“Stop it!” Gong mo pushed him away.

...

hahaha Yingluo! the child laughed happily.

“What are you laughing at?” Gong mo blushed.

“Giggle giggle.”

Gong mo was helpless. Suddenly, he was shocked. He lowered his voice and asked Sheng nanxuan, “He can’t possibly know everything, right?”

“How old is he?” Sheng nanxuan rolled his eyes.

“You can even clearly remember what happened before you were five years old. He’s your son, so he might also be a coward.”

Sheng nanxuan paused. He suddenly felt that the child’s smile was a little scary.

it won’t happen,” he said. I’m just providing sperm. One sperm can’t hold so many.

Gong mo,””

“Eh? This is Momo’s?” Gambino’s voice was heard.

“What is mine?” Gong mo asked.

“‘Poetry anthology’,” dan Rong replied.

Gong mo was stunned. He stood up and walked over. On the title page, there were three lines-to Gong mo/Happy Birthday/14th of June.

She turned to look at Sheng nanxuan and said, “ this is a gift from nanxuan.

“When did you get it?” Shan Rong asked.

back in high school!

“You guys are in a relationship?” Gambino frowned. He looked at Sheng nanxuan as if he was looking at an enemy. This brat was too much. He had taken his daughter away so early!

“No, I didn’t!” he had a crush on me! Gong mo denied hurriedly.

Sheng nanxuan smiled and said, “yes.” It’s just a secret crush.”

Gong mo looked at him with a guilty look and stuck out his tongue.

Shan Rong put the book back and said to Gambino, “Alright, let’s take a break and go eat.”

Gambino nodded and followed her into the living room. Gong mo and Sheng nanxuan stayed in the room.

Sheng nanxuan picked up the poem collection and smiled.

"I didn't know you were the one who gave it to me, otherwise I would have brought it to the capital," Gong mo said.

"Bring it back now." Sheng nanxuan put the book on the table so that he would not forget it when he left.

In the living room, Shan Rong asked Gambino, "do you miss big brother and the others?"

Gambino was stunned. He looked at her. I rarely think of them. I basically miss you.

When Shan Rong heard this, she felt very pleased and smiled, "It's not strange to miss them. After all, they're your Blood Brothers. You'll be able to see them when you have dinner with them tonight."

She didn't tell him what uncle Gong and the others had done. This time, the burial of the gong family's ashes was more serious than setting up the Cenotaph. All the members of the gong family should be present.

She also wanted to give uncle Gong and the others a chance. If they were fine, she would pretend that nothing had happened. If they were like before, she didn't need to say much. Gambino would naturally understand, and she would tell him everything.

If Gambino sided with his brothers instead of her, she would cut off all ties with him!

She didn't need to get married or go to Italy. She would go back and take care of Gong Mo's child!

Anyway, after the ashes were buried, she and the gong family would be done for. In the future, she would not have to worry about Nanjiang anymore.

.....

They had reserved a private room at the hotel for dinner.

Because it was the same hotel that everyone was staying at, Yu Qingliu and the others arrived very quickly.

Gong Bai found that only the members of the gong family were left. Fortunately, it wasn't the appointed time yet, so it wasn't impolite. "I'll go outside to pick up my dad and the others." He stood up.

Shan Rong nodded and did not say anything.

Seeing that he had left, Yu Qingliu peeled the peanuts and asked Yu Xinran, "How did it feel to meet your parents this afternoon?"

"What are you worried about?" Yu Xinran rolled her eyes at him.

Chapter 624 Have they changed?

"I'm your uncle, how can I not worry? I'm concerned about you, okay?" Yu Qingliu said earnestly.

...

I know ... Yu Xinran mumbled in a low voice, "Gong Bai is Momo's cousin. What are you worried about?"

Gong mo and Shan Rong froze. We are different from them.

Yu Qingliu wasn't that easy to fool. She snorted, "the same rice can raise a hundred different people. Don't try to coax me with this!"

Yu Xinran pursed her lips and didn't speak.

"I'm your uncle," Yu Qingliu said as she stroked her hair.

“Yes.”

He patted her shoulder and did not say anything else. After all, he was Gong Mo’s cousin, so he naturally had to give Gong mo some face. However, he was only her cousin, not her real brother. If Gong Bai’s family dared to mistreat Xinran, he would not be polite!

Not long after, a voice came from outside. Uncle Gong and the others had arrived.

“Second sister-in-law, Momo!”

Hu Yinghong shouted enthusiastically as soon as she entered the room. The rest of the people also greeted her warmly.

Gong mo and dan Rong felt very strange. Last time, they were so unhappy that it was almost equivalent to breaking up. They had thought that they wouldn’t come, but not only did they come, but they were also smiling so amiably.

Had they changed?

How was that possible?

“I heard that you’ve brought back second brother’s ashes?” Uncle Gong asked with concern, “ when is the burial time? ” Are you all ready?”

One should not slap a smiling person. They did not make a fuss, so dan Rong was very polite. She smiled and replied,“The day after tomorrow. I’m almost done with the preparations.”

“That’s good.” Uncle Gong said with a smile.

Gong mo looked at Gong Bai in confusion. Gong Bai frowned and shook his head. Apparently, he didn’t know what was going on either.

Sheng nanxuan glanced at uncle Gong and the others. He could not understand what had happened.

In a short while, dan Rong and uncle Gong and the others were having a good time together, as if the previous unhappiness, or even all the unhappiness in the past, had never happened.

Gong mo couldn't help sighing in his heart,"the older the ginger, the spicier it is!" If it was her, she would definitely not be able to do this.

Yu Xinran was also very confused. This was not what she had detected at Gong Bai's house that afternoon. Why did he suddenly become so good?

"Sit down and eat first." Shan Rong said with a smile.

"Alright," he said. Uncle Gong and the others agreed and sat down.

There were only five of them-uncle Gong, Hu Yinghong, uncle Gong San, third aunt Gong, and little aunt Gong. The rest of the younger generation were in class and didn't come.

Little uncle didn't come either. Gong mo saw that little aunt Gong looked tired and didn't talk much. He guessed that their relationship had become worse.

There were 13 people in total, so two tables were too relaxed, so they only sat at one table. The table was big enough anyway, so it wouldn't feel crowded.

After they sat down, Hu Yinghong looked at the people at the table and asked in confusion, " these are Wanwan? "

"That's Nan Xuan's uncle," Shan Rong pointed at Yu Qingliu.

Wu Di. he pointed at Wu Di. Nan Xuan's cousin.

She pointed at Yu Xinran and said, "you recognize this, right?" She's Nan Xuan's cousin."

"Ah?" Hu Yinghong was taken aback. She glanced at Yu Xinran and muttered in her heart, " Why didn't gong Bai mention this before?"

"Hello, Auntie," Yu Xinran smiled at her.

Hello, Wanwan. Hu Yinghong nodded, feeling a little awkward.

Uncle Gong looked at Gambino, who was sitting beside Shan Rong, and asked, "Second sister-in-law, what about the other one?"

Shan Rong reached out to hold Gambino's arm and said with a smile, "This is my boyfriend. We'll get married soon."

Uncle Gong and the others obviously didn't expect this and were stunned.

Chapter 625 There must be a reason for things to be abnormal

Shan Rong's eyes narrowed slightly. Why did he have such an expression when he heard that she was getting married?

...

Hu Yinghong pinched Big Uncle Gong under the table. Big Uncle Gong's eyes turned, and he clapped his hands with a smile. "That's a good thing! Second sister-in-law, you've suffered for so many years, you should have found a companion long ago! When 2nd brother is buried, tell him so that he can be at ease in the underworld. Otherwise, you've guarded him for so many years, he'll feel guilty."

"I will tell you." "Let's eat," Shan Rong said.

“Good! Good!” Uncle Gong picked up his chopsticks. sorry to make you spend so much money again.

“It’s what I should do. We’re all one family.”

“Yeah~hehehe Yingluo”

This meal made dan Rong feel very comfortable. She knew that uncle Gong and the others were up to no good. She didn’t know what they were up to!

However, as long as they didn’t mess around, her mood wouldn’t be affected, and she would naturally be happy.

However, to Yu Qingliu, Yu Xinran, and Wu Di, the atmosphere was too strange. Although everyone was happy and seemed to be in harmony, their intuition told them otherwise.

After the meal, the three of them returned to their hotel room while the others went home.

In the elevator, Yu Qingliu asked Yu Xinran, “ when you went to Gong Bai’s house this afternoon, did you find out what was going on between them and Gong Mo’s family? ”

“Yingluo, how would I know?” Yu Xinran looked at the changing numbers on the elevator.

Yu Qingliu looked at her, deep in thought.

She turned her head away unnaturally.

With a ding, the elevator arrived.

Yu Xinran walked out and heard Yu Qingliu saying behind her, “ You’re dishonest!”

Yu Xinran choked. She didn't say anything and went back to her room.

"Little uncle, What Do You See?" Wu Di asked.

"Fake!" their smiles are all fake! Yu Qingliu said.

yes. Wu Di nodded. I think so too.

Yu Qingliu tutted. I don't care. With nanxuan and Gambino around, nothing will happen.

.....

On the way home, Gong mo and his family didn't speak a word. There was a strange silence in the car.

When they reached home, Gong mo and Shan Rong went to bathe the child, while Sheng nanxuan and Gambino watched TV in the living room.

In the toilet, Gong mo asked in a low voice, "what's wrong with uncle and the others today?" I've never been so enthusiastic before. There must be something wrong with this abnormal situation!"

Shan Rong nodded, "I'm not afraid!" Counter soldiers with arms and water with earth! We'll respond to changes by staying the same and see what they're going to do. The Fox's tail will eventually be revealed!"

Hu Zi sat in the bathtub and patted the water with his hands.

"Don't get it on grandma!" Gong mo shouted.

"It doesn't matter. I'm going to take a shower later anyway." Shan Rong said.

“Don’t give in to him, or you’ll have to play in the water every day!” Gong mo said helplessly.

“He only wants to play if you don’t let him. You let him play, but he’s not interested.”

“I can’t win an argument with you. You just love him too much!” Gong mo choked.

“Your dad is going to take me away, how many days can I dote on him?” Hmph! Shan Rong snorted. he won’t even recognize me when we meet again.

“I won’t.” when you’re not at home, he’s always looking around for you, “Gong mo comforted her.

I see, Yingluo. dan Rong happily touched the child’s face. at least you have a conscience.

While they were sleeping, dan Rong and Gambino chatted for a while, but they did not discuss uncle Gong and the others. Gambino did not take the initiative to ask either.

“Why don’t you care about your brother and the others at all?” Shan Rong could not help but wonder.

Gambino paused, not knowing what to say.

Chapter 626 The soundproofing in this house isn’t very good

“Gong Xing?” Shan Rong was suddenly shocked.

...

“What’s wrong?” Gambino looked at her in confusion.

“Are you Gong Xing?” she asked carefully.

Gambino’s eyes widened. Was she suspecting him?

“Of course I am!” He said firmly.

“Then why don’t you care about your family?” Shan Rong stood up abruptly and ran to the door, looking at him guardedly. you ... Are you Gong hang or a foreigner? ”

Gambino held his forehead helplessly. come here. Listen to me.

“I don’t want to!”

nanxuan and the others are next door. If I were a bad person, wouldn’t they hear you when you shout? ”

Dan Rong was stunned for a moment. She felt that what he said made sense, but she still did not move.

“Then give me a reason! I won’t believe you if you can’t give me a reason!” She said.

Gambino sighed and said with a heavy expression, ” “I’ve investigated you guys!”

“Ah?” Shan Rong was stunned.

Gambino looked at her with heartache. they’re not good to you and Momo. I know.

Dan Rong was stunned for a moment before she slowly walked over and said in a low voice, ” “So you know about it, Yingluo.”

I’m sorry, ” Gambino said, holding her in his arms. I’m sorry, ran ran, for making you suffer.

“Hey, I’m fine!” Shan rongyue smiled and said, “ isn’t it time for the good after the bad? ”

“En, Yingluo.”

“In fact, Yingluo and the others have helped me and Momo occasionally.” Shan Rong had a complicated expression on her face as she said, “ it’s just that he’s become more and more unreasonable in the past few years.

“When they helped you, they thought of the fact that you were a family. Wasn’t it only right for a family to help one another? But if I’m not good to you, I shouldn’t be.” Gambino said, “ when we go to Italy in the future, we don’t have to care about them.

“You’re willing to?”

“What’s there to miss? My current life was originally picked up. If his parents were still alive, they would probably not be able to let go of the kindness of raising him. But I don’t need to care about the gong family anymore. Just to compensate you and Momo, I have to spend the rest of my life. Other people are not worth it for me to waste my life.”

“Alright then. Anyway, I’ve never thought of not keeping in touch with him. After all, Gong Bai is a good man. If I can get along with them, I’ll keep in touch with them, but if I can’t, I’ll just ignore them and keep in touch with Gong Bai.”

“Yes.”

but they’re so strange today, “dan Rong said as she recalled what had happened when they had set up the Cenotaph. it was already such a big deal back then. It’s already good enough that they could come. How could they still laugh?” There’s definitely a problem with one look!”

“If they have any plans, they will tell us sooner or later. They are the ones who are anxious.”

“Yes!” Shan Rong nodded.

“Can we sleep now?” Gambino’s expression relaxed.

Shan Rong smiled awkwardly and said, “go to sleep. Yingluo didn’t do it on purpose.” I, I was scared by that person.”

“Don’t worry, I won’t let him have another chance to appear.” Gambino promised.

.....

In the next room, Sheng nanxuan asked Gong mo in a low voice, “Mom, do you know that the soundproofing of this house is not very good?”

“Zhenzhen, how much did you hear?” Gong mo asked.

“I heard everything.”

“What did they say?” Gong mo asked with concern.

She heard the few loud words, “are you Gong hang or a foreigner?” it gave her a fright and she almost ran over. Fortunately, Sheng nanxuan pulled her back.

“Tell me about eldest uncle and the others.” Sheng nanxuan told her about the conversation between Shan Rong and Gambino in a low voice.

She sighed and said, “dad is right. We’re not the ones who are anxious.” Whatever purpose Big Uncle and the others have, it will be revealed sooner or later.”

Chapter 627 Buried together after death

Sheng nanxuan patted her back.

...

Next door, Gambino thought, Qingqing, the soundproofing in this house is really bad, so please don't do anything embarrassing here.

"Ahem!" He coughed and said in a low voice, " good night.

"Goodnight, Yingluo," Sheng nanxuan said. It turned out that his hearing was also very good!

Gong mo and dan Rong said at the same time, " "Good night," she said.

However, they could not hear each other. Sheng nanxuan and Gambino felt as if they were sleeping on the shared bed.

This house was really too old, and the sound insulation was so poor!

Oh, sell it! Gambino thought. In the future, he would not come back if he had nothing to do. If he came back, he could stay in a hotel.

.....

Sheng nanxuan had asked Master Tang to calculate when the ashes would be buried. Of course, he didn't plan to change the location. However, just in case, he still had to check the Feng Shui on the spot. If there was a problem, he would solve it.

Sheng nanxuan did not let Master Tang come. Master Tang's cultivation level was too high. When he went to find him that time, his words almost exposed Gong hang's fate. When he chose the location, he also saw that there was a problem with the herb garden. If he were to look for him again this time, he would probably be able to tell that Gambino was not Gambino!

Therefore, Sheng nanxuan invited Master Tang's disciple.

Although I'm not as good as you, master, I have no problem with Feng Shui. On the contrary, I won't be able to see through the secrets of heaven, which is just right.

At the funeral, Gong Gong, Tian Cheng, and Gong Jin did not attend. His uncle did not come either.

Hu Yinghong said that Gong ze was filming and couldn't leave. Gong mo expressed his understanding.

Filming wasn't a one-man job. Gong ye wasn't famous yet, so he definitely couldn't take leave. As for whether she was really filming, that was another matter. However, Gong Mao wasn't easy to get along with. Her absence was exactly what Gong mo wanted.

Little aunt said that little uncle went out of town, but she didn't know if it was true.

As for Tian Cheng, she had just started her third year of high school. The school would only have a break at the end of the month, so she could not come out at all.

Gong Jin was in college. His third uncle and third aunt also said that he was busy with classes, so Gong mo chuckled in his heart. It wasn't like she hadn't gone to University before. She didn't have classes on weekends. If he didn't come, then so be it. She wouldn't pursue the matter. The fewer people there were, the quieter it was.

The things that were buried in the tomb last time were not taken out, and they were left to be buried with him.

Gambino heaved a sigh of relief when he saw that the soil was sealed. To him, his fate of being Gong hang had completely come to an end.

Shan Rong had the same feeling. If she didn't know that Gambino was Gong Xing, she might have kept it in her heart for the rest of her life. However, with a living person by his side, he should naturally treasure the person in front of him.

“When I die, bury me with him,” she said to Gambino.

“Alright,” he said. Gambino held her hand and said softly, “when the time comes, my soul will return to my homeland.

They would still be together when the time came. As for this body that he had borrowed, he would return it to Gambino!

(The real Gambino must be having a mental breakdown!)

.....

After the funeral, everyone had dinner together. Uncle Gong and the others were still very happy.

Thinking back to what had happened last time, Gong mo and Shan Rong thought that they would reveal their true colors at this moment. In the end, nothing unpleasant happened even after they finished eating.

“Sister-in-law, when are you guys leaving?” uncle Gong asked.

“Momo and I will be staying for a few more days.” Shan Rong said.

“Then let us know before you leave. We’ll send you off!”

“Hello, Yueyue.” Shan Rong really did not believe that he had changed.

Gong Bai had to go to work, so he planned to leave the next day. Yu Xinran, Wu Di, and Yu Qingliu also had their own matters to attend to, so the four of them returned to the capital together.

Chapter 628 Help her wash her hair

Gong mo, Sheng nanxuan, dan Rong, and Gambino stayed at home. Like the ordinary people in this city, they got up early to buy groceries and went for a walk in the evening. Their days were dull and happy.

...

Shan Rong and Gambino would go out every day to the place where they had dated when they were young to reminisce about old dreams.

Gong mo and Sheng nanxuan were at home most of the time with their children.

After waking up from his afternoon nap, Gong mo went to wash his hair.

Sheng nanxuan threw the child into the pram and ran over. "I'll help you!"

"You take care of the child," Gong mo said.

Looking at his excited appearance, he was simply crazy!

"He can play on his own, I'll help you!" Sheng nanxuan rolled up his sleeves.

"I don't need your help. It'll be more troublesome if you help!" Gong mo said.

When Sheng nanxuan heard this, he looked at her pitifully.

She couldn't be bothered with him and buried her head under the tap, letting the water wet her hair.

Sheng nanxuan took a look and realized that there was indeed nothing he needed help with.

When they were in high school, he saw a shampoo commercial on TV when they were eating in the cafeteria.

In the advertisement, a man helped a woman wash her hair. The water was in a basin, so he had to take a cup and pour it over his head. The man was in charge of this part.

It was a beautiful scene. The woman was beautiful and the man was gentle. They were a match made in heaven.

When he saw her ponytail, he wanted to do it!

But now that there was a water dragon, there was no need for that!

Sheng nanxuan glared at the tap angrily as if it was all the tap's fault!

He picked up the shampoo.

After a while, Gong mo reached out to squeeze the shampoo but found that it was empty. He looked at it-he was holding it in his hand!

She said angrily,"put it down!" Don't mess around!"

"I'll help you squeeze." He said unhappily.

Gong mo was stunned for a moment. He put down his hand and said with a smile, "Then you can help me wash it."

Sheng nanxuan was stunned for a moment. He could still do work even if he did not water the plants!

He immediately squeezed a ball of shampoo in his hand and rubbed it on her head. Then he grabbed her hair and rubbed it until it was full of bubbles. He then carefully grabbed her scalp with his ten fingers.

“How is it? Is it heavy?” He asked.

Gong mo laughed, “it’s too light, hehe.”

“It’s not good to be too heavy.”

“Slightly heavier.” otherwise, it won’t be clean. It’ll itch, ” Gong mo said.

“Alright,” he said. He increased his strength slightly. how about this? ”

“Oh, more important.”

“Like this?”

“Just a little heavier.”

“Like this?”

“Argh! You’re so annoying!” are you doing this on purpose? ” Gong mo asked.

haha! Sheng nanxuan laughed and relaxed his grip. is this right? ”

“Yes.” Gong mo pinched his waist. you did it on purpose.

I’m teasing you on purpose, “he said softly.

yyayaya ... the child’s shouts were heard.

“What is he doing?” Gong mo asked anxiously.

Sheng nanxuan turned to look and said, “I’m playing with a rattle drum. It’s fine.”

baby,” he called out to the child, “be good, baby. Daddy will carry you later!

roar! the child looked at him and knocked the rattle-drum in his hand on the pram, looking dissatisfied.

“Be good, or else I won’t let you sleep next to mommy tonight!”

The child had been sleeping with them for the past few days, right between them.

The child seemed to like this very much. He would only close his eyes at night when Gong mo was in bed. In the morning, he would climb onto Sheng nanxuan.

Sheng nanxuan massaged Gong Mo’s head for a long time. Gong mo felt that it was much more comfortable than if she were to take a bath herself.

Chapter 629 I only need you

When she washed herself, she always just needed to wash it clean. She never massaged too much because she would get tired if she raised her hands for too long. Now that she was being served by him, she couldn’t help but think: He would help her wash it in the future ~

...

After washing it, Sheng nanxuan took a towel and carefully wiped the water off it.

nanxuan! she looked at him, touched. you’re so nice!

Sheng nanxuan lowered his head and kissed her on the lips. "I should be good to you."

Gong Mo's face was filled with sweetness and he didn't say anything.

After wiping the water off, Sheng nanxuan asked, "I'll help you wash in the future, okay?"

you can take a shower if you have time. I'm the one enjoying it anyway. Gong mo reached out for the hairdryer.

"I'll do it!" He said.

"Alright!" Gong mo lowered his hands.

Her hair was a little long, and it was very troublesome to dry it. It took a long time.

The two of them returned to the living room. The child was already getting impatient.

"I'm sorry, baby, mom is here." Gong mo carried him up immediately. Come, give mommy a kiss!"

Hu Zi waved the rattle-drum in his hand and almost smashed it into Gong Mo's face.

"Be careful!" Sheng nanxuan quickly snatched it away.

Wu ... Hu Zi lay on Gong Mo's shoulder unhappily and pulled on Gong Mo's hair.

ah! Gong mo cried out in pain.

waah waah ... Hu Zi cried.

Gong mo kicked Sheng nanxuan. what are you shouting for?!

Oh my God. Sheng nanxuan looked depressed. He rubbed her head. does it hurt? ”

Gong mo was so angry that he didn't say anything. After a long time, he said, ” “All children are like this. It's not the first time he pulled my hair.”

“Then let me hug you.” Sheng nanxuan reached out to hold the child.

Hu Zi cried as he dodged and hugged Gong mo tightly.

“This is great, he won't acknowledge you anymore,” Gong mo said.

Sheng nanxuan retracted his hand and snorted. it's alright. I have you. That's enough.

Gong mo, ”hehe.”

After a while, Sheng nanxuan reached out and patted Hu Zi's back. Then, he pulled Gong Mo's hair behind his back.

Hu Zi still wanted to reach out to grab it, but he glared at him, ” “If you bully your mother again, I'll cut off our father-son relationship!”

“Shut up!” Gong mo glared at him.

Sheng nanxuan was stunned. After a long while, he said, ” you're also very loud. Why isn't she afraid of you? ”

“Because I didn't yell at him. I was yelling at you.”

“Do you still have me as your husband in your heart?”

“No, go and hang yourself!”

Sheng nanxuan paused, flicked her hair, and turned to lie on the sofa. “I’m going on a hunger strike!”

“Aren’t you childish?” Gong mo couldn’t help but laugh as he placed the baby back into the pram.

The child reached out and grabbed her hair. She frowned. “Fire!”

“Wow ...” Hu Zi gasped in surprise as he scrolled down.

Gong mo hurriedly grabbed his hand and said, ‘Sheng Yiting! You let go of me!’

Sheng nanxuan looked over and gloated. “He deserves it!”

hehe ... Hu Zi happily let go of his hand and suddenly lowered his head, as if he was going to hide.

Gong mo quickly dodged.

Hu Zi raised his head, looked at them, and then turned his head away.

Gong mo poked Sheng nanxuan’s shoulder. “He wants to play hide-and-seek, hurry up and accompany him.”

“Childish!”

“Are you going to keep me company?” Gong mo threatened.

I'll accompany you. Sheng nanxuan got up gloomily and squatted in front of Hu.

Hu Zi pouted, obviously remembering that he had just hit him and was a little unhappy.

Chapter 630 I'll go and cut my hair, okay?

Although Sheng nanxuan said that Gong mo was enough, he still wanted the child. He immediately covered his face and played hide-and-seek with the child. After a while, Hu Zi was amused by him and laughed.

...

Sheng nanxuan felt that this was really stupid and could not help but sigh in relief. He patted Hu Zi's head. "You ah Yiyi"

Gong mo combed his hair with a comb and asked, "I'll go and cut my hair, okay?"

Sheng nanxuan raised his head. that's good. He won't scratch you so hard.

"I'm worried it won't look good." Gong mo said hesitantly.

"You'll look good even if you shave your head!"

"Go!" do you not like short hair? " Gong mo asked. Men seem to like women with long hair."

Sheng nanxuan ran his fingers through her hair. "When I fell in love with you, your hair wasn't long. It was just enough to tie into a ponytail."

"Then should I make it even shorter than before?"

“Then I’ll become a man who likes short-haired women.”

Gong mo laughed. The child looked at them and laughed.

Gong mo patted his head and asked, “what are you so happy about?” It’s as if you can understand it every time.”

Gong mo decided to cut his hair now. He was bored anyway.

“You’re so anxious, you’re so quick with your words.” Sheng nanxuan carried the child and followed her.

that’s right! she looked at him. I said I’d marry you, and I’ll do it. It’s only been a few days!

Sheng nanxuan looked at her, his eyes unfathomable. He lowered his head and wanted to kiss her.

“Ya ...” The child pushed him and looked at him unhappily. You’re squeezing me~

Sheng nanxuan looked at him gloomily and said to Gong mo, “ I really want to throw him away.

Gong mo laughed, opened the door and walked out. “There’s a barbershop downstairs, let’s cut it there?”

Sheng nanxuan nodded. He lifted the child and let him ride on his neck.

“Be careful,” Gong mo said with a smile.

“Are you worried that I won’t be able to hold him?”

“He’s very weak.”

hiss ... Sheng nanxuan suddenly frowned because the child grabbed his ear.

“Hahaha, you reap what you sow,” Gong mo laughed.

“Don’t you feel bad for me?” Sheng nanxuan glared at him.

Gong mo immediately stopped smiling. that’s enough. He’s still so young. Put him down.

Sheng nanxuan had no choice but to put the child down and hug him in front of his chest.

The child looked at them in confusion. He leaned his head on Sheng nanxuan’s shoulder.

good boy! Sheng nanxuan patted his back happily. His son still had him in his heart. Look at how intimate they were with each other?

Gong mo walked out of the barber’s shop in high spirits. A man with dyed blonde hair, tight-fitting pants, and a shirt came out with a cigarette in his mouth.

He was wearing a badge, so he was obviously an employee of the barbershop. Judging from his outfit, he was a Barber.

Gong mo felt that he was unreliable when he saw his punk style. He turned around, grabbed Sheng nanxuan, and whispered, “I think ran ran should cut it when she gets back to Beijing.”

Sheng nanxuan glanced at the barber and tried to hold back his laughter. “Alright. I’ll find you the best hairstylist in the world!”

.....

It would be the Mid-Autumn Festival in a few days, and they planned to return before that.

After eating dinner, he was about to go for a walk when Hu Yinghong came over with a box of mooncakes.

the festival is coming soon. I'll give you a box of mooncakes. Hu Yinghong chuckled and said to Shan Rong, " come over to my place for a meal. We can have a family reunion!

uh, " Shan Rong said awkwardly. we're preparing to return to the capital the day after tomorrow.

"Why aren't you leaving after the festival?" Hu Yinghong was taken aback.
