

## Ditsy Wife 661

Chapter 661 She is pregnant

Mo Mo Qian Qian. Gambino's voice was heard, and he sounded a little troubled. well, Qian Qian, your mother's examination results are out. I'm Qian Qian.

...

"What's wrong?" Gong mo asked worriedly.

this Yingluo ... Gambino hesitated for a moment and sighed. I don't know how this happened either. Anyway, Yingluo, calm down!

Gong Mo's body trembled and he felt cold all over.

Sheng nanxuan hurriedly held her and leaned close to her ear to listen.

"Your mother is pregnant," Gambino said.

Gong mo was stunned and didn't respond for a long time.

Sheng nanxuan chimed in,"Swoosh Swoosh Swoosh Swoosh."

Yu Qingliu saw that they didn't say anything and didn't feel too good-could it be that dan Rong had a terminal illness?

"Ya-" Hu Zi shouted.

"This Qianqian is indeed incredible!" Gong mo said to Gambino.

Sheng nanxuan coughed and could not help but laugh."Congratulations, dad."

Gambino was a little embarrassed and said hesitantly, "I really didn't expect it to be like this! How did this happen?"

ahem, ahem, ahem," Sheng nanxuan said. dad and mom are still in their Prime. It's normal to have children.

Gambino: " Yueyue, I always felt that I was old.

Gong mo also laughed,"this proves that I'm not old!" I thought mom had a terminal illness and was worried sick. I was planning to go to the airport later."

"No need to rush." Gambino said hurriedly.

"There's no need to rush now." Gong mo said, " I'll go to the airport tomorrow morning! Where's mom?"

"Yingluo is asleep." In fact, he was too embarrassed to talk to Gong mo.

Her grandson was about to learn how to speak, and she was pregnant. It was too embarrassing for her! He had a feeling that he was not respecting his elders!

"Then take good care of mom!" How long have you been pregnant? " Gong mo asked with concern.

"A little more than a month."

"Then the morning sickness is about to start, right?"

"It has already started." Gambino sighed. she hasn't been feeling well for the past two days. I thought she was not acclimatized to the environment, but who knew that ran ran ...

this is a good thing. Don't be so conflicted. It's better than being sick!

"That's true," Gambino said, pausing.

alright, take good care of mom first. We'll talk about the rest when I come over!

After she hung up, Yu Qingliu asked, "Your mother is pregnant?"

cough-" Gong mo said awkwardly, " yeah!

congratulations! Yu Qingliu shook Hu Zi in his arms. you're going to have an uncle! He's a real little uncle, younger than you!

Sheng nanxuan's face darkened. He quickly snatched Hu Zi away."You don't have to go to the airport. You can go back first."

"You're not going to let me stay for the night?" Yu Qingliu was shocked.

Sheng nanxuan choked.

It was still early, and it wasn't like he couldn't go home, so why should he stay?

"Uncle, please take a seat!" Gong mo said. What kind of logic was that? I'll go get you some tea!"

that's right. My niece-in-law is more sensible, unlike some people. he gave Sheng nanxuan a sidelong glance.

remember this person, " Sheng nanxuan said to Hu Zi. ignore him in the future.

"You've led Hu Zi astray!" Gong mo could not help but chide Sheng nanxuan.

“It doesn’t matter, let him teach!” Yu Qingliu said, “he is being disrespectful to me now. Hu Zi will be unfilial to him in the future!

Wu Ya ~” Hu Zi lowered his head and asked Gong mo to carry him.

“Wait a moment,” Gong mo waved his hand.

Two minutes later, she came back with a cup of tea and said to Sheng nanxuan, “”He can even speak now. In the future, he will learn whatever you do.”

Sheng nanxuan paused, then held Hu Zi up and said, “ “Come, call me daddy.”

Chapter 662 I don’t want to live anymore!

“Yiya-”

...

“Dad, dad!”

“Ya-”

Sheng nanxuan called him a few times, but Hu Zi still did not bark.

“If you keep shouting, he’ll agree to it!” Yu Qingliu wiped his sweat.

When Sheng nanxuan called him “ dad “, would Hu Zi say “ Ai “?

Sheng nanxuan glared at him.

He put down his cup and stood up, "that's enough!" I'm leaving, I won't disturb your rest! Since Gong Mo's mother is fine, I won't be going to Italy with you."

When they got home, Wu surong couldn't help but say, " "Didn't you go to Italy? What are you doing back here?"

He quickly explained the situation. Everyone was surprised and felt relieved.

Hearing that, Yu Xinran immediately called Gong Bai, who then called Gong mo.

The next morning, Gong mo and Sheng nanxuan went to Italy. They arrived at Gambino's Castle just in time for dinner.

Jason, who had come to pick them up, said, " the madam is resting in her room. She's eating in her room as well. Boss is accompanying her. He's not worthy of eating with you.

"Then I'll go see her first!" Gong mo said.

Gambino's bedroom was especially large and had a classical style. Gong mo didn't know much about European furniture, so he guessed that most of the furniture was real antiques.

When he entered, Shan Rong was sitting on the bed, and Gambino was feeding her.

mom! Gong mo shouted.

When Shan Rong heard this, she turned over and lay on the pillow, shouting, " "What are you doing here?"

"Can't I come?" Gong mo asked in confusion.

Gambino put down his bowl and stood up. Have you eaten?"

Sheng nanxuan shook his head.

“Then you guys go eat first.” Gambino saw that Hu had fallen asleep and said, “ send Hu to his room first.

“You guys go first.” Gong mo said.

The two of them nodded and left the room.

Gong mo tugged at Shan Rong’s sleeve, causing her to get up and shout, “I don’t want to live anymore!”

“Why?” it’s a good thing that you’re pregnant, ” Gong mo said as he picked up the bowl of porridge. why are you so desperate? ”

“I’m already in my teens, I’ve lost all my face!” Dan Rong covered her face, looking as if she was too embarrassed to face anyone. Hu Zi is almost a year old, and I’ve even given birth to an aunt or uncle for him. I’m really too embarrassed to face anyone!

“I’m pregnant, what can you do?” Gong mo sighed.

Shan Rong choked. That’s right, he couldn’t strangle her, right?

besides, you’re not living for anyone else. What’s there to be afraid of? ”

Shan Rong frowned and thought for a moment before asking, ” “Then whose child do I belong to?”

“Uh, hehe.”

“It’ll definitely be that person’s DNA when it’s born! It’ll be terrible if I inherit that brain!”

Gong mo felt that the situation was too complicated. He decided not to consider it for now!

She hurriedly said, "I'll rely on you and dad to teach me what to do in the future!" Dad looks like a genuine Italy now, and that's his father. He won't feel anything else, so you don't have to worry at all!"

"Yes." Shan Rong nodded.

Gong mo scooped up the bird's nest porridge from his bowl and said, "come, have some bird's nest."

Shan Rong forced herself to eat two mouthfuls and said, "But I'm already so old, it's very dangerous for me to have children!"

"Big? Don't those celebrities give birth at the age of 40 or 50?"

"They're rich and not afraid ..."

"You're even richer now, okay?"

uh, hehe. this was a fact.

"You're not happy that we're going to have mixed-blood children?" Gong mo couldn't help asking.

When Shan Rong heard this, she was indeed happy. She snatched the bird's nest and fed herself. As she ate, she said, "In this way, I'm earning a lot! After giving birth to a 100% Chinese, she could even have a mixed-race child! What's more, the Father of both children is your father!"

As expected, Qianqian earned a lot.

Chapter 663 When are we having our wedding?

Shan Rong's morning sickness was rather serious, so the wedding photoshoot had to be stopped.

...

Based on her current situation, when she stopped vomiting, it would be New Year's and she would definitely not be able to film by then. By the spring of next year, her belly would be bigger, and the wedding would not be able to be held.

She and the child were the most important. Gambino could only put all these aside and let her take care of the baby.

There was no need to rush, and he could hire a designer to design the wedding dress. I'll design a few more lines, and when we take our wedding photos, we'll use a separate design so that they won't clash with others!

When Sheng nanxuan saw Gambino's reaction, he asked Gong mo in private, "When are we having our wedding?"

Gong mo was taken aback. you've already given birth. It's weird to hold a wedding. I don't think there's a need to do so.

"There's a phrase called" make up,"it's not strange at all! Besides, isn't a wedding a girl's dream?"

"But I really don't care about that. I'm not a girl anymore!"

Sheng nanxuan wrapped his arms around her waist and looked at her seriously. "I care. Even if you're old, you're still the girl in my heart."

Gong mo couldn't help but smile. He pushed him away and said, "You're so mushy!"

“What’s so mushy? I don’t want to owe you a wedding. This is what I should give you. Besides, mom and dad are still going to hold a wedding. By the time they hold it, the child will have been born. What’s there to be conflicted about?”

Hearing this, Gong mo nodded and said, ” “Alright, then.”

Sheng nanxuan smiled. then I’ll get someone to design the wedding dress first. If you have any ideas, you can communicate with the designer.

Gong mo nodded.

Sheng nanxuan asked again, ‘when do you think we should hold it? I was planning to hold it on our wedding anniversary next year, but mom shouldn’t have given birth by then.”

“Wouldn’t it be weird if we held it together with our parents the year after next?” Gong mo thought for a moment.

Sheng nanxuan said, “I don’t blame you.” If you want to do this, you can ask mom. If she thinks it’s okay, then it’s fine.”

Gong mo nodded and touched the short hair on his neck, ” “Then I won’t trim my hair in the future.”

In order to maintain this hairstyle, she had to trim it once a month.

“Why?” Sheng nanxuan asked curiously.

“It’ll be easier for me to coil it up during the wedding.” Gong mo smiled shyly.

Sheng nanxuan was touched. He looked at her. you’re so good.

“Because you’re very good!” Gong Mo’s face reddened.

.....

In the blink of an eye, two months had passed. Shan Rong was still suffering from morning sickness, but her symptoms had improved a lot.

when do you and nanxuan plan to return? ” she asked Gong mo. when do you plan to return? ”

it’s going to be the new year in a few months. You won’t be able to return to the country by then, and we’ll have to come here again. So, I don’t plan on going back before the new year.

Shan Rong heaved a sigh of relief and said happily, ”That’s good! I don’t mind how long you’ll stay!”

I’d like to wait for you to give birth before going back. We’ll see how it goes. What if something happens back home? ”

yes. Shan Rong nodded and asked, ” did you call nanxuan’s grandmother? ”

”Yes, I call once or twice a week.”

”That’s good. He’s an old man, so you guys should remember him.”

”Don’t worry, I won’t forget.”

.....

On the Yu family’s side, only Wu surong and Yu Qingliu were at the lunch table.

Wu surong suddenly smacked her chopsticks and lost her temper, ”I’m so angry!”

Yu Qingliu trembled and carefully asked, "What's wrong?"

Wu surong glared at him, "isn't it you?" The year is almost over, where's my daughter-in-law?"

"Uh, I'll go look for Yingluo tomorrow!"

"Hmph! It's really infuriating!" Wu surong asked, " what do you think happened between Gong mo and Nan Xuan? " I won't be coming back after I go to Italy!"

Chapter 664 She just won't call me daddy

Yu Qingliu laughed, "I was wondering why you suddenly became so irascible. It turns out that you miss them." You miss Hu, right?"

...

"Can I not miss you?" Wu surong said unhappily, " Hu's birthday is coming soon. He's one year old! He actually didn't come back! What do you think we should do? I still want to celebrate my great-grandson's birthday!"

"Why don't you go to Italy?"

"Is that a good idea?" Wu surong asked awkwardly.

"What's wrong with that? You're too embarrassed to ask? Then I'll help you ask!"

"Then hurry up!" Wu surong glared at him.

"Then, about me finding a wife, Yingluo."

“Don’t bargain with me!”

“Oh, Yingluo, can’t you give me a few more days?”

“Can’t I give you a grace period until New Year’s Eve?”

“Didn’t Qianqian say that she would do it within this year?”

“I was talking about the solar calendar!”

“.....”

“Go and make the call!”

Yu Qingliu, “I haven’t finished my meal yet, Yingluo.”

“Then hurry up and eat!”

Why was Yingluo so fierce? Was he going to be discriminated against just because he didn’t get married?

.....

After Sheng nanxuan received Yu Qingliu’s call, he told Gong mo, “Grandma wanted to come over to celebrate Hu’s birthday.”

“She’s already so old, is that okay?” Gong mo was shocked.

“Don’t worry, uncle is here. The old lady hasn’t seen the child for a long time, she must be missing her very much. I can’t stop her.”

Gong mo agreed. If that was the case, the old man could not help but complain about them in his heart.

“Then let’s think about how to celebrate Hu’s birthday.”

“Roar!” Hu Zi got up from the carpet and hugged Sheng nanxuan’s leg.

Sheng nanxuan’s face was full of disdain. you only know how to shout. Why don’t you just call me ‘daddy’?”

“Don’t be anxious, he didn’t stop calling you on purpose,” Gong mo replied.

Ever since he had accidentally called her “mom” two months ago, he had never called her “mom” or “dad “. Sheng nanxuan’s anticipation had turned into depression.

“He’s already a year old!” Sheng nanxuan said.

“It’s not full!” besides, he was born prematurely! Gong mo said.

“I don’t think the premature birth has affected his intelligence at all.” Sheng nanxuan glared at Hu Zi with hatred.

Hu Zi seemed to have felt his anger. He let go of him and turned around to lie on Gong Mo’s legs.

“Take a look!” Sheng nanxuan immediately said, “ he’s smart!

“Mom!” Hu Zi suddenly looked at Gong mo and shouted.

Gong mo looked at him in surprise and picked him up. “You’re calling me?”

Mama! Mama! Mama! Hu Zi tugged at the drool bag in front of his chest and mumbled.

haha! Gong mo was overjoyed.

Sheng nanxuan was injured. He carried him over. "Call me dad!"

Wu, Wu, Wu. Hu Zi pouted and turned his head in disgust before crawling towards Gong mo.

hahaha! Gong mo laughed and said to Sheng nanxuan, " who told you to always bully him? "

Sheng nanxuan stood up and walked outside. "You raised an ingrate!"

"Eh?" Hu Zi looked at his back with a curious expression.

Gong mo tapped his nose and said,"eh?" 'Huh?' when he made his father angry? Come, mom will teach you. Dad, dad!"

"La ~ la ~"

"It's dad!"

ah ... Hu Zi buried his face in her chest and rubbed against it, looking sleepy.

"Alright, let's sleep first."

After Hu Zi had fallen asleep, she went to look for Shan Rong."Hu's birthday is coming ..."

"I was just about to ask you." Dan Rong said, " this is his first year. What should we do with him? "

“Do whatever you want!” Gong mo laughed. He didn’t know anything, so wasn’t it the adults who were lively? I’m thinking of doing a weekly arrest for him, and I’ve already thought of some things. Help me think again!”

Chapter 665 The guest has arrived

“We have to catch Zhou.” Shan Rong said, just treat it as letting him play! That’s right, don’t prepare anything for girls. Don’t let him be like Jia Baoyu!”

...

“Pfft ... There’s no such thing? If he gets his hands on perfume, it means that he’ll be a perfumer in the fashion industry in the future!”

“Tsk, then whatever. Prepare more! There are 360 trades, and every trade produces a champion. You must be fully prepared!”

.....

Hu Zi’s birthday was on the 2nd of January, and people from China only rushed over on New Year’s Day.

This was because Tian Cheng wanted to major in editing and directing at University, and she had to take an art examination for this major. She had just gone to Beijing to take the exam. Since it was New Year’s Day holiday, Gong Bai told the people in South River to let her stay for a few days and then brought her over to celebrate Hu Zi’s birthday.

Tian Cheng did not want to come at first as she was afraid of troubling everyone.

Gong Bai said, “ this is your brother-in-law’s own plane. He doesn’t need to pay for the tickets. It doesn’t matter if it’s three or four people. It’s a waste not to go! How many people does your cousin know overseas? She’s happy to have one more family member by her side.”

Tian Cheng was originally afraid of spending his money to buy a plane ticket because she didn't have the budget to come here. However, she agreed to it after hearing what he said.

Over at the Yu family, Yu Zhengming's old illness was acting up again. Wu surong was worried about him and wanted to come over when he was better. In the end, it wasn't ready when the time was up, so he could only ask Yu Qingliu and Yu Xinran to come over.

The four of them took the same plane. When they arrived at the airport, Gambino sent a helicopter to pick them up.

Gong mo and dan Rong heard the sound of the helicopter coming back from the castle and knew that they had arrived. They quickly went out to welcome them.

"Cousin!" When Tian Cheng saw them, she called out in joy and ran over. second aunt, I heard you're pregnant? " Congratulations!"

"I'm already so old, what's there to congratulate me for?" Shan Rong said, embarrassed.

"That's why it's worth congratulating!" Tian Cheng said, " this means that aunt is getting younger and younger. When she has a little cousin, she will be more energetic!"

Gong mo saw the others walking over and said with a smile, " Let's go eat something first and then take a nap."

Tian Cheng rubbed her eyes. I want to sleep now. Can I eat after I'm asleep? "

"It's fine as long as you're not afraid of hunger!"

"Then I'll sleep first!"

She lived in school and had a regular schedule. She should have gone to bed long ago. He had to go back the day after tomorrow, and his biological clock would definitely not be able to adjust.

Gong mo brought her to her room and said, "sorry to trouble you." If I had known earlier, you could have come over after the college entrance examination. You could have played for a longer time."

"I'm fine. I'm very happy to see my cousin."

"Sleep first." Gong mo said with a smile.

Tian Cheng nodded. After she went out, dizhu Zhen fell asleep.

When he woke up a few hours later, the room was pitch black, but there was some light outside the window.

She fumbled around the head of the bed, found the switch, and pressed it. The crystal Light above her head lit up.

She stared blankly for a while, then looked around, and couldn't help but click her tongue.

This was really like a scene from an idol drama. Staying here for two days could be considered as an eye-opening experience for her, and it would be helpful for her future career.

After she put on her clothes, she heard footsteps coming from outside. She opened the door and saw Gong mo.

let's go eat. Gong mo laughed. you must be starving.

"Yes." Tian Cheng smiled shyly. what time is it now? " she asked worriedly.

"12."

“Heavens!” Tian Cheng couldn’t help but cry out, “ does that mean I’ll have to sleep again during the day? ”

“It doesn’t matter. You’re going back soon, and you don’t need to get over the jet lag. Sleep if you want, or we’ll have to do it again when we return!”

#### Chapter 666 capturing Zhou

After they arrived at the restaurant, Gong mo accompanied her for a meal. “Are my cousins asleep?” she asked.

...

“Yes, I am. He’ll probably wake up a few hours later.”

“Cousin, you must be sleepy, right? You go to sleep, I can eat by myself!”

“It’s okay, I’ll chat with you.” how did your arts test go? ” Gong mo asked.

“I think it’s okay,” Tian Cheng said confidently.

“How’s aunt?”

“It’s good. With the evidence of dad’s affair, we should be able to get a lot of assets when we get divorced. Anyway, she was worried that she would have no money to spend. By then, she would at least have a house and the remaining money would be enough to buy one. I’ve told her to get two houses, one for herself and one for rent. A little rent every month can be considered a stable income.”

“That’s right,” Gong mo nodded. But you have to be careful of first uncle and third uncle, they’re jealous of a little money!”

“Don’t worry! My mom said that when the time comes, she’ll transfer a house under my name. Even if she really can’t withstand the sweet words of elder uncle and youngest uncle, at least I can keep my house!”

“Don’t tell them about this!” Gong mo hurriedly said. They look down on women and think that women shouldn’t have property. If they know that the house is under your name, won’t they turn the world upside down?”

Tian Cheng nodded and said, ‘I’ve already said some harsh words to mom! If she doesn’t give me the house, the money is enough for her to live the rest of her life. If she’s cheated away, don’t come crying to me!’

“That’s right.” Gong mo chuckled. You should be tougher when you have a husband in the future.”

Tian Cheng’s face turned red. It was better to rely on oneself than on others! Finding a husband doesn’t mean you’ll find a good one. There aren’t many women as blessed as cousin, so you still have to rely on yourself.”

Gong mo nodded, “I can’t be bad.” As for the future, let’s leave it to fate!”

“Yes.”

After Tian Cheng finished her meal, Gong mo was so sleepy that he went to bed first.

Tian Cheng brought her revision materials and returned to her Room to Read and memorize her vocabulary.

Gong Bai and Yu Xinran woke up before dawn. Tian Cheng went to chat with them. When it was almost dawn, she stood on the castle and looked at the sea while waiting for the sunrise.

Yu Qingliu’s work and rest were irregular. When he was young, he often flew here and there, so he was very experienced in jet lag. He only woke up at eight or nine O’clock. Those who didn’t know would think that he was a local.

After breakfast, he told Hu Zi to catch the Zhou Dynasty.

The coffee table was full of things-pens, dictionaries, mobile phones, money, flutes, toy cars, small cakes, razors, and so on. There were also many other dazzling items from all walks of life.

Yu Qingliu was the one who threw the razor. He also threw a single-use syringe without a needle, afraid that it would prick the baby. He said that if he caught this, it would prove that the child would become a doctor in the future, just like him.

“Then why did you throw the razor away?” Sheng nanxuan was puzzled.

Yu Qingliu said, “maybe he’ll become a shaving head in the future!” Isn’t shaving a part-time job?”

He didn’t want his son to grow up to be a shaving head at all!

Look at the things they’ve prepared, they’re all very high-end! Even if he caught a small cake, he would at most be a foodie, but he would still be better than a shaving head!

“Alright, let’s start.” Gong mo said with a smile.

As Jason was recording, Yu Qingliu said to him, “Record it clearly!” He had to bring it back for the old man and old lady to see.

Gong mo placed Hu Zi on the ground. He was standing firm now, but he would not leave.

Hu Zi’s eyes lit up when he saw so many things. He waved his little hand and many things fell to the ground.

“You don’t like it?” Everyone laughed.

...

Seeing everyone laughing, Hu Zi shyly hid in Gong Mo’s arms.

Sheng nanxuan picked it up and touched the hat on his head. “Again!”

“Give daddy something. Be good.” Gong mo kissed his little face.

Hu Zi looked at Sheng nanxuan and stared at the things on the table. He reached out and grabbed a flute.

“Eh?” Yu Qingliu found it strange. who in your family has musical talent?”

Pa!

Hu Zi threw the flute on the ground and looked through the pile of things. He grabbed a seal and handed it to Sheng nanxuan.

Sheng nanxuan raised an eyebrow. He reached out to take it and kissed him on the face.”Good boy ~ again!”

The seal represented power. This was the prelude to becoming an official!

Hu Zi moved his body and looked at the pile of things with a conflicted expression. He picked up a ruler.

tsk ... Yu Qingliu said, ” I’m not far from being an official!

Hu Zi turned around and looked at Gong mo.

“Can we do it again?” Gong mo asked.

Hu Zi buried his face in his chest, full of resentment.

He was not used to so many people looking at him.

“Be good, one more time.” Gong mo pushed him away.

He looked at the things on the coffee table unwillingly and grabbed a scepter-it was something from a toy, made into the shape of a scepter, and inlaid with “ gems “, shining.

Oh! Sheng nanxuan exclaimed. you’re going to rule the country!

The ruler represented the law, but the seal and the scepter both represented power.

“It looks like your son has the talent to be the president!” Yu Qingliu said.

“Daddi!” Hu Zi reached out and handed the scepter to Sheng nanxuan.

Sheng nanxuan was stunned. He picked him up. “You called me?”

“Wu Wu Wu.” Hu Zi’s face was filled with impatience. He angrily threw the scepter at him and turned to look for his mother.

Sheng nanxuan threw the scepter aside, hugged him, and kissed him hard. “Good son! Call me that again!”

“Wuwu!” Hu Zi twisted his body impatiently.

“Why do you despise your father so much?” Sheng nanxuan was depressed.

Gong mo touched Hu Zi’s head and Hu Zi fell silent.

“Be good, call me daddy again.” She said with a smile.

Hu Zi turned to look at Sheng nanxuan, who looked back at him expectantly.

He immediately buried his face in Sheng nanxuan’s chest and became shy.

Everyone laughed.

Sheng nanxuan supported his butt and patted his back lightly. “It’s good that you know how to scream. Daddy, there’s no rush.”

Gong mo glanced at him and thought, who’s the one who’s lying on the bed and complaining every day? She really didn’t mean what she said!

The next morning, Tian Cheng returned to the country. Gong Bai naturally accompanied her back, and Yu Xinran followed Gong Bai.

With the three of them gone, Yu Qingliu was too embarrassed to stay any longer.

“Aren’t you going back for the new year?” he asked Sheng nanxuan before he left.

“Yes.”

“Let’s find some time to go back.” Yu Qingliu sighed. this old man really misses you guys.

Sheng nanxuan paused. there's definitely no way to help Chu Xi. Let's talk about it in the first month of the lunar year.

"That's fine," Yu Qingliu knew that in his heart, the people who were related to Gong mo were more important, so he didn't force it.

Half a month later, it would be the Chinese New Year. There were also many Chinese in Italy, and it was very lively where the Chinese lived.

However, dan Rong was pregnant, and Hu Zi was so young, so no one went out, afraid that too many people would squeeze them.

Anyway, the family was reunited, and being together was better than anything else.

Chapter 668 Getting more and more blissful each year

Gong mo and his family celebrated the new year according to the local time, so they watched the Spring Festival Gala in the afternoon and then made the New Year's Eve dinner.

...

Gong mo and Sheng nanxuan had prepared the New Year's Eve dinner together.

Shan Rong wanted to cook too, but the moment she entered the kitchen, she vomited from the smell of oil and smoke. Gambino was so frightened that he carried her back to her room.

After the New Year's Eve dinner, the few of them carried Hu Zi outside to set off fireworks.

Hu Zi was especially happy, pointing at the fireworks in the sky from time to time and shouting.

"Next year, he'll be able to release it himself," Shan Rong said with a smile.

Gong mo stared at the fireworks and muttered, "Time really flies."

Sheng nanxuan couldn't help but ask, 'where do you get that feeling from? We've only been married for a year and a half.'

"But I feel like it's just a blink of an eye. You see, Hu Zi will be able to run and jump next year, and he'll be in kindergarten in a year. At that time, time will be like an arrow, and it will take two years to waste."

"Then you can have your second child." Sheng nanxuan said.

you ... Gong mo choked and retorted angrily, "you just have to remember to have a second child!"

"I'm just joking." Sheng nanxuan laughed. don't be so sad. Hu Zi can't even speak.

"She just likes to think about all these unnecessary things." "Don't spoil her!" Shan Rong said.

Sheng nanxuan laughed. she's my wife. If I don't spoil her, who should I spoil? "

Gong Mo's face turned red.

"Aren't you guys mushy?" Shan Rong scoffed.

Gong mo said softly, "you and dad are also quite mushy, Yingluo."

"What did you just say?" Shan Rong was furious.

Gong mo pursed his lips and didn't dare to say anything.

"It's cold outside, let's go in first," Gambino hurriedly said to Shan Rong.

Shan Rong turned around with him and scoffed at Gong mo, "Go to bed early, don't let the child catch a cold!"

I know. Gong mo stuck out his tongue and looked at Sheng nanxuan. Happy New Year.

"It's not twelve yet."

"We've arrived in China."

"Okay, we're Chinese." Sheng nanxuan lowered his head and wanted to kiss her.

Hu Zi pushed him away unhappily and snorted at him. Then, he leaned on Gong Mo's shoulder.

Sheng nanxuan glared at him. you've learned to snatch people from me? "

hahaha! Gong mo laughed and suddenly gave him a Peck on the face.

Sheng nanxuan was stunned and stared at her.

Hu Zi angrily hugged her arm, feeling that she had betrayed him.

Gong Mo's face turned red as he turned around and walked into the house.

Sheng nanxuan followed her. give me the child. he said.

Gong mo handed the child to him, but the child was very dissatisfied.

Sheng nanxuan glared at him. you're getting heavier. Your mother can't even carry you!

Hu didn't understand what he was saying and thought that he was angry at him for being biased towards his mother. He immediately expressed that he loved him and gave him a Peck on the face!

Sheng nanxuan was stunned. He could not help but laugh."You little brat!"

He supported Gong mo with one hand and held Gong Mo's hand with the other.

Gong mo looked at him and held his hand tightly, " "I feel that I'm getting more and more blissful with each passing year."

Sheng nanxuan tightened his grip on her hand."I swear I'll be happier in the future."

"I believe in you," Gong mo said as he looked at him affectionately.

The fireworks exploded in the sky. Sheng nanxuan looked at her beautiful face and suddenly wanted to throw the child away and hold her tightly in his arms!

The child leaned on his shoulder drowsily, and suddenly shivered.

"Hurry up and go in!" Gong mo was shocked. Don't catch a cold!"

Sheng nanxuan immediately let go of her and wrapped the child in his coat.

Hu Zi opened his eyes and thought to himself, " Dad still loves me very much. I'll love him more in the future, as long as it doesn't exceed mom's.

On the night of the 14th day of the first lunar month, at the Yu family villa.

...

Yu Qingliu came back from outside, her face flushed with success. Seeing that the lights in the dining room were on, he walked in and saw that the other members of the Yu family were sitting at the table and eating dinner quietly.

"Has young master Qingliu had dinner?" the maid asked.

"Oh, take a bowl." Although he had already eaten, he could still accompany everyone!

Yu Xinran smiled and asked, "little uncle went on a date~"

ahem ... Yu Qingliu coughed awkwardly and asked everyone, " why aren't you saying anything? "

"Eat your food!" Wu surong said.

"I've already eaten."

"Then don't be an eyesore here!"

what's wrong? " Yu Qingliu was stunned. what happened to your grandmother? "

"She's just missing Hu. Don't talk nonsense!" Yu Xinran said softly.

"This New Year is so boring!" Wu surong put down her bowl and chopsticks and stood up.

"Didn't we do the same in the past years?" Yu Qingliu said.

“Don’t mess with me!” Wu surong glared at him and went upstairs.

Yu Qingliu said gloomily, “ in the past, they scolded me for not having a girlfriend. This year, after I found one, they scolded me again.

Yu Zhengming glared at him again. you still have the nerve to say that?!

forget it, Yueyue. I won’t say anything more. I’ll go and persuade mom.

“It’s fine as long as you don’t make her angry!”

“I’m just your punching bag at home!” Yu Qingliu was depressed.

Min Ling hurriedly said, “ don’t worry. The new year isn’t over yet. He might be back tomorrow.

When everyone heard this, they did not say anything. She didn’t know if Sheng nanxuan and the others would come back, but it was the new year, and they couldn’t start quarreling!

The next morning, Wu surong woke up, feeling as if she had lost all will to live.

Yu Zhengming was very spirited as he advised, “Don’t even think about it ...”

“Don’t mess with me!” Wu surong started to cry. that’s qinghuan’s child. I can’t blame you for not being able to see him during the new year! I wanted to celebrate Hu’s birthday with you and you fell sick. Now, you’re full of life!”

Seeing him cry, Yu Zhengming’s heart ached and he said softly, “ “You old hag, just say it, why are you crying?”

“I didn’t shed your tears!”

Yu Zhengming choked, placed his hands behind his back, and walked out. “Forget it, I’ll go practice some boxing.”

“Boxing, boxing, you only know boxing! In the end, you still get sick every day!”

“When did I get sick every day?” Yu Zhengming stopped. I get sick once a year. Isn’t it normal for me to be this old? You old hag, you’re really unreasonable!”

when I was young, you said I was lively and cute, but now you call me unreasonable?!

Yingluo. forget it, forget it. He better not say it.

Yu Zhengming opened the door and a black shadow suddenly flew over.

He hurriedly reached out to catch it and took-look-wasn’t this Hu Zi?

“Giggle, giggle, giggle.” Hu Zi laughed as he lay on his body.

“Hu Zi?” he asked in surprise. Why did you come back?” When she looked up, she saw Sheng nanxuan and Gong mo standing outside with smiles on their faces. Yu Qingliu was there too.

Wu surong hurried over, wiped her tears and smiled, “Why did you come back?”

She hurriedly carried Hu Zi over, and Hu Zi yelped.

Yu Zhengming rubbed his waist and mumbled, “Aiyo, why didn’t you tell me that my old back came back?”

Sheng nanxuan hurriedly helped him up and asked, "are you alright?" I wanted to give you guys a surprise."

"It's fine, it's fine," Yu Zhengming hurriedly said, " I practice boxing every day. I'm really good.

"I thought you weren't coming back!" Wu surong said excitedly.

I arrived yesterday. I didn't tell you because I wanted to give you a surprise today.

Chapter 670 Going to get the red packet

I received the call this morning, "Yu Qingliu said. it scared me.

...

"Give him to me, grandma. He's heavy now," Gong mo said to Wu surong.

"It's fine, it's fine," Wu surong couldn't bear to part with him. just for a while. I can carry him.

"You let me hug you too!" Yu Zhengming said.

"Didn't you just hug me?"

"I only hugged him for two seconds!"

"Then you can hug me later!"

Seeing them bickering, Hu Zi lay on Wu surong's body and giggled.

“Are you laughing at great-grandma and great-grandpa?” Wu surong said with a smile.

Hu Zi covered his face shyly and shouted at Gong mo, “Mom ~”

“You can call me mom now?” Wu surong asked in surprise.

“You can even call me mom and dad.” Gong mo replied, ‘I just don’t know anything else. I’ll teach him how to call them ‘grandfather’, ‘grandmother’, and then ‘grandfather’. I just taught him how to call them ‘great-grandfather’, and it’ll probably take a few months before he can learn how to call them ‘great-grandfather’ and ‘great-grandmother’.”

“It’s okay, there’s no rush.”

Yu Xinran and the others also woke up when they heard the noise. They came over in their pajamas and went to wash up after greeting each other. Then, they had breakfast together.

There was a rare round of laughter at the dining table.

Hu Zi also came to the table and stood on the stool. In front of him was a steamed bun and a bowl of minced meat porridge. The others were all glutinous balls.

He was too young and tangyuans were not easy to digest, so he was not allowed to eat them.

However, he was very curious. From time to time, he would look at the round things in Gong Mo’s and Sheng nanxuan’s bowls. Then, he would shout pitifully, “Mommy, Yingluo.” What are you guys eating? I’ll eat it!

“You eat this.” Gong mo scooped a spoonful of porridge and fed him.

He swallowed it reluctantly and turned to look at Sheng nanxuan.

Sheng nanxuan swallowed a tangyuan and said, "It's useless to look at anyone! It's delicious!"

Hu Zi pouted and lowered his head to bury his face in the steamed bun. He stuck out his butt and took a bite. Then, he raised his head and stretched out his small hand to poke the steamed bun.

"You're not allowed to play with food." Gong mo said.

he's not hungry yet," Sheng nanxuan said. don't worry about him. Eat first.

"Did you feed him before?" Wu surong asked.

Gong mo nodded.

"He's not hungry now, so don't worry about it. Eat your own food first."

"Okay, thank you, grandma."

After finishing the tangyuans, she fed Hu the porridge, and everyone watched with relish.

"He's still so young, but he eats quite a lot," Yu Xinran said.

"Which part is too much?" Wu surong said.

Yu Xinran gestured with her hands. I thought he would only eat a little.

"A little bit isn't even enough to fill the gaps between my teeth. He's going to eat more after he's finished this small half bowl. Children eat several meals a day!"

Hu Zi turned his head away, not willing to eat anymore.

"I'm full," Sheng nanxuan said.

"Then I'll feed you at noon." Gong mo handed the bowl to the servant and thanked him.

She followed everyone into the living room and placed Hu Zi on the floor. Hu Zi held onto the sofa and walked around, from one person to another.

"I just watched him grow up!" Wu surong said, " by the way, Xinran, quickly go to my room and bring me the red packet money I prepared! It's in the drawer at the head of the bed. There are a few red packets there. Your grandfather's and my red packets are all there!"

"I'll take mine too." Min Ling said.

"Mine is in the drawer of the study," Yu Qingliu said.

"How can you tell when there are so many of them?" Yu Xinran glared at them.

"It doesn't matter. It's all his anyway!" Wu surong said.

"Then help me carry it too," Yu xinzhuo said with a smile.

"I'll take all of yours!" Yu Xinran ran upstairs.
