Chapter 671 Ding dang is here

Gong mo looked embarrassed. Sheng nanxuan held his forehead and laughed. "I have to clarify that I'm not here to ask for red packets."

...

"I can't wait for you to come and ask for it every day!" Wu surong said.

After a while, Yu Xinran came down with a large pile of red packets, some big and some small. She placed them in order and remembered who they belonged to. She gave the four big ones and two small ones to Yu Zhengming and Wu surong. Min Ling and Yu Qingliu each had two big ones and one small one. The last two small ones were for her and Yu xinzhuo.

yay! Hu Zi looked at red packet curiously.

Wu surong waved her hand, "come, come and get it."

"I wish great-grandfather and great-grandmother a happy old age," Gong mo carried him over.

Hu Zi stood there, playing with his fingers and looking at everyone curiously.

Sheng nanxuan walked to his side and bowed to the two elders.

When he saw this, he stretched out his small hands and knelt down, even kowtowing on the ground.

hahaha Yingluo. everyone laughed happily. where did he learn this? "

"I taught him during the new year." after he learned it, he would bow to everyone he saw. After that, he almost forgot about it. When he saw people bowing on TV, he came back again. He's been addicted to this now.

“Hahaha, Yingluo is such a cute child.” Wu surong gave him the red packet. Happy New Year! It will grow taller and taller.”

Yu Zhengming also gave her a small red packet, “come back next year to get it!”

The remaining four red packets were given to Gong mo and Sheng nanxuan.

The rest of the people had also collected their items.

Yu Xinran, Yu xinzhuo, and Gong mo were of the same generation, so they only prepared for children.

“Old master, old lady.” A servant came over and said, “miss ding is here.

The Yu family looked at Yu Qingliu.

Yu Qingliu stood up awkwardly and went out to pick her up.

“What’s wrong?” Sheng nanxuan asked, puzzled.

Wu surong looked embarrassed, “this debt collector asked him to bring me a daughter-in-law. He went on a blind date and brought ding dang back!” Ding dang’s grandmother and I are very close friends. They’re not as good as us! I feel bad to see your granduncle. Ding dang was on a blind date with Wu Di before!”

Yu Zhengming sighed. they’re the ones who like each other. Just let them date!

Sheng nanxuan was stunned. He was suddenly worried about Wu Di. Wu Di had fallen for ding dang in the past. He wondered if she would be sad.

Soon, Yu Qingliu came in with ding dang.

Ding dang was wearing a red coat and holding his hand with a smile. He put on a straight face and pretended to be reserved.

Ding dang greeted Yu Zhengming and the others before asking Gong mo, "You guys are back? Uncle and Auntie have been missing you guys!"

They used to be called "Grandpa Yu and grandma Yu", but now they were called "uncle and Auntie". Yu Zhengming and Wu surong felt a lot of pressure.

Yu Qingliu saw their expressions and felt that she was really courting death. Every time ding dang appeared, their blood pressure would rise once!

Why did he lose his mind and agree to date her back then?

He tried to recall the plot-

After Yu Qingliu came back from Hu's birthday, she started to go on blind dates frequently.

After Wu Di received the news, he eagerly ran to tell ding dang, "Don't think about my little uncle anymore. He's on a blind date now, and he might get married next year with a chubby boy in his arms! You have no chance!"

Hearing this, ding dang was not disappointed. Instead, she became excited and patted his shoulder. "Wu Di! You're really a brother, you're so good to me!"

Chapter 672 Yu Qingliu and ding dang's love story (1)

Wu Di, "wait!" Your reaction isn't right? How am I good to you?

...

"I'll go on a blind date with him immediately!" he won't be able to escape this time! ding dang said.

Then, ding dang ran away from Wu Di.

Wu Di stretched out her Erkang hand and shouted in her heart, " Ziwei, don't go! It was wrong! It was "ding dang, don't go"!

dad! ding dang ran back home and told Ding Yuan, " dad, I'm going on a blind date!

what? " Ding Yuan asked in a daze. you quarreled with Wu Di? "

Ding dang said seriously, "I've never been in a relationship with him, okay?" I've already said it after the blind date during the new year, I don't like him, I hate him!"

"Haven't you guys been doing well recently?"

"We're just ordinary friends!"

"So you've been using him as a shield all this time?"

"I didn't!" She wasn't such a tasteless person!

Ding Yuan didn't believe her and asked, 'then why are you going on a blind date again? I thought you didn't want to get married?"

"I want to get married again now, okay?" Ding dang said.

“Then ask your mother to make the arrangements for you.” Ding Yuan continued with his work. The presidential election was in a month’s time, and he was very busy.

Ding dang went to look for Mrs. Ding in a hurry. After half an hour, Mrs. Ding dragged her to look for Ding Yuan. She shouted angrily, “You say it! Tell your dad yourself, what do you want?”

“What’s the matter?” Ding Yuan was puzzled.

“This crazy girl—Mrs. Ding said anxiously—” she said she-sigh!” What sin have I committed!”

“What’s wrong with you?” Ding Yuan pointed at ding dang.

“I’m just telling you my requirements for a blind date,” ding dang said innocently. “I’m just telling you my requirements.”

“What request?”

“Yingluo, it’s best if you’re around 40 years old. I like older girls.”

“Forty years old?” Ding Yuan was shocked. “How old is your father?”

“But you look old,” ding dang looked at him timidly.

you ... Ding Yuan wanted to slap her.

“I like older girls!” Ding dang said stubbornly, “I don’t like young and unreliable people like Wu Di!”

“Then we’ll talk about it when you’re forty!”

I’ll like a 60-year-old girl then!

you ... Ding Yuan pulled out a decorative sword from the wall and chased after her.

Ding dang had been trained in the police academy, after all. He broke into a run, and Ding Yuan couldn't catch up to him!

Mrs. Ding felt that ding dang's head must have been caught in the anti-theft door. When she saw how the forty-year-old man looked, she would definitely give up on this idea!

Mrs. Ding went to find out more about the unmarried, older men in the rich and powerful families. She specifically picked those who were over forty years old and finally found one person who fit the criteria- Yu Qingliu was on a blind date.

She broke out in a cold sweat!

Yu Qingliu was a man of striking appearance. If she had been born a few years later, she would have considered him, but this person did not look like a bear at all. Thinking back to how ding dang had been pestering her to go to the Yu family recently and how she'd acted like a good girl in front of Wu surong, could it be that ran ran had already taken a fancy to Yu Qingliu?

When Mrs. Ding came to ask ding dang, ding dang shyly admitted it. Then, she looked at him pitifully. he's been going on blind dates recently. Can you arrange for me to meet him? "

"She might not like you!"

"Then I'll give up!" Ding dang said seriously.

Mrs. Ding thought that since Yu Qingliu didn't even like those mature women with successful careers, he definitely wouldn't like this crazy girl, ding dang. So, she arranged for her to go.

Yu Qingliu's blind dates were all arranged by Min Ling, so Mrs. Ding was embarrassed to sell her daughter to Min Ling. However, she found out the date of Yu Qingliu's blind dates when they were chatting over tea.

Chapter 673 Yu Qingliu and ding dang's love story (2)

Mrs. Ding told ding dang to go there half an hour earlier, so that Yu Qingliu would think that she was the blind date from that day. Even if she was rejected, it wouldn't affect Yu Qingliu's normal matchmaking.

...

After ding dang left, Yu Qingliu was dumbfounded.

"Qingliu, I'm here for a blind date." Ding dang looked at him with a smile.

Yu Qingliu looked around and asked in a low voice, "Why are you here?"

"I hate to get married!" Ding dang lowered her head. if you reject me, I won't be picky. My next blind date is my husband.

"You ..."

"Can't you just try it out with me?" Ding dang looked at him. if it doesn't work, I'll give up. Otherwise, I'll think about it for the rest of my life.

Hearing this, Yu Qingliu frowned.

Even if he didn't try, he would still think about it for the rest of his life.

I'll be very obedient ~"ding dang said with a smile.

"I don't want a puppet as my wife," Yu Qingliu said with a sullen face.

“Then listen to me ~”

Qianqian shouldn't be like this, right? What right do you have to decide my fate with a single sentence?

I really, really like you~” ding dang supported her chin and looked at him affectionately. I smile when I think of you! I think you're so, so handsome in a suit, in a white robe, and in casual clothes! He's so handsome when he pranks people! He's so handsome even when he's staring at me and scolding me!”

“Are you being cheap?” Yu Qingliu asked with a frown.

Ding dang was stunned. She sat up straight, and her eyes suddenly turned red. Then, tears began to fall.

you hate me so much, Yingluo, ” she cried. do you really not like me at all? ” Yingluo, do you think it's impossible between us?”

Yu Qingliu clenched her fists.

Bang! Bang!

Ding dang stood up, and her chair fell to the ground.

Without saying anything, she turned and ran out of the dining room.

Yu Qingliu was shocked, and subconsciously chased after him.

Just as he was about to leave, a woman happened to enter. She looked at them in confusion and told the waiter who she had made an appointment with. The waiter pointed at Yu Qingliu, who had run out, and said, ” “That's Yingluo.”

The woman asked, “what's Wanwan doing?”

Yu Qingliu chased ding dang to the crosswalk.

Ding dang looked at the red light on the other side and turned to look at him with tears in her eyes.

Maybe it was because she was too beautiful under the neon lights, or maybe it was because she was not suitable for those tears, but his heart trembled. He walked over and said, "Then let's give it a try, ran ran."

"You think I'll try just because you say so?" Ding dang shouted,

"I, Yingluo, like you a lot too, but I'm afraid I'll hold you up. If you don't mind, I'm the one who's earning. I don't think I have any reason to refuse."

"I don't want you to earn any more!" Ding dang shouted angrily.

"Yingluo." Yu Qingliu was a little disappointed. then be careful on your way home, ran ran!

"Beg me one more time, will you die?" ding dang cried.

Yu Qingliu,"Yingluo, watch!" He knew he shouldn't have a girlfriend. Women were just so hard to grasp.

wuwuwuwuwu! ding dang cried until she was out of breath.

Yu Qingliu could only say,"I beg you, please be my girlfriend!"

"I won't!"

Didn't Yingluo say that she only needed to beg one more time?

“Wuwuwuwu!”

“Then I’ll be your boyfriend?”

“No, I’m not.”

“Yingluo, are you really not going to agree, or do you want me to continue begging you?” He asked carefully.

Ding dang glared at him.

He felt very innocent.

He really didn’t understand women!

He searched his body and took out a piece of toilet paper. “Do you want it?”

Ding dang reached out to take it, but he retreated.

you ... ding dang looked at him with dissatisfaction.

“It’s for my girlfriend,” he said.

Chapter 674 Yu Qingliu and ding dang’s love story (3)

Ding dang burst into laughter. She grabbed the tissue and lowered her head to wipe her tears.

...

Yu Qingliu pulled her into her arms, " "Don't cry, my heart hurts."

"Who's heartache?"

"Me,"

Ding dang hugged him tightly, feeling extremely happy!

It turned out that her boyfriend was good at sweet-talking, provided that she was his girlfriend.

He was so fierce when she wasn't his girlfriend.

But this was good too. She wouldn't have to worry about him messing around with other people, and he would only be good to her in the future!

Ding dang felt that she had good taste and had chosen the best man in the world.

When Mrs. Ding found out that they were together, she was filled with regret. She finally understood what it meant to be a nozonodie and a Youyou!

However, she was the one who arranged for ding dang to go on a blind date. She couldn't break up the two of them, right? Besides, she only had one child now. She couldn't even bear to marry him off. In order for her to find a partner she loved, she could only pinch her nose and accept it.

Mrs. Ding thought,"ding dang is a stubborn person. She won't turn back until she hits the wall. When she and Yu Qingliu can't get along, they will naturally break up. At that time, they won't need to be the bad guys as parents!"

She and Ding Yuan had looked for Yu Qingliu in private. Yu Qingliu said that he was sincere, so the two of them asked him not to have sex with ding dang before their marriage.

Yu Qingliu agreed.

He had originally planned to do the same. Ding dang was so much younger than her. If he wasn't her final destination, he would let her find other happiness in one piece. This was his love for her.

When the Yu family found out that he was with ding dang, the group of people was so shocked that their eyes almost fell out. The two elders even wanted to chop him up and feed him to dogs!

Wu surong even thought that Yu Qingliu had taken a fancy to ding dang a long time ago, and that was why she had never gotten married!

As for how early it was? Wu surong thought about it carefully. It was probably Yu Xinran's tenth birthday. That day, Yu Qingliu was at home, and ding dang had come.

Ding dang was only a few years old at that time, and he was already thinking about her. He was simply a beast!

Yu Qingliu felt extremely wronged. He swore that he had no impression of ding dang before!

Although the two elders were scolding Yu Qingliu, they were very kind when they saw ding dang.

Ding dang was too lively and felt uncertain. If Yu Qingliu was in his Prime, they definitely wouldn't be interested in such a daughter-in-law. She didn't seem proper.

However, Yu Qingliu was already so old, and ding dang was still willing to follow him. No matter what, the Yu family was earning, so they had nothing to be picky about.

What's more, they hoped that Yu Qingliu would quickly marry her. After this, they were afraid that there would be no such shop!

The memory ended!

“You came right after I gave out the red packets?” Yu Qingliu asked Ding dang.

“Ah?” Ding dang was stunned. you didn’t leave any for me? ”

Yu Qingliu’s head was full of black lines, ‘why should I keep it for you? It’s for Hu, not you!’

“What?” Ding dang was shocked. then I’m going to give Hu a red packet! I’m his brother-in-law!”

it’s still too early to talk about my little in-law, ” Yu Qingliu said awkwardly. don’t be so shameless!

“How am I not embarrassed?” Ding dang pouted. you’re the one who’s blaming me for coming late and not giving them red packets!

f * ck! Yu Qingliu couldn’t outtalk her, so he could only admit defeat. alright, I was wrong.

He was really wrong. He shouldn’t have bullied her back then, so karma had come!

hehe, hehe. Hu Zi laughed as if he was laughing at his stupid granduncle.

Yu Qingliu glared at him gloomily, and he hid behind Sheng nanxuan.

Ding dang walked over, squatted in front of him, and asked, ” “Can you let me hug you, my poor little thing?”

Hu Zi bit his finger and looked at her for a while before reaching out his hand.

Chapter 675 Where is your love for me?

Ding dang laughed happily and carried him up, saying to Yu Qingliu, " she's so cute! I want to give birth to someone as cute as her in the future!

...

"Shut up!" Yu Qingliu held her forehead and whispered.

She did not blush, but he did!

Ding dang pouted, lowered her head, and kissed Hu Zi. "Remember, I'm your brother-in-law!"

Yu Qingliu looked up at the sky helplessly, 'you're only in your early twenties, why are you fighting to be my mother-in-law? Don't you think you're old?"

Hmph! ding dang snorted. who asked you to be a grandfather?"

"....."

"Don't worry, I don't mind you being old ~"

Sheng nanxuan felt that he had lost!

In the past, he and Gong mo had always been the ones showing off their love. Now, someone was even better at showing off than them!

.....

When Sheng nanxuan got home that night, he called Wu Di.

"You're back?" Wu Di was surprised.

yes, I want to find time to visit granduncle. I don't know when he'll be free.

as long as you're willing to come, you can come anytime. I guarantee that he'll welcome you very much!

Sheng nanxuan smiled and said, 'tomorrow then. I didn't pay him a New Year's visit before, so I'll pay him a visit tomorrow.'

"Then I'll tell him later!"

"Are you alright?" Sheng nanxuan asked.

"What's the matter?" Wu Di was puzzled.

"Ding dang."

Wu Di, "shua shua shua"

Sheng nanxuan sighed. don't be sad. You can't force it. It's easy to find someone like her. If you're willing to be cheap, this lady will give you a big slap!"

"Get lost!" Wu Di roared, and after a while, he cried and wailed, "I finally understand what it means to shoot myself in the foot! I'm the one who pushed her to little uncle every time! It was at the beginning, and it was at the end!"

you always do this kind of thing. I thought you already understood. Sheng nanxuan said leisurely.

"How can you say that? Where is the love? Where's Your Love for me?" Wu Di roared.

"I'm sorry, I don't love you!"

what? ” Wu Di choked. what about our friendship? ” There’s this, right?”

“That’s why I was concerned about you just now.”

“Yingluo doesn’t need your concern. I’ve almost forgotten the pain of falling out of love, but now that you’ve mentioned it, I remember it again!”

“Oh.”

“Oh? You don’t have anything to say?”

Sheng nanxuan thought for a moment. you mean that it’s not enough for me to open your wound, ” he said. I should also sprinkle some salt on it? ”

“Goodbye!”

I shouldn’t be friends with a man without a conscience!

Wu Di felt that it was good that his sweetheart had run away, so that he would not have to give up a large forest for a tree!

Now, he was going to the forest to find trees. From now on, he would change one tree a day, and change one crickets a day. This was the life that the Wu family’s third young master should be living!

.....

At the dark night bar.

Wu Di asked for a glass of beer at the bar and turned to look at the beautiful women around him, ready to hunt.

Tsk, tsk. Today is the Lantern Festival, but these women are not going home to reunite with their parents. Jane is not a good child!

* Cough * He said it as if he was a good child~

Wu Di looked at them one by one and judged in his heart, " This one is too skinny! There were too many fans for this! This one was drinking and crying at the same time. He must have fallen out of love!

Eh? Isn't this Yingluo?

What was his name again?

He walked over and knocked on the table. "Hello?"

Tang Xinxin raised her head and looked embarrassed. She immediately lowered her head and took a sip of wine, then pretended to be drunk."Who are you?"

Wu Di said,"ran ran, she clearly recognized me."

Tang Xinxin noticed that he did not answer her, so she turned her head away and pretended not to know him.

Wu Di sat down in front of her. let's be friends.

Chapter 676 Fainted

Tang Xinxin ignored him and continued to drink.

...

Wu Di sat opposite him, drinking in silence.

They drank for a long time. Tang Xinxin's upper body rolled around on the table from time to time, looking very uncomfortable.

"Are you alright?" Wu Di asked.

Tang Xinxin shook her head and suddenly burst into tears. "Everyone I like doesn't like me!"

Wu Di: He had guessed it right, it was heartbreak!

"Me too," He said, feeling that they were in the same boat.

Tang Xinxin looked at him, and he found that her eyes were bloodshot and she seemed to be drunk.

"Do you believe it? I'm still a Virgin!" She said.

uh, Yingluo. he glanced at her. I can tell.

"How can you tell?" Tang Xinxin was surprised.

"Any experienced man can tell," he said after a moment of hesitation.

"You guys are cowardly beasts!" Tang Xinxin scolded.

Wu Di touched his nose guiltily.

Tang Xinxin suddenly stood up and lifted him up by his collar.

Their faces were so close that they looked like they were about to kiss.

Wu Di thought, could it be that she wanted to abandon her identity as a Virgin? And then he picked himself ~

Wu Di could not help but feel excited.

According to his sister, it was often written like this in novels. A chaste girl who was still a Virgin in her twenties immediately found a random person to do it with just because she was abandoned by the person she liked.

He had never encountered such a good thing before! I'm so happy just thinking about it ~

Sure enough, it was the right decision to drink tonight ~

"W-what are you doing?" he asked nervously.

Good news came, but he didn't want to be passive, or he would feel like he was being raped by a woman.

Wu Di decided that before she kissed him, he must strike first!

She's here, she's here ...

Wu Di was about to hold the back of her head and kiss her forcefully when she suddenly fell down.

"Eh?" Wu Di was shocked and pulled her back in a hurry.

She was lying in front of him, unconscious.

Wu Di was dumbfounded, "what happened to the kiss?" What happened to that thing?

He resigned himself to his fate and carried her out of the bar.

After getting in the car, he looked at Tang Xinxin, who reeked of alcohol but was unusually quiet. He sighed and said, "You're quite classy, actually not vomiting!"

uh, Yingluo. he looked at her nervously. Yingluo, if I sleep with you, you won't beat me up, right?"

She was his person once she got into his car!

But Yingluo shouldn't take advantage of him!

Moreover, she was Gong Mo's friend. If she woke up and went to Gong mo for help, he would definitely ask Sheng nanxuan for help. Sheng nanxuan would definitely not be polite to her!

"Where do you live?" Wu Di sighed.

Tang Xinxin was very quiet.

He hesitated for a moment, then reached out and shook her hard. "Wake up! Wake up! Wake up!"

He shook her for a long time, but Tang Xinxin showed no signs of waking up.

Wu Di looked at her and suddenly felt that she was not drunk, but unconscious. He immediately let go of her.

Thump!

Tang Xinxin's head hit the car window, but she still didn't wake up.

Wu Di was frightened, "did he die from alcohol poisoning?"

He reached out to feel her pulse. She was still alive!

However, she really looked abnormal right now. He immediately fastened his seat belt and stepped on the accelerator.

The car stopped outside worriless hospital. He got out of the car with Tang Xinxin in his arms and ran inside in a hurry. "Where are they? Where was he? Come and take a look, what's wrong with her?"

Chapter 677 Thank you

Tang Xinxin opened her eyes and saw a white curtain embroidered with lace swaying in front of the window. Beside the curtain was the sunlight. The sunlight fell on the floor, clean and warm.

...

Her mind was a little muddled, and she couldn't tell where she was.

"You're awake?" A voice came from the side.

She turned her head and saw Wu Di in a sweater, looking a little handsome.

She got up in a daze, and Wu Di quickly helped her up.

thank you, Wanwan. after she sat down, she awkwardly retracted her hand and looked around. She asked in confusion, " where is this? "

“The hospital.” Wu Di looked at her strangely. have you forgotten? ”

uh ... Tang Xinxin rubbed her forehead. I'm a little confused.

“The doctor said that you fainted because you were overworked.”

“Oh.” Tang Xinxin nodded. She thought that he must have sent her to the hospital when they were drinking. “Thank you,” she said.

Her voice was very soft. Wu Di hesitated for a moment before he understood what she was talking about. “You're welcome,”

Tang Xinxin smiled awkwardly and turned to look out of the window, then touched her dry hair.

She paused and looked at the hair in her palm. If even his hair was like this, wouldn't his face be even uglier?

“Do you want to eat something? I'll ask the nurse to buy it for you.”

“I'm sorry to trouble you,” Tang Xinxin said in a hurry. She was indeed very hungry and had no strength in her body.

Wu Di pressed the bell to call the nurse in, then asked Tang Xinxin, “It's the new year, how can you be overworked? Aren't you on vacation?”

“I'm working overtime.” Tang Xinxin said bitterly.

“Where do you work?”

I'm an assistant to a celebrity. They don't rest during the new year.

“Is that so?”

the more popular you are, the more you won't rest. My boss is very popular this time.

“Who is it? Is she pretty?”

“It's a man.” Tang Xinxin looked at him, speechless.

uh, hehe. Wu Di was a little embarrassed. She wanted to ask, “ am I handsome? ” but was afraid that she would doubt her sexual orientation, so she had to change the topic. your body is your own, so don't work too hard!

I won't, ” Tang Xinxin said in a low voice.

Wu Di looked at her and felt that she did not look like this because she was tired, but because she had been jilted.

He moved his lips, wanting to ask what was going on, but he felt that it was not good to pry into other people's privacy.

well, have you been here all this time? ” Tang Xinxin looked at him.

“Uh, Yingluo, you're just doing good.” Wu Di was a little embarrassed. it's the middle of the night. I don't want to disturb other people.

“Thank you!” Tang Xinxin said seriously.

“You're welcome. Since you're awake, I'll take my leave.”

“Alright,” he said.

“Do you want me to call your family to take care of you?”

“My parents are abroad,” Tang Xinxin said after a moment of silence.

“Should I inform Gong mo?”

“Don’t!” She hurriedly said, “ I don’t want to trouble her!

“Then, Yingluo, do you want me to take care of you?”

“Thank you so much for your help. I’ll go online and ask a housekeeper to take care of me,” Tang Xinxin said. How much does it cost to see a doctor? I’ll pay you ...”

no need, no need. Take care of yourself first. When you’re done, just treat me to a meal.

“Yingluo, alright.”

Wu Di’s phone suddenly rang. He hurriedly took it out and said, “ I’ll go outside to take a call.”

Tang Xinxin nodded. When he was out, she took a look at her phone and saw several messages.

It was from Yang Mi and her manager.

Yang Shu asked in exasperation, “where have you been?” Aren’t you going to come back to work?

Chapter 678 Forget it if you don’t want to say

She replied, "hospital, I'm exhausted."

...

She threw her phone down and pulled the blanket over her head as she lay on the bed.

Soon, his phone rang.

Hello?" Wu Di walked in and asked, " why didn't you answer the phone? "

Tang Xinxin immediately got up and hung up the call.

Wu Di looked at her deeply. It was not appropriate for her to ask about her private matters, so she said, " my grandfather asked me to go home for dinner. I have to go now. Call me if you need anything.

"Oh." Tang Xinxin agreed in a low voice.

"Do you have my number?"

Tang Xinxin raised her head and looked at him warily.

Why would a man want a woman's phone number? Hit on her!

However, he had just saved her life, and Tang Xinxin knew that he was just concerned about her. In order to make it more convenient for her to treat him to a meal in the future, she decided to tell him.

However, she did not say anything even after a long while.

Wu Di said gloomily, "it's fine if you don't want to say, ran ran."

Although I did have the intention to court you, I really didn't just now! He really measured the heart of a gentleman with his own mean measure!

Tang Xinxin picked up her phone and said embarrassedly, " my mind is in a mess. I can't remember my number. Tell me your number. I'll call you.

"Ran ran, how tired are you?!"

He lowered his head and gave her his number. Tang Xinxin saved it in her phone and called him.

At that moment, the nurse came back with some delicious food. Wu Di said, " "Alright, I'll be leaving first."

"Please take care of her," he said to the nurse.

"Alright," he said. The nurse said with a smile.

After he left, the nurse placed the porridge in front of Tang Xinxin. "You can only eat light food now."

"Thank you. How much is it?" Tang Xinxin nodded.

you don't have to worry about that. It'll be included in the hospitalization fees.

"How much is ran ran's hospitalization fee?"

"Uh, hehe."

"How much is the ward a day?" Tang Xinxin pointed at the house.

It was obvious that it was a VIP Ward. She didn't have that much money at all!

"Can I have a normal one?" she asked.

you can tell this to young master Wu Di," the nurse said. he arranged it. We don't dare to change it for you.

"But I was the one who was hospitalized!"

"He sent you here. We really didn't dare to."

Did the patient lose her human rights?

Tang Xinxin ate the porridge gloomily.

The nurse sneaked a glance at her and asked carefully, "you're young master Wu Di's girlfriend?"

"No!" Tang Xinxin denied it immediately.

The nurse nodded and thought,"that means they're still chasing after her."

young master Wu Di is so good to you. He's been watching over you the entire night. She couldn't help but put in a good word for Wu Di. Perhaps after the matter was settled, Wu Di would thank her for being the matchmaker and give her a raise?

Tang Xinxin was surprised and looked up at her. "When did I get here?"

"Around 12." The nurse said, "I heard it from my colleague on duty. You drank some wine and vomited on young master Wu Di."

wuwuwuwu. no wonder he was wearing a sweater. Her coat was destroyed?

Were his clothes very expensive? Including the hospitalization fees, how many meals would he have to buy before he could even it?

.....

When Wu Di returned to the Wu family's mansion, dinner was already served. Because Sheng nanxuan had come over, and the whole family was there except for him.

"Yaya~" Hu Zi greeted him.

"Call me uncle!" He walked over and tapped his face.

Hu Zi looked at him in a daze for a while and could not call out. He turned to look at Sheng nanxuan.
"Daddi Daddi"

"Good girl." Sheng nanxuan adjusted his cute tiger head hat.

Wu Di snorted, "you're actually ignoring me ~"

Chapter 679 Gong mo visits

"Why aren't you sitting down!" His father said, " you clearly know that nanxuan is coming, but you're still waiting for everyone to invite you!

...

"Uh, Zhenzhen, I have something to do. I didn't do it on purpose." Wu Di found a seat and sat down.

what could you be busy with?! His father glared at him fiercely. you only know how to play around every day! Look at the dark circles under your eyes!”

Wu Di reached out to cover his eyes, thinking, “it’s really not me this time!” It was all because of Tang Xinxin last night! She was so exhausted that after giving her an IV to replenish her energy, she started to vomit and cry!

ha ... Hu Zi saw his actions and immediately covered his eyes with his hands.

Wu Di, “Wan Wan,” actually copied him?

“Hehehe.” Hu Zi let go of his hand, glanced at him, and then immediately covered himself again.

Gong mo smiled. sit down. Everyone needs to eat. No playing.

Everyone laughed and couldn’t help but say, “It’s so cute ~”

Embarrassed, Hu Zi leaned against Gong mo and said, “Mommy, Yingluo.”

“Mommy wants to eat.” Sheng nanxuan carried him to his lap. be good.

“Oh.” He had fed him before the meal and was not hungry now. So, he did not make a fuss and sat obediently on Sheng nanxuan.

In the afternoon, when Gong mo and Sheng nanxuan left, Wu Di sent them to the car alone and took the opportunity to say to Gong mo, “Tang Xinxin is in the hospital.

“What happened to her?” Gong mo was shocked.

“Yueyue is overworked.”

Wu Di still wanted to say that he had broken up, but that was just his guess, so he didn't say it.

I haven't been in contact with her recently, "Gong mo said guiltily. I only called her during the new year. I'll go see her now!

Gong mo hurriedly got into the car. Sheng nanxuan looked at Wu Di in confusion. How did he know that Tang Xinxin was hospitalized? Could it be that

"Why aren't you coming up?" Gong mo called out from the car.

coming, coming, Yingluo. Sheng nanxuan hurried up.

They went to the hospital and entered Tang Xinxin's ward.

Sheng nanxuan glanced at the ward and thought, " Tang Xinxin shouldn't be willing to stay in the VIP Ward. Was it arranged by Wu Di? The two of them were stunned.

"Quickly close the door!" Gong mo said anxiously.

Sheng nanxuan choked and closed the door in resignation.

He felt that his position in his wife's heart had plummeted. He couldn't even compare to Tang Xinxin!

"What are you doing here?" Tang Xinxin asked.

"Wu Di told me." Gong mo sat by the bed. are you alright? "

Tang Xinxin bit her lip and scolded Wu Di for being a big mouth in her heart. She smiled and said, "I'm fine. I've been staying up late and didn't sleep much, so I suddenly couldn't take it. I'm full of energy now, and I'm preparing to get discharged!"

"You can forget about it!" Gong mo exclaimed, "you're going back to work after being discharged! Stay here!"

"Yingluo, Are You My Mother?" Tang Xinxin felt aggrieved.

"I'm not your mother, I'm your sister, okay? Uncle and Auntie aren't here, so of course I have to take care of you." Gong mo asked, "aren't you Yang Jing's assistant now? I saw the news online. He's going to hold a concert soon. If you're discharged, you'll be busy again."

what the f * ck! Tang Xinxin looked uneasy and disappointed. "I'm ready to resign," she said after a moment of hesitation.

"Why?" Gong mo was stunned.

"I'm tired." Tang Xinxin smiled. I know what to do. I'm so tired that I'm sick, so I definitely need to rest. Yang Mi is going to hold a concert soon, and his manager won't let me take leave, so I can only resign."

Chapter 680 I'll be old tomorrow

this Wanwan," Gong mo asked hesitantly, "will it be easy for you to find a job in the future?"

...

"Let's talk about the future in the future! I was so busy with work this time that I didn't even go home for the new year. My parents came all the way back and only got together with me for one day. They've resigned. I'll go and visit them."

"That's fine. I'll give myself a long vacation."

“Then can I get discharged now?” Tang Xinxin asked with a smile.

“Still no!” After Gong mo finished speaking, he paused for a moment before saying, “it’s fine if you want to be discharged. You can stay at my place! In case you go to work again!”

It was very uncomfortable to live in someone else’s house. Tang Xinxin didn’t want to trouble her, so she said, “Alright, I’ll stay for another day. I just need to rest now. There’s really no need for me to stay for too long.”

“You won’t run away after I leave, will you?” Gong mo looked at her suspiciously.

Tang Xinxin, “Yingluo.”

“I’ll send someone to look after her,” Sheng nanxuan said.

“Alright!” Gong mo nodded.

Tang Xinxin was speechless, “I’m impressed!” Can you come and pick me up from the hospital tomorrow?”

sure~” Gong mo patted her head. look at you. Your skin is dull and your hair is dry. I’m doing this for your own good. You’re only in your early 20s, which is the golden age for women. Although you don’t have a face full of collagen like a 16-year-old girl, you should still be quite fresh! But your current state of mind is worse than mine, a married woman with a child! If you continue to torment yourself like this, you’ll be old tomorrow!”

Tang Xinxin covered her face and asked in horror, “I’m really old?”

Gong Mobai glanced at her and said, “didn’t you look in the mirror?” She used to be so energetic and looked like an 18-year-old young beauty. And now? Even a 28-year-old would look better than you!”

How could he break Qianqian if she wanted to die?

don't worry ~"Gong mo consoled her. rest well and don't work so hard in the future. You don't lack money, so why go to the entertainment industry? You're still an assistant and you have the same routine as a celebrity. You're even more tired than a celebrity, but you're not a celebrity! If you were a star, it would still be reasonable, but what are you doing now?"

Tang Xinxin put down her hand. actually, I've been thinking whether I should just work in front of the TV. Although I've never learned how to act, I can sign up for an acting class at the last minute and take my time!"

Gong mo was stunned,"what's wrong with you?" The entertainment industry is such a mess!"

Tang Xinxin glanced at Sheng nanxuan and smiled. "Isn't there the night God? I'm your friend, can't I take advantage of this?"

Gong mo nodded and said,"go if you want to. At least you won't suffer a loss if you tell CEng Shuai." But you're already exhausted now, what if you're exhausted again in the future?"

"Alright, I'm just joking." Tang Xinxin laughed. I'd better rest for now. As for the future, I'll think about what to do."

"Alright, then."

mommy ... Hu Zi turned his head in Sheng nanxuan's arms. He had been sleeping all the way here and was still sleeping when he entered the room.

"You're awake?" Tang Xinxin said happily. Come and give Auntie a hug~"

Gong mo carried Hu Zi in his arms and placed him beside Tang Xinxin.

Tang Xinxin hugged him and kissed him. "Do you still remember Auntie?"

Hu Zi looked at her and smiled. She said happily, " it doesn't matter if you remember it or not, as long as you can smile! This proves that I'm still very popular!

Gong mo patted Hu Zi's back and taught him, " "Call me Auntie."

Hu Zi opened his mouth, and after a while, he looked at her with a wronged expression."Mommy!"
