Chapter 681 Liking Yang Jing

“Oh, then call me aunty.”

...

After learning for a long time, Hu Zi finally learned how to call her “aunt.”

“What is he?” Tang Xinxin was confused. Or are you calling me?”

“I’m calling you.” he would tilt his head whenever he made a ‘huh’ sound, ” Gong mo replied. he had a curious look on his face.

really! It’s so cute!

.....

In the evening, Tang Xinxin went back to her room after having dinner in the hospital’s cafeteria.

The doctor prescribed two more bottles of IV drips for her. She sat on the bed obediently with the IV drip in her hand, scrolling through Weibo with her other hand and reading a novel after she was done.

After a while, Yang Jing’s manager called.

“Hello?” she picked up the phone, stunned.

“Are you coming back to work or not? Yang MI’s concert is about to start, why are you throwing a tantrum now?”

“I’m in the hospital now. How am I supposed to work?” Tang Xinxin was upset. I’m not Yang Jian’s slave!”

The manager choked and sneered, “Haven’t you always been a slave for him? I didn’t know what you were thinking when you were sizing me up. Is Yang Jian someone you can covet? Now that he has a girlfriend, you can-”

Pa!

Tang Xinxin hung up the phone and threw it aside.

Yes, she had fallen for Yang Shu!

She had applied to be Yang Jing’s assistant after her leave last year.

In the beginning, she was really just an assistant. Although the two met every day, Yang Jing was very cold to her and they did not talk much.

Later on, as she slowly got to know Yang Jing, she realized that she was not like what was written on the internet. She was a good person. At this time, Yang Jian began to find trouble with him, intentionally or otherwise.

After Gong Bai and Yu Xinran got together, she had been very sad. She didn’t show it, but Yang Jing seemed to have noticed it. She comforted her and didn’t cause her any trouble. After that, the atmosphere between the two of them became a little ambiguous, making her feel that he had bullied her like a kindergartener bullying a little girl he liked.

He cared about her, and she did her best for him. Although he didn’t say it out loud, she thought that he liked her. This time, he didn’t have to have a one-sided love like last time!

Yet, at this time, he suddenly brought his new girlfriend home.

He didn't explain anything to her, and he didn't need to explain anything to her, because they were nothing.

She thought that she might have misunderstood everything before.

.....

In Yang Shu's apartment.

The agent gritted his teeth in anger and cursed Tang Xinxin in his heart.

Yang Shu came out of the bathroom in a bathrobe.

He was a singer. He wasn't very handsome, but he was cool, not only in front of the stage, but also behind the scenes.

He lit a cigarette and asked his manager casually, "Have you contacted Tang Xinxin?"

"She said she's in the hospital, it must be fake!"

Yang Shu paused and put down her lighter. "What if it's true? She said she's here, so you should go and take a look. Otherwise, what if she's unhappy and goes online to spread the news?"

this Wanwan! the manager's expression changed and he immediately stood up. I'll go right now!

"Go on." Yang Shu looked at her lonely figure on the window and blew out a ring of smoke.

The agent called Tang Xinxin, but she didn't answer. He could only send her a text message, "which hospital and Ward are you in?" Yang Shu told me to go see you.

Tang Xinxin held her breath when she saw that. Would Yang Jian and Qianqian come personally?

She laughed at herself, "how is that possible?"

He was a superstar now. If he was discovered, it would be very troublesome. Besides, he already had a girlfriend. What more could she hope for? If she wasn't careful, she would end up as the third party.

Chapter 682 Love rival is Lin Jing

She wasn't someone who couldn't let go. As long as she didn't have the chance, she wouldn't wait bitterly, and she wouldn't pester him. It was the same for Gong Bai and Yang Jian.

...

However, she was a little sad. She had fallen in love with these two men in her life, but neither relationship had blossomed, let alone the results.

Could it be that she had a one-sided love for her entire life?

Tang Xinxin shivered. That would be terrible!

She replied to Yang Jing's manager's text message and was prepared to tell him about her resignation when he arrived, so as not to bump into Yang Jing when she went to him in the future.

After receiving the text message, the manager said to Yang Shu, "Then I'll go."

Yang Shu's fingers tightened around the cigarette and she nodded slightly. She didn't look like anything was wrong.

After his agent went out, he immediately put the cigarette into the ashtray and searched for Tang Xinxin's number on his phone.

His finger lingered on the screen for a while, but he didn't press it in the end. He put the phone aside.

.....

After the manager got into the car, he suddenly thought of Yang Jing's new girlfriend. She had told her that if there was anything between Yang Jing and Tang Xinxin, she must tell her.

Now, did it count as something?

He hesitated for a moment before dialing the other party's number. "Miss Lin, Wanwan."

"What?"

Tang Xinxin was hospitalized. Yang Jing asked me to visit her.

"Why are you in the hospital?"

"I think I'm tired."

tsk ... the other party sneered. don't go for the self-torture trick-Zhenzhen. I'll go! Don't tell Yang Jian!"

"This bi an ..."

"If Yang Shu asks you, just say that you've been there."

"What if Tang Xinxin tells him?"

"She won't tell," she said firmly.

.....

When the nurse came to change the second bottle of drip for Tang Xinxin, Tang Xinxin asked the nurse to wash some fruits for her.

Some of the fruits were bought by Wu Di, while others were bought by Gong mo.

The nurse washed some fruits and smiled. miss Tang, you have to eat less. Otherwise, you won't be able to resist going to the toilet.

it's okay. I feel that my body is lacking water.

"Then, miss Tang, remember to ring the bell when you need it." The nurse smiled and left.

Tang Xinxin was munching on an Apple. She took a look at the time on her phone and estimated that Yang Jing's agent would be here soon.

Sure enough, he had only eaten a third of the Apple when there was a knock on the door.

Tang Xinxin felt nervous.

She knew that there was a 99.9% chance that Yang Shu would not come!

But in front of his manager, he had to be more alert. I'm afraid the following conversation won't be too pleasant.

"Please come in," she cleared her throat.

hi ~"a female voice that seemed to be smiling yet not smiling could be heard.

Tang Xinxin suddenly raised her head and narrowed her eyes. "What are you doing here?"

Lin Jing closed the door and walked towards her with a smile. "You want Yang Jian to come?"

"You're thinking too much," Tang Xinxin lowered her head and opened the novel that she had just been reading.

"Do you think that I've stolen your Yang Jian?" Lin Jing lowered her head and asked her.

he's with you because you have a good brother, " Tang Xinxin said calmly. it's not because he likes you.

Tang Xinxin felt that she had bad taste.

The two men she liked had both chosen the daughters of rich families.

Of course, they were not necessarily greedy for wealth. Gong Bai was definitely not. As for Yang Jian ...

She felt that she had not been overthinking things before. Therefore, for the sake of his future, Yang Jian wisely chose people who would be more helpful to his career.

The president of Star Entertainment, Zeng Shuai, was good friends with Lin Jing's brother, Lin Lei. Although Lin Jing and Zeng Shuai were not good friends, Zeng Shuai would definitely give Lin Jing some face for Lin Lei's sake. Then, her boyfriend would also be valued in Star Entertainment.

Chapter 683 You're not even qualified to be my love rival

Not to mention, Lin Lei and CEng Shuai had Sheng nanxuan as their backer!

...

"I don't like him either." Lin Jing put her hands on the bed and looked straight at Tang Xinxin. but I'm going to take him away from you.

"Have I ever offended you?" Tang Xinxin asked with confusion.

of course not, but you're a good friend of Gong mo.

Tang Xinxin's face fell.

she snatched Sheng nanxuan away from me. I can't do anything to her, so I can only take revenge on her best friend.

"You're sick!" Tang Xinxin scolded.

"Whatever you say!" Lin Jing stood up straight and looked down at her. if you want to hate someone, hate her. Don't hate me.

"Trying to sow discord between Gong mo and me?" Tang Xinxin sneered. Then you're too eager for quick success, and the results are minimal!"

Lin Jing's eyes narrowed.

Tang Xinxin said,"although I like Yang Jing a little now, it's not like I can't do without him!" Besides, I've never told him that he's not mine! If you wait until I date him, get married to him, and have a child with him, then come to break us up, then the damage to me will definitely be multiplied. However, I won't hate Gong mo for this. Because in terms of love, I've always been able to accept and let go. Didn't you, Sheng nanxuan, like me? You should go see a psychiatrist."

you ... Lin Jing was furious.

“The ancient people say that people of different paths can not make plans together. And I have to say, with our different views, you’re not even qualified to be my love rival! Who Do You Think You Are? Loser! A clown!”

“Tang Xinxin!” Lin Jing roared, raised her bag, and hit her on the head.

ah! Tang Xinxin screamed.

“What are you doing?”

The door of the ward was suddenly pushed open. Wu Di rushed in and pulled Lin Jing away.

“Are you alright?” He asked Tang Xinxin in a hurry.

Tang Xinxin raised her hand, and the needle in her hand was pulled, and some blood oozed out.

Wu Di immediately pressed the call for help and said nervously, “Don’t be afraid, you’ll be fine,” He then shouted at Lin Jing, “how dare you attack a patient?” Do you want me to call the police or call Lin Lei?”

Lin Jing looked at them, stomped her foot fiercely, and turned to leave.

Wu Di turned his head to look at Tang Xinxin. Her hair was a mess from Lin Jing’s beating and she looked particularly embarrassed.

One of his hands pressed down on her arm that was receiving fluid transfusion, and the other hand pushed her hair back. Then, he held her face, wanting to see if there was any injury on her head.

Tang Xinxin looked at him in surprise.

Wu Di was stunned and immediately let go of her, turning around awkwardly.

Tang Xinxin moved her hands and said, "Don't move. What if the blood vessel breaks?"

"Yingluo." Tang Xinxin lowered her head.

The nurse ran in and gave her a new injection, but with a different hand. It turned out that the hand was bleeding non-stop, and the tape did not work. Wu Di pressed it down for her.

After the nurse left, Tang Xinxin said in embarrassment, "I'll do that Yingluo myself?"

"That hand of yours isn't free." you want to use your feet? "Wu Di asked.

Tang Xinxin stayed silent for a while before asking, "What are you doing here?"

"I'm Yingying!"

He just wanted to look on the bright side. However, wouldn't it be very ambiguous to say this?

"I'm here to look for my uncle, so I came to take a look."

"Oh, Yingluo, thank you."

I'm fine, Yingluo. Wu Di picked up the half-eaten Apple that had rolled on the bed and threw it into the trash can. what happened just now? "

Chapter 684 Are you trying to hit on me?

"You didn't hear me?" Tang Xinxin was surprised.

...

uh, Zhenzhen. Wu Di was a little embarrassed. I did hear that you really like that person?" Yang Shu? She seems to be quite popular. My sister asked me to send her CDs."

"It's normal to fall in love with each other over time, Yingluo." I'm quite disappointed to know that he's with Lin Jing," Tang Xinxin said calmly. I don't want the man I like to be the kind of person who would do anything to achieve his goals. Actually, it's fine if he doesn't like me, but Yingluo,"

"Forget it." Tang Xinxin sighed. I've never said anything about it, so just take it that I'm imagining things."

"You don't hate Gong mo?"

Tang Xinxin shook her head and smiled. only a loser will blame others. He never tries to find the reason himself!

In fact, when she found out that Yang Jing's girlfriend was Lin Jing, she had also felt that something was amiss. That was why she didn't tell Gong mo in the afternoon, for fear that it had something to do with him. She didn't expect that she would be right.

Wu Di suddenly grabbed her hand. She was shocked and looked over.

Wu Di was also shocked. He quickly pulled back his hand and looked elsewhere with an embarrassed expression.

Tang Xinxin saw that he was blushing and laughed. "You want to hit on me?"

Wu Di's face reddened again. She turned to look at her. "Are you going to make it for me?"

Tang Xinxin was struck dumb for a second, then turned her head away with a smile. She was so embarrassed that she didn't know what to say.

Wu Di knew that she still liked Yang Jian and would definitely not accept her now.

However, he was still a little disappointed.

He stood up. I'm leaving. Remember to take the drip. Call the nurse over when it's time.

"Thank you," she said. you've saved me twice in a row and paid for my hospitalization fees. I must treat you to a big meal! Tang Xinxin said.

alright, contact me when you're ready.

Wu Di went out, but in his heart, he thought,"why don't you devote yourself to me?"

Tang Xinxin looked at the tape on the back of her hand and searched for 'Wu Di' on her phone.

Gossip! Gossip! Another piece of gossip!

Tang Xinxin snorted , 'you still want to hit on me?

Wu Di stood in the elevator and searched for "Yang Jian" on his phone. Tsk ~ isn't he just a singer? Look at his appearance, he wasn't even as handsome as her! No, he had to say bad things about him to his sister and make her stop being his fan!

.....

After breakfast, Gong mo brought his son to the hospital to pick up Tang Xinxin.

When they entered the ward, the child shouted to Tang Xinxin, " "Aunty ... Aunty ..."

Tang Xinxin quickly walked over and held him in her arms. "You still remember aunty, so obedient! You're so smart!"

Tang Xinxin kissed him on the cheek, and he smiled happily.

"Sheng nanxuan didn't come?" Tang Xinxin asked.

"He had something to do and went out." Gong mo said.

Every time Sheng nanxuan went out, he would tell her where he was going or what he was going to do. However, most of the time, she would not understand even if she knew.

For example, she couldn't figure out why he was going to find Ding Yuan today.

She rarely asked about his business matters, and she was only familiar with the matters of AI Mo books. She knew nothing about the other companies.

However, she knew that he was going to set up a group, so she guessed that he was looking for Ding Yuan for this.

"He's not here?" Tang Xinxin smiled sinisterly and threw a flirtatious look at her. then you're mine!

"You're almost mine!" come to my house after you're discharged, " Gong mo said sternly. you won't be able to have a proper meal if you go home alone.

"You've really become an old mother!~ Tang Xinxin pouted ~

Chapter 685 dog abuse demon

our nanxuan likes it when I'm his mother and control him!

...

"Alright, alright, stop showing off! I'll go! I'll go, alright?"

Gong mo smiled with satisfaction.

Before he left, the doctor came to do a check and instructed, " take your medicine on time and have a good rest. Don't stay up late in the future and have a regular diet.

I understand, I understand. Tang Xinxin hurriedly nodded.

The doctor had the nature of a mother, and she couldn't stand it when he nagged!

They walked out of the hospital and got into the car.

"Do you often stay up late?" Gong mo couldn't help asking.

"It's not often." Tang Xinxin felt guilty.

"You're already hospitalized, and you still dare to say you don't do it often?" Gong mo frowned. you're playing with your life!

"I won't dare in the future! This time, I was scared too. I was afraid that I would die. If that happened, my parents would be so sad!"

"It's good that you know!"

"You didn't stay up overnight?" Tang Xinxin asked.

"I don't think I have the chance to do so," Gong mo said after some thought.

"You're so lucky!" Tang Xinxin said with emotion. Stay up late was either forced by others or not forced by himself! He was forced for work, but he was not forced for fun. You don't have either. One, you don't have to work and only need to play. Two, when it's time, someone will take care of you and let you sleep enough before you play. Hey, hey, hey, this dog is so cruel!"

Gong mo poked her on the forehead and said, " "You can think of everything!"

"You and Sheng nanxuan are dog-abusing demons, okay?"

Gong mo paused for a moment before he laughed,"what are we?" You haven't seen my parents, and ..."

"Don't tell me!" I don't want to be hurt anymore. Tang Xinxin stopped her.

Gong mo smiled helplessly and said,"alright." But since you don't want to be hurt, hurry up and find someone!"

"Where are we going to find it? It's falling from the sky!"

"If you're like this now, even if you fall from the sky, you won't be wanted."

Tang Xinxin immediately covered her face with her hands and looked at her gloomily.

She said,"let's go to my place for lunch first. I've asked the nanny to make some lettuce. Some are good for the body and some are good for beauty." Although one meal couldn't make up for it, it was better than nothing! Let's go to the SPA this afternoon!"

okay, " Tang Xinxin agreed readily. I've resigned. From today on, I'll take care of my beauty and bring back the luster on my face! When I reach a new height in my beauty, I'll go visit my parents, then come back and get a rich husband. I'll show off my love in front of you every day!"

.....

At noon, it was just the two of them having lunch.

Hu Zi was walking around in his baby walker, stretching his head to look around.

“He’s looking for his father?” Tang Xinxin asked.

“Yup,” Gong mo could not help but laugh. nanxuan is rarely absent. He’s not used to it once in a while.

“Tsk, this is what it means to be spoiled! Other people’s fathers don’t have so much time to be at home.”

that’s right! Gong mo couldn’t help but sigh. Other people’s husbands didn’t have so much time to spend with her.

dad! Hu Zi walked to the exit of the living room and shouted towards the corridor.

Gong mo stood up and carried her over, saying, “Dad’s not at home.”

“Daddy?” Hu Zi looked at her pitifully.

“You ignored him when he was around, and now you miss him.” Gong mo put him down beside a half-height stool, and his hands were just enough to hold the stool.

Tang Xinxin put a toy on the stool.

Hu Zi took the toy and looked up at Tang Xinxin, then lowered his head and started to play with it.

Gong mo dialed Sheng nanxuan’s number and put it on speaker. “Hu Zi misses you.”

Chapter 686 Inherited his father's intelligence

"What is he doing?" Sheng nanxuan's voice was gentle and smiling.

...

"Daddy!" Hu Zi heard his voice and called out.

good boy! Daddy will be back in the afternoon. Sheng nanxuan laughed.

Gong mo asked,"what time will you be back?" I want to go out with candy heart in the afternoon, but it might not be convenient to bring Hu."

"What time are you guys going out?"

"Two O'clock,"

I'll go to Lin Lei's for a meeting in the afternoon. You bring the child over and hand him over to me.

"Uh, if there's a meeting, will it be awkward?"

"It's okay, he can learn some knowledge."

"He's only one year old," Gong mo replied.

"It knows how to greet people. It's very big."

Yingluo, that's your situation, right?

After hanging up the phone, Gong mo opened the photo album in his hand for Hu Zi to play with.

They were all photos they had taken in Italy. There were photos of her and Sheng nanxuan, as well as Shan Rong and Gambino. Of course, Hu Zi was also included.

Hu Zi was particularly excited as he read, daddy, mommy, mommy, Mhmm, mhmm, mhmm, mhmm? ”

He jabbed around and accidentally turned on the camera, but everything was gone. Just as she was about to cry, she accidentally poked the front camera and watched the child play on the phone.

Tang Xinxin took a glance at it and asked Gong mo to take a look as well.

Gong mo snickered and didn't disturb him. She had to eat quickly so that she could feed him.

Hu Zi poked, poked, poked, and poked the button again. With a click, the shoot was successful.

your son's IQ is unbelievable, ” Tang Xinxin said. no wonder your husband wants to teach him now.

“It's hereditary,” Gong mo said.

Tang Xinxin paused for a second and asked with a straight face, ” “I don't think you're that smart.”

nanxuan's? ”

“.....”

“Something's wrong!” Gong mo suddenly recalled, ” I was even more impressive than Nan Xuan when I was studying. Why isn't he mine? ”

“However, with his current achievements, it is indeed his.” he wasn’t a wolf in sheep’s clothing when he was in school, was he?” Tang Xinxin was confused.

“Uh, hehe.” This was indeed the case.

Tang Xinxin touched her chin and said, ‘Hmph, I’m sure it’s because he wants to hit on you! When you told him your homework, you made him the only boy around you! This person is too cunning!’

“Didn’t you matchmake us in the past?” Gong mo asked in confusion.

“I’m young and ignorant, okay?” Tang Xinxin choked.

“I’m not blaming you.” Gong mo smiled. thank you for thinking highly of us ~”

Tang Xinxin heaved a long sigh and said, “it’s a pity that I didn’t know what it meant to be single back then!” Otherwise, I’m not going to support you!”

“Dog!” Hu Zi suddenly barked and knocked on the stool with the toy in his hand. doggie!

“Your family is too much!” Tang Xinxin held her forehead and said.

aunty ... Hu Zi suddenly turned around and stretched out his arms, looking like he was asking for a hug.

Tang Xinxin was about to hold him, but he lost his balance and fell to the ground.

ah!!!! Hu Zi jumped in shock. Then, he simply fell back and laid down in a big ” ” shape.

Tang Xinxin burst into laughter.

“Who taught you that?” Gong mo picked him up gloomily.

“Daddy, Daddy,” Hu Zi said blankly. What’s wrong with this?

Gong mo decided that he had to discipline Sheng nanxuan’s daily behavior!

After dinner, she rested for a while. Then, she prepared the things that Hu Zi would need for his trip and set off with Tang Xinxin.

When she arrived, Sheng nanxuan was already waiting by the roadside.

Chapter 687 What kind of father is this!

The weather was very cold. He was wearing the scarf that Gong mo had knitted for him last year. It looked a little old and didn’t match his clothes, but he was very handsome.

...

Gong mo smiled and walked out of the car. Tang Xinxin greeted him by leaning against the car window.

“You’ve been discharged?” he asked with a smile.

“It’s obvious,” Tang Xinxin said.

Sheng nanxuan nodded. it’s all thanks to Wu Di for telling us. Otherwise, we wouldn’t have known.

Tang Xinxin was stunned. She felt that he had seen through her, so she hid in the car guiltily.

Gong mo was reminded of this as well. How did Wu Di know that candy heart was hospitalized for no reason?

Sheng nanxuan kissed Gong mo. go ahead. Have fun.

it's been hard on you ~"Gong mo said," he's quite obedient now. If you're busy, you can just leave him in the car.

"Yes."

Gong mo waved his hand at the child and turned around to get into the car.

Sheng nanxuan watched as the car drove away. He pushed the baby stroller with one hand and carried the child with the other as he walked into the office building.

The child looked around curiously, making sounds of confusion from time to time.

Sheng nanxuan was very proud. He always felt that his son was very smart!

During the meeting, he couldn't bear to leave the child in the care of his Secretary, so he carried the child into the meeting room.

Everyone watched helplessly as Hu Zi crawled around on the office table. They were afraid that he would fall and blocked his path from time to time.

He was probably unhappy with everyone's obstruction, so he peed on a supervisor's document.

"Are you trying to stamp dad's name?" Sheng nanxuan muttered.

"Hehehe." Hu Zi laughed.

"You're still laughing?"

Hu Zi was stunned. He lowered his head and only then did he realize what he had done. She didn't know if he was embarrassed or disgusted, but he turned his head and crawled away, the tip of his shoes dragging the urine all the way.

"Are there any surveillance cameras here?" Sheng nanxuan suddenly asked.

"No," Lin Lei said after a pause.

The meeting room often discussed confidential matters, so naturally, there were no cameras installed.

"What a pity!" Sheng nanxuan wrung his hands. Wouldn't it be better to record this kid's crimes?

Everyone wondered what kind of father he was!

.....

In the spa, Gong mo and Tang Xinxin were lying on the bed, and the physiotherapist was slowly massaging their backs.

"What's going on between you and Wu Di?" Gong mo asked slowly.

what do you mean by what happened? " Tang Xinxin was about to fall asleep.

"Don't play dumb. How did he know that you were hospitalized? I was so worried about you that I didn't think there was something fishy going on!"

"....."

"Actually, Wu Di is not bad either." Gong mo said, " Nan Xuan treated him as a friend from the start. That means there's nothing wrong with him!

didn't you see the flowery news all over the screen? "

"Uh, hehe."

"Can you please stop thinking about that when you see a man and a woman?" Tang Xinxin smiled.

Gong mo replied,"it's not that I want to, but you're acting very strange right now!" If it's nothing, why don't you just deny it?"

Tang Xinxin stayed silent for a while and then said,"alright!" I'm fine, but I don't know if he is!"

"You mean he's chasing you?"

"That's not it. With his Playboy nature, he won't be interested in my appearance these past two days!"

"You've seen him before!"

"That's why he saved me!"

"Save?"

"I went to the bar for a drink that night and met him. After I fainted, he sent me to the hospital." Tang Xinxin said. He paid for my medical and hospital fees, but I wanted to return it to him. He didn't want it, and I promised to treat him to dinner."

Gong mo was puzzled,"that day was the Lantern Festival, right?" Why are you drinking on such a big day?"

Chapter 688 He's so good, how can he not be worthy of me?

"I knew it! If I tell you the truth, you'll definitely Ask Me Another question!"

...

Gong mo,"hehe."

"I don't understand myself either," Tang Xinxin sighed. I've been working overtime for so long and I'm so tired. Why should I drink instead of going home to sleep? Could it be that Qianqian's fate is predestined?"

Gong mo knew that she was hiding something from him. He sighed and said, "If you don't want to say it, then don't say it."

"Thank you!" Tang Xinxin said with a smile.

Gong mo smiled and closed his eyes to continue enjoying the spa.

After they were done, the two of them walked out of the room and met Yu Xinran and ding dang, who were also at the spa.

"Gong mo!" Yu Xinran was pleasantly surprised. If I knew you were coming, I would've asked you to come!"

"Where's Hu Zi?" Ding dang asked.

"I'll leave it to his dad!" Gong mo said.

Ding dang nodded,"as long as my husband is good enough, I can be free after giving birth!" After I give birth, I'll also hand over one to Qingliu and continue to catch thieves and solve cases!"

Tang Xinxin was stunned. Isn't that Yingluo?"

"Yu Qingliu!" you don't like him, do you? " ding dang asked warily.

Tang Xinxin waved her hands and asked curiously, " "You're going to have sex with him."

"He's my boyfriend now." Ding dang said happily.

"Yingluo is really unexpected!"

"Do you think I'm not good enough for him?" ding dang was dissatisfied.

"No, no, I just think that you're so good that he's not worthy of you!"

Unexpectedly, ding dang became even angrier after hearing this. She rolled up the sleeves of her bathrobe and was ready to fight. he's such a good man. How can he not be worthy of me?!

Tang Xinxin was dumbfounded and thought, I didn't expect that there would be such a responsible girlfriend in this world! Yu Qingliu was truly blessed!

Yu Xinran hurriedly held ding dang down,"Auntie! Auntie!" Don't be angry! You and little uncle are the best match, a match made in heaven, a perfect pair! Let's go change our clothes first~"

that's more like it~" ding dang smiled in satisfaction. I knew you had sharp eyes.

Yu Xinran said to Gong mo and Tang Xinxin, " "See you later~"

"Are you alright?" Gong mo nodded and asked Tang Xinxin.

Tang Xinxin pointed at ding dang's back and said,"I admire her!" If only I was a man, Yingluo."

“Ah?”

“Such a girl is so cute! What kind of f * cking luck did Yu Qingliu have? I’m so jealous!”

“I think the two of you will become a perfect pair of good friends!” Gong mo said with much difficulty.

“I won’t!” you’re my best friend, ” Tang Xinxin said with certainty.

“Thank you!” Touched, Gong mo said, ” by the way, nanxuan and I are having a make-up wedding next year. Do you want to be the bridesmaid? ”

“I really want to be your bridesmaid, but are you so sure that I won’t be able to get married next year?”

“.....”

After changing their clothes, the four of them gathered at the entrance and went to the nearby shopping mall together.

The four of them didn’t lack money to spend. Tang Xinxin, who was the poorest among them, didn’t hesitate to use her cards. Gong mo and Yu Xinran even had a lot of black cards.

He bought it when he fancied it, and he was so happy!

” Ding dang put the bag on the ground, picked up her phone, and said, ” I can’t carry so many. I’m going to ask Qingliu to pick me up!

Tang Xinxin, police officer, where’s your face?

“Ah!” Yu Xinran suddenly remembered. I promised to have dinner with Gong Bai. I almost forgot about ran ran.

“Are you going back?” Gong mo asked, “I’ll give Nan Xuan a call, then.

Tang Xinxin saw that all three of them were on the phone. “I’m never going to shop with you guys again! Are you bullying me because I don’t have a boyfriend?”

Chapter 689 Gong ye is coming to the capital

“Uncle, I love you the most!” Ding dang shouted into the phone, “ I want to buy you a gift!

...

After she hung up, she said to everyone, “GO!” GO! GO! I’m going to pick a belt for Qingliu to tie him up!”

“Why didn’t you buy a tie?” Tang Xinxin asked.

“Because I’ve already bought a tie!”

Tang Xinxin ,’don ‘t stop me! I want to die!

.....

Yu Qingliu was the first to arrive, and ding dang happily followed him. She felt that Yu Qingliu came first, which meant that she was the happiest ~

Tang Xinxin was hurt by the lovey-dovey dog, so she took a taxi home alone.

Gong Bai and Sheng nanxuan arrived almost at the same time.

“Why don’t we have dinner together?” Sheng nanxuan asked.

Gong mo looked at Yu Xinran and Yu Xinran nodded. “Alright,” Gong Bai said to Sheng nanxuan.

When they got into the car, Sheng nanxuan saw the bags that Gong mo was carrying and said, “This is the first time I’ve seen you buy so much.”

“It’s rare for me to come out and buy something, so I bought more in a moment of happiness,” Gong mo said, embarrassed.

“It’s okay. I’ll do my best to earn money.”

Gong mo choked and whispered, “you can’t spend all your money on Zhenzhen.”

I can’t be too sure about this. In any case, I’ll just keep earning! If she decided to buy an Island or something one day, the money might not be enough.

“Fei Yan is coming to the capital,” Gong Bai said while they were eating.

The other three people were stunned. Hu Zi grabbed Sheng nanxuan’s bowl and started to gnaw on it.

“When?” Yu Xinran asked.

“In two days.”

she just graduated this year, right? ” Gong mo asked.

Gong Bai nodded, "I don't have any classes. I'm waiting for my graduation certificate in June." There aren't many shows in Nanjiang, so she came to Beijing."

Yu Xinran lowered her head, deep in thought.

"Where does she live?" Gong mo asked.

"I want to rent her a private house."

Yu Xinran often spent the night at his place. If Gong ze moved in, she would definitely bully Yu Xinran, not to mention whether it would be convenient.

you ... Gong mo paused. He turned to look at Hu Zi when he heard the cracking sound.

Sheng nanxuan hurriedly covered his mouth.

"Wu Wu Wu Wu!" Hu Zi looked at them angrily.

"I'm hungry," Sheng nanxuan said.

"Feed him something," Gong mo was a little frustrated.

She wanted to ask Gong Bai if he had that much money, but she couldn't do it in front of Yu Xinran.

Gong Bai's income was already quite good, but it was still far from Yu Xinran's living standard. His current life was still alright. Once Gong ye came, he could not help but spend money on Gong ye. Gong ye would definitely not be satisfied if he rented a house that was too poor, and the good ones were too expensive.

"Then let me know when she comes." let me know if there's anything you need me to do, " Gong mo said.

Gong Bai nodded.

“Has she signed with an agency?” Sheng nanxuan asked.

“I signed one in Nanjiang before.”

“Most management companies will arrange accommodation for their artistes. But the company in Nanjiang can’t possibly arrange for Wanwan to be in the capital.”

Gong mo and Gong Bai looked at him, not understanding why he said it was useless.

Yu Xinran understood. Nanjiang’s company is not as good as the company in Beijing. They’ll jump ship sooner or later.

Gong Bai frowned.

Gong Ying’s current contract was at least three years. She wanted to terminate the contract ahead of time?

But they definitely couldn’t afford the penalty!

However, when artists jumped ship, most of them did not have to pay the penalty themselves, but a new company. However, with Gong ye’s current fame, no company would be willing to invest in her under normal circumstances. She was probably going to use some extreme means again.

Chapter 690 I don’t want a baby on Valentine’s Day

Gong Bai had a headache. Even if the Yu family was satisfied with him, they wouldn't tolerate him having a sister in the entertainment industry. Furthermore, she was so annoying and didn't walk the right path!

...

On the way back, he told Yu Xinran, "If you see flare in the future, you must tell me if she's doing something wrong." He didn't want her to suffer in Gong ye's hands.

"Yes." Yu Xinran didn't say much.

From Hu Yinghong's appearance, she could imagine Gong ze's temper. Coupled with Gong Bai's words, she naturally knew that Gong Mao was not easy to get along with.

If Gong Bai protected her sister, she could only bear it. However, with Gong Bai's attitude, she didn't have to worry about anything. She could just treat him as a stranger.

.....

Sheng nanxuan sat in his office, looking distressed.

The computer screen in front of her showed the calendar of the month. Tomorrow was Valentine's Day. He wanted to have a romantic moment with Gong mo, but his parents weren't around and there was no one to help them take care of their child.

He didn't want to leave the child in the hands of the nanny and nanny. He was always worried about strangers. It would be better to give it to the Yu family. At least they have some blood relations.

Eh? The Yu family? How about the Yu family, Yingluo?

Tsk. It's a pity that Yu Qingliu has a girlfriend now, so he's definitely going on a date. Otherwise, he'd be the best candidate, because he's the closest to Hu Zi.

boss," Fang Yang walked in.

"What is it?" Sheng nanxuan glanced at him.

Fang Yang said guiltily, " we still haven't found any information about Carter. Huo Cheng is on high alert. The relevant departments can't get involved. We have no way to find out more.

Sheng nanxuan rapped his fingers on the table. "Then the Liberal Party must win the presidential election! When Ding Yuan became the president and took over the country's Affairs, he would be able to interfere anywhere. It would be clear what Huo Cheng had done. It would definitely take some time for Carter to set up a new laboratory. There was no evidence to find him now, but he would not be able to escape in a year! However, the earlier we find it, the earlier we can deploy it. Continue searching!"

"Yes!"

.....

The next day, Sheng nanxuan brought Gong mo and Hu Zi to the Yu family after lunch.

After arriving at the Yu family, Gong mo went down embarrassedly. "I don't want to go in! It's so embarrassing!"

The old man would definitely laugh at her if she left her child with him for a date.

"Then wait for me." Sheng nanxuan smiled and kissed her. Then, he carried the baby and pushed the pram into the villa.

The baby's pram was filled with all kinds of things that the child needed-diapers, milk powder, toys, and clothes.

He had called his parents a long time ago. They were so happy that they were already in the living room, looking forward to it.

“Although you’re married, you still need to cultivate your feelings as a couple.” Wu surong said, “Valentine’s Day should be spent alone. Leave Hu to us. You don’t have to worry!”

Sheng nanxuan laughed to himself. His actions were exactly what the two elders wanted. Usually, Hu Zi wouldn’t be able to stay for long, so how could the two elders be satisfied? They were naturally happy to have Hu Zi spend some alone time with them today.

“I don’t know how long I can keep it.” Sheng nanxuan said, “if he cries, give me a call. I’ll come and pick him up.”

“Alright. He knows someone, so he probably won’t.”

Sheng nanxuan squatted on the ground and said to Hu Zi, “Dad and mom have something to do. Can you tell great-grandpa and great-grandma first? I’ll come pick you up later.”

Hu Zi was holding a toy car and looking at him in confusion.

He kissed him and stood up to say to the two elders, “if he’s having too much fun and has forgotten about us, I’ll have to trouble you to take care of him for one more night. I’ll come and pick him up tomorrow.”
