

Ditsy Wife 711

Chapter 711 I hate you!

Gong Bai opened the stock market software and began to study the stock market.

...

“Alright, what does sister Xinran’s family do?” Gong ye said helplessly.

“Why are you asking this?” Gong Bai glanced at her.

“Mom can’t recognize what she’s wearing, but that doesn’t mean I can’t!” She’s wearing branded clothes, and every part of her is worth at least a hundred thousand!”

“Is that so?” Gong Bai lowered his eyes.

If she knew Yu Xinran’s identity, she wouldn’t make things difficult for Yu Xinran, but she would definitely try to curry favor with her. He felt embarrassed just thinking about it!

“Did you buy it for her?” Gong Mao looked at him sternly.

“You should go to bed!” Gong Bai glanced at her.

Seeing him like this, Gong Ying took it as a silent agreement and gritted his teeth.

Suddenly, she saw that there was something under the book beside his hand. She quickly pulled it out and saw that it was the receipt for his purchase of clothes in the afternoon.

“Give it back to me!” Gong Bai was stunned and shouted.

Gong Fei's hands were trembling. The receipt didn't state what was bought, only the name of the store and the amount of money. Naturally, she didn't know that most of the money was spent by Gong Bai.

In her memory, Gong Bai was not such a wasteful person.

In that case, these tens of thousands of Yuan were all spent by Yu Xinran?

She crumpled the receipt into a ball and threw it on Gong Bai's face before she yelled like a crazy person, "I told you to buy it for me, but you can't bear to, yet you have the money to support a woman outside!"

"She'll be my wife in the future. It's only right for me to raise her!" Gong Bai stood up.

"I'm your sister!" Gong Mao screamed.

"I'm just your brother, not your father or your husband! I have no obligation to you! If I take care of you for the rest of your life, won't I have to get married in the future?"

"But you're not married yet!"

"I don't need to get married with a sister like you! If it were you, would you be willing to marry?"

ah ... Gong ye grabbed the bookshelf and pulled. The books on it fell down.

"I hate you! I hate you!"

She grabbed a book and tore it in half. Then, she threw it on Gong Bai and left the room.

She knew that Gong Bai was right. She also knew that if her boyfriend had a sister who was against her, she would definitely not tolerate it!

But other people were other people, she was her! She wanted Gong Bai to spend money for her, but she couldn't tolerate his girlfriend!

.....

They were going to the Yu family's house for dinner that night. Gong mo brought Hu Zi over after lunch, hoping that the child could spend more time with the elderly.

When she arrived, she saw Yu Xinran, Min Ling, and Wu surong sitting side by side on the sofa in the living room. They were talking about something on a laptop.

"Grandma, first aunt." Gong mo greeted him with a smile.

Wu surong said happily, "Aiyu, I was hoping that you would come earlier, but you really did!" Hu, come and give me a hug ~"

"Hug, hug." Hu Zi said as he opened his arms.

Gong mo quickly carried him over and Wu surong hugged him happily.

"You can sit here," Min Ling stood up and said to Gong mo.

"Thank you, first aunt." Gong mo sat down next to Wu surong with Yu Xinran on either side.

"Where's nanxuan?" Wu surong asked.

"He's busy, so he'll come later."

Wu surong nodded. a man's career is more important.

“Yes,” Gong mo replied with a smile.

In the past, Sheng nanxuan did not put his career as his priority. He would only leave home to go to the company if she chased him away. Recently, he had been very busy because he had to deal with the problems left behind by the Sheng family and the FARC, and because he had to form a group with several companies under his control, and because Ding Yuan was running for president.

Chapter 712 Where do you want to take my granddaughter-in-law?

Of course, Gong mo supported him in his career development. Anyway, he came home on time at night and didn't socialize, so she wasn't worried that he would mess around.

...

Yu Xinran got up and sat beside her. She asked in confusion, "What's wrong?"

"It's grandma's birthday next month. We're discussing the guest list," Yu Xinran said with a smile. We don't know about you and nanxuan's friends. We'll wait for you to tell us."

Gong mo was taken aback. I don't know much about Nan Xuan's friends. It's up to him whether we should invite him or not, right? "

"Then what about you?"

Wu surong laughed and said, "what friends do you have? please come over and join us!" You don't have to be afraid of being restrained. When you young people get together, you won't have to be afraid of not having any common topics."

I'll contact them when I get back, " Gong mo said after some thought. I'll let you know when I get back.

I'll give you some when the invitation is ready, " Yu Xinran said. fill it out yourself!

Gong mo nodded.

Yu Xinran glanced at the time on the lower right corner of the computer and closed the lid. it's so early. Grandma, why don't you play with Hu Zi and I'll play with Gong mo? "

"Where do you want to take my granddaughter-in-law?" Wu surong asked anxiously.

Aiyo! Yu Xinran pretended to be jealous. now that you have a granddaughter-in-law, you don't even want your own granddaughter anymore!

Gong mo couldn't help but laugh,"I won't dare to come again after hearing what you said .."

"Don't!" Yu Xinran shouted, " if you don't come, grandma will really not want me anymore!

haha ... Wu surong and Min Ling laughed.

Hu Zi also raised his head and laughed.

Gong mo tapped his nose and said to Yu Xinran, " "Then I'll go with you!"

"Let's go!" Yu Xinran held her hand and quickly ran upstairs.

Hu Zi glanced at her and continued to lean on Wu surong.

"You'll be able to take care of her if you're familiar with her," Wu surong said to Min Ling.

"He knows that mother is good to him, so he's naturally close to her."

Upstairs, Gong mo followed Yu Xinran into the room.

Yu Xinran threw her laptop on the bed and asked, "What do you want to do? Do you want to play at home or go out?"

this place is quite far from the city,"Gong mo said. we won't have time to go back and forth. Let's just stay at home.

"Then shall we have tea and chat, play sports, or watch a movie?" Yu Xinran asked with a smile.

it's all up to you ~"Gong mo smiled. I'm fine with anything.

Yu Xinran thought for a while and said,"there's a fish pond nearby. Grandpa went there to fish. He said he'll have an extra meal for dinner. Why don't we go and look for him?"

"Alright!" Gong mo agreed.

"I'll get some clothes." Yu Xinran walked into the cloakroom, took a thick coat, and asked, "did you bring a coat? Do you want me to get you one?"

uh ... Hehe ... Gong mo hesitated. She didn't expect to go out because there was heating in the car and in the house, so she didn't wear thick clothes.

Yu Xinran heard her hesitation and knew that she needed it. She asked, "What color do you like?"

"As, as you wish." Gong mo said awkwardly.

Yu Xinran stuck her head out and took a look at her, then picked up something that matched the color of her clothes.

The two of them went downstairs with their coats. Min Ling asked, "You guys are going out?"

“Let’s go find Grandpa.” Yu Xinran nodded.

Wu surong said, “then he knew that Hu Zi was here, so he came back in a hurry!” When the time comes, you’ll have to fight with me again!”

“Then I’ll tell him to come back after he catches a fish!” Yu Xinran rolled her eyes.

“Maybe he has already caught one?”

it can’t be that fast, right? ran ran, ” Yu Xinran mumbled. if he catches it, I’ll kick him back into the pond!

Chapter 713 Cousin is a very good person

you ... Wu surong was anxious. She couldn’t bear to see the old man suffer like this. However, the next second, she burst out laughing and pointed at Yu Xinran. “You mischievous spirit! You’ve been bullying your grandfather since you were little!”

...

“Don’t mess around!” Min Ling said.

Yu Xinran stuck out her tongue and ran away with Gong mo.

Wu surong said to Min Ling, “when Ranran was young, she kicked over her grandfather’s fish bucket and all the fish ran away. The old man told me, ” I’m not a kid. Look at how energetic our ran ran is ~ with that kick, I can tell that she’s very healthy.”

pfft ... Min Ling laughed. you and dad spoil her. You should discipline her.

"If you and Qingping manage it and we manage it, that would be too strict!" Wu surong heard Hu Zi laughing at the side and asked him, "don't you think so, Hu Zi?"

"Fish ~" Hu Zi said.

"You're still thinking about the fish? Then you must ask your great grandpa to catch a few for you!"

"Eh? Does he like fish?" Min Ling asked, " I'll get someone to bring a small fish tank with two small goldfish for him to see!

"Good! Hurry up and go!" Wu surong said hurriedly.

.....

Gong mo and Yu Xinran walked out of the villa and slowly walked towards the fish pond.

"Has my cousin arrived in the capital?" Gong mo asked.

"You didn't see her?" Yu Xinran nodded and asked.

"No," Gong mo replied with a smile.

Yu Xinran thought of Gong Mao's character and guessed that he wouldn't take the initiative to visit Gong mo. "She doesn't seem to like me very much," she sighed without asking further.

"It can't be?" Gong mo was puzzled. If Gong Jie knew Yu Xinran's identity, would he not suck up to her? She was stunned and asked, "she-"

"What?" Yu Xinran looked at her in confusion.

"I'm fine," she shook her head. Gong Fei is a little arrogant, but she's still her, and my cousin is my cousin."

"I know," At the thought of Gong Bai, Yu Xinran's smile became very gentle. Gong Bai is very good to me.

"Cousin is a very good person." Gong mo nodded in agreement.

It was not appropriate for her to ask too much about the relationship between Yu Xinran and Gong Bai. However, since it concerned Gong Bai's character, she naturally wanted 32 likes!

"If I miss him, I might not be able to find such a good person again!" He sighed.

"Then you must treasure it well ~" Gong mo laughed.

"Don't worry!" Yu Xinran nimbly jumped onto a stone block by the side of the road, and then jumped down again.

Gong mo couldn't help but laugh.

"What are you laughing at?" Yu Xinran was curious.

"I'm laughing, Yingluo. You're obviously older than me, but you're like a little girl. Getting married and having children can easily make a woman old."

"What did you say?" Yu Xinran was a little embarrassed when she said that she looked like a little girl, but she felt that something was wrong when she heard the second half. which part of you is old? "

"I'm talking about attitude. She was not married and had no children, so why did she still have the heart of a young girl? But now, I feel like I'm going to lead by example, be an adult, and be a parent."

"That's because you've matured, I'm not!"

“Alright, hurry up!” Gong mo snorted. I still want to fish!”

The two of them soon arrived at the fish pond. There were several old people sitting around the fish pond. They were all dressed in rich and powerful clothes, and each of them was followed by one or a few young bodyguards.

Gong mo and Yu Xinran walked towards Yu Zhengming. The bodyguard noticed them first and was about to make a sound, but Yu Xinran hurriedly shushed them.

The bodyguard nodded and didn't say anything.

Yu Xinran walked behind Yu Zhengming, and Yu Zhengming suddenly said, “Ranran?”

Chapter 714 The jealous old man

“How did you know it was me?!” Yu Xinran shouted.

...

you have perfume on you ~” Yu Zhengming didn't even turn his head.

“Grandpa, your nose is so sharp!” Yu Xinran said, “you don't look like you're in your 70s at all!

“Don't be noisy!” Yu Zhengming said, “the fish have all run away.

Yu Xinran paused for a moment, glanced at Gong mo, and walked back and forth behind Yu Zhengming.

if you're fine, then sit down properly. Don't sway around behind me! Yu Zhengming said impatiently.

Aiyo, Aiyo. Yu Xinran sighed. Grandpa, why didn't you smell that there was another person? "

Yu Zhengming was stunned. He turned around and cried out in surprise, "Momo!"

Grandpa ~"Gong mo said with a smile.

"Aiya, why is it you!" Yu Zhengming stood up. you didn't even say anything when you came!

"Don't you know how to smell?" Yu Xinran asked.

"Momo isn't like you, spraying it like a flower!" Yu Zhengming's face was fierce.

Yu Xinran paused and whispered, "Shh!" Don't be so noisy, the fish ran away!"

you ... Yu Zhengming raised his fist, wanting to hit her.

"I'll go and say hello to Grandpa Zhang!" She immediately ran away.

"I only remember Grandpa Zhang!" Yu Zhengming snorted.

Gong mo looked over and saw Yu Xinran running to an old man who was fishing not far away. The two of them started talking happily.

Yu Zhengming whispered to Gong mo, "remember this old man, if you see him, you must avoid him."

"Why?" Gong mo asked in surprise.

"He's always snatching things from me!" Yu Zhengming's tone was like a child in kindergarten who had a conflict with his friend.

Gong mo was stunned. Was Grandpa jealous?

“Grandpa, do you think that he has snatched my cousin away?” she asked with a smile.

“What’s mine is mine, no one can snatch it away!” Yu Zhengming said with a straight face.

“Yes, yes!” Gong mo hurriedly nodded his head. Xinran is indeed polite and respectful to the elderly. It’s all because of grandpa’s good teaching ~”

Yu Zhengming’s face was a little proud, but he still kept a straight face. “She just hasn’t grown up! You’re like a child, making me angry just by looking at you!”

Gong mo snickered in his heart, stop pretending! Besides, isn’t the one you’re angry at is your uncle?

Yu Qingliu, who was on a date with his little girlfriend, sneezed.

“What’s wrong?” ding dang asked hurriedly. The doctor actually caught a cold?”

“Why can’t doctors catch a cold? You’re discriminating against doctors, right?” Yu Qingliu sternly asked, then said, “but I really don’t have a cold today. It looks like someone missed me, Yingluo.

did you hook up with a wild woman behind my back?! Ding dang immediately asked.

no, no, ran ran, it’s her usual routine to go home for dinner today. Mom and dad must have missed me!

“Then let’s hurry back!” Ding dang smiled.

.....

By the pond, Yu Zhengming looked behind Gong mo and asked, "You're alone?"

Gong mo knew that Jiang Chen missed Hu Zi. He smiled and said, "nanxuan is still in the company. Hu 'Zi is being taken care of by grandma, afraid that he will catch a cold.

Oh Yingluo. Yu Zhengming nodded, " you do have to be careful of the weather!

"How many fish have you caught, Grandpa?"

I caught two. There's a crucian carp. I'll make you some soup later.

"Thank you, Grandpa!"

Yu Zhengming looked at Yu Xinran and saw that she was helping old man Zhang pull the fish. He huffed angrily and asked Gong mo, "Do you know how to fish?"

uh, Yingluo has never really fished before. Grandpa's fishing rod looks so high-end. I definitely don't know how to use it.

"I'll teach you." Yu Zhengming said excitedly, " fishing is a way to train one's body and mind. When Hu Zi grows up, I'll definitely ask him to go fishing to train his temper.

"En!" Gong mo nodded.

Chapter 715 How are you going to deal with him?

Hu Zi stood in front of the coffee table in the villa. There was a small fish tank on the coffee table with two small goldfish in it.

...

The little goldfish swam around in the tank, and Hu Zi stared at it intently. He reached out his short fingers to poke it.

The fish swam extremely fast, so he naturally couldn't poke it.

However, during the chase, he seemed to be addicted and had a great time.

Min Ling sat behind him and protected him with her hands to prevent him from falling down accidentally.

Yu Qingliu walked in with ding dang and said with a smile, "Why is hu by himself? Little tiger, do your parents not want you anymore?"

Hu Zi raised his head and looked at him in confusion.

Wu surong jumped up and wanted to hit Yu Qingliu. what nonsense are you talking about?!

Wu Wu Wu Wu. Hu Zi pouted and turned his head to look at his surroundings. He looked at Min Ling pitifully. mommy Wu Wu.

"Your mother will be back soon," Min Ling said hurriedly.

"It's all your fault!" Wu surong pointed at Yu Qingliu. how can you say such things?! When I sent you to kindergarten when you were young, your brother told you that he didn't want you anymore, and you cried so hard that you couldn't speak for three days!"

Min Ling: "Yingluo. hubby, why were you so naughty when you were young?"

"Ran ran, did you beat up my brother?" Yu Qingliu asked.

Wu surong choked, "do I need to beat you up?" Your sister ignored him for three days, so he naturally became obedient!"

"Yueyue, I was wrong!" Yu Qingliu said.

Wu surong said angrily, " at that time, your sister kept comforting you. She didn't even want your brother anymore. Now you're bullying her grandson!

"I was wrong! I was wrong! I'm really wrong!" Yu Qingliu apologized profusely.

Auntie, don't be angry, " ding dang said in a low voice. I'll teach him a lesson.

Wu surong was stunned for a moment, then her expression softened and she smiled."What are you saying? How are you going to deal with him?"

"Don't allow him to get on the bed?" ding dang thought for a while and asked.

Yu Qingliu was speechless. Silly girl, what are you saying?

Wu surong and Min Ling blushed. Hu Zi looked at them curiously but stopped crying.

"There's a child here!" Wu surong said helplessly.

Ding dang weakly hid behind Yu Qingliu. Yu Qingliu smiled and said,"It's a good thing Hu doesn't understand."

Hu Zi looked at him and remembered that he had just said that his parents didn't want him anymore. He wanted to cry again."Mommy, Yingluo."

"Where's my dad?" Yu Qingliu quickly changed the topic.

“He went fishing!” Wu surong rolled her eyes at him.

“Then I’ll take ding dang to him!” Yu Qingliu was afraid that Hu Zi would cry. If he cried, Wu surong would definitely beat and scold him, so he dragged ding dang and ran for his life.

“Wu Wu Wu Wu.” Hu Zi pouted and walked towards Wu surong.

He couldn’t walk steadily now. Wu surong was afraid that he would fall, so she hurriedly held him.

Mama, Mama, Mama! Hu Zi looked around for Gong mo.

Wu surong looked at the time and said, “he should be back soon, Yingluo.”

yes. Min Ling nodded. Qingliu went there. When she sees Gong mo, she will definitely tell her that Hu Zi is looking for her.

Wu surong nodded, “then we won’t go.” He’s not wearing thick clothes and it’s too cold outside.”

Just as they were talking, Sheng nanxuan arrived.

As soon as Sheng nanxuan entered, Hu Zi perked up. “Daddi ...”

“Good girl ~”

As Sheng nanxuan greeted Wu surong and Min Ling, he took off his leather gloves and stuffed them into the pocket of his coat. Then, he carried Hu Zi and asked Wu surong, “Where’s gong mo?”

he went fishing with your grandfather. Your uncle went there just now too. He should be back soon.

“Then I won’t go.” Sheng nanxuan sat down.

Chapter 716 I won’t argue with him

Gong mo sat quietly beside Yu Zhengming, fishing seriously.

...

After Yu Xinran greeted old man Zhang, she wanted to come back, but old man Zhang insisted on chatting with her. She was too embarrassed to refuse, so she could only stay. The two of them were so happy that they looked like they were related by blood.

Old man Zhang had a few grandsons, but no granddaughters. When Yu Xinran was born, he had been envious of her and said every day that he would take Yu Xinran to his house. In order to achieve this goal, he had been urging his grandson to play with Yu Xinran for more than 20 years, hoping to make Yu Xinran his granddaughter-in-law.

Hmph Hmph Hmph, how could Yu Zhengming let him do as he pleased? Every day, he would badmouth the Zhang family’s boys by Yu Xinran’s ear. As he spoke, not only did he talk about the Zhang family, but all the children of the wealthy families became Playboys in his mouth. Other than Yu xinzhuo, who was a good person, everyone else was scum! After Yu Xinran became an adult, she didn’t like those people when she was looking for a boyfriend. In the end, she chose Gong Bai!

Yu Zhengming snorted, “you don’t have a granddaughter, yet you love to snatch mine!” Let’s go! Momo, come with me to meet him!”

Gong mo was stunned for a moment before he hurriedly helped him walk over. Seeing him like this, she was a little worried that he would fight with others.

Old man Zhang saw them from afar and said to Yu Xinran, “Your grandfather is here! You’re so petty, can’t I even talk to you for a while?”

no, I’m not. Grandpa just came to say hello to you~” Yu Xinran said.

“Hmph! I’ve been sitting here for half a day and he’s ignoring me. He’s obviously afraid that I’ll take you away!”

“I’m grandpa’s granddaughter. You can’t take me away,” Yu Xinran said.

“I’ve given you so much good food since you were young, but you’re still on your grandfather’s side!” Old man Zhang said sadly.

of course! Yu Xinran said with a smile.

Yu Zhengming walked over and scoffed, “Xinran, you’re betraying us again!” Why are you smiling at this old man with ill intentions? Do you still remember who your grandfather is?”

Yu Xinran said helplessly, “I saw that Grandpa Zhang was all alone. That’s why I wanted to accompany him. Of course, you’re my Grandpa.

Aiyo ... old man Zhang clutched his chest, his face full of hurt. Ranran, you’re so mean. You actually said that about me!

Yu Zhengming nodded proudly, “that’s true!” This old man doesn’t have a granddaughter, so he only knows how to covet me every day. I won’t argue with him.”

“So What if I don’t have a granddaughter?” old man Zhang shouted. I have a grandson!”

“I also have one!”

“Oh my God, I still have a grandson!”

“I also have one!” Yu Zhengming happily pointed at Gong mo, “ look! Take a look! She’s my granddaughter-in-law!”

“Where did you get a granddaughter-in-law from?” Old man Zhang’s eyes widened. Huanhuan is not Yingluo.

Huanhuan didn’t come back, but her child is back ~”Yu Zhengming said happily. this is my granddaughter-in-law. If you don’t believe me, I’ll let you see my grandson later. Do you know who my grandson is? Sheng nanxuan!”

“What?” Old man Zhang was shocked.

Although he was living a life that was similar to retirement, he had heard a little about the things that were happening outside. He could roughly guess what was going on.

He and Yu Zhengming had known each other for decades, so he naturally knew all the major events that had happened in the Yu family. Although the two of them opposed each other every day, it was just for fun. In fact, the two of them still cared about each other. When Yu qinghuan was still around, he even wanted her to be his daughter-in-law!

“Good, Taro!” Old man Zhang said unhappily, “ you have such an outstanding grandson, but you actually hid it from me!

Chapter 717 The childhood sweetheart is here?

“How can I let you know? Waiting for you to snatch it? Hmph!” Old man Zhang had snatched his granddaughter from him for more than 20 years, and he still held a grudge!

...

“Why would I snatch yours?” old man Zhang shouted. I also have a grandson, okay?”

“Your grandson isn’t by your side!”

Old man Zhang had a grandson who was overseas and hadn't come back for many years!

Yu Zhengming was pleased. Not only did he have a grandson, but he also had a great-grandson. He would win no matter what!

"Who said that?" Old man Zhang's eyes widened. Bo Yu came back a few days ago. If you don't believe me, I can call him over!

Yu Xinran heard this and thought, no wonder he kept asking me to go to his house, sun boyu is back!

When she was young, she had visited the Zhang family. Old man Zhang had pointed at his grandchildren and sun boyu and asked her, "Which one does ran ran like? When you grow up, you can choose whatever you want! If I can't be your grandfather, I'll be your grandfather!"

Yu Xinran didn't have a deep impression of sun boyu. The only thing he remembered was that after his parents died, he became quiet and looked pitiful, but also a little scary.

"How has Bo Yu been all these years?" Yu Zhengming asked.

Old man Zhang sighed. ever since his parents passed away, he has been living with his grandmother. You know how foreigners are. The adults and children are not close to each other, so who knows if he's doing well? I guess he's very lonely, but he doesn't say anything when he grows up. I called him back earlier, but he refused. I don't know how he's been living all these years."

Yu Zhengming sighed and patted his shoulder to comfort him.

The Zhang family knew about the Yu family, and the Yu family naturally knew about the Zhang family.

Old man Zhang's only daughter had married abroad, and every year, she would bring sun boyu back for the summer vacation. When sun boyu was ten years old, his parents passed away in a car accident. At that time, old man Zhang had wanted to bring sun boyu to his side, but there were still people in the sun family, so they naturally wouldn't agree. After that, sun boyu rarely came back.

It had been so many years since that incident, and old man Zhang didn't want to be too sad. He turned to Yu Xinran and asked, "Ranran, do you still remember boyu? You guys used to play together when you were young."

Yu Xinran nodded.

Gong mo immediately became alert. Were they childhood sweethearts? Then wouldn't his cousin's position be very dangerous?

"Then I'll call him over, you guys can meet him." Old man Zhang said hurriedly.

Yu Xinran hurriedly waved her hands. it's alright, it's alright. Ran ran, we have to go home.

Yu Zhengming snorted, "don't think I don't know what you're planning." Xinran already has a partner, you should rest!"

Old man Zhang was shocked, "since when did ran ran have a partner?" How come I didn't know about this?"

you're not her grandfather. Why should I tell you? "

"Hey!" Old man Zhang was displeased when he heard this. He took off his coat with a whoosh and began to roll up his sleeves. I'll fight you to the death today! Although I'm not Xinran's grandfather, I'm Yingluo who watched her grow up. Why should she look down on me?"

Al ... Yu Xinran was shocked. Grandpa Zhang, put it on quickly. Don't catch a cold!

Yu Zhengming glared at her, "you're the Taro!" What are you saying?"

"How am I Taro? My last name isn't yu!"

“Then you’re the head of a cockroach!”

you, you, you! old man Zhang pointed at him and couldn’t speak.

Gong mo and Yu Xinran didn’t know whether to laugh or cry when they saw the two of them acting like children.

“Dad!” Yu Qingliu came with ding dang. uncle Zhang, what are you guys doing now? ”

Ding dang greeted him with a smile, “uncle!” Uncle Zhang!”

Old man Zhang retracted his hand and took the coat from the bodyguard. “Qingliu is here, Yingluo. I was just stretching. I didn’t do anything.”

Chapter 718 Saving a life in the water

Yu Qingliu scowled and lectured, “it’s fine if you’re just bickering. How dare you hit me?! Don’t you know how old you are? Who’s going to be responsible if it gets twisted?”

...

The two of them were stunned by the scolding.

Ever since they had gotten older, Yu Qingliu had been controlling them. They knew that Yu Qingliu was doing this for their own good, but old people were stubborn and unwilling to accept their old age. There were many things that they were unwilling to listen to. In front of Yu Qingliu, everyone had to be obedient so that he wouldn’t nag and turn around to be disobedient!

They had run into each other today, and both of them felt guilty.

Old man Zhang said to the bodyguard, "hurry up and pack up. We're leaving." This Yu family brat is so long-winded that I'm getting calluses in my ears from listening to him!"

"If you don't want to hear me out, then you'd better be good!" Yu Qingliu roared.

"What are you shouting for?" Yu Zhengming was displeased.

Yu Qingliu was startled. She pulled ding dang and turned around. "I'm too lazy to talk to you guys! Hu's at home looking for his mother, you guys come back quickly!"

oh, oh, oh-" Yu Zhengming hurriedly said to Gong mo, " then let's hurry!

He had wanted to see Hu Zi for a long time!

fish ... Gong mo pointed at the fishing gear in the distance.

"They'll clean it up." Yu Zhengming took two steps and suddenly turned back to call old man Zhang, "I have a great-grandson, you didn't know right? Hahaha-my grandson gave birth to me. He can even greet people ~"

Old man Zhang stood by the fish pond and didn't reply. He seemed to be in a daze.

Yu Zhengming was stunned and asked, "what's wrong with you?" He was sad just like that? At most, I'll let you hug me, Yingluo."

The next second, old man Zhang fell straight into the water!

"Al ..." Yu Xinran was shocked.

"Old Zhang!" Yu Zhengming roared.

Gong mo subconsciously ran over to save her. He stretched out his hand and pulled her up, but she didn't get up and rolled down on her own.

Yu Qingliu ran back with ding dang. what's going on?!

The Zhang family's bodyguards had already jumped down one after another, and the Yu family's bodyguards followed.

Ding dang took off her shoes and wanted to go down, but Yu Qingliu stopped her. "What are you doing?"

"Gong, Gong mo!" Ding dang pointed at the water.

"I don't need your help!"

The bodyguards quickly rescued her, and Yu Zhengming hurriedly said to Yu Qingliu, "Take a look at old Zhang first!"

If it was a stroke or something, he might die immediately!

Yu Qingliu was also worried. She knelt on the ground and looked. Old man Zhang grabbed her hand, "That girl Yingluo"

"You're fine?" Yu Qingliu heaved a sigh of relief. don't stand by the water in the future!

"Are you alright?" The bodyguards of the Zhang family asked.

"It's probably insufficient blood supply to the brain." Yu Qingliu said, "hurry up and send her home to change her clothes. We'll go to the hospital for a checkup."

thank you, little girl," old man Zhang said to Gong mo.

Gong Mo's entire body was drenched in sweat. His hair was stuck to his face and he was shivering from the cold.

She suddenly realized that she had overreacted. With the bodyguards around, she didn't need to save him personally. She would only cause more trouble by doing this.

She said guiltily,"I'm fine. Sorry for the trouble, Yingluo."

"What are you saying, Yingluo?" old man Zhang was very touched.

"Alright, enough of your nonsense!" Yu Zhengming said, " quickly go home! Even if you don't go back, my granddaughter-in-law still wants to go back!"

Old man Zhang nodded. He didn't have time to say anything as the bodyguard carried him away quickly.

Yu Xinran took off Gong Mo's coat and put her own coat on her.

Although he had fallen into the water, he was quickly picked up. Only his outer clothes were wet, and most of his inner clothes were dry.

Chapter 719 Sheng nanxuan is angry

There was still some distance between the fish pond and the villa. Yu Qingliu didn't dare to delay and called for someone to drive over. She hurriedly sent Gong mo back.

...

When he entered the villa, Sheng nanxuan was so shocked that he almost threw the child on the ground.

He hurriedly stuffed Hu Zi onto the sofa. Hu Zi felt that he was being despised and pouted in dissatisfaction.

“What’s wrong?” Sheng nanxuan strode to Gong Mo’s side.

f * ck! Gong mo looked at him guiltily.

“Let’s go change first!” Sheng nanxuan helped her up the stairs.

Yu Xinran quickly rushed to the front and said, “Come to my room!”

“Your hair is so wet, let’s take a hot shower first!” Sheng nanxuan said.

“Alright!” Yu Xinran went to fill the tub with water before looking for her clothes.

After Gong mo took a shower and changed his clothes, Sheng nanxuan also knew what had happened.

He took the hairdryer to her side and scolded, “There are so many bodyguards around, why are you going?”

“I didn’t think of that at the time, so I did it subconsciously,” Gong mo said guiltily.

“Should I praise you for your noble character?” Sheng nanxuan grinned hideously.

Gong mo pouted and stared at the hairdryer in his hand. “If you’re not going to help me blow it, let me do it myself. I feel cold on my head.”

Sheng nanxuan glared at her and turned on the hairdryer to blow her hair.

When he was halfway done, Yu Xinran came in with a bowl.

Sheng nanxuan turned off the hairdryer and she said, " "This is the ginger soup that was just made."

"I'm sorry to trouble you," Sheng nanxuan took it and handed it to Gong mo.

Gong mo held the bowl and drank it in silence.

"Come down and eat if you're done," Yu Xinran said with a smile.

Sheng nanxuan nodded. He turned on the hairdryer and continued to dry Gong Mo's hair.

After drying the soup, he looked at the empty bowl in Gong Mo's hand and his expression softened. it's fine if you're not sick. I'll take it that you're doing a good deed. If you fall sick, I'll teach you a lesson!"

"Even if he's sick, he's doing a good deed!" Gong mo said.

"I don't care about the others!" Sheng nanxuan glared at her. I don't care if you're doing a good thing or a bad thing. I don't want to forgive you for taking your own body as a joke!

"I know," Gong mo replied in a low voice.

"Hmph, let's go eat."

.....

In the dining room, everyone was gathered around a table.

Hu Zi stood next to Wu surong on the chair, his hands on the table. Wu surong was afraid that he would fall, so she put her hands behind his back and carefully protected him.

Although he couldn't eat by himself, he still had a bowl in front of him. He reached out to grab the edge of the bowl, pressed it down, and saw that it was empty, so he called out to everyone.

"Hu Zi wants to eat!" Wu surong laughed.

ah ... Hu Zi lowered his head and buried his face in the bowl, pretending to be eating, making everyone laugh.

"Are you up to no good again?" Gong mo walked over and laughed.

"Mama!" Hu Zi immediately let go of the bowl and turned to look at her.

Gong mo quickly walked over, hugged him and kissed him.

"Are you okay?" Wu surong asked.

"I'm fine." sorry for making everyone worried, " Gong mo said in embarrassment.

"It's good that you're fine." Yu Zhengming said, " let's eat first. The Zhang family said that they'll be coming over later.

Gong mo looked at him in confusion.

you saved old Zhang, " he said with a smile. they naturally have to come and thank you.

"I'm just causing trouble," Gong mo blushed.

"No matter what, that's your kind intentions."

Chapter 720 Apologize to father

you know you're causing trouble," Sheng nanxuan said. just be more careful in the future.

...

Gong mo pursed his lips and glared at him before picking up his chopsticks.

Hu Zi stood on her lap and kicked Sheng nanxuan.

Sheng nanxuan's eyes widened,"you-"

Hmph! Hu Zi turned his head and buried himself in Gong Mo's arms.

"This child is helping her mother!" Wu surong laughed.

"You're so young, yet you know that daddy is being mean?" Min Ling was extremely surprised. Yu xinzhuo and Yu Xinran were very smart when they were young, which made all the adults proud, but they were still not as smart as Hu Zi!

"He looks like he's close to me, but he's actually the closest to his father." Whatever his father does, whatever he says, even if it's just a look, he can understand."

"Between father and son, there's a telepathic connection." Everyone said.

Hu Zi raised his head from Gong Mo's arms and glanced at Sheng nanxuan.

Sheng nanxuan turned his head away angrily.

When Hu Zi saw this, he reached out to touch him. Sheng nanxuan was not moved and even avoided him on purpose.

Hu Zi could only turn around and look at Gong mo.

“What happened to him?” everyone asked.

Gong mo didn't know whether to laugh or cry. he knew he was in the wrong for kicking dad, so he wanted to make up with him. Now that dad doesn't care about him anymore, he asked me for help.

“Aiyo, this child!” Wu surong liked it very much. you're really smart!

“Why are you looking at me?” Gong mo asked Hu Zi. Did you call me daddy?”

Hu Zi pouted and looked at the food on the table. He suddenly pointed at the round shrimp balls and said, “Na na-”

Gong mo picked one up and Mo Wuji stretched out his hand to take it. Gong mo could only put it in his hand.

He took it and went to Sheng nanxuan. He handed the shrimp ball to him.”Daddi Daddi”

Sheng nanxuan was helpless. He did not care about anything when he met such a cute son. He put down his chopsticks and carried him on his lap.

Hu Zi immediately laughed and happily grabbed his collar, burying his face in his chest.

“Stop!” Sheng nanxuan frowned. you're rubbing oil all over me again!

Hu Zi raised the shrimp ball and said,”Daddi Daddi.”

Sheng nanxuan sighed, lowered his head, and took a bite.

Hu Zi was relieved. Daddi had forgiven him!

He stood up and wanted to go back to Gong mo.

Sheng nanxuan said, 'are you burning the bridge after crossing it? Sit down! Let your mother eat properly!'

Everyone couldn't help but laugh and feel surprised.

Ding dang excitedly said to Yu Qingliu, "so cute!" It's so cute! I also want to give birth!"

"Pfft!" Everyone looked at Yu Qingliu.

Yu Qingliu's face darkened as she picked up a prawn ball and placed it in her bowl. She said fiercely, "Quickly eat!"

Ding dang pouted and glared at him with hatred. She lowered her head and mumbled while eating, "Why are you so fierce?"

Yu Qingliu thought, you're still a child, why are you giving birth?

After dinner, everyone rested in the living room. Soon, the Zhang family arrived.

It was young master Zhang and sun boyu, who had brought gifts.

"Grandpa Yu, grandma Yu." After entering, the two of them politely greeted each other.

“Quickly sit.” Yu Zhengming looked at sun boyu. I haven’t seen him in many years. He’s really a fine-looking man. Even my xinzhuo can’t compare to him!

“I can’t compare to brother xinzhuo.” Sun boyu laughed.

Everyone in the Yu family reminisced about the past with sun boyu, and Gong mo took the opportunity to secretly size him up.

He looked like he was of mixed blood, but it wasn’t obvious. But even so, his facial outline was more prominent than that of the Chinese. His eyebrows were thick, and he looked particularly handsome and a little mysterious.

Sun boyu gave Yu Zhengming a gift that he had brought along with him. I should’ve come to visit you and grandma Yu a long time ago. I came in a hurry today. I hope Grandpa Yu doesn’t mind.
