

Ditsy Wife 721

Chapter 721 The person Sheng nanxuan can't see through

"It's okay, it's okay. It's rare that you still remember this old man!" Yu Zhengming smiled. "Is old Zhang alright?"

...

"I'm fine now." Young master Zhang said, "he has been anemic. If he doesn't pay attention, he will have insufficient blood supply. I really have to thank you for what you did today, especially Mrs. Sheng."

After saying that, he looked at Gong mo and handed over another gift that he had prepared carefully, "I'm just here to express my gratitude. Please don't refuse."

Gong mo was stunned and looked at Yu Zhengming.

"Just accept it," Yu Zhengming said.

She took it nervously. "I didn't do anything," she said. "You're too kind."

Sun boyu looked at her. "If no one was here with Grandpa today, his life would be in your hands. I should thank you."

Gong mo looked at him and saw that he was staring at him. His heart skipped a beat and he subconsciously looked away.

Then, she slowly looked back. Sun boyu wasn't looking at them anymore. He was talking to the others.

She secretly sighed. It was probably just an accidental eye contact, right? But it was really awkward.

Mom ... Hu Zi stretched his neck and looked at the thing in her hand curiously.

She took the box and patted his head, whispering, "Don't mess around,"

Hu Zi's face was filled with disappointment as he fell onto Sheng nanxuan.

Sheng nanxuan hugged him and calmly observed sun boyu.

Sun boyu gave him a very strange and special feeling. He had never encountered such a situation before, so he couldn't figure out what was going on.

He felt that sun boyu had a secret, but this secret shouldn't be related to him, right?

On the way home, he kept thinking. He thought that he had a good eye for people, but he couldn't accept the fact that he had suddenly met someone he couldn't understand!

Gong mo saw that he didn't say anything and thought that he was still angry about falling into the water. He asked carefully, "What are you thinking about?"

I'm thinking about Yingluo. Sheng nanxuan looked down at her and narrowed his eyes. why did you keep staring at that sun boyu? "

"He and Xinran are childhood sweethearts. I'm helping my cousin to observe the enemy!" Gong mo explained.

Sheng nanxuan nodded. he's indeed better than my cousin in all aspects.

ah, Zhenzhen, " Gong mo asked worriedly. won't cousin be in trouble then? "

"But there's one thing he can't compare to cousin."

“What is it?”

it's Yu Xinran's kind intentions. I don't think she has any feelings for sun boyu.

Gong mo paused for a moment. This was indeed Gong Bai's winning chance. But in other aspects ...

“What if uncle and the others don't like cousin's family background?” she asked.

“If I didn't like it, I would've torn it apart a long time ago. Don't worry!” Sheng nanxuan glared at her. for another man, you're staring at a third man. Do you still have any respect for me, the person who slept with you?”

Gong mo was stunned and stared at him with wide eyes.”You ...”

“What about me?”

tsk ~”Gong mo turned his head away. I can't be bothered to argue with you!

.....

When Gong mo woke up the next day, he felt a little uncomfortable. He might have caught a cold.

She didn't dare to tell Sheng nanxuan that she had been fierce to him yesterday before she was sick. She didn't know how to deal with him now.

After the meal, Sheng nanxuan left the house. She immediately called Yu Qingliu.”Little uncle ...”

“What are you doing?” Yu Qingliu asked in a daze, clearly still sleeping.

I feel a little uncomfortable. I want you to prescribe me some medicine.

“You caught a cold?”

“It should be, Yingluo.”

you can just buy some medicine from the pharmacy for a cold. Why do you need me for such a small problem?” Yu Qingliu was extremely annoyed!

Among this group of people, the elderly didn't take the pain seriously, and the young ones were making a big fuss. It was very hard for him to be a doctor, okay?

Chapter 722 I can't let Nan Xuan know that I'm sick

Gong mo said awkwardly, “I'm afraid that nanxuan will find out. That's why I don't dare to buy medicine! I'm already sick and yet I'm still treating him so casually. If the situation gets serious, he'll scold me again! Do you have any fast-acting medicine for me to take?”

...

“Go to my office first, I'll go over and take a look.”

“Good! Thank you, uncle!” Gong mo hung up the phone and looked at Hu Zi. will you be infected? ”

mommy! Hu Zi pounced on her and kissed her.

“Don't kiss me yet.” Gong mo picked him up and carried him to the hospital.

After waiting for a while, Yu Qingliu walked in with a yawn.

“Did I disturb uncle's rest?” Gong mo asked awkwardly.

"It's alright." Yu Qingliu sat down and clapped her hands at Hu Zi. give granduncle a hug.

Gong mo placed Hu Zi on the table with a smile. let's go to granduncle's place.

Hu Zi glanced at Yu Qingliu but didn't go over. He lowered his head and touched the things on the table. Yu Qingliu took him into her arms and asked Gong mo, "Where do you feel uncomfortable?"

"I'm a little dizzy, but it's not serious. If I wasn't afraid of infecting Hu, I wouldn't mind."

Yu Qingliu took out a thermometer and asked her to put it in her mouth. She looked at Hu Zi and prepared one for him.

Hu Zi reached for it curiously and pointed at Gong mo. "Learn your mom! Keep it in your mouth!"

Hu Zi looked at Gong mo and put the pill in his mouth obediently. Then, he stared at Gong mo and laughed.

Gong mo put his hand on his cheek. When Hu Zi saw this, he mimicked her and raised his hand, but he covered his eyes and immediately stopped laughing.

After a while, Yu Qingliu checked their temperature and said, "You're running a fever, but Hu 'Zi is fine."

Gong mo heaved a sigh of relief,"it's good that he's fine, then I'll take care of him."

"You? You want to hide it from nanxuan?"

he's so fierce! Gong mo said innocently.

Yu Qingliu chuckled and picked up a pen to prescribe her medicine. it's not serious. After you take the medicine, cover yourself with the blanket and sleep. You'll be fine as long as you sweat.

"I'm taking a nap in the afternoon. Will there be any problems?" Gong mo asked after some thought.

If she slept at night, Sheng nanxuan would notice that she was sweating.

Yu Qingliu said,"how can it be so fast?" Even if you sweat all over in the afternoon, you'll definitely sweat again when you sleep at night."

what should we do then? " Gong mo was conflicted.

"Can't you just tell him?"

Gong mo pursed his lips. If she dared, she wouldn't have to go through so much trouble.

Papa, Papa, Papa, Papa, Papa! Hu Zi was making a scene at the side.

Yu Qingliu suddenly stopped writing. has he stopped drinking milk?!

"Not yet!" Gong mo was shocked.

Then she couldn't take the medicine! Otherwise, it might affect Hu Zi.

Yu Qingliu looked at the medicine she had prescribed,"these medicines are fine, darling."

Gong mo thought,"should I wean him today?" I'll let Nan Xuan sleep with him and Nan Xuan won't find out that I'm sick!"

"Good luck then!" Yu Qingliu tore off the list.

.....

Gong mo returned home and started to feel drowsy not long after he took his medicine.

She said to the maid and nanny, "I'm going to take a nap. You guys look after Hu." If nanxuan comes back suddenly, don't tell him that I'm sick. Help me hide it and wake me up secretly.

Gong mo slept until 4:30 in the afternoon. He was sweating all over and still felt a little dizzy, but he was much better than before.

Afraid that Sheng nanxuan would come back to see her sleeping, she quickly got up.

Hu 'Zi was very obedient. He knew that his mother was sleeping, so he didn't make a fuss and just played with his toys.

When he saw her come out, he immediately threw himself on her. "Mommy!"

be good ~"Gong mo picked him up. Huzi, from today onwards, you won't drink mommy's milk anymore, okay?"

Chapter 723 At times like this, just be a good little woman

grandma! Hu Zi turned his head to look for his milk bottle.

...

Gong mo looked at him with a conflicted expression and asked the nanny, "Will he cry if he's weaned off milk?"

“Some of them cried really hard, but some of them went smoothly.” The confinement lady said, “you can’t be sure.

I hope he doesn’t cry,” Gong mo muttered.

Not long after, Sheng nanxuan returned. Gong mo went up to him with a smile and told him about weaning.

Sheng nanxuan glanced at her. you’re more than a year old. It’s time to break up! He would spend less time with her if she stopped breastfeeding!

then you can sleep with him tonight,” Gong mo said. in case he cries.

“There’s no need?” Sheng nanxuan was conflicted. let him sleep on his own. We’ll talk when he cries!

“He’s your son, you should pay more attention to him!” Gong mo frowned and said in dissatisfaction.

“How am I not paying attention?” Sheng nanxuan lifted her chin. you don’t look so good. Did you catch a cold? ”

Gong Mo’s heart skipped a beat. He shook his head and said, “I didn’t. I’ve just been reading and didn’t take an afternoon nap, so I’m a little sleepy.”

Sheng nanxuan nodded and released her. “Remember to wear thick clothes when you go out these days. Be careful of the cold in the spring.”

I know, Zhenzhen. Gong mo pinched his cheeks with his back facing her, trying to squeeze out some blood from his face.

She felt that her complexion was the same as usual. Why did he see that there was something wrong?

.....

After dinner, Gong mo brought Hu Zi to read a book.

Hu Zi especially liked to flip through books now. Although he could not read, he enjoyed the colorful pictures in the books.

“This is an Apple.” Gong mo pointed at the Apple and said, “it’s the Apple that we eat every day after dinner-”

She was stunned and suddenly remembered that she hadn’t eaten any fruit today. She hurriedly said to the nanny, “Hurry up and get an Apple.”

The confinement lady brought over a plate of cut apples.

Gong mo said to her, “you eat!” You eat!”

“Ah?” The confinement lady was stunned.

“I’ve caught a cold, I can’t eat raw or cold food, help me eat it!” Gong mo ate.

The confinement lady didn’t know whether to laugh or cry. Why are you so careful? However, with Sheng nanxuan’s observation skills, he did have to be careful.

However, she was too embarrassed to eat it.

“Go and get another plate,” Gong mo said.

The confinement lady had no choice but to bring over a white porcelain plate. Gong mo handed over half of the fruits and said, “ you and sister Zhang can eat this. Don’t let nanxuan know.

The nanny nodded and left with the Apple.

Hu Zi took a look and laid on Gong Mo's body, "Guoguo."

"Take your time," Gong mo said as he passed him a piece.

When Sheng nanxuan came over, Hu Zi had already finished the Apple.

He held Hu Zi's face and rubbed it, and Hu Zi spat on his face in dissatisfaction!

ppft-" Gong mo burst into laughter.

Sheng nanxuan,"Yingluo."

He wiped his face with a tissue, picked up an Apple with a fork, and put it in Gong Mo's mouth.

"I've already eaten," Gong mo turned his head away.

Seeing that there were only a few pieces left on the plate, Sheng nanxuan believed her and put the Apple in his mouth.

"Who's going to sleep in the guest room?" Gong mo asked.

Sheng nanxuan felt depressed at the thought of sleeping separately from her. He asked in a bad mood, "What do you think?"

"Me. It's better for you to sleep on the big bed with him."

“The bed in the guest room is big enough!” Sheng nanxuan said, “ we’re both men. Do you think we can wrong you? ”

“He’s still young.”

“No matter how small he is, he’s still a man!”

“Male chauvinist!” Gong mo snorted.

“I’m just concerned about you, okay?” Sheng nanxuan said, “I’ll give in to you when I can. At times like this, you should just be a good little woman!

Chapter 724 Don’t try to fool him!

Gong mo blushed and stood up, “I’ll go back to my room first.” If he cries or makes a fuss, you have to find a way to calm him down. Otherwise, I’ll feed him until he’s two years old!”

...

“Don’t worry! I’ve long wanted to wean him!” Sheng nanxuan couldn’t wait to hear that. I didn’t even drink milk when I was young. He’s already more than a year old. We can’t spoil him anymore!

Gong Mo’s heart ached when he heard that.

It was a very cruel thing to not even drink milk after birth.

Seeing that Gong mo had left, Hu Zi didn’t care.

Before he went to bed, Sheng nanxuan carried him to the guest room. Hu Zi saw that this was not a familiar bedroom and looked around. Where’s mom?

Oh, he was definitely here to play. I'll go to the big room to find mommy and sleep with her later!

In the end, Sheng nanxuan ruthlessly shattered his dream. He carried him to bed and even gave him a milk bottle.

Hu Zi turned his head and crawled to the side, "Mama, CAW, CAW."

"You better be good!"

Sheng nanxuan pulled him back into his arms and brought the milk bottle to his mouth. "It's so delicious!"

Hu Zi turned his head away in disgust!

He didn't drink this before he went to bed! Don't try to fool him!

"You don't want to drink? It's fine if you don't want to drink." Sheng nanxuan put the milk bottle on the bed, lay down, and turned off the light.

Hu Zi was stunned for a moment, then he suddenly hugged him with both hands.

Sheng nanxuan turned over and lay on his side. He turned on the bedside lamp and looked at him. "Why?"

mommy! Mommy! Mommy! Hu Zi pouted his lips, looking like he was about to cry.

Sheng nanxuan sighed. you're all grown up now. You have to learn to be independent. Do you understand? "

Yingluo, what are you talking about? He didn't understand! I want my Mama!

"Alright, isn't it good to have a daddy?" Sheng nanxuan hugged him and patted him on the back.

"Wuwuwu," Hu Zi made a sad sound and fell into his arms.

Of course, he also liked his father, but Yingluo ...

He missed his mother so much!

Hu Zi sat up immediately. Sheng nanxuan was shocked and quickly sat up to look at him.

He quickly crawled to the ground. Sheng nanxuan grabbed him back and asked, "What are you doing?"

"Mommy!" Hu Zi struggled and shouted.

"Your mother is sleeping!"

"Waah ..." Hu Zi cried and leaned on his shoulder, "mom ... Waah ..."

"Can you not cry? What if you wake your mom up? If she nurtures you until she's two, you'll disturb my sleep every day!"

mother!!!! Hu Zi sobbed.

Sheng nanxuan sighed, patted his back, and wrapped him in the blanket. "Then let's go and see her. But, don't cry!"

"Wu Wu Wu Wu Wu" Hu Zi put his arms around his neck. Seeing him walk out, he immediately looked around.

When he reached the door of the master bedroom, Hu Zi held his breath and stopped crying.

Mom has been sleeping here all this time. Mom is inside.

Sheng nanxuan put his index finger on his lips and made a mysterious shush.

Hu Zi stared at him, full of curiosity.

Sheng nanxuan gently pushed the door open, hugged him, and stretched his neck in.

Mama! Hu Zi shouted.

“Shh!” Sheng nanxuan immediately covered his mouth and carried him carefully to the bed. As he turned on the light, he said in a low voice, “Mama is asleep. Let’s not wake her up.”

How could Gong mo have fallen asleep? Although her head was a little heavy, it was not easy for her to fall asleep. She was about to get up, but when she heard him say this, she stopped moving.

After the lights were turned on, her eyelids moved.

Hu Zi bent down from Sheng nanxuan’s arms and said happily, “Mama!”

“Mama is asleep, let’s go to sleep too?”

Hu Zi pouted and looked at him, “aren’t we sleeping here?”

Chapter 725 I’m here for a goodnight kiss

“It seems like you agree.” Sheng nanxuan didn’t care how pitiful his eyes were. He turned off the lights and left the room quickly.

...

When he returned to the guest room, he placed Hu Zi on the bed.

Hu Zi grabbed his leg and looked at him, then at the door.

“One look is enough! I, your father, only took a glance! Have a good sleep!” Sheng nanxuan lay beside him and asked, “do you want to sleep?”

Hu Zi turned his head to look at the milk bottle on the bedside table. He reached out to hold it and looked at him innocently with the pacifier in his mouth.

Sheng nanxuan burst out laughing and rubbed his head. “You little brat! I thought you didn’t want to drink?”

“Pfft!” Hu let go of the pacifier and spat on his face.

“You ...”

ha-” Hu Zi laughed happily. hahaha Yingluo.

Sheng nanxuan rolled over and got up. He wiped his face with his sleeve, then pressed him on his lap and patted his butt twice.

haha! Hu Zi laughed even more happily and rolled on the bed.

Sheng nanxuan smiled. it seems like you’re happy without your mother.

When Hu Zi heard this, he called out to his mother with a hidden bitterness and continued to drink from his milk bottle.

When Sheng nanxuan saw this, he touched him gently. "Baby, you're so good ~ good child!"

Hu Zi let go of the milk bottle and raised his head to kiss his face.

Sheng nanxuan was stunned. He hugged him happily. "My good son!"

Hu Zi was usually closer to Gong mo. Although Sheng nanxuan knew that he was in Hu Zi's heart, he still couldn't help but feel disappointed. Now that they were alone, he was finally sure that he was also very important in Hu Zi's heart!

Papa, Papa, Papa. Hu Zi finished his milk and closed his eyes as he leaned against him.

"What?" Sheng nanxuan looked at him. Seeing that he was no longer saying anything and was breathing slowly, it was obvious that he had fallen asleep. He could not help but kiss his little face. good night.

After turning off the light, he suddenly missed Gong mo. He looked at Hu Zi and saw that he was sleeping soundly. He got out of bed carefully and left the room quietly.

He pushed open the door to the master bedroom and walked to the bed.

Gong mo sensed the movement and groaned in a daze.

He lowered his head and kissed her.

Gong mo turned his head and opened his eyes. "There's a flower thief Qianqian."

“Then, do you want to call the police?” Sheng nanxuan chuckled.

“Do you want to hug me or call the police?” Gong mo complained and tried to sit up.

Sheng nanxuan hurriedly stopped her. She said, “I’ll turn on the lights.”

no need. You won’t be able to fall asleep easily with the lights on. I just came to ask for a good night kiss.

“Then why aren’t you leaving?” has Hu Zi fallen asleep? ” Gong mo asked.

“I wouldn’t dare to come over if I wasn’t asleep.”

“Then hurry over! What if he wakes up?”

“You’re not going to make me stay?” Sheng nanxuan asked in dissatisfaction.

“Aiya, Yingluo, I’ll let you stay another day! You take Hu Zi with you first! He’s not making a scene, is he?”

“You’re good! Our son is different, he’s very obedient! He probably didn’t see you before, so he cried and wanted to see you. After coming over to take a look, he was satisfied. She didn’t even need to coax him, and he just held the bottle and drank milk by himself. Don’t you think she’s very obedient?”

that’s right, that’s right, Zhenzhen,”Gong mo agreed. he’s your son, so of course he’ll be obedient ~”

Sheng nanxuan snorted proudly.

“If you’re still here, let’s turn on the lights and talk,” Gong mo said.

“Yingluo, you’re really not going to keep me?” Sheng nanxuan sighed in disappointment.

“If I keep you, will you agree?”

“In order to successfully wean my mother, I’ll go back and look after Hu!”

Gong mo glanced at him helplessly.

Chapter 726 I’m woken up by your handsomeness every day

After staying in the dark for so long, she was already used to seeing the outline of his face.

...

She held his face and kissed him. “Sleep early.”

“Good night,” she said. Sheng nanxuan returned the kiss and left quietly.

Gong mo heaved a sigh of relief and immediately fell onto the bed, pressing his dizzy head.

She hoped that she would be fine by the time she woke up tomorrow morning.

.....

Sheng nanxuan slept with Hu Zi for two nights, and the relationship between the father and son grew closer.

During the day, Hu Zi became even more clingy to him, bringing his toys to play with him.

Hu Zi wasn't like this in the past! The smart little guy always played with his own toys. He wouldn't object to others touching his toys, but he would look at them as if they were a bunch of stupid mortals. Now, he obviously treated his father as one of his own, and his father was as smart as him!

Sheng nanxuan did not say it, but he was very happy in his heart. He could not bear to leave home and played with Hu Zi all day.

When Gong mo woke up, the father and son had already been playing on the carpet for a long time.

"Mama!" Hu Zi saw her and shouted happily.

"Come and eat!" Gong mo laughed.

Hu Zi threw away his toys and walked over unsteadily, but fell on the ground halfway. He immediately got up and walked towards Gong mo.

Gong mo squatted down to wait for him, but he fell again after taking two steps.

all the best, baby ~"Gong mo encouraged.

Hu Zi got up and threw himself into her arms.

Gong mo picked him up and said,"baby, you're amazing!" Let's go have breakfast!"

"Have you forgotten about me?" Sheng nanxuan asked from behind.

Gong mo turned around and smiled,"hubby, it's time for breakfast!"

Sheng nanxuan's heart throbbed when he saw her warm smile. He stared at her and followed her.

While they were eating, Gong mo noticed that Sheng nanxuan was staring at him. He blushed and asked, "What are you doing?"

"I suddenly realized that you're even more beautiful than yesterday."

Gong mo was stunned and glared at him.

"I feel like I'm getting to know you all over again, and then I fell in love at first sight," he said seriously.

Gong Mo's face turned red and he scolded, "Where did you learn to sweet talk?"

"I'm speaking from the bottom of my heart."

"I don't have anything to say to you!" Gong mo snorted.

Sheng nanxuan was stunned and turned his head away in dissatisfaction.

"How can I compare to you in terms of your flowery words?" Gong mo said.

"Then tell me something simple."

"So, you admit that you're using flowery words?" Gong Mo's eyes widened.

Sheng nanxuan rolled his eyes helplessly. I can't help it. I can't help it. I can't help it. It's you, on the other hand, who can't stimulate your ability to sweet talk with me, it must be my fault!"

Gong mo thought, "Lao Ai is not only good at sweet-talking, but he also has a glib tongue!" She couldn't win at all!

"Blame me for being too ugly and not attractive to you." Sheng nanxuan looked at her sadly.

“No, no, no!” Gong mo hurriedly replied. My husband is the most handsome! I’m woken up by your handsomeness every day!”

pfft-” Sheng nanxuan almost choked on his milk.

Gong mo snickered,“you can’t take it anymore?” What would you do if I were to use flowery words?”

“If you have the ability, then say it!” Sheng nanxuan wiped the milk from his mouth.

Tsk ~ he used to drink coffee for breakfast, but now he was being controlled by his wife. His wife said that drinking coffee was bad for his stomach, so he obediently drank his milk. Look at how obedient he was!

Wu Wu Wu Wu. Gong mo was not as thick-skinned as him and turned to look at Hu Zi.

Hu Zi was playing alone, Hmph! He’s only one year old, and his father and Mama are already showing off their love for each other. He can’t get better in this life.

Chapter 727 It’s not a problem to have another one

Because of their public display of affection, the nanny and the nanny were hiding.

...

“I want to fire sister Zhang,” Gong mo whispered to Sheng nanxuan.

Sheng nanxuan was stunned,‘what’s wrong? Did he do something wrong?’”

“No, I didn’t,” Gong mo shook his head. I was just thinking that since Hu is already quite big, I’ll cook for you two in the future. That’s what a family should be like! Otherwise, when Hu grows up, he’ll complain that I’ve never cooked for him! Besides, I used to hire sister Zhang because I didn’t want mom to do the housework. Now, we don’t need two people.”

If she had not hired more nannies, dan Rong would have had to do household chores. They didn’t lack the money to hire a nanny, yet they let dan Rong be a nanny. What kind of people were they?

“You only fired sister Zhang?”

“Sister Li, you should at least wait until Hu Zi is in kindergarten before you resign. She knows a little more. If she has something to do and has to leave, I’ll have to invite another one back.”

“Is she enough?” Sheng nanxuan frowned. if she’s alone, she’ll have more work to do. I’m afraid she won’t put in enough effort.

Gong mo nodded and said in a low voice, “that’s why I’m planning to raise her salary.” It didn’t increase by much. Since sister Zhang could come back to do the cleaning work as an hourly worker, she was not allowed to live here. There are too many strangers in the house and I feel uncomfortable.”

“I’ll listen to you,” Sheng nanxuan nodded.

He knew that she wanted to build a warm home. His heart softened when he thought of her thoughts.

He reached out to stroke the hair on her face and asked, “Hu Zi can already walk, so I want to make a gaming room for him.”

“No need? The baby’s room is quite big, and there’s only so much space for him to sleep in. The rest of the space is for playing, so why do you need to build a special one?”

“Of course I do. The baby’s room will be changed into his bedroom, and the game room will be separate. When he grows up, it can be used as a study.”

“Are we going to stay here forever?” Gong mo asked with a smile.

Sheng nanxuan paused, ‘this should be wide enough, right? It’s not a problem to have another one.”

Gong mo blushed, “it’s good that you can stay here forever.” After we got married, we’ve always been here. I couldn’t bear to move away.”

She looked at the scenery around her and said, “I changed a lot of things later.”

“Yes, that’s why we’re not leaving.”

Gong mo smiled and suddenly thought, “When is the reconstruction? Will it be very noisy?”

“Aren’t we going to Italy when mom gives birth? We can use it when we return.”

After dinner, Sheng nanxuan was feeding Hu Zi in the dining room.

Gong mo poured himself a glass of water and hesitated on how to take the medicine without being seen by him.

If she had known, she would have hidden the medicine in the kitchen! He wouldn’t say anything if she went to the kitchen!

Sheng nanxuan’s phone rang. Gong mo took it for him and said, “It’s Yu xinzhuo. He might have something to tell you.”

Sheng nanxuan put down his bowl, picked up the phone, and went to the study after saying a few words.

Hu Zi looked at his back and kicked his feet, causing his shoes to fly out.

Gong mo quickly picked it up and put it on for him. “Did your dad let you wear it? I thought he was an all-rounder, but he’s not good at all!”

Hmph Hmph, she would be at ease then! Otherwise, if he knew everything, it would make her look useless.

“Wuwuwu!” Hu Zi stared at the bowl in front of him. rice ~”

Gong mo touched his head and said to the nanny, “You feed him!”

She ran back to her room and sneaked the medicine into the kitchen.

When sister li and sister Zhang saw this, they didn’t know whether to laugh or cry.

Hu Zi’s eyes followed Gong mo. After Gong mo finished his medicine, he tapped the tip of Hu Zi’s nose and said, “Good girl ~”

Chapter 728 I’m glad I remember you

Gong mo ran back to his room happily and met Sheng nanxuan who had just finished a call.

...

“Why are you so happy?” Sheng nanxuan asked.

I’m meeting Xinran. I ordered some clothes with her at the store last time. I’m going to pick them up today. are you going to take care of Hu Zi at home? “Gong mo asked with a smile.

“Of course!” Sheng nanxuan nodded. He had a good relationship with Hu Zi. Of course, he would take the opportunity to nurture tie Shi! He said, “but he might not be at home. He might go out.” How long will you and Xinran be shopping for?”

“As long as you can take care of Hu, I’ll be free and unfettered with Xinran for a day.”

okay. Sheng nanxuan held her shoulders. it’s been hard on you. Go and have fun!

Gong mo kissed him on the face and said, “I’m going to change my clothes.”

Walking into the bedroom, she suddenly regretted sneaking the medicine into the kitchen again! If he was outside the whole day, he had to bring his medicine! Tsk, I’ll have to sneak out later!

by the way ... Sheng nanxuan suddenly walked in.

“What are you doing?” Gong mo was startled.

“Cousin just called to say that the Zhang family has a banquet to invite us to.”

Gong mo was stunned and looked at him in a daze.

“I’m here to invite you, my Savior,” he snorted.

“Please don’t say that I’m stupid!” Gong mo was embarrassed.

“You’ve already done it, and you still won’t admit it?”

I admit it ~”Gong mo said gloomily,” you’re the one who kept mocking me.

Sheng nanxuan laughed and reached out to stroke her hair. "I'll get someone to send the dress over tomorrow. Of course, you can also buy one for yourself when you go shopping!"

"In order to avoid wearing the same clothes as others, I'll wait for your people to send it over. But Yingluo, I'll buy it if I see anything nice. I'll be using your card anyway ~"

Daddi! Hu Zi shouted from outside.

Sheng nanxuan was shocked and wanted to leave in a hurry.

you've only taken care of him for two nights, " Gong mo said sourly. he only remembers you. He doesn't remember me.

Sheng nanxuan lifted her chin and kissed her in a hurry. "It's good that I remember you!"

Gong mo changed his clothes and went to the kitchen with his bag.

Sheng nanxuan looked at her in confusion. She put down her bag. "I'm going to drink some water!" Then, she went into the kitchen and put the medicine into her purse.

Fortunately, it was winter, so it was hard to tell what was in the purse!

After he came out, Hu Zi looked at her and said, "Mama, Mama, Mama."

I'm going out for a while. Have fun with daddy. Gong mo squatted in front of him and pointed at his face. give mommy a kiss.

Hu Zi leaned over and kissed her. Then, he turned around and placed the toy in his hands into Sheng nanxuan's. He wanted to hug her.

She stood up and was stunned when she saw his outstretched hand. "What's wrong?"

Hu Zi paused for a moment and lowered his hand in disappointment. His mother had already stood up. She didn't intend to carry him anymore.

Gong mo immediately knelt down and hugged him. He kissed him on the face and said, "Play with daddy first. If you miss mommy, let daddy bring you to me."

After Gong mo left, Hu Zi looked at Sheng nanxuan sadly.

Sheng nanxuan said, "you can't bear to leave your mother? But mom has her own things to do. She doesn't live for the two of us."

"Yingluo" didn't understand! I want my mother!

Sheng nanxuan patted his head. when you go to kindergarten, you'll have more time to leave your mother. It's good to get used to it now.

What was Yingluo kindergarten? Those who separated him and his mother were all bad guys!

"Yingying, since mommy isn't here, let's go out and play too!"

Chapter 729 Good job, Gong mo!

Sheng nanxuan brought Hu Zi to the company. When the female employees saw that their adorable young master had come again, their eyes lit up with motherly love!

...

The president's son was too cute! I really want a hug!

Hu Zi also looked at everyone curiously. He had been here a few times and was more familiar with the surroundings, so he boldly reached out to touch the things he was interested in.

Sheng nanxuan slowed down with him in his arms. When he saw what he liked, he would stop and look at him for a while.

The employee who was "selected" was both happy and nervous. He didn't know where to put his hands and feet.

"Work hard." Sheng nanxuan looked at him coldly.

The employee replied, "Wanwan, BOSS, I can't do it with you here!"

"Eh-" Hu Zi called out.

Sheng nanxuan took a look and realized that he had his eyes on a biscuit on a female employee's table.

The female employee was shocked. She was caught eating snacks at work by the president! However, she didn't dare to hide anything that the young master had his eyes on! What should this, this, this, this Yingluo do?

Sheng nanxuan walked over with Hu Zi in his arms. Hu Zi bent down and reached out for the biscuits.

The female employee saw that he couldn't get it, so she picked up the box with trembling hands and handed it to him.

He smiled at the female employee. The female employee suddenly felt dizzy and her heart was hit! Oh ~ so cute!

Hu Zi picked up a biscuit and stuffed it into his mouth. Then, he looked up at Sheng nanxuan.

The biscuit was in his mouth. It was so long that it almost poked Sheng nanxuan.

Sheng nanxuan furrowed his brows and carried him into the office. Seeing that he still had the biscuit in his mouth, he could not help but say, "Didn't you have breakfast?"

Hu Zi reached out and took out the biscuits. He touched them. How did it break?

He looked at Sheng nanxuan in confusion.

"I don't understand your game." Sheng nanxuan facepalmed.

Hu Zi threw away the biscuit and climbed onto him. "Medicine! Medicine!"

"Medicine?" Sheng nanxuan looked at him in confusion.

"Medicine!" Hu Zi shouted.

"Qieke?"

"....."

There was a moment of silence. Even Sheng nanxuan felt that the wind was blowing messily.

"Mama," Hu sighed. He felt that his father was so stupid that he couldn't communicate with him. He turned around and climbed onto the sofa to play.

Sheng nanxuan rubbed his chin and thought for a while. He picked up the broken biscuit on the ground and looked at Hu Zi.

Hu Zi grabbed a book and started flipping through it seriously.

Sheng nanxuan took a deep breath, threw the biscuit into the trash can, and picked up his phone to call Yu Qingliu.

“Who is it? I’m sleeping!” Yu Qingliu roared.

“It’s already ten O’clock!” Sheng nanxuan said.

ten ... Yu Qingliu took a deep breath. why can’t I sleep at ten? ” What are you doing?”

“Did Gong mo go to your place to see him?”

Yu Qingliu paused, then laughed arrogantly, ” “You found out? Hahaha-I knew she couldn’t hide it! How cunning are you? How can she be your opponent? By the way, has Hu succeeded in weaning him?”

“Hehe!” Weaning? From the looks of it, she suddenly decided to wean herself so that the medicine wouldn’t affect Hu.

Sheng nanxuan hung up the phone and gritted his teeth. “Gong mo, good job!”

.....

“Achoo!” Gong mo sneezed as soon as he met Yu Xinran.

Yu Xinran hurriedly asked, “are you alright?” Did you catch a cold?”

“I didn’t feel well for the past two days, but I’ve almost recovered,” Gong mo shook his head.

Yu Qingliu had prescribed her medicine for three days, and she should have finished it today.

“Then we should be careful. Let’s go in first.” Yu Xinran hurriedly pulled her into the mall.

Chapter 730 Her Sheng nanxuan was more handsome than anyone else

There was central air conditioning in the mall, so it was warm wherever they went. It was indeed very cold outside.

...

After Gong mo and Yu Xinran entered, they went straight to the studio to pick up the clothes.

This studio specialized in the retro style, and the handmade cheongsam was even better. Every day when the weather was warm, there would be an endless stream of people who ordered custom-made cheongsam. There were also many people making coats in winter. The retro-style coat looked elegant on the body, as if it had come out of a painting.

This time, Gong mo and Yu Xinran made coats and windbreakers. Gong mo even made a double-breasted coat for Sheng nanxuan, which was similar to a military uniform.

Gong mo was a military uniform fanatic. Whenever a man wore a military uniform or something similar to a military uniform, she would take a second look at him. Double-breasted coats were her favorite.

The man was wearing a neat double-breasted coat and looked so handsome!

Her Sheng nanxuan was more handsome than anyone else. He would definitely look even more handsome in such clothes!

She hadn’t told Sheng nanxuan about making this dress yet. She made it using the size of the clothes he made last time. She hoped that there wouldn’t be any inappropriateness.

She even made a set for Hu Zi, from head to toe. The hats, clothes, pants, and shoes were all embroidered with red flowers. They were very beautiful.

Gong mo liked it very much and said to Yu Xinran, " we'll come over in the summer to make matching outfits. I'll make a cheongsam while Hu and Nan Xuan will make a Tang suit of the same fabric ...

"Does he look good in the Tang suit?" Yu Xinran asked.

"Of course it's good!"

Yu Xinran smiled. yes, yes, yes, ran ran, your husband. Of course he's good-looking!

"Don't you think my cousin is good-looking?"

it's good, it's good ~"Yu Xinran laughed shamelessly.

After leaving the studio, Gong mo asked,"by the way, it's grandma's birthday next month. What do you think nanxuan and I should give her?"

She'll be the happiest if you and nanxuan bring Hu over!

"That's true, but we're the younger generation, so we should at least show some respect."

Yu Xinran nodded and said, " "Speaking of which, grandma's hobby has been collecting and art all these years. She liked everything related to these two things. But it is not strange that the people outside would give her these."

Gong mo nodded his head. In other words, as long as they put in the effort, they didn't care whether it was these two things or not.

The two of them strolled around the mall. Gong mo bought a dress for himself and a tie of the same color for Sheng nanxuan.

Oh ~ Yu Xinran teased. you're matching your couple outfit.

Gong mo smiled shyly and said, "you can also match it with the others."

Yu Xinran smiled and didn't say anything. How was she going to match it? Gong Bai was already under a lot of pressure when he bought some things for him.

Gong mo compared the dress with the tie and said, "I heard from nanxuan that the Zhang family is holding a banquet? I'll wear this and let him wear this tie!"

this dress ... Yu Xinran asked worriedly, "what if we clash?"

There would be a lot of people, so it would be safer to wear custom-made clothes.

"I'll ask someone to change it." I don't like long skirts anyway. They're dragging on the floor and are a little cumbersome. What if I step on them? how embarrassing would that be? "Gong mo said.

Yu Xinran nodded and said, "that's true." Actually, in our circle, there's no competition in terms of money. In this industry, who couldn't afford these things? It's a competition of taste and judgment. Some people like to change their clothes to big brands to show their ability and taste!"

"Will you change?"

"Me?" Yu Xinran smiled. I pay attention to the matching, so I'm too lazy to change it.
