

Ditsy Wife 741

Chapter 741 They were the ones who caused my wife to catch a cold!

"I won't." Yu Xinran said frankly.

...

Gong Ying was stunned. He remembered that she was the eldest young lady of the Yu family. She must have never touched anything since she was a child. She had been provided with clothes and food, so naturally, she didn't know anything.

Gong Ying lowered his head, gritted his teeth, and rubbed his feet.

In fact, Yu Xinran could have taken revenge for the bullying she had suffered today with just a word. But Yingluo wasn't asking for anything!

.....

After changing his clothes, Gong mo sat in front of the dressing table and put on makeup. Today was the Zhang family's banquet, and she and Sheng nanxuan were about to set off.

Sheng nanxuan leaned on the side and said, "it's a cold day. What's the point of holding a banquet?" What if you catch a cold outside?"

Gong mo glanced at him helplessly. you're wrong. Grandma's birthday is coming soon.

"The weather will be warm by grandma's birthday."

"You just don't like the Zhang family, do you?" Gong mo couldn't help but laugh.

"Nonsense! They're the ones who caused my wife to catch a cold!"

Gong mo was speechless. After checking that there was nothing wrong with his makeup, he stood up and walked to his side. alright, I was careless. What does it have to do with them? ”

Sheng nanxuan narrowed his eyes. you’re still helping an outsider? ”

Alright, alright, Yingluo, you’re right! Gong mo said hurriedly.

Hmph! Sheng nanxuan picked up his coat. wear it!

Gong mo put it on obediently and said, ” “Let’s go, don’t be late!”

Sheng nanxuan looked at her dress and then at his tie. He felt inexplicably warm.

After they left the room, Gong mo asked, ”do you know why the Zhang family is holding a banquet?” Do you want to bring a gift?”

“You don’t have to worry about that. My Secretary will handle it. Grandpa asked us to bring Hu with us.”

“Ah? Why?”

“I guess she misses him.”

but that’s a banquet. Gong mo felt that it wasn’t appropriate to take care of a child at that kind of occasion. However, since Yu Zhengming had requested it, it was better to bring it along.

She could not help but scold Sheng nanxuan. why didn’t you say so earlier? you didn’t even prepare clothes for the child.

“He’s still so young, don’t worry too much. Didn’t you make new clothes for him the other day? I’ll wear that!”

When he walked into the nursery, Hu Zi saw his beautiful parents and was surprised.

“You don’t recognize me anymore?” Gong mo chuckled.

“.....”

There was no one who didn’t know him! It was just that she couldn’t believe that her mother had suddenly become so much more beautiful!

However, her mother’s voice did not change. “Mom!” He shouted happily.

Gong mo hugged him and wanted to give him a kiss, but he gave up when he remembered that he had put on lipstick.

Seeing that she wasn’t kissing him, Hu Zi thought that she didn’t like him anymore and pouted pitifully.

Gong mo patted his head with a smile and helped him put on his clothes. Then, he carried him out of the house.

The family of three arrived at the hotel where the banquet was held. When they walked into the hall, they attracted the attention of everyone.

Who here didn’t know about the night God? Who didn’t know about night God? When she saw Sheng nanxuan, she wanted to immediately curry favor with him.

Sheng nanxuan supported Gong Mo’s back and walked in. Everyone realized that his tie matched Gong Mo’s dress color and couldn’t help but say in their hearts, “He looked like a man who loved his wife!”

Hu Zi, who was in Gong Mo's arms, looked around curiously. His charmingly naïve appearance made people like him.

Yu Xinran quickly walked over and said, "you guys are here ~"

"Yiya?" Hu Zi looked at her.

be good ~" Yu Xinran held his little hand and shook it.

"Call me aunt," Gong mo said.

aunt ~" Hu Zi called out in his childish voice.

Yu Xinran smiled happily and said, "Come with me. Grandpa and Grandma are waiting for you upstairs."

Chapter 742 The young couple has a good relationship ~

"Oh." The two of them hurriedly followed her and greeted the people around them as they walked.

...

There was a resting room upstairs. The three of them brought Hu Zi in and realized that not only were Yu Zhengming and Wu surong there, old man Zhang was there too.

Old man Zhang saw them and stood up from the sofa in excitement. "Oh my, this must be qinghuan's grandson. Let me hug you!"

"Why are you so anxious?" Yu Zhengming shouted, "I haven't hugged you yet!"

Gong mo and Yu Xinran couldn't help but smile and greet them.

When old man Zhang heard Sheng nanxuan call them 'Grandpa, grandma', he couldn't help but stare at him. Then, he asked Yu Zhengming in a low voice, " "This is qinghuan's Kasaya."

Yu Zhengming nodded and said to Sheng nanxuan, this is Grandpa Zhang. I've known him for decades. He watched your mother grow up.

"Grandpa Zhang." Sheng nanxuan shouted.

"Good! Good!" Old man Zhang was a little excited as he looked at Hu Zi with eager eyes.

Hu Zi was in Yu Zhengming's arms. Wu surong lowered her head and played with him with the rattle-drum.

He wasn't very interested in this now, but he still gave it a few glances. After reading it, he lowered his head and pulled at the purse hanging around his neck.

"What is this?" Wu surong asked.

"A cricket bag." Hu Zi said after thinking for a moment.

"Haha, Yingluo actually knows that this is a bag!" Wu surong looked up at Gong mo and said, " he's dressed so exquisitely. He's so good-looking!

"Little Huzi, you brought your bag?" Old man Zhang came over, unwilling to be left out. great-grandpa will give you a gift, okay? I'll put it in your bag!"

His grandson wasn't even married, and his great-grandson was nowhere to be seen. Now that he saw such an adorable little fellow like Hu Zi, he naturally wanted to snatch him home!

Yu Zhengming's face turned serious, "what great-grandfather?" Don't you have any shame?"

“Aiya, I’m his great-grandfather!”

Knock! Knock! There was a knock on the door.

“Come in,” said old man Zhang, stopping his bickering.

“Grandpa.” Young master Zhang walked in. I’m here to see Mr. Sheng.

“What’s the matter?” Sheng nanxuan asked.

Young master Zhang said, “ they saw you just now. Everyone wants to get to know you. They asked me to invite you.

Sheng nanxuan smiled and said to Gong mo and the other elders, “ Then I’ll go down first.”

Gong mo asked, “then I’ll ...”

“You can rest here first. Come find me if you miss me.”

“Who wants to miss you?” Gong Mo’s face reddened as he cursed in a low voice.

Old man Zhang laughed heartily, “the young couple has a good relationship ~”

Gong mo wanted to find a hole to hide in.

“Don’t bully her!” Sheng nanxuan said.

“Who exactly is bullying her?” Wu surong rebuked.

“That’s right!” Gong mo agreed in a low voice.

Hu Zi sat on Yu Zhengming’s lap, not knowing what they were talking about. When he heard his mother say yes, he nodded his head vigorously.

Sheng nanxuan smiled and rubbed his face. Then, he left with young master Zhang.

Hu Zi looked at Gong mo and asked, “Daddy?” Where is daddy going?

“Ignore him, we’ll just play here.” Gong mo said.

Old man Zhang teased Hu for a long time before sighing. “My boys, why aren’t you getting married yet? They didn’t even think about how anxious I was! I’m already so old, how many more years do I have? If I don’t hurry, how can I hold my great-grandson!”

“It’s enough to have a grandson, but you want a great-grandson? He’s simply insatiable!” Yu Zhengming said.

“Heyya!” Old man Zhang was dissatisfied. damn Taro! You’re already carrying your own great-grandson, so you don’t care about my life or death?”

“Why should I care about your life? I don’t have any relationship with a cockroach head like you!”

Chapter 743 Let them duel here!

Wu surong sighed and said to Gong Mohe and Yu Xinran, “Look at how they’ve been fighting for decades, and they’re still fighting! Sometimes, even I can’t get in. It’s as if they’re a pair and I’m an extra!”

...

Gong mo and Yu Xinran couldn't help but laugh. Could it be that the old lady was a fujoshi? It was a little scary.

Yu Zhengming was also shocked. He turned around and called out, "Nonsense! What couple? Even if you're jealous, you should find the right person. He's a man!"

Old man Zhang quickly said, "who said it's impossible between two men?" Don't you know that men can get married to each other now?"

"Get lost, get lost, get lost!" Yu Zhengming shouted, " what are you doing here? Give Hu Zi back to me!"

Wu surong looked at old man Zhang meaningfully, "So you're saying that you've been secretly in love with my old Yu?"

Old man Zhang was dumbfounded.

"No wonder you've been at odds with him for decades!" Wu surong snorted.

"Tsk!" Old man Zhang shouted, "I just don't like him! I have a crush on him? I might as well have a crush on you!"

you ... Yu Zhengming's eyes widened. He stuffed Hu Zi into Wu surong's arms and stood up to roll up his sleeves. what did you say, Zhang? " I knew it, you've always had ideas about my family's surong!"

Gong mo and Yu Xinran were stunned, "how did things come to this?"

Wu surong held her forehead and shook her head, " let's go, let's go, Yingluo. Let's change the location and let them fight here!

"Where are we going?" Yu Xinran could not help but laugh.

Just then, the door was pushed open and sun boyu walked in.

When he saw the scene in the room, he was stunned.

Yu Zhengming raised his walking stick, old man Zhang grabbed the vase, and the two of them looked like they were about to fight.

Wu surong, Gong mo, and Yu Xinran stood at the side calmly, not looking like they were going to stop the fight.

Hu Zi was in Gong Mo's arms and he was biting the purse hanging on his body.

What a beautiful picture! It was just a little shocking!

"Grandpa!" Sun boyu called out hurriedly.

Old man Zhang took a look and hurriedly said to Yu Zhengming, " don't hit me, don't hit me. My grandson is here. Leave me some face!

Sun boyu's face darkened,'you're embarrassing me even more by saying that!

Yu Zhengming put down his walking stick and sat down on the sofa. He said to Wu surong, "What are you standing there for? Sit down, sit down, where's Hu Zi? Let me hug you."

Gong mo hurriedly put Hu Zi down beside him. He hugged Hu Zi and asked happily, " "What are you looking at?"

When Hu Zi heard this, he handed the pouch to him, as if he wanted to give it to him.

Sun boyu walked to old man Zhang's side. Old man Zhang asked, "What are you doing here? What Xuanji and Xinran ..."

"Ah?" Yu Xinran looked over in a daze.

Gong mo also became alert and paid attention to their movements.

"Do you remember Bo Yu?" old man Zhang asked eagerly.

"I remember!" Yu Xinran didn't know whether to laugh or cry. we've already met.

"That's good! That's good! When you have time, you can chat and catch up."

Yu Xinran looked at sun boyu. Sun boyu was a little helpless and said to old man Zhang, "Grandpa, I'm leaving if you keep doing this!"

"Hey, don't go, don't go!" Old man Zhang hurriedly said, "did you come up for something?"

"I'm fine." Sun boyu sat down beside him. I'm just not used to being down there. There are so many people I don't know and I'm worried about grandpa's health, so I came up to take a look.

Yu Xinran tugged at Gong mo and whispered, "Let's go down,"

Chapter 744 I'm afraid he's harboring evil intentions

Gong mo guessed that she didn't want to be in the same room as sun boyu, so he nodded.

...

The two of them stood up and said to the elders, "Let's go down and take a look!"

“Go on, go on.” Wu surong quickly said to Gong mo, “ I’ll take care of Hu Zi. Don’t worry.

“Thank you, grandma.” Gong mo turned around and left the room with Yu Xinran.

Sun boyu’s gaze followed the two of them. Old man Zhang took a look and thought that he liked Yu Xinran, so he sighed in heartache.

Yu Zhengming and Wu surong were playing with Hu Zi, and the three of them were playing seriously.

Old man Zhang and sun boyu sat at the side for a while. Sun boyu felt that he had interrupted the atmosphere and stood up. “Grandfather, I’m going down for a while.”

Old man Zhang nodded. After he left, he turned around and asked Yu Zhengming, “ “Old Yu Qianqian.”

Wu surong interrupted him, “old Zhang, our Xinran already has a partner. Don’t put boyu and her together!” I don’t think the two of them are interesting and it’s going to be awkward.”

this Yingluo ... old man Zhang’s face was bitter. I like Xinran, don’t I? ” And boyu definitely likes Xinran, you see, he just ...”

“A melon that is forcefully twisted is not sweet!” Wu surong said, “ besides, you’re not twisting it by force. You’re trying to break up the two of them!

Yu Zhengming said, “if Xinran doesn’t have a partner, I’ll let you be.” Boyu is a good kid, we like him too. But Xinran already has a partner and they’re not fated, so we can’t force it, right?”

“Oh my!” Old man Zhang sighed. you guys always say that you have a partner in mind, but I don’t see her on a day like today.

“Do you think we’re trying to coax you?” Wu surong pulled a long face.

“Al! Sister-in-law, don’t be angry. I didn’t mean it that way!”

“Xinran’s boyfriend doesn’t have a good family background, so he’s not used to this kind of occasion. But no matter what, it’s fine as long as Xinran likes him. We won’t interfere!”

Old man Zhang asked with concern, “will there be any problems?” I’ll say something unpleasant, don’t be angry, I’m just concerned! Although there are many good-for-nothing kids at our level, we’re still better than those who have nothing! Those people always want to work thirty years less, but I’m afraid he has evil intentions!”

at our level, ran ran. Wu surong sighed. we might meet people with evil intentions too! They’re all big families, so it’s not impossible for one family to pry away the other, don’t you think? On the other hand, those without a Foundation could at most save him 30 years of hard work. They didn’t have the ability to uproot the entire Yu family! Therefore, I’m more at ease when Xinran finds someone like him!”

Hearing this, old man Zhang was speechless and a little embarrassed and depressed. “Sister-in-law, are you suspecting that our Zhang family is also harboring evil intentions?”

After all, he had always wanted to abduct Yu Xinran to his house and make her his granddaughter-in-law or granddaughter-in-law!

“Old Zhang!” Yu Zhengming said. If you say it like this, our decades of friendship will be broken! Su Rong was only judging the matter as it is, she wasn’t talking about you! How could we not know that you treat Xinran like your own granddaughter? If you insist on saying this, I’m going to suspect that you’re trying to hide something!”

“Okay, okay, okay, Yingluo,” old man Zhang said. “It’s my fault! I shouldn’t have said that! Aiyaya, I’m just worried about Xinran and can’t bear to leave her. ”

“Hey!” Hu Zi roared.

The three of them looked at him.

He furrowed his brows and snorted, looking very unhappy.

“What’s wrong with him?” old man Zhang asked, puzzled.

Chapter 745 She was the one sun boyu liked!

Wu surong laughed, “our Hu Zi is smart, considerate, and sensible!” He’s telling us not to quarrel!”

...

Aiyo! old man Zhang laughed happily. you’re so sensible! Then we’ll listen to you and not quarrel! Then can Yingluo let me hug her? I don’t even have a great-grandson to hug, but you guys can often hug one.”

.....

In the banquet hall.

Gong mo saw that Sheng nanxuan was chatting with a group of people, so he did not go over. Instead, he pulled Yu Xinran aside to talk.

“That sun boyu, does he like you?” she probed.

“You want to complain to your cousin?” Yu Xinran glared at her.

Gong mo felt embarrassed that he had been seen through. He explained, “I’m indeed worried that he’ll meet his match, but I won’t complain. I’m just concerned.”

“A woman’s intuition is very accurate.” Yu Xinran said, “I don’t think he likes me.

“What if your intuition is wrong?”

“I haven’t made any mistakes in so many years! “Before I got together with your cousin, I could already feel that he liked me~” Yu Xinran said and suddenly nudged her.

“What for?” she asked, stunned.

“Look over there!” Yu Xinran used her chin to point forward.

Gong mo looked over and saw Sheng nanxuan raise his glass and smile at him.

She blushed and raised her glass as well.

The people around Sheng nanxuan looked over. When she saw them, she quickly turned around and pulled Yu Xinran to the side.

“Why are you hiding?” Yu Xinran laughed.

“I’m shy!” Gong mo said awkwardly.

After a few steps, the two of them met their depressed friend and stopped.

Gong mo didn’t know the other party, so he greeted him after Yu Xinran introduced him. The other party had the intention to curry favor with her, and just because they were familiar with Yu Xinran, they chatted about random things.

Gong mo smiled politely, but he wasn’t as friendly as the other party.

She was a little worried about Hu Zi, so she looked up at the stairs and saw sun boyu coming down.

Sun boyu happened to be looking in her direction, so he smiled and nodded.

She was too embarrassed to ignore him, so she could only smile and look at Yu Xinran.

Intuition?

Why did she feel that sun boyu liked Yu Xinran? why else would he be staring at them?

Yu Xinran looked at her questioningly, and she smiled. "I want to go see Hu."

Yu Xinran nodded. then I won't accompany you. Be careful.

Gong mo nodded. He put down his wine glass and went upstairs.

Just as she was about to reach the door, she felt someone following her. She turned around and saw that sun boyu was only a few steps away from her.

"Mr. Sun?" she asked, surprised. Didn't he just go downstairs?

thank you," sun boyu said with a smile. I want to thank you.

"Thank you? What did I do?"

Sun boyu's smile became even brighter, as if he was calling her stupid.

"You saved my grandfather!" He said.

"Didn't Yingluo already thank you?" Gong mo didn't understand. He felt that something out of his control was happening.

"I know," Sun boyu looked at her seriously. but I want to tell you in person.

Gong mo felt that the atmosphere was a little strange. He turned around and wanted to leave.

tsk! sun boyu shouted.

She stopped and looked at him.

"You're called Gong mo, right?" He asked.

"Yes."

"You look beautiful tonight," he said with a smile.

Gong mo,"hehe."

"Can I call you Momo?"

"You can't!" Gong mo pulled a long face and turned to walk to the lounge.

When she reached the door, she reached out for the doorknob and turned to see that he was still standing there.

Her heart skipped a beat as she recalled what she had said earlier. A woman's intuition was very accurate.

Her intuition told her that the person sun boyu liked was her!

Gong mo hurriedly shook his head, opened the door, and entered the lounge, shutting this ridiculous thought out of the room.

Chapter 746 Can I treat you to a cup of coffee?

Gong mo brought Hu Zi to play in the park near their home.

...

Hu Zi's steps were already very stable. Gong mo placed him on the ground and he pulled her along as they walked around. They would go wherever there was a commotion. His small body couldn't stop for a moment!

Gong mo had bought him some toys. Seeing the older children playing with bubbles, he hurriedly pulled Gong mo, "There! There!" I want that!

"Alright, we'll take our time." Gong mo held his hand and walked forward.

He had been walking for half a day and was tired. He frowned and raised his hands. Hug!

Gong mo couldn't help but laugh. He carried him up and went to buy a bottle of water. Then, he put him on the ground and squatted down in front of him to teach him.

The moment he took out the bubble stick, Hu Zi thought it was a lollipop and opened his mouth to bite it.

Gong mo jumped in fright and dodged hurriedly, "What are you doing? This can't be eaten!"

ppft! a chuckle came from the front.

Gong mo was stunned. He raised his head and saw sun boyu standing in front of them with an DSLR camera pointed at them.

She hurriedly squeezed the water and stood up with Hu Zi in her arms.

Seeing that he had been discovered, sun boyu awkwardly put down his camera and walked over. "Hi ~"

"What are you doing here?" Gong mo asked with a frown.

Gong mo didn't want to talk to him because he suspected that he had a crush on him. But when he saw her, he couldn't just not greet her, right?

I haven't been to China for many years. I realized that there have been many changes, so I decided to take a look around. Sun boyu explained, reaching out to touch Hu Zi's head. his name is Hu Zi? "

Hu Zi turned around and lay on Gong Mo's shoulder, ignoring him.

He was stunned and retracted his hand awkwardly. He said to Gong mo, "My grandfather has been thinking about him and has been urging me to marry my cousin every day. He said that if we get married, we can give him a great-grandson as cute as Huzi."

"Is that so?" Gong mo smiled awkwardly and didn't know what to say.

They weren't that close, right? Just a greeting was enough, was there a need to talk so much?

Sun boyu saw that she wasn't willing to talk to him, so he lowered his head in disappointment and fiddled with the camera in his hands.

"Are you taking pictures of me?!" Gong mo suddenly asked.

Sun boyu raised his head. I like photography, so I'm just here for some fresh air.

“Are you taking pictures of me?” Gong mo asked.

He looked into her eyes with a gentle and focused expression. “You’re so pretty, of course I can’t resist.”

“.....”

Gong mo turned his head and said, “you’d better delete it!” This is Xiao xiangquan’s problem!”

She turned around with Hu Zi in her arms, but sun boyu quickly blocked her way. “Can I treat you to a cup of coffee?”

“Bah!” Hu Zi suddenly turned his head and spat at him.

Gong mo was shocked and quickly covered his mouth, “What are you doing?”

Hu Zi pouted and fell on her shoulder, “Hmph! This uncle is a bad person! Don’t ask him how he knew, because he didn’t understand it either, but he just felt that way!

Gong mo said to sun boyu awkwardly, “I’m sorry, the child is insensible, Wanwan.”

Sun boyu wiped the saliva off his body with a tissue and asked, “Then, do you want to buy me a cup of coffee as an apology?”

Gong Mo’s expression changed. He took out his wallet and took out two notes, “You can take it to the dry cleaner and wash it. I still have things to do, so I’ll go home first.”

Seeing that he didn’t take it, she stuffed the money into his hands and walked away with Hu Zi in her arms.

After taking two steps, she turned back and said, "if you took a photo of me, please delete it!"

With that, she carried Hu Zi and walked away quickly.

Sun boyu took the money and looked at it. He slowly folded it and put it in his pocket, then followed her with his camera.

Chapter 747 Roses delivered to the door

As he walked, he took pictures.

...

Hu Zi leaned on Gong Mo's shoulder and babbled as he reminded Gong mo.

Gong mo turned around and patted his butt, "Don't care about him! Mommy will teach you how to blow bubbles when you get home!"

Sun boyu followed her all the way to the entrance of the neighborhood before stopping. When he saw her enter the house, he stayed on the road for a while and took a lot of photos with his camera.

.....

When Sheng nanxuan returned home, Gong mo was teaching Hu Zi how to blow bubbles on the balcony.

Hu Zi was especially lazy. He sat on the mat with the car in his arms. Gong mo placed a bubble blowing stick dipped in bubble water in front of him before he raised his head and blew on it.

After he was done, he lowered his head and continued playing with the toy car.

“Why are you playing this?” Sheng nanxuan laughed.

when we went to the park in the afternoon, he saw other people playing and wanted to play. Gong mo said.

Sheng nanxuan walked over and lowered his head to kiss her face.

Hu Zi shouted excitedly, “dad!” Daddy!” There’s still me! Kiss me!

Sheng nanxuan also smiled and kissed him. Then, he picked him up.

Gong mo looked at Sheng nanxuan and thought of his encounter with sun boyu in the afternoon. He was hesitating whether to tell him.

Oh, let’s not talk about it?

Even if sun boyu was interested in her, he couldn’t do anything about it, knowing that she was a married woman.

It was better not to let Sheng nanxuan know about this.

It was a small matter for him to be jealous, but it would be troublesome if he got angry and beat sun boyu half to death. After all, sun boyu was old man Zhang’s grandson. If something happened to him, it would be hard for Grandpa and Grandma to explain to old man Zhang.

The next day, Sheng nanxuan had nothing to do and stayed at home.

Gong mo took the invitation from Yu Xinran and said, “ Xinran said that we’ll invite someone to decide on grandma’s birthday. We’ll just give her a copy of the list after we’re done.

Sheng nanxuan took the invitation. The Yu family had hired professionals to design and custom-make it. It was done very beautifully, and the time and place were printed. Only the invitees' names were left blank.

"Who are you inviting?" he asked Gong mo.

"I've thought about it and only Candy Heart can be invited." Gong mo pouted and said dejectedly, "I don't have many friends, Zhenzhen."

"Didn't Candy Heart go overseas to visit her parents?"

Sheng nanxuan picked up a fountain pen and filled in their names one by one. Fang Yang, Zeng Shuai, and the others were naturally at the front.

"He's almost back." Gong mo said.

"Then, please. I'll help you fill it out?"

Gong mo rested his chin on his arm and said with a smile, "You fill it in! Your handwriting is so beautiful!"

"You're Tang Xinxin, right?" He picked up another one. Tang from the Tang Dynasty, and Xinxin from the prosperous Tang Dynasty?"

"Yes."

Sheng nanxuan had just started writing when the doorbell rang.

"I'll open the door!" Gong mo stood up.

He opened the door and saw a delivery man.

She was surprised and turned to look at Sheng nanxuan. Sheng nanxuan was still writing the invitation letter seriously.

Today wasn't any special day, so there was no need for him to give her a surprise, right?

"Hello, are you miss Gong mo? Your flowers, please sign here!" The delivery man said.

Sheng nanxuan stopped writing and looked up at the door.

Gong mo walked out and asked in a low voice, "Who sent it?"

"You'll know when you see it for yourself." The delivery man said.

Gong mo took a look and saw that the delivery man was sun boyu. He gasped in shock and hurriedly said, "You've sent it to the wrong place! I'm not Gong mo!"

"That's right, this isn't Yingluo."

"Gong mo," Sheng nanxuan's voice came.

Gong Mo's body stiffened. He turned around and looked at Gu Yu. Gu Yu walked over.

Chapter 748 I will handle this matter

The delivery man mumbled, "didn't he call you Gong mo?" I'll have to trouble you to sign here."

...

Sheng nanxuan walked to her side and rested his chin on her shoulder. He asked curiously, "Who sent it?"

Gong mo felt that there was a hint of coldness in his voice.

"Hurry up and sign." Sheng nanxuan urged.

Gong mo picked up a pen and signed his name on the receipt.

Sheng nanxuan stood up and sighed. "You're really signing it?"

Gong mo was stunned, didn't he ask her to sign it?

He pulled her back into the room and closed the door. He picked up the card in the flower and looked at it-

For you, the most beautiful-sun boyu

"Sun boyu?" Sheng nanxuan narrowed his eyes and looked at Gong mo dangerously.

"He should be thanking me for saving his grandfather!" Gong mo hurriedly explained.

"Red rose?" He looked at the flowers.

"Uh, hehe."

"Besides, didn't I already thank you? Why are you sending flowers again? How did he know that you lived here?"

f * ck! Gong mo felt that if he didn't explain himself clearly, he would never be able to clear his name. He had no choice but to tell her about his encounter with sun boyu on the day of the banquet and yesterday.

what? " Sheng nanxuan asked sternly. so you're saying that someone is coveting my wife? "

Gong mo replied innocently, "I suspected that he had such intentions, so I've already rejected him!" Who knew, Yingluo?"

Sheng nanxuan looked at the words on the card and frowned.

No wonder he felt something was off the first time he saw sun boyu! So it was because this person wanted to be her love rival?

Bah!

What love rival?

Gong mo was already his, so sun boyu was asking for a beating!

He crumpled the card into a ball and glared at Gong mo. why are you doing such a good thing? "

"I didn't expect this to happen," Gong mo said gloomily.

"You didn't give him any hints, right?" Sheng nanxuan narrowed his eyes.

"What do you mean?" Gong mo asked in excitement. Is it my fault that I'm pretty?"

Sheng nanxuan snorted, "yes!" It's your fault!"

“You ...”

Sheng nanxuan reached out and ruffled her hair. “I’m not even angry yet, and you’re already angry?”

Gong mo was stunned and turned around gloomily.

Sheng nanxuan took out a rose and crushed the flower. The petals fell to the ground one by one.

“I’ll handle this matter, don’t take it to heart.” He said with a cold face.

“What are you going to do?” Gong mo asked.

Sheng nanxuan raised his eyebrows and asked, “what? Are you afraid that I’ll hurt him?”

“Of course not! I just think that killing people is not a good thing.”

“Am I that kind of person in your heart?” Sheng nanxuan’s eyes widened.

Gong mo choked and said weakly, “Who are you?” The night God! I’m really afraid that you’re that kind of person!”

“You can’t bear to see him die?” He asked again.

Gong mo couldn’t say anything and poked his waist gloomily, “Old master Zhang and Grandpa have been good friends for decades. You should think about Grandpa. If we really kill or maim this person, it’ll be hard for Grandpa to explain to the others.”

Hmph! Sheng nanxuan sneered. sun boyu knows you’re my wife, but he still sent you roses! If old man Zhang knew about this, how could he explain it to his grandfather? I’ll let him off this time and tell Grandpa directly. Grandpa will naturally tell old master Zhang, and then old master Zhang will take care of him!”

Gong mo heaved a sigh of relief. That's good, it won't hurt our relationship.

Sheng nanxuan glared at her. if you encounter such a thing again in the future, you must tell me immediately. Understand? "

"I know." do you think your wife is popular? " Gong mo whispered. How can this happen so often?"

Chapter 749 In his eyes, the night God was like an ant

"You're so pretty, can you have some self-awareness?" Sheng nanxuan called out.

...

Gong mo paused for a moment and said with a smile, " "Can you not praise someone so loudly?"

you still dare to be cheeky?! Sheng nanxuan pinched the back of her neck in anger. I really want to lock you up! Don't let anyone see you!"

"Are you a tyrant?!" Gong mo shouted in fear.

"Hmph ~"

Gong mo was afraid that he would go crazy and hurriedly said,""No matter how much others like me, I only like you! Why are you locking me up? You should take me out to show off your love and disgust those people with bad intentions!"

Sheng nanxuan rolled his eyes at her. don't worry. I won't lock you up.

.....

The Zhang family.

Old man Zhang put down the phone, sighed heavily, and said to the servant, "Boyu's back, tell him to come see me."

Not long after, sun boyu returned. After hearing the servant's words, he first went back to his room to put down his camera, then went to old man Zhang's study.

"Grandpa, you were looking for me?" he asked as he walked into the study.

Old man Zhang looked at him with a mysterious expression. I heard that you gave Gong mo a bouquet of roses?"

Sun boyu was taken aback. He didn't expect Gong mo to disclose this matter to him. This woman was really difficult to deal with.

don't you know who she is?" Old man Zhang asked agitatedly, "I thought you liked Xinran, but who knew that ran ran was married. Did you know?"

Sun boyu lowered his eyes and said with infatuation, "I know Yingluo, but you can't help it when you like someone."

Old man Zhang was startled. He grabbed a teacup and smashed it on him. "You're looking for death!"

"Grandpa!" Sun boyu looked at him in confusion.

"Destroying someone's marriage is a mistress, and mistresses are like rats on the street, hated by everyone. Don't think that this is some romantic affair! Don't bring back your foreign ways!"

Sun boyu pursed his lips and didn't say anything.

“And Sheng nanxuan is the night God!” Old man Zhang called out, “ you didn’t know who he was when you were overseas, but didn’t you hear anyone mention him when you came back? ”

Sun boyu frowned. He had naturally heard of it before, but he didn’t think much of it. In his eyes, night God was just a human, like an ant.

“In short, he’s someone you can’t afford to offend!” Old man Zhang looked at him in exasperation. you dare to think about his wife? Are you tired of living? He’s even pointing fingers at the presidential candidate now, don’t you dare go against him!”

“Yueyue, I know.” Sun boyu said with his head lowered.

Old man Zhang waved his hand and looked at the tea stains on his collar.”Alright, go change your clothes. Don’t catch a cold.”

it’s Wanwan. sun boyu raised his head, a hint of warmth in his eyes. I’ll go back to my room first.

When he returned to his room, he took off his coat and wiped the collar of his sweater with a tissue. He was not in a hurry to change.

He took a sip of his coffee, connected the printer, and printed the photos in the camera.

Clear photos slid out of the printer one by one. He slowly placed them on the ground, then squatted down and looked at them carefully.

In these photos, Qimo rarely appeared, but Sheng nanxuan appeared more often.

However, there were very few face-to-face photos of the two of them because most of the photos were taken secretly.

There were even more photos of no one. They were photos of the situation outside Sheng nanxuan's company and every corner of his neighborhood. There were even photos of him socializing and his car driving on the road.

Sun boyu touched his chin and pondered for a long time as he looked at the photos. Finally, he picked up one of Gong Mo's photos.

This photo was taken in the park that day.

Gong mo held Hu Zi in his arms and smiled gently.

"I can only start with you." Sun boyu said, "it's your husband's fault for being so powerful.

Chapter 750 Planning to participate in the talent show

Tang Xinxin had just returned from abroad and brought a bunch of gifts for Gong mo. Of course, many of them were for Hu Zi.

...

"How are uncle and Auntie?" Gong mo asked.

"I'm good! She's just urging me to get married, so I was so scared that I ran back here!"

"Then what are your next plans?" Gong mo couldn't help but laugh.

"I want to try my luck in the entertainment industry," Tang Xinxin said seriously.

"Acting?"

“I have this idea. Although he had never learned it before, he would try it out first. The entertainment industry was not just about acting, but also hosting. I’ll go out first and see how it goes.”

“Then how are you going to do it?”

Tang Xinxin got excited. “There’s a good opportunity! There’s a singing competition on channel HBT3 and the auditions have already started. I’m planning to take part!”

HBT3’s full name was “China radio and television station,” and it was the largest official radio and television station in China.

Channel 3 was an arts channel, and their usual programs were singing and dancing. The singing talent show organized by them was naturally the most influential and authoritative among the singing competitions. If she won an award, she would definitely be a king or queen in the music industry in the future. Even if he didn’t win an award, he would still receive a lot of attention.

“Do you know how to sing?” Gong mo asked curiously.

She didn’t know that Tang Xinxin had such a skill during her three years in high school!

Tang Xinxin said, “well, it’s definitely possible to shout a few times in Yingying KTV. I don’t know if it’s professional or not.” But I’ve worked in the entertainment industry for a few days and know a few people. I plan to find a music teacher to teach me a few tricks so that I can at least get into the top 32 and earn some popularity. When the time comes, whether you’re acting or hosting, you’ll have a fan base.”

“Then go, I’ll support you.” Gong mo said with a smile.

“Then you have to be the number one fan of my fan club!” Tang Xinxin said.

“Let’s forget about this Yingluo.” Gong mo said. She had never been a fan of anyone, so she probably didn’t have the potential to be a fan.

“No!” you’re my best friend. How can you not support me?” Tang Xinxin shouted.

“I’ll support you! But the fans ...”

“You can’t possibly leave me without a single fan, right? Just pretend for two days ~ when I have real fans, you can retire!”

Gong Mo’s face darkened. Was there such a thing? She nodded reluctantly, “alright then, Yingluo.”

yay! Tang Xinxin said happily. I’m so excited that I can’t sleep when I think that the wife of the night God is my number one fan!

“Is it really that exaggerated?” Gong mo was speechless.

“If I tell the TV station that I’m Night God’s Wife’s best friend, do you think they’ll just give the championship to me?” Tang Xinxin suddenly said.

“.....”

Alright, alright, I was just joking. With my voice, I don’t think I have any talent in singing. I’m just here to join in the fun.

“Why don’t you sing a few lines first?” Gong mo asked curiously.

“You’ll hear it when you watch the TV.” Tang Xinxin refused. My throat is hurting right now, so I won’t sing!”

Before she left, Gong mo gave her the invitation to Wu surong’s birthday party.

thanks to you, “she said with a smile. I’ll also go and experience the banquet of the rich and powerful!

.....

Gong Bai walked into the house and saw Chi Fei sitting on the sofa, pressing the remote control of the TV in boredom.

The TV channels flashed by one by one, and all kinds of sounds came out one after another.

Gong Bai had just finished a day's work, so he was very tired. She felt very irritated when she heard these messy voices.
