

Ditsy Wife 751

Chapter 751 Being banned

“You didn’t go to the set today?” he asked, suppressing his emotions.

...

“I’ve been banned.” Gong Ying put down the remote control.

The TV stopped on a certain channel, and a clear voice came from it. the sound of nature-carefully created by China’s radio and television channel 3. You will be the king of the music industry tomorrow!

“Banned?” Gong Bai was stunned.

Gong Ying lowered his head and cried.

In the TV series where Wen Yingying starred as the main character, she had turned into a vegetable. Not only did she have very few scenes, but she also had to lie on the bed in her scenes without having to say a single line!

Such a role could be completed with a substitute, and the director told her not to go to the crew.

If she didn’t want to go, then she didn’t want to do it. She could go and find a new job!

In the end, every time she went for an audition, she would be directly rejected as soon as she heard her name was Gong ye!

She knew that she had been blacklisted by Wen Yingying!

“Ge Ge Ge Ge!” Gong ye pulled on Gong Bai and cried, “can you tell sister Xinran to help me Ge Ge?”

“What did you just say?” Gong Bai looked at her in disbelief.

Gong Jie thought he was unwilling and shouted excitedly, “Let her help me!”

“Why should she help you?”

“I’m your sister! You’re her boyfriend!”

“Is this a matter of course?” Gong Bai looked at her and found her ridiculous.

what do you mean by that?! Gong Fei was unhappy.

“How do you want to help?” Gong Bai asked tiredly.

“How can I help?” Gong ye asked in amusement, “who is she? She was the young miss of the Yu family! Who wouldn’t suck up to her? She only needs to say one word and no one will dare to bully me!”

“You go and say it yourself!” Gong Bai frowned in disgust.

“You ...”

“I don’t have the face to ask her for this kind of thing!”

“I’m your younger sister, how can you be so shameless?” Gong Ying shouted.

“Then you go by yourself!”

you ... Gong ze looked at him with fire in his eyes. you won’t help me with such a small matter? ” If Gong mo were to encounter such a problem, you would have helped him without her asking, right?”

Gong Bai closed his eyes and looked at her seriously. "I can help. However, be more sensible and don't cause any trouble."

"In your eyes, I'm just a troublemaker, right?"

Feeling a headache coming on, Gong Bai held his forehead and asked while suppressing his anger, "Do you want me to help you or not?"

Gong Fei bit her lip, snorted, and no longer spoke.

The next day, when Gong Bai was having dinner with Yu Xinran, he said awkwardly, "Xinran, I, I, I, I, I, I, I, I"

"What's wrong?" Yu Xinran saw that he was too embarrassed to speak and looked at him curiously.

"There's something I need to do."

"Just tell me what you want to say. Why are you hemming and hawing?" Yu Xinran said in an understanding manner.

"Fei Yan has been banned," Gong Bai made up his mind and said.

Yu Xinran was stunned.

Gong Bai turned his head away in embarrassment.

I know," Yu Xinran hurriedly said. I'll help her.

Gong Bai held her hand and pressed his forehead against the back of her hand. He said in a low voice, "I'm sorry, Yingluo."

"What's there to be sorry about?" Yu Xinran said softly.

"I don't want to trouble you." Gong Bai said in a low and hoarse voice, "I only want to be in a relationship with you. I don't want ran ran to use you for anything."

"I understand. What kind of person are you, what kind of thoughts do you have, how can I not understand? If it wasn't for this, I wouldn't have fallen so deeply in love with you. But the more you act like this, the more I want to do something for you! I'm happy to be able to help you." Yu Xinran said.

Gong Bai raised his head and looked at her, feeling touched, but he also felt sorry for her. "But flare's still ..."

Chapter 752 Turning over

she ran ran. Yu Xinran paused. she's your sister after all.

...

"I'm afraid she'll cause you trouble in the future."

"I won't." Yu Xinran hurriedly said, "Feiyan is just Yingluo. She'll be fine in two more years."

I'm so embarrassed, "Gong Bai said, feeling ashamed. you're so good!

She was being too polite! Gong Gong had already graduated from University and had been in the entertainment industry for a few years. How could he be an insensible person? She was arrogant because of her family! When it came to strangers, she was very obedient!

.....

Gong Ying's cell phone rang. She narrowed her eyes when she saw the caller ID was the director of the film crew.

From the looks of it, Yu Xinran's actions were really fast.

Picking up the phone, as expected, she heard the director's friendly voice. "Miss Ling, why didn't you come to film today?"

"Didn't the director not want me to film anymore?"

"You're too kind. I'm just changing miss Ling's script, so I'm letting Miss Ling rest for two days. When the script is changed, we can start shooting!"

"Is that so?"

"Yeah, yeah!" The director hurriedly said, "I think the previous script wasn't good, so I wanted to add some scenes for miss Ling. Miss Ling, if you have any suggestions, you can tell me and I'll definitely do it!"

the script is the director's business. I don't dare to interfere. I'll act however the director asks. Gong Ying said with a smile.

this Yingluo! the director smiled. good! When will miss Ling return to the set?"

"That'll depend on the director's arrangements ~"

"Anytime! Anytime!" The director said, "miss Ling has rested enough. You can come back whenever you want! I'll welcome you anytime!"

Gong ze hung up the phone, satisfied.

.....

Gong Fei appeared on set. When the director saw her, he bowed and ran over. "Miss Ling, you're here? Why didn't you tell me earlier that you're friends with miss Yu? Look at this misunderstanding, it's so hurtful ~"

"I'm not as high-profile as some people." Gong Fei glanced at Wen Yingying, who was filming.

Wen Yingying stopped and sneered at her.

The director had no choice but to say to Wen Yingying, "Yingying, take a rest first! Everyone, get some rest!"

Wen Yingying turned around arrogantly, not taking Gong Gong seriously at all.

Gong Ying's expression changed. She grabbed her bag and wanted to rush over, but the director stopped her and stuffed the revised script into her hands. "Miss Ling, what do you think of the new script? If you're not satisfied, we'll change it."

Gong ze took a deep breath, picked up the script, and let Wen Yingying go for the time being.

She turned around, found a seat, and flipped open the script.

In the past, she didn't have her own chair to rest in. But now, the production team had specially arranged an assistant for her.

The assistant brought her a cup of hot coffee and said, "Sister Gong, have some coffee to warm your body."

“Many thanks.” Gong Jie said coldly, not even looking at the other party.

The assistant naturally did not dare to show any displeasure. After all, her status was different now.

Gong Ying read half of the script and frowned.

In the previous scene, she fell into a vegetative state after falling from the elevator and could not stand up until she died. Her scenes were cut to the minimum, and she had been lying in bed for the few scenes. Not only was there no dialogue, but her face was also deliberately not photographed during the shooting!

What actors needed the most was exposure. If they didn't even have the chance to show their faces in a show, wouldn't they be acting for nothing?

Now that she had turned over, she would naturally get up from where she fell!

Chapter 753 Who is the night God?

However, although the current plot had changed the setting of her becoming a vegetable and her screen time had greatly increased, Yingying couldn't suppress Wen Yingying in the movie.

...

He actually turned from an enemy to a friend with Wen Yingying's character? Ha! Why did she want to turn enemies into friends? Of course, they couldn't live under the same sky and would fight every day so that they could beat Wen Yingying up while they were acting!

She stood up and walked over to the director. director! I don't think this script is good!

After saying that, she glanced at Wen Yingying.

Wen Yingying stood at the side with a cup of coffee and snorted coldly.

Gong Fei gritted her teeth and felt strange, " Didn't she know that she had the Yu family as her backing? He actually still dared to be so arrogant!

She immediately said to the director, "I think it's better to let su Qingqing die!" Let Luo Siyu and the male lead be together. That way, the audience will be surprised!"

The director was stunned.

Let su Qingqing die? Su Qingqing's role was played by Wen Yingying, who was the female lead! How could there be a dead woman?

director ... Wen Yingying turned around and couldn't help but laugh. why don't you just follow miss Ling's instructions and change it? " Who asked her to have the Yu family as her backing? I don't have anything, so I can only give in. It's better for me to act as su Qingqing as soon as possible, so that I can act in another role."

Gong Ying gritted his teeth and thought, "acting something else?" In your dreams! I'll also ban you!

"Yingying, don't be angry!" The director hurriedly ran over and said ingratiatingly, " you're definitely the female lead! No one can change your identity!"

Gong Ying gritted his teeth as he held the script.

Wen Yingying looked at her and sneered. She turned around and walked back to her nanny van.

The director chased after her and apologized as he walked.

Gong Ying turned around and sat on the chair. He was trembling with anger and asked his assistant, "What happened to her?"

The assistant cowered and said, "I don't know, Yingluo."

An actress next to her laughed. This Wen Yingying is the woman of Hengxing's CEO Zeng. I heard that CEO Zeng is working for the night God. Of course she's not afraid of you.

"Who's the night God?" Gong Mao asked.

There's someone more powerful than the richest man? Could he be the president?

The president's term of office was at most ten years. After stepping down, he was not as good as before.

The man hesitated and didn't dare to say anything.

"Speak!" Gong Fei shouted.

It's said that he's a very powerful figure," the other party said in a low voice. He controls the economic lifeline of the world. All the high-ranking officials and dignitaries in the capital secretly listen to his orders!

Gong Fei gasped—there was actually such a person? Didn't that mean she was in trouble again?

Her face turned pale and she cursed Yu Xinran in her heart. Why is the richest family so useless?

She had thought that the Yu family was very impressive, but it turned out that they were just paper tigers!

Several actresses around them were discussing. Wen Yingying is so arrogant because she's night God's woman. If we become night God's woman, won't we be able to step on her?"

in your dreams! We don't even know who the night God is!

"I've heard of this before!" A voice suddenly rang out.

"Sister Yan knows?" Everyone looked at her anxiously.

The actress named "Yan Yan" laughed and said, my ex-boyfriend knows!

What boyfriend? He was just her previous sugar daddy! She had been with a small company for a few months and had gotten a lot of clothes, bags, and film contracts, so everyone had a tacit understanding.

"Do you guys remember what happened at glory World Medical last year?" Yanyan asked mysteriously.

Chapter 754 She had already offended them all!

"I remember!" Everyone said.

...

Gong Ying was stunned. Shengshi medicine? That's not Yingluo.

Could it be related to her again?

She suddenly had a bad feeling and clenched her hands nervously.

"Yingluo is Sheng nanxuan, the night God!" Yanyan said.

"What?" Gong Fei stood up immediately.

Everyone was shocked and a little angry, but when they thought that she had someone backing her now, they didn't dare to get angry. Instead, they smiled and asked, "What's wrong, sister Feifei?"

"Hehehe." Gong ye laughed at himself and sat down.

She was really stupid!

She had two of the strongest backers, but she was afraid.

He had already offended all of them!

Gong Fei clenched her skirt tightly-they were clearly doing this on purpose! If they told her about Yu Xinran and Sheng nanxuan's identity, would she still treat them like that? They were clearly afraid that she and her parents would take advantage of them, so they deliberately kept it a secret!

.....

When Gong Jie returned home and saw the shoes in the shoe cabinet, he knew that Gong Bai had returned.

She changed her shoes and walked toward Gong Bai's room. At the door, she heard Gong Bai say, "Then I'll go over after work tomorrow."

He seemed to be on the phone.

He didn't know what the other side said, but he laughed and said, "we still have to buy him a gift. I'm his uncle!"

Uncle?

Gong Jie thought for a moment before reacting, Is he talking about that child, Gong mo? So he was on the phone with Gong mo?

She pushed the door open and walked in. Startled, Gong Bai hung up the phone and asked, "You're back?"

hmm, hehe. Gong Ying looked at him and hesitated.

Gong Bai put down his cell phone and sat in front of his desk. While holding the mouse, he asked, "How was it today? No one bullied you, right?"

"Yingluo is fine." Gong Ying asked anxiously, "I heard you say something about uncle. Who were you talking to on the phone?"

Gong Bai paused for a moment before he replied, "it's gong mo." I'll go to her place for dinner tomorrow night."

"Can I go with you?" Gong Ying asked anxiously.

Gong Bai was stunned and looked at her in surprise. He thought she was going crazy again. Why did the script go wrong?

She felt a little guilty and asked with a frown, "why are you looking at me?" I can't go?"

"You're not filming tomorrow?"

"I'm not filming." With her current status, the director wouldn't say anything if she didn't go.

Gong Bai asked inquisitively, "you didn't go there before, right?" Why did you suddenly run away?"

"The past is the past. Now, I want to go, can I?" Gong Mao interrupted him impatiently.

“If you go, you’ll have to change your impulsive habit!” Gong Bai frowned.

It was fine to talk back to him, but if she talked back to Gong mo, Sheng nanxuan would feel heartache. Who knew what he would do?

Gong Fei gritted her teeth and didn’t speak.

Seeing her like this, Gong Bai thought she had taken his words seriously.

.....

After the call, Gong mo and Gong Bai were ready to bake some desserts. “When my cousin and Xinran come, I’ll let them taste my cooking!”

Sheng nanxuan said sourly, “ if my cousin comes, you’ll make the cake yourself. I’ve never seen you so good to me!

“Sister Zhang was here before. You were the one who didn’t want me to do it!” Gong mo rolled his eyes at him.

“But sister Zhang has been gone for a few days.”

then ... Gong mo was stunned.

Baking was a hobby, not stewed rice. He had to have two meals a day!

“I’ll make it for you in the future,” she said helplessly.

“Tsk, look at how helpless you are. It’s like I’m being forced.”

“Then what do you want?” Gong mo was depressed.

Her phone rang and she answered it first.

It was Gong Bai. After picking up the call, she said a few words and then said to Sheng nanxuan, “Gong ye is coming tomorrow too.”

Chapter 755 I’m Chini

Sheng nanxuan raised his eyebrows and said indifferently, “Come then ~”

...

but Gong ye used to be hehe. Gong mo frowned and didn’t want to comment. He asked in confusion, “how did she suddenly become enlightened?”

“Maybe his head was caught in the anti-theft door.”

he even got caught by a fire hydrant! Gong mo couldn’t help but laugh.

.....

The confinement lady was cooking in the kitchen while Gong mo was making snacks in the dining room.

In the living room, Hu Zi was sitting on the carpet with all sorts of toys around him.

Instead of playing with his toys, he was holding the remote control of the TV and pressing it randomly, listening to the changing sounds on the TV.

don't let him watch the TV! Gong mo shouted at Sheng nanxuan. it hurts his eyes!

"He's not watching, he's playing with the remote control." Sheng nanxuan looked up from the magazine. He took a sip of tea and continued to read the article.

Gong mo didn't believe him and walked over to take a look. As expected, Hu Zi was playing with the remote control. She heaved a sigh of relief.

Hu Zi tried hard to press the button on the remote control, but after a long time, he could not get it off. He threw it aside in frustration and turned to hug Sheng nanxuan's leg, which was crossed in the air.

Sheng nanxuan glanced at him and raised his leg.

Hu Zi let out a sound of surprise and laughed happily when he realized that he was flying.

After finishing the desserts, Gong mo came over to clean up the toys."You only know how to play, and you don't even know how to help me with anything! Look at how you've covered the ground with them!"

Sheng nanxuan hugged Hu Zi. you were the one who fired the nanny, and now you're blaming me for not doing my job.

"Are you saying that I'm reaping what I sow?"

She even said that she would fire the nanny when Hu went to kindergarten.

From the looks of it, she would definitely become an old hag!

"I don't dare, I don't dare." Sheng nanxuan hurriedly asked, " what are you doing? I'll do it. "

Gong mo paused for a moment and turned to sit on the sofa. "Forget it, there's nothing much to do."

“Then why are you scolding me?”

“What’s wrong with you?” Gong mo snorted.

“Nothing, you should have said it.” Sheng nanxuan said with a smile.

“Hmph ~”

mommy! Hu Zi got down from Sheng nanxuan’s legs and stumbled to Gong Mo’s side.

good boy! Gong mo hugged him happily. we’ll video call grandma when uncle is here!

grandma! Hu Zi called out happily.

good boy ~ Gong mo kissed him. you know how to call me grandma now!

Hu Zi chuckled and sat on her lap to watch TV.

Sheng nanxuan was afraid that Gong mo would hurt his eyes and was about to turn it off with the remote control when Gong mo suddenly shouted, ” “Stop, stop, stop!”

“What’s wrong?” Sheng nanxuan asked.

“Heavenly sound!” Gong mo said excitedly, ” it’s the talent show that sugar heart is going to participate in. Let’s take a look!

The TV had been on HBTV-3, and it was currently showing the audition for ‘the sound of nature’.

There were too many contestants participating in the preliminary auditions, so the situation of the preliminary auditions would not be fully broadcasted on TV, but a selected portion.

Today's broadcast was for the southwest Division. The venue was set up in the open air and was very simple, like a supermarket holding an event.

One by one, the participants in the preliminary selection appeared on the stage without any makeup or powder, making all kinds of ear-piercing sounds.

After listening to the songs of several contestants in a row, Sheng nanxuan frowned. "If my son were to listen to this kind of song from a young age, it would affect his aesthetic!"

Gong mo didn't like it either. He picked up the remote control and was about to turn it off. "I think that sugar heart will have no problem passing the audition."

"I'm Xin Xuxu, sunny. I work at the coffee shop next door."

The voice of the newest contestant immediately attracted the attention of the two.

Chapter 756 A touching voice

This girl's voice was too special. Clean, tender, but with a trace of hoarseness. His accent was a little strange, with a kind of exotic taste.

...

The two of them looked over.

The girl on the TV had a slight smile on her face. She looked no older than 20 years old, and her name was written on the subtitles-Chini.

Her appearance was indeed exotic.

Chini doesn't look like an ordinary Chinese," one of the judges asked. is she a minority?"

yes. Chini paused and nodded. I have West Asian blood.

"Then what song are you going to sing now?" Another judge asked.

"I want to sing 'amanni'." Chini looked straight at the camera, and there was something in her eyes. I heard that a shell fell in the refugee camp of Emilia two days ago. I want to use this song to pray for them.

The commenter paused. They didn't expect this kind of talent show to involve an international issue, but they still nodded. "Then you sing."

Chini took a deep breath and reached out to grab the microphone on her body. She slowly closed her eyes and gently opened her red lips-

"AMANINAKUPENDANAKUPENDAWEWE....."

Chini's ethereal voice sounded and Gong mo couldn't help but have goosebumps.

"It rules over everything in the world.

Its song sings of love.

Its truth is spread all over the earth.

It, why did it not return?

Would it feel

The smoke of war covered the sky and the future.

Helpless and frozen eyes

Looking at the sky with tears of grief and indignation

It's a complaint to the end of the war

The pain is a child's heartache."

On the television, the camera panned to Chini's face. Her eyes were filled with tears, and her face was filled with anger and sadness, as if she was complaining about the merciless war.

Gong mo rubbed his eyes.

Chini's voice was too infectious, or rather, Chini had injected her emotions into the song, making the listeners feel the same way.

Sheng nanxuan said thoughtfully,"she must be from West Asia, Yingluo."

"What?" Gong mo was a little distracted and looked up at him.

"Why are you crying?" Sheng nanxuan hurriedly took out a tissue and helped her wipe her tears. this girl can sing this song so well. She must have experienced war. From her looks, she should be from West Asia. This song was written by a band that went to Emilya to visit the orphans a few years ago. This sunny might be from Emilya."

Gong mo sniffed, nodded, and continued to watch TV.

Chini's singing had ended, and the judges were all shocked by her.

She let go of the microphone and panted lightly, clearly unable to calm her emotions.

There were three judges on the scene, two men and one woman. At this moment, the female judge was wiping her tears and taking deep breaths to prevent herself from crying out loud.

The male judge also pressed the corner of his eyes, took a deep breath, and said, "Your sound quality is very good, but your singing technique is not good. It can be said that you have a lot of shortcomings! But even so, you've made us all cry! What was the use of a singer? It's to move everyone, to convey the power and emotions contained in the music to everyone, and you did it! I hope you can continue to work hard and convey more feelings to everyone!"

Another one said, "pardon me for asking, but are you from Emilia?" Did you just say you have West Asian blood?"

yes. Chini paused and lowered her head. after the war in Emilya, my elders moved to China. I was born in China. But I hope that I can bring my parents "ashes back to eminya in the future."

Chapter 757 Was she despised by her father?

The female judge had just calmed down, but when she heard her say this, she cried again. This time, she couldn't control herself at all, and she cried so hard that she sprawled on the table.

...

Gong mo leaned against Sheng nanxuan and kept wiping his tears. When Chini left the stage, she sighed softly. "We're very happy, Yingluo."

At least, they had a safe home.

“Yes.” Sheng nanxuan kissed the top of her head.

Hu Zi raised his head and shook their hands.

The two of them looked at him and saw that he was frowning. They could not help but laugh. “What’s wrong with you?”

Hmph! he snuggled into Gong Mo’s arms, feeling unhappy. It must be the song just now that was wrong!

Gong mo hugged him and kissed him.

The program on TV was still going on, but the songs sung by the other contestants were no longer touching. She asked Sheng nanxuan to turn off the TV.

.....

When Gong Bai and Yu Xinran arrived, they looked a little embarrassed because they had brought Gong Jie with them.

They knew very well what kind of person Gong ze was. They were afraid that she would make everyone unhappy later.

uncle! Hu Zi shouted when he saw Gong Bai.

Gong Bai picked him up, and he kissed Gong Bai’s neck affectionately.

Sheng nanxuan snorted, feeling a little jealous.

Little wimp! He had forgotten about his father when he saw his uncle!

“You only remember your uncle, but not your aunt?” Yu Xinran laughed.

aunt ... Hu Zi looked at her, a little shy. My aunt is a beauty, I'm embarrassed ~~~

He turned his head and found Gong ye behind him. He was curious.

He had seen Gong Mao a few months ago, but he had forgotten about him. Naturally, he didn't know him.

“This is my aunt.” Gong mo said.

aunty ... Hu Zi called out and reached out to touch her.

Gong Jie didn't like children. Children had an unpleasant smell and would cry and urinate everywhere if they weren't careful.

However, when she thought of the purpose of her visit today, she forced herself to smile. Although it was a little stiff, he still left some face for Gong mo.

But children were the most sensitive. Although she was smiling, Hu Zi could clearly feel that she didn't like him. He immediately withdrew his hand, turned around, and lay on Gong Bai's shoulder.

Gong mo naturally knew her child well, but since she was a guest, she still greeted Gong Ying with a smile.

She didn't expect to have a deep sisterly relationship with Gong ye, just a little face was enough.

The old Gong ye was indeed too insensible. They were a family after all, so they didn't put on any airs. Fortunately, they had Gong Bai, so they didn't dare to cut off all contact with each other!

After sitting down, Gong mo saw that Gong Bai was still holding Hu Zi and said with a smile, "Put him down, he's getting heavier."

"Ah!" Hu Zi waved his hand in front of her eyes in protest, as if to say: You're not allowed to say that she's heavy!

"You only know how to eat, and you don't even allow me to say anything?" Gong mo carried him over.

He pouted and leaned in her arms gloomily. He looked at Gong ye beside him.

Gong ye smiled stiffly. Afraid that he would come and disturb him, he carefully put his bag behind him. She had scrimped and saved to buy this bag, which cost tens of thousands.

Seeing that she was looking down on him, Hu Zi pushed Gong mo away and crawled into Sheng nanxuan's arms sadly. "Daddy, Yingluo"

"What's wrong? Are you sleepy?" Sheng nanxuan held him in his arms. go to sleep, then.

he's sleeping now," Gong mo said. he'll need you to play with him at night. Don't come looking for me when the time comes.

"Then don't sleep." Sheng nanxuan immediately made Hu Zi sit upright.

This guy's trouble had affected the quality of his f * cking life!

Hu Zi felt that he was being despised by his father again, sob sob.

Chapter 758 I'm so smart

Hmph! They were all bad people!

...

Hu Zi climbed down from the sofa and ran to Gong Bai. He shouted pitifully, "Uncle Zhenzhen"

"What's the matter?" Gong Bai was puzzled.

Hu Zi reached out and hugged him, then climbed onto his lap and sat firmly in his arms.

"You want uncle to carry you?" Gong Bai said with a smile.

Hu Zi picked up one of his toys and gave it to him as a bribe, in case he disliked him too.

How could Gong Bai guess what he was thinking? Neither Gong mo nor Sheng nanxuan could guess what he was thinking. However, Gong Bai had always liked him, so he started playing with him.

He was overjoyed, thinking that his method had worked!

He still liked his father more. Seeing that this method worked, he got down from Gong Bai's body, snatched the toy back, and ran to Sheng nanxuan.

"Daddy!" He stuffed the toy into Sheng nanxuan's hands and looked at him with eager eyes.

Sheng nanxuan was depressed. She thought that he had forgotten about her after having Gong Bai. When she saw him coming back, she immediately picked him up and said in a narrow-minded manner, "Whatever you want to play, just let daddy play with you. Don't disturb uncle. Otherwise, uncle will find you annoying and won't come again."

"Daddy!" Hu Zi hugged him happily, thinking that he was so smart. His father actually didn't despise him anymore!

Yu Xinran patted Gong Bai's hand to comfort him. "Don't be sad. Hu still likes you a lot, but in his heart, dad is the most important."

"He left after provoking us! He's simply abandoning us after making use of us!" Gong Bai said sadly.

Yu Xinran burst out in laughter.

Gong mo said, " wait until you have your own children. When the time comes, let him take revenge. He will abandon our nanxuan after having sex!

Yu Xinran blushed and glanced at her, too embarrassed to argue.

Gong Bai also coughed and looked at Hu Zi.

Sheng nanxuan glanced at them and said, "you speak as if I would care about his son!" I have my own, okay?"

Gong Fei was bored seeing them so happy.

She didn't like this kind of family gathering at all. Why were they talking about children at such a young age? Shouldn't they be discussing high-end and luxurious items? Furthermore, Gong mo treated them to a meal and actually cooked at home. He was really insincere!

If Gong mo knew what she was thinking, he would definitely ask her to leave with a cold smile!

How was he insincere? Do you have to go to a six-star hotel to have a good meal to be sincere? She and Gong Bai were relatives, so she would be treating him as an outsider if she went out to eat.

Gong mo liked to entertain people at home! To her, it would be more sincere to cook her own food. Going to a hotel meant that they weren't paying enough attention to him or that they weren't close enough!

It was time for the oven to be ready. She went to get the dessert that had just been baked.

mom! Hu's eyes lit up when he saw food. He looked at her eagerly.

She took an apple pie and gave it to Sheng nanxuan. "You feed him, don't choke."

As soon as Sheng nanxuan got it, Hu Zi turned around and hugged his arm. He pounced and bit him.

He raised his hand up high, and Hu Zi bit his wrist, thinking that he was not going to let him eat, and showed an angry expression.

"Can you not be so impatient?" Sheng nanxuan said.

Gong mo couldn't help but smile. He went to the kitchen and brought some hot cocoa and a plate of cookies that had been baked yesterday.

"Is it good?" She asked Yu Xinran, " I just started learning.

Yu Xinran nodded as she ate. you're so good even though you've only just started learning. You're a genius!

"Please don't praise me," Gong mo said, embarrassed.

"Why don't you praise me if you do well? I've learned it before, but I don't have much talent in cooking. I've been learning it for a long time, but I still can't cook. After I learned it, I stopped doing it. I'm probably not even a newbie now."

Chapter 759 Gong ye's purpose

“You’ve also learned it?” Gong Bai asked curiously.

...

Yu Xinran shrugged. I’ve only learned baking. I don’t know anything else.

Gong Bai immediately understood.

Baking was different from the three meals. The three meals were a necessity, and baking was a luxury that only people with money and leisure time would learn.

Yu Xinran was a rich young lady, so she would naturally learn some skills of a rich young lady, such as baking, flower arrangement, and tea making. These were all things that she could use to kill time after becoming a full-time housewife.

Gong Ying picked up the Apple pie and took a bite. He was a little jealous.

She also wanted to plant flowers and make desserts after dinner, but she was not a rich lady or a rich lady, so how could she be so comfortable? It’s too late to work hard to earn money and climb up!

When she made a name for herself, she would naturally be able to live that kind of life.

Gong ye was very quiet until they finished eating.

Gong Bai couldn’t help but heave a sigh of relief. It was good that she didn’t kick up a fuss. Otherwise, she wouldn’t be able to answer to Gong mo.

After resting for a while, si Fei thought that it was time to leave. She suddenly said to Sheng nanxuan, “ I heard that the president of Star Entertainment is my brother-in-law’s subordinate. Can my brother-in-law talk to him and sign me to his company? ”

Everyone looked at her in surprise. She smiled slightly, her expression calm, not embarrassed at all.

After knowing Sheng nanxuan's identity, she had been thinking about this matter. Naturally, she did not feel any psychological pressure.

"Gong Jie!" Gong Bai shouted.

"Brother, you know that the small company I've signed with is in Nanjiang. I have to go back and settle everything. How troublesome is that?" They didn't give me any resources, so I've long wanted to change to a big company! Isn't brother-in-law here? It's better than going to another place."

Gong mo was a little unhappy.

She had thought that Gong ye had been enlightened, but she didn't expect that it was for this purpose!

Moreover, when Gong ye spoke, he kept looking at Sheng nanxuan with a smile. He didn't take him seriously at all.

What was she trying to do? Seducing Sheng nanxuan? She knew that commander Zeng was Sheng nanxuan's subordinate, so he must have known Sheng nanxuan's current identity!

She used to say that Sheng nanxuan was abandoned and looked down on him. But now, it was different.

Gong mo was about to refuse when Sheng nanxuan suddenly said, "No problem," he said.

Gong mo was stunned and looked at him in confusion.

"Thank you, brother-in-law!" Gong Ying smiled brightly.

"We should take our leave now!" Gong Bai stood up with a livid face.

Gong Fei's goal had been achieved, so she didn't stay.

After they left, Gong mo asked Sheng nanxuan, " "Are you really going to ask CEng Shuai to sign her?"

it's just a small request, " Sheng nanxuan said indifferently. I don't have to refuse it. It would show that I'm not capable.

"But commander Zeng is in charge of the company. I don't think it's appropriate for you to get involved."

"There's nothing bad about it. "Commander Zeng is my subordinate first, then my friend." He only needs to listen to my orders! If Gong Gong didn't do a good job and caused trouble, he would have to solve it. He can't solve it, it's a problem with his ability!" He patted Gong Mo's shoulder and said, " don't worry. This is nothing to him.

.....

Yu Xinran drove Gong Bai and Gong Jie downstairs. Gong Jie got off the car with her bag."I'll go back first ~"

Gong Bai and Yu Xinran cuddled for a while.

Before Gong Jie came, the two of them almost lived together, and Yu Xinran often spent the night at Gong Bai's place. Now that Gong Jie was living here, Yu Xinran was unwilling to stay.

Yu Xinran felt that when two people were in a relationship, how intimate they were was their business. To her, Gong ze was part of her "in-laws" family. If her in-laws saw her living here, they would probably think that she was in a hurry and didn't take her seriously. Or they thought that she was unruly and slandered her in their hearts.

Chapter 760 Signing the contract

Of course, Gong Bai would not go to her place. Although it happened once or twice before, most of the time, he was with her. Going to her place was like going back to his mother's house. If I go directly, I'll feel like I'm living off a woman.

...

Hence, the two of them did not spend the night together. If you insist on staying the night, then go to a hotel.

"Do you want me to send you back?" Gong Bai asked after chatting with her for a while.

"That's so troublesome,"

"This is a boyfriend's duty." Gong Bai got out of the car without saying anything, exchanged seats with her, and drove her back.

"You can just drive back," she said after they arrived.

"No, you need to use the car tomorrow." Gong Bai returned the keys to her and took a taxi back.

After entering, he found that Gong ze was not there. "Where have you been?" he couldn't help but call her.

"There's a night scene on set, I'll go take a look."

Gong Bai took a deep breath and asked directly on the phone, "Why did you say those things to Gong mo just now? I thought you've opened your mind, but I didn't expect you to have such a purpose!"

Gong Mao was silent for a moment and said with dissatisfaction, "What's wrong with such a purpose? Didn't you suck up to her?"

"You ..."

“I was just saying it out loud! We’re both getting benefits from them, so don’t laugh when you take a hundred steps!”

Gong Bai trembled with anger. He had always done things with a clear conscience, but he was judged by his own sister in such a way!

He gritted his teeth and said, “you’re not allowed to go there again!” I shouldn’t have believed that you’d change!”

Gong Ying took two deep breaths and hung up the phone.

It was fine if she didn’t want to go. She had already achieved her goal anyway!

When she saw Wen Yingying walking over, she narrowed her eyes. No! It’s not enough! With such a strong backing, she had to be the top actress of the entertainment industry. She could not waste this resource!

She looked at her phone and gritted her teeth. She didn’t have Gong Mo’s phone number, and Gong mo had allowed her to enter the house today because of Gong Bai. If he wanted to ask Gong mo for help again, he would have to go through Gong Bai, but Gong Bai would definitely object.

Forget it, I’ll sign the contract with the star first!

The next morning, she received a call from an unknown number while she was still sleeping.

“Hello, miss Gong. I’m Mr. Zeng Shuai’s Secretary.” When you’re free, you can come to Star Entertainment and we can discuss the signing of the contract.”

Gong Fei was shocked. She didn’t expect it to be so fast. She immediately packed up and went to Star Entertainment.

She didn't see Zeng Shuai, but his Secretary received her.

"Where's director CEng?" she couldn't help but ask.

The Secretary smiled. President CEng is very busy. Miss Ling, you can tell me if you have any problems. I'll take care of it.

Gong Fei furrowed her brows, thinking that commander Zeng didn't take it seriously, so she was a little dissatisfied.

However, the night God was so powerful, so commander Zeng wouldn't dare to disobey him, right? Then what did Sheng nanxuan say?

With that thought, she did not dare to complain anymore. It was good enough as long as she could sign the contract.

The Secretary passed her the contract.

The terms of the contract were very loose. She was just a newcomer and wasn't very famous, but this contract was a treatment that only a popular superstar could have!

In an instant, she heaved a sigh of relief and became happy. It seemed that the name of night God was really useful!

"Miss Ling, if you don't think there's a problem, please sign the contract." The Secretary said, "we will send someone to terminate the contract with your original company. You don't have to worry.

"Alright, I'll have to trouble you." Facing such generous contract conditions, Gong Ying also became approachable.

After signing the contract and leaving, she ran into Wen Yingying in the lobby downstairs.
