

Ditsy Wife 761

Chapter 761 A warning

Wen Yingying had just arrived at the office and was stunned to see her.

...

She proudly raised her chin, put on her sunglasses, and walked out.

Hmph! Wen Yingying's assistant snorted coldly. how dare a newbie be so arrogant? she must be tired of living!

Wen Yingying's eyes turned.

She didn't think so! Just these days of contact during filming had made her understand Gong ze. He was a typical bully who feared the evil!

She didn't know the relationship between Gong ye and the Yu family, but Zeng Shuai and the Yu family were in the same circle. If the Yu family greeted CEng Shuai in front of him, he would naturally give them face.

If Gong ze wanted to target him, commander Zeng would definitely not care about his life or death. After all, he was only a bed partner.

Wen Yingying panicked and immediately went upstairs to look for CEng Shuai. She had to figure out what exactly was going on, or else she might die without knowing why!

She walked into Zeng Shuai's office and saw him sitting behind his computer. She walked over with a bright smile and sat on his lap."Mr. President, What are you looking at?"

She glanced at the computer and saw a few photos of beautiful women.

They were all unfamiliar faces and dressed very ordinarily. They did not have the aura of celebrities at all. It looked like they were all new people.

“Our CEO has a new prey again?” she could not help but laugh.

Zeng Shuai put his arm around her waist and closed the pictures one by one.

She looked at those women and felt a strong sense of danger. These people would compete with her for resources in the future, and they might even take away commander CEng, her backer!

For the last picture, Zeng Shuai’s hand hesitated.

Wen Yingying smiled. this one’s not bad. Is she of mixed blood? ”

“Do you know about the ‘heavenly voice’ competition?” Zeng Shuai closed the picture and leaned back.

“I know.”

this player is not bad. He’ll be the champion if I’m not wrong. He’ll sign with the company.

“Then I’m going to have a Junior Sister ~”

Zeng Shuai laughed, his long fingers lifting her skirt and slowly massaging her thigh.

“By the way, ran ran, you’ve been bullying a man called Gong ye on set recently, haven’t you?”

Wen Yingying’s body stiffened, and then she smiled and said, ” “When did I bully her? She doesn’t know anything, so my reaction is normal.”

After a pause, she asked sourly, “Does the president like her?”

Zeng Shuai looked at her with a faint smile and lifted her chin. "I don't dare to take a fancy to this person. She's part of the company now, so you should give in to her in the future and not get into trouble."

Wen Yingying's heart skipped a beat and she asked hesitantly, "I heard that she's a friend of the Yu family's eldest miss?"

tsk! Zeng Shuai laughed and said, "does miss Yu like her?"

"Then, Zhenzhen"

"But he has taken a fancy to his brother." Zeng Shuai added.

"Ah?" Wen Yingying was shocked.

"Don't go out and talk nonsense!" Zeng Shuai glared at her warningly. her brother is dating Yu Xinran, and her cousin is my boss's wife. Do you understand?"

Wen Yingying gasped and hurriedly nodded. "I understand."

Wasn't his boss's wife the night God?

He didn't expect Gong Jie to have such a powerful backer!

However, why did Gong ye look like he had no background at the beginning? It was too strange! Could it be that she didn't even know what bargaining chips she had in her hands?

.....

In the dressing room on the set.

The moment Wen Yingying entered, she saw Gong ze and couldn't help but clench her teeth.

Ever since Gong Ying signed with Star Entertainment, he had been acting arrogantly and didn't take her seriously at all! But with CEng Shuai's words, she didn't dare to do anything.

Wen Yingying sat down and suddenly asked after a moment of silence, "I heard that miss Ling and miss Yu are friends?"

Chapter 762 bad great uncle

Gong Fei rolled her eyes at her and didn't say anything.

...

Wen Yingying said, "old Madam Yu's birthday is coming up soon. It's going to be a big event this year. A few of our company's best actors and best actresses have received the invitation. I'm sure miss Yan has received it too, right?" Miss Ling may not be the best Actress, but she's still miss Yu's friend."

Gong Mao's face stiffened, then he sneered, "It's sister Xinran's family's banquet, I'll naturally attend."

After she finished speaking, she cursed in her heart!

Gong Bai and Yu Xinran didn't tell her about it, nor did they ask her to go with them. Were they trying to exclude her?

In your dreams!

.....

Wu surong's birthday party was held at a hotel under the Yu family's name. At noon, there were dozens of banquet tables, and at night, there was a cocktail party.

When Gong mo and Sheng nanxuan arrived, Yu xinzhuo, Yu Xinran, and Yu Qingliu were waiting at the door to welcome the guests.

Hu Zi was dressed in a red Tang suit today and looked especially cute.

Yu Qingliu couldn't take it anymore, crazily rubbing her face to express her love, " little tiger, you're dressed so festive today. Great-grandma can't even close her mouth from smiling!

"Owwuuu!" Hu Zi turned his head and called out in dissatisfaction.

you little rascal. Yu Qingliu patted his head and took off his hat.

Hu Zi especially liked this hat and immediately complained to Gong mo, " "Granduncle is bad Zhenzhen."

"Granduncle is just joking with you." Gong mo said.

Yu Qingliu had wanted to return it to him, but after hearing what he said, she deliberately put the hat on her head. "You're speaking ill of granduncle, granduncle won't return it to you!"

Hu Zi turned to Sheng nanxuan for help. daddy! he cried.

Yu Qingliu looked especially funny with that small hat on. Gong mo and Yu Xinran both burst out laughing.

Sheng nanxuan reached out to grab it, but Yu Qingliu hurriedly dodged.

“Bad! Bad!” Hu Zi shouted.

Yu Xinran was speechless. little uncle, stop fooling around. Aren't you embarrassed? ”

“What's there to be embarrassed about?” Yu Qingliu had always been thick-skinned and never afraid of embarrassment!

“M-master?” A trembling voice was heard.

Yu Qingliu's body stiffened, and the little hat slid down his face, which he caught.

He turned his head and saw three new guests, a middle-aged man and a young man and woman.

The young man who had just spoken was looking at Yu Qingliu in disbelief, extremely shocked!

Yu Qingliu quickly put the hat on Hu Zi's head.

Hu Zi heaved a sigh of relief and buried his head in Sheng nanxuan's arms. He wanted Sheng nanxuan to protect him so that Yu Qingliu wouldn't steal his hat again.

Yu Qingliu tugged at his suit and said in a serious tone, ” “Brother Lu, you're here!”

The middle-aged man chuckled and shook hands with him. He looked at Sheng nanxuan, who was next to him, in confusion.

“He's my sister's son,” Yu Qingliu said.

The middle-aged man was surprised.

Yu Qingliu then said to Gong mo and Sheng nanxuan, " "Come, let me introduce you. This was Lu Daoyuan, the president of the Liuguang group. This was his daughter, Lu Xin, and his youngest son, Lu Yang. Lu Yang is a doctor, my apprentice. Cough, cough, cough."

When Yu Qingliu was teaching, she acted very serious. Therefore, it was a little embarrassing for Lu Yang to see her frivolous side. Her image as a teacher seemed to have collapsed.

Lu Yang could not accept it either! In his impression, his master was a very serious and upright person. His influence on him was no less than his father's!

However, the person who had snatched the hat from the baby was like a lunatic!

Lu Yang thought of how he often talked about how good his master was in front of Lu Daoyuan and felt a little annoyed.

Chapter 763 The Lu brother and sister

Lu Daoyuan and Yu Qingliu had known each other for many years. Every time he praised his master, Lu Daoyuan would look at him with a meaningful and amused expression. He finally understood that Lu Daoyuan had long known Yu Qingliu's true colors! He had been deceived all this time!

...

Lu Yang was hurt!

"Have you written your graduation thesis?" Yu Qingliu asked.

Yu Xinran looked at him sympathetically, "silly child, I've already told you that my uncle isn't a good person. You used to argue with me and say that I'm unfilial. You shouldn't have said that about your elders." Do you know the truth now?

"Lu Yang didn't come?" Yu Qingliu asked.

“He’s busy, so he’ll be late,” Lu Daoyuan replied.

“Then I’ll bring you in.”

Sheng nanxuan and Gong mo also went in.

Gong mo was secretly surprised. It seemed that the relationship between the Lu family and the Yu family was very good.

The Lu family of beiming city was the second richest family in the country, just behind the Yu family. In fact, their family’s history was even longer than the Yu family’s. They were a true aristocratic family!

The Lu family’s Liuguang group was the largest heavy industry group in the country. The economy of the entire beiming city depended on the Liuguang group for development. The car company under the Liuguang group was the most famous. Rumor had it that the President’s car was produced by them.

Lu Daoyuan was the current chairman and President of the Liuguang group. The fact that he came here personally showed his respect for Wu surong.

.....

Many guests had gathered around Wu surong. They were all on good terms with the Yu family. Old man Zhang and old master Wu were among them.

When Oldman Zhang saw Gong mo and Sheng nanxuan, he thought of what sun boyu had done and felt a little embarrassed. Sun boyu was here today as well. It was a good thing he wasn’t here, or it would be even more awkward.

Wu surong saw them and stood up with a smile, “You guys are here?”

The few of them agreed with a smile. Wu surong pulled Lu Yang to her side and looked at him seriously, "I haven't seen you for a few years, and you've become more and more beautiful!"

"Happy Birthday, grandma Yu," Lu Qian said, blushing.

"Quickly sit down!" Wu surong pulled her to sit down and said to Gong mo, "Mo Mo, you sit beside me too!"

Gong mo sat down with Hu Zi in his arms. Wu surong touched Hu Zi's face and asked Lu Yang, "Yang is about to graduate, isn't he?"

"Happy Birthday, grandma Yu," Lu Yang nodded.

"Of course I'm happy to see you!" Wu surong laughed.

Yu Zhengming saw that there were more and more people in the house, so he called the men outside, leaving only a bunch of women here.

Wu surong finally let go of Lu Yang and reached out to hold Hu Zi.

She had wanted to hug Hu Zi from the start. However, Lu Xiaoyuan was a guest and he could not ignore him, so he pulled the other party to talk for a while.

"Call me great-grandmother," Gong mo said to Hu Zi.

"Great-grandma ~" Hu Zi mumbled.

"Ai!" Wu surong placed him on her lap happily and caressed him affectionately. you look really good today.

"Will you say happy birthday?" Gong mo asked.

Hu Zi thought for a moment, then looked at Wu surong and said in a childish voice, "Happy, Happy Birthday, Yingluo!"

good, good, good, good! Wu surong was overjoyed.

Gong mo heaved a sigh of relief. She had taught him these four words for a long time, and it was impossible for him to say them all in one breath. She could only let him say them word by word, and finally, he had learned them!

When it was almost noon, Yu Xinran came over, followed by a tall and handsome man.

Gong mo was curious. Wu surong smiled and said to Lu Yang, "Your big brother is here."

Gong mo suddenly realized that it was Lu Suan.

Chapter 764 uninvited

This young master Lu was also very famous. He was often seen on TV and newspapers. It was rumored that he was more capable than his father. If he took over the Liuguang group in the future, the Lu family might surpass the Yu family and become the new richest family in China.

...

Yu Xinran walked over with a smile and said to Wu surong, "Grandma, all the guests have arrived. Brother Lu Chen insisted on coming to see you, so I brought him here."

Wu surong nodded at Lu Yang. you're very thoughtful. Then, he called everyone to the banquet hall.

The banquet hall was very lively, and 80% of the seats were already filled. The banquet was about to start.

Gong mo and Sheng nanxuan sat at the main table, while Gong Bai sat at the table next to them. The min family and the Wu family were seated at that table.

Gong mo turned around from his seat, just in time to talk to him.

She was about to speak when she saw him looking ahead.

She looked over and saw that Yu Xinran was greeting a guest, and that guest's sister-in-law was Lu Yang.

Gong mo looked at them in confusion. Lu Yang was polite and looked at Yu Xinran with a smile in his eyes. Did Yingluo like Yu Xinran?

Gong mo turned around and nudged Gong Bai.

Gong Bai came back to his senses and said with a smile, "you're here?" Where's Hu Zi?"

Hu Zi was carried by Yu Zhengming, and there were a few elderly people surrounding him. He didn't cry or make a fuss, and he adapted well, so Gong mo didn't have to worry about him. He continued to ask Gong Bai, "What are you looking at?"

"It's nothing,"

who is that?" Gong mo looked at Lu Suan and asked, "do you know who that is?"

"Lu Qiu, the young master of the Liuguang group," Gong Bai sighed with a gloomy look in his eyes.

"You're worried?" Gong mo asked cautiously.

"He likes Xinran," Gong Bai said in a low voice after a few seconds of silence.

After they got together, he had seen many covetous and hostile gazes. But those people were different from Lu Yang. Lu Yang really liked Yu Xinran, and he probably liked her as much as he did.

Gong mo looked over and saw Yu Xinran talking on the phone while Lu Yang was talking to his deskmate. However, he kept looking up at her.

Indeed, he liked to be depressed.

Rationally Speaking, the Lu family and the Yu family were a good match, so the Yu family should choose Lu Yang first, right? However, she had to like it first.

“Don’t belittle yourself. It’s your fault if you disappoint sister Xinran,” she consoled Gong Bai.

“Yingluo, yes.” Gong Bai pursed his lips.

Yu Xinran hung up the phone and suddenly turned to look at them with a smile.

The two of them laughed and watched her leave the banquet hall.

Gong mo was stunned. The banquet was about to start, where was she going?

Yu Xinran walked out of the hall and said to the people at the door, “Find me an empty seat.”

When the other party heard this, he knew that there was an emergency.

For such a big banquet, the seats had already been arranged. Did the addition of a seat at the last minute mean that someone came uninvited?

“There are empty seats, but where should I arrange Yingluo?”

He had to at least know the other party's identity, right? There were hundreds of people in the hall, but they were divided into different circles.

Yu Xinran was silent for two seconds before saying, "whatever!"

She walked to the entrance of the hotel with a straight face and saw Gong Ying being stopped by the security guards.

When Gong Ying saw her, he immediately shouted at the security guard, "Look, she's out! I told you I knew her!"

Yu Xinran walked over with an ashen face and asked, "What's going on?"

"Miss, this lady didn't bring her invitation," the security guard said.

Gong Fei raised her chin and looked at her provocatively. She dared not to let him in!

"It's fine, let her in." Yu Xinran's eyes were cold.

Chapter 765 Are you threatening me?

She turned around and walked forward. Gong ye hurriedly followed her and couldn't help but look around.

...

This hotel was said to be a six-star hotel. She used to think that the best hotel would be a five-star hotel. Only now did he realize that in the eyes of the truly rich, a five-star hotel was nothing!

Suddenly, Yu Xinran stopped and turned around to look at her.

Gong Jie was stunned and showed a puzzled expression.

Yu Xinran warned in a low voice, "I'll let you in for your brother's sake." But today is my grandma's birthday, so you'd better behave and be a good guest. Otherwise, I'll teach you a lesson!"

Gong Mao was stunned and his eyes widened in disbelief. "Are you threatening me?"

"I'm threatening you!" Yu Xinran gritted his teeth.

She hated Gong ye so much! If it weren't for Gong Bai, she would have given him a tight slap.

Gong Ying saw the disgust in her eyes and felt very uncomfortable. In her opinion, since Yu Xinran was Gong Bai's girlfriend and wanted to marry him, she should give in to her unconditionally, because she was Gong Bai's only sister!

The result:

Yu Xinran actually looked at her with such a gaze!

Moreover, Yu Xinran had rarely spoken to her in their previous interactions. No matter what happened, Gong Bai would always be there to protect her. She had thought that Yu Xinran was a pitiful little girl who didn't know anything and was easily bullied. She didn't expect her to have such a side! Gong Bai must have been deceived by her fake appearance!

Yu Xinran brought Gong ye into the banquet hall, and a waiter came over. "Miss Yu, this way please."

"Bring her there." Yu Xinran nodded.

Gong Fei frowned and was somewhat dissatisfied. What did she mean by asking the waiter to serve her?

Yu Xinran glared at her and lowered her voice. "The seats have already been arranged. Since you came uninvited, don't be nosy!"

Gong Mao's expression twisted when he heard that. "Who told you not to invite me? You deserve it!"

"You ..."

"Xinran!" Gong Bai's voice came.

The two of them looked over and saw him striding over.

Yu Xinran looked at the main table and found that Gong mo and the others were also looking at her with worry.

The corners of Gong Bai's eyes twitched in anger. He grabbed Gong Mao's arm and tried to drag her out.

Yu Xinran stopped him and whispered, "don't." The banquet has already started."

Gong Baibai trembled and shook off Gong Mao. He gritted his teeth and said, " "You better take care of yourself!"

Yu Xinran stroked his arm to comfort him and pulled him towards the main table.

Gong Jie sat down in the middle of a table of strangers, his food tasteless.

She originally wanted to ask Yu Xinran for the invitation, but then she thought that Gong Bai would definitely object to it, so she might as well come and kill them when they were unprepared!

However, the truth seemed to be different from what she had imagined.

She had never attended such a grand banquet before. This was the first time she knew that other people's seats had to be arranged in advance. She had come uninvited, so he could only casually give her an extra seat.

After a while, Wu surong went on stage to give a speech and mentioned Sheng nanxuan. Then, Sheng nanxuan also went on stage to say a few words. This way, everyone would know about his relationship with the Yu family.

After the meal, everyone rested and entertained themselves in the hotel while waiting to attend the party in the evening.

Gong ye glanced at the countless rich young men and wanted to find a partner to get close to.

At this moment, Gong Bai walked toward her and pulled her out.

"What are you doing?" Gong Jie shouted.

Gong Bai turned his head and looked at her fiercely. "You shut up!"

Gong Jie was shocked. Thinking of Yu Xinran's warning, he didn't dare to act rashly. If she really angered Yu Xinran, Gong Bai might be abandoned, so what would she be?

Chapter 766 You deserve the best

She was dragged by Gong Bai and ran out of the room in a stumbling manner.

...

Gong mo frowned and walked to Yu Xinran's side, "Are you alright?"

“Are you going to rest?” Yu Xinran shook her head and asked.

no need. I’ve already made an appointment with candy heart. We’re going to the coffee shop.

“Where is she?”

“He went to the bathroom.”

Yu Xinran nodded. then I’ll look for you guys later. I still have to make arrangements for the guests.

“Then I’ll take my leave first.” Gong mo turned around and saw Lu Suan standing beside him. He glanced at Yu Xinran in a hurry and couldn’t help but worry about Gong Bai.

She sighed and went to the cafe.

Lu Yang then walked to Yu Xinran and shouted, “Xinran.”

“Big brother Lu,” Yu Xinran turned around.

Lu Suan looked in the direction where Gong Bai left and said, “That’s Yingluo.”

“My boyfriend.”

Oh, Yingluo. Lu Yang looked a little sad. I mean that woman.

“His sister. What’s wrong?” Yu Xinran asked in confusion.

Lu Yang was stunned and shook his head in a self-deprecating manner. it’s okay, Yingluo. I thought you guys were his ex-girlfriend or something.

“Who would dare to humiliate me like that?” Yu Xinran couldn’t help but laugh.

“Yingluo is right too.” Lu Yang hesitated for a moment. you don’t get along well with his sister? ”

Yu Xinran was silent for a few seconds. the one who was talking to me just now was also his sister. she said.

What he meant was, they got along well. At least this was good.

Xinran, ” Lu Yang looked at her and said seriously, ” you deserve the best.

Yu Xinran’s heart trembled, and he suddenly understood his thoughts.

She and Lu Yang had known each other for more than ten years, but she never thought that he would like her. Did he hide it too deeply, or was it a sudden idea?

“I like him,” she said, her lips moving.

This was her answer, but also her rejection.

.....

After Yu Xinran finished her work, she stood in the corridor on the second floor of the hotel, not knowing where to go.

She could rest in her room upstairs, find Gong mo in the café later, and go downstairs.

Where should she go to find Gong Bai? She did not know where he was now.

He should be downstairs, right?

She took out her phone and called him as she walked.

She had only taken two steps when she saw Gong Bai walking toward her. She immediately smiled and hung up the phone.

“Gong Bai ...”

“Xinran!” Gong Bai walked over and took her into his arms.

“What’s wrong?” Yu Xinran was stunned.

Gong Bai only let her go after hugging her for a while. He said apologetically, “I’m afraid I can’t stay here any longer. I have to leave with Gong Ying.”

but Yingluo, ” Yu Xinran frowned, ” can’t you come back at night? ”

There was also a cocktail party in the evening, and it was an occasion where she could move around freely. Countless men would come to strike up a conversation with her, and she wanted her to be by her side.

“What if she comes again?”

“Actually, it’s fine,” Yu Xinran said after some thought.

“I’ll be careful,” Gong Bai said painfully, ” what if she does something? it’s your grandma’s birthday. I don’t want her to come and make trouble.

Yu Xinran thought for a moment and said helplessly, ” “Alright then, Yingluo.”

"I'm sorry, Yingluo."

Yu Xinran shook her head and looked at him sadly. "It doesn't matter. I just can't bear to leave you Yingluo."

Gong Bai kissed her all of a sudden and wished he could pull her into his arms.

In front of him, Lu Yang saw his actions and took a step back, hiding behind a pillar.

A moment later, Gong Bai felt relieved and took a look at the place.

Forgive him for being so despicable, but he didn't want to let anyone take her away.

Chapter 767

He said to Yu Xinran, "where are you going now?" I'll send you there."

...

it's fine. I'll go find Gong mo. I can go by myself. Yu Xinran looked at him and smiled. if you come again, call me.

Gong Bai nodded and kissed her forehead, then glanced at the pillar worriedly.

It seemed that Yingying had already left.

He heaved a sigh of relief and turned to leave.

Yu Xinran touched her lips and turned around to go to the coffee shop. She happened to see Lu Yang's back as he left.

She stopped and turned to look at Gong Bai.

Gong Bai had disappeared. She paused and looked back at Lu Suan again, but Lu Suan had also disappeared.

.....

As night fell, the party started.

Men and women in evening dresses were holding goblets and talking and laughing under the crystal lamp.

Under the glamorous appearance of beautiful clothes and intertwining lights, each person had different thoughts as they dealt with the passing crowd with experience.

Gong mo was only stunned for a while before he said to Sheng nanxuan, "I'm going to see Hu Zi. You can pick me up when you leave."

"You're not coming down?"

"Well, we'll see how it goes."

"Then be careful. Call me if you need anything."

Gong mo nodded and left the banquet hall.

In the corner, sun boyu saw her and finished his glass of red wine. He put down his glass and walked out from the other exit.

When Sheng nanxuan saw this, he also put down his cup.

Hmph! This man had once had ideas about his wife. Now that everyone was at the same place, how could he not pay attention?

.....

Gong mo stood in the elevator and looked up at the number above his head. He was so bored that he touched the ground with his toes.

Soon, the elevator reached the floor she wanted.

She walked out and headed towards Wu surong's Lounge. At this moment, Hu Zi was in the lounge.

After a few steps, a voice came from behind him."Gong mo,"

Gong mo turned around and was slightly surprised to see sun boyu.

She took a step back alertly. what's the matter? why are you here? " she asked.

Sun boyu slowly approached her, and she felt that something was wrong, so she turned and ran.

Sun boyu caught up to her, grabbed her, and pressed her against the wall.

ah! Gong mo shrieked. what are you doing? "

"Why did you reject me?" Sun boyu looked at her. I like you. Can't you just give me a chance? "

Gong mo thought he was crazy!

“I’m married!” She shouted. Let go! If you don’t let me go, I’ll call for help!”

Sun boyu covered her with his hand. She was shocked and her eyes widened in fear as she struggled violently.

Sun boyu skillfully secured her four limbs in place, making her unable to move.

She felt a chill down her spine and a terrifying thought came to her mind. He seemed to be stronger than Sheng nanxuan! When Sheng nanxuan was pressing her down, she would not feel so powerless.

Could it be that Yingluo was also a cyborg?

Sun boyu lowered his head and kissed the back of his hand.

Gong Mo’s eyes widened and he looked at him stiffly.

He slowly raised his head, his eyes gentle. He gently let go of her lips and prepared to kiss her again. This time, it was a direct kiss without any barrier.

no! Gong mo shook his head.

Sun boyu held her jaw, preventing her from calling for help.

When his lips were half a centimeter away from her, she was stunned.

Bang! Bang!

A fist swung out of nowhere, and sun boyu’s body was sent flying.

ah! Gong mo screamed. He turned around and saw Sheng nanxuan standing in front of him. He cried and pounced on him. nanxuan!

“Don’t be afraid.” Sheng nanxuan hugged her and gently patted her back. He looked coldly at sun boyu.

Chapter 768 Suspicion of sun boyu

Sun boyu got up from the ground and touched the corner of his mouth. There was blood.

...

Sheng nanxuan’s punch was indeed powerful. He was indeed a monster from the laboratory! He had never been beaten so powerlessly before. If it wasn’t for the years of training, he would have lost half his life.

Sun boyu looked at Sheng nanxuan with a hint of timidity. But more than that, they were unconvinced!

He had never believed in fate and was unwilling to admit defeat! He believed that he was the most powerful!

Sheng nanxuan pushed Gong mo behind him and walked toward sun boyu.

Sun boyu looked at him with a cold smile and an expression of anticipation. It was obvious that he wanted to exchange blows with him.

Sheng nanxuan raised his eyebrows and suddenly stopped.

He turned around and helped Gong mo to the elevator.

Sun boyu looked at him in shock, not understanding why he had changed his mind.

Gong mo asked, "where are you taking me?" I want to go-

"Aren't you making grandma worry if you act like this?" Sheng nanxuan pressed the elevator button. The door opened and he walked in with her in his arms.

Gong mo pursed his lips and looked at him carefully, "You're angry?"

"It's not your fault, why should I be angry?" he said helplessly. Wouldn't that be falling into his trap?"

"A trap?" Gong mo didn't understand.

"Do you really think he likes you?" Sheng nanxuan snorted coldly. Who am I? who in the capital would dare to provoke me? " Who would dare to have ideas about my woman? Unless he was tired of living! Sun boyu, on the other hand, could pretend that he didn't know anything at first, but what about now? He already knew about it, but not only was he not afraid, he even went from bad to worse. It can't be explained as the ignorant being fearless!"

Gong mo also found it strange, "that's right, Zhenzhen isn't afraid of you." Who is he?"

"Don't worry,"

The elevator arrived. He patted her shoulder and walked out with her in his arms.

"How can I not be worried?" what if it's Huo Cheng or Carter's men?" Gong mo asked in frustration.

"I think it's most likely their people. Other than him, I don't seem to have any other enemies."

Gong mo, "you still have the nerve to say that?!" Fall! He couldn't live his days anymore and was on tenterhooks!

It was wrong! Sheng nanxuan frowned. Why did he feel like he had forgotten something?

When they were back in the banquet hall, Tang Xinxin walked over to them. "Where did you guys go?"

"I was just about to go see Hu." Gong mo said.

Sheng nanxuan looked around and said to her, "You guys chat first, I'll go look for Fang Yang. Don't go anywhere."

"Yingluo knows." Gong mo pouted.

"You're so strict with your husband," Tang Xinxin said with a smile.

"What husband-controlled?" Gong mo chuckled. he's too bossy!

"Tsk, tsk, don't show off in front of me! I know you have a good husband!"

cough, cough-" a light cough came from beside him.

Tang Xinxin looked over and saw that it was Wu Di. She remembered that she was sick before and felt a little uneasy. "What are you doing?"

what? " Wu Di glared at her. what am I doing? " Who said that he would treat me to a meal after he recovered? You, on the other hand, went overseas one moment and then participated in some talent show the next. Don't you plan to repay the kindness of saving your life?"

"I'm busy, aren't I?" I'll treat you tomorrow, okay? " Tang Xinxin said with a guilty conscience.

Sheng nanxuan walked back and pulled Gong mo. "What's wrong?"

"It's nothing," Gong mo smiled and walked to the side with him, whispering Wu Di's words.

Tang Xinxin glared at Wu Di. you know that I'm going abroad and doing talent shows. Are you in love with me?!

Wu Di choked and straightened her neck, " I have a crush on you, do you dare to agree?"

Chapter 769 Don't look at other men

Tang Xinxin blushed and was speechless.

...

Wu Di touched his neck and felt that he had done something stupid. He turned around and walked away.

Tang Xinxin,"actually, it's not that I can't agree to it. Why did you run away so fast?"

She turned around and saw Lin Jing and Yang Jian walking over, hand in hand. Her hand trembled, and the wine in her glass spilled on the carpet.

She lowered her head in a panic, covered her uncomfortable expression, and turned to leave.

miss Tang-" Lin Jing called out to her.

She paused and tried her best to pull up the corners of her mouth. She turned around and smiled."Miss Lin, please welcome Mr. Yang."

Yang Shu's hand tightened around the cup as she stared at her.

She turned her head and took a sip from the cup.

I heard that you've been participating in some talent show recently, miss Tang," Lin Jing said with a smile. why do you suddenly want to be a big star?"

"I'm just bored. I don't have to be a big star." Tang Xinxin said.

"Is that so?" Lin Jing lowered her head, a mocking smile on her lips. I thought you wanted to take the opportunity to get close to your idol in the entertainment industry.

"I've never been a fan of celebrities."

Lin Jing paused and smiled. it's good that you don't chase after me. Otherwise, I won't be at ease.

Tang Xinxin glared at her with displeasure in her eyes.

Lin Jing pulled Yang Jing away from her.

Yang Jing looked at Tang Xinxin and her hands trembled. She wanted to say something to her, but she couldn't open her mouth.

Tang Xinxin closed her eyes and said to herself, " Since you've chosen to give up, why are you looking at me like that?"

Suddenly, someone grabbed her shoulder. She jumped in shock and turned around to see Wu Di.

dance?" Wu Di asked with a smile. dance?"

Tang Xinxin was stunned and looked behind him. She saw Yang Jing and Lin Jing dancing, and Yang Jing happened to look at her.

“Sure!” She smiled at Wu Di.

Wu Di held her hand, took the wine glass from her hand, and put it aside. Then, she pulled her to the dance floor.

Tang Xinxin followed him and looked at Yang Jian from time to time.

Wu Di grabbed her waist and exerted force.

Tang Xinxin groaned in pain and looked at him with dissatisfaction.

“Don’t look at other men when you’re in my arms,” he said with a straight face.

Tang Xinxin couldn’t help but blush. “Who Do You Think You Are? What right do you have to control me?”

“I’m protecting my dignity as a man!”

hehe, hehe. Tang Xinxin chuckled and glanced to the side.

Wu Di pinched her again, and she cried out in dissatisfaction, “I wasn’t even looking at him! I’m looking at the ceiling!”

“Can’t you just look at me?”

Tang Xinxin paused for a second and smiled. you’re so handsome. I don’t dare to look at you. I’m afraid that I’ll fall in love with you.

Wu Di,"Wuwu."

Wu Di's face turned red.

Although he had a rich History of Love, he felt like a little lamb when he met a woman who dared to tease him.

Tang Xinxin was surprised to see his expression. She was about to tease him when he raised his head and said, "I'm not afraid."

What was there to be afraid of?

Tang Xinxin finally reacted.

Afraid of falling in love with you.

I'm not afraid.

"....."

She was afraid, alright?

Tang Xinxin suddenly pushed him away and walked out of the crowd.

Wu Di: "I feel like I'm being rejected by miss Tang every day!

.....

Fang Yang made a few phone calls outside the banquet hall and arranged for someone to investigate sun boyu. When he returned to the banquet hall, he felt a little hungry and went to the dining area.

He took a plate of Italy and stood in a corner to eat while observing the people around him.

There was a petite girl standing opposite him. She looked to be only seventeen or eighteen years old. He thought for a moment, it seemed to be the young lady of the Wu family.

Chapter 770 You work for Sheng nanxuan?

Of course, she wasn't the real miss, she was from the side family. In the afternoon, he saw her sitting with Wu Hanhan, Wu Hanhan, and the others.

...

However, it didn't seem to have appeared before. If she had appeared in the past, she must have been around Sheng nanxuan like Wu Qianqian and Wu Qianqian. He would definitely remember her.

He took out his phone and searched for her information. She was Wu Yunyun, 18 years old, a senior in high school.

He put away his phone and continued to eat his noodles.

Wu Yunyun raised her head and looked around. He hurriedly lowered his head so that she wouldn't notice that he was looking at her.

When she retracted her gaze, he looked at her again.

Wu Yunyun put down her half-eaten dessert and bent down slightly. She looked around and reached out to touch her calf.

Her calf was bent in the air. When Fang Yang saw her reaching for something on her calf, he was shocked-did she bring a gun?

Then, she pulled out a small piece of paper and a pen from the strap tied to her calf.

Fang Yang thought, 'I'm getting nervous.' She was just a little girl, how could she carry a gun with her?

Wu Yunyun glanced around, then slowly unfolded the paper. She took a napkin from the dining table and wrote something on it.

Fang Yang was full of curiosity. He put down the plate of noodles and went to her side.

She was actually doing a math paper! He even used tissues as draft paper!

Fang Yang was confused for a moment.

Wu Yunyun was completely immersed in the questions. She used one napkin after another and accidentally finished a quarter of the math paper.

"You've gotten this question wrong," Fang Yang reminded her all of a sudden.

Wu Yunyun was shocked. She looked at him with wide eyes.

Fang Yang patted her shoulder and consoled her, "Don't be afraid, no one will find out."

Wu Yunyun heaved a sigh of relief and looked around frantically. She only heaved a sigh of relief when she saw that no one had noticed her.

She glared at him reproachfully. Why did he scare him for no reason?

She continued to solve the problem. Thinking of what he had just said, she raised her head and asked, "You understand?"

Fang Yang paused. if you don't believe me, you can ask Wu Di. He's from the mathematics Department.

"He's just wasting his time, who would dare to ask him?" Wu Yunyun snorted and asked curiously, "you know him? Are you his friend?"

"I'm Fang Yang." Fang Yang reached out his hand. I guess you know Wu Di and Qianqian. He's friends with my BOSS, so I don't dare to call him my brother."

"You're with Sheng nanxuan?"

"You know?" Fang Yang raised his eyebrows.

"Cousin and the others have said so." Wu Yunyun pursed her lips, lowered her head, and did the math again. She felt that she had made a mistake, so she quickly deformed the paper in the dining room. She asked Fang Yang, "I heard that Sheng nanxuan is a top student in the mathematics Department. Why don't you help me ask him?"

"You're joking, right?" Fang Yang shouted, "he's my boss. How could I ask him about such a small matter?"

Wu yayun nodded, feeling touched. "To Yingluo and you guys, this is a small matter. To me, it's the most important thing in my life."

Fang Yang paused and thought, 'another child struggling for the college entrance examination!'

He could not help but comfort her, "why do you have to work so hard?" Look at your sisters, they're enjoying themselves."

“You’re not going all out?” Wu Yunyun laughed mockingly. just find a good man and marry him in the future, right? ”

“Uh, hehe.”

“How can there be so many good men in the world? Even if there were, he wouldn’t be interested in a woman who didn’t want to improve! It’s more reliable to fight on your own. You don’t have to pin your hopes on a man. ”

“Are you a feminist?”
