

Ditsy Wife 781

Chapter 781

“What do you want him for?” King asked, confused.

...

“Kill him!” Only by killing him could he ensure that Nan Xuan would not be harmed.

King laughed and retorted, “how could I let you kill someone in the shadow Castle? and it’s someone I just slept with? ” Wouldn’t that make me look useless?”

“Then I’ll kill you!” Yu qinghuan said firmly.

“Hehe hehe, what big words!” King sneered.

“You can try.” Yu qinghuan’s tone wasn’t loud. Instead, it was very calm, so calm that it was as if she was narrating a fact that didn’t need to be argued.

King’s eyes narrowed. His fighting spirit was ignited and he ordered his subordinates, “bring me my whip!

Of course, he couldn’t kill a woman like her with a gun. He couldn’t bear to!

No matter what, she was the only woman he had taken a fancy to in his life, and she had to be tamed with a whip!

The man behind him immediately turned around and entered the house. Soon, he came back with a black whip.

The length of the whip was indiscernible, but judging from the number of circles, it was at least two meters long.

King took the whip and shook it on the ground. He looked at Yu qinghuan with an evil smile and waved his hand.

Naturally, he was not worried about breaking her.

It was as if she had entered a no-man's land to come here. Her ability could be said to be unfathomable, so it was not difficult for her to avoid this whip.

But,

The truth was often unexpected!

Yu qinghuan had indeed dodged, but what King didn't expect was ...

No, no, no!

She didn't even Dodge!

She stood there straight, reached out to the whip, and grabbed it.

King wasn't surprised. A woman who could compete with him would naturally have this reaction.

But!

Who could tell him why the whip had flown out of his hand?

He didn't expect this at all!

The King of Assassins had his weapon taken away!

He was not unprepared. It was because for an assassin of his level, no matter how strong the opponent was, even if it was the next King or someone stronger than him, it would be impossible for him to easily take away his weapon in the first move.

But Yu qinghuan did it.

Not only did he manage to do it, he did it very easily.

“You’re not a killer!” King exclaimed in surprise.

It was not a question, but a statement.

He could actually disarm him so easily!

If there was such a powerful person in the world of assassins, it was impossible for him to not know!

So, she was not an assassin!

Yu qinghuan held the whip in front of her eyes. Her hands tightened, and a cracking sound was heard.

“Hand him over!” She said coldly.

you do have the ability to kill me,” King laughed. but that doesn’t mean you can kill everyone here.

“I can try.”

“This is not worth it.” King said, “if you were an assassin, I’d be a little scared with your amazing skills. But you’re not, so what do I have to be afraid of?”

Yu qinghuan looked at him in confusion. What did it have to do with her identity whether she was afraid or not?

It didn't matter if she was an assassin or not. Wasn't it enough that she had the ability?

"You don't understand?" King asked.

Yu qinghuan didn't understand, so she calmly nodded. "Please teach me."

King's eyes narrowed and he said excitedly, "Little cutie! I really like you! You're still so polite in this situation! Oh Yingluo, I've become straight for you!"

Yu qinghuan flicked her whip and looked at him with displeasure. "Are you going to teach me?"

Oh ... King clutched his chest and said with an intoxicated expression, "you're getting cuter and cuter. I love you so much!

"You ..."

Chapter 782 Stay and be my woman

I'll teach you ... seeing that she was about to get angry again, King immediately said, "I'll teach you right away! Do you know what's the most unique characteristic of an assassin? No feelings! And you? Can you be cold-blooded and heartless? If you can, you can do whatever you want. Kill me, kill everyone here! I still have a lot of people outside carrying out missions all over the world. After you kill me, they'll come after you and exterminate your entire clan. Do you believe that? If you have feelings, you'll be very sad. You're willing to see your family die for you?"

...

Yu qinghuan's heart ached.

“Even if you don’t have any family, are you willing to see the innocent strangers you’ve come into contact with die? It’s very likely that they’ll massacre the entire city. Do you have the heart to do that?”

Yu qinghuan’s heart ached at the thought of that. She took a deep breath and asked, “Didn’t you say that killers have no feelings? Then why would they take revenge for you?”

“NO! NO! NO!” King wagged his index finger. they’re not taking revenge for me. They’re using this method to fight for my identity. You’ll kill me, destroy the shadowy fortress, and they’ll kill you. They’ll become the boss of the assassin world and have the wealth and power I’ve left behind. Do you understand?”

“I understand.” Yu qinghuan’s shoulders drooped, and she looked a little lonely.

“I’ll give you two choices,” King said. First, stay and be my woman. I will definitely love you very much! I can’t wait any longer. I’ve never been in love with a woman before, let alone do it! Second, if you don’t become my woman, I’ll kill you.”

Yu qinghuan looked at him and laughed coldly. Her face was exceptionally beautiful. “That also depends on whether you have the ability!”

She raised the whip and swung it over her head before running into the house.

King blocked her way and said sternly, “I’ve said it! I can’t kill anyone here! This is a matter of my dignity. I will definitely fight you to the end! You don’t understand what I’m saying?”

Yu qinghuan was stunned. She looked into his eyes and knew that he was serious about what he had said.

She glared at the inside of the room with hatred before turning around and running out.

“You really don’t understand what I’m saying?” King sighed.

He had already said that she would either stay or die. Why did she choose to run?

“Kill!” He ordered helplessly.

The people around him started to move. He shouted, “Wait, wait, wait, wait, wait, wait, wait ...”

Everyone looked at him, and he blushed slightly. “It’s best if he’s alive.”

Everyone was speechless, “BOSS, you’re really into a woman?” Do you not love us anymore?

.....

Yu qinghuan ran to the top of the castle under the assassins ‘pursuit.

Looking down, there was a large grassland, and at the end of the grassland was a forest. This was The Hunting Ground that had been built when the castle was first built, and it was also the main training ground for the killers today.

At this moment, there were several youths in ragged clothes running on the grass, followed by hungry lions and tigers.

Yu qinghuan stood on the castle and clearly saw a ten-year-old boy die in the Tiger’s mouth.

She heard the sound of footsteps behind her. She turned around and took a look. She cracked the whip hard, and the sound of the whip resounded through the sky.

Then, she jumped down.

The people who caught up just happened to see her disappearing back. Those who were slower only saw a touch of red, and Yingying, who was slower, only saw a flying whip.

Everyone rushed over and saw her red figure landing on the ground.

She didn't get hurt, nor did she die. She didn't even stop and ran straight to the forest.

Everyone turned around and continued to give chase.

However, with Yu qinghuan's speed, they would definitely not be able to catch up.

However, with Yu qinghuan's speed, they would definitely not be able to catch up.

Chapter 783 Sister fairy

On the grass, Yu qinghuan quickly overtook the lion, who was chasing her "prey". The lion glanced at her and ran even faster, but her target had become her.

...

Yu qinghuan saw that it was eyeing her like a tiger watching its prey, so she raised her whip and ruthlessly whipped it.

The lion tilted its body and continued to give chase.

Yu qinghuan laughed coldly. She couldn't be bothered to argue with this little beast. She increased her speed and disappeared from its sight.

The lion was stunned for a moment. It stopped and turned around. When it found that there was no one, it continued to run in the direction it had come from.

Yu qinghuan ran into the forest and stopped.

She raised her head to look at the light and the leaves above her as she slowly rolled the whip into her hand.

She liked to see everything in this world, whether it was nature or man-made cities. Because she had been locked up for more than 20 years, she had missed out on too many things, almost an entire world!

Every time she thought of this, she would be so sad that she wanted to cry. She only wished that she could make up for the past overnight.

Suddenly, a voice came from behind her, and she turned around abruptly.

A moment later, a little girl with disheveled hair ran past them.

The little girl was clearly exhausted. Yu qinghuan could hear her crying and something chasing after her.

A few seconds later, a Tiger jumped out and chased after the little girl.

Yu qinghuan tightened her grip on the whip.

She wasn't a nosy person, but Yingluo was a little hungry. Although he didn't like to eat, he needed to replenish his energy. He might as well eat the Tiger.

Oh, she actually wanted to eat that Lion more! Who told it to actually dare to have ideas about him?

However, the lion had already missed it, so he would not go back to find it!

She slowly walked forward and found that the little girl was hiding in a tree. The Tiger was circling under the tree and roaring angrily.

The little girl hugged her legs and sat on the tree branch, shivering.

The Tiger used its claws to hit the tree trunk a few times, then turned around and left.

Seeing this, Yu qinghuan silently followed the Tiger.

After taking two steps, she heard a sound behind her. She turned around and saw that the girl had jumped up from the tree.

She couldn't help but wonder. Why didn't he hide on top? The Tiger would definitely return!

Sure enough, at this moment, she heard the sound of the Tiger running back.

The little girl screamed in despair.

When Yu qinghuan heard the third voice, she looked up at the tree and finally understood why she had jumped down!

It was because there was a poisonous snake on the tree!

This assassin training camp was really full of traps!

At this moment, the venomous snake was also flying towards the little girl. It was unknown whether it was the snake or the Tiger that arrived first!

However, the whip in Yu qinghuan's hand was the first to arrive!

She wrapped the snake with her whip, making it temporarily increase the length of the whip, and swung it at the Tiger.

The Tiger was stunned and crashed into the tree next to it.

Yu qinghuan shook her whip, and the venomous snake fell to the ground, unable to move.

The Tiger got up and roared at Yu qinghuan, its voice shaking the entire forest.

The little girl raised her head and looked at the Tiger, who was on full alert. She knew that it had encountered an enemy.

She followed its gaze and saw the tall and beautiful Yu qinghuan, as if she had seen an Angel!

No! No! It was a fairy!

She had the appearance of an Asian. There were no angels in the East, only fairies!

The little girl's lips trembled as she shouted, "Fairy sister Yingluo"

roar! the Tiger suddenly looked at her and pounced on her.

ah ... the little girl fell to the ground and subconsciously raised her hand to block her face.

Chapter 784 Queen Yu qinghuan

She was one of the best among the newcomers. Although today's training was difficult and dangerous, she had a high chance of surviving. However, she had been fighting with the lion and the Tiger since yesterday morning. She had not eaten a single grain of rice in the middle and was already exhausted. He had suddenly let down his guard just now, so he did not manage to Dodge it.

...

She cried sadly, "I'm going to die, but I don't want to die at all,"

Pa!

The Tiger was whipped away by Yu qinghuan.

The little girl's breath caught in her throat. She let go of Yu qinghuan's hand and smiled, "Sister fairy!"

She quickly got up and avoided the Tiger's attack range.

Yu qinghuan quickly walked over and whipped the Tiger a few times. The Tiger scuttled around and howled.

The little girl clapped her hands happily, "big sister is the best!" Beat it to death!"

"Do you need my help?" she asked hurriedly after a pause.

"I'm going to skin it! Eat its meat!" Yu qinghuan said.

The little girl was stunned. She stopped clapping and looked around.

"Sister, be careful. There are traps around here." As she spoke, she walked forward. I'll go to the traps and see if there are any weapons that can be used to skin people.

The traps here were all used to deal with people, so there were naturally no animal traps. However, there might be things like swords and knives.

Yu qinghuan didn't answer her and continued to hit the Tiger.

In a short while, the king of beasts was beaten back again and again, looking extremely embarrassed.

The Tiger was truly convinced. It whimpered and tried to escape, but Yu qinghuan refused to let it go.

The little girl returned with a sharpened wooden stick and a few arrows. From afar, she saw Yu qinghuan waving her whip expressionlessly, her long dress fluttering in the wind.

The little girl looked at her in a daze, feeling that her image was incomparably tall!

How was this a fairy? She was a Queen!

If only I'm this powerful too, Yingluo.

Yu qinghuan knew that she had returned. She kept the whip and turned around, saying, "I'll leave it to you."

"Ah?"

"I said, I want to eat its meat."

The little girl's eyes widened as she thought, "is she serious?!"

"You're scared?" Yu qinghuan frowned.

The little girl hurriedly shook her head and walked over with the wooden stick and arrow.

She almost died in the Tiger's mouth. Originally, it was either her or him who would die, so why would she be afraid?

She raised the wooden stick and stabbed the Tiger to death. Just as she was about to skin it, Yu qinghuan suddenly walked over and picked up the Tiger's corpse. "Someone's coming, I'll go first."

The little girl was stunned. She wiped the blood on her face and followed him with the wooden stick and arrow.

After taking a few steps, Yu qinghuan turned back. "I'm leaving. Why are you following me?" she asked.

"I'm Yingluo. the little girl pursed her lips. can't I follow you?"

"Aren't you from this place?"

The little girl pursed her lips again and was silent for a moment before saying, "I didn't want to come here."

Yu qinghuan glanced at her, then turned around and continued walking.

She suddenly remembered herself. She didn't want to stay in that laboratory either.

The little girl continued to follow her and found a trap along the way. She picked up a dagger and a bow and was instantly overjoyed.

"You almost died, and you're still so happy?" Yu qinghuan glanced at her.

"That's because we'll have a better chance of escaping!" She paused and stopped smiling.

"Us? Escape?" Did she say that she would bring her along? She could just walk out directly, there was no need to escape.

"Is this your first time here?" The little girl asked curiously, " I've never seen you before. Yingluo, you must not know that there's no way to escape from here. I've tried it before.

Chapter 785 Didn't they say that killers had no feelings?

"I don't need to run, I can get out." Yu qinghuan said.

...

"Then can you take me with you?" the little girl asked.

Yu qinghuan furrowed her brows and continued walking with the Tiger in her hand. She said,"How troublesome!"

When the little girl heard her say that, she took it as a "yes" and followed her happily.

When she saw Yu qinghuan carrying the Tiger's corpse, she said in admiration, "Sister, you're so strong!"

"....."

"The way you slapped the Tiger just now was also very cool! Can you teach me?"

"....."

"Oh, are you a killer?"

"No."

phew ... the little girl heaved-sigh of relief. She didn't know if it was because she had answered her or because she wasn't-killer.

After walking for a long time, the two of them arrived at a river bank, surrounded by a large open space.

Yu qinghuan stopped and threw the Tiger on the ground.

"This is still the Shadow's territory!" The little girl said nervously. This land is all theirs!"

"We're far enough. Let's eat first." Yu qinghuan sat by the river, took off her red high heels, and put her slender feet into the water.

The water gently rippled on her skin, and she revealed a satisfied expression.

The little girl looked at her and the Tiger's carcass, then instinctively squatted down and began to peel the skin.

Yu qinghuan glanced at her and saw that she was well-practiced in her movements. She asked, "How old are you?"

"Eight years old," the little girl replied.

"It's so small, Yingluo."

yeah, Yingluo. the little girl sighed.

"What's your name?"

"Judy,"

"Which country are you from?" Yu qinghuan saw that she looked a little different from herself, but it wasn't too big. She should be from Central Asia or West Asia.

Judy was silent for a moment, then said in a low voice, "Emilia ..."

Yu qinghuan raised an eyebrow as she thought of Cindy. That girl should also be from Amelia. This was because most of the shantaganma refugees had come from Emilya.

"Emilya is far from here." Yu qinghuan said.

they went to eminya to pick some crickets, " Judy cried. many of the people who came this time are orphans from the war zone.

Yu qinghuan thought, this is to avoid trouble, right? The orphans from the war zone had almost no past. Moreover, he had been ravaged by war since he was young and would not have any feelings for this world.

“How long have you been here?”

“It’s been half a year,”

“You must be tired.” He had learned so many things in half a year. He knew how to escape, how to skin wild beasts, and how to use all kinds of weapons freely.

Judy nodded, wiped her tears, and said, “ but when I think about how I can go back and kill the rebels and invaders after training, I don’t feel so tired anymore.

Yu qinghuan paused and looked at her in confusion.

“What’s wrong?” She asked nervously.

“Didn’t they say that killers have no feelings?”

“I’m not a killer yet,” Judy said, pausing.

Yu qinghuan’s mouth twitched as she looked into the distance.

She felt something pecking at her toes. She looked down and saw a white fish. She couldn’t help but laugh. “We can have an extra meal!”

After saying that, he whipped the fish and it flew out of the water, landing on the Tiger skin that he had just peeled off.

The water splashed on Judy’s face.

“You should wash your face,” Yu qinghuan said with a smile.

Judy put down the Tiger meat and walked to the water. Seeing that her face was full of dirt and blood, she immediately held up the water and washed it.

After she was done, she saw Yu qinghuan cutting the Tiger meat with a dagger and asked in distress, "What do we do without fire?"

"Then we can only eat it raw." Yu qinghuan picked up a piece of fresh tiger meat and put it in her mouth.

Judy said, "Yingluo."

Chapter 786 Lion taming

Yu qinghuan looked at her in confusion, "don't you know how to eat raw meat?" Then you can eat the fish."

...

"I know how to do it, Yueyue." The first meal he had in the shadow was raw meat. At that time, he had been locked up with a group of people and starved for two days and two nights. When a piece of raw meat was thrown in, everyone fought for it like crazy.

Judy trembled at the thought of that. She crawled over and began to peel the raw meat.

The two of them were halfway through their meal when a beast's roar was suddenly heard.

Judy turned her head and saw an adult male lion walking over. She was scared.

Yu qinghuan laughed. Wasn't this the lion that was chasing her?

The lion's eyes were filled with killing intent as it walked over with elegant steps.

Yu qinghuan picked up the whip and threw it to Judy. "Didn't you want to learn how to whip a Tiger? The Tiger is already in its stomach, so let's just beat the lion!"

Judy was stunned. She grabbed her whip and stood up. Her petite body looked so thin and ridiculous when she faced the murderous Lion.

The lion stopped and howled at her.

"How, How do I smoke?" she asked Yu qinghuan.

"Pick whatever you want."

Judy took a deep breath, raised her whip, and lashed out.

She was not as strong as Yu qinghuan, so the lion was not flipped over. Instead, it was enraged and retaliated like a madman.

Yu qinghuan picked up a stone from the ground and threw it at the lion's head. The lion wanted to attack Yu qinghuan, but Judy's whip made it lose its direction.

The two of them played with the lion for a long time before Yu qinghuan picked up her shoes and put them on. She said to Judy, "Let's go,"

Judy stopped whipping, and the lion took a step back. It was a little afraid of her.

"Someone's here." Yu qinghuan said.

Hearing this, Judy immediately picked up the dagger and bow on the ground and ran. When the lion saw him, it roared and chased after him.

Judy turned around and whipped it again. Then, she followed Yu qinghuan across the river. The lion followed.

After getting ashore, Judy shot an arrow at it, but it dodged it.

Yu qinghuan could have disappeared quickly, but she had no choice but to stop and wait when she saw the man and beast fighting.

It was fast! She heard the sound of pursuers crossing the river.

Soon, Judy also heard the sound. She didn't have time to care about the lion and ran forward quickly.

After running for a while, she gasped and asked, "Fairy sister Yingluo, do you think we'll be killed by humans or Lions?"

"We won't die," Yu qinghuan replied with certainty. In her eyes, these enemies were like clowns.

Bang! Bang!

A gunshot was heard.

Judy was so scared that her face turned pale. The lion also roared, and the man and the lion ran faster and faster. At this time, the lion didn't even have time to bite Judy, and it also joined the escape team.

Gunshots rang out continuously. Yu qinghuan carried Judy and ran forward for a while, leaving the pursuers far behind.

Judy heaved a sigh of relief when she heard the gunshots getting further away.

After running for a while, she really couldn't run anymore and fell against the tree, panting.

then let's rest for a while, "Yu qinghuan said considerately. I'm here anyway.

thank you, big sister! Judy gasped for breath.

After a moment, Yu qinghuan turned around and looked at the path they had come from.

"They're here?!" Judy was shocked.

"No, I didn't,"

Judy heaved a sigh of relief and continued to rest. She fell asleep soon after leaning against the tree.

Not long after, another panting sound was heard. She jolted awake and looked at Yu qinghuan, her body tensed up. Seeing that Yu qinghuan did not move, she relaxed.

A moment later, the lion walked out of the forest, its body swaying and panting as it walked.

Chapter 787 Xuanyuan fourteen

Judy took a closer look and found that its leg had been shot.

...

The lion walked to a spot not far away from her and lay on the ground, panting slowly.

Judy looked at Yu qinghuan in confusion.

Yu qinghuan said, "I forgot to pick up that Tiger. Why don't we kill this Lion?" It'll be delicious on the way."

The lion whimpered and ran with its front legs on the ground, as if saying, " I don't want to die, Wuwu

Judy saw this and felt a little sorry for him. Lions are divine beasts in the legends of Emily.

"You've been whipping the divine beasts just now." Yu qinghuan calmly told the truth.

"The Queen in the legends also whipped divine beasts," she said, pouting.

"Pfft-"

"You're so pretty, big sister!" Judy exclaimed in surprise.

Yu qinghuan pulled a long face and glared at her.

She stuck out her tongue and whispered, "big sister is so fierce, Yingluo."

The corners of Yu qinghuan's mouth curled up as she looked up at the sky-it was almost dark.

Judy squatted on the ground, rubbing her tired eyes, and slowly reached out to stroke the lion.

The lion looked at her warily and bared its teeth at her.

Judy narrowed her eyes and waved the whip in her hand.

The lion cowered and lay down obediently like a kitten.

Judy raised her eyebrows smugly and touched the top of its head. It pressed its front paws on the ground and roared twice from the depths of its throat. Then, it obediently rested.

Seeing this, Judy walked behind it to check where it was injured.

The bullet didn't hit his leg, because it had been shot through and was completely smashed.

Judy bit her lip and looked around, but there was nothing.

The clothes on her body were already tattered beyond recognition, but she still tore off a piece and bandaged the lion.

The lion snorted and turned back to look at her.

She patted its head and said, "be content!" We don't even know if we can escape, let's talk about it after we escape."

The lion seemed to understand. It slowly stood up and limped two steps forward.

it's getting dark," Yu qinghuan said. let's continue walking. We should leave the dark night's territory at night.

"Can I?" Judy was delighted.

"I'm here," Yu qinghuan said lightly.

"I believe in you, sister!" Judy said hurriedly.

The two men and one lion slowly walked through the forest.

Yu qinghuan looked up at the stars in the sky from time to time.

Judy noticed her movement and looked up, sighing. when we were in Emilyya, only the stars were the most beautiful.

“Do you know him?”

“What?”

“These stars.”

Oh,”Judy said, embarrassed. I only know Polaris.

“Then I’ll teach you.” Yu qinghuan pointed to the sky. that’s a Pixiu Shepherd. That’s a Pixiu Leo.

“Leo?” Judy lowered her head and looked at the lion beside her. your horoscope sign ~”

Yu qinghuan lowered her head to take a look, and a faint smile appeared on her lips. “The brightest star in the Leo constellation is called Xuanyuan fourteenth.”

Judy thought for a moment and looked at the lion,”then, are you called Xuanyuan or fourteen?” How about this, Xuanyuan is your real name, and fourteen is your nickname! Sister fairy and I will call you fourteen, and the others will call you Xuanyuan!”

roar ... the lion opened its mouth and roared. No one knew if it had agreed or not.

Yu qinghuan’s lips curved. let’s go~”

“That’s right!” Judy hurriedly followed. I still don’t know sister fairy’s name.

“Didn’t you already call me sister fairy?”

but Yingluo ... Judy was stunned. She knew that Yingluo didn’t want to tell her, so she lowered her head in disappointment. alright then, Yingluo. if it’s sister fairy, then sister fairy.

Chapter 788 She’s still embarrassed?

A few days later, Yu qinghuan took Judy and the lion away from country Y.

...

Standing in the open field, she asked Judy, ” “Where do you want to go?”

Judy looked at the lion and said,”send it back to the African savannah.” But isn’t that too far away?”

“Then you can go by yourself,” Yu qinghuan smiled.

“What about you?” Judy was shocked.

“I don’t know.” Yu qinghuan looked around and said, ” there’s always something to do.

“Are we going to separate?” Judy asked, reluctant to leave.

Yu qinghuan handed her the whip in her hand. “This thing is dispensable to me. You can have it. Keep it for self-defense.”

When they left the country, they could not bring daggers, bows, and arrows, only the whip was left.

“Will we meet again in the future?” Judy took it.

“Do you want to see me again?”

“I want to!” Judy replied urgently.

Yu qinghuan looked into the distance. as long as you want to, you will definitely be able to do it. You have to believe in yourself.

She ran her fingers through her long hair and disappeared into the night.

Judy looked at her back and touched the lion’s neck. “Sister is leaving, darling fourteen, you have to be good! Big sister gave me the whip so that I can whip you when you’re disobedient!”

Xuanyuan fourteen said, “Xuanji is so tired. I don’t think I’ll hunt again.”

Yu qinghuan had not expected that her actions and words would leave such a deep impression on Judy.

In the process of Judy’s growth, she was a well-deserved goddess. Judy had always regarded her as her life goal, and she wanted to be as handsome as her!

Judy took the lion to Africa, and after all kinds of experiences, she grew up and became the Queen of the mercenary world.

.....

On the weekend, Gong mo and Sheng nanxuan went to the Yu family for dinner as usual.

When he walked into the living room, he saw Yu Qingliu and ding dang accompanying the two elders. The others were not there.

After these days, the two elders had gotten used to ding dang. The few of them were talking and laughing, and they were quite happy.

Gong mo seemed to hear them talking about the Lu family.

Ding dang saw them coming and said to Wu surong in a spoiled manner, "Auntie's great-grandson is here. I'm going to stand aside."

"Mischievous!" Wu surong patted her back gently and reached out to carry Hu Zi.

Hu Zi called out softly, "great-grandma, great-grandpa, little granduncle Yingluo."

Finally, it was ding dang's turn. Ding dang said in a low voice, "Call me big sister."

"Aren't you ashamed?" Yu Qingliu rolled her eyes.

Ding dang pouted and scratched the back of his hand. She lowered her head and hugged Hu Zi with a smile. "Let Auntie carry you, okay?"

Yu Qingliu stood up gloomily. you're messing up my family's seniority! she said.

Okay, okay, then I'll call you little grandaunt ~"ding dang said shyly. it's just that I'm embarrassed to call you nameless and without any status.

Yu Qingliu: "waah, waah! she's embarrassed?!"

"To my study," he said to Sheng nanxuan.

Sheng nanxuan told the two elders, smiled, and pinched Hu Zi's face. Then, he followed Yu Qingliu upstairs.

Hu Zi stood up from the sofa, looked at his back, and shouted, "Daddy, Yingluo"

"Father and granduncle are busy, and he won't be leaving." you love your father the most now. You don't even want your mother anymore, " Gong mo said sourly.

mommy, I love you too! Hu Zi looked at her innocently.

"Nanxuan was the one who fed him milk?" Wu surong laughed.

"Yup, I know. After sleeping for a few days, you're so close to daddy."

hahaha! Yingluo! Wu surong laughed happily. good news! It was a good thing! Boys can only learn their father's skills if they are close to their father."

Ding dang bit her finger and thought for a while, then said, "For the sake of the next generation, I can only have a son."

Chapter 789 Sun boyu has returned to country Y

Everyone looked at her in a daze and thought, " Miss! You're not married yet, isn't it too early to consider this? And Yingluo, this is your boyfriend's house! What do you mean by saying this in front of your boyfriend's parents?

...

I'm so wild. If I give birth to a girl like me, she might not be as lucky as me to meet a man as good as Qingliu! ding dang said with a serious face.

cough ... Wu surong held back her laughter and said with satisfaction, "it's Qingliu's good fortune to have met you. By the way, did he propose to you?"

Ding dang pouted.

Wu surong was full of hatred, "you little brat!" How could he not be anxious? I'm even more anxious than him!"

What an idiot! It wasn't easy for a beautiful girl to fall for him, so why didn't he kidnap her home? Where would he find this shop after he passed this village?

"Actually, Qingliu has mentioned Yingluo before," ding dang said, embarrassed.

When they had just had sex, Yu Qingliu had solemnly mentioned it.

"Is that so?" Wu surong asked excitedly. She really wanted to know when the wedding would be held.

If Yu Qingliu continued to drag this on, it would be the last years of her and Yu Zhengming's lives!

"But Yingluo, we haven't been dating for long." Ding dang said weakly, " my dad has been very busy recently.

Wu surong nodded, "yes, yes, yes!" It should be, it should be! There's no rush, Yingluo, you're still young, take your time."

.....

Upstairs.

"Sun boyu has returned to country Y," Yu Qingliu said.

Sheng nanxuan tapped his knee thoughtfully. "He failed his mission, right? Will shadow send more people?"

"I don't know. Do you want me to help you ask?"

Sheng nanxuan looked at him with a conflicted expression. "I'll feel bad if King makes any unreasonable requests of you."

Yu Qingliu's face darkened, and she said in a bad mood, "Then be careful! Even if an Ying doesn't do anything to you, as long as Sheng Dongyi doesn't give up on killing you, he can go to other organizations!"

"I'm not that cheap. He probably doesn't have the money to find someone else." Sheng nanxuan sighed. "I would like to buy Sheng Dongyi's life."

"That's a good idea!" Yu Qingliu slammed the table.

"Shadow doesn't agree!"

Yu Qingliu was speechless, 'he's a businessman, so he definitely has his principles! How could she have promised Sheng Dongyi to buy your life, and then promised you to buy Sheng Dongyi's life? If both of you were killed by him and the money was earned by him, would you agree to it?"

"Oh, I can't." But Sheng nanxuan wanted to give an eye for an eye! He was very depressed that he couldn't do this!

Neither of them had expected that although King had principles, he was also shameless enough to use that to scare Sheng Dongyi. Not only did he lure him into becoming a killer, but he also forced him to sleep with him!

Chapter 790 I'm not interested in that womanizer!

'The sound of nature' would have its Grand Finals in mid-June.

...

Tang Xinxin's performance in the quarter-finals was already extraordinary. She did not have much talent in singing, and she had to train hard during the competition to not embarrass herself on stage.

After the top eight, she signed with Star Entertainment and immediately treated Gong mo and Sheng nanxuan to a meal.

At the appointed time, Gong mo brought Hu Zi over.

"Where's your husband?" Tang Xinxin asked.

I have something on, so I'll be late. I came to chat with you first.

Oh,"Tang Xinxin nodded and said casually," I also invited Wu Di.

Gong mo looked at her suggestively and said,""Wu Di ~"

"Why are you being so weird?" Tang Xinxin rolled her eyes.

Gong mo leaned on her shoulder and asked in a mysterious tone,""Seriously, how's your development going? He's 100% interested in you!"

"So what if it's interesting? I don't like that womanizer!"

"Then why did you treat him to a meal?"

"I owe him that," Tang Xinxin said after a pause. He helped me a lot when I was sick last time. I said I would treat him to a few more meals! I was busy with the competition earlier, so I only invited him once."

tsk ... Gong mo said speechlessly, " he must be hoping that you'll invite him alone. Isn't it inappropriate for nanxuan and I to come? "

"Then I'll tell him not to come!"

don't, don't, don't ... Gong mo hurriedly said, " maybe she's already dressed up like a flower at home and is ready to go out! How sad would he be if he didn't come all of a sudden?"

"Dress up as a flower? I'm imagining the scene. It's probably a white radish with green leaves on its head,"Tang Xinxin said. isn't that a green hat?"

pfft-"Gong mo laughed. I'm going to tell Wu Di. Let's see how he'll deal with you!

Hu Zi stood on the stool and shouted at Tang Xinxin,""Aunty, aunty, aunty ~~~"

"Are you trying to raise your voice?" Tang Xinxin asked.

"Isn't it just a vocal cords? What's that song you sang again?"

he he he he ... Tang Xinxin sang.

Hu Zi immediately followed suit.

Gong mo laughed. that's my favorite. I've been on a loop for a few days. Hu Zi just sang along.

"He has some musical talent?"

Gong mo chuckled, "he doesn't have any musical talent." After listening to it for so long, he did not learn a single simple tune and only remembered the most difficult one. In the end, he sang it out of tune! I think he only remembered it because the lyrics were simple. Anyway, just randomly saying it is enough!"

"He's still young. Maybe he'll grow up to be a musician."

"Aunt Zhenzhen!" Hu Zi lay on the table and went out of tune again. He grabbed some melon seeds and set up a pattern on the table.

Gong mo and Tang Xinxin couldn't understand what he was doing at all, but he was having a great time.

"Who do you think will be the champion?" Gong mo asked nosily.

"Why do you care about that?" Tang Xinxin was confused.

Gong mo said embarrassedly, "for you, I watch every episode of the show-"

"I've already been eliminated. You don't have to look anymore."

"But I'm a fan of Chini."

Tang Xinxin, "Yingluo."

"Everyone's saying that she'll be the champion. I'm so nervous!" Gong mo said like a crazy fan.

"Don't you dare talk to me!" I told you to support me, but you fell in love with someone else," Tang Xinxin said gloomily.

"I still love you very much ~ I'm your number one fan! Quickly reveal some inside information!"

“Do you still need me to reveal it?” Tang Xinxin said, “commander Zeng is your husband’s man, okay? It’s much easier for you to know the inside story than me. ”
