

Ditsy Wife 791

Chapter 791 How dishonest!

“Can he decide the champion?” Gong mo was stunned.

...

“I don’t know about that. “However, Chini also signed with Hengxing. Her strength is obvious to all. With this backing, as long as she doesn’t make any mistakes during the competition, no one will be able to snatch the championship!”

“She also signed it?” she’s still in the middle of the competition? ” Gong mo asked.

“She’s the most popular contestant, and all the companies are fighting to get her! If we wait until the competition is over before signing, it’ll be too late!” Tang Xinxin shook her head and said, “ your husband’s subordinate is so good at making money. All the superstars have been under his control. Will he let go of such a good seedling?”

“It’s your home now!” Gong mo laughed.

“What your house?” Wu Di’s voice was heard.

The two of them looked up and saw him walking in. He was dressed in a suit and leather shoes, and his hair was greasy. Although he was not dressed like a flower, it was obvious that he had put in a lot of effort to dress up.

Tang Xinxin criticized in her heart, ‘she’s dressed like she’s going on a blind date.

Gong mo glanced at her. She blushed and lowered her head.

When Wu Di saw her, the alarm went off and she sat down beside her.

“Uncle!” Hu Zi raised his head and called out.

good boy. Wu Di didn’t have time to care about him. He asked Tang Xinxin directly, “ what are you talking about? ”

“It’s nothing,” Tang Xinxin answered with embarrassment.

Wu Di’s face fell. He thought for a while and said in dissatisfaction, “ “We’re friends, right? why are you hiding it from me when you’re with CEng Shuai?”

pfft! Tang Xinxin choked on her tea. what nonsense are you talking about? ”

Gong mo was also puzzled and looked at Wu Di.

Wu Di’s face turned red, and he straightened his neck and said, “ “Didn’t gong mo say that commander Zeng is yours?”

“What does this even mean!” Tang Xinxin was speechless.

“I’ll go outside to pick up Nan Xuan.” Gong mo carried Hu Zi. Then, he would leave the two of them some personal space.

Wu Di waited for her to leave for a while, then snorted at Tang Xinxin. “You’re too dishonest!”

“What did you just say? Who’s not honest?” Tang Xinxin glared at him.

“You!” Wu Di looked at her accusingly.

She clearly knew that she liked him, but she didn’t say it clearly even though she had a boyfriend. She even hung on to him. If this wasn’t being dishonest, what was it?

When he met her angry eyes, his heart moved and he looked away awkwardly.

Tang Xinxin's heart softened when she saw his reaction.

This person liked her, and it seemed to be quite obvious.

"You like CEng Shuai, right?" He asked.

"Where did you get that conclusion from?" Tang Xinxin asked.

"You participated in the talent show and then signed Hengxing. Wasn't it for him? In the future, I'll see Yingluo often."

CEng Shuai has so many women. Why would I like him?! Tang Xinxin asked.

"Then you ..."

"It's not like you don't know that I like Yang Jing! Am I that fickle in your eyes?"

Wu Di was silent for a moment. That's right, little candy heart isn't that kind of person, Yingying.

could it be, ran ran? " he looked at her in a daze. you participated in the talent show for Yang Mi? "

"My ass! Do I look like the kind of person who can't let go?"

He asked awkwardly,"then what did you and Gong mo say about your family's Wanwan?"

Tang Xinxin rolled her eyes and said, 'I'm talking about Xingxing, not commander Zeng! If I sign a contract with the star, won't the star become my home?'

oh, oh, oh. Wu Di heaved a sigh of relief and smiled. She picked up the teapot on the table and poured some water into her cup. I misunderstood. I'm here to apologize.

Tang Xinxin looked at him thoughtfully. "Wu Di-"

Chapter 792 I've promised you

"What?" Wu Di raised his head and met her bright eyes. He was stunned and felt like he could not breathe.

...

"You really like me?" Tang Xinxin asked.

Wu Di's hands trembled as she slowly put down the teapot.

It wasn't like he had never mentioned it before, but she had rejected him every time.

Tang Xinxin was a little disappointed that he did not answer her, but she was also relieved. "It's good that you don't like it, Yingluo."

"I like it!" Wu Di shouted anxiously.

Tang Xinxin looked at him in a daze.

He took a deep breath and looked at her nervously. A moment later, he suddenly thought of something. ran ran, you just said that many women don't like CEng Shuai? Uh, Yingluo, I used to have a lot of women."

Tang Xinxin rolled her eyes. He still had the nerve to say that?

He hurriedly explained, " that's because I haven't found my true love. I changed them more frequently. We didn't have sex at the same time. If I'm with you, I'll definitely change everything and stay by your side forever!"

Tang Xinxin couldn't help but laugh, 'you're so good at sweet-talking. Did I agree to it?"

"Yingluo." Wu Di touched his nose in disappointment.

Tang Xinxin pursed her lips and said with a shy expression, " "But since you're so sincere, I can give you a chance."

Wu Di looked at her in surprise.

"You said it," she said with a straight face, "I'll change it all in the future!"

"I'll change! I'll change!" Wu Di said excitedly and pulled her into his arms. sugar heart! I really like you!"

Tang Xinxin blushed and pushed him away. "Don't get all touchy with me! I'm not one of those women you used to have!"

Okay, okay, okay, Wanwan. Wu Di hurriedly sat up straight. After a while, he asked in a low voice, "can we hold hands?"

Tang Xinxin glared at him with a fierce expression.

He quietly reached out under the table and hooked one of her fingers.

Tang Xinxin didn't know whether to laugh or to be angry. She was afraid that he wouldn't even hold her hand in the future.

She hooked her arm around his!

Wu Di seemed to be encouraged and held her hand.

Tang Xinxin pulled back her hand and punched him on the shoulder. "You're pushing it?"

I'll just hold your hand for a while, "Wu Di said innocently. I don't dare to do anything more.

Tang Xinxin was stunned. They had just started dating and he wanted more? What else did he want besides holding hands? As expected, dogs can't change their ***!

Tang Xinxin immediately sat up straight when she heard someone talking outside the door. Seeing Wu Di looking at her with a smile, she said with a straight face, "Sit tight!"

I'm sitting properly, sob sob. Wu Di looked at her sitting posture. It was very proper, okay?

Tang Xinxin choked and said in a low voice, "Don't look at me!"

Wu Di's face was full of resentment.

Then, Gong mo and Sheng nanxuan pushed the door open and walked in.

"Hu Zi, come and give uncle a hug!" Wu Di said with a smile.

Hu Zi turned his head and lay on Sheng nanxuan's shoulder, facing him with his butt. Hmph~who asked you to ignore me just now?

Sheng nanxuan sat down. what's the happy occasion? " he asked Wu Di. why are you so happy? "

Wu Di coughed and glanced at Tang Xinxin.

Tang Xinxin looked at Gong mo with a red face and started to eat melon seeds.

Hu Zi leaned over in Sheng nanxuan's arms, grabbed two melon seeds from the plate, and put them in Gong Mo's hands.

"You can't eat it," Gong mo said in a low voice.

Hu Zi snorted, his face full of unhappiness.

Wu Di chatted with Sheng nanxuan as she peeled melon seeds.

He didn't eat them even after peeling them, and held them all in his hands. When he almost couldn't hold the melon seeds in his hand anymore, he nudged Tang Xinxin and gave them to her.

Tang Xinxin blushed and looked at Gong mo and Sheng nanxuan.

Chapter 793 Treat her again another day

Gong mo sized them up. you're so attentive. What happened when I wasn't around? "he asked.

...

"It's nothing!" Tang Xinxin grabbed the melon seeds and stuffed them into her mouth.

Wu Di's face was gloomy. He lowered his head and pinched the shells of the melon seeds into two halves, exuding a strong resentment.

Gong mo chuckled and said to Tang Xinxin, " don't eat too many melon seeds. It'll hurt your throat. How are you going to sing? "

Hearing this, Wu Di looked at her angrily. I peeled it! Can you not say it? It's as if I'm intentionally harming candy heart. He can't wait to like her!

He immediately poured a glass of water for Tang Xinxin. it's okay to do it once in a while. Just have some tea. Don't eat it again.

Tang Xinxin glared at him and said, " Why are you so attentive?

Sheng nanxuan glanced at them and asked, " "Is there anyone else?"

"No," Tang Xinxin hurriedly called the waiter to serve the dishes.

After the dishes were served, Gong mo and Sheng nanxuan toasted Tang Xinxin and wished her success in her career.

After finishing the glass, Wu Di coughed and said, " today is the date with me, Tang Xin. This meal is on me!

Tang Xinxin looked at him shyly, but she didn't object to him making it public. After all, Gong mo and Sheng nanxuan were not outsiders. And even if they didn't make it public, they should be able to tell.

"Wasn't this meal supposed to be on candy?" Sheng nanxuan asked, "although the two of you are together and there's no difference between her treating or you treating, the purpose of this meal is not to celebrate your relationship.

Wu Di was stunned. He felt that there was something wrong with his words, but it was inexplicably pleasant to hear.

“Then I’ll treat you another day!” He said happily.

.....

At Star Entertainment.

Zeng Shuai was sitting at his desk, looking at Chini’s information on the computer.

President, ” the Secretary walked in, ” everyone’s here. We can start the meeting now.

Zeng Shuai hummed in acknowledgment and continued to scroll to the end of the information. After reading all the content, he closed the window and got up.

The Secretary followed him to the meeting room and gave him some tips on the main content of the meeting.

“It’s mainly about Chini and Tang Xinxin’s work plans. Miss Gong Jie’s manager is here too. She was trying to get a role for miss Gong a few days ago, but that role has already been given to miss Wen. She’s just waiting for a contract.”

Zeng Shuai raised his eyebrows and said coldly, ” “I know.”

There were more than a hundred artistes in Star Entertainment, and there were dozens of popular stars. Not every one of them had their work plans personally checked by CEng Shuai.

Other than the old and top superstars, there were only newcomers who had just joined the company and artistes who had special backgrounds or were personally liked by commander Zeng.

Chini and Tang Xinxin were the former.

Star Entertainment would sign many newcomers every year, but they would focus on training them. It was good enough if one appeared at a time.

Chini and Tang Xinxin's path was exactly the same. Logically speaking, they would have the same path in the future. If both of them were to be trained, they would have to share the resources. If neither of them could become famous, it would be better to focus on one.

However, Tang Xinxin was Gong Mo's good friend, so commander Zeng couldn't just pretend that he didn't know about it. He didn't need anyone to remind him about this. He would obediently pour all the resources on her and train her well. Otherwise, Sheng nanxuan might look at him with a gaze that said, "you're disobedient, your old man is in trouble.

So, Tang Xinxin actually had a special background.

Of course, Gong Jie's background was also special. However, it was useless. CEng Shuai knew that she was courting death. When Sheng nanxuan asked him to sign her, he said, " If she wants to sign it, then let her sign it. After signing it, she'll be on her own!

Therefore, Zeng Shuai would not care about her.

Chapter 794 Don't mess around!

As for Wen Yingying, her acting skills were not bad, and she knew how to conduct herself. They were just sex partners, and he didn't want to give her any special care, lest she take a mile after giving him an inch.

...

There would always be some women who felt that their status was different after sleeping with him a few times. They would start to show off and pretend to be powerful. He hated this kind of person. He turned around and sent out a check, then changed to the next one.

However, Wen Yingying had always been well-behaved, and he felt that it was easier to do so, so he did not change her to someone else. She was the woman who had stayed by his side the longest in the past few years.

However, she was willing to sleep with him, so she must have wanted to get some benefits from him. If he didn't take care of her a little, wouldn't he seem too stingy?

So as long as this relationship continued, he would definitely take good care of her in her career. Because he could not give more. That was the kind of deal between them.

After entering the meeting room, the people below began to express their opinions-

Chini and Tang Xinxin are both newcomers in the entertainment industry. The company has arranged training for them.

"Tang Xinxin said that she doesn't want to be a singer, but she wants to use talent shows as a springboard to enter the entertainment industry. Therefore, we'll have to adjust our next course."

"She knows her stuff," Zeng Shuai laughed.

"She used to be a celebrity's assistant." Tang Xinxin's agent said gloomily, "I was Yang Jing's assistant. I originally thought that it would be easier for her to build up since she's already familiar with the ways of the entertainment industry. Moreover, she had been Yang Jing's assistant before, so she could easily come up with a story about how she liked Yang Jing and entered the entertainment industry for her to gain more attention. In the end, ran ran told me yesterday that she had a boyfriend! Some of the plans we've given her before are no longer working! We can't create any scandals before she breaks up, or else our reputation and image will be affected."

Zeng Shuai hurriedly said, "don't mess around!" Since we're in love, let's show off our love."

If it were any other artiste, he would not care. However, she was Gong Mo's good sister, so he couldn't trick her. Anyway, she wasn't like Gong ye, so no one had to worry about her work. It was good for such a person to become famous. Her image was real and her reputation was good.

From the company's perspective, the company hoped that every artiste would be the same. However, people in the pugilistic world had no choice. Artistes without background and status would encounter unspoken rules; When she was in a daze, she would do ugly things. Yingying could not let her fans know about this.

On the other hand, people like Tang Xinxin who had a strong background didn't need to be harmed by unspoken rules, and no one dared to frame her. Moreover, her character and quality were also good, so he was not afraid of her courting death and could forge without worry.

"Do you know who her boyfriend is?" Zeng Shuai asked.

Tang Xinxin didn't have a problem with her boyfriend, but it would be troublesome if she had a problem with him.

"I've asked, it's the Wu family's third young master, Wu Di." She didn't want to say it at first, it was really infuriating! She had been an assistant to a celebrity before, so it wasn't like she didn't know how serious a crisis could be in the industry. How could she not say something so big? If she didn't say it, I wouldn't have thought that it was third young master Wu!"

ahem," Zeng Shuai said. Wu Di is boss Sheng's best friend, and Tang Xinxin is Mrs. Sheng's best friend. They can't be together just for fun. Otherwise, it'll be awkward if they still see each other often after they break up.

Ever since Sheng nanxuan's identity as the night God was revealed, he often mentioned "BOSS Sheng" in front of his subordinates. He did not mind at all that everyone knew that he had a superior.

Chapter 795 all of you better take care

When the remaining problems of shengshi medical were solved, Sheng nanxuan would set up a group. As his subordinates, they naturally had to take the initiative to help him build his prestige.

...

Hearing that, everyone started to pay more attention to Tang Xinxin.

They had thought that the president was out of his mind to focus on training two newcomers who had the same career path, but they didn't expect Tang Xinxin to have such a powerful background!

Zeng Shuai said, "the singing industry is not doing well to begin with." A genius like Chini only appeared once in a decade, and her appearance was a shot in the arm for the music industry. But there are dozens of girls like Tang Xinxin every year. It's better if she doesn't sing."

"But I'm still planning to make a single for her for now." Tang Xinxin's agent said, "after all, she used to be a singer. She has to change her career path slowly.

Moreover, her current fans were all fans. Releasing a single would encourage them to spend more money. Even if Tang Xinxin didn't want to be a singer, she couldn't let everyone know that she had ulterior motives. Therefore, he had to sing and have a good song so that the commercial platform could perform.

As for Chini, her voice was so perfect that it could penetrate one's soul. The company would not let her take another path.

Zeng Shuai was especially concerned about Chini's situation. "How's her current condition? Do you have confidence in becoming the champion?"

He had looked through Chini's information. If this person was properly trained, she would definitely cause a sensation in the world.

Chini's agent was the same as Tang Xinxin. "She's quite calm. He's been training every day and is very cooperative with the company's arrangements. He doesn't seem to be under any pressure."

"That's good. We must win this championship!"

"Yes."

Next, they discussed a few major arrangements for the company, as well as the situation of other big-name celebrities.

“Gong Ying is also a new artiste. I don’t know what the company has planned for her.”

“You’re her manager, just do as you see fit,” Zeng Shuai frowned.

The manager was confused. For so many years, there had never been a newbie who had a contract as loose as Gong ze’s when he first joined the company. Gong Gong’s contract was like a god’s treatment, but why did Zeng Shuai look like he didn’t care?

Wen Yingying’s manager sneered and said to Zeng Shuai, “Yingying has been talking about a role recently, and the director has appointed Yingying to play it. Now that Gong ye insists on acting, I don’t know what to do. After all, we’re from the same company. It won’t look good if the outside world sees us fighting.”

Zeng Shuai frowned and said to Gong Ying’s manager, “How do you lead people? He had given her such good contract conditions, not to let her stir up trouble in the company! Wen Yingying’s acting skills were better than hers. What right did she have to snatch her away? Can’t she just act honestly and steadily?”

Gong Ying’s manager’s face turned pale.

CEng Shuai glanced at the crowd and said coldly, “All of you better look out for yourselves. The company’s resource allocation depends on popularity, background, but the most important thing is ability! No matter who it was, as long as their acting skills could hold up, they could choose a good role with a large investment! But if you don’t have the ability, then obediently take back your claws! I don’t want anyone to destroy the star’s signboard, do you understand?”

yes, yes, yes, Zhenzhen! everyone nodded.

Zeng Shuai stood up and said to Chini’s manager, “Ask Chini to come to my office.”

Everyone's expression changed. They all thought that he was going to sleep with Chini. No wonder he attached so much importance to her!

Chapter 796 She would never give up!

After the meeting, the managers went to look for their artistes.

...

Wen Yingying's manager explained the situation of the meeting to Wen Yingying and sneered, "The president still values you the most! That Jia Fei is nothing! However, the president of Huahua called Chini to his office in the end. Do you think Huahua will be the one in the future?"

Wen Yingying's expression changed, then she smiled, "I've been with the president for so long, it's normal for him to get tired of me. That Chini Yingluo looks different from us. She has the aura of a mixed-blood, and men probably find her fresh. As for her personality, it's hard to say. Maybe she'll be like those women in the past, and the president will give up after one or two uses."

The manager heaved a sigh of relief, "yes, yes, yes, Yingluo, you're the smartest!" I can't help much with this matter, so you have to grasp it well. It's best if you can capture the president's heart."

Wen Yingying secretly gritted her teeth. She had been with Zeng Shuai for so long. Although she said that she slept with him, Zeng Shuai was so handsome, capable, and did not have any bad habits in bed. Even if he had a boyfriend, he might not find such a good one. How could she not have other thoughts?

Ever since she had CEng Shuai, she didn't need to look at anyone's eyes when she was working, and she wasn't afraid of being played by unspoken rules when she was socializing. So, she was very happy to be with him! Even if it meant that she had to pay for it, she was willing to hang out with a man like Zeng Shuai.

Zeng Shuai was also very generous. Not only did he give her the company's resources first, but he also gave her a check regularly.

Unfortunately, it was too good. He didn't have any feelings for her, or he wouldn't have given her a cold check. No matter what, he would have exchanged it for something of the same value, right?

Sometimes, she felt like she might become Mrs. Zeng, but when the check appeared, it would ruthlessly shatter her fantasy and bring her endless humiliation.

No matter how good she thought he was, in his eyes, she was just a tool to warm his bed.

But she was never in a hurry!

She had been with CEng Shuai for two years! She knew that he hated arrogant and domineering women, so for the past two years, he had been very obedient and dutifully played the role of a gentle and obedient bed partner.

She thought that with enough time, he would develop some feelings for her, and she would be able to become Mrs. Zeng.

But now, there was Chini!

Wen Yingying gritted her teeth. She would never give up!

.....

Gong Ying's manager was depressed.

She had thought that Gong ye had won a contract that was comparable to a God and was going to be the top star, but Zeng Shuai didn't even care about him! If she was so unpopular, the remaining resources would definitely be divided up by others. Then, what would she have left?

"We're not going to get the role of Wen Yingying!" The manager told Gong ye.

“How could this be?” Gong Fei was shocked. didn’t you tell CEng Shuai? ”

“I did!” The manager said unhappily, “ I’ve already said that the president puts the company first. He would never agree to this!”

“This bi an!” Gong ye bit his lip, feeling extremely depressed.

Was this CEng Shuai a fool? She was Sheng nanxuan’s sister-in-law. Was he not afraid that she would tell on him?

“And that Chini! She’s very important now, and the president just called her to his office. I don’t know how much she’ll suppress you in the future!”

“She’s a singer, and I’m an actress. There’s no conflict, so why should I care about her?” Gong Ying didn’t think so. She wanted to go against Wen Yingying right now! Who asked Wen Yingying to bully her in the past? naturally, she had to get back at her!

Chapter 797 She is Cindy

The manager felt that there was something wrong with her brain and said gloomily, “ “But advertising and endorsements don’t matter which field you’re in! By then, Wen Yingying and Chini will have signed all the good advertisements. What will you be left with?”

...

She felt as if she had been killed. Gong Jie only knew how to show off his fighting spirit, but he didn’t know how to look at the situation! He was more shrewd than anyone when it came to thinking about unorthodox things, but he didn’t know how to do serious things at all!

If it was Tang Xinxin, she wouldn’t need to be reminded at all.

“Oh right! And Tang Xinxin!” The agent said, “ you’re still a long way from Wen Yingying and Chini is a singer. She won’t fight with you for anything other than the endorsement. But it’s different for Tang Xinxin!

“Isn’t she a singer?” Gong Ying was puzzled.

The manager gritted his teeth, “she’s smart!” Singing was just a cover, he was just using this opportunity to enter the industry! Seeing that the singing industry was in a slump, she planned to develop her career in acting and hosting. Didn’t you see that she’s been training in the performance and variety classes recently?”

“She will fight for the film contract with me?” Gong Ying was silent for a moment.

“Isn’t that nonsense? Although she’s new to the industry, the company values her so much that the contract they’ve arranged for her must be at your stage!”

Gong Jie was furious.

What’s wrong with CEng Shuai? Was he specifically targeting her?

After thinking for a while, she understood. Although she was Gong Mo’s cousin, she didn’t have a good relationship with Gong mo! On the other hand, Tang Xinxin and Gong mo were as close as if they were in the same pair of pants, so Zeng Shuai naturally valued her more!

As for Wen Yingying and Chini, one was his woman, and the other was a genius singer who might be his woman in the future. They were not comparable to him.

It seemed that the one she had to deal with now was not Wen Yingying, but Tang Xinxin!

.....

Chini walked into CEng Shuai’s office with an excited expression.

She had not forgotten Lily's instructions to find a person named Sheng nanxuan!

Oh, right, she was Cindy. However, as a Princess of a country, even if the country was in danger, it was not appropriate for her to sing in the entertainment industry.

In many people's eyes, artistes were just actors. Big-name celebrities might still be respected and revered by everyone, but if a small-time celebrity did something wrong, they would only be spurned by others.

Therefore, she didn't want the people around her to know that she had come to the entertainment industry. She didn't want to tarnish the reputation of the Emilya royal family, so she subconsciously used a fake name.

There was also one more thing. She wasn't sure if the rebel army knew of her existence. If he used his real name and they found out, he might bring about a fatal disaster.

After she arrived in the capital, she did not know how to find out about Sheng nanxuan. Besides, she was very busy with the competition, so she wanted to wait until the competition was over before doing this.

It wasn't until Tang Xinxin signed the contract with Star Entertainment that she suddenly heard the other contestants mention the name " Sheng nanxuan ". It was like a pie falling from the sky.

Sheng nanxuan was now a legend in the capital, and Star Entertainment was his asset. Everyone was envious of Tang Xinxin when they saw her sign here.

Sindy asked around and found out about shengshi Medical Laboratory. He immediately connected it to the laboratory in the desert and was sure that Sheng nanxuan was the person he was looking for! Therefore, when Star Entertainment contacted her to sign the contract, she immediately agreed.

Now that CEng Shuai was looking for her, she might be able to make a request to him to meet Sheng nanxuan.

“President, you were looking for me?” she asked as she walked into the office with her back straight.

Zeng Shuai glanced at her and pointed at the sofa.”Sit.”

“Yingluo.” Chini walked to the sofa and sat down uneasily.

Chapter 798 Your identity is fake, right?

She put her legs together and placed her hands on her knees, looking uneasy.

...

Ever since she had participated in the ‘sounds of nature’ competition, she had seen all kinds of gorgeous and luxurious things, which were completely different from what she had seen before.

In a refugee camp, it was enough as long as they could eat their fill and have cloth to cover their bodies. But now, he realized that other people’s lives could only be better, there was no best!

For example, the sofa and coffee table in CEng Shuai’s office. Although she couldn’t tell what was so good about them, they were more comfortable than her hotel room.

When she first went to her hotel room, she felt like she was in heaven!

Buzzzzz

It should be said that after she participated in the audition for “ the sound of nature “, she was arranged to start training by the program team. When she checked into the ordinary hotel room and squeezed in with the other contestants, she had already felt like heaven.

At that time, she had not expected that heaven would constantly upgrade.

If she could restore her country and return to Emilya, she would make sure that her people could live such a good life!

Cindy clenched her fists in her heart!

Zeng Shuai walked over and sat opposite her.

She nervously straightened her back.

Zeng Shuai lit a cigarette and sized her up.

Cindy suddenly thought, "is Zeng Shuai trying to cheat on me?"

From the preliminary auditions to her current position, she had been questioned by the contestants. Hearing everyone's sneers every day, he already knew about the unspoken rules.

In the beginning, she did not understand. Later, she understood and felt very sad. However, on second thought, she was a Princess, why should she lower herself to the level of these people?

Her life goal was different from theirs! They wanted to reach the peak of their lives, and she wanted to reach the peak of her country!

The responsibility she shouldered was much heavier than theirs. It was meaningless to haggle over such small things with them.

However, the insignificant matter in her eyes could ruin her.

She didn't want to suffer such humiliation!

She looked back at Zeng Shuai warily.

“Your identity is fake, right?” Zeng Shuai asked.

Cindy was stunned. Surprise flashed in her eyes, and then panic. How did he know? She couldn't admit it!

She calmly pursed her lips and looked at him with a puzzled expression.

Zeng Shuai smiled and said, “I've read your information.” At the beginning of the game, you said that you were from Emilia, but your ID card showed that you were Chinese. Although there are also people of your race in Western Plains, according to the situation you said, it's impossible to become a Chinese citizen, right?”

Although China would accept Eminian refugees, there would be many tests for them to apply for citizenship. Moreover, in a situation where they were suffering from war, the emirians themselves would not think of changing their nationality. Their biggest dream was to go home, not to abandon it.

“That's why I went to check on you,” Zeng Shuai looked at Cindy and said, “your id is fake. You applied for a fake ID! Actually, you're a refugee from shantagamma, right?”

Cindy had participated in the audition for 'the sound of nature' in Xizha, the capital of the Xiyuan province, which was not far from shantagamma.

Although it was difficult to travel from shantagamma to Xizha city by foot, it was still a desert. However, there were often camel caravans and cars traveling between the two places, so she could find a way to get them to take her.

“President!” Cindy stood up. there's a reason why I'm afraid of you! Can you keep it a secret for me?”

If the relevant authorities found out that she had escaped from the refugee camp, they might send her back! Leaving the refugee camp without permission was equivalent to invading China's territory!

Chapter 799 How can you have the cheek to make such a request?

“Why did you come out?” Zeng Shuai asked.

...

I’m afraid. Cindy pursed her lips. I want to do something for Emilia. I only have a chance if I come out.

“I think you’ve done it,” Zeng Shuai smiled.

Cindy was stunned and looked at him in confusion.

ever since you participated in ‘the sound of nature’ and sang a few anti-war songs,” he said, “now more and more people are paying attention to the war in Emilia. In the past two months, the charity organization had also received more than a dozen times more donations for Emilia than before. This is just the situation in China. When you become famous in China, the whole world will pay attention to you.”

Cindy was excited.

“However, your identity might cause trouble.”

His words were like a bucket of cold water poured over Cindy’s head. She looked at him nervously.

that’s why I’m looking for you. I want to help you make your identity legal.

Although most of the Emilia refugees lived in shantagamma, there were also some who lived in other cities in China because of money or work, like foreigners.

Cindy was confused. She didn't expect that this was why Zeng Shuai had called her here. To her, it was a good thing.

The two of them discussed the situation, and Cindy naturally told him her real name. However, she hesitated for a moment and didn't say anything about her true identity.

After saying this, she left the office. Suddenly, she remembered that she had not asked about Sheng nanxuan and turned around abruptly.

"That Yingluo"

"What?" As it was already time to get off work, CEng Shuai came out and closed the door. When he saw Wen Yingying sitting on the sofa outside, he could not help but smile. let's eat together.

Wen Yingying smiled and walked towards him.

She stood next to him gently, and when she looked up at Cindy, her eyes were cold.

Cindy was stunned. She remembered the rumors in the company and understood why she was hostile to her. Did she think that he had an affair with Zeng Shuai?

"Chini, do you want to join us?" Zeng Shuai asked.

Cindy quickly shook her head. I still have something to do. I won't disturb you, Mr. President.

Wen Yingying smiled confidently, 'at least she's tactful!'

.....

When Gong Bai returned home, he saw a treadmill in the living room. Gong Jie was running on it.

“Where did you get this treadmill from?” he asked, puzzled.

“I bought it. I need some training.” Gong ye slowed down and walked faster. He asked him, “ why didn’t you come back yesterday? ”

Gong Bai paused for a moment, and his face blushed. “Is there something?”

Gong Fei snorted, knowing that he had gone to have fun with Yu Xinran!

“Can you talk to Gong mo and ask him to make me the top actress in Star Entertainment?” she asked.

After hearing what her manager had said yesterday, she had thought of this idea. She came back to look for Gong Bai in a hurry, but Gong Bai didn’t come home for the whole night. She was so anxious that she almost went crazy!

“How can you make such a request?” Gong Bai asked in disbelief.

Gong Jie’s face stiffened and he felt a little embarrassed.

She knew that she had treated Gong mo badly in the past and they had long since become enemies.

However, didn’t Gong Bai treat Gong mo and dan Rong very well? Gong mo wouldn’t refuse to give him face, right?

She said disapprovingly, “you took such good care of her-”

“It’s my business to take care of her, not you!” Gong Bai said.

“Am I not your sister?” Gong Jie shouted.

“But I don’t have that much face!” Gong Bai stood up and said, “ she’s already giving me face by not hating me because of you. Is it because I love you? You think too highly of me, and you think too highly of yourself!”

Chapter 800 How to please Gong mo

you ... Chi Fei stopped in anger.

...

However, the treadmill was still running, so she fell off it with a plop.

Shocked, Gong Bai tried to help her up.

She hugged her leg and got up. She wasn’t hurt anywhere, but it hurt a little.

Gong Bai heaved a sigh of relief and said with a straight face, “Be careful,” Then, he turned around and returned to his room.

Gong Gong looked at his back and suddenly got up. He grabbed the towel hanging on the treadmill and threw it over.

She went to take a shower and returned to her room. Then, she called Hu Yinghong in a Huff.

She hadn’t told Hu Yinghong about Sheng nanxuan’s true identity yet, but now, in order to complain about Gong Bai, she had told her everything.

Hu Yinghong was shocked, and her tone was filled with regret. “He’s that powerful?”

“Yup!” Gong Fei said hatefully, “ in the end, Gong mo has been hiding it from us. He looks down on us!

“That’s right!” Hu Yinghong was also displeased. is she afraid that we’ll cling onto her?” Otherwise, how could we have treated her and her mother like that? Hmph ~ why don’t you think about how we dared to treat them well when they were like that in the past? Wasn’t it human instinct to seek advantages and avoid disadvantages? You can’t blame us! I’ve said it before, isn’t it good for everyone to be a harmonious family?”

Gong Fei paused and wanted to echo her, but she suddenly realized,”He was not thick-skinned enough.

She said a few perfunctory words and hung up the phone in disgust. The things she had done all these years flashed through her mind, and she hated herself very much.

She shook her head and forced herself to stop thinking about it.

What was there to regret? Gong mo was in the wrong!

However, Yingying had to think about her future, so it didn’t matter if she admitted her mistake. Who asked Gong mo to be so capable? If he was inferior to others, he would just reluctantly lower his head! Life was full of ups and downs. In the future, when Sheng nanxuan was unlucky and Gong mo was no longer as good as he was now, it would be time for him to take revenge.

Gong Jie snorted and laughed. He hugged this great dream and slept happily.

However, when she woke up the next day, she began to plan how to please Gong mo and gain some benefits.

It was impossible to go through Gong Bai’s path. Go directly to their door?

Although she knew Gong Mo’s address, wouldn’t it be embarrassing if Gong mo didn’t give her face and didn’t let her in? It would be even worse if the paparazzi caught it!

Gong Mao thought for a long time and finally thought of a solution.

.....

Hengxing entertainment, body training room.

A few artistes were doing body training in the classroom, spinning in circles on tiptoes.

Some of them did not have any dance foundations, so they stopped after turning one round because of the pain in their toes and their unstable center of gravity. However, in order to become more beautiful and elegant, they would still continue.

Tang Xinxin had practiced ballet for a few years when she was a child, so it wasn't difficult for her to do it. However, it was still very tiring.

After all, he was getting older, and his body was not as soft as it was when he was young.

After two hours of practice, most of the students left the classroom.

Tang Xinxin sat on the ground, bending over and resting her upper body on her legs.

"Big sister Xinxin." A voice came from the side.

Tang Xinxin stood up slowly and saw Gong Ying.

Gong Ying had just come in. She was dressed in beautiful fashion, with thick eyebrows and big eyes, and her makeup was exquisite.

It was really strange that he would actually call her big sister Xinxin? Those who were unaccountably solicitous were either evil or thieves!

Tang Xinxin ignored her, stretched her limbs and continued to do yoga.

Yoga required silence-the environment was quiet, and so were the people. It was only right for her to remain silent. If Gong ze was sensible, he would have left at this time.
