

# Ditsy Wife: Mysterious Husband is Unfathomable

## Chapter 8

### You're Quite The Fool

Gong Mo woke up feeling weak. She looked around and found herself in an unfamiliar room and she immediately sat up. Yesterday's events replayed in her mind. She felt the sting of Donglin's words again and dropped to the bed with a thump. Why... Why did it happen like that...

Gong Mo was filled with confusion and helplessness. Slowly, they wove together and became despair.

"Donglin..." Gong Mo curled up and wept softly.

Sheng Donglin was her first love. Even though sometimes they were too different of people and that the relationship would not last, she never thought that things would end this way. He even said that she was a slut...

"Wake up." She heard Sheng Nanxuan's voice.

Gong Mo was startled and looked up to see Sheng Nanxuan standing at the door. She quickly sat up, gathered the blanket in front of her, and backed away from him.

Sheng Nanxuan couldn't help but laugh. "We already slept together. Why are you still shielding yourself from me?"

"Shut up!" Gong Mo yelled as she glared at him. "That... that is..."

Thinking back to what happened last night, she didn't even know what really happened. Indeed, she had been very eager and passionate. Her

body was totally out of her control! She had either had too much to drink or her drink was spiked!

She had only had a few sips of champagne. How could she have gotten drunk from that? Even if she were drunk, she wouldn't have been so horny that she would let a man take her! So was she drugged? Who... who could have done that to her? She suddenly remembered that the man before her had given her water to drink! It was him!

She looked up in shock, "You drugged me!"

"I drugged you?"

Sheng Nanxuan walked over and propped himself with his arms against the bedhead, trapping her with his chest. His hot breath plumed onto her face. "Did we interact before we slept together?"

"You..." Gong Mo was angered upon hearing the words "slept together."  
"You gave me water to drink!"

"Oh~" Sheng Nanxuan raised an eyebrow. "Why did you want to drink the water?"

"Because..." Gong Mo froze.

Because she was felt hot. Because someone had already drugged her!

She stuttered, "Even, even so, you can't... you can't... I'm your brother's girlfriend!"

"My brother's girlfriend?" Sheng Nanxuan's face turned grave and he asked fiercely, "And I'm curious to know, what was my brother's girlfriend doing in my room?"

"My..." Gong Mo was confused. Suddenly, she asked in surprise, "Your room? I went into Donglin's room!"

"You couldn't find his room?"

“I... I haven’t been there before...” Gong Mo seemed to be waking up to the truth. In that instant, she suddenly felt chills all over. She couldn’t believe it.

Sheng Nanxuan knew that she was starting to understand what happened and he stepped back and said, “You’re quite the fool! You don’t even know you were betrayed!”

Gong Mo gritted her teeth, her fingers clutching the blanket, revealing the veins on the back of her hand. She decided to confront Sheng Donglin. He had pointed her to the room. What was he trying to pull? They had been together for a year and a half, but he actually set her up like this!

She looked up, wiped tears from the corner of her eyes, and asked, “Where are we?”

“In a hotel.” Sheng Nanxuan kindly informed her.

“Hotel?” Gong Mo remembered when he had helped her up in the rain last night, but that was all she could remember.

He brought her to a hotel? How could he do this?

What would her mother think if she knew that she had come to a hotel with a stranger?

Gong Mo’s face had a wretched expression. Looking down at herself, she realized that she was wearing a man’s shirt and she instantly screamed.
