Chapter 801 Tang Xinxin isn't someone to be trifled with

However, Gong ye felt that she was resting and had nothing to do, so it was fine to disturb her. If he was doing something serious, then that would be a real disturbance. Wasn't this a good time to save time?

...

"Big sister Xinxin, do you have something to do later?" She asked.

"What's the matter?" Tang Xinxin asked.

"I'm fine!" Gong ye smiled. I plan to go to my cousin's place later. I want to ask big sister Xinxin to come with me.

Oh, " Tang Xinxin said. I'm afraid I can't go. I have something to do.

"Then, when is big sister Xinxin free? let's go together. I'm starting to miss Hu."

I have a boyfriend recently, " Tang Xinxin said. I'm going on a date with him. I don't know when I'll go there.

Gong Ying paused, knowing that she was deliberately making an excuse. He asked, " I heard that big sister Xinxin's boyfriend is Wu Di?"

yeah! Tang Xinxin crossed her legs in front of her and sat upright in meditation.

Gong Ying was filled with hatred. Tang Xinxin looked innocent, but she was also a social climber!

On the day of Wu surong's birthday, she had seen Wu Di. At that time, she had even thought about it and put him on the backup list.

This was because Wu Di was a Playboy like CEng Shuai, who liked to change women for no reason. She felt that there was no need to rush, and she could hook up with him at any time.

On the other hand, Yu xinzhuo, Fang Yang, and the others were very clean and didn't even see any news about them.

However, she believed that men were all the same. It only depended on whether they could be caught.

Therefore, she wanted to hook up with someone like Yu xinzhuo first. If she succeeded, she would spread the news and it would be good for her reputation! If he didn't succeed, he could hook up with the Playboy and get him easily!

In the end, Gong Bai dragged her away, and she didn't have a chance to seduce them at all! When she turned around and was about to hit on Wu Di and Zeng Shuai, Wu Di and Tang Xinxin were together. Zeng Shuai had Wen Yingying in his bowl and Chini in his pot!

Gong Fei was furious, but she didn't dare to tell anyone that she had such a plan.

Moreover, the person Wu Di was looking for was Tang Xinxin. She had an inexplicable feeling that Wu Di might have been defeated!

Tang Xinxin wasn't someone to be trifled with.

It was said that when Tang Xinxin was in high school, her best friend in her class was in a relationship at an early age, and she was seduced by a girl from another class. She rushed to the mistress's classroom and gave her two tight slaps. She was shocked after the slaps and said regretfully, "I was wrong, I was wrong! How could you blame a woman for this? It was all the man's fault! We women have to support ourselves. We can't let our loved ones feel pain and our enemies feel happy! I believe you're innocent and didn't take the initiative to seduce me. Otherwise, I'd definitely beat you to death!"

The mistress was so scared that she cried and trembled, immediately saying, "It's all Yingluo's fault! I will break up with him!"

Tang Xinxin nodded with satisfaction, then turned around and hit the man again.

Because she was beating up a man, the boys in her class were afraid that she would be at a disadvantage, so everyone gathered to follow her and act as her bodyguards. She went all the way to the boy's classroom and beat him up, but the other students didn't dare to come out to help-she had many people behind her!

Gong ze felt that if he dared to hook up with Wu Di, Tang Xinxin would definitely give him 20 slaps.

Thinking of that situation, she felt her face hurt, but she didn't mind talking fast. She smiled innocently and said, "I heard that Wu Di is a little fickle in relationships?"

it's fine. Tang Xinxin glanced at him. if he dares to do it, I'll definitely do it! I'm in the entertainment industry, I'm sure I'll be able to find a man more handsome than him."

Chapter 802 I want to curry favor with you

Gong Jie's face was blank.

...

She was impressed by Tang Xinxin's achievements.

She admitted that she didn't have the ability. No, she didn't have the same thought as Tang Xinxin.

Tang Xinxin closed her eyes and started to meditate.

Gong Fei bit her lip and got up gloomily, "I'll be leaving first."

Tang Xinxin opened her eyes slowly when she heard her footsteps.

.....

After Tang Xinxin left the company, she went straight to Gong mo. When she entered, she realized that Hu Zi and Sheng nanxuan were not there. She could not help but ask, "Yo, are you alone?"

nanxuan has brought Hu to the park. Gong mo walked toward the kitchen.

you didn't go?" Tang Xinxin followed him.

I'm cooking ~" Gong mo smiled. He took a glass pot and made a pot of flower tea, then placed it on the table.

Tang Xinxin sat by the table and said, " tsk ~ you're so rich, but you're still reduced to a yellow-faced woman.

"Isn't it fun?" Gong mo brought over a plate of cookies.

Tang Xinxin poured herself some water and said, " only people like you who have money and free time would find it fun. Other people would probably be bored to death.

"Wu Wu Wu Wu." Gong mo didn't comment. She realized that Tang Xinxin was right.

When she didn't want to do it, she would ask the confinement nanny to do it. When he wanted to do it, he could do it himself. He didn't have to do every step himself, and the nanny would help him. Therefore, he was completely enjoying the process.

She coughed and changed the topic. why aren't you on a date with Wu Di? " she asked. why are you here? "

“Can’t I just come and see you?” Tang Xinxin said while eating a biscuit, “what kind of friendship do we have? What was Wu Di? Of course, I still love you more! I’ve missed you so much ~”

As she spoke, she went to hug Gong mo.

Gong mo couldn’t take it anymore and said, “alright, stop being so mushy!” Since you’re here, stay for dinner. Call Wu Di over too.”

okay. Tang Xinxin called Wu Di and told her about Gong Ying’s visit.

“What is she trying to do?” Gong mo couldn’t help but laugh.

“I just want to curry favor with you ~”

“Curry favor?”

“You don’t know?” it’s hard for her to work in the company now, ” Tang Xinxin said mysteriously. she doesn’t have any good resources. He heard that she had a grudge against Wen Yingying, so she must have wanted to suppress Wen Yingying. But now, she’s on a completely different level from Wen Yingying!”

Oh! Gong mo didn’t know much about the entertainment industry.

tsk! Tang Xinxin snorted. I think this commander Zeng is really protective of his daughter. Gong ye is your sister after all. How could he be so mean to his woman? ”

“That shouldn’t be the case.” Gong mo said with certainty, ” Nan Xuan must have said something to him. Otherwise, he wouldn’t have not given him any face at all. Those who can work under nanxuan are all smart people. How can they be so insensible?”

Tang Xinxin remained silent. That’s right. The company was taking care of him because Zeng Shuai was giving Sheng nanxuan and Gong mo face.

Thinking about it this way, she felt that she had won an unfair battle. However, the pressure wasn't too great.

This world had always been one that valued human relationships. Others would love to use their connections and sell their bodies to take shortcuts. She had benefited from Gong mo because of her true feelings for Gong mo. She could continue to treat Gong mo like this and work hard to repay the company's cultivation.

She couldn't help but laugh and teased Gong mo, "So it's Sheng nanxuan who's protecting his child, not CEng Shuai ~"

Gong mo was already used to it. He didn't feel embarrassed. Instead, he looked happy.

Chapter 803 You truly love me

Tang Xinxin rubbed the goosebumps on her hands and said, "That's enough. Do you see the torch in my hand?"

...

Gong Mobai rolled his eyes at her. you're not a single dog anymore. You're also one of the victims, okay? "

"I've been provoked by you and I want to burn myself, okay?" Tang Xinxin shouted.

Gong mo rolled his eyes again and changed the topic, "How's work been? When are you going to appear on TV again? if you have any activities, you can tell me. I'll support you!"

"Don't worry, I won't forget you!" Tang Xinxin said, "I'll go up to the finals of heavenly voice.

even if you don't go up, I'll still watch it ~"Gong mo mumbled softly. She was now a die-hard fan of Chini.

Tang Xinxin grabbed her shoulder and shook her. "Where's the love? Where is your love for me?"

yes ~"Gong mo smiled. but I love Chini more.

Tang Xinxin pushed her away and complained, ""I don't want to be with you anymore!"

it's okay. I have Chini. That's enough. Gong mo didn't feel sorry at all.

"I don't know you!" Tang Xinxin said gloomily.

"Is it difficult for me to get to know her?" Gong mo asked innocently.

Tang Xinxin,"Yingluo."

She suddenly stood up and was ready to go berserk. "I'm going to break off our friendship! You're simply too much! He's just showing off!"

"Uh, Yingluo, I didn't mean it that way." Gong mo said hurriedly.

Tang Xinxin suddenly stopped and sat back to hug her. "Am I stupid? If you're so powerful, shouldn't I be hugging your thigh tightly? Why do you want to break off our friendship?"

"Oh, yeah, yeah." an idol is different from a friend. In my heart, you're still the most important person. Gong mo started to show off.

Tang Xinxin was so touched that she burst into tears. Let's be friends!"

“We’re friends to begin with ~”

“My family!” Tang Xinxin was even more touched.

Gong mo laughed until he was out of breath. He pushed her away and said, “Don’t be funny. Are you still going to sing during the finals?”

Tang Xinxin sat up straight and nodded. She took an Apple and said, “For the sake of viewership ratings, the finals will definitely create a hot topic. That’s why the top eight contestants will all go on stage. If the top eight fans don’t like the top three, they will still watch for their idols!”

“So you’ve been rehearsing recently?”

“What’s a rehearsal? I’ll only be able to sing two songs at most on stage, and I won’t be able to finish. I only need to practice the song and the rest will be arranged by the festival team. The busiest thing to do every day was training, and physical training was essential! Whether it was singing or acting, it was all physical work. How could he do it without a good body? He still had to practice his singing. If he didn’t practice for one day, he wouldn’t be able to make a living. Because he wanted to change his career, he had to learn acting, hosting, and everything else! Because they didn’t know where their future lay, they had to be fully prepared. Oh, and there’s also body training. As a celebrity, how can you not have a perfect body and temperament?”

“Hearing you say that, why do I feel that being a celebrity is harder than being an assistant?” Gong mo sighed.

Tang Xinxin hurriedly nodded and said in a sad tone, “There’s almost no time for a date!”

“Pfft—” Gong mo laughed. “Now that you’ve put it that way, I suddenly feel that you truly love me. You don’t have time for a date, but you have the time to come here?”

“Am I good to you?” Tang Xinxin winked at her.

“Alright, alright, alright, Qianqian!” Gong mo hurriedly nodded his head.

Soon, Wu Di came.

Chapter 804 Retribution!

Gong mo called Sheng nanxuan, "when are you coming back?" Wu Di and candy heart are here."

...

your son has his eyes on a little beauty, " said Sheng nanxuan. he keeps chatting with her. I can't take him away.

Gong mo was stunned, "how could my son be like that?" You're the one who has your eyes on a beauty, aren't you?"

Sheng nanxuan was silent for a second before he said seriously, " "In order to prove my innocence, I have to break up the couple!"

Ten minutes later, he returned with Hu Zi in his arms.

Hu Zi struggled to get off the bed, and he put him down.

Hu Zi ran to Gong mo, hugged her leg, and shouted pitifully, " "Mommy, Yingluo."

Gong mo lowered his head and asked, "what's wrong?" Did daddy bully you?"

"En!" Hu Zi puffed up his little face and nodded.

come on, tell Auntie, "Tang Xinxin said with a smile. how did daddy bully you?"

Hu Zi immediately ran over, grabbed her sleeve, and climbed onto her legs. Tang Xinxin held him in her arms happily and touched his soft little face.

Sheng nanxuan whispered in Wu Di's ear, " "He took advantage of your girlfriend."

Wu Di was stunned and looked at him in surprise. How could you say that about your own son?

On closer look, the little brat was really sitting on his girlfriend's thigh! Hmph, he had never sat like this before!

Auntie! Hu Zi took a biscuit from the table and fed it to Tang Xinxin.

Hu, you're such a good boy! I love you so much! Tang Xinxin said happily. Then, she kissed him on the cheek.

Wu Di hurried over. let me carry you. You're tired.

Tang Xinxin held Hu Zi tightly and said, " "I'm not tired! I'll hug you and be happy!"

"Then don't kiss him!" Wu Di pouted and said gloomily.

"Why shouldn't I kiss you? I like it, so I'll kiss it!" Tang Xinxin kissed Hu's face again.

Hu Zi chuckled and took a bite of the biscuit, looking at Wu Di with a smug expression.

"You're mine!" Wu Di said angrily. You can only kiss me!"

Tang Xinxin chimed in,"shua shua shua."

She hurriedly looked at Gong mo. Gong mo went to the kitchen and Sheng nanxuan followed him.

She heaved a sigh of relief. Although she had been heard, it was also good that she hadn't seen it.

"What nonsense are you spouting?" she glared at Wu Di. Shut up!"

Wu Di looked at her resentfully, then suddenly lowered his head and kissed her lips.

Hu Zi was chewing on the biscuit in his mouth. After a while, seeing that he was still not letting go, he shouted, "Mother ..."

Gong mo sneaked a peek from behind the kitchen door and immediately retracted his head. He said to Sheng nanxuan, "These lovey-dovey people, each pair is more brutal than the last."

Previously, it was Yu Qingliu and ding dang, and now it was Wu Di and Tang Xinxin.

"Karma!" Sheng nanxuan sighed.

Gong mo squinted at him and said, "he he ..."

Sister li was at the side, "Yingluo."

You're also showing off your love like this! Why did I have a torch in my hand?

.....

9 am.

Hu Zi ran to Gong mo and Sheng nanxuan's room and kicked the door twice. He shouted as he kicked, "Dad! Mother!"

There was no reaction from inside.

Hu Zi kicked him again in anger.

Sister li walked over with a bowl and whispered, "Let's eat first. Mom and dad will be up soon."

Hu Zi pursed his lips in dissatisfaction and turned around to walk toward the living room in a Huff.

Sister li hurriedly followed him, afraid that he would fall.

After entering the living room, Hu Zi climbed onto the sofa with both hands, spread his legs, and sat down, sulking.

Sister li squatted in front of him with a bowl in her hand and scooped up the porridge in the bowl."Good boy, come and eat."

Chapter 805 You dare to say I'm bad?

Hu Zi glanced in the direction of the master bedroom and shouted bitterly, "Mommy, Yingluo."

...

"Mommy will be here soon." Sister li was extremely embarrassed.

They were still in bed. It was obvious that Sheng nanxuan was exercising with Gong mo.

"Hmph!" Hu Zi was fighting with his father for his mother every day. He also knew that it must be his father who didn't let his mother out!

Dad was afraid that he would snatch mom away! Hmph! Bad guy!

Hu Zi lowered his head, turning his grief and anger into appetite, and gulped down the porridge.

Sister Li heaved a sigh of relief and said, "Hu 'Zi is such a good boy~"

"Yes, yes." I'm so obedient, mommy must like me!

"Do you want more?" sister Li looked at the empty bowl.

Hu Zi shook his head and fell back onto the sofa, looking like he had eaten too much.

Sister Li couldn't help but laugh. She touched his head affectionately. "Be good and don't move. It's right here."

She took the empty bowl to the kitchen, then took a towel to wipe Hu Zi's mouth, and then went back to wash the dishes.

Hu Zi looked around in boredom. He kicked his feet, trying to kick his shoes off, but he failed a few times.

He sat up and unbuckled his shoelaces. With a swing of his foot, his shoe flew out and landed on the fruit plate on the coffee table.

This one flew past the coffee table and fell to the ground.

Hu Zi climbed down from the sofa and walked around the coffee table. He picked up his shoes and wanted to put them on the coffee table.

He was stunned when he saw the Apple on the plate.

Guoguo was edible, and it seemed that shoes couldn't be placed with it.

Her mother said that the things on the ground were dirty. Her shoes were always on the ground, so they were very dirty!

Hu Zi heard the sound of the door opening from the master bedroom and immediately picked up the shoe from the fruit plate.

Hearing the sound of footsteps, he ran over excitedly. He threw his shoes aside and pounced on Gong Mo's legs, "Mama ..."

"Why did you take off your shoes?"

As Sheng nanxuan asked, he bent down to pick up the shoes and help him put them on.

Hu Zi turned around and gave him a kick.

"What are you doing?" Sheng nanxuan was stunned. Don't you Love Daddy the most?"

"No!" Hu Zi said angrily. He turned around and hugged Gong mo tightly. mommy, daddy!

"Come, I'll help you put on your shoes." Sheng nanxuan went to pull his leg.

He kicked out with all his might, 'no, no, no... Bad! Bad!"

"Who's bad?" Sheng nanxuan pretended to be angry. you dare to say that I'm bad? "

Hu Zi looked at him, feeling a little scared and regretful. However, when he thought about how he was snatching his mother away from him, he turned his head away angrily.

“You’re just fooling around.” Sheng nanxuan smiled lovingly.

He had just gotten great satisfaction from Gong mo and was in a good mood. He didn’t want to argue with a child.

Gong mo carried Hu Zi into the living room. Sheng nanxuan threw his shoes on the sofa. he’s despising me. You can help him wear it. I’ll go get breakfast.

Gong Mo’s face was red as he pursed his lips. He grabbed Hu Zi’s little feet and helped him put on his shoes.

Hu Zi lay on the sofa and kept shouting, ” “Mommy, mommy, Yingluo!”

It was as if his mother would love him more if he called her more.

Gong mo put on his shoes and pulled him up. He lectured him with a stern face, ” “You’re not allowed to take off your shoes, do you understand?”

One look at the shoes and she knew that he had put them on first and then taken them off himself.

Hu Zi’s eyes widened innocently, and he looked confused.

“Don’t play dumb!” Gong mo glared at him. if you don’t wear shoes, you’ll get sick. If you’re sick, you’ll feel pain.

Wu Wu Wu Wu. Hu Zi shamelessly burrowed into her arms and said coquettishly, ”mommy ~”

Chapter 806 Let daddy test the poison ~

“Come, let’s eat,” Sheng nanxuan walked over with breakfast.

...

“Sit tight,” Gong mo pushed Hu Zi away.

Hu Zi pouted and sat at the side. After a while, he started to kick his legs in boredom.

“Huh?” Gong mo turned to look at him.

Hu Zi was shocked and immediately became well-behaved. After a while, when he saw that she was no longer looking at him, he climbed down from the sofa.

He leaned on the coffee table, took an Apple, and handed it to Sheng nanxuan. “Dad ...”

Sheng nanxuan smiled, hugged him, and kissed him on the cheek.

“You little brat!” Every time she provoked him, she would try to please him. Why was she so clever?

“Eat!” Hu pushed the Apple to his mouth and stared at him.

Sheng nanxuan smiled. He put the Apple in his mouth and took a bite. He chewed it sweetly.

Hu Zi looked at him nervously.

The doorbell rang, and sister li went to open the door from the kitchen.

It was Fang Yang and he Yue. They were holding something in their hands.

Gong mo didn’t move from the sofa and said with a smile, “You guys are here?”

“Madam.” He Yue smiled. the clothes are ready. Do you want to try them on? ”

“Put it in the cloakroom first, wait for me to finish my meal,” Gong mo nodded.

“Alright,” he said.

He Yue walked inside and lowered her head to smile at Hu Zi when she passed him.”Hu Zi ~”

Auntie! Hu Zi called out sweetly.

“Good boy ~” he Yue smiled happily.

Fang Yang also walked over and stood beside Hu Zi. He reached out and patted his head.

“Uncle,” he said. Hu Zi glanced at him and then continued to look at Sheng nanxuan.

Sheng nanxuan took another bite of the Apple in his hand and asked in confusion,“”What are you looking at?”

Hu Zi shook his head and ran to Gong Mo’s side. He climbed onto the sofa and hid behind her, secretly looking at Sheng nanxuan.

Sheng nanxuan did not know what he was doing. He pretended not to see and asked Fang Yang, ” “Has everything been arranged?”

“Yes, all the invitations have been delivered.”

It was Gong Mo's birthday in half a month. Sheng nanxuan wanted to celebrate it with her. He had invited many people to the birthday party at Happy Garden. Both Fang Yang and he Yue were busy with the matter.

After Gong mo finished his meal, he carried Hu Zi and placed him in Sheng nanxuan's arms. "I'm going to try on some clothes."

"Yes." Sheng nanxuan threw away the apple core and pinched Hu Zi's face.

Hu Zi chuckled. Daddy is fine after eating Guoguo. It seems like Guoguo didn't get dirtied by her shoes, Yingluo.

.....

Gong mo tried on the new gown and found no problem. "I hope I won't suddenly become fat these few days," she said with a smile.

"Do you want to try the young master's?" he Yue smiled.

"Let him try. He'll be happy to wear new clothes."

"Alright," he said. He Yue picked up Hu Zi's two sets of clothes and walked out of the room.

Hu Zi was wearing a small suit with a cute little bow tie. One was long-sleeved pants, and the other was short-sleeved shorts.

Gong mo called him to change his clothes. He was playing with Sheng nanxuan's phone. He looked up at her with a reluctant expression.

Gong mo didn't force him and said to he Yue, "I'll try it on him later. I'll call you if there's a problem. You can go back first."

“Alright,” he said. He Yue was about to leave.

“Wait!” Gong mo suddenly said. If you rush to make clothes, it usually takes a few days?”

uh, hehe. he Yue was stunned. if it’s just for cooking, it can be done in a day.

Gong mo heaved a sigh of relief. in that case, get some designs for girls from the designer. Send them to my email tonight.

“Alright,” he said.

Sheng nanxuan asked in confusion, ‘what do you want a girl-type? Are you pretending to be young?’

“I’ve always been inexperienced!” Gong mo looked at him with dissatisfaction.

Sheng nanxuan snorted and pointed at Hu Zi. “Take a look at what this is.”

Chapter 807 At most, he would harm a lady

Gong mo glared at him angrily and thought, “it’s all his fault!” He actually called her old because of this! Which part of her was old?

...

Sheng nanxuan signed the document in his hand and handed it to Fang Yang. “Let’s do this.”

“Alright,” he said. Fang Yang kept the documents and walked out.

you want to make clothes for Tian Cheng? ” Sheng nanxuan turned to Gong mo.

“How did you know?” Gong mo asked in surprise.

Sheng nanxuan snorted, “isn’t this easy to guess?” Of all the people you know, only Tian Cheng can wear the girlish style. You’re asking her to come to the birthday party?”

“She just finished her college entrance examination.”

Fang Yang heard this when he was leaving the room. He suddenly remembered-college entrance examination? The little Miss of the Wu family seemed to be taking the college entrance examination soon, right?

Gong mo said, “ it’s almost a three-month holiday. Aunt and uncle are divorced. If Tian Cheng stays at home, she’ll have a lot of trouble. It’s better to let her come to my place. I’ll take her to Italy after my birthday.”

“Will she agree to it?”

“I think so. Her aunt was an adult, not a child. She didn’t need to worry. She’s still young, it’s good for her to come out and see the world.”

“Okay, then you tell her.” Sheng nanxuan did not object.

Gong mo smiled and turned to see Hu Zi playing with his toys. He said, “Come, try on your new clothes.”

Hu Zi threw away his toy and got up. He grabbed his clothes and looked at them, then jumped up happily. “Mother! Hurry up!”

“You’re still a young man who loves to look pretty!” Gong mo carried him onto his lap and said, “what will you do when you grow up? I wonder how many girls you’ve harmed.

Wu Wu~” Hu Zi didn’t know what she was talking about, so he subconsciously shook his head.

Sheng nanxuan glanced at Gong mo and said, ” “I won’t. My son will only harm a lady at most.”

Gong mo was stunned and looked at him.

He blinked and said,”inherited ...”

“You didn’t inherit this from your father!” Gong mo blurted out.

Sheng nanxuan’s face stiffened.

“I didn’t mean it that way!” Gong mo hurriedly replied.

“I’m fine.”

Gong mo bit his lip and put Hu Zi aside. He moved to his side and said carefully, ” “I’m sorry, Yingluo.”

“It’s fine.” He smiled and reached out to touch her face. he is my father. This is a fact that can not be changed.

“But Yingluo is not worthy.” Gong mo said angrily.

“So my good qualities must have been inherited from my mother.”

Seeing that he wasn’t angry, Gong mo heaved a sigh of relief.

“Do you have any news about mom?” he suddenly asked.

Sheng nanxuan shook his head and sighed. I don't even know where Carter is hiding!

"Don't worry." Gong mo consoled her, "mother has survived for so many years. She will definitely be safe and sound. As long as she's alive, we'll have the chance to meet again."

Sheng nanxuan paused and nodded. He reached out and pulled her into his arms.

In fact, it didn't matter if she never saw Yu qinghuan again. The fate between them had always been shallow. Perhaps this was fate. As long as he had Gong mo by his side, it was enough. What Gong mo gave him was not only love but also kinship. It would seem a little greedy of him to hope for more.

Sheng nanxuan sighed. let's hope we can see Yingluo again.

Greed was a human's instinct. Not only did he want to see her again, but he also wanted to see her more. Although she couldn't imagine what it would be like to be with Yu qinghuan, it wasn't a bad thing for Yingying to have dreams.

Seeing them cuddling together, Hu Zi lay on the side gloomily. Didn't you say that you'd give me new clothes? Hmph! Mom and dad are both bad people! He was going to play with someone else in the future and ignore his parents!

Chapter 808 After all, he's not young anymore

On the last day of the college entrance examination, Gong mo counted that he had finished the last subject and immediately called Tian Cheng. "You're free, right?"

...

"Yes," Tian Cheng said with a smile.

"When will you be coming over?"

“Oh, I still have to meet up with my classmates. Maybe in two or three days.”

then I'll get Fang Yang to pick you up. You've seen him before, right? ”

“No need!” Tian Cheng didn't want to trouble anyone. I'll just go to the airport.

“You're not afraid?”

“What's there to be afraid of?” Tian Cheng smiled and said, “ I'll call a taxi and go through the procedures after I enter the airport. If you don't understand, just ask. After I get off the plane, my cousin will come and pick me up, and everything will be settled.”

alright, I'll book a plane ticket for you. You can take your ID card and go through the check-in procedures.

“Cousin, do you have any specialty products you want?” I'll bring it over for you, “Tian Cheng said.

“I don't have anything to worry about.” Gong mo paused for a moment and continued, “I'll ask my mother later and see if she has anything she wants.

“Alright~”

After hanging up, Gong mo called dan Rong.

Shan Rong was going into labor next month, and her stomach was very big now. As she was an elderly pregnant woman, Gambino did not dare to let her move at all.

Gong mo picked up the video call. Shan Rong was lying on the sofa eating oranges.

“Mom, you're still eating? How's little brother?”

okay ~”Shan Rong said tiredly. I just feel very tired. I didn’t feel so tired when I gave birth to you! The day before I gave birth to you, I even carried a bag of rice upstairs.”

“How heavy is it?” Gong mo asked in surprise.

“Ten Jin is enough! How much more do you dare to say?”

Gong mo heaved a sigh of relief. Although 10 Jin wasn’t light, it wasn’t too heavy. The people of her mother’s era were not as comfortable as they were now. She had some strength in her hands and was young, so it was normal for her to be able to carry it.

“Don’t think about carrying the rice.” Gong mo said, “after all, you’re not young anymore.

Gong mo didn’t dare to say that she was old. Women were sensitive to the issue of age.

I’m not old either ~”Shan Rong said. how can I have children when I’m old?”

Gong mo,””

Finally, he mentioned Tian Cheng. Gong mo asked her what local specialties she wanted.

Shan Rong licked her lips. I want to eat old Wang’s tofu pudding.

The beancurd shop was in Nanjiang, on the same street as Shan Rong’s original clothing store, but the beancurd shop was at the end of the street. The two of them often went there to eat, and the taste was indeed good.

After hearing what she said, Gong mo also wanted to eat it.

“I can’t bring this along.” Gong mo swallowed his saliva.

aiyoyo! Shan Rong sighed in disappointment.

“Dad, don’t you have a Chinese chef?” Gong mo asked. Ask him to make it for you.”

“I did, but it didn’t taste like that. I don’t dare to say it out loud. I’m afraid that your dad will be unhappy and scold me. ”

Gong mo was speechless,”is there anything else you want to eat?” It has to be something you can bring!”

Shan Rong thought for a moment and ordered a few snacks.

“I don’t think it’s a good idea to eat snacks now,” Gong mo said.

“You were the one who asked me,” Shan Rong glared at her.

“I just wanted to show that I’m filial,”

“I don’t care, bring it to me. You can’t eat it now, but you can eat it raw!”

“Alright, alright, I’ll bring you more.”

.....

Wu Yunyun returned home with her stationery and admission ticket. She saw her parents, most of her elders, and her cousin sitting in the living room.

She was stunned for a moment-could it be that Red Rain was coming? they remembered that she had an exam today and were waiting for her news here?

“Yunyun, you’re back?” Her mother saw her and heaved a sigh of relief. She quickly stood up and asked, “are you tired? Go and rest first, I’ll bring you a bowl of green bean soup.”

Chapter 809 This Sheng nanxuan is too much!

Wu Yunyun nodded, greeted the elders, and went up.

...

When she walked up the stairs, she heard second brother Wu say, “This Sheng nanxuan is too much!”

Wu Yunyun paused for a moment, then quickly walked up the stairs.

She heaved a sigh of relief when she returned to her room.

This villa was bought by second brother Wu when he was young. By now, everyone wanted it and no one was willing to move out of the villa, so the few families were squeezed together. Every day, the elders would compete with each other, and the cousins would also compete with each other. It was very lively!

Wu Yunyun planned to stay on campus after she entered University. She was too lazy to come back and cause trouble!

Yun’s mother came in with green bean soup, and she immediately stood up to help. mom, sit.

Mother Yun smiled and sat down, pleased. Among the girls of this generation, her Yunyun was the most sensible, and she studied well. She would definitely make a name for herself in the future!

She and her father had no ambitions, especially her father, who had a soft personality and was a good man. He had worked in the same company for 20 years without much promotion, and the whole family looked down on him!

Mother Yun wasn't a competitive person, but her father was even more competitive than her, so she had to be tough and fight with her aunts from time to time. Now, she had placed all her hopes on Wu Yunyun.

"How did you do?" She asked.

Wu Yunyun said while drinking the soup, "It's alright, there shouldn't be any problems."

"Then which school do you want to enroll in?"

Wu Yunyun lowered her head, her eyes moving. "I want to learn translation."

"Translation, Yingluo, what kind of translation is this?" It would be too common for him to go to a publishing house to translate foreign literature. However, it's good that the girl likes it!

I'm not sure if he'll be hired," Wu Yunyun said. let's see.

"Your grades are so good, so there's definitely no problem."

Wu Yiyun smiled. actually, I want to apply for international relations. Don't tell them. Just tell them that you're the translator!"

"International relations?" Mother Yun was taken aback. what's that? "

"I'll be a diplomat in the future."

what? " mother Yun gasped. why did you think of doing this? "

"I like it." Wu Yiyun smiled. by the way, what are they doing downstairs? "

"They?" Mother Yun sneered. you know Sheng nanxuan, right? Your first grandpa's grandson!"

"I know." Wu Yunyun said sarcastically, " my cousins are going crazy for him.

"They're not crazy. Are you looking for death? Don't you ever learn from them! If you study hard and become a diplomat in the future, won't you have to meet the President?"

"It's still early for that." Wu Yunyun smiled. maybe I'll be a translator in the future.

"That's also the president's translation, right?" Mother Yun asked excitedly.

maybe he'll stay at the school to teach or something, " Wu Yunyun said helplessly.

tsk! mother Yun chuckled. it doesn't matter. You can do whatever you want, as long as you're happy.

"What's wrong with Sheng nanxuan?" Wu Yunyun brought the topic back.

"He's holding a birthday party for his wife, and many people have received the invitation, but not a single one of our Yingluo has! Your Grandpa is complaining that Sheng nanxuan is unfilial and doesn't know how to behave!"

Wu Yiyun chuckled and asked in amusement, " "She might not even want to be filial to grandfather, why would she be filial to our family?"

that's right! mother Yun said. your grandfather is old and muddle-headed. For your cousin's sake, he's trying to climb up the social ladder! That's right, I'll definitely have ideas about your marriage in the future! You should be prepared and think of a countermeasure."

Chapter 810 How could she not be afraid of the assistant of the night God?

"I still have to study, why would I think of that plan?" Wu Yunyun frowned.

...

"You can get married by studying! Although your cousins have their eyes on the top of their heads, they're also smart and are all actively fishing for rich husbands. Your Grandpa saw that they were so proactive, so he definitely wouldn't ask them to do it. If you don't take the initiative to attack, he will definitely make random arrangements for you! What if your dad and I can't stop him?" Mother Yun sighed. we're not separated, and we're all registered in the same book. You can't get married secretly even if you want to!

what? " Wu Yunyun was shocked. where's the household register? "

"It's with your grandfather! In the past, it was easy for him to get a household register, but in the past two years, he has been asking carefully, so he must be preventing you from getting married secretly."

When Wu Youyun heard this, she snorted angrily.

Oh, right! mother Yun hurriedly asked. what's going on between you and that Fang Yang? "

"Who is it?" Wu Yunyun was confused, but then she remembered and said speechlessly, " I'm not related to him!

"If he's a good person, it's fine if he has some connections. Your grandfather is quite afraid of that person."

"What's there to be afraid of?" Wu Yunyun didn't think much of it. She didn't think Fang Yang was scary.

"How can I not be afraid of the assistant of the night God?"

Oh, that's right. After all, his status was precious.

your cousins know that you and Fang Yang might be a couple, but they're still thinking of ways to hit on him.

"Let them fight,"

Hearing that she didn't care, mother Yun asked doubtfully, "You really have nothing to do with him?"

"We've only chatted for a while, what relationship can there be? Miss Lin is the only one in my heart!"

"Which miss Lin?"

"Lin Jing from the Lin family!"

The Lin family had a good family background. Lin Lei had founded his own luminous night shop, but it didn't seem to be his. It was Sheng nanxuan's.

He did not know Fang Yang's original identity, but he did not seem to be from an aristocratic family. In comparison, he was not worthy of Lin Jing. However, Lin Lei was also Sheng nanxuan's subordinate. From this perspective, Fang Yang and Lin Jing were a match of equal social status.

During dinner, second brother Wu asked Wu Yunyun, "Yunyun, are you still in contact with Fang Yang?"

Wu Yunyun was stunned. She looked at everyone and saw that her cousins were all looking at her.

"No, I didn't,"

After Wu Yiyun finished speaking, she saw her cousins heaving a sigh of relief. She couldn't help but add, "I've been busy with exams recently."

Everyone was confused about her relationship with Fang Yang. Did this mean that they didn't contact each other because they were too busy?

When Wu laoer heard this, he heaved a sigh of relief. "In that case, go and find Fang Yang. He was Sheng nanxuan's assistant. He should be making arrangements for Sheng nanxuan's wife's birthday party. Ask him for a few invitation cards so that we can go and congratulate him."

Wu Yiyun looked at him in shock. that's not very good, is it? "

"What's wrong with that?" Second brother Wu's face turned serious. I'm an elder of Sheng nanxuan. I should go!

Wu Yunyun thought, 'they want you to go, so they'll definitely invite you.' I didn't invite you, so don't add to the trouble, okay?

She had never been willing to argue with the elderly. The main thing was that other than her parents, the whole family was stupid, and she didn't want to waste time on them!

"Alright, I'll contact him later."

Although Wu Yunyun said that, she was planning to pretend to contact him and then say that Fang Yang had rejected her. It was impossible for Wu Lao 'er and the others to verify it with Fang Yang anyway. She did not need to take responsibility for what she said.
