

Ditsy Wife 811

Chapter 811 Do these people still have any shame?

“You’re not lying to Grandpa, are you?” Wu Qianqian asked with a sneer. If you don’t call him later, just say that you’ve contacted him, and then say that Fang Yang doesn’t agree, right?”

...

“Why would sister Wanwan think that?” Wu Yunwan’s expression remained unchanged. Could it be that sister Xuxu often does this?”

Wu Hanhan was stunned and looked at her with gritted teeth.

Among the sisters, if Wu Honggong was said to be sinister, the others would not dare to say that they were cunning.

Wu Qianqian had always been inseparable from her. Because Wu Hanhan was brainless, she always rushed to the forefront whenever something happened. She was like a firecracker and had offended countless people.

As for Wu Qianqian, she stood behind him pitifully like a White Lotus. Seeing that Wu Qianqian was in trouble, she pretended to be a good person, and Wu Qianqian was very grateful.

Therefore, Wu Hanhan had the best reputation outside. Wu Hanhan felt that there were benefits to following her and was more willing to follow her. Then, she would continue to be used by Wu Hanhan and help her build a good impression of her.

However, Wu Qianqian’s hypocritical look was useless when she met Wu Qianyun.

Wu Yunyun had always looked at her with a higher IQ. Every time she dared to provoke her, Wu Yunyun would easily fight back and make her suffer in silence.

In Wu Qianqian's eyes, Wu Qianyun was a dog that bit people, so she didn't bark! In front of Wu Yunyun, her little schemes were completely useless.

Wu Yunyun had hidden herself too well, so she was inexplicably vigilant and had been paying attention to her, so she more or less understood her methods.

In this family, she probably knew Wu Yunyun the best. Even her parents had to stand aside! This girl was not as innocent as she looked on the outside. She was simply a black-hearted person!

"Yunyun!" When second Wu heard their words, he asked Wu Yunyun angrily, "is ran ran telling the truth?"

"How is that possible?" Wu Youyun looked innocent. I don't know why sister Wanwan would say that about me. I haven't done such a thing yet, but she seems to know it very well. Could it be that sister Wanwan had the ability to predict the future? Quick, tell me how I scored in the college entrance examination!"

"Don't change the subject!" Wu Qianqian said angrily.

"Alright, I'm done!" Wu second slammed the table and said to Wu Yunyun, "in that case, call Fang Yang now.

what?" Wu Yunyun was stunned. what?" She did not have Fang Yang's phone number.

"Fight!" Wu Hanhan said, "this concerns our entire family!"

Wu Yunyun pursed her lips and wanted to flip the table!

Did these people have any shame?

However, she had always known how to play it safe. For Sheng nanxuan, Fang Yang, and the others, whom he had no friendship with at all, he turned against his own family? Sorry, she couldn't do it.

Even though she had wanted to fall out with him for a long time. However, if they turned against each other now, it would only bring endless trouble. With her father's personality, it was impossible for him to leave second brother Wu alone. At that time, they would be the ones who would be bullied.

Moreover, she was about to go to college. It was not wise to offend second brother Wu now. What if second brother Wu locked her up and stopped her from studying?

Wu Yunyun took out her phone, quickly pressed two buttons, and put it to her ear.

Everyone had yet to respond, so seeing her like this, they didn't want to disturb her.

After a while, Wu Yunyun put down her phone. "He might be busy. I'll send him a text."

She didn't even make a phone call just now, she was just putting on an act.

She searched for Wu Di's number in her address book, typed a message, and sent it over. Give me Fang Yang's number! Hurry up! My family is in the midst of a revolution!

As the only person with a normal IQ in Wu second's house, she had a good relationship with Wu Di.

Chapter 812 I need your help with something

Because when she was very young, second brother Wu had ideas about old master Wu, and she had informed him. Later on, although she and Wu Di did not have much contact, they exchanged phone numbers.

...

When Wu Di saw the last sentence of her message, he knew that it was not a good time to call back and ask. However, why would he want Fang Yang's phone number?

She tapped her finger with pink nail polish in front of his face, and he immediately came back to his senses and smiled at Tang Xinxin.

Tang Xinxin narrowed her eyes. There's a mistress?"

"What nonsense are you spouting?" Wu Di replied to the text message while saying, " she's my cousin. She's in the next room.

His eyes lit up, and he took the opportunity to tell her about his family's connections.

Hehehe, Xin Xin is going to marry him in the future, so it's good to know his family situation earlier.

After hearing that, Tang Xinxin thought to herself, it's so complicated.

"Over there," Wu Di said,"Yunyun is the only normal person. Of course, her parents can do it too. She's not as embarrassed as other people. I don't even know how to describe her. "

Yunyun? " Tang Xinxin was confused. does Yunyun know Fang Yang? "

"I don't know. However, she wasn't someone who would mess around. There must be a reason. When she's done with the matter, she'll call to explain."

"Let's have dinner together then!" Tang Xinxin nodded and smiled at him.

I was wrong, I was wrong, " Wu Di said hurriedly. ran ran, I shouldn't have delayed our date for someone else!

.....

Wu Yunyun received Wu Di's number and immediately sent a message to Fang Yang. I'm Wu Yunyun. I need your help urgently. Please give me a call, thank you.

While she was typing, Wu Hanhan, who was sitting opposite her, wanted to come over and take a look.

Yun Jun's father and mother happened to be sitting on either side of her, so naturally they were on her side. "Yingluo, what are you doing?"

"You want to bully my Yunyun? Dad, why don't you do something!" Mother Yun covered her face and started crying. my Yunyun just finished her exams, and you're bullying her! I don't want to live anymore!

"Enough! No one is allowed to argue!" shut up! second brother Wu shouted, then looked at Wu yayun.

Wu Yiyun put down the phone. I've left him a message. He'll reply to me when he's free.

Ring ring ring-

His phone rang.

Wu Yunyun was stunned and immediately picked it up. It was Fang Yang.

She couldn't help but smile. She didn't expect it to be so fast.

She got up and wanted to go outside to answer the call.

"Right here!" Wu laoer shouted.

Wu Yiyun froze and sat down.

Fang Yang's voice came from the phone, "Miss Wu? Do you need my help?"

“Actually, Yingluo is nothing.” She looked at second brother Wu.

“Did you encounter any danger?” Fang Yang asked with concern after a pause.

“There’s no Qianqian.”

“Turn on the speaker,” Wu Lao er said softly.

Wu Yunyun frowned and coughed. She slowly put down her phone and put it on speaker.

“That arrogant Fang Yang.” She took a deep breath. I need your help with something.

“What is it?” Fang Yang asked.

“Yingluo, I heard that your BOSS is going to hold a birthday party soon.”

Under the table, she gently tugged on mother Yun’s sleeve, and the latter looked at her in confusion.

She reached out to scoop the soup and took a sip. Then she put down the spoon and made a little sound.

Mother Yun seemed to understand. Was she trying to let Fang Yang know that she had put it on speaker?

Mother Yun picked up a spoon and accidentally dropped it on the table, making a clang.

why are you ... second brother Wu was furious. He reacted and quickly covered his mouth.

“What’s that sound?” Fang Yang asked.

Chapter 813 What the hell do you know!

my grandfather is scolding someone,” Wu Yiyun said hurriedly. it seems that someone has knocked over his flowers.

...

“Your grandfather is in good health,” Fang Yang smiled.

yeah! it’s so troublesome!

“You asked about Madam’s birthday party? You just finished your exams, do you want to go and play?” Fang Yang asked.

Wu Yunyun was stunned. How did he know that she was taking an exam?

Uh, of course he knew. She had mentioned it before when they met. But now that she didn’t mention it, it was strange that he could remember it. He should be quite busy, right? How could she remember such a small thing?

“Can I go?” She asked.

“I’m inviting you, why can’t I?”

“Then can Yingluo invite a few more people?” Wu Yunyun smiled and asked, “ my family’s Yingluo. There are a few people who want to go too.

this, ” Fang Yang said awkwardly, ” the invitation list was personally decided by BOSS and Madam. I don’t dare to change it.

“Then how can I go?”

“My female companion.”

Wu Yunyun’s face suddenly turned red, and her mind almost went blank. yes, ran ran, are you still busy? You even took the time to call me. Yingluo, go do your work first, we’ll talk later.”

“Alright,” he said. Fang Yang lowered his voice. then, can ran ran meet me tomorrow? ”

Wu Youyun was taken aback.

He should have guessed her current situation, right? Otherwise, how could he answer so fluently? Asking this question now was also to help her get out of trouble, right?

“Alright,” she said.

“Goodbye.” Fang Yang hung up the phone.

Wu Yunyun let out a sigh of relief and looked at everyone.

Wu Qianqian and the others gritted their teeth, their faces filled with jealousy. She did not expect Fang Yang to treat her so well. Did that mean that they had no chance?

“Can’t you just ask him to think of a way?” Wu laoer said angrily.

we’re just ordinary friends. How can I make such a request? ” Wu Yunyun said.

“Ordinary friends?” Second brother Wu looked at her suspiciously. The tone and content of her conversation with Fang Yang just now did not sound like ordinary friends at all.

for now?" Wu Yiyun was stunned and explained, "for now. I'm not dating him."

"It's almost time!" Yun's mother hurriedly said, adding a bowl of soup to her bowl. eat quickly, it's getting cold. Go rest early after you're done eating."

Wu Yunyun lowered her head to drink the soup.

Father Yun said to second brother Wu,"dad, why don't we just let it go?" Sheng nanxuan is celebrating his wife's birthday. We don't have to go."

"You know nothing!" Second brother Wu shouted at him, "now the whole capital knows that he is a relative of our Wu family. If he doesn't invite me for such a big event, how will everyone see me? How am I going to survive in the capital in the future?"

Wu Yiyun stood up. I'll think of another way!

Mother Yun hurriedly followed him into the room and asked, "Didn't you say that it has nothing to do with Fang Yang? Why did you just ..."

"It really doesn't matter!" Wu Yiyun showed her the text messages and call records on her phone. he's smart enough not to expose me. Otherwise, Grandpa would definitely punish me by making me kneel!

Hearing this, mother Yun was furious.

Wu Yunyun hadn't been taught a lesson when she was a child, so she wouldn't go against him. There were a few times she had contradicted second Wu, and second Wu had asked her to kneel in the garden.

The stone path in the garden was full of potholes, and he almost broke his leg from kneeling!

“Then hurry up and delete it, don’t let them find out!” Mother Yun hurriedly said. How annoying. I can’t think of a way myself, but I have to trouble you. You just finished your exams, how tired are you?”

Wu Yiyun smiled. alright, you can go and look after them. I still have to call them to explain.

Chapter 814 Whatever the wife says is true!

“Alright, alright!” Mother Yun hurriedly said, “ go to bed early. I’ll go down first.

...

Wu Yunyun nodded. After she left, she immediately called Fang Yang to explain the situation.

“Thank you so much for just now!” She said, “ my family’s Yueyue and the others aren’t very sensible. I’ll persuade them and not let them cause trouble at the birthday party.

Fang Yang was silent for a moment. thank you for telling me about this. I’ll be prepared. he said.

If it was Sheng nanxuan’s own birthday, it would be fine if someone messed up. It was Gong Mo’s birthday. If anything went wrong, Sheng nanxuan would never forgive him.

He was scared just thinking about it. Sheng nanxuan did not do anything to him when he failed in his work a few times. If anything happened this time, Sheng nanxuan would definitely not forgive him.

“I’m really sorry.” Wu Yunyun felt ashamed. How could she have such a family?

“What you promised just now, do you still keep it?” Fang Yang smiled.

“What is it?”

“Let’s meet tomorrow!”

Wu Yunyun,”yingyingyingyingyingying.”

“Alright, I was just joking.” Fang Yang said helplessly, “ however, I sincerely invite you to be my female companion when the time comes.

“This isn’t very good, is it? Chief Sheng didn’t invite my family. Wouldn’t I be a burden to him if I went?”

“I don’t think Yingluo will take this to heart.”

uh, Yingluo. Wu Yunyun was a little depressed. That’s right. How could a Big Shot like Sheng nanxuan care about who she was?

if you agree, I’ll pick you up tomorrow and make you a custom-made dress.

Wu Yunyun wanted to refuse, but she suddenly remembered her mother’s words in the afternoon. If she didn’t have a reliable boyfriend, would her grandfather really arrange her marriage?

The Wu family would definitely be interested in Fang Yang! Not to mention making him her boyfriend, just by interacting with him like this, everyone would think more. She could totally use him as a shield and let second brother Wu give up on his thoughts!

“Okay!” She immediately replied.

After she hung up on Fang Yang, she called Wu Di to explain.

Wu Di told Tang Xinxin about the situation. With that said, he was taken aback.

go ahead. I will gossip with Gong mo. Tang Xinxin said.

“Yes, we can’t let them have their way. But Yingluo, don’t say bad things about yingyun, it’s not easy for her to listen.”

“Do I look like that kind of person?” Tang Xinxin rolled her eyes.

“Of course not! Of course not! “Hehe!” Wu Di hugged her and kissed her.

.....

The next day, Gong mo and Sheng nanxuan both found out about it.

After their discussion, Sheng nanxuan said, “Since the Wu family has made such a fuss, why don’t we give the old man some face?”

“You’re going to invite them?” Gong mo asked.

Hmph! Sheng nanxuan sneered. just the old man alone will do. Forget about the others.

Gong mo was speechless. He felt that he was too treacherous!

Second brother Wu would definitely want to bring his precious grandson out to see the world, and the girls of the Wu family would definitely want to attend, but if there was only one person on the invitation, wouldn’t there be an internal fight in the Wu family?

She suddenly asked, “why don’t we invite Wu Yunyun too?” I heard that she’s a good person. She just took the college entrance examination this year and is the same age as Tian Cheng. Tian Cheng will have someone to chat with.”

“Alright,” he said. Sheng nanxuan glanced at her. I’ll do whatever my wife says! I’ll treat you all!”

Gong mojiao rolled her eyes at him. it's fine if you treat me to all of them. Why do I need to make trouble for myself? ”

Chapter 815 I'm here to deliver the invitation

“But even if I don't invite them, they might find a way to sneak in,” Sheng nanxuan said with a smile.

...

Gong mo furrowed his brows, “he can't be that shameless, right?”

Sheng nanxuan chuckled and called Fang Yang.

When Fang Yang heard his instructions, he was secretly shocked. How did BOSS know?

Thinking about it carefully, Wu Yunyun had said yesterday that she had asked Wu Di for his phone number. It should have been Wu Di who had told BOSS, right?

Fang Yang was about to pick Wu Yunyun up and immediately contacted her. “I'll go to your house to pick you up.”

“There's no need!” Wu Yunyun said hurriedly.

“The boss sent me to do something, so I have to go.”

Wu Yunyun was stunned. She had no choice but to agree and hang up the phone uneasily.

She hurriedly went downstairs to wait for him. When she entered the living room, there was no one there.

His cousin had gone out to play, his elder had gone to work, and he didn't know where second brother Wu was.

"Is Grandpa in?" she asked the maid.

"In the study."

"Oh, Yingluo." She was probably sulking.

Wu Youyun waited for half an hour before she heard the sound of a car outside.

She ran out in a hurry and saw Fang Yang walking in with a servant.

When Fang Yang saw her, he could not help but smile. "Hello," he said.

"Hello," he said. Wu Yunyun felt a little awkward. Thinking of what he had said before, she suddenly realized that he had come for official business and not for her. "What are you here for?" she asked, the awkwardness gone.

Fang Yang took out a pink-blue invitation card. "I'm here to deliver the invitation."

have a seat first, "Wu Yiyun said hurriedly. I'll go get Grandpa!

"I think someone has already gone to get him."

Wu Yunyun turned around and realized that the servant who had brought her here was gone.

"Have a seat, I'll get someone to make some tea," she said with an embarrassed smile.

After a while, Wu laoer walked out with a walking stick.

“Aiyaya ... Mr. Fang ...”

“Elder Wu,” Fang Yang stood up.

haha, Yingluo. hearing such a form of address, Wu Lao er was overjoyed. He walked over and held his hand. what wind blew you here? ”

“The BOSS asked me to deliver the invitation.”

Second brother Wu was stunned. Happiness came too suddenly, and he was stunned.

Fang Yang retracted his hand and handed the invitation over. “Old Wu, please come.”

Wu Lao er hurriedly took it. When he opened it, he was shocked.

Wu Yiyun couldn’t help but burst into laughter.

Wu Lao er didn’t have the mood to care about her and smiled at Fang Yang awkwardly.

The invitation was three-dimensional, and a White Castle with red flowers and green leaves suddenly jumped out of the paper. It was the first time the old man had seen such a novel invitation, and he was frightened.

He slowly closed the invitation and asked with a smile, ” “Yingluo, why is this the only one?”

“Uh, that’s what BOSS Yingluo instructed.”

this Pixiu. Wu Lao er was anxious when he thought of his grandchildren. He wanted to ask for a few more.

Fang Yang frowned slightly. He had never seen such an insatiable person!

I'm leaving," he said. I still have to take Yunyun to buy clothes.

Oh, Yingluo. second brother Wu glanced at Wu Yiyun and immediately smiled. alright! You guys go ahead! Have fun!"

Wu Yunyun followed Fang Yang. After they got in the car, Fang Yang handed her an invitation.

Wu Yunyun was stunned, because second brother Wu had just been shocked, but she was already prepared.

He slowly opened it, and the castle in the invitation slowly appeared. It was especially beautiful.

put it under the sun and you can see its shadow," Fang Yang said. I think there's a shadow in one direction that looks like the word 'love'.

Chapter 816 Is it because of miss Lin?

"Ah?" Wu Yunyun looked at him in surprise.

...

"My BOSS did this." Fang Yang laughed and said, " whenever it comes to Madam's matters, he's particularly dedicated and loves to be romantic.

"Your Madam is so blessed." Wu Yunyun looked at the name on the invitation and asked in confusion, " why did you invite me? "

"It's BOSS" orders. As for the reason, I don't dare to ask."

"Yingluo." Wu Yunyun was nervous. It was probably Wu Di. Fang Yang was only a subordinate and could not help her get an invitation.

Fang Yang started the car and Wu Yunyun said hurriedly, "I have an invitation, so I don't need to be your date, right?"

"Why do you think the BOSS only invited you?" Fang Yang asked.

why?" Wu Yunyun was stunned.

He didn't know about "Yingluo" either.

"That's not important." He said, "what's important is that if your cousins find out, you'll be in trouble, right?"

"This is an ..."

you can pretend to be my female companion and bring the invitation over. Won't it be smooth sailing?"

Wu Yunyun looked at him. then I don't have to be your female companion?"

"Oh, Yingluo, you can also be my female companion."

why do you want me to be your date?" Wu Yunyun was confused.

"What do you think?"

Did she think that he liked her?

Well, she had to ask this. As a gentleman, perhaps he should not destroy her beautiful fantasy.

miss Lin? ” Wu Yunyun thought for a moment. is it because of miss Lin? ”

Fang Yang’s expression changed and he looked at her sternly. How did she, Yueyue, guess it?

It was indeed because of Lin Jing. At that time, Lin Jing would definitely show up with Yang Jing. He hated her smug look, as if she was the only one he wanted! He wanted to let her see that he also had someone!

Lin Jing had already seen Wu Youyun on Wu surong’s birthday. Wu Yunyun was the most suitable female companion for him, so Lin Jing probably thought he was serious. If it was someone else, she would probably think that he kept changing women and playing around in the world for her.

“Alright, I’ll go with you.” Wu Yunyun said, ” you helped me. I should help you.

Fang Yang frowned, feeling a little unhappy for some reason.

As a young girl in her Prime, why was she so rational when considering things? She should have suspected that he liked her!

The other party did not think too much of himself. Fang Yang was depressed and began to doubt his own charm.

Was he such a failure? Not attractive to women at all? No wonder Lin Jing did not like him for so many years!

Perhaps it was a mistake to be clean! Fang Yang was thinking if he should let go of himself and indulge in Yingying.

.....

At the airport.

Gong mo carried Hu Zi in his arms and looked at the passengers coming and going.

When her phone rang, she hurriedly handed Hu Zi to he Yue and picked up the phone.

“Cousin.” Tian Cheng’s voice was heard. I’m getting off the plane.

“I’ll wait for you at the exit. Don’t panic, take it slow.”

“Alright,” he said. Tian Cheng hung up the phone.

A few minutes later, she appeared in Gong Mo’s sight.

Gong mo smiled and waved at her. She dragged her suitcase and walked over quickly.

sister ~”Hu Zi would suck up to beautiful women.

Gong mo rubbed his head a few times and said,“”This is Auntie.”

aunty ~”Hu Zi greeted her again sweetly.

“Hu ‘Zi, be good.” Tian Cheng lowered her head and kissed him on the cheek.

Hu Zi grabbed her hand, and she was stunned. “Do you want me to carry you?”

“Then give him a hug.” Gong mo said hurriedly.

Since Hu Zi liked her, then they should get closer.

Chapter 817 Return the favor in the future

Otherwise, Sheng nanxuan would not like the person Hu Zi hated. He would be too embarrassed to keep her at home.

...

Tian Cheng put down the box and reached out to pick up Hu Zi.

“Let’s go,” Gong mo said.

Tian Cheng looked down at her suitcase. Seeing that he Yue had picked it up, she followed her with Hu Zi in her arms.

“How did you do for the exam?” Gong mo asked after they got into the car.

On the day of the exam, she was afraid to put pressure on Tian Cheng and did not dare to ask.

it’s not out yet. I made a rough estimate, but I don’t know if it’s good or not. However, there shouldn’t be any problems filling in the application form.

Gong mo nodded his head. Tian Cheng was enrolled in a film and television School, so she didn’t have high expectations for cultural studies. On the other hand, she had previously done well in her studies, so even if she didn’t perform well, she was still able to get in.

“How’s my aunt?” Gong mo asked again.

“Dad gave her a house and some money. I asked her to buy a house near the school for rent. She put the house under my name and transferred the rent to my card. I’ll use it as living expenses in the future. She

went to the supermarket and found a job. It's not tiring, but she has to stand all day. I'll let her change to a suitable job in the future."

"That's not bad," Gong mo nodded.

She was most afraid that her younger aunt would drag Tian Cheng down. This was the best situation.

"What about your dad?"

Tian Cheng pursed her lips. he's out of town with that woman. I don't want to care about him anyway. I hope he never comes to me!

"Then don't think about it." think about what you're going to have for lunch, " Gong mo said anxiously.

"Cousin, I'm fine with anything. I'm not picky." Tian Cheng said with a smile.

"Then, can I feed you pig feed?"

MMM,"Tian Cheng said coyly. then I'll eat the same as cousin.

"Tsk ~ I don't dare to eat pig feed, so I can only change it to feed you!"

When they arrived at Gong Mo's house, Gong mo brought her to the guest room. "You're staying here. Do you like it?"

"I like it!" Tian Cheng hurriedly nodded.

"Then you should pack up first. We'll go shopping in the afternoon," Gong mo said with a smile.

"No need, I brought everything."

“We’re going to the villa in the suburbs in two days. How tired are you moving around? I have to go to Italy after my birthday, so I have to add something. Even if you don’t want to buy it, I still want to buy it.”

alright, ” Tian Cheng said with a smile. I’ll accompany my cousin then.

“Alright then. Come out for dinner after you’re done. We’ll have lunch at home, and we’ll ask your cousin to eat outside in the evening!”

When Tian Cheng heard this, she suddenly remembered something. When she was done packing up and went out for dinner, she said, ” “Gong Jin should also be coming to the capital,”

“He’s coming too?” Gong mo frowned.

“Isn’t he going to be an assistant for sister Ye Fei or something? However, their University only has exams at the end of the month, so they’ll definitely only come after they’re done.”

“That’s fine,” Gong mo heaved a sigh of relief. By the end of the month, we’ll be in Italy.”

.....

After waking up from her afternoon nap, Gong mo showed Tian Cheng the printed design of the clothing.

“My birthday is a cocktail party, so I have to wear a gown. I’ve made two sets for you in case you don’t like them. You can make your choice and come out before your birthday.”

Tian Cheng was just about to look at the map when she heard her. She hurriedly raised her head.”Since you’ve already done it, there’s no need to go through the trouble.”

“Then I’ll bring you to the studio tomorrow. Try to see if the size is suitable. If it’s not, we can change it.”

“Thank you, cousin,” Tian Cheng nodded.

“You’ve been admitted to University, so I should have given you a gift. No need to thank me.” Gong mo said with a smile.

Tian Cheng smiled and thought to herself, ‘I must work hard to earn money so that I can repay you in the future.’

Chapter 818 -gift

“Hu Zi should be up by now, let’s go and take a look.” Gong mo said.

...

Tian Cheng hurriedly nodded and followed her to Hu Zi’s room.

Hu Zi had wet the bed, and sister li had helped him change his clothes. He was hiding under the blanket shyly.

Gong mo walked over and asked, “are you shy?” It’s because you don’t like to wear wet pants that you peed on the bed again, right?”

When he suddenly saw Tian Cheng, he blushed and turned around to hide under the blanket.

Tian Cheng couldn’t help but laugh and said to Gong mo, “Then I’ll go out first.”

“Alright,” he said. Gong mo continued to comfort Hu Zi.

Tian Cheng walked into the living room and sat down uneasily. It was always a little awkward to be a guest in someone else's house.

After a while, Hu Zi came out of the room with a toy in his hand.

She quickly sat up straight and looked at him with a smile. She had wanted to tease him, but she was afraid that he would be shy, so she gave up.

Hu Zi stopped at the side for a moment. Seeing that she didn't laugh at him, he felt that she was really a good person. He immediately ran in front of her and handed her the toy.

"Do you want me to play with you?" she asked, puzzled.

Hu Zi did not say anything and continued to stuff her with toys. After she was done stuffing the ones in her hands, she lifted the sofa cushion and found a few of them.

"Did you hide it there on purpose?" Tian Cheng asked, amused.

Yiya ~"Hu Zi pressed her hand and pushed it.

"What is Yingluo doing?" she asked, puzzled.

"He wants to give it to you." Gong mo came out and said with a smile. Whoever he likes, just do it like this."

Hu Zi chuckled and climbed onto the sofa, sitting next to Tian Cheng.

Tian Cheng picked up her toy and played with it.

Gong mo went to the kitchen and brought some snacks and flower tea. "Let's take a rest first. We'll go out later. You're here, so don't be so formal."

Tian Cheng nodded. However, who wouldn't be cautious in someone else's house? If he really didn't treat himself as a guest, he would be too insensible.

.....

Gong Bai took Yu Xinran back to his residence and took a look at the shoes in the shoe cabinet. Gong Ying's slippers were here, so she shouldn't be at home, right?

"Is flare not here?" Yu Xinran asked.

"He should be filming." have a seat. I'll go and change my clothes,"Gong Bai said.

which part of you haven't I seen before?"Yu Xinran smiled and threw herself into his arms.

"Don't mess around," Gong Bai said in a low voice, his face slightly red.

Yu Xinran stuck out her tongue and let him go. "Then you can go and change ~"

"Don't you want to come with us?" Gong Bai pulled her.

Yu Xinran's face was red as she shook him off.

Gong Bai went to the bedroom with a smile and took out the gift he had bought for Tian Cheng.

She didn't give him a gift the last time they met, so she planned to make up for it today.

She chose a pair of diamond earrings. She didn't know if Tian Cheng would like them. She was just thinking that as a girl, she had to have something that could support the scene.

She had known Gong ze for so long, but she had never given him anything. Gong ye was really too annoying, so she wasn't willing to give him a present!

As for Tian Cheng, she had a good relationship with Gong Bai and Gong mo. Just by looking at this, one could tell that she was a good person. Since Gong Bai liked her, she would naturally pay attention to him.

sister Xinran~" Gong ye's fawning voice came from behind.

Yu Xinran was shocked. She turned around and asked, "Yingluo, you're home?"

"Yeah?" Gong Fei rubbed her forehead. I'm not feeling well. I'm resting at home.

Yu Xinran closed the box containing the diamond earrings and put it in her bag.

Gong Fei looked at it eagerly and asked,"are these Tiffany's latest diamond earrings?" It's so beautiful!"

yeah~" Yu Xinran smiled awkwardly.

Chapter 819 I'll go with you

"I've always wanted a pair." Gong Ying smiled and said, " but because it's a limited edition, you can't buy it even if you have money.

...

Besides, she had no money at all! No, he did have the money, but he couldn't bear to. She could not afford to squander the money she earned from filming like this.

Yu Xinran played dumb. If she was considerate, she would have immediately stuffed the earrings into Ye Fei's hands and said, " Then I'll give it to you!

But why? She was not willing! She wanted to give it to Tian Cheng! She would be happy to give Tian Cheng ten or a hundred pairs, but she would not even be happy to give Gong ye one pair!

“I’ve thought about it,” Gong Bai’s voice was heard. give that pair of earrings to Tian Cheng when she receives the admission Notice. It’ll be a good reason. If I give it to her now, I’m afraid she’ll be too embarrassed to accept it ... Gong Gong? What are you doing here?”

Gong Fei turned her head to look at him and asked angrily, “Why can’t I be here? Isn’t this my home?”

Gong Bai really wanted to say no. This was the house that he had rented!

Gong Fei glared at Yu Xinran with hatred. She was furious!

So, that pair of earrings was for Tian Cheng!

What right did Tian Cheng have to do that?

She was Gong Bai’s younger sister! In the end, Yu Xinran had not given her a single strand of hair after so long!

“Let’s go,” Gong Bai said to Yu Xinran.

“Where are you guys going?!” Gong Mao shouted.

“Let’s go out to eat.”

“What did you just say, Tian Cheng?” “Tian Cheng is here, isn’t she?” Gong ze asked. You’re going to have dinner with her?”

“No.”

“Stop lying to me!” mom already told me. Why are you still hiding it from me?” Gong Ying shouted.

“Since you already know, why ask?” Gong Bai asked impatiently.

“You ...”

“Gong Bai,” Yu Xinran pulled Gong Bai’s sleeve lightly.

Gong Bai took a deep breath and said to Gong Jie, “ yes, Tian Cheng is here. She’s staying at Gong Mo’s house now.

“I’ll go with you!” Gong Ying suddenly calmed down. I’m her cousin after all. How can she not be moved when she’s here? ”

“You ...”

“What about me? If you don’t let me go, then you’ll say I’m insensible!”

“All right then. Go and change your clothes. We’ll wait for you,” Gong Bai said helplessly.

She was still in her pajamas.

Gong Jie turned around and went back to his room. He changed into a tight dress that showed off his curves.

Gong Bai frowned. However, the clothes were only close to his body. Because of Gong ye’s good figure, he looked sexier. The length of the skirt almost reached her knees, and it didn’t reveal her thighs. The top was also very standard, and it didn’t reveal her chest or back, so he couldn’t ask her to change. It

would be difficult to find clothes for her that were more conservative than this, so she might as well keep it this way.

The three of them got into Yu Xinran's car, and Gong Bai drove.

Gong Gong sat in the back and took out his makeup bag to do his makeup.

"We're just having a family meal. Why do you need to put on makeup?" Gong Bai glanced at her.

"I'm a Star!" Gong Ying snorted. What if you run into a fan in the restaurant?"

Gong Bai heaved a gloomy sigh.

we'll definitely be in a private room," Yu Xinran said with a smile. you don't have to worry.

Gong Ying paused and looked at her with dissatisfaction.

Oh, right. Yu Xinran turned around and asked with a smile, "flare, when is your birthday?"

When Gong Mao heard this, his expression immediately changed. Joy appeared on his face and his tone became more flattering,"What's wrong? Sister Xinran, are you going to give me a present?"

"Flare-" Gong Bai said unhappily.

"Of course I have to give you a present." Yu Xinran looked at him and smiled.

Chapter 820 She doesn't want her father anymore now that she has a new partner

“My birthday is in September,” Gong Ying replied with a smile.

...

“What a coincidence! There’s a Fashion Week overseas in September. I’ll Take You There.”

Gong ye’s eyes widened in surprise and he nodded hurriedly. “Alright, alright, Yingluo.”

It was Fashion Week! Those who could attend the fashion week were all big stars. With her current status, she would be embarrassed to bring her own team to take photos.

Most of the time, when domestic celebrities said that they would attend Fashion Week, they would not be invited by any brand. They would just bring their styling team and photography team to take a few photos outside the event venue and then send them back to China to scare people. The people in the country did not understand the situation and thought that they had really gone to the fashion week. In fact, they were just freeloading off the fashion week.

Why was Gong Jie so excited now?

Because Yu Xinran was the leader of the domestic fashion industry! Every time there was a Fashion Week overseas, those big brands would rush to invite Yu Xinran to watch the show. Now that Yu Xinran said he would take her there, he naturally wanted to take her to the inner hall. This was like going to gold-plated! How could she not be excited?

Yu Xinran looked at her and smiled as she looked out the window. See, some people were just so easy to get rid of. There was no need to be afraid of offending them at all. As long as they were given some benefits, all the unhappiness would disappear.

.....

Sheng nanxuan returned home and pushed open the door to the nursery.

Hu Zi stood in front of a small stool while Tian Cheng sat on the ground opposite him. The two of them were playing with toys together.

Hu Zi was so young, so the only thing he could play with was his toys. After placing one position, they would change to another position. Otherwise, they would stack the many toys one by one.

Sometimes, Sheng nanxuan would feel bored when he played with him.

However, at this moment, Tian Cheng was patiently accompanying him.

Hu Zi would make sounds from time to time, and most of the time, no one knew what he was saying. Occasionally, they would hear him say, “this,” “mm,” or “for you.”

She could tell that he was very happy and treated Tian Cheng as one of his own.

Sheng nanxuan shouted, “baby!”

“Daddy!” Hu Zi subconsciously raised his head and called out, but immediately lowered his head to play with his toys, ignoring him.

“Brother-in-law,” Tian Cheng called out hurriedly.

“When did you arrive?” Sheng nanxuan nodded.

“In the morning.”

“Are you used to it?”

“Yes.”

“If you need anything, just look for your sister.” Sheng nanxuan looked at Hu Zi. now that you have a new partner, you don’t want your father anymore? ”

“Yes, yes!” Hu Zi stuffed a small doll into Tian Cheng’s hands. Tian Cheng held it in embarrassment and glanced at Sheng nanxuan.

Sheng nanxuan snorted and turned to leave.

Tian Cheng heaved a sigh of relief. why are you ignoring your father? ” she asked Hu Zi.

“Daddy!” Hu raised his head and realized that his father had left. He threw down his toys and chased after him.

Tian Cheng laughed and followed him out of the room. When she did not see Sheng nanxuan, Hu Zi walked to the master bedroom with great familiarity.

Although Tian Cheng had never been in a relationship before, she had read a lot of romance novels.

The male and female leads in romance novels were always especially sweet. She thought that Gong mo and Sheng nanxuan were the same. When the two of them were alone in the room, they would definitely do some intimate things, and outsiders were not allowed to disturb them.

She hugged Hu Zi and turned to the living room. “Let’s wait for a while. Once mom and dad are ready, they can take us out for dinner.”

daddy ... Hu Zi frowned, his expression conflicted. He was too focused on playing and ignored his father. Was his father angry?

Hmph, Sheng nanxuan did not have the time to be angry with him! He walked into the bedroom and saw that Gong mo had already prepared a set of casual clothes for him.
