### Chapter 831 A face-to-face invitation

Cindy looked in her direction and she was stunned. Could she be looking at him?

...

Cindy turned around and lifted champion's cloak, making a beautiful arc.

The lights on the stage went out instantly and lit up again a moment later. Cindy was standing on the stage, wearing an extremely short sequined dress. Her hands were on her waist, and her head was tilted. She was wearing a headset, and her curly hair fell on her shoulders, shining under the light.

As the beat sounded, Cindy moved and sang and danced to the music.

This was a cheerful dance song, a gift for the champion.

Cindy's voice was clear and pleasant, and there were a few parts in her voice that were slow, which made her voice more melodious and intoxicating.

When she reached the end, the scene froze, and countless ribbons fell from the top of her head. She stood there, her chest heaving up and down.

Gong mo knew that she was very tired. But her face was radiant and happy.

Everyone thought that the night was over, but in the next second, Cindy twisted her waist and changed her movement. The remaining seven contestants were sent onto the stage by the elevator and stood behind her.

The music started playing again, and the eight of them started dancing. Each of them sang one line at a time, and the atmosphere was at its peak.

In the end, Gong mo couldn't help but scream at the stage.

The moment the studio's lights were turned on, everyone knew that it was over.

The contestants on the stage also relaxed. A few of them turned around and walked away, while a few went to congratulate Cindy.

The ones who had turned to leave were, of course, not happy that Cindy had won. Gong mo discovered that the third and second place were among them. Perhaps no matter who won the championship, as long as it was not them, they would not be happy.

Many of the audience members went on stage to ask for Cindy's signature, and some asked for the other contestants' signatures, but there were the most people in front of Cindy.

Tian Cheng was eager to give it a try. She asked Gong mo in a low voice, "Can I go?"

"Did you prepare a script or something?"

Tian Cheng shook her head.

you can have as many autographs as you want;" Zeng Shuai said; you don't have to squeeze in.

"That's different!" that's not the attitude you should have when chasing after your idol, " Tian Cheng said sternly.

"What's that like?" Zeng Shuai asked, stunned.

Tian Cheng choked. Recalling the embarrassing incident from before, she turned her head and ignored him.

Gong mo asked,"the TV station should have a picture of Chini, right?" Help us get two tickets."

“Alright!” Zeng Shuai turned around to look for the staff. After a while, he came back with a large stack of photos. which one do you want? ”

These photos were all stage photos. They were very gorgeous and every one of them was beautiful.

Gong mo randomly picked one and said to Tian Cheng, ” “I’ll get an autograph first and bring the rest home.”

Tian Cheng nodded and also drew a card.

The two of them walked over to Cindy. Seeing that Zeng Shuai had brought them over, she left the others behind to help them sign.

After she signed it, Gong mo carefully read the name she had written.

it’s Emilya, ” Cindy said. it’s Emilya.

it’s my birthday tomorrow. I hope you can come early. Gong mo nodded with a smile.

Cindy’s eyes widened in surprise. Although she had suspected that she was Sheng nanxuan’s wife the moment Marshal Zeng showed up with her, she was still shocked when she confirmed it.

Night God’s Wife was actually her fan? This feeling was amazing! No wonder she had received an invitation to the birthday party.

“I will definitely go.” She said hurriedly.

“I’ll see you then,” Gong mo said with a smile.

## Chapter 832 You're so dirty

Gong mo pulled Tian Cheng and turned around. Seeing that Tang Xinxin was surrounded by a few fans, he walked up and asked, "Are you done?"

...

"Immediately." you're my friend. Why didn't you ask for my signature?" Tang Xinxin said.

"Hey, what's our relationship? I can have it anytime, anywhere, so there's no need to be in a hurry!"

Tang Xinxin signed the last few people and left with them.

When she walked out of the TV station, Sheng nanxuan's car was already parked at the entrance. When he saw them, he got out of the car with Hu Zi in his arms.

"Mom!" Hu Zi shouted.

Gong mo went over to catch him and gave him a kiss. He asked Sheng nanxuan, "You've been here all this time?"

"No, I haven't. I sat at the McDonald's next door and watched the live broadcast."

"Oh, really? Does it look good?"

"Of course you're good-looking,"

Gong mo was stunned. Her?

"You're also on TV, don't you know?" Sheng nanxuan asked with a smile.

Gong mo didn't notice it at all and asked hurriedly, "Will it be very ugly?"

"If you're ugly, there won't be any beauty in this world."

Gong Mo's face turned red. Tang Xinxin shouted at him, "Can you guys not act as if there's no one else around?"

cough ~"Gong mo coughed awkwardly and said, "it's quite late. Let's go for supper.

Everyone agreed and went to the nearby barbecue shop together.

Tang Xinxin saw the beef sizzling on the pan, and suddenly said, "I can't get fat!"

"What's there to be afraid of?" Gong mo asked as he ate. If you get fat and get Wu Di to exercise with you, you'll naturally slim down."

ppft-" Tian Cheng, who was beside him, choked.

The men all looked at Gong mo, who blushed.

Tang Xinxin glanced at him and said, "you're so dirty, Yingluo."

"Wuwu! Tortoise!" Hu Zi cried out excitedly.

Gong mo pressed on his head and said to Tang Xinxin, "I'm saying, ask him to run with you! You're the dirty one!"

Wu Di nodded, "yes, yes!" It's running, Xin Xin, you're too impure!"

Tang Xinxin glared at him and asked fiercely, "What did you say?"

Wu Di said righteously, "that's true." Like me, I didn't think of that."

"Is that so?" Tang Xinxin gritted her teeth.

yes," Wu Di nodded. I've never thought of such a thing.

"Are you saying that I'm not attractive?" Tang Xinxin asked with a fake smile.

Wu Di hurriedly shook his head.

"Hmph!" Tang Xinxin gritted her teeth and turned around to eat the meat.

Wu Di thought that it would be great if she could show him her charm tonight.

Tang Xinxin thought, are you trying to goad me into showing off my charm? In your dreams!

Tian Cheng felt that the adult world was too dirty!

.....

Early in the morning, Gong mo and Sheng nanxuan set off for joy garden.

Tian Cheng sat in the back seat of the car and looked at the scenery along the way. When she arrived at pleasure garden, she was stunned by the size and scenery of pleasure garden.

"Pretty, right?" Gong mo asked.

“Beautiful!” Tian Cheng nodded in a daze.

let’s go. Change into your riding suit. We’ll go riding. Gong mo pulled her upstairs.

“Horse riding suit?” Tian Cheng was taken aback. I don’t have a riding suit.

“I have it! You can wear mine!”

Tian Cheng looked at her figure and thought, ‘her figure is slightly more curvy than mine, so I don’t think it’s suitable?’

After they went upstairs, Gong mo pulled her to his cloakroom.

Tian Cheng looked at the size of the cloakroom and exclaimed, “It’s so big!”

Gong mo took out a set of riding clothes from the closet and handed it to her, “Here, take it and change.”

Tian Cheng asked, “now?” Why don’t you go in the afternoon?”

the guests are coming in the afternoon. Everyone will be racing, so how can we play? ”

Chapter 833 Accidentally got slapped in the face

Tian Cheng nodded and returned to the guest room with her clothes.

...

The rooms here were bigger and more beautiful than those in the city center. She walked to the window and looked at the garden downstairs. She stayed there for a few seconds before drawing the curtains.

After changing into the riding suit, she found that the size was just right. When she went to the studio to try on the dress, the staff had measured her figure. This must have been custom-made for her by Gong mo, right?

She sighed in her heart and felt even more grateful. Thinking of the gift she had bought, she quickly opened her suitcase and took it out.

He should give it to Gong mo now.

She took the gift and walked out of the room. She saw Sheng nanxuan walking towards the master bedroom.

She paused for a moment, then turned around and returned to her room. She put down the gift and went to the nursery to see Hu Zi.

Da, da, da! Hu Zi was wearing a short-sleeved tuxedo as he sat on a small wooden horse and shook it vigorously. run, run!

Tian Cheng walked over with a smile and squatted in front of him. "Hu Zi ~"

Auntie! Hu Zi stopped.

Tian Cheng reached out to touch his face.

He pouted, got off the wooden horse, and reached out to push her.

Tian Cheng was taken aback. She stood up and moved to the side.

Hu Zi returned to his wooden horse and continued to tap.

are you afraid that the horse will bump into Auntie? ” Tian Cheng laughed. are you afraid that the horse will bump into Auntie? ”

Hu Zi nodded his head and continued to ride his horse excitedly.

“What are you doing?” Gong Mo’s laughter was heard.

Tian Cheng looked up and saw Gong mo and Sheng nanxuan walking over. The two of them had changed into riding clothes, and Gong Mo’s gentle and beautiful face showed a trace of heroic spirit. And Sheng nanxuan was even more handsome!

Tian Cheng never looked at Sheng nanxuan carefully. Now that she was caught off guard, she suddenly felt her heart throb. She immediately looked away, not daring to look at him.

Her heart was beating fast when she accidentally saw how handsome he was. She thought that this was just a normal heart of beauty. Everyone liked handsome men and beautiful women as if they were chasing after stars. It was inevitable to be excited when they saw good-looking people.

She quickly calmed down and smiled at Gong mo. “Cousin, you look really good in this!”

“You’re also good-looking!” Gong mo said with a smile.

Sheng nanxuan walked to Hu Zi’s side. Hu Zi raised his head to look at him and shouted excitedly, “Daddy!”

Sheng nanxuan picked him up, and he put his arms around Sheng nanxuan’s neck and said, “Cool!”

“Daddy is handsome?” Sheng nanxuan smiled.

Hu Zi nodded fiercely.

Sheng nanxuan gave him a kiss and raised his eyebrows at Gong mo. "Did you just say that I'm not handsome?"

"I'm used to it, I don't think much of it," Gong mo said with a straight face.

"You're lying," Sheng nanxuan glanced at it from the corner of his eyes. He bent down to pick up the wooden horse and said to Hu Zi, "let's go. I'll take you to ride horses on the plains!"

oh yeah! Hu Zi screamed in excitement.

"Let's go," Gong mo said with a red face.

Tian Cheng smiled and followed her downstairs. She saw that there were many people busy outside the villa. These people were all preparing for the birthday banquet.

"BOSS?" Fang Yang walked over.

Sheng nanxuan passed the wooden horse to him. let's go. Let's go horse riding.

Fang Yang hugged the wooden horse and nodded. He pointed at the two people with cameras behind them. "This is the photographer for today."

Sheng nanxuan glanced at it. make Hu look cuter in the photos.

"Definitely, Hu 'Zi is cute."

Sheng nanxuan nodded in satisfaction. He glanced at Gong mo and wanted to say, " Make Gong mo look more beautiful. However, his wife was beautiful to begin with.

The few of them left the villa on the golf cart.

On the way, Gong mo introduced the place to Tian Cheng. this is a horse-racing track, this is a golf course, and there's an aircraft parking ground over there. If there's a chance, I'll take you on a helicopter ride.

Tian Cheng nodded and thought to herself, 'how rich ...'

#### Chapter 834 Addicted to eating

There were people walking around the golf course. They were Sheng nanxuan's men, preparing for the golf game in the afternoon.

...

let's go play in the afternoon, " Gong mo said to Tian Cheng. I don't know how to play yet.

Tian Cheng nodded. She felt that these things were new and interesting, so she naturally wanted to touch them. After all, these were all entertainment activities for the rich, and it was difficult to have the opportunity to come into contact with them.

Beside the track, there were a few newly built white single-story houses with changing rooms, tea rooms, and so on. The riders could rest and prepare here.

In order to entertain the guests, Sheng nanxuan borrowed some horses from an Equestrian Club and hired a few coaches and horse trainers.

In fact, Happy Garden was so big that he could even set up his own horse farm. However, he didn't want to change the nature of Happy Garden. This was his and Gong Mo's home. They could use it to entertain guests, but they couldn't let outsiders in and out often.

Sheng nanxuan got out of the car, took the wooden horse from Fang Yang's hands, and placed it on the ground. He said to Hu Zi, "Come!"

Hu Zi ran over and held his hand. He spread his legs and got on the wooden horse, starting to shake it back and forth.

After a while, the coach came over with the horse.

Sheng nanxuan's white Horse, " moonlight, " trotted over and stopped in front of Sheng nanxuan. It wagged its tail and rubbed its head against Sheng nanxuan's chest in a coquettish manner.

Seeing how cute it was, Tian Cheng couldn't help but want to touch it. It suddenly raised its head and yelled at Tian Cheng.

"Ah!" Tian Cheng jumped in fright and hid behind Gong mo.

"Don't be afraid, it's afraid of strangers," Gong mo laughed.

"Hmph, Hmph, Hmph, Hmph." Moonlight snorted disdainfully.

Sheng nanxuan patted its head. It turned its head to Gong mo and lowered its head to rub against her arm.

Tian Cheng exclaimed in surprise, 'so smart! So obedient Yingying!"

"It was so fierce to you just now, and you said it was obedient?" Gong mo laughed.

I'm not its owner,"Tian Cheng said seriously. it's only right for it to be fierce to me.

"Big ~ horse!" Hu Zi got down from the wooden horse and was walking too quickly. He tripped over the horse and bit into a mouthful of grass.

“Aiya!” Tian Cheng was shocked and quickly carried him. are you alright? ” she asked, her heart aching. Does it hurt?”

“Pfft! Pfft!” Hu Zi spat out two mouthfuls of grass. There was still a blade of grass in his mouth. He smacked his lips and accidentally put it in his mouth. After chewing for a while, he found that it tasted pretty good. He bent down and grabbed a handful of it from the ground, then stuffed it into his mouth.

“Ah ...” Everyone was shocked.

Gong mo rushed over and slapped his hand away. He scolded, ” “You’re addicted to it?”

Hu Zi pursed his lips and hid his hands behind his back. He walked towards Sheng nanxuan pitifully. “Daddy, Yingluo”

Sheng nanxuan picked him up. He scratched the back of his hand and looked at the moonlight. “Big horse Pixiu!”

“Daddy will take you to ride a big horse.”

Sheng nanxuan put him on the horse’s back and got on it himself. He turned the horse around and rode forward.

“You don’t want your pony anymore,” Gong mo asked.

haha ... Hu Zi opened his arms excitedly. fly fly~”

“Be careful!” Gong mo said to Sheng nanxuan anxiously.

“I know.” Sheng nanxuan replied.

Seeing that he had ridden far away, Gong mo turned to Tian Cheng and said, ” “Let’s put on our armor.”

Tian Cheng was confused for a moment. After a while, she realized that he probably needed to wear something to protect his body.

The two of them walked into the house next door and put on protective vests and safety hats to prevent themselves from falling off the horses. In order to prevent his hands from being worn out by the reins, he even wore gloves.

The coach brought two tame mares over and began to guide the two.

#### Chapter 835 Butt hurts

Gong mo had ridden it a few times, but Sheng nanxuan had always been the one leading her. She had not learned how to ride it. However, she had already learned how to get on the horse.

...

She mounted the horse and began to move forward slowly.

Tian Cheng, who had just been struck by the moonlight, did not even dare to get close to her horse. The coach wanted to help her onto the horse, but she felt uncomfortable and refused to move.

Seeing this, Gong mo guessed that at her age, if she wasn't in a relationship, she had never even held a boy's hand. She must be shy.

Gong mo pulled the reins to stop the horse and dismounted. The coach stretched out his hands to protect her, but he did not dare to touch her.

After she got down, she heaved a sigh of relief. It was her first time getting on and off the horse without Sheng nanxuan. She did not feel safe.

She walked to Tian Cheng's side and asked, "you don't dare to go up?" Don't be afraid, I'll help you."

“Thank you, cousin.” Tian Cheng breathed a sigh of relief. She wasn’t afraid. In fact, she really wanted to try. It was just that the coach was a man, so she felt uncomfortable.

Gong mo helped her onto the horse. Under the guidance of the coach, she held the rope steadily and rode forward slowly.

Seeing that she had walked far away, Gong mo turned back and called for Fang Yang.

Fang Yang was sitting on Hu Zi’s little wooden horse. When he saw her looking over, he immediately jumped up.

“Don’t break your legs!” Gong mo glared at him.

“I’ll pay for it if it’s broken!” Fang Yang hurried over. what can I do for you, Madam? ”

“Are there no female trainers?” Gong mo asked.

“Argh! I didn’t think of that!” Fang Yang said, ” I’ll contact the club immediately and ask them to send two over.

Gong mo nodded and turned to look at Sheng nanxuan.

Sheng nanxuan started running with Hu Zi. As they ran, Hu Zi started crying.

Gong mo hurriedly mounted his horse and ran in that direction.

She didn’t dare to run too fast, but even if she was slow, she was still very scared as she trembled on the horse’s back. After a while, she pulled the reins and stopped some distance away from Sheng nanxuan.

Fortunately, Sheng nanxuan also stopped. He turned his horse around and trotted towards her with Hu Zi.

waa ... Hu Zi cried loudly.

“What happened to him?” Gong mo asked.

my butt hurts. Sheng nanxuan stopped in front of her and got off the horse with Hu Zi.

numbo numbo numbo! Hu Zi touched his butt with tears in his eyes. He spread his arms and ran to Gong Mo’s side. it hurts!

Gong mo snorted and carried him up. He rubbed his butt with one hand and said, “Mom will rub it for you. It won’t hurt in a while. Don’t cry, you’re a man.”

Hu Zi wrapped his arms around her neck and sobbed non-stop.

Sheng nanxuan led his horse and walked slowly with them. When he reached the wooden horse, Hu Zi stopped crying and turned to look at Tian Cheng curiously.

Tian Cheng was riding on a horse. The coach beside her also rode a horse and followed her to teach her.

“Big horse!” Hu Zi mumbled.

Sheng nanxuan reached out and hugged him. you can ride the big horse when you grow up. Now, go and Ride Your Pony!

Sheng nanxuan put him on the wooden horse. He grabbed the wooden horse and shook it a few times. He felt that this was more fun and called out happily, “Go!”

Sheng nanxuan turned to Gong mo and said, “come, get on the horse.”

Gong mo hurriedly shook his head. He picked her up and put her on moonlight's back.

"I don't want to run!" Gong mo shouted. Don't come up!"

Sheng nanxuan held the reins and looked at her. "Don't worry, I didn't plan to go up anyway. I'll teach you how to ride it."

"That's more like it," Gong mo heaved a sigh of relief and smiled.

Chapter 836 Do you like uncle?

Sheng nanxuan turned around and saw Fang Yang standing beside him with a horse in a daze. He said to him, "Look at Hu Zi for a moment,"

...

Fang Yang nodded, threw away the reins, and walked to Hu Zi's side.

"Horse!" Hu Zi pointed at the horse.

Sheng nanxuan turned around. you little brat. What are you shouting for? "Your mother is here."

Hearing this, Gong mo whipped him on the back.

He jumped out and could not help but laugh.

"Are you alright?" Gong mo asked in a hurry.

Sheng nanxuan looked at her speechlessly. you've already hit her. Why are you still asking? "

"It's all because of you!" Gong mo pulled a long face. She didn't want to hit him. It was just that he was talking nonsense, and her hands reacted too quickly.

Fang Yang chuckled and said to Hu Zi, " "It's big horse."

"Big horse." With his finger in his mouth, Hu Zi felt like he had shouted something wrong.

"Don't eat my hand." Fang Yang moved his finger away.

Hu Zi pointed at the horse and then spread his arms.

Fang Yang guessed that he wanted him to take him to ride a horse.

But, didn't he just cry?

"Uncle, carry me!"

alright, I'll carry Yingluo. Fang Yang had no choice but to carry him.

"Horse! Big horse!" Hu Zi pointed at the horse excitedly.

Fang Yang carried him and walked over. you can't ride it. Otherwise, you'll cry again.

Hu Zi stretched out his hand and grabbed the horse's mane.

Fang Yang hurriedly hugged him with one hand and used the other to stroke the horse's back to comfort it so that it would not be angered by Hu Zi.

hehe hehe hehe. Hu Zi saw Fang Yang stroking the horse's back and imitated him by reaching out his hand and patting the horse's back.

Oh, his strength was not enough to make the horse react.

After a while, he looked back at Fang Yang as if he had had enough fun. Fang Yang carried him to the horse and let him stand on the ground to look at the horse.

Hu Zi seemed to have noticed something and started laughing. Tired of laughing, he stretched out his leg to kick her.

Fang Yang picked him up. the horse is very fierce. It will bite you.

"I'll bite you!" Hu Zi made a fierce expression at him.

Fang Yang felt that he was too cute. He rubbed his face fondly and carried him to the back of the horse.

The horse's tail was wagging, and Hu Zi stared at it for a while before pointing at the ponytail and laughing.

When the ponytail stopped moving, he stopped again and stared at it. When the ponytail moved again, he turned to look at Fang Yang and laughed out loud while pointing at it.

Just like that, he laughed for a long time.

Fang Yang was also amused by him. He stared at the horse's tail with him and laughed with him every time the tail moved.

Fang Yang did not know what was so funny, but he just laughed.

“Tian Cheng,” it’s time for lunch, ” Gong mo said. come back in the afternoon.

Fang Yang raised his head and saw Tian Cheng nodding her head. She then slowly rode back on her horse.

He sighed. He was going to return Hu Zi.

Sigh, I really can’t bear to. When can I also have a little baby?

He kissed Hu’s face and asked in a low voice, ” “Do you like uncle?”

“I like it.” Hu Zi answered reflexively. Many people had asked him this question, and he knew what the answer to make people happy was.

Fang Yang kissed him again and held him while waiting for Sheng nanxuan.

Sheng nanxuan held moonlight’s hand and walked over. He helped Gong mo down and then carried Hu Zi over. He taught him how to touch moonlight’s body.”Come, say hello to it. Don’t be afraid, daddy’s here, it won’t dare to be fierce to you.”

Chapter 837 Sprained ankle

Hu Zi touched it a few times and felt that this big horse was much cuter than the previous one. He laid his hands on it and shouted, ” “Go-”

...

Sheng nanxuan laughed and smacked his butt.

“Cousin, cousin-in-law.” When Tian Cheng returned and saw that they were all waiting for her, she felt apologetic and hurriedly dismounted from her horse.

“Slow down!” Gong mo hurriedly said.

ah! Tian Cheng’s feet touched the ground, and she fell to the ground with a cry of pain.

Gong mo and the coach rushed forward. Sheng nanxuan also turned around with Hu Zi in his arms.

“What’s wrong?” Gong mo asked anxiously.

Tian Cheng hugged her leg and gasped in pain, but she still shook her head.

The coach held her ankle and examined it, saying, “ it’s just a sprain. It’s not a big deal, but it might hurt for two days.

Gong mo hurriedly helped her up. Seeing her in pain, he comforted her, “ Bear with it for now. It’ll be fine after we go back and deal with it.”

Tian Cheng nodded and got into the golf cart with her help. They went to the house next door to take off their armor before returning to the villa.

When they arrived at the villa, Gong mo helped Tian Cheng into the house and placed her on the sofa in the living room.

Outside the door, Fang Yang handed the little wooden pony to Hu Zi, who pushed it away in disgust.

“You don’t want a small one when you have a big one?” Sheng nanxuan asked.

waah ~”Hu Zi climbed onto his body shamelessly. daddy.

Sheng nanxuan sighed worriedly. I’m so afraid that you’ll become a bad guy when you grow up.

Hu Zi shook his head and whispered in his arms, "Alright ~"

Sheng nanxuan carried him into the living room and said to Gong mo, "uncle is on his way here. Let's apply a cold compress first. We'll deal with it when uncle arrives."

Gong mo nodded and called for someone to bring ice over to apply on Tian Cheng's face.

Tian Cheng lowered her head and reproached herself. I was too useless, ran ran. her cousin was celebrating her birthday happily, but she was in a daze.

"Everyone can be careless sometimes." don't think too much, " Gong mo consoled. It shouldn't be serious, I'll be fine after a massage."

After lunch, Yu Qingliu hadn't arrived yet. Gong mo took out the medicinal wine and wanted to rub Tian Cheng's head.

"I'll do it myself," Tian Cheng said.

"Are you good at rubbing?"

"It should be easy."

The medicinal wine was a spray type. Gong mo sprayed it on her feet twice and she pressed it down to rub it.

"Rub it until it's hot," Gong mo said as he read the instruction manual.

Tian Cheng did as she was told. After rubbing her ankle, she twisted it and smiled in surprise. "Eh? It doesn't hurt anymore?"

“It should have just taken effect. It’s better if you don’t move, wait for uncle to come first.”

Just as they were talking, Yu Qingliu’s voice was heard-

“After Pediatrics and Gynecology, I’m also in charge of orthopedic surgery?”

When Tian Cheng heard this, she looked embarrassed, thinking that she had caused trouble for him.

“Uncle,” Gong mo stood up and said, “ my cousin is serious. Don’t joke around.

Tian Cheng’s face turned red. She lowered her head and pursed her lips with a look of self-blame.

“Does it hurt?” Yu Qingliu asked.

no,” Tian Cheng shook her head. it doesn’t hurt anymore.

“Let me see.” Yu Qingliu sat on the sofa and grabbed her ankle.

Tian Cheng subconsciously shrank back. He held her down. “Don’t move.”

Tian Cheng looked up and saw ding dang’s smiling face. However, why was his smile so horrifying?

“Don’t be afraid. My family’s Qingliu is very good at medicine,” said ding dang.

Tian Cheng was stunned. My home? They were a couple?

She glanced at Yu Qingliu. Yu Qingliu wasn’t young anymore! This Auntie really took good care of herself, just like a young girl.

Yu Qingliu sprayed the medicinal wine on her palm, rubbed it twice, and pressed on Tian Cheng's foot to rub it.

Chapter 838 Kill her love rival in the cradle

Tian Cheng gasped in pain, but she did not dare to cry out. She could only grit her teeth and endure it.

...

Ding dang stared at Yu Qingliu's hand, slowly munching on melon seeds.

After Yu Qingliu finished massaging, she looked up and met her eyes. She was stunned for a moment and said to Gong mo, "It's fine now. Rest for a few hours and don't move. You can run and jump at night. It's not a problem to walk now, but it's best to rest to avoid swelling."

Gong mo heaved a sigh of relief and hurriedly nodded. "Then you should go upstairs and rest."

"But the banquet is going to start soon, Yingluo."

it's alright. We'll only officially start at night. You should rest first.

"I'm going to wash my hands," Yu Qingliu said as she stood up.

Tian Cheng's face turned red. She knew that he was going to wash off the medicinal wine on her hands, but she was still worried that her feet would stink.

hi ~"ding dang lowered her head to look at her.

She was slightly shocked and replied in confusion,""Hi, Yingluo!"

"I'll send you up." Ding dang said with a smile, " some guests have arrived. Gong mo and the others have to greet them.

"Alright," he said. Tian Cheng hurriedly agreed and said to Gong mo, " cousin, let's make this Zhenzhen er er er er er.

"I'm ding dang."

"Hello," he said. Tian Cheng stood up and tried to take a step. She felt a slight pain and hurriedly lifted her foot.

"I'll support you." Ding dang said.

Walking into the room upstairs, ding dang put her on the bed and squatted down in front of her with her face in her hands.

Tian Cheng was taken aback, not understanding what she meant. She asked uneasily, " "You ..."

"Don't be afraid." Ding dang said, " I often twist my ankle. It's a small matter. There won't be any sequelae. It's just a small injury, you can just leave it be and it'll heal on its own."

Tian Cheng nodded.

"Did you fall in love with that doctor?" ding dang asked after looking at her for a while.

"No!" Tian Cheng was shocked and hurriedly said.

"Then why are you blushing?!" Ding dang glared at her.

I ... Tian Cheng was so anxious that she was incoherent. I just feel embarrassed!

“You’re still embarrassed?” Ding dang was furious. She must have taken a fancy to Yu Qingliu. I’m telling you, he’s mine!

“I know!” I really didn’t! Tian Cheng said.

“Then why are you embarrassed?” Ding dang was already looking at her as if she was her love rival. it’s just a small injury and you’ve already mobilized so many people. What’s the big deal? ” You even asked my boyfriend to massage your feet. You did it on purpose!”

I ran ran! Tian Cheng’s face turned pale and she cried anxiously. I didn’t run ran!

“You’re still crying? Do you think I’m a man? do you think I’d believe your tears?”

“Ding dang-” Yu Qingliu’s voice sounded.

Ding dang was shocked. She quickly turned around and closed the door. She ran back and said, “Don’t cry, don’t cry, Qianqian, I beg you, don’t cry!”

Tian Cheng looked at her, feeling more and more aggrieved and angry. Her tears kept falling.

don’t cry, don’t cry! ding dang clasped her hands together and kept begging. I beg you! Please! I didn’t do it on purpose! I just want to kill my love rival in the cradle ...”

“Who’s your love rival?” Tian Cheng said angrily.

lower your voice-” ding dang was shocked and looked at the door in horror.

Tian Cheng paused. It seemed like she was very afraid of Yu Qingliu. “She’s here-” she shouted.

ah ... ding dang pounced on her and covered her mouth, pressing her down on the bed.

Knock, knock-someone was knocking on the door.

Tian Cheng turned her head and broke free from ding dang's grasp. "Come in!"

Ding dang was shocked and covered her again.

Yu Qingliu pushed the door open and saw them lying on the bed, twisted together. She frowned.

Chapter 839 Are you guys crazy?

When ding dang saw him, her whole body stiffened. She immediately stood up and retreated, stammering as she explained, "I-I-I Yingluo, I didn't bully her!"

...

Yu Qingliu furrowed her brows and understood what was going on.

Tian Cheng got up and looked at him with tears in her eyes.

He shouted at ding dang, "it's fine if you rape me. How dare you rape a girl?!"

Tian Cheng was speechless!

Ding dang was speechless.

Yu Qingliu glared at Tian Cheng. I was kind enough to save you. How dare you seduce my girlfriend?!

Tian Cheng fell backward on the bed-she chose death.

Ding dang understood and immediately ran to Yu Qingliu's side, saying seriously, "I'm straight!"

"You're all on the bed!"

"Yingluo, I was just trying to bully her!"

Yu Qingliu paused, narrowed her eyes and asked gloomily, "as a police officer of the people, you actually dare to bully people?"

Ding dang pursed her lips and said innocently, "Who told her to seduce you, Yingluo?"

"What did you just say?" Yu Qingliu's voice sank.

Ding dang pouted,"who asked you to touch her Yingluo?"

"I was saving people!" Yu Qingliu was furious.

Tian Cheng rolled over and got up. can't you guys go outside and argue?!

Yu Qingliu paused and pulled Tian Cheng out of the room. She bowed and apologized, "I'm sorry. I didn't discipline her well, please forgive me." He then closed the door.

Tian Cheng was stunned. Discipline? Are you father and daughter or a couple?

How to break this inexplicable feeling of being in love?

Tian Cheng grabbed the things on the bed and threw them over. "Are you guys crazy ..."

She paused and suddenly jumped up with a scream. In the end, she felt a sharp pain in her ankle. She screamed again and jumped towards the door on one foot.

She picked up the things that she had just thrown away and her heart ached. That was her gift to Gong mo. Did she break it?

.....

Tian Cheng leaned against the window and watched as the cars lined up in a straight line and drove toward the manor's entrance.

Almost all of these cars belonged to Sheng nanxuan. Although the guests had come by car, most of their cars were not allowed to enter the manor unless the person had a good relationship with Sheng nanxuan.

But the manor's Gate was far from the villa, and it was impolite to let guests come over. Sheng nanxuan sent someone to welcome them.

The car stopped outside the villa's garden, and after the guests got off, it turned around and drove away.

When Tian Cheng saw the guests alighting from the cars one by one in their splendid evening dresses, she also wanted to go down and take a look.

However,

She stomped hard on the ground with her injured foot, but it still hurt a little, so she immediately gave up on the idea.

A passenger's car stopped. Tian Cheng's eyes widened in curiosity, wanting to see who had received special treatment.

Previously, only the Yu and Wu families were able to drive in.

The person in the driver's seat got out. It was Zeng Shuai.

Tian Cheng pursed her lips tightly at the thought of the awkwardness she had felt when she met him.

Zeng Shuai handed the car keys to the bodyguard on duty, turned around, walked to the front passenger seat, opened the door, and reached inside.

A Jade-like slender arm stretched out and rested on his palm.

Then, the owner of the Jade-like arm walked out.

Tian Cheng immediately recognized her as Cindy.

Frowning, she closed the curtains and turned around. She picked up her laptop and searched on the internet: A part-time job that he could do at home.

She wanted to earn money, but she didn't want Gong mo and Gong Bai to know about it. If they knew about this, they would definitely think that she had no money to spend and would help her clean up.

She wasn't short of money now, but Gong mo was so good to her. If she didn't work hard to earn money, she wouldn't be able to buy any decent gifts in the future. Therefore, she had to find a way to earn money.

The main venue of the banquet was in the open space in front of the villa.

At this moment, the garden had been decorated with white and pink rose Makeup.

## Chapter 840 Did she fall for Sheng nanxuan?

Near the villa, there was a huge three-layer cake, and next to the cake was a pyramid made of crystal goblets. Those who didn't know would think that this was a wedding.

...

On the roads around the open space, there were conspicuous road signs with arrows pointing in the direction of the Rose Garden, golf course, and horse track.

Gong mo and Sheng nanxuan were standing in front of the villa to welcome the guests. The guests had all brought gifts. Gong mo took the gift and handed it to he Yue, who was behind him. He Yue then handed it to the others to put it away in the villa.

After the guest greeted Gong mo and Sheng nanxuan, he went to the side to get some wine and food. However, everyone had just had lunch, so they only had drinks. The food would only be touched at night.

Zeng Shuai walked to Gong mo and Sheng nanxuan with Cindy and shouted, "Boss, Madam."

He also brought a gift and presented it with both hands."Happy Birthday, Madam."

"Thank you," he said. Gong mo said with a smile.

Cindy also presented her gift and called him "BOSS" and "Madam" as Zeng Shuai did.

She felt a little uncomfortable calling him that. However, CEng Shuai was her BOSS. He had already called her that, so what else could she do?

Gong mo was very happy. He held the gift with both hands and said, "Thank you for coming."

Cindy glanced at Sheng nanxuan and squeezed the small leather bag in her hand. The bandage that Lily had given her was in her bag. She wanted to give it to him today. Otherwise, he didn't know when they would meet again. He was the night God, how could it be so easy to see him?

Gong Mo's expression changed slightly when he saw her staring at Sheng nanxuan.

Sheng nanxuan and Zeng Shuai also noticed it.

Zeng Shuai's scalp went numb, and he thought, "what's wrong with Cindy?" Did she fall for Sheng nanxuan? He was usually a clear-headed person, but today ...

I ... Cindy said to Sheng nanxuan anxiously.

Sheng nanxuan turned his head in displeasure.

Zeng Shuai's head was full of cold sweat as he quickly said, "Boss, I'll go help Fang Yang first!" Then, he grabbed Cindy and dragged her away.

"Eh?" Cindy was shocked and turned to follow him. After a few steps, she turned back to look at Sheng nanxuan.

Seeing this, Gong mo turned around and placed the gift in he Yue's hand. "Throw it in!"

He Yue, "Madam Wanwan is angry. She's going to" throw "her idol's gift in!"

Sheng nanxuan lowered his head. He was very satisfied with her reaction.

This is more like it! This was the basic virtue of a wife! If someone coveted him and she remained unmoved, he would start to doubt his place in her heart.

"Alright, don't call her over in the future. Don't be angry." He said.

“Hmph!” Gong mo glared at him.

He said innocently, “what does it have to do with me?” She’s the one looking at me, not me looking at her.”

“Have you never seen her before?”

“Look at what you’re saying, I’m not staring at her. You know, I’m not looking at you!”

Gong mo pursed his lips and was about to say something, but he stopped when he saw someone coming. After a while, when no one was around, she said, “Maybe I’ve misunderstood, or maybe she did it for something else. It’s not what I think, Hanhan.”

“You’re still trying to exonerate her? I’d rather kill the wrong person than let him off!”

Sheng nanxuan did not care if it was a misunderstanding. Gong mo had been so obsessed with Chini recently that he didn’t even care about him.

Other than the child, there was someone else to attract her attention. He was very unhappy!

But when she chased after a star, she was a little obsessed but not fanatical. The other party was not a man, so he could not stop her, right?

Therefore, for the past few months, he had swallowed his words and did not dare to object. Now that he finally had the chance to remove Chini from her heart, how could he not seize the opportunity?
