

Ditsy Wife 851

Chapter 851 I suspect she's an assassin sent by the dark shadow

"He's inside! Why are you still hesitating?" Ding dang was extremely anxious. What kind of person was Sheng nanxuan? Even if they spoke softly, he could still hear them! If they dawdled any longer, they wouldn't be caught!

...

Ding dang felt that she couldn't wait any longer. She wanted to rush in, but she suddenly heard a sound coming from the stairs. She turned around in a hurry.

Gong mo walked over with Hu Zi in his arms and asked, "What are you guys doing here?"

ah! a woman's scream came from the room.

Gong mo was stunned for a moment. His expression changed and he quickly walked to the door.

Ding dang immediately helped to open the door. Gong mo immediately saw Sheng nanxuan, who had taken off his shirt.

He was pressing Cindy against the wall, and their actions were very ambiguous.

Sheng nanxuan's expression changed when he saw them.

Gong Mo's hands trembled and he almost threw Hu Zi to the ground.

Hu Zi quickly hugged her neck and shouted in panic, "Mother!"

Sheng nanxuan stepped back, snatched the bag from Cindy's hand, and threw it out the window.

ah! Cindy was shocked and ran towards the window.

She leaned over the window and saw that her bag had fallen into the crowd. The people below all looked up at her and were shocked.

Everyone thought,"she's a guest, why did she enter the villa?" He was still upstairs!

Although Sheng nanxuan did not stop the guests from entering the villa, most of them were very self-aware and did not dare to enter. Only those who were close to Sheng nanxuan dared to enter, and they only dared to stay downstairs.

Wasn't this woman a little too bold?

Cindy turned around and ran outside in a hurry, but the door was blocked by Gong mo and the others.

She stopped and hurriedly bowed in apology. "I'm sorry! I'll explain it to you later!"

When she saw that no one was moving, she pushed Tian Cheng and ding dang aside and ran out.

When Tian Cheng saw this, she limped after him. After taking two steps, she turned around and said to Gong mo, "Don't be sad, cousin Yingluo."

Gong mo felt like crying.

"I'll be leaving too." Ding dang said in a low voice and left with Tian Cheng.

Gong mo put Hu down and closed the door. He looked at Sheng nanxuan."What's going on?"

"You don't believe me?" Sheng nanxuan looked at her sternly.

Gong mo crossed his arms and said, "why should I believe you?" Shouldn't you be explaining it to me now?"

Sheng nanxuan paused. He felt that the situation just now was not in his favor. He could only say, "I'll explain!"

.....

A few minutes ago, Sheng nanxuan had returned to the cloakroom to change into his evening gown. He had just put on his pants when he heard footsteps coming from outside.

He could tell that it wasn't Gong mo. He immediately became alert and zipped his pants as he walked out.

When he walked to the door of the cloakroom, he saw Cindy looking around in the room.

Cindy was happy to see him, and she quickly walked over. "Mr. Sheng--"

"Stop!" Sheng nanxuan shouted. He didn't want any woman other than Gong mo to get close to him.

Cindy's expression changed. She realized that her appearance here was indeed too sudden. She immediately lowered her head and opened her bag, wanting to take out the item that Yu qinghuan had given her.

Just then, Sheng nanxuan heard someone coming from outside. Gong mo had arrived.

Gong mo likes Cindy! He felt that this was a good opportunity to completely remove Cindy from Gong Mo's heart!

He immediately rushed over, grabbed Cindy's hands, and pressed her against the wall.

.....

she should have pulled out her gun, " Sheng nanxuan said. of course I had to control her.

"A gun?" Gong Mo's expression changed.

"I suspect that she's an assassin sent by the dark shadow." Sheng nanxuan said seriously.

Gong mo gasped in shock.

Chapter 852 Tian Cheng, help me call CEng Shuai over!

"I know you've misunderstood." Sheng nanxuan looked at her. in order to stop you from misunderstanding me, I can only step back. However, in order to prevent her from hurting you, I had no choice but to throw her weapon out of the window."

...

After explaining, he looked at Gong mo and said, " "I'm really innocent!"

"Aren't you going to put on your clothes?" Gong mo glared at him.

Sheng nanxuan smiled and walked back to the cloakroom.

Gong mo followed him and asked while leaning against the wall, " Are you sure Cindy is an assassin? "

I'm not sure. I'll ask CEng Shuai and Fang Yang to check it out later.

"She's working in Zeng Shuai's company. Didn't he check on her?"

“I don’t know. It was either they had not checked, or they had checked and there were no problems. It’s normal that you haven’t checked. If you had to check every artiste, it wouldn’t be an entertainment company, but a detective company.”

Sheng nanxuan changed into his formal attire and walked towards Gong mo. “You’re not going to change?”

“Yes, I do.” Gong mo turned around and went to his cloakroom. go and change Hu Zi’s clothes too, ” he said.

Hu Zi was lying on the ground and singing. Sheng nanxuan glanced at him unwillingly.

He had wanted to help Gong mo change his clothes and take advantage of her.

Gong mo could guess his intention from his expression. He said with a straight face, ” “Hurry!”

Sheng nanxuan looked at Hu Zi in disdain and picked him up to the nursery.

Gong mo frowned. Was sunny really an assassin? Or was he trying to seduce Sheng nanxuan?

If it was an assassin, then forget it. That kind of person didn’t care about feelings and only cared about their goals. She couldn’t expect anything from him.

But if she was seducing him, that was too much! To think that he liked her and invited her to his birthday party. He didn’t expect her to be this kind of person!

.....

Tian Cheng chased after Cindy down the stairs, but she had an injury on her foot. When she walked out of the villa, Cindy was gone.

“I’ll help you find her!” Ding dang said.

“No!” Tian Cheng called out.

She hadn’t come down to find Cindy, but someone else.

Gong Fei walked over with a glass of champagne and looked at her ordinary dress and her face without makeup. She sneered in her heart and asked, “Cheng Cheng, why did you come down when you twisted your ankle? How ugly is it when you walk?”

you! Tian Cheng glared at her. help me call commander Zeng over!

Gong Jie’s expression changed and he asked unhappily, “What did you just say? You dare to order me around?”

Tian Cheng furrowed her brows and pushed her away. Her limping movement attracted everyone’s attention. But she didn’t have the time to care about that. She was anxiously looking for CEng Shuai.

I’ll help you find it,” ding dang said. take it as an apology. Wait for me here!

Ding dang ran away and soon brought Zeng Shuai back.

When CEng Shuai saw Tian Cheng, his heart couldn’t help but race. His thoughts ran wild. Could it be that the little girl had finally discovered how handsome he was? Did she like me?

When Tian Cheng saw him, she turned around and walked into the villa. “Come with me.”

When Zeng Shuai heard her commanding tone, he was stunned for a moment before he followed her and reached out to help her. “Be careful,”

Tian Cheng froze. She realized that she was walking in an unsightly manner, so she placed her hand on his arm and borrowed his strength.

“Director Zeng, let me do it. She’s my cousin!” Gong Fei walked over.

“I have something to do with director Zeng.” Tian Cheng said.

Gong Jie’s expression changed and he asked unhappily, “What’s the matter?”

Zeng Shuai glanced at her and said indifferently, “It’s none of your business, please excuse me.” Then, he helped Tian Cheng into the living room of the villa.

Gong Fei snorted and turned around, nearly bumping into Wu lie who was holding a wine glass.

Chapter 853 Sheng nanxuan, I love her

Wu Li raised his wine glass and gave a suave smile. “Hello, I’m Wu Li, Sheng nanxuan’s cousin. You’re Gong Mo’s cousin?”

...

Gong Ying’s eyes lit up and he smiled. yes! he was Sheng nanxuan’s cousin. He was a good partner.

Wu Li also thought, “Gong Mo’s cousin is a good partner!”

.....

Tian Cheng retracted her hand and said to CEng Shuai through gritted teeth, “Take care of that Chini! My cousin invited her to the banquet out of kindness, but she dared to seduce my brother-in-law!”

“What did you say?” Zeng Shuai was shocked.

“I saw everything!” Tian Cheng’s voice trembled with anger. I won’t allow anyone to hurt my cousin!

“I ...” Commander Zeng was about to say something when someone rushed in.

The two of them looked over and saw Cindy.

Cindy wanted to go upstairs, but Zeng Shuai dragged her away.

Mr. Sheng! Cindy called out. I have something to tell you!

“You shut up!” Zeng Shuai said anxiously as he pulled her out of the villa. how dare you seduce BOSS? Have you eaten the heart of a leopard?”

When Cindy heard this, she looked at Tian Cheng and shook her head. “It’s not like that. She misunderstood!”

“I don’t care if it’s a misunderstanding or not, you just can’t get close to the BOSS! You’d better behave yourself and find a corner to stand in. You’re not allowed to do anything! Otherwise, you’ll disappear with me!”

Cindy clenched her handbag and turned around, standing outside the crowd.

Soon, there was a round of applause behind him. She turned around and saw Sheng nanxuan and Gong mo carrying Hu Zi out of the villa.

Sheng nanxuan placed Hu Zi on the ground. Hu Zi looked at the crowd and held Gong Mo’s hand obediently.

“Thank you, everyone!” Sheng nanxuan said in a clear voice, “ thank you, everyone, for coming to my wife’s birthday party. My wife, Gong mo, has been married to me for more than two years. This is the third birthday we’ve had together. However, I didn’t give her this kind of liveliness for her previous two birthdays, and it won’t be every birthday like this in the future. Because sometimes, I want to spend some alone time with you.”

Friendly laughter could be heard from all around.

“But today is a lively day, for her.” Sheng nanxuan glanced at Gong mo and said to everyone, “ I love her.

Gong mo blushed and lowered his head.

Sheng nanxuan turned to look at her and held her hands. “I should be saying this to you, Yingluo, I love you.”

“I love you too,” Gong mo replied in a low voice.

Sheng nanxuan held her face and kissed her.

There was a commotion all around, and with a few bangs, fireworks exploded above their heads and floated all over the place.

Hu Zi let go of Gong Mo’s hand and squatted on the ground to pick up the ribbons.

Gong mo immediately retreated from Sheng nanxuan’s kiss.

Sheng nanxuan looked at her unhappily, and she pouted at the ground.

Sheng nanxuan lowered his head and saw Hu Zi squatting on the ground. He had no choice but to let go of her and pick him up.

Yiya~” Hu Zi called out in dissatisfaction.

“Come, help mommy cut the cake.” Sheng nanxuan carried him to the cake.

The band began to play Happy Birthday song.

Sheng nanxuan did not intend to let anyone sing it because it would feel awkward. There was a group of people singing around them, and the birthday boy stood in the middle like a fool, smiling.

However, when the birthday song started, the people around them still started to sing. In the end, it became a chorus.

Gong mo and Sheng nanxuan were both helpless. They took the lead and filled the wine glasses next to the cake with champagne. Then, they smiled and waited for everyone to finish singing.

Hu Zi also started to sing. When the music ended and everyone’s singing ended, he sang a play at the end.”Happy Birthday ~”

Chapter 854 You actually dared to seduce my brother-in-law?

It was completely out of tune!

...

When he heard the silence around him, he was stunned for a moment and shyly hid in Sheng nanxuan’s arms.

The people around him laughed and Gong mo patted his head.

Then, Gong mo blew out the candles, picked up the dessert Knife, and placed it in Hu Zi’s small hand. Together with Sheng nanxuan, they held his hand and cut it.

After the cake was distributed, the banquet officially began.

Everyone gathered in groups of twos and threes with champagne or cakes in their hands and chatted.

Gong mo and Sheng nanxuan stood in front of the cake. From time to time, guests would come over to toast and give their blessings.

As night fell, Cindy hid in a corner. When CEng Shuai left, she immediately took the opportunity to go to Sheng nanxuan.

When Sheng nanxuan and Gong mo saw her, their expressions changed slightly.

Sheng nanxuan stood in front of Gong mo.

Cindy reached out her hand and held a ring box.

She presented the brocade box to Sheng nanxuan and mustered up her courage to say, " Mr. Sheng, please take this. This is my gift to you.

Sheng nanxuan looked at her in shock. He looked around. Fortunately, not many people were paying attention to them.

"I refuse." Sheng nanxuan said.

"Don't misunderstand!" I'm not a mayfly, " Cindy said anxiously. I have my reasons. You must accept it!

"What's the reason?"

this ... Cindy looked around and whispered, " I need to talk to you in private.

Sheng nanxuan furrowed his brows and turned to look for CEng Shuai. He saw he Yue standing beside Gong mo and said to her, "Call CEng Shuai over."

"Yes." He Yue walked away quietly and searched in the crowd for two minutes. When she did not see him, she called Zeng Shuai.

Zeng Shuai was in the toilet when he heard he Yue say, "boss is looking for you." He ran out in a hurry and almost peed in his pants.

His job was the president of Star Entertainment. Sheng nanxuan would not usually look for him for other matters. When he was suddenly called, he thought of Cindy and suddenly had a bad feeling.

When he returned to the venue, he saw Cindy standing in front of Sheng nanxuan. He rushed over and pulled her behind him. "I'm sorry, boss. I'll settle it immediately." Then, he pulled Cindy away.

Just now, only a few people had noticed this side. Now, because of his actions, more and more people were looking over.

Sheng nanxuan lowered his head and said to Gong mo, "I will investigate it thoroughly."

Gong mo pulled a long face.

Sheng nanxuan reached out and stroked her back. He said in a low voice, "Don't chase after celebrities in the future."

Gong mo glared at him and he hurriedly said, "alright, alright, alright, Zhenzhen, chase after Zhenzhen. This was just an accident. I was the one who attracted it. I regret it."

In the crowd, ding dang said to Yu Qingliu, "she really wants to seduce Sheng nanxuan. She went to his room just now and now she's giving him a gift in front of everyone. She's not taking Gong mo seriously! You're really brainless!"

“Shh!” Yu Qingliu gave her a warning look. don’t talk nonsense.

“I’m not talking nonsense.” Ding dang was not convinced.

“Then tell me in private when you get back.” If she said it now and everyone heard it, she would be embarrassing Gong mo and Sheng nanxuan.

Ding dang pouted and lowered her head to sip the champagne in her glass.

Gong ze, who was standing behind them, heard this and his eyes widened.

She rolled her eyes and suddenly stuffed the wine glass into Wu lie’s hands. help me hold this, thank you!

When Yu Qingliu and ding dang heard this, they turned around and saw her rush towards CEng Shuai, slapping Cindy hard.

“You actually dared to seduce my brother-in-law?” Gong Mao shouted.

Ding dang was shocked. Yu Qingliu looked at her, ” “It’s all your fault!”

Chapter 855 I must see Mr. Sheng!

“What does it have to do with me, Yingluo?”

...

Ding dang mumbled in a low voice, feeling a little guilty.

It seemed like it was indeed her fault. Gong ye must have heard what she said, Nangong Nangong.

Yu Qingliu pulled her away to avoid trouble.

Cindy covered her face with her hand, and the box in her hand fell to the ground.

She raised her head and found that everyone around her was looking at her with surprise, disdain, and ridicule.

It was as if everyone was calling her a fool for delusionally trying to climb up the social ladder of Sheng nanxuan.

However, that was not the case at all!

Gong Fei glared at her hatefully and turned around to kick the brocade box away.

Sindy shouted and wriggled out of the crowd, chasing after the brocade box.

Gong Ying walked in front of Gong mo. Gong mo clenched his fists and looked at her with hatred.

Gong Ying thought she was angry at Cindy and quickly comforted her, " "Sister, don't let this kind of person ruin your health."

Gong mo turned around and walked into the villa. He was so angry that his body was trembling.

It was nothing for Cindy to rush in front of her and Sheng nanxuan. It was already dark, and not many people saw her. Also, not many people heard what she said.

However, by doing so, Gong Jie was telling everyone: Someone had seduced her husband at her birthday party!

Gong mo sneered and walked up the stairs. When he reached the stairs, he saw Tian Cheng coming out of her room.

cousin! Tian Cheng hurriedly walked toward her. what's wrong? " She heard something wrong outside. It seemed like something had happened.

Gong mo replied tiredly,"I'm fine, Zhenzhen."

Tian Cheng looked downstairs and saw Sheng nanxuan walking in.

Sheng nanxuan looked at them and said to Gong mo, "It's our turn to start the opening dance."

Gong mo turned around and glared at him. He still had the face to ask her to do the opening dance?

However,

What did this have to do with him?

She gritted her teeth and strode down.

Tian Cheng looked at them in confusion and worry.

Gong mo walked up to Sheng nanxuan and stepped on his foot with the heel of his high heel.

Sheng nanxuan swayed from the pain. He reached out to hold her and whispered in her ear, " Don't be angry, I will help you take revenge."

"You only know how to take revenge. Why don't you think about whether it's your fault or not?" Gong mo said angrily.

“If it’s my fault, I’ll hurt myself.”

you ... Gong mo was stunned. He turned around and grabbed his collar. don’t mess around! he ordered fiercely.

“Yes!” Sheng nanxuan immediately agreed and walked out with her.

A spotlight shone on the two of them, and music started playing.

The two of them slowly walked towards the crowd, and the guests automatically made way for them. After a while, the middle of the crowd was empty.

Sheng nanxuan and Gong mo started to dance. After the first song, the others joined in as if the previous unpleasant experience had never happened.

Cindy found the brocade box in the dark, her slender fingers covered in mud.

She turned around and wanted to go back to Sheng nanxuan. Suddenly, a figure blocked her way.

She was shocked. She looked up and saw a petite girl.

why aren’t you leaving? ” Wu Yunyun asked softly. why aren’t you leaving? ” Do you want to die?”

“I must see Mr. Sheng!”

If she left now, she would never have the chance to see Sheng nanxuan again! However, she had to keep her promise. Furthermore, Lily had saved her life!

Cindy looked at Wu Yunyun and remembered that she had appeared with Gong mo in the afternoon. She guessed that she must be close to Gong mo and Sheng nanxuan. can you help me? ” she asked.

Wu yayun frowned. what can I do to help you? ” I wouldn’t dare to help you! It’s gong Mo’s birthday today. If you didn’t mean to hurt her, you should have looked for Sheng nanxuan in private, instead of doing something that would cause misunderstandings in front of so many people!”

Chapter 856 Why help her?

what? ” Cindy gasped. I didn’t think that much.

...

From the moment she was born, she had only met so many people. How could she have thought of so many twists and turns?

“I know I was wrong, but I really have something to ask Sheng nanxuan.”

“I can’t help you.” Wu yayun said, ” you should leave first. Otherwise, ran ran, you might lose your life.

Cindy stood there, not willing to move.

you don’t have an affair with Sheng nanxuan, do you? ” Wu Yunyun asked, puzzled.

Cindy quickly shook her head. But Yingluo can’t tell you.”

“You don’t have to say it, I’m not interested in knowing. However, you can tell commander Zeng that he works for Sheng nanxuan and will help you convey the message. If you can attract Sheng nanxuan’s attention, you will naturally see him.”

“But I don’t think President Wanwan will want to hear me out.” Cindy said worriedly.

"I won't." Wu Yunyun said with certainty, " your behavior today was very unusual. Sheng nanxuan will definitely investigate it. Commander Zeng will definitely ask about it personally and will take the initiative to find you soon. Sort out your thoughts and don't be like today, struggling for half a day without achieving anything!"

Cindy thought for a moment and quickly nodded."Thank you! I know what to do!"

She stuffed the brocade box into her bag, turned around, and walked in the direction of the manor's Gate.

Wu Yunyun turned around and was slightly surprised to see Fang Yang standing in front of her.

"What did you say to her?" Fang Yang walked over and asked with a frown.

Wu Yiyun pursed her lips. I'm just reminding her to leave. I'm afraid that she'll be killed by your BOSS if she stays here!"

"Why are you helping her?"

Wu Yunyun raised her chin. because we're both women. Of course, women have to help other women. Even if she did seduce Sheng nanxuan, why was she the only one to blame? Maybe they've already had an affair, and the man is the one with the greatest responsibility!"

"You-you're a feminist cancer!" Fang Yang took a look inside and pulled her away. He lectured her, " other men are indeed sh * t, but my BOSS is different. Gong mo is the only one he has ever loved in his life!

"You're not him, how do you know?"

"That's the reason why he's willing to die for Gong mo! Don't be so mean, not all men are as bad as you think!"

Wu Yunyun pursed her lips. I've never been in a relationship. How would I know? "

"And you still dare to come to a conclusion?"

"I'm just thinking for a woman!"

men have a pile of scum, and women have a pile of rubbish. Don't be so arbitrary in the future!

Wu Yunyun was stunned and looked at him unhappily. "Why are you speaking so harshly?"

"I'm afraid you won't remember if I don't say it in a more unpleasant way!"

.....

After the banquet ended, the guests left one after another.

Gong mo and Sheng nanxuan stood in front of the villa and bade farewell to everyone.

Yu Zhengming and Wu surong walked over. Wu surong pulled Gong mo to the side and said, "communicate with nanxuan more. Don't misunderstand him.

"I believe in him," Gong mo nodded and smiled.

"Then I'm relieved." Wu surong snorted. those little vixens outside, don't be polite with them! He's just an actress, just ban him directly, there's no need to ruin my mood over this."

Gong mo was stunned. It was easy to say, but it might be a little difficult to make her Yingluo. However, she still nodded her head. She didn't want the old man to worry.

Moreover, the old man was more inclined to Sheng nanxuan. Sheng nanxuan was the grandson she had finally found. Even if he was in the wrong, she would stand on his side.

Chapter 857 barging

Gong Mo's close friends would always comfort him, making it seem as if his sister-in-law, Sheng nanxuan, had really cheated on him.

...

He was probably too suitable for cheating on her. It didn't make sense for someone rich and powerful to stay by her side.

Finally, Gong Bai, Yu Xinran, and Gong ze walked over.

Gong Bai said, "if there's anything, just tell your cousin." Although cousin doesn't have much ability, he will still support you."

At the very least, he could report to Italy.

"He won't," Gong mo didn't know whether to laugh or cry.

"It's a good thing to believe him, but Yingluo"

Gong Bai glanced to the side and saw Sheng nanxuan standing a few meters away with Hu Zi in his arms.

Hu Zi was already sleepy. He rubbed his eyes with his hands clenched into small fists.

When Sheng nanxuan saw him looking over, he turned around with Hu Zi in his arms. "You guys have a good chat, I'll bring Hu up first."

In fact, he had heard what they were talking about. Not only did he hear them, but he also heard what everyone said to Gong mo.

Did he look like he was going to cheat on her?

He clearly had a face of infatuation! Hmph!

Gong Bai coughed and said to Gong mo, "Alright, you're on your own. I'll be leaving first."

"Be careful on the road, cousin," Gong mo said with a smile.

Gong Jie didn't want to leave and said coquettishly, "Why don't I stay here to accompany my cousin? Chengcheng is here--"

"Are you Chengcheng?" Gong Bai asked in a Huff.

Gong mo smiled and didn't say anything. Yu Xinran looked at her awkwardly.

Gong mo smiled and thought, "this is my cousin, you don't have to blame yourself. It's not your fault."

"Madam." The helper in the villa walked out. the old lady is calling. Sir is asking you to go up.

Gong mo squeezed Yu Xinran's hand and said, "Then I'll go up first." Then, she said to he Yue, " send my cousin and sister Xinran home.

Seeing that she had left, Gong Fei quickly asked, "old lady?" Was it her second aunt? I haven't seen second aunt for a long time, let's go and talk to her!" She said to Gong Bai.

Gong Bai also wanted to know about dan Rong's recent situation, but with her around, he naturally didn't plan to go in.

In the end, Gong Gong ignored him and the others and rushed into the villa.

Gong Bai's expression was embarrassed. Although he was depressed and exhausted, he still perked up and said, "Let's go take a look."

Gong Bai had no choice but to walk inside, and Yu Xinran followed him.

.....

In the study upstairs, Gong mo and Sheng nanxuan were sitting on the sofa with Hu Zi in their arms. On the big screen in front of them, dan Rong was eating with her big belly.

Gambino sat beside her and asked Gong mo, "Are you happy?"

"I'm happy." Gong mo said with a smile.

"It's a pity that I can't be by your side this year. I'll definitely make it up to you next year." Gambino said dejectedly.

"Alright," he said. Gong mo agreed.

Gambino hadn't celebrated her birthday for more than 20 years, so how could he just want to make up for this one? He wanted to make up for more. If she didn't agree, he would be sad.

Shan Rong consoled Gambino. it's all my fault. In the future, let's celebrate Momo's birthday twice a year. One on the Gregorian calendar and one on the lunar calendar. How about that? "

“Alright,” he said. Gambino agreed, feeling touched. He looked at her stomach and said, “but this isn’t your fault. It’s mine.”

Shan Rong’s face turned red and she continued eating.

Gong mo and Sheng nanxuan were speechless. The two of them used to show off their love for each other, but now it seemed like they were being retaliated against. Even their parents were showing off.

“Du du.” Hu Zi pulled on Gong mo and pointed at dan Rong’s stomach on the screen. big belly.

Dan Rong’s face turned even redder and she glared at him angrily.

Chapter 858 Do you want me to be direct?

Hu Zi didn’t understand why she was treating him like this, so he hid behind Gong mo.

...

“Don’t spout nonsense,” Gong mo patted his hand.

Hu Zi climbed onto her and pulled at her clothes, wanting to see her stomach.

“Hey, you hooligan!” Sheng nanxuan pulled him away. how dare you flirt with my wife? ”

“What nonsense are you spouting?” Gong mo shouted, “you’ve led the child astray!

hahaha Yingluo! opposite them, Gambino and Shan Rong laughed happily.

cousin ... Gong ye’s voice was heard.

Gong mo was stunned and turned around.

“Is that Chengcheng?” Shan Rong asked, not hearing him clearly.

“Yingluo should be.” Gong mo hurriedly stood up and didn’t want Gong Mao to come in.

If dan Rong saw Gong ye, she would definitely not be happy!

She opened the door and saw Gong Fei standing outside. She said with a smile, “I heard that second aunt called, so I want to ...”

“What are you thinking?” Gong Bai, who had just arrived, interrupted her and pulled her behind him. I’m sorry, ” he said to Gong mo. we’ll be leaving now.

“I’ll send you guys.” Gong Mo closed the door and walked downstairs with a straight face.

“I just wanted to say hello to second aunt!” Gong Ying was displeased.

Gong mo didn’t say anything and continued to walk forward.

“Shut up!” Gong Bai pulled at Gong Jie.

After taking a few steps, she saw Tian Cheng walking out of the guest room.

She had just taken a shower, and now that she was done, she planned to go and say hello to Shan Rong. When she saw Gong Mao and Gong Bai, she stopped and looked at Gong mo in confusion.

“Mom’s still online, you should go to the study,” Gong mo said.

oh, oh, oh. Tian Cheng glanced at Gong Bai and the others before she lowered her head and walked toward the study.

Gong Fei was frustrated and said to Gong mo, " "Why can Cheng Cheng go but I can't?"

Gong mo turned around and stared at her coldly. "Do you want me to be direct?"

Gong Jie choked, his face alternating between red and white. He naturally thought of his past actions.

She wanted to yell at Gong mo, ignore the past, and scold him for being biased! However, at the thought of the consequences of offending Gong mo, she gritted her teeth and held back all her complaints.

Gong Bai dragged her out of the villa with Yu Xinran.

When Gong mo returned upstairs, Tian Cheng was the only one in the study.

Tian Cheng stood up and said, "cousin-"

"You can sit."

Gong mo sat down beside her and saw that dan Rong's expression didn't look too good on the screen. She probably knew that Gong ye was here.

Gong mo paused and looked at Tian Cheng. where's your brother-in-law? "he asked.

"Let's take Hu to shower."

"Was that Gong ye just now?" Shan Rong asked.

"He has been sent away," Gong mo nodded.

“So annoying!” Shan Rong frowned and asked, “ why did you invite her? Then, are you going to celebrate your birthday?”

“How can I not pass?” there are a lot of people here today, so I’m not going to greet her. I’ll let Gong Bai take care of her, ” Gong mo said with a smile.

“That’s a restless one, I’m afraid she’ll cause trouble.”

“Alright, alright, Yingluo, I don’t want to talk to her either. We won’t have many chances to get together in the future.”

Shan Rong huffed in anger, still not too happy.

“We’re going to bed now, take care of your health,” Gong mo said.

“Go on.” Shan Rong waved her hand and said to Tian Cheng, “ your cousin always tells me the good things but not the bad things. If anything happens in the future, you can tell me in secret.

Tian Cheng couldn’t help but laugh, ‘cousin just didn’t want you to worry! Besides, she doesn’t have any worries.”

“Isn’t your little cousin just trouble?” Shan Rong snorted.

Tian Cheng was so embarrassed that she did not say anything.

Alright, alright. You have a good rest. We really need to sleep. Gong mo turned off the video.

Chapter 859 I’ll take revenge for you

Back in her room, she sat on the bed in a daze. After more than ten minutes, Sheng nanxuan walked in.

...

“What are you thinking about?” He walked in front of her and lowered his head to look at her carefully.

It was her birthday today, but there were always a few insensible people who made her unhappy.

Sheng nanxuan secretly gritted his teeth. These insensible people should be taught a lesson.

“Is Hu Zi asleep?” Gong mo raised his head.

“I’m sleeping. He’s tired after a day of jumping around.”

“Let’s go to Italy tomorrow,” Gong mo said tiredly.

The original plan was three days later. However, since it was his own plane, he could leave whenever he wanted.

Sheng nanxuan was puzzled, ‘isn’t tomorrow too rushed? It’s been a long day, so let’s rest for two days.’

“I don’t want to stay in the country anymore!” how annoying! Gong mo said in frustration.

Sheng nanxuan hurriedly comforted her. Okay, okay, okay. Qianqian, we’ll leave whenever you want.

“What do you mean?” Gong mo looked at him angrily. You’re saying that I’m willful and unreasonable?”

“Yingluo didn’t.” Sheng nanxuan said innocently.

“Yes!” Gong mo said angrily. I’m just willful and unreasonable! You can go and find that Chini!”

“Why should I look for her? She’s a killer!”

“If she’s a killer, why didn’t she just shoot you? why did she give you a gift?”

“She’s saying that there’s a problem with her box!”

“What problem can there be? It’s such a small box!”

Sheng nanxuan thought for a moment. hidden weapons and poison! he said.

“I think you’re just trying to fool me!” Gong Mo’s eyes widened.

She stood up, took off the necklace around her neck, and threw it on the bed. She kicked off her high heels and walked to the bathroom.

Sheng nanxuan helplessly followed her. How would I know what’s going on with Chini? If you don’t like it, I’ll go kill her now!”

“Kill her?” Gong mo turned around. you still want to silence me? ”

Sheng nanxuan’s face darkened. am I not able to clear my name even if I jump into the Yellow River? ” he asked.

Gong mo snorted, walked into the bathroom and slammed the door.

Sheng nanxuan sighed. He turned around to pick up her high heels and necklace and went to another bathroom to take a shower.

When she returned, Gong mo was already lying on the bed.

He touched her hair and said, "it's not dry yet."

"You can blow it for me." Gong mo said angrily.

Sheng nanxuan immediately went to get the hairdryer. He helped her up and slowly dried her hair.

Gong mo lowered his head. When he finished blowing, she was about to fall asleep.

Sheng nanxuan put down the hairdryer and helped her lie down. He kissed her on the cheek. "don't be angry, okay?"

"I'm not angry with you." I was very happy at first, but now I'm not! Gong mo said in an aggrieved tone.

"Alright, alright, I'll take revenge for you, Yingluo!"

"I don't want you to take revenge!"

"Alright, alright, alright, Yingluo, whatever you say."

I'm going to find my mother tomorrow, Yingluo. Gong mo sniffed.

Sheng nanxuan paused for a moment and said in a speechless manner, "You're already so big, and you still want to look for your mother after being wronged?"

"I'm looking! Are you going to eat me?"

I wouldn't dare. Sheng nanxuan smiled. I'll take you to her and ask her to give you a Happy Birthday.

Gong mo was silent for a moment. Then, he snuggled into his arms.

He sighed and patted her back. "I know you don't like crowds. This time, I want everyone to know you. In the future, we'll live on our own, okay? She only invited her best friends to have a warm and lively birthday with her child. We won't invite anyone you don't like."

Gong mo pursed his lips and held back the tears in his eyes. He nodded and said, "Good Yingluo."

Chapter 860 Gong ye and Yu Xinran fight

Gong Bai drove Yu Xinran's car out of joy garden.

...

Gong Jie sat in the back seat and complained, "Gong mo is too much! I just wanted to say hello to second aunt. How petty! I was just helping her vent her anger!"

"You still have the nerve to say that?" Gong Bai said angrily, "there was no such thing, but you've turned it into a big deal!"

"What did I do?" Why are you siding with an outsider?"

"What's wrong with you?" Gong Bai turned around and glanced at her. The car sped forward and almost veered off the road.

"Be careful!" Yu Xinran was shocked. Focus on driving!"

Gong Bai took a deep breath and ignored Gong Kuang.

“Why did you hit Chini just now?” Yu Xinran turned around and asked Gong ze.

“I’m helping my cousin to vent her anger!” Gong Mao was proud of himself and thought that he had won over Gong mo.

“I don’t need you to vent your anger!” Yu Xinran reprimanded, “ not many people noticed Chini. Even if they did, they wouldn’t guess that she was seducing Sheng nanxuan. But now, everyone thought that Sheng nanxuan had cheated on her with one sentence! Are you helping your cousin? You’re slapping your cousin’s face! It’s her birthday today, what are you up to?”

Gong Jie was stunned.

She was stunned that she hadn’t thought of this aspect at all. She only wanted to stand on Gong Mo’s side and help him vent his anger. Then, Gong mo would remember her good deeds.

How could everything be messed up?

After a while, she shouted at Yu Xinran, “You’re talking nonsense!”

“Whether I’m talking nonsense or not, you think about it yourself!” Yu Xinran said with hatred, “ you’re still in the entertainment industry? Do you even have a brain?”

“What right do you have to lecture me?” Gong Fei shouted.

“I have nothing better to do, alright?” Yu Xinran laughed in anger.

Disciplining Gong Mao was asking for trouble!

you ... Gong ye was furious. you’re only my brother’s girlfriend. What right do you have to control me? ”

Yu Xinran had long lost her patience with her and said angrily, "If I'm not your brother's girlfriend, would I be so polite to you? The anger I've suffered since I was young has never been as much as you! If you weren't Gong Bai's sister, I would have slapped you! Do you still have the right to show off?"

you ... You're Yingluo. Gong ye pointed at her, grabbed the bag in his hand, and hit her. Then he pounced on her and pulled her hair.

Yu Xinran wasn't going to take it lying down. She turned around and pulled her hair.

"Stop!" Gong Bai shouted. Stop it!"

The more they fought, the more intense their fight became. Gong Bai stopped the car, got out of the car, opened the door of the passenger seat, and pulled Yu Xinran out.

Gong Ying rushed out from the back seat and wanted to hit Yu Xinran.

Gong Bai pushed her away and roared, "You better stop!"

Gong Ying leaned against the car and flicked his messy hair behind his back.

Yu Xinran, who was standing behind Gong Bai, sneered, "If I wasn't your brother's girlfriend, would you dare to hit me?"

Gong Mao clenched his fists.

Gong Bai turned around and looked at Yu Xinran. He said anxiously, "Are you alright?"

Yu Xinran pushed him away and squatted by the side of the road, crying.

When Gong Fei saw this, she didn't dare to do anything.

Yu Xinran's words made sense. It was true that she dared to fight Yu Xinran because of Gong Bai. If Yu Xinran was only the young miss of the Yu family, how could she be so presumptuous?

Now that Yu Xinran seemed to be dissatisfied with Gong Bai, she didn't dare to do anything. If Gong Bai and Yu Xinran broke up, she wouldn't be able to gain any benefits.

Gong Bai walked to Yu Xinran's side, bent down, and hugged her. "I'm sorry, Yingluo."
