

Ditsy Wife 861

Chapter 861 Leaving her in the wilderness

Yu Xinran punched him.

...

Gong Bai suddenly had an impulse to break up with her.

She had always been wronged by him. What right did he have to be with her?

But when the words reached his mouth, he couldn't say them. She would be very disappointed if they broke up, right?

She wasn't dissatisfied with him. She just didn't like Gong Ying.

He didn't like Gong ze either. Why did he have to sacrifice his love for Ye Fei?

He kissed Yu Xinran's ear and hugged her without saying a word.

Seeing that they didn't look like they were going to break up, Gong Fei suddenly became arrogant again. She snorted proudly and opened the door to get in.

Gong Bai and Yu Xinran both frowned when they heard the car door being closed.

Gong Gong sat in the car and took out his phone to play. After a few minutes, he saw the two people outside stand up.

She thought they were leaving, but they didn't get in the car.

Yu Xinran was making a phone call by the roadside. After the call, she chatted with Gong Bai.

Gong Fei glared at them and took out some chewing gum from her bag. She chewed on it while playing with her phone.

After an hour, she was a little sleepy. Suddenly, a car drove from the opposite side, turned around Yu Xinran's car, and stopped.

Gong Gong leaned against the window and looked at him in confusion.

Yu Xinran and Gong Bai pulled out the back seats of the car and got in. The car then drove away.

Gong Ying was stunned. He got out of the car and shouted at the exhaust, "What are you guys doing? Stop! Stop!"

"....."

"Bastard!" Gong Fei was furious. She took off her high heels and threw them forward, "Bastard Gong Bai! You're ruthless!"

They actually dared to abandon her? Throw her into the wilderness?

There was no one around, and there were no pedestrians or vehicles on the road. Gong Ying was a little scared. She picked up her shoes and returned to the car. The car keys were still there, so she could drive away.

However, she did not know how to drive at all!

Gong Fei was so angry that she kicked the car a few times.

What should he do now? She couldn't possibly spend the night here, right?

Gong ye took out his phone and was about to call his assistant to pick him up when he suddenly saw Wu lie's name.

When they were at Happy Garden, she had a good chat with Wu Huang and even exchanged phone numbers.

She smiled smugly, "it's a blessing in disguise."

She dialed Wu Li's number and said, "young master Wu, I'm Fei Yan, can you help me with something? My car broke down on the road, Yingying!"

After hanging up the phone, Gong ye thought proudly, " Previously, he was still thinking about how to hook up with this Wu lie. Now that it was a godsend-a man and a woman alone in the middle of the night, they would naturally whine hehehehe.

After Wu lie arrived, just as she had expected, the two of them were in love. Not long after, they started a fire. They did not even have the time to leave this place before they started fighting in Wu lie's car!

.....

The car stopped at the foot of Gong Bai's building. Yu Xinran and Gong Bai got out of the car together and thanked the driver.

This was Yu xinzhuo's driver, and the car was also Yu xinzhuo's.

The two of them turned around and went upstairs. After they entered the house, they threw their bags on the sofa and complained to Gong Bai, " That's all I have to say today! I can't get along with Gong Fei. I won't give in to her in the future! It's not like I'm going to spend the rest of my life with her, so it doesn't matter!"

"Alright, whatever you say." Gong Bai nodded.

He didn't want her to suffer for him and suffer in Gong Gong's place.

Yu Xinran looked at him. I know she's your sister. You can't get rid of her in this life. However, there must be a bottom line for everything! In the future, she and I will mind our own business. If she doesn't provoke me, I won't do anything to her! If she dares to cross my bottom line, I won't be polite with her!"

Chapter 862 What right did she have?

"Alright," he said. Gong Bai still agreed in a kind tone.

...

Yu Xinran was stunned. you don't mind? "

"I don't mind,"

but she's your sister after all. Do you think I ...

"It's not your fault." Gong Bai said hurriedly, " she was in the wrong. I'll be very grateful if you can control her.

Yu Xinran frowned, "who wants to care about her?" Offending people for no reason! My discipline fees are very expensive! In the future, when I discipline my children, I can easily discipline them to become Dragons and phoenixes. What right does she have?"

Gong Bai fell silent. Why did Yingluo's words make him a little uncomfortable?

After a moment, he smiled in relief. So, he didn't need to care about her. I know that you've been tolerating her because of me. But I've already given you very little, I don't want you to suffer this kind of grievance again."

“It’s nothing for me to be wronged.” Yu Xinran said, “ I hate her for not knowing what’s good for her! I don’t want to waste my time on such a person.”

“I understand,”

Yu Xinran took a deep breath. Seeing his sad face, she threw herself into his arms. “Alright, Yingluo, don’t worry about it. I’ll buy her a few things tomorrow to calm her down ...”

Gong Bai pushed her away abruptly and asked,“why?” Didn’t you just say ...”

“Destroy it to avoid disaster! Otherwise, she’ll definitely bother you!”

“Xinran! You don’t have to do this-”

“I know you don’t want me to spend money! But to me, money is the most useless thing. The Yu family only has money left! If I don’t use money to solve a problem that can be solved with money, do I have to spend my own effort?”

Gong Bai was at a loss for words.

She was right. To her, money was useless, but mental strength was priceless. What right did Gong Bai have to make her work hard?

Gong Bai found that the words she said when she was angry had gradually revealed her true thoughts. She looked down on Gong Bai and didn’t put the poor in her eyes.

This discovery made him a little flustered.

He knew that he had no right to criticize her, but this was the difference between them.

It turned out that no matter how compatible people were, their thoughts and understanding would be different.

She was usually too gentle, so he didn't notice. She didn't have to do this if no one provoked her.

Gong Jie had really angered her today ... No! He had angered her a long time ago, but she had been holding it in and only exploded today.

In the past, she was gentle, well-mannered, and generous. He had even thought that she would never lose her temper.

But she was the young miss of the Yu family. How could she not have a temper? However, the Yu family had taught her too well, so she never lost her temper easily. Moreover, she respected her status, so not many people dared to make her angry.

She was right. The anger she had suffered in the past 20 years was not as much as the anger she had suffered from Gong Gong.

She was high and mighty and had the right to not be wronged. Why did Gong ye offend her like this?

For him? He was not that important. Even if it was important now, it would not be forever.

If Gong Ying or the others around him continued to be so ungrateful, his weight in her heart would gradually wear away and become lighter and lighter until he disappeared.

.....

Zeng Shuai walked into the company and said to his Secretary, "Get Cindy to my office!"

Seeing that he didn't look too good, the Secretary agreed obediently and immediately called Cindy's agent.

Cindy didn't expect Wu Yunyun to be right!

She walked into Zeng Shuai's office excitedly, but before she could speak, Zeng Shuai asked, "Tell me, were you crazy yesterday?"

Chapter 863 You're coming with me to find BOSS now

Cindy looked at the door and lowered her voice. "No one else will hear what we're saying, right?"

...

CEng Shuai narrowed his eyes, his face full of anger.

Cindy felt that she could not delay any longer. Otherwise, Zeng Shuai would kill her before Sheng nanxuan could!

when I was in shantagamma, I was caught and taken to a laboratory in the desert," she said quickly. but a sister in red rescued me. She told me to find Sheng nanxuan!

Zeng Shuai stood up immediately. He was too fast, and the chair behind him fell to the ground.

"A laboratory? A red shirt?" He glared at Cindy and roared, "why didn't you say so earlier?!"

I'm afraid," Cindy said weakly. I think it's a big deal and we should keep it a secret. I can only tell you when I see Sheng nanxuan.

you ... Zeng Shuai was so angry that he walked out directly. forget it. Let's go find the BOSS now!

what?" Cindy asked nervously. he won't kill me, will he?"

“Don’t worry! If what you said is true, he will definitely not kill you.”

Cindy immediately heaved a sigh of relief.

Zeng Shuai had been informed last night that Sheng nanxuan would be going to Italy today. He looked at the time and drove to the airport. When they arrived at the airport, the plane had just taken off.

He looked up at the sky helplessly and asked Cindy, “did you bring your identification?” We’re going to buy plane tickets now.”

Cindy’s face changed, and she said in a low voice, “but my id is fake, Yingluo.”

“Didn’t I get you a new ID?”

“Isn’t that Yingluo a fake too?”

Zeng Shuai choked on his words and said through gritted teeth, that’s still more real than yours. It’s no problem to leave the country!

.....

The car drove into the castle, and Sheng nanxuan, Gong mo, and Tian Cheng got out.

It was not Tian Cheng’s first time here, but she still found it unbelievable when she saw the castle.

She now had a feeling of ‘there’s meat to eat if I follow my cousin’!

Following Gong mo, she went to the broadcasting studio of the National television station, watched a live concert, entered a Manor-like villa, learned how to ride a horse, and lived in an ancient European castle. This was something that she had never dared to dream of before! Would there be more in the future?

When Gambino walked over, she immediately lowered her head and greeted him respectfully.

“Let’s go. Your mom is getting impatient.” Gambino said to Gong mo.

Gong mo nodded and walked in with Tian Cheng.

Sheng nanxuan carried Hu Zi and followed behind. Hu Zi had already fallen asleep. He bit Sheng nanxuan’s shoulder and smacked his lips, drooling.

Walking into the living room, Shan Rong, who was on the sofa, stood up. “You’re tired, right? Go and rest first.”

“I’m not that tired.” I’m here to see you first, ” Gong mo said with a smile.

“Then, you can take a look.” Shan Rong opened her arms and wanted to turn around, but she was powerless.

Seeing that Hu Zi had fallen asleep, she hurriedly asked someone to carry him into the bedroom and asked Gong mo to have dinner.

“Didn’t you say you’ll be here in two days?” she asked while they were eating.

if I miss you, I’ll come earlier ~”Gong mo said coyly.

“When do you plan to go back?”

“At least until you’re done with your confinement. Cheng Cheng isn’t in a hurry. She’ll only start school in September. We’ll go back at the end of August!”

Okay, okay, okay, Wanwan. dan Rong nodded happily and asked Tian Cheng, " how did you do for your exam? "

"The results aren't out yet." Tian Cheng said, " I've told my mother. She'll help me get my report card and the admission Notice.

"That's good. You can relax and play here. Italy is so beautiful, there are so many famous places of interest everywhere, go out and see more!"

Chapter 864 Goodbye, Cindy

"Alright!" Tian Cheng was also happy to see more and gain more knowledge.

...

After two days, Gong mo and the others got over their jet lag and went out with Hu Zi.

Taking advantage of the fact that dan Rong had not given birth yet, they decided to go to a place further away to play for a few more days. When dan Rong gave birth, they would not leave the castle and would stay by her side.

Gong mo and Tian Cheng took photos along the way with their cameras. Tian Cheng did not know how to use an SLR camera, so Gong mo taught her step by step.

Tian Cheng looked at the photos she had taken with Gong mo and realized that Gong Mo's photos were simply works of art, while her Kasaya had only recorded the scene as it was.

She said enviously, "cousin, you're amazing!" He's a real photographer!"

"What photographer? Did you forget what I studied in college? Photography is a compulsory course, so it's only natural that I'm better than you when you just learned it. "

“But I think cousin is also a talented person. Even if I learn it for a few years, I might not know how to film it.”

“Mom, mom ...”

Under the Leaning Tower of Pizza, Hu Zi was riding on Sheng nanxuan’s neck and shouting at them.

Gong mo raised his camera and took a picture of the father and son.

Tian Cheng stepped back and took a picture of the three of them.

Gong mo laughed, “it’s just like the saying,” you stand on the bridge and look at the scenery, but the person looking at the scenery is looking at you from upstairs.” I’m taking pictures of others, and the person taking the pictures is also taking pictures of me. ”

“You even took a picture of zheli?” Sheng nanxuan walked over.

Gong mo wanted to kick him, but he ran away with his Tiger. “Hu Zi, let’s run! Mommy’s showing off!”

hahaha! Hu Zi shouted happily.

Gong mo ignored him and continued to take photos of the tourists and scenery.

After a while, Sheng nanxuan ran back with Hu Zi in his arms and put him on the ground.

mom-” Hu Zi ran to Gong Mo’s side.

Gong mo passed the camera to Sheng nanxuan. come here. Take a beautiful picture of me.

“This is a little difficult.” Sheng nanxuan said.

“Why?” Gong mo was displeased.

“Because even the best camera can’t capture your beauty.” Sheng nanxuan’s sweet words came out of his mouth again.

Gong Mo’s face turned red and he turned around shyly.

Tian Cheng said in her heart, ‘please let me eat dog food in peace for a while.’

They played until the end of the month and returned to the castle. As soon as they got out of the car, they saw CEng Shuai walking over.

“What are you doing here?” Sheng nanxuan frowned.

“Oh my God.” CEng Shuai looked back.

The bare-faced Cindy stood in the corridor. She was slim and elegant, and she had a touch of moving grace.

Gong mo stood beside Sheng nanxuan with Hu Zi in his arms. He seemed a little unhappy.

“I hope your explanation won’t make me angry!” Sheng nanxuan said angrily to CEng Shuai.

Gong mo glanced at Sindy before entering the house from the other direction with Hu Zi and Tian Cheng in his arms.

Tian Cheng was carrying some of the things she had bought during her trip, including food and entertainment.

The two of them went straight to dan Rong's room and took out the food.

"You're so filial! Do you still remember that I'm craving for food?" Shan Rong casually picked one up and took a bite. Hu Zi also sprawled on the table and started gnawing.

"How long has commander CEng been here?" Gong mo asked.

"I came the day you left. When I told him to call you, he said that there was no hurry and that he would wait for you to come back. It seems like this is the first time you've gone out to play like this. If you can, then don't disturb me."

Gong mo smiled and hugged her arm. "Thank you, Mom!"

let go, let go of Qianqian," dan Rong shouted. my body is very heavy now, are you still pressing on me?"

"Mom doesn't want me anymore now that I have a little brother," Gong mo pouted.

Chapter 865 Her poor brother did not dare to come out!

"Who doesn't want you?" Dan Rong raised her hand, wanting to hit him. if I don't want you, I won't let you in!

...

Gong mo stuck out his tongue and picked up a tiramisu to eat. Seeing that Tian Cheng was looking after Hu Zi and not eating, she nudged her. "Eat this."

"I can't eat this, why did you bring it to me?" Shan Rong frowned.

There was wine and coffee in tiramisu, but she was pregnant and didn't dare to take a sip.

Gong mo smiled and said, "I'll eat it in the future."

"Mom." Hu Zi looked at her. I want ...

grandma didn't eat it, so you shouldn't eat it either. Be good~" Gong mo touched his face.

"Go and get miss Xin," Shan Rong suddenly said to the servant.

"Miss Xin?" Gong mo was taken aback.

it's Chini ~"Shan Rong said, " don't you like her songs? She came here with Zeng Shuai and has been with me these days. She's a cute girl."

Tian Cheng glanced at Gong mo. Gong Mo's expression was calm.

"Is she Zeng Shuai's girlfriend? But I don't think the two of them look alike! But if they're not a couple, why are they here together?" Shan Rong asked.

"Why do you care about this?" Gong mo asked.

"I'm just bored. When you see her later, don't be so happy that you're flying!"

"I won't!" Gong mo laughed. I've already given birth to a child. Am I such an unstable person?"

"If you were mature, you wouldn't be chasing after stars at such an old age."

"Why am I so old? Is he as old as you?"

“You think I’m old?” Shan Rong’s face turned serious.

“How could this be? If you’re old, how are you going to have children?” Gong mo said with a smile.

Tian Cheng secretly laughed. Hu Zi poked the tiramisu with his finger and stuffed it into his mouth. He lowered his head and laughed with her.

“Madam, miss, miss Xin is here.” The servant said.

The few of them looked over, and Cindy walked over with a smile. She greeted everyone, “Mrs. Gambino, Mrs. Sheng, miss Tian.”

“Please have a seat,” Gong mo said with a smile.

Cindy sat down uneasily. Gong mo pushed a tiramisu in front of her and said, “This tastes good.”

“Thank you,” he said. Cindy picked up her silver fork hesitantly. She didn’t dare to put a spoonful into her mouth until she saw Gong mo eating.

Shan Rong looked at them and said with a smile, “three great beauties, what a feast for the eyes!” It’s a pity that I’m giving birth to a son. I don’t know what he’ll look like when he grows up.”

“You still need to worry about this?” Gong mo pouted. you’re so beautiful and dad is so handsome. Plus, he’s of mixed blood. He’ll definitely be handsome!

“What if there’s a genetic mutation?”

“It’s a matter of minutes ~”

Shan Rong thought about it and agreed. She nodded and said, “it looks like we don’t have to worry about looks. It just depends on whether there’s something wrong with their brains!

“.....”

Gong mo felt that her poor brother wouldn't dare to come out if she was so worried!

Hu Zi bit on the chocolate and blinked at Shan Rong.

“My grandson is pretty and smart. He's definitely better than your uncle!” Shan Rong pinched his face.

Hu Zi didn't know what she was talking about, but he could feel that she was complimenting him. He shouted happily, “Grandma!”

“You're not allowed to eat this.” Gong mo took a tissue and dug out the chocolate from his mouth. your teeth will go bad if you eat too much.

Hu Zi was unhappy and snuggled into Tian Cheng's arms.

I really can't eat anymore, ” Tian Cheng said. Auntie ate too much sugar when she was young. Now, her teeth hurt.

Gong mo threw away the tissue and asked the servant to bring a milk bottle filled with water. He then stuffed it into Hu Zi's hand.

Chapter 866 Lily asked me to look for you

Hu Zi bit his pacifier, looking very unhappy.

...

Gong mo patted his head and looked at Sindy. “Miss Xin, what's your purpose here?”

I'm Yingluo. Cindy put down the dessert in her hand. I have something to tell you and Mr. Sheng.

She didn't dare to talk to Mr. Sheng in private, or she would be misunderstood again.

"Looking for him and my Zhenzhen?" Gong mo was stunned.

that's right, Yingluo. Cindy smiled in a friendly manner, hoping that she would feel her kindness! Sob. She really had no intention of seducing Sheng nanxuan.

"Why are you looking for them?" Shan Rong asked curiously.

this coward. Cindy didn't know.

miss," Jason said, walking in. BOSS and Mr. Sheng want to see you and miss Xin.

Gong mo was stunned. How did Gambino get involved? Could it be that what happened during her birthday was a misunderstanding?

However, when she recalled Sheng nanxuan saying that Cindy was an assassin, she became alert again.

If she was an assassin, she could not be allowed to stay with her mother and Hu!

She hurriedly stood up and said to dan Rong,"Then we'll head over first."

Cindy followed her, and the two of them left the room.

"Are they okay?" Shan Rong asked Tian Cheng, puzzled.

Tian Cheng thought for a moment and said, "it should be fine, right?" I'm not too sure."

.....

Gong mo and Cindy walked to Gambino's study room and saw Zeng Shuai.

CEng Shuai gave Cindy a reassuring look, and Cindy immediately became nervous when she saw that he didn't intend to go in.

When she entered the study, there were only Gambino and Sheng nanxuan inside.

Gong mo hurriedly sat beside Sheng nanxuan and held his arm nervously.

Sheng nanxuan looked at her suspiciously and saw that she was looking at Cindy warily. She probably remembered what he had said and suspected that Cindy was an assassin.

He, "Yingluo."

I heard that you were taken to a lab in the desert and then saved by a woman in red, "he said to Cindy. is that true?"

Gong Mo's eyes widened in shock as he turned to Cindy.

Cindy nodded. I really didn't mean to seduce you, Mr. Sheng. Lily asked me to come to you. she said.

sit down. Sheng nanxuan pointed at the sofa. sit down and talk.

Cindy thought, "it seems like this is really important, the night God actually invited me to sit!"

She sat down and told him about how she had been taken to the laboratory and how Yu qinghuan had saved her.

“Where is the laboratory?” Gambino asked.

It’s near Santa gamma. It’s about four hours by car.

“Where’s Lily? He didn’t come with you?” Sheng nanxuan asked.

“She left after she sent me out of the desert.”

“Where did he go?” Sheng nanxuan asked anxiously.

Cindy shook her head and said, “ However, she told me to give you something.”

“What is it?”

“It’s in my room. I’ll go get it,” She stood up.

“Hurry!”

Cindy immediately ran out of the study.

Gambino said, “the United Nations medical conference is about to begin, right?” We have to find a new experimental base immediately, so that your uncle’s proposal can be easily passed.”

Sheng nanxuan nodded. I’ll contact my uncle immediately. I’ll discuss the details with him.

The United Nations was going to hold a major medical conference next month, and a lot of medical-related matters would be discussed at the conference.

Yu Qingliu had prepared materials for the FARC and the dual S project. He was going to apply for the United Nations to seal up the organization that violated humanity at the meeting. He also wanted to call on all medical workers to oppose the dual S project.

Now that they had found a new FARC experimental base, it was living evidence for what Yu Qingliu was about to do!

Chapter 867 Because I have no money on me

Cindy came back with the gift box from the birthday party.

...

She opened the box and took out a roll of gauze.

The blood on the gauze had dried and turned black. The entire piece of gauze had changed color and looked very dirty and old.

“What is this?” Sheng nanxuan took it in confusion.

before Lily left, she cut her finger and dripped her blood on it. I don’t know what she meant by that. Cindy said.

Sheng nanxuan’s fingers froze and he clutched the gauze in his hand.

He lowered his head and stared at the gauze in a daze. What did she mean by teasing him?

Gong mo stretched out his hand and pressed on his arm to comfort him. He patted her hand as a response.

He asked Cindy, " since she asked you to come to me so early, why didn't you come directly? " Why did you join some singing competition again?"

If she had come earlier, he would have sent people to chase after Yu qinghuan. Now that a few months had passed, how was he going to find her? Moreover, the United Nations Conference was about to be held. In such a short time, it was not known if they could take down the FARC.

Cindy bit her lips and said with a bit of grievance, " "Because I don't have any money on me. I have nothing except a car. The car ran out of gas as soon as it entered the city."

Sheng nanxuan, Gong mo, and Gambino chimed in, "Yingluo."

This was completely unexpected!

Yu qinghuan probably didn't think of this problem. Cindy, who had been living in shantagamma all this time, didn't even think about these details. She just stupidly drove a car out of the desert and left.

in order to keep coming, " Cindy said, " I had to trade the expensive off-road vehicle for an ordinary van. The man gave me some extra money to buy gas. However, this didn't last long. When the van arrived in Xizha city, they had spent all their money and couldn't afford to buy gasoline. At that time, we were still very far from the capital. I was in despair. I want to work, but I don't have any documents. I happened to see the preliminary auditions for the singing competition and heard that those who made it through could come to Beijing, so I decided to give it a try. I didn't expect that I would really be able to do it!"

At this point, her face turned red and she was a little excited. after the promotion, the Jie Ji group asked me to get my ID to register. I sold the van and got someone to make a fake ID!

"Fake ID?" Sheng nanxuan looked at her in surprise. He didn't expect this little girl to be so bold and dared to do what she thought.

I'm a refugee, " Cindy smiled awkwardly. I only have a refugee id, but I didn't bring it with me when I left it in shantagama. Yingluo, please don't tell anyone that I'm a refugee, or I'll be sent back to shantagama."

I'm afraid your fake ID isn't safe," Sheng nanxuan said. I'll get someone to make you a new one.

thank you, thank you," Cindy nodded hurriedly. thank you, thank you, Qingqing, very much! She didn't know if the one that CEng Shuai had made for her was enough, but it was good that night God could personally ask.

"I'm more or less thanking you." Sheng nanxuan opened the gauze and saw the blood that had turned black.

What's that supposed to mean?" Cindy asked curiously.

"It's nothing," Sheng nanxuan rolled the gauze back.

After returning to his room, he gave Yu Qingliu a call, and Yu Qingliu came over the next day.

Sheng nanxuan handed him the gauze. mom wants me to do a DNA test with her, right?" he asked. It's been so long, can you still test it?"

Yu Qingliu took the gauze and looked at it. "As long as the DNA tissue is not destroyed, it can be tested. I've brought the hair of the old man and the old lady here to compare."

"Alright," he said.

Yu Qingliu suddenly frowned and thought for a moment before saying, "actually, you've already confirmed that she's your mother. Why do you still want to test her?"

Chapter 868 Shan Rong giving birth

confirm if Cindy is telling the truth. The location of the base has been roughly marked. As long as the DNA matches, we'll immediately attack there!"

...

“What if it doesn’t match?”

Sheng nanxuan shook his head and said, “that’s not possible.” I guessed that, first, Cindy was telling the truth, and second, mom was being controlled by the FARC, and the latter had deliberately sent Cindy to lie to me. But if that’s the case, there’s no need for her to go sing, right?”

Yu Qingliu was speechless for a while and said, “if she’s a spy and goes to sing, then Yingluo will be in a lot of trouble.” However, it could also be to get close to commander CEng and destroy your power.”

so, when you go to the desert, be careful, just in case.

Yu Qingliu nodded. Sheng nanxuan had considered things comprehensively, so there should be no problem.

Sheng nanxuan was silent for a moment before saying, “I’ve already sent someone to look for her according to Sindy’s instructions. I hope there’s some news, but she’s always coming and going.”

“She’s not taking the initiative to Find Us Now because she doesn’t want the FARC to hurt us. Will she appear when the FARC is finished?” Yu Qingliu said with uncertainty.

yes. Sheng nanxuan was not sure.

Yu Qingliu sighed, “where’s Chini?” Where did he go?”

“She returned to the country with CEng Shuai. I asked CEng Shuai to monitor her first to see if there’s any problem.”

“Alright. I’ll find the institution here to test your DNA first, and then go to the meeting after your mother-in-law gives birth.”

Sheng nanxuan was stunned. can't he be wrong about the sequence of events? " he asked.

What if dan Rong gave birth after the meeting?

"If you're wrong, your mother-in-law will be in danger!" Yu Qingliu said, " she's an advanced maternal age. Once the expected date of delivery arrives, we'll cut her if we can't go smoothly!

Sheng nanxuan felt that his tone was a little domineering.

Fortunately, the little guy in dan Rong's stomach was not someone who liked to be late. He came out on the first day of his expected delivery.

When Shan Rong entered the delivery room, she also experienced a shocking event.

She did not have any problems, but Gambino looked like he was about to die. He was worried that the person who went in would come out as a corpse, and he did not feel good.

Gong mo and Sheng nanxuan couldn't persuade him. He was burning with anxiety outside the delivery room. In the end, Yu Qingliu brought him into the delivery room.

Yu Qingliu wasn't in charge of the delivery, so she just watched from the side, just in case.

When Shan Rong saw Gambino enter, she asked while panting,"What are you doing here? Get out-"

"I'm looking at you, Yingluo." Gambino held her hand."This is our child, Yingluo."

"Don't tell me it's me and someone else's ..."

The doctor Who delivered the baby shouted in Italy. She cried out in pain, grabbed Gambino, and asked, " "What did he just say?"

Yu Qingliu crossed her hands and coldly said, "Save your energy and give birth to the child! If you want to quarrel, quarrel after giving birth!"

ah ... dan Rong screamed in pain and glared at him. She grabbed Gambino and said, "it hurts so much ...

I'm sorry, Yingluo! Gambino was interrupted by Yu Qingliu halfway through his sentence.

"It's not like it's her first time."

it's more painful than the last time! Shan Rong roared.

Gambino hurriedly wiped her sweat.

Yu Qingliu said, "who told you to make love?" You've brought this upon yourself, you can't live ..."

"Get out!"

"Throw him out ..."

Gambino and Shan Rong shouted at the same time.

Then, Yu Qingliu was dragged out of the delivery room by the nurse.

"What's wrong?" Gong mo and Sheng nanxuan asked in a daze.

Tian Cheng hugged Hu Zi, her face full of worry.

Hu Zi puffed up his face and called out worriedly, "grandma!!!"

Chapter 869 Sheng nanxuan, you will be mine forever

Yu Qingliu swung her arms and said to the delivery room in dissatisfaction, "Is there anyone like you? Call out the doctor?" She then turned to Gong mo and said, "she's fine. Your mother is very angry. She's fine.

...

"Yingluo, is it?" But your appearance makes me very worried.

Two hours later, Shan Rong gave birth to a boy safely.

Gambino had already given him a name-Simon.

.....

When Shan Rong was sent to the ward, Gambino, Gong mo, Sheng nanxuan, and Tian Cheng all followed.

"What are you all doing here?" Shan Rong asked anxiously. Are you not going to care about the child?"

the nurse is taking care of the child. We'll go see you first. Gong mo said.

"What's there to see about me?"

Although Shan Rong said this, she was very happy in her heart. No one had forgotten about her and regarded her as more important than the child. Anyway, the child was still young and didn't know anything. Let's just leave him hanging first!

Simon thought, "Yingluo was despised by her mother the moment she was born. If I had known, I wouldn't have reincarnated!"

Gong mo and the others chatted with Shan Rong for a while. Since Shan Rong needed to sleep and rest, everyone went to see the child.

When they reached the outside of the greenhouse, Hu Zi leaned on the glass and shouted excitedly, "Little brother! Little brother!"

"It's uncle." Gong mo corrected.

Hu Zi turned around, thinking that Gong Bai had arrived. He looked around for him. "Uncle? Uncle?"

Uncle?

He looked at Gong mo angrily and thought, "Mama, you lied to me!" The baby was not happy!

Gong Mo's face darkened as he thought, what should I do? Gong Bai used to be his only uncle. Now, a baby was his uncle. How could he accept that?

No, acceptance was secondary. The important thing now was to make him understand.

Gambino was still thinking about dan Rong. After a while, he said to Gong mo, "I'll go back to see your mother first."

Gong mo nodded his head and looked at the tiny Simon. You've been despised by your father!

Simon thought, "Qingqing, whoever dares to say that he's an expert in reincarnation, he'll get angry with them!" He was despised by his parents on the first day of his birth, and he was even ridiculed by his sister. He was simply a baby that no one had high hopes for!

Seeing that Gambino had left, Tian Cheng whispered to Gong mo, "Uncle is so good to second aunt."

Gong mo thought to himself, "of course it's good. Someone owes mom for more than 20 years."

She coughed lightly. I'm relieved that he's good to mom. At first, I was really afraid that he would forget about my mom once he had a child.

"Are you at ease now?" Tian Cheng said with a smile.

"Yes, yes." Gong mo nodded and pointed at Simon. mixed-blood children are really beautiful! I really want to give birth ..."

Tian Cheng was about to agree when Sheng nanxuan, who was beside her, said angrily, "What?"

Gong Mo's body stiffened.

Tian Cheng finally realized what Gong mo had said. She snickered and ran in another direction with Hu Zi in her arms.

Gong mo turned around and looked at Sheng nanxuan. He smiled guiltily. "Hehehe, Yingluo, I said I'm here to play. In this life, I'll give birth to your children ~"

"It's good that you know!" Sheng nanxuan pulled a long face. if you want to have mixed-blood children, maybe in your next life! No, I won't let you give birth in the next life! You'll be mine for all eternity!"

Gong mo mumbled, "maybe you won't be a Chinese in your next life?" Won't You Be able to give birth then?"

Sheng nanxuan frowned, 'are you so sure? What if I'm not a Chinese and you're not? What if you and I were reincarnated in the same country and we were of the same race?"

uh, hehe. Gong mo was conflicted. Was it so difficult to have a mixed-race child? Not even in the next life?

Sheng nanxuan looked at her conflicted face and coughed. He touched her hair. "Alright, I'm done. If you want to have children, I can bribe God when I reincarnate and ask him to arrange for you to live in different countries."

Chapter 870 Things are not going well

"Do you believe in God?" Gong mo asked in confusion.

...

He never believed in God! He only believed in himself!

"Jade Emperor, is that enough?" he said helplessly.

"It seems like even the Jade Emperor didn't believe it?"

Sheng nanxuan was speechless. He gritted his teeth and asked, "Then what do you want?"

"Uh, Yingluo, what I mean is, the next life is too far away, we should cherish this life!" Gong mo hugged his arm.

He snorted in satisfaction, "that's more like it ~"

Gong mo stuck out his tongue and said in his heart, "You're so hard to please!"

The next day, dan Rong was discharged from the hospital and went home to rest in the castle.

Yu Qingliu went straight to the United Nations for a meeting. Before she left, she said, "If everything goes well, I can still make it back in time to drink the full moon wine."

However, things did not go smoothly.

After he arrived at the United Nations, he submitted relevant information about the FARC.

However, medical scientists from all over the world had been arguing about whether to oppose the "dual S" experiment, and there had been no results for a long time.

Yu Qingliu was busy quarreling with those people every day and had no time to drink at Simon's one-month celebration.

On the eve of Simon's full moon, guests from China arrived one after another.

There were only a few guests in China, mainly Gong Bai, Yu Xinran, Tang Xinxin, and Wu Di.

Yu Xinran and Wu Di had brought a lot of gifts for their family.

"Everyone misses mom. Mom will definitely be very happy." Gong mo said.

"I miss Auntie, but I miss the little darling even more." take us there! Tang Xinxin said.

Gong mo snorted, "you actually care more about treasures?" I'm going to tell mom that you don't like her anymore!"

"Other people's children are the best! Even if you say that, Auntie will still like me as before and won't blame me!"

you can continue to be smug. Gong mo snorted and led them to the nursery.

The nursery was right next to Shan Rong and Gambino's room, so he naturally went to see Shan Rong.

When Shan Rong heard that the Yu family and Wu family had both sent gifts, she said to Yu Xinran and Wu Di, "Help me say thank you to your family. You're too polite. You didn't even come and you're giving me a gift."

"We're relatives and friends. It's only right." Yu Xinran said, "besides, the child is one month old. Naturally, I have to give her my blessings.

Shan Rong asked, "have you seen the child yet?" Let's go, I'll Take You There!"

He walked into the nursery and saw Simon lying in the cradle, sleeping very soundly.

His eyelashes were long, and his skin was as white as snow. He looked like an angel.

Everyone touched his face affectionately, their movements especially gentle, for fear of breaking him. She couldn't help but lower her voice so as not to disturb his beautiful dream.

"Uncle?" Hu Zi, who was in Gong Bai's arms, looked at him with a conflicted expression and then at Simon.

Over the past month, Gong mo would correct him and call him uncle every time he saw Simon. Naturally, he remembered it. But the little brain still couldn't react. Why did he have an uncle? And so small?
