Chapter 881 Yu Qingliu and ding dang's engagement

After they arrived at the airport, Tian Cheng sent her aunt to board the plane.

...

"Study hard, okay?" his aunt reminded him. Your school is full of pretty girls and handsome guys. I heard that some of them are unruly. Don't hang out with them."

"I know," Tian Cheng said impatiently, " you should work hard too. If you feel tired, spend your savings to live. Anyway, I'll start working in a few years. I'm not afraid of spending all my money. I'll support you then. Don't mix around with those women. Don't touch the money. If someone asks you to invest or something, you must tell me! There are many scammers nowadays. If you get scammed of all your money, I won't care about you!"

"Alright, alright, Yingluo, I know!" His aunt ran towards the security check. go back. Don't send me off!

"Be careful on the road." Tian Cheng said, " there won't be a bus when you get off the plane. Don't be stingy with the money. Get a taxi to send you to your house. Give me a call when you get off the plane or when you're home."

"Good, good, good!" Her younger aunt was afraid of her. seriously, you have to say ten things when I say one. Who's the mother and daughter between us? "

"It's good that you know you're my mother." Tian Cheng said helplessly.

Little aunt was stunned. This time, she really didn't dare to provoke her.

.....

One month later, Mid-Autumn Festival.

Yu Qingliu and Ding Dang got engaged. As Ding Yuan was busy canvassing for votes, he didn't dare to make a big deal out of it. He only invited his closest relatives and friends and held it in the Yu family villa in a low-key manner.

Sheng Nanxuan and Gong Mo went over after breakfast. Everyone in the Yu family was there except for Yu Qingliu.

Coming! Wu Surong saw them and happily reached out to hold Hu Zi in her arms.

Great-grandma ~"Hu Zi took the initiative to greet everyone, and everyone liked his soft and sweet voice.

Wu Surong hugged him and rubbed him. She said happily, our little tiger has grown up! Next year, he'll be your granduncle's Flower Boy!

"Has the wedding date been set?" Gong Mo asked.

"May next year. The exact date hasn't been set yet."

"Where's uncle?" Sheng Nanxuan asked.

"He went to pick up Ding Dang and the others,"

After more than an hour, Yu Qingliu brought Ding Dang and the Ding family's relatives over.

The elders of the Yu and Ding families were very happy.

To the Yu family, Yu Qingliu's marriage was a blessing from their ancestors!

To the Ding clan, Ding Dang was a troublemaker. If they didn't seize this opportunity, perhaps no one would dare to want her in the future!

In short, it was a joyous and harmonious scene.

As it was the Mid-Autumn Festival, everyone had to return home for a reunion, so the ceremony was held at noon. After the guests finished their meal, they all left before evening.

Gong mo and Sheng nanxuan stayed behind to celebrate the festival.

Yu Xinran didn't stop Gong Bai from leaving. He planned to look for Tian Cheng at school. If she was free, he would take her out for dinner that night.

Ding dang also stayed behind. Her parents had gone home and would be visiting her grandmother at night. She would not be lonely without her.

Seeing that everyone was here, Wu surong suddenly felt like she had a house full of children and grandchildren.

After looking at everyone, she finally pointed her finger at Yu xinzhuo, "It'll be your turn after your uncle gets married. You're not young anymore!"

When Yu Qingliu and Yu xinzhuo had a child, they would truly have a house full of children and grandchildren!

Yu xinzhuo felt like he had been killed. He suddenly had an unkind thought. I hope Yu Qingliu never gets married!

Wu surong glanced at the others. There was still Yu Xinran who was not married.

Yu Xinran's body tensed up and she didn't dare to look at her.

Wu surong chuckled and let her go. Anyway, she was getting a boyfriend, and with a boyfriend, she had someone to marry. There was no need to rush.

Chapter 882 The package from Country M

aiyohoo! Wu surong hugged Hu Zi and stroked his back a few times. She sighed and said, "if only qinghuan was here, we would all be here!"

...

Everyone's expression changed slightly, and they did not know how to respond.

Yu Zhengming said, "why are you sighing every day?" Since nanxuan has been found, qinghuan will return if she's still around."

Wu surong nodded, but she was still worried. I'm already so old, how can I wait?

.....

On the way home, Gong mo asked Sheng nanxuan, "Is there still no news from mom?"

Sheng nanxuan shook his head. if she's with Carter, he's just an ordinary person. He'll use his id wherever he goes. It'll leave traces on the internet. However, she comes and goes without a trace, so it's hard to find her. "

but Carter's gone too. Could they still be on the way? "

Sheng nanxuan nodded and said, "that's possible." I've already sent people to track Carter down, hoping to find him and get some clues from him."

Half a month later

Gong mo was reading a novel on the sofa while Hu Zi sat beside him. He picked up a card and said, "One!"

yes. Gong mo nodded.

Hu Zi was unhappy and picked up another one."Two!"

"Alright," he said. Gong mo agreed.

Hu Zi was angry and continued to raise the card high. "Three!"

yes, yes, yes! Gong mo turned to the next page of the novel.

"Hmph!" Hu Zi threw the card away angrily.

Liar! He had clearly taken the same card, so how could there be two and three?

The walkie-talkie at the door rang. Gong mo raised his head and wanted to call sister li to pick him up, but he suddenly remembered that sister li had gone to buy groceries. He had no choice but to put down his book and stand up.

The moment she left, Hu Zi immediately picked up the book and stuffed it under the sofa!

Hmph, his mother ignored him when she had the book. He wanted to hide the book so that his mother would not be able to find it!

Gong mo picked up the walkie-talkie and a man appeared on the screen. Hello, is this Sheng nanxuan's home?"

"Yes." Who are you?" Gong mo looked at him in confusion.

The man raised a box wrapped in tape. I'm a staff member of the post office. There's a package for him here. It's from M Nation. There's no phone number on it, so I can only inform him like this.

Gong mo reached out to open the lock but withdrew his hand.

M Nation? A package? He had never heard Sheng nanxuan mention it before. He might be a liar!

What if he tricked her into opening the door and kidnapped her?

"Give me a moment, I'll be right down," Gong mo said.

She went back to the living room and picked up her phone. When she saw Hu Zi sitting obediently on the sofa, she could not help but wonder.

When did Yingluo become so obedient?

Hu Zi turned his head away with an expression that said, "I didn't do anything." He pressed his butt down hard. Press the book down! Don't let mommy find it!

Gong mo ignored him and dialed Sheng nanxuan's number. there's a man downstairs. He said that he's a staff member of the post office. He said that there's a package for you from M Nation.

Sheng nanxuan was stunned. you've been out shopping? "

"Why would I write your name on the internet!" Gong mo replied, "I don't know if he's telling the truth or not. I could only call you to ask. I was afraid that someone would trick me into opening the door.

you look smart ~"Sheng nanxuan laughed. tell him to wait. I'll go back now.

“Be careful,” She warned, “he’s downstairs. He might be a killer.

When Sheng nanxuan heard this, he became nervous. you’re the one who should be careful! Don’t open the door for anyone before I get home, understand?”

“I know.” Gong mo hung up the phone and didn’t pay attention to that person. He thought for a while and couldn’t stop worrying, so he ran to lock the door.

Chapter 883 There might be a bomb

Back in the living room, she sat on the sofa and suddenly didn’t know what to do.

...

Hu Zi sat at the side with a nervous expression. After a long time, he saw that she wasn’t looking for a book to read and looked at her in confusion.

“Mom?” Hu Zi stood up and leaned on her shoulder. mommy ...

Gong mo pulled him into his arms and asked, “What’s wrong?”

“Yingluo, I should be the one asking you what’s wrong.”

mommy, I was wrong, Yingluo. Hu Zi struggled out of her arms, lifted the sofa cushion, took out the book, and handed it to her with both hands.

Gong mo: “ what’s this brat doing? ” Why did he put her book under the sofa?

“Wuwuwu, I won’t dare to do it again.” Hu Zi buried his face in her arms pitifully.

She put the book aside, picked him up, and asked, "Are you unhappy that mom ignored you while she was reading?"

Mhmm Mhmm. Hu Zi lowered his head in embarrassment. After a while, he nodded and looked at her timidly. mommy, I'm very good.

yes, you're very obedient. I love you the most. Gong mo threw this book aside in disdain. it can't be compared to my baby at all!

"Mother!" Hu Zi jumped into her arms excitedly.

Gong mo laughed heartily.

The doorbell rang and Gong mo carried him up. "Let's go and open the door ~"

When she reached the door, she looked through the peephole and saw that it was sister li.

It must be because he had locked the door from the inside, so sister li couldn't open the door.

She immediately opened the door and was surprised to see that there was another person standing next to sister li. It was the man who claimed to be a post office worker.

Sister Li said, "Madam, this is the parcel delivery man from the post office. I met him downstairs just now. He said that there was Sir's package, so I brought him up.

"Oh, Yingluo, I know." Gong mo was nervous. He placed Hu Zi on the ground and whispered to him, "go in quickly. Be good.

Hu Zi didn't understand. He hugged her leg and looked at the man outside curiously.

The man raised the package in front of her and said, "please sign here." Didn't he say he would come down immediately? I've been waiting for a long time!"

you! Gong mo took a step back and looked at him warily. show me your identification.

"What do you mean?" the man was stunned.

Sister li walked out after placing the dishes and asked in confusion, "What's wrong, Madam?"

I just asked Sir. He said that there was nothing from M Nation. Gong mo pointed at the man outside and asked, "is he an employee of the post office? Don't be a fake!"

"Yeah," sister Li said, stunned. He's the one who's been sending mail to the mailbox downstairs."

"Uh, Yingluo, is it?" Gong mo smiled awkwardly and signed his name on the paper.

The man put the package on the ground gloomily and said as he turned around, "There's a sick cat!"

Gong mo, "hehe."

"A cat with cat disease?" Hu Zi stretched his neck to take a look and followed suit.

"Come back here!" Gong mo pulled him back.

She closed the door and looked at the package on the floor warily.

"Do you want me to carry it in?" sister li asked.

"No need!" you can go ahead, " Gong mo said hurriedly.

“Oh, Yingluo, good.” Sister li went to the kitchen, full of doubts.

Hu Zi squatted on the ground and tried to touch the box.

Gong mo pulled her away. stay further away. There might be a bomb.

“A bomb?”

Hu Zi looked at her in confusion. What was that?

The baby didn’t understand at all, but he knew it was dangerous when he saw her expression. He immediately hid behind her and stuck out his little head to observe.

Chapter 884 A gift for Hu

Gong mo bit his lip and thought, “since the person who delivered the package is real, there shouldn’t be any problems, right?”

...

It was wrong! What if there was a problem with the person who mailed the package?

She immediately carried Hu Zi back to the living room. After a while, she heard the door open. She ran out and saw Sheng nanxuan entering.

Sheng nanxuan almost kicked the package. He looked at it and saw that it was from M Nation.

He looked at Gong mo and said, “didn’t I call you-”

“He sent it.” there shouldn’t be a problem, right? ” Sister Li said that the person was a delivery man at the post office.”

When Sheng nanxuan heard this, he squatted down in front of the package.

Hu Zi ran over and squatted in front of him.

Seeing that Sheng nanxuan didn’t respond, Gong mo guessed that there was no problem. He turned around to get a pair of scissors.

When she returned, she wanted to open the package, but Sheng nanxuan grabbed her. “Don’t move!”

Gong mo was shocked and didn’t dare to move.

Sheng nanxuan took the scissors from her hand and said, ” “Bring Hu in.”

Gong mo immediately carried Hu Zi back to the living room and placed him on the sofa. Feeling unsafe, she carried him back to the bedroom and said, ” “It’s right here, you know? Mom and dad will be here soon.”

Hu Zi nodded obediently.

Gong mo ran back to the entrance, ”Nan Xuan-”

“Be careful,” Said Sheng nanxuan. He lowered his head and pressed his ear against the package to listen for any movements inside.

“Is there really a bomb?” Gong mo asked nervously.

Sister li went to the living room to clean up the rubbish. This family was all mysterious.

After listening for a long time, Sheng nanxuan felt that there was no problem. He used a pair of scissors to carefully cut the tape on the surface of the box, and then slowly opened it.

“Eh?” Gong mo looked at the things inside in surprise.

It was a pile of children’s clothes and toys. They had obvious Chinese characteristics and were probably bought on the Chinese street in country M.

“You have friends in M Nation?” Gong mo looked at Sheng nanxuan. This was obviously a gift for Hu Zi.

Sheng nanxuan shook his head blankly, “I don’t know, Zhenzhen.”

“You don’t even know if you have any friends?”

“A friend will tell me, right? There’s a problem!” Sheng nanxuan reached out and pulled at the things inside.

There was no problem after he was done. He picked up the toys again, trying to see if there was something hidden in them.

Gong mo patted his hand and said, “don’t break it!” Eh? Could they be Candy’s parents? They’re in country M.”

oh, oh, oh. Sheng nanxuan felt that this was the only explanation, but he could not help but wonder. why did you send it now instead of earlier or later? ”

Gong mo also felt that something was amiss.

Although she had a good relationship with candy heart, she had not contacted her parents for many years. If they wanted to send it, it would be more reasonable to send it the year Hu Zi was born.

“Or maybe someone we know went to Country M to play and bought a box for Hu?” As Gong mo was speaking, he suddenly noticed an envelope at the bottom of the box. He picked it up and said, “it seems like the truth is here.

mom! Hu Zi’s voice rang out.

“I’ll go and take a look.” Sheng nanxuan got up.

Gong mo picked up the clothes and toys and put them back into the cardboard box. He then carried them back to the living room and placed them on the coffee table.

She picked up the envelope and looked at it through the light. From the feel and texture, it should be a card, right?

After opening it, two photos fell out.

She picked up the first one. It was the night view of the city, which was probably taken from a high place.

The second picture was of a woman’s back. She had long, curly hair, a white sun hat, a black windbreaker, and a pair of red high heels.

Chapter 885 Yu qinghuan, enjoy your new life!

Gong mo gasped and hurriedly went to find Sheng nanxuan. nanxuan-”

...

“What’s wrong?” Sheng nanxuan carried Hu Zi out.

“Look!” Gong mo placed the photo in front of him and pointed at the pair of high heels.

Sheng nanxuan was stunned for two seconds. He immediately put Hu Zi down and quickly went to the study with the photo.

you have a new toy, ” Gong mo said to Hu Zi. go and play.

Hu Zi ran into the living room, confused. He saw a box of clothes and toys and shouted happily.

Gong mo followed him to the study. Sheng nanxuan scanned the two photos into his computer and sent them to Fang Yang. “Find out where this is and where this woman is.”

.....

Half a month ago, M Nation.

The sun had just risen, and the peaceful streets gradually became lively.

In a room of a five-star hotel, the morning breeze blew the curtains, and a ray of sunlight entered the room through the gap.

On the gorgeous big bed, the quilt was arched. At the end of the bed, a pair of Jade-like feet were exposed outside the blanket. Her nails were painted bright red, revealing a strong sexiness.

Wu, Wu, Wu. the person on the bed turned over. On her porcelain-like face, her eyelashes trembled a few times, and a pair of dark eyes opened.

Her eyes were fixed on the crystal Light on the ceiling, and a happy smile appeared on her beautiful face. It was a new day.

She got up, put on the silk nightgown at the head of the bed, and walked to the balcony.

The morning wind blew her hair and robe. She looked down at the city from a bird's eye view, and her heart was satisfied-what a beautiful scenery! To hell with Carter and the FARC! She wanted to enjoy her new life!

She turned around and went back into the house. She poured herself a glass of red wine and walked to the bathroom while drinking.

An hour later, she walked out of the room like a t-shirt in a red shirt and leggings, a pair of big black sunglasses, a small black handbag, and a pair of black waterproof high heels.

Anyone who saw her would think that she was a socialite from the upper class.

As they walked into the elevator, the middle-aged man who was reading the newspaper next to them looked up, and a look of surprise appeared in his eyes. He put away the newspaper and stuttered, "Miss, where are you going?"

"The restaurant." Yu qinghuan replied in the standard language of Country M.

The man immediately pressed the elevator button for her, looking very attentive.

When the elevator arrived, Yu qinghuan walked out and turned around to nod. She smiled and said, "Thank you, sir."

The man was stunned. The elevator door closed and he immediately regretted it. He should have gone out with her! He should treat her to breakfast!

As Yu qinghuan walked into the restaurant, she received many men's stunned gazes along the way, as well as many women's jealous gazes.

She sat by the window and slowly finished her breakfast. Then, she asked the hotel to arrange a car to send her to the nearby business street to start her shopping trip.

She had bought a lot of clothes and shoes in a famous store. When she was paying, she opened her bag and took out a lot of American currency.

The shop assistant was obviously a little surprised. He didn't expect that someone would carry so much cash with them.

She glanced at Yu qinghuan and thought, " They should be tourists. Why didn't they use credit cards? How convenient would that be?"

After Yu qinghuan finished shopping for clothes and shoes, she went to buy a medium-sized suitcase.

This way, it would be more convenient for her to walk. She could bring her necessary luggage and go wherever she wanted.

When she returned to the hotel, she packed her things and did some mental calculations. She didn't have enough money to pay for the room.

"Then spend it all first." She mumbled to herself indifferently.

After making up her mind, she found a new dress from the clothes she had just bought.

Chapter 886 Don't give up even a little bit

She was wearing a red dress with a large hem that did not go past her knees.

...

Then, she picked up a black windbreaker and put it on the outside. It just covered the skirt. From the surface, no one knew what she was wearing inside.

She looked at herself in the mirror, changed into a pair of red high heels, grabbed her sunglasses, hat, and handbag, and left the hotel again.

She walked out of the door, turned around, and decided to say goodbye to the city tonight.

She hailed a taxi, and the driver looked at her in amazement from the rearview mirror.

“Go to China Street.” She put on her sunglasses.

“Yes, my lady.”

Yu qinghuan looked at him and smiled.

The man suddenly seemed to have received some kind of encouragement. He was so excited that he couldn't support it, and he drove the car quickly.

When they arrived at China Street, Yu qinghuan paid the fare and got off.

The driver looked at her back and smiled happily. It must be a wonderful day to meet such a beautiful and polite customer so early in the morning!

As Yu qinghuan walked, she heard people on the street say that today was the Mid-Autumn Festival, a Festival that only belonged to the Chinese.

When she heard that, she carefully looked at the shops along the way. Indeed, there was a festive atmosphere.

She bought a mooncake from a shop and carefully put it in her bag. Then, she bought some Chinese-style trinkets and snacks, eating and playing as she walked.

When she passed by a barbershop, she saw a poster of hairstyles on the window and walked in.

Hello ~ beauty ~ do you want to get your hair done?" A man with an alluring posture walked over. you're so beautiful. Any hairstyle would suit you?"

Yu qinghuan looked at him, put down the things in her hands, and unbuckled the belt around her windbreaker.

The man was stunned for a moment and quickly stepped back. He said in fear, ""Beauty, what are you doing? We, we're doing legitimate business here, don't you mess around!"

Yu qinghuan took off her trench coat, revealing a sexy deep V-neck dress.

"You, you, you ... What are you doing? I Like Men!" The man shouted, " do you understand Chinese? "

Yu qinghuan rolled her eyes at him and sat down in front of a mirror, " "Give me a pretty perm."

uh, hehe. the man realized that he had misunderstood and immediately walked up to her with a serious face. you'll look beautiful no matter what you get permed! I'll cut it short for you. You'll look good with short hair."

"Don't!" Yu qinghuan grabbed her long hair.

She couldn't bear to.

She had lost so many things in that dark laboratory. Now, she didn't want to give up anything.

"Let's get a curly hair." Yu qinghuan turned around and looked at the poster on the wall. She pointed at a picture of long curly hair and said, " that one. I like it.

Okay, okay! Are you going to do it once or for a long time? "

“Once,”

Okay, okay, okay ~”the hairdresser said as he fixed the hair. the hairstyle you chose was popular more than 20 years ago. It has a retro feel, right? An ordinary person would not be able to hold it! But I’m sure you can handle it!”

An hour later, her hair was done.

The barber jumped around her like a madman.”Oh, oh, oh ~ sexy! She’s so beautiful!”

Yu qinghuan put on her sunglasses, and the barber became even more excited. “Oh, oh, oh ~ you’re sexier now!”

Yu qinghuan laughed and turned around to put on her windbreaker. Her actions were Swift and handsome.

“Oh my God, I’m going to become straight for you!” The man cried out.

Yu qinghuan paused, remembering that the boss of the assassin organization had said the same thing.

She tied the belt of her windbreaker and opened her handbag.”The bill.”

oh, oh, oh ~”the barber immediately became serious. after all, I still love men, so no matter how sexy you are, I won’t charge you a cent less.

Chapter 887 Yu qinghuan, how old is nanxuan’s baby?

After hearing the amount, Yu qinghuan immediately took out a large amount of paper notes and threw them over. She said happily,”There’s no need to look!”

...

oh, oh, oh ~ beauty, you're not only beautiful on the outside, but you're also beautiful on the inside! The barber quickly put the money into his pocket.

As Yu qinghuan walked onto the streets, more and more gazes fell on her.

She continued shopping in a good mood. When she realized that someone was taking photos of her, she stopped and looked over.

It was a tall Caucasian man, and he immediately became nervous when she saw him.

Yu qinghuan walked over, looked at the camera in his hand, and asked, "Can I take a look?"

Hearing that, the other party carefully extended the camera in front of her and showed her the photos that she had just taken.

"I don't need you to delete it, but you can't let anyone else see it," Yu qinghuan said.

"Good, good, good!" The man hurriedly nodded.

"Then help me take a few more photos. I want them."

"Alright!" The man excitedly helped her take a picture.

Yu qinghuan stood there and let him Pat her.

After he was done taking photos of her front, he went around to her side and back.

Yu qinghuan turned to look at him and suddenly walked towards him.

He was completely immersed in taking photos. He retreated with the camera and took photos as he retreated. It was only when Yu qinghuan got closer and closer that he felt that something was wrong. He immediately stopped and looked at her nervously.

Yu qinghuan reached out to take the camera. He wanted to grab it, but she easily dodged it.

Yu qinghuan held the camera and looked at it for a while, then asked curiously, "How do I use this?"

"Ah?"

"Teach me, I don't know how to."

"This Kasaya is good." The man explained to her nervously. He got too close and smelled the fragrance from her body. He wiped his sweat and became a lot more clumsy.

Yu qinghuan listened attentively and didn't notice his abnormality.

Finally, when she was almost done, she raised her camera and smiled at him. "Thank you. Can you sell me the camera?"

I've been using this Kasaya for many years. You can go and buy a new one.

"Where can i buy it?"

"You want to buy it?" The man said excitedly, "I can take you there and buy you the exact same configuration as mine!"

"Alright," he said. Yu qinghuan returned the camera to him. you can go now.

She turned around and walked forward. The man followed her and continued to take photos.

When they passed by a shop, Yu qinghuan saw a couple buying something for their child and immediately walked over.

The child was only two or three years old. She stared at him for a while. The child's mother saw her like this and thought that she was going to snatch her child away. She held the child nervously and turned to call the child's father, "Hubby ..."

In the end, the child's father was completely mesmerized by Yu qinghuan's appearance and was in a daze.

"What are you looking at?" the woman stomped on his foot angrily. Let's go!"

Seeing that they had left, Yu qinghuan turned around and picked up a pair of small shoes.

"This three-year-old can wear it!" The owner said enthusiastically.

"Three years old?" How old was nanxuan's baby?

She handed the shoes to the boss and continued to pick other things. From two to five years old, she picked a lot of things to wear, use, and play with.

"Do you want more?" the boss asked enthusiastically.

"Oh, let's start with this."

okay~" the boss packed the food for her while doing the accounting.

"Do you know how to send them back to China?" she asked.

“I know!” The boss immediately explained to her.

She nodded her head as she listened, keeping it in mind.

After she was done shopping, she turned around and saw that the foreigner was still taking photos of her.

Chapter 888 Isn't this a romantic encounter?

The foreigner smiled awkwardly, put down his camera, and went to help. “I’ll help you carry it?”

...

“No need,” Yu qinghuan said, “ take me to buy a camera.

“Alright!”

The man brought her out of China Street and hailed a taxi.

The two of them sat side by side in the back seat. The man looked at her a few times and felt his blood boil. He asked nervously, “Yingluo, are you married?”

“No, I didn’t,”

“Then these are cicadas”

“It’s a gift,”

“Oh ...” The man heaved a sigh of relief.

The two of them walked into the digital store, and the man helped Yu qinghuan pick out the camera configurations he had. It was done very quickly.

The shop assistant told her the price, and Yu qinghuan opened her bag and said frankly, "I'm sorry, I don't have enough money. Can I come back tonight to get it?"

The shop assistant was stunned. Seeing that she was wearing branded clothes, she nodded. "Alright," he said.

"Thank you," he said. Yu qinghuan was very polite.

"I, I can send you." The man beside her said hurriedly.

"No, it's too expensive." She already had a concept of money and would not accept someone's kindness for no reason.

She turned around and walked out. The man hurriedly followed her. "Then, then can I treat you to a meal?"

"No, I still have things to do." She still had to earn money.

"But your photo, Yingluo."

Yu qinghuan was taken aback. She turned around and looked at him. "Can I print it outside?"

"Uh, Yingluo can."

"Then let's go."

The sky was already dark, and the man's heart was on fire and he was extremely anxious when he thought about how he was about to part with her.

This ... Wasn't this a romantic encounter?

Right, I heard that Easterners are very reserved and conservative. This definitely won't work.

He gritted his teeth and suddenly turned to Yu qinghuan, " "This way, it's closer."

Yu qinghuan nodded lightly and followed him with the box of children's things in her hands.

He led her into a dark alley.

However, the darkness wasn't a problem for Yu qinghuan. She calmly walked forward without any discomfort.

The man turned around and looked at her with uncertainty.

In the quiet alley, only the sound of her high heels could be heard.

"Let me help you!" He suddenly walked over and stretched out his hand.

"No!" Yu qinghuan turned around.

This was for the baby, and no one was allowed to touch it!

you ... the man's face turned fierce as he pounced on her and pressed her against the wall. you b * tch!
You refuse a toast only to drink a forfeit!"

He reached out to pull at Yu qinghuan's clothes, but Yu qinghuan frowned and elbowed him.

ah! the man screamed and flew out.

Yu qinghuan turned around, her hands still firmly holding onto the box.

The man suddenly remembered that when he pushed her against the wall, she didn't react in panic at all. She didn't cry for help, didn't struggle, and wasn't even surprised!

How could she be like this? Was she not afraid?

Yu qinghuan bent down and placed the box on the ground.

When the man saw her slender legs and graceful figure, he suddenly felt blood rush up from his nose. He immediately got up and pounced on her again. Motherf * cker! Such a stunner, he must get her today!

Before his hands could touch Yu qinghuan's clothes, Yu qinghuan suddenly grabbed his hands.

With a cracking sound, he screamed, "Ah ..."

His hand!

His hand!

It hurt!

It hurts!

Yu qinghuan let go of his wrist, and his two palms fell down weakly.

She immediately grabbed his shoulder and knelt down on his waist.

ow ... the man screamed and fell to the ground. He wanted to cover his crotch with his hands, but his hands were in so much pain that he couldn't move. He could only clamp his legs together and shiver.

Chapter 889 You win, I'm Yours tonight

Yu qinghuan knelt down on one knee in front of him. He looked at her in horror and stammered, "Y-y-y-y-y-Yingluo, Who are you?"

...

Yu qinghuan's expression was cold. Without even looking at him, she picked up the camera hanging around his neck and took out the memory card.

give ... Give me Yingluo back, " the man said, trembling.

She threw the camera at his face. He groaned and rolled on the ground.

Yu qinghuan picked up the box and left the alley. The sound of her high heels gradually faded.

It hurts, it hurts so much! The man felt like he was going to lose his manhood!

.....

Yu qinghuan returned to the hotel, put down her suitcase, and went to the dining room to have a simple dinner. She then got up and went to the largest casino nearby.

She exchanged the few dollars she had left for chips and walked to the dice table-what to bet on, what to win.

After winning a large sum, the person shaking the dice looked at her in confusion.

She smiled, took her chips, and went to play Texas Hold 'Em.

She walked to the table and everyone turned to look at her.

She smirked and placed the chips and bag on the table. She took off her windbreaker and hung it on the back of the chair before sitting down.

The men at the table glanced at her deep V-neck collar and one of them whistled at her.

Yu qinghuan's eyes swept over and she said indifferently, "Are you willing to bet with me?"

"It's my honor to compete with beautiful women." The other party replied gentlemanly, but his eyes were looking at her with a lustful look.

She placed one hand on the table and said arrogantly, "Then let's have a round to decide the winner. You've won, I'm Yours tonight! If I win, all your chips are mine!"

"Alright!" The man replied excitedly.

"Sorry to trouble you," Yu qinghuan smiled at the dealer.

The dealer could not help but smile at such a polite beauty.

As the cards gradually came into his hands, the man kept staring at Yu qinghuan, sizing her up. He didn't seem to be worried that he would lose.

But in the end, she urged Yu qinghuan to win.

The man looked at her in disbelief.

She smiled and gathered the chips in front of her. "Thank you," he said.

you ... the man's expression changed. He picked up the cigarette and lighter on the table and left.

"Shall we continue?" Yu qinghuan looked at the others.

The others nodded, but they were all on guard, no longer affected by her beauty.

Gamblers were mostly night owls. As time passed, more and more people came to the casino. At Yu qinghuan's table, the opponents had also changed one batch after another.

The casino's waiter came over and asked her if she wanted red wine and cigarettes. She nodded generously, picked up the chips, and threw them to the other person as a tip.

The other party was overjoyed. He thanked her profusely and brought over the best red wine and cigarettes.

Yu qinghuan reached out for the cigarette, and the waiter lit it for her. However, she did not smoke it, and she did not touch the wine beside her.

However, she looked like an upper-class lady at the moment.

After another round of gambling, she put away the chips she won and smiled at everyone. "Excuse me, I should go home."

She picked up her chips and stood up. She felt that someone was watching her and immediately went to the cash exchange area.

She put down her chips and opened her bag. cash all of them in!

“I don’t think your bag can hold it.” The other party said hesitantly.

“I’ll give the rest to you.”

The other party’s eyes were wide open, with an expression that said, “are you kidding me?”

Yu qinghuan rapped her fingers on the table and said with a smile, “Please hurry up.”

The man placed stacks of cash on the table. Yu qinghuan put a few stacks into her bag and realized that there was no more. And there were still many left.

Chapter 890 Fang Yang has found this city

“Do you have a bag?” she asked, embarrassed.

...

The man took out a simple bag. It didn’t look like it was of good quality, but it should be fine to store it for the time being.

As he helped Yu qinghuan put the money in, he said, “You said it was for me.”

Yu qinghuan took the bags and placed a stack in front of him. “This is for you ~ bye ~”

She turned around and quickly ran out.

At the entrance, he ran into a few casino bodyguards.

A fierce-looking man walked out and bared his teeth at her. He said viciously, "Beauty, has anyone ever told you that you can't cheat in the casino?"

"But I didn't cheat," Yu qinghuan said.

"I think you do. Why don't you stay and let us check?"

Yu qinghuan laughed and stepped back.

"You'd better stay." The man said, "you can't run away.

Yu qinghuan looked at the people around her, then turned and ran towards the elevator.

The man sneered and said to the bodyguard behind him, "Chase!"

Yu qinghuan ran to the top floor. Although the building was not very high, it was still more than ten stories high.

She looked down. At this moment, the city was brightly lit, and the roads were full of cars.

The casino's bodyguards caught up with her. When they saw where she was standing, they smiled proudly.

beauty~come over here obediently. We'll be gentle later.

Yu qinghuan looked at them coldly, jumped, and disappeared from their sight.

Everyone was shocked and chased after her, only to see her black figure land on a car by the roadside.

The driver didn't know what was going on and started cursing.

Yu qinghuan rolled over and got on the ground. The hem of her trench coat flipped up, revealing a touch of red.

The people on the rooftop were all stunned.

Yu qinghuan raised her head and glanced at them. Then, she turned around and disappeared into the crowd, disappearing from the corner of the street.

She ran straight back to the electronics store, which was just about to do a sample. The shop assistant was surprised to see her. "You're back?"

"Yes, please give me that camera." Yu qinghuan placed the bulging money bag on the table and took out a stack of cash.

The shop assistant was stunned by her, wondering if she had gone to rob a bank.

Yu qinghuan counted dozens of notes and said, "There's no need to look."

.....

While they were eating, Sheng nanxuan received a call and went to the study room.

Gong mo looked at him in confusion. Hu Zi shouted, "Daddy!"

"Father has something to do." Gong mo picked up the spoon and was about to feed him.

"I'll do it!" He turned his head and shouted.

“Alright, you do it.” Gong mo stuffed the spoon into his hand and he scooped up the rice in the bowl. The rice was scattered all over the place.

“Oh!” Hu Zi was a little discouraged, but he still continued to work hard.

“Look after him for a while, I’ll be back soon,” Gong mo stood up and said to sister li.

She walked to the study and knocked on the door.

“Come in,” Sheng nanxuan said.

“Do you still want to eat?” Gong mo pushed the door open.

Sheng nanxuan beckoned her over. She immediately walked over and saw the photos that Yu qinghuan had sent on the table.

As expected, there was news of Yu qinghuan!

Sheng nanxuan pointed at the photo of the city’s night view. “Fang Yang has found this city.”

“Is she still there?” Gong mo asked.

I’ve already sent people over to investigate. He’s probably gone. Sheng nanxuan sighed.

Gong mo picked up the photo and asked, “did mom send you this photo to tell you that she was here?” She must not want you to worry.”

Sheng nanxuan nodded and caressed another photo of Yu qinghuan’s back. she looks like she’s doing well.
