

## Ditsy Wife 921

Chapter 921 all bad people

The nurse's hand trembled. She was frightened by her domineering attitude.

...

She had fed Hu Zi medicine a few times before, but he had fallen asleep twice. Although he would subconsciously vomit, he would not struggle. There was one time when she was awake, but she wasn't as energetic as she was now. She would only turn her head away while crying, press his head down, and feed him.

I'm afraid that this time, Wufu is in a bit of trouble.

The nurse put the powdered medicine into a spoon, mixed it with water to make a paste, and brought it to Hu Zi's mouth.

Hu Zi shook his head vigorously, and his nose made a sound of protest.

The nurse was afraid that he would spill the medicine, so she retreated to the side, not knowing what to do.

"You hold him, I'll feed him," Gong mo said.

mommy, no! Hu Zi cried.

"Daddy is sleeping. Don't cry!" Gong mo said fiercely.

When Hu Zi heard this, he cried even harder.

???,?????! Mother is a bad person! Mother forced me to suffer! I will only love you in the future!

Sheng nanxuan immediately sat up on the bed, a strand of hair standing on his head.

waa ... Hu Zi crawled to the ground. daddy ...

Sheng nanxuan lifted the blanket and got out of bed. He said to the nurse, " "Pour me a cup of hot water."

The nurse was stunned for a moment. She carefully placed the spoon with the medicine on the cup and went to pour the hot water.

Hu Zi ran to Sheng nanxuan, hugged his leg, and sobbed.

Gong mo sneered and thought, "you've found the wrong backer!" Your father will only side with me when it comes to this!

Hu Zi snorted at her with a fierce expression that said, " I'm not going to be nice to you anymore.

Gong mo laughed even louder when he saw this.

Sheng nanxuan picked Hu Zi up. Hu Zi sniffled and put his arms around Sheng nanxuan's neck pitifully. "Daddy, Yingluo, mommy is bad."

"Is that so?" Sheng nanxuan carried him to Gong Mo's side and sat by the bed. daddy will be worse than mommy ~"

Hu Zi was stunned and blinked his eyes at him, What did that mean?

Gong mo reached out and stroked the ahoge on Sheng nanxuan's head.

Sheng nanxuan froze and turned to look at her.

“My hair is a mess,” she said.

Sheng nanxuan’s eyes were gentle. He lowered his head and rubbed it against her palm, like a spoiled Tiger.

Gong mo frowned and patted Hu Zi’s head helplessly. Then, he held Hu Zi in his arms.

“Dad!” Hu Zi shouted. Save the baby!”

“Okay, dad will be there soon.” Sheng nanxuan picked up the spoon with the medicine.

The nurse came over with a cup of hot water and looked at him in confusion.”Mr. Sheng?”

Sheng nanxuan saw that it was only eight full points and said, ” “Fill it up,”

Oh, Okay, okay. the nurse turned around and filled the cup with water. When she walked over, she accidentally spilled some on her hand and almost threw it away because it was hot.

Sheng nanxuan reached out to take it. He placed the bottom of the spoon on the water surface and carefully heated it.

The nurse suddenly had a feeling that she would be fired tomorrow!

He clearly felt that the medicine was cold and wanted to warm it up.

The nurse remembered that he had changed the water to hot water when he took care of Gong mo last night. She was afraid that he would complain about her. He was really a good father and a good man.

wuwawa ... Hu Zi didn't think so. Bad Daddy! He had a bad father! He wanted to run away from home!

"What's wrong?" Yu Qingliu pushed the door open and entered.

Hu Zi immediately looked as if he had seen another Savior."Great uncle ..."

"Taking medicine?" Yu Qingliu said, " pour it down his throat in one gulp, then put a candy in his mouth.

"Wuwuwuwu!" Hu Zi kicked his legs hard. Bad guy! They were all bad people!

you're quite loud," Yu Qingliu said. it seems like you're recovering well.

Chapter 922 Granduncle is still the best

Sheng nanxuan put down the cup and placed his hand on the bottom of the spoon to cool it down. When the spoon was no longer scalding his hand, he lifted Hu Zi's chin and prepared to pour the medicine down his throat.

...

"Wuwuwuwu." Hu Zi cried hard.

"Be good, be obedient." Sheng nanxuan's heart ached for her, but he had no choice. let's eat something delicious later, okay? "

"Hu 'Zi is the most obedient and bravest. He won't be afraid, right?" Gong mo also consoled.

"If baby doesn't eat, mommy will be sad." Sheng nanxuan said, " mommy will cry secretly. Can you bear to let her cry? "

Hu Zi looked at him and finally stopped struggling, but he cried even harder.

I don't want you to take such bitter medicine either, but you're sick. I hope you'll get better soon. After Sheng nanxuan finished speaking, he fed it to him.

Hu Zi did not object, but he felt that it was too bitter and wanted to vomit it out.

"Don't spit!" Sheng nanxuan hurriedly said, " my good son! You're the most obedient! You'll be fine tomorrow and won't have to eat such a disgusting thing anymore!"

wuwuwuwu ... Hu Zi reluctantly swallowed it, then stuck out his tongue and cried, " so bitter ...

"Good, good, good. It's not bitter anymore." Sheng nanxuan picked up a cup of water to feed him.

He immediately took a big gulp from the cup but still felt bitter. He turned around and hugged Gong mo, " "Mommy, I'm going to eat some candy."

"The candy is here." Yu Qingliu took out a lollipop from her purse, tore the wrapper, and handed it to him.

He immediately grabbed it and put it in his mouth. Finally, he stopped crying.

"Look, baby, you've taken your medicine. Granduncle also likes you." Gong mo patted his head.

Hu Zi turned his head away, not allowing her to touch him, and even snorted heavily.

Sheng nanxuan smiled. little brat, I'm doing this for your own good. How dare you bear a grudge? "

"Hmph!" Hu Zi also snorted at him, and reached out to Yu Qingliu with a lollipop in his mouth.

Yu Qingliu hugged him in joy, while Hu Zi hugged his neck tightly with an expression that said, " granduncle is the best.

Sheng nanxuan's face darkened, and he said to Yu Qingliu in a bad mood, "We've formed a grudge!"

This person was too cunning!

He was going to give Hu a lollipop after she fed him the medicine, okay? However, Yu Qingliu had appeared out of nowhere and snatched away Hu Zi's heart with a lollipop, destroying his chance to repair their relationship!

Gong mo said to Hu Zi, "granduncle is the one who gave you all the pain. He's the worst person. Are you sure you want to hug him?"

Hu Zi was stunned. He looked up at Yu Qingliu and then at Gong mo, "Was it like this?"

"Did he give you any candy in the past?"

Wu, Wu, Wu. it seemed that there was really nothing.

Yu Qingliu's face was full of disbelief.

Gong mo pointed at the white coat on his body and continued, "see, it's the people who wear this kind of clothes who will give you bitter food. Have you forgotten?"

This was not the first time Hu Zi had taken medicine. He had also taken medicine for a cold not long ago.

He thought for a while and it seemed to be the case. He immediately turned to look for his mother.

Gong mo hugged him happily.

"You're still sucking on the candy I gave you!" Yu Qingliu said, depressed.

Hu pouted, still hugging his mother.

“Forget it!” Yu Qingliu snorted, took out the thermometer, shook it, and handed it to Gong mo. clamp it!

Gong mo pulled open Hu Zi’s collar and put him in.

“It’s so cold!” Hu Zi laughed.

“Crying and laughing at the same time.” Gong mo blushed.

Hu Zi’s face turned red and he fell into her arms with the thermometer between his fingers. There were still tears on his eyelashes.

Yu Qingliu took out a thermometer, ” “You try it too.”

Chapter 923 How did Gambino know?

Sheng nanxuan walked over and took the thermometer. He pointed to the side.

...

Yu Qingliu helplessly turned around.

Sheng nanxuan pulled open Gong Mo’s clothes and put the thermometer in.

She was not wearing any underwear and felt a little uncomfortable. Sheng nanxuan had always been unscrupulous. She wondered if he would take the opportunity to take advantage of her.

If it was in the past, Sheng nanxuan might have really taken the opportunity to sneak in. However, her experience this time did not allow him to be so reckless. He obediently put the thermometer back in place and pulled his hand out. He did not touch the places that he should not touch at all.

Gong mo couldn't help but look at him in a new light.

Gong mo needs to continue his drip in the afternoon, "Yu Qingliu said. we'll see him tomorrow.

"Is it serious?" Gong mo asked.

"It's not serious. Just treat it as a normal cold. He'll be discharged after another day of IV drip tomorrow. If you're still worried, you can observe him for a while."

"Yueyue, you should be discharged tomorrow." She didn't want to stay in the hospital.

After a while, Sheng nanxuan took out the mother and son's thermometers and handed them to Yu Qingliu.

Yu Qingliu took a look. it's still burning. Follow the doctor's advice and rest. After he finished speaking, he looked at Hu Zi.

Hu Zi sucked on the lollipop, his face full of confusion.

"Granduncle said that you have to suffer," Gong mo patted his head and said.

Hu Zi's eyes widened and he glared at Yu Qingliu. He turned his back to Yu Qingliu.

"It's fine if you're ignoring me, granduncle is going to eat! Do you want to join us?"

Hu Zi shook his head in Gong Mo's arms.

"It looks like you're still paying attention to granduncle! I thought you would never talk to me again. Yu Qingliu walked away, satisfied. When she reached the door, she turned back and said to Sheng nanxuan, " give them something light.

"I know." are you hungry? " Sheng nanxuan asked Gong mo.

"I think it's fine. Are you hungry? Send it in first." Hu only ate a little in the morning. It's time for him to eat, " Gong mo said.

Sheng nanxuan nodded and went to the door to order the bodyguards outside to buy food.

When he returned, his phone rang.

It was Gambino.

He was secretly shocked and said to Gong mo, " "I'll take this call."

Gong mo nodded. He picked up the cup of hot water and took a sip. He immediately felt warm.

She touched her arm and felt a little cold. Seeing that Hu Zi was dressed as thickly as he was, he could not help but ask, "Are you cold?"

Hu Zi shook his head, pulled on his clothes and frowned. "It's hot!"

"Don't take it off!" Gong mo pressed him down immediately, guessing that he was feeling hot because he had a fever.

Thinking of this, she was stunned, "I'm also having a fever, why do I feel cold?"

.....

In the corridor, Sheng nanxuan picked up the phone. "Is Gong mo alright?" Gambino asked before he could even speak.

what?" Sheng nanxuan was stunned. how did you know?" He had a vague guess in his heart.

"I have someone over there." Gambino said.

As expected!

"Then why didn't you stop those people?!" Sheng nanxuan asked angrily.

get this straight ... Gambino's voice turned cold. I only have people there to collect intelligence and pass on information. I'm not monitoring you. I didn't know that something had happened to her until Gong mo was saved. Otherwise, I wouldn't have let her get into trouble. Do you think I'm like you? What the hell are you doing? Is he still her husband?"

"I'm sorry, Yueyue." Sheng nanxuan did not want to explain anything, because he wanted to kill himself!

"If you let anything happen to her again, I might have to monitor you guys." Gambino took a deep breath.

Chapter 924 I killed them

"Don't worry, this won't happen again. However, if you're worried, you can keep an eye on him. I won't object."

...

Sheng nanxuan hung up the phone and walked into the ward.

When he opened the door, Gong mo saw the person standing at the door and looked at him in confusion. "That's Yingluo."

"Bodyguard." He walked over and sat by her bed, gently caressing her face. I won't let anything happen to you two again.

So in the future, he would arrange for people to protect her, whether she was willing or not.

Gong Mo's hands trembled at the thought of yesterday's incident. He also felt cold.

Sheng nanxuan's heart ached for her and he hugged her tightly.

She also hugged Hu Zi tightly and asked, "Did something happen to the people who went to save me?"

"Most of them are injured. Don't worry, I've already arranged for the best doctors to save them. They will live."

"What about the small part of the Kasaya?" Gong mo turned his head and stared at him.

He was silent for a moment before he said, "I'll handle it." They died in the line of duty, so you don't have to blame yourself."

How can I not blame myself?! "And uncle's friend. He didn't die in the line of duty, did he?" I was just going against uncle, Yingluo. Actually, I don't have the face to see him anymore! I killed his friend! You should pay with your life!"

mommy ... Hu Zi stood up and looked at her worriedly.

Gong mo lowered his head and didn't have the mood to pay attention to him."Commander CEng was also injured. He was shot to protect me. I know that he's not only your subordinate but also your friend. If I kill him ..."

“He’s fine. It’s just a minor injury.” Sheng nanxuan hurriedly said, “ don’t blame yourself, okay? It’s not your fault! You should blame Huo Cheng, blame me! It’s me who brought this disaster upon you. I didn’t anticipate this danger and didn’t protect you well!”

“No matter what the reason is, they will always get hurt and die for me!” Gong mo looked at him. don’t you feel uncomfortable? ” Don’t you blame yourself?”

“I don’t care if they die!” Sheng nanxuan shouted, “ I’m only afraid that something will happen to you! What does the others have to do with me?”

daddy, Huahua! Hu Zi looked at them nervously. He reached out to stop him and nudged Qimo. mommy, Huahua, don’t be so noisy.

Gong mo looked at Sheng nanxuan and cried even harder. “That’s life! You’re not going to care about them?”

“I’m just that cold-blooded, okay?” Sheng nanxuan said stubbornly.

Gong mo nodded his head. alright, Zhenzhen. If you don’t care, then all the more I should hold myself responsible. Otherwise, they won’t rest in peace. They’ll blame us for what happened to Zhenzhen.

Sheng nanxuan took a deep breath. He wanted to crack open her head to see what structure it was! Could she not let her thoughts run wild? Couldn’t she just push everything to him?

Suddenly, there was a knock on the door. The bodyguard had returned with food.

“How’s commander Zeng?” he asked.

The bodyguard didn’t expect that he would care about CEng Shuai. He was stunned for a moment before he answered, “ director CEng is fine. He just came to change his dressing and went back to work.

Sheng nanxuan nodded and looked at Gong mo.

Gong Mo's head was lowered and Hu Zi was sitting beside her in a panic.

The bodyguard left after placing the food on the table. Sheng nanxuan walked to Gong mo and passed her a pair of chopsticks. "Let's eat first,"

Seeing that Gong mo was unhappy, Hu Zi took out the lollipop in his mouth and shook her arm.

Gong mo looked at him and he said seriously, " "Mommy, don't be angry. Baby, be good."

Gong mo hugged him and started sobbing.

Sheng nanxuan's hand that was holding the chopsticks froze in mid-air. After a while, he picked up his rice and started eating.

## Chapter 925 Stop arguing

mommy! Hu Zi called out worriedly.

...

Gong mo sniffled and let go of him. He wiped his tears with his hand and said, " "Mommy's fine, Yingluo."

Hu Zi climbed onto her body and used his small hand to help her wipe it. "Mommy, don't be afraid. Daddy's here."

Gong Mo's movements paused as tears gushed out of his eyes again.

Hu Zi panicked. He turned to look at Sheng nanxuan and shouted anxiously, "Daddy!"

Sheng nanxuan put down his bowl and chopsticks. He held Gong mo in his arms with one hand and wiped her tears with a tissue with the other. "I'll take care of these things. Don't cry, you'll scare Hu."

Gong mo looked at Hu Zi and saw the worry on his face. He immediately pulled out a few more tissues to dry his tears and said, "Mom is fine."

Hu Zi heaved a sigh of relief and said to Sheng nanxuan, "Daddy, beat up the bad guys!"

"Alright!" Sheng nanxuan nodded. "I'll kill all the bad guys so that they won't bully you and mom!"

Hu Zi nodded firmly.

Gong mo hurriedly pinched Sheng nanxuan. Sheng nanxuan looked at her in confusion.

"You're not allowed to talk about this in front of the child," she said in a low voice.

"I'm consoling him!"

"You ..."

Sheng nanxuan was stunned. He understood that she was talking about "beating him to death." "Alright, let's eat," he nodded.

Gong mo had his breakfast late so he wasn't very hungry. "You eat first, I'll feed Hu."

Hu Zi looked at them and Gong mo asked, "What's wrong? You want daddy to feed you?"

Hu Zi shook his head. He took her hand and placed it on the back of Sheng nanxuan's hand."Don't argue."

Gong mo glanced at Sheng nanxuan, who was glaring at her angrily. She pursed her lips and smiled at Hu Zi, "Okay, mommy won't argue with daddy."

Hu Zi smiled and nodded happily."Mother, feed me."

Gong mo retracted his hand from Sheng nanxuan's and fed him the rice.

Sheng nanxuan looked at Hu Zi and said helplessly in his heart, "Silly son, you've been deceived by your mother! When you can't see anymore, your mother will definitely argue with me!

.....

After eating and resting for a while, the nurse came to give Gong mo an IV drip.

Hu Zi was sleeping in Gong Mo's arms. When he saw the nurse sitting beside him and preparing for work, he got up and looked at her curiously. When he saw the nurse taking out a needle and preparing to insert it into Gong mo, he pushed the nurse away and turned around to lie on top of Gong mo, trying to stop him with his small body.

"What are you doing?" Gong mo asked.

"Bad guy!" Hu Zi shouted. He turned his head and shouted at the nurse, "don't you dare bully mommy!

you! Sheng nanxuan walked over and helplessly pushed him away.

He kicked his legs and struggled,"let me go!" Bad Daddy! Mom ..."

"Put it here," Gong mo patted the spot behind him.

Sheng nanxuan had no choice but to let him go. He hugged Gong mo and shouted worriedly, "Mother ..."

"Mom is sick, so she needs an injection. You've had it before." Gong mo said.

it hurts, Yingluo. he frowned.

"There's nothing to do even if it hurts. So you have to wear your clothes properly in the future and not fall sick, understand?" Gong mo handed his hand to the nurse and touched him with the other hand. apologize to Auntie.

"Hmph!" Hu Zi lowered his head and buried it in her chest.

"You're disobedient ~"

Hu Zi was stunned. He looked up angrily and saw the nurse insert the needle into the back of Gong Mo's hand.

ah! he screamed and hid in Gong Mo's arms.

don't be afraid, don't be afraid, Zhenzhen, " Gong mo said hurriedly.

Sheng nanxuan looked at the spot where she had put the needle and frowned.

Hu Zi hugged her and shivered. After a while, he looked up and saw that the nurse had already taken care of it. She said gently to him, "I'm fine now."

Chapter 926 Don't tell her for now

Hu Zi looked at Gong mo and Gong mo smiled, "Mom's fine."

...

Hu Zi turned around and wanted to get off the bed, but Gong mo said in surprise, "Be careful," he warned.

Sheng nanxuan quickly helped him up. After he steadied himself, he pushed Sheng nanxuan away and ran to Gong Mo's hand, which was receiving fluid. He reached out to touch the back of her hand.

"You can't!" The nurse quickly blocked him. Mommy will be in pain!"

"Blow, blow!" Hu Zi lowered his head and blew on the back of Gong Mo's hand. it doesn't hurt.

"Okay, okay, okay. Mommy doesn't hurt." be good and don't move around. Don't touch mommy, or she'll be in pain," Gong mo said.

ohoho. Hu Zi walked to the side in disappointment and grabbed his small toy car to play with.

Sheng nanxuan gently touched the back of Gong Mo's hand. It wasn't very cold now, but after a while, her entire hand would become cold.

He thought of Yu Qingliu's words. When the cold entered her body, she was afraid of the cold. And an IV drip? wouldn't she be shivering from the cold later?

Hu Zi walked over and leaned on him. He lowered his head and asked, "What's wrong?"

"Don't touch it!" Hu Zi complained, "mommy will be in pain!"

Sheng nanxuan looked at the hand he had placed on the back of Gong Mo's hand and helplessly withdrew it. He got up to get the hand warmer.

Hu Zi looked at Gong mo. He wanted to get closer but didn't dare to. He firmly remembered the nurse's words.

Gong mo smiled and waved at him with his other hand, " "This way."

Hu Zi immediately ran over, wanting to climb onto the bed.

The bed was too high. Gong mo wanted to help him, but he couldn't do so with one hand.

Sheng nanxuan walked back and carried him up. Then, he walked to the other side and carefully put Gong Mo's hand into a hand warmer."Tell me if you get cold."

Gong mo nodded his head.

He touched her face with heartache, and she asked in confusion, " "What's wrong?"

"I'm fine." He retracted his hand and decided not to tell her about her physical condition for the time being.

"Mom." Hu Zi shook Gong Mo's arm.

Gong mo looked back at him and covered him with the quilt, " "Sleep, okay?"

"Alright," he said. Hu Zi immediately hugged her and narrowed his eyes.

"I'm going to sleep for a while," Gong mo said to Sheng nanxuan.

"Alright," he said. Sheng nanxuan said softly as he covered her and Hu Zi with the blanket.

dad! Hu opened his eyes. dad, don't go.

"Daddy won't leave." Sheng nanxuan said uncomfortably.

He looked at Gong mo and Gong mo narrowed his eyes.

He was stunned. He knew that she was still thinking about Owen's death, and there was nothing he could do.

Was he going to hypnotize her and make her forget about these things?

If she continued to blame herself, he might really do it.

.....

When it was time to sleep at night, Hu Zi wanted to sleep with Gong mo.

Sheng nanxuan was afraid that Gong mo would catch a cold if he moved around at night. He said, "You can sleep by yourself."

no! Hu Zi said coyly.

"Just let him sleep with me," Gong mo said.

"Daddy, let's go together!" Hu Zi wrapped his arms around Sheng nanxuan's neck, afraid that bad people would come.

"I really can't do this, it's too crowded." Sheng nanxuan said, "how about this? daddy will take you to sleep, and mommy will sleep alone."

Hu Zi looked at Gong mo and said, "mommy, Yingluo."

Gong mo forced a smile. I'm not afraid. I can sleep alone. You and dad can sleep next to me.

"Yes." Hu Zi leaned his head on Sheng nanxuan's shoulder.

Sheng nanxuan placed him under the blanket and said to Gong mo, "Call me if you need anything."

Gong mo nodded and closed his eyes.

She had been sleeping for a whole day, but she couldn't fall asleep at all. Instead, she kept thinking about the basement.

She wrapped herself tightly in the blanket and told herself that she was fine! Sheng nanxuan was back! He was right beside her!

## Chapter 927 Nightmare

After some time, she felt a warm source of heat beside her. She leaned over and called out in a low voice, "Nanxuan Yunjun"

...

She saw that she was still in the basement, surrounded by the cold water that had just receded. Her body was beginning to freeze, and Hu Zi, who was in her arms, was pale and trembling.

"Don't die, don't die, don't die, don't die, don't die!"

She looked at the skylight in despair and helplessness. The sound of bullets came from outside, and she saw that Owen, Zeng Shuai, Yu Qingliu, and everyone else had been shot through.

She was also going to die.

At her most desperate moment, Sheng nanxuan descended from the sky and pulled her and Hu Zi into his arms.

“Don’t be afraid.” He said, holding her cold hands tightly.

A Wolf suddenly pounced over. Gong mo shrieked and opened his eyes. He realized that he was dreaming.

“Momo!” Sheng nanxuan’s anxious voice was heard.

She looked over and cried excitedly. nanxuan Feifei, I thought I was going to die. she said.

“I’m fine now.” Sheng nanxuan hugged her. it’s just a dream. You’re fine.

Gong mo hugged him tightly. After a long time, he finally calmed down and asked, “Why are you here? Where’s Hu Zi?”

“He’s asleep. I’ll be with you.”

“I’m fine,” she said. Gong Mo’s head was heavy. go and accompany him. He’ll be scared.

“You’re afraid too.”

“Then you carry him over. I’ll bring him along. With him around, I won’t be afraid, and he won’t be afraid.”

Sheng nanxuan thought for a moment. The bed was so narrow that it was definitely impossible for three people to sleep on it. He could only carry the sleeping Hu Zi over. Then, she put on her coat and lay by the bed to guard them.

“How can you sleep like this?” Gong mo asked anxiously.

“It’s fine, I’ll sleep in the day.”

“I know you won’t sleep during the day.” go to the side and sleep, ” Gong mo said sadly. I won’t be afraid with you around.

Sheng nanxuan kissed her on the cheek. alright. Close your eyes first. I’ll go over when you’re asleep.

“Don’t lie to me,”

“I’m not lying to you.”

Gong mo knew that he was lying to her, but she didn’t have the energy to argue with him.

She closed her eyes, and soon, all kinds of scenes appeared in her mind.

There were the terrifying memories of the basement and the warm memories of her home. Occasionally, the two scenes would intertwine, and the people around her would die one by one!

She knew that she was dreaming. She wanted to wake up, but there was nothing she could do.

Sheng nanxuan had slept for a while on the bed. When he heard her painful moans, he quickly got up.

She looked like she was in pain. He didn’t know if it was because she was sick or if she was having a nightmare.

He reached out and touched her forehead. Then, he went under the blanket and found that she was sweating.

He got up and poured some warm water to feed her, then gently massaged her head. After a while, she finally calmed down.

Sheng nanxuan heaved a sigh of relief. He carried Hu Zi to the bed next to him and asked the nurse on duty to bring a new set of patient's garb. He personally helped Gong mo change into it.

Gong Mo's body was covered in sweat. His clothes and bed were all wet. After changing her clothes, he carried her to Hu's bed.

Then, he was still lying on the side of the bed with his coat on. He reached into the blanket and held her hand. This way, he would be able to notice her reaction in time.

He didn't seem to have slept for long. He felt a movement in his palm and hurriedly woke up to find that it was morning.

Gong mo had already woken up, and his complexion looked much better. Hu Zi was also awake, and he was even more energetic. He probably didn't need an IV.

Gong mo asked, "why aren't you sleeping on the bed?" Why am I here?"

"You sweat at night, and the blanket is wet. I was afraid you would catch a cold, so I had to change it." Sheng nanxuan said.

Chapter 928 Kill Me if You Can

He stood up and stretched. He looked at the time and saw that it was eight in the morning.

...

He touched Gong Mo's forehead and found that his fever had subsided.

Hu Zi got up from his bed and took out a pair of socks. "Wear!"

"Alright," he said. Sheng nanxuan walked over and helped him put on his socks.

Gong mo sat up and felt his head was heavy.

Sheng nanxuan draped a coat over her and said, "After you've had breakfast, I'll go home and pack your and Hu's clothes."

Gong mo nodded. Hu Zi turned around and looked at her. "Mom ~"

She lowered her head and kissed him. Seeing that he was in a much better mood, she heaved a sigh of relief.

After breakfast, Sheng nanxuan poured some water for Gong mo to take his medicine.

Hu Zi sat at the side and stared blankly, his face full of fear.

"It's your turn!" Sheng nanxuan looked at him.

I'm not eating, I'm not eating! Hu Zi muttered as he burrowed into the blanket to hide.

Just then, Yu Qingliu came over and took his temperature. He said to Sheng nanxuan, "He's much better now, he doesn't need an IV."

"I'm not taking medicine!" Hu Zi shouted.

“If you don’t want to take medicine, then get an injection!” Yu Qingliu pulled a long face and said to the nurse, “ take out the needle.

The nurse immediately took out a single-use syringe from her pocket and prepared to unseal it.

“I’ll eat!” Hu Zi shouted.

Gong mo couldn’t help but laugh. Then he remembered that he had caused the death of so many people and shouldn’t laugh. He put away his smile and said to Sheng nanxuan, “ Feed him his medicine.”

Hu Zi was very brave today and did not cry. Sheng nanxuan praised him as he fed him. After feeding him, he cried bitterly.

“There’s candy!” Sheng nanxuan hurriedly stuffed the lollipop into his mouth.

He sniffed and said to Gong mo as he ate the candy, “ Mommy, sob, sob, sob, sob.”

“I won’t get sick in the future.” Gong mo consoled.

Hu Zi hurriedly nodded and gritted his teeth. “Beat up the bad guys!”

It’s all the bad guys’ fault! Otherwise, he and his mother wouldn’t have fallen sick!

Everyone was stunned. They looked at him but did not say anything.

Yu Qingliu continued to examine Gong mo and finally said, “ you can be discharged after another bottle in the afternoon. Go home and rest well. Come back again if you have any problems.

Gong mo nodded.

“Be careful not to catch a cold.” Yu Qingliu packed up her things and was about to leave. She said to Hu Zi, “say goodbye to granduncle?”

Bye Bye ~” Hu Zi waved his hand, looking as if he wanted to avoid him as much as possible, hoping that he would leave quickly so that he wouldn’t have to suffer again.

“Hehe, great uncle Xuanji will come again.” Yu Qingliu flicked his sleeves, not leaving a single cloud behind.

Hu Zi’s face fell and he turned around to hug Gong mo.

“Should I go back now?” Sheng nanxuan asked Gong mo.

“Come back quickly,” Gong mo nodded.

“Yes.” Sheng nanxuan kissed her. what else do you want besides clothes? ”

“Bring me a book and a few more toys for Hu. He’s feeling better now, he won’t be able to sit still.”

Hu Zi had a few toys with him that Yu Qingliu had given him. He did not bring them from home.

“Alright,” he said. Sheng nanxuan pinched Hu Zi’s cheek.

“I want a pony.” Hu Zi said.

“Alright,” he said. Sheng nanxuan agreed.

.....

The car stopped in front of the presidential palace and a few agents ran over to open the door.

Sheng nanxuan got out of the car and walked inside. Ding Yuan walked over, and the two of them chatted as they walked.

After a while, the two of them walked into the president's office. There were more than a dozen high-level agents standing around inside. Huo Cheng sat behind the desk, his face ashen.

When he saw Sheng nanxuan, his eyes flashed with coldness. "Kill Me if You Can!"

"What's the point of dying too quickly?" Sheng nanxuan sneered. am I right? "

Chapter 929 Do you know what to choose?

Huo Cheng knew that he was talking about the way he dealt with Gong mo. He asked, " "What do you want to do?"

...

Speaking of this, he was stunned-this was also what Gong mo had asked him back then.

Hehe, the tables have really turned.

He knew that Sheng nanxuan would not let him off. But why didn't he kill himself?

He was afraid of being tortured by Sheng nanxuan, but Sheng nanxuan and Ding Yuan had used thunderous methods to completely replace the people around him. He could not even commit suicide!

These people were in charge of watching him, restricting his freedom, preventing him from asking for help, and preventing him from committing suicide!

However, if he died after he stepped down, everyone would pay attention to him, but they wouldn't take it seriously. It would just be an extra topic of discussion after a meal. Moreover, Sheng nanxuan would definitely find a way to clear his name. His death would not have any negative impact on him.

Huo Cheng wanted to commit suicide to trick Sheng nanxuan! However, Sheng nanxuan was also on guard against this move and did not give him a chance at all! Huo Cheng's wife and daughter were also imprisoned, preventing them from asking for help from the outside world.

"Let me remind you that before you step down, you must follow my arrangements. Otherwise, you won't be able to afford the price." Sheng nanxuan extended his hand behind him.

An agent brought a tablet over.

He tapped on an icon on the tablet and placed it in front of Huo Cheng.

Huo Cheng's face was expressionless.

There was a video on the tablet. His wife and daughter were imprisoned upstairs in the presidential palace and were not allowed to contact the outside world. If it weren't for the fact that they had to accompany him in public during his resignation, they would have been dead by now.

"Don't you feel bad for them?" Sheng nanxuan put away his tablet and re-played the video.

Huo Cheng's eyes widened and he looked at him excitedly. "Sheng nanxuan!"

In the video, there was a young-looking woman and two boys. The two boys were an adult and a child. The older one was already in high school, while the younger one was only a few years old and was still in kindergarten.

Sheng nanxuan sneered, "you don't understand why I found your mistress and illegitimate child, do you?" You don't need to not understand, you just need to remember the words of your ancestor: If he didn't want people to know, he had to stop. It's a little difficult for you to preserve the spark of revolution."

“What do you want to do?” Huo Cheng was shocked.

“I’m doing business with you. I won’t make things difficult for them if you’re obedient.”

“What do you want me to do?” Huo Cheng’s arms were trembling.

“Before you step down, you still have a few opportunities to face the media, especially when you give your resignation speech. I hope that you’ll be more obedient. Don’t try to use any opportunity to ask for help from the outside world, or defame Ding Yuan and me when you’re leaving your office. Do you understand?”

There would be hundreds of local and foreign media outlets present at his resignation speech. If he didn’t make Huo Cheng listen to him, Huo Cheng would definitely set him up!

Huo Cheng gritted his teeth. He did intend to use his resignation speech as an opportunity to expose Sheng nanxuan’s true colors! Unexpectedly, Sheng nanxuan had also thought of this.

“You’ll let my son go?” He asked.

“If you don’t listen to me, I won’t let you off. Do you know what to choose?”

Chapter 930 Boss hopes that you won’t leave the ward

Huo Cheng’s body swayed, and he fell back into his chair.

...

If he didn’t listen, he definitely wouldn’t let him off.

But if they listened, they might not let it go.

But what could he choose? He had to leave his life to his son. If his son survived, he might have a chance to avenge him in the future.

Huo Cheng laughed in his heart.

Sheng nanxuan! It was still unknown who would be the winner until the end!

.....

Gong mo got out of bed and walked around a few times. Hu Zi followed behind him curiously.

She carried him to the bed and pressed the beeper at the head of the bed.

Mrs. Sheng? ” the nurse rushed over. are you here? ”

“I want to ask you something,” Gong mo looked at her.

The nurse was stunned for a moment before she nodded.

“Where are those people who were sent here together with me?”

“Yingluo?” The nurse was confused.

Seeing her expression, Gong mo clutched the quilt tightly. you didn’t? ” Was Sheng nanxuan lying to her again? No one could be saved?

“There is.” The nurse said, ” they’re in the intensive care unit. What’s the matter? ”

“I’ll go see them!” Gong mo stood up immediately.

“But ...”

“Help me look after the child, don’t let him run around.” Gong mo turned on the TV and said to Hu Zi, “Mommy’s going out for a bit. Be good and stay in bed, okay?”

“Mommy, where are you going?” Hu pulled her.

“Mommy is going to poop stinky, I’ll be back soon.”

there-” Hu Zi pointed at the bathroom in the ward.

Gong mo waved his hand in front of his nose, “I’m afraid it’ll stink up your nose.”

Hu Zi pouted and was reluctant to let her go. “I’m not afraid!” He wasn’t afraid of the smell. Compared to the smell, he was more afraid of his mother leaving.

shall we go together?” Gong mo asked.

Hu Zi nodded happily, got up, and pounced on her. “Find daddy!”

“Hello, Yueyue.” Gong mo carried him to the door.

The nurse went to the front to open the door. Gong mo was not used to seeing bodyguards standing on both sides of the door. However, it would always be like this in the future, right?

She took a deep breath and walked out.

“Madam, where are you going?” the bodyguard stopped her.

“Do I need to tell you?” Gong mo was displeased.

How would they dare to stop him? It must be Sheng nanxuan’s order! What did Sheng nanxuan mean?

“I don’t mean it that way,” the bodyguard’s face changed and he hurriedly said. Boss is worried about your safety and hopes that you won’t leave the ward. If you have anything to do, you can leave it to us.”

“I have to personally handle this matter.” Gong mo walked forward with a serious expression.

The two of them continued to stop her, “Madam, don’t make things difficult for us!” If Madam really wants to go out, let us ask BOSS first!”

“Alright,” he said. Gong mo nodded. you can ask him now. I’ll wait here.

“This bi an ...”

“My words are useless, aren’t they?” Gong mo sneered.

“MA, immediately.” One of the bodyguards picked up his phone and called Sheng nanxuan.

“Madam, it’s cold outside. Why don’t you go back to your room?” another bodyguard said.

“There’s central air conditioning here, both inside and outside. It’s not cold.”

“But ...”

“Shut up!” I don’t need you to care about me! Gong mo shouted angrily.

“Yingluo is.” The bodyguard quickly lowered his head and did not dare to say anything else.

When the nurse saw this, she became worried. If anything happened to Gong mo, would Sheng nanxuan blame her?

“Mrs. Sheng, why don’t you wait in the ward?” she suggested. Even though there’s central air conditioning, there’s still a breeze in the corridor.”

Gong mo remained unmoved.

The bodyguard who made the call came back. Madam, BOSS said he’ll be here soon. Please go in and rest. Don’t catch a cold.
