Chapter 931 Sheng nanxuan's eyes turned red from anxiety

Gong mo stood there without moving. Sheng nanxuan didn't want her to know about those people's situation. They might all be dead, but he kept it from her! If she went in, he would definitely lock her inside and not let her out. He would not let her know what was happening outside!

...

She did not want to go in!

She stood there expressionlessly, not moving at all.

The bodyguard broke out in a cold sweat. Madam, Qianqian, " he said. we can't explain it to you if you continue to act like this.

"Didn't he arrive very soon?" I'll just wait, " Gong mo replied.

this Yingluo. the bodyguard hesitated for a moment, then turned around and continued to call Sheng nanxuan.

After a while, he passed the phone to Gong mo, " "Madam, the BOSS wants to talk to you!"

Gong mo was silent for a moment. He handed Hu Zi to the nurse and took the phone.

"Gong mo?" Sheng nanxuan's voice came.

"I'm here,"

"Go into the ward first, don't catch a cold." He said urgently.

"I'm fine," she said. Gong mo replied stubbornly.

"Listen to me!" Sheng nanxuan roared.

"What if I don't listen to you?!" Gong mo was furious.

Sheng nanxuan,"Yingluo."

Gong mo hung up the phone and threw it at the bodyguard.

mommy, mommy, mommy! Hu Zi looked at her worriedly and fearfully.

She took a deep breath and said to the nurse, "Carry him in."

"Yes." The nurse carried Hu and walked in.

Hu Zi shouted,"mom-"

"Mom is right here." Gong Mo's back was facing him. His back was straight and he was full of stubbornness.

After a while, she felt cold and could not help but shrink her neck and hug her arms.

The nurse picked up Sheng nanxuan's coat and put it on her. She advised, "Mrs. Sheng, you should go in first. You've already caught a cold, this is not good for your body."

that's right, Madam, " the bodyguard also advised. just go in. Your body is your own.

"You guys shut up." Gong mo said coldly.

The three of them were stunned and did not dare to speak again.

Half an hour later, Sheng nanxuan rushed over. The chauffeur followed behind him, carrying a small wooden horse and a large bag of things. He was walking too fast, and the driver was already jogging.

From afar, Sheng nanxuan saw Gong mo curled up into a ball and knew that she was very cold.

When he walked over and saw that she was only wearing the hospital gown under her coat, he was so angry that his limbs trembled.

He hugged her and kicked the bodyguard at the door.

With a bang, the bodyguard was sent flying. The other one trembled in fear and hurriedly lowered his head, waiting for him to kick him as well.

“What are you doing?” Gong mo shouted.

“Trash!” Sheng nanxuan’s eyes turned red with anxiety. He scolded the bodyguard and carried Gong mo back to the ward.

“Put me down!” I want to go out! Gong mo shouted.

“You shut up!” Sheng nanxuan roared.

Gong mo was shocked and trembled in his arms.

Hu Zi was standing on the bed. He was so scared that he hid behind the nurse and started crying softly.

The nurse was also scared out of her wits. Her entire body was stiff and she was completely at a loss.

Sheng nanxuan put Gong mo on the bed, grabbed her coat and threw it on the ground. Then, he wrapped her tightly in the quilt and asked angrily, "Are you trying to kill me with worry? If anything happens to you, you'll make me regret it for the rest of my life, won't you?"

Gong mo looked at him in anger and confusion. "I just want to see those injured people. Why would I make you regret it for the rest of your life?"

"They don't need you to look at them!" Sheng nanxuan roared, "do you know them? Why didn't you take care of yourself? Do you know how serious your condition is right now? You're deliberately torturing me!"

Chapter 932 How crazy your man is is, how serious your condition is

"How bad is my condition?" Gong mo asked in a daze.

...

Sheng nanxuan was shocked. He lowered his head and hugged her tightly. He was so sad that he wanted to cry.

Hu Zi started to cry on the bed opposite him. He lifted the blanket and hid in it. Daddy is so scary, so scary!

Sheng nanxuan took a deep breath, let go of Gong mo, and covered her with the blanket.

The moment he touched her hand, he realized that it was as cold as ice. His entire body swayed, afraid that something would happen to her.

"You're here to torture me!" He was out of his wits and was like an ant on a hot pan. He went to get a hand warmer first and said to the nurse, "call Dean Yu over."

“Yes!” The nurse ran away immediately, afraid that she would be kicked to the wall by him if she was slow.

Gong mo heard Hu Zi crying and got up.

Sheng nanxuan hurriedly stopped her and shouted, “What do you want to do?”

Gong mo lay back down in fear. “I want to see Hu. He’s crying. Can’t you hear me?”

“I heard it!” He stuffed the hand warmer into her hands. if you didn’t make yourself as cold as ice, would I not have the time to care about him? ”

Gong mo sniffled and started crying, “I look like an ice cube?” It’s all your fault! What’s wrong with letting me go and see them?”

yes, it’s my fault. Sheng nanxuan opened the bag that the chauffeur had brought in. He took out a few heat pads and stuck them on her. you’re just trying to be angry with me! If you know that I’ll feel heartache and that I can’t do anything to you, you can just stand outside! You’re using your own body to threaten me!”

“I already said I’m not cold!” Gong mo shouted.

then why do you look like a block of ice now? ”

Wu ... Waa ... Hu Zi was so frightened by them that he started to cry and shout. He lifted the blanket and got up, wanting to leave this place.

He seemed to have forgotten that he was in bed and ran straight ahead.

Sheng nanxuan rushed over and hugged him.

When he saw Sheng nanxuan, he raised his hand and hit him. "Mother! Mother!??.....???"

"What's wrong?" Yu Qingliu ran in. where do you feel uncomfortable? "

"I'm fine." Sheng nanxuan hugged Hu Zi tightly and looked at Gong mo, who was on the bed. take a look at her. She was standing outside just now. I was so angry!

Yu Qingliu was stunned for a moment. She hurriedly checked Gong mo and asked, "Where are you standing?"

"At the entrance!" Gong mo answered first, "he's crazy! I already said I'm fine!"

"Alright, alright!" Yu Qingliu shouted, "don't be noisy! If you scare the child, you'll have a psychological shadow when you grow up."

Gong mo was stunned and started crying, "You're all bullying me, Yingluo, bullying me because my parents aren't around and I have no one to back me up."

"What is this?" Yu Qingliu was speechless. you women are so emotional! Aren't we doing this for your own good? Now that the cold energy has entered your body, you can't let it get cold, you know?"

Gong mo was stunned and stopped wiping his tears.

"Is it very serious?" She asked.

Yu Qingliu glanced at her. your condition is as serious as your man's mental illness.

"....."

Gong mo looked at Sheng nanxuan. Sheng nanxuan walked over and made Hu Zi stand on the bed. He then placed her hand under the blanket.

"I'm sorry, Zhenzhen. I didn't know," Gong mo said guiltily.

"Even if you don't know, you should still put on more clothes when you're cold. You're doing this on purpose." Sheng nanxuan was still very angry.

Wu ... Hu Zi pushed him away, turned around, and knelt on the bed. He lifted the blanket and got into bed.

Gong mo hugged him and looked at Sheng nanxuan as he cried, "I'm sorry, Yingluo. I'm just Yingluo."

Chapter 933 You promised not to hypnotize me again

"I'm with those people, and you're not familiar with them, so there's no need to do anything unnecessary." Sheng nanxuan interrupted her.

...

"Then, I'm familiar with sister li and CEng Shuai, right?" Gong mo wiped his tears.

Yu Qingliu paused, as if he understood what they were up to.

Gong mo suddenly looked at him and sat up from the bed.

Sheng nanxuan was flustered and exasperated as he wrapped the blanket around her upper body.

She looked at Yu Qingliu,"uncle-"

"What's wrong?" Yu Qingliu thought of Owen, and her heart ached.

"I'm sorry, Yingluo, I killed your friend." Gong mo lowered his head and cried bitterly.

"Don't take all the responsibility on yourself. You're not in the wrong, you're a victim too!"

Yu Qingliu was a doctor. Although he wasn't a psychiatrist, all the patients he had come into contact with during his years at the International doctors organization had psychological trauma.

He knew that psychological intervention was necessary after a person experienced an accident. No one was a cold-blooded and heartless pervert who would always be affected by something. Now, Gong mo was affected.

He said, "you're not in good health right now. The most important thing is to take care of your body." If you're depressed and can't walk out of your psychological shadow, get nanxuan to hypnotize you and forget about this matter first."

"Alright, I agree." Sheng nanxuan said hurriedly.

"Don't you dare!" Gong mo shouted and glared at him.

"It's normal for you to blame yourself. But if you keep blaming yourself, too much, it's not good for your body. It might even cause depression." Yu Qingliu said, "if you can't adjust yourself, go find a psychiatrist. Don't think that this isn't an illness. Your current physical condition can't withstand this kind of torture. If it really doesn't work, I can only get nanxuan to hypnotize you.

Gong mo looked at Sheng nanxuan in horror, and Sheng nanxuan looked back at her coldly.

It looked like he was serious.

"I'll take care of it." Gong mo said in fear.

She didn't want to forget anything! The feeling of having an empty space in one's mind would make one doubt the world.

Yu Qingliu nodded in satisfaction and said to Sheng nanxuan, " "You can be tougher, don't let her think too much."

Gong mo was depressed,"is this how you treat your patients?"

After Yu Qingliu left, Sheng nanxuan looked at her coldly."Do you understand uncle's words?"

"You promised me that you would never hypnotize me again!" Gong mo complained.

"I did it to save you last time. If there's a next time, it'll be the same. If you're not happy, I'll find a way to make you happy. You won't know after you're hypnotized anyway."

you ... Gong mo was stunned. did you hypnotize me again? "

If that was the case, she wouldn't know either!

"I'll definitely do what I promised you, provided that you're well." His voice was full of threat and warning.

Hu Zi suddenly sat up and pushed him.

He looked at Hu Zi. Hu Zi snorted and lay back down on the bed, hugging Gong mo.

see? " Sheng nanxuan said to Gong mo. even our son is on your side, and you're still making trouble for me.

Gong mo felt guilty and depressed, unable to say a word.

"Mom." Hu Zi whispered in her ear,"ignore him.

Gong mo couldn't help but laugh, "He's my father."

Hmph ~"Hu Zi turned his head away. Even if he was a father, he could not bully his mother!

Sheng nanxuan got up and arranged the clothes he had brought from home. They were the clothes that Gong mo and Hu Zi would wear when they were discharged.

Hu Zi had brought over some of his toys. He took one and carried it on his back before walking to the bed.

Chapter 934 We've reconciled

Hu Zi glanced at him and turned his head away.

...

He took out the toy and waved it in front of Hu Zi.

Hu Zi was stunned, and his expression was conflicted.

father, " Sheng nanxuan said hurriedly. can you forgive me? "

"Don't!" Hu Zi shouted and hugged Gong mo tightly.

"I won't bully mommy anymore." Sheng nanxuan promised.

"Liar!" He always bullied his mother!

“I really won’t.”

mommy’s crying! Hu Zi pouted, his face full of accusation.

“Dad was wrong.” Sheng nanxuan looked at Gong mo and asked her for help.

“Dad didn’t do it on purpose,” Gong mo said to Hu Zi. Mommy also quarreled with daddy. Are you angry with mommy?”

urgh! Hu Zi thought for a moment and reached out to take the toy from Sheng nanxuan’s hand. apologize! he ordered.

Sheng nanxuan,”Yingluo, you really have double standards!”

“Honey, I’m sorry ...” He turned to look at Gong mo.

“It’s fine.” Gong mo replied hurriedly and said to Hu Zi, ” “Alright, mommy forgives daddy. We’ve made up. Don’t be angry with daddy, okay?”

Hu Zi put down the toy, grabbed their hands, and put them together. Then he peeked at them.

Sheng nanxuan grabbed Gong mo and lowered his head to kiss him.

Hu Zi immediately smiled and nodded, ” “Good! I’m not angry.”

The two of them were both helpless and amused,”he’s really a mischievous kid.”

hehe ~”Hu Zi got up and pointed at the wooden horse on the ground. daddy! Little ma!”

“Alright,” he said.

Sheng nanxuan reluctantly let go of Gong mo and carried him to the wooden horse.

“Don’t let him catch a cold,” Gong mo said.

“Mind your own business.” Sheng nanxuan said.

After lunch, Gong mo continued to be put on the drip.

Hu Zi sat on the bed next to Gong mo, looking bored.

Sheng nanxuan picked up the remote control for the TV and asked, “How about watching a cartoon?”

Hu Zi nodded in agreement.

Sheng nanxuan turned on the television and said to Gong mo as he switched channels, “I’ve called Tian Cheng. She’ll be here in a while.

“Why bother her?” Gong mo was shocked.

“I was afraid that you would be bored alone.”

In fact, he was afraid that she would let her imagination run wild, so he had specially called someone to divert her attention.

He said, “I didn’t tell her the exact situation. I only told her that you’ve caught a cold.” Other than uncle and ding dang’s family, no one else knows about the real situation, so we didn’t inform grandma and the others.”

when Tian Cheng is here, cousin will know. Once cousin knows, Xinran will know. By then, grandma will be in a daze.

“Can’t you just tell Tian Cheng? Besides, you’re going to be discharged tonight. It’s normal for you to catch a cold.”

An hour later, Tian Cheng entered the house with some fruits.

aunty! Hu Zi shouted.

“Hu ‘Zi, be good.” Tian Cheng smiled at him and put down the fruit.

“You’re already here, why did you buy things?” Gong mo asked.

“If I don’t buy it, how can I come here?” Tian Cheng removed her scarf and gloves and looked at the IV drip above her head. is it serious? ”

“I’m almost done, so I can go home in a while. Your brother-in-law just likes to make a fuss.”

“Brother-in-law is just concerned about you.”

“Do you have enough for your living expenses?” Gong mo asked with a smile.

“Don’t worry!” When she said this, Tian Cheng couldn’t help but smile.

She had started to earn money by writing novels. Although it was not much, it was enough for her living expenses. Therefore, she didn’t spend the rent of her family’s house. She saved it all in case of an emergency.

She was afraid that Gong mo would be worried, so she deliberately revealed a little. “I have a way to earn money.”

Chapter 935 Don't press on mommy

"You should just focus on your studies. Why do you need to earn money?" Gong mo was shocked.

...

"That won't affect my studies!"

"Then what is it?"

that's ran ran. Tian Cheng paused. She remembered that she loved reading novels and was afraid that she would ask for her pen name, so she decided to hide it from her. it's just a part-time job of giving out flyers.

"The weather is cold, don't do it. If you don't have enough money, look for me. I'll lend you some."

don't worry, " Tian Cheng said helplessly. it's just a small amount of money. I'm going to earn a scholarship.

Gong mo smiled, "you can earn that, but don't work too hard." It's not like you're taking the college entrance examination to cross a wooden bridge, there's no need to stay up all night. If you really can't do it, then forget it. "

"I know." Tian Cheng answered obediently.

hahaha-" Hu Zi laughed as he watched the TV.

turn off the TV, " Gong mo said to Tian Cheng. he's been watching it for almost two hours.

“He’s having a good time.” Even though Tian Cheng said that, she knew that she was afraid that Hu Zi would hurt his eyes. She picked up the remote control and turned off the TV.

“Ah!” Hu Zi screamed in dissatisfaction.

“Don’t mess around,” Gong mo felt a little cold and frowned.

“What’s wrong?” Tian Cheng asked anxiously.

“I’m a little cold.” maybe it’s because of the infusion, ” Gong mo said softly.

The heater was on in the room, and Tian Cheng was so hot that she wanted to take off her clothes.

She stood up, picked up the coat on the other bed, and put it on Gong mo. “Would this be better?”

Gong mo nodded his head.

“Mom?” Hu Zi looked at her worriedly.

“Mom’s fine.”

Hu Zi turned his head to look. where’s daddy? ”

“Daddy went to buy some good food for mommy.” She had no appetite for lunch and ate very little. She suddenly felt hungry just now.

When Hu Zi heard that there was good food, he swallowed his saliva.”I want to eat it.”

“That’s for mom,” Gong mo glared at him.

“Wu Wu Wu Wu.” Hu Zi hugged his feet in dissatisfaction, pulled off his socks, and dug at his feet.

“Don’t. Take. Off. Your. Socks!” Gong mo warned.

Hu Zi was shocked and immediately let go. He picked up the socks and brought them in front of her, almost throwing them on her face.

Gong mo leaned back and glared at him fiercely. He reached out his hand to help him put it on, but he forgot that he was receiving an IV and almost pulled the IV drip off.

Tian Cheng shrieked and hurriedly pulled her back, saying, ” “I’ll do it!”

Gong mo was also frightened and put his hand back.

Tian Cheng walked to Hu Zi’s side and took the little socks. “Thank you, Auntie,” Hu Zi said with a smile.

The door was pushed open and Sheng nanxuan walked in with some food. Tian Cheng, you’re here?”

brother-in-law! Tian Cheng hurriedly looked up. brother-in-law!

Sheng nanxuan nodded and went to the bed to take out the food.

Hu Zi leaned on Gong Mo’s legs and stretched his neck. “I want ~”

“Let’s go back,” he said. Sheng nanxuan glanced at him. don’t press on mom.

Hu Zi glanced at Gong mo and sat back down obediently.

Gong mo looked at the food Sheng nanxuan took out. "Why are they dumplings?"

"The dumplings are still hot." Sheng nanxuan picked up a dumpling, blew on it to cool it, and put it to her mouth.

She glanced at Tian Cheng in embarrassment and hurriedly ate. She asked Tian Cheng, "Do you want some?"

Tian Cheng had just finished putting on Hu Zi's socks when she looked up and smiled. "I came after eating."

Gong mo was even more embarrassed. He said it as if she had a huge appetite.

"It's pretty late now, he should be hungry," she said.

"I want it." Hu Zi said to Sheng nanxuan.

Sheng nanxuan frowned at him and put one to his mouth.

He opened his mouth but felt that he couldn't take a bite. He was stunned for a moment and changed his direction, but it still didn't seem to work.

Chapter 936 Some truths appeared in her mind

"Silly son, don't have such a big appetite. Just take a small bite."

...

Hu Zi opened his mouth wide and took a bite, but only bit off a small part.

Sheng nanxuan put the rest into his mouth and continued to feed the mother and son.

Tian Cheng had been staring at the IV drip. When she saw that there was almost no more left, she said to Sheng nanxuan, "The IV drip is almost finished."

Sheng nanxuan was shocked. He quickly pressed the bell to call for the nurse. That was close, he had forgotten!

After the nurse came to remove the needle, Sheng nanxuan continued to feed Gong mo dumplings.

"I'm full. Give it to Hu," Gong mo shook his head.

Hu Zi also shook his head and patted his stomach, "I'm full,"

"You guys are really here to test me." Sheng nanxuan put the lunchbox aside. isn't it time for Hu Zi to take his medicine? "

Hu Zi's eyes widened, and after being stunned for a while, he lifted the blanket and crawled in.

Sheng nanxuan pulled him out. He pursed his lips and thought gloomily, " If I had known earlier, I wouldn't have forgiven dad!

He knew that crying was useless, so he did not cry. However, the moment the medicine was poured down his throat, he still cried.

Gong mo peeled the candy and put it in his mouth. Tian Cheng said, "Hu is very brave ~"

Hu Zi sniffled and looked at Gong mo. "Mommy, take your medicine."

"I'll eat mommy's later."

woohoo! It's not fair!

"Alright, come and change your clothes." Sheng nanxuan picked him up and walked to the side.

Gong mo also put on his clothes and was discharged from the hospital.

When she reached home, she looked at the door lock that had been fixed and had a feeling: What happened the day before yesterday was just a dream.

Sheng nanxuan opened the door and walked in with Hu Zi in his arms. When he saw her standing still outside the door, he asked in confusion, "What's wrong with you?"

"Cousin?" Tian Cheng looked at her worriedly.

She walked in and found that the furniture that had been damaged by the gun had been replaced with new ones. Recalling the scene back then, she suddenly asked Sheng nanxuan, "Where's sister li?"

Sheng nanxuan glanced at Tian Cheng, and Gong mo was shocked. He remembered that he couldn't let Tian Cheng know about this, so he said to her, "You rest for a while, I'll go back to my room to change."

Sheng nanxuan put Hu Zi down and said, "I'm playing with Auntie."

Hu Zi nodded and walked over to Tian Cheng's side to hug her leg.

Tian Cheng smiled and carried him to the sofa. Sheng nanxuan and Gong mo returned to the bedroom together.

what's wrong?" Tian Cheng asked Hu Zi, puzzled. what's wrong with mom and dad?"

Hu Zi frowned and said unhappily, "There's a bad guy!"

"What?"

"Daddy's here. Don't be afraid." Hu Zi muttered to himself as he shook his head.

Tian Cheng looked at the new furniture in the house and frowned. The furniture was still in good condition. They wouldn't change them for no reason, right? Could it be broken? Bad guy? Someone barged in?

She was shocked. Then, she remembered that Gong mo had just asked sister li and couldn't help but imagine the truth.

.....

Gong mo walked into the room. The blanket was still the same as when she got up the day before yesterday.

"Sister li is dead too, isn't she?" she turned to Sheng nanxuan.

"No, I didn't," Sheng nanxuan said, "she only injured her hand and is in the hospital.

"I'll go see her!" Gong mo turned around and was about to leave. she has been working here for two years. She's not someone I don't know!

Sheng nanxuan hugged her waist. her family is worried about her. I've arranged for someone to send her back to her hometown. When she's better, she'll come back."

Gong mo was stunned and looked at him suspiciously, "Really?"

"Of course it's true. Huo Cheng's target is you. He doesn't have the time to care about her. "

Gong mo recalled the scene back then. Because Huo Cheng's target was her, the others were not important. If she had not stopped her, sister li would have been dead. Would Huo Cheng still let her go in the basement?

Chapter 937 I'll send him off tomorrow

Gong mo looked at Sheng nanxuan. then I'll trust you one more time. he said.

...

She moved away from his arms and slowly sat on the bed."I don't want her to die. If she also dies because of me, I'll f * ck up!"

Gong mo felt guilty just thinking about that.

Sheng nanxuan held her shoulders and lowered his head to kiss her on the cheek. alright, you can leave now. Don't let Tian Cheng worry.

Gong mo nodded and changed into loose-fitting home clothes before leaving.

Tian Cheng sat on the sofa with Hu Zi in her arms and read him a story with a comic book in her hand.

"You're quite patient with him," Gong mo forced a smile.

Tian Cheng raised her head. I like him.

"Then I'll have to trouble you." Gong mo rolled up his sleeves and walked towards the kitchen. have a seat first, I'll go make dinner.

“No need!” Tian Cheng hurriedly said. I’ll leave in a while!”

“What are you saying?” sit down properly, ” Gong mo said.

She walked into the kitchen and had just opened the refrigerator when Sheng nanxuan suddenly rushed over and closed the door.

“What are you doing?” Gong mo raised his head in shock.

I told you that you can’t stand the cold. Go and rest. I’ll do it.

“But ...”

“You’re already sick, so don’t say” but “to me!” Sheng nanxuan said seriously, “be good.

Gong mo saw that he was serious and turned around, ” then, I’ll wash some fruit for Tian Cheng and use hot water ...

“Hot water is still water!” Sheng nanxuan said seriously, “can’t you be more obedient? We’ve just suffered from such a severe cold, so we’ll talk about it after we’ve recovered.”

Hearing this, Gong mo immediately retracted his hand. He thought about how he had been soaked in the cold water for so long. Would there be any residual effects?

Once a woman’s body caught a cold, it would be a lifetime thing! Yu Qingliu said that her body’s condition was very serious. Was it because of this?

what’s wrong with me? ” she asked Sheng nanxuan. what happened to me? ”

I’ll tell you tonight. Go and rest first.

Gong mo nodded and looked at the pile of furniture in the kitchen. if you have anything you don't understand, you can ask me.

"Do I need to ask you?" Sheng nanxuan laughed and said, " who can cook better between us? "

Gong mo pouted. alright, you've learned it. Those who haven't learned it can only ask for it.

go. Sheng nanxuan picked up the food in the refrigerator and turned around.

Gong mo bit his lip and followed her.

Sheng nanxuan saw that she seemed to have something on her mind and asked doubtfully, "What's wrong?"

"Uncle's friend, Yingluo."

"He's been cremated," he said after a pause.

"What?" so fast? "Gong mo was shocked.

Sheng nanxuan nodded.

"I also said that Yingluo would send him off." when is the funeral? "Gong mo asked in a daze.

"There's no funeral. Most of his friends are overseas, and the little girl will take their ashes away tomorrow."

"Then I'll send him off tomorrow?"

“Alright,” he said.

.....

At night, when Gong mo went to take a shower, Sheng nanxuan said, ” “I’ll heat up the water for you, in case it gets cold.”

Gong mo nodded and walked into the bathroom. Seeing the water in the bathtub, he remembered the cold water that surrounded her body.

She shivered and shook her head. She took off her clothes and sat in the bathtub.

The water surrounded her, and when she moved, the water rippled in her chest. It was the same feeling as being in a cage.

She slowly sank her body into the water. Just like before, the water flowed past her chin and into her mouth.

She was scared and her breathing became rapid. She quickly sat up and shouted, ” nanxuan-”

Sheng nanxuan quickly ran in and asked worriedly, ” “What’s wrong?”

Chapter 938 Let me give you a massage

“Save me!” Gong mo grabbed him and climbed out of the bathtub.

...

“Gong mo!” Sheng nanxuan was shocked and wrapped her in his bathrobe.

so much water! Gong mo cried, " I'm scared of water!

"Don't be afraid! I'm here!"

I don't want to take a bath! Gong mo cried as he hugged him. Qingqing will drown me!

"Okay, okay, okay, I won't shower." Sheng nanxuan helped her into the bedroom and helped her change into her pajamas.

wait a moment. I'll get some water for you to soak your feet. You'll sleep more comfortably this way. He made her sit on the bed and draped a blanket over her shoulders.

"I don't want water!" Gong mo was still very afraid.

"Don't be afraid, it's just soaking your feet." Sheng nanxuan comforted her gently.

"Come back quickly then," Gong mo nodded after a moment of hesitation.

When Sheng nanxuan heard this, he hugged her tightly and kissed her on the cheek. "Don't be afraid. I'm at home. I won't let anything happen to you."

"Where's Hu Zi?" She asked in shock, "carry him in and sleep with us!

"Alright, I'll go now."

.....

Sheng nanxuan walked into the nursery. Hu Zi was standing in the crib, looking around for something.

When he saw him, he hurriedly called out, "father!" Where's Auntie?"

“Auntie is home.” Sheng nanxuan knew that he was looking for sister li. He wrapped him in a blanket and carried him. you’ll catch a cold like this. You’re not allowed to do it again.

Oh ... Hu Zi knew he had done something wrong and changed the topic. where are you going? ”

“Sleep with Daddy and Mommy tonight, okay?”

Hu Zi was stunned and looked at him in surprise. He nodded vigorously, “Yes, yes, yes!”

“You!” Sheng nanxuan ruffled his hair and carried him into the master bedroom.

When he saw Gong mo, he shouted happily, ” “Mother ...”

Gong mo hurriedly hugged him and he jumped up and down in his arms.

mommy is tired, “Sheng nanxuan shouted. don’t make a fuss. Lie down and sleep.

“Alright!” Hu Zi lay down obediently and pulled up the blanket to cover himself.

Gong mo sat beside him and covered him with the blanket.

“Mom, sleep.” He pulled Gong Mo’s arm.

“Alright,” he said. Gong mo nodded. mommy will sleep soon.

“Where’s daddy?”

“Daddy will be here soon.”

Just as she finished speaking, Sheng nanxuan came in with a basin of water.

Gong mo saw something floating on the water and asked, "What's that?"

it's a medicinal herb. It's good for your body.

"Why are you doing this?"

Sheng nanxuan placed the basin on the bed. you're cold. Uncle said that you have to force the cold out. Soaking your feet and foot massages will help.

Gong mo nodded his head in a daze.

She stretched out her leg and pulled up her pants.

Sheng nanxuan placed her feet in the water and helped her wash them.

Gong mo was shocked and quickly pulled his foot back, "Nanxuan! I'll do it myself!"

Sheng nanxuan looked at her and pressed her feet into the water again. "I'll give you a massage."

"But Yingluo"

"Good girl." He said in a low voice as he held her feet and began to massage them. tell me if it hurts.

Gong mo nodded his head.

Hu Zi climbed up and laid on her, asking, "What are you doing?"

“Mommy, wash your feet.” Gong mo said.

“I want to shower.”

“You want everything?” Sheng nanxuan looked up. lie down and cover yourself with the blanket.

Gong mo turned around and pressed him down. He asked Sheng nanxuan, ” “Hu Zi has also been frozen for a day and was even soaked in those water. Let him soak in it too?”

Sheng nanxuan nodded and said,“I’ll give you a massage first.” Uncle said it’s not serious and he’ll be fine once he’s recovered.”

Chapter 939 I don’t want to see you

“Then it’s very serious,” Gong mo replied after a moment of silence.

...

He paused and looked up at her, then lowered his head and continued to massage her.

Gong mo felt that his movements had become much stiffer.

She wanted to pull her foot back, but Sheng nanxuan grabbed her and shouted, ” “Be obedient!”

“Am I not going to recover?” Gong mo cried sadly.

“No, but you won’t be a healthy person in the future. Take good care of yourself and don’t get cold in the future. You’ll get better.”

Sheng nanxuan did not want to tell her the truth, but he was afraid that she would be as ignorant as she was today.

Gong mo nodded in confusion.

After the massage, the water in the basin was much colder. Sheng nanxuan changed the water to hot water. soak for a while longer.

Gong mo nodded and became very obedient.

She didn't want to die of illness early and leave him alone. If that happened, he would definitely go crazy.

"Look down at it," Sheng nanxuan said.

"What?"

"This water." Sheng nanxuan sat by the bed and hugged her. they're hot, different from those cold ones. You don't have to be afraid.

Gong mo looked over and moved his feet slightly. He felt very comfortable, which was different from the bone-piercing cold.

"With you around, I'm not afraid," she nodded and leaned on her shoulder.

.....

In the morning, the driver parked the car by the road.

Gong mo, Sheng nanxuan, and Hu Zi were sitting in the back. Gong mo was wearing a thick down jacket and holding a hand warmer.

It was snowing outside again.

Hu Zi stood up from Sheng nanxuan's arms, leaned on the glass, and breathed out. He used his fingers to scratch the surface.

"Should we go up?" Gong mo asked.

"They're coming down soon." Sheng nanxuan said.

This was Yu Qingliu's private apartment. After Owen's death, he let Judy stay over and let ding dang accompany her at night.

A few minutes later, three people of different heights came out of the apartment building.

The three of them were all wearing black coats. Judy was walking in the front, while Yu Qingliu and ding dang were walking behind her with an umbrella.

Judy was holding a box of ashes wrapped in black cloth.

Gong mo put down his hand warmer and got out of the car. Sheng nanxuan was shocked and quickly followed him.

Hu Zi turned around and was about to follow them when Sheng nanxuan slammed the car door shut.

Sheng nanxuan was afraid that Gong mo would catch a cold, so he wrapped a scarf around her neck.

Judy stopped and looked up at them.

Gong mo walked over and she said with hatred, "Get lost!"

“Judy!” Yu Qingliu said.

Judy looked at Gong mo and gritted her teeth, ” “I don’t want to see you! You go!”

I’m sorry, Zhenzhen, ” Gong mo said sadly.

Judy hugged the bone ash box tightly, tears quickly covering her face. people who are good to me always disappear very quickly. They either leave or die. It wasn’t easy for master to say that she would take care of me for the rest of my life. Why did you kill her? ”

“It’s not Gong Mo’s fault!” Yu Qingliu said.

“That’s your business!” Judy turned to look at him. why did you ask master for help? ”

f * ck! Yu Qingliu was speechless, and his hand holding the umbrella started trembling.

Ding dang knew that he was blaming himself, so he quickly stood in front of him and said to Judy, ” “The world is unpredictable, you can’t blame Qingliu!”

“Why wouldn’t I? My master is dead, what right do you have to say that I don’t blame you?” Judy roared angrily, “if it was your family who died, would you be able to accept it?”

I’m sorry, Zhenzhen. Gong mo lowered his head.

“I don’t want to see you guys again!” Judy strode forward with the ashes in her arms.

Chapter 940 You’re all useless trash

Yu Qingliu gave the umbrella to ding dang and quickly caught up. "I'll send you to the airport!"

...

Judy turned around and laughed, "you're all useless!" Protect yourself, I don't need you!"

After she finished speaking, she quickly ran forward, hailed a taxi, and got in.

Yu Qingliu said to Sheng nanxuan, 'quick! Catch up!"

The few of them got into the car and chased after the taxi.

After chasing for more than ten minutes, the car made a turn and suddenly stopped.

The driver drove the car over and blocked the way of the taxi.

"Don't come down!" Sheng nanxuan said to Gong mo.

He got out of the car and walked to the taxi. When he opened the door, he saw that Judy was not inside.

Yu Qingliu walked over and saw it. She grabbed the driver's collar and said, "Where are they? Where's that little girl?"

"She's getting off the car!" The chauffeur said, " they just left in a different car.

Yu Qingliu threw him away and said to Sheng nanxuan, " "It looks like she's deliberately trying to get rid of us."

"Where's her plane ticket?" Sheng nanxuan asked.

Yu Qingliu paused. Owen's men will pick her up at the airport. They'll be in charge of the procedures. Her luggage has already been sent over.

Sheng nanxuan thought for two seconds and turned to get into the car. "Then let's go to the airport."

Yu Qingliu felt that this was the only way.

.....

Sheng nanxuan called Fang Yang and asked him to send someone to the airport to look for her.

When they arrived at the airport, Gong mo alighted with Hu Zi in his arms and followed Sheng nanxuan in. Sheng nanxuan led them into the fast food restaurant. we'll wait here.

"How can we do that?" let's go look for her, " Gong mo said.

"Do you have the strength to do that?"

"T-then you go." Gong mo was stunned.

Sheng nanxuan thought for a moment and glanced at the bodyguards outside the door. He nodded. "I'll let you know when I find her."

Seeing that he was about to leave, Hu Zi called out,"dad-"

Sheng nanxuan stopped and looked at him.

He said pitifully,"don't go Yingluo, there are bad guys Yingluo."

Sheng nanxuan looked at Gong mo, who said, " "This is the capital's airport. If it's not safe here, where is it safe? You can go now."

She lowered her head and said to Hu Zi, "daddy is going to look for big sister. Let's wait for daddy here, okay?" Look, there are so many uncles outside. They are all here to protect us, so the bad guys don't dare to come and catch us."

Hu Zi pouted.

Sheng nanxuan sat down and patted his head. "I'd better not go."

Gong mo hesitated for a moment before nodding. In fact, she was also a little afraid. She only felt absolutely safe with him around.

Hu Zi tugged at Sheng nanxuan's sleeve and pointed at the children's meal at the next table. He whispered, "That."

"You want a toy?" Sheng nanxuan asked.

Gong mo looked over and saw Hu Zi nodding his head.

Sheng nanxuan turned around and asked the bodyguard to buy a children's meal.

Hu Zi happily picked up the toy and leaned into his arms, satisfied.

Gong mo picked up the French fries in the middle of the set meal and dipped them in tomato sauce.

"You're hungry?" Sheng nanxuan asked.

"I was so hungry that day. I can't help but want to eat it now," Gong mo replied.

“It’s fine. Eat more then.”

“What if I gain weight?”

“I like it even if it’s fat.”

“You’re making it sound so nice now, but when I get fat, I’ll probably get tired of the old and like the new,” Gong mo said with a bitter smile.

“You have such thin arms and legs. If you have the ability, then put on some weight.”

“I don’t want to. I’ll control myself and not get fat, so you won’t dislike me.”

you’re always worried about these useless things. Sheng nanxuan was speechless. He was a little looking forward to seeing how she would look when she gained weight.
