

## Ditsy Wife 941

Chapter 941 I'll kill you to avenge my master

mom ... Hu Zi looked at Gong mo. I want to eat.

...

"You can't eat it." Gong mo said.

"Wu Wu Wu." Hu Zi pouted.

Sheng nanxuan picked up his drink. Gong mo called out, "You can't!"

"It's warm milk."

the milk in this place is too good. Gong mo frowned and his tone was full of distrust.

"Let him have a taste and see if he likes it." The little guy only drank baby milk powder and had never drunk milk before.

Hearing this, Gong mo nodded and observed Hu Zi's reaction carefully.

Hu Zi took a sip and immediately spat it out. He said to Sheng nanxuan, "It doesn't taste good, Yingluo."

pfft-" Gong mo burst out laughing.

Sheng nanxuan put down the milk. then you can only watch mom eat.

"That one!" Hu Zi pointed at the French fries in Gong Mo's hands, then at the chicken wings and hamburgers. that, that!

Gong mo put down the French fries and wiped his hands with a tissue. "Mommy's not eating anymore."

When Hu Zi saw this, he retracted his hand and said to Sheng nanxuan, "Daddy, pee."

"What?" Sheng nanxuan was stunned. you want to pee? "

"Do you need to pee?" Gong mo asked.

This was the first time he had taken the initiative to say he wanted to pee!

Hu Zi nodded seriously.

"Then I'll take him to the toilet." Sheng nanxuan said to Gong mo, but he couldn't help but worry. but you're so stubborn.

Gong mo looked outside and was a little scared. He stood up and said, "I'll go with you!"

"First?" Sheng nanxuan asked.

"I'll be waiting for you outside. No, I'm taking him to the ladies "room. What if you can't do it?"

"You doubt my ability? Then I have to do it! I want to prove it to you!"

Gong mo suddenly shouted, "Aiya!" He didn't bring his diapers, How can I change them?"

you don't have to change. I'll bring him in first. At most, I won't wear it for the time being.

Hu Zi thought, "if you guys continue to discuss, I'll put it in my pocket!"

Fortunately, Sheng nanxuan carried him to the toilet.

Gong mo followed her and waited outside the washroom. After a while, he saw a man coming in and out of the washroom. He felt embarrassed and moved to the door of the women's washroom.

"Don't move," A cold voice came from behind.

Gong Mo's body stiffened as he felt something hard on his waist.

"Do you think I should kill you to avenge my master?" The person behind him asked.

"Judy?" Gong mo turned his head and saw her short figure standing behind him.

Judy retracted her hand. Gong mo lowered his head and heaved a sigh of relief. It turned out that it was not a gun that was pressed against her waist, but the handle of a whip.

Judy stuffed the whip into her clothes and held the bone ash box with both hands. "Tell them to leave! I don't want to play hide-and-seek with you! I don't want you to disturb master!"

"Uncle is your master's friend. Aren't you going to let him see your master off?"

"I've already sent it. I originally wanted to leave directly with master's people, but he insisted on keeping me. So he was tricking me into seeing you? I'm very angry right now."

"I'm sorry," she said. Gong mo said hurriedly.

"Get lost!" Judy suddenly glared at her and said, then hid in the women's bathroom.

Gong mo was shocked. He heard Sheng nanxuan's voice from behind and hurried over.

“Where have you been?” Sheng nanxuan looked worried. I thought you were afraid.

“It’s embarrassing to stand at the entrance of the men’s room,” Gong mo said awkwardly.

“Then, let’s go out.”

The two of them returned to their seats. As soon as Gong mo sat down, he saw Judy appear at the entrance to the toilet.

She immediately looked at Sheng nanxuan. I feel a little cold.

what? ” Sheng nanxuan was shocked and quickly stood up. let’s go back!

Chapter 942 Be careful, you guys

Gong mo nodded and stood up with him. He reached out to hold her, and she said, “ask everyone to go back.”

...

“Why?”

“I think Jue Jue hates me and won’t want to see me. Since there’s someone coming to her rescue, we shouldn’t need to worry.”

Sheng nanxuan looked at her in confusion. “Alright, I’ll send you to the car.”

After walking out of the fast food restaurant, he said to the bodyguard at the door, “Tell Fang Yang to pull back.”

Gong mo heaved a sigh of relief.

The bodyguard scratched his head, thinking, 'since when did I have the right to inform Fang Yang? Boss's words had a deeper meaning.

He turned his head to look around. Seeing that there was nothing unusual, he had no choice but to leave and change his guard.

After a while, Judy walked out of the fast food restaurant.

She carried the ashes and walked to the security check.

While she was queuing, she felt a familiar and annoying aura behind her. She turned around and saw Yu Qingliu and ding dang standing behind her.

The two of them were panting, clearly having just arrived.

"Judy," A foreign man with a crew cut walked over and looked at Yu Qingliu warily.

"Be careful on the road," Yu Qingliu said as she looked at Judy.

"You guys be careful too." Judy looked at him coldly. you don't have the ability, but you caused so much trouble. Next time, you won't have someone as stupid and powerful as master to help you unconditionally!

Yu Qingliu pursed her lips, her hands clenched into fists as they trembled.

Judy turned around and left with the man.

Ding dang reached out and held Yu Qingliu's arm. "Don't be sad. She's just too sad, that's why she said that."

“But I’m responsible for Owen’s death.”

“So you’re also going to blame Gong mo?”

“That’s not Gong Mo’s fault either!” Yu Qingliu shouted. After a moment, she gritted her teeth. it’s all Huo Cheng!

When they walked out of the airport, Sheng nanxuan’s car was still parked outside.

He walked over and knocked on the car window.

Sheng nanxuan rolled down the window. Gong mo hurriedly asked, “Did you find it?”

uh, hehe. Yu Qingliu recalled that Sheng nanxuan had just called him and told him not to tell him. No.

Gong mo heaved a sigh of relief in his heart, but at the same time, he felt sorry for him. He was Owen’s friend and must have wanted to send Owen off.

“Remember to come over for dinner tonight.” Yu Qingliu said.

Gong mo and Sheng nanxuan immediately remembered that it was Saturday, the day to have dinner at the Yu family.

.....

After having lunch at home, Gong mo and Sheng nanxuan surrounded Hu Zi and had another medicine-feeding battle. They were ready to set off.

“When we go to great-grandma’s house later, don’t say anything bad to her,” Gong mo instructed Hu Zi. If great-grandmother knew, she would be worried.”

Hu Zi nodded.

“Wear more,” Sheng nanxuan said to Gong mo.

“Grandma will ask if I wear too much, right?” Gong mo asked worriedly.

“Just say that you’re sick and that you’re fine.” Sheng nanxuan took out his down jacket. wear this.

“Alright,” he said. Gong mo obediently agreed.

When they went out, he gave her the hand warmer again.

“I’ll do it!” Hu Zi shouted.

“That’s for me to warm my hands. I don’t need your help.” Sheng nanxuan laughed and said, “if I give it to you, mom will feel cold.

Gong mo also smiled.

Hu Zi was embarrassed by their laughter. He turned around and hugged Sheng nanxuan’s leg.

Sheng nanxuan picked him up, opened the door, and walked out.

The bodyguard at the door immediately stood up straight.”BOSS! Madam! Young master!”

Gong mo was slightly surprised and nodded his head slightly. He was still not used to it.

However, for the sake of her and Hu's safety, they had to have bodyguards by their side, whether they were at home or outside.

Chapter 943 Sheng nanxuan is angry with the Yu family

After they got into the car, she asked Sheng nanxuan, 'what will Hu do after he goes to school? Do we need to send someone to his side?'

...

"Yes."

"This isn't very good, is it?"

"Don't worry, I have my own arrangements."

Gong mo believed that he wouldn't let himself and Hu Zi be in danger again, so he nodded.

When they arrived at the Yu family, Hu Zi ran to Wu surong happily. "Great-grandma ..."

Hey! Wu surong caught him with a big smile. my Hu Zi seems to have grown taller!

"Really?" Hu Zi asked happily.

Gong mo walked in with a hand warmer. Yu Xinran was shocked to see her.

When Gong mo came last week, he hadn't been wearing this much. Besides, there was air conditioning in the house and in the car. It was only a little cold during the two minutes when they went out and got out of the car. An extra coat would be enough. Why was she wrapped up like this and holding a hand warmer?

"Gong mo, you're sick?" Yu Xinran asked with concern.

Gong mo nodded in embarrassment.

“What’s going on?” Wu surong hurriedly asked. Was it very serious? Wasn’t he fine last week?”

it happened two days ago, Wanwan, ” Gong mo said.

“The medicine is bitter!” Hu Zi stuck out his tongue and said in disdain.

“You’ve taken your medicine too?” Wu surong was shocked.

Hu Zi nodded.

“Did you all catch a cold?” asked Min Ling.

Gong mo nodded.

“You know Qingliu, right?” Wu surong frowned. he didn’t tell us either!

I don’t want you to worry, “Sheng nanxuan said. I don’t want you to worry.

Yu Qingliu wasn’t there, so Wu surong didn’t have a chance to chide him. She pursed her lips and asked,  
” “Hu Zi seems to be in good spirits. Is he alright?”

“He just finished his medicine at noon.” Gong mo said.

“Then be careful, don’t let him have your illness again.”

Gong mo nodded and clenched his fists in his hand warmer. So, in grandma's eyes, Hu Zi is more important, Yingluo.

That's right, what was she? In the eyes of the Yu family, Sheng nanxuan and Hu Zi were the real treasures. She was just a bonus. It was normal for Wu surong to blame him if anything happened to them.

Sheng nanxuan lowered his voice and said unhappily, "It wasn't Gong mo who made Hu fall sick! Gong mo became like this because of Hu Zi!"

Gong mo heard his tone and hurriedly stopped him, "Nanxuan!

She looked at Wu surong in a panic, afraid that Wu surong would be angry.

In the end, the Yu family was shocked, and so was Hu Zi. He quickly hid behind Wu surong.

Wu surong suddenly felt very hurt. She looked at Sheng nanxuan in disbelief.

She ... She was only concerned about Hu! How could he be cowardly?

She was his grandmother, and he actually spoke to her like this for a woman!

"Daddy!" Hu Zi suddenly jumped down from the sofa and ran to Sheng nanxuan's side. He whispered, "I'm not angry."

"Daddy isn't angry," Sheng nanxuan smiled at him. After saying that, she carried him and sat him down on the sofa.

Hu Zi turned around and put his hand into Gong Mo's hand warmer. Gong mo smiled and held his hand inside.

He pulled his hand away on purpose and then reached it back again. He was playing hide-and-seek with Gong mo.

Sheng nanxuan looked at them with a gentle expression.

Wu surong, Min Ling, and Yu Xinran didn't look too good, especially Wu surong.

Yu Xinran got up and sat next to Wu surong, massaging her shoulders.

After playing with Gong mo for a while, Hu Zi turned his head and shouted at Wu surong, "Great grandmother."

Wu surong's hurt heart immediately healed a little.

Hu Zi took his hand out of the hand warmer and wanted to jump off the sofa to go to her. Sheng nanxuan hugged him."Where to?"

"I ..."

"It's here," Sheng nanxuan said.

Chapter 944 -we'll talk about it later

Wu surong's body shook and she almost had a heart attack.

...

Yu Xinran hurriedly patted her back and shouted, "Grandma, are you okay?"

Sheng nanxuan looked over. what's wrong with grandma? "

"I miss your mother," Wu surong said, panting.

"She'll be back." Sheng nanxuan was expressionless.

Wu surong smiled miserably. She finally understood his attitude. "Take good care of your body, okay?" she looked at Gong mo hurriedly.

"I understand. Thank you, grandma," Gong mo nodded.

"Why isn't Grandpa here?" Sheng nanxuan asked.

"Old man Zhang is sick. He went to visit him." Wu surong wiped the tears from the corners of her eyes. it's so cold in winter. It's easy to get sick. We all have to be careful.

This ancestor! She had offended him with a single careless word!

"You and dad should be more careful. You're getting old," Min Ling added. Then, she glanced at Sheng nanxuan and said in her heart, "The old man was not young anymore, so why should the young people be so calculative?"

"We're still healthy." Wu surong smiled stiffly and looked at Sheng nanxuan.

She had thought that he was her grandson, but now she realized that he could not be at any time.

Just then, Yu Zhengming came back with his walking stick. When he saw Hu Zi, he quickly walked over. "Little tiger~"

great-grandpa! the little tiger shouted angrily.

Yu Zhengming was about to hug him when Wu surong called out, "Take off your coat! It's cold outside, don't let him catch a cold."

Oh, right, right, right, Yingluo. Yu Zhengming hurriedly took off his coat and let the servant behind him help him take it off. Then, he squatted on the ground and hugged Hu Zi, who had pounced over.

great-grandpa~” Hu Zi called out softly.

ah~good~” Yu Zhengming carried him and wanted to stand up.

“Be careful!” Yu Xinran shouted. Don’t hurt your waist!”

Sheng nanxuan walked over and reached out to help him.

Yu Zhengming said, “Aiyo~I’m getting old, I even have to be careful when carrying my great-grandson~”

“You still have a grandson who hasn’t come out yet. Be careful.” Wu surong said unhappily.

“I know, I know,” Yu Zhengming carried Hu Zi and walked over, sitting beside her. you’re so long-winded.

Wu surong saw that Hu Zi was by her side again and quickly hugged him. She was afraid that Sheng nanxuan would be angry and would not visit her again, nor would she be able to hug him.

Sheng nanxuan glanced at her indifferently and did not stop her.

The atmosphere during the meal was not as warm as usual.

Those who hadn’t experienced what had just happened didn’t know what the problem was.

Sheng nanxuan didn’t say a word. He lowered his head and picked up food for Gong mo and fed Hu Zi.

Hu Zi wanted to speak several times, but he was suppressed by him. After that, he obediently stopped moving.

Yu Qingliu felt that the atmosphere was a little strange. Seeing that everyone was acting abnormally, she didn't ask any further.

Yu Xinran asked Sheng nanxuan and Gong mo, "Are you guys going to the charity auction on New Year's Day?"

Sheng nanxuan glanced at her and continued to feed Hu Zi. Gong mo hasn't been in good health recently. We won't go.

"Ah?" Yu Xinran looked at Gong mo hurriedly. your cold should be gone in a few days, right? The charity gala is still a long way off."

"Then we'll talk about it when the time comes."

Yu Xinran felt that his tone was too cold, so she could only nod. She glanced at Gong mo and sighed, "He loved Gong mo too much! Grandma was an elder after all, but he had turned against her with just a casual word.

Usually, after dinner, Sheng nanxuan and Gong mo would stay a little longer with Hu Zi. Today, after dinner, he said, "I didn't bring Gong Mo's medicine with me. I have to take her back. Otherwise, if you delay taking your medicine, I'm afraid you'll pass the illness to Hu."

Chapter 945 Gong mo is his bottom line

Wu surong's body shook and she almost fell. She hurriedly called out,"nanxuan--"

...

"Grandma, take care of yourself. We'll come again next week." Sheng nanxuan picked up Hu Zi and went out with Gong mo.

When Wu surong heard that he would come again next week, she didn't collapse from anger.

After they left, Yu Qingliu asked in confusion, " "Did something happen?"

"I'm old and confused!" Wu surong was so anxious that she started crying.

"Mom!"

"Grandma!"

Everyone was shocked and quickly surrounded her to comfort her.

"What's going on?" Yu Qingping asked.

Min Ling explained the situation and reprimanded Sheng nanxuan. seriously, nanxuan. It's obvious that mom didn't mean it, but he insisted on taking it seriously.

Everyone was silent. They could feel how protective Sheng nanxuan was of Gong mo.

Yu Zhengming helplessly said to Wu surong, "He's just concerned about Gong mo. Didn't he already make his attitude clear when they first met? I thought you already knew, why did you have to go and get yourself into trouble?"

"I was just concerned about Hu," Wu surong said gloomily, "who knew he would suddenly get angry!"

"Do you dare to say that you don't blame Gong mo?"

how can I not blame her?! Wu surong cried out excitedly, " Hu Zi is so young. Can't you blame her for not taking care of him? "

Alright, alright, Yingluo! Yu Qingliu called out. don't be angry, and don't be sad. Nan Xuan only got to know us when he grew up and doesn't have a deep relationship with us. In his eyes, we are naturally inferior to Gong mo.

Wu surong was startled and became even sadder."I'm true to him!"

don't find fault with Gong mo. He's true to you. Yu Qingliu said unhappily.

When Wu surong heard this, she grabbed a pillow and threw it at him,"I haven't told you yet! If you knew they were sick, why didn't you tell everyone?"

"I ran because I didn't want you to worry."

Alright, alright, Wanwan, "Yu Zhengming advised," stop fooling around. Just take it as a lesson. We never had any conflicts in the past, so everyone has almost forgotten how special our relationship with nanxuan is. In the future, everyone would remember that although they were a family, they did not have a deep relationship. Since Gong mo is his bottom line, we should treat Gong mo a little better. Wouldn't that be a win-win situation?"

Wu surong didn't say anything. She suddenly stood up and went upstairs.

Everyone nervously shouted,"mom ...""Grandma ..."

Yu Zhengming waved his hand,"I'll go and persuade him."

He followed her upstairs and walked into the room. He saw Wu surong crying while holding Yu qinghuan's photo.

Yu Zhengming sighed. since you want to acknowledge this grandson, then you'll have to suffer a little.

I'm feeling wronged, Zhenzhen. Wu surong wiped her tears. if qinghuan was here, she would definitely be able to control him.

“Yes, yes, yes, Yingluo, don’t cry. Didn’t he just say that he would come back next week? When the time comes, won’t everything be as good as before if you win them over?”

“He didn’t even want me to carry Hu anymore,” Wu surong cried.

Yu Zhengming took in a deep breath, “then you better be careful with what you say in the future.” Otherwise, he wouldn’t have been able to hold Hu Zi!

“I know!” Wu surong rolled her eyes at him. do I dare to do it again? ” He was the ancestor! I’ll let him do whatever he wants in the future!”

Alright, alright. He’s still very filial when he doesn’t turn hostile.

“Yes, yes, yes! He’s not a person who turns hostile easily. Once he turns hostile, he’s not a human!”

“Yingluo knew and you still provoked him?”

Wu surong wiped away her tears and touched Yu qinghuan’s photo. Her eyes were misty. before I die, can I take one last look at you? ”

Chapter 946 I’ll let you see my self-control today

In the moving car, Sheng nanxuan carried Gong mo in his left hand and Hu Zi in his right.

...

Gong mo asked, “why did you treat grandma like that?” Grandma is sad.”

Sheng nanxuan kissed the top of her head. His eyes were full of gentleness, but there was also a hint of stubbornness. "No matter who it is, if they treat you badly, I won't be polite! Grandma is the same."

Gong mo was touched and sad at the same time. but they're your family that you've finally found. Why offend Guang for me? "

"I'm not afraid of offending light. I didn't have those relatives originally, but I have you. At worst, I'll just go back to that time."

Gong mo was touched. He hugged him and said, "I know what you mean. I'm just worried about Hu. I'm sure she already knows about your attitude today. Go visit her tomorrow and don't make her sad."

"I'll go next week."

nanxuan-

aren't you afraid of being alone at home if I go? "

"I can wait for you in the car," Gong mo said after some thought.

Sheng nanxuan paused. alright, " he said helplessly. I'll go and ask for your forgiveness tomorrow.

take your medicine first, " Sheng nanxuan said when they got home. I'll go and give Hu a bath.

"Don't let him catch a cold,"

"I know."

After taking the medicine, Gong mo went back to his room and changed into his pajamas. Then, he sat on the bed and read a book. Halfway through, she wrapped herself in the blanket.

mommy ... Sheng nanxuan carried Hu Zi in.

She smiled and quickly put down the book.

Sheng nanxuan placed Hu Zi on the bed and asked, "Cold?"

"Yingluo is a little." She didn't dare to lie when she was wrapped up like that.

"I'll go get some water for you to wash your feet."

"I want to take a bath," Gong mo said uneasily.

Sheng nanxuan was stunned. But she was afraid of water! However, being afraid of water wasn't a long-term solution. He couldn't possibly not take a bath for his entire life, right?

"Do you want me to accompany you?" he asked hesitantly.

Gong mo looked at him warily.

He said, "what are you thinking?" Do I look like such a beast?"

Yingluo, you are.

"You're a little traumatized right now, but you'll get used to it slowly. If you're afraid of taking a bath, you can take a shower."

Gong mo recalled the scene of the water pouring down from the skylight and felt that showering was also a shadow. He said reluctantly, "You'd better accompany me."

“Zhenzhen can do it.” Sheng nanxuan touched his nose and felt inexplicably upset.

Gong mo glared at him.

“I’ll let you see my self-control today!” He let out a breath.

Gong mo choked, “who wants to see his self-control?” They were husband and wife, so it didn’t matter if he couldn’t control himself!

She was about to say that when she suddenly felt that something was wrong. If she told him, he definitely wouldn’t be able to control it!

Then she’d better see how much self-control he had!

.....

When Gong mo woke up in the morning, he felt a gust of wind on his neck.

She opened her eyes and saw Hu Zi sitting between her and Sheng nanxuan, picking his feet.

This child woke up earlier than anyone else!

She pulled the blanket tightly and curled up into a ball.

After a while, Sheng nanxuan got up and helped Hu Zi put on his clothes, then carried him down.

“Dad ...”

“Mom is sleeping. Don’t be noisy. Play with your own toys, and I’ll make your milk.”

“Alright,” he said. Hu Zi agreed obediently. After he left, he ran to Gong Mo’s side and whispered in his ear, “mom ~”

Gong mo couldn’t help laughing. If she was asleep, how could she have heard him when he was shouting so softly?

“Shh! Don’t be noisy, don’t be noisy.” Hu Zi mumbled to himself as he walked away. He ran to the door and opened it. He went to the kitchen to look for Sheng nanxuan.

## Chapter 947

When Sheng nanxuan saw that he was barefooted, he said fiercely, “Go back and put on your slippers.”

...

oh, oh, Yingluo! Hu Zi ran back and realized that he did not have his slippers in the master bedroom. He ran back again. my shoes are gone, Yingluo!

Sheng nanxuan found him a pair of slippers at the entrance and threw them in front of him. “Put it on!”

Hu Zi pouted. His father was so fierce and impolite. His mother had to put it on for him personally.

As he complained in his heart, he put on his shoes and ran into the kitchen to circle around Sheng nanxuan.

Sheng nanxuan gave him the milk powder that he had prepared. Seeing that it was still early, he carried him back to his room to sleep.

After entering the house, he placed him on the ground and said in a low voice, “drink it yourself. Play by yourself after you’re done. Don’t run around.

Hu Zi nodded in confusion.

Sheng nanxuan yawned, got on the bed, and held Gong mo in his arms.

Gong mo immediately hugged him tightly. "You're awake?"

"Yingluo, I'm so cold." Gong mo said with a frown.

Sheng nanxuan hugged her tightly and put his hands under her clothes. He found that her hands and feet were cold, and so was her stomach.

"Let's go to the hospital later. You can't be like this," he said, his heart aching.

hmm, " Gong mo leaned against him in a daze.

Sheng nanxuan placed his hand on her stomach. Suddenly, he felt the blanket running to the ground.

He turned around unhappily and saw Hu Zi hanging from the blanket.

Hu Zi held the milk bottle in one hand and the blanket in the other, trying to climb up. When he saw his father staring at him, he immediately acted cute. "Daddy, carry me! I want to go up!"

Sheng nanxuan picked him up with one hand. He lifted the blanket and crawled under it. Sheng nanxuan ignored him. He climbed onto Sheng nanxuan again, trying to roll over Sheng nanxuan and go into Gong Mo's arms.

Sheng nanxuan pushed him down and said, 'no! In the future, you'll sleep next to me! You must have made mom catch a cold!"

After being scolded by him, Hu Zi sat pitifully at the side and began to cry.

Gong mo nudged Sheng nanxuan. don't talk about him. he said.

Sheng nanxuan helplessly carried Hu Zi over and let him lie between him and Gong mo.

Hu Zi sniffled and immediately stopped crying. He turned around and hugged Gong mo.

Sheng nanxuan passed him his milk bottle.

He pouted and held the bottle while biting the pacifier.

don't move, "Sheng nanxuan said. otherwise, don't you dare touch mom.

Hu Zi's lips pouted even higher, but he obediently lowered his leg that was in the air.

The three of them slept for another two hours. After getting up, they had dinner and went to the hospital.

Yu Qingliu analyzed Gong Mo's condition and said, " "Slowly recuperate, you can't rush it. I'll introduce you to a nutritionist and ask him to give you diet recipes. Also, he had to train more. The body was trained by running, doing yoga, and so on.

Gong Mo's face turned red.

Yu Qingliu adjusted her glasses and looked at Sheng nanxuan. "But this isn't the only exercise. Running is still better."

"I know." Sheng nanxuan held his forehead and turned to Gong mo. let's run every day from now on. We'll do it together.

“Hello, Yueyue.” Gong mo lowered his head and agreed.

Yu Qingliu prescribed some medicine for conditioning and wrote a prescription for foot therapy and bath. check it every half a year. Don't take medicine blindly. It's better to believe in me than to believe in a folk prescription!

“I know.” Sheng nanxuan kept the prescription.

Yu Qingliu paused and coughed awkwardly, ” “That Yingluo”

Sheng nanxuan thought he was talking about yesterday's incident and said, ” “I'll go visit grandma in a while.”

Chapter 948 I still want to give you a second child

Yu Qingliu paused, ”sure, I'm sad.” You're always so cocky.”

...

Sheng nanxuan smiled.

“But that's not what I wanted to say,” Yu Qingliu laughed.

“What's that?” Sheng nanxuan raised his eyebrows.

“I'm talking about Gong Mo's period. You should pay more attention to it. If it's abnormal, you can look for me or the gynecologist. Women, that's the key to reflecting her physical condition.”

Sheng nanxuan smiled. uncle, aren't you a doctor? You're embarrassed to say this?”

Gong mo glared at him with a red face.

Yu Qingliu laughed, "I'm afraid your wife will be embarrassed!" Look, isn't she blushing?"

Gong mo stood up, carried Hu Zi and walked out, " "You two can continue quarreling."

Sheng nanxuan hurriedly followed him out.

Yu Qingliu shouted, "be careful of birth control!" If you get her pregnant, you'll have to collect her corpse!"

Sheng nanxuan had just left the room. He grabbed the phone on the secretary's desk and threw it in.

Yu Qingliu didn't even blink as she pulled out a photo of herself and Owen, smiling bitterly.

The Secretary was shocked.

Gong mo turned around and looked at Sheng nanxuan.

He grabbed his hair and walked forward with her in his arms. "Let's go home."

"What do you mean, uncle?" Gong mo asked.

now that the cold energy has entered your body, of course you can't get pregnant!

"What about after Yueyue?" Gong mo asked in a daze. Will I never be able to have another child again?

"It'll be fine as long as you recuperate well."

Gong mo heaved a sigh of relief and put his hand into his pocket, "That's good, Yingluo. I still want to give you a second child."

.....

After walking out of the hospital, Gong mo received a call from Gong Bai. "I heard you're sick?" Gong Bai asked.

"Did Xinran tell you?"

"Yup, I know. Are you alright?"

"It's alright now, don't worry."

that's good. I'll go see you later.

"Alright, come over." Gong mo didn't refuse.

After getting in the car, Sheng nanxuan asked the driver to drive to the Yu family.

When they arrived, Gong mo and Hu Zi were still in the car. Sheng nanxuan went in alone to find Wu surong.

"Great-grandma?" Hu Zi asked, leaning on the window. Didn't she come to see great-grandma?

"We'll go another day. Daddy will be out in a while." Gong mo consoled.

After a while, Sheng nanxuan came out with a long gift box in his hand.

“How is it?” Gong mo asked.

“Grandma is very touched.”

what are you holding? ” Gong mo was speechless. He looked at the thing in his hand and asked, ” what are you holding? ”

ginseng. Grandma gave it to you. It’s good for your body. He passed the box to her.

Gong mo opened it and took a look. It was a huge ginseng!

She took a deep breath, closed the box, and asked, ” “You told her?”

“Naturally. Just in case she doesn’t know how good you are!”

Gong mo glared at him disapprovingly and asked, ” “Should I go and thank grandma?”

“You didn’t go just now, so don’t go now. She doesn’t know you’re here. Maybe next time.”

Gong mo nodded his head.

On the way home, the two of them went to the supermarket. Sheng nanxuan bought the ingredients and prepared to make a warm and nourishing herbal dish for Gong mo.

Gong mo reminded him, ”buy more!” Cousin should be here tonight!”

“He can just eat the leftovers.”

Gong mo pinched him.

After buying the groceries, Gong mo went to buy some wool to knit a scarf for him.

“Forget it,” he said. You don’t need to do this with your current body.”

“No! I promised you!”

“But if you knit the scarf, your hands will get cold.”

“Then I’ll keep it until summer.”

“Then I’ll buy it in summer.”

“I’m buying it now!” Gong mo pouted.

“.....”

Chapter 949 He would not give Huo Cheng this chance

“Buy, buy, buy!” Gong mo shouted.

...

“Alright, alright, I’ll buy it!” Sheng nanxuan felt that if he did not let him buy it, he would seem like a stingy man.

.....

In the afternoon, Sheng nanxuan was stewing ginseng in the kitchen, while Gong mo sat on the sofa and knitted a scarf.

Sheng nanxuan threw the ingredients into the pot and walked over. "Are you cold?"

Gong mo shook his head. She was wearing a down jacket and a blanket, and the air conditioner was on in the room. How could she be cold?

"Where's your hand?"

"I'll tell you if it's cold." Gong mo glanced at him.

"If you can't, then don't knit."

"I'm bored."

"Let's go out and play!" Hu Zi immediately ran over.

In the past, when his parents were bored, they would take him out to play. He had not gone out to play for a long time. His friends in the park must not recognize him!

Sheng nanxuan pushed him away. mom is sick. We'll go out another day. Stay away, don't get your eyes poked."

Hu Zi pouted and turned around to play by himself.

you can watch TV when you're bored, " Sheng nanxuan said to Gong mo. you can save this for summer.

Gong mo nodded. I'm not cold now. I'll start weaving.

Sheng nanxuan felt helpless when he heard that. He wanted to persuade her again when his phone rang.

It was Wu surong.

"It's mom," he looked at Gong mo.

Gong mo was shocked. Whenever Shan Rong called, she would always answer the video call. She put down the knitting needles and lifted the blanket on her body, feeling that her knees were a little cold.

Sheng nanxuan hurriedly said, "forget it. Let's do it here. You answer the phone first. I'll go get the computer.

Gong mo answered the phone and covered himself with a blanket.

After chatting for a while, the video call was connected. When Shan Rong saw her expression, she was stunned. "Why are you wearing such thick clothes?"

"I'm Yingying!"

"You're sick?"

"Yeah, I've been having a cold recently." Gong mo said with a guilty conscience.

"Then be careful. Is Hu Zi alright?"

"He also caught a cold, but he's already recovered."

"He's fine, but you're not?" Usually, shouldn't the adults go first?

“Uh, Yingluo is almost done.”

“That’s good.” Shan Rong picked up Simon and said to him, “ come, take a look at your sister. That’s your nephew.

Simon’s eyes were wide open as he looked around, putting his finger in his mouth and sucking.

Hu Zi came over, pointed at him and shouted, “He’s eating hand-”

“You can eat it yourself.” Gong mo said.

When Hu Zi heard this, he fell into deep thought. He raised his hand to his mouth and nibbled on his nail. Then, as if he had discovered something, he immediately hid his hand behind his back.

Gong mo burst into laughter.

After the video call ended, the doorbell rang. Gong mo jumped in shock and fear.

Sheng nanxuan hurriedly patted her shoulder. don’t be afraid. I’ll go and take a look.

“Be careful!” Gong mo shouted.

“There are bodyguards at the entrance and downstairs. You don’t have to worry.” Sheng nanxuan furrowed his brows and caressed her forehead. not only are you afraid of water, but you’re also afraid of the doorbell.

“Go and open the door,” Gong mo pushed him away.

He sighed and felt that he had to kill Huo Cheng a hundred times.

Letting him die too simply wouldn't vent his anger! However, if he didn't die a quick death, what if he escaped again?

If Huo Cheng didn't have the idea of making her suffer, she would really be in so much pain right now.

If Gong mo was gone, he would be in so much pain that he would wish he were dead, regardless of whether she had suffered before she left. Huo Cheng's perverted idea had saved Gong mo and Hu Zi's lives.

However, he would not give Huo Cheng such a chance.

Chapter 950 It's fine not to have children

Sheng nanxuan walked to the door and answered the walkie-talkie. It was Gong Bai and Yu Xinran. He let the two of them up. Along the way, they saw several layers of bodyguards discussing in the elevator whether some Big Shot had just moved in.

...

When she walked out of the elevator, she realized that it was the same at the entrance of her house. How was she new? she was clearly Yingluo.

The two of them walked into the living room and saw that Gong mo was wearing thick clothes. "Is it very serious?"

"I'm fine now." Gong mo had already put down his needles and was warming himself up with a hand warmer.

Seeing her like this, Sheng nanxuan quietly locked the wool and sweater needles into the storage room.

"You're really too much. Why didn't you tell me earlier?" Yu Xinran reproached, " grandma didn't mean to say those words yesterday. He was just anxious about Hu.

"I understand." Gong mo nodded. What she said was common sense. When an adult was sick, it was indeed easy for a child to pass the time. It's nanxuan who cares too much about me. However, he didn't do it on purpose."

"We all understand." Yu Xinran laughed. he loves you so much!

Gong Mo's face turned red.

"What's going on at your door?" Gong Bai asked.

uh, Xuanji nanxuan arranged it. I don't know him either. I'm always worrying for nothing. Gong mo pushed all the blame to Sheng nanxuan.

"He always has a reason for doing things," Gong Bai said. Since you've arranged for so many people to be outside the house, you should be careful."

Gong mo nodded his head.

.....

Gong mo had some ginseng soup for dinner. Before he went to bed, he said to Sheng nanxuan, "I feel a little hot."

"It seems that the ginseng is effective. Eat more in the future. I'll give you all the rare herbs, I don't believe you can't recuperate properly!" Sheng nanxuan was determined.

"I'm not in a hurry," Gong mo smiled. I'm already over 40 years old, and I'm still giving birth to Simon. At most, I'll give birth to your second child later."

"Why do you keep thinking about having a second child? It's fine if you don't give birth."

“What do you mean?” Gong Mo’s face fell.

“I’m nursing your body so that you can be healthy, not for a second child.”

Gong mo heaved a sigh of relief. I thought I wouldn’t be able to recover. You’ve been hiding it from me again.

Sheng nanxuan was speechless. even without this, I won’t let you have a second child so easily. The last time you gave birth to Huzi, you lost half your life. The second child depends on the situation. I can’t guarantee your safety, so I don’t want it. ”

you said that you wanted a daughter, Zhenzhen, ” Gong mo mumbled unhappily. He had said all the good and bad things.

He did indeed want Qianqian’s daughter. He coughed lightly. then be a good girl and take your medicine!

Gong mo snorted. so, you still want it.

So, do you want me to want it or not?

.....

Every time Gong mo video-called Shan Rong, he would wear thick clothes, which finally aroused Shan Rong’s suspicion.

Gambino knew that Shan Rong wasn’t someone who couldn’t take it, so he told her. Thus, Shan Rong decided to return to China.

“Have mom and dad boarded the plane already?” Gong mo asked during lunch.

Sheng nanxuan nodded. I'll probably be there at two in the evening. You can sleep first.

"Are you going to pick them up?"

"I'm downstairs."

"That's not very good, Yingluo."

"I can't just leave you and Hu at home,"

"Yueyue, we can go to the airport together."

"That's two in the morning!"

Gong mo pouted.

Sheng nanxuan rolled his eyes at her. There was no room for discussion. "The weather is so cold. I wouldn't even let you go during the day, let alone at night."

"I can't do it during the day!" Gong mo was displeased.

"Alright, alright, hurry up and eat! The airport is far away and there are so many people around dad. He doesn't need us to pick him up, so don't worry."
