

Ditsy Wife 951

Chapter 951 The things related to you are the real things

Gong mo snorted, ate two mouthfuls and went up to her again, "It's Christmas Eve today. Let's take Hu out to play later. He's bored to death staying at home every day."

...

"You're the one who's bored out of your mind, right?" Sheng nanxuan gave her a sidelong glance.

She hugged his arm and acted coquettishly, "hubby ~"

"Good, good, good! When the time comes, you can wear thicker clothes."

"Alright," Gong mo hurriedly nodded.

After the meal, he began to clear the dishes. Hu Zi had not finished eating and was staring at him.

"Hurry up and eat, or I'll feed you," Gong mo said to Hu Zi.

Hu Zi immediately lowered his head and started eating. He had already grown up. He didn't want his mother to feed him!

Gong mo couldn't help but laugh. After he finished eating, he took the bowl and chopsticks back to the kitchen.

Sheng nanxuan was washing the dishes. what are we having for dinner? " he asked.

"I'll eat whatever you cook."

"Are you going to eat the poison?" He looked at her.

Gong mo tiptoed and kissed him on the lips, "Eat!"

Sheng nanxuan kissed her back deeply for a few seconds. go out and rest.

Gong mo nodded. When he went out and saw that Hu Zi had not washed his face, he went to the bathroom to wring a towel.

As soon as her hand touched the water, Sheng nanxuan ran over and grabbed her hand to turn off the tap. "Didn't I tell you not to touch the water?"

"This is hot water." Gong mo said innocently.

"Hot water is still water!"

"I'm just washing Hu Zi's face. I know how to wash my own face!" Gong mo felt that he was making a mountain out of a molehill.

you can wash your face, but helping him is doing things. No way! Sheng nanxuan was unquestionable.

"You ..."

"If you don't listen to me, I'll wash your face for you in the future!"

Gong mo felt that he was being unreasonable.

Sheng nanxuan dragged her back to the living room and put her on the sofa. He wrapped her in a blanket and went to help Hu Zi wash his face."Ginseng is useful to you, so you're bold, right? Even if you don't listen, ginseng can't save your life!"

“Don’t quarrel!” Hu Zi shouted.

Sheng nanxuan wiped his face with a towel. “Mommy, you’re not good. She’s sick and in pain, but she’s still disobedient. We have to take care of her.”

Hu Zi looked at Gong mo and nodded when he saw that Gong mo was wrapped in a fluffy coat.

Sheng nanxuan continued to look at Gong mo. “Disobedient? Since mom is coming back, I’ll let mom take care of you!”

“But you can’t just do everything by yourself, can you?” Gong mo said impatiently. You still have so many things to do!”

“I can leave those things to others!”

“Those things?”

That’s the company’s business! For her sake, he did not care about his own business and stayed at home to do housework every day. What was this?

She said unhappily, “ those were serious matters!

“The things related to you are the real business!” Sheng nanxuan said sternly.

Gong mo paused, knowing that he was doing this for his own sake. He didn’t want to disappoint him, so he asked, “ When will sister li be back?”

“She hasn’t recovered from her injuries. The doctor also said that her hand would most likely not be able to use force in the future, so I arranged for someone to recuperate for her. If she really can’t work hard, she won’t be able to work in the future. I can only give her more money so that she can live a happy life in the future.”

“Then, Yueyue, let’s get sister Zhang back first.” Gong mo said, “I can’t really ask you to do these things.

I’ve looked for her, but she has other jobs to do. I can’t force her, so I’m looking for a new person.

“When can you find it?”

Shan Rong and Gambino were coming back soon. When the time came, there would be two more people in the house, and the number of household chores would multiply. Furthermore, Simon was so young that he needed someone to take care of him.

Chapter 952 He is not afraid of dogs!

“Don’t worry.” Sheng nanxuan said calmly, “ you have to investigate clearly and choose someone with a clean background. Otherwise, what if she brings danger to you and Hu Zi? ”

...

Hearing this, Gong mo hurriedly nodded and said,“you can make the arrangements.” Will mom and dad bring some people with them?”

“Yes,” Sheng nanxuan kissed her. go and change your clothes first. I haven’t finished cleaning the kitchen yet. I’ll come over once I’m done.”

Gong mo nodded. Not only did he change his clothes, but he also changed Hu Zi’s clothes.

When she left the house, she was wearing a thick down jacket, a hat, a scarf, earmuffs, a mask, and gloves. She was fully armed!

Sheng nanxuan even gave her a hand warmer.

When they arrived at the park, Hu Zi went to have fun.

Gong mo took off his gloves and looked at him while holding a hand warmer.

“Are you cold?” Sheng nanxuan asked.

Gong mo shook his head. She was already wearing thick clothes, so she was embarrassed to say that she was cold.

They often played here and got to know many people. When those people passed by them, they would greet them. Seeing that Gong mo was wrapped up tightly, they all asked with concern, “You’re wearing so much? Are you sick?”

Gong mo smiled in embarrassment.

“I didn’t see you two a while ago. Have you been sick for a long time?”

Gong mo nodded his head.

The other party thought to himself, “he has disappeared for almost a month, right?” Now, it’s wrapped so thick. Did she go for an abortion?

if you’re sick, don’t come out to get some cold wind~” the other party laughed.

Gong mo glanced at Hu Zi and said with a smile, “He wants to come out and play.”

“Just ask your husband to bring him out. You should rest more at home. A woman’s body can’t stand the cold.”

“I’ll be back soon,” Gong mo nodded.

“Then we’ll be leaving first, goodbye.”

“Goodbye.”

Sheng nanxuan watched him leave. He reached into the hot water bag and held Gong Mo’s hand.

The hot-water bag on her palm was warm, but the back of her hand was almost cold.

“Why is it so cold?” Sheng nanxuan asked anxiously.

Gong mo looked at him innocently.

“I already said, you have to tell me if you’re cold!” Sheng nanxuan cried out in exasperation, “are you trying to make my heart ache?! Your current body ...”

“I’m sorry,” Gong mo lowered his head and said in a low voice. “I don’t feel very cold. Sorry, Zhenzhen.”

Sheng nanxuan was so angry that he could not vent it. He said helplessly, “Let’s go back!”

Just as he was about to call Hu Zi, he suddenly heard Hu Zi’s cries.

The two of them looked over in panic and saw Hu Zi sitting on the ground.

“Hu Zi!” Gong mo ran over hurriedly and almost slipped on the snow.

Sheng nanxuan pulled her up. “slow down. I’ll go!” After saying that, he ran over.

Gong mo kicked the snow off his shoes and ran over.

“Daddy!” Hu Zi hugged Sheng nanxuan and cried.

Gong mo picked up his gloves and patted the snow off them. He put them on and asked the people around him, “What’s going on?”

“I ... I don’t know.” The man holding the Husky’s hand said.

When Gong mo saw the huge Husky, he was so scared that he stepped back and thought of the two hungry wolves.

The Husky’s owner quickly led the dog and explained, “My dog is playing with my son in the snow. It doesn’t bite. Your son is probably afraid of dogs!”

“He’s not afraid of dogs!” Sheng nanxuan called out.

Hu Zi clearly loved dogs. Whenever he saw someone else’s dog in the park, he would run over. As a dog, it was possible for it to bite people. He and Gong mo were afraid that he would get hurt, so they had to hold him back.

I ... the Husky’s owner panicked. I really didn’t touch him! Don’t you blackmail me!”

Chapter 953 Can’t wait to tear him into a thousand pieces!

The people around them said, “look at what she’s wearing.” One piece of clothing costs more than a hundred thousand Yuan. Do I need to extort money from you?”

...

The Husky’s owner’s face turned pale. Did he run into a rich and powerful person? Did he have to be so unlucky?

He said anxiously, "rich people don't extort money?" Who knew what kind of heart they had? My Husky is very obedient ..."

Woof ... the Husky made a silly mistake and barked at Gong mo and the others.

"Waa ..." Hu Zi cried even louder.

Gong mo was so scared that he took a step back and almost fell.

Sheng nanxuan quickly held her and shouted at the owner of the Husky, "You see! It dares to bite me even when I'm here!"

"You shut up!" The Husky's owner yelled at the Husky.

The Husky shrunk its neck and whimpered as it hid behind him.

"Are you alright?" Sheng nanxuan asked Gong mo. Seeing her pale face, he became worried. what's wrong? "

"No, nothing." Gong mo shook his head.

She pulled him back and said, "let's go home!" It's not his fault, I'm the one who's scared."

Sheng nanxuan was stunned. He glanced at her, held her hand, and turned around. He said to the owner of the Husky, "In the future, please lead the dog more steadily."

The Husky's owner thought, "what a f * cking Husky!" Wasn't it steady enough? It was clearly your own problem!

Sheng nanxuan helped Gong mo into the car and carried Hu Zi in. He said to the driver, "Let's go home."

Wu Wu Wu Wu Wu Wu ” Hu Zi let go of him and turned around to hug Gong mo.

Gong mo hugged him tightly and sobbed in a low voice.

Sheng nanxuan pulled them into his arms, his heart aching so much that he found it hard to breathe. He heard that Huo Cheng had let two wolves in when he locked them up.

He kissed Gong Mo’s face and said, ”everything is fine now.”

Huo Cheng! He gritted his teeth in hatred and wished he could tear her into pieces!

.....

The next morning, Gong mo heard a baby’s loud cries the moment he opened his eyes. Or rather, she had been woken up by this sound!

It was Simon!

Gong mo immediately put on his clothes and went out. He saw Gambino coming out of the guest room with Simon in his arms.

”Dad!” what time did you guys arrive? ” Gong mo shouted happily.

”Two points.” Gambino walked over.

”Have you rested well?”

”Alright, I’ve been sleeping the whole time on the plane.” Gambino shook Simon, who was in his arms.

Gong mo asked, "what happened to him?" Are you hungry?"

"Yup,"

"Where's mom?"

he's putting on his clothes. He'll be up soon. I'll go feed him some milk first.

"I haven't washed my face yet. I'll go and clean myself up," Gong mo nodded.

She returned to her room to wash up. When she came out, dan Rong was already sitting at the dining table, preparing to eat breakfast.

Simon was in Gambino's arms, holding a bottle and drinking milk quietly.

Hu Zi stood on the chair and looked at him from the side.

Gong mo walked over and timidly called out to Shan Rong, "Mom ..."

Shan Rong glared at her. now you know that I'm your mother? You're still hiding things from me. Do you still have me as your mother?"

"Yingluo, I didn't want you to worry." Gong mo sat down with a guilty conscience.

"You can hide anything from me with such a reason? If I like to hear all the good things, I'd just spend money to hire someone to praise me every day. Why would I give birth to you?"

Gong mo lowered his head and didn't dare to make a sound.

Gambino did not even dare to breathe loudly. In Italy, he had already been scolded by Shan Rong in a 360-degree manner.

“Mom, don’t blame Momo. It’s my fault.” Sheng nanxuan did not dare to refute.

If it was his mother, he could still turn against her. However, the other party was his mother-in-law, so he did not dare to.

Chapter 954 When do you plan to kill Huo Cheng?

Gambino also tried to persuade him. if you want to scold him, do it at another time. It’s still early in the morning. Let’s eat first.

...

Shan Rong glared at him, and he immediately did not dare to say anything.

grandmother! Hu Zi shouted.

“What’s the matter?” Shan Rong looked over and asked happily.

“I’m not angry.” Hu Zi said seriously.

alright, ” Shan Rong nodded. on Hu Zi’s account, I won’t be angry anymore.

After the meal, dan Rong took a piece of paper and wrote a huge shopping list, handing it to Gambino.”Go and buy it. From today onwards, I’ll cook for Momo!”

nanxuan knows how to cook ... Gong mo said hurriedly.

“He’s cooking for you every day. Does he still care about the company?” Shan Rong glared at her. I’m back, so let me cook for you!

Gong mo glanced at Sheng nanxuan and said, ” “Do as you please. You won’t let me do it anyway.”

“It’s good that you know!” Shan Rong snorted.

She was extremely depressed.

Gambino took the list and said to Sheng nanxuan, ” “Let’s go together.”

“I want to go-” Hu Zi shouted.

Okay, okay, okay, okay. Gambino picked him up and laughed as he said, ” we are the three closest men in Mo Mo’s life. Let us dedicate ourselves to her!

“Then be careful when you go out,” Gong mo couldn’t help but laugh.

“Don’t worry.” Gambino said, ” you don’t have to worry at home. Everything will be fine.

Gong mo nodded his head. Previously, Sheng nanxuan had secretly arranged many bodyguards around the area. Now that Gambino had returned, he naturally added another layer!

The two of them chatted as they walked.

“When do you plan to kill Huo Cheng?” Gambino asked.

Sheng nanxuan paused and looked at Hu Zi. Hu Zi also looked at Gambino curiously. Who was Huo Cheng?

Gambino seemed to feel that it was nothing to say these things in front of him.

Sheng nanxuan thought for a moment. Hu Zi was going to inherit everything from him in the future. Even if he didn't inherit, he couldn't be worse than him. It was no big deal to let him hear this. Anyway, he was so young and couldn't understand it. At most, he could be influenced by what he heard and saw.

"Next year," He said.

"January 1st is next year, and December 31st is also next year." Gambino was obviously not satisfied with this answer.

"This year, then."

Gambino narrowed his eyes and became even more displeased, feeling that he was being perfunctory.

"It's this year on the lunar calendar," Sheng nanxuan said, " he hasn't stepped down yet. The death of the current president and the death of the previous president are two completely different things. Although I want to take revenge for Gong mo, if I kill him now, he will definitely trace it back to us. By then, it will be troublesome for Gong mo. So I want to wait, but I won't keep him for the new year."

"Very good," he said. Gambino revealed a satisfied expression.

There were less than two months left until the new year. He could wait. If it took too long, he wouldn't mind exercising his rights as Gong Mo's father.

If her husband could not avenge her, as her father, he would get rid of her useless husband as well!

.....

In the living room, Gong mo was sitting on the sofa and watching TV. Simon was lying in the cradle next to him, and Hu Zi was lying on it, looking at him.

wow, wow, wow! Simon shouted at him.

hehe, Yingluo. Hu Zi had a conflicted expression on his face. He reached out and poked his face. uncle? ”

Hey! Simon raised his foot and stared at the cradle.

Hu Zi felt that the other uncles were more like uncles.

Shan Rong came over with a plate of dried peanuts and longans. She sat at the side and peeled the shells, preparing to boil them into soup.

Chapter 955 If you want a younger brother, I'll ask your mother to give you one in a few years

Gong mo wanted to help but was slapped away by her. “Your hands are so cold, keep it.”

...

Gong mo pouted and put it back into his hand warmer.

Shan Rong stuffed a peeled longan into her mouth.”You can eat more of this!”

Thank you, Mom,”Gong mo said with a smile.

I want to eat ~”Hu Zi turned his head and leaned over.

“I'll do it.” Gong mo reached out his hand.

“Remove the seed before giving it to him, in case he swallows it by accident,” dan Rong said.

“Yes.” Gong mo carefully removed the longan and fed it to Hu Zi.

While Hu Zi ate, he looked at the fruit core curiously.

“You can’t eat this, go and look after uncle,” Gong mo said.

“Call him little brother?” Hu Zi asked.

“No!” Gong mo glared at him.

“If you want a younger brother, I’ll ask your mother to give birth to one for you in a few years.” Shan Rong smiled.

Gong mo bit his lip and put his hand into his hand warmer.

Shan Rong glanced at her and consoled her, “just take your time to recuperate.” You should pay more attention to yourself and listen to nanxuan. Otherwise, you’ll have to start all over again once you’re back to square one!”

“I know.” Gong mo said in a low voice.

“It’s Christmas today. Should we invite Tian Cheng and Gong Bai over for dinner?” Shan Rong was afraid that she would be depressed.

“Christmas is another form of Valentine’s Day. They’re going on dates,” Gong mo said with a smile.

“Yes, yes, yes, Xuanji and Chengcheng are also in love?” Shan Rong suddenly realized.

“I don’t know about her. However, the school usually had Christmas parties, so it was better to let her participate in group activities. In any case, his cousin would definitely be on a date today and wouldn’t be able to come. Why don’t we make an appointment tomorrow and have them come together?”

“Alright then. Give them a call later. And Tang Xinxin? I haven’t seen her in a long time, do you want to come together?”

“She’s been busy with a lot of work recently, so she’s probably not free. In any case, it’s Hu’s birthday in a few days. She’ll definitely come.”

Shan Rong nodded. you don’t have many friends in the capital. Don’t cut off all contact with Tang Xinxin. Otherwise, you’ll be so lonely when you have nothing to do.

“Don’t worry, I won’t. We’ve stopped contacting each other for a few years when she was abroad, but we’re still so close now. It’s all fated. Besides, she’s with Wu Di. Wu Di and Nan Xuan are friends and relatives, so they’ll keep in touch.”

“I hope they can get married soon.” Shan Rong laughed.

The earlier they got married, the better. Otherwise, they would Break Up in the End.

At her age, she had seen a lot of couples. It wasn’t easy for couples to grow old, and the chances of them getting married early were higher. Even the gods couldn’t save a married man!

.....

The next day, Gong mo, Yu Xinran, and Tian Cheng came over for lunch. Yu Xinran had the invitation to the Qingyu charity party in her bag.

Sheng nanxuan had already said that he would not go, and she could not force him. However, to show his respect, he still had to send an invitation. However, he had already said that he wasn’t going, and she had sent it again. What if he felt that she was forcing him and turned against her?

Yu Xinran was still in a dilemma. When she heard that Shan Rong and Gambino had returned, an idea flashed through her mind, and she brought one for Gambino as well.

He had already given it to Gambino. If he did not give it to Sheng nanxuan, wouldn't that be looking down on Sheng nanxuan? She had given it to him, but what if he suddenly thought it through and came back? Wouldn't that be a happy ending?

Yu Xinran only took out the invitation card before she left. After she left, everyone started to discuss it.

"Are you going?" Gong mo asked Sheng nanxuan.

"Why should I go? You can't go." Sheng nanxuan opened the invitation and glanced at it, then threw it on the coffee table.

Chapter 956 Sheng nanxuan, your loyal dog

"You can go alone!" Gong mo said.

...

"Don't!" Sheng nanxuan said in disdain, " I'm not interested in that kind of thing. If you need to donate, just let Fang Yang do it on my behalf."

you have to give Xinran some face, right? " Gong mo mumbled softly.

I already said that I'm not going. She's just following the procedure. Don't worry.

Shan Rong held Gambino's card and asked,"what kind of charity dinner is this?" Why is your dad's name here?"

Gong mo smiled,"the Jade necklace that dad gave you was bought at this banquet. It cost 50 million Yuan!" He's definitely going to spend money on him!"

Gambino looked at her helplessly. I didn't spend any money on you. Are you jealous? " Alright, I'll go and bid for one for you this time!"

"I don't care if you are or not, as long as I am!" Gambino said, " I didn't prepare anything when you got married. I have to make up for the dowry.

"I've only heard of supplementary betrothal gifts, but I've never heard of supplementary dowries," Gong mo replied in confusion.

Sheng nanxuan was stunned. are you hinting at something? " he asked.

Gong mo,"can't you speak properly?"

Shan Rong suddenly asked Gambino,"that Imperial Jade was spent 50 million?!" Didn't you tell me that it was five million?"

Gambino: " I'm just afraid that you'll feel bad.

"You even dared to put it on for me for 50 million?" Shan Rong shouted, " what if it breaks?!

"I said it was five million, but I don't see you wearing it every day!"

that's expensive ... Shan Rong choked.

Initially, she had thought that five million was expensive and would not bear to wear it unless it was an important day. Now, she was telling her that it was fifty million Yuan.

She'd better put it in the safe and lock it!

She could not help but scold Gambino,'why are you such a prodigal? You dare to throw out fifty million?"

“That’s not called scattering, it’s for you! I can give you 500 million!”

“You ...”

Gambino hurriedly pointed at Sheng nanxuan and said, ‘he’s the one who raised the price! Otherwise, I wouldn’t have to spend so much money.’”

When Shan Rong heard this, she shouted at Sheng nanxuan, ” “Don’t drink the chicken soup tonight.”

“I didn’t know he was my father!” Sheng nanxuan said innocently.

“I don’t care. It’s wrong to make my husband spend more money.”

Sheng nanxuan thought, Yingluo was actually being shown off by her mother-in-law! He must have had too much fun with Gong mo in the past to suffer such retribution.

are you guys really not going? ” Gambino asked Sheng nanxuan.

“I’m not going. Gong mo can’t stand the cold. It’s not good for her to wear too little there.”

“Then I’ll go with your mom. After all, it’s the Yu family’s banquet, so I have to give you some face.”

“That’s fine.”

“Who’s going?” Shan Rong shouted. Don’t think about taking me to banquets all day. I don’t want to wear those dresses! There’s no one to take care of Simon.”

“Am I not a human?” Gong mo pointed at himself. Shan Rong did not have enough milk, so Simon only drank her milk when she was up and sleeping. She usually drank milk powder, so it was not like she could not leave.

Shan Rong glared at her. who’s going to cook for you if I go? ”

Gong mo pointed at Sheng nanxuan and said, ‘hubby! Go!’

Sheng nanxuan barked subconsciously.

“Are you a dog?” Gong mo asked.

Sheng nanxuan held his forehead. He did not know why he had such a reaction. He rubbed the top of her head helplessly. “Your loyal dog.”

Shan Rong and Gambino were embarrassed by their daughter and son-in-law’s show.

The four of them suddenly had a strange thought. They were competing to show off their love every day!

Chapter 957 You hit on my cousin?

Soon, it was New Year’s Day.

...

In the evening, Shan Rong and Gambino had some food at home. They left Simon to Gong mo and Sheng nanxuan before setting off for the charity banquet.

After they entered the hall, they walked to the table under the guidance of the waiter and found Tang Xinxin and Wu Di sitting there.

“Auntie!” Tang Xinxin stood up in a hurry. When did you come back?”

“During Christmas.” When Shan Rong saw her, she was overjoyed.

She didn’t want to come at first because she didn’t know anyone in this place. Now that he had an acquaintance, he felt much more at ease.

She held Tang Xinxin’s hand with a smile and sat down.

Tang Xinxin also greeted Gambino, then asked, “Auntie, are you coming back for the new year?”

that’s right ~”Shan Rong smiled.

The two of them chatted happily, and Wu Di was also chatting with Gambino at the side.

A moment later, Fang Yang came over with Wu Yunyun.

Wu Di was stunned when she saw Wu Yunyun. She asked Fang Yang in a low voice, “You’re hitting on my cousin?”

Fang Yang paused. He did have this idea, but he had not started to implement it.

“I invited her to be my companion,” he coughed lightly.

“You can invite anyone else. Why must you invite my cousin?”

“Isn’t that because we’re close to her?”

Wu Di's gaze on him became even more guarded.

Fang Yang held his forehead and ignored him. He talked to Gambino.

"Have you been busy with your studies?" Wu Di asked Wu Yunyun.

"I'm not busy," Wu Yunyun said.

"Why are you with him?"

he said he didn't have a female partner and hired me for ten thousand Yuan.

Wu Di was speechless, 'this is a method to woo you, do you understand? They're all leftovers from my games!"

Wu Yunyun was stunned and looked at Tang Xinxin.

Tang Xinxin coughed heavily. Wu Di grabbed her hand and said, "A slip of the tongue! A slip of the tongue! That's my friend's leftovers!"

"Hmph!" Tang Xinxin shook him off.

Wu Yunyun burst out laughing.

Wu Di glared at her, 'you're still laughing? You're usually quite smart, why are you so stupid?"

"How am I stupid? I've never been to such a place before, so of course I want to see the world. I'd be stupid not to agree to it!"

"You ... You better be careful not to lose money!"

“It’s not a loss even if you lose, he’s not a bad person.” Wu Yunyun said softly.

Fang Yang immediately turned to look at her, his eyes glimmering.

Wu Di had completely lost his temper. He sneered at him. “Don’t you bully my Wu family.”

“I don’t dare to.” Fang Yang lowered his eyes. When he was no longer looking at him, he whispered to Wu Yunyun, “you were talking about Yingluo just now.”

“Analyze it rationally.” Wu Yunyun said calmly.

Fang Yang swirled the wine glass in his hand.

“It’s alright.”

The corners of Fang Yang’s mouth curled up, and he was in a good mood.

“When will Gong mo and the others arrive?” Tang Xinxin asked dan Rong.

Momo is sick, ” Shan Rong said. nanxuan is afraid that she’ll catch a cold. He won’t be coming.

“She’s sick?” Tang Xinxin was surprised. Is it serious?”

“I’m fine.”

Tang Xinxin blamed herself. I haven’t seen her recently. I didn’t know that it’s Huzi’s birthday tomorrow. I can visit her.

“Don’t worry, it’s nothing serious.” Shan Rong nodded.

it’s all my fault,” Tang Xinxin said embarrassedly. I’ve been too busy recently. I called her occasionally, but she didn’t tell me.

“Who would specifically mention that they’re sick?” Wu Di consoled him.

Tang Xinxin pinched him secretly.

At this moment, Zeng Shuai walked over with Cindy.

The group greeted each other again. Cindy sat down next to Wu Yunyun and whispered, “It’s been a long time,”

Wu Yunyun nodded lightly.

Chapter 958 Quickly go over and say hello!

“I still have to thank you for what happened last time.”

...

what’s the matter?”Wu yayun was stunned.

um, Qianqian,”Cindy said, embarrassed. I’m just saying that Qianqian thanks you for giving me the idea on Mrs. Sheng’s birthday.

that’s nothing ~”Wu Yunyun didn’t take it to heart.

As time went on, the venue became more and more lively, surrounded by celebrities and superstars.

Gong Gong also followed Wu lie and sneaked in.

She was not qualified to accept the invitation, but the Wu family and the Yu family were relatives. Every year, second brother Wu would get a few invitation cards for his grandchildren. Now that she and Wu Li were a couple, Wu Li would naturally bring her in.

“Your cousin should be coming, right?” Wu Li asked.

that’s right. Gong Mao smiled and looked around. I wonder where they’re having a chat.

he’s definitely at the very front,” Wu Li snorted in his heart. The Yu family really didn’t put him and his family in their eyes at all. Every time, they would arrange a seat in the last corner.

“Let’s go say hello to your cousin!” He said.

He was willing to be with Gong ye because she was Gong Mo’s cousin and her brother was with Yu Xinran. In that case, if he were to be with her, he would benefit from both the Yu family and Sheng nanxuan.

“That’s not very good, is it? The party is about to start.”

“It’s still early. It’s not a big deal to go over and say hello.”

“But I haven’t found Yingluo yet.”

Gong Mao was scared witless and didn’t dare to bring him to Gong mo. Wu Li didn’t know how bad her relationship with Gong mo was and thought that they were close sisters!

“It should be over there.” Wu Li pointed at Fang Yang’s table. look, my cousin and cousin are there. Fang Yang and CEng Shuai are there too. The remaining two seats must be for your cousin and Sheng nanxuan.

“Eh?” Gong Jie looked at dan Rong and asked in confusion.

“What’s wrong?”

“It’s my second aunt and cousin’s mother. Why is she back?”

“Ah, ran ran, that’s Gambino, right? Quickly go over and say hello!” Wu Li said hurriedly. Then, he asked her doubtfully, “you didn’t even know that your second aunt was back?”

Gong Mao was shocked and quickly smiled, “Haven’t you been busy recently? And they must have just returned. How about this, I’ll go over and say hello to them. Yingluo, wait for me here, I’ll be back soon.”

“I’ll go with you,” Wu Huang tugged at his clothes, wanting to get into Gambino’s good books.

This Gong ye was really a good helper. His brother had hooked up with Yu Xinran, his cousin was Sheng nanxuan’s wife, and his second aunt had married the head of the Gambino family in Italy, Qian Qian. He had no other connections.

“There’s no need.” Gong Ying hurriedly replied. My Jue Jue my second Shen’s temper is strange and she is very good to acquaintances but a little shy to strangers.”

“I’m your boyfriend. Even if you give birth to me now, we’ll get to know each other in the future!” Wu Huang was displeased.

“That’s true, but you see, it’s about to start and my cousin isn’t here yet. Who knows what’s going to happen?” What if she was in a bad mood? I’d better go and check it out first.”

Wu Huang frowned and sat down in a bad mood. “Alright, you can go.”

Gong Fei heaved a sigh of relief and immediately walked over to dan Rong.

The big round table at the banquet was meant for ten people to a table. The two empty seats at Shan Rong's side were indeed reserved for Gong mo and Sheng nanxuan. Although they said that they wouldn't come, they definitely had to prepare their seats. Otherwise, what if they came again? Was he going to let them stand?

Chapter 959 Really thick-skinned!

Gong Mao walked over and sat on an empty seat near dan Rong. He shouted, "Second aunt~"

...

Shan Rong's expression changed and she looked over.

The others also looked over and frowned.

Gong Mao's body stiffened. There was Gambino between her and dan Rong. She was a little scared when she thought of the way Gambino had pulled out his gun.

However, she couldn't stand up, or she would attract too much attention.

She mustered up her courage and smiled at Shan Rong, "I didn't expect second aunt and uncle to return to the country. When did you guys come back? I don't even know."

Shan Rong looked at her coldly and did not say anything. She laughed dryly. "Hehe, Yingluo."

Shan Rong didn't expect her to be able to smile, she was really thick-skinned!

"I didn't want you to know, so you naturally wouldn't know," Shan Rong said rudely.

Gong Fei's face turned pale and she looked at the others at the table in a panic.

Who would have thought that dan Rong would not give her any face at all and embarrass her in front of everyone!

She paused for a moment and continued to maintain her perfect smile. Because she was facing Wu Li, she could not let Wu Li see through her!

I haven't seen my cousin in a long time. I heard that it's Hu's birthday tomorrow? "

"No!" Shan Rong said.

"....."

Shan Rong turned her head to look at the stage. it's about to start. Go back to where you came from.

Gong Fei bit her lip, slowly stood up, and went back with a smile.

"What did your second aunt say?" Wu Li hurriedly asked.

"It was just some small talk," Gong Ying forced a smile.

.....

The next day was Hu Zi's birthday. It was also the day that Sheng nanxuan's company would be unveiled. Aimo News Network also chose to open its website on this day.

In the morning was the company's unveiling ceremony, and in the afternoon was Hu Zi's birthday party.

The unveiling ceremony was held in the hotel, which happened to be the hotel where Qing Yu media held the charity banquet.

Sheng nanxuan had invited many famous and influential people to help him. Many of them had attended the charity banquet last night, so it was as if they had changed their clothes and come again.

Sheng nanxuan didn't allow Gong mo to attend the charity banquet, but he had to attend his company's unveiling ceremony. He took her there on time, in case she would catch a cold if she waited too long.

Gong mo was wearing a thick white dress with a pair of thick socks and a dark red coat.

The two of them walked to the entrance of the hall, and the waiters standing on both sides pushed the door open-

Sheng nanxuan held her hand and walked in. A sea of people entered his sight.

Gong mo was a little nervous. He grabbed Sheng nanxuan's hand and almost lost his ability to walk.

Everyone stood up from their seats and raised their hands to clap. The hall was filled with thunderous applause.

Gong mo smiled and tried to appear calm.

She followed Sheng nanxuan to the stage and walked to the front. Sheng nanxuan helped her to the seat beside him.

"Wait for me." He whispered.

Gong mo nodded his head and realized that Shan Rong and Gambino were sitting beside him. The two of them were carrying Hu Zi and Simon.

mommy! Hu Zi called out softly and reached out to hug her.

Shan Rong gently patted his butt. "Don't dirty mommy's clothes."

Gong mo had put on makeup today. Hu Zi stared at her for a while and nodded seriously. "Beautiful!"

Gong mo couldn't help but laugh. This kid had learned from Sheng nanxuan.

She pinched his face and made him face the podium. "Listen to Daddy."

Sheng nanxuan stood in front of the microphone and began to speak with confidence, describing the company's entrepreneurial philosophy.

After he finished speaking, he extended his hand to Gong mo.

Chapter 960 You're already two years old, you have to be sensible in the future, understand?

Gong mo looked at him in a daze. "Aren't you going up?" Shan Rong pushed her. After he finished speaking, he wanted to carry Hu Zi away.

...

Hu Zi didn't want to leave Gong mo, so he put his arm around her shoulder and protested unhappily.

Gong mo stood up and put her down. He hugged her. "Mommy, don't go ~"

"Let's do it together." Sheng nanxuan said.

The people behind him started clapping.

“Then you can leave on your own,” Gong mo said to Hu Zi helplessly.

Hu Zi hurriedly nodded and climbed down from her body.

She took a deep breath and held his hand as she walked towards Sheng nanxuan. She felt a little nervous. This was his career, and he had invited her to create it with him. It was enough to prove that he valued her.

After going on stage, Hu Zi shook off Gong Mo’s hand and ran to Sheng nanxuan’s feet. He hugged his thigh and said, ” “Dad ...”

Sheng nanxuan bent down and picked him up. Gong mo walked over. Sheng nanxuan held her hand and lowered his head to kiss her face.

Thunderous applause rang out from the audience again, and it lasted for a long time.

Sheng nanxuan held her hand and turned around. The company’s plaque was behind them and it was covered with a red cloth.

“Eh?” Hu Zi curiously stretched out his hand.

Gong mo grabbed him.

Sheng nanxuan smiled and said,”then you’ll do it?”

Hu Zi withdrew his hand from Gong Mo’s hand and pulled the red cloth-

Bang-

Fireworks were scattered everywhere.

waa-” Hu Zi was so scared that he hid in Sheng nanxuan’s arms.

Sheng nanxuan burst out laughing.

Gong mo looked at the words on the plaque-” Huan mo group “.

She blushed and looked at Sheng nanxuan. Sheng nanxuan hugged her and let the reporters and staff in front take photos.

In fact, Sheng nanxuan had initially thought of a name for it, “glory world.

Sheng Dongyi had always wanted shengshi pharmaceuticals. For shengshi pharmaceuticals, he had been on guard against him and framed him time and time again. Now, he had taken the name as revenge.

However, glory World Medical had harmed Yu qinghuan.

When Yu qinghuan saw the two words ‘glory world’, she would definitely feel very sad. As her son, how could he stab her in the heart again?

In the end, he named it after Yu qinghuan and Gong mo as a token of his appreciation.

.....

After having lunch at the hotel, it was time for the family and friends to celebrate Hu Zi’s birthday.

There were too many people, and the house was too small to fit them; It would be too late to return to Happy Garden after lunch, so they decided to hold it at the Yu family.

Yu Zhengming and Wu surong were overjoyed. They dressed up the entire villa and wished they could give Hu all the good things in the world.

The people who attended the birthday banquet had basically all attended the unveiling ceremony in the morning, so everyone rushed to the Yu family's house like a swarm of bees, and the whole garden was filled with cars.

Gong mo had changed into a down jacket, making him look bloated.

"Can't I wear a coat?" she asked Sheng nanxuan. This is so strange, Yingluo."

"Don't mess around, okay?" Sheng nanxuan looked at her coldly. do you have the capital to be more graceful than warm? "

"Alright, alright, alright, I'll wear it!" don't be like this, " Gong mo said hurriedly. I'm a little flustered.

"I'm still Fangfang!" Sheng nanxuan glared at her unhappily and got out of the car with Hu Zi in his arms.

Hu Zi arched his nose at him and said,"fierce, fierce!" Bad!" People who are fierce to their mother are bad guys!

Sheng nanxuan smacked his butt. you're already two years old. You have to be more sensible in the future, okay? "

"Sensible!" Hu Zi nodded in agreement. Dad should also be sensible and not be fierce to mom!

Shan Rong and Gambino walked over with Simon in their arms, and the few of them entered the villa together.

Wu surong had been looking forward to this for a long time. She hurriedly came over, hugged Hu Zi, and kissed him.
