

Ditsy Wife 971

Chapter 971 You're not using yourself to reward him?

then you guys can play with him, " Yu Xinran said. Gong mo and I will go to another room.

...

"Listen to your great-grandfather and great-grandmother," Gong mo said to Hu Zi.

"I'm very obedient," Hu Zi nodded.

"You only know how to praise yourself. When you're not obedient, you act dumb," Gong mo said as he scratched his nose.

Hu Zi stared at her with a silly look on his face, as if he was asking: What was playing dumb?

"Ha, you're acting in front of me now!" Gong mo glared at him and left with Yu Xinran.

Seeing that she had left, Hu Zi let out a sigh of relief and turned around to climb onto Wu surong. great-grandma, I Want Candy!

Wu surong chuckled. I don't dare to let you eat this. Otherwise, your teeth will break. Your father will blame me.

"Come on, come on ~"

"I don't want to." Wu surong pulled a long face. She wanted to give him some, but she did not dare to do so when she thought about how Sheng nanxuan might turn against her.

Hu Zi's cheeks puffed up, and he immediately climbed down from her body. He turned around and hugged Yu Zhengming. great-grandpa! Give Hu some candy!

Aiyu ... Yu Zhengming's heart melted. if Tangtang doesn't eat it, let's eat something else, okay? "

"What do you want to eat?" Hu Zi asked, blinking.

"Eat meat?"

Hu Zi nodded fiercely,"alright!" I want something fragrant!"

you ... Yu Zhengming carried him and said to Wu surong, " let's go down. Qingliu and the others should be back soon.

.....

In the sunroom, Gong mo was drinking tea and teasing Yu Xinran, " "You didn't go on a date with your cousin this weekend?"

"He has to work overtime. How can we go on a date?" Yu Xinran complained,"it's all your husband's fault. He arranged so much work for him!

he's the one who's working too hard. You should persuade him!

Yu Xinran smiled and said,"I will ~"

Gong Bai was working so hard for their future. Her heart ached for him, and she wanted to tell him not to do this. However, she knew that she could not stop him.

He was born with too few things, and he could only work hard to get them. All she could do was to be understanding, supportive, and considerate so that he would not overwork himself.

“Let’s go shopping next Saturday?” Yu Xinran asked after a long chat.

sure! Gong mo agreed immediately. He then asked doubtfully, “cousin, you’re working overtime next week too?”

yeah, ran ran. Yu Xinran was listless. I’ll have to add more in the next few weeks.

“You’ve worked hard.”

“What’s there to be troubled about? He’s the one who’s suffering.”

“Then you have to reward him ~”

Gong mo also knew that Gong Bai was working so hard because of Yu Xinran.

Yu Xinran nodded. I’ve learned how to make soup. I’ll make it for him tomorrow.

“You’re not using yourself to reward him?” Gong mo teased.

Aiya ~”Yu Xinran blushed and said,“ you married woman, you’re really too dirty!

“Hahaha, Yingluo, please call me a dirty woman!”

“You still have the nerve to say that!”

The two of them played around for a while before Yu Xinran suddenly asked, “By the way, did Gong Jin go to you?”

“He’s here?” Gong mo was shocked.

She had said that she would not see him again. Sheng nanxuan would definitely do it for her. There were so many bodyguards at the door now. If Gong Jin came to the door, he would definitely be stopped.

“I’ve been here for a while!” Yu Xinran furrowed her brows and said, “he wanted to act and auditioned a few times. His acting skills weren’t good enough, so he could only give up. He also wanted to be a manager, but Zeng Shuai didn’t seem to be willing to hire him. He can only be Gong ze’s assistant now. Gong ze must’ve hired him himself, it has nothing to do with Xingxing.”

Gong mo nodded his head. Sheng nanxuan did not give any instructions to CEng Shuai, so he would definitely not hire Gong Jin.

Chapter 972 She wouldn’t let anyone bully Gong Bai

Although CEng Shuai looked casual, he was good at work and was especially happy to make money and achieve results. It was fine if it did not bring benefits to Star Entertainment, but if it had a negative impact, he would be more than happy to do so.

...

“He didn’t bother you, right?” Gong mo asked.

Gong Jin and Gong Jie wanted to hug his thigh. If he couldn’t find her, he wouldn’t be able to get close to Sheng nanxuan. Yu Xinran was his number one target to curry favor with!

“I was scolded by Gong Bai.” Yu Xinran paused for a moment.

Gong mo immediately understood-Gong Jin had indeed gone to bother her.

Gong Jie and Gong Jin’s torment had hurt her relationship with Gong Bai!

“Then leave it to my cousin.” Gong mo advised. If they come to bother you, be more domineering and don’t give them a good face! You don’t have to make yourself unhappy because of this kind of trash. They’re my relatives, and I don’t even want to care about them, so you don’t have to suffer.”

“I know,” Yu Xinran smiled, but she felt a little bitter in her heart.

But how could she really be cold and heartless? At the very least, he had to take Gong Bai’s face into consideration.

Although Gong Bai rarely accompanied her to public events, many people in the upper-class circle of the capital knew that he was her boyfriend, and those people also knew about their relationship with Gong ze. Now, Gong Jie was swaggering around the city with Gong Jin. Soon, everyone would know that Gong Jin was Gong Bai’s family.

If she didn’t treat Gong Bai’s family well, whether it was Gong Bai or the others, they might think that she was dissatisfied with him.

Love the house and its Crow, hit the dog and look at the master.

In ancient times, when the Emperor doted on his subjects, the Emperor would turn a blind eye to whatever his subjects did wrong. He would even take the initiative to smooth things over for them. If they tried to find out who was responsible, others would think that the Emperor was dissatisfied with his subject and was looking for an opportunity to hit him when he was down.

She wouldn’t allow anyone to bully Gong Bai.

A week later

At breakfast, Qimo said to Sheng nanxuan, “I’ll go shopping with Xinran later. I’ll leave Hu in your care. I’ll eat out with Xinran for lunch and go to grandma’s house in the afternoon.”

“Alright,” he said. Sheng nanxuan agreed.

“Don’t let him eat too many snacks.” Gong mo glanced at Hu Zi.

Hu Zi was munching on a steamed bun and pouted when he heard this. Hmph ~ mom won’t let him eat good food!

Gong mo narrowed his eyes. you want mom to carry you every day. You eat so much and grow so heavy. You don’t love mom at all, do you?”

“Mommy!” Hu Zi looked at her pitifully. You’ve wronged me ~ I really love you! But I also like delicious Yingluo

“You’re a boy who loves to eat so much. What will you do when you grow up?” Gong mo said worriedly.

“If a girl loves to eat that much, wouldn’t that be even more amazing?” Sheng nanxuan said.

“Did you inherit it?” Gong mo glared at him.

tsk! Why don’t you say that you inherited it? ”

While they were arguing, Hu Zi secretly grabbed a piece of bacon and stuffed it into his mouth.

“Silly son, you can’t eat this!” Gong mo shouted.

Sheng nanxuan quickly pressed his head down and dug out the bacon.

I want meat Pixiu! Hu Zi cried out pitifully.

“You still eat meat? You ate half a pig trotter yesterday! You’re so young, can you eat so much meat?”

Wu Wu sob sob ” how did he bite half of it? He had only taken two bites!

Gong mo rubbed his forehead and stood up, " I'll be leaving first. If you have nothing else to do, bring him to grandma's house earlier.

"Alright," he said. Sheng nanxuan wiped Hu Zi's mouth and said, " say goodbye to mommy.

goodbye, goodbye, Yingluo. Hu Zi wiped his tears and stared at Peigan while swallowing his saliva.

Chapter 973 Your mother's weight in my heart is less than meat

"I'll make him some meat porridge tomorrow," Gong mo turned around and said.

...

"He even thinks that the meat in the meat porridge is too small!" Sheng nanxuan said.

As soon as he finished speaking, the door closed.

He turned around and saw that Gong mo had left.

He sighed in disappointment and poked Hu Zi's face."Mom doesn't want us anymore."

Hu Zi was stunned. He turned his head and saw that his mother was gone!

"Waa ..." Hu Zi cried.

Sheng nanxuan was speechless. I'm just joking. Yingluo, you eat first.

He picked up the bowl of porridge and brought a spoonful to Hu's mouth.

Hu Zi shook his head and cried until he was out of breath. "Meat ..."

Sheng nanxuan was speechless. do you want a mother or meat? " he asked.

"Meat ..."

"We're finished! Your mother's weight in my heart is not as high as her meat!"

.....

Gong mo and Yu Xinran planned to go to the movies first. After the movies, they would have lunch. After lunch, they would have a round of shopping and then go home.

For the sake of happiness, the two of them chose a comedy.

However, this movie wasn't very good, and the funny parts were stiff. Not only could they not laugh, but they also made people feel embarrassed.

There were not many people watching The Morning Show, and only one person's laughter could be heard in the entire theater. In the end, the only person was too embarrassed to laugh.

Hearing that Yu Xinran didn't laugh either, Gong mo turned his head and wanted to ask her if she wanted to leave.

Yu Xinran held her head and frowned, as if she was a little uncomfortable.

"What's wrong with you?" Gong mo asked in a low voice.

Yu Xinran sat up straight and yawned. "It's a little stuffy and uncomfortable."

then let's go out. I don't think it's nice.

Yu Xinran nodded, picked up her bag, and stood up, carefully leaving her seat with her.

After they left, Yu Xinran let out a breath and pressed her chest. I'll go get a glass of water. It's too stuffy.

"Then wait for me over there, I'll buy it for you."

"Then I'll have to trouble you." Yu Xinran felt tired, so she didn't argue with her and went to the rest area to wait.

Gong mo bought two bottles of mineral water and walked over. Seeing that she was resting with her eyes closed, he called her softly, "Xinran?"

Yu Xinran opened her eyes and was shocked. "You're here?"

Gong mo was stunned. It seemed like she was falling asleep. How long had it been?

She handed the water over and asked in confusion, "Didn't you sleep well last night?" Did he fight with Gong Bai too late?

no, ran ran. Yu Xinran frowned and took a sip of water. it's been like this for the past two days. Ran ran probably has no appetite because the weather is too hot. Let's go, the air here isn't good."

Gong mo was stunned for a moment and suddenly pulled her back.

"What's the matter?" she asked, puzzled.

“Are you pregnant?” Gong mo asked in a low voice.

Yu Xinran was stunned. She suddenly recalled the day of dan Rong and Gambino’s wedding. She and Gong Bai had come to an agreement and were a little excited. It seemed like they had done it many times.

And it seemed that her relatives were not here!

Her expression changed and she stuttered, “No, no way?”

“Don’t you pay attention to yourself?” Gong mo pulled her out of the room. it’s possible when you have sex. You have to be careful! Is your period normal?”

“It used to be normal.” Yu Xinran was completely dumbfounded.

Pregnant? No way?

I can’t get pregnant! Gong Bai was not ready yet!

“What about recently?” Gong mo asked.

Yu Xinran thought for a while and said irritatedly, “I don’t know.”

“Let’s go buy a pregnancy test first.” Gong mo said helplessly.

“Now?!” Yu Xinran was shocked.

Chapter 974 Yu Xinran is pregnant

“Now, of course.” Gong mo pulled her into the escalator. be careful. By the way, think carefully, how long has it been?”

...

“Uh, hehe.”

Yu Xinran’s face turned slightly red. Although she felt that it would be that time, it wasn’t certain!

She and Gong Bai had been doing it all the time. There was no 100% contraceptive method in the world, so she could be pregnant any time.

Wait a minute!

The doctor didn’t seem to use this to calculate.

“How do we calculate it?” she asked Gong mo.

“When was the last time you had your period?”

The two of them talked as they walked. After leaving the cinema, Gong mo took her to the pharmacy.

When they were outside the pharmacy, Yu Xinran suddenly stopped.

She looked around and said in embarrassment, “ I don’t think so. I-I’ll go to the hospital directly.

“You don’t even dare to go to the pharmacy, and you still dare to go to the hospital?” Gong mo looked at her suspiciously. alright, wait for me at that coffee shop. I’ll buy it for you.

Yu Xinran also wanted the test results, so she nodded.

“Don’t drink coffee! Drink milk!” Gong mo instructed.

“That, isn’t that too obvious?” If she went to the coffee shop to drink milk, wouldn’t the waiter stare at her stomach?

Gong mo rolled his eyes and looked around. He pointed at a fast food restaurant and said, “Then wait for me there.”

Yu Xinran nodded and turned around.

Gong mo went to the pharmacy to buy a pregnancy test kit. When she left the house, she ran into the bodyguards Sheng nanxuan had sent her.

In order not to ruin her shopping mood, the bodyguards had been following her from a distance. She had almost forgotten that she had a follower! Now that he had suddenly appeared, she was shocked!

“Madam, are you alright?” The bodyguard was also frightened. What was Madam doing at the pharmacy?

“Aiya, don’t worry about me!”

Gong mo walked around him with his bag and went to the fast food restaurant to find Yu Xinran.

The bodyguard looked at her back and hesitated for a moment. Then, he remembered that Sheng nanxuan had said that he had to report to her immediately if there was anything unusual. He immediately picked up his cell phone and made a call.

Gong mo received a call from Sheng nanxuan when he walked to the entrance of the fast food restaurant.

“What are you doing at the pharmacy?” Sheng nanxuan asked.

Gong mo was speechless. He turned around to look for the bodyguard, but he didn't see him!

Dancing grass! Was he a secret agent? How was he going to protect her when he was no longer around?

Xinran isn't feeling well. I'm buying her medicine. She told Sheng nanxuan.

"Really?" Sheng nanxuan was suspicious.

"Would I dare to lie to you? I won't talk to you anymore, Xinran is waiting for me. " where are you now?
" Gong mo asked as he walked into the fast food restaurant.

"Grandma's house."

don't tell grandma about this. She might be worried.

"I know."

Gong mo hung up the phone and quickly walked over to Yu Xinran.

Afraid that Yu Xinran would be embarrassed, she opened her bag and sneaked out the pregnancy test kit.

"Quickly go and test it."

this Yingluo. Yu Xinran looked around in a panic and lowered her head to read the instructions on the box.

stop looking! I'll teach you how to use the toilet! Gong mo said anxiously.

Ten minutes later

Gong mo looked at the pregnancy test in her hand.

“Two lines. Congratulations, you won the bid!”

Yu Xinran took a deep breath as if he was facing a great enemy. what do we do now?!

“What can we do? Hurry up and tell my cousin, he’ll take responsibility for you!” Gong mo heaved a sigh of relief and led her out. it seems that we can’t eat outside anymore. You have to be careful in the early stages of pregnancy. It’s safer to cook at home. Let’s go back directly?”

Yu qinghuan’s mind was heavy and she didn’t hear her at all. She said worriedly, “But I’ve just discussed the future with him. He told me to wait for two more years and I agreed. Now that I suddenly tell him that I’m pregnant, isn’t this forcing a marriage? He’ll be under a lot of pressure!”

Chapter 975 Don’t tell me you want to abort it?

“Forced marriage? How could this be called a forced marriage? Did you plan this?”

Yu Xinran shook her head.

...

“That was an accident!” you didn’t do it on purpose. He has to take full responsibility, ” Gong mo said.

“Then I’ll tell Yingluo slowly.”

“Until when? You can’t be thinking of hiding it forever, right? Wouldn’t he be able to see it once his stomach was big? At that time, uncle and cousin will beat him until he’s disabled, right?”

Yu Xinran's body trembled. It seemed like she couldn't hide it anymore!

"But Yingluo really doesn't have any plans to get married!" Yu Xinran was in a dilemma. actually, I also wanted to wait for another two years. This is too sudden! I'll be fine, but he'll definitely be caught off guard."

"You're not thinking of aborting it, are you?" Gong mo asked in surprise.

Yu Xinran hurriedly shook her head and touched her stomach.

Although it was still flat, like her usual self, there was already a new life being born there.

She could not help but feel excited.

It won't be knocked out! She would not abort it!

This was her and Gong Bai's child, and she had to give birth to it!

Then they had to get married! She had to tell him to prepare for all of this and plan for their future!

"I'll go find him!" She said hurriedly.

"Then be careful, don't get too excited." Gong mo said.

"Don't tell anyone else. Gong Bai and I will make our own arrangements," Yu Xinran said with a smile.

Gong mo nodded. I'll at most tell Nan Xuan. I'll tell him to keep it a secret.

"You want to tell him everything?" Yu Xinran looked at her helplessly.

Wu Wu Wu Wu ” because he had no choice but to tell her! She had just said that she didn’t go to the pharmacy for him. If she didn’t tell him the whole story, he would definitely think that she was lying to him.

.....

Yu Xinran parked her car at the entrance of Huan mo group, where Gong Bai was working.

It was noon, so he probably hadn’t eaten yet.

Yu Xinran picked up her phone and sent him a text message, and he came down after a while.

“What are you doing here?” Gong Bai looked at her happily.

His recent work was indeed a little tiring, but when he saw her, all his fatigue would be swept away.

Yu Xinran bit her lip and didn’t know what to say. She reached out and pulled him along. I’m here to find you for dinner. I’m afraid you’ll be too busy to eat.

“I’m going to marry you in the future. How can I forget to eat?” Gong Bai smiled.

Yu Xinran was relieved to hear that. “Let’s go then,” she said, holding his arm.

“Alright,” he said. Gong Bai turned around with her in his arms and asked gently, “ what do you want to eat? ”

“Something light,” A baby that had just sprouted would definitely not be stimulated.

The two of them found a restaurant nearby. Although the food was light, Yu Xinran didn't really want to eat it, perhaps because of her pregnancy.

"What's wrong?" Gong Bai asked in confusion. In a bad mood? Did one of your employees make a mistake?"

"Who would want to ruin my mood for them?" Yu Xinran couldn't help but laugh.

"Then why aren't you eating?" did I do something wrong? "Gong Bai asked with a smile after putting a few dishes into her bowl.

Yu Xinran paused and looked at him coyly. "You have indeed made a huge mistake."

Gong Bai paused his work and looked at her in confusion. He was a little nervous.

But her expression didn't seem to blame him. Then why?

He didn't want to make any mistakes. He only wanted to be good to her forever.

Yu Xinran bit her lip, lowered her head, and whispered, "I might be pregnant, Yingluo."

"What did you say?!" Gong Bai asked in a hurry.

Chapter 976 Come home with me!

Yu Xinran saw his reaction and was afraid that he would ask her to abort the child. "I'm pregnant," she repeated nervously.

...

Gong Bai looked at her in a daze. When he saw her looking at him expectantly, he blurted out, "Then let's get married!"

Yu Xinran smiled in relief, obviously a little happy.

Seeing that she was happy, Gong Bai heaved a sigh of relief. He didn't regret his decision.

Although the incident had happened too suddenly and disrupted his original plan, this was the best choice.

Yu Xinran said worriedly, "but I just used a pregnancy test kit to test it. I don't know if it's accurate. Ran ran hasn't gone to the hospital yet." I ... I don't dare to take a walk."

"Then I'll go with you!" He said hurriedly.

"What if I'm really pregnant?"

"To get married!" He smiled and said, " didn't I just say it? "

"What if you're not pregnant?"

"You still have to get married even if you're not pregnant, but you don't have to be in such a hurry," Gong Bai replied after a short while.

For some reason, Yu Xinran was not satisfied with this answer. She hoped that he would be willing to marry her immediately no matter what!

She knew that she was wrong to think this way. He had many things to consider now. Everything he did was for her, so she shouldn't be dissatisfied, but she was Yingluo.

"Which hospital are we going to?" she asked, sighing in her heart.

Gong Bai was stunned. He knew that she was asking if he wanted to go to the Wu family's Hospital.

If he went there, Yu Qingliu would immediately find out, and then the Yu family and even the Wu family would find out.

However, if he didn't go there, she would definitely suspect that he didn't want to take responsibility, right?

"To your uncle's place, of course," he said.

Yu Xinran heaved a sigh of relief, and the smile on her face became even more sincere.

.....

In the obstetrician's office, ding dang was lying on the bed, and the doctor was doing an ultrasound test for her.

Yu Qingliu sat at the side, frowning as she watched the doctor's actions.

The doctor was getting nervous from his stare! The other party was the world-renowned professor Yu, and he was afraid that he had done something wrong.

Ding dang asked Yu Qingliu out of boredom, "how did it go?" I'm hungry."

"Didn't you just have lunch?" Yu Qingliu asked.

"I'm not the one who wants to eat it!" Ding dang looked at him innocently.

Yu Qingliu glanced at her stomach and said helplessly, " alright, alright, alright. Get up. I'll take you to eat now.

Ding dang smiled and immediately sat up. She got off the bed and put on her shoes with his help.

When she walked out of the room, she ran into a nurse.

"Director, miss Yu is here," the nurse said to Yu Qingliu.

"Where is it?"

"Uh, ran ran is having a pregnancy test over there." The nurse pointed to the front.

what's rustling?!

Yu Qingliu rolled up her sleeves and walked over.

"You don't want me anymore?" ding dang shouted.

Yu Qingliu helplessly walked back and pulled her forward. "You go to my office first, I'll go over there to take a look."

"I think I'll go with you."

"Then take care."

The two of them walked to the window where the pregnancy test report was taken and happened to hear the nurse shouting Yu Xinran's name.

Yu Xinran and Gong Bai were standing in front. Just as Gong Bai was about to reach out for the report, Yu Qingliu rushed over and snatched it away.

“Little uncle!” Yu Xinran was shocked.

“Positive?” Yu Qingliu looked at the test results and stared at her stomach.

Yu Xinran hid behind Gong Bai.

Yu Qingliu was so angry that she glared at her and then at Gong Bai.

Gong Bai straightened his back and held his breath.

“Come home with me!” Yu Qingliu said angrily.

“I, I will tell mom and dad myself!” Yu Xinran said boldly.

“Wait for you to tell me? What if you drag it out until the child is eight months old?”

Chapter 977 How could it be so easy to marry Yu Xinran?

“I won’t!” Yu Xinran shouted.

...

“What do you think?” Yu Qingliu asked Gong Bai.

“I’ll listen to little uncle.” Gong Bai said respectfully.

Yu Xinran heard this and grabbed him nervously.

If he were to go to her house now, he would definitely not have a good ending!

“Since I’ve decided to marry you, I’ll have to tell uncle and Auntie as soon as possible so that I can be prepared,” he said with a smile.

Yu Qingliu’s eyebrows twitched. How could it be so easy to marry Yu Xinran? His sister-in-law was not to be trifled with! There was also his elder brother, nephew, and old man, who could make Gong Bai drink a few pots of wine! With these people around, he had no chance to do anything!

He had better take care of his pregnant little wife!

“Let’s go,” he turned around and supported ding dang.

“Give me my report!” Yu Xinran shouted.

“I’ll give it to you when we get home ~” Yu Qingliu said.

The four of them returned to the Yu family. Apart from Yu xinzhuo and Yu Qingping, everyone else was there.

Hu Zi was jumping around in the living room, making everyone laugh.

Seeing that Yu Qingliu had returned, he happily ran over and circled around Yu Qingliu’s feet, “Little granduncle ~ little grandaunt ~”

Gong mo saw him pouncing on ding dang and shouted in fear, “Come over here! Don’t bump into your little grandaunt!”

Ding dang was in the early stage of pregnancy, so she had to be very careful. How could she afford to compensate if she hit anything?

Hu Zi raised his head and glanced at ding dang, then at Yu Qingliu. Seeing Yu Qingliu's dark face, he ran back to Gong Mo's side in fear.

Gong mo patted his butt. He didn't expect him to be so good at reading people.

She raised her head and looked at Yu Qingliu's face, then at Yu Xinran and Gong Bai behind her. Did Yu Xinran and Gong Bai go to the hospital? Caught by Yu Qingliu? Why were they so stupid to go to their own hospital!

"Why did you guys come back together?" Wu surong asked, " come and sit. Ding dang, are you tired? If you're tired, go rest."

"I'm not tired." Ding dang sat beside her with a smile, waiting to watch the show.

"Sister-in-law." Yu Qingliu passed Yu Xinran's test report to Min Ling.

Yu Xinran wanted to snatch it back, but he glared at her.

Min Ling looked at them doubtfully. She took the test report and looked at it. Her expression suddenly changed.

She glanced at Gong Bai stiffly, and anger was building up in her heart.

Although she didn't object to Yu Xinran dating Gong Bai, it didn't mean that Gong Bai could get Yu Xinran through such means!

She passed the test report to Wu surong with a straight face. Wu surong looked through her reading glasses and was slightly shocked. She looked at Gong Bai and Yu Xinran, then passed the report to Yu Zhengming.

Yu Zhengming frowned and passed it to Sheng nanxuan.

Sheng nanxuan, "Yingluo has something to do with me?"

He took a look and raised his eyebrows at Gong mo. She said that she was going to buy medicine for Yu Xinran. Could it be related to this?

Gong mo touched his neck and silently agreed.

Sheng nanxuan glared at her. It looked like she was not buying medicine, but a pregnancy test kit.

He placed the test report on the coffee table and held Hu Zi in his arms, in case he ran around. Now that there were two pregnant women in the room and the storm was coming, he had better behave himself.

Yu Xinran saw that everyone was silent and was very depressed.

"What are your plans now?" Min Ling asked.

Yu Xinran peeked at Gong Bai secretly. "I'll be responsible for Xinran," Gong Bai said nervously.

"How do I take responsibility?" Min Ling's expression turned cold.

uh, hehe. Gong Bai looked at her face and felt a little hurt. She probably felt that she wasn't good enough for Xinran. Dating was fine, but marriage was wishful thinking.

Yu Xinran quietly held his hand and gave him support.

Chapter 978 Min Ling's attitude

He held her hand tightly, determined.

...

She liked him, so he couldn't let her down!

I want to marry Xinran," he said. I hope Auntie, Grandpa, and grandma will agree to this marriage.

Min Ling stood up. I don't have the final say. Her father and brother haven't come back yet.

She walked upstairs with her back straight, cold and distant.

Yu Xinran's expression turned ugly. She felt sorry for Gong Bai, who had been neglected at home.

She wanted to stop Min Ling, but Wu surong said, "Quickly sit down! Don't just stand there when you're pregnant! Come here, let grandma take a look."

Yu Xinran paused and walked towards Wu surong.

Ding dang hurriedly stood up and made way.

She sat down dejectedly. Wu surong held her hand and said to Gong Bai, "You sit too. Stay here for dinner tonight."

Gong Bai heaved a sigh of relief and agreed, "Okay, thank you, grandma."

Yu Xinran and Gong mo heaved a sigh of relief. At least, some people still showed respect to Gong Bai.

Wu surong said to Yu Xinran, "you must be careful in the early stages of pregnancy. If you don't know anything, you can ask me, Gong mo, or your mother. You can ask them all! You can also discuss Yingluo with your aunt."

Yu Qingliu interrupted,"ask me if you don't understand!" Why didn't you ask the doctor? what are you doing?"

Wu surong glared at him and said,"go away!" Are you a Doctor Who can do everything? If you have the ability, then give birth to a child for me!"

"In her stomach!" Yu Qingliu pointed at ding dang, stunned.

"She gave birth to them!"

"There's my share!"

"If you have the ability, then come!"

Yu Qingliu was stunned and hurriedly said,"I was wrong!" I won't go against you anymore!"

Ding dang laughed.

However, Yu Xinran couldn't smile. She raised her head and looked at Gong Bai.

Gong Bai smiled at her indifferently, as if he didn't care about Min Ling's attitude.

Everyone didn't know what to say for a moment. The scene quickly quieted down, and it seemed a little awkward.

The old man was used to all kinds of situations, so he asked Yu Xinran without changing his expression, "Are you starting to vomit?"

“Not yet,” Yu Xinran said absent-mindedly.

“Do you feel uncomfortable anywhere?”

“I’m a little tired, and I don’t have a good appetite.”

then you have to rest well. Wu surong started to impart her experience.

Gong mo also joined in the discussion, ding dang was deep in thought, and Yu Qingliu would occasionally give Yingluo some advice from the doctor’s perspective.

The scene returned to its warm and lively state, and everyone seemed to have forgotten the awkwardness and unhappiness just now.

That was until Yu Qingping and Yu xinzhuo returned.

As soon as the two of them entered the room, everyone stopped talking and looked at Gong Bai.

Yu Xinran hurriedly stood up and shouted, “Dad! Big brother!”

She glanced at Gong Bai nervously, afraid that he would be wronged.

Yu Qingping nodded without much expression on his face. “If you’re pregnant, sit down. Don’t tire yourself out.”

It was indeed Min Ling who informed them!

Yu Xinran was extremely anxious, but she had no choice but to sit back down.

“Uncle, big brother Qianqian.” Gong Bai stood up nervously.

Yu Qingping glanced at him and did not know what attitude to face him with. He simply said to the two elders, “I’ll go upstairs and change.”

Yu xinzhuo took off his coat and threw it on the sofa.

Coincidentally, Yu Qingliu was sitting at the side, looking at him in confusion.

He slowly unbuttoned his shirt and rolled up his sleeves.

Yu Qingliu thought, this is a fight!

brother ... Yu Xinran also felt that he was going to hit someone and called out nervously.

In the next second, Yu xinzhuo put his hand on Gong Bai’s shoulder and said with a fake smile, “Come with me, let’s have a chat.”

big brother-” Yu Xinran called out nervously.

...

Yu xinzhuo ignored him. Without waiting for Gong Bai’s reply, he hooked his arms around Gong Bai’s neck and walked out of the door.

Yu Xinran wanted to chase after her, but Wu surong shouted, “Don’t go!”

At this moment, Min Ling came down and shouted, "Where are you going? It was so hot outside! Sit down properly!"

Yu Xinran looked at her and was on the verge of tears.

She walked down the stairs in a calm and elegant manner.

Gong mo couldn't help but straighten his back when he saw her expression. First aunt looks like a queen now, Yingluo.

"Don't make your mother angry." Yu Qingping walked down after him. He had already changed into a casual shirt.

In this tense atmosphere, no one dared to speak.

Hu Zi also became nervous. He grabbed Sheng nanxuan's hand and asked in a low voice, "Where's uncle?"

Hearing this, Gong mo was afraid that Gong Bai would suffer a loss. After all, she was one level closer to Gong Bai!

"Are you looking for your uncle?" she asked Hu Zi hurriedly. Uncle and uncle are playing outside."

"Let's go and find uncle and uncle," said Sheng nanxuan as he carried him.

The atmosphere right now was so scary that Hu Zi wanted to leave immediately, so he agreed without hesitation.

Gong mo also stood up and said to everyone, "I'll go and take a look too!"

Yu Qingliu also got up. Seeing this, ding dang followed him.

With so many people gone, Yu Xinran didn't care about the adults' obstruction and ran out in a panic.

"Slow down!" Min Ling's face was gloomy.

Yu Xinran stopped in her tracks and said with her back to her, "I know,"

"Alright, let's go and take a look." Wu surong stood up.

Yu Zhengming picked up his walking stick and silently followed.

Yu xinzhuo and Gong Bai were having a good fight in the back garden of the villa.

This was a one-sided war! Gong Bai didn't dare fight back!

When Sheng nanxuan arrived with Hu Zi in his arms, Hu Zi looked at them curiously, thinking that they were playing some kind of game. When he found out that they were fighting, he started to cry.

Gong mo consoled him as he shouted, "Cousin! You guys stop fighting!"

Gong Bai groaned under Yu xinzhuo's fist. He was not the one fighting! He had been beaten up! He didn't have the final say on whether to fight or not.

Gong mo also saw this and wanted to tell Yu xinzhuo to stop, but he didn't seem to be in the position to do so.

She tugged at Sheng nanxuan's sleeve. Sheng nanxuan said, "Let older Biao brother vent his anger first."

Yu Qingping clenched his fists. He also wanted to rush over and beat Gong Bai to death! However, he was not young anymore, and his personality was not as active as Yu Qingliu's. It was enough to have his son and brother to help him vent his anger.

...

"Hit him harder!" He said to Yu xinzhuo.

"Dad!" Yu Xinran shouted.

wow-" Hu Zi was scared out of his wits by this scene. He did not understand what was going on. mommy, hurry home!

Gong mo hugged him and nudged Sheng nanxuan. "Still not going to help?"

"That's not good, is it?" Sheng nanxuan said softly, " he's your cousin after all.

"Who asked you to beat him up?" Gong Mo's eyes widened.

Sheng nanxuan chuckled and rolled up his sleeves to stop the fight.

His strength and fighting skills were naturally incomparable to the other three, and he quickly separated the three.

Yu Qingliu heaved a sigh of relief. It was good that someone stopped the fight. Otherwise, what if Gong Bai was really injured if the fight continued? Although he was also angry, this kind of thing meant that they should discuss the wedding next!

However, Yu xinzhuo was not discouraged. He kicked Gong Bai again and shouted at Sheng nanxuan, " "Let go! Are you still my cousin?"

“He’s my cousin,” Sheng nanxuan said, embarrassed.

Yu xinzhuo choked and continued to kick Gong Bai.

“Enough!” Yu Zhengming shouted, “ all of you stop!

Yu xinzhuo hesitated and stopped.

Gong Bai lowered his head in embarrassment and reached out to wipe the blood from the corner of his mouth.

‘Gong Bai’ looked at him with worry and wanted to go over.

Yu Zhengming suddenly used his walking stick to stop her.

She was stunned and looked at him in confusion.

Yu Zhengming kept his walking stick and slowly walked over. The others didn’t dare to move.

“Wuwuwuwu,” Hu Zi cried until he was out of breath.

it’s alright, it’s alright, ” Gong mo comforted her in a low voice. look, uncle and the others have stopped fighting.

Hu Zi looked over suspiciously and saw Yu Zhengming walking to their side. He called out in a daze,“Great-grandfather Zhenzhen”

Yu Zhengming stood still, picked up his walking stick, and lightly hit Yu Qingliu’s back. He chided,“You’re already so old, yet you’re quarreling with a junior. Are you embarrassed?”

Yu Qingliu twisted her back without any pain.

Hu Zi started crying again. I can't live like this anymore! Everyone was fighting! Even great-grandfather hit him!

Gong mo turned around and left this place.

Yu Zhengming hit Yu xinzhuo's back again, "What did I teach you? You actually fought with someone?"

After saying that, he gave Gong Bai's back a heavy slap. Gong Bai staggered and almost vomited blood.

Everyone thought,"I didn't expect the old man to be so devious and do it so openly!"

"You're indeed in the wrong this time!" Yu Zhengming said, "getting pregnant before marriage is an extremely irresponsible act!

I'll be responsible for Xinran," Gong Bai explained in a low voice.

hehe hehe. Yu Zhengming laughed coldly, "What do you mean take responsibility? Making up for it afterward wasn't called taking responsibility, it could only be said that your conscience wasn't eaten by dogs! To plan and arrange everything properly, to let things happen when they should happen, that's called being responsible!"

and you ... Yu Zhengming raised his walking stick at Sheng nanxuan.

Sheng nanxuan's eyes widened. I'm here to mediate!

Yu Zhengming was stunned, not bearing to hit this grandson he had finally found. He awkwardly put down his walking stick and turned around."Alright, all of you go back! The pregnant woman, the elderly, and the children all ran out with you, what if you get a heat stroke?"

Everyone turned around and returned to the villa.
