

Ditsy Wife 981

Chapter 981 I'm sorry

Yu Xinran walked to Gong Bai's side and asked with concern, "Are you alright?"

...

"They love you too much," Gong Bai said with a smile while shaking his head.

"If something like this happens to our daughter in the future, I'll hit that man too," he said as he glanced at her stomach.

Yu Xinran was both angry and amused, 'you still have the mood to coax me? Doesn't it hurt?"

Gong Bai touched the wound on his cheek and said with a bitter smile, "Of course it hurts."

Yu Xinran's tears fell.

"Don't cry!" Gong Bai said anxiously.

I'm sorry, Yingluo, " she said softly as she held his hand.

"I'm sorry, don't cry." you're pregnant. Don't let this affect your mood, " Gong Bai said helplessly.

Yu Xinran sniffled and turned him around. "Come with me."

The others were chatting in the living room. When they walked in, Gong Bai was about to greet the elders, but Yu Xinran ignored them and dragged him upstairs.

Xinran ... Gong Bai pulled her back. He had just been beaten up, and now he still dared to go upstairs. Wouldn't he be silenced?

“Get up here!” Yu Xinran roared.

Gong Bai looked at the others. The Yu family members looked at them. Their expressions were no longer as angry as they were at first. They were all very calm.

Yingluo probably wouldn't beat him up again, right?

Yu Xinran pulled him again, and he had no choice but to follow.

She brought him into the room and asked him to wash his face in the bathroom.

Although Gong Bai had been to the Yu family several times, he was so nervous every time that he had never entered her boudoir. At this moment, he couldn't hold back his curiosity and excitement, and sneakily took a look.

Yu Xinran saw that his clothes were stained with dust and a little wrinkled, so she asked him, “Do you want to change to another one?”

“No!” Gong Bai shook his head. This wasn't his house, where could he change his clothes?

Yu Xinran thought for a moment. wash your face first. I'll go get some medicine for you.

She walked out of the room and angrily rushed to Yu xinzhuo's bedroom. She rummaged through the cloakroom and found a shirt with an open tag. She pulled off the tag and threw it on the bed before giving the shirt to Gong Bai.

“I don't want to!” this is your brother's, right? ” Gong Bai asked.

“Change into it!” Yu Xinran said anxiously, “ what do you look like now? Just take it as him apologizing to you!”

“I’ll just wipe it clean, Yingying.”

Gong Bai had already tidied up his clothes, but there were still some marks on them. They were most likely from when Yu xinzhuo pressed him to the ground, or from Yu Qingliu’s kicks.

Yu xinzhuo’s shirt was worth tens of thousands of Yuan each. It was equivalent to several months of his salary. How could he dare to wear it?

“Why are you being so polite with me?!” Yu Xinran was angry.

Gong Bai was stunned and looked at her in a daze. He wasn’t being polite with her. It was just that Yueyue’s clothes didn’t belong to her.

Knock Knock-

There was a knock on the door.

“Put it on!” Yu Xinran threw the shirt at him and turned to open the door.

She walked out of the bathroom and wiped the tears from the corners of her eyes.

He opened the door and saw Yu Qingliu standing outside.

Her face fell and she looked at him angrily.

“Do you want it?” he picked up a bottle and shook it.

Yu Xinran glared at him, pushed him away, and walked out. “I’ll get it myself!”

“Hey, hey, hey!” Yu Qingliu stopped her. are you angry with little uncle? ”

“Hmph!” Yu Xinran turned her head away. If it weren’t for him, Gong Bai wouldn’t have been beaten up.

Yu Qingliu stuffed the medicine into her hands and said, “be content!” Although he was beaten up, no one chased him away and even let him into your room to tease you. At least, this doesn’t mean that he’s trying to break you up.”

Chapter 982 Waiting for the Yu family to agree

Yu Xinran gave him a sidelong glance.

...

He raised his hand and swore, “I’ll help you next!”

Yu Xinran’s lips curled up as she snatched the medicine bottle. “Then I’ll forgive little uncle!”

“Hehe.” Wait! Shouldn’t she be thanking little uncle?

.....

Gong Bai changed his clothes and applied some medicine before he went downstairs with Yu Xinran.

Yu Qingping and Min Ling’s expressions were still cold, but they did not say anything.

Yu xinzhuo looked at his clothes and furrowed his eyebrows. Why does this dress look so familiar?

He looked at Yu Xinran, but Yu Xinran turned around and ignored him.

Yu xinzhuo was so angry that he suffered internal injuries! Who was he doing this for?

Hu Zi had already stopped crying. He stood beside Gong mo and played with his toy car with red eyes. Seeing that Gong Bai's face was a little bruised, he dropped the car and ran over to him. He looked up and asked with concern, "Uncle, does it hurt?"

Gong Bai's face twisted a little. He glanced at Yu xinzhuo and Yu Qingliu. If he dared to say that it hurt, he would probably offend them, so he had to say that it didn't hurt.

Hu Zi heaved a sigh of relief. It was good that it didn't hurt. "You have to be good!" He said seriously.

Gong Bai chuckled."Does he think that I was beaten because I was disobedient?"

Alright, it could be considered a kind of disobedience.

"Hu, come back." Gong mo said awkwardly.

Hu Zi turned around and ran back to her side.

Wu surong laughed. we're going to have two more children next year. Xinzhuo, you should hurry up. In a few years, our house will be lively!

"Grandma, aren't you afraid that they'll cause trouble?" Yu xinzhuo's mouth twitched.

"I'm just afraid that they won't cause trouble!" Wu surong said with a smile.

They were talking about their children and their future, but they didn't say what Yu Xinran and Gong Bai would do next.

In a marriage, the parents' attitude was the most important. Now that Yu Qingping and Min Ling were unhappy, everyone naturally did not dare to speak blindly. In any case, they would definitely take the initiative to mention it when their anger subsided.

After dinner, Gong Bai, Gong mo, and Sheng nanxuan left together.

Yu Xinran walked him to the car and touched the wound on his face.

"I'll come and see you tomorrow," he said as he held her hand.

Yu Xinran hesitated for a second. Would his parents let him in if he came?

She nodded and said, "give me a call when the time comes."

yes, you can go back now. It's hot outside.

Gong Bai turned around and got into the car, which then drove away.

"What are your plans next?" Sheng nanxuan asked.

"Get married." Gong Bai said without hesitation. After he finished speaking, he realized that marriage was not that easy, and the Yu family had not made their stand yet. "I'll wait for the Yu family to agree," he said helplessly.

"They'll agree to it sooner or later," Sheng nanxuan consoled.

They dropped Gong Bai off at his residence. After Gong Bai got off the car, Sheng nanxuan called out to him, "If there's anything you need help with, just tell me."

Gong Bai was stunned for a moment before he nodded. He turned around and felt a little bitter.

Sheng nanxuan might not be talking about the money, but if he wanted to give Yu Xinran a decent wedding, he would have to spend a lot of money. In the end, he might have to ask Gong mo and Sheng nanxuan for help.

But he didn't want to have anything to do with money.

"Big brother!" Gong ze's voice came from behind.

Gong Bai's back turned stiff. He turned around and saw a white car slowly driving over. Gong ye greeted him from the front passenger seat.

Gong ye had bought this car with his own pay for the convenience of traveling.

The car stopped and she opened the door to get out. She exclaimed, "What happened to your face? Did you get into a fight?"

Gong Jin, who was driving, also got out of the car and asked with concern, "Cousin, are you alright?"

Chapter 983 Did he break up with Yu Xinran?

"I'm fine. Where are you guys going?" Gong Bai asked.

...

I was thinking about the weekend, so I wanted to have dinner with you. Gong ye looked in the direction that Gong Mo's car had left in. did cousin send you back? "What's wrong with you? Did you encounter something?"

"Nothing much." Gong Bai turned around and said, "you guys go ahead and eat. I won't be going.

“Aren’t you going on a date with sister Xinran?” Gong Ying asked.

Gong Bai paused for a moment before he continued to walk forward.

Gong Jie took off his sunglasses and put them on. He said to Gong Jin thoughtfully, ” “Did he break up with Yu Xinran?”

“No way!” Gong Jin shouted.

They couldn’t rely on Gong mo anymore. If Gong Bai broke up with Yu Xinran, they would have no hope!

I think it’s a little similar ... Gong Ying turned around and got into the car.

“Then how do you explain the wound on his face?” Gong Jin asked while driving.

and his clothes ... Gong ye was puzzled. those are high-end custom-made clothes. They cost almost 100000 Yuan each. Aiya! I don’t care anymore, I’ll give Wu Li a call and go find him tonight!”

“You’re really dating Wu lie?” Gong Jin cast a glance at her.

“Of course it’s true!” Gong Ying was stunned.

However, Wu Li was only willing to date her because she was Gong Mo’s cousin! If he knew that she didn’t have a good relationship with Gong mo and Yu Xinran, he would definitely kick him away! He was already starting to doubt it!

Motherf * cker! He had to think of a way!

I heard that Wu Li isn’t a proper young master of the Wu family. He doesn’t have much of a future. Gong Jin said.

“Of course I know!” Gong Jie said in a bad mood. But how could she be interested in those serious ones? It wasn’t like she had never tried it before!

Although Wu Li wasn’t a big deal, it was better to have some connections with the Wu family and the Yu family than to have no name!

Furthermore, second brother Wu valued men over women, so he would definitely leave everything to Wu Li in the future. No matter how poor Wu Lao ‘er’s house was, a starving camel was still bigger than a horse!

If she could hold on to Wu GE, she would. If she couldn’t, ran ran would find another one!

.....

When Gong mo returned home, he said to Sheng nanxuan, ” “I originally thought that cousin and Xinran’s marriage would go smoothly,”

“Don’t worry, I’ll definitely accept it in the end.” Sheng nanxuan said with certainty.

“Are they looking down on my cousin?” Gong mo asked after some thought.

“I’m not looking down on you. However, they’re not from the same world, so they’ll definitely be on guard.”

“You’re wary of men, but you look down on women.” Gong mo was a little angry. I’m really glad that I married you early. Otherwise, when you acknowledge your relationship with the Yu family, they will definitely object!

“I’m marrying my woman, who dares to oppose me?” Sheng nanxuan frowned. without them, I can live a carefree life. Acknowledging them is not for them to point their fingers at me!

it's okay, it's okay ... Gong mo hurriedly consoled him when he saw that his tone wasn't good. they haven't been pointing fingers at you, have they? I'm just making an assumption, why are you so anxious?"

"I can't just make assumptions about you!"

If he hadn't always been strong, who knew if they wouldn't point their fingers at him? Therefore, it was fine as long as he was at peace with the Yu family. If something happened, he would immediately fall out with them.

"I know you're good to me, okay?" Gong mo blushed.

"Then how are you going to repay me?" Sheng nanxuan shot him a look.

"I'll listen to you and let you do everything. I won't do anything. Is that okay?"

"Yes." Sheng nanxuan nodded in satisfaction. but Qianqian, I'll do everything by myself, including you.

Chapter 984 He is not that kind of person!

Gong mo,

...

"You're so dirty! Don't teach the child the wrong things!" She called out with a red face.

Sheng nanxuan burst out laughing.

Hu Zi sat on the ground and shouted, "dirty dirty dirty dirty"

Gong mo covered his mouth.

“Wuwuwu!” Hu Zi shook his head and broke free of her hand, looking at her unhappily.

“What are you being dirty about?” Gong mo asked angrily, his face red.

Hu Zi raised the toy in his hand, which was a long train-

little train ~ wuwuwu ~”he said innocently.

Gong mo, “Xuanji is so tired, I won’t dare to be so dirty in the future.”

.....

The next day, Gong Bai went to the Yu family to look for Yu Xinran, but he was stopped at the gate of the villa area.

After waiting for a while, the security guard refused to let him in, so he had to call Yu Xinran. “Then I’ll go back first.”

“Where are my things?” Before he came, she had asked him to buy her food.

Gong Bai looked at the handmade cake in his hand and said, “I’ll leave it with the security and let them send it in.”

“Wait a minute!” Yu Xinran hung up the phone, changed her clothes, and went downstairs.

It was rare that Yu Qingping and Yu xinzhuo didn’t go to the company today. Instead, they were chatting with Min Ling, Wu surong, and Yu Zhengming.

Yu Qingliu and Ding Dang were not there. The two of them had just gotten married and wanted to spend some alone time together. They usually did not stay here. Today was a Sunday, and they still had to go to the presidential palace to have dinner with Ding Yuan and his wife. They would not be back.

Yu Xinran passed by the living room and ignored everyone in a Huff.

“Where are you going?” Min Ling stopped her.

“Gong Bai is outside. I’ll go pick him up!” Yu Xinran knew that they were the ones who stopped her!

“It’s so hot outside. You’re pregnant, can’t you be more careful?”

Yu Xinran continued to walk out.

“Stop!” Min Ling shouted.

Yu Xinran stopped. I’m pregnant with his child. What do you mean by not letting him in? ”

“What do you think it means?” Min Ling asked sadly. When the child grew up, he would forget his mother once he had a partner! The more he behaved like this, the more she disliked Gong Bai!

Yu Xinran looked at the crowd and said sadly, “If you’re so shocked that you don’t want me to marry him, then I’ll abort the child!”

you ... Min Ling was stunned. She was furious.

Yu Xinzhuo reached out and pressed on her shoulder. She let out a breath and didn’t say anything else.

Yu Xinzhuo said to Yu Xinran, “ other than getting an abortion or marrying him, you can still give birth to your own child. It’s not like we can’t afford to raise it. He wants to use this method to save 30 years of hard work, in his dreams!”

“He’s not that kind of person!” Yu Xinran said anxiously.

whether he’s that kind of person or not, he’ll definitely get a lot of benefits by marrying you! Yu xinzhuo said.

Yu Xinran opened her mouth, but her lips trembled. She didn’t know how to refute.

She knew that he was telling the truth.

After a long time, she said, “then you can just ignore him like before!” I’ve been with him for two years, but you’ve never given him any special treatment. He’s never gotten any benefits from me!”

“Right, he can’t!” Yu xinzhuo became even angrier. he asks his sister and brother to bother you every day, but he’s untainted! Are you stupid?”

“He didn’t call me that!” Yu Xinran shouted, “ it’s gong ye himself! Gong Bai isn’t that kind of person. Otherwise, why would I like him?”

“Then why didn’t he stop them? Didn’t he just want you to be soft-hearted and give them some benefits? He didn’t say anything, but let you take the initiative. What a good trick!”

“Yu xinzhuo!” Yu Xinran roared, “ why are you speculating about his character like that? how did he offend you? ”

Chapter 985 What if he mistreats you one day?

“By treating you like this, he has offended me! I’m just worried about you!” Yu xinzhuo said sternly, “ the more indifferent he is, the more you think he is noble. Who knows if he is pretending? ” Look at him, he first got your favor, and we didn’t have a bad impression of him before. His relationship with you can

be said to be smooth sailing. If he was calmer, I wouldn't have chided him! Isn't it too hasty to get pregnant now?"

...

"The pregnancy isn't his own business!" Yu Xinran was getting angrier and angrier. They were certain that Gong Bai had done it on purpose! How much did they know about Gong Bai? What right did he have to say that about him?

"But he has to bear a huge responsibility! Doesn't he know how to take proper precautions?"

"How can the measures be 100% effective!"

"Pa pa pa!" Min Ling took the newspaper and slammed it on the coffee table. let's get down to business! Why are you discussing such details?"

"Is arguing whether Gong Bai made me pregnant on purpose a serious matter?" Yu Xinran asked after a moment of silence.

"He better not have done it on purpose!"

"You don't doubt his intentions at all." Yu xinzhuo said, " he has your 100% trust! Who knows what else you'll get in the future?"

"You all think so of him, don't you?" Yu Xinran looked at them. are you afraid that he'll cheat the Yu family of their assets or something? " Even if you didn't mention this, I would have known it in my heart! My surname is Yu, and I've always remembered it. I've never thought of harming the Yu family's interests! Have you guys forgotten that I'm your child? He's really good to me. Yingluo, if you want to marry him, I'll sign a prenuptial agreement with him and won't let him harm the Yu family's interests. Can't I do that?"

"Do you think we care more about the Yu family's assets?" Yu xinzhuo was flustered and exasperated. you're the one we care about! It has never been for the Yu family's benefit!"

“He’s good to me, what do you have to worry about?” Yu Xinran didn’t understand.

Yu xinzhuo suddenly felt like he was on a different channel from her.

He fell back onto the sofa and said, “he’s really good to you now.” But I’m afraid that it’s fake! What if he doesn’t treat you well one day?”

“His feelings for me are definitely not fake!” Yu Xinran said with certainty.

“What if he changes in the future?”

“Change? Would it not change if it was someone else? Did those who got divorced not love each other when they got married? Brother, do you think that a man of equal social standing would love me as much as he did from the beginning? How many of those rich Playboys were good? Even if you’re lucky enough to find someone similar to Gong Bai, can you guarantee that he won’t change?”

Yu xinzhuo thought of Lu Yang and clenched his fists on his knees. He looked up at her and said, “What if there is?”

“I don’t like it even if there is.” I love Gong Bai now, “Yu Xinran said. in the future, I’ll make sure to manage our relationship well and love him forever!

“Alright, I’m done!” Min Ling cut in tiredly and said to Yu Xinran, “I’m not against you two being together. It’s just that what he did this time was too immoral! If you want to get married, take your time and do it grandly. Even if the Yu family pays for it, so what? As long as you’re happy!”

“I told you, he didn’t do it on purpose!” Yu Xinran was exhausted from fighting with them.

“Even if it wasn’t on purpose! It’s wrong of him to accidentally let you get pregnant before marriage! You’re pregnant, how troublesome would it be to hold a wedding? What if I’m tired? If people see that you’re pregnant, they’ll definitely talk about you behind your back!”

"I don't care!"

"I care!" Min Ling shouted.

Chapter 986 Let the gong family propose marriage

"So you're afraid of being embarrassed?" Yu Xinran complained.

...

"I'm not afraid of losing face." Min Ling looked at her. I don't care what others say about me, but I care what others say about you! I don't want you to suffer any criticism or grievances, understand?"

Yu Xinran paused and suddenly trembled. He felt that he had gone crazy!

Min Ling had always been doing this for her own good. How could she stoop so low?

She cried and threw herself into Min Ling's arms, "mom, I'm sorry, I'm sorry, I'm sorry."

Min Ling took a deep breath and wiped the tears from the corner of her eyes. "Alright, it's good that you understand everyone's intentions. Let the gong family come to propose marriage."

Yu Xinran suddenly raised her head and looked at her in surprise.

"I've never thought of stopping you from marrying him," she said with a bitter smile. It's just that Yingluo did something wrong, so we have to learn a lesson!"

mom, Yueyue! she hugged her in self-blame, " I was wrong, Yueyue!

“It’s good that you know you’re wrong. You’re going to be a mother soon, so you’ll understand my feelings in the future.”

I understand now, Yingluo,” Yu Xinran said softly.

alright, you can go see him. There’s no need to call him in. I don’t want to see him now!

“Then, when do you want to see her?” Yu Xinran looked at her timidly.

“When it’s time to propose marriage! Tell him to follow the rules. Since he’s the one who’s out of his League, we won’t let our daughter suffer! If he can’t do it, we’ll do it. We can’t let you be lacking something just to take care of his self-esteem.”

alright, Yueyue. Yu Xinran stood up and looked at Yu Qingping and Yu xinzhuo. dad, brother, Yueyue, I’ll go now.

The two of them glared at her.

She smiled in embarrassment and held their arms. “I know you’re doing this for my own good. I ... I was too impatient. I won’t do this again.”

Yu Qingping withdrew his hand and said, “go!” People say that a married daughter is like water poured out. You’re not married yet, and you’re the one who poured yourself in.”

Yu Xinran pouted, hugged him, and acted coquettishly for a while, finally making him laugh.

She stood up and walked out. She said to Yu Zhengming and Wu surong, “Grandpa, grandma, I’m going out.”

Yu Zhengming said, “you’re getting married, so Grandpa should make a statement.” If it was someone else who was rich and Noble, he would have to go through five trials and kill six generals to marry you from our hands. What does he have? I told him to be careful! If I dare to let you suffer even the slightest

grievance, I'll call off this marriage and we'll raise our own children! The child's surname will be Yu since he's raised in the Yu family. In the future, I'll give him a portion of my assets!"

Yu Qingping and Yu xinzhuo were both shocked and couldn't help but prostrate themselves in admiration!

The head elder was indeed the head elder. This domineering aura, this boldness, it was completely different!

Since the elder had spoken, the two of them naturally took practical action to support the suggestion.

"Me too," Yu Qingping said. If you raise the child alone, I'll give him some shares as soon as he lands!"

"Me too," Yu xinzhuo said.

"Enough, you guys!" Yu Xinran shouted, " can't you hope for me to be better? You can tell him this yourself, I don't want to!"

"Then I won't say it. Let's see his own performance." Wu surong said, " we've made our stand here. Everyone supports you. He gave you a way out, so you shouldn't be afraid and boldly walk forward with him. If he's not doing well, you can come back and we'll let you f * ck us."

grandma, Wanwan. Yu Xinran's eyes turned red and she threw herself at her. I ... I don't want to go out anymore. I can't bear to leave you guys.

"Then let Gong Bai in." Yu Zhengming sighed. don't let him get too hot outside. We can also talk to him about marriage.

Chapter 987 If you ruin my marriage, Yingluo

Gong Ying was filming on the set.

...

She had quite a few film offers now, but they were all small roles.

She knew that she had offended Gong mo and couldn't get anything better. In order to make her face familiar, she didn't pick on anything and shot whatever was available. At least she had a salary and didn't have to worry about food and drink.

Otherwise, if Wu Li was not generous, where would she get the money to buy clothes and bags?

Gong Jin was scrolling through Weibo on his phone.

This Weibo was owned by Gong ye. He often helped to manage it.

As per her request, he would occasionally help her take a few photos and edit them using a photo editing software. He would search for her name on Weibo to see if anyone was slandering her.

However, the truth was that they couldn't even find the Taotie's eggs!

Not to mention defaming her, there were not many fans of her. No one mentioned her at all. Who asked her not to be famous?

The weather was hot and stuffy. Gong Jin was drowsy with his mobile phone in his hands. His brain was a little tangled.

Suddenly, a caller ID popped up on the screen. His hand slid across the screen and he picked up Yingying.

Then, he found out that it was Gong Bai who had called him!

When did Gong Bai take the initiative to look for him?

“Cousin?” Gong Jin answered the phone.

Gong Bai was stunned for a moment, ‘Gong Jin? Where’s flare?’

Only then did Gong Jin remember that he was holding Gong Gong’s mobile phone. “I’m filming,” he said. “If there’s anything you need, you can call later.”

“No need, it’s the same to tell you directly.”

“Ah?”

“Let’s have dinner together tonight. I have something to tell you.”

“Oh, Yingluo, good.”

.....

After Gong Jie finished filming, he left the set with Gong Jin. Gong Jin drove to the restaurant where he had an appointment with Gong Bai.

“He has never taken the initiative to invite us for a meal. Something must have happened,” Gong Ying said, puzzled.

“You really broke up with Yu Xinran?” Gong Jin asked.

“Don’t say such inauspicious things!” Gong Ying frowned.

Gong Bai hadn’t broken up with Yu Xinran, but Yu Xinran dared to slap her. If they broke up, she wouldn’t be able to survive in the capital anymore!

After getting out of the car, Gong ye put on his sunglasses.

When she walked into the restaurant, she said with a look of disgust, "what kind of broken down restaurant is this, Yingluo?"

This renovation was really shabby! She estimated that the average person was less than 200 yuan! Gong Bai's salary was not low now, so why was he so stingy?

But fortunately, there were private rooms in this messy restaurant, so she didn't have to worry about being photographed by the paparazzi.

"I called you here today to tell you something. Ran ran, I'm going to marry Xinran," Gong Bai said during the meal.

The two of them were stunned.

They were worried that he had broken up with Yu Xinran, but he actually said that he wanted to marry Yu Xinran?

"You know the Yu family's situation. It's only natural that there are many taboos in a wealthy family. All of you, behave yourselves and don't cause any trouble! The hatred of snatching my wife is absolutely irreconcilable. If you ruin my marriage, I won't have you two siblings in the future!"

I, I got it, Zhenzhen. the two of them didn't dare to disobey the rules. They were overjoyed!

When he and Yu Xinran got married, wouldn't he be able to cling onto the Yu family's thigh? Yu Xinran would reject them now, but when they became a family in the future, she would definitely feel embarrassed, right?

"When is the wedding?" Gong Ying asked with concern.

“New Year’s Day.” Gong Bai said, “ I’ll call my parents later and ask them to come over to discuss the details with the Yu family.

Because Yu Xinran was pregnant, he couldn’t delay it.

After all, she was the eldest daughter of the Yu family. If outsiders knew that she got married because she was pregnant, they would definitely laugh at her. No one dared to say anything in front of her, but no one could stop them from gossiping behind her back. That was why it was best not to let anyone know about her pregnancy!

Chapter 988 Then she can’t run away

New Year’s Day was a little cold, but it wasn’t a big deal to hold it indoors. When her stomach was a Little Big, she could lower the waist of the wedding dress a little higher. It would not be obvious if she wore a shawl over it, and it should be able to hide from most people.

...

The Yu family and Gong Bai didn’t plan to tell the world after the child was born.

“So fast?” Gong Mao was surprised.

It might be an exaggeration for an ordinary person to take five months to prepare for their wedding, but after interacting with the upper-class people, she realized that they would take at least a year to prepare for their wedding!

Five months was too much of a rush!

For a fair-skinned, rich, and beautiful woman like Yu Xinran, all her wedding dresses and diamond rings had to be custom-made. A picky bride might not even be able to come up with a blueprint after five months!

Gong Bai paused and touched the wound on his face. "Xinran is pregnant. If you see her, be careful and don't hurt her."

Before and after marriage, the two families could not avoid meeting. To be safe, Gong Bai had to say these harsh words first.

Oh, Yingluo. the two of them lowered their heads and muttered in their hearts, " She was actually pregnant. Then she couldn't run away. When she got married ... She would have a good time!

.....

After hearing that Gong Bai and Yu Xinran had confirmed their wedding date, Gong mo hesitated for a long time before sending a voice message to qianbai. "Do you have enough money?"

Gong Bai replied with a smile, "I'll come to you if I don't have enough,"

Hearing this, Gong mo called him immediately. "How much savings do you have now? How do you manage your finances?"

uh, I'll put a portion of them in the bank and buy some stocks. Gong Bai didn't understand why she asked that.

"Which stocks did you buy?"

Gong Bai suddenly remembered Sheng nanxuan's ability-he could turn a billionaire into a beggar with a flip of his hand, and a beggar into a billionaire with a flip of his hand!

Could it be that Gong mo was planning to let Sheng nanxuan help him?

what?" he asked. you want to get nanxuan to help me?"

“I’d help others, but why would I help you?” Gong mo asked with a smile.

“He has to pay a price for helping others. What can I pay?”

“I’ve asked. He said that you were so good to me in the past, so I don’t need anything from you. I’ll just take it as a wedding gift. If you really want to give something up, then treat me so well forever! Also, he said he wanted to help you before, but you didn’t ask, so he couldn’t be bothered. He’s a very lazy person.”

“All right, I’ll talk to him myself,” Gong Bai couldn’t help but laugh.

Gong mo guessed that he wouldn’t take it for free. He would probably make a deal with Sheng nanxuan. “Alright then,” she said helplessly.

After hanging up, she went to look for Sheng nanxuan. Gong Bai should be calling you. Tell me if he says anything!

As soon as he finished speaking, Sheng nanxuan’s phone rang.

She took a look at the screen and saw that it was Gong Bai.

Just as she was about to say something, her own phone rang. It was Tian Cheng.

Tian Cheng returned to Nanjiang after attending Gambino and Shan Rong’s wedding. Gong mo had always felt that it was strange. Previously, she had said that she wanted to earn money. Why was she willing to return to Nanjiang instead of working part-time during the summer break? However, Gong mo was relieved that she wasn’t tired.

Gong mo went back to his room to answer the phone.

cousin,” Tian Cheng asked, “I heard that big cousin is going to marry sister Xinran?”

“Eldest uncle said that?” Gong mo asked.

“Yup, I know. They came to my mom just now and asked her to look for a house for them. They’re going to Beijing tomorrow.”

“Why are you here to find my aunt?” Gong mo frowned. first aunt and third aunt have a conflict? ”

“I’m fine.” Tian Cheng sneered. uncle and Auntie are going too!

Chapter 989 What should we do if there’s trouble?

“What?” Gong Mo’s expression changed. what are they doing here? Xinran’s family was on fire! First uncle and first aunt should just come to discuss the wedding. Why did third uncle and third aunt have to join in? They can just come back for the wedding. If they come here now and cause a ruckus, what if the Yu family becomes popular and doesn’t want to get married?”

...

“I also said the same thing. However, first aunt said that sister Xinran was already pregnant and she would definitely get married. I really don’t know where she got her confidence from!”

Gong mo was so angry that he laughed.

I don’t think I can explain it to her, ” Tian Cheng said irritatedly. I can’t be bothered to argue with her! However, third uncle and third aunt said that they didn’t go for this matter. They were going on a trip and also to visit little cousin.”

“After that, we’ll go to the Yu family to have a chat and participate in the wedding discussion.” Gong mo was furious. it wasn’t easy for Gong Bai to get married. We must not let them cause any trouble! Right, are you busy now?”

ah, Yueyue, I'm not busy. I'm always at home. I'm usually cooking for my mom when I go out for a part-time job or something. In fact, she stayed in front of the computer every day to write her story.

Oh, I see. Gong mo was a little embarrassed.

"What's wrong?" Tian Cheng asked, puzzled.

"I was thinking that if you're free, you can come over. This way, you can help cousin keep an eye on things. Otherwise, what if something goes wrong?"

"Alright then!" Tian Cheng agreed readily. I'll tell my mother right now and buy the earliest flight back.

"Does that mean no one will cook for your mother?" Gong mo asked awkwardly.

"She can do it herself. I'm just showing my love." Tian Cheng said with a smile.

.....

After chatting with Tian Cheng, Gong mo called Gong Bai, but he couldn't get through. He remembered that Sheng nanxuan was answering Gong Bai's call just now.

She walked out of the room and saw that Sheng nanxuan was still on the phone.

"Is it cousin?" She walked over and asked.

Sheng nanxuan covered the microphone. what's wrong? "

"Turn on the speaker, I have something to tell him."

Sheng nanxuan pressed the speaker button. Gong mo shouted, "Cousin."

what's wrong? "Gong Bai asked after a pause.

Tian Cheng called me just now to say that third uncle and third aunt are coming to Beijing with your parents. Did you know about this? "

When Gong Bai told her that uncle Gong and Hu Yinghong were coming, he did not mention her third uncle and third aunt. She guessed that he did not know.

"I don't know!" Gong Bai replied after being stunned for two seconds.

"Oh, you know now." Gong mo said.

"I'll hang up first, I'll talk to you guys another day!" Gong Bai took a deep breath and hung up the phone in a hurry.

Sheng nanxuan put away his phone and said to Gong mo, " I don't think Gong Bai, Yu Xinran, and the Yu family have any problems, but ...

"The gong family has a big problem." Gong mo said gloomily.

She had seen Gong Bai and Yu Xinran together. Now that Yu Xinran was pregnant, she naturally hoped that they would be well.

Those people of the gong family acted first and didn't report it. Did they not know the severity of the matter?

"That's enough. Gong Bai will deal with this matter himself, so you don't have to worry about it. " Sheng nanxuan consoled her.

"What did my cousin say to you just now?" Gong mo asked after a sigh.

“I’m borrowing money.”

ah! Gong mo was stunned. didn’t I ask you to help him invest in the stock market? ”

“He thinks it’s better to borrow it and return it.”

“Aiya!” what’s wrong with him? “Gong mo said in frustration. why are you being so polite?”

“He didn’t borrow much. When Yu Xinran finds out after the wedding, she’ll definitely help him pay it back. Even if he didn’t know, he would still pay it back in a few years. And Yingluo seems to have forgotten that he needs to receive a wedding gift.” Sheng nanxuan said with a frown.

Chapter 990 What’s the meaning of a sudden attack without him knowing?

Hearing this, Gong mo burst into laughter, ” “How much did he borrow?”

...

ahem, ahem. Sheng nanxuan could not help but laugh. anyway, I wanted to give him more red packets than the money he wanted to borrow.

“He’s just too embarrassed to ask for more, but I’m sure it’s not enough, right?” Gong mo sighed.

Sheng nanxuan consoled him. don’t worry. I’ll hack into his computer at night and see which stocks he has bought. He’ll make a fortune!

“Good, good, good!” Gong mo hurriedly nodded. that’s a good idea! No, no, no, this is too obvious! You should let all the shareholders earn money, and then he can make a fortune!”

Sheng nanxuan touched his chin and asked in confusion, " "Won't it be more obvious this way?"

Gong mo,"hehe."

"But I'll do as you say. I've been a little bored recently, Yingluo."

Gong Mo's eyes widened and he protested,""You're still free?"

She was the one with the most free time at home, alright? Even Hu Zi had to go to the park to meet a few friends and hold a few family dinners in the game room every day. He was extremely busy.

She was the only one who was so free that she wanted to have an affair ~

Oh, of course Qingqing wouldn't! This was just an exaggerated figure of speech!

Forget it, I'll go to the company to inspect the business tomorrow!

.....

"Why didn't you tell me that third uncle and third aunt were coming?" Gong Bai called Hu Yinghong and asked.

Hu Yinghong held her breath. After two seconds of silence, she called out, " "Tian Cheng, that little girl! You've even learned how to complain?"

"Don't you care about others!" Gong Bai shouted sternly, " I'm asking you, why didn't you tell me that third uncle and third aunt are coming? "

Hu Yinghong was startled. She said guiltily, " "They are not going for your marriage. They are going on a trip to see Gong Jin!"

“Oh, really? Does Gong Jin know? If you don’t tell me, you’re treating me like an outsider! And you guys too, no matter why third uncle and third aunt came, since they’re going with you, they should have informed me.” Gong Bai’s voice was cold and obviously angry.

Hu Yinghong was a little afraid, and she timidly said, “Don’t you already know?”

“I’ll pick you up at the airport tomorrow!” Gong Bai said coldly.

Okay, okay, okay, Wanwan, ” Hu Yinghong hurriedly agreed. She was afraid that he would get angry and wouldn’t let her go to Beijing.

Gong Bai hung up the phone and called Gong Jin.

Gong Jin didn’t know that his third uncle and third aunt were coming.

Gong Bai was furious. In that case, she really came for his marriage!

She could have just told him so that he could make preparations. What was the meaning of a sudden attack behind his back?

He suppressed his temper and said to Gong Jin, ” then you should quickly prepare a place for them to live. Arrange your own work. Make some time to accompany them.

yes, yes, Zhenzhen. Gong Jin quickly agreed and then called his third uncle and aunt to ask about the situation.

Third uncle said, ” isn’t your big cousin going to marry that miss Yu?” Your uncle is afraid that the other side will oppress us, so he asked us to help him! I can also go to the Yu family to see the world!”

“You guys better not come!” Gong Jin shouted, ” the Yu family is not easy to bully! You can come back after they get married. Yu Xinran won’t divorce you over such a small matter, right? But what if things

didn't go well now and the Yu family refused to get married? I'm still counting on the Yu family to arrange jobs for me in the future!"

silly child ... third aunt did not think much of it. isn't that Yu Xinran pregnant? " How could they not get married? If we don't get married, who's the one losing face?"

Gong Jin,"hehe."

Gong Jin was rendered speechless by his family's feudalistic thinking!
