

## Divorce 1231

### Chapter 1231: whose child is it

“really?” Mu Yao’s eyes immediately lit up. She stared at Zheng Junji with wide eyes. “I like to play billiards too. How about we go play billiards together another day?”

“Okay?” Zheng Junji’s interest was piqued, so he sat down next to Mu Yao. He looked at her sideways and asked, “you’re so young. Who taught you billiards?”

“My mother,” Mu Yao answered without thinking. “My mother said that girls who play billiards are elegant. No matter what, they are more elegant than girls who play football. I originally wanted to learn how to play football.”

Zheng Junji looked at ru Yu meaningfully and then asked with a smile, “no wonder you play billiards so well. So it’s to practice billiards with your daughter?”

Ru Yu and mu Yao were slightly stunned. Ru Yu knew that it was ru Yu’s turn to explain, but Mu Yao was the first to nod. “Yeah, my mother plays billiards for me. She didn’t know how to play before, but now she’s very good at it.”

“What a great mother,” Zheng Junji couldn’t help but laugh. Then he stood up and patted Mu Yao’s head. “Eat more. It’s my treat.”

“Wow, I like people who treat the guests the most.” Mu Yao shouted loudly with the ribs in her hands. Zheng Junji heard it as if she was saying that she liked him the most.

Zheng Junji smiled and looked at ru Yu and mu Yao. This little girl was indeed somewhat similar to Che Ru Yu. Hence, she could not help but ask in a low voice, “Che Ru Yu, did you really not make up a story last time? Do you really have a daughter?”

After he reminded Ru Yu, Meng ran recalled the matter of her and Lei Zhenyu’s wedding at the church. At that time, she had deliberately made up the story of her illegitimate daughter to scare Zheng Junji.

Thus, she nodded seriously and said, “yeah, don’t you see? Isn’t this the real deal?”

“Mu Yao, call me uncle Zheng.” Ru Yu shouted at Mu Yao who was chewing on the ribs. “This uncle Zheng is very generous, but he is also very ambitious. He once wanted to be your father.”

“Wow, who wants to be my father?” Mu Yao immediately put down the ribs in her hand and asked. Then, she looked at Zheng Junji and frowned like a little adult. “You? Uncle Zheng?”

Zheng Junji smiled and couldn’t help but nod. He also said seriously, “Do you think I’m qualified?”

Thus, Mu Yao looked at Zheng Junji from head to toe with a serious expression. Then, she shook her head and said, “to be honest, I’m not really qualified. At most, I can be a spare tire. How about this, I’ll temporarily register your name in the register. When there’s an opportunity in the future, my mother won’t want my father anymore. Let’s see if you have the chance.”

Zheng Junji didn't know whether to laugh or cry. He used his hand to stroke her head and said, "come on, your brother is a brat. Maybe I'm old and I still can't wait for your mother. Why don't you think of a way to help me get rid of your father so that I can be your father earlier?"

"this... it's not impossible." Mu Yao looked like a complete adult. She thought for a while and said, "how about this? As long as you can play with me for two days and bring me to Disney, I'll help you think of a way to get rid of my father from my mother's side."

"That's not a problem at all." Zheng Junji agreed without thinking. Then, he pulled a tissue to help mu Yao wipe her mouth and said, "to be honest, the father your mother helped you find is indeed not good. Hurry up and let me be your father instead."

### **Chapter 1232: Cheating Food and drinking**

"Alright, alright!" Mu Yao clapped her oily hands and shouted Then, she used her oily hands to Pat Zheng Junji's face and said, "I love it when a person like you becomes a father. Hurry up and buy Disney tickets. I'll think of a solution for you right away."

Zheng Junji could not help but laugh. He stood up and looked at ru Yu and said, "you really got my inheritance. This child is obviously a bad egg."

Three black lines immediately fell from ru Yu's forehead. She looked at Zheng Junji meaningfully and could not help but curse in her heart, "Zheng Junji, you have to be careful when you say these words in the future. If someone accidentally hears you..." At that time, she would not even know how she died.

Zheng Junji patted Mu Yao's shoulder and said softly, "then you eat first. I still have some things to do over there. Oh right, don't pay the bill later. I will let the waiter here charge it to me."

Before ru Yu could say anything, Mu Yao was the first to nod. "Yeah, I got it. Hurry up and go. Remember the Disney tickets. I will stay here for two or three days."

"Little Brat, you definitely won't forget. I always keep my word." Zheng Junji looked at her, then looked at ru Yu, then turned around and left.

"Wow, Mu Yao, you little liar. You're here to cheat food and drink again." Yun Zai hid at the side and waited for Zheng Junji to leave before walking over. He praised Mu Yao's cheating skills again.

"Tch, who cheated food and drink?" Mu Yao ignored Yun Zai's words She snorted coldly and said, "I'm not even in the mood to cheat people today. It was him who bumped into the door, okay? I was determined to have a meal with Che Ru Yu. Now, I actually saved another meal for Che Ru Yu Unknowingly. What a pity."

"You heartless person. What a pity to save money for Ru Yu?" Yun Zao poked her forehead symbolically. "You should say that you're lucky. You've saved a huge sum for ru Yu again."

"alright, hurry up and eat." Mu Yao rarely paid attention to him She directly took a grilled rib and handed it to him. "If you don't eat it, it won't taste good if it gets cold. Besides, aren't you going to fly to America to see Yun Heng in the afternoon? If you don't hurry, aren't you afraid of missing your flight?"

Mu Yao was still very excited over the barbecue in the afternoon, but when ru Yu drove Yun to the airport in the afternoon, Mu Yao fell asleep in the car with a sweet smile on her face.

“She’s still a child, ” ru Yu sighed as she looked at Yun who was hugging Mu Yao in the rearview mirror. Then, she asked with concern, “by the way, did your parents know that Mu Yao came to Seoul? Could it be that she ran away from home again? ”

“She didn’t run away from home. My parents knew that she wanted to come here to play with you, but they were worried about her being alone, so they asked me to take a detour to Seoul to send her over, ” Yun couldn’t help but laugh at this point. “I feel that my parents’ worries are completely unnecessary. Does Mu Yao need someone to send her over “I think it shouldn’t be too much of a problem for her to discuss a partnership with the Italian Mafia’s Ronnie. ”

Ru Yu nodded with a smile She sighed and said, “yeah, you said that they were both born from the same parents, but she raised all kinds of people just the same. Why is Mu Yao so smart “When I was her age, I didn’t seem to know anything other than going to school obediently, right? ”

### **Chapter 1233: Brotherly Love**

“okay, okay, okay. Modesty doesn’t seem to be this humble, right? ” Yun Zai couldn’t take it anymore She quickly reminded her, “little feather, I remember that my parents once said that when you were only five years old, you were already out of one inch ink city. Then, you even defeated an organization that sold girls. Is this still called being honest? Then what is called not being honest? ”

“Oh, really? I don’t seem to remember this anymore. ” Ru Yu sighed heavily and said, “it was really good when I was young. I really wanted to return to when I was five or six years old. At that time, I really could do whatever I wanted. ”

“Don’t tell me you want to destroy another human trafficker’s nest? ” Yun Zai was joking with her Then, he quickly changed the topic and said, “SIS, is Lei Zhenyu treating you well now that you’re married? ” Yun Heng had looked up his information in the United States. During the seven years he was in the United States, he had really been working as his lawyer and studying for his law doctorate. It seemed that there weren’t even any scandals.”

“It’s alright. ” Ru Yu pondered for a moment and said, “you know, lawyers are usually more responsible. Moreover, they may have to be more disciplined in life. It’s less romantic, but it’s very practical. ”

Yun Zai nodded and sighed lightly. “As long as it’s good. You don’t know, but we’re afraid that you’ll meet someone unkind again. ”

When ru Yu heard Yun Zai’s words, she couldn’t help but laugh out loud Then, she looked at Yun Zai in the rearview mirror and said, “alright, don’t talk about me anymore. Go to the United States and carefully investigate what Yun Heng is up to In addition, even if you go to the United Kingdom alone, you have to be a little more steady. Don’t be like Binhai. Do you think that father doesn’t know about the things you’ve done behind my back?”

"I don't think so, right?" Yun Zai looked at ru Yu in confusion. He frowned and said, "I've always been very obedient in front of father. Father is also so busy. His focus should be on Yun Heng now, right? After all, the position of the CEO of the Dongfang Group is waiting for Yun Heng in the future."

"You don't know? How well does father hide himself? If you don't cause any big trouble, he won't even bother with you. Once you cause any big trouble, see how he'll deal with you." Ru Yu said as she drove the car into the airport. Then, she said earnestly, "also, Yun Heng has never wanted to accept the position of Dongfang CEO. I think you should consider it..."

"I won't consider it." Yun Zai cut off ru Yu's words before she could finish. Then, he let out a long sigh and said, "I'm so glad that the doctor was the second to carry me out of my mother's womb. Otherwise, I wouldn't have been able to refuse the important task of accepting the Dongfang Corporation today."

Ru Yu shook her head. Her two younger brothers were both freaks. Yun Heng was not interested in the Dongfang Corporation and wanted to push it to Yun Zai. In the end, Yun Zai was even less interested in the Dongfang Corporation and it was too late for him to hide.

Other people's families would often fight over their properties and positions. However, the Dongfang family was fine. No one was fighting for the position of the CEO and no one was willing to take it over.

"Alright, hurry up and go in. Mu Yao is asleep, so I won't send you in." Ru Yu stopped the car. She looked at Yun Zai and said, "study hard in England. There are gentlemen in England. When you finish your phd in England, you will become a true young talent. This society will make young talents very popular."

#### **Chapter 1234: Brotherly Love**

"PFFT..." Yun Zai could not help but laugh. Why did he feel that youth was a derogatory term?

However, he did not argue with his sister about this issue. Thus, he got out of the car and went to the trunk to get his luggage. Then, he came over and stood by the car window for a long while.

Ru Yu rolled down the car window and looked at Yun Zai who was looking at her. After a long while, she asked softly, "Yun Zai... is there anything else?"

Yun Zai looked at ru Yu. After a long while, he used his hand to help her comb the hair on her forehead. Then, his thin lips came over and kissed her on the cheek. "Sister, I love you!"

Ru Yu was slightly stunned. When she looked up, Yun Zai had already dragged his luggage away, and his tall back was gradually disappearing in the elevator.

Ru Yu's eyes instantly became moist. Yun Zai said that he loved her, and Yun Heng also said that he loved her. In fact, she really wanted to say that she also loved them because they were her younger brothers.

Although she had grown up by her daddy's side, Che Qixuan, she often went to Binhai. Every holiday, she would either go to Binhai or her parents would bring Yun Heng and Yun Heng to Seoul. At that time, she was Yun Heng Yun's elder sister to the twin brothers.

She had always been very protective of her two younger brothers. She had never allowed anyone to bully them since they were young. If anyone bullied them, she would definitely repay them with double the amount.

Of course, Mu Yao was much younger than her. However, this did not affect the relationship between the two sisters. When she was 19 years old, she knew that her mother had given birth to a younger sister. She was so excited that she flew straight back to Binhai while she was still sketching in Croatia.

Her father had always wanted a daughter to make up for the regret that she had not been by his side since she was young. Therefore, he doted on Mu Yao especially. Ru Yu was originally worried that Mu Yao would be spoiled into a bad girl.

However, from the current situation, it seemed that the possibility of Mu Yao becoming a bad girl was not high. However, it was an indisputable fact that she had become a little witch.

Fortunately, even if Mu Yao became a little witch, she still liked her big sister. Otherwise, she would not have come to Seoul to look for her so often.

When ru Yu thought of this, she turned around and looked at the little girl who was still sleeping in the back seat. At first, this guy had despised her mountain SUV. Now, he was sleeping so soundly, and the smile on his face was bright. She did not know what kind of sweet dream she was having again.

Ru Yu started the car and rushed home. She was thinking of calling Lei Zhenyu to tell him that she was going back to the car to stay at home for two days. After all, Mu Yao was here and she wanted to accompany her.

However, before she had the time to call, Lei Zhenyu called first and told her to drive straight back to the Lei family because their things had been forcibly moved back to the Lei family.

Ru Yu wanted to explain her situation to him, but she did not expect Mu Yao, who was woken up by the phone in the back seat, to speak. "Ru Yu, I want to go to your house."

Ru Yu turned around. The little demoness really woke up quickly. Hence, she spoke into the phone again. "Alright, I..."

She had only said three words when she realized that the other side of the phone had already hung up. She shook her head and did not think too much about it. Instead, she looked at Mu Yao, who was climbing to the front passenger seat. "Can't you sit in the back? There's an airbag in the front seat..."

"Tsk, what's there to be afraid of with an airbag?" Mu Yao said nonchalantly. Then, she urged ru Yu. "Hurry up. I want to see what your new husband looks like. Is he not as handsome as your old man Nan from Phnom Penh?"

### **Chapter 1235 bringing Mu Yao back to the Lei family**

The corner of Ru Yu's mouth twitched, but she did not say anything more. Instead, she drove straight home. When Lei Zhenyu called just now, she originally wanted to tell him in advance, but she did not expect Lei Zhenyu to hang up first. She did not call him again. She thought that she could tell him later when she arrived.

However, ru Yu did not think of the ridiculous thoughts that surfaced in Song Yuxi's mind when she saw the three of them in the afternoon. She also did not think that Zheng Junji would expose the fact that she had an illegitimate daughter to Lan Ruoshui.

In fact, Lan Ruoshui had already been proven to be not Lei Zhensheng's daughter. However, she was the daughter of Lei Zhensheng's first love, Lan Yunxi. Lan Ruoshui herself did not lie to her. The paternity test was done by the family doctor of the Lei family. He thought that the person who really lied to him was Achang, and Achang's intentions were good.

Hence, Lei Zhensheng loved his house and took in Lan Ruoshui as his goddaughter. Lei Taihe considered that Lei Zhensheng would never have a child of his own in this lifetime, and he liked Lan Ruoshui. It was Lei Taihe who forcefully broke up Lei Zhensheng and Lan Yunxi back then. Thus, after all sorts of considerations, he still agreed to it.

Therefore, Lan Ruoshui, who was originally driven out of the Lei family, continued to stay in the Lei family because Lei Zhensheng considered her as his adopted daughter. However, she could no longer change Lei. She was not the eldest daughter of the Lei family, but only Miss Lan.

Of course, ru Yu did not know about these things because she was not at home all day. She only knew that Lei Zhenyu said that he had moved back, so she could only drive back to the Lei family. In her heart, she hoped that there would be no more arguments tonight and that she would be able to spend the night peacefully.

However, many times, the more you wanted to be quiet, the more you could not be quiet. There were people who liked to cause trouble.

Ru Yu drove the car into the Lei family's courtyard and parked the car. When she pushed the door open and got out of the car, Lan Ruoshui came over in a pair of five-inch high heels.

"Aiyo, ru Yu, I heard that your seven-year-old illegitimate daughter came to look for you. Why, didn't you bring her to the Lei family to show us?" Lan Ruoshui's voice did not sound high. However, her tone and expression were full of mockery.

She was no longer a member of the Lei family, so of course, she didn't have the right to inherit the Lei family's property. However, she was the adopted daughter of the Lei family. She had to think of a way to drive che ru Yu away. She couldn't stand Che ru Yu. Especially now that Jin Zhengnan didn't pay much attention to her because of che Ru Yu, she hated che ru Yu even more.

"WHO said I didn't come?" Mu Yao pushed open the passenger door and got out. She looked at Lan Ruoshui who was standing there and said with a provocative look, "are you that Lan Xiaosan?"

"You... who is the Xiaosan?" Lan Ruoshui was so angry that she flew into a rage. She couldn't help but raise her hand at Mu Yao and said, "your mother is the Xiaosan. She is the one who ruined the relationship between my uncle and miss song."

After Lan Ruoshui shouted this sentence, she was about to slap Mu Yao's face. However, before she could land, ru Yu grabbed her wrist and made her wrist stop in the air.

“Lan Ruoshui, if you dare to touch a hair on her head, I will definitely make you die a horrible death. I wonder if Jin Zhengnan told you that I am a master of Taekwondo?” Ru Yu’s voice was not loud nor cold. However, this was enough to make Lan Ruoshui’s fake face change color.

“Humph, so what if you have practiced taekwondo?” Lan Ruoshui broke free from Ru Yu’s hand. Then, she snorted and said, “Che Ru Yu, do you think the Lei family is a place where you can lie to them however you want? Do you think my uncle won’t mind that you have a seven-year-old illegitimate daughter? Let me tell you, my uncle is not Jin Zhengnan. He is not so easy to bully.”

### **Chapter 1236 Little Mu Yao appeared in the Lei family**

Ru Yu was about to say that she wasn’t my daughter but my sister, but before she could say anything, she heard Mu Yao say angrily, “Don’t tell me my mother is easy to bully?”

Ru Yu couldn’t help but feel dizzy. Mu Yao, do you have to come and cause trouble like this? Isn’t it getting more and more difficult to explain?

Fine, it’s fine if she can’t explain it. Since Lan Ruoshui already knew that she had an illegitimate daughter, Lei Taihe and Lei Zhensheng should also know about it. She wanted to see the Lei family’s expression.

Moreover, she and Lei Zhenyu originally didn’t have any feelings for each other. He only said that he wanted to stick to this marriage. Once they became a real couple, he wanted to stick to it until he was old.

Now, his ex-girlfriend came back to look for him, and she had an illegitimate daughter. With such a false truth, she wanted to see how he would consider it.

Also, if Lei Zhenyu believed it just because he heard others say that Mu Yao was her daughter, and he no longer insisted on this marriage with her, then she felt that it was not bad to let Mu Yao play the role of her daughter for once. At least.. One could see a person’s attitude and determination towards marriage.

Lei Zhenyu was originally in the hall, and he only walked out when he heard Lan Ruoshui’s voice. When he saw Mu Yao beside Ru Yu, he was obviously stunned for a moment, but he still quickly walked over.

“Mu Yao, call me uncle.” Ru Yu hurriedly gave Mu Yao a look. In fact, Mu Yao knew what to do without even giving her a look.

“Uncle Lei.” Mu Yao’s voice was as clear as a lark’s. At the same time, a smile of ingratiation appeared on her face, making people instantly feel that this child was really obedient and sensible.

Lei Zhenyu looked at Mu Yao and then looked at Ru Yu. He admitted that they did look somewhat similar. When he moved back in the afternoon, he heard Lan Ruoshui telling Lei Taihe and Lei Zhensheng that there was explosive news. It was Che Ru Yu’s illegitimate daughter who had once hidden in the countryside who came to find her.

At that time, he did not believe it at all because there was a high chance that Lan Ruoshui’s words were rumors. But now that he had seen it with his own eyes, and Ru Yu had asked this little girl to call him uncle, he had no choice but to believe it.

“Let’s go in first. What are you standing here for?” Lei Zhensheng caressed Mu Yao’s head as he spoke and then asked softly, “Mu Yao, how old are you?”

“seven years old.” Mu Yao raised her head and extended seven fingers to Lei Zhenyu. She had an innocent expression and looked like a cute little girl.

“Mu Yao is so obedient.” Lei Zhenyu praised Mu Yao. Then, he turned to look at ru Yu and said, “she’s not really pretty. When she grows up, she’ll definitely look like you. She’s a great beauty. Now, she’s a little beauty.”

Ru Yu had to admit that Lei Zhenyu was indeed a lawyer. She heard that lawyers could usually pretend. It seemed that Lei Zhenyu was no exception. She suddenly had a seven-year-old illegitimate daughter, yet he was not angry or angry. Moreover, he praised Mu Yao’s beauty.

When they walked into the hall, Lei Taihe and Lei Zhensheng were both there, but they did not see Cai Shaofen. She must have gone back to Ji Zhou Island. It seemed that she was really determined to get a divorce.

“Che Ru Yu... is this your child?” Lei Taihe looked at Mu Yao who walked in. She indeed looked very similar to ru Yu. It was impossible to say that she was not her child.

Ru Yu hesitated for a moment, then nodded naturally. She then said to Mu Yao, “Mu Yao, call me grandfather.”

“Hello, Grandfather!” Mu Yao’s voice was still as clear as a Lark. She portrayed a sensible and obedient seven-year-old girl perfectly.

“This is uncle.” Ru Yu pointed at Lei Zhensheng and introduced him to Mu Yao.

“Hello, uncle.” Mu Yao greeted Lei Zhensheng again. However, Lei Zhensheng’s face was dark and cold without a trace of warmth. It was obvious that he disliked Mu Yao.

### **Chapter 1237: The effect caused by Zhang Muyao**

Ru Yu looked at Mu Yao’s performance and could not help but exclaim in her heart. She was indeed a genius, a variety of geniuses. How could someone like her choose her own career when she grew up Actress A female devil from the underworld A female CEO from a big company?

Just as Ru Yu was fantasizing about what Mu Yao would look like when she grew up, Lei Zhenyu came over and pulled her hand. Then, he reached out to hold Mu Yao’s hand and said, “let’s go, Mu Yao. Let’s go upstairs first. Uncle has to help you decorate your room for tonight.”

“thank you, uncle.” Mu Yao was still very satisfied with Lei Zhenyu’s attitude. Then, she held ru Yu’s hand with one hand and Lei Zhenyu’s hand with the other. The three of them walked upstairs. They really looked like a family of three.

Only then did ru Yu remember that she met Song Yuxi and Zheng Junji at the barbecue shop in the afternoon. It seemed that this news was either leaked by Song Yuxi to the Lei family or by Zheng Junji. Perhaps, the two of them might work together.

Of course, if Song Yuxi wanted to marry Lei Zhenyu, she had to break up her marriage with Lei Zhenyu. As for why Zheng Junji wanted to get involved in it, she guessed that he was too bored.

However, since it was already like this, she did not feel that there was anything wrong with it. The marriage with Lei Zhenyu was not based on love. The two of them used to get along by agreement. However, after they broke through the substantive relationship, he said that he wanted to stick to it. As for her.. She was still willing to stick to it with him.

However, if the marriage that both of them were willing to stick to was eventually divorced because Mu Yao pretended to be her illegitimate daughter to stir things up, she did not think that she would have any regrets. A marriage that could not withstand the test was not worth staying in, right?

“Mu Yao, can you stay in Uncle’s study tonight?” Lei Zhenyu pushed open a door in the room Then, he pointed at his study and said, “although the room is not big and there are a lot of books in it, the empty space should be enough for a small bed. Later, I will get someone to get a small bed. Mu Yao, are you not afraid of sleeping alone tonight?”

“I’m not afraid. I have always been very brave.” Without looking at this study, of course, it could not be compared to her room in one inch ink city. However, it was much better than the forest bridge that she stayed in.”

“It’s good that you’re not afraid. Then you can play with the computer in this study room for a while.” Lei Zhenyu wanted to turn on the computer for her as he spoke. “Me and you... I’ll talk to ru Yu for a while first. I’ll call you after dinner.”

“There’s no need to turn on the computer. I can just use this to play.” Mu Yao took out her apple computer as she spoke and waved it at Lei Zhenyu. “If you want to talk, go out and talk. Don’t disturb me while I’m playing the game.”

Ru Yu glared at Mu Yao fiercely. Just as she was about to teach her a few words, Lei Zhenyu immediately pulled her out of the door and kindly helped Mu Yao close the door.

“Ru Yu, what’s going on?” Lei Zhenyu pressed Ru Yu down on the SOFA and sat down. Then, he squatted down in front of her and looked up at her. “Your daughter... How did she come?”

“It doesn’t matter how my daughter came.” Ru Yu immediately avoided his question Instead, she quickly asked, “the current situation is that I have a seven-year-old daughter. Do you... want to continue this marriage with me? That’s the main point.”

“Of course I do.” Lei Zhenyu smiled and said, “don’t we have to talk about it? No matter what difficulties or reasons, we can’t easily divorce. Although I didn’t even dream about this situation of yours, but since it already exists and the child is already so old, I won’t let you throw her away, right?”

### **Chapter 1238: sticking to marriage**

Ru Yu laughed out loud when she heard this. She then nodded and said, “that’s true. I definitely won’t throw her away. However, you have to think carefully. If your father and your brother can’t accept this matter, I think...”

“What does it have to do with me if they can’t accept it?” Lei Zhenyu immediately interrupted ru Yu’s words. Then, he said indifferently, “there are many things that they can’t accept, but don’t they just put everything on the table? If they want me to divorce you, will I divorce you? Just like if they want sister-in-law not to divorce big brother, will sister-in-law listen to them obediently?”

“But, my situation is definitely different from sister-in-law’s.” Ru Yu sighed softly, then said earnestly, “Lei Zhenyu, I feel that you still have to consider many things. After all, the two of us want to have a relationship...”

“Don’t tell me that we don’t have a relationship?” Lei Zhenyu asked, slightly hurt. “Although we’ve only known each other for four months now, I believe that in these four months, the two of us still have some feelings for each other. Although, it’s not... very intense, but it’s not to the extent of not having any feelings at all, right?”

Lei Zhenyu originally wanted to say that although it was not as deep as the relationship between him and Jin Zhengnan, he still did not mention the name Jin Zhengnan. After all, that name was not very pleasant to both of them.

Ru Yu was silent. This was the truth. The four-month relationship between her and Lei Zhenyu was generally very pleasant. Even though there were no earth-shattering things between them, and most of their daily lives were as calm as water.. However, whenever she had conflicts with the Lei family, at the very least, he always followed his original promise and never wanted to leave her, even though the Lei family used the Lei family’s shares to force him.

“Ru Yu, I’m not a playboy.” Lei Zhenyu grabbed ru Yu’s hand. Holding it tightly in his palm, he looked at her and said, “I admit that my original purpose of finding you to get married was somewhat impure, but later on, I didn’t let go of your hand just because my purpose was achieved. I once told you that no matter what difficulties I encounter, I will never give up on this marriage. I will continue to persevere, and I will continue to persevere like this. I hope that you will be the same as me.”

Ru Yu looked at him like that. Her hand was wrapped in his large palm. It was originally a little cold, but now it was gradually warming up. There was actually a warm current flowing in the bottom of her heart.

“Okay.” She finally spoke and nodded heavily at him. She held his hand behind her back. “Lei Zhenyu, if one day you discover that Che ru Yu is not the che ru Yu that you know, please remember what you said today. No matter what the reason is, we must stick to this marriage.”

“hehehe.” Lei Zhenyu could not help but laugh out loud. He stretched out an arm and pulled her into his embrace. He said softly, “don’t worry. You are no longer the che ru Yu that I know. The Che Ru Yu that I knew in the past was a painter. A woman who got divorced after three years of marriage, and a divorced woman... .. “yesterday, you suddenly had a seven-year-old illegitimate daughter, but I still haven’t wavered. I am following my promise. We are already husband and wife. I will stick to this marriage until our hair turns white until God takes one of us away.”

“thank you!” Ru Yu slightly raised her head, eyes have a warm liquid, she slightly turned her head, and finally lay on his shoulder, eyes burning moist.

**Chapter 1239 barely passed**

She and Lei Zhenyu did not start their relationship because of love. However, they both followed their own promises and stuck to their initial agreement. As long as neither of them gave up, then with this persistence.. Even if their marriage would lose a lot of passion, it would definitely not be overblown. Although it was dull, it would definitely have meaning.

“Dong Dong Dong” the sound of someone slapping the door could be heard from outside the door. Following that, Lan Ruoshui’s voice could be heard from outside the door, “uncle, let’s eat! ”

Lei Zhenyu could not help but laugh, “alright, now that she has been identified as not a child of the Lei family, she is a little more polite and even called uncle. However, she probably doesn’t know what true courtesy is. ”

Ru Yu laughed, but she forced herself to raise her head, which was resting on his shoulder. Her expression had returned to normal, and she said calmly, “actually, this is a blessing in disguise. At least, she can marry Jin Zhengnan openly. ”

Lei Zhenyu’s heart immediately thumped when he heard ru Yu’s words, but he did not say anything. Instead, he pulled her hand and stood up “Let’s go. We’ll ask Mu Yao to go downstairs for dinner. We can’t interfere with other people’s matters. We just need to settle our own matters properly. ”

Ru Yu nodded and went to the door of the study. She knocked on the door with her hand and called out softly, “Mu Yao, come out quickly. We’re going downstairs for dinner. ”

“Oh, ” Mu Yao replied and immediately opened the door and walked out. Her gaze first swept across Lei Zhenyu’s face for a few seconds. It was alright. She gave him a 60 in her heart. Then, she pulled ru Yu’s hand and followed them downstairs She even whispered to Ru Yu, “alright, this Lei Zhenyu. He barely passed. ”

Ru Yu didn’t know whether to laugh or cry when she heard Mu Yao’s words. Wasn’t mu Yao’s taste too high Lei Zhenyu had already accepted her like this, yet she still said that she barely passed?

The three of them went downstairs. The Lei family had already sat down at the dining table. However, ru Yu and the others clearly felt that something was wrong when they walked to the dining table. This was because there was only an empty dining chair at the Lei family’s dining table.

Ru Yu was such a smart person. She immediately understood. Just now, Lan Ruoshui came up and asked Lei Zhenyu to eat, but did not ask her and Mu Yao to go downstairs to eat together. It turned out that the Lei family did not prepare seats for her and Mu Yao at all This was clearly bullying them.

“Dad, what do you mean by this? ” Lei Zhenyu’s face immediately darkened. He looked at the dining table coldly He said very unhappily, “you were the one who asked us to move back. You were also the one who sent people to bring me and Ru Yu back. Now, you are treating us like this. Then why did you bring us back? ”

“What do you mean I didn’t tell you this afternoon? ” Lei Taihe looked at his son He said with a serious face, “I don’t care that Che ru Yu once had a marriage, and I’m too lazy to care about her having an illegitimate daughter. However, the premise is that she can’t acknowledge this illegitimate daughter. If

she insists on acknowledging her illegitimate daughter, then, I'm sorry, I can only abandon both of them.  
”

Lei Taihe paused at this point, then his gaze turned to ru Yu He looked at ru Yu coldly and said, “Che Ru Yu, I'm a magnanimous person. I won't pursue the matter of why you have a seven-year-old daughter at the age of 26. I'm sure your past must be very embarrassing. It's even more embarrassing than the fact that you were once Jin Zhengnan's ex-wife. However, this is your private matter. Our Lei family really can not accept a seven-year-old illegitimate daughter like you. So, please make a choice between the Lei family and the illegitimate daughter.”

#### **Chapter 1240 who caused the Lei family to be in a mess**

Ru Yu could not help but laugh when she heard this. She did not take Lei Taihe's words to heart She only said indifferently, “I think Mr. Lei might not have figured it out clearly. I have always married Lei Zhenyu and not the Lei family, so the multiple choice question you gave was not selective at all. As long as Lei Zhenyu does not say anything, your opinions are not important to me at all.”

“Hehe, it seems that Miss Che is an independent individual.” Lei Zhensheng continued on the side Then, he said coldly, “when Miss Che and Zhenyu came together, they sacrificed Ruoshui and Zhengnan's excitement. Yet, you took an inch and took a mile. You walked into the Lei family and didn't know how to maintain family harmony. Instead, you stirred up trouble in the Lei family and made the originally harmonious Lei family into a mess. Now that you see that we are easy to talk to, you actually went even further and brought your own illegitimate daughter here. Where is Zhenyu in your eyes Don't you know that Zhenyu is a member of the Lei family?”

Ru Yu could not help but laugh when she heard Lei Zhensheng's words The words that were just indifferent a moment ago could not help but become a little sarcastic. “Great CEO Lei, after I married Lei Zhenyu, I thought that my words and actions could be considered decent. As for the Lei family's mess, I don't think it was caused by me, right “sister-in-law wanting to divorce you is sister-in-law's own matter. If your own behavior is a little decent, if you don't bring other women into the house to force sister-in-law to divorce you, then you... “. “...”

“enough.” Lei Zhensheng growled in anger from embarrassment. His face was red as he said, “Ru Yu, who do you think you are? You don't have the right to lecture me in this family.”

“She is my wife.” Lei Zhenyu continued on the side. He was very dissatisfied with his father and brother's attitude His face immediately darkened. “father, brother, since you can't tolerate ru Yu and her daughter, then I don't need you to chase them away. I will bring them out to live. I shouldn't have moved back to this Lei family.”

After Lei Zhenyu said this, he immediately pulled ru Yu and Mu Yao and turned to leave. He really regretted agreeing to move back to the Lei family.

“Zhenyu, stop right there.” Lei Taihe suddenly stood up from his seat and walked to them in two or three steps. He looked at the three people who were holding hands and preparing to walk together. Due to his anger, his face was frighteningly dark.

“Che Ru Yu, I used to think that you were a painter. No matter what, you could be considered a person with a high-class education. Although your father, Che Qi Xuan, never knew what profession he was in, you should be able to understand something. For a family like the Lei family to be able to accept a second-hand woman like you and not pursue your history, it’s fine as long as you don’t acknowledge this illegitimate daughter. What else do you want us to do?”

Ru Yu was slightly stunned. She didn’t want them to do anything. Didn’t she not ask for anything at all? Wasn’t Lei Taihe too self-righteous?

She frowned and was about to speak. Lei Taihe said, “also, if you really want to spend your life with Zhenyu, if you truly love Zhenyu, you should think about it for him. Do you really have the heart to watch him lose everything because of you and your daughter?”

From his point of view, Lei Taihe’s words were already very magnanimous and reasonable. However, he wasn’t clear about the promise between Lei Zhenyu and Ru Yu. He was trying to use his true feelings to move Ru Yu. However, he overreached himself.
