

Divorce 1351

Chapter 1351 little feather's ex-husband

Ru Yu nodded lightly but did not say anything because she did not know what to say to Jin Zhengnan. After all, the two of them were strangers now.

"Hey, who is this person?" Lin Pianran could not help but ask curiously when she saw that ru Yu only nodded and did not say anything.

"Jin Zhengnan, my ex-husband," ru Yu answered very naturally.

"EX-HUSBAND?" Lin Pianran was furious when she heard this, so she immediately walked towards Jin Zhengnan with a glass of wine in her hand.

Jin Zhengnan was just about to turn around and leave when Lin pianran suddenly caught up to him and blocked his way. She even looked at him coldly. "You are Jin Zhengnan?"

Jin Zhengnan did not know Lin Pianran, but she had heard of the Lin family in Hong Kong. However, Lin Pianran had always been very low-key. Compared to Leng Rong's nickname and Zheng Ruizhe's high-profile position in the Zheng Corporation.. Lin Pianran was the kind of person who was so low-key that if one did not mention her identity, one might not even know who she was even if she ate with her deskmate.

"Yes, I'm Jin Zhengnan." Although he didn't know Lin Pianran, he knew that she must be extraordinary from her elegant clothes and coming to this place. Therefore, he still asked politely, "Sir, you are?"

"So, you are little feather's ex-husband?" Lin Pianran didn't answer Jin Zhengnan's question at all, but asked another question very directly.

Little feather Jin Zhengnan was stunned for two seconds before he reacted. In the past, he only knew that his ex-wife called Che Ru Yu. Now that Lin pianran suddenly called him little feather, he was really not used to it.

However, he came back to his senses after two seconds. He knew that the 'ru Yu' that Lin Pianran was referring to was che ru Yu.

Hence, he nodded again and admitted truthfully, "yes."

"It's you, dead man's head. Go to hell," Lin pianran suddenly flew into a rage. She threw a glass of wine in her hand at Jin Zhengnan's face and then kicked Jin Zhengnan She could not help but curse angrily, "how dare you bully little feather? I think you've grown a pair of balls. I'll help little feather bully you back today. If I don't break two of your ribs, my surname won't be Lin."

As Lin Pianran spoke, she was about to make a move. Ru Yu quickly rushed forward and immediately pulled Lin Pianran, who was about to make a move. She looked at Jin Zhengnan, who was dressed in red wine, and his face was in a sorry state So she quickly stopped her, "Lin Pianran, what are you doing? He didn't provoke you?"

“But he bullied you. I want to beat up the person who bullied you.” Lin pianran struggled to shake off ru Yu’s hand. It was obvious that throwing a glass of wine at Jin Zhengnan and kicking him did not relieve his hatred.

Ru Yu did not know whether to laugh or cry when she heard Lin Pianran’s words Hence, she quickly tried to dissuade him, “Pianran, he and I have become history, and history is the past. There is no point in pursuing the past. Moreover, I also thank him for divorcing me. In fact, divorce is a kind of relief for both of us. I feel that after the divorce, my life is much more comfortable than before. Now, I actually went to look for trouble with him. Those who know about it say that you have stood up for me in the past. Those who don’t know about it think that I can’t let go of him. They still miss him and even miss that marriage. Don’t you think that people look down on me by doing this?”

Lin pianran listened to ru Yu’s words, slightly stunned for a moment, and then fiercely glared at Jin Zhengnan before turning to leave. Since ru Yu did not let him beat people, then he did not give her hot trouble.

Chapter 1352: An Unintentional Promise

Ru Yu saw Lin pianran walk away and quickly said to Jin Zhengnan, “I’m sorry. My friend doesn’t understand the situation. I’m really sorry for bringing you unnecessary trouble.”

Jin Zhengnan’s face was in a sorry state. Hearing Ru Yu’s apology, a trace of sadness and bitterness welled up in his heart. He was the one who had let her down, but she actually apologized to him After all, she was a child of the Dongfang family. Her upbringing was really not ordinary.

After ru Yu apologized to Jin Zhengnan, she quickly chased after Lin Pianran and ran out. In the end, she found him on the balcony outside. At this time, he had already used a blue match to light a thin, long, white smoke.

Ru Yu walked over and saw the man who spat out long eye circles from his mouth She said a little embarrassedly, “I’m sorry, Pianran. I’m always muddle-headed. In the past, I always gave the three of you a headache. Now, I still make the three of you worry. Leng Rong even fought for me. And today, you want to kick someone because of me. In general, it’s all my fault.”

Lin pianran laughed when she heard her words. She threw the cigarette in her hand that was only a third of its length on the ground and stepped on it to extinguish it. Then, she bent down to pick it up and took out a handkerchief to carefully wrap it up.

After he had done all this, he sighed softly and said, “Ru Yu, have you forgotten? A long time ago, you once promised to marry Leng Rong...”

Ru Yu could not help but laugh when she heard his old-fashioned talk Then, she pushed him with her hand and said, “well, when did this happen? Why are you still bringing it up? We were both so young back then, and Leng Rong was too bad at that time. He deliberately made me say that. He was clearly bullying me. Do you have to keep your words when you were a child?”

“But when you grew up, you also said that you wanted to marry him?” Lin pianran reminded her carefully.

“How is that possible?” Ru Yu shook her head. She felt that she had no interest in Leng Rong at all. How could she say that she wanted to marry Leng Rong?

“Have you forgotten?” Lin Pianran saw that ru Yu was at a loss, and immediately knew that she must have forgotten. So she reminded her again, “four years ago, a group of US went to the Himalayas to climb Everest. Of course, we didn’t succeed in the end, but you did promise Leng Rong.”

Four years ago?

Ru Yu searched her mind carefully for the Group of people who went to the Himalayas five years ago. Then, she shook her head and said, “I can’t remember. Leng Rong didn’t propose to me, and I didn’t say that I wanted to marry him.”

“Hey, you, what kind of memory is this?” Lin pianran really admired her. So she said again, “at that time, a few of us were sitting on an outdoor cloth to have a picnic. Leng Rong smiled and said that his father urged him to get married. He asked when you planned to marry him.”

“Oh, I remember now.” After being reminded by Lin Pianran, ru Yu really remembered what happened. So she took over his words and said, “that’s what I said at that time. Leng Rong, you have a lot of women outside. Sometimes, when I call you, it’s the women in your bed who answer. I, little feather, am so stupid. I think that I can’t even defeat a mistress. Moreover, you have a bunch of mistresses. How can I marry you unless you don’t have any women outside.”

“Yeah, isn’t that a promise?” Lin Pianran took over ru Yu’s words and said with a smile, “look, you said you didn’t agree.”

Chapter 1353 was once a joke

“How is this a promise? This is clearly a refusal, okay?” Ru Yu was really convinced by him. She could not distinguish between a promise and a refusal. How could she agree to Leng Rong?

“Ru Yu, you actually just grabbed Leng Rong’s weak spot and found an excuse not to marry him.” Lin pianran sighed softly and said, “actually, if you really married Leng Rong, he would definitely not have any women outside. Do you know that it’s because of your statement that unless you don’t have any women outside, it’s more like it. He went back and used less than two months to clean up the women outside. Then, he wholeheartedly protected you. He wanted to wait two years for you to find out that there was no news about him at all and then formally propose to you.”

Lin pianran paused for a moment. Then she shook her head and said, “But who knew that the next year, I heard the news of you getting married in Korea. At that time, he was so sad that he came to me for a drink. He was so drunk that he said that he was already guarding you. Why couldn’t you wait a little longer? Why were you so anxious to marry another man? What was better about that man than him? You promised to be his wife since you were young, right?”

When ru Yu heard Lin pianran’s words, she was completely stunned. She did not know that an unintentional sentence would make Leng Rong get rid of all the women. She also did not expect that Leng Rong would actually guard her body like a jade for two years, and all this.. Leng Rong had never mentioned it before.

Lin Pianran saw ru Yu like this and could not help but laugh and sigh. "little feather, it seems that you have never loved Leng Rong, so you can't even remember what you said at that time."

"I . . . I thought everyone was joking at that time," ru yu explained with an embarrassed look. "I was just joking, I just didn't expect him to actually take it seriously."

"Alright, it's all in the past. Anyway, Leng Rong has already started his abstinence and there are a lot of women. He doesn't know how to deal with those women when he really wants to get married in the future, so you don't have to care about him." Lin Pianran saw that ru yu was sad She comforted her instead.

Ru Yu nodded and then said a little embarrassedly, "I'm really sorry. I really didn't take what I said to heart at that time. I . . . I don't know if I should apologize to him or something."

"What apology? Don't bother about him." Lin pianran smiled and turned around to walk to the hall with her Then she said softly, "little feather, actually, we all hope that you can be happy. No matter who you marry, as long as you're happy, we'll be the happiest."

Ru Yu nodded and patted Lin pianran's shoulder. She let out a long breath and said, "I know. I have always treated the three of you as my brothers. With your blessings, I will not allow myself to be unhappy."

After ru Yu said this, Mu Yao happened to be looking for her on the other side. So, she smiled at Lin Pianran and walked towards the small figure in the crowd.

Lin pianran looked at the gradually disappearing figure in the crowd and brought the wine glass to her mouth to take a SIP. The originally mellow red wine did not say a word in his mouth.

Little feather had been tyrannically fixed by Leng Rong since he was young, so he and Zheng Ruizhe could only stare blankly at each other. Therefore, he did not dare to show too much affection and could only keep it in the bottom of his heart He only hoped that little feather would be happy if he married Leng Rong.

Chapter 1354: Jin Zhengnan's apology

However, who would have known that Leng Rong, that dead man, did not know how to cherish such a good opportunity? He started to play with women when he was 18 or 19 years old. Perhaps at that time, in Leng Rong's heart, little feather was still young, so she would not care about these things.

However, who would have thought that some things would actually slip by unintentionally, and even miss you forever.

Leng Rong actually realized four years ago that after little feather said those words, he had already changed his mind and corrected himself. However, there were some things that you could not change just because you changed them. Instead, from the moment you made a mistake, it was destined that you would lose.

Leng Rong had a chance to be with little feather but he could not grasp it. As for him, it was as if the heavens had never given him such a chance. Even if he had been working hard to become the most

perfect man in little feather's heart, little feather.. It was as if she had never looked at him as if they were lovers.

Perhaps this was sadness He smiled bitterly at the thought of this. He really hoped that Zheng ruize had never had a crush on little feather. That way, at least he would not have fallen out of love before he fell in love like him.

Ru Yu clearly saw mu Yao's figure, but when she walked into the crowd to look for her, she did not know where Mu Yao had run off to. She was a little angry, so she gave up looking for Mu Yao and started looking for Lei Zhenyu. However, after one round, lei Zhenyu's figure was nowhere to be seen.

Alright, Lei Zhenyu could not be found. Her parents were probably discussing Asian business finance with the president and his wife of a large enterprise. Yun Heng was not around either. Just when she was feeling extremely frustrated, Jin Zhengnan unexpectedly bumped into her in the crowd.

"Ru Yu," Jin zhengnan greeted her a little awkwardly. At this time, Jin Zhengnan had already gone to the bathroom to wash his face. The red wine on his suit had also been treated simply However, because it was blown dry and not ironed, it looked a little wrinkled, making him look very disheveled.

His hair might have been a little messy because he had just washed his face and got some water on it. This was quite different from his usual hairstyle that was meticulously combed. However, because of this slightly messy hairstyle.. It made Jin Zhengnan look less serious, but more casual and handsome.

Jin Zhengnan was a rare handsome man, especially when he was not wearing a suit and tie. In the past, when he was at home, he only wore casual home clothes. He washed his hair and combed it casually, but he did not use any hairstyle. However, this kind of Jin Zhengnan.. Actually, he was so handsome that people could not take their eyes off him.

Now that she thought about it, she wondered if she had been attracted to Jin Zhengnan's handsome appearance back then Was that why she had fallen in love with him without hesitation?

At this moment, Jin Zhengnan was greeting her, and she could not embarrass him in such a crowded place, so she nodded politely and distantly. "Mr. Jin."

"Ru Yu," Jin Zhengnan saw that ru Yu was about to turn around and leave, so he quickly followed her. Then, he whispered beside her, "that... I'm sorry."

When ru Yu heard Jin Zhengnan's apology, her footsteps instinctively stopped, and she looked at him with a slightly mocking gaze Then, she said coldly, "Mr. Jin, it seems like we haven't seen each other for a long time, right? You suddenly came up to me and said that you were sorry, which made me feel a little puzzled. What did you do to me?"

Jin Zhengnan's face turned red and then white. Then, he said in a low voice, "ru Yu, I was indeed a bit of a bastard in the past. I also did something to let you down..."

Chapter 1355: Don't overturn your image in my heart

Ru Yu laughed when she heard this Then, she said faintly, "Jin Zhengnan, did the sun rise from the South today "when we were still married, you and Lan Ruoshui didn't absolutely let me down "In the past,

when we were still married, you and Lan Ruoshui lived together and had a child together. Why didn't you say sorry at that time?"

Jin Zhengnan's face immediately turned red. Ru Yu's words and her gaze made him feel as if a knife had stabbed straight into his chest, right in the most vulnerable part of his heart.

He looked at Ru Yu and after a long while, he said in a low voice, "Ru Yu, I'm sorry for what happened in the past..."

"Enough, Jin Zhengnan," Ru Yu quickly interrupted him. Then, she sneered and said, "Jin Zhengnan, we are already divorced, and you and Lan Ruoshui don't have to worry about my current identity and can be together openly. Although Lan Ruoshui is no longer the eldest daughter of the Lei family, this matter is also something to be congratulated by you, isn't it?"

Jin Zhengnan immediately stood there with his face blushing and turning white. Ru Yu completely ignored his palette-like face. Then, he said, "Besides, although we are divorced, I still admire some of your stubborn behavior. For example, you can completely ignore the existence of me as your wife for your beloved Miss Lan Ruoshui. For example, you can divorce me for the sake of your vicious woman. These behaviors are really manly in my eyes."

"Ru Yu, i..." Jin Zhengnan's originally red and white face was now colored with pig liver ...

"So, Jin Zhengnan, don't apologize to me, especially not at this time," Ru Yu's voice was still indifferent and distant. She looked at the man in front of her coldly. "Because your behavior will only change your image in my heart. In order to maintain your image in my heart, you should leave quickly."

After saying this, Ru Yu turned around and was about to leave. For some reason, Jin Zhengnan's sudden apology made her feel very uncomfortable. She would rather he still hated her now. That way, she might feel better.

"Ru Yu, you know that my apology has nothing to do with your identity being exposed tonight." Jin Zhengnan hurriedly went forward to defend himself. "Moreover, we have known each other for a long time. I have indeed done some things poorly, but I am not... ". "...". "..."

"I'm no longer interested in what kind of person you are," Ru Yu interrupted him again. Then, she said a little irritably, "Mr. Jin Zhengnan, when I was interested in you, you were very interested in other women. Now, I'm no longer interested in you. Therefore, you shouldn't show your true nature in front of me. Instead, you should show it in front of the woman you love."

After saying this, Ru Yu immediately turned around and walked into the crowd. She seemed to have seen Mu Yao and Yun Heng, so she decided to look for her younger brother and sister. She was really no longer interested in Jin Zhengnan, although she knew that.. He was actually not a person who liked to curry favor with others.

Jin Zhengnan watched Ru Yu's back disappear into the crowd. She was so confident, calm, and elegant. It was as if everything that she and he had before no longer existed.

He actually wanted to talk to her about something else tonight. Even if she was still Che Ru Yu, he would still look for her. However, she did not give him such a chance, and he really did not find the right time. Looking for her at this time was indeed courting death.

Chapter 1356. He could not forget her

He actually wanted to tell her that he could not forget her. When they got divorced, he thought that he could really forget her. However, the facts proved that it was not the case. Every single detail of the time he was with her was stored in his mind. He had never forgotten her.

He thought that if he told ru yu about this, ru Yu would definitely not believe it, and he himself would not believe it either. However, the facts proved that he really could not forget her. Therefore, he had always been unable to control himself and went to stay at his former home, so.. That was why he inexplicably went to his former home for his birthday.

He originally thought that his relationship with Lan Ruoshui would get better and better because of the divorce with che ru Yu. However, reality proved that this prediction was completely wrong. His relationship with Lan Ruoshui became worse and worse because of the divorce with che ru Yu.

Thinking of this, he felt that standing here was a joke. Moreover, just now, che Ru Yu's friend had poured a glass of wine on his face. It was obvious that she was very angry at him for bullying Che Ru Yu.

Yes, in everyone's eyes, he was bullying che ru Yu. Therefore, everyone would hate him. However, only he himself knew that he had never bullied her, let alone bullied her... ..

There was no need to stay. He put down the glass in his hand and walked out of the door. Along the way, he met people he was familiar with and said that they wanted to drink with him. He only said that he had a headache and was not feeling well, so he wanted to go back and rest.

The crowd did not force him. After all, che Ru Yu's identity had been reversed tonight. As Che Ru Yu's ex-husband, Jin Zhengnan had thrown away a diamond that he had already picked up. It would be strange if his head did not ache tonight.

Jin Zhengnan walked out of the hotel door and was surprised to find Lan Ruoshui waiting for him at the door. When she saw that he had come out so early, she was also very surprised. She could not help but approach him and ask, "Zhengnan, what's wrong with you? Why did you run out so early?"

"I feel tired and want to go back to rest. Why did you come here? Lei Zhensheng doesn't seem to allow you to go in, right?" Jin Zhengnan was slightly surprised that she appeared here. Because tonight, the big entrepreneurs brought their families, and Lan Ruoshui was now confirmed to be not a member of the Lei family.

"I'm here to see you," Lan Ruoshui quickly stated her motive for coming here. Then, he quickly changed the topic, "Masao, although I didn't go in, I saw the introduction of the guest on the big screen outside. Someone said that Dongfang Mo's son, Dongfang Yunheng, will invest in a new project in Seoul. I think this opportunity is really good. You should take the opportunity to get to know Dongfang Yunheng. Maybe if you get close to him, you can work with him..." "..."

Jin Zhengnan looked at Lan Ruoshui like that. When she started talking, he could barely listen to her, but he really couldn't listen to what she said after that.

Lan Ruoshui's feelings for him might be real, or she might really love him very much. However, she always did something extremely stupid, and now she even said such words to make him humiliate himself.

That Dongfang Yunheng was Che Ru Yu's biological younger brother. He probably wanted to beat him to death when he saw him, because in Dongfang Yunheng's eyes, he, Jin Zhengnan, was a heinous person who had betrayed his sister.

He couldn't even hide from Dongfang Yunheng in time, and he still wanted him to look for him. His brain wasn't short-circuited to that extent.

Chapter 1357: Lan Ruoshui who was unwilling to give up

"Ruoshui, I'm going back first. You don't have to worry about my matters in the future." Jin Zhengnan felt extremely tired both physically and mentally. He looked at Lan Ruoshui and said, "well, you can worry about your own matters in the future. I told you a few days ago that I won't marry you."

After Jin Zhengnan said that, he slightly shook off Lan Ruoshui's hand and quickly walked towards his car.

Lan Ruoshui looked at Jin Zhengnan's back. Her fingers gradually bent to the palm of her hand. Then, she formed a fist. Due to her strength, her long nails were all squeezed into her flesh and she was completely unaware of it. She only gritted her teeth.

Once, she thought that she had a good birth. Because she actually found her biological father, Lei Zhensheng, she was so smug that she even looked down on Che Ru Yu. This was because she was the eldest daughter of the Lei family, Lei Zhensheng's only daughter.

However, the heavens played a huge joke on her. In the end, because of Lei Zhensheng's current wife, Cai Shaofen, and Lei Zhensheng's divorce, they finally revealed that Lei Zhensheng was unable to have children. Then, she was proven to be not Lei Zhensheng's daughter. She was an illegitimate daughter from an unknown background.

This matter had already made her feel extremely awkward and painful. Although Lei Zhensheng had acknowledged her as his goddaughter because he had feelings for her mother, in the end, there was a huge difference between a goddaughter and a biological daughter. Moreover.. Lei Zhensheng would definitely not leave her property in the future.

She had originally thought that marrying Jin Zhengnan would not be too bad in her life. After all, Jin Zhengnan's company was now of a certain scale. Moreover, she was married to Mrs. Jin, so she could be considered a person of status.

However, who knew that Jin Zhengnan actually broke up with her a few days ago? Of course, she would not accept a break-up. After all, she had been with him for so many years, and she had even carried his child and had a miscarriage.

Lei Zhensheng naturally would not bring her in today, but she was unwilling to accept it, so she ran outside. In fact, she was worried that Jin Zhengnan would meet a better girl with a family background at

such an occasion Then, the girl saw that Jin Zhengnan was young and handsome, and he was still single, so she approached Jin Zhengnan.

This situation was not unheard of. Just ten days ago, she saw Jin Zhengnan dating the second daughter of the Li family. Although the Li family was not as big a business as the Lei family, the Li family still had a few chain stores It could be considered a small and well-known business.

And the value of that Miss Li was at least a lot higher than her, Lan Ruoshui, right?

Therefore, recently, she had been keeping a close eye on Jin Zhengnan, and of course, she had also been chasing him very closely. She kept asking him when he would marry her. It was probably because she was chasing him too closely that Jin Zhengnan felt tired, so he anxiously told her to break up with him.

However, when she came here today, she did not find out that Jin Zhengnan had brought another woman to this party. However, she was shocked by another thing. She had never thought that Che ru Yu was actually the daughter of Dongfang Mo, the richest man in Asia It was actually Dongfang Yu.

Jin Zhengnan must have regretted divorcing che ru Yu after treating her like that just now. It must be because the current Che ru Yu actually owned 20% of the shares of Dongfang Group. It was dozens of times more than the entire wealth of Jin Zhengnan's company?

Che Ru Yu was really Lan Ruoshui's nemesis. She did not let Lan Ruoshui have a good life. If Jin Zhengnan really wanted to go back to chase after che ru Yu because che ru yu did not want her anymore, then she would definitely not let che ru yu off.

Chapter 1358 Lei Zhenyu was angry

Ru Yu shuttled through the crowd for a long time before she finally caught the little demoness, Mu Yao. The little demoness was complaining that she was hungry again, so she asked her to bring her to eat.

Therefore, she had no choice but to bring the little demoness to the dining area. Just now, she and the little demoness took some things and found a place to sit down. She did not expect Song Yuxi to come to the dining area as well.

When Song Yuxi saw her, there was still obvious hostility in her eyes. However, perhaps because of the occasion, she did not show it too openly. Instead, she gave her a friendly expression and waved at her. "Ms. Ru Yu is here too."

"Tsk, even Miss Dongfang doesn't know how to address her. Ms. Ru Yu," Mu Yao was the first to cut in. She knew this Song Yuxi.

Song Yuxi's face alternated between red and white. Then, she acted out and said, "Hehehe, I'm used to it. I don't seem to have seen Zhenyu. I wonder if he will be happy after being lied to so miserably?"

After saying that, Song Yuxi turned around and twisted her butt to walk away. On the other hand, ru Yu was stunned. Song Yuxi's words reminded her that Lei Zhenyu was definitely angry tonight.

Therefore, she had a quick meal with Mu Yao and took her to find her parents. Dongfang Mo and his wife were obviously the most popular couple tonight. Wherever they went, they were surrounded by a large group of people.

When she was with Mu Yao, she saw Lei Taihe and Lei Zhensheng talking to their parents. As for what they talked about, it was unknown if they mentioned her.

However, she did not see Lei Zhenyu the whole night. In fact, Mu Yao was running around the crowd to help her find Lei Zhenyu.

In the end, Mu Yao shook her head helplessly and said, "alright, your Lei Zhenyu was scared away. What do you mean by not being able to scare him away? Che Ru Yu, you used such a good trick to scare him away."

Ru Yu did not know whether to laugh or cry when she heard Mu Yao's words. She did not mean to scare him. She had been wanting to tell him about this for the past two days. Who knew that he would be so busy these two days?

Ru Yu actually wanted to leave as soon as possible, but she was Dongfang Yu after all. Moreover, her parents and younger brother had not left. It was very impolite for her to leave at this time, so she could only force herself to stay.

The party lasted until 22 o'clock. The organizer had booked a presidential suite in a five-star hotel for Dongfang Mo's family, but Dongfang Mo directly refused, saying that he would give it to another boss. He had a place to stay in Seoul, so he would not waste resources.

"little feather, your Lei Jianyu is a little ungrateful. Your mother and I are here, but he actually hid somewhere. When he saw his in-laws, he did not even come over to give them a call. Lei Taihe and Lei Zhensheng, on the other hand, came up and talked to us very politely, praising you for being sensible and keeping a low profile." Dongfang Mo paused at this point He looked at his daughter with a half-smile. "You're really sensible and low-key? Also, what's going on between you and Lei Jianyu? Could it be that you're quarreling?"

"We just returned from our honeymoon in Africa a few days ago. Why are you quarreling?" Ru Yu shook her head She sighed softly and said, "maybe it's because you guys brought me up on stage tonight and announced that I'm your daughter. It's too shocking. He's probably angry. After all, he didn't know that I was such a daughter before. Therefore, he might have been too surprised by today's situation. He couldn't accept such a big surprise all of a sudden."

Chapter 1359 Lei Zhenyu was angry

Xi Muru immediately understood when she heard feather's words. Feather had gone too far. Why did she hide her identity from Lei Zhenyu? It was better to be honest between husband and wife?

"Then, does Jin Zhengnan not know your identity?" Dongfang Mo suddenly thought of something because he did not see Jin Zhengnan in the crowd tonight.

Ru Yu nodded. "Yes, I used to think that if I revealed my identity, I wouldn't know if he liked me or my identity, so I never said it. It doesn't matter whose daughter I think I am. What matters is that I am myself."

Mu Ru was so angry that she glared at her after hearing what Feather said. Then she sighed and said, "Alright, you and Jin Zhengnan are already in the past. It's useless to say anything more about you. It's between you and Lei Zhenyu now. You should hurry back and apologize to him first and then communicate with him. The most important thing between husband and wife is trust and communication. If you hide everything, how will he know what you are thinking? If that's the case, husband and wife life will take many detours. Some of them will even go to the point of breaking up. You and Lei Zhenyu getting married is a little rushed, so the two of you should communicate more. Only then can we understand each other, support each other, and trust each other. Only then can the marriage be renewed over time."

Ru Yu nodded. Then, she hurriedly said, "Mommy, I understand. About this, I think he's just a little angry at once. I'll explain it to him, and it should be fine. He's actually a very magnanimous person, and he usually won't be calculative."

"If you're magnanimous, why don't you come up and say hello to us?" Yun Heng obviously didn't like Lei Zhenyu's harshness. He snorted coldly and said, "If you're not magnanimous, then you're still very magnanimous. Don't you think you'll have to hide from us for the rest of your life, never see us again, and never interact with us again?"

"Yun Heng, what nonsense are you talking about?" Dongfang Mo immediately glared at his son. Then, he reprimanded in a low voice, "She knows how to handle little Feather's matter. We don't need to interfere. The thing that couples care about the most is outsiders interfering."

The corner of Yun Heng's mouth twitched when he heard Dongfang Mo's words. It was obvious that he did not mind. Then, he patted Ru Yu's shoulder and said, "Well, sister, don't take it to heart. It's just Lei Zhenyu. If he really gets angry, we can just leave him. Anyway, Lin Pianran, Zheng Ruize, and Leng Rong, no one is worse than him."

"Yun Heng, are you done?" Xi Muru immediately stopped her son. Then, she glared at him and said, "How can you be a brother? People like their elder sister and brother-in-law's happy life, but you're here to ruin it. If Lei Zhenyu knows that he has a brother-in-law like you, he won't skin you alive as brother-in-law."

Yun Heng heard his mother's words and smiled. Then, he didn't say anything more and immediately opened his car door. He waved at Dongfang Mo and Xi Muru and said, "Well, I won't go back to Daddy's place with you guys. I'm going on a date with my friends. We haven't seen each other for a long time. We have to get together."

"Yun Heng, you child. It's been a long time since you've seen us." Xi Muru chased after him, wanting to stop her son's car. However, Yun Heng's skills were good. He stepped on the accelerator and drove the car out.

Chapter 1360 returned to the Lei family

Mu Ru stomped her feet in anger. Then, she turned around and said to Dongfang Mo, "alright, alright. Look at how your son is now. He doesn't even know how to control him. I think he must have gone to hang out with Leng Rong and the others again. Leng Rong usually goes to some messy places. I think it'll be troublesome if he learns to be bad. It'll be difficult for him to get married in the future."

Dongfang Mo laughed when he heard Xi Muru's words. He patted her shoulder and comforted her, "alright, Mu Ru, Yun Heng is already 21 years old. He's no longer the child that you have to worry about everything. He's been assigned the right and wrong. Even if he goes to be with Leng Rong and the others, he might not necessarily learn to be bad from Leng Rong. "You can think about it in retrospect. Perhaps your son's charm is even greater and Leng Rong learned well from him?"

"..."Xi Muru was really speechless. Dongfang Mo always believed in his son like this, as if his son really had the ability to lead ...

Dongfang Mo saw that Mu ru was unwilling to say, so he knew that she was criticizing her in her heart. Hence, he quickly added with a smile, "besides, look at Zheng ruize and Lin Pianran. Both of them often get together with Leng Rong. Ruize and Pianran are both good children. How are they like Leng Rong?"

Xi Muru heard what he said. Then, she nodded and sighed. "really? I won't say anything about RUIZE. He's not as famous as Leng Rong, but he's definitely a woman. But pianran is really a good child. Nowadays, there aren't many children like Pianran who are sensible."

"Daddy, Mommy, it's getting late. I won't send you guys to daddy's place." Ru Yu quickly bade farewell to her parents. She did not want to continue the conversation with her parents.

When she was young, everyone recognized her as Leng Rong's girlfriend among a group of friends because she had promised to marry Leng Rong when she was young.

However, she knew that her parents actually liked Zheng ruize and Lin Pianran. In her parents' hearts, they naturally hoped that she would choose between the two of them, especially her mother, who especially liked Lin Pianran.

Of course, her personality had always been rebellious. She didn't like to follow the path that her parents had arranged. That was why she fell in love with Jin Zhengnan more than four years ago and then married Jin Zhengnan.

And tonight, Lei Zhenyu was so stingy that he actually did not come over to greet his parents. His parents probably had a lower impression of Lei Zhenyu. Even Yun Heng said that it was no big deal to divorce him.

In fact, Dongfang Mo had his own property in Seoul, and her studio, the Yun Heng Mansion, was owned by Yun Heng himself. Of course, the outside world did not know about this, only she knew.

However, Dongfang Mo and Xi Muru would not go to the top floor of the Yun Heng Mansion to live in their luxury house. Their family had to go back to car Qi Xuan's villa to live. After all, car Qi Xuan was a Dongfang family member. Only when everyone lived together would there be a family atmosphere.

Ru Yu drove back to the Lei family home. It was already past 23 pm. She thought that everyone in the Lei Family should be asleep.

However, when she pushed open the door to the hall and walked in, she realized that the entire hall was brightly lit. Lei Taihe and Lei Zhensheng were all in the hall. Even Lan Ruoshui was there. The only person who was not there was Lei Zhenyu.

“Dad, why aren’t you resting at this time of night?” Ru Yu walked over and naturally greeted Lei Taihe. Lei Zhensheng, on the other hand, she chose to ignore him because Lei Zhensheng had blamed ru yu for his divorce with Cai Shaofen Therefore, ru Yu was very unhappy to see ru Yu, so she couldn’t be bothered with him.
