

Divorce 1871

chapter 1871

Deliberately disgusting you,

Qin Yu was stunned.

Another person nodded and said,

“Yes, what is an ex-girlfriend? She obviously wants to get back on her feet. Otherwise, so many companies have chosen our family? Obviously they have bad intentions!”

“Yes, She has ulterior motives at first glance. She has been making friends in the company recently, asking about your affairs, but I haven’t disclosed a word!”

“Yes, we will always be on your side, Mr. Qin, why should such a woman be with you?” Than? You can crush her to death in minutes!”

“Mr. Qin, don’t worry, since she came to our company, Mr. Shen hasn’t spoken to her alone, so I’ll keep an eye on you!”

..

Qin Yu’s brain seemed to be punched by someone.

There was a moment of confusion.

She heard correctly, it was Shen Liang’s ex-girlfriend who came to work in the company.

And she was completely kept in the dark?

Not only that, that ex-girlfriend is in this box tonight!

Qin Yu glanced around subconsciously, and most of the people who came here knew each other.

But his eyes narrowed.

In the singing place, there were two people, a man and a woman. The woman smiled quietly and didn’t speak, as if she couldn’t get in at all, but the man was very enthusiastically serving her a fruit plate.

The man was a young employee who had just joined the company. His name was Li Sicheng. Because he was sweet and could talk, everyone liked him quite a bit, and he would be called up in all kinds of parties.

This time was no exception, so Qin Yu didn’t think much about it at all.

But what about the woman beside him... a

little shy.

At first, she was regarded as the girlfriend brought by the man.

But like that, I’m afraid it’s licking a dog, right?

At this moment, the woman seemed to notice something and turned her head.

Just in time, I looked at Qin Yu.

At that second, Qin Yu could confirm that this person was Shen Liang's ex-girlfriend.

The one who took the money and went abroad.

Hehe...

Now, do you want to regain your old dream?

The next second, she looked away indifferently.

The lady at the front desk next to her lowered her head to persuade her:

"Mr. Qin, this woman is not easy. When you didn't show up, she often came in and out of the company under the banner of President Shen, and she also won a lot of orders. President Shen. Repeated warnings are useless."

Qin Yu was no longer in the mood to drink, and wanted to make a scene.

But she held back.

Now that the trouble arises, it is that he looks down on her too much.

What is she?

He took a sip of the whiskey on the side and smiled meaningfully:

"Oh? I don't know much about it, I just heard about it. You all know, how could my husband talk about his ex-girlfriend in front of me?"

Another Colleague: "Yes, but know yourself and your enemy, and you will win a hundred battles. You have to prepare in advance!" The lady at the

front desk: "Actually, it's nothing, she's just a clown who jumps on the beam now, and she can't compare with our President Qin at all. How long have you been dancing?"

Another colleague: "That can't make her jumping too happily, she is obviously barefoot and not afraid of wearing shoes. If she succeeds, she will be promoted, but if she fails, she will be disgusting to others.

President Qin, although I think you are very capable, I am still worried about you! "

At the end of the discussion, everyone still looked at Qin Yu with sympathy.

Although she was Shen Liang's wife in the company and the company's vice president Qin, her status was unparalleled.

But Having to face such disgusting things, Miss Qin is also very pitiful, and she doesn't want to be so glamorous on the surface.

When such thoughts come out, they are immediately revealed on her face without concealment.

Qin Yu: "..."

Don't Look at me like this, am I richer than you guys?

chapter 1872

Come to pick me up in person,

except for Qin Yu and that woman, everyone's atmosphere has always been very warm.

Qin Yu couldn't sit still, took out her mobile phone and sent a text message to Shen Liang.

"Come and pick me up."

Three words, not a single word.

She just wanted to show that woman how happy Shen Liang was living with her now.

result.

next second.

Shen Liang replied: "We're talking about things, let the driver pick you up."

Qin Yu's forehead jumped with blue veins, and immediately replied:

"No, you have to come in person!"

In the eyes of others, this is a bit unreasonable.

In the past, when Qin Yu was so aggressive, Shen Liang would just let her make trouble and go away, but when something really happened, he explained the reason to her, and she could listen.

But Qin Yu didn't listen to it now, instead, it was rather unreasonable.

Shen Liang put away the phone and watched Su Jin continue talking.

Su Nan and Wen Xiang were making desserts, while Shang Qian was playing on the carpet with two children by himself.

The atmosphere is just right.

Su Nan's phone rang for a moment, but she didn't hear it. Wen Xiang reminded her: "The phone rang."

She was stunned for a moment, and went to look.

smiled.

"It's Miss Qin, I'm afraid she drank too much!"

Qin Yu's text message: "Shen Liang is still there?"

She replied: "Yes, come over too, the housekeeper has hired a new chef, and his craftsmanship is really good. "

If it were normal, Qin Yu would definitely go there happily.

But not this time.

She replied: "I'm not going, help me tell Shen Liang, I won't leave if he doesn't come to pick me up."

Su Nan smiled, "Okay."

Although it's Qin Yu's temper, she usually doesn't So unreasonable.

She still walked over and smiled:

"Mr. Shen, do you want to pick up Qin Yu yourself? She said she won't leave if you don't come..."

Su Jin frowned slightly, "This temper... .."

He shook his head, but because Shen Liang was present, it was too obvious that he didn't perform well.

But Qin Yu has always been like this!

Shen Liang rubbed his brows and smiled: "Don't worry, I've already had someone pick it up. She just drank too much and felt guilty and acted coquettishly."

Su Nan raised her eyebrows, but she didn't say a word to convey. fall.

Qin Yu is acting like a spoiled child?

It seems that Shen Liang already knows her very well!

Turning his head, Su Nan went to Wen Xiang again.

Wen Xiang smiled, "It seems that the relationship between Miss Qin and President Shen is better than what outsiders think."

Su Nan curled her lips and raised her eyebrows:

"Qin Yu has a good personality and gets along well with everyone, she really likes that. Shen Liang, otherwise there would be no quarrel."

Wen Xiang nodded in agreement.

...

in the clubhouse box.

Everyone saw that Qin Yu didn't have any fluctuations on the surface. He joked with them as before, and was not affected at all.

Unconsciously, Qin Yu was much more powerful.

When it was over, Qin Yu happily took a taxi with them all.

Everyone said goodbye at the door.

The cold wind blew, and everyone was half sober.

Qin Yu wrapped her clothes tightly and looked at her phone, but there was no movement.

The following people dragged and drank a bit too much, she put away her phone and looked back.

The ex-girlfriend was helping the licking dog, Li Sicheng, to go out. Li Sicheng drank a lot and walked staggeringly, but his ex-girlfriend's joy was undisguised in his eyes.

But the ex-girlfriend was expressionless, with no extra concern except to support him.

This Li Sicheng is really a licking dog who is immersed in it.

The ex-girlfriend saw Qin Yu, and the moment the two looked at each other, maybe they both knew each other clearly, but they pretended not to know.

chapter 1873

Qin Yu stepped forward, cared for his subordinates as a superior, and smiled and swirled around the two of them:

"Little Li has drunk too much, go back and have a good rest."

Li Sicheng muttered: "I can still drink, Mr. Qin, have another drink!"

Qin Yu smiled: "Little Li, drink more next time, you are drinking by yourself, and you haven't taken care of your girlfriend? "

Little Li was drunk and knew that her face was red, she glanced at the woman next to her, and was about to say something.

The woman suddenly let go of her hand, kept her distance from him, and said in a cold voice,

"I'm not his girlfriend."

Xiao Li stumbled and almost fell to the ground.

He managed to stand up on his own, touched his head, and didn't know how to explain it.

Qin Yu squinted, then laughed out:

"couldn't my girlfriend follow me to this kind of party?"

Only family members can come here.

Miss, don't take the spare tire as an idiot. If you don't give him a hint, he can bring it with him. Come here?" The

woman looked at Qin Yu with a terribly cold gaze.

Qin Yu chuckled lightly, feeling extremely happy.

This game is a complete victory!

Just as she turned around, her phone rang.

Shen Liang must have arrived.

She looked at them with a smile and said,

“Then please send Xiao Li home, my husband has come to pick me up too, there’s no way, he just loves me so much, he can’t leave me for a moment!

”, she took out her cell phone and connected.

“Madam, I’m here and I’ve seen you at the door.”

It was the driver’s voice.

Qin Yu’s face suddenly sank.

Shen Liang did not come.

The voice from the phone also reached the woman’s ears.

There was a smirk on her ugly face, mocking.

He looked at Qin Yu as if he was watching a good show.

Qin Yu was really going to be mad, she held her breath all night, and now Shen Liang is going to add fuel to the fire?

The car had heard in front of him, and the driver got out of the car and waited.

Qin Yu didn’t stay any longer, just walked over and got in the car.

The driver looked at Qin Yu’s face, and didn’t dare to say anything. He just glanced at the woman standing there, and his face changed slightly.

Almost like an enemy.

He almost stooped to get into the car, for fear of being recognized, but after getting in the car, he thought that the woman should have met Qin Yu long ago.

He was hesitating whether to tell Shen Liang about this.

Qin Yu, who was behind, narrowed her eyes and remained silent at first.

Immediately.

She said in a sharp voice: “Where’s Shen Liang? Why didn’t he come in person?” The driver glanced at her in the rearview mirror and answered cautiously,

“Mr. Shen is socializing at Su’s house, and he really can’t escape, so let me I’m here to pick you up.”

Qin Yu snorted coldly: “It’s been more than an hour since I called him, and it’s only been ten minutes since Su’s house was here. Where is the time?”

” It was late, Qin Yu had already left.

Beautifully leaving a back that makes people envious, envious and hateful, how cool it should be!

The driver paused: “There is a client coming over temporarily, and Mr. Shen said that I will pick up the client to the hotel first, and then pick you up!”

He could only tell the truth, otherwise, if Qin Yu's fire spread to himself, he would not be able to bear it.
!

Qin Yu was really pissed off.

Is a customer more important than yourself?

Her anger was almost at its peak.

Again and again, Shen Liang really thought he was good-natured?

The relationship between the two people has always been sweet since they got married. It can't be called a deep affection, but they are also seducing each other. Step by step, it can be said that they are a perfect couple!

chapter 1874

The wild thoughts

are too sweet, and Qin Yu ignores the crisis hidden under the sweetness.

Shen Liang is meticulous and considerate to herself, tolerates pampering, she can almost conclude that he has himself in his heart.

After all, she is also a person who has been in love for a long time, and she still has some grasp of the psychology of men.

So she doesn't allow others to destroy her marriage, and she doesn't allow herself to lose to an ex-girlfriend!

The driver paused, and the car was silent for a few seconds.

He then asked,

"Madam, are you going to Su's house?"

Shen Liang's original words were to bring her to Su's house, and if she drank too much, she would be sent back directly.

But right now, he couldn't pinpoint whether Qin Yu had drunk too much or not.

After listening to Qin Yu, he sneered:

"No, I want to go home!" The

driver repeatedly said yes, without saying anything, the car went straight to their house.

Shen Liang waited there for a long time without waiting for Qin Yu, and the driver finally called and said, only to know that Qin Yu had gone home.

But Qin Yu didn't send him any more messages on the phone.

He immediately lost his appetite after eating.

Fortunately, Su Nan still saw his absent-mindedness, and smiled to relieve him:

“Qin Yu must have been drinking too much, but Mr. Shen should not be angry with her, or you will be mad at yourself.”

Shen Liang smiled . , “Next time I bring her here, I’ll be rude this time, I’ll go back first.”

After all the business that should be discussed was over, Su Jin and the others didn’t stay any longer, so they sent him back.

When he went back, Su Jin smiled and shook his head:

“Qin Yu’s temper is something Shen Liang can endure.”

Su Nan was not happy that he said that about his good best friend, and snorted coldly:

“Our Qin Yu has a good temper. She is gentle, sensible and knowledgeable, so she can marry him. She is lucky for Shen Liang!”

Su Jin touched his nose, smiled and said nothing.

Apparently disagree.

Shang Qian: “Su Nan is right.”

Su Jin: “...”

When

Shen Liang returned home, it was already very late.

He felt that Qin Yu just drank a little too much, and he didn’t go to Su’s house because he was afraid of seeing him.

After all, after she was drunk before, he didn’t allow her to go out drinking for a long time.

This time it was a sigh of relief.

The house was pitch black, no lights on.

Not even the babysitter.

He turned on the light and looked slightly uncomfortable looking at the empty house.

He loosened his tie and went to the kitchen, which was also clean, without any smoke.

He frowned slightly.

Qin Yu may have drank too much, and he has drank too much, so he knows that he is not feeling well.

Don’t know where the maid went?

Who will cook the hangover soup?

He immediately called the servant.

“Where’s the person?” The

servant said quickly, "As soon as my wife comes back, I'll be off from work, sir, do you need me to come over again?"

Shen Liang's face was not very good: "Forget it."

After he finished speaking, he hung up. Telephone.

He lifted his feet and walked upstairs. The house had never been so quiet.

This quietness makes people feel insecure for no reason.

He sneers, what security does he need?

Go to the bedroom door.

There was no sound inside either.

He turned the door handle, but it didn't move.

He froze slightly.

He frowned, his face darkened.

She actually locked him out?

This has never happened.

He knocked on the door, but there was no movement inside.

Thinking that I might have drank too much, I accidentally closed it, so I just let it go, turned around and went to the second bedroom.

Inside Qin Yu sat on the bed, looking at the window, motionless.

I don't know when she started to rely on him.

Listening to the sound of footsteps getting away, her heart suddenly collapsed, that kind of dependence made her feel uncomfortable...

chapter 1875

Don't fool around.

Qin Yu doesn't seem to remember how he felt when he was with Mo Xian.

I just remember that I was worried, struggling, and hating myself every day.

Days like today are so comfortable that she gets carried away thinking that she can go on forever.

But the woman's arrival was a wake-up call for her.

Shen Liang knew her own past well, but she only had a general understanding of his past.

Not fair, so unfair.

She didn't want to know their past, how they got along, or how they were together.

But the uncontrollable person in his mind would speculate like torturing himself.

Could it be that Shen Liang would be more gentle to her, more out of control in bed, and more doting on that woman?

He thought that he had tamed Shen Liang, and it was his uniqueness.

But maybe that was the way he was used to it?

She is the queen of the sea, isn't he the king of the sea?

Once you have doubts in your mind, you will continue to think uncontrollably.

It was so torturous.

After tossing and turning, Qin Yu fell asleep in the second half of the night.

Just stumbled and sleepless.

In the dream, I watched Shen Liang standing with other women and smiling at her.

When she got closer, you could see the woman's face.

Shen Liang said with a smile: "My true love is coming to me, let's get a divorce, I want to be with her forever!" In an

instant, she woke up suddenly.

My heart trembled terribly.

The sun shines in, through the window, and the bright morning brings a bit of warmth.

She caressed her chest and calmed down for a long time.

Heh...

After sobering up, she won't think about it anymore.

However, she felt that this sense of crisis was inexplicable.

They are a sure marriage, not just the will of two people.

The interests of all parties behind them will not allow them to act recklessly.

Qin Yu stretched and smiled. It seemed that she had been alone with Shen Liang for too long, so she was so obsessed with a man?

She went out in her pajamas and smelled the food.

Go out to see, the table is already full of her favorite breakfast.

I don't care if I'm going to be late or not, sit there and prepare to eat.

There was no one on the opposite side, I'm afraid he had already gone to the company.

She didn't want to worry about him, she picked up the bird's nest and took a sip.

The servant came over with a smile and brought the fruit:

“Ma’am, I made sober soup, would you like some?”

Qin Yu said, “Okay.”

Anyway, my stomach is a little uncomfortable now.

The servant brought the hangover soup, Qin Yu smiled: “Thank you.”

“I heard that Mr. also drank a lot of wine last night, so I reserved a bowl for him.”

Qin Yu gave a slight pause, her tone slightly Liang:

“No need to stay, he doesn’t drink.” The

servant was taken aback.

A lazy voice came from behind, with a low hoarse laughter:

“Who said I don’t drink?”

The servant smiled and thought they were joking, so he brought the hangover soup and went to work on his own.

Qin Yu froze slightly, although she didn’t want to admit it, but Shen Liang looked lazy in a suit in the morning, which was really eye-catching.

She smiled, “I thought you went to the company, so I told you not to stay.”

Shen Liang looked at her with a half-smiling smile.

Without debunking her tricks, he sat opposite her.

The two were eating quietly, and Shen Liang looked up at her from time to time.

It was rare for her to eat today without being a demon, and she didn’t even say a word.

chapter 1876

What

’s wrong? Are you still angry because you didn’t pick her up in person last night?

Shen Liang smiled and wiped his mouth:

“Why is it so quiet today?”

Qin Yu raised her eyes and took a bite of the sandwich:

“Nothing to say.”

Shen Liang raised his eyebrows, still patiently watching her speak :

“There was a real entertainment last night. The Su family helped a lot at the beginning, and there will be major cooperation in the future. You can’t leave hastily.

I didn't go to other places to mess around. Su Nan is yours. Good girlfriend, you should know."

Qin Yu nodded and smiled, "I know."

Shen Liang always felt that something was wrong, he squinted, he really couldn't think of it. Qin Yu: "I drank too much last night. I shouldn't have caused you trouble unreasonably. Fortunately, you didn't come. Otherwise, if I lost so much cooperation, I would not be able

to pay for it!" He

sank slightly, the smile on his brows disappeared, and he frowned slightly:

"What the hell are you doing wrong?"

It wasn't that he couldn't hear the irony in Qin Yu's words.

It has nothing to do with the Su family, and it has nothing to do with Su Nan.

"Or when you lied to me to drink, you didn't expect me to expose you?"

He wondered if she wanted to slap you down?

Qin Yu paused for a while, and he didn't mention it, she forgot that she still had such a thing.

But compared to his ex-girlfriend, he is nothing but nothing.

What face does he have to pursue himself for drinking?

If she doesn't go out to drink, will she know that he has arranged that woman to his company?

Inexplicably, she felt a sigh of relief.

But I don't want to worry too much about it.

She twitched the corners of her mouth perfunctorily, "Yeah, it's my fault, okay?" She was used to acting like a spoiled child.

Shen Liang was relieved.

He smiled, and the foot under the table touched her toes, with a bit of gentle pampering:

"You know it's wrong, how dare you keep me out of the door?"

Qin Yu curled her lips, "I drink Too many..."

Shen Liang smiled meaningfully, with a hint of warning:

"If you dare to do it again, let's see how I clean up you!"

Qin Yu's unpleasant mood softened inexplicably.

This man is too flirtatious.

The two people exchanged eye contact, naturally the same as before, the lingering seems to be drawn out.

The maid was already taken aback.

Qin Yu deliberately seduced, but the man naturally couldn't hold it back.

But she didn't stop there, and when the servant came out to pack her things, her feet were honest.

After a while, Shen Liang's phone rang.

He frowned, picked it up, said a few words, and answered solemnly, then looked at the woman opposite, soft and lazy, wearing silk pajamas with suspenders on his body, as if he was not wearing it.

His eyes darkened a bit.

Countless pictures of helping her undress flashed in his mind...

Then, he hung up.

Qin Yu also wiped her hands and got up:

"I urge you to go to the company? Come on, I'll go later."

The man frowned slightly, "In a while?"

He looked at his watch, "We're already late."

Qin Yu raised her eyebrows and smiled: "Don't Vice President Qin even have this privilege?"

She smiled charmingly, Captivating.

The man's heart moved slightly, quite helpless.

Every time she does this, she really can't do it.

When there is really serious business, she will not delay so much, so she has been left to her.

What's more, she's not like this every day.

The man is ready, well dressed, and ready to go out after changing his shoes.

It's just that if you wait for her, it will indeed take a lot of time.

Qin Yu knew that he would not waste time waiting for him, so let him go first...

chapter 1877

is waiting for you,

Qin Yu feels like she can't sleep, so she has to change her clothes and make up.

Originally, she didn't think this matter was important, but there was a rival in love in the company, so naturally she couldn't be disadvantaged in any way!

She didn't care whether he went out or not at all, and went to the cloakroom to change clothes by herself.

I used to wear professional suits all the time. Although they were matched by big brands, they were suitable for wearing in the company, but they always lacked her own style.

Qin Yu chose a beautiful golden suspender dress among the clothes. It was sexy and charming, and she was very satisfied with the graceful outline of her figure.

She smiled and went to the bathroom to touch up her makeup.

Standing in the mirror, admiring the beauty of yourself.

She picked up the lipstick on one side, and before she could put it on, the bathroom door suddenly opened.

Shen Liang walked in, hugged her from behind, wrapped one hand around her slender waist, pressed her tightly against his body, and teased her with the other...

Qin Yu was startled at first.

When I saw it was him, I was a little shocked, but the strength to resist was weak. I looked at the mirror and put on lipstick seriously, unmoved by his behavior.

“Why haven’t you left yet?”

she asked casually.

“Waiting for you.” The

man’s voice became obviously hoarse, and his eyes became dark and deep through the mirror, dyed with a layer of lust.

Of course Qin Yu could see what he wanted to do.

But Shen Liang she knew was someone who did the right thing when it was time to do the right thing.

He wouldn’t delay his making a lot of money by doing such a thing with her at home when others were urging him to go to the company.

So he just touched it twice and enjoyed it.

Qin Yu has always liked to see him look like he couldn’t stop because he wanted to, and that feeling gave her the excitement of controlling the whole situation.

This man surrendered to her.

That’s why her eyes were still calm, especially when she looked at his dark eyes.

She came back to her senses, put her arms around him, raised one leg and slowly wrapped it around her waist:

“Wait for me? I won’t get better in a while.” The

man’s throat moved, his face tightened, and he seemed to be restrained and uncomfortable. .

He looked at the skirt Qin Yu was wearing with fiery eyes, and unabashedly expressed his inner thoughts: “

Why are you dressed like this? Where are you going in a while?”

Bundle.

Take advantage of it.

Qin Yu smiled, tilted her head and smiled: “Of course I’m going to the company, where else can I go?”

Unconsciously, the two entwined and kissed.

The man’s lips fell on her slender neck and spread down...

It was really a bit of a linger.

Seeing that he was about to lose control, Qin Yu suddenly pushed him away and regained his composure.

She sorted out her clothes, turned around and picked up the lipstick she had not finished applying, and said,

“You’re really going to delay work, Mr. Shen, you go out and wait for me for a while, I’ll be fine soon.”

Shen Liang narrowed his eyes, her face was a little cold, not only was she indulged to the point of being interrupted halfway, but she really wanted to go to work dressed like this?

“You go to the company dressed like this?”

His voice was still a little hoarse, but he could feel a little unhappy.

She often dressed like this to go to nightclubs and bars, and those men’s eyes lingered on her with malicious intent.

That’s why he explicitly forbade her to go to bars and drink less, because this woman is like poison, and she wants to get her even if she can hook people up.

She hadn’t worn it this way in a long time.

Not even at the company.

Qin Yu blinked and looked back at him from the mirror:

“Can’t you? I’m the vice president. Of course, I have the right to wear whatever I want.”

chapter 1878

You are a deliberate

man and took a deep breath, probably because of her attitude.

A stubborn look.

Qin Yu put on lipstick seriously, and was very dissatisfied and wiped off a small part of the lipstick just now, hesitating whether to wipe it off and reapply it.

The man behind him stepped forward again, suppressing his breath, and his voice was hoarse and stern:

“It can’t be the vice president, I think you really need to clean up.”

Qin Yu frowned, just as he was about to say something, the man had already started to untie the belt.

.....

Her face turned pale, and she had a bad premonition in her heart.

“Shen Liang, it’s time for you to go to the company!”

But before he could escape, the man was already imprisoned in his arms, he grabbed his arm and lowered his head to kiss him.

Qin Yu couldn’t dodge in time, and his whole body was pinched by one hand, and the other hand fanned the flames everywhere.

Continue the things just now, but it is different from the shallow taste just now.

He’s coming for real!

She was glad to see him out of control on her, but she was out of her control too!

He turned her around fiercely with his arms, and crouched behind her, unable to restrain his movements.

When he came in, Qin Yu completely lost the initiative.

That beautiful skirt was also ruined by him, and it was gloriously discarded before the sun could see it.

Qin Yu is really distressed!

But there was no time to think about it in my mind, and my body went up and down with it.

This dog man, has he used all the strength of yesterday for today?

She immersed herself in it unconsciously.

Shen Liang’s eyes stared at her darkly, without saving energy, his face was still abstinent and cold, as if he was not doing this.

The phone rang again and again outside, and he ignored it.

When his deep breathing appeared in her ear, Qin Yu felt half of her body numb.

Tired, but enjoyable.

Before the two fell together, she didn’t forget to complain to him:

“Aunt Sun is still here, she will come over when she hears the voice!” The

man laughed, and there was a whirlpool in his voice that could suck people in:

“She won’t.”

At the end, Qin Yu was unconscious.

She was carried to the upstairs bedroom by him, and she was lying on the bed like a pool of water, unable to even lift her fingers.

But what about men?

Shen Liang was wearing clothes all the time, the surface was clean and neat, not even a single strand of hair was messed up, he simply cleaned it up, looked at Qin Yu who was so unsatisfactory and smiled, walked over and kissed her forehead:

“Yes Can’t you get up?”

He laughed playfully.

I like to watch her slump.

Qin Yu hummed and turned her head away, ignoring him.

Shen Liang covered her with the quilt, and warned her in a low voice:

“You don’t have to go to work today, just rest at home.

But don’t go out, especially don’t go out dressed like you just did.”

He gritted his teeth with a warning in his tone.

Otherwise he would really go crazy.

Qin Yu’s teeth were itchy, and there was water in her eyes, which was full of excitement.

She didn’t know it, and thought she could express her anger by staring at her.

Shen Liang’s heart moved, and he lowered his head to kiss her, but she immediately turned her face away to prevent him from succeeding!

He wasn’t angry either, maybe because his body was satisfied, he was extra tolerant in his heart.

Reaching out and pinching her nose, his voice was a little guilty:

“I’m running out of time, I won’t help you take a bath, you can get up and wash yourself after a while.”

This

was the first time he was so out of control and so ungentlemanly, so I feel more guilty.

Qin Yu looked at him wetly, with a sad look:

“Are you on purpose?”

chapter 1879

Come to Check Gang Ah

The man smiled and didn't answer. He looked back reluctantly, turned around and left.

She looked at his back and closed her eyes.

That exciting scene just now, I really can't bear to recall it again.

Her face was slightly red, and she felt the hot temperature gradually subside, and then she calmed down.

What kind of ex-girlfriend, she ignored it at all.

Exhausted, she rested for a while, and it was almost noon before she regained her strength.

Looking at the marks all over his body, he secretly cursed the man before going to the bathroom to clean himself up.

She came out refreshingly, the golden dress was thrown in the trash can, and it was too broken to wear.

She doubted that Shen Liang deliberately tore her clothes.

But no evidence was found.

snort!

She wanted to find another sexy dress, but couldn't hide the marks on her body.

I can only choose the same suit as before, which looks refreshing, bright and lively.

That's it, it's a hundred times stronger than Shen Liang's ex-girlfriend!

I don't know why his eyesight was so bad before, his body and appearance were mediocre, and his soup and water were uncharacteristic.

After so comforting herself, she turned around and went out.

Looking at the box of covers thrown aside, she paused, remembering that the first time just now, he seemed to have come in directly and got a lot of it.

After she protested, she took her out for the second time and took measures.

Wouldn't it be so coincidental?

She is not thinking about pregnancy now.

Especially after this ex-girlfriend came out, he wouldn't even think about it.

After calculating the time, she should be ovulating during this period, and there should be no problem.

She breathed a sigh of relief and went downstairs.

The servant prepared her lunch and smiled as usual:

"Madam, come down and have something to eat? Before you leave, sir, let you have a good rest!"

Qin Yu's face became hot and her eyes flashed. , still smiled calmly:

“No, I’ll go to the company.”

She drove over by herself, and when she passed the cafe, she went in and bought two cups of coffee.

Just treat it as a reward for his hard work.

After all, she is also comfortable.

Qin Yu didn’t notice it herself, there was always a smile on the corner of her mouth.

Su Nan called and asked her to go out to play, but she decisively refused.

Su Nan: “...” Arrived

at the company.

The lady at the front desk happily waved to her.

“Mr. Qin, you’re here!”

Qin Yu smiled, “yes, your lipstick number is very beautiful today!”

The lady at the front desk covered her mouth shyly, “It’s okay!”

But the surprise on her face There is no need to describe it.

Even her boyfriend couldn’t see the fact that she changed her lipstick shade, but Mr. Qin still has the vision!

Qin Yu went straight to the elevator, and she chose the ordinary employee elevator very close to the people.

Stopped in the middle.

Huh...

that’s a coincidence.

The person I least wanted to see appeared in front of me so quickly.

The woman didn’t expect to see her either, so she followed behind the department leader and bowed her head obediently.

Pretend not to know.

The department leader smiled and greeted very kindly:

“President Qin, I heard that you are not feeling well? Why did you come so soon?”

Qin Yu smiled and shook her two cups of coffee:

“Don’t come. When I go to work, I can come to check the post!” The

department leader thought he heard something funny:

“You still don’t trust him? He doesn’t even see a female mosquito around him except you, who can stand it!”

Because he and Qin Yu The relationship is good, so the two of them are not so restrained in chatting.

chapter 1880

Give him a chance.

Qin Yu glanced at the person behind him, and the department leader hurriedly introduced:

“I forgot to introduce, this is a new employee, Liu Wen, who came back from abroad. Yes, he used to work in a foreign LG company, and is a rare talent.

Liu Wen, this is the vice president of our company and the wife of President Shen.”

It turned out that the woman was Liu Wen.

Liu Wen’s face smiled politely and nodded, without any extra words.

It’s as if she can’t bear her arrogance, and bowing her head can humiliate her!

Qin Yu withdrew her gaze amusedly, and her voice was neither salty nor indifferent:

“The platform conditions abroad are better than ours, why did Miss Liu like our company?”

Liu Wen didn’t want to talk to her, but in front of the department leaders , but also afraid that others will see clues.

“There are more opportunities in China, and there will be less competition pressure.” The

department leaders always felt that Liu Wen’s resume was excellent, so when recruiting her, she had to stay no matter what.

Qin Yu smiled, “Really? In fact, as far as I know, those who come back from big foreign companies are not necessarily talented people, they may be those who have been eliminated by others.

Director Chen, keep your eyes open! “

After that, it happened that the elevator arrived.

She twisted her waist and left, her aura naturally carried a sense of superiority.

The remaining two were a little embarrassed.

Seeing Liu Wen’s bad face, the department leader quickly comforted her:

“It’s okay, Vice President Qin has no intentions, she’s a bit straightforward, but she’s not malicious.

I left you, naturally I saw your efforts, waiting for you to do it. Give a little result, and she will change her mind on you!”

He wiped his sweat, and didn’t know why Qin Yu suddenly spoke in a yin and yang manner.

I don’t understand!

Liu Wen pulled the corner of his mouth and smiled, looking at Qin Yu's domineering back, he couldn't help but feel a little gloomy.

Qin Yu was unhappy and didn't say hello. Seeing that Shen Liang's office was closed, she pushed the door and went in directly.

But there was no one in the house.

The assistant who followed up rubbed his eyebrows:

"President Qin, President Shen is still in a meeting!"

Qin Yu: "...Oh."

She sighed: "Okay, I'll go back to the office and wait for him, Come over and tell me after the meeting, don't tell him I'm here." The

assistant nodded very wisely:

"Understood, surprise!"

Although he didn't understand the couple who met all day, why would they want to be so inexplicable surprise!

But no one can guess Miss Qin's mind!

Qin Yu turned around proudly, took the two cups of coffee and left.

Walking to his office, before closing the door, he watched the department tie lead Liu Wen to the conference room.

Her face sank slightly.

Closing the door, he took a deep breath.

Try to keep yourself calm and calm again.

Absolutely cannot be influenced by such a person.

After a while she said it directly.

If he opened this woman directly, she would have never happened.

If not...

let them know that Qin Yu is not easy to mess with!

She just sat in the office and waited.

Minutes passed by.

The originally calm heart also became restless.

She looked at the time.

Forty minutes passed.

Heh...

It wouldn't be too abrupt if she brought coffee into the meeting room, right?

Thinking so, she also wanted to do the same.

then.

She went out directly with the coffee and went straight to the direction of the conference room.

But push the door.

The conference room was empty, and there was no one there.

The assistant next to him saw it and ran over quickly.

"Mr. Qin, the meeting has just ended, and I haven't had time to tell you."

The water stains on the table have not been cleaned up, and the assistant did not lie.

Qin Yu smiled, "Where's Mr. Shen?"
