

Divorce 2013

Chapter 2013 is about my lack of hard work

Dongfang Yunheng smiled bitterly at this point. Then, he took a deep breath and said, "but, Shen Chen, in this world, not everything can be done by hard work. It's just like your love for me, just like my hard work to make myself fall in love with you. "We've all worked hard. If I didn't work hard enough, with my personality, I wouldn't have gotten engaged to you

"It's just that hard work doesn't necessarily lead to success. It's the same as when you were in school. Sometimes, you keep working hard, keep working hard, and keep working hard. In the end, your score still doesn't reach the ideal score. Sometimes, it's even worse than not working hard enough

"So, Chenchen, I can only say thank you for the love you just said to me. Of course, I have to say that I'm sorry. I can't accept it, and I can't afford it. You should keep your love. When you find the man who loves you, and you love him, you can love him again. "

After hearing so much from Dongfang Yunheng in one breath, Fang Xiao felt sour in her heart. She thought that Dongfang Yunheng indeed did not love Gu Chenchen, but Dongfang Yunheng still somewhat liked and felt sorry for Gu Chenchen.

Fang Xiao did not know if she could distinguish the difference between love and affection. It was just like how she had treated Qiu Yitang back then. She did not love Qiu Yitang, that was for sure. However, before anything happened to the Fang family, before she made a fool of herself.. She at least liked her fianc❖❖, Qiu Yitang.

"thank you!" Gu Chenchen said in a low voice as he looked at Dongfang Yunheng. He said mournfully, "Yun Heng, thank you for telling me so much. Thank you for telling me that you once tried your best to fall in love with me. All along, I thought that between the two of us, I was the only one who was trying hard, and you were always running away. "

Gu Chenchen smiled when she said this. Her face was full of joy. She looked at Dongfang Yunheng and said, "now, I finally know that although you never loved me, you also tried so hard to fall in love with me. This proves that my hard work was not in vain. In fact, there is still some return. "

Dongfang Yunheng did not say anything when he heard this. What he said just now was the truth. He really tried so hard to fall in love with her, even though he knew that this woman was a little fake. He even used tricks and schemes on him.

Unfortunately, trying to fall in love and actually falling in love were two completely different things. When he saw Fang Xiao, he understood that the distance between wanting to fall in love and falling in love all of a sudden was actually thousands of miles.

"Chenchen, can you let Fang Chen go now?" Dongfang Yunheng did not want to waste any more words with Gu Chenchen, because he felt that he had already said everything that he should or should not have said.

“Of course, of course I can.” Gu Chenchen looked at Dongfang Yunheng. His entire being seemed to have drifted far away as he said, “actually, I invited Fang Chen here and did not mistreat him, nor did I think of doing anything to him. I just... I just wanted to see you and talk to you from the bottom of my heart.”

Gu Chenchen paused for a moment, then looked at Dongfang Yunheng and said, “fortunately, I’ve finished talking, and I’ve clearly understood your thoughts. At the same time, I also know that it’s not that you haven’t fallen in love with me, but...”

Gu Cai looked at Fang Xiao as he said this, and then gave a strange smile. Then, he said with a hint of mockery, “it’s because I haven’t worked hard enough, so I still have to work hard!”

Chapter 2014: How could Miss Gu be so stupid

Dongfang Yunheng was stunned by Gu Chenchen’s words. He did not understand what was wrong with Gu Chenchen. Why was she still trying so hard?

He was about to marry Fang Xiao, and he would never see Gu Chenchen again. How was she going to work hard? She knew that there was no result, so why was she trying so hard?

Dongfang Yunheng was about to open his mouth to persuade Gu Chenchen not to be stupid. He would never accept her. Unfortunately, before he could open his mouth, Gu Chenchen had already turned around. She waved her hand. The two people who were originally guarding Fang Chen hesitated for a moment before walking away.

“sister,” Fang Chen saw the person who was guarding her walk away and immediately walked towards Fang Xiao. The man who was 1.8 meters tall threw himself into Fang Xiao’s arms like a child and said coquettishly, “sister, I miss you so much!”

“sister misses you too.” Fang Xiao raised her head slightly and looked at Fang Chen. When she saw that he was unharmed, she was relieved and quickly asked, “are you hungry? Sister will take you to eat.”

“And brother-in-law.” Fang Chen broke free from Fang Xiao’s arms and pointed at Dongfang Yunheng. “I want brother-in-law to eat with us.”

Brother-in-law Fang Xiao glared at Dongfang Yunheng and could not help but complain in a low voice, “what did you say to Chen Chen?”

Dongfang Yunheng laughed and said softly, “nothing much? Does Fang Chen think that I look like his brother-in-law? Besides, don’t you want me to be Fang Chen’s brother-in-law?”

Before Fang Xiao could answer, she heard the sound of someone falling to the ground behind her. She was slightly stunned and immediately turned around with Dongfang Yunheng. Then, she was completely stunned.

Gu Chenchen was lying right in front of them, and her face was as white as a sheet. One of her hands was pressing on her chest, and the other hand was grabbing the handle of the dagger. The dagger had already pierced deeply into her stomach. Fresh blood was slowly oozing out from the handle of the dagger.

“Chenchen!” Dongfang Yunheng hesitated for two seconds before quickly reacting. Then, he quickly ran towards Gu Chenchen, squatted down and carried Gu Chenchen horizontally. As he frantically ran towards the door, he shouted loudly, “quickly call an ambulance, call an emergency number...”

Dongfang Yunheng’s voice was panicked and desolate, like a wild beast running in the vast desert after losing its companion. His figure flashed past Fang Xiao and her brother, and then quickly disappeared into the abandoned factory.

“Why is that Miss Gu so stupid?” Fang Chen’s eyes widened as she looked at the door where Dongfang Yunheng had disappeared. She asked in a daze, “sister, why did she stab herself in the stomach with a knife? That would hurt!”

Fang Xiao could not help but sigh in her heart. She thought that Gu Chenchen was certainly not stupid. She was extremely smart. She had just said that she would work harder, but in the blink of an eye, Gu Chenchen had shown her a way to work harder.

Dongfang Yunheng carried Gu Chenchen away, and the people he brought with him also left. The people that Gu Chenchen had invited also took the opportunity to leave quietly after seeing that Gu Chenchen had stabbed himself in his stomach.

Fang Xiao held Fang Chen’s hand, and the two siblings slowly walked out of the abandoned factory. Fortunately, Du Caiwei had only lost her phone when she kidnapped her and did not confiscate her change, so she was not penniless at the moment.

Fang Chen complained that she was hungry. She took Fang Chen for about two kilometers and found a small restaurant in a nearby town. The two siblings ate something before taking a ride back to the city.
