

Divorce 2019

Chapter 2019 I'm not that capable

"You..." Mrs. Gu did not expect Fang Xiaoguo to be so disrespectful to her. Thus, her face darkened. She could not help but snort coldly, "how can our Chen Chen compare to those women outside? Those women are just wishful thinking and like Yun Heng, while our Chen Chen and Yun Heng are in a romantic relationship and like each other. The two of them were once engaged. You can't deny this point."

"What does being engaged mean?" Fang Xiao looked sideways at Mrs. Gu and found her words funny. She couldn't help but say indifferently, "I think Mrs. Gu also understands that divorce is no longer a rare occurrence in this society. An engagement doesn't mean anything big. So, not to mention that your daughter used to be Dongfang Yunheng's fiancée, even if she used to be Dongfang Yunheng's wife, it's still the past, isn't it? The past is the past. Mrs. Gu should know this better than I do, right?"

"You..." Mrs. Gu heard Fang Xiao say this. She was so angry that her face turned red and then white. She took a short breather. Then she looked at Fang Xiao and asked fiercely, "tell me, how do you want to let Dongfang Yunheng go? How do you want to help Yun Heng and Chen Chen? As long as you give me your conditions, as long as I can do it, I will try my best to satisfy you."

"Hehehe, it seems that Mrs. Gu has indeed gone to great lengths to get her daughter to marry Dongfang Yunheng." Fang Xiao could not help but laugh. She turned to look at Madam Gu's face that was like a palette and said, "I think Madam Gu must have found the wrong person today. It's because the relationship between Dongfang Yunheng and Gu Chenchen is not a problem for me to fulfill everything. I don't even have the qualifications to do so. The key person is Dongfang Yunheng. As long as he is willing to marry Miss Gu Chenchen, do you think I can stop him?"

Fang Xiao paused at this point and continued, "of course, if he is not willing to marry Miss Gu Chenchen, then do you think I can persuade him?"

"Mrs. Gu, I think you may have overestimated my ability. In fact, I'm just an ordinary woman. A woman like me doesn't have the ability to do what you think."

After saying this, Fang Xiao immediately opened the door and got out of the car. She felt that talking to Mrs. Gu was a complete waste of time.

Moreover, after eating two sticks of spicy food, her mouth felt numb and spicy. She had said so much nonsense, so she wanted to get out of the car and buy a bottle of water to drink.

"As long as you leave Dongfang Yunheng, as long as you don't appear in front of him," Mrs. Gu immediately said to Fang Xiao, who was about to open the car door, "just like five years ago, after you and Yun Heng separated, he naturally fell in love with Chen Chen."

When Mrs. Gu said this, she became angry again. She looked at Fang Xiao and said, "originally, Yun Heng and Chen Chen had a very good relationship over the past few years. If you hadn't appeared in front of Yun Heng last year, he wouldn't have any estrangement with Chen Chen. Perhaps they are now married."

“If that’s the case, Mrs. Gu still thinks that my existence has destroyed the relationship between your daughter and Dongfang Yunheng, right?” Fang Xiao looked at Mrs. Gu. The corners of her mouth pulled into a mocking smile as she said, “Mrs. Gu, I think you haven’t forgotten that at the end of last year, I returned to Hui city to get married. This should be considered as completely withdrawing from the relationship between Dongfang Yunheng and Gu Chenchen, right “during that period of time, why didn’t Dongfang Yunheng marry Gu Chenchen? “

Chapter 2020 it was useless to think too much

Mrs. Gu was obviously stunned, then she said angrily, “they were already engaged. At that time, they were supposed to get married, but you got divorced at that time and appeared in front of Yun Heng again. That’s why Yun Heng... “

“Then, according to Madam Gu’s words, isn’t my charm much greater than your Miss Chen Chen’s?” Fang Xiao’s cold words were Madam Gu’s. “think about it. Six years ago, when I was still an ignorant young girl, Dongfang Yunheng liked me. More than a year ago, on my wedding day, I was abandoned by the groom. Moreover, I even had an erotic photo taken. After a few years, I met Dongfang Yunheng again. He still likes me. I even went to get married at the end of last year and got divorced a few months later. Now, I’m already a second-hand woman, but Dongfang Yunheng is actually willing to abandon your pure, beautiful and noble daughter to be with me. “

Fang Xiao smiled when she said this, but the smile on her face was obviously filled with mockery. She looked at Mrs. Gu and said, “thank you, Mrs. Gu, for using your daughter to praise me. For the first time, I feel that there are still people who appreciate second-hand women, so — “

“So what?” Mrs. Gu could not help but ask nervously when she saw Fang Xiao. Pause when she said “so”

“So, I’m sorry, Mrs. Gu, I can’t hide far away for your daughter’s happiness, because I don’t owe you anything. I will only work hard for my own happiness. If Dongfang Yunheng really wants to be with me and wants to propose to me, I definitely won’t refuse. “

After saying that, Fang Xiao immediately pushed open the car door and got out of the car. Then, she slammed the car door shut with a bang and walked toward the crowded street without looking back.

She thought that she did not need to be afraid of anyone, nor did she need to hide from anyone. She was just two people with her brother. Her brother had his own career that he liked, and she also had her own legitimate career.

She was no longer Dongfang Yunheng’s mistress, and no one could use anything to threaten her. Therefore, she did not need to worry about Mrs. Gu.

There was a saying that a barefoot person was not afraid of wearing shoes. She thought that she was the barefoot one, and Mrs. Gu and her daughter wore shoes. She was not afraid of the two of them.

Of course, as for Dongfang Yunheng, she did not have too many fantasies. Even if he said that he wanted to bring her to the Dongfang family, even if he said that he wanted to marry her, even if... ..

She could only let nature take its course. If Dongfang Yunheng really had a heart, then she did not need to think too much. If he did not have that heart, then it was useless for her to think too much.

She had originally wanted to stroll on the streets for a day, but meeting Mrs. Gu ruined her mood. She thought about going to Singapore the next day, so she planned to invite Liu Yijun out for dinner that night. She also wanted to ask her if she wanted to bring anything back from Singapore.

Unfortunately, Liu Yijun's cell phone could not be reached. She even called the Secretary Desk. She shook her head in frustration and walked toward the bus stop helplessly. She thought it would be better to return to her dormitory as soon as possible.

It was not rush hour. There were not many people on the bus, and there were no traffic jams on the road. The driver put on the car radio, which happened to be the music channel. There was a host introducing pop songs.

After the introduction, the host played a song called love like air. She did not pay attention to the name of the singer, so she did not know who sang it.
