

Divorce 2051

Chapter 2051

Not Acting

Ge Zheng observed Sun Tan's reaction.

There is no hysteria as imagined, and there is no mention of divorce.

I must have thought about it and accepted it.

He was relieved and followed up:

"Wife, don't worry, I am 10,000 loyal to you, that woman will never appear in front of you again."

Sun Tan entered calmly.

The aerospace exhibition of this building is on the thirteenth floor.

Ge Zheng and the others came here for other things, and they didn't have an invitation letter to go to the exhibition.

He could only watch helplessly as Sun Tan and Su Nan entered. He smiled and took out his mobile phone:

"Baby, where are you?"

As soon as Sun Tan entered, his face collapsed.

No mood to see anything.

Su Nan took Yan Lu for a circle, and came back to see that she was in a trance in the rest area.

Yan Lu paused when she saw her heart lingering:

"President Su, I won't go there, should I go and ask Dr. Chen something?"

Su Nan pursed his lips, smiled, and moved in his heart:

"President Yan can really give up. Such a big piece of fat? You must know that even if Miss Sun is going to get a divorce, her parents' family is a golden mountain, not to mention that she is not ugly. They all say that she is as beautiful as a Hong Kong star. Don't you be moved?"

Yan Lu paused and looked at Su Nan inexplicably: " Mr.

Su, based on my appearance, even if I am looking for a rich woman, I have to choose one, not to mention I prefer to rely on strength."

Su Nan raised an eyebrow:

"Walk slowly . . ."

Yan Lu immediately left.

Lin Shen followed Su Nan, Su Nan sat opposite Sun Tan and sighed:

“Look at you, don’t you care? Why are you lost?”

Sun Tan clenched his teeth tightly, his face pale.

“No, I just think it’s too cheap for that dog man and woman.”

Su Nan raised his eyebrows, “Your lawyer will settle the accounts, and he won’t be able to find out the problem. It’s too simple to think about it.”

Sun Tan looked at her quietly, his lips The thread tightened:

“Su Nan, do me a favor, please.”

Su Nan frowned at her.

...

an hour later.

Su Nan and Chang Li stood by the railing on the thirteenth floor, quietly waiting for a good show.

Chang Li frowned and said in a low voice,

“Miss, are you sure you can do it? I’m worried that the acting doesn’t look like it!”

Su Nan pursed her lips and said in a low voice,

“No, women are born to act, and Sun Tan is one of the best. Master!”

Chang Li: “I’m talking about Lin Shen, you see there’s a reason he’s not an actor!”

Lin Shen stood with Sun Tan, but Sun Tan was clinging to Lin Shen’s arm. , trying to create a sweet and affectionate look.

But Lin Shen stood there stiffly, with a look of alertness, observing the surroundings, as if he was ready to strike at any time!

The venue below is loose, and many people are chatting and laughing. It is just a press conference for a niche brand. This is also the purpose of Ge Zheng accompanying Meng Shuang.

After all, a business owner like Ge Zheng is very attractive to the entertainment industry.

So as soon as he appeared, everyone still greeted each other with respect.

After all, he attended with an actress, which is equivalent to half-footed into the entertainment industry, which means that he is interested in developing in this area.

Naturally, everyone will not let any investor go.

Meng Shuang was injured, but filming was restricted.

After losing Li Suizhou’s asylum, she had few resources, and most of them were taken away by newcomers.

If it wasn't for her pregnancy now, and Ge Zheng made her an offering to her ancestor, it would have been even harder for her to enter such an occasion.

If you can't be a star, you can use your remaining advantage to be a behind the scenes!

That's what she thought.

So let Ge Zheng chat with the people immediately.

It was smoky inside, choking in panic, and she came out to take a breath.

I just didn't expect that as soon as I went out, I saw Sun Tan, Ge Zheng's original partner who had not yet divorced.

She froze for a moment, then rolled her eyes in disdain, and walked over.

"Wait for me, Mrs. Ge?"

She looked over at what she said, with a hint of mockery.

This is the pride and arrogance of a superior to an imminent inferior.

It's just that Meng Shuang is so blatant, it doesn't seem like a mistress's guts.

All because now she has the confidence to hold her head high.

She touched her stomach, as if to show off, covered her mouth and retched for a while, and glanced at Sun Tan, who had an ugly face, she hooked her lips:

"My wife should know about me and President Ge. I don't hide it anymore, my wife will get divorced sooner rather than later, and be good to herself.

Otherwise, if it's later, I'm afraid that my wife's face won't hold up."

Meng Shuang's smile was indeed dazzling.

She dared to say that because she was pregnant.

Sun Tan's eyes fell on Meng Shuang's body, and then he snorted softly:

"A man and a woman like you can hang their faces, why can't I hang on?"

She smiled, and then walked to Lin Shen's side, He pulled the man to his side, held his arm cordially, and smiled:

"Don't worry, I'll leave you with that man who doesn't look good, I only need money, if I have money, who can't find it? "

When Meng Shuang saw Lin Shen, his face changed slightly.

Back then, Lin Shen's over-the-shoulder fell, but she lost her future.

Full of stamina.

Her face became ugly, and she was a little uncomfortable for a moment.

She originally wanted the brokerage company to find this Lin Shen and lose a lot of money.

In the end, he didn't know what Lin Shen was doing, and he didn't pay her a penny, but even sent her a lawyer's letter.

She pays all the medical bills herself.

The newcomer, who she thought was easy to bully, suddenly overtook her head, making Meng Shuang both fearful and frightened.

He was warned by the broker, mainly because he was afraid of offending the capital behind Lin Shen.

Lin Shen looked at Meng Shuang indifferently, Meng Shuang shivered a bit, clutched her stomach, and suddenly became short of breath.

She turned pale slightly.

Meng Shuang didn't want to be at a disadvantage in front of Sun Tan.

But she felt a little uncomfortable in her stomach.

Meng Shuang looked back with an ugly face, looking for Ge Zheng's figure in the arena.

"Ge Zheng..."

As soon as she shouted, Ge Zheng noticed her, looking at Meng Shuang and Sun Tan standing together, his face suddenly became ugly.

He ran over quickly and glanced at Sun Tan:

"Wife..."

He said cautiously, when he saw Meng Shuang's pale face, he suddenly became ashen, he quickly picked up Meng Shuang, and looked at Sun Tan angrily:

"What are you doing? I It was said that I would break up with her, why are you bullying her? She is not in good health, you don't know her..."

He hesitated, his face changed greatly.

Sun Tan should not know about the pregnancy.

Meng Shuang tugged at his arm nervously:

"Ge Zheng, take me to the hospital..."

He took a deep breath, hugged Meng Shuang and ran out:

"Don't be afraid, I'll take you right away. go to the hospital..."

Chapter 2052

Two people who are not familiar with the world hurriedly left the scene.

Some of the other people present were acquainted and some did not.

They all looked at Sun Tan sideways.

Everyone knows the situation of the couple, and the fact that the average man has reached the point of defending the mistress in public shows that this marriage is pathetic enough.

Lin Shen was not in the mood to care about Sun Tan's situation.

He subconsciously looked up at Su Nan.

Meng Shuang left, is his mission over?

Sun Tan stood there, feeling the coldness from all directions.

She stared blankly at the direction where Ge Zheng and Meng Shuang left, and the desire to win or lose instantly disappeared.

The rest is frustration.

She always thought that his play was only due to his indifference and greed.

As long as he is not sincere to other women, she is just watching a good show.

But she knew Ge Zheng.

That's how Ge protected himself back then, and that's how he protects another woman, Meng Shuang, today.

This scene is really dazzling.

It was as if all her warnings had hit her in the face.

No matter how shameless the mistress, she also won against this man.

Sun Tan took a deep breath and walked to the door in a daze.

When Su Nan went downstairs, only Lin Shen was left there.

Lin Shen walked over quickly, "Madam..."

Su Nan nodded and looked at him with a smile:

"It's good."

To play a tool man, you don't need any acting skills, you can't be too critical of him.

When the event was over, Su Nan took the people away in advance.

Before they got to the door, someone stopped them: "Ms. Su, President Yan just said that there is a banquet. Please stay and join us."

"President Yan?"

?

Just as she was about to say something, she felt the strangeness in her heart re-emerge.

She looked at the unfamiliar waiter in front of her, and raised her eyebrows.

“Okay.”

She smiled.

Very reluctant to link what happened last night.

But since there are all strange things, it is hard to say that the strange things are not made by the same person.

The other party is willing to surface, and she wants to know who it is!

Su Nan glanced at Chang Li, who immediately understood and became vigilant.

Su Nan stretched out his hand, Lin Shen immediately walked over and handed his arm, Su Nan gently hugged him and returned to the exhibition again.

With a glance, everyone left one by one.

Yan Lu was also out of sight.

She paused.

The waiter pointed to the side of the hall:

“Miss Su, please come this way.”

Su Nan could feel Lin Shen’s stiffness and alertness for a moment.

She smiled blankly and walked over.

The side hall is relatively quiet, and the dim light instantly carries a bit of mystery.

Sitting in the corner seat, there is a familiar person sitting there.

Seeing her, she waved happily.

“Susu...”

Su Nan was taken aback.

walk over.

“Fu Yanni?”

Fu Yanni happily stood up and hugged her: “Su Su, do you miss me?”

Su Nan silently pushed him away, looked at Fu Yanni, who was a little tanned, and was stunned for a moment.

Speaking of which, I haven’t seen him for a while.

He’s either on the show or out on an adventure.

There are very few days to stay in City A.

But why did he suddenly come back?

Lin Shen was fully alert at first, but looking at Su Nan, he seemed to know him, and he was wondering whether to go up and stop him.

Su Nan smiled, "Fuck you, why are you back?"

She still remembered that he had a bad time with Leng Lin before he left.

Leng Lin and Lu Qi renew their friendship, but Fu Yanni is still the same, like a big boy who will never grow up.

Fu Yanni smiled, with a bit of publicity on his brows:

"I'll stay for a few days when I come back, and by the way, I'll give you some incense sticks for the old man. By the way, I'll introduce you to a friend..."

He pointed to the sofa sitting on the opposite side. people.

a woman.

strange woman.

The woman stood up with a smile, looking very honest and well-behaved, wearing a pink bubble dress, innocent and innocent.

She looked at Su Nan and smiled: "Miss Su, hello, my name is Lu Yuning."

No one would refuse such a well-behaved smile.

Her smile is very sweet, like some kind of magic, just the right arc, which makes people feel like a spring breeze.

Su Nan immediately responded with a smile: "Hello, my name is Su Nan." The

other party should be about the same age as her, with clear and clean eyes.

It's like an ignorant college student who has just left the campus.

Fu Yanni smiled excitedly and said,

"I looked at you familiar just now, but I didn't expect you to come. Yu Ning and I are here late, why don't we have dinner together?"

Su Nan paused and glanced at him:

"You How do you know that I know Yan Lu?"

Fu Yan Ni was stunned:

"Yan Lu? Who is Yan Lu?"

Su Nan's face sank.

Even Lin Shen's eyes became cautious.

Lu Yuning shook his head in confusion, "We don't know Yan Lu..."

Su Nan took a deep breath: "Didn't you ask me to come?"

Fu Yanni shook his head:

"No, we've been here all the time, we plan to sit down I 'll be gone in a while!"

Su Nan's heart sank a little.

She looked at Chang Li behind her, "Go find the waiter just now."

"Yes."

Fu Yanni saw her and refused to let her go:

"Susu, my friend came here for the first time, and he didn't Familiar, let's go after dinner!"

He winked at her desperately.

Su Nan frowned, "Okay."

Lu Yuning blushed and looked up at Fu Yanni from time to time.

That feeling seems to be secretly liking him.

Su Nan smiled and didn't see through.

Lin Shen also sat down.

Without waiting for Su Nan's introduction, Fu Yanni recognized him:

"Lin Shen, why don't you film? Your image is very suitable for a tough guy!"

Lin Shen paused, "Oh, I don't want to do it."

Fu Yanni didn't mind Lin Shen at all . of indifference.

I heard other people in the circle say that this Lin Shen's temper is like this.

He looked at Su Nan with a meaningful smile:

"Su Su, you have another person next to you? What about Shang Qian...do you know about this?"

Su Nan rolled his eyes at him:

"What's your business? What?"

Fu Yanni smiled, "I'll just ask, it's not my second uncle anyway!"

Su Nan rolled his eyes, looked at Lu Yuning, and smiled:

"Are you dating?"

She Changing the subject, I don't want Fu Yanni to continue to explore her private life.

Lu Yuning was stunned for a moment, then shook his head embarrassedly, pure and pitiful:

“No.”

Fu Yanni coughed awkwardly:

“Not yet.”

He looked at Su Nan and blinked.

Meant to let her be merciful.

Su Nan snorted coldly.

Eat half.

Chang Li hasn't come back yet.

But Lu Yuning used the area bathroom to go out.

Fu Yanni thoughtfully asked the waiter to lead the way.

Su Nan looked like she was watching a good show: “Why, why don't you just follow along?”

Fu Yanni tutted, sat back, and relaxed her neckline:

“Don't scare my friend, she is simply ignorant of the world. I'm pursuing her, and she's still watching me reservedly!”

Chapter 2053

Who are you talking about? Xiao

Fu Yanni said that, with a smile in his eyes unconsciously.

Su Nan smiled, and was happy to see him come out of his lovelorn.

Although to Leng Lin, he is not someone who can be trusted.

But if he can find someone he likes, he can be considered happy for him!

“Where did the little girl come from, doesn't she seem to be local?”

Fu Yanni's eyes lit up:

“I picked it up.”

He leaned over and whispered to Su Nan,

“I really picked it up, I saw a few at the station. When I personally did something to her, I realized that she came out to find her brother. Her brother went to college and lost contact, so she wanted to find a place to work, but she was almost sold.”

Su Nan was shocked. mouth.

But looking at Lu Yuning's demeanor just now, it doesn't seem like he has experienced so many people!

Just as she was about to say something, she saw Lu Yuning walking over here.

Fu Yanni smiled and stood up and dragged the stool for her.

“Is this meal still appetizing? Would you like to change it for you?”

Lu Yuning shook his head quickly, like a frightened deer in his eyes.

Feeling flattered. Su Nan smiled

: “Ms. Lu, which university is your brother in? I’m quite familiar with several university principals in City A. I can help you!” He seems to blame him for telling her such private things! Fu Yanni quickly comforted her: “Yuning, Su Su is a kind-hearted and good person, and he knows a lot of people, so he can definitely help you!”

Speaking of this, he raised his eyebrows:

“By the way, Susu, why don’t you arrange a job for Yu Ning? Let her be a secretary by your side, just as a part-time job, it’s better than being a waiter in a restaurant to wash dishes. Too much!”

Su Nan pursed his lips and was stunned for a while.

She was suddenly unable to answer.

“This...”

Fu Yan and Ni Ke really would have a problem.

A person of unknown origin, arranged by his side?

Seeing her embarrassed, Lu Yuning lowered his eyes and tugged at Fu Yanni’s sleeve:

“Don’t embarrass Miss Su, I haven’t been to a university, so I don’t know how to work in such a big company, I’ll just find a restaurant and work part-time. “

Fu Yan Ni frowned, “How can you do that? You are so beautiful, you are easily missed by bad people. Even if you are an actor, I think it is too hard for you.

Susu, please help her, that is. It’s just a matter of words!”

Su Nan really regretted sitting here for dinner.

She paused, then said hesitantly:

“Master Fu, it’s not that I’m not funny, it’s enough to have Yu Lou by my side, and he’s also very busy, so if he can’t bring new people, it’s better to arrange it in the Fu Group, it’s all yourselves anyway. Home, which department should I go to?”

Fu Yanni was stunned, frowned, sighed, and beat his chest:

“My second uncle will scold me to death!”

Su Nan rolled his eyes secretly.

Aren’t you afraid of scolding him to death?

But in front of others, it's too obvious to be bad.

Lu Yuning paused, "Fu Yanni, I think it's okay..."

Fu Yanni hurriedly interrupted her, patted her chest and assured:

"Don't worry, the Fu Group is our own home, what is it to arrange a position, I'll call my second uncle!"

Su Nan raised an eyebrow.

Finally got this problem out of the way.

Fu Yanni took out his mobile phone in front of everyone and called out.

result.

was hung up.

He paused, then smirked: "Second uncle must be busy, there is a meeting!"

He called Chen Mian again, but Chen Mian picked it up:

"Master Fu?

":

"Assistant Chen, how's the company's performance recently? I haven't congratulated you yet. How about recommending you a rare talent in society?"

Chen Mian immediately understood what Fu Yanni meant.

He smiled: "Thank you, Master Fu for thinking about me. The surname of the Fu Group is Fu. If you want to recommend talents, just say hello to President Fu directly. My authority is limited to the health logistics and front desk. Do you think your talents need my help?"

Fu Yanni's face turned stinky: "Go away." Fu

Yanni hung up the phone angrily.

Su Nan didn't hear it, and Chen Mian's answer was unexpected.

If Fu Yechuan was not in City A, there might still be talk.

But Fu Yechuan was here, and Chen Mian could not be the master of the Fu Group.

What Fu Yanni did was simply superfluous.

hang up the phone.

Fu Yanni looked at Lu Yuning flatteringly, and said with a smile,

"Don't be afraid, Yuning, my second uncle is very approachable, kind and easy to talk to. When I go over and say it in person, he will definitely agree!"

Lu Yuning frowned, and nodded shyly.

Although he was confused, he still chose to believe him.

Fu Yanni smiled and ordered another dessert for her.

Seeing this, Su Nan also knew that it was time to leave some private space for them.

She glanced at Lin Shen, who stood up.

Su Nan said with a smile:

“It’s getting late, I still have business, so I won’t accompany you, Master Fu, take Miss Lu for a good stroll!”

Fu Yanni paused, feeling a little regretful:

“Su Su, we haven’t talked well yet. What...”

Su Nan glanced at him, just as he was about to say something, he heard a familiar voice coming from behind:

“What?”

Su Nan was stunned and raised his eyebrows:

“Darling, Why are you here?”

Shang Qian’s temperament is modest and gentle, and there is always a kind of charming and handsome that makes people unable to take their eyes off.

With a smile on his face, he glanced at Fu Yanni lightly, and the warmth faded:

“Oh, I met Mr. Yan on the road. You didn’t go with him, so I came to pick you up.”

He raised his hand slightly, and Su Nan took advantage of the situation. Pull up.

The two looked at each other and smiled, as if the people around them couldn’t get in.

Shang Qian stroked her hair and smiled gently:

“Finished?”

Su Nan nodded.

She looked back at Fu Yanni: “It’s almost there.”

Fu Yanni paused, dissatisfied with Shang Qian’s sudden arrival.

Although his second uncle didn’t get Su Nan, he didn’t like Shang Qian either.

Neither of these are fuel efficient lamps!

Immediately.

Fu Yanni’s smile became somewhat playful:

“Hey, who is this?”

Fu Yanni raised his eyebrows.

Su Nan paused.

“Are you blind?”

Shang Qian looked at him calmly, his aura didn't change at all, as if looking at Fu Yanni, just like looking at a child.

Contempt, disdain!

Fu Yanni paused and took a deep breath:

“Susu, we are a deadly friendship, how can you turn your elbows out?”

Shang Qian chuckled lightly, wrapping his arms around Su Nan's waist tightly, He said calmly:

“Su Su?”

He looked down at Su Nan: “Why don't I remember, you still have a little friend?”

Fu Yanni's face darkened instantly.

Su Nan looked at the two people speechlessly.

I feel like my head is getting bigger!

Childish is dead!

She pursed her lips, tugged at Shang Qian's clothes, and blinked desperately to hint at him!

“Who do you say is young?”

Fu Yanni gritted his teeth and said unconvinced.

Shang Qian smiled playfully:

“What I said is that you are young, Master Fu, don't think too much...”

Chapter 2054

My dear nephew

Fu Yan Ni Qi couldn't say a word, but it touched his nose.

Shang Qian smiled calmly.

Seeing that the gunpowder smoke started to rise, Su Nan quickly cleared his throat:

“Okay, Master Fu, hurry up and take Miss Lu out to play!”

Su Nan took Shang Qian out.

Shang Qian calmly waved to Fu Yanni and smiled:

“See you later.”

Fu Yanni rolled his eyes angrily: "No, I don't want to see you again!"

No matter what Shang Qian said later, Fu Yanni almost jumped.

Su Nan pulled him away, and Lu Yuning walked over cautiously.

"Fu Yanni, do you know that person just now? What is his relationship with Miss Su?"

"It doesn't matter, it's just a toad that wants to eat swan meat!"

Fu Yanni snorted coldly, and immediately calmed down, looking at her with a smile. :

"Don't be afraid, I'll protect you!"

Lu Yuning gave him a shy look:

"But I don't have a job, so I'd better go..."

"Don't, don't, I'll take you to me two. Uncle..."

Fu Yanni said, turning back to take the phone on the table.

Eyes flashed.

Looking at Su Nan's bag on the seat.

Paused.

"It's all to blame on Shang Qian, Susu's bag has fallen..."

He brought it over, "I'll send it to her..."

Lu Yuning paused: "Why don't I go, you see the person next to her and you're going to quarrel again."

She spoke with concern and caution.

As soon as Fu Yanni heard it was reasonable, he gave her the bag directly:

"Alright, I don't want to see him."

Lu Yuning smiled, took Su Nan's bag and ran out.

Su Nan and Shang Qian walked hand in hand, their figures were very sweet.

Especially two high-value people will always attract the attention of others.

Su Nan was whispering to Shang Qian what happened just now, and suddenly felt a cool breeze behind him.

As if the chill was coming.

The next second, I suddenly heard a female voice screaming in pain.

Then, she looked back and saw Lu Yuning fell to the ground.

Su Nan was startled, and Shang Qian quickly hugged her in his arms.

Lin Shen stood beside him, looking coldly at Lu Yuning on the ground.

“What’s the matter?”

Shang Qian asked coldly.

Lu Yuning’s face was pale in pain, and she sobbed aggrievedly:

“I... I just came to deliver a bag to Miss Su, and your bag fell.”

The bag in her hand was thrown aside.

Su Nan glanced at it.

Sure enough, it was her bag.

She really fell.

She quickly went over and helped Lu Yuning up on the ground:

“I’m sorry, Miss Lu, I’m so sorry.”

Shang Qian paused, picked up Su Nan’s bag from the ground, and patted it lightly.

Lu Yuning’s arms were a little blue, and it seemed that Lin Shen was using a lot of force.

Su Nan felt guilty and very embarrassed.

At this point, Lin Shen misunderstood.

“Miss Lu, are you okay, shall I take you to the hospital?”

Lu Yuning paused, with tears in her eyes, she still shook her head.

“It’s alright, it doesn’t hurt anymore.”

She lowered her eyes, and her forbearance was particularly distressing.

At this moment.

Fu Yanni, who couldn’t wait for Lu Yuning to come back, came over.

Seeing this scene, his face suddenly turned pale.

“Yuning, what’s wrong with you?”

Shang Qian raised his eyebrows and said nothing.

Su Nan explained apologetically:

“I’m sorry, it was my bodyguard who misunderstood, because it was too sudden, so I couldn’t control it...”

Why don’t you take her to the hospital for me, I will pay for the medical and nutritional expenses. It’s all covered!”

Fu Yanni glared at her.

He helped Lu Yuning and took a deep breath:

“Forget it, if it wasn’t for the sake of our life-threatening friendship, I wouldn’t let you go easily.

Yuning, are you all right?”

Lu Yuning shook his head: “It’s okay, I just fell too fast, and it has nothing to do with Miss Su.”

Lin Shen’s face was expressionless, his eyes darkened a bit.

Fu Yanni sighed: “Anyway, I’ll take you to the hospital to have a look, and then I’ll go to my second uncle’s place later.”

Su Nan nodded:

“Go, go, Master Fu, take good care of Miss Lu!”

Fu Yanni glared at her and took Lu Yuning away.

Su Nan sighed and looked at Lin Shen.

Lin Shen pursed his lips, looked deeply at their backs, and said without changing his face,

“That woman’s hand was about to touch the lady just now. I was afraid that she would push the lady, so she did it.”

Su Nan raised her eyebrows. “Okay, look at it next time!”

Lin Shen nodded slightly.

Shang Qian smiled and hugged her shoulders:

“Let’s go.”

He turned around and smiled : “Let’s

stay away from them in the future.”

Su Nan raised his eyebrows: “You also eat Fu Yanni’s vinegar?”

Shang Qian smiled . Fei glanced at her with a smile, and said faintly:

“When that woman rushed over, I didn’t even hear any movement. This woman’s footsteps were very light, and something was wrong.”

Su Nan’s expression changed, and his eyes widened in surprise.

“Why didn’t you say it just now, what if something happened to Fu Yanni?”

But she just found that Lu Yuning didn’t seem to be a serious person.

She is simple, simple, and looks like she has no shrewdness!

Shang Qian laughed softly:

“What does he have to do with me?”

Su Nan paused.

You said you weren't jealous?

Su Nan frowned, looked at the man's handsome profile, and pursed his lips:

“But it shouldn't be, that Miss Lu looks weak...”

Shang Qian pondered for a while:

“Know the person, know the face, but don't know the heart. At least now that there is an object of suspicion, we can focus on her.

As for the rest, leave it alone, I will let people stare.”

Su Nan nodded.

Take a deep breath.

But looking back on the conversation just now, I really didn't find the slightest flaw.

Is it really her?

Su Nan rolled his eyes, turned his head and gave Lin Shen a thumbs up:

“Good job!”

Lin Shen nodded expressionlessly.

Shang Qian: “...”

——Fu

Yanni took Lu Yuning out of the hospital and went directly to the Fu Group.

Lu Yuning was a little uneasy in the car.

“Fu Yanni, will your second uncle dislike me? What if he doesn't agree with me to work in your house?

Otherwise, should I stop being a secretary, or should I be a cleaner?”

Fu Yanni glanced at him sideways, sternly refused:

“How can you do that? You are a girl, how can you do those rough jobs? What

's more, in the company only by my second uncle's side, no one will bully you, the assistant secretary beside him, and the whole company. You have to respect.

Look at that Chen Mian, who became a vice president directly from an assistant, it's a step to the sky!”

Lu Yuning's eyes lit up: “It's great, I'm very satisfied to have a job, thank you Fu Yanni. “

Fu Yanni smiled, with a turbulent expression:

“No thanks, I’m willing to help you.”

After a while.

to the Fu Group.

Everyone at the front desk knew Master Fu, so naturally they didn’t dare to stop him.

When he reached the top floor, he was stopped by the secretary and others.

“Master Fu, Mr. Fu is still in a meeting and has no time to see you.”

Fu Yanni paused, “I am his own nephew, and I still need an appointment to meet with my family? Go and tell him that his dear nephew is here to see him!”

Chapter 2055

He is not as good as your

secretary and smiled. He didn’t dare to offend Fu Yanni, so he could only nod and tell Chen Mian.

Chen Mian came out of the office not long after.

Fu Yanni smiled:

“Mr. Chen, it’s much kinder to see you. Look, it’s not a loss for my friend to be my second uncle’s secretary, right?”

Chen Mian politely glanced at the girl behind him and smiled. Laugh:

“Master Fu is joking.”

He smiled but didn’t smile.

The people who can be Fu Yechuan’s secretary are all jumped out of the best people in the country. After careful selection, how could it be possible to just squeeze in just one person?

And still serve as secretary to Fu Yechuan?

It’s so ridiculous.

But considering Fu Yanni’s identity, Chen Mian couldn’t tell the truth.

Fu Yanni paused, “You go and tell my second uncle, I want to see him, I have to tell him personally.”

Chen Mian hesitated, but nodded:

“Wait a minute, I see that the meeting of President Fu is over. Is it?”

Fu Yanni nodded.

Chen Mian left.

Fu Yanni smiled and looked at Lu Yuning:

“Don’t worry, I will definitely be able to do it.”

Lu Yuning nodded.

Not long after, Chen Mian came out.

“Master Fu, please come in.”

Fu Yanni took Lu Yuning into Fu Yechuan’s office.

Lu Yuning saw Fu Yechuan sitting there in an instant.

Calm, restrained, but invisible aura.

It was clearly out of reach, but when he looked at Fu Yanni, he seemed to be relieved and a little cold.

“Why are you making trouble?”

Fu Yechuan asked.

Fu Yanni leaned up, “Second uncle, this is my friend, Lu Yuning, she is alone, she is bullied wherever she goes to work, I want her to stay with you...”

“No...”

Fu Yechuan refused decisively, and looked at the woman opposite him with dark eyes.

Lu Yuning lowered his head cautiously, was scrutinized, and blushed with embarrassment.

Like a new student entering the society.

He glanced lazily, and then lowered his eyes:

“If you can’t work anywhere, you should find the reason from yourself.” As soon as he exited.

The office was shocked for a moment.

Lu Yuning raised his head in shock.

Fu Yechuan said mercilessly:

“If that’s the case, I won’t want useless people here.”

Fu Yanni frowned, feeling that Fu Yechuan’s words were really impersonal.

“Second uncle, you can take her in, let her do the chores for you, just do some simple work, she won’t delay anything.”

Fu Yechuan gave him a cold look:

“Your father doesn’t dare to be by my side. Are you itchy?”

As soon as his voice was cold, Fu Yanni knew that he was angry.

He paused, and if he gritted his teeth, he said,

“It’s not that I can’t let her do that. I want to protect her, second uncle, I like her!”

Fu Yechuan raised his eyes slightly, with a bit of surprise in his dark eyes.

Fu Yanni gritted his teeth, lowered his voice and said,

“You didn’t agree with the last Leng Lin, I have already listened to your words.

Can’t I even like someone? Do you want to destroy every person I like? “

After Fu Yanni finished speaking, he looked at him with red eyes.

Fu Yechuan gave him a deep look.

He just looked away casually.

Paused.

He just opened his mouth and looked at Lu Yuning:

“What is the best at?”

Fu Yanni looked at Lu Yuning excitedly and winked at her.

Lu Yuning paused, then answered hesitantly:

“I will clean, make tea, make coffee, and... watch the children.”

Fu Yechuan frowned.

“You go out and wait for the news.”

He said coldly.

Lu Yuning shivered, as if frightened.

Fu Yechuan’s brows became even tighter, watching her flee.

Fu Yanni glanced at him reproachfully.

“Second uncle, you are so fierce that you will scare her!”

Fu Yechuan glanced at him, “Do I still have to confess?”

Fu Yanni lowered his voice:

“They just want you to be gentle.”

“Come here. Really?” Fu Yechuan asked him.

Fu Yan and Ni pursed her lips: “Nothing is true or false. If it comes naturally, you might get married.

Second

uncle, you have to believe in love at first sight. I thought I would not be tempted anymore.

It took me a long time to let go of Leng Lin's affairs, but I only used that one glance when I fell in love with Yu Ning.

Do you believe? As soon as I saw her, I felt that I met her late, and her innocent eyes were all attractive to me!

Fu Yechuan frowned, "Don't be disgusting with me, get out." "

"That Yu Ning..."

"I have my own arrangements." "

"Yes, thank you second uncle!" Fu

Yanni hugged him excitedly, wishing to dance, and was intimidated by Fu Yechuan's cold eyes.

He smiled:

"By the way, I just had dinner with Su Su and met Shang Qian. Don't worry, he is not as good as you! "

Fu Yechuan's face became darker and colder:

"Get out!" "

"Oh oh oh, I'll get out of here!" Fu

Yanni went out excitedly, and saw Lu Yuning standing in the corner, looking at other people's work enviously.

"Yuning..."

Lu Yuning paused, looked at him, and Baba said:

"It's okay. , even if your second uncle doesn't agree, it's fine, I'll just find a job, and when I find my brother, I'll leave here. "

"What are you talking about, I said that this is all on me, and my second uncle agreed that you stay!" Fu

Yanni spoke quickly.

Lu Yuning's eyes flashed, "Really?"

Fu Yanni nodded immediately. "

It's just that he has his own arrangements, you can just listen to him, but if he arranges for you to do heavy work, don't agree to it, tell me, I'll call the shots for you!" "

Lu Yuning smiled:

"Don't worry, I will persevere. I never dreamed that I could come to work here. Thanks to you, Fu Yanni, I will always thank you!"

Fu Yanni looked at her and smiled, and felt great satisfaction in his heart.

As if there was some magic.

“Then go in, call me if you have anything?” Lu

Yuning nodded:

“Okay, you go first, I’ll invite you to dinner later!

“

He walked away with joy on his face.

Lu Yuning took a deep breath and knocked on the door again.

“Mr. Fu, I’m Lu Yuning.”

“Come in.”

...

People from the secretarial department outside saw Fu Yanni bringing this girl here.

Especially looking at his eyes, suddenly a little puzzled.

“Master Fu has always been around women. This girl is average-looking, so how can she be so obsessed?

” You do n’t agree with President Fu!”

“Young Master Fu doesn’t look right, and his eyes don’t look right!”

“Yes, this girl won’t be sent to us, right?”

.....

Not long.

Chen Mian was called in.

He looked at the girl Fu Yanni had left behind.

Also surprised.

Unexpectedly, Fu Yanni did it!

“Mr. Fu...”

Fu Yechuan pointed at the woman in front of him:

“Let her take care of Fu Yunche.”

Chapter 2056

The full-time nanny

asks Lu Yuning to take care of Fu Yunche?

Chen Mian thought he had heard it wrong.

“Mr. Fu, this...”

Finding a professional nanny is better than going alone!

Young Master Fu was often bullied at school because he couldn't speak.

In the school, there is really no way to do it, and you can't pay attention to it all the time.

For the sake of the child's physical and mental health, they came up with two solutions:

"Either let Fu Yunche change schools and change the environment, which is good for his growth.

Or let Fu Yunche go home and live every day after school, so he doesn't have to live alone. School, this will make his character better."

Otherwise, this child will really be ruined.

Fu Yechuan hasn't decided yet.

It seems that he casually let this sudden Lu Yuning take care of the little trouble in Fu Yechuan's eyes.

But...

Chen Mian felt that something was wrong, but looking at Fu Yechuan's firm expression, he couldn't say anything.

To him, this Lu Yuning was trouble, and so was Fu Yunche.

Trouble with trouble is the solution to trouble.

Poor little master!

He sighed:

"Yes, Mr. Fu."

Lu Yuning's eyes flashed slightly, and a restrained smile appeared on his face, and then he disappeared.

"Don't worry, Mr. Fu, I will take good care of the young master."

After she finished speaking, she followed Chen Mian out.

Chen Mian called the school and said that someone would pick up Fu Yunche in a while, and then sent Lu Yuning's Zhao Ping to the teacher's mobile phone.

He looked back, and Lu Yuning followed behind very obediently.

He cleared his throat, "That..."

"My name is Lu Yuning, Assistant Chen, no matter what the job is, I will do it well."

"Miss Lu, the work is not too heavy, just take good care of our young master, In the future, the task of taking him to and from school every day will be handed over to you, and there is nothing else.

By the way, where do you live?"

Lu Yuning paused and looked at him embarrassedly:

“I... There is no place to live.”

Chen Mian was stunned: “Don’t you live with Master Fu?”

“No, I don’t have the kind of relationship you think with him!”

Lu Yuning was eager to clear his relationship with Fu Yanni.

Chen Mian nodded suspiciously.

He thought about it, had to find a place for her to live?

But she is not a member of the Fu Group in name, and it is impossible to live in the staff dormitory.

If you are renting a house, what are the specifications?

Chen Mian was still struggling to call Fu Yechuan and asked her what capacity she took to take care of Fu Yunche.

Fu Yechuan didn’t want to say more, “full-time nanny”, so he hung up the phone.

If you are a full-time nanny, you have to live at home!

Chen Mian took her to the place where Fu Yunche lived, which was an apartment that Fu Yechuan bought a few years ago.

The reason why he was placed here is to keep this child as far away from him as possible.

It’s best not to hang around under his nose, lest he see it upset.

“Miss Lu, you will live here in the future. You are his full-time nanny. You don’t need to be responsible for his diet and study. You only need to pick up and drop off.

By the way, your room is next to the utility room on the first floor. It’s the servant’s room, don’t you mind?”

Chen Mian looked at her, which was originally reserved for the nanny.

And Lu Yuning’s identity can only live in the servant’s room.

It is impossible for her to stay in the guest room, she is not a guest.

Lu Yuning paused, then simply nodded.

Chen Mian smiled, seeing that she had a good attitude, so she wanted to mention a few words:

“Our young master is young, you take good care of him, Mr. Fu will not treat you badly, I will send you your bank card and ID card later. , I’ll help you apply for the job, and the salary will be printed on the card.”

Lu Yuning’s face changed, and he looked at him in embarrassment:

“Well, I lost my ID card, can I wait for the replacement to come out, and the salary can be paid in cash.”

Chen Mian frowned slightly, “Alright.”

Lu Yuning looked around and asked him with a smile,

“What time does Mr. Fu get off work every day, I don’t need to prepare dinner for him?”

Chen Mian was taken aback.

“Mr. Fu doesn’t live here.”

“Ah?”

“You don’t need to prepare his dinner, just prepare your own. Young master’s dinner will be eaten at the school.”

Chen Mian said, the phone rang.

While answering the phone, he glanced at Lu Yuning:

“You can clean up yourself.”

He turned and left.

Lu Yuning fell silent.

The eyes became dark and deep.

school entrance.

After school on Friday, all the parents who could come came.

Lu Yuning was waiting on the side of the road, and the pickup driver stopped not far away.

Seeing that Fu Yunche was carrying his schoolbag, he walked out silently.

In a group of cheerful children, it seems a little taciturn and out of place.

Just as she was about to walk over, she suddenly saw a man with a graceful figure come forward, squat down and talk to him with a smile.

“Master Fu, do you still know me? I’m your father’s friend, and I’m Aunt Lin Chulin?”

Lin Chu was wearing a tight skirt, wrapping her figure, and her makeup was well-dressed.

She looked at Fu Yunche and smiled tenderly, and reached out and pinched his face kindly:

“I’ll take you home, Auntie likes you very much...”

Fu Yunche frowned and looked at her timidly, his expression on his face. Tension, the emotion on the little face is too obvious.

Just as she was about to drag Fu Yunche away, the school teacher saw it with sharp eyes.

“Student Fu Yunche, isn’t she the one who came to pick you up?”

Fu Yunche pursed his lips and lowered his head.

To be precise, he didn’t even know who was coming to pick him up.

This was the second time that Fu Yechuan allowed him to go home.

The first time was the funeral of Mr. Fu.

Lu Yuning walked forward with a smile:

“Teacher, I’m here to pick up Fu Yunche.” The

teacher took out his cell phone, looked at the photo, breathed a sigh of relief, and handed Fu Yunche to Lu Yuning:

“That’s right, I’ll leave it to you. “The

teacher glanced at Lin Chu, who was frozen in place, and his nervous expression was relieved.

If they lose a child casually, they really can’t afford it!

Lu Yuning glanced at Fu Yunche, who just happened to see her.

At that moment, his face instantly turned pale.

Lu Yuning patted his head as if nothing had happened, Fu Yunche’s little face was a little bit of panic, and his whole body was stiff.

The teacher leaves.

Lin Chu stood there and glanced at Lu Yuning, seeing that she was dressed simply and should not be the eldest lady.

She continued to stand there inappropriately, and wanted to find an excuse to find Fu Yechuan.

As a result, it was the first to board.

Lin Chu’s face was slightly condensed.

After a pause, he looked at Lu Yuning with a smile:

“You are...”

Lu Yuning smiled gently:

“I was invited by Mr. Fu to take care of Master Fu, you are...”

Lin Chu said softly He said, “I’m a friend of President Fu. I’m just here to visit Master Fu. I originally wanted to surprise him, but I ignored the school’s vigilance. Next time.”

Chapter 2057

You are really useless

Lin Chu bent down and looked at Fu Yunche with a serious face, with a gentle voice:

“Yun Che, auntie will come to see you next time...”

Fu Yunche Raising his eyes, he reached out and shook his hand.

He still knows basic politeness.

Lin Chu turned and left happily.

Lu Yuning held Fu Yunche's hand with a smile, and smiled softly and gracefully:

"Master, shall we go home?"

She carefully took Fu Yunche's schoolbag and took his hand into the car.

Seeing her being so thoughtful and considerate, the driver couldn't help but feel happy for Fu Yunche.

Fu Yunche sat obediently in the car without saying a word.

He looked sideways at the window, and saw his good friend Su Lin through the glass.

Also saw a familiar woman.

It was the man who rescued him from the fire that day.

For a moment.

He was lying on the window with some excitement, watching Baba.

Too bad I can't speak.

He watched that beautiful aunt hugged Su Lin and kissed and kissed, Su Lin dodged helplessly, and the two ran out playing.

No shelf at all.

I remember Su Lin mentioned that he has a very beautiful aunt who loves children very much!

Is that her?

He looked at them enviously.

Lu Yuning next to him followed and saw Su Nan as well.

For a moment.

Her face was stiff and gloomy.

After slowing down, she put her hand on Fu Yunche's head and said softly,

"What are you looking at? Young master, I will be the one who will take care of you from now on. If you have anything to say to me." The

driver coughed in front of him. Can't help reminding:

"Miss Lu, you don't know yet, our young master can't speak, don't mention this, but he can write."

Lu Yuning nodded in shock, and patted Fu Yunche's head pitifully:

"Young Master Fu is really pitiful. It's okay to fall ill at such a young age. I will definitely live up to President Fu's expectations and take good care of Master Fu!" The

driver heard the words, tsk tsk, and shook his head.

“Anyway, everyone will work together in the future, so I’ll tell you the truth. Our Fu always looks down on this young master who doesn’t know where he came from. The reason why we keep it like this is that it’s not bad for this amount of money.

You, take good care of Master Fu . , he will naturally thank you when he grows up, but don’t think about it with Boss Fu. Before he got married, he had a son of unknown origin, and he didn’t look down on it himself! Boss

Fu has never seen it so far. Once, let alone care, he didn’t ask a few questions on weekdays.”

The atmosphere in the car gradually solidified.

The driver also sighed.

Fu Yunche lowered his eyes, concealing the loss and discomfort in his heart.

In this way, he has heard how much.

They thought he was dumb and his ears were not good, so he spoke recklessly.

But he is not deaf, and his ears are very useful!

Lu Yuning’s eyes flickered slightly, and he gritted his teeth:

“Mr. Fu, haven’t you been married twice? Isn’t this child born to his previous wife?” The driver chuckled, also aroused by gossip. :

“Mr. Fu’s marriage has long since been counted, and it’s not even allowed to mention it. If the young master really picked it up, it would be fine. If it was really born by the previous wife, Mr. Fu would even look down on it!”

He chattered endlessly. Speaking, he didn’t notice that Lu Yuning had quietly changed his face.

The second half of the drive was silent.

Even the driver felt that something was wrong, and he was understandable to gossip. He felt that a little girl of Lu Yuning’s age would definitely like to listen to gossip.

Gossip about it, but also to bring the relationship closer.

But he suddenly realized that he said too much?

Immediately, he did not dare to speak.

down to the apartment.

The driver went over to open the door for Fu Yunche.

“Master, have a good rest...”

Fu Yunche got out of the car and ran in.

Lu Yuning got out of the car, thanked him, and then kindly went after Fu Yunche.

“Little young master, it’s still early, do you want to come out and play for a while?” The

driver saw that Lu Yuning was so considerate, and felt that Fu Yunche had finally found someone who could take care of him.

Get in the car again.

Chen Mian called.

He hurriedly picked it up: “Assistant Chen?”

Chen Mian paused, and then asked:

“Pharaoh, how is the new full-time nanny doing?” The

driver Pharaoh was stunned and said with a smile:

” Yes, she is generous, patient and loving towards the young master. Just like the teacher, the young master does not reject her at all. She just wanted to take the young master out to play for a while and do her due diligence.”

“Got it.”

Chen Mian hung up the phone.

The driver sighed, of course he didn’t dare to tell others about gossiping about his master.

Otherwise he should be laid off.

Fu Yunche ran in, but it was empty and no one was there.

He had been standing there a little confused.

Lu Yuning followed in a hurry, and said softly:

“Master, we are the two of us living here. Your room is upstairs, you can just find any room to live in.”

Fu Yunche blinked at her and said nothing. Don’t say anything, just run up.

Lu Yuning sat on the sofa below and poured himself a glass of water without hesitation, not knowing whether it was for him or for himself:

“It’s really useless, even my own father doesn’t like you. .”

Fu Yunche’s footsteps froze slightly, his expression instantly dimmed, as if he was injured, he looked downstairs in horror.

But the next second.

Lu Yuning smiled and looked at him meaningfully:

“Young master, don’t play secretly, study hard, Daddy will care about you.”

She smiled softly on the surface, but Fu Yunche felt a coldness.

He pursed his lips, lowered his head and walked into a spacious room.

Before long, it was getting dark.

Lu Yuning came in with the towel and said with a smile:

“Master, shall I give you a bath?”

Fu Yunche’s body froze slightly.

He looked back at her as if his nerves were tense.

midnight.

Fu Yechuan’s phone was called over and over again.

He picked it up irritably, “Chen Mian, you’d better be in a hurry, it’s one o’clock in the morning.”

Chen Mian paused:

“I’m sorry, Mr. Fu, the young master suddenly has a fever, maybe he doesn’t adapt to the environment of the apartment, and he has already sent it to him. I went to the hospital.”

Fu Yechuan was silent for a few seconds.

“Got it, just go to the hospital.”

“Then do you want to take a look?” Chen Mian asked tentatively.

Fu Yechuan: “Isn’t there a nanny with you?”

Chen Mian was helpless and cautious:

“Mr. Fu, you are his father after all, so I hand him over to an outsider. If something goes wrong...”

Fu Yechuan was very irritable. , with a cold attitude:

“Understood, I’ll come over in a while.”

“Yes.”

Chen Mian hung up the phone, her heart shuddered, and she was finally safe.

He looked at Lu Yuning, who was standing at the door of the rescue room with a worried face, as if he was extremely scared and shivered.

He frowned slightly, but he didn’t expect Lu Yuning to take care of people on the first day, so he took them to the hospital.

His impression of Lu Yuning was not much better.

But seeing her crying anxiously, she still walked over:

“Okay, Miss Lu, President Fu will be here in a while.”

Chapter 2058

Sudden Killed

Lu Yuning was stunned for a moment, and seemed even more guilty and guilty:

“Mr. Fu is coming? Will he blame me for not taking good care of the young master? I really didn’t mean it, I don’t know. Why did he suddenly have a fever, the young master is so well-behaved and sensible, I can’t wait to suffer for him!”

Chen Mian paused, feeling that his attitude was too tough, which scared her.

“Don’t worry, didn’t you send him to the hospital in time?”

The doctor said that if you hadn’t brought him in time, the young master’s brain might have been burnt out.”

This is a near miss.

Otherwise, Fu Yechuan would have a stupid son, and the young master’s life would not be so good in the future.

Lu Yuning sniffed:

“Assistant Chen, please help me to beg for mercy later, don’t drive me away, I will definitely take care of the young master.”

Chen Mian frowned:

“It depends on what President Fu means.”

He didn’t want to . Say it again.

Turned around to the other side to go through the formalities.

Chen Mian left.

Lu Yuning changed his expression, glanced calmly at the door of the emergency room, and then sat on the chair beside him.

...

Su Nan arrived at the hospital late at night and came in a hurry with a document in his hand.

Find the corresponding ward, push the door and enter.

Su Nan lay there and almost fell asleep.

“Su Nan, you really slack off. I asked you to come at nine o’clock. It’s one o’clock in the morning now!”

Su Nan went in tiredly and smiled:

“I’m sorry, my driver has gone to work, so I can only wait for my husband to send me.”

“Your husband sent you, but you can’t drive yourself?”

“Have you ever seen a fairy drive?”

Sun Tan: “Heh..he’s downstairs? Why didn’t he come up?”

Su Nan paused, can she say that Shang Qian doesn’t want to come up to see her?

Of course it can’t be so direct, she said another word:

“He is the driver and can only wait downstairs.”

Sun Tan got up from the bed, took her documents and looked at it, and signed his name without any problems.

“Don’t worry, when the agreement is notarized by the lawyer tomorrow, all the property under Ge Zheng’s name will generally belong to me, and mine is yours.”

She smiled, thinking about Ge Zhengbai’s busy work, she felt Unstoppably happy.

Su Nan paused, “Sell it to me at half a discount, don’t regret it.”

“Of course not, it’s better than throwing it away, and I don’t want to mess with him.

Doesn’t he like to transfer property? I’ll let him Turn back honestly!”

Sun Tan’s tone was somewhat ruthless.

Su Nan raised her eyebrows, she was not interested in their relationship, but this time she was the fisherman who benefited from them.

So it is inevitable to care about a few words.

She smiled, “Okay, don’t think he’ll find it if you stay here, Ge Zheng is a thief, you’re almost done.”

Sun Tan smiled, “I know, I’ll just hide and sign it. , I’ll go back tomorrow.”

Su Nan put away the documents, “I’ll go first.”

Sun Tan: “Men don’t have a good thing, you have to take good care of your family!”

“Don’t worry about it.”

After Su Nan finished speaking, he opened the door and left.

She told Shang Qian on WeChat, and she went downstairs.

There are still a few seconds to wait for the elevator.

But as soon as the elevator opened, an unexpected person stood inside.

Fu Yechuan stood there with a stern expression, looked up to see her, and was stunned:

“Su Nan?”

Su Nan frowned slightly, then nodded.

Fu Yechuan pursed his lips, his body froze for a moment, and came out with a low voice.

“Why are you here? Are you sick?”

His concern made Su Nan feel uncomfortable.

She twitched the corners of her mouth:

“No, visit a friend, goodbye.”

She walked into the elevator and quickly pressed the down button.

Fu Yechuan opened his mouth, his eyes didn't mean anything.

He wanted to say something else, but the elevator door was slowly closing.

Look at the elevator until it reaches the parking lot on the negative first floor.

He still didn't move.

Until Lu Yuning came over, turned his head sideways, and called out in a soft voice,

“President Fu?” Before he arrived at the hospital, Chen Mian reported it in time. Fu Yunche has already come out of the emergency room and is currently observing in the ward. The fever also started to subside. He originally wanted to leave directly, but he came here, and it was nothing to come up and take a look. Who knows, will meet Su Nan again?

Fu Yechuan walked to the door, Chen Mian cheered up and walked over:

“Mr. Fu, it's much better. It's because of the fever caused by the cold. It is estimated that I will be observed in the hospital for a few days.”

Fu Yechuan nodded and looked at the time.

“Here, say hello from the school, and let people take care of the hospital.”

“Yes.”

After Fu Yechuan finished speaking, he turned around and left.

Not in the mood to pay attention to others at all.

Shortly after Fu Yechuan left, Lu Yuning came back and asked Chen Mian nervously:

“Assistant Chen, did Mr. Fu blame me?”

Chen Mian was taken aback.

I'm afraid Fu Yechuan didn't even remember her.

He paused, “No, you can take care of the young master with snacks in the future.”

Lu Yuning lowered his head and nodded.

I don't know if I heard it.

the next day.

Because Su Nan went to the hospital in the middle of the night, he slept until the third day.

Shang Qian didn't go to the company and planned to spend a day fishing with Su Yifeng.

When she woke up, he was still urging why the fishing tools prepared by the assistant hadn't been delivered yet.

Su Nan got out of bed sleepily, followed the sound, hugged Shang Qian sitting on the sofa from behind, and rubbed his neck:

"Going in a while?"

Shang Qian's voice was instantly dull, and he replied:

"Let's go together?"

"No, it's too boring."

Su Nan yawned and turned to talk to the children.

Shang Qian knew what she was looking for and smiled:

"Tell me that I was picked up by eldest brother and the others early in the morning, and said that I was going to attend Su Lin's small party."

Su Nan was puzzled: "Should she go and make trouble?"

Shang Qian raised his eyebrows happily, "Tell me she's very good. , the children all like her!"

Su Nan fell silent.

Did he mean his own daughter?

She touched her hair and went to the bathroom to wash up.

But as soon as I came out, the phone rang again and again.

Shang Qian was about to leave, but he hadn't forgotten to hand her his cell phone.

Su Nan took it, and Shang Qian took advantage of the opportunity to kiss her on the cheek. Just as he was about to say goodbye, he heard Yu Lou's voice on the phone:

"Mr. Su, Sun Tan died in the hospital last night, and the police called for surveillance. I found out that you have been to her ward, and now the police have come to you to find out the situation. For a moment,

Su Nan stood there in shock.

It seemed that he was in a fog and didn't know what happened?

"Who died? "

"Sun Tan, Ge Zheng's wife. Shang Qian 's

face turned gloomy in an instant, and he stood there silently.

He held her hand and patted her shoulder, which was trembling slightly from shock:

“It’s okay, I’ll accompany you. “

He coaxed softly, his deep eyes darkened.

Chapter 2059

forced her to jump off the building

and hang up.

Su Nan couldn’t digest the news.

She had only seen it a few hours ago, and she was so proud to say that she was about to be freed from a failed marriage.

How did she die?

Immediately.

She felt chills all over.

There was a chill on the soles of my feet.

The incident took her to the sofa and patted her shoulder lightly:

“I’m sorry, I should have gone up with you

last night.” Something must have happened last night, but Su Nan was too tired at the time. Did not notice.

He touched her face:

“It’s okay, you didn’t do it, I know it, it’ll be fine if you explain it clearly, and I’ll take care of the rest for you.”

Su Nan’s expression changed suddenly.

Grabbed his clothes.

“No, is it related to the incident that broke into our house before? Sun Tan knows me, did that person come after me?”

It was hard for her not to doubt herself, why did it have anything to do with her?

Shang Qian kissed the back of her hand.

He patiently calmed her down:

“Baby, don’t think too much, it’s all a coincidence, it has nothing to do with you, she’s about to get a divorce, it’s most likely her husband’s hand for property, don’t scare yourself. “

Shang Qian's voice was extremely low and gentle.

Su Nan slowly relaxed and the whole person gradually relaxed.

She took a deep breath, "I'm not too afraid, just a little uncomfortable, and I was watching her last night!"

"I know, I understand." As

he was talking, Su Nan's cell phone rang.

It's in the building.

She paused, then picked it up, Yu Lou was very calm:

"Mr. Su, I have asked the lawyers of the Su Group to go there, don't worry, you can also not show up."

Su Nan responded.

hang up the phone.

Shang Qian laughed, "Assistant Yu is quite attentive, he can do both company affairs and private affairs!"

Su Nan breathed a sigh of relief, with a bit of admiration:

"Of course, Assistant Yu is my eldest brother who finally gave it to him. Mine, I can do a great job!"

At the same time as changing the topic, it also diverts attention.

Shang Qian smiled, "Okay, why don't you take a break, since the lawyer is gone, you don't need to be so nervous, and you didn't do it."

Su Nan was silent for a few seconds, and then said lightly:

"To be clear, after all, finding the murderer is also beneficial to us."

She always felt that it was related to the person who broke into their house last time.

However, there is no clue.

She frowned and took a deep breath:

"I'm going to change clothes and then go to the police station. Will you go fishing with my dad?"

"Just kidding? How can I go fishing now? I'll go with you."

Shang Qian He stood up and went to the cloakroom to change his clothes.

Su Nan smiled and said nothing.

If he was here at this time, he might be better.

to the police station.

Not too surprised, I saw Ge Zheng sitting there with a pale face.

I don't know if it's really sad or just pretending, but it doesn't look very good.

With his back to Su Nan, he cried to the policeman in front of him with snot and tears:

"My wife died wrongly, how could she jump off the building by herself? Someone must have forced her, who was the last person who saw her? , oh, Su Nan, you can't cover up this matter because of her background, my wife can't die in vain!"

Su Nan was slightly shocked, frowning and looking over.

The policeman glanced at it, stood up, and walked over with a smile:

"Mr. Shang, Miss Su, you are here..." The

next second.

Ge Zheng's crying stopped abruptly.

He wiped away his tears, pretended to turn his head to look at them unintentionally, his lips were still trembling:

"Su...Miss Su, why did you force my wife to jump off the building?"

When he said this, He didn't even dare to look up at her.

Su Nan's eyes were condensed, and he took a deep look at Ge Zheng.

Behind him, Shang Qian walked in with her shoulders in his arms, and said in a low voice,

"The lawyer is inside, don't say a word until you see the lawyer."

Su Nan lowered his eyes and walked in.

For the investigation stage ahead, the police will not detain people for no reason.

Su Nan sat there calmly and glanced at the lawyer.

The lawyer nodded at her with a smile.

Su Nan took a deep breath and looked at the policeman in front of him calmly.

Shang Qian sat aside, although he had no sense of participation, the aura around him was condensed and cold, making it impossible to ignore.

"Miss Su, you went to the hospital at 1:15 in the morning last night, looking for Sun Tan, why?"

Su Nan took out a document that has not been notarized:

"Sun Tan asked me to go. Her husband cheated and transferred property. She noticed that the property was not guaranteed, and based on the asset evaluation of last year, she transferred the property under her name. Half of the property was transferred to me at 50% of the price.

She has evidence of her husband's derailment. In fact, even the entire property should be considered, but it will only make Ge Zheng heavily in debt, but she has left him a bottom line. "The

police took the document, especially the signature:

“We need to compare the handwriting carefully.”

“Of course.”

Su Nan raised an eyebrow, without a notary, it would be gone, only the signature, I don't know if it would be valid?

But that shouldn't be the concern now.

Officer Zhang on the opposite side: “Why did you go in the middle of the night?”

“She called me in the middle of the night and said that Ge Zheng seemed to know about her property investigation.”

.....

Su Nan said everything she knew lightly. come out.

The police also had a good attitude and let them go.

Ge Zheng was still crying out of breath.

Su Nan glanced at it and left with contempt.

The illegitimate child is about to be born, what are you pretending to be here?

She came out of it, got into the car, and rubbed her forehead.

Just feel a little out of place.

She has had the opportunity to deal with the dangers she has encountered in the past.

But this time, someone close to her was really dead, and she realized that the feeling was indescribable.

Shang Qian sighed and held her hand:

“Okay, don't be afraid. If you're tired, let's go home?”

Su Nan was taken aback and shook his head.

She looked at the driver:

“Go to the hospital.”

Shang Qian frowned, Su Nan paused:

“The surveillance camera that day showed that I was not the only one who could enter the ward, but after I left, how could she suddenly lose her mind? Definitely Someone went in after I left.”

Shang Qian was silent for a moment, and seeing that she was in a stable mood, he nodded and agreed.

“You didn't find anything unusual at the time, or, in other words, did you meet someone you shouldn't have met?” Someone you

shouldn't have met?

Su Nan was slightly shocked.

"Fu Yechuan?"

Shang Qian's eyes were instantly deep.

"What?"

"I was so tired at the time that I didn't take it to heart. When I went downstairs, I met Fu Yechuan who happened to be coming out of the elevator.

But he doesn't know Sun Tan..."

Su Nan said indifferently. She frowned, saying that Fu Yechuan killed Sun Tan, she hardly believed it.

This is not necessary.

Even if he really had hatred, Fu Yechuan would not be stupid enough to do it himself.

Shang Qian's dark eyes paused for a moment.

Chapter 2060

Strange and Not Strange

Faced with Su Nan's question, Shang Qian pulled his lower lip in response.

"It's not good to say anything!"

Meaningful.

to the hospital.

Except for the necessary floors, other places are still open as usual.

After all, the hospital is not an ordinary public place, and if a human life is lost, life-saving cannot be delayed.

Su Nan walked in with a heavy heart.

She is more pitiful to Sun Tan.

Although she brought all these pity on her own, but in the final analysis, it is still pity.

Can't blame a poor but unsaved person for being unpromising.

The closer to the floor, the more strange I feel.

Shang Qian contacted the dean in advance, and the dean also sighed and just came from the police station.

"Mr. Shang, Miss Su, what are you doing here? I believe Miss Su's innocence. Have you made it clear to the police?"

Su Nan smiled and nodded.

“President, what about your surveillance?”

Dean: “The police took a copy, and I have a copy here.”

If it was anyone else, he wouldn't take it out. They were all acquaintances, and Su Nan was the party involved. See nothing.

Su Nan and Shang Qian looked at each other and went directly to the dean's office.

The dean found out the surveillance, and Su Nan sat there, staring carefully.

The picture begins when Sun Tan is admitted to the hospital.

She was admitted to the hospital after five o'clock in the afternoon. She was not sick. In order not to make people suspect, she was given an injection of glucose.

Then I started to discuss with the lawyer boringly about how to protect myself after transferring the property.

Su Nan looked upset, and was about to fast forward when Shang Qian stopped him from behind.

“Wait a minute...”

Su Nan paused, “It's nothing here, should we focus on seeing who went in after I left the hospital?”

Shang Qian squinted his eyes tightly. He stared at a figure on the screen.

“This, is this Chen Mian from the Fu Group?” The

dean leaned over and nodded seriously:

“Yes, I remember that Chen Mian contacted me. It was the son of Fu Yechuan from the Fu Group who suddenly had a fever, and it was Chen Mian who sent him. I came here, and he was waiting outside.”

Shang Qian frowned, his face a little solemn:

“Is there only Chen Mian at that time?” The

dean stood there thinking, “It seems that there is a driver, and there seems to be a nanny?”

“It seems?”

Shang Qian asked in a low voice.

The dean knew that he had lost his words, and said quickly, “I didn't pay much attention to it at the time, and only received Chen Mian.”

He paused, “I'll ask someone to ask.”

Shang Qian nodded.

The dean immediately called the doctor at the time.

Su Nan frowned:

“Why do you ask this? Chen Mian is also a senior executive, he will kill? Isn't this digging a grave?”

Shang Qian smiled comfortingly:

“Just don't let any anomaly go. , Chen Mian may not, but who can guarantee that others won't? What's more, why did it happen by such a coincidence?”

Su Nan nodded, Shang Qian touched her face and comforted her with a smile:

“I would have taken you abroad if I knew, but it would be troublesome to stay here.”

Su Nan: “Don't, let's settle the matter, I can't want to leave behind my suspicions.”

“My wife is an honest and strong person!”

Su Nan smiled at the unintentional compliment.

Shang Qian laughed lightly from his chest.

Let her nervousness ease in an instant.

The two continued to watch the surveillance.

Until several doctors walked in one after another, and even took out a takeout for Sun Tan.

Then there was a long silence.

Until Su Nan went in.

During this period, in addition to the doctor, only Chen Mian was seen in the monitoring.

Su Nan didn't stay in for a few minutes, and came out in less than five minutes.

It's just that the camera goes to the elevator.

I saw how Su Nan and Fu Yechuan met head-on.

Shang Qian's face sank slightly for a moment.

His eyes changed a few times before he chuckled lightly:

“President Fu still loves his son very much, you see it's so late, he came back, it's really a father-son relationship!”

Su Nan nodded: “After all It's his son, although it hasn't been made public, it's no longer a secret in the circle.”

Shang Qian went further and further: “You saved his son last time, does his son look like him?”

“It's still a little bit different . Like, but... different personality, that child seems a little timid, Fu Yechuan and An Qi are not timid people, but this child is very timid.”

Su Nan frowned and shook his head, feeling a pity .

Shang Qian smiled: "You haven't read a piece of news, two genius parents will give birth to a mediocre child. It's not surprising because of his personality.

" Don't be afraid, don't worry about being bullied in the future!"

Shang Qian raised his eyebrows, that's right.

The two were talking, watching the surveillance and until Su Nan left, no one entered Sun Tan's ward again.

Then I heard someone jumping off the building calling for help.

Then, the whole floor was in chaos.

At that time, it was too late.

Su Nan's originally brisk face gradually became a little dignified.

No one went in, indicating that he was the last one who went in to see her.

It also shows that he is the biggest suspect.

Shang Qian's face was cold and his eyes darkened a bit.

He touched Su Nan's hair: "She may have jumped off the building by herself, and there is a reason why she can't think of it."

Su Nan: "She can't think of it, why did she sell her fixed assets to me?"

Their relationship has not been so good. superior.

was talking.

The doctor that the dean found came over.

A sound is also trembling.

Early in the morning, almost all those who had contact with Sun Tan's ward were questioned by the police.

As soon as the dean opened his mouth, he asked, "Young Master Fu came here, who else besides President Chen?"

" My friend, she is very beautiful, but as soon as President Chen left, so did she."

So the doctor didn't connect the woman with the Fu family at all.

Su Nan knew that Chen Mian had a girlfriend, so it was not surprising.

However, Shang Qian turned his head and looked over, his voice was cold:

"That is to say, when Chen Mian left, there was no one left to take care of Master Fu?" The

doctor frowned and shook his head:

“Our hospital also reminded the child at that time. The fever is going down, so I can’t be disturbed, and I didn’t see anyone next to Master Fu after that.”

Wen Yan.

Even the dean felt something was wrong and tutted.

Even if it is an ordinary patient.

But Fu Yechuan’s son was treated this way, without even personal care?

However, it is understandable to think that Fu Yunche was not valued by Fu Yechuan.

But Shang Qian kept frowning, his eyes darkened, as if he was thinking about something.

The dean asked vigilantly, “Mr. Shang, could it be that President Fu has something to do with this matter?”

If it really has something to do with Fu Yechuan, then his hospital is facing even more trouble.

Shang Qian smiled lightly: “Leave it to the police!”
