Chapter 2111

Being bullied

Su Nan looked sideways at him, in the darkness, his breathing was very light.

She knew that he was not asleep.

“Temporary? That is to say, the future is not necessarily?”

She herself has experienced unimaginable dangers.

So I don’t want people around her to experience it too.

Not everyone has this luck and survives the crisis again and again.

Shang Qian sighed lightly, with a bit of coolness in his tone:

“There may not be easy to give up, his aunt is the best at understanding people’s hearts, otherwise it is impossible to support the family for so long, but I can’t keep it forever. He stayed by his side.”

Mike has grown up and has his own mind.

Su Nan blinked, “Otherwise, don’t let him go abroad?”

“The field he is currently studying is what he is best at and likes. I have spent so long paving the way for him. There are top teachers in Europe, and he has only There, you can get the best education.”

Shang Qian’s tone was a little low and dull.

I don’t know if I’m tired.

“Sleep, baby, anyway, he won’t leave until he becomes an adult, and I can’t control him when he becomes an adult. Don’t cause trouble for yourself.”

He said, turning over and holding her in his arms.

After a while, his breath was long.

Fell asleep.

these two days.

Su Nan and Shang Qian were not at home during the day, and Su Yifeng had limited energy.

Only let people take these children out to play.

Fortunately they all listened to Mike, like an old hen with a flock of chicks.

The housekeeper uncle found a few people to go with him.

As if letting himself go, Mike took his younger siblings to the playground.

Su Lin's rare happy eyes were filled with excitement, and Xiao Yu'er jumped up and down and insisted on holding hands with the talking children.

Mike, as the eldest brother, directed the staff to inspect the facility and let them go up after ensuring safety.

Because Mike wouldn't let him clear the scene, it was rare for him and Su Lin to see such a lively place.

It is said that children do not need to be hugged, and they are happy to observe everyone.

Xiao Yu'er followed her sticky, as if she couldn't survive even a single step away from her.

Su Lin looked at the two brown sugar candies helplessly, he only followed Mike.

Mike held his hand: "Do you want to play the merry-go-round?"

Su Lin shook her head and pointed to the roller coaster in the distance:

"I want to play that."

Mike paused and frowned, "For you, it's a bit Dangerous!"

Su Lin looked at him sternly:

"It's not dangerous, I'm not afraid."

Mike hesitated for a moment, looked at Su Lin's pleading eyes, and agreed.

So Su Lin went to the roller coaster.

Talking about the children turning around happily, they ran to a pond with Xiaoyuer.

The water in the pond is very shallow, and many children are fishing around.

Fishing is a child's forte.

So she rolled up her sleeves to show Xiaoyuer a hand.

Before she could get in, someone next to her grabbed her skirt and handed a candied fruit:

"Tell me about my sister..."

Xiaoyu'er looked at the boy who was taller than him and was stunned for a moment.

Then there was anger on his face.

He pushed the boy with all his might to keep him from talking.

The boy was stunned for a moment, fell to the ground, and looked at him blankly.

Xiaoyu'er took the hand of talking:

"Last time he pushed you into the water, we don't play with him!"

Said the little boy was too young to have forgotten what happened.

Fu Yunche sat on the ground white and tender, biting his lower lip very hurt.

Aggrieved look.

He didn't know how to explain.

He wanted to forget what happened that day, but others wouldn't.

Xiaoyuer wanted to pull and talk about leaving, but said that the children would not give up the big fish inside.

Maybe it was Su Yifeng's words and deeds, the fish in the pond were really tempting.

She turned around and got in, very flexible.

Xiaoyuer followed helplessly.

Fu Yunche eagerly watched his sister leave, stood up weakly, and wanted to go in.

But he was suddenly pushed down by the children next to him.

The little boy saw him alone, and because his parents were there, he fearlessly provoked him.

"Go away, do you hear me?"

Fu Yunche's face was very sad and puzzled.

Also hurt.

next second.

Said that the child stood up from the side and pushed the arrogant child to the ground.

"You apologize, did you hear me?"

Talk about the child standing there majestic and domineering.

Although wearing a beautiful skirt, but the momentum is not lost at all.

She stared at the child dissatisfied, trying to go up and use her fists to solve everything.

The kid looked left and right to see his parents.

Seeing that it was not far away, he cried out with a wow.

Someone came to hear the sound.

Pick up your child.

Then looking at Fu Yunche and talking about them, he was very angry:

"Where is the child, how can you bully others?"

Xiaoyu said from the side:

"He pushed him first, I saw it all."

“I don’t care, I I didn’t see it, you are bullying people, I’ll go to the dean and ask for an explanation.”

Said the little boy standing there without fear, staring at her:

“Don’t go, wait, I’ll let my father I’ll teach you a lesson!”

He said that the child took out his children’s watch and called Shang Qian.

Xiao Yu’er stared at Fu Yun Che silently.

What a disappointment to meet him on a good day!

The parent with his son insisted on cheating.

Especially after seeing that the children’s phone watch is a limited edition of a certain foreign brand, I think it is a good opportunity.

Parents took their three children to the visitor center.

When I talk about it, I feel even more aggrieved, especially my child who is crying.

The other three didn’t cry at all.

The staff looked at it, and had no sympathy for this troubled aunt.

On the contrary, looking at the three pink and tender children standing there obediently, they felt good in their hearts.

It must be said that the three children are really exquisite and beautiful.

“Who did it first? Just apologise.”

The child who was lying on the ground and rolled around immediately started crying even harder.

“He should apologize first.” The

staff looked at the child like a rogue.

But nothing to say.

“Where are your parents?”

Said the little boy pursed his lips and said proudly:

“My daddy will be here soon.” The

parent snorted softly:

“That’s good, just to pay my son’s medical and nutritional expenses.

” What the person wants to say.

Little Mike ran over with Su Lin: “Is your sister okay?”

Talking about the little boy shaking his head, he went over to hold little Mike’s hand:

“That little boy bullied others.”

When little Mike heard this, he immediately became angry.

Without saying a word, he went up and pushed the child heavily.

The child’s shocked crying stopped, and he fell to the ground and looked at him...

Chapter 2112

Su Nan saves me

this moment.

Everyone around was quiet.

The parent looked at little Mike in shock, the yellow-haired and blue-eyed child, with a stern look in his eyes.

Talk about the children and Xiaoyuer clapping their hands happily.

Fu Yunche stood there blankly.

After a while.

The director of the amusement park rushed over.

He personally came forward to solve this matter, and naturally he was able to capture it.

Several children did not apologize to the end.

However, the parent did not pursue it any further. She was very satisfied with the conditions offered by the dean, and directly reduced or exempted all the fees for admission to the kindergarten.

The parents were very happy and left with their children.

After the dean finished processing, he wiped off his sweat and finally looked at the staff:

“In the future, this person will be on our blacklist, and we don’t need to let them in.”

“Yes.” The

dean turned his head and changed a smile . Looking at them:

“Come with me to the office, the business manager will be waiting there.” Said that when the children were excited, they dragged the little fish and ran away.

Su Lin frowned and looked at Mike:

“Brother, why didn’t Uncle come here?”

Mike glanced at him and raised his eyebrows: “What is the use of a butcher’s knife to kill a chicken? You are too young to understand!”

“Oh.”

Only Fu Yunche was hesitant to go over.

After all, this matter started because of him, but said that his sister’s daddy didn’t invite him.

He was struggling, Su Lin went over and took his hand:

“Yun Che, come with us, my uncle is a very gentle and kind person, he likes children!”

Fu Yunche nodded heavily after hearing this. .

Shang Qian was waiting in the dean’s office, casual and leisurely.

He didn’t bother to quarrel with a shrew by himself.

But about his precious daughter, he was reluctant to be bullied.

So he came and waited in person.

Open the door.

Talking about the child running in with the corners of his mouth bent, he rushed into his arms with a smell of milk:

“Daddy...”

Shang Qian couldn’t help but raise the corners of his mouth, and hugged her on his lap. .

“Whose troubled little girl is this, who secretly escaped without fear of Daddy and Mommy being anxious?”

Said the little friend pointed at the group of people behind:

“Brothers!”

Shang Qian didn’t really blame them, just looked at them. Mike, said with a smile,

“I’ll let you go today for the sake of avenging your sister.”

He didn’t blame Mike for his impulsive behavior.

Because that’s for talking about kids.

All should be!

Mike smiled, “Thank you so much!”

Finally, when Fu Yunche came in.

Shang Qian’s eyes narrowed slightly.

He turned to look at Xiao Yu’er and beckoned:

“Come on, the most obedient and honest Xiao Yu’er, tell me who did it first, and my uncle won’t turn the tables.”

Xiaoyuer smiled, of course he knew that Uncle Shang Qian was gentle and kind.

He is the best-tempered daddy.

He obediently ran over and hugged Shang Qian's arm and acted like a spoiled child:

"Someone pushed him, saying that my sister was brave to help."

Shang Qian's eyes flashed, and he knew immediately.

Everything is clear.

His eyes swept over Fu Yunche darkly.

Fu Yunche lowered his head subconsciously, then raised his head again and looked at Shang Qian:

"I'm sorry."

His voice was young and hoarse, as if he was not used to speaking, but he tried his best.

Shang Qian frowned slightly and raised his eyebrows again.

"Forget it this time, Master Fu, if you are bullied in the future, don't expect a woman to stand up for you, you still have to take some responsibility."

Fu Yunche's face instantly turned red into cooked shrimp, and he nodded hot and hot.

He secretly clenched his fists, he will definitely become very powerful to protect his sister.

Shang Qian squeezed the little boy's face, and said with a sincere smile:

"And you, we're really brave, but others are boys and don't need your protection.

You see, Xiaoyuer has always protected you . Yes, I also want Brother Su Lin and Brother Mike, you have to hide behind when something happens!"

Talk about the little boy clenching his fleshy fist:

"No, I'm Ultraman!"

Shang Qian: "... ..." on

New Year's Eve.

Everyone gets together for the New Year.

Shang Qian really integrated into this family, relying on his sweet mouth.

It is rare for Su Yifeng to not focus on beating Su Qi in the new year, but chatting with Shang Qian, very comfortable.

When Su Nan was keeping the year old, she watched and said that the child was asleep, and then she crept back to the room.

The phone on the bed lit up again and again.

Su Nan saw that it was Qin Yu.

She smiled and picked up happily:

“Miss Qin, before midnight, do you want to pay New Year’s greetings?” Qin Yu was silent for a few seconds before shouting in

a hoarse and twisted voice:

“Su Nan save me!”

one second.

The phone is hung up.

Su Nan’s face sank instantly, and suddenly there was a bad premonition.

She ran out with her phone.

——Qin

Yu’s story is coming to an end.

Shen house.

Qin Yu looked at the mess in front of her eyes, and the suffocation in her heart came up without hesitation.

Shen Liang was also beaten with injuries all over his body and blood all over his body.

Looking startling.

Qin Yu wanted to save him, but the person behind her tightly strangled her neck, as if torturing her on purpose, and a cold breath surrounded her.

No matter how much she cried, it was useless.

This should have been a good day for family reunion.

She never dreamed of it.

Mo Xian would break in with someone.

That kind of bloodthirsty momentum, as if no force can stop it.

Just like this, she broke into her ordinary life that had been settled.

The people he brought smashed all over, and everything she and Shen Liang carefully arranged at home were destroyed.

Mo Xian seemed to be destroying Qin Yu’s life in his own way.

Shen Liang’s skill is not bad, but compared with the people brought by Mo Xian, he is also at a disadvantage.

It's just that he can't beg for mercy, especially in front of his own woman.

It is a hard bone whose innate dignity cannot be trampled on.

The more this is the case, the more ruthless Mo Xian's subordinates are.

One by one, it was more powerful, as if it was about to break his bones.

In the end, Qin Yu couldn't help but collapse.

She knelt down and begged for mercy, begging him to spare Shen Liang.

Mo Xian finally had a proud look in his eyes.

Satisfaction, vanity is ruthlessly satisfied.

But the next second.

Taking advantage of the moment he was relaxing, she ran frantically to the bedroom to lock it, took out the spare mobile phone on the bedside, and made the last call.

It's just that the phone only had time to finish a sentence.

The door was knocked open.

Mo Xian came in like a ghost, his eyes were cold and dark.

He pressed closer, took the phone from her hand, and turned it off in front of her.

Seeing her panicked look, Mo Xian was in a good mood and admired it.

Qin Yu was terrified all over.

"Mo Xian, what are you trying to do? Can't I kneel down and apologize to you?"

Mo Xian approached, staring at her step by step.

"No."

He had changed a lot from before.

He was still a soul longing for freedom.

And the body craves power for the incompetent.

Even if he used his marriage as an exchange, even if he cheated in marriage, he had been struggling for half his life.

But now, there was a terrifying chill all over him.

He was skinny as if he was skinny, but he was extraordinarily thin and powerful.

The gleaming light in his eyes was like a very hungry lone wolf.

He is here for revenge.

Chapter 2113

I Don't Want to Divorce

Mo Xian squeezed Qin Yu's chin and said with a heavy stern:

"Seeing that you are doing so well, I remember all the words you said before.

It's just that I don't understand why you suddenly don't love two people who are clearly in love with each other. You didn't

even give me a chance to correct.

Qin Yu, tell me, why? "

Qin Yu couldn't breathe because she cried. People are completely different from what they used to be radiant and beautiful.

She was embarrassed to death.

Even in the Longtan Tiger Den in City C, she had never been so afraid.

The life and death of Shen Liang outside is uncertain, and she herself does not know if she will be able to live this New Year.

She used to roam in all kinds of men can be handy.

But it is also attentive to every real relationship.

Especially Mo Xian.

It's just that she didn't expect that Mo Xian would always think about it, and it would be a humiliation to dump her on him.

Now, he wants to pay her back with interest.

This is retribution!

Qin Yu cried and didn't have the strength to answer, but Mo Xian didn't give her a chance to hesitate at all.

She never knew that her desperate look seemed to make his blood boil.

Mo Xian's eyes darkened, not wanting to feel wronged, he tore off her clothes and put them on.

Qin Yu struggled even more, but being dominated by him, he had no power to fight back.

Mo Xian smelled her breath and reacted even more violently.

He grabbed her neck with one hand and threatened her fiercely:

"You'd better not resist, Qin Yu, unless you want the men outside to die."

Qin Yu was sluggish for a moment.

She was struck by lightning.

Mo Xian was blatant, as if he didn't care whether what he did was illegal or not.

He was just using his own violent way to destroy her.

How long has he been standing below her.

He watched Shen Liang go in and out of her place.

That kind of heart-wrenching, it seems that no one cares.

But he himself knew that his whole body seemed to roll over an iron plate in pain.

For Shen Liang.

She no longer refused, stiff as a puppet.

But Mo Xian knew how hot she was, and was unwilling that she had become so cold now.

Why compromise for a Shen Liang?

right in their room.

He frantically took everything from her, forcing her to be forced to cater.

Seeing her in pain makes him feel better.

after the end.

Qin Yu was spoiled like a rag, but Mo Xian was satisfied.

"Can you spare us?"

she asked in a hoarse voice.

As soon as it came out, the tears couldn't stop falling.

heard.

Mo Xian's face sank immediately.

He dressed in a leisurely manner, with a sneer at the corner of his mouth:

"Let it go? This is just the beginning, Qin Yu, take your time."

Qin Yu stood up suddenly, looked at him hysterically and shouted:

"What do you want to do? We've been separated for so long, and I've been married for so long, why are you still haunting me?

Don't forget that when I was with you, it wasn't a few good days. Why can't you let me go?"

She suppressed the ferocity in her heart, as if lava was about to erupt.

Mo Xian stared at her dangerously and sharply, and a dull pain flashed on his face:

“You said you didn’t care, then you cared, and I got divorced, but you left, leaving me with nothing.

Qin Yu, you Now tell me that you haven’t had a good life for a few days?

Could it be that you married Shen Liang, and the picture is the good life he gave you?”

Mo Xian’s black eyes were cold and cold, and his tone was even colder.

If so, then the woman he saw was a woman who admired vanity.

In the eyes of outsiders, their relationship is not accepted by the world.

But he doesn’t think so.

Qin Yu has a flamboyant personality, but when they are together, it is the happiest time.

If she is someone who is not aware of the world’s perception.

In her capacity, she wouldn’t take a fancy to herself who had not yet divorced.

Obviously they will be able to pass the rain soon, why did she suddenly turn around and leave?

“Since you got married, I’ve been waiting for the day you left, but I’m waiting, Qin Yu, how can you get better and better with him?

Don’t you love me?

I can do whatever you want. I can give it to you, I no longer have to look at other people’s faces to argue, now I have everything, you can come back.”

Mo Xian’s eyes were red and bloodshot, with a bit of madness and coldness.

He squeezed her neck and loosened it a little, looking at her breathless expression, his expression was a little less grim, and he looked at her softly and heartbroken.

Those hands touched her face with a soft, rough feeling:

“Qin Yu, come back to me, no one dares to say anything, point at us, let’s start again.”

In his eyes Finally, the flame of hope ignited.

Seeing Qin Yu crying all the time, his hand touched her leg, with a hint:

“Look, we have always been very compatible, haven’t we?

I know, you also like it very much, that Shen Liangshou What, I don’t mind, if you get married, you can still get a divorce.”

Qin Yu gritted her teeth and covered her face while sobbing, her whole body shivering coldly.

She could feel that Mo Xian had changed.

become not what it used to be.

After she got married, she deliberately didn't know about him, just because she was afraid of what she thought about him.

But when she didn't know it, what Mo Xian experienced must be something extraordinary.

She was terrified deep down.

She has a superior life since she was a child, but she is a little unruly in her way of doing things.

But she was still timid.

She has been imprisoned in the frame of Qin's mother since she was a child, and it can be seen that she can't get out.

She is flamboyant, but law-abiding.

Mo Xian's words completely frightened her.

divorce.

She never thought about it.

She and Shen Liang are planning to have a child, and she has already begun to envy the stable life of Su Nan and Shang Qian.

She can too, just one step closer.

Qin Yu's voice became hoarse when she cried, so she looked at him:

"I don't want to divorce, I don't want to divorce, Mo Xian, let's go, and pretend you haven't been here today."

She sat up and was about to pick up her clothes put on.

But Mo Xian grabbed the clothes and threw them on the ground.

His eyes were full of aggressive coldness:

"Don't want to get a divorce? It's fine, I don't mind, just go with me." After speaking

, Mo Xian pulled her up and walked out just like that.

Qin Yu was wearing only a shaky satin dress with suspenders, and she was almost naked.

Mo Xian just took her out without hesitation.

The atmosphere in the living room was not so tense.

Maybe you know what your boss is doing there.

They smiled tacitly, just rummaging through the house.

The safes were pried open, the cash and gold diamonds inside were piled on the ground, and the documents were scattered on the ground.

Seeing this scene, Qin Yu's eyes flashed slightly.

But looking at Shen Liang, who was beaten in an immature form, his heart ached, and he felt that his heart began to twitch.

She jumped up uncontrollably.

"Shen Liang..."

Chapter 2114

Hope and those who have fallen

on the ground are already dying as if they are lifeless.

Not only has his nose bruised and his face swollen, but he also has multiple scars on his body.

It's just appalling!

Qin Yu's whole body began to shiver with chills, panic and sadness came all at once, and he kept calling his name.

But got no response.

For the first time she felt her body and soul were separated.

Looking at her pain and sadness, she could not wait to die with Shen Liang.

That kind of tearing was something she could never imagine in the first half of her life.

Overnight, her world was destroyed.

Look at her sad look.

The subordinates that Mo Xian brought were obviously a little guilty.

Although Mo Xian's face was unhappy, he was not too worried.

He glanced at his subordinates, did he do it again while he was in?

The subordinates shook their heads quickly, to clear the relationship:

"I didn't touch him, it's because his life is too delicate, just kicked twice and that's it, but there's still breath. Boss, do you need to deal with it?"

They are familiar with such things .

One by one are people who are used to doing it, and don't take human life as life.

Mo Xian looked at Qin Yu, she heard the conversation and her face turned pale.

She hugged Shen Liang's head tightly, looking at them with unconcealed hatred in her eyes.

Mo Xian didn't hesitate, looked at the time, and went straight to pull people up:

"Let's go, there are fifteen minutes left for New Year's Eve, let's not waste time here."

Qin Yu was dragged by him and staggered, almost fell, and his shoulders were completely exposed.

Seeing this, his subordinates looked away involuntarily.

But there are also bold ones who glance at this hapless but beautiful woman with a playful smile.

But Mo Xian suddenly sank his eyes and threw the coat in his hand on top of her.

“Put it on and follow me.”

Her husband was dying, how could she compromise?

She threw away his clothes, her pale face with a sneer that seemed to be absent, and her eyes were full of sadness:

“Go away, I’m not rare, get out of my house with money, Mo Xian, you will have Retribution, if you have the ability to kill me, even if I become a ghost, I will ask you for my life!”

She no longer compromised, her eyes were full of hatred.

She hated Mo Xian so much, she hated him so much that he broke into her home without any scruples, hurt her, and hurt her husband.

Disrupting her original good life!

Mo Xian stared at her quietly for a few seconds, his eyes were dark and deep, and he couldn’t see the bottom.

He didn’t say much, just glanced at the man closest to her, then raised his foot and left.

The subordinates understood and went forward to fold Qin Yu’s hand behind it and tie it up.

Regardless of whether she was in pain.

The other person took a few steps forward on the ground very cooperatively, picked her up and walked out.

It seems that all this has been done many times.

Qin Yu shouted in horror.

But her voice only echoed in the air, without the slightest response.

In this closed villa area, no one came to rescue her.

The security system doesn’t seem to play a big role in the face of the real villains.

“Mo Xian, you murderer, I won’t let you go!”

The

man who looked at her sneered and slapped her skin exposed in the air.

He said contemptuously:

“Shut up, our boss is not afraid of anything, you are happy to serve him well, and naturally you will not treat you badly. If you move again, I will let you run naked here!”

Qin Yu shivered at his words.

Mo Xian in front also heard it, and his footsteps paused slightly.

He turned to his side, his eyes dark and cold.

The man immediately shut his mouth in fright.

The car stopped not far away.

Qin Yu looked at the lights that were gradually getting farther away, a little blurred into a ball.

It seemed like her life was completely irreversible.

Shen Liang didn't know his life or death there, and she suddenly felt ridiculous for the absurdity of her predecessors.

She is Miss Qin, and she has been a figure in the circle of celebrities since she was a child.

Even if it is not high or low, but the starting point is there, she still married Shen Liang and lived a prosperous and rich life.

But now, she can feel that her good days are coming to an end.

Mo Xian is like a deep well that cannot be seen to the end.

He dragged her in desperately, but there was no chance for her to jump up.

After throwing her into the car, Qin Yu fell on top of Mo Xian.

Those subordinates looked at her maliciously, and their eyes gradually became unscrupulous.

Maybe Mo Xian will reward them after playing enough?

After all, they have never played such an expensive lady!

The spring light on Qin Yu's chest was exposed, but before her eyes, she no longer had any sense of shame.

Trapped in the dark, she was in no mood to think about anything else at all.

She sat there, her eyes blank.

The car just started.

Suddenly I saw an oncoming car.

Very familiar pull wind yellow.

Qin Yu was shocked, it was Shen Liang's mother Qiao Fan.

She called before saying that she would not keep the year old with them, but she unexpectedly came over.

Qin Yu seemed to have seen a life-saving straw, and was about to lean towards the car window to call for help.

But the next second.

A hand behind her tightly covered her mouth, preventing her from making any sound.

Her facial features are hideous and want to slap every opportunity that can be slapped.

This is her last chance.

But the next second.

Hearing Mo Xian's low and stern voice as if from hell, ringing in his ears:

"If you dare to speak out, I will kill her too, Qin Yu, don't mess with me."

He did what he said.

heard.

Qin Yu seemed to have had her soul taken away.

calm down.

She bit her lip tightly, not daring to make a sound.

As if for fear of revealing his own voice, which would bring the slightest danger to Qiao Fan.

What a gentle and kind person Qiao Fan is, she loves Qin Yu so much and doesn't mind all her shortcomings.

She can't hurt her mother-in-law.

With tears in her eyes, she watched the car pass by her side.

Perhaps, she went in time to bring a trace of life to Shen Liang!

Qin Yu was in extreme pain. On this New Year's Eve, she seemed to have opened the door to hell.

Mo Xian, who had been silent beside him, finally moved.

"Qin Yu, as long as you are obedient, I won't touch them." In the darkness.

Qin Yu heard his threat.

She suppressed the trembling all over her body:

"Why are you? Mo Xian, why are you?"

Mo Xian chuckled, his voice low and long:

“Why? That’s because you don’t know what happened to me during this time. , Qin Yu, haven’t seen you for more than a year, you really haven’t cared about me?”

His hand was on hers.

Feeling her trembling and trembling, she smiled even more, with a bit of sadness.

Speechless along the way.

The windows were blocked by a layer of black, which made it impossible to see the outside, and the inside could not be seen from the outside.

When the new year comes.

There were fireworks outside, and people’s shouts and blessings were everywhere.

The stars twinkled and the moon hung high.

There is not even a cloud in the sky.

It was so beautiful that it matched the rise and fall of the fireworks.

At this very moment.

Mo Xian clenched her hand tightly and gently put a kiss on his mouth.

The voice did not know whether it was sincere or hypocritical, and said to her:

“Happy New Year.”

Chapter 2115

No one dares to save you.

Qin Yu fainted in the midst of great grief.

Everything she was worried about was unknown.

She could only make a doll that Mo Xian kept in a bottle for people to watch.

When she woke up again, she was in a completely unfamiliar room.

Everything from last night rushed into my mind.

She sat up suddenly, her face pale.

The unfamiliar environment made her feel more insecure.

She wanted to get out of bed, but suddenly tripped over something.

Look down.

A white nylon rope was tied to the ankle.

She couldn’t stop sinking.

The panic was instantly soaked in the blood, and that feeling was entangled in her heart like a dead silence.

And nothing she could touch was a weapon that could threaten others, not even a vase.

The tight strings in her heart suddenly snapped, and she screamed violently.

finally.

Someone approached and pushed the door in.

Mo Xian was wearing a black shirt and trousers, and his face was still cold.

“Wake up? I’ll bring you breakfast in a while.”

“What are you doing? Didn’t you get the money? Besides the safe, I still have money. I’ll give you all the money. Let me go. Please let me go!”

Qin Yu’s voice was hoarse, and her throat didn’t recover overnight.

She didn’t forget the eyes of Mo Xian’s subordinates when they saw the gold and silver jewelry in the safe.

So she bluntly expected that they came for money.

But looking at Mo Xian standing there unmoved.

He sneered, and there seemed to be a bit of coldness and sarcasm in his eyes.

“Money? Qin Yu, I don’t want money, I want you.”

There was almost deadly despair in the air.

“Why? Do you hate me so much?”

Qin Yu looked at him in disbelief.

She did not expect the end of a relationship to be such a serious consequence.

Mo Xian looked at her for a few seconds, then walked forward slowly.

Sharp with a deadly deterrent.

He pinched her chin with no warmth or pity in his eyes:

“Hate, especially seeing you live so well, I hate it even more.

You don’t know, after we broke up, I once deliberately approached you, But they were all driven and ignored by you as rubbish.

Qin Yu, how could you treat me like this!

We are the people of the world, regardless of the world, regardless of everything, I live in fear every day, and you? Follow Shen Liang to become popular Spicy?”

Qin Yu's eyes widened, holding back her tears, she asked,

"So it's me who you want to take revenge on, you want to kill and hit me, why did you move him, why!"

Even if she was beaten herself Life is better than death, and I don't want anything to happen to Shen Liang.

Because this is her fault, because everything comes from her.

What did Shen Liang do wrong?

Since they got married, he has loved her and taken care of her, never neglecting her in the slightest.

She felt that this life was like this, that she had accumulated virtue in her previous life.

But when she thought of Shen Liang's accident because of her, she felt that her heart was suffocated, and it was terribly uncomfortable.

Mo Xian stared at her and sneered:

"Why would I be willing to touch you? Qin Yu, I understand you, and hitting you won't make me angry at all.

I want you to fall in love with me again, and let you taste what you can't get from love, Then I will consider whether to let you go!"

Qin Yu was shocked and looked at his dark eyes in disbelief.

After Mo Xian finished speaking, he sneered, took a step back, and wanted to leave the room.

But Qin Yu said suddenly:

"It's impossible, what you did will be known, and you will be brought to justice. I have already made the call from last night, and someone will come to save me soon!

" Xian paused, smiling a little sarcastically.

mocking her naivety.

"Miss Qin, you are really well protected by the people around you. You are still so black and white, or you are naive. Bring it

to justice? If the law could punish me, I would have died several times. There is still a chance to stand here?

Qin Yu, give up, no one will save you."

His words made Qin Yu feel a chill in his heart.

An eerie coldness rose from the soles of her feet, and she felt a strong fear in her bones.

He treats the law as nothing.

He's going to drag her into hell.

She didn't understand, why did Mo Xian become like this?

At the beginning, even if he was forced to be helpless, he would not walk outside the boundaries of the law so openly.

Now Mo Xian is simply lawless!

Mo Xian's eyes were filled with an unseeable gloom.

Like a deep sea, with mortal danger.

He threw his hand away fiercely, Qin Yu was thrown to the ground, and the rope on her feet made her skin hurt.

But now, it's nothing at all.

She looked up at him, with tears in her eyes.

Mo Xian looked like Shura in the dark, and didn't care about her tears at all.

He patted her face humiliatingly, as if he was patting a pet:

"You are a smart person, you should understand, and you can live by being obedient, that Shen Liang didn't protect you by himself, he died when he died, Don't feel bad, it's just a man.

What is a man to you? "

Qin Yu kept playing with men.

What she likes, she can go all out to get everything.

She hasn't tasted the feeling of being powerless in a relationship, right?

There was a trace of success in Mo Xian's eyes.

Seeing her helpless appearance, he felt inexplicably happy.

But after the happy time, my heart was empty, and I felt a little uncomfortable and unwilling.

He walked out the door without hesitation and went downstairs.

Several subordinates downstairs were sitting there talking and laughing. When they saw Mo Xian down, they stood up unconsciously:

"Boss, is that woman awake?

" How much is known.

It's nothing more than being a junior and causing the boss to divorce.

The eldest got divorced and dumped the eldest, and married another richer and more powerful man.

Such a woman, they all agreed to teach her a lesson.

If it weren't for her background, it would not be easy to get close to her.

They had long since tied people up spontaneously.

Why do you have to wait so long!

Mo Xian nodded: "You've worked hard, there's nothing going on at the Shen family, right?"

A wretched thin man smiled:

"Of course not, Shen Liang was sent to the hospital, and he hasn't been rescued yet!

In the eyes of the police, that is, Miss Qin quarreled with Shen Liang and became angry. After the two started, Miss Qin called for help and beat Shen Liang half to death and escaped."

Everyone looked at each other and smiled meaningfully.

Mo Xian also twitched the corners of his mouth.

The indifference between his eyebrows is more than others.

Seeing that he was in a good mood, the thin man rubbed his hands together and asked,

"Boss, how does this woman feel? Is it good for training?"

This sentence was already suggestive.

Chapter 2116

The life-saving straw is an

instant.

Mo Xian's face instantly sank, and his eyes raised his head grimly.

The people next to him looked at him wrong.

He immediately went to hug the thin man and scolded:

"Is it too embarrassing for you, this woman is different from the one in the clubhouse, in the clubhouse you can play whenever you want.

But this boss brought back to prepare for his own training, don't worry about it. !" The

thin man also looked at the signs of something wrong, and smiled embarrassingly and stepped back:

"I just said, people come from a wealthy family, and they are rich and precious, don't I feel fresh? Do n't worry, boss, you don't talk, I'll have one. No finger will move her!"

Mo Xian's sternness gradually faded away, with a bit of indifferent sarcasm on his face:

"Looking at how unpromising you look, what a great birth you are, that woman turned off the lights, didn't she? All the same?

Tonight, I will take my brothers to sell gold cave, and find the most expensive one."

Thin man's eyes lit up, and the anxiety on his face instantly disappeared:

“Thank you, boss!” The

others did too . Happily with anticipation.

Mo Xian looked at the information on his phone and paused:

“I want to go out, find someone here to watch her.”

The fat man on the side suggested:

“Let Amei come? She is obedient and sensible, maybe she can persuade her. Miss Qin looked away sooner.”

Mo Xian’s face was tense, he threw the car keys over without objection:

“You go to inform her, and then take it, I want to go out.”

“Yes.”

The fat man followed Mo Xian out the door, and the thin man secretly wanted to go upstairs to take another look at the woman.

The person next to him pulled him out:

“Can’t you see that the boss is unhappy? Dare to think about it?” The

thin man smiled innocently:

“I just looked at it twice, did you sneak up when you carried it up last night? Ever?”

“Fuck you!”

The place was quiet.

As if isolated from the world.

Qin Yu walked around the room in a trance.

She wiped all the positions within the diameter of the rope.

Nothing sharp, not even the corners of the table.

Not to mention a phone call.

I heard the movement of the car gradually driving away.

She was refreshed.

She was still wearing the same clothes she wore last night, exposing a large area of her skin.

The chill attacked her, and Qin Yu felt goose bumps all over her body.

She didn’t have time to think about it, and started to untie the ropes on her feet.

But the rope was either thick or thin, and the buttons were tied in a special way. No matter how hard she tried, she couldn’t get her to untie it.

She was trembling and nervous, her beautiful and delicate fingernails were all broken, and blood was soaked out.

Why?

Why hasn't anyone come to rescue her?

Shen Liang didn't know what was going on, she really didn't have a moment to calm down.

She deeply realized what it means to be anxious.

If something happens to Shen Liang...

She dared not think.

In the future, what will you do?

She moved in a hurry, and several fingernails were broken.

But the rope showed no sign of loosening.

Her eyes suddenly blurred, as if she couldn't hold on anymore.

Sitting there thin, hunched over, even his shoulders began to tremble violently.

She has never experienced this.

The hardest time she has ever experienced was when she was accused of being a junior.

She has always been the most comfortable Miss Qin.

Even if you fail, there are countless opportunities to succeed.

The life that has always been surrounded by happiness and luxury, the innate sense of superiority, made her never expect that she would fall to the point where she is today!

The violent shock brought her back to reality.

Mo Xian hated her so much, even caring about human life.

Why is he so reckless?

Qin Yu was confused, but she tried to calm herself down.

She whimpered helplessly.

I prayed in my heart that Su Nan, who received the call last night, could find a way to save her!

But vaguely, as if to hear the movement of the car.

She got up and looked at the window.

Still the same car.

He actually came back.

Qin Yu felt a little cold in her heart and kept sinking.

But the next second.

The person who pushed open the door and got out of the car was not Mo Xian, but a little girl in her twenties.

She seemed to be aware of Qin Yu's gaze, and she also looked up.

Qin Yu frowned slightly, always feeling familiar.

Seems like I've seen it somewhere.

suddenly.

White light flashed in her mind.

correct.

Is the "heard" bar!

If she remembered correctly, when she and Su Nan often went there, they often met people who sold drinks, and the little girl in front of her was one of them.

The reason why I was so impressed is because Su Nan felt bad for her to work for tuition fees, and bought wine from her several times.

My name is Amei.

Amei disappeared in a blink of an eye.

Qin Yu stood there in a daze, listening to the sound of footsteps approaching gradually.

look back.

Amei pushed open the door and came in. With a little baby fat on her tender face, she looked at her with a smile:

"Miss Qin, I was hired by Mr. Mo to take care of you. If you need anything, you can tell me."

Qin Yu looked at her fixedly, opened her mouth, and hoped in her heart:

"Do you know me?" A

Mei nodded.

Qin Yu gritted her teeth: "Then can you let me get out of here? Or help me call the police, or notify my family!"

She looked at Amei expectantly.

In the impression of Amei, she could endure the bullying of others for the sake of a few commissions.

"When I leave here, I will thank you very much, you can do whatever you want!"

Amei looked at her with a somewhat apologetic look on her face.

She couldn't fulfill any of the conditions she mentioned.

Amei shook her head and stood there, very obedient and honest:

"Miss Qin, I can't help you with this, Mr. Mo won't let you go, if I let you go, he... he He won't let me go."

Qin Yu frowned: "I'll let the police arrest him, he broke into the house and hurt my husband, and even forced me to lock me up here, everything is enough. He's already in prison!"

Amei's face paled a bit.

I don't know why I had such a big reaction when I heard the words in Qin Yu's words.

Just looking at her, there was a bit of unintelligible light in his eyes.

Qin Yu couldn't understand.

Just frantic.

She finally saw a person she knew who took Amei as a life-saving straw!

Amei lowered her head and remained silent. She didn't know what to think, so she kept silent.

But the next second.

A voice came in gradually from outside.

She shuddered violently.

The man's voice was low and cold, with a hint of danger:

"Really? So you think so and want me to go to jail?

Miss Qin, is it being too polite to you by locking you here?

Or Say, find a few men to relieve your boredom?"

Mo Xian appeared at the door.

His eyes looked at Qin Yu coldly.

Chapter 2117

The appearance of Mo Xian, the real hell, made Amei heave a sigh of relief.

Amei took a step back in time to get out of the way.

It was just behind him that Amei's eyes changed somewhat complicatedly.

She adores and admires.

Qin Yu froze all over, and the whole person was still very embarrassed.

Her face was as pale as paper, and she couldn't see any color:

“Mo Xian, what are you trying to do? If you want to take revenge for dumping you, then you will kill me. Why do you torture me like this?”

“torture? What kind of torture? You haven’t seen the real hell yet.”

Mo Xian’s tone was cold and sarcastic.

“Don’t you want to know that Shen Liang is still alive? Let me tell you, he was lucky and was rescued, but he has two broken ribs and he hasn’t woken up yet.”

Hearing Mo Xian’s words, Qin Yu relaxed. The body slowly stiffened.

It’s just that the light in his eyes is on and off, and he doesn’t know whether to be sad or happy.

She really wanted to see him!

Looking at the expression on her face that seemed to be both happy and sad, Mo Xian felt inexplicably tingling in his heart.

“It’s a good thing that he didn’t die, Qin Yu, if you dare not listen to me, I’ll make him never wake up.”

Qin Yu raised his head suddenly, staring at him with a split eye:

“Why are you so lawless? ?”

Mo Xian laughed lightly:

“It’s up to me to decide, you have to learn to understand the current affairs, otherwise, I have a way to train those who are disobedient!”

He squeezed her chin, as if looking at her. A furry pet.

Just a little bit of force can crush her to death.

After he finished speaking, he turned around, passed by the door, and looked at Amei expressionlessly:

“Since she is disobedient, you don’t need to feed her at night, just lock the door and rest.”

Amei nodded with a smile.

After Mo Xian left, her eyes were still glued to him.

Qin Yu suppressed her emotions, she knew that she couldn’t collapse.

As long as Shen Liang is still alive, it is good to be alive.

There is hope in life.

Then as long as she can leave here, she can see Shen Liang.

Qin Yu covered her face and took a deep breath.

She looked sideways at Amei who was closing the door:

“Are you his?”

Her voice was hoarse, but calm enough.

Amei thought this sentence had another meaning, and nodded embarrassedly.

Qin Yu pursed her lips and looked at her with complicated eyes:

“In the bar, you are still a student, why do you want to hang out with someone like him? You don’t go to school anymore?”

Since Amei can’t help her, she should know the enemy’s situation Always!

Cursing people all day will only wear down Mo Xian’s patience.

If he doesn’t want to tie her up and wants to kill her in the future, what will she do?

Amei’s movements slowed down, and her expression was indescribably subtle:

“I can’t afford it, my mother took my student loan to my brother, and I really had nowhere to go.

Fortunately, Mr. Mo rescued me. Qin Yu snorted: “

How can he be so kind? Didn’t he treat you as a nanny?”

Amei shook her head and opened her mouth, trying to explain.

She is not a nanny.

But think about it, she and Mr. Mo were just like that once, and he never looked for her again.

Although he gave her generous remuneration and a stable job, in his eyes, she was like an invisible person.

But it was enough to see him from a distance.

When she was called to take care of Miss Qin, she knew that Miss Qin was different to Mr. Mo.

“Miss Qin, Mr. Mo is a very good person. If you talk to him well, he won’t be angry.”

Amei said patiently.

Qin Yu sneered and sneered: “He’s a good guy? You’ve all been deceived

by him! Let’s see if he’s doing what a human can do?” Amei pursed her lips, looked at her and said, “Anyway, he’s a good person, Miss Qin, you can’t eat tonight. What would you like to eat tomorrow morning?” Qin Yu was so angry, how could she still be in the mood to eat? She turned her face away, “Don’t eat.” Amei lowered her eyes, turned her head and left silently. downstairs. Watching two tall men, one fat and one thin, come in. A smile appeared on her face. The thin man happily ran over: “Sister Amei, I knew you would come back.” When Amei heard his name, she lowered her head shyly and remained silent. The fat man put his fist on the thin man’s shoulder and coughed: “The boss is back?”

A Mei nodded: “Go back to the room, what do you want to eat, I’ll cook it for you?” The

thin man rubbed his hands and gave her a wink:

“The boss is back in the room, what are you still doing here? Hurry up. Follow along and serve!”

Seeing what he said so frankly, Amei's face couldn't help turning red.

She lowered her head, and her face was so embarrassed that she seemed to be dripping blood:

"Don't say it, Mr. Mo didn't let me go up, he asked me to take care of Miss Qin." The fat man glared at him:

"That's right, don't stay there. Make trouble here, be careful that the boss is angry, and you're done!" The

thin man curled his lips in dissatisfaction:

"I'm not wrong, the boss is only rare when he thinks he can't get it, that Miss Qin is married and loves him. Ignore it, he still took so much trouble to rob people.

If I want to say, even if it is revenge, it is not difficult to directly create an accident and kill their family.

If you have to get around, you just want to conquer such a thing . How bad is our Amei ?

She is also his woman. She is still obedient and obedient. Amei, if you work hard, you will really become our sister-in-law in the future.

We don't want a married woman to become ours. Sister-in-law!"

A Mei's face flushed red as the thin man said yin and yang in a strange way.

At this moment, heavy footsteps came from upstairs.

Make everyone's face change.

"Ali, when will my affairs be arranged by you?"

Everyone didn't know when Mo Xian came, and how much did they hear?

It's just his exit.

The faces of the people below instantly became solemn, and the shyness on Amei's face disappeared.

She was almost afraid to look up at him.

The thin man Zhang Li suddenly raised his head and smiled with a stiff face:

"Boss, I'm just talking, I don't mean to disrespect Miss Qin."

Fatty Guo Tong nodded again and again:

"Yes, boss, don't do anything to your brother because of a woman, He is powerful in his mouth, but he still knows it in his heart."

Mo Xian walked down awe-inspiringly. One hand tied the cufflinks of the other sleeve, his movements were gentle and cold, and the expression on his face was somewhat gloomy and stern: "It's best to have a few, but since you like

Amei so much, let her follow you in the future.

“

As soon as the words came out.

Everyone present was stunned.

Amei's face turned even paler.

He looked up at him in disbelief.

Although Mo Xian never minds that the woman beside him is given to the brother beside him.

Before going out to play, others gave Mo Xian, and Mo Xian would also give them to them without hesitation.

But until now, the only woman who could actually climb onto his bed was Amei.

Chapter 2118

is just a test.

This Amei was sent to his bed because he had to be drugged.

After that, he paid off the debt for Amei and found a job for her, so there was no more.

But in the hearts of many brothers, especially the thin.

He had long thought that since Mo Xian could touch her, he must have liked her.

And that Qin Yu, who liked to hook up before getting married, was not honest when she got married.

I take it for granted that she is just a J girl from a better background.

Compared with a clean and clean college student like A Mei, it can't be compared at all.

So he can think about Qin Yu unscrupulously, but he won't contaminate Amei.

But I heard what Mo Xian said.

The thin man was obviously shocked, and looked at Mo Xian in a panic:

“Boss, you know that's not what I mean, how can Amei follow me?”

Amei stood beside her, her face pale, but she bit down Lips are about to bleed.

silent.

Mo Xian ignored it and looked up at A Mei:

“What do you think?”

Although it was a question, Mo Xian didn't mean to ask her for advice.

Amei also knew that this was not a discussion with her.

She didn't know how to answer, she just kept her head down in silence.

Guo Tong, who was still on the side, saw that the atmosphere was not right, and kicked the skinny man on the knee.

With a thud, the thin man knelt down.

Guo Tong said with a smile:

“This stupid donkey must have been too busy recently, so he will be thinking about something, and his eyes are on the woman. Boss, it’s better to leave the goods this time, let Ali go.”

Ali was surprised. He raised his head and looked at Guo Tong:

“Old Guo, you...”

Guo Tong glared at him fiercely, and Ali knelt there for a while, not knowing how to speak.

He was also looking at Mo Xian’s face.

Mo Xian glanced at him coldly, but he couldn’t hear any warmth in his voice:

“The old man hasn’t moved yet, let me tell you when the time comes.”

Guo Tong turned his eyes and followed his topic:

“Boss, the old man trusts you more and more, but he still refuses to take you to his higher level, because he is afraid that you will steal his credit? Or can’t he trust you?” Hearing this

, the thin man also came to the spirit. , Just as he was about to speak, Mo Xian gave him a wink.

Everyone immediately understands.

Amei stood there, pursing her lips wisely, “I’m going to cook first.”

She returned to the kitchen, and the rest of the people breathed a sigh of relief.

Mo Xian looked at the tension, and said in a cold tone:

“If you keep your mouth shut, there will be no next time. I will leave you to the old man, and he will naturally make you honest.” The

thin man smiled flatteringly: “Don’t . Boss, I know I’m wrong.”

Mo Xian retracted his gaze, raised his chin, and the thin man hurriedly stood up.

Only then did he answer Guo Tong’s question slowly:

“Whether it is doubtful or robbing merit, what I want to know most is who is standing behind the old man?”

Only by knowing who is standing can he bring down the old man, Take that seat.

Only he can truly occupy half of the underground kingdom.

Instead of just being the puppet of the old man.

Guo Tong pondered for a moment, then said slowly:

“Boss, we have also analyzed before that the people behind the old man are either high-ranking officials or wealthy businessmen.

But the most likely is a wealthy businessman who can help the old man launder money.

Here, The Fu Group and the Su Group are the most likely.

So you brought Miss Qin over to test their movements?”

Guo Tongyi said, as if suddenly enlightened.

Mo Xian raised his eyelids, but his expression didn't change that much.

Silence is an admission.

Zhang Li suddenly widened his eyes:

“So that's how it is! Boss, why didn't you say it earlier, I thought you really missed that Miss Qin!”

Guo Tong chuckled lightly:

“Boss's meaning can still follow What do you say? The boss deliberately asked Miss Qin to go to the bedroom to make the call for help, didn't he just want to let go of the wind? Let's see who saves people clearly and who saves them secretly, right? “

Mo Xian finally lifted his eyelids. Glancing at Guo Tong.

There was some admiration in his eyes.

“If the people behind the old man are Su and Fu, they will definitely come to me through the old man, and it will be easier to get close to them.

Fu Yechuan seems to be law-abiding, but his hands and feet are clean and others can't catch him. When I was doing business, if I wanted to cooperate with him, I had to look at people's faces. His power was not as simple as it seemed.

As for the Su Group, Su Jin desperately took the Su Group to a clean place in order to leave a clean property for his sister. Who knows if there are ghosts in it?

Both of them are related to Qin Yu, and they are all related to An Qi. If An Qi is dead, then Qin Yu is our only bait. “

It's also the best bait.

Su Nan will not die if Qin Yu has an accident.

Qin and Shen have a close relationship with Fu's group. No matter what aspect, they will catch up with Fu's line. No

matter how you look at it, they are all A very good move.

The thin man Zhang Li nodded suddenly, but turned to look at Mo Xian in confusion:

“Boss, but if you want to test them, why don’t you just grab the eldest lady of the Su Group?”

She is the eldest lady of the Su Group and the ex-wife of the Fu Group, no matter how you look at her, I think she is the most suitable! Mo Xian’s

eyes became cold and stern.

Guo Tong on the side looked at Zhang Li with a meaningful smile:

“You caught her today, and before the old man could speak, we were blown up here.

Whoever dares to touch that woman will die. Her husband is not easy to mess with. If you don’t believe me, try it?”

As soon as he said that, Tension’s face changed.

He smiled shyly: “Aren’t you hurting me? If the boss dare not move, you let me move?”

Guo Tong snorted lightly, turned his head and continued to look at Mo Xian, and said ,

“Boss, so far, the two of them haven’t moved, and their attention is on Shen Liang. We do not know when we will hear the news, and we are afraid that the old man will know our purpose!”

Mo Xian pondered, his face cold and gloomy:

“He won’t know. He knows everything about Qin Yu and me. Why did I rely on him in the first place? Didn’t I just get dumped by Qin Yu?”

Now that I get it back, the old man will only think that I am taking revenge.”

Thin Man Tension nodded, feeling very reasonable.

It was just that Guo Tong glanced at him inexplicably and said nothing.

A Mei came out after finishing the meal, and said softly,

“It’s dinner, Mr. Mo, do you want to invite Miss Qin down too?”

Mo Xian’s expression remained the same, and his tone was cold: “No, you won’t die from starvation.”

She still has the strength to play the drama of Liang Shanbo and Zhu Yingtai dying here.

It’s annoying to look at!

Amei nodded.

Guo Tong politely walked over and thanked him before starting to eat.

The thin man is like a starving ghost reincarnated, he eats when he sits down.

They don’t have to abide by any rules, and Mo Xian won’t be picky.

Ah Mei is standing there waiting for Mo Xian to take the seat...

Chapter 2119

Is he better than me

but the next second.

Mo Xian just stood up and glanced at them:

“You guys eat, I still have something to do.”

Amei looked at his back as he went upstairs in disappointment.

Loneliness was written all over his face.

This is a meal she made with her heart!

Guo Tong called her over:

“Amei, you can eat it too, you’re welcome.”

Amei pulled her lips and smiled before walking over:

“Maybe Mr. Mo is not used to the food I cook, I have to study hard. That’s it.” The

thin man Zhang Li smiled: “No need, the

boss has always been very picky. His meals are cooked by special people, and he won’t eat what others cook.”

Embarrassedly smiled:

“Really?”

...

Upstairs.

Qin Yu squatted in the corner, like a psychopath, in a state of embarrassment and without a trace of spirit.

Mo Xian pushed open the door and came in, and she trembled all over.

But don’t say a word.

Mo Xian raised his eyebrows, walked over, took out the sharp knife around her waist, and cut off the rope under her feet.

Qin Yu looked at him in surprise, her eyes full of vigilance:

“What do you want to do?” When the

two of them looked at each other, Mo Xian lowered his head and pointed in the direction of the bathroom:

“Go take a shower and change your clothes. Clothes, I don’t want you to stink here, and I have to trouble Amei to come in and clean up.”

Qin Yu gritted her teeth, stood still for a second, then stood up against the wall.

She hadn’t eaten for a day, and when she just stood up, there was a momentary darkness in her mind.

A hand next to her held her arm tightly, wishing she could break her wrist.

Qin Yu was in pain, took a deep breath, and made a painful sound.

Mo Xian let go and sneered:

“It’s all this time, and you’re still so squeamish.”

Qin Yu glared at him and walked towards the bathroom with disgust and anger.

Mo Xian’s eyes sank.

When Qin Yu closed the door, a hand suddenly stopped her.

“What are you going to do?”

Mo Xian had a wicked smile on his face:

“I’ll wash it for you.” “No

need.”

.”

Saying that, he hugged her on the sink, and a strong kiss followed.

His actions were tough, a bit more presumptuous and impatient than Mo Xian back then.

But the more shocking change was that there was no more tenderness in his eyes, instead it was a kind of gloom and deepness that she couldn’t understand.

Even when he was most out of control, his eyes were always the same as those of a poisonous snake, as if he wanted to kill someone anytime, anywhere.

No matter how much Qin Yu cried or struggled, it was useless.

The more she struggled, the rougher his movements.

There was not the slightest joy in her memory.

Back then, they did it emotionally, so each other was the beneficiary.

Now, they are all torturing each other.

I don’t know how long and how many times.

In the end, Qin Yu’s consciousness was in a trance, her voice was hoarse, and her whole body was groggy as if she had been peeled off.

She seemed to know that Mo Xian helped her take a bath before taking her out and putting her on the bed.

He didn't leave, just lay beside her.

When about to fall asleep.

She heard his rough and hoarse voice lingering in her ears:

"Is he better than me? How can you really fall in love with him, Qin Yu, you are finally back with me."

...

A night without dreams.

Qin Yu had hardly slept well before because of the huge shock and panic.

I slept soundly that night because I was so tired.

The people next to her don't know how long they have looked at her.

The emotions in his eyes are changing.

Finally, he sighed and lay down beside her.

When you open your eyes again.

There is no one around.

The room was still empty.

Qin Yu got up suddenly, and luckily found that the rope that tied her was gone.

As if she was free, she jumped off the bed.

next second.

The door opened.

The smile stiffened on his face.

It was A Mei who opened the door and came in with porridge and side dishes:

"Miss Qin, are you hungry? Eat something before going to bed?"

Qin Yu paused, as if someone had punched her in the chest.

Stuffy and painful.

Her plight has not changed.

Even a meal depends on a person's face.

She didn't want to eat a grain of their rice, but she didn't want to die here either.

Shen Liang is not dead yet.

She had to go out and find him alive, she owed him, she owed too much.

She's not just seeing him as a marriage partner she can rely on.

Shen Liang's tolerance and love made her a little soft and changed.

She has long been in love with her husband.

It's just this long-lasting love, and I thought there was a lot of time to talk about it.

Looking at it now, it's a pity.

She always caused him all kinds of trouble, and Shen Liang taught her to do things while teaching her to be a person.

That gentle and pure person, in addition to making money, is coaxing her.

And now because she's in a coma in the hospital.

How can she be at ease?

Think of this.

Qin Yu looked up at the person at the door:

"Okay, I'll eat."

Amei smiled, walked in, and saw that she had changed into a brand new dress, but there were still a lot of ambiguous marks on her chest. There seemed to be an explanation for the movement last night.

Amei quickly lowered her head to hide her gaze.

She forced herself not to look, but her smile was a little forced and pale.

"You haven't eaten for a day, so you can't eat too greasy food. First pad your stomach, and I'll make you what you want to eat at noon."

Qin Yu looked at her, frowning slightly, thinking of the inadvertently exposed marks on her chest, disgusted He lifted the skirt up.

She sat on the ground and looked at the kind that even the tableware and chopsticks were made of stainless steel, because they couldn't be broken?

Really thorough!

Qin Yu's eyes were indifferent, and she took a deep breath to calm herself down:

"Where's Mo Xian?"

A Mei pursed her lips slightly, and seemed to have a subtle smile:

"Mr. Mo is out, don't worry, he told you if you Obedient, I won't tie you anymore, you can move freely in this room."

Qin Yu sneered, showing no appreciation at all.

In this room, what's the difference between a dog and a dog?

Amei watched her eat here, her eyes kept looking at her with curiosity and some strange emotions.

Qin Yu raised her head suddenly, startling her.

"Amei, what do you think I'm doing? But why are you here?"

In her eyes, Mo Xian probably forced it.

Unexpectedly, Amei paused:

"He helped me before, and I will help him too."

Qin Yu frowned, she didn't care about the entanglement between them at all.

Amei is not a standout and beautiful, but she looks simple and indifferent, and it is easy to deceive.

Mo Xian didn't like this type at all, because it was too similar to his ex-wife.

Qin Yu didn't think about their relationship to another level at all.

"You know, what business is Mo Xian doing now? If you keep me here, you won't be afraid of causing trouble?"

Amei stared at her for a few seconds before opening her mouth:

"What he's doing is an illegal business. In your opinion, money laundering, traffickers, and underground venues are all commonplace, aren't they?"

Miss Qin, you should be familiar with these, don't you often go to bars and clubs to have fun? "

Chapter 2120

his woman

Qin Yu raised her head stiffly and looked at her in disbelief.

Not because of what Amei said behind, but in front of her.

Money laundering, traffickers, and underground sensual venues, is this what Mo Xian is doing now?

She seemed to be stuck in something.

The blood of the whole person is slowly coagulating.

No wonder, no wonder he is now defiant and unscrupulous.

Even disregarding the law, she broke into her home, beat people, robbed people, and imprisoned them.

It turned out to be beyond legal limits.

He's on a path of no return!

But because of this news, Qin Yu was completely panicked.

If he is not afraid of anything, how can he leave his palm?

A Mei smiled and comforted her:

“Miss Qin, since you are here, you should stay at ease. It will be better if you listen to him.

We women can live only if we obey!”

Qin Yu groaned in her heart. .

It was just that her face turned pale, her eyes slowly moved to her face, and she frowned:

“We? What is your relationship with him?”

Qin Yu noticed it later, Ah When Mei mentioned Mo Xian, her expression was different.

She was so stupid and so careless.

Could it be that just by helping each other, a college student with a bright future can spare no effort to stay with such a person?

Unless it is a very intimate relationship!

really.

Amei lowered her head shyly and looked at her timidly:

“What is your relationship with him, what is my relationship with him, but don’t worry, I won’t do anything to you, I’ll be happy to stay by his side. Satisfied.

There used to be a lot of women here, but as soon as you came, Mr. Mo drove everyone else away, leaving only you and me, I will take good care of you. “

Qin Yu’s heart kept sinking, It was like falling into an abyss, and it was terribly cold.

The meal I ate just now also felt a little nauseating.

Looking at the innocent and innocent A Mei, she felt a chill in her heart.

He opened his mouth, not even knowing what to say.

I don’t know whether to condemn such ignorant but “tolerant” A Mei, or to condemn Mo Xian, the initiator!

She sneered.

It turned out that when he hated himself so much for dumping him, he thought he was in pain.

But there are many beautiful women around him, and there are more than one, so why do you hate yourself so much?

They have already ended completely, why should they disrupt their original life?

Seeing Qin Yu’s helpless and shocked look.

Amei blinked innocently:

“Miss Qin, are you alright?”

Qin Yu gave her a complicated and deep look, and pursed her lips:

“You are his woman, so you let me stay here with such a big heart?

You Aren’t you afraid that I will use some means to drive you away?”

Amei’s face turned pale, as if panicked:

“Miss Qin, don’t worry, I know that Mr. Mo likes you the most, I won’t argue with you, I I just want to stay by his side!”

Looking at her appearance, Qin Yu seemed to see herself standing beside Mo Xian a few years ago.

Isn’t that so reckless?

No, it’s not.

At that time, I was completely kept in the dark.

She was torn apart inside, and it was extremely uncomfortable.

Seeing that she was not in the mood to continue eating, Amei packed up the tableware and was about to leave.

Hearing Qin Yu suddenly stop her:

“Your silk scarf is very beautiful, can you lend me a hand? I don’t even know who this dress belongs to, it’s so disgusting.”

The traces Mo Xian created on her body are all too obvious.

If you bring a silk scarf, it will cover the traces.

A Mei looked at it, lowered her head, put the tableware on the ground, then took off the silk scarf and handed it to Qin Yu.

Qin Yu pulled the corner of his mouth and took it.

Seeing Amei bending over to take the cutlery again, her eyes became cold, she took a step forward, and the silk scarf was wrapped around Amei’s neck from behind.

Amei struggled in horror, but Qin Yu almost used all her strength to press her down.

Her eyes were scarlet and cold, she stared at Amei, and wrapped a silk scarf around her neck:

“Don’t blame me, I don’t want to hurt you, who made you and Mo Xian go together, I don’t care about your generosity, what the hell Stay here by yourself!”

She said, under Amei’s terrified look, she slammed her elbow against Amei’s head.

Amei’s head was hit on the ground, her face turned pale.

Slowly, she lost her strength to struggle and fell to the ground.

Qin Yu took a deep breath, and she abruptly got up from Amei.

The trembling hand reached under Amei's nose, and there was still a faint breath, not dead.

That's good.

Qin Yu was afraid.

She is more afraid of accidentally murdering.

She didn't want to become the same person as Mo Xian.

After calming down, she stripped off Amei's clothes without hesitation and put them on by herself.

Then he took the quilt off the bed and put it on Amei.

She was too late to dress Amei.

Just want to take this opportunity to get out of here.

It was rare for her to think so fast. She had observed from yesterday that only Mo Xian and two men, one fat and one thin, came and went, plus Amei, there were four people.

Originally, she was still hesitating whether there would be anyone else in other places.

Amei said just now that many women originally lived there, but before she came, they were all driven away.

She boldly guessed that there was no one else elsewhere.

Isn't this a good opportunity?

Qin Yu imitated Amei's appearance, tied her hair back in a ponytail, jeans, a white shirt, and a silk scarf.

The purest shape.

Seen from behind, they are about the same size.

Even if someone finds out, for a while, it's impossible to tell if it's her or Amei.

Qin Yu clutched her chest and tried to calm herself down.

Her heart was about to jump out of her chest.

Before leaving, she glanced at Amei on the ground.

Then leave without hesitation.

She ran downstairs, it was quiet and there was no one there.

But no phone either.

Qin Yu ran out excitedly, and did not forget to check the surrounding situation carefully.

There is nothing special about this single-family house, except that there is not a single car outside.

The car was driven away by Mo Xian.

She was about to run out to take a taxi, when suddenly she saw an inconspicuous old electric car leaning against the door of the villa.

She ran over excitedly, but there was no key in the car.

Qin Yu's lost heart sank, suddenly remembered something, and went to touch the pocket in Amei's trousers.

Sure enough, there was a small key.

She was so pleasantly surprised that she plugged it in directly, just right!

Qin Yu hasn't ridden an electric car very much, but she has ridden a bicycle, so it's probably about the same.

She rubbed her hands, went up, and fell two or three times in a row, and her arms were bleeding.

But I didn't dare to delay, I gradually found the trick, and rode carefully to the hospital.

She wanted to see Shen Liang for the first time.

to the hospital.

She didn't even need to ask, she went directly to the VIP floor.

There were no bodyguards on the floor.

Too late to think about it.

Find it room by room.

In the innermost room, she finally found Shen Liang.

Qin Yu excitedly pushed the door and went in...
