

Divorce 2471

chapter 2471—One No Dog Dare to Gnaw Me

Ning Yue stood there, even if he had a trace of fear for Fu Yechuan in his heart, he couldn't let himself have the slightest stage fright.

She brewed her emotions for a moment before narrowing her eyes and slowly walking in.

Looking at the man standing there motionless, he couldn't help but speak

'
"I thought who was so rude, casually entering and leaving other people's private spheres, it turned out to be President Fu, then there is nothing curious, after all, people who can do this kind of thing, except for you, there will be no second."

Her yin and yang strange qi did not let Fu Yechuan scold back violently.

On the contrary, it was a unconventional attitude, his eyes were sideways, his eyebrows were clear

'
"Who sent you back?"

He could obviously see clearly upstairs just now, but he wanted to hear her say it in person.

There was everything about Zhou Songyi, he checked it clearly, and naturally remembered his car.

Obviously he came to apologize and reconcile.

But when I saw the scene just now, I unconsciously wanted to be angry.

This woman is really restless!

His indifferent attitude made Ning Yue feel very inexplicable.

She wrinkled her eyebrows, walked in, and leaned rambling against the wall

'
"Is there too much in charge of President Fu, does it have anything to do with you who sent me back?"

It's you, what are you doing, and who let you come to my room? The

evening light was brilliant.

It seems that the sunset takes special care of Fu Yechuan, and his whole person is shrouded in a layer of light, thin and faint, very unreal, as if it was deliberately done under the lens.

Waited for a moment.

Fu Yechuan finally turned around, his cold and indifferent eyes swept over, and his tone was a little low

"You still slept in my bed, in and out of my bedroom at will, and you also took the initiative to kiss me, I think that our relationship is no longer limited to ordinary friends, what is wrong with me entering and leaving your bedroom?"

His natural appearance made Ning Yue deflated for a moment.

What kind of robber logic is this?

She immediately stood up straight, her face was ugly, and corrected him

: “Don’t say it so ambiguously, I am a nurse, so I will enter and exit your room at will, and we sleep in the same bed, but nothing happened, it doesn’t mean anything!”

“Huh, you regret that nothing happened?”

The man’s voice was hoarse.

“I don’t, you don’t want to be a gentleman’s belly with a villain’s heart!”

Ning Yue immediately refuted.

The man wrinkled his eyebrows and looked at her for two seconds, his throat moved, and his eyes were sharp and cold

“The heart of a villain? Then you take the initiative to kiss me is also my villain’s heart? Why don’t I know that you are still a master who turns his face and does not recognize people? Ning

Yue wrinkled her eyebrows, listening to his tone was still a little sad.

What the?

She sneered: “I said I didn’t mean it, you should be gnawed by a dog, okay?”

“No dog dares to gnaw me!”

Ning Yue looked at him

speechlessly

, “So what? I apologize, do you still have to carry this matter?

Then you preach it everywhere, anyway, it’s not me who suffers.

She knew that Fu Yechuan did not dare to say it.

Because he didn’t want people to know about his injuries, and he didn’t want to be known, he spent so many days with a woman.

The explanation is not clear!

Ning Yue didn’t suffer a loss in this, if he dared to say it, maybe the business of the bar would be better!

But she had a clear conscience.

Fu Yechuan looked at her silently, his Adam’s apple rolled slightly, and the emotions in his eyes surged up and down, forgiving and restrained.

He was angry, but he also knew something was wrong with him.

He looked away and looked at the delicate little white flowers raised on the balcony, and his mood suddenly calmed down a lot.

At last.

His voice was faint and he reopened
his mouth

“I’m not here to quarrel with you, I’m here to make it clear to you, last time I didn’t mean to mention
the rich to stimulate you, he is not a good thing, let alone worthy of being compared with me, it’s not
your fault that you met him

...”

The words of apology are so difficult to say, he does not have a “sorry”, but he is explaining, patiently
explaining.

But this explanation made Ning Yue’s eyes red instantly.

My heart seemed to be blocked by something, and I was breathless heavily.

She interrupted his nonsense
bluntly,

“Enough, what the hell are you trying to say, why do you mention Nian Dafu over and over again.”

That’s right, I’ve been married, and the person I’ve married is still a rich scumbag, and you don’t need to
remind me from time to time to let me not forget my identity.

Isn’t it just a kiss to you, I have already apologized, what else do you want?

Your last wife slept with you, are you so careful? Isn’t

it just about revealing people’s scars?

Who wouldn’t be like.

He can mention old wealth.

Why didn’t she dare to mention his previous wife, who was said to be a terrorist?

Huh, who is much better than whom?

Fu Yechuan’s eyebrows were cold and hard, and his face became gloomy.

The corners of his lips tightened, and he stared at her deadly, his chest rising and falling.

It seems that she was not lightly angered by her words.

The air was silent for a few seconds.

Both men quieted down.

Light and shadow interlace.

Ning Yue took a deep breath, with a bit of helplessness and a look of admitting defeat, with a bit of
impatience

on her face “Well, it’s overstated, the sense of boundaries is still very important, so, either you say how
can you not hold on, I really know it’s wrong, I shouldn’t covet President Fu, I’m just confused for a
while, Never dare again.

She said with a particularly low posture, but her heart was particularly unconvinced.

The more unconvinced, the more aggrieved.

Gradually reddened his eyes.

Because I felt that I was unbearable and humble, I was fiercely exposed.

Because I thought of what the bright teenager Zhou Songyi said in the afternoon, in the school playground.

He worshipped her as a god!

And now she is in front of Fu Yechuan, like a puddle of mud, ensuring that she has no covetousness for him.

She regretted a little, in the afternoon, why didn't she promise Zhou Songyi?

How nice it was to promise him!

She was never a person who wronged herself emotionally, and that marriage shattered her, but she still fled without hesitation.

She should go to someone who holds her, takes care of her sensitive and suspicious heart, and protects her only self-esteem.

She's crazy, she'd rather trade ten years of life now for going back in time.

If time goes back, she will never go to Fu's house, let alone kiss him in a ghostly way.

As a result, it is now impossible to end.

Right now.

The atmosphere was stalemate and cold.

Silence for seconds.

Fu Yechuan's cold expression changed slightly.

He seemed to have a bit of panic on his face.

But it soon disappeared.

He obviously didn't mean that.

In front of her, she is bright and beautiful, with outstanding facial features and a stubborn look.

She stood there with red eyes, looking at him with indifferent eyes.

Fu Yechuan's heart seemed to have been pinched fiercely.

It hurts and can't speak.

She admitted her mistake and apologized, and Fu Yechuan's eyes became even more gloomy and cold.

chapter 2472—You Can Chase Me

“I’m sorry.”

Fu Yechuan’s voice was low and blurted out.

It seems that this apology, which has been brewing for a long time, is not so difficult to say.

Something that can be solved in three words, why should he make things worse.

Watching her feel uncomfortable, watching her apologize, watching her indifferent, he didn’t feel much better.

He only had one feeling, and that was that he had messed things up.

Very bad.

Ning Yue still thought that she had misheard and raised her eyes to look at him.

The eyes reflected Fu Yechuan’s well-defined face, shrouded in light, clear and good-looking.

He was silent for a moment, and his voice was deep

“I came to apologize, what I said just now was not appropriate, I take it back, you don’t take it to heart.”

We are friends, I didn’t mean to look down on your past, you can break free from the past marriage, brave and upright, there is nothing to blame, I will not mention it in the future.

Ning Yue raised her eyes and looked at him shallowly.

Her anger didn’t dissipate so easily, but at least she wasn’t as angry as she was just now.

He can also speak human language, isn’t that a good thing to say?

He said so much nonsense just now, is he testing her bottom line?

Scold.....

Ning Yue did not speak, and continued to look at him.

A moment of silence.

Fu Yechuan took a deep breath and glanced at her slowly

, “Still angry? I brought you a gift. Ning

Yue sneered, was she the kind of woman who was easily confused by gifts?

It’s ridiculous.

Fu Yechuan took out a check from his pocket and handed it over.

Ning Yue was stunned suddenly, looking at the string of numbers above.

The stiff look on her face disappeared instantly, and she couldn't help but raise her eyebrows, and her eyes

brightened slightly with surprise

"Ten million!"

She took it, and the corners of her mouth couldn't help but rise

,

"It's true!"

Fu Yechuan couldn't help but breathe

a sigh of relief in his heart when he saw her rapidly changing face,

"You deserve it, although you left before the time came, but I'm not a person who pays the bill."

Ning Yue tugged at the corners of her mouth, her eyebrows shining

"This is about the same, it turns out that you came to send money, then I will forgive you for coming uninvited."

"Thank you!"

The man said speechlessly.

Ning Yue snorted lightly, for the sake of money, she didn't think about him.

"You're welcome, but this is a matter of money and goods, we don't owe any of us, don't come again in the future, so as not to be misunderstood."

She didn't want to hear any more nasty words from his mouth.

It's really insulting.

Fu Yechuan was not very happy when he heard this, but his face became more and more gloomy.

"Are you still angry?"

Ning Yue frowned slightly, sounding that something was wrong.

"How to make you talk as if I am making a tantrum, I am just talking about things, and we have not reached the point where I have a tantrum to let you coax, you don't have to."

She looked like she wanted to draw a line with him.

Some things are better explained in advance.

Otherwise, everyone will be embarrassed in the end.

If Fu Yechuan and Zhou Songyi were put in front of her and asked her to choose, she would not hesitate to choose Zhou Songyi at all.

No doubt.

Who doesn't want a sweet-mouthed, talking boyfriend who holds himself every day?

Going to hold a rich man with a smelly face is no different from being a caregiver!

She's not a caregiver.

She wants to be someone else's god and a fairy!

Thinking of this, she couldn't wait to draw a line with Fu Yechuan.

Fu Yechuan pondered for a moment before wrinkling his eyebrows and looking at her

, "You don't understand me?"

"What do you mean?"

Ning Yue looked at him, sincere and dazed.

She felt that she already knew very well, didn't she just not hit his idea?

This one is too simple.

Fu Yechuan was silent for a few seconds before he replied
stoically

"I didn't mean to underestimate you, I came to apologize to you, I want to tell you, you can like me, you can chase me, this is all your freedom."

After speaking, his eyes stared motionlessly at Ning Yue's expression.

It wasn't as happy as he had imagined.

On the contrary, with a bit of dazed and resistant.

Like a basin of cold water poured down, Fu Yechuan's face gradually became cold.

Test.

It's definitely tempting.

Ning Yue's vigilance came up at once.

He scolded her first, and gave her a check for 10 million.

Isn't it just a slap and then a sweet date?

This means is clear to her.

If she dared to follow his words, specify how to humiliate her later!

Ning Yue's eyes flowed, looked at the glow outside the window, considered the wording, and said

,

"I feel President Fu's sincerity, but I won't do things that go beyond ordinary friends.

I have self-knowledge of myself, like Cinderella's story to listen to it, let alone hope to marry from the bottom into a wealthy family.

What, the marriage of the right door is the most consolidated and long-lasting, and I don't deserve itMr. Fu, I will never dare to be delusional in the future, I will know the proportions in the future, and I will not do anything beyond the boundaries again.

She thought there was nothing wrong with what she said.

Fu Yechuan should be happy, right?

As a result, she narrowed her eyes, and Fu Yechuan's eyes looked at her coldly, as if he was very dissatisfied with her answer.

Ning Yue pursed her lips weakly, and said seriously,

"Of course, if President Fu has any requirements, I am willing to cooperate, as long as it is not too much, after all, you help."

chapter 2473—Which Dirt Old Hat

Chen Mian sent it again: "Which old hat sent such waste paper to our Miss Ning?" If you don't know anything in the future, ask me and answer for free! Ning

Yue paused and replied

, "Thank you, you still don't want to know as well."

Chen Mian: "..."

He suddenly felt that something was wrong.

It won't be... Ha, Mr. Fu?

The chat between the two also came to an abrupt end.

Ning Yue took a deep breath and thought about the most pleasant thing in her life before suppressing the fire in her heart.

Otherwise you can really burn yourself.

But when she relieved and planned to go downstairs.

Fu Yechuan suddenly sent a message

: "I forgot to sign the check just now, tomorrow you come over, I will sign it for you."

Not only did Ning Yue not have a trace of remorse in her heart, but she felt that this was another trap.

Dog Day, think she's an idiot?

She replied directly, "It's not rare!"

She also took a picture of the cheque fragments in the trash can.

Scold.

Isn't it 10 million?

Dare to humiliate her like this, really when she is a soft persimmon and easy to pinch?

Kill, not disgraceful!

She suddenly felt that she was in a clean air, and she was 1,800 times stronger than Fu Yechuan's dirty villain!

Fu Yechuan: "..."

He sent a question mark over and found that he had been blacklisted.

.....

The night is getting dark.

The music below gradually became louder.

The nightlife is back on.

Fu Yanni had not come since the last time he looked at Su Nan and was pierced by Ning Yue.

I heard that I went on an adventure on some unknown island again.

Ning Yue threw herself into the stage and sang several songs in a row, with a great tendency to let go of herself.

However, there are also people who like self-media who recorded the video of Ning Yue singing and posted it on the Internet, which caused a small splash.

The bar owner with a graceful figure and a variety of styles finds it very attractive no matter how you look at it.

Not a few days.

The business of the bar is booming, and it has several times more customers than before.

The folds on Xiao Shen's happy face came out.

Ning Yue was tired.

She has only faith in making money, not motivation.

When the day is not busy, go out and wander.

Ning knew that seeing the video of Ning Yue singing, he felt that it was very tasteful, so he wanted to invite her to make a cameo role in the new drama.

Afraid that she would refuse, he specially pulled Su Nan as a companion.

Su Nan had just come out of Shen Liang and Qin Yu's affairs, and even the company's affairs were put on hold.

Su Jin had opinions on her idle affairs, and ran to her office many times to persuade her to seriously pursue her career.

After many times, Su Nan was embarrassed to continue to be sad.

After all, those who went went, and those who lived will continue.

She was unhappy every day, and Shang Qian was also unhappy.

Something is wrong with the atmosphere at home.

Talking about the children are not naughty anymore, and studying seriously every day makes Su Nan a little uncomfortable.

She didn't even think she had a different daughter?

In fact, when Shang Qian coaxed his daughter, he said that Mommy was not in a good mood, and you can't be called parents by the school teacher because of poor grades, otherwise she would have to be responsible for coaxing Mommy crying!

So let's talk about the child's naughtiness in the past, carefully holding his beloved mommy.

Su Nan was dragged out to make a face with Ning Yue, and Ning Yue had already made an appointment with a position.

Ning Zhi was talking about the latest gossip in the entertainment industry in the middle.

Which little white flower with superficial youth actually gave birth to a second child long ago, but it has not dared to expose it.

There is also the old drama bone that is in the limelight and has only become popular in middle age, how many grievances he suffered in the first twenty years of filming, etc., are all bought notices, in fact, he was lucky to meet a nitpicky director, which allowed him to have an outstanding performance in the play.

And the young woman who has always been pure and pure...

Ning Yue was stunned to hear it from the sidelines.

Su Nan was not strange, but every time a person collapsed, she would calculate in her heart whether it was her own company, and remember to remind Du Yan to ask for liquidated damages when she turned back.

Finally, it came to Ning Yue's body.

Ning Zhi couldn't help but speak

,

"I think you have the potential to make movies, or will you try it?"

Ning Yue shook her head, "I'm really that piece of material, do you think I look like that kind of person?"
I just want to open a bar in peace! Ning

Zhi couldn't help but look at Su Nan and motioned for her to say two words.

Su Nan coughed and touched the mask
on his face

"What's good about being a star? It's better to be a boss and not look at people's faces.

Ning Yue nodded approvingly.

Ning Zhi sighed and looked at the two
of them aggrievedly,
“But my role is really suitable for Miss Ning, can you do me a favor without debuting?”

Su Nan helplessly looked at Ning Yue
, “Don’t pay attention to her, she’s always like this.”

Ning Yue couldn’t help but laugh
“It’s okay, let’s do it, I’ll try it, if I don’t think it works, I’ll come back again, I should help you once, just
this time.”

Ning Zhi sat up
happily
“Cheng, just this once!”

Su Nan couldn’t help but laugh, and after a while, the mobile phone rang.

Shang Qian’s call, she quickly picked it up

chapter 2474–Promise His Date

Therefore, Ning will invite him with all his might.

But her eyes have always been vicious.

It’s just a small clip of less than ten seconds, and it instantly set off a lot of turmoil on the Internet.

“My sister is so beautiful, I want to know who she is!”

“Isn’t this the lady who sang at the bar some time ago?”

“I’ll go, this figure is really crazy!”

“This person is really crushing a group of people in the entertainment industry, I am a fan!”

.....

Ning Yue was holding a cigarette in one hand and flipping through the comments on her phone in the
other.

Sighed twice, a little helpless

“Everyone really has vision, they all appreciate me so much!”

Xiao Shen “...”

If those of you fans see this scene, I am afraid that they will immediately lose their powder.

The waiter who was interested in joining in the crowd came up and asked

,

“So boss, what’s behind this clip?” Can you spoil it?

Ning Yue couldn't help but laugh

,

"Take off your clothes..."

Everyone was shocked.

Is this something they can listen to?

She pulled the corners of her mouth indifferently: "There will be guests soon, you guys hurry up and prepare..."

She looked back, I don't know when, Zhou Songyi's junior brother leaned lazily behind, his eyebrows looked at her gently, and his eyes were full of smiles.

She paused, and she laughed

,

"Junior, don't you make a sound when you come?"

"I went to the field for training two days ago, and I didn't have time to patronize, I was afraid that my senior sister would forget me, and I came over as soon as I landed."

Zhou Songyi smiled, with a somewhat cynical smile on his tough and handsome face.

A gentle smile can hook people's hearts.

He moved a box next to him and smiled

"Local specialties, everyone else has bought them, and I'm not exempt from vulgarity, I thought what if Senior Sister likes it?"

It doesn't matter if you don't like it, you can give it to someone your senior sister doesn't like.

When he said this, Ning Yue, who was originally a little resistant, suddenly had no reason to refuse.

She smiled and naturally accepted it.

The feeling of being remembered makes people feel warm.

"Then I thank you, you come early to call, I can also reserve the best private room for you in advance."

Zhou Songyi stood there, looking at her
with clear eyebrows

"I don't go to the box, I just want to stand where I can see Senior Sister, otherwise, I don't think it's interesting to be anywhere."

Moreover, Senior Sister has now become someone else's dream lover, and I really can't sit still.

He also saw the clip on the Internet, and naturally he was also amazed by this short snippet of a few seconds.

So the heart itches a lot.

So I couldn't help but come.

Xiao Shen has always been optimistic about this young man, and immediately went over and greeted eagerly

: “Our boss has always been like this, charming, the recent business is aimed at her, she is beautiful and does not know it, if I don’t like men, I want to chase her!”

Ning Yue gasped and looked at Xiao Shen inexplicably.

Why are there so many of his words?

Zhou Songyi nodded in agreement, his gaze fell on Ning Yue’s body, and he was particularly gentle and clear

“What I said is, I should seize the opportunity even more.”

Ning Yue hung her head a little embarrassed, her neck was slender, and her skin was white and greasy.

She is indeed beautiful without knowing it.

Xiao Shen looked at the two people, and suddenly the meaning of wanting to match became more obvious.

“It’s better for you to go out and stroll, there are many people here for a while, it’s messy, you can’t hear clearly, how rare it is for your classmates to get together!”

He blinked desperately at Ning Yue.

Let her take the opportunity.

Ning Yue wanted to pretend that she didn’t understand.

But Zhou Songyi understood, he raised his hand and clenched his fist, pressed it to his lips and coughed lightly, with a little embarrassment

“Well, if Senior Sister is willing to appreciate the face!”

Having said that, it’s not interesting to refuse again.

Ning Yue smiled

helplessly

“Okay, then I’ll invite you to dinner?”

“In return, I invite you to a movie?”

As soon as the two looked at each other, Ning Yue instantly understood what Zhou Songyi meant.

She did not explicitly refuse, but also wanted to give each other a chance.

If it can be done, it is not a bad thing.

Feelings can be cultivated!

She rarely went to change her clothes, simple color cotton and linen long skirt, the material texture is out of print, the whole person has a bit of quiet and elegant temperament, long hair is draped on the shoulders, beauty is easy.

Zhou Songyi's eyes lit up, and he reached out to help her get the bag.

Ning Yue also handed it over very cooperatively.

Xiao Shen looked like his daughter was married, and waved his hand

'
"Go out and have fun, don't be too anxious to come back!"

Ning Yue "..."

In
the restaurant.

Because of the temporary intention, there was no reservation to a good position, but fortunately, Zhou Songyi was familiar with the boss, moved a guest who had missed the appointment, and stuffed the two of them in.

Inside, it has an antique taste, and the furnishings are long and plain.

Ten tables per night, no more.

There is no separate box, but it is separated by curved screens, and the screens are also very exquisite, in addition to the ancient pictures of ladies, there is also a modern art of devotion.

If this makes people look at it sharply, they will definitely blush and their hearts beat.

Or this dessert is also unique.

Ning Yue glanced at it and smiled

"You order, don't eat too much, I don't eat much at night."

This statement is true.

Mainly to maintain her figure, she doesn't want to be an old and fat rich woman.

In terms of maintaining appearance and figure, it must be unpicky.

Zhou Songyi nodded, not doubting whether this sentence was reserved, because in his impression, Ning Yue was not a person with different appearances.

While waiting for the dishes, Zhou Songyi couldn't help but raise his eyebrows, and said with a smile:

"Senior sister is willing to come out to eat with me, does it mean that I have a chance?"

"Junior brother really refuses to die, haven't you had a girlfriend in recent years?"

As soon as the topic changed, Zhou Songyi couldn't help but cough, and he laughed

: “Not really, it’s just that your girlfriends are not senior sisters, so it’s not interesting, after talking about two, it’s divided, and there is no follow-up contact.”

So I think that meeting Senior Sister is really heavenly favoring me. Ning

Yue was relieved of his honesty.

It would be ridiculous if he said he hadn’t talked about it.

.....

In the same restaurant.

Diagonally opposite the position.

A screen of Tang Dynasty ladies blocked the view, but from the gap, you could faintly see the side face diagonally opposite.

The location angle is perfect, and ordinary people can’t get an appointment.

A man and a woman sat on the same side, and the opposite seat was vacant, probably someone who still had to wait.

The man’s face was a little vicissitudes, he was older, and he instructed his daughter next to him with a cold face

: “Put away your temper for a while, and it is already a surprise that he can relax and let you out of the police station.”

If he knew about that, I’m afraid our whole family would have to follow in!

Yao Xinrui pursed her lips, looking unconvinced

“Dad, I’ve packed it all, no one will know.”

She lowered her head, and although she said this, her face was also pale with the naked eye.

Worry, not for nothing.

chapter 2475–The Role of the Light Bulb

Soon.

The people that the Yao father and daughter had to wait for were late.

Didn’t seem guilty at all for being late.

Not only him, but also followed by a small radish head.

The little radish head likes to look east and west, and he can see Ning Yue there at a glance.

He was pleasantly surprised, but he realized that he had come with Fu Yechuan, so he had some scruples.

He saw it, and Fu Yechuan naturally saw it too.

He held his sleeve with one hand, his movements seemed to be a little cold, and his eyes seemed to sweep the direction of Ning Yue and Zhou Songyi, and the ice in his eyes was about to seep out.

But the other party did not notice it at all.

Ning Yue and Zhou Songyi ate very happily, saying in a southeast, northwest, and occasionally whispering to the people around them.

The more they talked, the more they fell in, and the distance was not as indifferent as before.

It looks like a little couple in love.

But falling in Fu Yechuan's eyes, it was simply a particularly dazzling scene.

Oh, no wonder last time it was hinted that she could chase him, this woman was still unmoved.

Instead, uncharacteristically blacked her out and stopped contacting.

It turns out that you have already found your next home?

Yes, it's really okay!

Fu Yechuan narrowed his eyes and held back his anger.

He pushed Fu Yunche next to him, his tone was neither light nor heavy, and said meaningfully

: "Go if you want, say hello when you see it, I didn't tell you that I can't be rude, I'll talk about things, and I'll pick you up when I'm done."

Fu Yunche nodded hesitantly.

Both happy and apprehensive.

The main thing is that he wants to go, but as soon as he goes, he will disturb Aunt Ning!

However, Fu Yechuan didn't care so much, he walked directly to the seat of Yao's father and daughter.

Seeing him coming over, the two people of the Yao family instantly stood up to greet him.

The gestures have become a lot more humble.

Yao Lichuan's eyebrows were still a little tentative and cautious.

"Xinrui came out of the police station, and she hasn't thanked President Fu for raising his noble hand, after this matter, she already knows that she is wrong, and I hope President Fu will not blame her."

Fu Yunche's indifferent eyes crossed the screen next to him.

I think this screen is very eye-catching.

Inadvertently skimmed from the side direction, with a little indifference

at the corners of her lips "Miss Yao is clear by herself, you still have to be careful in the future, don't show your tail."

He said it meaningfully.

Yao Xinrui only felt that her back was cold, as if an eerie aura was slowly rising and spreading all over her body.

She lowered her head, thinking of the scene when she went to his house to see Ning Yue before, and the unwillingness in her heart surged again.

It was just pressed to the bottom of my heart.

She looked remorseful on her face, vulnerable not like her before, and took a deep breath

“I know it’s wrong, don’t worry, I will definitely pay attention in the future.”

In order to reassure Fu Yechuan, Yao Lichuan deliberately opened his mouth and said : “I have already found a marriage partner for her, a vice president of our company, although divorced, is also young and promising, and can also help Xinrui in the future, President Fu, I hope that from now on, we will release our previous suspicions, or a good partner in the mall?”

He raised the wine glass in front of him with a somewhat respectful look.

Fu Yechuan swept his face lightly, his eyelashes pressed a little yin, and he couldn’t see the emotions clearly:

“Of course, I also hope that you can take care of yourself.”

He could see that he was coping, and there was a conversation without a match.

In fact, the attention is on the opposite side.

It’s a pity that the distance is too far away for him to hear clearly.

Fu Yunche went over carefully and greeted Ning Yue with a smile,
“Auntie, you are also here!”

Ning Yue looked at him in surprise, and touched his little face with a smile

“It’s you, it’s been a long time, why haven’t you grown at all?”

Fu Yunche shy slightly
“

It’s only been a few days, of course you can’t see the difference, aunt, did this uncle give your boyfriend?”

He looked at Zhou Songyi, smiled, and reached out to shake hands

in a serious way “Hello uncle, I’m Fu Yunche.”

Zhou Songyi raised his eyebrows, but he didn’t expect this little friend to be so formal.

Fu Yunche.

Listening to this name, you know that it is inseparable from Fu Yechuan.

Zhou Songyi's heart was a little more guarded.

The two shook hands, and Fu Yunche said
with a smile,

"You two are really a good match, uncle must be good to Aunt Ning, you have to give birth to a cute baby!"

Ning Yue looked at Zhou Songyi awkwardly, and finally looked at Fu Yunche, a little entangled.

How is this kid the same as Xiao Shen?

Zhou Songyi glanced at this Fu Yunche unexpectedly.

A completely different style from Fu Yechuan.

I thought he was here to make trouble.

But how did this child's words sound so eloquent?

He couldn't help but want to send red envelopes!

Zhou Songyi grinned, and immediately moved a position in, generously giving up
the position

"Come, come up and sit!"

Fu Yunche stood there tangled, not immediately agreeing

, "But it will disturb your two-person world!"

Zhou Songyi glanced at Ning Yue and saw that Ning Yue did not object, so he smiled
generously,

"It's okay, we have time on a date, we are first." Once you meet, you naturally have to get to know each
other well

chapter 2476—They are a good match The project they want, implicitly, is not to let go.

In the end, the wine went through three rounds.

Fu Yechuan didn't know how, suddenly laughed kindly, looked at Yao Lichuan, who was anxious to get
on the fire opposite, and said in a cold voice:

"Since the previous cooperation Yao Shi is out, it is impossible to come in again.

If you really want it, there is another opportunity in front of you, some time ago I in a neighboring city,
the foundation has been laid, but I encountered a little unpleasant, I don't plan to ask for it anymore, if
Mr. Yao is interested, you can take it.

Yao Lichuan was slightly startled, and drank a lot of wine just for the whole night.

Right now, my face is red with alcohol.

On the contrary, Fu Yechuan, when he drank it, he just took a sip, did not drink much, and his face did not show any drunkenness.

Yao Xinrui looked at her old father who felt sorry for herself, but she didn't dare to say more than half a word, she herself drank a lot, her muddy mind was not clear, so she remembered to control her mouth.

Yao Lichuan's eyes were slightly stunned, "Really?"

A little joy appeared on his face.

Although the project in the neighboring city is not as good as the one that cooperated with the Fu Group before.

But it can be regarded as a steady profit, and the preliminary work has basically been completed, and if you take over now, it will definitely be very smooth.

But.....

His concern was that on the day the foundation stone of the project in the neighboring city was laid, Fu Yechuan had an accident, and it was Yao Xinrui who sent him.

If he knew, the Yao family would definitely have to pay for it.

At the moment, they are already busy cleaning up the mess, and I don't know if this is Fu Yechuan testing them.

Yao Lichuan struggled for a while, but his face did not dare to show the slightest flaw.

Only surprises.

Instead, Yao Xinrui was stunned for a while.

She looked at Fu Yechuan and then at her father.

Bite one's tongue.

However, in order to dispel Fu Yechuan's suspicions, Yao Lichuan immediately agreed to come down

,"
"If that's the case, then it's really good, President Fu, thank you for raising your noble hand."

At least the project in the neighboring city can also solve Yao's urgent needs now.

Perhaps, Fu Yechuan doesn't know anything, it's just a coincidence!

He thought so, looking at Fu Yechuan's expressionless expression, and his heart was even more confident.

Fu Yechuan hooked his lips and immediately made a phone call and asked the driver to send the documents and contracts.

It turned out to be ready.

Yao Lichuan felt a little strange in his heart.

But can't tell.

When the driver sent the contract up, Fu Yechuan put it directly in front of Yao Lichuan.

"President Yao, you take a closer look, if there is no problem, just sign it, the project in the neighboring city will be handed over to you, and our Fu Group will not interfere in anything anymore."

Yao Lichuan was a little shocked: "Fu Group wants to withdraw?"

Fu Yechuan rubbed his brow bone, seemed to be a little drunk, and answered slowly and reasonably

: "I encountered a little unhappy thing before, I don't want to bother in the neighboring city, I was going to make a move, you can take it if you want, if you don't want it, there are still many people waiting to ask for it tomorrow morning, this price has been pressed very low, there is no room for bargaining."

His voice was deep and cold, and he casually glanced to the side.

The gaze moved back faintly, and his gaze became a little heavier.

At the same time, it also put a lot of pressure on Yao Lichuan.

The withdrawal of Fushi Group means that there are no people who share risks.

But it also means that there are no more people who have a piece of the pie.

In the face of huge interests, few people can not be moved.

But nine hundred million is not a small amount.

At present, if all the assets of the Yao Group are added up, if you go to the bank for a mortgage, you can just make up 900 million, which is really too risky.

If it weren't for what Yao Xinrui did to Fu Yechuan, Yao Lichuan wouldn't have hesitated for so long now.

It was because they knew that they were worried about whether this was a trap that Fu Yechuan had given them.

Yao Lichuan's tangled and struggling look fell in Fu Yechuan's eyes, and he hooked the corner of his lips funny.

It seems that there is a trap in front of him, and he can also calculate to make the other party jump in willingly.

Tailor-made traps, who doesn't shout when they see it?

He sat there, quietly, seemingly very patient.

On the side is a shrill laughter.

Outside, it's a colorful neon.

Fu Yechuan's heart suddenly felt stunned.

What he couldn't hold, it turned out to be a lot.

The financial benefits he can come up with, he is not rare, but he has been doing it.

Yao Xinrui looked at the document on the side, her face blank and hesitant.

It is indeed a piece of fragrant food.

But the risks are also great.

After this village, there is no such shop.

She looked at Yao Lichuan.

The two drank a lot, but they knew the weight of this contract in their hearts.

“President Fu, can you wait for tomorrow morning, when we sign it, and then personally deliver it to the Fu Group?”

Yao Xinrui bit her lower lip, still with a hint of hope.

Fu Yechuan sneered, his cold eyes were indifferent

“It seems that President Yao still doesn’t trust me, I think it’s better to forget it, I’m just because of it.”

chapter 2477—A Horror Film with ulterior motives

Fu Yechuan smiled meaningfully, fleetingly.

Let Yao Xinrui have a momentary trepidation.

Yao Lichuan touched his forehead, gritted his teeth and spoke

’
“Okay, since that’s the case, we immediately notify the bank and employees to prepare, and tomorrow morning, our people will hand over.”

Fu Yechuan nodded and looked at the time

“In that case, let’s go back and prepare.”

He has already stood up.

Seeing this, Yao Lichuan and Yao Xinrui did not continue to keep him.

This table dispersed, and when Fu Yechuan walked out, he found that the people behind him were long gone.

The table was gone.

His gaze sank slightly, and finally he wandered to the door of the restaurant.

In the car.

Fu Yunche was already sitting inside, obediently watching the homework assigned by Fu Yechuan.

Fu Yechuan stood there, not in a hurry to get on the car, but just looked at Fu Yunche with deep eyes, his eyes slightly paused.

“It’s over? Where did they go?”

Fu Yunche pursed his lips, very much didn’t want to say, but under Fu Yechuan’s cold gaze, he couldn’t lie

“Aunt and Uncle Zhou went to see a movie.”

“Watching a movie?”

Fu Yechuan’s gaze instantly became cold.

His face had a somewhat playful look.

Huh, did you really start dating?

It’s eating again, and there is something to watch a movie.

This woman, really found the next home?

No wonder the 10 million people who don’t answer him these days, don’t care at all.

His chest rose and fell.

The night was deep, and the street lamps pulled his figure to the elder.

He stood there, as if blending into the darkness behind him.

Lonely, indifferent, silent.

The driver waited in his seat, and without his words, he did not dare to urge.

Fu Yunche also sensed Fu Yechuan’s bad mood, raised his little face nervously, looked at him and asked

‘
“Daddy, don’t you get in the car?”

Fu Yechuan pursed his thin lips, his gaze indifferent.

Long.

He said in a deep tone, “Are they dating?”

Although

Fu Yunche didn’t quite understand the meaning of dating, he could also understand the meaning of dating when he heard from children at school every day that her daddy and mommy were dating.

That’s what intimate people do.

Why is Daddy upset?

Didn’t he dislike Aunt Ning Yue?

Every time two people meet, it is normal to have a fight.

That’s so difficult!

Fu Yunche nodded obediently and spoke seriously

“Uncle Zhou is very good to Aunt Ning, they will get married and have a baby, and they also promised me to invite me when I get married.”

Fu Yechuan’s eyes crossed with ridicule and indifference.

The black eyes are bottomless.

He lowered his eyelashes and beckoned him to get out of the car.

Fu Yunche was puzzled, but he still obediently obeyed.

Standing in front of Fu Yechuan, he raised his head to look at Fu Yechuan.

Fu Yechuan stood there tall and tall, which was indeed admirable.

The night is heavy.

Fu Yunche just wanted to go back to sleep, after all, he had to go to school tomorrow.

But Fu Yechuan obviously had no such intentions.

He lowered his head, looked at Fu Yunche’s innocent little face with dark eyes, and asked word by word

, “Do you want Ning Yue to be your mother?”

One word.

The air seemed to freeze.

Fu Yunche stood there in a daze, as if he thought he had heard something wrong.

But no.

Fu Yechuan repeated again.

Fu Yunche closed his mouth tightly and did not speak.

He heard it clearly, but he felt shocked in his heart.

After all, from his cognition, Daddy didn’t have the slightest intention of liking Aunt Ning Yue.

Why did he bring up this all of a sudden?

There was a bit of coolness in the air.

But both father and son were unaware.

Fu Yechuan was a little impatient, and his eyes looked at Fu Yunche’s tangled and struggling face, which was even more unpleasant than looking at the Yao father and daughter just now.

At least none of them would go against him.

And this son, however, did not have the expected joy.

It's just so weird.

For a while.

Fu Yechuan's jaw tightened, his face was ugly, and he couldn't help but speak

“It's impossible for me not to get married for you, instead of choosing a doorman but impure mind to calculate the Fu family everywhere, it's better to choose one that is good for you, and you don't hate it.”

I think Ning Yue is very suitable, what do you think?

He seemed to be very patient asking Fu Yunche's opinion.

Even gave him a simple and clear analysis of the pros and cons.

The contrast is clear.

Yao Xinrui looks like that, but a celebrity from a wealthy family with a heart and eyes is very decent to take out, but staying at home will not be too peaceful.

In the future, if not a penny of the Fu family's property she calculated fell to Fu Yunche's body, she would also have itPossible.

This is Fu Yechuan giving Fu Yunche a warning.

Also a reminder.

Everything in the Fu family, Fu Yunche has a share.

Moreover, Fu Yechuan thought about him very much, and brought his favorite Ning Yue to the position of the future Mrs. Fu.

In this way, in the future, the things that belong to the Fu family will still be his.

It doesn't sound like there's anything wrong with that.

Fu Yunche should be grateful at this time.

But there was no joy on his face, only a little trepidation and dazedness.

Fu Yechuan's face sank.

“Why, you don't like her anymore?”

Fu Yunche teased his fingers tangledly, and seemed a little nervous

“I like Aunt Ning very much, but I can't do this, Aunt Ning is about to be with Uncle Zhou, she should marry someone she likes, not marry Daddy to be my mother, it's not fair to her.”

He tilted his head very seriously and said the words in his heart word by word.

The little face was tense, and with a somewhat nervous look, he looked at Fu Yechuan.

He also likes Aunt Su Nan because Fu Yechuan likes it.

But Aunt Su Nan has her own children, and every time she looks at him, she talks about her sister and Xiao Yuer.

Only Aunt Ning Yue, when she looks at herself, her eyes will always smile kindly and warmly.

That joy is contagious.

But he also knew that Fu Yechuan liked Aunt Su Nan.

He wants to marry Ning Yue now, which is unfair to Aunt Ning Yue.

So he can't do that.

Fu Yechuan's breathing sank slightly, and his eyes looked at Fu Yunche deeply, and his face seemed to be even worse.

The air froze for more than ten seconds.

I felt the air colder a little.

Fu Yechuan gasped, gritted his teeth, his eyelashes drooped slightly, and tried his best to hide his emotions

"You think quite thoughtfully, Ning Yue really doesn't like you in vain."

It's just not like him at all.

It's not like Angie either.

Angie and him, one ruthless, the other selfish.

Fu Yunche, this child, is kind and pure, and has no selfishness.

How could this not surprise Fu Yechuan?

He looked up at the inky night sky, and his heart was hard to hide the heat and boredom.

Soon.

He looked down and said

, "Where did they go to the movies?"

chapter 2478– He's Not a Good Man

Fu Yunche bit his lower lip, even more dazed.

Fu Yechuan spoke in an impatient tone,

"That surnamed Zhou is not a good thing, do you want Ning Yue to be with that kind of scumbag?"

He looked at it with different expressions, why did Aunt Ning's bar close for rectification some time ago, do you know?

It's this ghost surnamed Zhou!

After a few words from him, Fu Yunche's eyes widened in shock, unable to speak.

Fu Yechuan looked at him seriously, and his tone was as deep as water

"Now, do you still think they are very suitable? Do you want to watch that woman fall into the trap of others, be cheated of money, and bully her like her previous husband? Fu

Yunche's little face instantly turned pale, and he stood there in panic, his eyes red.

Seeing this, Fu Yechuan lowered his eyes slightly, and half squatted down, level with his line of sight.

His tone was heavy, as if it carried some kind of measurement and coaxing

"So, I think by letting her be your mommy, we can at least protect her, can't we?"

I helped her so many times, naturally I won't bully her, you also like her, we shouldn't let them be together.

Fu Yechuan's words were clear and cold, as if he was brainwashing.

Fu Yunche's little face paused slightly, and he immediately lowered his eyes.

It seems to be measuring whether what Fu Yechuan said is really reasonable.

Long.

He nodded solemnly.

"Daddy, I know where they're dating, let's go over too!"

Fu Yechuan's cold face rarely broke the ice, revealed a hint of a smile, and touched his furry little head for the first time
, "Really good."

Fu Yunche was flattered.

But he was convinced of Fu Yechuan's words.

If Uncle Zhou is a bad person, of course he can't sit idly by, it's better to marry Fu Yechuan, and when he grows up in the future, he can give her a lot of money.

No one else can be relied upon.

But he can protect Aunt Ning.

Thereupon.

The black Bentley drove through the night and soon arrived at a private cinema in the central square.

Although Zhou Songyi has an ordinary profession, he still retains his petty bourgeois taste and hobbies.

Even to watch a movie, I refuse to go to those ordinary movie theaters and huddle with others.

All he wanted was a sense of atmosphere.

This will also make women feel more important and can't fault it.

But in Fu Yechuan's view, this is all pediatrics, and the naïve ones don't want to say a word of disgust.

Mouthwater.

Fu Yechuan got out of the car, and Fu Yunche also climbed down.

He looked at Fu Yechuan and said

‘
“Daddy, let me go, what I told Aunt Ning, she will believe it.”

The implication is that what Fu Yechuan said, Ning Yue may not necessarily believe it.

It may be a little infuriating to hear.

But this is a fact.

Fu Yechuan pursed his lips and didn't say anything more, just nodded faintly.

But also followed him inside.

There aren't many games here, the most recent one was twenty minutes ago, or it hasn't started yet.

Fu Yechuan followed behind, “What are they looking at?”

He just asked casually.

But he didn't expect Fu Yunche to even know this: “Midnight Terror.”

Fu Yechuan wrinkled his brows in shock and disgust.

This Zhou Songyi is really vulgar to the extreme.

The one twenty minutes ago was Midnight Terror.

Only ten people are allowed in to watch.

Of course, if conditions permit, you can also charter the venue.

However, this midnight horror arrangement is not very good, and almost no one watches it.

In addition to the ulterior motives of Zhou Songyi.

The waiter suggested that Fu Yechuan take the child to see the children's paradise, but was strictly refused.

Even if it's twenty minutes late, they have to watch Midnight Terror.

The key Fu Yunche children are also very determined.

So the two of them went to the Midnight Horror Hall one after the other.

Fu Yunche walked in front, his gaze swept, and the hall was empty, only the terrifying three-dimensional surround sound on the big screen.

However, as soon as he walked inside, he saw Zhou Songyi who was watching the screen intently.

He was very serious and looked at it with a frown, but Ning Yue next to him had already fallen asleep with his head tilted.

Fu Yunche's eyes lit up, and he ran over happily.

When Zhou Songyi saw him, he was taken aback.

"Fu Yunche's little friend?"

Fu Yunche's smile narrowed slightly, although he had a good impression of Zhou Songyi at first.

But after listening to Fu Yechuan's words, he put colored glasses on Zhou Songyi.

But anyone who deceived Aunt Ning Yue was not a good person.

So he looked at Zhou Songyi's gaze was not so gentle and kind, but just walked to Ning Yue next to him and gently pushed Ning Yue.

Ning Yue originally squinted for a while, the sound of this horror movie is really good material for hypnosis.

Before she went to bed, she planned to go back and download a horror lullaby, so that insomnia would save melatonin in the future.

"Well, Yun Che, why are you here?"

She was also a little shocked.

Fu Yunche looked back, but he didn't expect Fu Yechuan to follow up.

He pursed his lips and whispered

"Auntie, I also want to watch a movie, so I came with me, but now I'm lost, can you send me back?"

Ning Yue's eyes widened in shock.

This reason... Isn't that far-fetched?

Fu Yunche stood there
sincerely and seriously

"Daddy just threw me at the door of the cinema because he was angry with me, he left with the driver's uncle, and the teacher said that the children should take the transportation accompanied by adults, so I can't take a taxi back alone."

Ning Yue nodded instantly.

There's nothing wrong with that.

But it's really something that Fu Yechuan's dog man can do.

Actually threw such a cute little child at the door of the cinema?

Aren't you afraid that traffickers will sell him?

Ning Yue thought about it, and there was a fire in her heart.

Suddenly the drowsiness dissipated.

She immediately sat up straight and looked at Zhou Songyi apologetically "So..."

Zhou Song nodded knowingly

"I understand, of course, children are more important, let's come to Japan, Why don't we send him back together? Ning

Yue felt that it made sense, and just nodded in agreement, Fu Yunche next to him immediately spoke

: "Auntie, you don't have to send me back, I don't want to go home, daddy will scold me in anger, can I go to your place to stay, I will be very well-behaved!"

His sincere assurance made Ning Yue unable to say the reason for refusing.

Zhou Songyi narrowed his eyes on the side, his expression a little playful.

I wanted to say something, but I didn't say it.

He looked at Ning Yue with a gentle expression and nodded in agreement.

At the moment, I am not in the mood to continue watching.

Originally, Zhou Songyi did not expect that the effect of the horror film was completely opposite to what was expected.

She shivered without fear.

Instead, I slept extra sweetly.

He himself was a little trembling when he watched it, but fortunately, Ning Yue did not expose his purpose in watching this film.

chapter 2479 — I Saw Everything

Three people walked out side by side.

Fu Yunche also looked left and right, not knowing what he was looking for.

When Ning Yue asked him, Fu Yunche replied seriously,

"Let me see if Daddy is hiding where, in case he will come to pick me up?"

Ning Yue sneered

,

"Don't dream, you daddy, it's good to let you into the house, come back and pick you up?" I dare not be delusional for you!

Fu Yunche silently lowered his head.

Aunt Ning Yue really knows Daddy!

However, he is a little sorry now, after all, he made it all up, and set up Fu Yechuan's people as a ruthless person.

I hope Daddy knows and don't blame him.

He was all for the good of Aunt Ning.

He thought clearly, instead of Ning Yue falling in love with those unreliable men, it was better to be a stepmother for him!

At least although Fu Yechuan has a poisonous mouth, he will not treat them materially, nor will he cheat money and deceive like others.

And he can also have a perfect stepmother.

What a good thing to have the best of both worlds!

Fu Yunche thought so, and his steps when he walked out were much lighter.

Zhou Songyi drove them back to the bar.

The bar was bustling now, and Ning Yue wanted to invite Zhou Songyi to sit in, but Fu Yunche next to him was so sleepy that he began to rub his eyes, so he had to give up.

Zhou Songyi smiled and watched Ning Yue go in before starting the car and leaving.

But he didn't notice that in the dark color on the other side, a black Bentley was quietly parked, also just after arriving.

Ning Yue said hello to Xiao Shen and sent Fu Yunche up the stairs.

There was only one bedroom upstairs and where to sleep was also a problem.

There are many private rooms downstairs, but the conditions are naturally not as comfortable as the bedroom, so let Fu Yunche live there, wouldn't it be wronged him?

Ning Yue sighed tangledly, she already knew that she should make the upstairs into two rooms, and at least prepare one more guest room.

Fu Yunche next to him saw it, and said
very sensibly

: "Auntie, I'm not sleepy now, when everyone is gone in a while, I'll go downstairs to sleep for one night, daddy said that you can't sleep in a girl's room casually, and Auntie's can't either."

I'm a man, of course I should let you. Ning

Yue's heart was soft, she had never raised a child before, so she didn't know that the child turned out to be such a cute creature.

She smiled and touched his hair

,

"It's okay, I remember there is a camp bed in the warehouse, take it out in a while and sleep there, okay?"

Fu Yunche nodded happily.

Ning Yue hesitated
again,

"But the matter of you coming here, do you want to say hello to your father, otherwise he is the same as last time, and he can't find you to be anxious."

Fu Yunche hesitated for a few seconds and nodded.

"I'll call!"

Ning Yue was happy to see it.

After all, she didn't want to talk to that Fu Yechuan.

The check of 10 million was still stuck in her heart, so that she reminded herself from time to time and avoided it.

Fu Yunche took out his phone watch, found Fu Yechuan's phone, said a few words, and then hung up.

Ning Yue didn't have the habit of listening to other people's phone calls, so she went to the warehouse to find the idle camp bed.

I obviously remember it here, but why not?

When coming back.

Fu Yunche was already standing at the door.

She paused, and Fu Yunche smiled and spoke

,

"Auntie, Daddy has already forgiven me, he said he would come and pick me up."

Ning Yue was stunned for a moment, a little shocked.

When did Fu Yechuan change his sex and be able to dissipate so quickly?

It's really a needle in a man's heart.

She pouted, "Okay, then you can follow, you sit for a while, I'll go change your clothes, and I'll send you down later."

Her clothes were specially changed for dating Zhou Songyi, comfortable and lazy, and elegant and delicate enough, lining her whole person like a warm and moist little flower bud.

But not suitable for wearing in bars.

She better change to something more comfortable and sexy.

Fu Yunche nodded and sat down on the chair in the small living room next to the bedroom very measuredly.

Later, I felt inappropriate, and stood up

, “I’ll go downstairs and say hello to Uncle Xiao Shen, he gave me snacks last time.”

He very intimately left a private space for Ning Yue.

Then just go down.

Ning Yue really had an indescribable liking for this child.

This is an angelic child!

She went to the bedroom with great relief.

Usually no one came up, except for sleeping, she did not have the habit of locking the door.

The music downstairs was deafening, churning the eardrums.

Every time she was on it, there was a feeling that the music had shattered the house.

She took off half of her clothes, and she didn’t have time to admire her beautiful and delicate carcass, her gaze swept, and the light from the corner of her eye looked at a tall figure standing at the door.

Ning Yue’s heart was shocked, and she looked back sharply.

Fu Yechuan stood there with an indifferent and solemn expression, wrinkling his eyebrows and looking at her, as if he was looking at something very disgusting.

Ning Yue’s heart shrank violently, and in addition to being frightened, she violently pulled her clothes back again.

She glared at him fiercely, her face extremely pale

chapter 2480—Future Boyfriend

Therefore, Ning Yue put the focus of his offense on his rudeness if he didn’t knock.

It’s really disturbing.

Ning Yue took a deep breath, and didn’t have the heart to change her clothes at all, so she sorted it out directly and went out.

Fu Yechuan stood next to the railing, condescending, with a straight back.

He held a cigarette in his hand, as if it had just been lit, his expression was dim, and his gaze was half-hidden in the light.

Hearing the movement, he turned his head and looked at her without changing her clothes, frowning slightly.

But I still didn’t ask, it is estimated that this woman should be angry, and now I need to scold him well to get angry.

He paused, his throat moved slightly, and his eyes were even a little dodging her.

Ning Yue came out with her hands wrapped around her, glanced at him, and walked downstairs without saying anything.

Fu Yechuan froze slightly, and his voice was low

“Ning Yue, let’s talk.”

Ning Yue’s back paused, slightly sideways, and his eyes were a little inexplicable and alienated

“Didn’t you come to pick up your son? He was downstairs and picked up and hurriedly left.

She didn’t have much to say to him.

It’s too late now.

Fu Yechuan and Zhou Songyi, a long-eyed person will choose Zhou Songyi.

She’s not stupid!

She doesn’t like it that much, but she can be liked!

After that, she turned around, leaving a graceful and elegant back.

Fu Yechuan suddenly thought of the small video on the Internet, Chen Mian showed it to him, and said that Ning Yue is really talented, if he changes to become an actor, he can slam in one year.

He scoffed in disapproval.

But at this time, he suddenly felt that what Chen Mian said made sense.

The woman in the video is elegant and charming, her eyes are like water, and she can’t say the kind of charm.

His heart tightened, and his voice didn’t feel like he could say anything

, “I saw it all.”

Ning Yue’s back stiffened fiercely, turned around abruptly, and swept over with a cold and sharp blade in his eyes.

Fu Yechuan was unmoved, stood there, stared at her, and clicked the position next to the railing with his hand holding a cigarette

“Come here, let’s talk.”

He seemed to be able to easily grasp Ning Yue’s psychology.

It doesn’t matter if the means are despicable or not.

As long as it achieves the goal.

Ning Yue took a deep breath and walked up with a grudge, stopping one step away from him, refusing to take a step closer.

She raised her chin slightly, with a bit of pride, and her slender and thick eyelashes trembled

“President Fu, I didn’t pursue your despicable and shameless villain behavior of peeping, how dare you be embarrassed to take it out?”

How, do you peek at women changing clothes gloriously?

Do you have any proclivities?

It turns out that you are still a dead pervert who has been hidden for a long time!

She scolded smoothly in one breath, and suddenly felt that the headache in her heart was much faster.

Fu Yechuan’s face was slightly livid, he took a deep breath, and his chest rose and fell.

If only I had been mentally prepared.

He could really be by her.

Every time.

He seems to be immune.

It’s ridiculous that Fu Yechuan will one day be immune to women’s words scolding him.

He pursed his lips, his face was dark, and his eyes were dark

“I’ve been waiting for you to go to me and cash that check, who let you tear it up and block me?”

He didn’t expect that the people who took care of him for 10 million were so spineless?

Don’t even put 10 million in your eyes?

He had been waiting for her to regret it.

Isn’t it just tearing up a check?

What he has.

As long as she came to beg him, he would naturally give her a new one.

After all, he has a lot of money.

He hoped that Ning Yue was a greedy person for money.

That way at least he could have something to keep her.

Yes, keep her.

He didn’t know why he would be so sad about a woman who was not Su Nan.

It may be that he has not had a woman around him for too long, and he does not look at others well.

And Ning Yue’s appearance is an outlier.

He pity her and indulge her, but she still wants to refuse to return the favor.

He was pretty sure what was going on in his heart.

He is unswerving to Su Nan, and he is also a pain and regret that he cannot forget for a lifetime.

An existence that can never be reached.

Now that she said a word, he could spare his life for Su Nan.

But she wouldn't have lost his life.

Therefore, he looked at Su Nan's happy appearance, and he felt a lot more stable in his heart.

He persuaded himself to start a little and go on a normal life trajectory.

Marrying Yao Xinrui is normal.

But he didn't.

Ning Yue's appearance made him derailed again, and he admitted that he was disturbed by Ning Yue's presence.

At first she said that she was deliberately close, and although he did not admit it, he was happy.

But then she gave up again and turned to approach Zhou Songyi, and he had begun to feel uncomfortable.

The possessiveness in his heart was so much that before he even figured out what his feelings for Ning Yue were, he began to make trouble.

It's always right to start first.

Lest he turn back and be one step late, he willThere really is nothing.

Yes, he was afraid he was one step late.

He stood there, countless thoughts running through his mind, but he was still cold and gloomy on the surface.

Ning Yue listened to the check
