Divorce Has Never Felt This Good Chapter 308

Chapter 308 Becky Is Pregnant

Babette and Raina had no idea they had been set up. Raina was also happy at the news that Becky was pregnant.

Becky was pregnant and the baby wasn't Rory's.

It didn't matter to Raina or Babette who the father of Becky's baby was, as long as it didn't belong to Rory.

Carl said Rory had planned on remarrying Becky.

Didn't the Casper family care about their reputation?

Raina knew the Casper family wouldn't accept Becky if she were carrying another man's baby.

"Babette, please tell the media that Becky is pregnant. The quicker it gets around, the better!"

Babette gave her a quizzical look. "Should we only tell them Becky's pregnant? Shouldn't we say the baby might be Devin's?"

Raina smiled deviously. "We only need to say Becky's pregnant. There's no need to go into specifics. The public will run with the gossip if they know Becky was seeing two men at the same time and now she's pregnant. Not only will Becky be unable to marry into the Casper family, but she won't be able to marry into the Stanley family either. We caught a break! As long as we dent Becky's reputation this time, she will never be able to marry into the Casper family again!"

Babette was glad she had a smart sister. Every time she did what Raina told her to do, things turned out really well.

Babette didn't understand why they should not tell the public Becky was pregnant with Devin's child. Still, she followed her sister's instructions and stopped worrying about it.

Nothing mattered as long as Raina ended up marrying into the Casper family and they could live a better life.

"I'll tell someone right away!" Babette exclaimed.

"Wait," Raina said suddenly, pulling Babette back. "You must not let anyone find that we're behind this."

She had every intention of ruining Becky, but she didn't want to get them both in trouble.

"Don't worry," Babette said. "We won't be the ones spreading the news this time. No one will connect this to us."

"That would be best, Babette." Raina nodded. "Thank you."

"I hope you don't forget about me when you become Rory's wife, Raina," Babette said.

"Don't be silly," Raina replied. She was very pleased with how things worked out. "What are you saying? We're sisters!"

Babette believed in her sister. It was because of Raina that she had managed to date Amor.

It wasn't long before the news of Becky being pregnant began to spread.

It started with a socialite spreading the news among her friends. Then someone posted it online. People began to wonder who the woman was. This woman was hooking up with rich men and now she was pregnant. She wasn't even sure who the father was.

It was only a matter of time before someone began mentioning Becky's name.

There were too many similarities between the wild woman and Becky. The woman was divorced for only one year, she was an only child, and her family was in the real estate business. That alone was enough to link the gossip to Becky.

The gossip was in line with the previous things said about Becky. Two months ago, the Internet had been overwhelmed with the hot topic of Becky and Rory getting back together. Now she was pregnant.

The people online had differing stances on who the father might be. Four men were suspects: Rory, Devin, Fred, and Vernon.

These four men were from wealthy and powerful families. The people felt it was amazing Becky was able to string them all along at the same time.

Jessie was surprised the most when she saw the trending search online.

She was the last person to know about her best friend's pregnancy.
