Chapter 1011 He is an illegitimate child

Chapter 1011 He is an illegitimate child

, but before Su Yifeng could ask, Shang Yi took the initiative to speak:

“Su Dong, come here rashly, in fact, it was entrusted by President Fu, let me tell the secret of the businessman. .”

Su Yifeng raised his eyebrows and looked at Fu Yechuan.

Fu Yechuan coughed, “Su Dong, I know that Su Nan has been very close to Shang Qian recently. It is true that I am out of selfishness, but I am also afraid that she will be hurt, so it is not good to tell her directly... ..”

Su Yifeng nodded clearly.

Afterwards, he looked at Shang Yi:

“I understand your good intentions, but it only involves the secrets of the business. I, an outsider, know it, I’m afraid it’s not good?”

” Half-truth, isn’t it a secret?”

He doesn’t want to know anymore!

After all, according to Su Nan’s description, Shang Yi looks gentle and harmless on the surface, but is cunning and cunning behind the scenes.

Shang Yi looked sincere, “I know you are worried that I will make up a lie to deceive you, but Miss Su who I proposed to cooperate with has rejected me, and I also accept the result.

Since there is no motivation for profit, I just say it to give You and Miss Su remind you, whether you believe it or not is all up to you.”

Su Yifeng frowned, then smiled again, “Then I will thank Mr. Shang.”

Shang Yi glanced at Fu Yechuan and nodded. Then he coughed and said:

“Actually, Shang Qian’s mother was a Chinese who went to work in country M at the beginning. She was good-looking, but she had no money.

When such a woman went abroad, she could only go to nightclubs if she wanted to make some quick money. Got on my eldest brother and became his mistress.

Later, she gave birth to Shang Qian. My eldest brother did not intend to divorce. In a fit of rage, she began to threaten my eldest brother with Shang Qian. My eldest brother could only bring Shang Qian back to the business. When

Shang Yi said this, he sneered, very disdainful.

Su Yifeng observed it, but quietly curled the corner of his lips.

A decent-born young master naturally despises the illegitimate children outside, the three in the wealthy family. Six and nine, etc., it is very clear.

Shang Yi continued: "But this woman didn't give up, she hit and killed my sister-in-law with a car, and the whole person was crazy. For the sake of her giving birth to Shang Qian, my eldest brother was soft-hearted and took her to death. locked at home.

But later, when Shang Qian went to see her, he was very surprised. He pushed her down the window from the upstairs with his own hands, killing his mother. At that time, the servants present saw it with their own eyes. "

Su Yifeng frowned, with obvious doubts in his expression.

How could the gentle and kind-hearted Shang Qian do such a thing?

Shang Yi chuckled and explained:

"Maybe he doesn't want to be called an illegitimate child?" His mother's presence is a stain on him.

The merchant helped take care of the people, but not long after, his younger brother died unexpectedly in a car accident. Of course, as a strong contender for inheritance, it is hard to say whether it was an accident or not.

He insisted on marrying his brother's woman, and he had a feud with my eldest brother, so he pushed my eldest brother down the stairs, causing him to be paralyzed for life. Looking

at Su Yifeng's face, Shang Yi smiled.

"Don't be deceived by his appearance, my nephew has a very deep city, and his mask can be worn for a lifetime. He has so many lives on his hands, don't defile it." Miss Su's purity..."

After Shang Yi finished speaking, he stood up:

“It’s almost time, I won’t disturb the good days of the Su Group, and leave. “

Shang Yi hooked the corners of his lips, raised his legs and left...

...

Chapter 1012: calm apprehension

Chapter 1012: Calm and apprehensive

Su Yifeng was not in the mood to stand up and say goodbye politely to him. He sat there with deep contemplation in his eyes, wondering what he was thinking?

Fu Yechuan looked at him with a cold expression:

“Su Dong, I also asked Shang Yi to come over and tell everything for the good of Su Nan.

As far as I know, Shang Qian used his power to wipe out his past. I can’t find out if I want to check...”

Su Yifeng raised his eyes and looked at him, his voice rough:

“Mr. Fu has a heart, but today is a special day, I can’t stay here for a long time, I have to Go out to greet the guests, go out too...”

Fu Yechuan’s face darkened, and Su Yifeng’s reaction was a little too calm and not quite right.

He could feel it, but he couldn’t say it.

But he quickly looked away, nodded and stood up.

“Farewell.”

Su Yifeng sat in the lounge for a long time before slowly standing up and walking out. His face was extremely ugly, but he was forcing himself to be normal.

Shang Yi’s words can’t be completely believed, but they can’t be unbelievable either.

What is the truth, why is Shang Qian hiding the past?

These are all other thorns in Su Yifeng’s heart.

Su Nan can ignore it, but as a father, he must care!

The people outside were basically all there, and Su Nan and Shang Qian were basically inseparable.

But no one doubted their relationship at all. After all, how could two people who seem to be the most serious have selfishness?

After a toast, Su Nan was really tired.

She put down the glass of wine and walked to the rest area on the side. People came and went. She was wearing high heels. Although she was very stable, it also made everyone terrified.

When she stepped on her skirt for the third time, Shang Qian finally couldn't help but lean over and help her lift the group pendulum to block the person who bumped into her.

Su Nan looked back subconsciously, Shang Qianjunxiu's profound face was right in front of him, holding her skirt carefully, frowning slightly, as if helpless.

Su Nan's heart moved slightly, and a warm current flowed in his heart.

She smiled, turned her head, and said nothing.

The venue is huge with the seating area on the other side.

When he got there with Shang Qian, Wen Xiang was already joking with his friends.

Watching Su Nan pass by, they greeted her and quickly sit down.

Wen Xiang poured her a glass of juice and smiled softly:

"Are you tired? I see if those people are pestering your elder brother, and they go to you again, I know that you are the busiest!"

Su Nan smiled, "It's not my sister-in-law, you're protecting my brother? Otherwise, why would they come to me?"

Wen Xiang lowered her head and smiled shyly, but then came up mysteriously:

"This has nothing to do with me, I heard with my own ears that it was your brother. Said to let them find you..."

Su Nan paused, is this still a real brother?

Shang Qian put down the hem of her skirt, looked around, and patted her shoulder:

“Su Nan, sit here for a while, I’ll go see where Mike is?”

As soon as he entered the door, little Mike laughed with joy. It seems to have run away, and it is long gone now. I don’t know where to go to play?

Su Nan nodded, “Bring him here to play, it’s more lively here.”

Shang Qian nodded with a smile, and then politely greeted the others: “You guys talk...”  
As soon as

he left, the eyes of the girl on the opposite side began to light up.

“Mr. Shang himself looks better than the photos, Miss Su, are you really not dating?”

...

Chapter 1013 Who is missing

Chapter 1013 Who’s Missing

The scene where he sent her over just now is so kind.

Even a boyfriend wouldn’t be so sweet, would he?

Su Nan just hesitated how to answer, Wen Xiang glanced helplessly at the girl who was talking.

“Xiaomi, isn’t there enough gossip in the entertainment industry for you to read?”

The girl named Xiaomi stuck out her tongue and apologized to Su Nan.

“I shouldn’t have asked, I’m sorry.”

Su Nan smiled. Although the question was sudden, it was not malicious.

Besides, she wanted to admit it in public, but let’s calm down after thinking about it.

“It doesn’t matter, who doesn’t have curiosity yet, but I won’t reveal anything today, after all, I don’t want to steal the bride’s limelight!”

Wen Xiang shook her head with a ruddy smile.

“Mike is President Shang’s child, right? I often hear Su Qi talk about it, and I want to meet too...”

Su Nan smiled, “It’s cute...” As

he was talking, suddenly Seeing Shang Qian looking around with a dignified and slightly cold face, he seemed to be looking for someone to inquire about Little Mike's whereabouts.

Su Nan was stunned, nothing happened, right?

Just as he was about to say something, Shang Qian came over, looked at Wen Xiang, and nodded apologetically.

Looking at Su Nan, his tone was a little cold:

"Little Mike is gone."

Su Nan: "Who is missing?"

She didn't seem to hear clearly.

Shang Qian: "I looked everywhere, but I didn't see him. I asked everyone, and they all said they didn't see a child running in at all..."

Su Nan's expression changed slightly, and he quickly stood up.

Wen Xiang also noticed that things were not good, and his voice remained gentle and calm:

"Maybe the child went to play somewhere, don't worry, here is 360 degrees without dead ends, every artificial intelligence The housekeeper has surveillance cameras, as long as he shows up, he must know where the kid is!"

Wen Xiang went over and took Su Nan's hand.

"Let's go..."

"Sister-in-law, I'll go by myself, you still have to be here..."

Su Nan suddenly realized that on this occasion, it seemed inappropriate for Wen Xiang to leave.

Wen Xiang smiled, "It doesn't matter, it's almost over anyway, just leave the rest to your elder brother."

Her face was gentle and soft, her delicate facial features did not have any angry calculations, and she was worried about this child in her heart.

Su Nan nodded and looked at Shang Qian, "Let's go." The

three hurried away and went to the control room on the top floor.

They put all the core detection devices of artificial intelligence on the top layer, which is the best place to control each intelligent housekeeper.

Arriving at the testing room, Wen Xiang hurriedly turned on the monitoring equipment.

The information of the guests is implanted in each of the AI-powered butlers, and they can be easily recognized by scanning their faces.

Wen Xiang pressed a few times, and suddenly different video records appeared on the dozens of screens in front of him.

Enter the license plate number, and the video of two smart housekeepers shows Shang Qian getting off the car.

One of them is the scene where little Mike jumped off excitedly.

At the door, Su Nan was stopped by Fu Yechuan. At this time, little Mike was on Su Nan's left.

Immediately afterwards, Su Nan touched Mike's head, and Mike ran in excitedly.

Wen Xiang quickly pressed pause.

After comparing and scanning the avatars, from here on out, little Mike has never appeared in all the videos.

Even if there are three or four intelligent robots in the direction he ran to, it is impossible to have no records!

...

Chapter 1014 Doubt

Chapter 1014 Suspected that

Wen Xiang's face also became ugly.

Shang Qian stood there, his face was as cold as water, and his eyes were dark and gloomy. It could be seen that his anxiety and coldness could no longer be controlled by his cultivation.

Su Nan pursed her lips, her face pale.

"That place is dark, only three meters away, he disappeared in this place?"

Wen Xiang pursed her lips and nodded.

“This place is an aisle, and it is also the only way for guests to come in. It stands to reason that everyone will not stay here for more than ten seconds, but how could little Mike...”

How did he disappear here?

Su Nan looked at Shang Qian and said, “Call the police. Before the police arrive, let’s do a search by ourselves. We can’t let go of every corner.”

Then she looked at Wen Xiang, a little apologetically:

“Sister-in-law...”

Wen Xiang looked at her and nodded, with extreme tenderness and understanding on her beautiful face:

“Needless to say sorry, we are a family, and finding the child is the most important thing.”

Su Nan nodded and walked out immediately.

Shang Qian was still standing there, staring at the screen where little Mike disappeared, as if to see something...

Wen Xiang didn’t say anything, just followed Su Nan out to arrange the evacuation of the guests .

After Su Jin found out about this, he didn’t have much emotion, but he nodded immediately and agreed to end the banquet ahead of schedule.

Everyone was very confused. The banquet ended early. I don’t know what happened?

However, Su Jin’s people were also very polite and thoughtful, and gave him a valuable gift.

Each smart housekeeper cared for them to open the door, sent them away, to ensure that no child was entrained in their car...

Everyone was sent away, and the huge venue became empty.

The beautiful 3D three-dimensional surround design was also closed. Everyone searched up and down the whole villa again, but no one was found.

After Su Yifeng knew about this, although he also felt sorry for the child, he felt more sorry for his own daughter.

Shang Yi's words lingered in his heart like a shadow, he couldn't turn a blind eye, let alone completely believe in Shang Qian's character.

If Shang Qian didn't even let his parents go, then he should know very well that the Su family also cares that he is a child.

That being the case, could the disappearance of little Mike be a play he directed and acted?

Moreover, at this time of day, this location, obviously, was deliberately displayed by the people of the Su family.

To be with Su Nan?

Or to return to the business in order to gain the support of the Su family?

Su Yifeng has experienced many ups and downs over the years. He has seen many conspiracies and tricks, and he knows that guarding against others is essential.

He is happy to push his children out of the greenhouse, experience the beatings of society, and teach them to grow up step by step.

But he also knows that the family environment is too beautiful, the brothers are harmonious, and the children are kind. When they look at people, they will always look at them with sincerity.

What if Su Nan was deceived?

He was sitting in the rest area thinking, Su Nan rushed over in a panic, a little helpless:

"Dad, why are you still sitting here? Quickly help us find it together?"

Su Yifeng opened his mouth, maybe, can't find it?

His face was solemn and cold, "Where's Shang Qian?"

"Shang Qian was upstairs looking at the surveillance records..."

Su Yifeng sneered.

"He's sitting down..."

Su Nan always felt that something was wrong with Su Yifeng.

“Dad, what are you talking about?”

Chapter 1015 Old Father's Anger

Su Yifeng's eyes sank and his voice was heavy: “Let him get out!”

There was a subtle chill in the air.

Su Nan was surprised that Shang Qian had come downstairs in big strides.

“Su Nan, please stop busy, I'm going out to find someone...”

He said and was about to leave.

Su Yifeng's voice was extremely cold: “President Shang, you directed and acted a good show, but ruined my son's engagement banquet. Do you have anything to explain?”

Shang Qian paused and turned to look.

“Uncle Su, I don't understand what you mean...”

“Dad, don't waste the time to save people. If you have anything to say, I'll talk about it later!”

Su Nan said, and she looked at Shang Qian: “Go away!”

Shang Qian pursed his lips, his expression a little unclear.

Su Yifeng: “If the child disappears, would it be a good thing for you?”

As soon as these words came out, the air in the arena suddenly became quiet.

Su Jin's face was solemn, and he suddenly realized what Su Yifeng meant.

He looked at Wen Xiang who was on the side, and said in a low voice, “Let outsiders go out, and don't allow them to come in.”

Wen Xiang nodded and immediately dispersed everyone.

Only the Su family and Shang Qian were left in the living room.

There was a touch of complicated emotions in Shang Qian's dark eyes.

“Uncle Su is suspecting that I lost my son?”

Su Yifeng looked at him coldly:

“Isn’t that right? President Shang, I heard something about you, to tell you the truth, I listened. All terrified.

Little Mike has lived in my Su’s house for a long time, and everyone in our family loves him very much.

Among the people present, the person who has the most reason to be unfavorable to him, isn’t it you? “The

Su family has always taken a wait-and-see attitude towards Shang Qian, and it is impossible for a Shang Qian to be detrimental to a child.

But what about Shang Qian?

Even if he speaks badly, Su Yifeng can’t delay this matter until the day when the raw rice is cooked!

If Shang Yi lied to him, his guess was wrong, then he was willing to give everything to apologize.

But what if he was right?

How could he just watch Shang Qian wearing a kind mask to deceive Su Nan?

Su Nan does not Xie Di stood there, looking at Su Yifeng in shock:

“Dad, what are you talking about? Why should Shang Qian be against him? “

Su Yifeng looked at his daughter with a solemn expression.

“Little Wu, you have always been calm, but when you encounter feelings, you will soften your heart.”

I told you before that the most important thing in a relationship is to trust each other. Do you trust him? “

Su Nan looked at Shang Qian and nodded.

Su Yifeng sneered and raised his voice:

“Does he trust you? “

Shang Qian stood there stiffly, his black eyes were deep, as deep as a black pool, unfathomable.

He didn't answer.

Su Yifeng didn't expect him to speak:

“Shang Qian, someone told me that you took your mother You pushed your father down the stairs and fell to his death, is it true? “

This matter, stuck in my heart, is really breathless.

He couldn't imagine that if his little five followed this kind of man, would he still be able to sleep in the future?

Originally, he let this relationship go, even if there was a trace of dissatisfaction, but if Su Nan was happy, he had nothing to say.

But if Shang Qian really did such a thing, he must intervene as soon as possible to let this hypocritical Shang Qian get away!

Don't let his Su Nan get hurt a second time!

Su Nan looked at Su Yifeng in shock, and then his eyes slowly moved to Shang Qian's face.

It's like a dark, dark fog...

that Shang Qian's facial features have a hint of blackness, and a strong anger flashed in his eyes.

It was as if he had completely changed.

He took a step forward, looked at Su Yifeng, and asked coldly,

“Who said that?”

“Is it true that I asked you?” Su Yifeng repeated!

Shang Qian gritted his teeth, the blue veins on his face were bulging, and his fists were clenched tightly.

“Yes, but please also tell me, who said that?”

There was an answer vaguely in his heart, the blood flowed backwards from his whole body, and the anger in his body seemed to be gushing out.

Su Nan suddenly felt a chill in his heart.

Shang Qian’s anger and hatred are so obvious that they are vaguely related to his blurred background, but those backgrounds are untouchable.

Those existences will make people crazy!

Su Yifeng snorted coldly, “I don’t lie to you, it’s your uncle Shang Yi, he just left, and he came to tell me this on purpose!” When

Shang Qian heard the name “Shang Yi”, his brows were ruthless. He was shocked, and then his face was gloomy and ugly.

He turned around and walked away.

Su Yifeng’s eyes were condensed, and his tone was unceremonious:

“Since you have admitted your past, I will tell you clearly that you saved Su Nan, and my Su family will not owe anyone anything, just say whatever benefits you want.

But do n’t say it again. Hit my daughter’s attention!” It’s

nothing more than profit, so choose a straightforward method!

Shang Qian’s body trembled slightly, his face was cut like a knife, he was handsome and straight, and his face was dark and cold.

“It’s not that simple, I’ll come back to explain.”

He took a deep look at Su Nan, left a sentence and left.

Someone nakedly opened his closed heart and let people see his worst side.

In the past, if Shang Qian really did those things, how could he still be worthy of Su Nan?

He was afraid that she would know these things, that he would see the shock and fear in her eyes.

When he came from Shang to Country Z, he was worried, and let people erase his past in Country M, so that no one could find out those dark times.

But I can't prevent a caring person, so I want to destroy him with my own hands!

As soon as Shang Qian left, the cold atmosphere was not that good.

Su Nan's delicate makeup seemed a little pale, and she looked at Su Yifeng with complicated eyes.

"Dad..."

Su Yifeng glanced at her, stood up, and his voice was vicissitudes and deep.

"Xiao Wu, you have to keep your eyes open when you look at people. Whether it's Fu Yechuan back then or Shang Qian who just stood here, Dad's ruthless behavior is for you."

After he finished speaking, he sighed. , turned around and left the villa.

Su Nan stood there sluggishly, his body slightly stiff.

She didn't understand why the situation suddenly turned out to be like this one night?

The way Shang Qian left just now was very unfamiliar, but it felt a little familiar.

It seemed... she seemed to see Fu Yechuan's shadow.

No, she tried her best to get rid of that thought.

Su Jin, who was beside him, stepped forward and patted her on the shoulder.

"Xiao Wu, don't blame Dad, Shang Yi must have said something. If there is a misunderstanding, let Shang Qian come back and explain."

Su Nan twitched the corners of his mouth.

She couldn't smile.

Wen Xiang walked over with complicated eyes, "But in the inspection of the intelligent system just now, I didn't see Shang Yi, even if it is a guest who came with a companion, the facial features will be uploaded to the system, but Shang Yi was not found. ...."

Su Jin frowned and asked cautiously, "Then how did he come in?"

...

Chapter 1017 The Perfect Man

Chapter 1017 Perfect people

Wen Xiang and Su Jin obviously sensed something was wrong.

Each smart housekeeper will scan passing guests every five seconds to see if any strangers have entered.

In such an environment, it is not easy to mix in an outsider.

Especially when it comes in and out without a trace.

Except for Su Yifeng who met once, no one else saw Shang Yi's face.

Wen Xiang was still wearing the dress just now, and her delicate eyebrows showed a bit of anxiety:

"Call the police?"

Su Jin looked at Su Nan hesitantly:

"If there is no evidence, point directly to Shang Yi and take Mike away, because he came here. It's unreasonable to call the police at a banquet..."

Even if you call the police, it will be nothing.

Su Nan's mind was muddled, and when she heard the word "alarm", she shuddered.

"Don't call the police first, eldest brother, I'm going to find Shang Qian. The most important thing is to find Mike first, and leave the rest later. You can ask more questions for me at Dad."

Su Jin nodded solemnly and coldly.

"Don't worry, leave it to me here, you can go."

Su Nan nodded in a panic, and ran out with her skirt...

Wen Xiang frowned slightly as she watched her leaving, opened her mouth, and hesitated. Said:

“Dad can see that there is something wrong with Shang Qian, and he admitted it just now, why did you ask Su Nan to find him?”

Shang Qian is indeed perfect. But in this world, how can there be a perfect person?

If it wasn't for Su Yifeng's pressing just now, Shang Qian would never lose his temper.

But the more it does, the more frightening it gets!

Isn't Su Nan staying by such a person's side?

Su Yifeng's attitude is already obvious, Su Jin is still going to find Shang Qian even though Su Nan?

Su Jin saw what Wen Xiang was thinking, smiled gratified, and reached out to touch her hair:

“You still know how to protect Xiao Wu?”

Wen Xiang blocked his hand, her eyes wandered:

“Don't mess with me Hair!”

Su Jin curled her lips and helped her straighten the broken hair on her temples:

“You don't understand, Xiao Wu's temper, unless she sees a person's true colors with her own eyes, she won't believe what others say. .

had a Fu Ye Chuan, we take turns to her home to do homework, but she did not listen, even if it is a break with the family have to marry him.

so my father said would not have any effect on the fifth, she absolutely does not care. “

Wen Xiang looked at him speechless,” you're not bend angles and sister say you temper it? “

Su Jin raised an eyebrow, with the face of cold Jun little more soft.

“You can say that.”

“Aren't you afraid that Su Nan will be completely deceived by Shang Qian?”

Wen Xiang asked him.

Su Jin's eyes flashed slightly, with a bit of chill.

His voice was clear and stern.

“No, everyone is wise and wise. Xiao Wu won’t be so stupid, and we won’t be so stupid.”

At first, he only knew how to stop Su Nan, but he forgot to start with Fu Yechuan.

If they had made plans earlier, maybe Su Nan would not have married Fu Yechuan.

Without waiting for Wen Xiang to ask anything, Su Jin looked at her with a little regret in his eyes:

“Tonight was supposed to be beautiful, but unfortunately...”

Wen Xiang reached out and squeezed Su Jin’s face:

“It’s okay, I’ll make it up for the wedding.”

Su Jin held her hand with deep eyes Shen:

“I’d love to!”

Although they have their own house outside, if something like this happens, they can’t help but go back to Su’s house.

two people to simply freshen up, change into everyday clothes, and then head back.

When Su Jin and Wen Xiang went back, Su Yifeng was still angry. Seeing that there was no figure of Su Nan, he was even more angry.

The housekeeper cautiously greeted him:

“The third young master has gone to see Miss Ning, and he hasn’t come back yet. The chairman will scold whomever he sees!”

Su Jin nodded, sighed, and pulled Wen Xiang in.

Su Yifeng: “Why did you come back?”

Su Jin paused, “If you’re not welcome, then we’ll leave?” He

took Wen Xiang's hand and walked out.

Su Yifeng snorted coldly, his eyes softened a little, and looked at Wen Xiang:

"It's not for you, child, there are too many things that happened tonight, and I feel wronged for you."

Wen Xiang quickly smiled, with gentle eyes: "Dad, you Don't say that, it's just a dinner party, it doesn't matter."

Su Yifeng nodded, "I'll buy you an island when you get married, pick any you want..."

Wen Xiang smiled slightly, and spared her. Knowing that the Su family has a great career, but Su Jin never perfunctorily dealt with gifts and played her with money.

Therefore, she has not experienced such a lineup, and I was intimidated.

I've heard that Su Nan likes to buy islands for a long time, but I didn't think he learned from Su Yifeng?

Su Jin took a step forward and hugged her shoulders, "Why don't you thank Dad soon?"

Wen Xiang: "Thank you Dad."

It sounded like a commonplace meal.

As soon as she got engaged, she seemed to feel the arrogance of the Su family!

Su Yifeng was not in the mood to think about other things, and looked at Su Jin:

"Why didn't you call Xiao Wu back?"

Su Jin said calmly and calmly: "Go to Shang Qian."

"What? You even asked her to go find the murderer? You can't let them meet until he speaks clearly. !"

Su Yifeng's face was extremely ugly.

I can't wait to go over and bring Su Nan back in person!

Su Jin pursed his lips, his eyes were calm and cold:

"Dad, have you forgotten the lessons from the past?"

Su Yifeng paused.

His face became complicated.

Su Jin's voice was light and cold:

"It's better to let Su Nan follow, let's see what happened to little Mike, this matter is mostly aimed at Shang Qian, Su Nan is clever, what role does Shang Qian play in the middle? You will understand."

Su Yifeng glared at him:

"You can hold your breath!"

He listened to Su Jin's words.

Su Jin: "Save your strength. The most important thing now is Mike's kid. If something really happens..."

He didn't say anything, but his face became unsightly.

Shang Qian carried countless infamy and raised this child innocently, which shows how much he loves him.

Su Yifeng frowned, "Could it really be Shang Yi? Little Mike is missing, and it has something to do with him?"

Su Jin looked at him jokingly, scolding Shang Qian just now, but in the blink of an eye, he was also worried about Little Mike's safety.

Daozi mouth tofu heart...

"I feel sorry for little Mike. After all, he has lived with me for so long, his fishing skills are better than all of you, fishermen, understand?"

Su Yifeng explained his emotional changes.

Su Jin smiled and said nothing.

...

Su Nan left the villa and called Shang Qian, but the line was always busy.

She wanted to go directly to Shang Yi, but she didn't know where.

Call Yu Lou:

"Go to check Shangyi's residence."

Yu Lou paused, "Okay."

Within three minutes, the location was sent to her mobile phone.

Top luxury hotel not far from here.

She stepped on the accelerator to accelerate, arrived in a short time, pushed the door and got out of the car, not noticing that the phone suddenly vibrated.

Flashing on the phone screen: Shang Qian.

...

Chapter 1019 throws a hug

Chapter 1019 The

temperature in mid-March was still cold, especially at night, it was cold to the bone.

Su Nan didn't have time to change her clothes. The fabric of the dress was too small, and she was shivering from the cold.

Fortunately, there were still clothes prepared in the car. She put on a wool coat, which just wrapped around the graceful body outlined by the dress, and at the same time blocked the biting chill.

It also looks very consistent.

She stepped into the hotel with high heels, her steps were neat and decisive, she went straight to the elevator, and found the floor where Shang Yi was.

But she didn't expect that as soon as she got out of the elevator, she saw his bodyguards on the first floor.

Almost one meter.

What kind of important leader do you think you are in this battle?

A nearby bodyguard stopped her: "Stop, you can't enter this floor."

Su Nan pursed her lips, her eyes were cold:

"Please tell President Shang, I am Su Nan."

The bodyguard wanted to drive her away, but saw her anger. The field is strong, and it is not easy to provoke at first sight, so I simply go to the other side and call Shangyi to report.

This floor is the presidential suite, and no one else will live there, so it's no wonder that Shang Yi dares to be so flamboyant.

If he had changed his place, he would have already become popular...

Su Nan secretly rolled his eyes.

After a while, the bodyguard rushed over:

"Miss Su, please..."

His attitude was obviously much more respectful than before.

Su Nan indifferently withdrew his gaze and turned to follow.

At the door of the presidential suite.

The bodyguard knocked on the door.

The next second, the door opens from the inside.

Shang Yi's delicate and graceful face was just steamed by water vapor, and his skin was red, looking both good and evil.

The bathrobe on the chest is loose, and the collarbone is exquisite and abrupt.

If it was a different person, Su Nan would still be interested in seeing the beautiful man taking a bath, but this Shang Yi made her feel sick from the bottom of her heart.

The bodyguard retreated knowingly.

Shang Yi opened the door and smiled:

"Miss Su, I didn't know you were here, I'm rude."

Su Nan forced herself to keep a decent smile.

"It was I who disturbed Mr. Shang's rest."

Although she didn't want to go in, but there were his bodyguards outside the door, and it was even more embarrassing for her to stand outside.

After thinking about it, I went in.

Shang Yi's smile gradually widened.

He closed the door behind him, and his eyes flashed slightly:

"Miss Su, what would you like to drink?"

"No need, thank you."

Su Nan refused.

Who dares to drink his stuff? Still alive?

Shang also was not disappointed, as expected.

He sat on the sofa and pointed to the opposite side:

"Sit down, Miss Su, is there anything that is worth coming over in person?"

Su Nan walked over and sat down, her eyes were clear and cold:

"I heard that President Shang is going up tonight. At the engagement banquet of my eldest brother and sister-in-law, and told my father a lot of things?"

Shang Yi chuckled, and put his arms on the back of the sofa casually, and he didn't show any respect.

Very rude.

"I came here uninvited. Those secrets were originally intended to be exchanged with Miss Su, but Miss Su has already rejected my conditions. It's useless for me to keep them, so I'll just give them away."

Su Nan looked at him smiled.

They are all in business, so how can they lose money?

"Mr. Shang seems to have some misunderstanding with Shang Qian. Even if we know about those things, Shang Qian's behavior does not affect our cooperation. What is the impact of being a man in the interests of the current interests?"

She smiled, deliberately misleading Shang Qian. .

Shang Yi reached out and stroked his eyebrows, as if thinking.

“Ms. Su is right. If I can’t come up with more attractive terms, you won’t give up your cooperation with Shang Qian, right?”

Chapter 1020 I understand I understand

Su Nan raised his eyebrows and remained silent.

of course?

Thinking of the white wolf with empty gloves, Shang Yi is not worth the money?

Shang Yi understood Su Nan’s attitude and nodded.

half an hour.

His hands were folded on his knees, his movements reckless.

“I know Shang Qian has been chasing you, do you agree?”

he asked suddenly.

Su Nan raised her eyebrows, “Why do you ask that?”

“I’m curious, Miss Su is pretty and generous. I’ve heard about it before I came to country Z. Shang Qian is still pretending to be a dog. I’m curious if Miss Su has taken the bait?”

Shang Yi looked very interested...

Su Nan lowered his eyes and smiled.

“Mr. Shang, I have many boyfriends, and nine out of ten are actors.”

Are there still few men who have had scandals with her?

She remembered what Shang Qian said at the time, not letting Shang Yi know about their relationship.

She looked at him vaguely and smiled meaningfully.

Shang Yi immediately smiled as if I understood.

There are some mixed feelings in my heart.

Su Nan is good-looking, and she looks noble and unattainable in her bright beauty. Didn't she think her private life would be so messy?

However, Shang Qian did not succeed, which means that he is unlucky!

Suddenly, the smile on his face became more sincere.

"It's still Miss Su who is well-informed and has not been deceived by this person!"

Su Nan pursed his lips, "But I'm also curious, almost all the guests present today are under surveillance, only you and Shang Qian's son, little Mike, no one saw when they came, and no one knew when they left. Sir, can you tell me why?"

She watched every inch of his expression, trying to see something from it.

But Shang Yi looked surprised, and was slightly taken aback:

"What? Little Mike went too? I came and went in a hurry, I didn't notice, that naughty child, I haven't seen you for a long time... .."

Su Nan's eyes sank slightly.

He is lying.

Clearly, he was proud of watching a good show in his eyes, but he deliberately expressed surprise and contrived.

Shang Yi shook his head, "But how come no one sees me? I followed President Fu in, and I happened to meet him with an invitation, which saved me a lot of trouble.

Oh, when President Fu was greeting you, I just followed the driver into the parking lot..."

Su Nan's face changed fiercely, and his eyes narrowed.

Why didn't she think of the hidden but open loophole in the parking lot?

If Shang Qian came and went from there, it was really possible.

There seems to be no smart housekeeper monitoring arranged there.

So, they are careless!

Su Nan's eyes flashed with complex emotions, Shang Yi's words seemed to reveal his whereabouts on purpose.

"Little Mike disappeared at the wedding banquet."

Shang Yi's shock was even more deliberate:

"What? Missing? Why is this happening, have you called the police? Do you need help?"

Su Nan: "..."

Such a greasy response.

She performs better than him herself!

The more exaggerated the more ghosts!

Su Nan became more and more convinced that the disappearance of little Mike was inseparable from this business!

Su Nan stood up, too lazy to make excuses with him.

"Mr. Shang, if you take away little Mike, tell us your terms and we will exchange."

Shang Yi raised his head slightly and looked at her:

"How could I do such a thing?"

I am not such a person!"

Su Nan's eyes became colder, "Mr. Shang, this is not country M. If you don't understand the rules, I can warn you once.

If I find out that you have something to do with Mike's disappearance, I will let you stay here forever. Confession!"

Her tone was calm and deep.
