Chapter 1031 no conditions

Chapter 1031 has no conditions

waiting for Fu Yechuan to express his conditions in exchange.

But no.

Fu Yechuan said the location and address directly, and then hung up the phone.

Su Nan was inexplicably puzzled.

Is this still the Fu Yechuan she knew?

Before she could think about it, she picked up her clothes and left...

Fu's Group.

Fu Yechuan hung up the phone, picked up the cigarette and lit it.

The ashtray in front of him was already densely packed with cigarette butts.

The person sitting opposite was very puzzled:

"Old Fu, did you just tell her the address like this? You didn't get any benefit!"

Lu Qizhen couldn't understand Fu Yechuan more and more.

Wu Tutu, who was sitting not far away to feed the fish, raised his eyebrows and said nothing.

This idea, or he came out.

Fu Yechuan chuckled and took a puff of cigarette. As the smoke lingered, he felt even more depressed in his chest.

"Benefits? What benefits should I ask her?"

"Of course, let her separate from Shang Qian, so that they can never meet again, and let her come back to you!"

Lu Qi said as he should.

If he had this opportunity, he would never let it go!

Fu Yechuan smiled indifferently, his aura was strong and cold.

“In this way, wouldn’t it be cheaper for Shang Qian?”

If he really did this, Su Nan would definitely stand with Shang Qian’s arrogant man without hesitation.

My position is even more difficult.

Why bother?

“But...it’s too easy, she won’t thank you!”

Lu Qi shrugged wordlessly.

Fu Yechuan raised his eyes and looked at Lu Qi through the smoke.

“I don’t need her thanks.”

If she could be a little softer towards him, he would be satisfied.

Originally, he had no advantage.

Hearing what he said, Lu Qi felt that he couldn’t understand Fu Yechuan more and more.

“But how do you know that Shang Yi stole the child and hid the child in that place?”

Lu Qi asked him.

Fu Yechuan pursed his lips, “Otherwise, Shang Qian’s people would have been found long ago, do we have to wait all night?”

Although Shang Qian has no influence in country Z, he is rich.

There are people who are willing to do things and provide information to him.

Lu Qi nodded knowingly.

Suddenly, I remembered something and slapped my thigh,

“Isn’t that trying to frame you? If it’s really there, you won’t be able to wash it out even if you jump into the Yellow River!” No

matter what, little Mike hid in the territory under Fu Yechuan's name. I can't explain it when I look back.

Fu Yechuan was too lazy to pay attention to him, Lu Qi's mind was slow to respond.

Wu Tutu walked upside down.

"So, our President Fu will preemptively and tell Miss Su the news, so that when Shang Qian finds out, Miss Su will naturally explain it clearly for President Fu!

I have to say, President Fu's method is really high!"

Lu Qi twitched the corners of his mouth. Was this method something that Ba always came up with?

It really tested his intelligence.

Lu Qi swallowed his saliva and looked at Wu Tutu:

"If it were me, I would directly put forward the conditions. The most important thing is to get some benefits first! I won't do it if it's cheap and cheap!"

Fu Yechuan raised his eyelids, Wu Tutu said subconsciously:

"So you haven't reconciled with your ex-wife yet, and people hate you to death..." For a moment.

There was silence in the office.

Lu Qi turned his head to look over, his deadly eyes fixed on Wu Tutu.

Wu Tutu pursed his lips, shook his whole body, and quickly turned around and ran out.

Lu Qi vigorously suppressed the fire in his heart.

He looked at Fu Yechuan, "How does he know about me?"

Chapter 1032 The soft bun

Fu Yechuan's tone was perfunctory, and his profile was sharp as a knife:

“You have been thrown into the Sahara, and the whole world knows it!”

Lu Qi: “...”

What do you want a face? Is it that hard?

“By the way, you know about Yunyun’s hanging up by the Su family some time ago?

They all said that she was yours before, but you didn’t do anything at all?”

Fu Yechuan took a breath of cigarette calmly, and then pinched it out in front of him in the ashtray.

The right finger bone is distinct, slender and powerful.

“She’s not mine, she’s Xu Anji’s, Xu Anji is safe, and I won’t take the initiative to jump into the pit.”

Fu Yechuan’s sloppy voice was a little uninhibited.

It seems that this Yunyun has been forgotten out of Jiuxiaoyun for a long time.

...

Su Nan only remembered to call Shang Qian halfway through.

But Shang Qian’s phone was busy and couldn’t get through.

No way, she went directly with someone.

The house under Fu Yechuan’s name is located in an ordinary residential area, and it is unremarkable and even a little old.

This is simply the most dilapidated house in Fu Yechuan’s life.

He was probably too embarrassed to say it.

Su Nan took the people downstairs and saw other people looking downstairs.

The leader was Shang Qian.

When Shang Qian saw her, his eyes trembled slightly.

Su Nan quickly greeted him, “It’s on the thirteenth floor, let’s go quickly.”

Shang Qian nodded and hurriedly let people in.

Now I don't care about other people's eyes.

The people brought by Su Nan tried their best to tell the onlookers not to take pictures, they were acting!

As soon as I got out of the elevator, I heard the loud voice of Little Mike from inside.

"Help me, I'm beating someone, the police uncle save me!"

Su Nan was anxious and rushed in.

Shang Qian quickly grabbed her arm and dragged her back.

"There are people inside, don't rush in."

If she lost a hair here, he would be so distressed that he would die.

The man behind knocked on the door.

keep knocking.

The people who pretended to be dead inside finally couldn't help being irritable.

"Who, keep knocking and knocking, no one is still knocking?" The

knocker looked at Shang Qian, and Shang Qian nodded.

The man's tone was also very aggressive:

"Are you a new tenant? Do you need to register? Your children are yelling all day long and disturbing the people!"

The person inside couldn't help but open the door: "Uncle, I'm willing to let him yell. -"

In an instant, the door was opened, and it could no longer be closed.

More than a dozen bodyguards outside rushed in, and it seemed that it was crowded a lot.

But little Mike shouted excitedly:

"Daddy, Daddy, your dear son is here!" Before

seeing anyone, he knew it was Shang Qian.

Little Mike, this clever little ghost!

Shang Qian's face softened, and he dragged Su Nan in slowly.

Inside stood three strong men, who were looking at little Mike.

One of them was still holding little Mike by the neck, watching them warily.

"You...you..."

Shang Qian's eyes sank, looking at the strong man's hand.

"Release."

Very threatening!

The strong man did not dare to let go, for fear of losing his life if he let go.

At the critical moment, the bodyguard on the right suddenly threw the thing in his hand, which happened to be still on the wrist of the strong man.

Had to let go.

Little Mike didn't stand still, fell to the ground, clapped his hands, got up, and ran towards Su Nan.

While running, wiping away tears.

"Beautiful sister, people are so afraid..."

Little Mike, who had a loud voice just now, became a soft bun in an instant.

Su Nan squatted down and hugged him distressedly, "You poor little one!"

...

Chapter 1033 I kiss enough

Chapter 1033 I kissed

and looked at little Mike speechlessly, I really wanted to reach out and drag him out of Su Nan's hands.

Can't you see who came first to save him?

Is there something wrong with this child's eyes?

He clearly called "Daddy Daddy" the loudest just now!

It's really incomprehensible.

Before he had time to think about anything, the three big men on the opposite side ran away with their only chips, and immediately knelt down with a thud.

"It has nothing to do with us, it was President Shang Yishang who asked us to do it!"

Su Nan: "..."

Sure enough, it wasn't a force that he cultivated himself.

Shang Qian was not surprised at all, and snorted coldly.

"I didn't ask such a childish question."

Therefore, there is no need to surrender in such a hurry!

The strong men looked at each other.

Shang Qian looked around:

"Is this the house that Mr. Fu Yechuan bought?" The strong man answered cautiously, "Yes."

His eyes deepened slightly and became cold.

"Because you didn't cause any harm to my son, I'll let you go this time.

But Mike is yelling so much that you can't do anything about it?"

Three strong men, can't do anything to a child?

One of them pursed his lips and seemed a little aggrieved:

"I originally wanted to put some sweat medicine in the rice and water, but this child won't eat or drink, and even broke several bowls, and President Shang Yishang said he would keep his Life, we dare not act rashly."

If the outcome of the negotiation is known, I am afraid that I will regret not letting them act rashly.

Shang Qian sneered, winked at the bodyguard next to him, and turned around on his own.

He picked up little Mike, who was lying on Su Nan's body and didn't let go, and strode out.

"Daddy, Daddy, let me go, I want my pretty sister to hold me!"

Little Mike protested on his shoulder.

He still likes a beautiful sister who smells good.

Shang Qian patted his butt, "Her hands will be tired, don't you know how much you sink yourself?"

Little Mike was completely honest.

Sad and sad.

He's just stronger.

But Shang Qian hurt a man's self-esteem too much.

He's still growing!

Su Nan followed closely.

Looking at him up and down, nothing happened, and then he was relieved.

"Little Mike, is there any discomfort?" What

if there is an internal injury?

Little Mike paused, "People's hearts hurt so much, it's better to have a kiss."

He pouted, really cute.

Su Nan smiled, Shang Qian's tone was cold.

"Come on, come here, I'll kiss enough!"

Little Mike looked disgusted.

"It's better if a girl kisses him."

"Let the maid come to kiss him! I'll get Susan ready!"

Little Mike panicked, Susan liked to kiss him, but she couldn't control it.

“I don’t need Daddy, I don’t need to kiss, I’m all right!”

Su Nan finally saw that he was joking, and suddenly burst into laughter.

However, appearing so lively in front of him, I really want to give him all the good things in the world.

When they got to the car, little Mike finally pulled Su Nan’s arm as he wished, leaned on her body, and separated Shang Qian.

“Pretty sister, are you worried about me?”

Su Nan nodded honestly.

Little Mike was pleasantly surprised.

Shang Qian snorted coldly, “Susan and the bodyguards are very worried about you, do you want to call them?”

Little Mike looked at Shang Qian sadly:

“Daddy, why are you here as our light bulb? “

Shang Qian looked at him calmly.

Thinking about it, can he start school?

Su Nan’s smile and touched his little face:

“Daddy is worried about you, he didn’t sleep all night to find you!”

Little Mike leaned forward dubiously. , took Shang Qian’s arm and shook it.

“Daddy treats me the best!”

Shang Qian softened his heart, rubbed his hair, and smiled.

“Remember how you were kidnapped yesterday? I told you so many times not to trust others, but you were still kidnapped?”

Little Mike scratched his head and blinked his eyes.

“No, it was the bad guy Shang Yi who waved to me there. I knew him, but as soon as I walked over, I fainted.

Then I went to that little house...”

Little Mike said In the end, I felt a little guilty. I watched Shang Qian’s face gradually become serious, and even his voice became smaller.

He slowly moved back to Su Nan’s side and gently hooked her finger.

winked at her.

Su Nan coughed and quickly changed the subject.

“It seems that Shang Yi also came prepared, otherwise he would not have taken away little Mike so smoothly.

But what was the purpose of him taking away little Mike?”

She always felt that Shang Yi wanted to threaten Shang Qian. .

But he didn’t expect that Shang Qian could find little Mike so quickly and arrest him.

Then his purpose is a little suspenseful!

Shang Qian pondered for a few seconds and snorted coldly.

“I’ll find out soon.”

“Then Shang Yi, what are you going to do?”

After all, this is not the M country, and it would be very troublesome if someone died here!

Shang Qian hooked his lips, and his smile was a little cold.

“My father will be here in two days. Then we’ll see what he wants in exchange for his younger brother.”

Su Nan was slightly surprised. Why did the merchants come here one by one?

However, listening to Shang Qian’s tone, it seems that he doesn’t have much affection for this father.

When Su Nan felt sorry for him, he felt relieved.

This saves a lot of trouble and hassle.

The car went directly to Su's house.

Su Nan was a little surprised when he realized it.

Shang Qian smiled and touched little Mike's head.

"I know that everyone in the Su family is very worried about the safety of little Mike, so it's better to come over and report safety first.

After all, it was because of Mike's business that the engagement banquet between President Su and Miss Wen was screwed up. Let him come and apologize in person."

Of course, it was also because he had to come to Su Yifeng in person to explain the rumors made by Shang Yi.

Su Nan never thought of this, but Shang Qian was more careful.

She smiled and touched little Mike's hair:

"Don't worry, you've lived here for a while, and they all like you."

Little Mike grinned, "I miss Su Xiaohu so much, I think Hug him and touch him!"

"Yes!" The

car drove in.

The butler looked over and was slightly startled when he saw Shang Qian's little Mike and Su Nan coming back together.

"Miss, is Mr. Shang here?"

He smiled and glanced at little Mike, the child who came back safely is really cute.

Su Nan smiled, "Did my dad go fishing again?" The

housekeeper paused, "No, Su Dong is in a bad mood today, he didn't go fishing, so he killed the fish instead."

Su Nan was slightly taken aback and looked at Shang Qian .

Why is Su Yifeng in a bad mood, not because of Shang Qian?

Shang Qian comforted her and smiled, and reached out his hand, wanting to take her hand and go in together.

Su Nan pursed her lips and hesitated for three seconds, so high profile?

...

Chapter 1035 likes me the most,

but when she just stretched out her hand, a soft little hand grabbed her.

Little Mike gave her a sweet smile.

“Sister pretty likes me the most, right?”

Then, little Mike put his other hand in Shang Qian’s.

“Daddy likes me the most, doesn’t he?”

Therefore, the person they should hold hands with the most is themselves!

Why is Daddy pulling the hand of the pretty sister!

It’s so self-aware.

Su Nan smiled and glanced at the dark-faced Shang Qian, then pulled him in.

If it weren’t for Su’s house, Shang Qian would definitely teach him a good meal. The child is really blind.

Uncle Steward had already stepped in and notified Su Yifeng.

Su Yifeng came out of the kitchen with a fishy smell on his body.

When he saw Shang Qian, he snorted heavily.

A look that clearly does not welcome him.

Little Mike got out from behind the two.

“Uncle Su...”

He shouted and rushed towards Su Yifeng.

Su Yifeng was stunned for a moment, looked at little Mike excitedly, and then squatted down to hug him. He suddenly remembered that he had just killed a fish, so he ducked.

“Mike be good, Uncle go up and change clothes first...”

Little Mike put his arms around his neck and didn't let go, “Uncle is fragrant, more fragrant than Daddy!”

Su Yifeng's expression changed. Zi Ruan calmed down, hugged him and went in.

“My dear, it's still you who are hurting. You were wronged last night. Who took you away?”

“Shang Yi is a big bad guy, he took me away. Thanks to the beautiful sister who saved me, we will be a family from now on. People!”

Little Mike said indifferently.

Su Yifeng laughed.

Instead, Su Nan and Shang Qian were forgotten at the door.

The housekeeper went over to remind, “Miss, hurry in.”

Su Nan paused, nodded quickly, and suddenly reached out and took Shang Qian's hand and walked over.

“Dad, isn't eldest brother and sister-in-law at home? Mike came to apologize to them on purpose.”

Su Yifeng rolled her eyes at her.

“Everyone is very busy, why do you apologize? Little Mike did nothing wrong, it was someone else who was at fault, right?”

Little Mike nodded heavily.

“It's the big bad guy Shang Yi.”

“Okay, good bad guy.”

Su Yifeng patted his head dotingly and looked at Shang Qian standing there, feeling a little helpless for a while.

He pursed his lips and put down little Mike.

“Su Xiaohu is upstairs, go, he misses you!”

Little Mike’s eyes lit up and ran up happily.

Uncle the housekeeper followed, “Be careful...”

There were only three people left in the living room.

Su Yifeng’s face became serious.

“What else are you doing here? Didn’t I say clearly enough what I said that day?”

Su Nan opened his mouth to feel wronged for him and wanted to speak for him.

But he was so frightened by Su Yifeng’s warning eyes that he swallowed back.

Shang Qian lowered his head, his face was warm and modest, and he smiled:

“Uncle Su, I’m here to apologize, and explain Shang Yi’s words by the way.”

Su Yifeng snorted lightly.

He clapped his hands and stood up, “Go to the study and tell me, I’ll go up and change clothes by the way.”

This meant that he didn’t want Su Nan to be present.

Su Nan looked at Su Yifeng helplessly, but they ignored her at all.

Shang Qian patted her shoulder and smiled comfortingly.

“It’s okay, it’ll be fine in a while.”

She could worry about him, and Shang Qian was so happy that he was about to fly.

No matter what Su Yifeng said to be embarrassing, he could endure it!

Shang Qian patiently waited for Su Yifeng to change his clothes, and then stood there humbly.

Su Yifeng glanced at it and sat on the sofa.

“Sit down.”

Shang Qian thought about it, and then sat down.

He repeated what he said to Su Nan to Su Yifeng again.

This time, when I said it, my heart didn't seem so heavy.

When he spoke, it was as if he was talking about someone else's business.

It turns out that the pain can really be alleviated and eliminated.

Done.

He looked at Su Yifeng quietly.

The atmosphere cooled down a little bit.

Unlike when facing Su Nan, Su Yifeng's kindness and forbearance are special cases when facing his family.

In fact, when he is alone a lot, he is a very serious person.

Just like now.

Shang Qian didn't even dare to take a breath.

The longer the time passed, the more uneasy he became, and he couldn't help but feel a little nervous.

Silent and depressed.

As if awaiting verdict.

After a while, Su Yifeng made a sound. His voice was very light and dignified.

“Shang Qian, it is said that you saved Su Nan's life and are our family's benefactor. I should thank you.

But I don't want to thank you with my daughter, do you understand?"

Shang Qian pursed his lips.

nodded.

Of course he understands.

"In fact, I don't agree with you being together. Su Nan is suitable for simpler people, and the person I am more optimistic about is Cheng Yi.

Although Cheng Er lacks ability and has no great prospects, he can see Su Nan at a glance. I like it."

Su Yifeng sighed, "It's a pity that Su Nan doesn't care about him, and he doesn't live up to his expectations."

Shang Qian's face was slightly ugly.

He almost forgot that Cheng Yi was among the four people who watched the meteor shower together.

So he's the ideal type?

"You are excellent in all aspects. You don't want to say that you have a son. In fact, it is perfect, but I have been in the business for so many years, and I also know that there is no perfect person in this world.

The more perfect people are, the more dangerous they are. Shang Qian, your background is the biggest danger.

I can't throw Su Nan into the fire pit of the merchant, I hope you understand."

Su Yifeng still decided to give up on him.

Shang Qian raised his head abruptly, his voice tightened:

"I have nothing to do with the merchant for a long time."

"If it really doesn't matter, how could Mike be lost? What if the person who lost tomorrow is Su Nan?"

Su Yifeng was aggressive, his eyes dead Staring at him deadly, with a tough attitude.

As long as Shang Qian was around for one day, it was impossible to completely break away from the relationship with the merchant.

He couldn't let Su Nan get involved with this potential danger.

In his sphere of influence, Su Nan can do whatever he wants.

But what if it exceeds this range?

He can't be so relaxed!

When Su Nan was mentioned, Shang Qian paused slightly, Jun Mei's face froze, and her eyes darkened.

For a while.

He said firmly:

"Uncle Su, I regard her as more important than my life, and I will not put her in any danger.

I will use all my strength to protect her first.

If the merchant dares to beat her , The idea..."

He paused, his tone cold.

"Then I will let this world have no more merchants." The words came out.

Su Yifeng's eyes narrowed slightly.

He narrowed his eyes, the scrutiny in his eyes fell on his face, and he looked at Shang Qian inch by inch.

Shang Qian's eyes met his, without the slightest evasion.

He's not kidding.

He could endure their cynicism for more than ten years.

But if it touches his bottom line, he will never endure it any longer.

Su Nan is his bottom line.

...

Chapter 1037 Waiting

Chapter 1037 Waiting anxiously

For Shang Qian, merchants should no longer exist.

He was just too lazy to do it.

Su Yifeng nodded darkly.

“Let’s go out, Xiao Wu should be in a hurry.”

He didn’t make a statement, and after finishing his clothes, he walked out.

Shang Qian pondered Su Yifeng’s attitude.

Maybe he didn’t care about the fact that he was a businessman?

Perhaps, his relationship with Su Nan will not be hindered.

He twitched the corners of his mouth, the tense face finally relaxed, and he let out a slow breath.

The hardest time is over.

Su Nan played with little Mike and Su Xiaohu for a while upstairs.

After Su Xiaohu failed to upgrade himself, he fell into a state of self-reflection, gloomy, and looked like he was hit.

But when I saw little Mike, it regained some spirits. It jumped up and down on him, and it was a soft mass, so soft to the touch.

The housekeeper came over and called her:

“The meal is ready, the chairman asked you to come down for dinner.”

Su Nan paused, “Is Shang Qian gone?”

“No, I’ll play chess with me downstairs.”

Wow, out Unexpected harmony.

It seems to be smoother than she imagined.

Dad is still a righteous dad.

Su Nan smiled and took little Mike downstairs.

With little Mike here, the meal was quite enjoyable...

After the meal, Shang Qian left early.

Su Nan and little Mike were still hanging on, and little Mike had to take Su Yifeng to see if the fish in the pond had grown fat.

So the two of them went fishing with a fishing rod.

Su Nan took a nap and slept until evening.

Look at the time, it's almost six o'clock.

When she took out her mobile phone, she realized that Shang Qian had sent her a lot of messages.

"You guys haven't come back yet?"

"I left early just so that you could come back, and I deliberately left little Mike behind."

"Little Mike is so useless, I won't bring him next time!"

"I want to eat at night. What? "

.....

he really take the trouble to ask over and over again.

Su Nan twitched the corners of his mouth, and seemed to be in a better mood.

She replied, "Go back in a while."

Shang Qian replied in seconds, "Do you want me to pick you up?"

"No need!"

Shang Qian smiled.

Oh, the smile of death.

Su Nan was stunned for a moment, then smiled helplessly.

Afterwards, Shang Qian: "I contacted Mike with a school, and I'll accompany him to see it tomorrow, do you want to join us?"

Su Nan: "Well, let's go together ..."

Poor little Mike.

I don't even know that I have lost my freedom!

However, in comparison, the school that Shang Qian chose must be very safe.

After dinner, Su Nan and little Mike went back.

Shang Qian came back and cooked a few dishes around his apron.

Seeing this, Su Nan was very embarrassed.

"Forgot to tell you, we've eaten."

Shang Qian smiled, "Then let's have a bowl of soup, Mike will change clothes and come out."

Little Mike nodded and ran to his room.

When Su Nan went in, the decoration style inside was simple and generous, but it made people feel warm and comfortable, which was in line with Shang Qian's character.

Shang Qian brought her a bowl of soup and put it on the table opposite.

"By the way, I haven't asked you yet, how did you know where Mike is today?"

He seemed to just ask casually.

Su Nan paused.

"Fu Yechuan told me."

She didn't hide it at all.

Shang Qian's brows tightened, and his face became cold.

"Mr. Fu? The person from Shang Yi who was present today said that it was the house of President Fu..."

...

Chapter 1038 You want to piss him off

Chapter 1038 You want to be mad at him

Su Nan knew what he meant, sat over and smiled.

“I think Fu Yechuan recommended my dad to Shang Yi at most. He probably doesn’t know about little Mike.”

Shang Qian raised his eyebrows, “Why do you say that?”

“Because it’s not good for him, and the loss is not good for him. He seldom does the things he does, and taking away little Mike won’t bring him any benefit, and it will also affect his reputation and stock price.

Otherwise, he wouldn’t have told me the position the day after little Mike’s accident.”

Shang Qian’s eyes were deep, and his lips were hooked.

“It seems that I have to thank Mr. Fu?”

“I don’t need to. If he doesn’t tell me, you can find out, and he has become an ally of Shang Yi. He is saving himself, so there is no need to thank him.”

Su Nan Speak openly.

Shang Qian suddenly smiled, and his eyes were clear and bright:

“President Fu specifically told you that he wanted you to thank him, but you actually thought so, you want to be mad at him?”

Su Nan looked at him inexplicably.

Don’t you think wrong?

Shang Qian laughed for a while before calming down.

“Okay, I’ll listen to you.”

Since Su Nan wanted to be mad at him, Shang Qian didn’t have the slightest burden.

When Fu Yechuan came out, the bamboo basket was empty!

Su Nan glared at him, lowered his head and took a sip of the soup with a spoon.

The soup is delicious and top-notch.

But I can't drink too much. There are too many purines in the soup and I can't control it.

Su Nan put down the spoon in time and wiped his hands.

"I'm done eating, say goodnight to little Mike for me. I'm going to go up and read a document."

Yu Lou sent all the documents to her mailbox. She has to read it in advance tonight, and she will be able to come up with a charter at the meeting tomorrow. .

Shang Qian nodded and sent her to the door, but grabbed her hand.

"You didn't forget anything?"

Su Nan looked back at him in surprise. The phone was in his hand and the bag was in the other hand.

She didn't forget... She

shook her head blankly.

Shang Qian's eyes deepened slightly, and his wrist suddenly forced, pulling the woman into his arms.

In her ear, she said in a low voice and hoarseness,

"You said good night to Mike, why didn't you tell me?"

with a hint of jealousy.

His big hands wrapped around her waist and gave her a good grip, which was a wonderful feeling.

He was a little reluctant to let go.

Su Nan was stunned for a few seconds, the man's warm, quiet and cold taste made people trance, his heart skipped a beat, and he almost lost his mind.

Su Nan was dumbfounded, his face gradually felt hot.

Meet his line of sight, his eyes will be seductive.

Her heart seemed to tremble.

Like an electric shock, a little itchy.

“Good night,”

she said quickly, turning to run.

This Shang Qian has the potential to be a fox spirit!

But Shang Qian’s big hand was as steady as Mount Tai, and he didn’t give her a chance to escape at all. With a smile on the corner of his mouth, he looked at her meaningfully:

“This is the end?”

He was not satisfied.

How the other couples said goodbye, it seems that they have to make up for her lessons.

Su Nan’s ears started to get hot, and she didn’t even dare to look directly into Shang Qian’s captivating eyes.

She quickly avoided his sight.

“Then what else?”

Her tone was flustered, embarrassed.

There was a malicious smile on the corner of Shang Qian’s mouth, but there was extreme tenderness in his eyes.

His lips were getting closer, and inch by inch, he could feel the warmth of his breath.

Warm and genial, approaching strongly.

Su Nan immediately understood his intention, and his face instantly turned red...

...

but Su Nan now, for some reason, has taken all her strength away, her legs are weak, and she can barely stand by the man’s arm.

Really worthless, she cursed herself.

Her heart was beating violently, until the warm lips fell on her lips, and the beating of the heart seemed to stop.

She still remembered the fatal feeling when she kissed Shang Qian for the first time.

here we go again.

His gentle touch gave her enough time to adapt.

After the gentle drizzle, gradually, a violent storm swept through her world of lips and tongue, as if every inch would be swallowed clean.

Su Nan was led by him in a trance, his consciousness was completely blank, and even his bones were numb.

The whole world is a deadly feeling brought by Shang Qian, she resists, but is addicted.

The two were immersed in the same world, and suddenly heard a sharp shout that broke the dimensional wall of this world.

“Ah—”

Little Mike took a bath and changed his clothes and came out to see this scene?

He is totally unacceptable!

In the small eyes, anger, disappointment and hatred for his old father, almost written!

Su Nan pushed Shang Qian away abruptly, and saw little Mike who was standing not far away, staring at them angrily.

She blushed and beat her heart, she couldn't control it at all, and she was embarrassed to death for a while.

She bit her delicate and honey-red lips, glared at the initiator, then turned and ran.

This time, Shang Qian didn't have time to hold her.

He chuckled lightly, stroked his lips, and his eyes were as moist as water.

Why is Miss Su blushing so easily?

It seemed that she had to get used to it sooner.

Shang Qian restrained his mood, turned around and looked at little Mike, “Stop calling!”

He drank lightly.

Little Mike stopped screaming immediately.

He was shaking with anger.

Shang Qian casually walked to the table and continued to eat.

He didn't care about his son's feelings at all.

That broken heart...

Little Mike climbed up on the chair beside the dining table with two short legs.

He glared at him angrily.

"You actually kissed her just now? You actually kissed her?"

The person who wanted to marry her was obviously himself, so why did Daddy want to get there first!

He was so angry.

Shang Qian looked up at him lightly:

"Yes, we are dating, of course I can kiss her!"

Little Mike's round eyes were full of shock!

"What?"

His surprise was undisguised.

"How did you meet? How could she fall in love with you?"

Shang Qian's face sank for a moment, why did he belittle his daddy so much?

"It's not surprising to see me. After all, I'm so good, aren't there many people who wanted to be your stepmother?"

"How can a beautiful sister compare to those women?"

Little Mike really couldn't accept this shocking fact!

Isn't the beautiful sister like her the most?

Why do you like Daddy again?

Shang Qian hooked his lips and looked at his son with a smile:

“Anyway, this is the truth. You have to accept it sooner. It’s better to change the name. What should it be called?”

Shang Qian’s words made little Mike’s world collapse, but Shang Qian was as if nothing had happened.

“Aunt Pretty? Maybe it will be your mommy in the future, you have to prepare yourself early...”

Little Mike’s face turned pale.

Oh no, he can’t take it!

Tears began to fill in the round eyes.

“She is mine. I want to marry her when I grow up. It’s me who likes her first. She said that she likes me the most, and she said that she will wait for me to grow up!”

Chapter 1040: Hurry up and break up

Chapter 1040 Quickly broke up with

Little Mike, who was very uncomfortable, and sat there crying and wiping his tears.

Attempting to use poor tricks to get Shang Qian to let her.

“Daddy, you’re so old, you can find another aunt. I promise not to bully her. Give me back my beautiful sister!”

Yingying Yanyan, who was around Shang Qian at the time, was fighting. Even little Mike knows the ghost idea.

So he came up with all kinds of tricks to drive them away.

Now that I think about it, I really regret it!

Shang Qian saw through his purpose at a glance, and he smiled.

“She is coaxing you to play, why do you take it seriously?”

I don't like other aunts, but I like her!

You don't have to go to great lengths to think about my inheritance. In the future, my money can be spent directly for her. !”

Little Mike's cry was even louder and sadder...

so desperate!

Shang Qian calmly finished eating in front of him. After cleaning up, he didn't want to stop, so he went straight to the bathroom to take a shower and prepare to rest.

Little Mike flung his two short legs to his room, sat on his bed and howled...

When Shang Qian came out, his head was big.

I looked up and saw that it was fortunate that the sound insulation was good, otherwise what would I do if I disturbed Su Nan's sleep?

He lay dozing on the bed, little Mike grunted twice, was tired from crying, and fell asleep.

Early the next morning.

Shang Qian took the person to the bathroom to wash, and also personally chose clothes for him to put on.

Little Mike was fiddled with in the fog, remembering yesterday's bad news, his eyes reddened, and he bite the bullet:

“I won't forgive you unless you break up quickly!”

Shang Qian gave a meal.

“You can still see her often when she's with me. If she's with other people, you won't be able to see her. Didn't I tell you before?”

Fat water doesn't flow to outsiders...”

Little Mike said Don't overdo it, don't listen to the monk chanting!

Shang Qian was helpless and did not intend to continue this topic.

He had to accept it anyway.

“I found a school for you, one level higher than your current course, but I believe it is no problem for you, oh, boarding system!”

He finally found a boarding system.

In the future, when he and Su Nan date, they can be free and undisturbed!

Little Mike looked at him in shock, his aggrieved look was so desperate.

“I don’t want it!”

His course in country M was already three levels in a row. If it was one level higher than the previous course, wouldn’t he be the youngest classmate in the class?

For being bullied!

Besides, if he sent him to school, what was his plan, wouldn’t he know?

The old father is a real dog!

I worked so hard to be with my beautiful sister!

Shang Qian looked at him with a warning:

“You don’t have the right to choose. I will let Tom’s bodyguard report to your school’s security team. Susan’s maid will go to the cafeteria to cook. If they are there in the future, you can live a good life!”

He But think about everything very thoughtfully!

Little Mike: “...”

After breakfast, Shang Qian led the reluctant little Mike out.

Su Nan was waiting downstairs.

Seeing them coming out, Shang Qian’s face was full of spring breeze, while little Mike was sad.

The contrast is too strong.

Su Nan waved at them.

Shang Qian smiled, walked over, and whispered to little Mike:

“You have to laugh, if it makes her unhappy, you should stay at school for the rest of your life!”

Little Mike: “...”

He Heart is bitter, he still can't say?
