Chapter 1051 If you are willing to marry me

Chapter 1051 If you are willing to marry me

, there is nothing wrong with being kind, and there is nothing wrong with being soft-hearted, then who is wrong?

Ningzhi couldn't figure it out in the study, as if he had come to a dead end.

Even if her innocence was cleared, those photos made her face no face again.

"Third brother..."

She choked, reached out to cover her eyes and blocked the light.

Tears flowed down his fingers.

Glittering and dazzling.

Su Qi stood up, leaned over, got her arms under her pillow, and lowered her head.

He leaned over her shoulders and hugged her gently.

Su Qi patted her other hand, her voice soft and hoarse:

"It's all over, just treat it as a dream, it's okay, it's all over."

Ning Zhi cried for a long time, her voice getting more and more Big, I almost quarreled the doctor.

She needed to vent, but Su Qi didn't dare to let her cry.

He coaxed softly, worried that her head would be affected.

Gradually, her mood gradually calmed down.

Su Qi found the on the Internet and showed it to her.

Only then did she believe that this nightmare was really over.

Ning Zhi's eyes were flushed, and he closed his eyes with a pale face.

Can someone's light-hearted apology make her forget the nightmare of this day and night?

Shame hit her.

She hurts the most.

Su Qi held her hand tightly, suddenly took something out of his pocket and put it on her silently.

Ning Zhi knew the cold feeling brought by the metal on his fingers.

She froze slightly and looked sideways at him.

Su Qi lowered her head and gently placed a kiss on her ring-wearing finger.

"I know, I never told you that from the first day after we broke up five years ago, I regret it until today.

Maybe, you don't remember how much you liked me back then, but I do. "

Ning Zhi looked at him, tears welling up in her eyes, she covered her mouth, not letting herself make a sound.

Su Qi smiled in a low voice:

"I can only know your news from Xiao Wu, I don't dare to ask. The time you asked me to help you on the show, I was so happy that I didn't sleep all night. This is the first time after you broke up. Look for me.

I don't dare to say it, I'm afraid people will laugh, I know."

He paused, became serious, and looked at her seriously:

"But this happened, and I suddenly wanted everyone to know. It doesn't matter if everyone laughs at me, the girl I like, the girl I have been pursuing is you."

Ning Zhi was startled and wanted to withdraw his hand, but Su Qi didn't let go.

She bit her lower lip and looked at him.

He clasped her hand tightly, wanting to squeeze it into his body.

"Since you're not in love with anyone else, whether you still like me or not, let's start over and try again, okay?"

You feel insecure, if you're willing to marry me, we'll get married.

This time , the dominance is given to you, the beginning and the end are all up to you.”

He really used all his strength to speak out from his heart.

The top actor has been held in high regard for half his life.

But in front of Ning Zhiliao, he couldn't hold any air.

He just wanted to watch her laugh and see her angry.

If others dare to say that she is not good, he will kill him!

She jumped upstairs and lost his soul.

He couldn't wait any longer.

Wait any longer and he'll go crazy.

He must protect her under his own wings to be at ease.

Ning Zhiliao's tears couldn't be stopped at all. She shook her shoulders and cried even harder than before...

...

Chapter 1052 She is greedy

Chapter 1052 She was greedy and knew that she subconsciously wanted to refuse.

Because she felt that Su Qi was pitying her, a person who was laughed at by everyone.

Her pornographic photos are flying all over the sky, what qualifications are there to take Joe?

If it is known that the famous Su Yingdi married such a woman, how many people would stab him in the back!

Why would she implicate such a clean Su Qi?

He had always loved his feathers of fame, how could she have dragged him off the altar and soiled him?

She shook her head and cried, and the words of refusal came to her lips, but she couldn't say it.

She is greedy.

The dreamed Su Qi brought himself to the front. For her security, he could marry her and tell everyone that he humbly likes her!

She knew how hard the crush when she was young came to an end.

At that time, she never regretted it, her heart was moved, and all the consequences were borne by herself.

Now, he is also moved.

Tangled emotions were tearing at her body, and she didn't know how to choose.

Su Qi touched her forehead and her voice softened.

"It's okay, you can think about it, think about it before you leave the hospital."

Ning Zhi paused.

Emotions stabilized.

She needs time to calm down.

His voice was long, with a slight tremor in his voice.

"Understood, even if you take pity on me, don't leave me alone..."

The sourness in his eyes came back again.

Ning Zhilu closed his eyes, turned pale, and transferred his excuse:

"Third brother, I have a headache."

Su Qi was stunned, and quickly got up and ran out to find a doctor.

Ning Zhi breathed a sigh of relief, tears still falling uncontrollably.

The doctor came over for an examination and was relieved.

"The recovery is good, but I need to stay in the hospital for a few days for observation, and have a good rest."

This patient is related to so many people in the Su Group, and the people in the hospital dare not be careless.

Therefore, Ning Zhiliu's health improved, and everyone in the hospital was happy.

After a while, Su Nan and Qin Yu entered the VIP ward together.

Ning Zhi was lying with a pale face, while Su Qi carefully peeled apples for her.

The light hit the clear knuckles of his phalanx, glowing with lustrous light.

Even Qin Yu couldn't help but regret the sudden intrusion when she saw this scene.

disturb him.

Boldly went in, Qin Yu picked up the thing in her hand and smiled at Ning Zhi.

"I just went to buy your favorite custard bun, are you happy to fly?"

Ning Zhi couldn't help but smile:

"I flew for a bun?"

Su Qi put down the things in his hand, "Just in time for me I'm hungry." Su Nan followed behind, "Third brother, Du

Yan called me just now, your new play premiere meeting is today, why don't you go?"

It took a lot of effort.

Su Qi frowned, took out his phone from his pocket and looked at it.

Sure enough, there were more than two dozen missed calls.

"Mute, don't worry about it."

His tone was normal.

With his net worth, being able to attend such a premiere is a surprise, and he won't be scolded as a big name if he doesn't show up.

Ningzhi paused, "Go ahead, fans have been waiting for your drama for a long time. If you don't show up, the popularity won't rise, and the whole crew's efforts will be wasted."

Su Nan blinked.

She seemed to understand that Ning Zhi didn't want Su Qi to be here all the time.

After thinking about it, he went over to urge him.

"Third brother, you know, I'll take a good look at her. It's only two or three hours, and I won't leave."

...

The first thousand and fifty-three chapters are tired and crooked people

Chapter 1053

Su Qi, the crooked person, didn't want to go at all, he didn't care what he did.

For him, when a play is finished, his mission is complete.

The rest of the publicity, premiere, etc., are too troublesome.

But after Ning Zhi told Su Nan, he couldn't find a reason to refuse.

After a few seconds of hesitation, he stood up.

Look at Su Nan.

Seriously instructed:

"Take good care of her and don't leave at all!"

Su Nan nodded solemnly, "Don't worry!"

Su Qi reached out and shook her hand before she was reluctant to leave.

As soon as he left, Qin Yu couldn't help covering her face.

"When did Film Emperor Su become such a crooked person? It's so sour!"

Su Nan smiled and looked up at him:

"My third brother has always been such a person, but he was used to being held in his arms in the past. It shows that he is actually very clingy, right?" The

two looked at Ning Zhi meaningfully.

Ning Zhi blushed, and glared at Su Nan angrily.

“Ask me for what?”

Although she had a deep understanding, she couldn't admit it!

Su Nan sat next to her, took the apple that Su Qi had just peeled, carefully cut it into small pieces and put them on a plate, and then fed it to her with a fork.

“Understood, since it happened, we are all trying to solve it, and there is basically no threat now.

My dad has already greeted him at the police station, and he has hired the best lawyer to discuss your remarks on the Internet. It has basically disappeared.”

“Thank you...”

Ning Zhi smiled with pale lips.

She knew that if Su Nan hadn't used the entire Su family to suppress public opinion, now, and every day in the future, she would be tormented by this kind of scolding.

Then, jumped down from the higher window again.

Su Nan pursed her lips, her voice a little hoarse:

“Got it, you know? When I went to look for that bastard Xiao Ran, I saw my third brother was there and pushed him to the window, the 16th floor, very high.

One step later, He threw the person down...”

Su Nan choked for a while, unable to imagine.

Although Su Qi was out of tune, he was never impulsive.

But on the only impulse, I almost put myself on it.

He blatantly wanted to kill, and his future was completely ruined. From a movie king who was sought after by ten thousand people, to a prisoner, he would have no light for the rest of his life.

Ning Zhiliu widened his eyes stiffly and looked at Su Nan in disbelief.

She doesn't know anything!

I don't know that Su Qi has done so much for her.

Not to mention, it turned out that the humble expression of his feelings before, turned out to be true.

He seems to have entrusted his whole life to himself.

The ring on her hand still felt icy cold to the touch, but she clearly felt it was scorching hot.

The wall built by his poor self-esteem collapsed suddenly.

Tears also welled up.

Su Nan lowered his head and sighed.

She didn't know what to say. Although she really wanted to see Su Qi's wishes come true, she couldn't use her own ideas to kidnap her best friend.

She could only tell everything she knew.

Qin Yu was silent for a moment, then smiled.

"Got it, you're so lucky. When you were in the emergency room last night, actor Su was crazy. I thought such a man could only be seen on TV..."

You've always liked it. He, but you think he doesn't like you enough and will hurt you, so you don't dare to try.

But if I were you, I don't want to waste a minute, and I'll talk about it later.

The person you like also likes you, both ways Aren't you lucky enough to go?"

Chapter 1054 Running away on the spot

Su Nan looked up at her, Qin Yu's eyes were slightly red, but her mood was not high.

The two looked at each other, and Qin Yu winked at her.

Su Nan smiled.

After a long time, only Ning Zhiliao's deliberately suppressed cry remained silent.

Her heart seemed to be clenched fiercely, and the suffocation came violently.

It's been a long time.

No one spoke.

Su Nan's phone rang.

When I opened it, it was a video request from Su Qi:

"Let me know..."

Su Nan: "..."

Are you polite?

Su Nan handed it to Ning Zhi.

Ning Zhiliu wiped away her tears and took a deep breath to ease her emotions.

Qin Yu quickly made her sit up.

Ning Zhiliu took the phone and looked at the people inside.

The dazzling Su Qi is very handsome.

It seems that he is born to be sought after by everyone at the highest level, and he is really a person who is biased by God.

She didn't know what to say, but Su Qi looked at her seriously:

"Why are your eyes red? Do you have a headache? Let Xiao Wu go to the doctor..."

Ning Zhi hooked her lips, and then shook his head.

Su Qi hurriedly stopped: "Don't shake your head, your head is still hurt!"

Ning Zhi was taken aback, perhaps his concerned tone was too natural. She seemed to be wrapped in a warm current in her heart, protecting her from being stabbed just now. broken heart.

Tears flowed out uncontrollably again, she hurriedly put the phone in Su Nan and covered her face with the quilt.

Su Nan paused and picked up the phone.

"Hang up."

After she finished speaking, she just hung up the phone regardless of Su Qi's opinion.
ten minutes later.

Su Nan looked at the information about Ning Zhiliao on the Internet and basically had it under control.

Those photos have also disappeared without any trace.

Just a refresh, she looked at the latest headlines and was stunned.

"Emperor Su fled on the spot!"

Su Nan's head grew big when he saw this sentence.

Qin Yu obviously saw it too.

"No?"

Su Nan looked at Ning Zhi, who didn't know anything, and pursed her lips.

Handed the phone to Ning Zhi.

"Understood, you've only been apart for less than two hours..."

Ning Zhi also looked at the popular mobile phone in confusion.

Netizens have already fried the pot:

"Su Yingdi has been in the shadow for five years, and he ran away after five minutes?"

"I was there, Su Yingdi seemed to answer the phone and ran away, who is the important person! I think of the paparazzi Speaking of Ningzhi..."

"The real version of the movie is a fugitive male protagonist, without your premiere, I burst into tears! I look forward to this when I look forward to the stars and the moon?"

"We fans are used to it, Hahaha, if he doesn't run, it's not him anymore!"

"It won't be because of Ningzhi, right?"

...

The paparazzi squatted in front of Ning Zhiliao's house for so long, but instead of squatting to her black spot, they squatted to the reclusive actor Su, how could he let it go?

Although there is no real hammer, but catching wind and shadows is enough for netizens to talk about.

When Du Yan suppressed the news, he did not deliberately hide her and Su Qi's affairs.

So netizens are still a little curious about this confusing relationship...

Half an hour later.

Su Qi hurriedly appeared at the door.

Under the watchful eyes of the two best friends, Ning Zhi's face gradually changed, and he was too hot to raise his head.

He escaped from the premiere just for her.

"Is there something uncomfortable?"

Before he could catch his breath, he looked at her eagerly.

Qin Yu couldn't help joking:

"Third brother, the two of us are watching here, don't you feel relieved? Do you know that you are on the hot search again?"

...

Su Qi touched his nose and coughed:

"How can you make people feel at ease? The hot search is for today's premiere!

" Make excuses for yourself.

Qin Yu: "..."

Su Nan had already stood up with a smile, "Okay, then you can guard here in person, we won't bother."

Qin Yu stood up immediately:

"Yes, no Excuse me!"

Ning Zhi didn't dare to look up, and his face was red as hell.

She wouldn't care if she kept steadfastly rejecting it.

But her heart was not firm enough.

As Qin Yu said, she wants to be selfish and run in both directions. Isn't she lucky enough?

Su Nan and Qin Yu left the hospital.

As soon as he went out, Su Nan saw a familiar car.

Shang Qian got out of the car, a small smile hung on the corner of his mouth, and his eyes looked at her deeply.

Su Nan smiled, then trotted over quickly, the two embraced briefly, and Shang Qian's smile deepened.

It's only been such a short time, she seems to miss him a little bit!

Qin Yu watched this scene in shock and walked over speechlessly.

"Do you have to throw dog food at the door? Bully me, right?"

Su Nan held back her smile, let go of her hand in a low-key manner, and paused.

"Let's go, I'll take you back."

Qin Yu gave her a white look.

Even if she has some eyesight.

Shang Qian smiled, "Miss Qin, it seems that you have been waiting for you there for a long time."

He turned and looked at a white Maserati not far away.

Qin Yu's expression changed slightly.

Su Nan was puzzled and looked at Shang Qian inquiringly.

Shang Qian squeezed her hand gently and looked back at Qin Yu:

"If you don't want to go, just come with us?"

He just reminded kindly.

Qin Yu's face became complicated for a moment.

"Forget it, I still have something to do, so I won't be your light bulb." With that, he took his bag and strode toward the white Maserati.

Shang Qian calmly turned around to open the door for Su Nan, Su Nan smiled and got in.

He came up and told the driver: "Drive."

Su Nan: "Who will pick up Qin Yu? Did you see it?"

Shang Qian nodded, "Mo Xian."

Su Nan's face changed, and he was about to get out of the car:

"Stop !"

Can she just watch Qin Yu jump into the fire pit?

Shang Qian helplessly carefully guarded her arm and held her hand.

"Su Nan..."

"You even reminded her?"

Don't you know what happened to them before? Mo Xian hurt

Qin Yu so badly, and he still has the face to come to her?"

He blew his breath away.

Shang Qian smiled gently, not angry at all.

"That was Qin Yu's own choice, and they have long been connected!"

Su Nan blinked in shock.

Shang Qian: "I bumped into a client once at the bar before, and then I saw it twice at the club. I just reminded her."

Su Nan didn't speak, and was stunned for a few seconds.

“Why didn’t you tell me earlier?”

Shang Qian pursed his lips: “I didn’t know she didn’t tell you, maybe she didn’t want people to know.” He

really didn’t want people to know.

They were so unbearably divided, how could they still be together?

Su Nan didn’t understand.

I don’t even understand why Qin Yu didn’t say it.

Seeing that she was in a bad mood, Shang Qian paused.

“I haven’t rested all night, okay? Would you like to go back and rest for a while?”

Su Nan nodded, still unhappy.

Shang Qian took her in the door, took off her coat for her, and moved very skillfully.

She didn’t take two steps, she couldn’t help but went up to hug her from behind, and kissed her hair gently...

Shang Qian’s voice was low and hoarse, comforting her softly:

“Don’t be unhappy, why don’t you think about what gift to prepare for Suying Emperor?”

“Gift?”

“He and Ning Miss, don’t you show it?”

Su Nan’s face was hot and heartbeat.

“No way...”

Ning Zhi's attitude was ambiguous, and she had no idea what she was thinking.

Shang Qian smiled.

"After this incident, there must be a story!"

Su Nan looked at him suspiciously.

"Why are you so sure?"

"Make a bet?"

Su Nan: "What bet?"

Shang Qian looked down at her with a smile on his face:

"Bet you cook a meal for me yourself?"

Su Nan was taken aback: "It's that simple? "

Shang Qian smiled.

Su Nan suddenly felt a little guilty. She didn't seem to have done such a simple request.

From the beginning to the present, I only made him a bowl of porridge when he had a fever.

She nodded without thinking.

"It's a deal."

Su Qi didn't reply after chasing it for so long. Could it be that this time Ning knew it and wanted to let it go?

She has always been a more rational person.

Shang Qian pinned the broken hair behind her ear for her and looked at her with a smile:

"Go to sleep for a while, I'll make you something to eat."

Su Nan nodded and glanced at the time:

"Remember to wake me up, I will go to the hospital at night."

Seeing Shang Qian nodding, Su Nan yawned and walked lazily to the bedroom.

The fatigue of this day has come up, and I have been worried for a day and a night, and I feel that I am too tired.

As soon as he touched the pillow, he fell asleep.

...

when she woke up again, a scent woke her up.

Su Nan stumbled and felt that his stomach was hungry.

She was stunned when she heard a movement from her kitchen that could be lowered.

Shang Qian won't be cooking here all the time, will he?

She walked over quietly and looked at the tall man, wearing a delicate black shirt, and there was a hint of a noble sense of abstinence in his warm expression.

His movements were slow but smooth, as if he was checking the recipe from time to time, he narrowed his brows and pondered carefully, but deliberately lightened his movements.

However, he also wore a cute apron, which formed a huge contrast for a while.

There seemed to be a layer of lustrous light on him, which was very bright in her life.

Su Nan was stunned for a while.

Until she stood there, Shang Qian was blocked from the light and looked up at her. smiled.

“Why did you get up?”

Su Nan shook his head, as if he didn't hear clearly, and said a word.

Shang Qian paused for a moment, then looked up at her:

“Are you there to peek at me?”

Su Nan immediately denied, “Of course not!” The man hooked his lips and smiled:

“It doesn't matter, you can take a peek, or you can look at it openly, anyway, I'm yours, you can look at it any way you want!”

Su Nan's heart skipped a beat, and suddenly his face became hot.

This Shang Qian is indeed a male fox spirit!

Looking up, it was dark.

She was in a hurry immediately.

"I still have to go to the hospital!"

Shang Qian stopped her helplessly:

"Miss Ning has been discharged from the hospital this afternoon."

Su Nan was taken aback.

Why do things always develop one step faster than her?

Shang Qian washed his hands and came over, poured her a glass of milk and handed it over.

"Look at the hot search, people all over the country know it."

She was even more surprised.

Inexplicably, I took the phone, and the top hot search was hanging brightly, taking the top three:

"Su Yingdi's little wife is exposed!"

"Su Yingdi and Ningzhi know!"

"Su Yingdi is not gay."

..

Chapter 1057

Su Nan was shocked by seeing money like dung, restrained his laughter, and opened it.

It was at dusk, and Su Qi carefully guarded a photo of Ning Zhi, who was in his arms, when he walked out of the hospital and was captured by someone.

In the photo, neither of them wore masks or sunglasses, and they appeared in the public eye.

Ning Zhi was very calm and gently put his hand on Su Qi's arm.

The expression on his face was clear and cold.

Su Qi's face was cautious and cautious, and the care in his eyes was almost written on his face.

This is Su Yingdi, who should not be approached by mortals!

And the word "little wife" appeared because everyone saw the same couple rings on their hands.

For a time, the public opinion on the Internet could not be covered, and it rushed to the hot search overwhelmingly.

Servers are down for a while.

After 40 minutes of recovery, countless netizens rushed in:

"Su Yingdi is married? I always thought he was gay! I would rather he be gay!"

"Sure enough, he and Ningzhi are together, thousands of single women. Collective lovelorn!"

"No wonder Ning's public opinion was suppressed so quickly, and the other side of the relationship didn't expect that Ning knew that it was Su Qi's person?"

"What happened to the photo, Su Yingdi don't be deceived... .."

"I'd rather know that I've been tricked, the police have reported it, that man is really not a thing!"

"Brother is happy, we cry and support you!"

"Isn't Su Yingdi usually dragged to the sky? He Such a humble appearance, I haven't even seen it in the play, it's really a long time to see series!"

...

Su Nan glanced at the comments of netizens below in shock.

Good or bad, but it doesn't matter.

Su Qi dares to take people out in an open and honest way, so he won't care what others say.

And Ning Zhi dared to go out with him, he must have already figured it out.

She smiled, too suddenly, right?

Shang Qian put the cooked food on the table and reminded her:

"If you don't eat it, it will be cold..."

Su Nan quickly ran over, "They are really good? How did you guess right?"

Before going to bed, Shang Qian's bet with her was too inexplicable to win!

Shang Qian smiled and said softly:

"How can a girl refuse Suying Emperor's conditions?"

Even if Miss Ning has more concerns, she will think clearly after this separation of life and death."

Su Nan still felt incredible.

Is she thinking about sending a WeChat message to Ning Zhilao to confirm?

Shang Qian reached out and took her mobile phone, with a dotting voice in his voice:

"Let's eat first?"

Su Nan smiled and nodded. Three dishes and one soup are quite common at the table.

But the pineapple rice in the middle looks very tempting.

Her eyes flashed, "You can't make this pineapple rice, can you do it all afternoon?"

Otherwise, you can only cook three dishes in one afternoon?

The most complicated is this pineapple rice.

Shang Qian tightened his lips:

"Buy a pineapple for an hour and peel it for an hour, the follow-up process is very troublesome!"

Su Nan seriously suggested:

“But it only takes fifteen minutes to order takeout.”

Shang Qian looked at her helplessly.

Su Nan cautiously saved:

“I just think your time is so precious, don't waste it on things like this, you order me takeout, I'm just as happy.” I'm happy in my

heart!

Shang Qian smiled warmly:

“I don't think it's a waste. Every minute I spend on you makes me happier than I make millions.”

Su Nan paused, is there really someone with money like dung?

Let her meet!

...

Chapter 1058: Hurry up and hang up

Chapter 1058 Hurry up

As a woman who is serious about her career, Su Nan really wants to persuade him to be calm in her relationship.

But thinking about it, his lack of calm is all to himself, and it doesn't seem that bad.

And the feeling of being taken seriously, she felt very good.

Su Nan nodded after thinking about it and smiled at him.

“I can feel it.”

Can feel your happiness.

When you make millions and tens of millions, that kind of happy hearty, it's so addicting!

Shang Qian was stunned, his smile deepened.

Just as he was about to say something, he saw that Su Nan had already lowered his head and started eating.

He swallowed his words again.

After a while, Shang Qian's phone rang several times.

The price of delaying an afternoon is prioritizing the most urgent things.

He can only leave first.

Su Nan sent him out, and he had almost eaten himself.

She hurried to call Su Qi.

busy.

Su Nan paused and called Ning Zhi.

Coincidentally, the line is busy.

She simply sent a message to Ning Zhiliao: "True or false?"

Within half a minute, Ning Zhiliu's phone number came.

Girlfriends are really more reliable than brothers.

"Did you see that?" she asked.

Su Nan smiled, "Can't you see it? You guys are too sudden, your body hasn't recovered yet..."

Ning Zhiliao: "It's the same as resting at home, but I want to take this opportunity to solve everything, so as not to worry about it."

"Worry?"

Su Nan didn't understand her point, what was worth being afraid of.

"You can also see that the shadows left by those photos are too great. Whether it is today or a few years later, as long as my name and Su Qi's name are together, they may be taken out to talk and laugh forever... .."

Hearing her voice getting lower and lower, Su Nan choked on her chest and understood in an instant.

"Understood, the photo issue has been resolved, and it's not your fault. Don't blame yourself for it."

"I know, if it was someone else, I wouldn't have this concern, but the third brother is a public figure. My matter can be regarded as a stain on him..."

Su Nan frowned, not expecting this matter to cast such a big shadow on her.

"Understood, don't think about other people you haven't met, as long as the third brother is with you, no one else matters!"

There was a chuckle from the phone.

"Well, the third brother told me the same, thank you Su Nan."

"I want to thank you, the third brother who took in the lonely, no matter what happened, I will always stand by your side..."

Halfway through their conversation, Su Qi's message came over.

"You haven't hung up yet? How long have you been talking to her! Hurry up!"

Su Nan was so angry that she rolled her eyes secretly.

However, she also understood the excitement of Su Qi's single dog getting off the single, stopped the topic in time, and hung up the phone.

Su Nan was also very happy, and could not wait to express his excitement in front of the two of them immediately.

One is the third brother who has loved him since childhood, and the other is his best best friend. Together, they are the best thing in the world.

She happily planned to make a face mask when the phone suddenly rang again.

Thought it was Su Qi?

Pick it up and take a look.

It's Qin Yu.

Su Nan gave a slight pause in his hand.

She was in a very complicated mood, especially after hearing what Shang Qian said in the car.

Qin Yu and Mo Xian got together again.

She is obviously not such a person, but she is someone who can do such a thing.

Ignore the world, break free!

Su Nan thought about it, stabilized his emotions, and picked up:

“Hello?”

Qin Yu’s voice came over:

“Su Nan, I know that I’m really with the third brother. Is it?”

Su Nan smiled, “Yeah, I can’t believe it either, I just called to confirm it.”

Qin Yu’s voice was light:

“That’s good, it’s good that they are together, the two clearly like each other. Man, why do you have to set up so many obstacles for yourself?”

Su Nan hooked her lips and lowered her voice:

“What about you?”

Qin Yu was silent for a moment.

Su Nan couldn’t bear it anymore. If it was someone else, she wouldn’t bother to ask.

But the other party was Qin Yu.

No matter what, she didn’t want Qin Yu to be hurt again.

Those rumors will hurt her all over.

Su Nan then asked, “Don’t you want to set up obstacles for yourself?” After

a while, Qin Yu’s voice was low:

“You already know that?”

“He’s blatantly driving to pick you up. It’s hard to know if you don’t know.”

Isn’t Mo Xian’s behavior unassuming enough?

Qin Yu paused, she could feel her nervousness and low mood from such a long distance.

“I know it’s ridiculous, but I just can’t control my feelings. Every time I see him, I can’t help but feel sad. If

I do n’t see him, I miss him especially. I hate him, but I can’t help but miss him. My happiness.

Su Nan, do you think I’m a bitch?”

Her tone was low and hoarse.

On weekdays, he has always been in control of his emotions.

But he stuck his head on Mo Xian’s body, even if the man brought her into the whirlpool.

Su Nan was silent and did not speak.

She can’t arbitrarily evaluate Qin Yu’s feelings.

Especially with genuine emotions.

Qin Yu is different from herself.

When he decided to leave Fu Yechuan, although his heart was ashes and he was extremely disappointed, he still couldn’t help but look at him in his heart.

Compared to Qin Yu’s current struggles, it is exactly the same as her original self.

But he didn’t let his feelings go.

She won’t be hurt forever, and she won’t indulge in a tiny bit of guilt and then fly into the flames again. She breaks up rationally and calmly.

This is Su Nan’s choice for himself.

And Qin Yu made the opposite choice to her.

He obeyed his own heart and satisfied his own desires.

Is it a kind of bravery?

“Qin Yu, when you make a choice, you must have the courage to face the consequences.

Your mother's attitude, and the Shen family behind Shen Liang, must be explained."

Su Nan is a kind reminder.

She also has a marriage with Shen Liang, which will directly affect the cooperation and direction of the two groups.

Has she really made a decision?

Qin Yu couldn't help but smile.

"I know, I've also figured it out, my mother beats me at most, and the Shen family will come to apologize. After all, Shen Liang probably doesn't like commercial marriages either.

I might be with him, but it won't be too risky, I'm happy if I'm happy, or if I'm not.

We...never get married. "

Qin Yu seems to be made up his mind, opening her teeth.

" He betrayal of marriage, my shame, I will never back such charges, this is my bottom line. "

She can be with Mo Xian out of her emotional indulgence.

But when it comes to marriage, she knows what it means.

Loyalty, love, beauty, kindness...etc.

These qualities, Neither her marriage with Mo Xian would be more impossible.

They were a deviant couple.

Chapter 1060 The arrogant little three

Chapter One thousand and sixty arrogance of a small three

Qin Yu and Mo significant are two extremely selfish people together.

Emotional entanglement, forget about the intersection of interests.

Su Nan paused for a few seconds and sighed.

“Since you’ve decided, I wish you good luck.”

Qin Yu seemed to have completely walked out of Su Jin’s obsession.

For Su Jin, it was more like the unwillingness she couldn’t get when she was young.

Sorry more.

She is willing to hide her unknown intentions for Su Jin’s happiness.

But Mo Xian, he attracted her like a poppy, close to her magnetic field, and connected with her soul.

She was willing to destroy the world for him, and was willing to break free from everything to be with him.

hang up the phone.

Qin Yu stood on the tuyere with a very relaxed expression.

She didn’t have to hide it so hard.

Turn around.

Seeing Mo Xian standing behind with a dark face, staring at her.

His eyes were dim and dark, and the complex emotions inside were intertwined and confused.

Qin Yu was startled and glanced at him lightly.

She walked over casually, and the fragrance just after bathing was fascinating.

“After washing?”

she asked casually.

...

before he took two steps, his arm was grabbed fiercely.

Mo Xian’s phalanges were distinct, and the force was a little white.

His breathing was heavy:

“Who were you calling just now?”

Qin Yu looked at him coldly, and hooked her lips:

“Su Nan.”

Mo Xian’s eyes were fixed on her:

“What were you talking about just now?”

Qin Yu looked at him silently for a while, then suddenly hooking his lips, he smiled, a bright smile with a little mockery:

“Didn’t you hear it just now?”

The blue veins on Mo Xian’s forehead bulged, and the emotions in his black eyes surged violently:

“Won’t you marry me? Is it your bottom line? Have you always thought like this?

I’m divorced, we’re together, no one dares to say anything, what are you afraid of?”

He lowered his voice deliberately, restraining his anger.

Qin Yu raised her eyebrows and gently pulled her arm back from his hand.

She rubbed the place where she was being pinched, her tone was light and cold:

“I’m afraid of shame...”

If she really married him, then she would be guilty of her mistress.

No one cares if she means it or not.

When everyone saw her, they would poke her in the spine:

“Look, this person turns out to be a mistress, a mistress who destroys other people’s families!”

“Is such a woman still embarrassed to show off in the market? Aren’t you afraid of retribution?”

“Finally sit upright. The location of the room is now, and Xiaosan can finally be arrogant...”

...

Qin Yu is careless, and has never been a person who cares about other people's thoughts.

But she cares about this.

She is afraid that she will live in the saliva of others every day in the future.

Because she is guilty.

Even if it is "being a mistress", she is also a mistress.

She can't afford to lose this person, and the Qin family behind her can't afford to lose even more.

Hear Qin Yu's answer.

Mo Xian's eyes shrank visibly, his face tense and ugly.

a long time.

He opened his lips with difficulty:

"What I can do, I have already done it..." It was

like a dagger pierced into the heart, and he stirred it hard.

The throbbing pain made every pore on his body feel unbearable pain.

For the sake of her, he could turn against his ex-wife's family and lose Fu's cooperation.

He withstood the heavy pressure and did not bring any dissatisfaction to Qin Yu.

I tried every means to come back to her, begging for reconciliation...

She finally agreed.

Just when he thought that everything could be cleared up, he heard her innermost thoughts?
