Chapter 1061 The Grinding Goblin

Chapter 1061:

Qin Yu, the grinding goblin, never planned to marry him?

Mo Xian didn't care about marriage, otherwise he wouldn't trade his marriage with others.

But Qin Yu cares.

So he got divorced.

But he heard Qin Yu's words, not getting married, afraid of shame?

What else can he do?

Qin Yu lowered her head and smiled, looking up at him tenderly, with a hint of lingering affection in her eyes.

She stretched out her slender arms and wrapped her arms around the man's neck, her fairy-like eyes catching his soul.

The delicate and bright face was pressed against his chest.

He smiled softly in his ear, and said bewitchingly:

"I know you have done everything you can, and I will always remember everything you have done for me.

But we can get married and divorce, so we can do the same. Can we be together forever..."

Mo Xian had a sharp pain in his chest.

Obviously, every move of the woman made him fall into it, unable to extricate himself.

But every word she uttered was suffocating.

Everyone wants a name, but she doesn't.

He knew that it was his own deception that had completely hurt her.

He reached out and pulled the woman away from him, staring at every inch of her face.

“Qin Yu, I can’t never get married, you know...”

Maybe one day, he will envy someone else’s family of three.

But he didn’t say anything after that.

Because looking at his gradually indifferent gaze, suddenly he couldn’t utter a word.

The chest is panicking!

Qin Yu let go of his arm decisively, and hugged his own hands coldly.

Her red lips are delicate and beautiful, her eyes are bright but fierce, and the corners of her lips are hooked.

sneer.

“It’s easy to get together, and you won’t be entangled. When you want to get married, you can rest assured.

We will get out of our own world!”

At that time, she must have used up all her enthusiasm and love.

It should be easy to send him away.

Mo Xian’s expression changed fiercely, and his expression was complicated and stiff.

From the beginning of the reunion, he thought that Qin Yu, who was innocent, lively, enthusiastic, and loved him to death, would come back.

But no.

The Qin Yu in front of her was very unfamiliar.

She still loves him, but there is no light in her eyes. She no longer inquires about his private life and friends, and no longer expects his gifts and appearances.

When she looked at him, there was even a hint of coldness and alienation in her eyes, but in a blink of an eye, she was entangled in the same way as before, like a grinding little goblin.

When they were together, except when she was on the bed, she was so enthusiastic, and when she got out of bed, she turned her face and didn't recognize anyone, and it seemed unbearable to stay for a moment longer.

Occasionally, when she was in a good mood, she would coax him, and he was very pleasantly surprised.

He couldn't tell whether the person in front of him was really Qin Yu?

His eyes were dark and complicated, and there was a sudden chill in his eyes.

"You don't want to marry me because of the marriage with the Shen family?

If it was Shen Liang, you would get married, right?"

He had to ask the answer he knew clearly.

Looking for abuse.

Qin Yu smiled, with a faint coldness in his smile.

"Knowingly asking, but it's not the Shen family. If it were anyone else, I wouldn't reject marriage. Except you!"

Her words were like a knife, biting his heart a little bit.

"You provoked me first, but when we were together, we were called 'dog men and women', 'dog men and women' should not end well, we just have to live with it, don't waste the sacred thing of marriage."

She finished, He smiled, turned around and walked out of him.

Chapter 1062 I love her very much

At this moment, Qin Yu doesn't want to say more at all.

Since he wants marriage, he goes to someone else.

She will never marry him.

She loves him, but hates him.

no result.

It was her limit to be able to risk everything to reconnect with him.

A full minute.

Qin Yu sat lazily on the sofa watching TV, but she didn't see anything.

Confused, but calm and self-sufficient.

next second.

Mo Xian's body was gloomy and cold, he strode past in front of him, went out, and left.

The door slammed loudly.

Qin Yu didn't care, but her heart was like a boulder falling to the bottom of the sea, without any waves.

A few minutes later, Mo Xian restrained his complicated emotions and reopened the door.

Without talking to her, he went straight to the bedroom to sleep.

Qin Yu blinked and snorted coldly.

Then he lowered his eyes and pursed his lips.

She knew very well that they could not go back to the past.

Mo Xian's future marriage partner will never be her.

She exhaled slowly and pursed her lips.

Forget it, since he's back, bow his head first, then coax him!

Then he turned off the TV and went into the bedroom.

She walked over, looked at the man lying on the side of the bed dozing, and started to undress...

She would use her own way to make up for him.

Dark night.

All kinds of speeches on the Internet are turned upside down.

The things that Su Qi and Ning knew were brought up again and again.

Finally, when things gradually stabilized, Su Qi agreed to express his stance in public due to the tremendous pressure Du Yan put on him.

He didn't want to talk about his feelings in front of everyone.

Especially under the premise that Ning Zhi has been subjected to cyber violence.

It doesn't do her any good.

But she didn't seem to care. After Ning Zhiliao agreed, he agreed to Du Yan's request.

Su Qi chose a very direct way.

He directly released a photo of two people wearing the same couple ring, with a postscript:

"My fiancée, I love her very much, please love her like you protect me."

He tied her to himself, sharing weal and woe together .

Du Yan was well prepared to publicize the tortuous and precious love between the two in the media.

For a time, it also aroused the resonance and blessings of many netizens.

Those who questioned the hype gradually disappeared.

"Classmates broke the news: Ning Zhi had talked with Su Yingdi when he was in college. After so much experience, they can still be together. Excellent people are attracted to each other..."

"President Ning and Su Yingdi are like filming a TV series. , now I believe in love again!"

"It's really you who go around in circles. I heard that Ning is always Su Nan's best friend, and her best friend is with her brother. I really want to be her best friend!"

"As an old fan of Su Yingdi, I just want to say : Just be happy if you are happy!"

"I hope President Ning can come out of the shadow of the last paragraph soon, that madman is about to be sentenced, and such a scumbag should die!"

"Looking at Su Nan's attitude, you can see that Mr. Ning is not that kind of person, or would he sacrifice everything to protect her?"

.....

Ning Zhi had been busy in the company all day.

She promised Su Qi that she could respond publicly, but she didn't have the courage to read online comments.

The sky gradually darkened.

She left the office and walked downstairs to the company.

Looking at the windy sports car parked at the door, a tall and handsome man stood in front of the car, tall and straight, with handsome features, and the sunset shrouded him with a shallow halo.

Every frame is a refined image.

Seeing her, Su Qi suddenly smiled and waved.

"I'll pick you up from work!"

he yelled.

For fear that no one will hear.

, Ningzhi was stunned for a moment, and the shadow shrouded in his heart suddenly disappeared.

He is blatant, why should she be afraid everywhere?

She lowered her head and smiled, mocking herself for being unfounded.

How many times Su Nan told her not to worry, but she didn't realize until this moment that all the obstacles were because she thought too much.

...

a dark sky with no stars at all.

For a private party, Cheng Yi begged Su Nan several times before agreeing to go.

She could only push the dinner party she had made an appointment with Shang Qian, change into simple and neat clothes, and leave.

Lights and shadows flicker, lights flicker.

Cheng Yi was almost frozen to death waiting at the door, only to watch Su Nan arrive late.

He walked over with a sigh and opened the door for her.

“Ancestor, you were 20 minutes late!”

Su Nan gave him a faint glance, and retorted confidently:

“How can a girl not be late?”

Cheng Yi was speechless.

If other women dared to make him wait more than five minutes, he would never meet in his life.

That is, Su Nan is a special case, from childhood to adulthood.

“What party?”

If it was a business party, she wouldn't know it.

Cheng Yi: “Shen Liang's birthday, he doesn't have any acquaintances in Xicheng, and I have only known each other for a few days, so I just joined in the fun.”

Su Nan took a step and his face changed.

“Didn't you tell me earlier?”

“Why are you reacting so much?” Cheng Yi was surprised:

“Miss Qin didn't even attend her fiancé's birthday. If we don't show up, where will the Shen family's face be?”

Su Nan paused, and his feelings became mixed in an instant.

She really wanted to turn around and leave.

Cheng Yi's dull 250, Qin Yu didn't attend her fiancé's birthday party, what does it mean that he couldn't understand?

After scolding him 18,000 times in my heart, I watched Shen Liang talk and laugh with others.

Seeing Su Nan slightly stunned, then walked over with a smile.

“Mr. Su, thank you for

showing your face, Cheng Er is the one who has a lot of face!” Su Nan immediately recovered his expression and joked politely:

“I came here to wish you a happy birthday, don’t put gold on Cheng Er’s face. “

Cheng meaning laughed,” that’s not, are our own people, Shen would not mention it. “

Shen Liang socialize these things actually mature, immediately ask the people inside.

Many of the people who came were insiders and familiar.

Cheng meaning sighed: “Shen Liang really set to the West such a point of time, the circle of people of praise for him.”

Sunan white at him, “and left to sit for a while, do not delay.”

Lest while they When it comes to Qin Yu, it’s not easy to smooth things over.

“What’s the hurry? Could it be that Shang Qian is still checking the post? Your position must be established!”

Cheng Yi hated it.

Su Nan was speechless, resisting the urge to curse.

“Su Nan...” A

mellow and low voice came from behind.

The familiar sense of complexity is Fu Yechuan.

Su Nan turned his head and saw him, standing there with cold brows, looking at her with deep eyes.

Both deep and restrained.

Cheng Yi also saw Fu Yechuan and raised his eyebrows:

“It’s such a coincidence that Mr. Fu is also here?”

Shen Liang's face is so big!

Fu Yechuan's eyes were always on Su Nan.

He walked over and twitched the corners of his mouth. He wanted to say a lot, but he didn't know where to start.

He knew her every move.

But the more he knew, the more uncomfortable he was. Every minute Shang Qian was by her side, he became crazy with jealousy.

He tried hard to forget her, but it was in vain.

The more he forgets, the more deeply he remembers...

...

Chapter 1064 Mrs. Fu has little effect

Chapter 1064 Mrs. Fu has little effect.

Fu Yechuan's deep-seated possessiveness erupts all the time.

I heard that Cheng Yi would find Su Nan, he just came to try his luck.

Unexpectedly, she was really standing in front of her.

"I was on a business trip abroad some time ago, so why did you confiscate the gift that someone brought you?"

Fu Yechuan suppressed his surging emotions.

Those gifts were carefully selected by him, according to the style that Su Nan likes.

How could she not like it?

Su Nan twitched the corners of his mouth, and his voice was polite and cold:

"How can I accept your gift for no reason? It's not appropriate." In

one sentence, they clearly distinguished their boundaries.

Fu Yechuan's expression changed a few times, and his eyes sank slightly.

"Shang Qian's son was rescued?"

Su Nan nodded, "It's okay."

Seeing that Su Nan didn't want to thank him, I'm afraid she also suspected that he had any private dealings with Shang Yi.

Fu Yechuan's face darkened a bit.

"The business background is complicated, don't take it too lightly."

Su Nan smiled, "Thank you for reminding

me ." Fu Yechuan was short of breath for a moment, and suddenly a person who was not very familiar trotted over.

"Mr. Fu? It's been a long time, isn't this Mrs. Fu? Are you coming here to attend President Shen's banquet?"

This person had also been in City A, but City A was impregnated, so he could only follow in a sullen manner. A rich and rich woman went abroad.

I have dealt with Fu Yechuan before, and naturally I have also seen this less favored Mrs. Fu.

Su Nan frowned slightly, looking at this strange man with a very worried expression.

Fu Yechuan frowned and looked at the man who appeared out of nowhere.

"You are..."

"Mr. Fu, we met three years ago. At that time, I went to your company to submit a proposal. When I was waiting for you in the lounge, I sat and chatted with Mrs. Fu. You even came over and asked me to leave the plan in person, do you remember?"

At that time, he was still wondering why Fu Yechuan's wife had to line up to see him?

So he was deeply impressed by Su Nan, and wanted her to help her with some kind words, but after the plan was killed, he knew that Mrs. Fu was of little use.

Fu Yechuan obviously didn't find this one, but his face was dark, and he couldn't see any surprise or panic.

Just hearing that Su Nan was also waiting for him in the lounge, his face changed a bit.

Days like that will never happen again.

But after hearing what he said, Su Nan remembered such a thing.

That person knew that she was Mrs. Fu at the time, and tried her best to flatter her, wanting her to say something nice to him.

She just smiled awkwardly, her status was not as good as that of an employee in Fu Yechuan's company, and she couldn't do anything at all.

Those humble days, I really don't even want to think about it.

I really want to leave.

The man looked at the two people standing together, handsome and beautiful, and by the way, he touted:

"Mrs. Fu and President Fu are really talented and beautiful, like glue. If you want me to say, you are a model husband and wife!"

Cheng Yi smirked aside, not wanting to speak.

Su Nan's face was ugly, and just as she was about to say goodbye to her relationship, she suddenly heard a warm and low voice from behind:

"This gentleman is afraid of the wrong person, she is not Mrs. Fu."

Su Nan was shocked.

Shang Qian had already walked over, grabbed her from Cheng Yi's hand, and wrapped his arms around her slender waist.

Everything is so natural.

Fu Yechuan was in a good mood, but as soon as Shang Qian appeared, his eyes instantly darkened and gloomy...

Fu Yechuan's whole body was shrouded in a chill.

Cold eyes stared at Shang Qian's hand on Su Nan's slender waist.

I really want to chop him up.

The person opposite said in surprise:

“Not Mrs. Fu? I... Am I right?”

He looked at Su Nan again.

Although the temperament has become a little colder, the appearance is still stunning and impressive.

How can you admit the wrong person?

Shang Qian smiled, warm and modest, but with a faint coldness in his tone.

“This is my girlfriend, and it has nothing to do with President Fu.”

He looked at Fu Yechuan, hooked his lips, took Su Nan’s hand unhurriedly, and smiled slowly.

“Your good friend is here, do you want to go over and say hello?”

Su Nan was stunned, and Shang Qian raised his chin.

Following his direction, he saw Leng Lin, who was waving to Su Nan.

Su Nan smiled, eager to leave this embarrassing place immediately.

“Okay, let’s go over.”

She looked at Fu Yechuan and nodded, and left with Shang Qian.

Cheng Yi clicked his tongue, not expecting the rapid progress in the relationship between the two.

When they first started dating, the auras of the two clearly did not match up very well?

Leaving the person behind watching Su Nan leave inexplicably, did he really admit the wrong person?

He suddenly looked a little embarrassed.

“Mr. Fu, did I... read it wrong?”

Fu Yechuan’s face was ugly and gloomy, his eyes were cold, suppressing the irritability in his heart, he said coldly:

“Yes, she is Mrs. Fu.”

After speaking, he turned and left.

There is no point in staying here any longer.

Shang Qian, he dared to act against him so blatantly.

Do you really think that he dare not touch him?

It seems that it is time.

The man stood there messily.

Right?

Mrs. Fu became someone else's girlfriend?

What did he hear?

...

Su Nan looked sideways at Shang Qian, he was gentle and calm, with a polite smile on the corner of his mouth.

I don't know why, but I feel a little guilty.

After all, she refused a date with him, but met him here again.

It's all the damn Cheng Yi!

Su Nan pursed his lips and coughed:

"That...isn't that a coincidence?"

Shang Qian paused, looked at her, and the corners of his lips twitched slightly:

"I just remembered to say hello to me now?"

Su Nan Nan: "..."

There was laughter in Shang Qian's chest, and his tone was solemn:

"Miss Su, I hope you can give me a reasonable explanation."

Su Nan paused and lowered his voice:

"It's Cheng Yifeirang . I'm here, I didn't expect to meet Fu Yechuan here..."

Shang Qian glanced at her and said nothing.

to the front.

Leng Lin seemed to be in good shape, her face was like a peach blossom, and she felt a little more confident in her gestures.

Her law firm is booming, and she submits detailed reports to Su Nan every two weeks.

Never fell.

She has participated in several variety shows, and she has quite a lot of fans, and even with her outstanding performance with high IQ, she has steadily become a regular guest.

She is able to be today, thanks to Su Nan's help.

"Su Nan, President Shang, what a coincidence!"

Shang Qian nodded gently, let go of Su Nan's hand, and left enough private space for their ladies:

"You guys talk, I'll go talk to the old man. Say hello to my friend."

Su Nan nodded, Shang Qian shook her hand, and his eyes were deep:

"I'll come pick you up later, and go back together?"

Although it was a question, there was a hint of meaning in his eyes.

She has to agree to disagree.

Su Nan nodded.

She didn't want to go back with Cheng Yi.

Shang Qian, Leng Lin glanced at his back:

“Congratulations.”

Su Nan smiled, “Thank you, why isn’t Fu Yanni here?”

Their relationship is still in the confidential stage , without exposure.

But according to Fu Yanni’s character, he would definitely follow Leng Lin.

Leng Lin smiled: “The show is being prepared, he is busy with the crew, he just came and left.”

Su Nan raised her eyebrows, it seems that the relationship between the two has always been good!

The two chatted for a while, Shang Qian came back, glanced at her, and Su Nan immediately understood.

Said goodbye to Leng Lin, then said hello to Shen Liang, and left.

in the car.

Su Nan opened the window to breathe, but Shang Qian closed the window and glanced at her:

“It’s still a little cold at night, you wear so little, you want to go to the hospital?”

Although it was a reproach, the tone was helpless and doting .

Su Nan smiled, “Aren’t you angry anymore?”

Shang Qian was clearly still a little unhappy when he was inside just now.

The man sighed, “You don’t know how to coax me when you’re angry, I can only coax myself.”

Su Nan was taken aback for a moment, and then he couldn’t help feeling guilty.

coax him?

Such awkward things are only done by children.

Shang Qian glanced at her from the corner of his eye and paused.

The sound is a little dry.

“Why didn’t you explain it in the first place?”

Su Nan raised her head and reacted immediately.

He still minds the fact that that person mistakenly admitted that she was Mrs. Fu.

“I didn’t know who this person was at first, you just came to explain...”

She hesitated for a moment, then reached out and tugged at his clothes.

“Then how can I coax you?”

She knew that the relationship between the two of them had always been pushed by Shang Qian.

She enjoys it.

This is unfair to him.

She asked him seriously.

Shang Qian’s chest trembled slightly, his eyes flashed, and he looked ahead.

He drove very steadily, but at that moment, he almost stepped on the brakes.

His face tightened slightly, but the corners of his lips softened.

Gentle and soft.

Seems like it’s all worth it!

He didn’t answer, and kept taking her upstairs, at the door.

When she was about to go in.

He grabbed her wrist, rubbed the inside of her wrist, and looked at her deeply:

“You kiss me.”

Su Nan was startled.

blinked.

Only then did he realize that this was how Shang Qian let himself coax him?

It's just that the arc is too long.

And this request is a bit...

Seeing her hesitating, Shang Qian smiled and touched her head.

Forget it, not yet.

"Go in."

His voice was gentle and smooth, as if the conditions just now were not what he said.

In order not to embarrass her, he took a step back and planned to go upstairs first.

Su Nan took a step forward unexpectedly, held his face, closed his eyes, and kissed him.

The heartbeat seemed to stop for a moment.

Her soft lips were carefully but trembling against the warm lips, pecked, and they were about to loosen.

The next second, an arm tightly wrapped around her waist that was about to retreat, and brought her to her body.

His kisses swept over her lips overwhelmingly, as if he wanted to melt her into his own body for exclusive use.

His breath was deep, his breath was ironed, and there was no calm and restrained calm at this time.

The bit of out-of-control possessiveness in his bones burst out at this moment.

Su Nan felt numb all over, like an electric shock.

The strength of her refusal seemed weak and weak, and she could only be forced to meet his strength...

Gradually, Su Nan felt that it was starting to be difficult to breathe.

Shang Qian slowly loosened her lips and looked down at her.

Her face was crimson, she was panting slightly, her eyes were lustrous and bright, as translucent as water, and her lips were as bright and red as lip gloss.

Shang Qian stared at her darkly, and unconsciously reached out and stroked her lips.

He really almost lost control.

His eyes were forbidding and restrained, and his voice was hoarse and low:

“I like you to coax me like this the most, and I will remember it in the future.”

Su Nan’s face suddenly became hot.

He’s really...not restrained at all.

She gritted her teeth, pushed him away suddenly, turned around and ran in, closing the door in one go.

A smile flashed across Shang Qian’s eyes.

Shy...

—The

next day, Su Nan woke up when the sun had fully risen.

As soon as I saw the building, I made several calls, and there were several unfamiliar numbers.

She was muted so she didn’t hear it.

Call back.

Yu Lou picked it up: “Mr. Su, just now... the school called me, and Mike’s teacher asked you to come over.”

As Su Nan’s assistant, no matter what happened to her, he would not Accident.

But this incident really shocked him.

Su Nan and Shang Qian were indeed dating, but Mike’s teacher went directly to Su Nan?

Why didn’t you contact Shang Qian?

He doesn't understand.

Su Nan made a move.

Somewhat surprised.

She hung up the phone and called Shang Qian, but didn't answer.

The next second, a text message came with his explanation: "Is there a meeting, what's the matter?"

It seemed that the meeting was very important, otherwise she would not have missed her call.

Su Nan paused and replied, "It's nothing."

She has long regarded little Mike as a family, so she should go to school first.

When she arrived at the school, the teacher greeted her politely.

In this international school, the teachers are well-known professors from foreign schools, and they are not sensitive to Su Nan's identity.

Little Mike sat on the chair with two short legs, and when he saw her coming in, he ran over happily.

"Pretty sister, I miss you so much..."

Su Nan squatted down and gave him a big hug.

"Sister misses you too!" The

teacher smiled decently when she saw such a warm scene.

"Please take a seat."

Su Nan took little Mike's hand and sat on the chair.

"Little Mike has just transferred to another school and may be a little uncomfortable, but he is smart and lively, good at expressing himself, and he is never the same." The

teacher was stunned and nodded in agreement.

It's too lively...

Su Nan smiled and touched little Mike's head.

“By the way, what’s the matter with the teacher asking me to come here?” The teacher paused and almost forgot the business.

“Are you Mike’s sister?”

Su Nan nodded.

Forget it.

The teacher nodded. Although there seemed to be an age difference, it was not unusual for a family who could afford such a school to have such siblings.

Abroad abound.

“That’s it, your brother Mike has a conflict with a female classmate. The female classmate has cried several times. In order to avoid leaving a shadow on the female classmate’s heart, I would like to ask the parents of both parties to negotiate a solution.”

Su Nan paused, where is this negotiation?

This is clearly to make him apologize!

She looked at little Mike, who looked indifferent.

“I did nothing wrong, beautiful sister.”

Su Nan paused, unable to draw conclusions easily.

“Then can we invite the parents of the female classmates to come and meet and analyze what happened together. If Mike did something wrong, of course we will solve it properly.”

teacher nodded and looked at the phone, “Wait a minute, the girl’s father has arrived at the door, I’ll pick it up.”

Su Nan nodded.

As soon as the teacher left, Su Nan hesitated to tell Shang Qian.

Little Michael grabbed her hand, as if seeing her hesitation.

Persuade her: "I believe you can solve such a trivial matter, so don't tell my daddy, we want to be mature people!"

Su Nan: "..."

She twitched the corners of her mouth.

Let him say everything, what else did she say?

Oh well.

Soon.

The teacher came in with the female classmate and her father.

The female classmate has a round apple face and looks very pleasing.

The father behind her looked in his fifties, but he was well maintained and looked elegant. At this time, because his daughter was wronged, his face was not good-looking.

"This is Mike's sister, and this is Xiaoyue's father." The

teachers introduced each other.

Su Nan nodded, Xiao Yue's father turned his head away and snorted coldly.

The teacher smiled awkwardly.

"Well, in front of the two parents, let the child talk about what's going on?" The

teacher glanced at the female classmates Xiao Yue and Xiao Mike.

Xiao Yue glanced at Xiao Mike aggrievedly, her eyes reddened.

Her father encouraged her: "Boldly say that no one can bully you when your father is here!"

Xiao Yue sobbed, looked at the beautiful Su Nan, and said hesitantly,

"I don't know the test questions, ask classmate Mike for advice. , classmate Mike asked me to go to kindergarten again!"

Little Mike hummed, "That's the topic of kindergarten!"

Xiao Yue's father: "Humph, is there such an insult?"

Su Nan paused.

She pursed her lips and explained, "Mike went to school abroad, and he skipped several levels in a row. For him, some subjects were indeed learned in kindergarten."

Xiaoyue's father's eyes widened and he was so angry!

Xiaoyue sobbed and continued: "I didn't do well in the exam, everyone was comforting me, but he was very happy, why does he hate me?"

Little Mike: "Because my grades are good, I took the first place in the exam. , can't I be happy?"

Su Nan had a headache.

But then nodded: "Of course!" The

teacher and Xiaoyue's father: "..."

Xiaoyue cried even more.

Seeing that she couldn't be coaxed anymore, she also rambled about a lot of little Mike's things.

What seemed normal to little Mike, Xiao Yue's fragile self-esteem was hurt.

Xiao Yue's father felt distressed, his eyes slashed at her like a knife.

Su Nanquan didn't see it.

She didn't think little Mike had done anything wrong.

It was Xiao Yue who thought too much!

Seeing that the scene could not be contained, the teacher quickly separated the two families to talk.

Su Nan's attitude is very clear: "The child has a low EQ, but he did nothing wrong. The formation of a correct value cannot be dealt with by compromise." The

teacher reluctantly went to Xiao Yue's father.

Less than five minutes.

The teacher's face changed greatly and rushed out: "Sister Mike, Xiao Yue's father has a heart attack!"

Was she angry with a heart attack?

The teacher never dreamed that there would be such a scene.

Seeing that Su Nan had no room to turn around, the teacher tried his best to contact Mike's father, Shang Qian.

After a dozen calls, I was picked up.

"Excuse me, are you..."

Shang Qian's voice was warm, but also impatient.

"Mike Dad, your daughter and son have made other parents angry with heart attacks, come here quickly!"

his daughter?

Where did his daughter come from?

Just as he was about to open his mouth to ask what was going on, all of a sudden a light flashed in his mind.

I remembered that little Mike called "beautiful sister" behind Su Nan all day long, one sister at a time, wouldn't this generation be bad?

Coupled with Su Nan's young and beautiful face, anyone who speaks out will believe that it is his sister!

Shang Qian hung up the phone, looked at the missed call, and sighed.

He calmly apologized in fluent French and ended the meeting early.

When I drove to school, I was really mentally prepared.

Thinking about how to explain this to the teacher, why did Su Nan go to school?

Less than twenty minutes.

As soon as Shang Qian entered the agreed office, he found that the atmosphere inside was not right.

A little girl was aggrieved and sobbed in her old father's arms.

Poor and cute.

Su Nan sat across from him with an innocent look on his face, feeling a little overwhelmed.

Little Mike looked indifferent. Anyway, she was crying, not herself, so there was no need to care.

"Mike Daddy is here?" When the

teacher saw someone at the door, he quickly got up to greet him.

Shang Qian walked in with a gentle smile, "Sorry for causing you trouble."

Anyway, he was already familiar with things like teachers looking for parents.

Glancing at Su Nan on the opposite side, she raised her eyebrows, and then looked away with a guilty conscience.

Little Mike hid directly behind Su Nan.

Oh, now you know you're afraid?

The teacher said the matter again in very euphemistic language.

While little Mike doesn't seem wrong, there's nothing to criticize.

But when it comes to interacting with classmates, I really don't give face very much.

IQ crushes everyone, but emotional intelligence hurts too much.

And Su Nan only used to distinguish right from wrong, and he would be biased in the position of little Mike.

After listening to Shang Qian, he smiled, and then apologized to others in a modest tone.

The teacher also reconciled, and the attitude of the parents of the female students gradually improved a lot.

He could also see that Shang Qian was well-dressed, well-mannered, and had an extraordinary conversation. He could bow his head and apologize, but he couldn't hold on to it.

After all, all his anger was rubbed off by Su Nan's indifferent attitude.

The aura of this woman is a bit scary.

As soon as Shang Qian's attitude came out, there was no reason to jump.

"Actually, it's just a joke between the children, and the laugh is over. It's just that our family is a girl, and she is very fragile, but she doesn't hold grudges..."

Shang Qian smiled and nodded, He squatted down, reached out and touched the head of the female classmate.

"I'm sorry, uncle asked him to apologize to you." This

is the first time the little girl has seen such a good-looking uncle.

Looking at Shang Qian, he straightened his eyes a little.

Shang Qian turned back and waved to little Mike.

Little Mike didn't dare to pretend he couldn't see, so he could only walk over obediently.

Shang Qian's voice was warm and his eyes were dark, but he looked at little Mike unquestionably.

"Apologies."

Little Mike pursed his lips, thought for a moment, and then weighed the pros and cons.

Daddy is not as easy to fool as beautiful sister.

He can't die.

"I'm sorry."

He said simply.

"It's okay." The

female classmate blinked and smiled, but she smiled at Shang Qian.

.....

Things were settled so perfectly, little Mike went back to class.

Shang Qian and Su Nan went out one after the other.

The teacher looked at the two people with great satisfaction:

"Goodbye Mr. Shang, goodbye Miss Shang."

Chapter 1070 Disembarkation

Chapter 1070,

Su Nan was taken aback for a moment.

Shang Qian's back froze slightly, and he heard it too.

He suddenly turned around and took Su Nan's hand and walked forward.

Fingers intertwined.

Oh, Miss Shang?

The teacher watched them off, and those who watched this movement were a little confused.

Why does this look more and more like a couple?

And when inside, the sister didn't call Daddy the whole time.

...

Su Nan pursed her lips, and her hand was clenched into his.

His expression was embarrassed for a while, and he quickly changed the subject.

“I thought I could solve it myself, but I didn’t expect you to come.”

Shang Qian smiled lightly at the corner of his mouth, his eyes warm and soft.

“I’m used to this kind of thing. Mike just doesn’t get used to this place, but his ability to adapt has always been very strong, and he will get better soon.”

Su Nan nodded.

“Didn’t I delay your business?”

Shang Qian squeezed her hand, and his eyes turned to her face.

“I think it will take more time for you. In the future, you can directly hand over such matters to me. I am very experienced in handling them.”

Su Nan blushed for a moment, suppressing her emotions.

“Well, probably because he couldn’t get through to you, he contacted me.”

Shang Qian paused slightly and squinted.

“What?”

A fire rose in his heart inexplicably.

can not get connected?

None of his missed calls were from the school and little Mike.

It seems that little Mike did it on purpose!

Su Nan blinked in confusion, and instantly saved little Mike:

“It’s possible that I forgot the number.”

She wanted to bite off her tongue and felt sorry for little Mike ten thousand times.

Shang Qian smiled coldly and shook his head.

Just when she thought he was going to be angry, he smiled gently and squeezed her hand:

“I will make him never forget it, let’s go, let’s go to dinner?”

Su Nan nodded.

The two ate near Su Nan's company, and Shang Qian hurried back to handle the morning meeting.

A few days later.

An invitation to a private dinner was delivered to Su Nan's table.

Yu Lou: "I heard that this dinner party also invited a foreign investor, but I didn't specify who it was, but it seems to have something to do with Shang Zong?"

Su Nan frowned, "Shang Qian?"

Yu Lou nodded: "Others The tone is very tight, saying that the mysterious surprise is going to be revealed that night, do you want to go?"

Su Nan hooked his lips, "Of course I will go, maybe they have made it clear that they want me to go there."

Otherwise, I don't want to say anything How can the person who disclosed it reveal that he has a relationship with Shang Qian?

Yu Lou nodded, "I'll ask someone to prepare clothes and jewelry for you."

"Don't bother, just keep it simple."

Su Nan thought to herself that the protagonist wasn't herself anyway, and she wasn't in the mood to do anything.

Yu Lou nodded, then turned to leave.

Su Nan thought for a while and sent a message to Shang Qian: "Will you go to the banquet in the Champs at night?"

Shang Qian replied in seconds: "Go, but you have to take me in, and someone will give me a horse as soon as they come."

Su Nan smiled.

After a few more words, he hung up the phone.

It could be heard that although Shang Qian's voice sounded calm and gentle, it was no different from usual.

But there was something wrong in his mood.

The lights are on.

Su Nan was wearing a little black dress and high heels, a simple and elegant style, but she was wearing a unique aura.

Her bright facial features make people unable to take their eyes off her.

Going downstairs, I saw Shang Qian's car waiting there.

He rolled down the window and waved to her...
