Chapter 11 Cooperation

Chapter 11 cooperated with

Qiao Wanrou's gloomy face and walked over step by step.

"Su Nan..."

Su Nan stood there, knowing that someone was coming, except Qiao Wanrou, no one would come to look for her.

She looked sideways calmly, Qiao Wanrou's face was soft and gentle, and she was pitiful.

Walking to the front, Qiao Wanrou's smile was slightly cold, and she removed her disguise.

"You came to the banquet on purpose? You are here to get close to Ye Chuan, right? You are both divorced, so why are you still stalking? If I were you, I would hide away from you, don't rush to find it. ."

Su Nan looked at her with sarcasm in her cold eyes.

"Qiao Wanrou, the whole world knows that you are a junior. Have you been happy during this time?"

Every news on the hot search was cleaned up, including Qiao Wanrou next to Fu Yechuan.

Although Fu Yechuan withdrew the relevant news, Qiao Wanrou, the "little third", was reviled a lot.

For a while she couldn't even sleep well.

"Su Nan, status doesn't matter, feelings matter. Ye Chuan and I can make it to the end, can you?" Qiao Wanrou snorted unwillingly, looking at her from top to bottom.

"You got the banquet invitation with the money from selling blood, right? Otherwise, how could you come to a place like this? Are all the clothes and jewelry rented?"

Qiao Wanrou stepped forward step by step, her eyes flickered slightly, and she walked to the side of the swimming pool. Sneer.

“Su Nan, this is what you asked for...”

She said, suddenly fell back, and fell into the swimming pool instantly. The splashing sound immediately attracted the attention of the audience.

The crowd exclaimed.

Looking at this scene, Su Nan was indifferent, his eyes sank slightly, and suddenly the same scene of the banquet held when he and Fu Yechuan got married three years ago suddenly appeared in his mind.

“Su Nan, I don’t congratulate you on your marriage. After all, the person Ye Chuan loves is not you. If it weren’t for the fact that you could donate blood to me at any time, Ye Chuan would not have agreed to marry you, and you would not be happy together. If you don’t believe me, look—”

She jumped off the edge of the pool, and Fu Yechuan jumped without thinking.

Qiao Wanrou proved the fact with facts. At that time, Su Nan thought that her sincerity would impress Fu Yechuan, but she failed miserably.

But now, Qiao Wanrou jumped down again, struggling in the water and exclaiming.

A man rushed past quickly, no need to think, it must be Fu Yechuan, anxiously hugging Qiao Wanrou in the water.

“Ye Chuan, don’t blame Su Nan, I’m here to apologize, she didn’t forgive me, she must still be blaming me, and she didn’t mean it.”

Qiao Wanrou huddled in the man’s arms aggrievedly, weeping forbearance, the onlookers watched Feeling distressed, he glanced at Su Nan strangely.

Su Jin came to hear the movement, frowned slightly when he saw this scene, Su Nan stopped him from helping, instead whispered a few words in his ear, Su Jin left.

Fu Yechuan hugged Qiao Wanrou, who was soaking wet, and draped a coat over her. His black eyes looked at Su Nan coldly.

Su Nan met his gaze without dodging, and the corners of his lips raised a sneer.

“She has used this trick long ago, you won’t believe it, right?”

Su Nan, who believed it or not, didn’t care, she pinned the broken hair around her ear, and the sarcasm on her lips deepened, “It doesn’t matter, acting is so old. Set, I haven’t made any progress at all, I, who should cooperate with your performance, turn a blind eye!”

Does she have to take the trick?

To play with her? It really lowered my IQ!

Just as Su Nan was about to turn around and leave, Qiao Wanrou refused to let go of this perfect opportunity to cleanse her body, suddenly got up from Fu Yechuan, grabbed Su Nan's arm, and cried.

"Su Nan, I know you don't like me, but every time you donate blood, Ye Chuan gives you money, what else are you dissatisfied with? Why are you still lingering after the divorce and falsely accusing us? You Do everything possible to attend the banquet, but you are unwilling to give up, right?"

Chapter 12 Repayment

Chapter 12

The people in the repayment field looked at these three people strangely.

Everyone knows about the Fu family's gossip, but because of the Fu family's power, no one dares to add fuel to the fire to watch the fun.

Isn't this ex-wife as innocent as the legend says?

Fu Yechuan frowned slightly, Qiao Wanrou was really rude, just as he was about to go over to pull away, he saw Su Nan suddenly turn around with a cold face.

When everyone was stunned, Su Nan took Qiao Wanrou's arm and walked towards the pool.

Qiao Wanrou was in her hands, like a weak little chicken, she didn't even have the chance to resist.

I saw Su Nan squeezed her chin tightly, and slapped her with a slap of "pa-", only to hear Qiao Wanrou scream.

Su Nan let go, and with a thud, Qiao Wanrou instantly fell into the pool.

Qiao Wanrou's crying stopped abruptly, and she fluttered and struggled in the water in shock and embarrassment.

Su Nan retracted his hand coldly, with a cold edge in his eyes, and his tone was careless.

“What you haven’t done, you have to do it before you can recognize it. You don’t have to add drama to yourself. Now I recognize it.”

Qiao Wanrou was thrown down in front of everyone. doubts began to change.

Fu Yechuan also had doubts at that moment, and Su Nan in front of him looked like another person.

The water in the pool was not deep, and when Qiao Wanrou saw that no one came to save her, she suddenly felt a chill on her head when she wanted to climb up by herself.

The 82-year-old Lafite had a strong fragrance and poured it down her hair. Qiao Wanrou had no dignity, and she raised her head in horror.

Su Nan’s eyes were cold and playful, with wanton ridicule, poured half a glass of wine on her head, and she was in a better mood.

“This is an extra for you, Miss Qiao, don’t rush, I still have a gift.”

Su Nan stepped away from everyone’s sight, and everyone looked at Qiao Wanrou’s eyes and couldn’t help but feel a little more contempt.

How can bad people be so open and aboveboard?

One is calm and calm, the other is acting in a panic.

Qiao Wanrou is the initiator of the hypocritical contrived.

“Yechuan...” Qiao Wanrou’s voice trembled as she looked at Fu Yechuan cautiously.

She hated Su Nan to death. As soon as she appeared, she stole Fu Yechuan’s attention and all the limelight.

If it wasn’t for her, she wouldn’t be so embarrassed, like a joke.

She admitted that she panicked, and now she wanted to leave quickly because Su Nan didn’t know what other tricks were waiting for her.

Fu Yechuan withdrew his gaze, and the waiter on the side went over to help. He fell into the water twice and shivered.

“You fell yourself just now, right?” Fu Yechuan’s black eyes were cold and his face was gloomy.

Qiao Wanrou's face was flustered, "Of course not, how could I frame Su Nan? You can see that, she wants to take revenge on us like crazy... Ye Chuan, you don't believe me, don't you believe in Cheng Heng? ?"

Fu Yechuan looked at her with a deep gaze, his terrifying gaze made people tremble.

"I'll take you back first."

Qiao Wanrou softened her face and was about to nod her head when someone said, "Look upstairs!

" There, a large crocodile leather bag was at hand.

She leaned against the railing with her arms bent, a cigarette in her hand, and the smoke filled the room, full of all kinds of styles, making people unable to take their eyes off.

Qiao Wanrou's heart trembled fiercely, and she saw Su Nan casually taking out a stack of money from the leather bag next to him, and swaying it down carelessly, on the ground, in the water...

One after another, even many waiters and guests couldn't wait to pick up the money. Everyone watched this scene in shock.

Su Nan didn't like it, so he dumped the purse directly. The 25 million cash was all poured out in front of Fu Yechuan and Qiao Wanrou...

Chapter 13 Sending Away

Chapter 13 Sending Away

"Fu Yechuan, this is the reward you gave me every time I donated blood in the past three years, and now I pay you back, we don't owe each other..."

Su Nan's voice was cold and decisive.

Fu Yechuan's eyes were deep, and his mood was extremely complicated at this moment.

It was like a mirror in everyone's heart, Qiao Wanrou had just put a label on her for entanglement with money, Su Nan slapped her face in a blink of an eye, and Qiao Wanrou really lost her face.

Su Nan left in the star-studded light, Qiao Wanrou bit her lower lip, trembling all over.

This woman is simply her nemesis!

“Yechuan, Su Nan must be mad at me again, let’s go.”

Fu Yechuan refused to let go of this opportunity, “You wait for me at the door.”

After he finished speaking, he went straight in and saw Su Nan sitting On the deck next to him, the famous Su Jin knelt on the side, rubbed her red ankles with high heels, and Fu Yechuan’s eyes stabbed fiercely.

The two looked up and looked at the uninvited guest. Su Jin smiled and sat calmly next to Su Nan, reaching out to protect her in his arms.

“Mr. Fu doesn’t go to comfort the beautiful lady, and is still in the mood to settle the bill?”

Fu Yechuan frowned, his body was full of chills, his eyes were fixed on the hand he was holding her, and his tone became cold.

“Su Nan, if I do something to make you unhappy, you can settle the bill with me, but you should go and apologize to Wanrou.”

Su Nan grinned and met his gaze, “What if I don’t go? You Do you want to throw me into the water?”

Fu Yechuan was dissatisfied with her casual attitude, and was inexplicably angry when she saw that she was confused with other men so quickly.

“As a husband and wife, I advise you to be kind.”

“President Fu doesn’t know me, I’m so vicious by nature.”

Fu Yechuan choked, Su Nan’s appearance was really irritating, but they got divorced, and he didn’t teach her the position.

His tone was cold, “As you are.” He turned around and left.

He even forgot that he originally wanted to explain his relationship with Qiao Wanrou to Su Nan, but now, it was unnecessary.

Su Nan’s smile faded little by little, Su Jin patted her on the shoulder, “Little Si still likes him?”

“How is it possible?”

Su Nan sneered, she would never make the same mistake again.

...

in Fu Yechuan's car.

Qiao Wanrou was wearing his clothes, and just as she was about to explain what happened tonight and dispel Fu Yechuan's doubts, she heard the driver say "Huh" in surprise, "Isn't that Miss Qiao?"

"Huge electronic screen at the Hilton Hotel.

Tens of millions of one-minute advertisements, the reincarnation of the above is exactly the scene of Qiao Wan and Su Nan by the swimming pool just now.

It's just that they put a mosaic on the faces of the two intimately, but the celebrities and dignitaries who went to participate knew the identities of the two.

Fu Yechuan's eyes were fixed tightly, the picture was silent, but it could be clearly seen that Su Nan didn't even touch Qiao Wanrou, and Qiao Wanrou took a step back by herself, raised her head and jumped out of the pool.

For a moment, the atmosphere froze, and the air pressure was low and dull.

Fu Yechuan's face was even colder, and his eyes were grim and cold. Just a few minutes ago, he even went to Su Nan and asked her to apologize?

This is Su Nan's reply to them.

Ridiculous, really ridiculous!

Qiao Wanrou's face was pale, and she was trembling with fear.

She never thought that someone would put the surveillance video on the advertising space that could be seen all over the city!

"Bang!" The door slammed shut.

Fu Yechuan stood outside the car, his tone was cold and severe, and his eyes were forbidding and deep.

"Tomorrow morning, I will send someone to send you to country F!"

...

Chapter 14 Airborne

Chapter 14 Airborne

Qiao Wanrou begged bitterly in the car, and Fu Yechuan only felt that his anger had nowhere to vent.

If it is false this time, then in the past three years, which time has it been true?

Walking in the cold wind, a sports car that pulled the wind slowly stopped, and the people inside waved to him, "Brother, get in the car..."

Lu Qi had also gone to the banquet to entertain, and what just happened was enough. It was so lively that Fu Yechuan felt that it was meaningless as soon as he left, so he followed along. Who would have thought of meeting him on the side of the road.

Fu Yechuan lit a cigarette on the co-pilot, and suddenly froze when he remembered Su Nan's action of holding the cigarette.

"Brother, have you seen Su Nan? What is her relationship with Su Jin in Xicheng?"

Lu Qi asked, and Fu Yechuan was even more irritable, obviously not wanting to answer these questions that he didn't even know the answer to!

Fortunately, there are no reporters today, otherwise it would be enough to cause an explosion in the circle, but with the status of the Fu family, no one dared to spread it privately.

"It's not me who said that she can marry you with her status, we all feel wronged for you, and dare to target Sister Wanrou today, oh, luckily you are divorced, otherwise I'm afraid the whole Fu family will be killed by her, today she I don't know how to catch Su Jin, it seems that the two of you are much closer than you, I really didn't expect her to have such a skill."

With Fu Yechuan's status, only marrying someone of the right family can be worthy. Qian tried his best to marry a woman in the Fu family, none of these brothers could look up to them!

Hearing Lu Qi's frivolous words, Fu Yechuan felt a little uncomfortable in his heart.

Fu Yechuan's brows were covered with frost, and his black eyes were cold, "Enough, don't talk about it!"

Lu Qi pouted, she was already divorced anyway, so she was a wise woman, as long as she didn't come to harm Fu Yechuan.

Fu Yechuan was silent, his face was gloomy, he pinched out the cigarette with one hand and disappeared into the wind.

"Want a drink?" Lu Qi suggested.

Fu Yechuan silently agreed, "Go." He urgently needed to get rid of the irritability in his chest.

...

After the popularity ended, Su Nan became the central figure of the banquet, and Su Jin also officially introduced that Su Nan would serve as the company's top executive as the vice president of Airborne.

For a while, there were more speculations about the intimate relationship between the two, but they didn't explain much and just laughed it off.

Su Nan needs to gain a firm foothold in the group, so she can't directly declare her heir status, she must rely on her own ability, and connections are more important.

There were many dissatisfaction in the company, but no one dared to resist Su Jin's decision.

Su Jin pointed his confidant Yulou to Su Nan as a secretary, and took two hours a day to give her make-up lessons in person. Su Nan stayed in Su Jin's office two hours before leaving get off work every day.

Looking at Su Nan sitting leisurely on the rocking chair, Su Jin smiled and deliberately threatened: "You are so lazy, next time let Dad teach you personally?"

Su Nan immediately sat up, "No!"

"It will be in two days. Juli Group's anniversary, he has a project in hand, you can try it."

Su Nan's eyes lit up, "Okay, I will definitely fight for it."

"It's not that simple, everyone knows it's a piece of fat. , it is not easy to take it down, I should have a meeting abroad in those two days, but the third should be back."

"The third brother is coming back, I will pick him up in person."

Thinking that the third brother Su Qi has not seen for a long time, The last time I watched his drama on TV.

Su Jin smiled helplessly, looked down at the time, "Let's go, I'll take you to dinner." As

soon as he entered the restaurant, Su Nan's face sank, it was really a narrow road for the enemy.

Qu Qing and Fu Yingying were actually there!

“Where’s the manager? Can any trash come in in your restaurant?” Fu Yingying yelled.

Chapter 15 Pour the Wine

Chapter 15 Pour wine

in country J on the other side of the Atlantic. Fu Yingying, who gambled a lot of money, didn’t even know, and the matter of stealing jewelry from her family was hotly searched.

Her reputation was ruined, and when she returned to China, the ladies and sisters in the circle looked at her with contempt.

And the initiator of all this was Su Nan who was swept out of the house?

Seeing this Su Nan in the restaurant now, her teeth itch even more with anger. In the past, Fu Yingying looked down on Su Nan, who came from a humble background, and she did a lot of abuse. When she saw her here, she stood up and looked for the manager.

The manager heard the movement and ran over quickly. The guests who came to eat here were all pre-booked, and no one could afford to offend him.

“Miss Fu, I’m so sorry...” Fu

Yingying looked at her coldly, wishing she could go up and slap her a few times to relieve her anger!

“Kick her out. She’s standing here, and it affects our mood to eat. We are your VIP customers!” The

manager looked back and was shocked. Standing beside him with a light smile, she looks bright and noble, her long curly hair is draped behind her ears, her lustrous eyes and facial features are amazing, and her mood is not affected by Fu Yingying at all.

He hurried over and bowed respectfully to say hello, “Mr. Su, you’re here, your seat is ready, please take your seat.”

Fu Yingying’s face changed, she looked at Su Jin, and a flash of surprise flashed in her eyes. However, seeing him protecting Su Nan, he frowned slightly in dissatisfaction, “Hey! Didn’t you hear what I said? Drive them out!”

Qu Qing agreed and looked at Su Nan with disgust, “That’s right, You dare to come anywhere without looking at

yourself ?”

Su Jin sneered, awe-inspiring, “Sweeping out the door? When did the Fu family become so shameless, and the ability to reverse black and white is impressive!” He was angry, how did Su Nan live in the Fu family?

Qu Qing was stunned for a moment, her face flushed, she looked at the manager, and ordered, “What are you still doing? I don’t want to see them here!” The

manager’s face sank and she said decisively, “Mrs. Fu, Miss Fu, Su They are always the major shareholders of our restaurant, if you don’t want to see them, you can leave now.”

Qu Qing and Fu Yingying stiffened, their faces were splendid, Su Nan smiled, her eyes cold, “Forget it, eat It’s just a meal, why are you making such a fuss? I have something to tell the two of you, you go ahead and wait for me.” Su Nan looked at Su Jin and spoke.

Su Jin had an angry look on his face, but thinking that Su Nan was not the same as before, he still left her to deal with it with confidence.

Su Jin nodded slightly, then turned and walked in, surprisingly obedient.

The rest of Qu Qing and Fu Yingying were not afraid of her, Fu Yingying sat there and snorted coldly, “You still have some self-knowledge, no matter which high branch you climb, our Fu family doesn’t care, my brother doesn’t look down on you. , I can make you unable to get along in City A in minutes!”

Su Nan lowered his head and smiled, his eyes were cold and indifferent, “Then... what do you want?”

“Well, you give me Apologize with a cup of wine, you have done a lot of serving people, didn’t you do it often in the Fu family? I’ll let you go today.”

Fu Yingying raised her eyebrows and snorted coldly, waiting for Su Nan Bow down and admit your mistake.

Su Nan smiled, stepped forward and quietly picked up the decanter, poured a glass of wine skillfully, and handed it over.

Fu Yingying hooked her lips in disdain. Before her hand touched the cup, she felt a chill on the top of her head...
