Chapter 111 Su Nan is forbidden to enter

Chapter 111 Su Nan is forbidden to enter

Su Yifeng raised his eyebrows, glanced at Fu Yechuan, and then shook his head, "I don't dare to climb high, my daughter is not worthy of being a dragon and a phoenix like President

Fu ." After a pause, he changed the subject with a smile, "Speaking of which, the Su Group has been messed up by that woman's black history, and the stock market has begun to turmoil..."

Qiao Wanrou took Fu Yingying's hand and asked softly, "Did you really see clearly? At this time, Su Nan is actually here?"

"How could I be wrong, my mother was also there at the time..."

Qiao Wan's soft eyes paused and followed closely. She walked to the second floor, and when she looked down, there were so many people that she couldn't recognize who was who with all kinds of dresses.

"How can I find it..."

Fu Yingying touched her hair, "I don't know where she ran to hide, but since she is here, she will definitely not leave easily, look at her. 80% of them want to force marriage here!"

Because there was no other way to go, they could only force the Su family to marry her.

A good show is coming!

Qiao Wanrou suppressed the excitement in her heart, Su Nan, do you also have a day when a dog jumps over the wall?

With a twinkle in her eyes, she grabbed Fu Yingying's hand, "I see, she's there!"

She pointed her finger in the direction of the door and took a closer look. Isn't that the figure of Su Nan?

Wearing an ordinary skirt, she was talking to the person at the door. The person handed her a bouquet of flowers, and Su Nan took it.

“Didn’t you go abroad? How can you come back?”

Cheng Yi was tall and handsome in a well-tailored suit, standing in the shadows in the dark, smiling evilly and charmingly.

“Today is your big day, how can I be absent? As soon as the banquet here is over, I will fly away overnight.”

Su Nan was taken aback by his smile, and his hands holding the flowers paused, “Everyone is here, and Uncle Cheng is here today, don’t you want to say hello?”

Cheng Yi shook his head and spread his hands helplessly, “If he can’t beat me to death, he’ll be mad at me. One corpse and two lives, why bother? In a few days, it will be my brother’s death anniversary, and we’re almost done talking about overseas projects, so he won’t have any reason to force him any more. I’m gone.”

Su Nan smiled, “Okay, then I’ll wait for you to come back and let you know.”

“It’s a deal.” Cheng Yi took a step forward while she wasn’t paying attention and hugged her in his arms. In his arms, “Our Su Xiaosi is coming back, I’m really happy for you.”

Su Nan paused when he was about to push away, but Cheng Yi instantly let go, “Go, I want to prevent the old man from seeing me, find someone Where to hide.”

She nodded and turned around, and saw Fu Yechuan standing not far away with deep eyes, staring at her figure, frowning coldly.

As she walked back, Fu Yechuan walked towards her with great strides.

“What a coincidence, Mr. Fu?”

Su Nan raised an eyebrow and smiled. Wasn’t the scolding last time enough? Did you even take the initiative?

Fu Yechuan stared at her sternly, with a stern tone, “Why did you come here? Are you still cuddling with other men here?”

He was shocked to see Su Nan, but he didn’t expect that she would dare to appear here in a grand manner. He also hugged and hugged Cheng Yi.

When he saw Cheng Yi holding her, the uncontrollable anger in his chest rose up, causing him to lift his legs and walk over.

Su Nan tilted his head to look, but luckily no one noticed.

“Can’t I come? Who ordered it? Is it written at the door ‘Su Nan is forbidden to enter’?” “

What kind of occasion is this? Do you think your reputation is too good?"

The head hugged Cheng Yi again, this woman really didn't know whether to live or die.

"Thanks to you, I have today's reputation, isn't it all thanks to you?"

Still have the face to mock her?

Fu Yechuan is really ridiculous.

In Fu Yechuan's eyes, this look is a rogue.

When she spoke, the corners of her lips curled into a bit of sneer. I don't know if she was laughing at him or laughing at herself?

Like everyone else, Fu Yechuan believed that at this time and on this occasion, she, Su Nan, was the last person to appear.

Inappropriate.

She doesn't deserve to be in their high society.

"What do you want, Su Nan?"

...

Chapter 112 Do you have a face?

Chapter 112 Do You Have a Face?

Fu Yechuan doesn't understand why he feels a little irritable and upset. In this case, is Su Nan still in the mood?

Does she still have expectations for Su Jin?

Can't she see that everyone treats her as trash and is afraid to avoid it?

Especially the flowers in her hand are particularly dazzling.

He looked at her gloomily, and his voice was a little anxious, "No matter what you want to do, it's best not to choose today, everyone is looking at you, if you really do something out of the ordinary, even I can't keep you!"

Otherwise, it would not only be Mr. Fu, but the entire Su family who would deal with her.

Su Nan laughed outright, with coldness in his eyes.

“Protect me? When did Mr. Fu protect me? Are you afraid of getting involved with me and implicated in your Fu family?”

Isn't it all the handwriting of their Fu family that she can have a day when everyone is shouting and beating today?

Fu Yechuan still has the face to say these high-sounding words here, does he really take her as a fool?

Hearing her words, Fu Yechuan's heart suddenly throbbed, and he frowned. He knew in his heart that Su Nan must have hated him and the Fu family very much, but he couldn't say what he explained.

“Su Nan...” Qiao Wanrou ran over from not far away and stood beside Fu Yechuan, her voice was mellow, as the name suggests: “It's all my fault, I know you hate me in your heart, what happened last time, I don't blame you, but can you stop making trouble here, it will embarrass both families.”

Su Nan's gloomy eyes swept over Qiao Wanrou's body and hooked her lips, “Blame me? Do you have a face?”

Qiao Wan glaced at Fu Yechuan weakly, he didn't mean to blame Su Nan at all, he paused, and pretended to be generous with his grievances.

“Su Nan, you divorced Ye Chuan, do you still hate it for the rest of your life because of the past?”

Su Nan glanced at her coldly, “Are you worthy of letting me remember it for the rest of my life?”

Qiao Wanrou's face was ugly, and she bit her lower lip, “Ye Chuan and I both hope you can let go of the past and start over, but now it's the Su family. The anniversary of the group, if something happens, it will only make it impossible for you to end it, now the most important thing is to take care of the overall situation!”

Fu Yechuan frowned slightly when he heard the words, and glanced at Qiao Wanrou with a complex and cold look.

For some reason, her words made me feel uncomfortable.

Su Nan twitched the corners of his lips and looked coldly at these two scumbags and scumbags, one was more hypocritical than the other, and the other was more hateful. It was really disgusting.

Take care of the overall situation?

She got out of here just to take care of the overall situation?

“Who will take care of you? Take care of you? Let me leave here, and no one will know the fact that you are married? Don’t look like a hypocritical white lotus, and it’s not disgusting. Your existence is the biggest laughing stock here. “

Su Nan was very upset, but she didn’t have to go back to it one by one. After sarcasm a few words, she watched Qin Yu waving at her not far away. She glanced casually at the two people in front of her and lifted her leg. go.

And Qiao Wanrou was unwilling to be scolded, and looked at Fu Yechuan’s face from time to time, wanting him to stand up for her.

However, when Fu Yechuan heard the words “marital affairs”, his expression was obviously complicated and gloomy, and his eyes were as black as ink.

He stood there, watching Su Nan’s back disappear in front of him, only then did Fu Yechuan take back his gaze and turn around to leave.

“Ye Chuan...Su Nan, how did she become like this? She seems to hate us being together. It seems that she acted very hard before.”

Qiao Wanrou said tentatively, looking at Fu Yechuan’s reaction.

Just now he made trouble with Su Nan unreasonably, and he was indifferent?

He frowned slightly, and his tone was cold, “What do you want to say?”

Qiao Wanrou was startled, bit her lower lip, her eyes were a little red, “I want to say, maybe what Su Nan said makes sense, we will be misunderstood by others, or... or I will go first Right...”

She knew very well that Fu Yechuan would not let her go first.

First, it was rude to the Su family, and second, Fu Yechuan had no female companion by his side, which would inevitably lead to criticism.

She proposed this just to make Fu Yechuan notice her existence. Compared with the unreasonable Su Nan, she is so considerate...

Fu Yechuan’s eyes were cold, he raised his hand to check the time, his tone Indifferent.

“Okay, let the driver take you.”

After speaking, he turned around and left without even turning his head.

Qiao Wanrou, who was left in a mess at the door, looked terrible.

“Wanrou, come here quickly, my mother is looking for you everywhere...” Fu Yingying waved to her.

Qiao Wanrou ran over like a savior. With Qu Qing and Fu Yingying there, Fu Yechuan wouldn't take the initiative to send her away...

“What's the matter with you, what did you say to my brother, why do you look so bad?”

“It's nothing.” Qiao Wanrou responded with a smile, her face was pale and ugly, how could she say that Fu Yechuan really let her go?

She did not expect that she would lift a stone and hit her in the foot.

Fu Yechuan, who had always been responsive to her requests in the past, actually refused repeatedly.

why?

Everything has changed since she returned from abroad.

...

Chapter 113 Her surname is Su

Chapter 113 She Surnamed Su

The venue was brightly lit, gleaming, luxurious and high-profile. Soon, Su Yifeng went to the main stage in front, and the music stopped abruptly.

Everyone gathered over, knowing that the highlight of the banquet was coming.

Although Su Jin is the actual person in power of the Su Group, with a prestigious reputation, and with Fu Yechuan occupying the north and south business empires, but at this time there is no sign of being overwhelmed, he stands humbly and respectfully, watching his father speak.

“Everyone, thank you for coming to our Su Group's anniversary celebration. Thanks to everyone's support in the past few years, we have been able to sing for the long-term. This cup is to everyone!”

” All in one drink.

Everyone knows that the Su Group has formed an unstoppable momentum now. It is not everyone's support, but the ability of others. Of course, everyone is willing to make a good relationship, and congratulations are endless.

After a while, Su Jin personally stepped forward, poured Su Yifeng's wine glass, and then stood back to his original position.

Su Yifeng smiled, looked at Su Jin and nodded, then looked at everyone. "There is one thing I need to clarify here. I believe that all my friends and journalists are quite curious. Recently, a woman who is

closely related to my Su Group, Su Nan—"

The guests were silent, and everyone knew that, with so many reporters invited, they would definitely not miss this good opportunity to clarify the scandal.

Especially Mr. Fu, his expression seemed to have a hint of understanding and smugness.

How could Su Yifeng let a divorced woman marry his son?

That woman Su Nan didn't know what to do, and this was her end.

Qu Qing and Fu Yingying looked at each other, and they both guessed how miserable Su Nan's end would be!

"Why didn't that woman come out now?" Fu Yingying glanced around, but she didn't see the woman.

Wasn't she still there just now?

Qu Qing smiled and looked like she didn't care: "Maybe they've been kicked out long ago, and the people of the Su family are not fools, so why would they keep a time bomb by their side?"

Su Yifeng glanced at the Fu family. The person with a loud voice continued: "Su Nan is in my Su Group, and signed the annual cooperation project with Juli Group. There is no doubt about her work ability, but her relationship with Su Jin is not what everyone thinks. It looks..."

The venue was very quiet, and Su Yifeng's voice reached everyone's ears.

"Taking this opportunity, I want to introduce Su Nan to everyone." Mr. Fu frowned and raised his

head. Even Fu Yechuan was a little puzzled. The doubt in his heart never dissipated.

Su Yifeng looked at the passage on the left, smiled lovingly, and waved at it, "Come on, Su Nan, come here..."

Everyone watched in shock, the door on the left slowly opened, and inside The light came out, as if a layer of soft light enveloped the woman who walked out slowly.

Su Nan's makeup is exquisite and impeccable, and her long curly hair is draped behind her ears, which is lazy and bright.

She wears a world-class collection of light gray diamond-encrusted long dress, which outlines the slender waist to a perfect arc. The dazzling pink diamonds that are competing under the light complement each other with the valuable necklace, which makes the whole person's temperament even more beautiful. raised to the extreme.

She walked calmly and calmly, with bright and confident eyes in her eyes, a shallow arc evoked at the corner of her mouth, and her whole person's temperament was noble and cool.

Su Nan stepped on high heels, lightly lifted her skirt, stepped forward, stood beside Su Yifeng, without the slightest fear or timidity, she was generous and decent with the rumors on the Internet, she was completely different!

Countless flashes flickered at the moment she appeared, for fear of missing even a second of the picture!

Everyone took a deep breath and secretly speculated how could she appear in such a grand and grand way?

The key is that the arrival of this woman is so bright and dazzling that people can't take their eyes off!

Su Yifeng smiled, looking at her daughter so dazzlingly with satisfaction, this is her way of appearing.

After a few seconds, Su Yifeng looked at the people below, his voice was loud and rich.

"Her surname is Su, her name is Su Nan, Su of the Su Group, Su Yifeng's Su. She is my baby's jewel since I was a child, and my biological daughter!"

...

Chapter 114 The Heir

Chapter 114 As soon as the heir

Su Yifeng's voice fell, the venue was silent, as if struck by lightning, the shock came suddenly!

At the same time, any building outside the venue that can be seen with the naked eye is instantly replaced with a photo of Su Nan on the huge electronic screen. Without exception, people in the whole city can see this building as soon as they look up. one scene.

Whether it is millions or tens of millions, the Su family wants to let people know that the value of Su Nan is unparalleled!

And everyone present showed disbelief.

Especially Mr. Fu, who was standing at the front, his face was as stiff as iron for a moment, and his eyes were dark and surprised.

Fu Yechuan stood there with a shocked expression, complex and suspicious.

Fu Yingying and Qu Qing were not so calm. Qu Qing broke the silence in the arena, her voice nervous and excited, "Impossible, she is clearly an orphan who has no money and no power!"

"Shut up!" Mr. Fu scolded with a dark face.

Su Yifeng himself admitted, how could it be fake?

However, Su Yifeng ignored Qu Qing's gaffe and continued to throw another shock: "Here, I announce that all the shares of the Su Group under my name will be transferred to Su Nan's name, and Su Nan will become the Su Group. The actual controlling person of my company will also be my designated heir."

Boom –

in an instant, Su Nan's identity was turned upside down, not only the daughter of Su Yifeng, but also the heir of the Su Group.

From a woman who was ridiculed by infamy, greedy for vanity, and delusionally wanted to marry a wealthy family, she suddenly became a real wealthy daughter!

This position is simply priceless!

At this moment, the people in the stadium boiled like a frying pan, and even the media reporters refused to let go of this historic moment.

Just when everyone hadn't digested this fact, Su Jin walked to Su Yifeng's side and nodded.

“Everyone...”

Everyone fell silent, there was no doubt that Su Jin was considered to be the person in power of the Su Group.

In the industry, what he said is of great importance, and naturally there is no need to say more.

Su Jin smiled, his expression calm, with a trace of doting.

“In order to welcome my sister Su Nan home, I will donate 10% of the shares in my name to her. As the largest shareholder holding 71% of the Su Group’s shares, Su Nan will transfer from the vice president’s The position directly serves as the president of the Su Group. As a brother, I will always firmly support any decision made by Su Nan. I believe that everyone, like me, looks forward to the future that Su Nan will lead us to create.”

Su Jin’s voice fell, nothing. Different from dropping a bomb in the hearts of everyone, the person in charge of the Su Group just changed?

There is no competition, no gossip about the secrets of the rich and powerful, and no messy battles...

Su Nan stood calmly and calmly, but he was a little surprised. Su Jin didn’t tell her about the transfer of shares in advance, too Suddenly, why did the Su Group suddenly fall on her head?

It was as if a golden mountain had smashed in front of her, and she couldn’t see the top when she looked up.

After the silence, everyone immediately burst into warm applause.

For Su Nan’s return, for Su Jin’s heart...

After the applause, a reporter in the venue couldn’t help but ask, “Miss Su, what do you think of the slanderous rumors about you online? May I ask you and Fu Yechuan Does the husband’s divorce mean the breakup of the Su family and the Fu family?” The

reporter didn’t want to miss this opportunity, waiting for the press conference, he might lose the opportunity.

Fu Yechuan’s black eyes shrank suddenly, he raised his head, and his black eyes stared at the bright and beautiful woman standing above.

Su Nan didn’t dodge, looked at the reporter with a magnanimous gaze, and smiled slightly.

“Please allow me to answer the second question first. When I concealed my identity and married Mr. Fu, it was not a commercial marriage, and it did not represent the attitude of the Su family. To be precise, this failed marriage was a willful act of my own when I was young. As myself, I accept the failure of marriage, and divorce is to correct the right path for the future. As for the rumors that slander me...”

Su Nan curled his lips in disdain, and his eyes swept to the direction of Mr. Fu and Fu Yechuan, raised an eyebrow.

“I think, if I had told my true identity earlier, maybe there would have been a day where I couldn’t argue. But I am also glad that I am Su Yifeng’s daughter, and I can stand here to clarify everything. If it were an ordinary person, it would be really ...”

...

Chapter 115 She is a rich baby

Chapter 115 She is a rich baby

Su Nan silently bent the corners of his lips, and did not go on, everyone already knew it.

This slanderous farce is clearly the Fu family’s bullying!

If it were an ordinary person, it would be impossible for the Jedi to fight back.

With the power of the Fu family, it is easy to make an ordinary person “socially die”!

She’s not that kind, and she didn’t plan to hide it for anyone. Given this opportunity, of course, everyone should know the despicableness of the Fu family.

Mr. Fu stood there, panic hidden under his shocked eyes, and the huge remorse was irreversible.

Su Nan turned out to be the heir of the Su Group!

No wonder, when she married Fu Yechuan, the contacts used by the Fu family did not find any trace of Su Nan’s past. She said she was an orphan, and they could only believe it.

It is easy for the Su family to be able to erase all this!

Divorce is to correct the correct path in the future!

Hearing this, Fu Yechuan frowned slightly, his eyes were as cold as ink, and his heart suddenly sank.

It turned out that marrying him was a mistake in her life path?

“So, is the real reason for Miss Su and Mr. Fu’s divorce because of the third party who intervened in the first place?” the

reporter asked. At this time, everyone remembered a scandal that was bubbling on the Internet when they divorced, and countless sighs sounded secretly. .

Qiao Wanrou’s famous name once appeared among them, and this evening, she came with the Fu family, so the name of Xiaosan was completely confirmed.

I originally wanted to be disgusting about Su Nan, but it turned out to be disgusting to myself.

Su Nan paused, lowered his head and smiled softly.

“President Fu and Miss Qiao Wanrou are such a good match. I will bless them together with everyone.”

At this time, countless eyes were focused on the two families. The words of the reporter and Su Nan made Mr. Fu’s face embarrassed. Even Qu Qing can’t wait to find a crack in the ground to get in. Although she didn’t say it clearly, everyone’s eyes were full of contempt and ridicule.

Is the daughter of the Su Group something everyone dares to think about?

Fu’s married a hidden rich man, and he was almost able to sit on the entire Su’s group, but he was driven away by their own hands, which is really blind!

Standing there, Fu Yechuan’s eyes were as cold as ink, cold and calm, his face was tense, facing everyone’s eyes, he did not dodge, his straight suit was not wrinkled, and he stared closely at the man standing against the background of Ambilight. Su Nan has mixed feelings in his heart.

Under such circumstances, he can still be so calm and steady, with an indifferent and dignified expression on his face, he really deserves to be Fu Yechuan who has gone through the wind and waves!

Su Nan’s indifferent gaze swept over him and smiled lightly, “Don’t mention the unimportant things in the past. I have other surprises to announce tonight.”

Everyone looked back, Su Nan’s voice was gentle and clear, “A few days ago, I hosted a live broadcast. In addition to leaving a welcome gift for the employees of the company and its subordinate companies, there are also many private collections of major brands, bags, necklaces and watches, all of which have not yet been listed in Asia. I hope you don’t dislike it, come and participate in the lucky draw...”

Everyone gasped, how much money did the Su family spend for today's dinner party?

But wait, live broadcast, gifts, private collection, unlisted...

A reporter reacted and couldn't help but asked: "Miss Su, are you just buying things online and buying earth-shattering, throwing money at your fingertips? Is it a 'rich baby' of 100 million?"

Everyone's eyes widened, looking at Su Nan and smiling, she pursed her lips low-key.

"It's just a small gift, because there are many companies at home, and my colleagues have to take it into account. I didn't expect to attract everyone's attention and take up resources. I'm really sorry."

How many branches and subsidiaries under the Su Group, 800 million It's really not too much, maybe it's not enough...

but everyone is shocked and speechless, Su Nan is a "rich baby"!

It is no wonder that the Internet exhausted the strength of netizens, but they were unable to pick out the person behind this name.

800 million packs of goods for the entire live broadcast, and went to the remote control anchor to clean up the goods in Europe. When everyone scolded her for being bloody a few days ago, they had quietly become a wealthy daughter!
