Chapter 1131 Sleep on the street

Chapter 1131 Sleep on the street

at nine o'clock in the evening.

She issued a letter of apology.

But with little success.

Not a word to scold.

Up to now, Xu Yan's endorsements and magazines have successively announced the termination of her contract.

At this time, Xu Yan was kneeling humbly in a villa, crying out of breath.

"Boss, please help me, I can do anything, just suppress the hot search first, otherwise how will I film in the future?" The

potbellied man sitting on the sofa glanced at her irritably and kicked her with one foot open.

"Filming? Just like you, there will be no more scenes to shoot!

I have warned you a long time ago, don't play your temper, sooner or later something will happen, but you just don't believe it, it's alright, someone deliberately wants to harass you!"

That Xu Yan raised her in shock Beginning: "Who? Who wants to harass me?"

"Who else? Whoever wants to harass you if you do anything to anyone, is there a mush in your mind?" The

man glanced at her in disgust.

"A little assistant, how could she..."

Xu Yan looked at him in disbelief.

"Heh... a little assistant? The video was shot by the little assistant. The reason why it has such a big impact is because someone is pushing it away from behind!

I tell you, I have my face gone, so I'll go and say hello to the platform for you. Take off the hot search, and you won't see it!" The

man's breath was unstable, "Think about who you have offended yourself!"

He is also the boss of a real estate company, rich and powerful, and he has a few actors to play Play.

Who knew such a big thing could happen!

Netizens have been clamoring for a thorough investigation of the capital behind it.

Who is capital?

Isn't that him?

Letting things go on, he will take care of the mistress and let his first wife know that it is bound to divorce and divide the family property.

His fault is a certainty. When he is middle-aged, half of the money has to be distributed. Thinking about it makes it uncomfortable!

He wanted to suppress the hot search, but they didn't give him this chance and face at all.

I ate closed doors everywhere, I was exhausted, and I could not protect myself.

This woman Xu Yan usually looks obedient and beautiful, and she has a face when she takes it out.

But looking at it now, it can really kill the popularity!

Xu Yan cried and thought, and suddenly her face stiffened.

"It won't be... it won't be Su Nan and Ningzhi?" The

man's face changed greatly, pinching her face, "Who are you talking about?"

He looked nervous.

Xu Yan burst out crying, lying on the ground humbly hugging his leg.

"Help me boss, I've been with you for so long without a name, you have to help me.

When I was on the set, I said a few gossip about Ning Zhi, and Su Nan heard her. I just wanted to block me, but... but was stopped by Ning Zhi, I thought it was over!" The

man looked at her with an ugly face, and suddenly kicked her away.

“You’re really brave. You don’t know who you would rather know?”

“I...I didn’t know she was there at the time, otherwise I wouldn’t dare!

Besides, I would rather know. It’s one of Su Qi’s girlfriends. With so many girlfriends, how could he care about this one?

“I’m not sure, it won’t take long for me to get tired of it, I don’t want her anymore...” The

man’s face was ashen:

“Fart, I would rather know who doesn’t know in the circle, famously more ruthless than men!

You don’t know what kind of temper Su Nan is?

People like Fu Yechuan have to let her go, how dare you offend them?

I see you have had enough! “

When Xu Yan heard this, she cried even more, she was scared to death...

...

Chapter 1132 Rewards

Chapter 1132

The people on the reward network are so scolded, almost all of her fans are against the water, and the endorsements and drama contracts are all gone. She sees that she has to lose a lot of money. Her acting skills Life seems to come to an abrupt end.

“Go away, cry, don’t say we know each other when you go out, and don’t come to me again, it’s really bad luck!” The

man stood up angrily, his face extremely ugly.

His own career has to look at the face of the Su Group.

If Su Nan knew that Xu Yan’s financial master was him, would his career continue?

He can’t wait to distance himself from this woman now, and he will never be seen again!

Xu Yan was extremely embarrassed, and the image of crying was gone. "I tell you, if you dare to tell others about our relationship, don't blame me for being rude

. No one will pay the mortgage for the property under your name. Just wait and sleep on the street!"

Yeon couldn't catch up.

With the words of a man, Xu Yan was afraid and did not dare to continue chasing her to tear her face.

It happened the next morning.

Xu Yan's agency issued a statement announcing that her contract with Xu Yan had expired, and she gave up her plan to renew the contract. Xu Yan was completely abandoned.

This is something that has never happened in the entertainment industry. The artist was terminated by the company.

Enough to be considered a small earthquake.

The sarcasm came flooding in like a tide.

"I've seen an apology, but I've never seen such a fearful agency..."

"Company: Don't mess with me, it doesn't matter if you mess with me!"

"Company: Who is Xu Yan, I don't know?"

"This The woman's heart is mad, and it's finally over! Celebrate with everyone!"

...

three days later.

Xu Yan had no choice but to issue a withdrawal statement to officially bid farewell to the entertainment industry.

The whole thing is neat and tidy.

When the popularity subsided, Su Nan asked people to gradually reduce the topicality about him.

She didn't want to be a chatter after dinner.

But the most successful thing in the whole thing is the drama that Ning Zhiliu cast.

The drama has now changed a lot of roles, the audience's expectations are very high, and the number of topics and clicks has also reached the expected value.

Not long after, I heard that almost all the actresses in that play were replaced.

Probably Ning Zhi's handwriting.

Su Qi didn't know where to hear the wind, and asked Su Nan about the follow-up.

Su Nan said honestly.

Su Qi happily sent her a red envelope of 200,000 yuan as a reward!

...

Su Group.

Yu Lou came in with the project contract, Su Nan glanced at it, and nodded.

"It's almost time to get off work, you can go back."

Yu Lou nodded in agreement.

Su Nan's phone suddenly rang.

It was Fu Yanni.

She frowned slightly.

pick up.

"Anything?"

"Su Nan, there is a party tonight, would you like to join us for a lively party?"

"No."

Su Nan decisively refused.

Fu Yanni tutted, "You refused so simply?"

"What's the matter?"

Su Nan was speechless, looked at Yu Lou, and motioned for him to go first.

Fu Yanni smiled: "Qin Ming is back, an old friend is back in China, shouldn't it be right?"

"You told me earlier, send me the address, I will definitely go."

Fu Yanni was speechless, "I If you don't come, you will come when Qin Ming comes?"

Su Nan smiled, "If you ask me knowingly, what can I do for you?"

Fu Yanni: "... " Self-

Fu Yanni hung up the phone angrily.

In less than a minute, I still sent the address...

forget it. Su Nan simply tidied up and changed into a light-colored knitted long skirt with a white cape coat. The casual style of daily life makes him look youthful.

After finishing packing, she followed the address.

It is a very secret club, opened by a rich second generation in the circle, and it is a gathering place for many rich second generation.

Su Nan has heard of this place, and Cheng Yi often comes here. It is divided into two areas, the first half is the quiet Qingshui area, and the back is the rest area. To put it bluntly, it is specially provided for those who need it but do not want to be discovered.

She didn't want to come here before.

Fu Yan and Ni Ke really know where to look.

Su Nan silently pressed the elevator upstairs and found the box where he was.

Pushing the door and entering, the loud music inside is deafening, and even the band is performing live.

Fu Yanni danced excitedly on the stage, and the crowd was very lively.

As soon as Su Nan entered, she was a little shocked.

Men and women, there are some familiar rich second-generation, and there are many entertainers in the entertainment industry.

Basically, they have worked with Fu Yanni, and they have a good relationship.

Su Nan found a corner and just sat down when he saw a vague figure not far away, feeling a little familiar.

But the lights flickered, the light and shadow were dim, and it was impossible to see who it was.

Su Nan retracted his gaze and didn't care much.

I poured myself a glass of juice at will, and sipped it slowly.

After a while, the figure stood up and walked towards her.

standing in front of her.

Su Nan paused, and when he raised his eyes, he glanced at the watch in his hand.

The global limited edition, the only one in Asia is in the hands of Fu Yechuan.

She has a deep memory.

Looking up, seeing the person in front of him clearly, he paused in his heart, and sure enough, it was him.

After not seeing him for a few days, Fu Yechuan lost some weight, his whole person looked cold and gloomy, and his eyes darkened.

When he looked down at Su Nan, his eyes were dark and dark, full of indescribable complexity and affection.

Su Nan met his gaze and hurried away.

There is a whirlpool in his eyes, and he will be sucked into it if he looks at it again, and it will be irreversible.

"Mr. Fu is here too?"

She said calmly, looking at the lively band on the stage.

Fu Yechuan looked at her, "Yeah."

Although Qin Ming had a normal relationship with him, but after Qin Ming took over the family's business, he was bound to have some business dealings with Fu Yechuan.

Coupled with Fu Yanni's mediation in the middle, it is not surprising that Fu Yechuan can be here.

It was she who didn't think of it.

Su Nan pursed her lips, she had nothing to say to him, and she didn't want to catch up.

She just stood up, "then drink slowly, I'll find someone."

Fu Yechuan grabbed her arm, "Su Nan, is it so uncomfortable for you to stay with me?"

His voice was hoarse and forbearing. Control your emotions.

He couldn't control his feelings, so when he heard Fu Yanni say she was coming, he couldn't wait to put down the entertainment and rush over.

The moment she saw her, those suppressed emotions burst out instantly.

But Su Nan's calmness made his heart sting.

Su Nan turned back and slowly pulled his hand away.

Her attitude was distinct.

"Mr. Fu, I think I've made it very clear before. If it's business affairs, you can ask Chen Mian to contact Yulou, but let's forget about private affairs..."

She really didn't want to have anything to do with him.

Fu Yechuan felt a pain in his eyes, and his tone became solemn.

"Is it a private matter?"

Fu Yechuan's tone was a little cold, with a hint of playfulness:

"Are you still thinking about Shang Qian?"

It seems that you don't know yet? Shang Qian is about to go bankrupt."

Su Nan looked A stiff: "What did you say?"

Fu Yechuan's tone was extremely cold, and his lips were hooked, his expression was full of disdain:

"Now the whole M country knows that he is going to go bankrupt, but I didn't expect him to hide it from you?"

Su Nan Suddenly, I remembered that they were still talking on the phone yesterday, and texting during the day didn't tell him any difficulties or something was wrong.

But Fu Yechuan didn't look like he was lying.

Her face changed slightly.

There are some bad feelings in my heart.

"He is suspected of manipulating stock prices and trading privately, which has caused dissatisfaction among a large number of investors. Country M has already begun to file a case, and he is facing nearly 20 years of prison.

Su Nan, open your eyes and see clearly, don't be caught This person has been deceived, he is a liar from beginning to end!"

Fu Yechuan suppressed his anger and said in a cold tone.

But Su Nan can't hear anything now.

Her face was very ugly, but she forced herself to calm down.

"Thank you for telling me this news, I'll go back and ask clearly."

Su Nan took a deep breath.

A man walked by with a familiar voice.

"Didn't you say let me catch the wind? Why did you say it yourself?"

Qin Ming broke the awkward stalemate between Su Nan and Fu Yechuan as soon as he came.

He stood there and smiled lightly, his whole person felt like a spring breeze, he looked more handsome and three-dimensional, but with a sense of cynicism.

Su Nan smiled, "I heard that you have returned to China. Welcome back!"

The sound of music was replaced by a melodious and slow dance.

Qin Ming stretched out his hand and looked at Fu Yechuan:

"Mr. Fu, for the sake of my role as the protagonist today, I will take Su Nan away."

Fu Yechuan's face was dark and he didn't speak.

With the steps, of course Su Nan has to go down.

She immediately went over to take his arm and leave here.

Go to the center of the dance floor.

"Don't thank me?"

Qin Ming lowered his tone with a smile.

Su Nan rolled his eyes at him, "Thank you?"

"Thank me for helping you out, otherwise who would dare to steal someone from Mr. Fu's eyes?"

Qin Ming smiled meaningfully.

Su Nan blinked, looked at him, smiled and shook his head.

"After you've been gone for so long, a lot has really happened. I'm afraid Fu Yanni didn't have time to tell you a lot of things, right?"

Qin Ming looked at her puzzled and suddenly thought of something.

"What are you talking about about you and Shang Qian?"

Su Nan raised his eyebrows in surprise, "He told you all?"

Qin Ming smiled.

"There's no need for him to say it, there are only so many places in the whole mall, and a few words are always passed around quickly.

I didn't have time to shoot the variety show in the second season. I went home and took over the company. Fu Ershao I'm so busy dating, I don't have time to tell me this..."

Su Nan thought about it, it was indeed.

I just didn't expect that I was in a secret relationship with Shang Qian, but there were quite a few people who knew it.

Music sounded.

Qin Ming's hand gently wrapped around her waist, and he was very gentlemanly leading her to go inside.

"This reception banquet was proposed by Fu Ershao. There are not many acquaintances, but he is happy."

Su Nan smiled.

Suddenly remembered something:

"By the way, have you heard about Shang Qian..."

Qin Ming interrupted him:

"The economic crisis in country M has limited impact on him, and his capital is fixed in different In this field, the risk is not too big, it's just..."

Qin Ming glanced at her and continued:

"It's just that a few stocks he invested in are suspected of bottom-hunting. It's probably someone manipulating them behind the scenes. It's not fun to find him on purpose!"

Su Nan frowned: "You mean, someone deliberately harassed him?"

"Otherwise? With Shang Qian's experience in Wall Street for so long, how could he fall into such a trap?"

Qin Ming explained calmly , looked down at her:

"But you have really changed. You didn't care about such things before. Could it be that Shang Qian's bankruptcy has any effect on you?"

Su Nan paused and pursed his lips.

“After all, our company cooperates with him. If he goes bankrupt, it will inevitably affect our company.”

Qin Ming: “Is it not because of him?”

Su Nan calmed down and looked up at Qin Ming:

“It’s not that I can’t support. In terms of personal interests, it doesn’t matter.”

Qin Ming’s expression paused and he was quiet for a while.

The music is melodious and far-reaching.

Suddenly he didn’t know what to say.

At the beginning, I took the bud of that little feeling and flew away, thinking that the distance was far away, and I gradually forgot this feeling.

He knew that if he pierced this layer of window paper, he might be rejected, tired, and even unable to become friends with her naturally.

After all, Fu Yechuan’s existence is a mountain standing behind her.

Can’t get over it.

But when he came back, he heard someone say that someone turned over.

That person was no better than him, or better than Fu Yechuan.

He was curious and wanted to see with his own eyes whether it was the same as in the legend.

Although he didn’t see it with his own eyes, but after hearing Su Nan’s answer, he seemed to have seen the picture of two people together.

This feeling, a little pantothenic acid.

The song is over.

Fu Yanni came over excitedly and patted her on the shoulder:

“Finally here, let’s go, there are a few good friends in the entertainment industry who want to meet you...”

Su Nan was speechless. At one glance, Fu Yanni was the most suitable intermediary.

"I'm here to welcome Qin Ming, you'd better entertain those friends yourself!"

Fu Yanni didn't give her a chance to refuse, he took her by the wrist and left.

"It's really annoying. Even if you don't like them, go over and say a few words before leaving. Otherwise, I don't know how many people will say that you are playing a big game!"

He said in a low voice, and Su Nan's refusal became weaker.

Fu Yanni smiled and walked over:

"Our Miss Su is here, but she can't drink. You should be bragging, she promises not to laugh!"

Everyone laughed and gathered around.

Su Nan glanced at it. There were a few people who were very familiar. They were all the directors and guests of the variety show at the beginning, as well as Yang Qian and Zhang Zhang. These two people are considered to be relatively big.

Everyone smiled and walked over, "Miss Su, it's been a long time..."

"Miss Su, are you busy recently? Are you interested in participating in the third season of variety shows?"

"Mr. Su is very busy, director, you Don't hit her, I think it's good to be a surprise guest!"

Su

Nan couldn't help but smiled and relaxed a little.

"If I have time, I will definitely visit the class, so don't miss me too much!"

In fact, she is still very wary of people in the entertainment industry. After all, what she encounters is not a good thing.

But now the atmosphere seems to make her forget those unpleasant things, and the tight strings of her whole body are loosened.

The state suddenly relaxed.

It feels like it's not bad.

“Did you know? It’s Xu Yan who quit the circle some time ago. Recently, I heard that she couldn’t even find a job, so she went to become a model again. As a result, she was excluded from the modeling circle and became a car model again...”

The first thousand one hundred and thirty-six chapters are not the people you hate, but someone started to gossip about Xu Yan mysteriously?

Su Nan raised her eyebrows and raised her ears secretly.

She suddenly didn’t want to leave.

It turns out that listening to gossip is so cool?

“Car model? Why is a movie worth tens of millions before, isn’t it?” Another person echoed.

“She was so miserable at the beginning that she lost all the money she made to her partner. She even sold the house under her name. Of course, she was short of money!”

“I heard that there is a gold owner behind her? Why didn’t she help? Is it because of her?”

“Don’t you know? The gold owner has a family and a business, and his wife is very powerful. Since this woman’s accident, he didn’t dare to contact him for fear that it would affect him.

Besides, a mistress, Everyone is shouting, and now there is no usable value, of course, I don’t take it seriously.

She is desperate, and half of the credit is due to the careful eye of the original wife!”

Su Nan listened secretly, took a sip of juice, and picked raised his eyebrows.

It turns out that she is still so miserable.

Then she felt more relieved.

Yang Qian walked over silently and sat beside her.

He said in a low voice that only two people could hear:

“Miss Su, thank you.”

Su Nan raised her eyebrows and turned her head to look at her.

Yang Qian clenched her glass nervously:

“I went abroad to meet my daughter a few days ago. She is well taken care of. Thank you very much.”

Su Nan lowered her eyes and smiled.

“You’re welcome.”

Yang Qian took a deep breath:

“After a while, when my new drama is finished, I plan to participate in a parent-child variety show to officially introduce her to all fans.”

“Don’t plan to hide it?”

“No, I went to see her last time. She was so sensible that she saw someone beside me and didn’t dare to call me ‘mother’, a child is so brave, let alone me?”

Su Nan smiled, if that’s the case, then She quite admired Yang Qian’s decision.

“Then I wish you good luck.”

“Don’t worry, even if I’m being scolded to death, I’ll endure it, anyway, I’ve made enough money to spend!”

Yang Qian took a deep breath.

Seeing someone coming, she quickly put down her glass and left.

Qin Ming came over with a glass of red wine, “So hilarious? Add me?”

Everyone laughed and went over to clink glasses:

“Young Master Qin is now President Qin, so don’t miss us in the future!”

“That’s right, Young Master Qin is welcome back!”

“Young Master Qin, come to participate in the third season of variety shows. Your previous performance was too good. Without you, the ratings would not be as good as before!”

...

“Let’s let Young Master Qin go, after all, they are still waiting. Inheriting the family business and becoming a billionaire...”

Fu Yanni smiled to excuse him.

Qin Ming stroked his eyebrows and smiled helplessly.

Then he looked at Su Nan, “Miss Su, someone seems to be looking for you at the door.”

Su Nan raised her eyebrows and stood up.

It just so happened that the gossip was almost over, so I couldn’t delay any longer.

“Then I’ll leave first.”

Su Nan smiled and stood up and left.

Qin Ming followed and took a few steps, “It’s a woman, I hope it’s not someone you hate.”

Su Nan raised her eyebrows, and when she turned a corner, she saw a figure standing at the door.

Leng Lin.

She was slightly taken aback and looked back.

Fu Yanni was still drinking with his friends excitedly, and he didn’t notice anything.

Su Nan looked at Qin Ming and asked again:

“Are you sure, you are looking for me?”

Qin Ming nodded, “Of course.”

Su Nan paused, “Thank you.”

Qin Ming nodded, did not follow, someone came over After greeting him, he left.

Su Nan walked to the corner and suddenly stopped...

Looking at Leng Lin standing there, wearing a warm coat and boots, the whole person looks a little haggard, but also slightly fat.

“Long time no see.”

Su Nan smiled and walked over as if nothing had happened.

Leng Lin also twitched the corners of her mouth, her smile pale and feeble.

“Miss Su, I hope it won’t disturb you.”

Su Nan nodded, “Of course not, you can contact me at any time, but are you sure you’re looking for me, not Fu Ershao?”

Leng Lin shook her head, her eyes narrowed. There was a gloom in it.

Su Nan’s heart skipped a beat, subconsciously feeling that something might have happened to the two of them.

Leng Lin took out a document from the bag she was carrying at all times and handed it over:

“I really don’t have the face to go to the Su Group to find you. I know from others that you will be here today, and I specifically want to give you this thing.”

Su Nan took it, opened it, and was stunned.

It is a company dissolution agreement.

Su Nan frowned, his face changed slightly.

“What do you mean? Isn’t this your hard work?”

Leng Lin hooked her lips and smiled bleakly:

“Yeah, hard work, but it’s unnecessary in the future.”

She took a deep breath, her eyes sparkling with crystal clear eyes. Light, afraid of tears falling, and quickly lowered his head.

cowering in his coat like an ostrich.

“It was you who gave me the money and gave me the courage to start over. You found resources, opportunities, and people to buy me. Almost everything I have came from you. To be honest, I have come to this point. The person I feel most sorry for is you.”

Leng Lin paused and choked for a while.

Su Nan looked at her calmly:

“Did something happen? You can tell me and I can help you.”

Leng Lin shook her head and sighed.

“I’m pregnant, and it’s really inconvenient to go out to work in the future. Not everyone can be a strong woman.”

Su Nan looked at her in shock, “Pregnant?”

She looked back at Fu Yanni subconsciously, but she forgot that there was a wall separating her. write.

Leng Lin: “It’s not Fu Yanni’s.”

Su Nan was even more shocked.

“It’s Lu Qi’s.”

She whispered, biting her lower lip.

“Fu Yanni and I are over.”

Su Nan didn’t react. I heard that she and Fu Yanni were doing well a few days ago. Why did she become pregnant with Lu Qi’s child in a blink of an eye?

Her eyes looked down unconsciously, Leng Lin’s stomach didn’t have any curvature, but she seemed to feel that there was a child inside.

I didn’t know what it was like for a while.

“Miss Su, I’m disappointed. Not all restarts will have a happy ending. Maybe my life is like this. I’m going to remarry Lu Qi soon...”

She paused, His eyes turned red involuntarily, but he suddenly smiled.

“I told those women who were hurt on the show not to be stupid again, but to look forward. It’s ridiculous to think about it now.

My own feelings are in a mess, and I’m no longer qualified to do anything for others.

I’m sorry, let you Disappointed.

The company announced its dissolution without even taking back the money. I have already packed everything, except for the dismissal fee for the employees, the rest can be exchanged for money, which has been credited to your card. “

Su Nan frowned and looked at her, not knowing what to say for a while.

“Those are your hard work, I didn’t pay anything, just keep it for yourself.”

She knew that Leng Lin might have difficulties, but she couldn’t ask.

Leng Lin couldn’t say anything.

The atmosphere froze for a while...

...

Chapter 1138: The bleak ending

The bleak ending of Chapter 1138

“Miss Leng, no matter what your choice is, I hope you are all well.”

Su Nan sighed: “If you need help, you can come to me at any time.

” Otherwise, she didn’t feel that Leng Lin was useless, she just felt sorry for her.

Although the two of them are both standing on the same angle, but the way of dealing with things is completely different.

Su Nan has the confidence and the capital to fight against Fu Yechuan’s power.

But what about Leng Lin?

In Lu Qi’s eyes, her efforts are only pediatrics.

Lu Qi moved her fingers a little, and she could be saved from redemption.

This is also the reason why Su Nan pity her.

She is very willing to help her, but the premise is that Leng Lin has made up her mind.

Right now, she is pregnant with Lu Qi's child, so it's a little unclear to whom her feelings are swaying...

Su Nan didn't continue to ask, and Leng Lin didn't seem to want to say more.

"Thank you, I will. You have always been enviable. No matter when, I hope Miss Su is all right."

After Leng Lin finished speaking, she smiled, took a deep breath, turned around, and left slowly.

Su Nan watched for a long time, until he could no longer see the figure, then sighed and turned around.

When she turned around, her body froze slightly.

Fu Yanni didn't know how long he had been standing at the door, leaning against the wall.

He no longer has the excited look inside, and his whole person is like a lost dog.

Even the eyes are red.

He was tall, but he was lazy and lacked the slightest strength.

Su Nan was silent for a while, not knowing what to say.

She walked over and looked at him.

"See?"

Fu Yanni raised his eyes slightly, his eyes were full of red blood.

The two of them were friends through adversity, and no matter how dangerous they were on that Savage Island, they had never seen Fu Yanni so lost.

It turned out that he would also despair?

When they were together at the beginning, it was vigorous, and I wish the whole world could feel their happiness.

Right now, the hastily ended, feeling more desolate.

Fu Yanni curled the corners of his lips, the corners of his eyes drooped again, he turned to go in, and Su Nan grabbed him.

“Fu Yanni, this doesn’t look like you I know. Why do you want to let go of the person who got it? Don’t you like her?”

She didn’t feel like she said it, and her voice was a little irritable.

The two of them clearly did not let go.

But they are still torturing themselves.

Why not go for it?

Su Nan really hated it, but she had no position to accuse Leng Lin, so she could only ask Fu Yanni.

Fu Yanni’s back froze.

Looking back at her, a deep sadness flashed across her eyes.

“Su Nan, she has never forgotten Lu Qi. She hates him, but she also loves him. She started a new relationship, which didn’t make her much better, but only added to the burden.”

Su Nan was caught off guard. , looked at him unexpectedly.

Fu Yanni laughed at himself:

“So, she let go of my burden and decided to let go of her past hatred and reconcile with Lu Qi, who had long lost her way.”

Su Nan hesitated: “That child, Is it really Lu Qi’s?”

Fu Yanni nodded, his face lost:

“Yes, I might really have no fate with her, Su Nan, forget it.”

There was a bit of desolation in his tone.

Su Nan was silent for a while, without saying a word, he turned around and pushed the door in.

Su Nan pursed her lips, feeling complicated and uncomfortable.

Knowing so many things in one night is really hard to digest.

She pushed open the door and went in, without caring about anyone else, just took her own things and left...

parking lot.

She was about to get into the car when someone suddenly grabbed her hand.

Su Nan looked over, Fu Yechuan didn't know when he was waiting here.

"Why are you here?"

"I want to talk to you."

Fu Yechuan looked at her, his body was straight and slender, three-dimensional and straight, but his whole person had a gloomy chill.

Su Nan paused, "Fu Yechuan, are you still not clear? There is no possibility between us..."

Fu Yechuan gritted his teeth:

"Lu Qi and his ex-wife had such an ugly fight back then, we can start over. , why can't we?"

"I won't comment on what kind of person Miss Leng is, but I would never make such a choice."

Su Nan's tone cooled down slightly, "Fu Yechuan, I am different from others, I am Never go back."

Fu Yechuan's face gradually turned blue.

She broke Fu Yechuan's hand inch by inch and looked at him indifferently.

Fu Yechuan was stung by her indifference, and his reaction suddenly became violent.

He grabbed her wrist and pressed her to the car, using some strength in his hand unconsciously.

"Su Nan, what do you want?"

He said in a clear voice, suppressing his emotions faintly.

“What’s so good about Shang Qian? The whole businessman doesn’t like him, how many good days do you think he has?

He can’t protect himself, can you take your mind back?”

Su Nan couldn’t resist him at all. strength.

She glared at him angrily:

“What does it have to do with you? Fu Yechuan, whoever I’m with has nothing to do with you!”

Fu Yechuan was irritated by this sentence, his whole body was tense, and his eyes were red and bloodshot.

He took a deep breath, squeezed her chin, and kissed her hard.

Su Nan turned his face away for a moment and tried his best to push him.

But the harder she tried, the more stable Fu Yechuan became, and he didn’t take her struggles seriously at all.

He pressed her like a boulder, ignoring her struggles, and crushed her lips almost vindictively.

The aroma of wine on his lips was mellow, and he didn’t know how much he had drunk, with a strong drunkenness.

Su Nan’s strength seemed to be taken away, and he was relieved in an instant.

Fu Yechuan found an opportunity to hold her tightly in his arms, as if this would make her change her mind.

But suddenly, he felt a chill on his face, and he let go of his hands stiffly.

Su Nan’s tears were like hot flames, scalding his heart.

Every drop of his blood stopped flowing, and it was stiff.

His eyes were shocked, watching her tears flow, but his eyes stared at him indifferently.

At that moment, he felt his heart stop beating.

Fragmented inch by inch.

Su Nan's tone was cold: "You want to turn me into someone like Lu Qi's ex-wife? Do you think you can come back to you when you're pregnant?"

She pressed step by step, her tone extremely indifferent.

Fu Yechuan's face was tense and he didn't speak.

Silence represents his despicable inner

right!

Lu Qi succeeded, so he wanted to follow suit.

Even in a dirty and despicable way, as long as she can return to his side, he is willing to be hated by her.

He couldn't stand her being around other people anymore, she smiled at them.

That feeling is as uncomfortable as a heart attack.

But now, Su Nan saw his thoughts at a glance and pierced that layer of window paper.

He suddenly retreated, is such a despicable self worthy of her?

Can Su Nan be the same as Lu Qi's ex-wife?

Chapter 1140 She 's not right

in the quiet parking lot.

Quietly, the sound of a needle falling to the ground could be heard.

Su Nan glared at him angrily, his expression indifferent and alienated.

Her voice, every word, pierced his heart like a needle.

"Let me tell you, if you dare to use force against me, I will jump downstairs when I am pregnant, and I will never keep your child. Stop dreaming!

Fu Yechuan, I will never be forced by others. Do something I don't want to do.

If you dare to hit me, we'll die!"

After Su Nan said a few words, she felt that she had exhausted all her strength.

She slammed the door open, got in the car, started the car, and drove out.

Fu Yechuan stood there, his lips moved, and he was suddenly discouraged.

The phone rang.

Lu Qi's voice came over:

“Old Master, how is it going? I didn't disturb you, did you? Did you take it away?

Don't forget, put some medicine in the wine, Su Nan can still cooperate, wait. Once the raw rice is cooked, your journey will be much easier...”

Fu Yechuan closed his eyes and hung up the phone indifferently.

He kicked the car next to him, and the million-dollar car fell into one piece...

He couldn't do it.

Can't see her crying and be indifferent, let alone cry and say she hates him but calmly powerless.

He conceded.

But that doesn't mean he gave up.

...

Late night, not much traffic.

Su Nan stepped on the brakes on the road and drove quickly on the road.

Her heart was beating violently, she didn't expect Fu Yechuan to be hard on her.

Want to turn her into the second Leng Lin?

Heh...

not possible!

If he dared to touch one of her fingers, she would make him unhappy for the rest of his life!

The phone on the side suddenly rang.

The name displayed on the car screen: Shang Qian.

Su Nan blinked, and suddenly felt that her nose was sore, and she was very aggrieved.

She picked it up casually.

“I’m so sorry Su Nan, I had a meeting today, and I just took time out. Are you having a good time today?”

Shang Qian’s voice was extremely warm, like the tone of chatting with her during countless ordinary days and nights. Same.

Although they are separated by geographical gaps, there is even a time difference.

But Shang Qian never forgot to contact her for a day, and he always found time to send her a WeChat call to greet her every day.

Su Nan felt sour in his heart and endured it.

Thinking of Fu Yechuan and Qin Ming’s words, Shang Qian himself should be in trouble, but why didn’t he tell her at all?

Because you don’t think it’s necessary?

Or are you afraid she will think too much?

A series of thoughts entered her mind, and Su Nan slammed on the brakes.

The violent voice made the person on the phone silent for a few seconds.

“Are you driving?”

Su Nan slowly parked the car on the side of the road.

She forced herself to calm down.

“Well, do you have something to say?”

Perhaps feeling that something was wrong with her, the other party fell into silence.

“Are you angry?”

Shang Qian said again, as if he had changed to a quieter place.

“What happened?”

Su Nan took a deep breath, looked up, and tears flowed back to his eyes again.

“It’s okay, forget it, I’m too tired tonight, I have to go back to rest, if it’s okay, I’ll hang up?”

Shang Qian was silent.

“Okay, be careful on the road and pay attention to safety.”

Su Nan answered and hung up the phone.

She didn’t go back to the apartment, but went directly to Su’s house.

She doesn’t want to be alone.

Tonight, there are too many bad things, she seems to need a sense of security!
