Chapter 1161 The light bulb of the two-person world

Chapter 1161 Bulb

Su Nan and Shang Qian, two people in the two-person world, went to eat. Just as they sat down, the waiter came over.

“Miss Su, Mr. Su is in his box and invites the two of you to have dinner together.”

Su Nan was taken aback, then blinked, “Who?”

Which Mr. Su?

The opposite Shang Qian was also slightly stiff, and his eyes were rarely nervous.

“Su Jin, Mr. Su.”

Su Nan glanced at Shang Qian silently.

Coincidence?

Such a coincidence!

The box where Su Jin is located is the box with the best angle here. You can see the situation outside at a glance, but the outside can't spy on the angle inside.

When Su Nan and Shang Qian came in hand in hand, he immediately invited them over.

Wen Xiang, who was beside him, smiled helplessly, “Why is this? Su Nan is just having a meal with friends...”

Su Jin's expression was dull and his tone was cold.

“Since we met, let's eat together. We didn't start eating anyway.”

“But you are clearly jealous that someone robbed your sister?”

She finally started a new relationship, don't scare people away. It's over!”

Wen Xiang reminded lightly.

Su Jin frowned and snorted coldly.

“That means he’s unreliable, it’s better to run!”

Wen Xiang: “...”

Su Nan and Shang Qian sweated in his heart.

The next second, someone knocked on the door.

Without waiting for the person to speak, Su Nan pushed the door and went in.

“Brother, you and sister-in-law are here in a two-person world, and you even asked us to come over as light bulbs?”

Shang Qian followed him in, and greeted warmly with a smile.

Wen Xiang smiled and said, “Xiao Wu, I haven’t seen you for a long time, I told your brother that I really miss you, but he happened to see you, but I didn’t expect to call you directly and disturb you. I’m really sorry to have dinner with your friend.”

Su Nan smiled at Wen Xiang, “That’s ok, my sister-in-law wants to see me, I’ll show it to you anytime!”

Su Jin snorted and was speechless. She glanced.

What hypocritical two women!

Wen Xiang and Su Nan glared at him involuntarily.

Shang Qian spoke from the side and made a relief: “Then I’ll disturb you.”

“Please take a seat.”

Wen Xiang smiled and greeted Shang Qian intellectually and elegantly.

Su Nan sat opposite Wen Xiang, and Shang Qian sat opposite Su Jin, and at one point felt that the atmosphere was really awkward and subtle.

Fortunately, Su Jin didn’t stand still for too long.

“Mr. Shang just came back from abroad?”

Shang Qian nodded, “Yes, not long after getting off the plane.”

The auras of the two were not tit-for-tat. Although Su Jin had a cold personality, he would also be concerned about the most basic etiquette and decency.

Shang Qian's temperament is gentle and gentle, and he can always make a fortune.

"Just now I talked about the development of President Shang after returning to China. After all, this project was invested by President Shang, and it is also the first time to cooperate with our Su Group.

However, the results of the project belong to the shared share, and many people are now staring at this piece of fat. I will definitely make a fuss on the background of President Shang, and President Shang should prepare in advance."

Su Jin reminded quietly.

Shang Qian paused, "Su Nan has already reminded me about this issue. The results of the project are in country Z. Of course, there is no need to move to country M, and my career will soon shift its focus."

Wen Yan.

Su Jin was slightly startled and raised his eyebrows.

"Mr. Shang doesn't plan to go back to Country M?"

Shang Qian smiled lightly: "Yes, that's the initial plan."

"Why? The business's development in Country M is smooth, and there are much more opportunities on Wall Street than here.

If you move here, if you don't get used to it for a while, you may lose all your efforts..."

...

Chapter 1162 The easy-going brother-in-law

Chapter 1162

Su Jin, the easy-going brother-in-law, looked at him playfully.

Wen Xiang looked at Su Nan and twitched the corners of her mouth.

Both women could hear that something was wrong with Su Jin.

But no one dared to say.

Shang Qian met his gaze without any confusion:

“Difficulties may arise, but everything can be resolved. The person I like is here, and nothing is more important than her.”

His directness made Su Jin smile slightly. stiff.

Wen Xiang was also slightly taken aback, and looked at Su Nan subconsciously.

On the contrary, Su Nan changed the directness of the past, lowered his head and did not speak, and ate seriously!

Shang Qian’s reason, really can’t fault it.

Su Jin also seemed to realize the delicate relationship between them, and did not continue to ask the truth.

Just glanced at Su Nan lightly, and then withdrew his gaze.

Smile:

“Let’s eat.”

Su Nan secretly sighed in relief.

A meal looks relaxed and comfortable, but Su Jin and Shang Qian go back and forth, and they always feel a little dull if they can’t do business without it.

Fortunately, it will end soon.

After Su Nan finished eating, she went to the bathroom to touch up her makeup.

Wen Xiang also went there together.

“Xiao Wu, your brother really cares about you, don’t look back and be angry with him...”

Su Nan smiled, “Of course I won’t, my father is afraid of anyone who dares to provoke my brother’s temper. He!”

Wen Xiang: “But although President Shang doesn’t seem to be able to pick out any faults, he still has to get along and have a look. Don’t be impulsive, so as not to regret it later.”

“I know, sister-in-law, you are all for my own good, but I think he can be trusted. You can go back to China for my brother, and so can he, and I trust my intuition.”

Su Nan looked at Wen Xiang and smiled . .

Wen Xiang nodded. From the conversation, she already understood Su Nan's determination and position.

She feels good about Shang Qian, but her feelings are useless. Who made Su Jin's heart not buy it at all?

Su Nan was injured once, and everyone in the Su family had to protect her. Everyone was afraid.

...

When they went back, Su Jin and Wen Xiang had already left.

Shang Qian was still waiting for her in the box.

Su Nan took the phone to check the time, "Are you nervous?"

Shang Qian raised his eyebrows, "It's okay."

"My eldest brother is a relatively easy-going person. If you get in touch more, you will get to know him. He is not serious at all. "

Shang Qian twitched the corners of his mouth.

easy going?

He was tense all over the meal, even if he had been in the capital circle for so many years, so many bigwigs in the capital circle would respect him when they saw him.

But facing Su Jin, he couldn't hold it up at all.

After all, he is the future brother-in-law.

Shang Qian didn't show anything on his face, he just smiled lightly:

"Yeah, that's what I think too."

Su Nan happily took his bag and went out with him, when suddenly Du Yan called.

She picked it up with a sigh of relief.

"I'm going to Huaying Entertainment. If you're tired, go back to rest. I'll go back to the apartment at night."

Although Shang Qian didn't part with her so quickly.

But he had to admit that his body was indeed a little tired after so long on the plane.

After thinking about it, he nodded.

"Okay, I'll take it there, and then go back to rest."

Su Nan: "No need, I'll just have a driver to take me."

Shang Qian smiled helplessly: "Give me a chance to show, can't I baby?"

Su Nan paused . . . , muttered, "Okay then."

It turned out to be a car, Shang Qian became the driver...

And the real driver sat in the back, and Su Nan sat in the co-pilot.

...

Chapter 1163 Undressed

Shang Qian had to be her driver.

The real driver sits in the back...

this scene is so weird how it looks.

The driver still doesn't understand why Shang Qian wants to rob him of his work?

He is a driver and sits in a position where the boss can only sit.

It's like sitting on pins and needles.

Su Nan glanced at Shang Qian subconsciously.

Shang Qian could only helplessly act in front of the driver.

If I had known, he would be less obsessed with being a driver.

She couldn't even hold her hand.

At the entrance of Huaying Entertainment, Shang Qian stopped and Su Nan got off.

The two said goodbye to each other, and Su Nan turned around and went to the company.

Du Yan had asked the people around her to greet her at the door, and as soon as Su Nan entered, she went straight upstairs.

Seeing her come in, Du Yan hung up the phone with a smile.

“Just in time to see Sun Haoyang’s latest achievements, let’s go?”

He led her out.

Su Nan was puzzled, “Results?”

Du Yan couldn’t help but smile:

“The editor-in-chief of Viola magazine came to me two days ago and said that he wanted to invite Sun Haoyang to shoot the cover. You know, their magazines are literally global. The vane of the fashion index.”

Su Nan couldn’t help but be shocked: “Really?”

“Even I don’t believe it, I have always built Sun Haoyang on the power faction, who knows that the idol faction will find him, but since he is a Good opportunity, I didn’t say no.

They’re in the studio right now, let’s go and see?”

Of course it can’t be missed, after all, she has never seen how the cover blockbuster was shot?

Curiosity was immediately piqued.

She nodded immediately, and Du Yan took her there.

in the studio.

The staff worked one after another, but the atmosphere was a little quiet, and even their voices were deliberately suppressed.

Immediately came the sound of snapping pictures.

“You shouldn’t be so stiff, won’t your bones be a little softer?”

“Sun Haoyang, will you be able to shoot?”

“Pull your clothes down a little bit, as I said earlier, just take off your pants. What ink marks are you, a big man?”

...

Su Nan heard the voice and walked over, and couldn't help frowning slightly.

Even Du Yan's face changed.

He was open to these things, but it was the first time that Su Nan saw it...

If Su Qi knew that he took his precious sister to see something unsightly in the circle, he would not kill him when he turned back. he?

Just as he was about to open his mouth to find an excuse to send Su Nan away, the photographer acted as a demon again.

“Can you take pictures? A big man can't even take off his clothes?”

Those big-name celebrities are better at taking off than you. If you don't want to take pictures, get out!”

Du Yan looked at Su Nan's face turning green, and hurriedly scolded :

“Who should get out of here? This is my site!”

When everyone saw the big boss coming, the atmosphere relaxed for a moment.

The photographer came over and smiled.

“Mr. Du, just kidding, work needs, nothing else, just want Sun Haoyang to cooperate a little bit, you see, our editor-in-chief is still waiting here, of course, we are optimistic about Sun Haoyang's potential... .”

Su Nan's face was slightly cold:

“Do you have a background in making pornographic films in your magazine?” The photographer's face changed immediately.

“You...” When

he saw that the person standing beside Du Yan was Su Nan, he held back the swearing words.

“Miss Su...”

Su Nan glanced at Sun Haoyang, who was standing there a little bit at a loss, and said calmly:

“Take a break and relax.”

Sun Haoyang nodded, and the assistant on the side immediately handed over the towel and water.

...

The first thousand one hundred and sixty-four chapters of art have no lower limit

Chapter 1164: Art Without Limits

The photographer looked at Du Yan’s face, and knew that the person who offended him the most was Su Nan.

Not to mention that everyone in the Su clan behind her is afraid, even Su Nan’s third brother Su Qi, whose status in the circle is no one dares to provoke.

“Miss Su, you don’t know the doorway here, we have no other intentions, we just want Sun Haoyang to enter the state quickly...” The

photographer looked at Su Nan nervously.

Su Nan hooked his lips and sneered.

“I don’t understand your professional affairs, but some people do. You have to take off your clothes and take pictures. You know better than me

. The consequences, you know better than me...” The

photographer suddenly paled, “No...no meaning.”

Seeing the stalemate here, the editor-in-chief Viola came over, the woman was mature, but her posture swaying, dressed in fashion and charming, at least ten years younger than her actual age.

“Miss Su, this photographer is the most qualified photographer in the industry. Many blockbusters are from him. His artistic attainments in photography can be said to have reached the pinnacle.

Many artists are scrambling to reserve his time. You must trust his professional ability outside.”

Du Yan coughed and introduced to Su Nan:

“This is Viola’s editor-in-chief, Miss Zhang, who asked Sun Haoyang to shoot the cover.”

Su Nan looked towards At the same time as her, Editor-in-Chief Zhang had withdrawn his jealous gaze in time.

According to her many years of experience, Su Nan’s attitude and temperament are perfect and unique. If she can sign her, there is no doubt that it will be a cash cow.

She doesn’t have to do anything, just standing there is enough to attract everyone’s attention.

Every woman would be jealous of such Su Nan, who combines beauty, wisdom and perfect family background.

What is there to regret?

Editor-in-chief Zhang looked at Su Nan with a smile, elegant and charming:

“It’s a pleasure to meet, Miss Su.”

Su Nan nodded and smiled politely.

“Editor Zhang, thank you for your love for Sun Haoyang, but the way you shoot, do you do this for all the artists, or just for Sun Haoyang?”

Su Nan asked bluntly, asking Editor-in-Chief Zhang to talk to him about it. The photographer was slightly taken aback.

The first-line big names and the artists who are vying for their cover are of course treated differently.

Just... can this be said directly?

I am afraid that if she says it, Su Nan will immediately turn her face.

Editor-in-chief Zhang looked at Du Yan, he didn’t mean to help, he smiled and looked at Su Nan:

“Of course it’s the same.”

Su Nan raised his eyebrows:

“So, you have a lot of nude photos of artists in your hands. ?”

Editor-in-chief Zhang and the photographer’s expressions changed immediately.

In this case, it is tantamount to pushing their cover to a dead end.

Everyone will doubt whether the photographer will take the undressed photos of the artist in all directions when shooting.

Those first-line big coffees are naturally not at their mercy.

But those second- and third-tier artists who are moving step by step towards the front line have basically not let go.

If this news spreads, it will definitely cause an uproar in the entertainment circle.

They looked at Su Nan, she smiled very calmly, but everyone could feel her indifference.

“Miss Su, of course things are not what you think, art is a pursuit...”

Editor-in-chief Zhang wanted to use some professional term to fool her.

Su Nan glanced at him, “Are you proud of pursuing art without limits?”

...

The first thousand one hundred and sixty-five chapters do not shoot

Chapter

1165 Su Nan’s voice is neither loud nor low, but it is not deliberately suppressed.

Many people around heard Su Nan’s voice.

Everyone felt extremely happy.

Relying on its status in the circle, Viola magazine has divided artists into three, six and nine categories, which has spread in the industry.

It’s just that their sales and feedback have been very good, and they are very popular with fans. After each filming, there will be a wave of publicity for the artists who are filming, and the artists will get more benefits from it.

Therefore, many people want to be on their cover even if they break their heads, and even if they look down at the editor-in-chief and the photographer, they will never leave easily.

In this way, their arrogance is further fueled.

And Su Nan's words directly pierced their fig leaf.

Like hitting them in the face, a hot slap.

Simply and loudly.

The mockery without the slightest scruples sounds really cool!

Hearing Su Nan's words, the photographer and editor-in-chief Zhang immediately shut up.

Don't know how to explain it.

Du Yan, who was beside him, coughed.

"Su Nan, their magazine is inherently sexy. Maybe something went wrong with the filming. I think everyone should give in.

Sun Haoyang's filming continues, but don't be so rigid, it's almost done.

He originally wanted to Prepare for the endorsement of the Su Group, if such a photo spreads, how much will the Su Group lose?

Not to mention that he may not be able to get along in the circle, and you will be implicated in the future!"

Editor-in-chief Zhang immediately nod.

"Okay, just as President Du said, I'll have the photographer prepare to shoot again..."

Su Nan paused.

"No need, Sun Haoyang won't be participating in this magazine's filming anymore, you guys can go back."

Her tone was cold and finalized.

There is no room for negotiation with others.

It's true that they took the initiative to photograph Sun Haoyang.

But with Sun Haoyang's coffee position, Sun Haoyang should be grateful to Dade for getting this opportunity.

Did you expect to be rejected like this?

Suddenly, Editor-in-Chief Zhang's face was a little ugly.

"Miss Su, maybe you don't know much about this market. Our magazine is the best stepping stone to enter the fashion circle. How many artists are jealous of this opportunity, don't you ask Sun Haoyang what he means?"

Su Nan glanced at her. Then he looked at Sun Haoyang, who was resting on one side.

Sun Haoyang didn't hesitate:

"I listen to Miss Su."

Editor-in-chief Zhang's face was even more ugly.

The photographer couldn't help but gritted his teeth and gave a cold snort:

"But after taking a picture, you have made yourself a first-line celebrity?"

Well, I think besides us, which magazine will you be on the cover of?"

Editor-in-chief Zhang hooked Lip, although they didn't dare to offend Su Nan, they had nothing to do with Su Nan.

With his network and status in the circle, it is still possible for all magazines to reject Sun Haoyang.

"If that's the case, then listen to Miss Su! If you

don't take pictures, don't take pictures, but we will inform the fans of the result of the substitution." To

put it bluntly, they will announce the news of the temporary substitution.

At that time, it will inevitably cause gossip discussions in the circle.

At that time, there will be some things that Sun Haoyang plays with the capital behind him and does not cooperate. With the black and white blurred, Sun Haoyang will stop thinking about turning over.

Editor-in-chief Zhang simply said goodbye, and let people leave the studio with things.

Du Yan sighed aside.

Su Nan glanced at him with a cold tone:

"Think I'm too impulsive?"

Du Yan pinched his brows:

“I probably shouldn’t have brought you here.”

Su Nan: “Fortunately you brought me here, your analysis is correct, Sun Haoyang’s His words and deeds represent the image of the Su Group. He must not have any stains on his body. He must rush out of his own black material.

Otherwise, all our previous efforts will be in vain!”

Sun Haoyang has already Putting on his own clothes, he walked over:

“Miss Su, don’t worry, even if I don’t shoot the cover, I will still film well. The paparazzi have been watching closely recently, and I will pay attention to my private life.”

Su Nan nodded, and Sun Haoyang Very good, she is very satisfied with this.

“Okay, don’t worry about the cover, I will contact others again.”

Sun Haoyang kept his bottom line and did not submit to the photographer’s unlimited requirements like others, which has refreshed Su Nan’s understanding of him.

Rare.

Sun Haoyang’s assistant came over and took him away.

Su Nan and Du Yan also left the studio and returned to the office.

The people who stayed finally couldn’t help but sigh:

“Miss Su is really too sassy. When she hits that old woman, she is like a fairy!”

“Yes, who doesn’t know what the old woman is up to? Seeing that Sun Haoyang is so bullying, do you want to hide the rules? Don’t even look at how old you are, you can be a ****!”

“Fortunately, Miss Su arrived in time, otherwise, I was still worried just now, what should I do? At the end, the photographer obviously listened to Editor Zhang’s words and deliberately embarrassed Sun Haoyang.”

“That’s right, first take off the psychological defense line of defeating the artist, then use the resources in the circle to tempt, and then follow the unspoken rules logically. I don’t know how many times I have used such a routine...”

“All in all, Su The goddess is the one and only goddess!”

...

in Du Yan’s office.

Su Nan sat on the sofa, drinking coffee calmly and gracefully.

Du Yan’s eyebrows were a little impatient:

“Su Nan, this cover is really hard to come by. In fact, it’s okay for artists to suffer a little grievance. They

will .

When he becomes popular, his image is very important to the Su Group. I can’t see those illusory black materials...”

Su Nan raised his eyebrows, put down the coffee in his hand, and looked up at him.

“Du Yan, you didn’t see it, isn’t Sun Haoyang unwilling?”

In a word, Du Yan was completely silent.

Yes, they only care about the trade-off between pros and cons.

But Sun Haoyang’s thoughts, no one cares.

For the company, he is a tool that will make money.

Du Yan would not take the initiative to care about what he was thinking.

“If he wants to, he won’t make the photographer angry and yell at him. If he doesn’t want to, he can’t do it.”

Du Yan said helplessly: “These are all jobs, what’s the point of wanting it? This opportunity is very important... “...”

“Mr. Du, some transactions are done in private, that’s what you want and I want, but since you said you don’t want to, you can’t force people to do it on the surface.”

Su Nan’s tone was a little cold. .

She doesn’t say it, doesn’t mean she doesn’t know.

When taking pictures, she saw editor Zhang’s eyes on Sun Haoyang, full of greed and desire, and she understood a little in her heart.

Disgusting!

Du Yan was stunned for a moment, and also noticed that Su Nan’s mood was cold and gloomy.

He pursed his lips, “But now... even if I give him all the resources I can get, few of the covers have Viola’s appeal.

When the announcement of Viola’s replacement comes out, it may be a surprise to Sun Haoyang . more negative impact.”

Chapter 1167 Buy it if you can’t put it in

Su Nan paused, her eyes sank, and she pondered.

“Which is the best cover in the circle right now?”

Du Yan looked at her suspiciously: “What do you want?”

Su Nan took a sip of coffee and pursed her lips:

“If you want to take pictures, take the best pictures. , I don’t like the mess...”

Du Yan: “...”

He didn’t doubt that the Su Group’s ability would be associated with the best magazines.

But the status of others is there, and letting Sun Haoyang, a third-tier male artist, simply lower their level.

Therefore, he is not optimistic about Su Nan’s idea.

It feels a little unrealistic.

However, Su Nan stared at him, waiting for his answer.

He paused and could only speak: “The best magazine in the global entertainment industry is the fashion magazine “VJ” in country M, and it is also the most watched, known as the global compass of the fashion industry...”

Su Nan nodded, “Okay, then this...”

Du Yan’s eyes widened instantly.

“Then this? What do you mean?”

Su Nan blinked, “It’s what you understand, if I can’t put it in, I’ll buy it...”

Anyway, that’s it!

Du Yan’s shocked eyes were about to pop out.

This Su Nan’s words are really not reserved at all.

Buy it...

but look at her posture, as if she can do it.

Du Yan paused, “You should stop thinking about it, there are actually quite a few in the country...”

Su Nan raised his hand to interrupt him, “Okay, that’s it, I don’t think about the rest. “

After speaking, she stood up, took her bag and left.

Du Yan looked at her back and forgot to send her out.

It took a while to react.

He hurriedly called Su Qi, who was far abroad, but couldn’t get through.

He left a message: “Your sister is going crazy, she actually wants to buy “VJ”!”

After a while, Su Qi replied:

“Oh, she’s happy.”

Su Qi: Are the whole family crazy?

It is he who is short-sighted.

He didn't want to talk anymore, so he just turned off the phone.

...

Su Nan returned to the Su Group, and after thinking about it, she called Ning Zhiliu.

She is more familiar in the fashion circle and must know more than her!

The phone was connected, Ning Zhi seemed to have just returned from running the venue, panting:

"Xiao Wu, let's have dinner together at night?"

Su Nan: "I'm afraid it's inconvenient, after all Shang Qian is back, I have to pick up the wind for him... "..."

Ning Zhiliao: "Seeing you, why are you calling me?"

"I want to ask you a question, you are familiar with the fashion industry, do you know "VJ"?"

"Yes, What's wrong?"

"I want Sun Haoyang to shoot the cover, do you have the resources?"

Ning Zhi spit it out without swallowing it.

"Su Xiaowu, focus your attention on the business, don't think about some things."

"Can it work?"

Ningzhi rolled his eyes speechlessly, looking at the blue sky, endless as far as the eye could see.

"I know one of their editor-in-chief, but I'm afraid I don't have such a big face. The

big names in the front line have to make an appointment a year in advance, and a one-year review period is required to ensure that the background of the artist is clean and there is no black material before the shooting process starts.

Like Sun Haoyang's whole body has just been cleaned up a bit, it's impossible to pass the trial..."

Su Nan paused, "Then... I'll buy it!"

Ning I spit out the sip of water I just drank.

Almost choked her to death!

what did she hear...

Chapter 1168

Ning Zhi , the girlfriend who doesn't know anything, coughed for a while.

After calming down, he sighed:

"Su Xiaowu, do something serious, your family's property will be ruined by you sooner or later!"

Su Nan blinked blankly: "Where did this go?"

Ning Zhiliao: "It is also ..."

Anyway, if she is determined to buy it, it is estimated that the Su family will fully support it.

"But don't be impulsive. Although my abilities are limited here, I suggest you find someone who will definitely help you."

Ning Zhi said mysteriously.

Su Nan: "Say..."

"Shang Qian, you don't need such a good resource, isn't it a waste?"

Ning Zhi said it for granted.

Su Nan was puzzled, "What does Shang Qian have to do with this magazine? He is not from the entertainment industry!"

Ning Zhi choked:

"Why do you know nothing about your boyfriend?"

Su Nan: "."

Ning Zhi sighed, took a few sips of water smoothly, stabilized his emotions, and then explained:

“This magazine is not only a magazine for the entertainment industry, but also for finance, technology and current affairs. As far as I know, in their eyes, Shang Qian is simply a sweet pastry. They always wanted to invite Shang Qian for a discussion, but they were all declined.

However, Shang Qian has a good relationship with the editor-in-chief of this magazine, and they were together before. Attending the reception, plus Shang Qian’s foundation is there, and having a good relationship with the media is the most basic skill, and their relationship must be very good.

You might as well go to Shang Qian and try your luck...”

After Ning Zhi finished speaking, Su Nan felt that it was very reasonable.

She simply hung up the phone and was about to get off work.

Yu Lou pushed open the door and came in: “Mr. Su, are you leaving?”

Su Nan: “Finally off work, I’m leaving...”

Looking at her back, Yu Lou couldn’t help but fell into thought.

According to his memory, Su Nan spent no more than two hours in the company today.

Su Nan drove to the garage, went to the private kitchen to pack some prepared meals, and went straight back to the apartment.

Standing at the door of Shang Qian’s apartment, he hesitated.

Although she knew the password of their house, she didn’t take the initiative to go there.

But Shang Qian should still be resting now, she might disturb him when she goes in...

But thinking about the face of the old woman, editor-in-chief Viola Zhang, she didn’t even hesitate, and pressed the password directly.

The big house is clean and tidy, very quiet.

Shang Qian should still be sleeping in the bedroom.

Su Nan didn’t think much, went straight to the kitchen, and put the packed meals on delicate plates one by one.

so pretty.

As soon as the last dish was brought out, I saw a tall and lazy figure standing by the wall, leaning against the wall, with a warm temperament with an unpretentious romantic.

There was a smile in his eyes, and when he looked at him, there seemed to be light.

Su Nan was startled, "Are you up?"

Shang Qian's smile deepened, he walked over, took her hand, and kissed lightly on the back of her hand.

A thousand and one.

"Thank you, these hands shouldn't do these things, you don't need to do them for me in the future."

Su Nan blinked and looked at a table of sumptuous meals.

He seemed to have misunderstood something.

"Sit down first, can you taste it?"

Su Nan calmly and enthusiastically invited him to sit down.

Shang Qian sat down with tenderness in his eyes, as if he could drown people in his eyes.

Su Nan suddenly felt guilty, but did not explain.

Shang Qian is very generous, he eats every dish with enthusiasm, and he has the attitude of eating up everything...

...

Chapter 1169 Is it inconvenient?

Su Nan watched, opened his mouth, and couldn't help but

say, "Eat in moderation, because eating too much will cause indigestion."

Shang Qian paused, After eating the last dish, I slowly wiped my hands with a tissue.

"I just don't want to waste your mind."

His lifestyle is healthy and green, and he hasn't felt like he's been eating for years.

However, he felt like he wanted to be happy.

It's like owning the whole world.

Su Nan smiled, and the two looked at each other. He finally saw a trace of enthusiasm in her beautiful eyes.

He paused and straightened the cuffs of his shirt:

"Is there something wrong?"

Su Nan pursed his lips and nodded.

"The old woman editor-in-chief of Viola wanted to unspoken rules Sun Haoyang, so I gave them up directly.

But now there must be a cover that is more powerful than Viola. At present, I think the fashion magazine "VJ" of M country is more suitable. My psychological expectation.

But when the third brother is not there, Du Yan is quite useless at a critical time, and I can't count on it. I think if it is convenient for you here, can you set up a line? "

Shang Qian looked at her silently, without the slightest inconvenience. Happy, but a faint smile flickered in his eyes.

Su Nan actually asked him for help!

This is a once-in-a-lifetime opportunity!

"Is it inconvenient?"

Su Nan bit his lower lip and asked him tangled.

If it's inconvenient, she can only call Su Qi back!

Shang Qian lowered his eyes and smiled, "It's not inconvenient, I'm happy to help."

As he said that, he took out his mobile phone, found the phone number of the editor-in-chief of the fashion magazine "VJ" in country M, and called.

Su Nan watched calmly.

The call was quickly picked up.

“Shang? I didn’t expect that you would take the initiative to call me. When will you come back, we are looking forward to you...”

The editor-in-chief over the phone was very enthusiastic and familiar with Shang Qian’s attitude.

The two seem to have a really good relationship.

Shang Qian glanced at Su Nan with a smile:

“sily, recommend an artist to shoot your cover, ok?”

“No! You know I hate this way the most, I have to carefully select the artist for each issue. ...”

Shang Qian frowned, just as he was about to say something, Su Nan said,

“It’s not that they have to choose Sun Haoyang, you can help him and ask him whether his magazine is for sale or not. I’ll just buy it...” After

she finished speaking naturally, the people inside and outside the phone fell into silence.

Shang Qian looked up at her slightly, a little surprised in his eyes.

The person on the phone was silent.

“VJ” magazine has a very high status in M country, and it can be said to be the best-selling magazine.

Because of this, it has become the darling of the global fashion industry.

There is no capital behind him, because the global entertainment industry is his powerful capital.

How much money is willing to flow into “VJ”, just to appear in the magazine.

acquisition?

Simply fantastic.

Su Nan paused, blinked, and looked at Shang Qian calmly:

“Say, let him make a price.”

Shang Qian paused, no wonder she was not worried about being rejected from the beginning.

Because of her purpose, she is never afraid of being rejected by others.

If you reject her, you will face bankruptcy.

Miss Su's style!

He was aware of it.

But...how is it so cute?

"sily, did you hear it? Offer a price..."

Shang Qian's voice was low and passed to the other side of the phone.

"Fuck, I thought I heard it wrong just now, but I didn't expect it to be true!"

Chapter 1170 is so easy

Chapter 1170 It's so easy , a

voice came from the phone, and then he said:

"You are crazy..."

Shang Qian calmly waited for him to finish, just about to speak...

Su Nan's cell phone suddenly rang, and it turned out to be Su Qi .

She smiled, it must be Du Yan who told Su Qi, and Su Qi called.

He must have a way.

Thinking about it, she pointed to her mobile phone, looked at Shang Qian, and went to the balcony to answer the phone.

"Third brother..."

Su Qi was stunned for a moment when her delicate and soft voice came over.

"I heard you wanted to buy 'VJ'?"

he said bluntly.

Su Nan snorted, "Let's buy it and arrange our own people, so that we don't have to look at people's faces on the cover!"

Su Qi paused, "You are right, I support you!"

... Shang Qian looked at

Su Nan answering the phone, with high spirits and eyes, the light enveloped her, and there was a faint halo around her.

Absolutely beautiful.

He stared involuntarily.

But the next second, he was woken up by the curse on the phone. "Shang, you said, who was so arrogant

just now?" Shang Qian said indifferently, "The eldest lady of the Su Group, Su Nan, is also my girlfriend." He added the last sentence inexplicably, with a hint of smugness in his tone.

The person on the phone suddenly went out of anger.

He was silent, feeling that Shang Qian was not joking, and tentatively said:

"Really?"

"Which one are you asking about is true?"

"Is Su Nan going to buy 'VJ'?"

"Of course."

"At the beginning we If I want her to shoot the first cover, her image and personality are so charming, and her family background is also very controversial, it is the perfect cover.

But our people handed over the news, even the chance to meet If I didn't make an appointment, I was rejected by their group..."

Shang Qian raised his eyebrows, generally such a large group would not let the president come forward and do some useless work for its own mystery.

Especially this kind of entertainment news magazine.

It is reasonable for the Su Group to dislike it.

Sily sighed, then filled with passion:

“Why don’t we do this, let her accept the filming of our cover, and I promise to seal that one... Eighteenth line?”

After all, with Sun Haoyang’s popularity, one of them The world’s best-selling magazine, such a little guy has never heard of it.

Letting him on the first cover is simply bringing down the grade of their magazine.

Su Nan came in after calling, and happened to hear Sily’s request on the phone.

She smiled: “No, I don’t agree. My third brother has promised me that he will find someone to arrange for the acquisition.”

The person on the phone was silent again.

Shang Qian let out a low laugh, and the person on the phone finally couldn’t help it:

“Don’t...don’t be impulsive, we are a magazine with a position, and money can’t buy it.”

Su Nan: “Then try.”

Anyway, with Su Qi there, even if it doesn’t work, Sun Haoyang will be successfully put on the cover.

...

Su Nan was in a good mood, and immediately waved to Shang Qian while humming a song on the phone, and said goodbye.

Shang Qian hung up the phone with a smile and started packing.

When I put the tableware and chopsticks into the kitchen, I suddenly glanced and saw the packaging bag on the side.

The words “private chef” are printed on the bag, which is particularly obvious.

Shang Qian was stunned for a moment, suddenly realized something, and couldn’t help but chuckle...
