Chapter 1171 is not used to you

Chapter 1171 I'm not used to you

. No wonder Shang Qian didn't hear the fire in the kitchen in his sleep. It turned out that it was brought by a private chef?

He was very familiar with the taste of this private kitchen, but when Su Nan looked at him here, he didn't even notice the familiarity at all.

He looked down at his stomach. After eating so much, he felt lonely after eating?

Really pissed and funny.

But then he gently packed things up.

before going to bed.

He sent a message to Su Nan:

"Next time, you can change the kitchen and taste."

Su Nan: "Don't you like this one?"

Shang Qian choked.

love to eat?

In his opinion, eating all is a sign of love to eat.

Nothing wrong.

He patiently replied: "I like to eat it because you brought it."

Su Nan's face was slightly hot:

"Okay, thank you today..."

Shang Qian: "... .."

Su Nan put down her phone and went to bed, she has never suffered from insomnia, and even Qin Yu envied her good sleep.

Early the next morning.

The morning light was soft and clear, and she was reluctantly woken up by Yu Lou's phone.

pick up.

"Assistant Yu..."

Her voice was lazy, suppressing her anger when she got up.

Yu Lou: "Excuse you to rest, Mr. Su. Now Viola made an announcement in the early morning. This morning, there was a hot search about Sun Haoyang's repentance after shooting the cover.

Internet public opinion is difficult to control, after all, the other party is in the circle. The status has always been high..."

Su Nan patiently listened to Yu Lou's report, she was completely awake.

"Where is Du Yan?"

"Mr. Du said he wanted to ask Miss Su what she meant, so let me call you."

Yu Lou said nervously.

Su Nan sneered.

"He pushed three, four, five, left himself clean, and waited for me to deal with it?"

I think he shouldn't be in this position, go home and sleep..."

It was rare for her to be so angry.

From last night till now.

No one has even notified her now.

Whose fault is it for missing the best opportunity to suppress the heat?

This Du Yan is simply going to rebel!

Yu Louxin listened to Su Nan's words in horror, but he couldn't really agree.

Although Huaying Entertainment has a capital injection from the Su Group, the real shareholder is Su Qi.

Su Qi may agree with Su Nan's decision, but as Yu Lou, he must not express any opinions on personnel changes.

Although, he felt that what Su Nan said was right!

After a while, Su Nan's scolding gradually stopped.

Yu Lou only summoned the courage to ask:

"President Su, now..."

Su Nan snorted coldly, "Don't worry about it for now, just let the heat heat up, it's good to have heat anyway, turn around and turn it around, It can be regarded as borrowing the east wind."

Yu Lou breathed a sigh of relief: "Okay, do I need to send a car to pick you up?"

"No, I'll drive by myself."

After Su Nan finished speaking, he hung up the phone.

She chose a simple jumpsuit and overalls, looking young and full of vitality.

Of course, the premise is to ignore the indifference in her eyes.

Su Group.

She finished the department meeting in a hurry, and then had time to see the latest progress on the Internet.

The hot search "Sun Haoyang is playing a big name" has been on the Internet for three hours.

The following comments are also mixed with scorn:

"How long has it been since I was whitewashed, and I started playing big names again?"

"Why does the entertainment industry have a self-righteous illusion now: Is it great to be an artist?"

...

Chapter 1172 You have the final say

Chapter 1172 You have the final say

“I started to suspect the whitewashed domestic violence incident before, was it deliberate?”

“Are magazines like Viola still not worthy of my brother’s status? My brother treats himself Is there a misunderstanding in his coffee position?”

“The first step in entering the fashion circle is so ruined. I can see that there will be no magazines to cooperate with him in the future. I am afraid...”

“Sit and wait for things to reverse . , we still need to be calmer.”

Su

Nan hooked his lips and glanced casually.

Immediately afterwards, she clicked into the statement issued by Viola:

Due to the uncooperative reasons of the artist surnamed Sun, we have decided to terminate the cooperative relationship with the artist surnamed Sun. The next cover magazine will invite popular Xiaosheng Yu Fei to shoot, so stay tuned.

No wonder.

The fact that the artist surnamed Sun is not cooperating has already begun to guide the topic in the direction of Sun Haoyang’s big name.

This is the first time a magazine has come forward to besiege an artist like this.

It seems that it is unbearable, and does not want to get used to the stinky appearance of the artist.

No wonder most people in the comments are on the side of the magazine, believing that Sun Haoyang is playing big names.

It’s almost name-calling.

It’s almost noon.

Sun Haoyang’s side hasn’t made any movement yet.

Yu Lou watched Su Nan calmly start handling official affairs, and went down to inspect the subsidiary temporarily.

Busy day.

Du Yan didn’t dare to call Su Nan directly.

He could only bombard Yu Lou's phone over and over again to inquire about Su Nan's whereabouts and practices.

At the end, Su Nan realized that Yu Lou was a little diligent in answering the phone, and Yu Lou was afraid to answer it...

"Yes... Mr. Du."

Yu Lou thought for a while, and then explained.

This is not a personal call.

He also doesn't desert during working hours.

Su Nan twitched the corners of his mouth coldly.

"I want to stand by and wait for the rabbit, but I care about whether the rabbit will come?"

"After all, President Du invested a lot in Sun Haoyang, and I'm afraid he won't be able to get his money back..."

Yu Lou murmured, but suddenly Sun said the point.

Su Nan rolled his eyes indifferently and continued to do his own thing.

By the afternoon.

The heat finally started to drop.

But the comments seem to have identified a fact: "Sun Haoyang is playing a big name."

Referring to Xu Yan, big-name entertainers are going to be scolded and get out of the entertainment industry.

But Sun Haoyang doesn't seem to have reached this point yet.

But there are already many opponents, secretly preparing black drafts, preparing to make him disappear completely when he is desperate.

Three in the afternoon.

Su Qi's phone calls: "Xiao Wu, things are done, the people who come back to "VJ" will contact you by themselves."

Su Nan's eyes lit up, and he put down the pen in his hand.

“So soon?”

“Shang Qian probably did a lot of work in the middle. I thought it would take at least a few days to negotiate to win, but I didn’t expect him to say hello long ago.

The man you are looking for seems to have a good eye for now. Not bad.”

Hearing Su Qi compliment him like this, Su Nan felt like complimenting himself.

She smiled, “Of course.”

Su Qi smiled, “Okay, I’m going to rehearse, you can take a look for me, don’t worry about having fun!”

“Yes, I She is much better than you...”

Su Nan’s tone was arrogant, and she couldn’t help but complained coquettishly:

“By the way, Du Yan is too good at taking Joe, you have to warn him, if you dare to make me angry, just Get out.”

Su Qi was silent, not expecting Su Nan to be so angry with Du Yan.

Although he wanted to ask clearly, it was too late.

“Okay, if you say get out, get out. I’m not here. You have the final say in the company.”

...

Chapter 1173 Who is scolding him

Chapter 1173 Who is scolding him

Su Qi hung up the phone in a hurry.

One is a good friend and the other is a sister.

To whom, needless to say?

In the office of Huaying Entertainment.

Du Yan sneezed fiercely.

Don’t know who is scolding him?

Su Nan hung up, and then Shang Qian called again.

“Baby Su Nan, are you in a better mood today?”

“It’s very bad... But it’s much better after receiving your call.”

This is not a love story, but Shang Qian doesn’t know what’s in it Inside story.

He chuckled in a low voice, “So I still have such magic power? It’s such an honor.”

Su Nan: Can you? Su Qi just said that he helped her so much, she is really grateful!

Shang Qian paused, his voice warm:

“By the way, I have good news for you. You can send someone to contact “VJ” magazine. Although you can’t buy it out completely, the other party agreed to take a 2% stake.”

Su Nan couldn’t help but Sighing: “It’s only 2%?”

Shang Qian smiled: “For the sake of public opinion control, the entire business is only 0.7% of the shares, and 2% is the biggest I can get for you. Share.”

Su Nan opened his mouth, a little surprised.

I see.

There must be a lot of people wanting to take a bite of a piece of fragrant pastry like this.

Then the share of it has to be diluted.

In this way, 2% is indeed a lot.

“But two percent, do I have the final say?”

She said aggrievedly.

Shang Qian paused for a moment, then laughed out loud, his voice low and mellow.

“Although I can’t participate in the decision-making power, I can still make my own person get the first seal.”

Su Nan’s mood instantly brightened as soon as his words came out.

“Okay, I’ll let Yu Lou follow up on this matter right away.”

Su Nan happily hung up the phone, and then told Yu Lou about the matter.

Yu Lou was so shocked that he couldn't even utter a word. I really didn't expect that what Su Nan said casually could be done in less than a day?

"Let's get in touch, don't waste your time."

"Yes, Mr. Su, but the public opinion on the Internet...do you need us to release this news and turn our attention?"

Su Nan paused, "In the Before the official announcement, don't reveal any rumors."

After listening to Yu Lou, he nodded, "Okay, I'll do it now."

She took her mobile phone and looked at the comments on the Internet, and there were more and more bad comments.

Sun Hao and Yang Fang's silence was seen as a guilty conscience.

On the contrary, it made Viola more arrogant and gained the favor and recognition of many people.

She exited the webpage and opened WeChat.

Seeing that Yu Fei, who had never contacted her, actually sent a message:

"Miss Su, Viola chose me to replace Sun Haoyang's cover shoot. I will keep this cooperation resource for the company."

Su Nan looked After looking at it, I returned to the homepage, and I didn't plan to reply.

There are often things that are missed in the circle, and it is not uncommon for Yu Fei to be attracted to Viola.

Even after Sun Haoyang gave up, the public had higher expectations for Yu Fei.

But... the artist in the same company, this way of competition, how Su Nan feels uncomfortable.

Moreover, it is still used in this way that looks grand, but is actually smoky.

However, it cannot be ruled out that there are ingredients inspired by Du Yan.

Oh, that capitalist...

evening, before work.

Yu Lou finally arranged things and came back, and brought someone along by the way.

“Mr. Su, this is the editor-in-chief and lawyer of “VJ” magazine, Sily.”

...

Chapter 1174 makes an exception for him

Chapter 1174 Making an exception for him

Su Nan paused, raised his eyes, and looked at the bearded foreigner in front of him. Is he the one who kept yelling at Shang Qian on the phone yesterday?

Sily was also observing Su Nan, squinting, stepping forward and reaching out.

“Miss Su, it’s nice to meet you.”

Su Nan smiled and walked over to shake his hand.

“Sily, I didn’t expect you to come here in person. We had a conversation last night.”

Sily spread his hands helplessly, looking like a helpless little old man.

“I know, I bought a plane ticket and rushed over after I hung up the phone. I wanted to see who was coveting “VJ”, but it’s an honor. As Miss Su, if it’s you, then we’ll be willing.”

Su Nan couldn’t bear it. He stopped and smiled, this little old man is really slick.

It is estimated that it is also because the general conditions have been negotiated, so I can save my place with a few pleasant words.

“Thank you, I hope to cooperate happily in the future.”

Su Nan raised her eyebrows and said with a smile.

She looked at Yu Lou and winked, Yu Lou immediately turned around and called the lawyer of the Su Group, and drew up the contract as quickly as possible.

Sily looked at this scene and rubbed her eyebrows helplessly.

“My God! It seems that it’s impossible not to sign a contract, but I have to clarify some things in advance...”

Su Nan nodded and looked at him very seriously.

Sily: "The male artist you recommended has a very questionable moral character. Even if he is listed in our magazine, nothing will change, and our magazine will not make any guarantees for him.

Moreover, "VJ" is a fashion magazine. There is no endorsement of any fashion brand under his name, nor any fashion potential. It is impossible to be on the first cover just with an unremarkable face.

For the sake of you becoming a shareholder, I have discussed with the editors, at most, arrange a small module inside the magazine to introduce him..."

Sily stretched out his hand and gestured. It's

really small It's

not worth mentioning. But

for Sun Haoyang, it's already an exceptional exception.

But Su Nan, who is opposite, just sat quietly and lowered his eyes. Although he seemed to be smiling softly, it was obvious that this request, she is not satisfied.

If it is not the first letter, what is the point of her doing so much?

Everyone is only concerned about the first, and the rest are "those people".

Yu Lou and the lawyer sat aside, waiting for their After discussing the results.

After a while, Su Nan raised his eyes, with a bit of indifference in his smile.

"Sily, I can understand the conditions you want to say for the sake of "VJ", but please believe that there is nothing wrong with choosing Sun Haoyang. Yes, the black stuff on him is not real, and the truth will soon be revealed.

His commercial value lies in being a professional actor, not a fashionable hanger.

The most important thing, sily, I also know that it may be counterproductive to force it on the cover based on his coffee position, so I suggest that he find a partner. "

Sily looked at her in shock, which he didn't expect.

"Partner? Su Nan smiled, "

The last spokesperson of the Su Group was Sister Ogilvy, because she quit the circle and no longer spoke for any brand of products.

If you let her shoot the cover with Sun Haoyang, the effect must be good. “

Sily was stunned for a moment, and immediately showed an expression of disbelief.

“Impossible, Ogilvy doesn’t accept any interview invitations in the circle. She hasn’t photographed a magazine cover for nearly ten years. How could she agree...”

...

Chapter 1175 His shares were given to her

Chapter 1175 His shares were given to her.

“Give it to me, I can do it.”

Su Nan smiled, “If you think this method can work.”

Sily paused, his face The look has not eased.

I thought Su Nan was joking.

But it didn’t look like she was joking.

Looking back on yesterday, when she said on the phone that she wanted to buy “VJ”, it was so easy.

She did it in less than a day.

“Miss Su, let me confirm that the Ogilvy & Mather you mentioned is the Ogilvy & Mather who has won the Best Actress in Hollywood for six years and created her own beauty brand Ogilvy & Mather?”

He still couldn’t believe it.

This Ogilvy & Mather’s circle in country M is simply the same existence that is sought after by thousands of people.

Beautiful own style.

She has always followed her own way, but she has won the best actress in Hollywood for six consecutive times, and her status in the circle is simply unmatched.

Her news is also very mysterious. She took pictures in Hawaii today and will go to Alaska tomorrow. No one knows her exact itinerary.

But her fanaticism is unimaginable.

If Ogilvy & Mather can come to shoot this cover...

Su Nan smiled, there was some pressing pressure between his words and actions.

“Of course, how can there be a second Ogilvy in this world?”

Sily nodded immediately, “Okay, if Ogilvy and this person are a partner, then I will immediately arrange the cover shoot, the first cover of the season!”

Su Nan smiled a little deeper, and then looked at Yu Lou beside him.

Yu Lou quickly handed over the prepared contract.

“Mr. Su, it’s ready.”

Su Nan took a look at it, no problem, and handed it to Sily.

Sily nodded, he was also a lawyer, and he was very strict.

However, the efficiency and seriousness of the Su Group is admirable.

He couldn’t help but glance at Su Nan a few more times.

It’s hard to imagine her courage being connected to the arrogant young lady last night.

He looked fine, so he signed his name, covered the pen, put it in his pocket, and smiled.

With a meaningful smile:

“Miss Su, are you and Shang Qian really dating?”

I’m curious, what is the reason for him to transfer all his shares of “VJ” to you.”

Su Nan froze slightly, with shock in his eyes.

Even Yu Lou raised his head involuntarily, holding his breath.

Su Nan: “What? His shares?”

Sily nodded and smiled, “Yeah, this 2% of the shares originally belonged to Shang Qian, and “VJ” has already stipulated that unless a shareholder voluntarily withdraws, otherwise the shares will not be diluted.

Anyway, Miss Su, you are welcome to join “VJ”.”

He stood up and extended his hand to her again.

Su Nan sat there stiffly, with a dull expression on his face.

Yu Lou coughed as a reminder, Su Nan instantly sobered up, stood up calmly and smiled.

“Thank you.”

It turned out that what she took was Shang Qian’s shares.

Sily smiled, “To celebrate, let’s have dinner together tonight, by the way, where is Ogilvy & Mather now?”

Su Nan flipped her hair, smiled, and looked at Yu Lou: “Let’s make arrangements. President Shang and I will attend together.”

It would be really inappropriate for Shang Qian not to appear on such occasions.

The sea of clouds in Su Nan’s heart was churning, and the sudden news could not be regarded as ignorant.

She sent a message to Shang Qian, who immediately replied:

Available.

As if it was already ready.

Then, she sent the location to the past...

Most of the readers are now reading this novels:-

Chapter 1176 Who has the final say

Chapter 1176 Who’s Who Says

When Su Nan and Sily rushed over, Shang Qian had already arrived at the reserved box.

Sily was more excited to see him than to see his relatives.

As soon as we met, I went up and hugged

and said hello: "Shang, it's been a long time since I saw you, I promised to go back to M country in a few months, but you're gone forever..."

Shang Qian stood up straight. There, he said with a smile,

"Welcome to come here..."

As he said that, he went over to pull Su Nan's hand.

Sily: "..."

Really happy?

Su Nan smiled and shook back, Shang Qian's thumb rubbed the back of her hand, and the small movements were full of intimacy and ambiguity.

She trembled slightly as if being brushed by a feather in her heart.

Looking at him sideways, his profile face is smooth, his facial features are deep, and his smile is sincere and warm.

Very comfortable.

Sily took the lead in the box, and Shang Qian took Su Nan a step slower.

He suddenly leaned over and whispered in her ear:

"Is it still going well? The old man didn't take advantage of the fire, did he?"

He was always concerned about Su Nan's progress here.

Su Nan's heart was really soft.

How could she meet such a nice person?

She pursed her lips, and the ninja's eyes were sour as she looked at him:

"No, but...you gave me two percent of the shares?"

Shang Qian was stunned, and his face suddenly sank.

"Why did he tell you?"

Su Nan looked at her helplessly: "If only I had known this..."

Shang Qian smiled and patted her shoulder:

“You don’t need to be stressed, it’s the same for you and me.”

“How can it be the same? I just want to find a way to get out of the back door, you are superfluous for me...”

Shang Qian was silent for a few seconds, his fingers warmly placed behind her ears, and gently arranged her broken hair. .

“No, don’t you want to try the feeling that you have the final say?”

Su Nan was taken aback.

It sounds like she is so arrogant...

“Hey, come in quickly, Shang, we haven’t seen each other for a long time, don’t you miss me at all?”

Sily greeted them enthusiastically.

Su Nan smiled and walked in first.

Shang Qian: “In front of my girlfriend, please don’t express your love for me, lest she be unhappy.”

He gave her a deep look.

Su Nan choked.

Not at all.

She wouldn’t eat the vinegar of a little old man over fifty...

Sily gave him a dissatisfied look.

“Shang, how can you do this, you clearly said that I’m your best friend.”

“No, I didn’t say that.”

Shang Qian firmly denied it.

Seeing this, Su Nan couldn’t help laughing. It could be seen that the relationship between the two was really good.

Sily: “Originally, I was very unhappy because of that artist, but Miss Su said she could play with Ogilvy. I think “VJ” can still be saved. In this way, you can transfer the shares to Miss Su. Actually, I am also No loss.”

Shang Qian's face sank slightly, but because of Su Nan's presence, he could only try his best to suppress it.

"Sily, you promised me that you wouldn't tell anyone about this, especially Su Nan."

Sily looked at Su Nan and then at Shang Qian.

"Why? She'll know sooner or later, aren't you two dating?"

He might not understand Shang Qian's good intentions, but just looked away speechlessly.

I don't want to see him.

Su Nan smiled and tugged at Shang Qian's shirt.

He leaned forward carefully:

"I'll know sooner or later, don't worry, I'll give it back to you when I get it done."

Shang Qian took advantage of the situation and held her hand tightly, his eyes dark and deep:

"Give it. You are yours."

...

Chapter 1177 that old woman

Chapter 1177 The old woman

had a relatively smooth meal.

After eating, Su Nan and Shang Qian sent Sily back to the hotel to rest, and then they went back to the apartment together.

After a day and a night of the incident, the public opinion was almost fermented. Seeing that new gossip was about to replace the popularity, an anonymous person suddenly exposed a group.

People in the group are sharing their little industry secrets.

A person called "Shine the World" recklessly posted a lot of photos in the group.

These photos are undoubtedly the fruit photos of some artists.

Taking a closer look, some popular artists, but those who have collaborated with Viola, almost never let go, regardless of men and women.

But in these photos, the artist's expression is not as relaxed as it is in private, on the contrary, he looks obedient and cooperative. This is work.

The following people responded immediately:

"God, this woman has such a great figure? Don't you get nosebleeds when you take pictures?"

"This man is really not that good, and he really relies on retouching in the later stage, but this kind of photo is really rare. See you at first sight..."

"It's amazing, but unfortunately there is no photo of Sun Haoyang. I heard that his figure is first-class, and many rich women want to appreciate it..."@ "Illuminate the world" Mr.

Later, "Shine the World" came out and replied:

"Sun Haoyang refused to cooperate with taking off his clothes during the filming, and was also met by Su Nan during the filming. This Miss Su has a really big temper, so she refused immediately. Let Sun Haoyang film it.

But you all know the ending. If you offend our magazine, we won't even give the Su Group's face.

Isn't it just a Sun Haoyang? Our rule is not to shoot unless you are naked, what's so great?"

"It's amazing..."

"It's awesome!"

Shining the world: "Don't say, that old woman from our editor-in-chief Zhang still wants to sleep with him, but it's a pity that this person is not good.

There will be good resources in the future, let's all work together. Share it, keep it confidential!"

"Relax!"

"Relax!"

Countless

rest assured, someone still took a screenshot of this chat record and posted it online.

And the people who are willing to expose, “illuminating the world” is Viola’s royal photographer, who has a very high status in the circle, and he does not look down on ordinary small artists.

Very quickly, this exposed chat record was released in the early morning, and it reached the top of the hot search at 5:00 in the morning.

People at Viola, no matter how much they spend, can’t delete this chat record or even reduce the popularity.

The entire Viola, now anxious to become ants on the hot pot, is frightened by fear.

And netizens on the Internet may not have thought that the reversal came so quickly.

And in such a sure-fire way.

Although the photos of countless artists have been coded, the image features of the facial features can still clearly distinguish who it is.

Everyone’s discussion turned into an unspoken phenomenon of collective crusade against Viola.

I just wanted to see the excitement, but who knew that someone had bullied my idol, can I bear it?

The reporters were about to blow up the phone at Viola headquarters, but no one dared to answer, or even to go to work.

Because countless fans and reporters are crowded at the door, waiting to meet the unprofessional photographer and the old woman Sun Xiaojuan, editor-in-chief Sun who wants to sleep with Sun Haoyang!

Eggs and banners are ready.

At the entrance of the company, the banners were particularly conspicuous, and they were undoubtedly cursing and asking them to apologize.

For a time, it was very lively.

...

Chapter 1178 is a man

The first thousand one hundred and seventy-eight chapters is

that the voice of the man on the Internet is even more boiling, and it involves so many artists at once. Now everyone doesn't have to pretend to be dead to watch the fun, and they all come out and make a statement.

Various lawyers' letters and clarifications were posted online.

Almost the same format, the same law firm is used.

The artist's attitude is not ambiguous. After all, it is a matter of certainty. It just means that he does not know about this matter and reserves the right to prosecute.

"Viola is really a mess of dirty water. It's rotten from top to bottom. How dare you treat our idol like this?"

"I didn't expect Sun Haoyang to be wronged. Why is Viola so upset now? Come out and ban it?"

"Editor-in-chief of Viola That old woman, Sun Xiaojuan, hahahaha, want to sleep with Sun Haoyang? Bah!"

"I really admire Sun Haoyang for being a man. He didn't explain a word when he was wronged. His attitude is really different!

"The tree is good to enjoy the shade, but fortunately Goddess Su is here, otherwise what would Sun Haoyang do?"

"Sun Haoyang is really good at anti-submarine rules, I now fully believe that he will not be domestic violence before, after all, there is no such thing as wrongdoing. Come out to explain, the domestic violence is really not a shadow."

"But why didn't some idols like Sun Haoyang, refuse to take photos of undressing?"

Is the exposure of the photos the responsibility of the photographer alone?

No one thought about it. Why do some artists give in? Is the person who gives in to be slept by an old woman? I am really scared!"

"Am I the only one who has some CPs who kowtow to Goddess Su and Sun Haoyang? Sun Haoyang never framed Su Nan in the first place. Su Nan will never let anyone bully Sun Haoyang, these two are really confidants..."

"Damn Viola, whoever took the cover of their house, it's really bad luck for eight lifetimes, isn't every magazine like this, Industry unspoken rules?"

...

Zhang Xiaojuan, editor-in-chief Zhang, was in the car not far from the company, wearing sunglasses, looking at the door surrounded by so many people.

She anxiously called one after another, but no one answered at all.

“I usually have so many friends, but now I can’t count on any of them?”

Best, she angrily called the photographer.

“The good things you did, those photos are the handle we keep, you dare to send them out like this, those artists still haven’t eaten us?” The

photographer also drank too much last night, and one of them had a friend who had just arrived while drinking. , is his fellow villager and his new apprentice. He wanted to see the rules of this business, so he pulled him into the group and posted those photos.

It has been posted before, and no one will take screenshots.

Now...

his head is dizzy and painful, the phone is about to explode, and he is already in a hurry with things on the Internet, and he can’t panic.

Those old friends began to withdraw one by one, no doubt just wanting to get rid of him.

“Boss, the most important thing now is that those hot searches can be withdrawn, so that public opinion can slowly decline.”

Zhang Xiaojuan, editor-in-chief Zhang:

“You still need to say it? I immediately contacted the person in charge of the platform. Don’t give face, just say that this is someone’s instigation, and the hot search has to stay for a day and a night!” The

photographer’s face turned white.

one day one Night.

What does it mean?

Meaning that no matter what PR he does, it won’t help.

Means those people will devour him alive.

He immediately hung up the phone and turned to contact the fellow villager he had just met.

The more I think about it, the more wrong it is, this matter must have something to do with the drink last night...

...

The first thousand one hundred and seventy-ninth chapters do not trust him

Chapter 1179 I don't trust him

, but the phone calls over and over again, but no one answers.

Suddenly, the photographer's mind sank and he came to understand.

It must be this guy!

He was careless!

Zhang Xiaojuan looked at her phone scoldingly, suddenly remembered something, and called Du Yan immediately.

Du Yan looked at the phone, but didn't answer it for a long time.

He could feel that Su Nan was very dissatisfied with himself.

Especially, after she stopped Sun Haoyang from filming, he also stuffed Yu Fei inside.

He just doesn't want to give up such good resources and opportunities.

There are some unspoken rules of your love and my will, which are mutually beneficial to both parties, and it is difficult to guarantee that it is not a huge opportunity.

It's so common that he doesn't take it seriously at all.

But when he saw the hot search on the Internet, he was instantly enlightened.

Needless to say, he knew that this must be Su Nan's handwriting.

But she didn't tell him.

Not a word was revealed.

He inquired about Su Nan's movements countless times from Yu Lou, and the news he got was nothing.

But she quietly did a big thing, enough to stir up the entire entertainment industry and show the filthiest side of this circle for people to see.

Such a face-breaking move broke out overnight.

why?

Because she doesn't trust him anymore.

When Du Yan realized this problem, he sat in the office silently watching the trend on the Internet.

No one's calling.

Being able to achieve this position, he made a lot of decisions on behalf of Su Qi, which shows that he not only has the ability to network and resources, but also has a good enough relationship with Su Qi to get to where he is today.

But he really panicked today.

On the surface, Su Qi is unrestrained, but it is unimaginable that he attaches great importance to his family, especially this younger sister, who has achieved the level of obedience.

If Su Nan wanted him to get out, wouldn't Su Qi hesitate?

Will not.

He leaned on the back of the chair, closed his eyes, and regretted it!

The phone was still ringing over and over again, he picked it up impatiently, picked it up, and said in a very aggressive tone:

"Don't call me, I can't save you, do you know who you offended?"

Sun Haoyang, you Dare to move? Do you think men want to go crazy?"

He spoke so horribly that he didn't even bother to do the superficial effort.

There was silence on the phone for a moment, and he suppressed his anger and pleaded tactfully:

"Mr. Du, I have no other choice, now only you can help me, as long as you say hello to the platform and remove the hot search. Come down.

When I pass this level safely, if there is anything I can help with, I will definitely spare no effort!"

Du Yan: "Because of you, I don't know how to pass this level, I tell you, I can't do anything." Mr.

Du, you forgot, but Yu Fei has reached a cooperation with us..."

Zhang Xiaojuan threatened him with Yu Fei and gave up Sun Haoyang at first, but Du Yan said good things before replacing Yu. fly.

Now, the face has become so fast?

"Yu Fei? You can do what you want, whether you like to take pictures or not, anyway, Su Nan only wants to support Sun Haoyang, I can't control the others!"

After Du Yan finished speaking, he hung up the phone.

He was unable to protect himself, and hesitated whether to call Su Qi for help...

Zhang Xiaojuan scolded his eighth ancestors to death in the car, turning his face and not recognizing anyone.

Seeing that the people at the door seemed to recognize her car, a few people secretly walked over to take pictures of her car.

Zhang Xiaojuan panicked for a while, started the car directly, stepped on the accelerator and left.

.....

Chapter 1180 Money and work

Chapter 1180 Money and work

Su Group.

Su Nan was in a good mood early in the morning, because she knew that it was time to turn things around.

After the meeting, Yu Lou looked at her not in a hurry or slow, and secretly admired Su Nan's patience.

If it was him, he would jump up excitedly.

She just returned to the office, sat down, glanced at her phone, and instructed Yu Lou:

“Go downstairs and bring someone up.”

Yu Lou: “...Yes.”

Su Nan sat there, neither in a hurry nor in a hurry . touched the coffee beans, looked at the web page, and was in a good mood.

Sun Haoyang expressed his gratitude to her.

Be sincere and brief.

But it can be seen that it was written with care.

Su Nan replied: “You’re welcome, the good show is yet to come.”

If the public relations teams of major companies are helpless about Sun Haoyang’s affairs, then Su Nan’s move can be regarded as a mess.

The public relations of the entertainment industry, no matter how you set up people and put on a coat, can’t get rid of the bottoming out under the rules.

The rule is to acquiesce that this unspoken rule is reasonable and will not involve the interests of other artists.

Otherwise, the capital behind other artists will not agree.

But Su Nan doesn’t care about that.

She was not mistaken, Sun Haoyang was better than others.

Otherwise, everyone else will be naked, and he will die. Doesn’t that mean anything?

Such a great advantage should be known to the whole country!

Sun Haoyang didn’t come out in time to defend himself, which made those netizens deeply impressed by Sun Haoyang and deeply impressed.

This is a fan that can’t be bought.

Glancing at the unread messages on WeChat, Yu Fei also sent a message:

“I’m sorry Mr. Su, I have given up cooperation with Viola.”

Su Nan still didn’t reply.

Yu Lou knocked on the door, “Mr. Su, someone has arrived.”

“Please come in.”

Su Nan smiled, made coffee, and brought it to the rest table in front of the floor-to-ceiling windows.

A tall, thin young man walked in, respectfully and cautiously.

“Miss Su, hello, nice to meet you.”

It seemed that he was very nervous.

Su Nan smiled and sat on the side, “Please sit down.” The young man sat down carefully.

Su Nan pushed the coffee in front of him.

“Thank you for helping me.”

“You’re welcome, Cheng Ershao is good to me, and I will definitely help when he says.

Besides, if it wasn’t for him, I wouldn’t be able to get into their circle so easily, Viola’s People don’t trust me so quickly, in fact, everything went well by coincidence, and I didn’t do anything.”

Su Nan raised an eyebrow, quite modest.

“Anyway, you’ve helped me a lot, so let’s take it as a thank you.”

Su Nan smiled and took out a card and put it on the table.

Inside is five million.

No more and no less.

The young man waved his hands in a panic, “No, I can’t have it.”

“Please accept it, it’s just a little thought, don’t worry, I have already erased your online registration information, and no one will investigate your true identity, but your current phone number can no longer be used.

I heard your The major is photography, if you are willing, I will recommend you to work in the photography department of Hailang, and if you are not willing, I will not force it.”

The

young man was stunned for a moment, then immediately reacted, stood up and bowed his thanks.

“I will, Miss Su, I will.”

Su Nan smiled and glanced at Yu Lou.

Yu Lou stepped forward, took the card and stuffed it into the young man’s pocket.

“Come on, I’ll take you there.”
