. Everyone looked at each other, and seemed to follow the fault involuntarily, but followed the screaming, they hesitated...

not good!

Shang Qian on the side, his face slightly gloomy, squinted and looked at the people below.

Sun Haoyang stood on the stage and bowed, and everyone seemed to be very enthusiastic.

His popularity should be the highest, otherwise he would not be the last to make a grand appearance.

He looked sideways at Su Nan's bright smile, which was so dazzling.

Unable to bear it anymore, he reached out and grabbed Su Nan's hand forcibly, preventing her from continuing to applaud.

The jealousy in my heart is really pantothenic acid.

Su Nan looked at him, blinked, the smile has not been taken back, looked at him:

"What's wrong?"

Shang Qian squeezed the palm of her hand: "I'm afraid your hand will hurt."

Su Nan wanted to continue applauding, but just planned to I pulled it back, but I couldn't.

She smiled and said in a mysterious low voice,

"It doesn't hurt. In the end, it's Sun Haoyang. Do you think the jury did this on purpose?"

Shang Qian chuckled lightly.

Can you really think?

Generally, such a popular appearance will indeed give people infinite guesses.

But according to his speculation, this is to satisfy the vanity of fans.

Just a little compensation for Sun Haoyang's return without success.

In other words, his next best actor may really hang.

But looking at Su Nan's expectant gaze, he really couldn't express his speculation.

Maybe he was wrong?

Shang Qian: "Don't think about it so much. Yu Fei starts and Sun Haoyang ends. They are all from Huaying Entertainment. I have to say that Mr. Du has the ability."

Su Qi is now rehearsing abroad, if not for Du Yan Through mediation, the people here may not necessarily put the two artists of Huaying Entertainment in the most conspicuous position.

Su Nan nodded and agreed.

"Du Yan is smart, but he also has real skills. Otherwise, why would my third brother trust him so much?" The

host came to the stage, said a few words, and started the award ceremony.

The process was a bit boring and thrilling, but Su Nan saw that some of the winners were not commensurate with their strengths.

Are the jury members all blind now?

She patiently waited until the best actor.

Six people were nominated together.

After the six short clips were played, it was obvious that three of them were basically accompanied.

Although the acting skills are mediocre, the script is good, but the appearance is too high, and the fans do not buy it.

The other three, one is Sun Haoyang, one is an acting senior in the circle, and the other is a traffic niche.

This traffic niche can be nominated, and it seems that it is operating privately.

In the short film just played, the acting is awkward, and the lines are stumbling, which is simply blackmailing myself.

I don't know whether to broadcast this short film, nomination or ridicule?

Su Nan watched with great interest and laughed out involuntarily.

Shang Qian also saw some ways of doing things, and he turned around in his mind. He had realized that who would end up with this award ceremony?

He smiled, "What are you laughing at?"

Su Nan raised his chin and nodded.

"Fortunately, there is still a senior in the acting school. Sun Haoyang standing on it is a rise, otherwise Sun Haoyang is standing with that male goblin, and this party will become a joke."

Goblin?

Shang Qian raised his eyebrows and heard her mockery of the traffic niche.

He quietly curled the corners of his lips, this eldest lady was so angry that she didn't even remember her name, right?

...

Chapter 1192

Shang Qian: "Do you think the awards show is a summary and commendation? This is another investment attraction. The organizers can't wait to replace them with traffic niches, but everyone is watching. It will be like a farce, and that's why the acting school exists."

Su Nan glanced at him, "You still understand?"

"Thanks to you."

Some time ago, Shang Qian really studied the entertainment industry in order to get close to her. .

But the risk is too great, it is even bigger than the risk of the stock market. When a celebrity scandal spreads, the capital behind it will definitely be implicated.

But people have different emotions and six desires, how can they be as stable as products?

Also, the circle is too dirty.

As soon as he revealed some rumors that he wanted to invest, someone pushed women around him, all kinds of things, which were extremely disgusting.

Therefore, he gave up investing in the entertainment industry.

However, he never mentioned these things to Su Nan, for fear of dirtying her ears.

The presenters began to read the winner of the best actor, and the music happened to be replaced by drums.

The drums are urgent and inspiring.

“The actor who won the best actor is... Jiang Yu!” The

audience was shocked.

Everyone looked at each other.

Under the leadership of the host, the applause began sparsely, but some famous actors in the circle sat there quietly.

They were sitting here, and many people heard the name “Jiang Yu” for the first time.

Actor?

It's ridiculous.

He is just a traffic niche who had awkward acting skills and poor lines in the short film.

He defeated the two most popular rivals, the old actor of the acting school and the acting school Sun Haoyang, and won the best actor!

Su Nan's face was complicated, stiff and ugly, as if he was forced to eat a mouthful of a cake that was so greasy, and he didn't even want to vomit!

She sat in a chair, barely able to sit still.

Shang Qian patted the back of her hand to stabilize her emotions.

“Don't worry, it's all here, at least you have to watch it before you go.”

Su Nan gritted his teeth, "If this were my home, I would have to smash the venue for him!"

A good awards show is a matter of anger. ?

The actors below also all laughed and said nothing.

The machine captures the people below, and everyone's micro-expressions are almost weird, but unexpectedly uniform.

The sparse applause fell, and then proceeded to the next item...

Shang Qian sat there leisurely, watching the show.

Everything was in line with what he had guessed.

This Jiang Yu, the capital behind him wants to make him popular too much, I don't know who pushed him out?

Many bigwigs in the shopping mall nearby smiled meaningfully.

"This actor... oh, from which company?"

"I don't know, my daughter seems to like him very much, I thought he was a woman..."

"Hahaha, it seems that this The heat is enough, it's much better than throwing money!"

...

Su Nan sat there, watching calmly.

On the big screen, when the machine swept to Sun Haoyang, Sun Haoyang smiled very decently, with forbearance in his modesty, and a hint of disappointment at the corner of his mouth.

And sitting next to him happened to be the old acting actor nominated together with him. He seemed to sense Sun Haoyang's loss, and reached out and patted the back of Sun Haoyang's hand.

Seems like relief... it's

finally over.

Su Nan stood up unbearably.

The boss on the side said, "President Su, President Shang, do you want to participate in the cocktail party in a while?"

Su Nan pouted, "No, everyone, enjoy yourself."

Shang Qian said with a smile: "Farewell..."

...

Chapter 1193: Emperor Jiang Yu

Chapter 1193 Jiang Yu , the movie emperor

, left one after the other, and even the backs were so good-looking.

As soon as she left her seat, she called Du Yan:

"See, who put that Jiang Yu in, this kind of thing can also rely on the movie emperor? Any group performance is better than him!"

Du Yan I couldn't help laughing out loud, "I knew you would be angry."

"Aren't you angry?"

Su Nan asked back.

Du Yan: "Look at the hot searches on the Internet first, the netizens are more angry than you, that Jiang Yu has lost all the popularity he has accumulated.

Sun Haoyang and the old actor failed together, it's not ashamed! "

Su Nan hung up the phone and immediately went to the website.

Shang Qian protected her arm on one side, pulled her into the car, and sighed when he saw her focus.

Su Nan didn't care, she looked at the phone intently.

The first hot search: "Water Emperor Jiang Yu, Huaying is your back garden"!

The comments below really did not disappoint Su Nan at all.

"I never expected that the person with the least acting skills would become the best actor. I really feel sorry for the old actor who accompanied him..."

“I was still struggling to support the old actor or Sun Haoyang, Don't worry about it now, let's all scold Jiang Yu...”

“Five people who can act to accompany one who can't act, it's the most ridiculous joke of the year!”

“Is this trophy a bad luck? Then The drama has a rating of 2.8, and he has become a movie king?”

“Water Emperor, any one of the other five is better than him, so did the jury get paid?”

“In terms of capital, Sun Haoyang is an artist of Huaying Entertainment. , They belonged to Su Yingdi, and they didn't get the award.

This Water Emperor won the award. I wonder if it is better than Huaying Entertainment behind it? “

...

After reading it, Su Nan slowly let out a sigh of turbidity.

Instantly, he felt better.

After exiting the page, Sun Haoyang's name came second.

“Sun Haoyang looks lost .” I feel so distressed.

” Although “Senior comforts Sun Haoyang”

looks childish, netizens still zoomed in on Sun Haoyang's micro-expressions from the short video animation.

They were more willing to explain Sun Haoyang's behavior in the direction they found. His expression.

Especially when the machine swept to Sun Haoyang, his calmness and smile showed no joy at all.

The old actor next to him comforted him and patted his hand, which made him feel very distressed. It

seemed that he knew that he was the real one. He deserves his name, but someone clearly stole what he deserved. He was

helpless, but could not do anything.

All of this made netizens indignant.

The relief of the old actor is more like the recognition and distress of Sun Haoyang.

Then Sun Haoyang's strength can fully support the title of "Best Actor".

In this way, it seems that Jiang Yu won the Best Actor, which is even more ridiculous.

Jiang Yu's award has almost no blessings from insiders. Even the artists present didn't want to say a word.

As soon as the awards ceremony was over, everyone lost their mood to attend the dinner party and left by car.

The most bleak awards ceremony. It was

like a joke.

Hua The reputation of the British Awards has also suffered a lot. Originally, if the level is similar, if you prefer one operation, you will not see anything.

But with such an obvious gap, the Huaying Award awarded the award to a person with no acting skills, that is, to explain to everyone that the award can be bought with money.

In this way, the prizes that other people in the circle have worked so hard to get are worthless!

Su Nan figured this out, and suddenly felt a little happy.

Shang Qian looked at her, resting his chin with one hand, squinting.

"Why are you suddenly happy again?" The

woman is really strange!

Just now she was so angry that she wanted to smash the field!

Su Nan smiled and looked at him, "What's so sad, fortunately I didn't operate in private, otherwise Sun Haoyang would be the one being scolded."

Hearing Sun Haoyang's name, Shang Qian wrinkled calmly. frown.

He stretched out his hand to hold her soft hand, and his tone pretended to be calm:

"It's over, don't think about it, you mentioned Sun Haoyang's name a little too much today?"

Su Nan blinked and suddenly heard What a different taste.

She raised an eyebrow.

"A lot?"

Shang Qian nodded seriously.

"Too much!"

Her attention today was almost all on Sun Haoyang.

Su Nan frowned and thought about it, maybe it was, after all, she was here to give Sun Hao Yang a chance.

She smiled, unable to contain her excitement.

"God helps me, it's hard for Sun Haoyang not to be popular this time!"

Shang Qian: "..."

So, he is still him?

...

Du Yan left after attending the dinner party in a good mood.

After all, Huaying Entertainment is too closely connected with the circle, so it's not easy to look down.

Yu Fei's face was pale and pale, and he was not very energetic.

Sun Haoyang was calmly chatting with others, and he didn't look like he was hit hard.

Du Yan leaned on the wine cabinet and looked at the two most popular artists.

In the past, he put all his capital on Yu Fei's body, and he was still able to live up to his expectations.

But looking at it today, it seems that Sun Haoyang, who was suppressed by Su Nan, is even better.

Yu Fei came over with the cup and forced a smile:

“Mr. Du, I’m not feeling well, and I have to film tomorrow, so I’ll go first.”

After all, it’s the boss, Yu Fei is very measured, and wants to come over and talk to Du Yan call.

This kind of etiquette, he has always done it calmly and likable.

Du Yan took back the realization and hummed.

Yu Fei wanted to say something, but he kept his mouth shut, turned around and walked two steps, and Sun Haoyang suddenly stopped him.

“Yu Fei, don’t be too clever. Sometimes, cleverness is mistaken by cleverness.”

Yu Fei’s body froze slightly, and his face turned paler.

He turned his head slowly, “Mr. Du, I don’t understand what this means?”

Before Du Yan spoke, Sun Haoyang had already arrived.

He looked at Yu Fei and nodded slightly.

Then he looked at Du Yan: “Mr. Du, I haven’t had time to thank Mr. Du for arranging the finale show for me.”

Du Yan raised his eyebrows, “How do you know I arranged it?”

Sun Hao Yang pursed his lips and smiled, “So On important occasions, there are people with higher status and more experience than me, if it wasn’t for President Du’s face, how would others know me?”

Yu Fei couldn’t help but chuckle.

He looked at Sun Haoyang:

“Hao Yang is joking, even if there is no President Du, and Miss Su, the person Miss Su values most now is you.

It’s just a pity, I thought that tonight’s best actor should be you, but I didn’t expect... Tsk

tsk, Hao Yang might as well ask Miss Su, even a piece of junk like Jiang Yu can get the best actor, why not give it to you?"

Du Yan's face was already a little ugly, he restrained his smile, his eyes narrowed. Looking at Yu Fei coldly.

Sun Haoyang was stunned for a moment, suddenly smiled and shook his head:

"Miss Su is my noble person, Du is always my boss, only the boss can think about me in such detail.

If I can't get the best actor, I still need to grind . Lian, how can you blame Miss Su?"

Chapter 1195: Provoking Relationships

Yu Fei's face was hard to see ashen.

Just about to continue what to say.

Du Yan spoke in a cold tone, looking at Yu Fei with a bit of warning tone:

"You are my company's people, I have never rejected competition, but if you dare to offend the company's interests, don't blame me for turning your face. Recognize people."

Yu Fei's face alternated between cloudy and sunny, and it was not good-looking.

Sun Haoyang answered honestly: "Yes, I will do my job well."

Yu Fei: "Me too."

Du Yan nodded and looked at Sun Haoyang:

"I remember that you will be there early tomorrow morning . Going to film, go back to rest early."

Sun Haoyang smiled and nodded modestly and politely:

"Yes, then I'll leave first."

After saying that, he looked at Yu Fei and nodded before leaving the stage decently.

As soon as Sun Haoyang left, Du Yan's eyes sank.

He stared at Yu Fei with a very cold tone:

"You're not convinced, Yu Fei, aren't you?"

Yu Fei looked up at him, those youthful eyes with a bit of coldness and unwillingness, were hidden for a long time, Finally no longer hide. "Mr. Du, don't you think that Miss Su is too partial to Sun Haoyang

?"

Du Yan sneered, "Wasn't she partial to you too? Why, is she jealous now?"

Ugly face.

"It's unfair to others, what's up with Sun Haoyang?"

Du Yan looked at him coldly:

"So you came and told the judges of the Huaying Awards, let them take care of Sun Haoyang, it's better to let Sun Haoyang become the best actor? You spent a lot of money, right?

I didn't know, you can still give so selflessly, to buy a relationship for someone else?"

Yu Fei's face suddenly stiffened, and he panicked for a moment.

"I...are from the same company after all, and I hope he is well!"

"Oh...don't pretend, you not only bought the judges, you also booked the hot search, 'Sun Hao Yangde doesn't match,

isn't he?" As

soon as Du Yan finished speaking, Yu Fei was obviously panicked.

He looked up at Du Yan in shock, and a lot of wine was spilled from the wine glass in his hand.

"You... how did you do this?"

Du Yan evoked a sarcastic arc:

"If you want to do something for me, it's best to find out, which company are you from? You just got mixed up in this circle. How long? I thought it was seamless?"

As soon as you opened your mouth, someone tipped me off, Yu Fei, you are still very tender!”

Yu Fei’s face was a little pale, and even the color of his lips was bloodless.

“I was stopped by you, right?”

Du Yan sneered mockingly:

“You should be lucky to be stopped by me, or if Miss Su knows about this, don’t think about hanging in this circle, no one can protect you. .”

Yu Fei’s face changed several times, and he looked up at him:

“Then why didn’t you tell Miss Su?”

Du Yan’s eyes were cold and mocking:

“Yu Fei, are you embroidering your head? I said, you will later How can you stay in the company? Do you think she will keep you?

How much effort I have spent on you, of course you have to give me a good job to earn money, don’t think about some things.

Yu Fei narrowed his eyes and breathed a sigh of relief. Du

Yan glanced at him and drank the remaining wine in the glass.

He seemed to say casually:

“Also, suing Su Nan for something like resources is the most important thing. Well, don’t have next time, you can continue with what I give you.

If there is another time, don’t blame me for being rude, I have a way to make you silent under her nose. “

Du Yan's words, with a natural ruthlessness, shocked Yu Fei.

More fear.

It was originally a resource belonging to another newcomer in the company. He wanted it too much. The agent told him not to think about it, because it was Du Yan's designation to win people.

He was worried, and it happened that Su Nan went to the crew, and he revealed Du Yan's indifference and disregard for him, intentionally or unintentionally.

Su Nan immediately called Du Yan.

Although he didn't specify which resource he wanted, the advertisement still came into his hands.

He thought no one would know.

Unexpectedly, Du Yan was clear.

He left the venue in a daze, not knowing how he got back at all.

It's just that he realized that as long as he is still in the company in the future, he must be a man with his tail between his legs.

But once the contract is broken, Du Yan will not let him go, not to mention the huge liquidated damages.

...

This matter has been a topic of discussion for a whole week.

Jiang Yu and the capital behind him did not seem to have expected such a big backlash.

I am willing to buy him a movie king blessing, and his future will be easier.

As a result... his current resources have already begun to wait and see if he has a tendency to quit the circle?

Some of the scripts that were handed to the door were also taken back one after another, for fear that he would hurt himself by agreeing.

It's just that the person who benefited the most from this incident became Sun Haoyang.

Sun Haoyang's character and charisma have become a hot topic of discussion.

Within a week, sily, the editor-in-chief of VJ, called her.

“Miss Su, Sun Haoyang is very popular right now, and she’s not a fan of the brain. I think I’ll take advantage of the popularity and shoot the cover. Have you contacted Ogilvy?”

It turned out to be to urge her, Su Nan smiled, and even learned the word “brain powder”?

“Okay, let’s choose a time next week, Ogilvy & Mather will have time next week, and I’ll let Sun Haoyang prepare in advance.”

“Okay, it’s a deal, I’ll wait for you in country M first. “

Su Nan smiled and said, “Okay.”

She had contacted Ogilvy and Mather before, and Ogilvy agreed. It wasn’t too much of an embarrassment, and it was a magazine as big as “VJ”, so it didn’t count.

After hanging up, she called Ogilvy directly:

the other party picked up quickly.

“Susu...”

“Next week, don’t forget...”

Ogilvy: “No, I made time for you, moved?”

Su Nan: ” I’m really grateful for the delay of your vacation!”

Ogilvy smiled, “What are your third brothers doing recently? Are you still acting?”

Su Nan knew Ogilvy because he attended a private party. , I didn’t expect to see my favorite foreign actress at that party, Ogilvy & Mather.

She asked Su Qi to go up to chat, and then introduced herself and Ogilvy to know each other. Unexpectedly, Ogilvy fell in love with Su Qi.

Su Qi was so frightened that he never dared to show his face in front of her.

I didn’t expect that Ogilvy is still thinking about it now?

Su Nan hesitantly said, “He has a girlfriend...” She is

still her best friend!

Ogilvy laughed: "I just asked casually, I seem to have seen him in Hawaii, but I thought I saw the wrong person and didn't say hello, I've changed three boyfriends, and I'm no longer interested in him. !"

Su Nan breathed a sigh of relief:

"I knew, how can someone like my third brother be worthy of you? Ogilvy, you are the most perfect!"

Chapter 1197 Continue to do bad things

Chapter 1197 Continue to do bad things

Su Nan is a loyal little fan!

Su Qi, who was far abroad, sneezed uncontrollably and rubbed his nose.

Someone must have missed him!

Ogilvy was coaxed into laughter by her, and the two of them chatted for a long time before they were reluctant to hang up.

Su Nan told Du Yan the shooting time, and asked Du Yan to find someone to go with Sun Haoyang, and she would go back then.

After all, she hasn't seen her idol for a long time!

Approaching the shooting date, Su Nan told Shang Qian that he was going abroad, and Shang Qian had to go with him without even thinking about it.

The two were sitting on the sofa. Just after dinner, Su Nan watched the TV and heard Shang Qian's words, giving him a small meal.

"Aren't you very busy recently?"

He is also busy moving his work abroad, and he wants to open up a new section here and continue the previous model.

You can't go to Wall Street every day, and remote control is still a bit cumbersome.

Su Nan also knows that this is not an easy job.

Shang Qian stroked his brow bone and smiled:

“I’ll accompany you no matter how busy I am, I really don’t want to be separated from you.”

Su Nan hugged the pillow and looked at him:

“Why didn’t you find out before, you are quite sticky. Human?”

Shang Qian paused, but he didn’t realize, why was he so clingy?

It seems that I can’t see her for a day, and my heart is empty.

He went over and put his arms around her waist, his tone softened a little:

“If you don’t like it, I will try not to be clingy in the future, but I still want to go.”

Su Nan almost spit out the water in her mouth, and she coughed heavily. .

The more you know about Shang Qian, the more like opening the door to a new world.

Is this still the Shang Qian she knew?

She stabilized her mind and pretended to be calm:

“Well, you can go if you want.”

She felt like a domineering president who said nothing!

Did you get the wrong script?

After she finished speaking, Shang Qian’s hand around her waist naturally rested on her head, leaned over slightly, and pecked at her red lips lightly.

Su Nan’s face flushed slightly, and he gave him a deep look.

His recent intimacy has become more and more presumptuous.

But she didn’t hate it at all!

Shang Qian stroked her delicate red lips and smiled:

“I just kissed, why is it so easy to blush, Miss Su, it’s hard for me to continue doing bad things like you...”

His The voice was low and hoarse, like a hook, and it was entangled in her heart.

Su Nan's face turned even redder, she stood up and fled this dangerous place without thinking.

But he was dragged back by Shang Qian with a smile and sat on his lap.

Before she could react, he held her face and kissed his red lips coveted for a long time with an irresistible force.

They stay together all day, meet every day, eat together, and he will try to spend time with her to work and go shopping.

But they didn't go any further than holding hands and kissing.

Shang Qian treats her like a baby, afraid of scaring her.

But there are times when you can't help it, like now.

Shang Qian greedily kissed her lips and tongue, absorbing her sweetness and kindness, and teasing her little tongue, making her unconsciously soften the force of pushing him.

When she was completely engulfed in this kiss, Shang Qian's offensive was even more rapid, as if to swallow her up.

He could feel that she was gradually opening her heart to him and letting him enter her world.

Such a change, he was ecstatic...

...

Chapter 1198 Baby

, Su Nan's whole body softened into a puddle of water, without the slightest strength, the whole person was under his control.

She was surprised that Shang Qian seemed to have changed into a different person. Under his warm coat, was a hunting leopard who had been hungry for a long time.

And she is the prey.

At some point, she was laid flat on the sofa, and the huge soft sofa sank slightly, causing her to be in a trance for a moment.

Just as she opened her watery eyes, Shang Qian leaned over her, one hand wrapped around a strand of her hair, and the other lingered around her waist.

Wherever she went, it was like a kindling fire, which made her numb and trembling, trembling all over.

She tried her best to restrain her breathing, calm herself down, and meet his deep and dark gaze, she felt that she was defeated for a moment.

In his black eyes, there is undisguised possessiveness and strong restraint.

He could feel that his body was hot and tense, and there was a reaction in some places.

Su Nan tried his best to ignore the changes in his body, and let himself not reject it so much.

She is not conservative, but she can feel that every time Shang Qian is out of control, he will control himself. She was still surprised by his restraint at first.

According to Qin Yu, as soon as a man gets to bed, he doesn't know his surname, and he will turn into a wolf and a leopard.

But Shang Qian was not like that. When he looked at her tenderly and restrainedly, he couldn't bear to take into account her feelings at all.

As if she didn't say the words "she would" herself, he would never touch her.

As she shook her head, he suddenly lowered his head and bit her lips.

"Wandering?"

His voice was low and hoarse, which was fascinating.

Su Nan was in pain, he snorted, and he looked at her bright red lips greedily.

One of his hands went up her slender waist, as if every inch of skin was a precious work of art.

He moved very lightly, but he couldn't help but feel it delicately.

Su Nan was disturbed by his actions, and he kept digging into his arms.

Shang Qian seemed to have found new fun, just watching her writhe around in her arms.

Although tormented.

Su Nan's face turned red, this man was so tormenting!

She couldn't help stretching out her fist and drooping it towards his chest, but the soft strength seemed to be tickling.

Shang Qian couldn't help but chuckle.

Su Nan bit her lower lip, don't think she doesn't know his little actions!

He just wanted to see her lose her temper!

Suddenly, one of her suppressed hands suddenly lifted up, wrapped around his neck, pressed in her direction, and kissed his lips violently.

Shang Qian froze, he didn't expect Su Nan to be so active.

Afterwards, he immediately let himself relax and let her kiss his lips lightly.

She let go, looked down, and caught sight of his bulging Adam's apple.

The cold and wet lips touched there for a moment, and the man froze and tensed.

Even the mischievous hand forgot to move.

Su Nan felt his achievements.

very satisfied.

She kissed gently, twisting and twisting without changing places, torturing every nerve of his intermittently.

Shang Qian finally couldn't bear it anymore, he felt like he was going to explode.

His voice was even more hoarse than before: "Baby..."

As soon as he spoke, his Adam's apple rolled, and Su Nan seemed to have discovered a new continent. This kind of vibration made people fascinated.

She made a "um", indicating that she was responding...

...

The first thousand one hundred and ninety-nine chapters are just kissing

Chapter 1199 Is it just a kiss?

Shang Qian took a deep breath, looking at her fair skin with a blush, and her bright lips with a light luster.

It can really drive people crazy.

His eyes darkened even more.

Feeling that her body was about to explode, Shang Qian endured the strangeness and pressed her shoulders, making her unable to move.

He lowered his head and kissed her lips, fiercely, with revenge.

It seemed to suck her up.

When Su Nan was about to breathe out, he let go.

He touched her hair, and his voice was hoarse:

“Why are you so hooked?”

It seemed like a sigh, and he got up the next second.

Su Nan looked at him in surprise, “Where are you going?” Is the kiss over?

Shang Qian paused and did not look back.

“Go to the bathroom to take a shower and use your bathroom, don’t you mind?”

Su Nan: “Don’t mind...”

He strode over, and was familiar with every inch of the house. .

Su Nan’s tone was surprised, and she muttered in a very low voice:

“Just kissing? This is the end?”

They clicked to the end every time.

Su Nan naturally wouldn’t expect that kind of thing, and she didn’t have much experience or goodwill.

But Shang Qian always walks away, as if she has no attraction, why can’t he be fascinated?

Is he able to control himself so much because his charm is not big enough?

She did it blankly, stroking her messy hair.

When Shang Qian heard this, he turned around abruptly:

“Do you still want to continue?”

His answer made her froze.

He looked at her kindly, as if expecting her answer.

Su Nan pursed her lips, no, of course she couldn't answer “want”!

Does she look so horny?

“No, I don't want to.”

And Shang Qian's eyes seemed to be able to eat her.

Su Nan immediately refused!

Shang Qian frowned in disappointment, turned around and walked into the bathroom.

When Su Nan retracted his gaze subconsciously, his eyes swept in front of him, and his face instantly turned red.

Fortunately, she refused in time!

Randomly, there was the sound of water splashing in the bathroom.

The weather is still a bit cold right now. I wonder if taking a cold shower will make me catch a cold?

Su Nan thought and stood up.

Turning around and seeing himself in the mirror, his eyes were charming, his face was bright, his red lips were delicate, slightly red and swollen, and his clothes were a little messy.

This scene made Su Nan a little shocked and slightly embarrassed.

Soon, she went to the bathroom of the room to wash her face, calmed down, and cleaned herself up by the way.

She woke up a lot in an instant.

Except for the redness of the lips, everything else is normal.

She was sitting outside watching TV, and in order not to hear the sound of water splashing inside him, she purposely amplified her voice.

In the entertainment variety show, Fu Yanni had a hot fight with a few girls...

Her attention was gradually drawn to the past.

Naturally, I didn't hear a deep sigh of relief in the bathroom.

Twenty minutes.

He knocked on the bathroom door.

"Baby?"

Su Nan heard the voice, walked over, and said across the door:

"Why?"

Shang Qian: "Can you help me get some clothes? My clothes are all wet..."

Su Nan: "I didn't prepare your clothes here!"

She told the truth.

After thinking about it, "I'll go up and get it for you?"

Shang Qian sighed, "You want to freeze me to death?"

Su Nan: "..."

Under the rights, Su Nan found a room of his own Nightgown, one size larger.

She knocked on the door, put it on the chair outside, and hesitated to speak.

"You can make do with this one, it's not necessarily suitable, but it's my biggest dress."

Chapter 1200 He Loves to Wear Women 's Clothes

Shang Qian gave a "um" and compromised.

He knew that his clothes were not prepared here, but he deliberately opened his mouth to imply that Su Nan

could prepare some of his clothes at home.

This kind of thing should happen often!

Su Nan felt that in the future, let him go back to his bathroom to wash, it is too inconvenient here!

Shang Qian looked at the white silk pajamas, which were also embroidered with delicate white patterns, which were extremely delicate.

It's a style that girls like.

It can be seen that this brand is very niche, unassuming, low-key but expensive.

He put it on, too small, barely able to wrap himself.

It can only be the.

When he went out, he saw that Su Nan had changed into a dress, leaned on the sofa to watch TV, and laughed lightly along with the variety show, very fascinated.

He was a little lost. He had relieved himself for so long, yet she returned to normal so quickly?

Su Nan watched him come over, raised his eyebrows, and looked at him in this dress with admiration.

"It's very suitable, but the waist is a little tight, it would be better if it were looser."

She seemed to regret this shortcoming.

Shang Qian squinted his eyes and tugged at the hem of the lotus leaf lace skirt:

"Is this suitable?"

If it wasn't for the plain color, and the gender difference could not be seen at a glance, he would never have accepted it.

Su Nan squinted and looked at it, "It's suitable, I'll let them make a men's model and give it to you when the time comes!"

Shang Qian's momentum instantly softened.

male?

Isn't that just for couples?

Su Nan has a heart!

He coughed, "I'll go up and change clothes first, and I'll come down to watch TV with you later."

Su Nan was shocked, "I asked Yu Lou to come over to deliver the documents, you can go back and rest, see you tomorrow!"

She waved her hand and said I don't plan to watch TV anymore.

So, don't come down.

Shang Qian heard what she meant and smiled, thinking she was embarrassed.

understand!

He nodded and wanted to give her some time!

"Okay, see you tomorrow."

He walked over and gently kissed her forehead, looking at her crimson lips, his eyes gradually deepened.

Su Nan had pushed him away in time.

"Go!"

Shang Qian touched her hair, turned around and walked towards the door without saying anything.

As soon as the door was opened, there was a person panting at the door.

The two were taken aback by each other.

Yu Lou looked at him in shock, "President Shang, you are..."

He couldn't help looking at the nightgown.

Embroidery, lace... extraordinarily familiar.

Oh, Miss Su's, he ordered it himself!

He came out dressed like this, and his hair was still wet with drops of water.

It's hard not to get crooked.

Two people are a couple, and it is normal to be close.

Just this dress...

Is it a special hobby?

For a time, Yu Lou looked at Shang Qian with complicated eyes.

Unexpectedly, the general manager of the business still has a women's clothing fetish?

Shang Qian looked at Yu Lou with a complicated expression, and his face was even more complicated and dark.

He thought that what Su Nan said was just to deal with it.

Unexpectedly, Yu Lou really came?

And it's coming so fast?

Just blocked at the door, who is embarrassed?

Shang Qian stood there with a dark face.

Angrily, he was cold all over.

Where do you keep your face?

Su Nan only heard the door opening, not the closing.

Curiously walked over to see.

"Why haven't you left yet?"

After he finished speaking, he saw Yu Lou outside the door, and Shang Qian looked at each other with big eyes.

What an embarrassing scene!
