

Read Divorce Billionaire Heiress Chinese Language Chapter 1391-1395

The first thousand three hundred and ninety-one chapters are four drag oil bottles
, but I'm a little embarrassed to know.

“Su Nan, if your third brother hears you compliment him like this, he will never hesitate to go out to bring you gifts after rehearsal...”

Su Nan: “... ..”

He even hesitated!

Qin Yu came over while eating snacks:

“The conditions of the third brother at that time, that is not to say, the fans at that time were not so perverted, people liked a person just like, they will not deny their career achievements because of their private life.

Unlike now...”

Fu Yanni fell into silence.

Born out of time.

Shang Qian prepared the things and greeted everyone:

“It's time to eat...”

The mandarin duck pot was prepared.

Clear soup and spicy.

When it comes to eating, they are never vague.

Fu Yanni doesn't need to think about the instrument in front of the camera, so he doesn't need to go on a diet.

He let go of bold eating.

Shang Qian put the cooked beef in front of Su Nan, who frowned slightly.

Obviously not very satisfied.

Shang Qian patted the back of her hand and introduced in a warm voice:

“The Wagyu beef that was brought in from Japan in the afternoon is delicious even without steak, just have a bite?”

It was almost coaxing.

Except for Fu Yanni, the other three couldn't help raising their heads to concentrate on eating.

Su Nan can eat desserts and fruits, but not meat.

They all know.

As a result, Su Nan struggled for a while before picking up the small piece of meat under Shang Qian's gaze, and took a light bite.

As if ready to vomit at any moment.

They waited a second, two seconds, three seconds...

She swallowed.

The expression is very pertinent, “It's not bad, it melts in the mouth, and it's not greasy.”

Shang Qian nodded with a smile, and seemed to know her reaction well.

“Eat more if you like.”

He took some more for her.

Aware of the sight of the person on the other side, Shang Qian politely took care of the guests' mood:

“Don't be polite, just eat...”

They didn't want to be polite, but this wave of dog food suddenly felt blocked. Panic!

Only Fu Yanni was immersed in the delicacy of Wagyu beef and fell.

Su Nan didn't eat too much either. After two bites, he didn't want to eat anymore.

Shang Qian also kindly cooked some green vegetables in clear soup for her.

Although this meal was not emotionally charged, the other four people kept chatting and threw the topic to them from time to time, and Shang Qian was caught off guard.

Realizing that Su Nan had almost eaten, he began to eat it himself.

Dijin plus hot pot is a perfect match!

Cheng Yi was not at all conscious of being rude. He went down with a bottle of wine and his face was flushed. He dragged Shang Qian and kept saying,

“I must come tomorrow. Happy birthday to my grandpa...”

Shang Qian: ” Okay.”

Everyone was almost drinking and eating.

Su Nan looked at the way these four people were at ease, and knew that they had no plans to go back when they came.

Shang Qian was also extremely helpless, and he would not have brought out the wine if he knew it earlier.

After drinking, how can I go?

It’s a mistake to drink!

Three rounds of wine.

It’s already eleven o’clock.

It was quiet outside late at night, with a slightly cold air.

Shang Qian didn’t plan to clean up the mess, and it would be fine for someone to clean up tomorrow.

He stroked his brows with a headache, and looked at Cheng Yi hanging on his body indifferently.

When did he and Cheng Yi get to know each other so well?

“How can

he talk like this after drinking?” He looked at Su Nan and said.

Su Nan was speechless, “It’s an old problem, don’t worry about him.”

Looking at these four fuel oil bottles, Su Nan finally felt that he should try to avoid eating at home in the future!

...

Chapter 1392 The world of three people is more lively

Chapter 1392 The three-person world is more lively

. Su Nan moved Qin Yu and Ning Zhi to the sofa with difficulty.

Qin Yu was unconscious.

But Ning Zhi still had the last trace of sobriety, "I won't disturb you, I'm leaving..."

Su Nan was so frightened that she hurriedly grabbed her, "Where are you going, you're still going after drinking like this, My third brother has to come back and kill me!"

Ning Zhi was blindfolded, "Oh, I forgot to call the third brother, he asked me to call him every night."

After speaking, he took out from his pocket phone.

Seeing this posture, Su Nan seemed to be really drunk.

She called Su Qi, and Ning Zhi reported herself as if reporting her schedule:

"Third brother, I'm drinking here with Su Nan... If you don't believe me, listen."

Su Nan accepted his fate and took the phone:

"Remember to go out and buy me gifts after rehearsal, or throw her on the street!"

Su Qi snorted and warned her:

"You dare? Don't let her go home by herself, you have to stay with her for one night, Did you hear it?"

A warning from the third brother!

Su Nan hung up the phone and dragged Ning Zhi to the sofa to lie down.

I counted, how come there are only three?

She is in a hurry.

"Where's Fu Yanni?"

Shang Qian pulled Cheng Yi off his body again and again, but Cheng Yi hugged him shyly.

Just like a mangy dog.

“It was still there just now, did you go to another room to see?”

Su Nan’s head was big, she ran to the bathroom to see that no one was there.

Went to the utility room again.

No one.

Went to the second bedroom, no one was there.

The door to the master bedroom was closed, and she opened it.

Oh, the man was lying on the bed and slept soundly. He hadn’t forgotten to cover himself

with a quilt... Su Nan rolled his eyes, then exited to close the door.

“Found it?”

Shang Qian threw Cheng Yi on the ground, leaving him alone.

Su Nan nodded and pointed to the master bedroom.

“In your room, will you ask someone to clean it up later?”

She didn’t believe that he would be virtuous enough to clean up the messed up places by men.

Shang Qian nodded in agreement.

Su Nan rubbed his neck:

“I’m tired too, help me take Zhi Li and Qin Yu down, let Cheng Yi and Fu Yanni sleep here, you can make do with the second bed, okay?”

This is the best arranged.

Shang Qian hesitated for a few seconds and shook his head.

Su Nan clicked his tongue, but he didn’t cooperate with her?

Shang Qian put her in his arms, with a bit of grievance in his mellow voice:

“Tonight was our two-person world...”

He didn't want to drink with the two of them. big men to sleep with!

Su Nan pursed her lips, she doesn't have the heart to think about something now.

She put her arms around his waist soothingly and patted his back.

“It doesn't matter, the world of three is more lively!”

Shang Qian: “...”

Are you serious?

When she wanted to move people downstairs, Shang Qian couldn't help but go over to help.

Arranged Ning Zhiliao and Qin Yu to the second bedroom downstairs.

Su Nan wanted to take a bath and go to bed, and saw Shang Qian sitting on her bed, without any intention of leaving.

She walked over and patted him on the shoulder:

“You can go...”

She reminded him.

Shang Qian raised his head slightly with a smile in his eyes:

“You want to throw me away when you're done using it?” Su Nan frowned

, “I can't say that.”

Can't do anything.

“Then what do you want to say?”

He insisted on pursuing it to the end.

Su Nan: “The people above need to be taken care of.”

Shang Qian: “I can definitely take a taxi to take them home.”

Su Nan couldn't help: "You will be seen by people living here, Zhi Li and Qin Yu What if I wake up?"

Shang Qian's smile froze, and his eyes froze slightly.

"Am I... shady?"

...

The first thousand three hundred and ninety-three chapters got dizzy

Chapter 1393 Overwhelmed

Shang Qian and felt that he had not met her friends and girlfriends in the name of her boyfriend tonight?

Why should they be afraid that they will see the things they live together?

Unless, she never wanted others to know that their relationship was already so close.

Does it mean she intends to end the relationship at any time?

Su Nan had realized that he had said the wrong thing.

Don't know how to explain.

If it were passed on to the Su family, Su Yifeng and Su Jin would not let Shang Qian go.

But seeing the light in Shang Qian's eyes go out little by little, she felt a lot of pain in her heart, as if someone pinched her, and the pain pierced her heart.

Just as he was about to explain, Shang Qian had stood up calmly, with a warm understanding smile on his face.

"Then you have good news, I'll go upstairs first."

His tone was still calm, without the slightest fluctuation.

But Su Nan heard a chill.

He opened the bedroom door and went out.

Su Nan suddenly panicked.

She knew that when he got out of here, they were really over.

She suddenly ran out, even missing one of her slippers, and hugged his waist from behind.

Shang Qian's body froze, but he still restrained his voice:

"Release."

Su Nan gritted his teeth, not letting go.

He was just angry.

And a serious one.

Shang Qian patted her hand, his voice softened, and he couldn't hear any coldness:

"Let go, I'm going up."

There seems to be no problem with this tone.

But Su Nan still didn't let go.

She hugged him tightly, her voice low and soft.

"What if I don't relax?"

She knew what she was doing, but she couldn't help it. She didn't want to hurt him in such a cruel way.

So those worries, get out of here!

Shang Qian paused for a while, and his tone was a little hoarse:

"Really not loose?"

Su Nan tightened his tone.

next second.

The world was spinning, and the person was already in Shang Qian's arm. He tied her waist with one hand and wrapped her leg with the other. His movements were almost rude, and he turned and walked into her bedroom.

"It's your own responsibility, don't regret it."

His voice was deadly hoarse.

Su Nan was a little flustered.

He seemed to have changed a person, and the mask that was as warm as jade was taken off, and he became both familiar and unfamiliar.

Su Nan didn't notice these expressions he inadvertently revealed.

But she is more pleased with the image he maintains in front of her, who doesn't want to leave a good impression in front of her sweetheart?

So she never got to the bottom of what kind of person he was.

There was a bit of scarlet in Shang Qian's eyes, but when he held one hand by her ear and the other hand rudely unbuttoned her clothes, it slipped into Su Nan's eyes and did not hide his panic.

His movements slowed down, and the light in his eyes faded from coldness, gentleness and graceful, as warm as jade.

He was afraid that he would scare her.

He lowered his head, kissed her eyes, and then gradually moved down to kiss her lips.

She didn't dare to refuse, didn't dare to resist, she just let him move.

It was only at the last moment that Su Nan suddenly realized something and opened his watery eyes.

She pushed him, gasping for breath.

He used a bit of strength in his hands and didn't give him much chance to resist.

He lowered his head and was about to continue when Su Nan kicked him hard.

"Go and close the door!"

The voice that came out was charming and charming.

Shang Qian was stunned for a moment, only to realize that the light from the living room was bright and warm.

Su Nan's face was already crimson, and her bright red lips reflected a seductive light.

He was really dominated by his own emotions, and he was overwhelmed...

Almost on the verge of a live broadcast?

...

Chapter 1394 Thank you for the hospitality

Chapter 1394 Thank you for your hospitality

Shang Qian's face changed, he turned over, closed the bedroom door, and locked it by the way.

She only told him to close the door, but didn't let him get out.

It means she hates him.

Then he naturally wouldn't be so considerate to take care of the two people upstairs.

As soon as he turned around, Su Nan ran to the bathroom clutching the clothes that he had torn open on his chest.

Too fast to respond.

Shang Qian touched his chin and smiled.

It's okay, take your time.

She doesn't hate it.

Su Nan calmed down, and then began to put water in the bathtub.

She needs to soak for a while to relieve fatigue.

By the way, the man waiting outside couldn't help but fall asleep.

Otherwise, go out in a hurry, isn't the sheep into the tiger's mouth?

She wisely locked the door and started taking a bath.

Essential oils and candles are a must.

The more cumbersome the better.

After about 20 minutes of soaking, she felt more and more sleepy, and she couldn't help it, so she crawled out of the water.

There is no movement outside, Shang Qian has never urged her, is she already asleep?

After she came out, she realized that the dress was no longer worn.

Change of pajamas were not brought in.

She could only wrap her delicate body in a towel.

Careless!

Just as she was about to speak, she suddenly remembered something, and carefully opened a crack in the door.

Want to see if he is there.

As a result, before he could stick his head out, the door was pulled open from the outside, as if he had been waiting for this moment.

Before she could react, the person was pushed against the wall in the bathroom.

“Finally willing to come out?”

His voice was hoarse, with a hint of playfulness.

Su Nan’s heart skipped a beat.

She tried hard to pretend that nothing happened, but the tension in her expression still made him have a panoramic view.

Especially when she was not wearing pajamas, just wrapped in a bath towel.

Simply... a natural stunner!

“Why did you come in?”

“What do you think?”

He rubbed the tip of his nose slowly, wanting to continue doing what he didn’t finish just now.

Su Nan pursed her lips, “Then take a shower, I’m done, I’ll go out first...”

As she spoke, she wanted to get out from under his arm, but was restrained by a hand. , don’t come back easily.

All around is his breath.

He smiled, his eyebrows seemed to be able to talk, he was extremely romantic and deceived.

“No hurry, let’s wash together...”

Su

Nan really couldn’t even lift his arms.

If it wasn’t for the sound of walking outside, she wouldn’t have opened her eyes at all.

Listening to Qin Yu and Ning Zhi talking outside, but the specifics are unclear.

She suddenly remembered that she was with Shang Qian last night, and if she was caught...

She woke up instantly, and there was nothing next to her.

he is not here.

Su Nan breathed a sigh of relief.

But I didn’t see him early in the morning, and I was a little disappointed.

But in the next second, I suddenly heard Shang Qian’s voice in the living room:

“I don’t know what you like to eat, so I just bought some...”

“Mr. Shang is too polite, thank you for your hospitality.” Ning Zhi sound.

Qin Yu: “Mr. Shang is really thoughtful. If we count on Su Nan, we can only go back hungry.”

Su Nan found a pair of pajamas and put it on, and went out with a disheveled hair:

“As soon as I hear you speak ill of me, I will I just woke up, isn’t it scary?”

Qin Yu looked at her meaningfully:

“Su Nan, how did your skin become so good when you fell asleep?” The air froze for a moment. Afterwards, Ning Zhi looked at Su Nan and then at Shang Qian. Understand.

...

Chapter 1395 You make up more

Chapter 1395

Su Nan can't stand the attack from their eyes. Seeing that the atmosphere is going to stalemate, she immediately counterattacks:

"Born!"

Ning Zhi immediately stopped Qin who wanted to continue talking. Yu.

She smiled and looked at Su Nan:

"Okay, your boyfriend went out to buy breakfast for us early in the morning. Thank him for us. It

's getting late. We still have business. See you at the banquet in the evening.

" Nodding, the evening is the birthday of Mr. Cheng, of course we will see you again.

Qin Yu was pulled away by Ning Zhi.

Only Su Nan and Shang Qian were left in the living room.

Su Nan frowned slightly as he looked at the breakfast on the table.

After tossing until the early morning last night, this person still has the energy to buy breakfast, doesn't he need to sleep?

She doesn't look back at him.

Shang Qian immediately understood what she was thinking.

He smiled and explained:

"I bought it early last night, and it was delivered downstairs. I just picked it up a few minutes in advance."

Su Nan understood, "Did they praise you wrong?"

Shang Qian smiled, "It's fine if you want to explain it clearly, but I went out to get breakfast so that no one would find out that I lived here last night."

Otherwise, he would have someone deliver it directly to the door.

Su Nan was speechless.

She turned around to wash up, and watched him sitting at the dining table waiting for her afterward, while replying to the email message from country M by the way.

Suddenly remembered something.

“The people upstairs are gone?”

Su Nan asked.

Shang Qian: “It should be gone by the sound.”

Before he went downstairs, he heard the door closing.

Su Nan nodded, “It was hard for you last night.”

Shang Qian: “What kind of hard work are you talking about?”

He asked knowingly.

Su Nan’s smile choked, and he really wanted to kill him.

He’s really letting go more and more, it seems that it must have been very hard to endure in front of her before.

However, she was not resigned to being inferior, and smiled:

“It’s very hard in every way.”

Shang Qian: “...”

People didn’t get them, but they were teased.

As expected of Mr. Su!

He obediently served her a bowl of soup, “Drink the soup, your voice is hoarse...”

Su Nan: “You should make up more.”

Oh, who wouldn’t hurt each other?

man!

I didn’t go to the company yesterday. If I don’t show up again today, Su Jin should come over and arrest people in person.

Su Nan simply took a few bites and was sent to the Su Group by Shang Qian.

Before getting off the bus, Su Nan remembered something.

“Yesterday’s lipstick mark...”

It seems to have disappeared?

When he went to the Juli Group to pick her up, he didn’t remember it.

Shang Qian: “Can you have another one?”

“Go away.”

She was taken off topic like that.

Shang Qian didn’t want to let go, and looked at her meaningfully:

“Baby really won’t kiss me? I won’t have a chance to kiss today.”

Su Nan looked at him speechlessly.

Is this person a child?

But people come and go at the door, and this Bentley parked at the door is particularly eye-catching.

Su Nan didn’t want to become everyone’s catchphrase early in the morning, so he closed his eyes and went up.

With a light kiss, she didn’t pay attention, turned around and went down.

Shang Qian didn’t stop it and looked at her back with a smile.

So cute.

Just as he was about to start the car, when he looked up, Shang Qian suddenly stiffened.

He quickly regained his warm and modest look, got out of the car, and nodded.

“Mr. Su.”

Su Jin looked at Shang Qian with stern eyes. He had a panoramic view of the scene just now, so his face was not very good-looking.

“Mr. Shang is downstairs, why don’t you go upstairs and sit down?”

Shang Qian was a little nervous, feeling a little pressure inexplicably.

“Come here to take Su Nan to work, I still have something to do, I will definitely come to visit later.”

Su Jin looked at him indifferently.

“That’s not necessary, just make an appointment in advance.”

“Yes.”

Read Divorce Billionaire Heiress Chinese Language Chapter 1396-1400

The first thousand three hundred and ninety-six chapters introduced that his girlfriend

Su Jin was about to leave when he suddenly remembered something.

“When did President Shang go back to Country Z?”

“The plane the night before yesterday.”

Shang Qian answered without thinking.

After answering, he knew Su Jin’s purpose.

His face changed slightly.

Just about to look up at him.

Su Jin walked in without saying a word.

Even the back has an inexplicable chill.

Shang Qian: “...”

Su Nan was in a good mood in the morning.

The lady at the front desk and the secretariat greeted her, and she responded one by one.

Others don’t know what’s going on, but Yu Lou knows best.

But he can’t say.

Knocked on the door with the documents in hand, and poured her a cup of coffee by the way.

“President Su, Xu Anji from Xinpu Group wants to see you, see?”

Su Nan paused, “No.”

She didn't have a good impression of this person.

Even after a few years, there is nothing worth exploring.

What's more, he belonged to Fu Yechuan.

After a while, Yu Lou came over to report:

“President Xu refused to leave. He said that Mr. Fu did not ask him to come. He has important things to look for you.”

Su Nan paused, he could have something important.

But she looked at Yu Lou, “Let him come in.”

If the matter is not important enough, she will immediately let him get out.

Xu Anji knocked on the door and came in, still looking like a flirtatious man, wearing a white suit and European and American style.

“Miss Su, long time no see, I wanted to catch up with you alone a long time ago...”

Xu Anji said with a smile.

Su Nan closed the document in his hand and looked at him indifferently:

“Mr. Xu, if you simply want to catch up with me, please leave, we are not familiar with each other.”

Xu Anji's smile froze on his face, Slightly convergent.

He sat opposite her, looked at her, and squinted.

Even if he doesn't want to admit it, the intern who just joined the company has now transformed into a famous Su Nan.

This is a fact.

She is different from Yunyun, Yunyun will make full use of the resources in her hand, and she will be empty and ignorant.

When she sees happy or unhappy people, she always puts her interests first, no matter how much she hates it, she will show a look of late meeting.

But Su Nan will never.

She almost wrote the words "hate you" on her forehead.

That's why Xu Anji didn't dare to appear in front of her, for fear that she would associate herself with Yunyun.

After a few seconds, he said:

"Okay, then let's not talk about the old, say something else."

Su Nan didn't lift his head, and looked down at the phone.

reply message.

Xu Anji paused, "You and Fu Yechuan are really out of business?"

This question was ridiculous.

Su Nan lifted his eyelids, "What do you want to say?"

Xu Anji touched her nose, "Someone wants me to match her and introduce her to President Fu. She is a girl, but I'm not sure what Miss Su means to President Fu, so I don't misunderstand when I look back.

If you still have the possibility Together, I would not do such a thing."

Su Nan understood his intention.

She put down the phone, Mingyan's face was flawless, the corners of her mouth were curved upwards, but you couldn't tell she was smiling.

"You shouldn't ask me, you should ask President Fu. I have nothing to do with President Fu for a long time. I have no right to interfere with who he is with."

She said it clearly.

What's more, if Fu Yechuan can really find someone he likes and let go of the past, she would be very willing to bless him.

Xu Anji observed her face and finally heaved a sigh of relief after confirming that she was not duplicitous.

So, he showed a bohemian smile again...

...

The first thousand three hundred and ninety-seven chapters get married and divorced

Chapter 1397: Marriage and Divorce

"Then I'm welcome. I've heard that you and the businessman are dating a long time ago, but I haven't heard your answer in person, so I'm still worried."

Su Nan looked at him and said, "When did President Xu become more forward-looking and cautious?"

Xu Anji said, "Eat a cut and grow wiser." Just as

he was about to leave, Su Nan chuckled lightly:

"Oh, it seems that Miss Yunyun, did you learn a lot of experience?"

There was ridicule in her words.

Xu Anji's face changed fiercely.

He is a smart person, and he knows how to look at people's faces the most. How could he not understand why Su Nan mentioned Yun Yun at this time?

Because from the very beginning, she knew that her relationship with Yun Yun had a long way to go!

She just watched him play stupid, and watched Yun Yun go to a dead end step by step.

Then, when his conscience was about to unload all its burdens, he brought up the old story, undid his fig leaf, and let him see what a despicable and shameless little man he was.

Xu Anji watched her quietly for a few seconds, then stood up with a pale face, and even tried her best to maintain her only remaining self-esteem:

"Excuse me, farewell."

There was no more arrogance and debauchery when he came.

Yu Lou did not know how this person changed so quickly.

But Su Nan must have a way.

He knocked on the door and walked in, letting the people outside come in.

“Mr. Su, Mr. Cheng’s banquet dress is ready for the evening, and the jewelry was sent from the old house. Would you like to try it?”

Su Nan looked at the time, “Don’t worry, just leave it alone.”

Yu Lou Nodding, let someone put them in the lounge inside, and then back out.

Before noon, Su Jin came over.

Sitting across from her, do not speak.

Su Nan was puzzled, didn’t he just ask for a day off?

“Brother, are you ill?”

Su Jin rolled her eyes at her, his eyes cold.

Su Nan held back.

Su Jin: “Shang Qian is back, why didn’t he tell us?”

“He has his own itinerary, does he still need to report to us?”

Su Nan said with a guilty conscience.

Su Jin: “If it’s someone else, of course you don’t need it, but Su Nan, love is a lifetime thing, not a product of a feverish mind. You have to think about it carefully before deciding on the way forward.”

Su Nan’s face also became serious, looking at Su Jin :

“I know, eldest brother, because I married and divorced Fu Yechuan on the spur of the moment, and your feelings are very important to me.

But I regret it. If I go back to four years ago, maybe I will still choose Fu Yechuan.”

She smiled. Laughing and laughing at himself: “But if you meet Shang Qian first, then it won’t be sure.”

Originally, Su Jin's eyebrows were clenched because of her words, which was very ugly.

After listening to her last sentence, it instantly became complicated.

After the complexity, the expression tends to stabilize.

The implication is that Shang Qian is better than Fu Yechuan in her heart.

I thought about it, stood up, and didn't want to say more.

"You can count. I won't go to the banquet at night. Your sister-in-law will cook at home. You can go there on behalf of the Su family."

Su Nan nodded.

I thought it would be more lively for everyone to go together, but after Su Jin got married, these entertainments were all pushed as they could.

Sure enough, it looks like a serious life.

All of them are well trained by Wen Xiang, can even an ice cube be trained?

not easy!

evening.

Because the friendship with the Cheng family is not shallow, Su Nan did not deliberately wait for the time, and went to get ready early.

Shang Qian will also go, but he has something on hand and will be later.

The Cheng family has generously built a two-story banquet hall, with business upstairs and communication downstairs.

Su Nan thought she went early, but she found out that almost half of the people had already arrived.

It's not too early!

...

Chapter 1398 Your granddaughter-in-law

Chapter 1398 Your granddaughter-in-law

Su Nan signed and went in, Cheng Yi looked at her sharply, and first a rainbow fart in the past:

“Ms. Su is so radiant today, those little stars you invited are afraid that they are going to fuck It’s gone in the end!

This skirt is too beautiful, but it’s too short.”

Su Nan gritted his teeth, trying to control his expression management.

“It’s too short on the heels? You think you’re wearing a wedding dress!”

Cheng Yi’s eyes lit up, “My grandfather dreams of seeing his granddaughter-in-law, if you walk with me in a wedding dress, I promise you will come down here. The red envelopes you got are more than your dividends!”

Su Nan rolled his eyes at him, “I promise, you can’t leave this place with your legs off the ground.”

At least you’ll be maimed by her!

Cheng Yi didn’t dare to say more, and dragged her to the front of Mr. Cheng.

“Grandpa, look who this is, does it look like your granddaughter-in-law?”

Su Nan twitched the corners of his mouth, really wanting to kick him to death!

Surrounded by relatives and friends who just arrived, seeing this scene, I couldn’t help laughing.

Old Man Cheng squinted and looked at Su Nan:

“Little Si, you haven’t been here for a long time.”

Su Nan smiled, squatted down, and took out the gift that Su Yifeng had prepared a long time ago.

“Grandpa, I wish you luck like the East China Sea and a long life like Nanshan!”

Although Mr. Cheng is old, he is not blind or deaf, and he is very awake.

He took it, opened it, and saw an old item that money can’t buy. He smiled:

“Your father has bothered.”

Su Nan said with a smile: “If you like it!”

Cheng Yi laughed and gag aside, "Grandpa, do you like Su Nan or not, would it be alright for Su Nan to be your granddaughter-in-law?"

Su Nan once again resisted the urge to hit someone.

Old Man Cheng smiled, and his long beard trembled:

"Su Nan is my goddaughter!" The surroundings couldn't help laughing.

Cheng Yi's expression was stiff. From his daughter-in-law's seniority, he became a mother?

I can't say any more, if I go on, Su Nan might become his grandmother!

He understood, this old man did it on purpose!

snort!

Su Nan pointed at Cheng Yi proudly, "My dear, auntie?"

Cheng Yi twitched the corners of his mouth and lowered his voice:

"I was wrong, my ancestor!"

Su Nan saw that he had a good attitude in admitting his mistake, so he did not continue to be in the public eye. Make it difficult for him.

Leaning there and saying a few words, he turned to leave.

As soon as he turned around, he saw Fu Yechuan who was standing there for an unknown time.

Su Nan knew that there was no way to avoid it, and there was no need to avoid it.

There will be many such occasions in the future. It is impossible for one person not to attend, and the business field is still passable.

Cheng Yi naturally noticed it, but this was their family's business, and he couldn't screw it up.

He tugged at Su Nan's arm:

"How about, follow me to my mother's place?"

He pointed in another direction.

Mother Cheng was surrounded by a circle of noble ladies, chattering with hypocritical expressions.

Tired to look at.

She decisively refused: "No!"

While the two were talking, Fu Yechuan had calmly walked up to him, and his eyes naturally fell on Su Nan alone.

The light in his eyes was heavy, as if carrying a huge boulder that weighed thousands of pounds.

"Speak alone?" he said.

His voice was low.

Su Nan raised his eyes, "What to talk about?"

Cheng Yi: "Can I talk with you?"

Although he was out, it didn't mean he had to give way.

Put some sand in Fu Yechuan's eyes, he can still do it.

Fu Yechuan looked at him indifferently, and pointed in the direction to his right:

"Cheng Ershao, I think that lady wants to talk to you more."

Cheng Yi hummed disdainfully, turned around, and looked at the person on his right.

I go!

It's Zhou Tonghui's daughter, Zhou Yan!

...

Chapter 1399 scared away

Chapter 1399 scared away

Cheng Yi's complexion instantly.

Zhou Yan looked at Cheng Yi earnestly, as if a heart was attached to him.

Even if the Zhou Tonghui almost killed the Cheng family last time, the Cheng family had long regarded the Zhou family as a thorn in the flesh, but it did not affect Zhou Yan's love and obsession with Cheng Yi.

The moment Cheng Yi looked at her, Zhou Yan's eyes lit up instantly, and she was about to come over with her skirt.

Cheng Yi was frightened, he let go of Su Nan's hand, and wanted to leave her and run away with great senselessness.

Thinking so, he did the same.

"Su Nan, I'm leaving, take care of yourself!"

After he finished speaking, he raised his legs and ran, rubbing against several wine glasses, and was softly reprimanded by relatives and elders beside him for not being prudent...

But they noticed that Zhou At that instant, Yan's scolding voice changed to:

"Run, don't get caught!"

Su Nan watched this scene in surprise, like a farce.

And Fu Yechuan in front of him just wanted to be alone with her.

I haven't talked to her alone for a long time.

He stretched out his hand, held the slender white and tender wrist, then pulled her hard and left.

Su Nan was still immersed in the plot of watching a good show, without the slightest preparation, he subconsciously wanted to break free, but it was useless.

She was a little unhappy, and her face was clear and cold.

"Fu Yechuan, let go."

She didn't want others to misunderstand their impossible relationship on this occasion.

Avoid unreasonable speculation.

Maybe the voice is too cold.

Fu Yechuan really let go of his hand, but turned around, blocking the road behind her and the sight of others.

He looked at her with deep eyes, raised his chin, there was a rest area.

“It’s not enough to just sit there and say a few words?”

The direction he took her to was not a remote place.

It’s just that people didn’t come here, so it was relatively quiet there.

Su Nan also wanted to make her words clearer to avoid embarrassment when they meet later.

It’s boring to be immersed in the past all day long.

It is rare for two people to sit down face to face, without red face and quarrel, nor indifference and ignorance.

Each took a step back and compromised.

It is not easy enough to maintain the present harmony on the surface.

Su Nan looked around vigilantly, for fear that someone would notice it and couldn’t tell.

“If you have something to say, say it quickly,”

she urged.

Fu Yechuan looked at her expression, his face was slightly gloomy and cold.

But within a few seconds, there was no emotion at all.

He just stared silently at the person in front of him.

“I’m sorry.”

Su Nan raised her eyes, her eyes were slightly stagnant, and she looked at him without making a sound.

Fu Yechuan: “It’s just that I suddenly found out recently that it’s a very uncomfortable thing to like someone who doesn’t like me.”

Su Nan’s expression was only slightly twisted in his heart, and it hurt a bit.

Seeing her unmoved appearance, Fu Yechuan twitched the corners of his mouth:

“It’s probably retribution, Su Nan, how I treated you back then, and how you treat me now, is quite fair.”

Su Nan felt as if his chest was being pressed by a boulder and couldn't breathe.

She didn't like this feeling, and she didn't like to recall those unpleasant experiences with Fu Yechuan.

It's nothing more than bruised and bruised all over again.

"Mr. Fu, if you want to say this, there's no need to go on."

"Isn't it necessary? It's unnecessary for you, but for me, it seems to have taken half my life away."

Fu Yechuan Sitting there, he pursed his lips.

The light was dim, and the light from the side reflected on his face, his eyebrows were pale and cold, with embarrassing arrogance.

At that moment, Su Nan suddenly felt that Fu Yechuan had fallen into the mud from the high altar.

Extremely embarrassed.

...

Chapter 1400 is just around the corner

Chapter 1400 I was just around the corner

and there seemed to be no noise around.

The eyes of the people in front of her were staring at her darkly, and Su Nan's eyes were extremely calm and cold.

She could feel the changes in Fu Yechuan.

It just doesn't work for her anymore.

She looked at Fu Yechuan and thought about the past, and it became even more sad.

But now, she has someone in her life who can make her laugh.

She is more eager to be happy.

Su Nan pondered for a few seconds, then said lightly:

"I have a boyfriend, you know, even if I don't have it, I can't find you again."

Fu Yechuan was silent for a while, then sneered:

“I know, it’s just a boyfriend. If you are married, you can get a divorce, not to mention that if you are not married, there is still a chance for others, right?”

Su Nan frowned, just as he was about to say something, he suddenly heard Ning Zhi’s voice.

“Su Nan...”

She looked over, and Ningzhi waved to her, as if there was an urgent matter.

She stood up immediately, “Excuse me.”

Anyway, she didn’t want to continue this topic.

Fu Yechuan didn’t stop her, he just picked up the wine glass on the table and took a sip.

His face was stern, his eyes darkened.

Su Nan walked over, “Did you just come?”

Ning Zhi nodded, “Qin Yu will bring her boyfriend with me, so I’ll be alone. I didn’t expect to see you chatting with Mr. Fu so vigorously, what, could it be? President Fu still doesn’t give up?”

Su Nan smiled, with a bit of indifference on the corner of his mouth:

“If you don’t get something, you will always be unwilling to move. If you say it is sincere and forget your life, how many people can believe it?”

Ning Zhi was stunned to hear these cold words.

“You, really...”

She felt a little distressed for that Fu Yechuan for a moment.

Su Nan always treats people and things she doesn’t care about rationally, so she can objectively speculate on the dark world in Fu Yechuan’s heart and comfort her determination to leave.

But no one else knows that in this divorce game, the person who hurts the most is President Fu.

But Ning Zhi didn't say anything. Knowing that she and Shang Qian had a hot fight, of course she hoped that she would get better and better.

"By the way, I heard that there will be a special guest today."

Ning Zhijiao approached and said.

Su Nan

turned his head sideways, "What special guest?" Ning Zhi pursed her lips and shook her head, "Mrs. Cheng's sister just boasted there that her son Lin Yang has returned from abroad..."

Su Nan smiled.

"That second-generation ancestor?"

Cheng Yi's cousin, a person who had to study abroad because of a fight before graduating from high school, was expelled from the school after studying abroad for two years, but still mingled with overseas Chinese circle.

Most of the time, it is still relying on the reputation of the Cheng family.

The Cheng family's power is weak, and most of it is due to Mrs. Cheng's sister Liang Qi.

The other half is Lin Yang, the son of Mrs. Cheng's sister Liang Qi.

Although Cheng Yi doesn't have a genius mind that makes rapid progress in business, his character and personality have always been loved by people.

Lin Yang is different, he has a disgusting energy in his bones, bullying girls, showing no respect, he is a second-rate bastard.

All the trouble at school was stopped by Mrs. Cheng's sister Liang Qi.

Only the last one, he bullied a little girl from a bad family background, took a photo and threatened her not to speak out.

It didn't take long for the little girl to become pregnant and came to him, but he didn't recognize it.

The little girl's family called the police, and when the police went to him, Liang Qi planned to use the money to solve the problem.

Just when the two sides were planning to negotiate and settle, this Lin Yang ran to humiliate her, causing the little girl to jump off the roof of the school because she couldn't think of it.

One corpse and two lives.
